

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Internet Service Providers |
| Inquiry Category | Speed and performance inquiries |
| Inquiry Sub-Category | Internet speed issues |
| Description | Customers experience slow internet speeds and want assistance in troubleshooting the root cause, whether it's an issue with the ISP's network, equipment, or their own devices. |
| Data Size | 5,046 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

____ often ____ both ____ router as part of troubleshooting ____?
 ____ resolving ____ what ____ the recommended Frequency ____ my modem and router?
 ____ you ____ restarting ____ modem ____ routers?
 ____ often ____ modem ____ routers ____ re-booted?
 ____ frequently should ____ restart the ____?
 ____ we ____ modem and the internet ____ a problem?
 ____ often do you ____ modem ____ router ____ you fix ____?
 Is ____ to restart ____ and router ____ part of the ____ process?
 If ____ to ____ the ____ how ____ should we stop ____ modem ____ every so ____?
 Is it necessary ____ restart the ____ routers?
 How often ____ we ____ reboot ____ modem ____ router?
 ____ with issues, ____ you ____ often I ____ reset my modem?
 How ____ should ____ be a ____ the modem ____ routers?
 Can ____ the recommended frequencies for ____ the modem ____?
 What ____ are ____ for ____ my ____ router as part ____ resolving ____?
 ____ we required ____ have ____ reboots for ____ modem ____?
 ____ issues, ____ is the ____ for restarting ____ modem and router?
 ____ much ____ we ____ to ____ both modem and ____?
 ____ it a good ____ to periodically reboot ____ router ____ a ____ find a ____?
 Is it a ____ idea ____ periodically rebooting ____ and ____ way ____ find a ____?
 ____ we ____ restart the ____ and ____ while we ____ the issues?
 ____ is ____ about the Frequency of restarting ____ and ____ issues.
 How ____ should we ____ the ____?
 ____ question is, should the ____ and ____ restarted ____?
 Is ____ to periodically ____ along with ____ router.
 ____ we restart ____ router?
 Reboot ____ often ____ or ____?
 ____ a recommended ____ restarting ____ modem andRouter?

When to _____ and _____ problems?

When _____ issues, _____ you _____ the modem and _____?

Is _____ the modem _____ router as a remedy for a _____?

How much of _____ restart _____ modem _____ do _____?

_____ we _____ to _____ regular rebootings for _____ and _____?

Does _____ sense _____ have regular rebootings _____ modem and _____?

Is _____ a _____ modem _____ router _____ now and then during the _____?

 Is it ____ good idea to ____ my ____ router ____ part ____ ?
 ____ a good ____ to ____ modem and ____ there are ____ ?
 Should ____ modem ____ be periodically ____ ?
 I don't ____ if ____ modem and ____ be ____ .
 ____ modem/router restarts are ____ ?
 Is it ____ to restart both ____ routers ____ ?
 ____ often should the modem ____ turned ____ on?
 ____ guidelines ____ how often to restart the ____ and ____ ?
 Is ____ and ____ a part of ____ problems?
 How ____ a ____ needed?
 How ____ times ____ and ____ modem and router?
 ____ it ____ good idea ____ the modem ____ as ____ troubleshooting step.
 When we ____ on ____ technical issues, how ____ should ____ do to ____ the ____ and ____ ?
 ____ it ____ me to restart or ____ my modem ____ router ____ network ____ ?
 How many ____ the ____ and ____ ?
 Is it ____ modem and ____ every now ____ again?
 ____ have ____ on ____ to restart the modem ____ router?

Can _____ how often to restart _____ for problems?

Is it necessary _____ restart _____ on a _____ basis?

When _____ issues, _____ modem and router should _____?

Do we _____ modem and/or router?

_____ modem/router _____ is needed _____ the _____?

_____ think _____ necessary _____ restart _____ modem _____ the routers frequently?

How _____ do you _____ modem _____ for a _____?

Should _____ restart _____ modem and _____ every now and _____ procedure?

Is _____ a good _____ to periodically _____ my modem and _____ when _____?

Can _____ the recommended frequencies for resetting _____ modem _____?

_____ times should _____ try _____ the modem _____ router?

Do we _____ the _____ and/or _____ frequently?

How _____ times _____ modem _____ should be _____?

When _____ have an issue _____ modem or wireless device, _____ restart?

_____ must _____ restart the _____ and _____ router?

To _____ about _____ how much _____ modem and Router be stopped/rebooted _____?

_____ you _____ me the amount _____ and router?

_____ it a good _____ to _____ and _____ periodically when trying _____ fix _____?

How _____ should _____ modem/router?

_____ it a _____ periodically _____ modem and router to fix _____?

For the _____ of keeping _____ how _____ modem _____ be stopped/rebooted _____ frequently?

_____ we _____ regular _____ the modem _____?

_____ it _____ good idea _____ rebooting the _____ router _____ a problem?

Is it recommended _____ restart my _____ and _____ part _____ network _____?

_____ restart the modem _____ router _____?

Is _____ a _____ idea to _____ the _____ and _____?

How _____ should _____ modem and _____?

_____ the _____ of figuring _____ the problem, _____ should _____ be stopped frequently?

How often _____ we _____ network?

The _____ and _____ reset frequently.

_____ often _____ we _____ to reset the _____ and _____?

Is _____ to _____ combo frequently?

When _____ with issues _____ know how _____ need to _____ modem.

How _____ is it necessary to _____ and _____?

When fixing issues, _____ frequently do you _____?

As part _____ resolving _____ what _____ the recommended frequencies _____ modem and _____?

_____ need _____ regular reboots _____ modem and router?

How should _____ restart _____ modem _____ if I'm resolving _____?

How _____ should _____ modem _____ router _____?

How _____ do _____ need _____ reset our _____ and _____?

Is _____ necessary _____ regular rebootings for the _____?

When _____ and router be _____?

_____ fixing _____ is _____ Frequency of restarting _____ and _____?

Is _____ good idea to _____ modem and _____ while _____ try _____ the _____?

Modem/router _____ fix it?

Do _____ to _____ modem and Router _____?

Can you _____ me _____ we _____ reset modem and _____?

I'd _____ know _____ reset my modem and router _____.

_____ tell me _____ recommended _____ of _____ modem and _____?

How many _____ we _____?

_____ and routers _____ of _____ attempts to _____ cause for a problem
 _____ we have to fix some _____ issues, _____ much _____ we _____ restart _____ modem _____ device?
 _____ many _____ should the _____ and _____ ?
 For the _____ about what _____ happening, how much _____ our modem _____ stopped/rebooted often?
 _____ often _____ we restart/reboot the _____ ?
 _____ it _____ good idea to _____ and routers _____ we have _____ ?
 _____ need _____ restarting the modem _____ ?
 How often _____ restart _____ router _____ fix issues?
 When _____ issues, _____ is the modem _____ router _____ ?
 Can you _____ how _____ I should _____ my _____ ?
 _____ a question about how often _____ modem _____ .
 _____ it necessary _____ modem-router _____ often?
 _____ we _____ to _____ rebootings for _____ modem and router?
 _____ want _____ out the problem, how _____ times should _____ and Router _____ stopped/rebooted?
 What _____ of times should _____ modem _____ be stopped/rebooted to _____ ?
 _____ recommended _____ to restart modems _____ routers is not _____ .
 _____ we need _____ restart _____ modem and router?
 _____ it _____ restarting _____ and router as _____ the procedure?
 Should _____ restart _____ modem _____ ?
 Should we restart both _____ we _____ problems?
 Is _____ good idea _____ restart _____ and router whenever _____ have _____ ?
