

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle recalls and safety concerns
Inquiry Sub-Category	Product defect concerns
Description	Customers express concerns about specific defects in their vehicles, seeking clarifications, guidance, or potential remedies for issues that affect the performance, functionality, or safety of their vehicles.
Data Size	8,893 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Is _____ that _____ blowouts _____ by several owners are _____ defects?

I wonder if _____ multiple owners _____ flaws.

_____ might be _____ manufacturing _____ multiple incidents of blow up.

_____ burst tires say manufacturing _____?

_____ could _____ due to _____ tires.

Can a _____ to burst?

_____ vehicle _____ have _____ tire blows due _____ defects.

_____ chance _____ manufacturing defects cause these exploding _____.

_____ may be _____ that contribute to many _____ up.

It _____ because _____ a mistake in _____.

_____ multiple instances of _____ bursts _____ manufacturing flaws?

_____ vehicles _____ have production defects due _____ frequent _____.

_____ that manufacturing defects are _____ multiple owner _____ repairs?

_____ defects could _____ blame _____ tire failures.

Is _____ tire _____ many _____ the _____ of manufacturing defects?

_____ failures of _____ manufacturer _____ the flat _____?

Is _____ from _____ connected to manufacturing _____?

Is the _____ experienced by _____ indicative _____ problems _____ manufacture?

Some _____ have _____ tires, _____ they indicative of _____ control flaws?

_____ a possibility _____ manufacturing _____ these exploding tires?

_____ manufacturing defects _____ for _____ high number _____ tires?

_____ think manufacturing _____ could _____ cause of tire failures.

_____ suggesting _____ failures we _____ are linked to your _____ flaws?

_____ you think _____ to blame _____ tire blows?

_____ blown-out _____ sign of a _____?

_____ vehicle _____ have flat _____ may indicate problems with quality _____.

_____ the _____ failures be traced back _____ defects?

_____ have _____ numerous incidents _____ tires due to _____ in _____.

____ blown-out ____ point ____ product ____?
 ____ the ____ failures encountered by ____ an ____ manufacturing problems?
 Are manufacturing ____ instances of owners' tire ____?
 ____ the tire ____ defects?
 ____ is ____ that many ____ the flat ____ from bad ____.
 ____ there ____ correlation ____ flaws ____ instances of ____ tire bursts?
 ____ you suggesting that the tire problems ____ have ____ flaws?
 Can some ____ owners' tire ____ on manufacturing ____?
 Multiple ____ claim ____ manufacturing defects ____ blame for tire ____.
 Is ____ that manufacturers are ____ for ____ frequent ____ failures?
 ____ many owner ____ blows be ____ to ____?
 Is ____ flaw behind all ____?
 ____ defects ____ responsible for multiple owner tire failures.
 Can tire ____ be attributed to manufacturing ____?
 ____ there is ____ chance that ____ tire blowing can be ____ to malfunctioning manufacturing ____?
 ____ manufacturing ____ are behind ____ tires.
 Can tire failures ____ to manufacturing ____?
 ____ it possible ____ defects ____ responsible for ____ owner ____ fails?
 Are ____ that the ____ we have ____ could ____ to manufacturing ____?
 ____ manufacturing defects ____ of ____ failures for multiple ____?
 ____ might ____ possible ____ tire ____ caused by ____ manufacturing.
 ____ manufacturing defects responsible ____ blows?
 Is ____ that some ____ tire problems ____ to your manufacturing ____?
 Should ____ blown tires ____ due to ____ troubles?
 ____ there a ____ tire bursts and ____ errors?
 Is there ____ production and ____ blown- ____ tires?
 Is ____ flaws responsible ____ several ____ owners' ____ burst?
 Maybe ____ possible that tire ____ caused ____ manufacturing.
 ____ the frequent exploding tires ____ back to their ____ faulty production lines?
 ____ manufacturer to blame for ____ of ____?
 ____ of tires could ____ to ____ tire issues.
 ____ many ____ burst ____ point ____ issues?
 Could the ____ tires ____ production ____?
 There are ____ flaws ____ be ____ in ____ flat ____.
 ____ could ____ been a ____ in ____ of those ____.
 Is ____ tire ____ drivers have encountered are ____ malfunctioning manufacturing?
 ____ there a ____ tire ____ due to faulty ____?
 Are ____ poorly, causing owners to have ____?
 ____ owners' ____ problems a ____ of ____?
 ____ failures ____ for these ____ tires?
 Is ____ manufacturing error ____ failures?
 ____ explosions be ____ by faulty ____?
 Is the spike ____ tires ____ manufacturing ____?
 Is there ____ if ____ so ____ surprise ____ tires?
 Is ____ possibility that manufacturing defects ____ many ____ tire ____?
 Is ____ a ____ of a manufacturing ____?
 There could ____ manufacturing ____ that ____ tire ____ from ____.
 Multiple owners ____ due ____ defects ____ the manufacturing.
 There have ____ tire failures ____ may ____ in ____.
 ____ instances ____ blown-out tires may ____ caused ____ units.

Is _____ that manufacturing defects _____ responsible for _____ accidents?

_____ errors might _____ indicated by _____ tire _____ of _____.

Do badly _____ cause _____ to experience _____?

Is the _____ to _____ for the _____ tire _____?

_____ a symptom of product _____ in factories?

Do _____ believe _____ mistakes _____ tire _____?

_____ spike in blew tires _____ be _____ problems.

Several _____ blown-out _____ are _____ to _____ units.

_____ possible that these _____ tire problems _____ related to _____?

_____ in blown tires _____ caused by _____ troubles.

_____ you _____ that _____ tire blows _____ experienced _____ linked to _____ flaws?

_____ the tire _____ down _____ faulty _____?

Can _____ be attributed _____ manufacturing _____?

Was _____ defects _____ owner's tire blows?

_____ in _____ tires due to _____ troubles?

_____ it _____ that _____ manufacturers _____ blame for _____ tire failures?

_____ experience of blown-out tires by _____ be _____ indication of _____.

Do manufacturer's _____ to these _____?

There is a _____ deficiencies could be _____ cause _____ exploding _____.

_____ in _____ could _____ the _____ of manufacturing problems.

_____ drivers have experienced blown-out _____ is a _____ with manufacture?

Could _____ spike in blown _____ be linked _____?

I _____ if _____ failures _____ for the _____.

Some people _____ issues _____ to _____.

recurring _____ be _____ production flaws

Is _____ link between _____ blown-out _____ and _____ issues?

_____ possible _____ tire _____ are _____ frequent owner tire failures?

_____ tire _____ outs _____ many drivers due _____ manufacturing defects?

_____ you _____ issues _____ because of manufacturing _____?

Did _____ manufacturing _____ the _____ failures?

Production flaws could _____ for _____ flat _____.

_____ manufacturing _____ explain _____ tires go _____?

Can there _____ manufacturing flaws _____ to _____?

_____ from multiple owners _____ to _____ flaws?

Is manufacturing _____ the _____ tire _____?

Do you _____ failures _____ something _____ do with _____?

_____ bursts _____ by malfunctioning manufacturing.

_____ could _____ product defects with _____.

Are _____ tire issues _____ issues during _____?

_____ there a _____ faulty _____ a number _____ out tires?

_____ incidents _____ burst tires can be _____ in _____.

Are faulty _____ blame _____ blasts?

_____ there a possibility _____ manufacturers _____ to blame for _____ failures?

It could happen _____ mistake _____ making _____.

_____ possible _____ tire failures _____ are because _____ manufacturing flaws?

Is _____ possible that the tire _____ related _____?

Is tire _____ multiple _____ related _____ manufacturing _____?

_____ you _____ failures are due _____ manufacturing _____?

_____ it _____ that some owners experience _____ because _____ manufacturing _____?

_____ flaws could _____ to blame _____ failures here.

A ____ error may ____ ____ _____.
 ____ failures ____ these catastrophic ____ tires?
 ____ been incidents ____ tires ____ of ____ in production.
 Is it ____ that ____ issues are caused ____ ____ ____?
 There is a chance ____ manufacturing defects ____ ____ ____ exploding _____.
 ____ owners have ____ tire ____ may have ____ by manufacturing _____.
 ____ is ____ chance ____ deficiencies may cause ____ exploding _____.
 ____ it ____ are factory errors causing ____ blowing?
 ____ can ____ mistakes explain ____ tires ____ ____?
 Is ____ fault ____ these flat ____?
 ____ burst tires ____ issues?
 ____ be ____ errors ____ multiple ____ tire burst.
 Is ____ possible that manufacturing ____ are responsible ____ ____ tire ____?
 ____ defects in ____ vehicles may be ____ to _____.
 Is it ____ that manufacturer flaws ____ ____ of ____ up?
 ____ it possible ____ manufacturer may ____ to ____ incidents of blowout?
 Manufacturing ____ may ____ blame ____ failures.
 ____ you think ____ mistakes ____ for tire failures?
 Is ____ in production that can ____ tires?
 Is ____ a chance of ____ failures ____ factors?
 ____ were ____ of burst ____ fault in production.
 They're blowing ____ mess up when ____ the _____.
 Do many ____ burst ____ mention ____?
 Could ____ issues ____ manufacturing ____?
 The spike in ____ tires ____ to ____ troubles.
 Is there a link ____ multiple ____ tires.
 ____ be ____ tire issues ____ by faulty manufacturing.
 Do ____ show manufacturing ____?
 Are ____ defects held ____ for ____ of blown ____?
 ____ chance ____ manufacturer flaws could ____ to multiple ____ of ____ up?
 ____ tire bursts ____ be caused ____ defect in _____.
 Factory flaws could ____ for some of ____ here.
 Are ____ problems we have ____ could be ____ to manufacturing ____?
 Is tire ____ to manufacturing ____?
 ____ during manufacture could be ____ for ____ blown tires.
 ____ folks have ____ tire ____ that have been ____ defects.
 Are ____ that tire ____ be ____ to manufacturing ____?
 Do you ____ it ____ possible ____ owners got flat ____ from ____?
 ____ owners ____ reported tire ____ caused by ____ defects.
 ____ instances of ____ bursts could ____ caused by ____ flaws.
 Can ____ failures be ____ to ____?
 The ____ have been caused by _____.
 ____ these ____ bursts ____ caused ____ faulty ____?
 The tire ____ by many individuals ____ manufacture.
 Is ____ bursts ____ sign of production ____?
 Is ____ that multiple ____ indicate production mistakes?
 Can manufacturing ____ to ____ instances ____ tire bursts?
 Is ____ possible that ____ manufacturing ____ to ____ for ____?
 ____ tires ____ be ____ of a manufacturing _____.
 Several blowouts ____ be the result ____ in _____.

Is the _____ flaws are the _____ the _____ tires?
 _____ it possible that these _____ are _____ to _____ during _____?
 Did blown-out _____ product defects in _____?
 _____ the _____ tire blew _____ to defects.
 _____ tires could be _____ blame _____ tire failures.
 Is it possible _____ owners _____ tires _____ manufacturing?
 Is _____ possible _____ faulty manufacturing is _____ for many _____?
 There may be _____ that _____ from multiple owners.
 Did _____ failures _____ manufacturing _____?
 _____ owners _____ vehicles have _____ or bursting _____ control deficiencies.
 _____ surprise burst tires _____ manufacturing _____?
 _____ may be reporting _____ failures _____ of manufacturing _____.
 _____ correlation between manufacturing defects _____ the occurrence _____ blowouts?
 Surprise _____ manufacturing issues.
 Is it possible _____ flaws _____ multiple _____ blow-up?
 _____ defects _____ manufacturing _____ tire problems?
 Do burst _____ production _____?
 _____ say that _____ tire issues _____ to production _____?
 _____ possible _____ defects are to _____ for _____ tire headaches?
 Are _____ responsible _____ a _____ number _____ blown tires?
 _____ tire _____ by _____ be _____ to manufacturing _____?
 _____ vehicle _____ flat or bursting tires which _____ flaws.
 _____ it _____ that manufacturing flaws are _____ for _____ out _____?
 _____ tire _____ might be _____ result _____ malfunctioning _____.
 Is the tire _____ of _____?
 _____ you _____ manufacturing mistakes _____ in _____?
 Is _____ possible _____ manufacturer _____ contribute _____ multiple _____ blow-ups?
 Can _____ failures explain why _____?
 _____ error might _____ tire _____.
 Is _____ chance _____ flaws could contribute _____ of blow up?
 Did _____ those _____ poorly, _____ owners to _____ problems?
 _____ possible that _____ lot _____ owners got _____ bad manufacturers?
 _____ tire _____ ups _____ result _____ problems?
 I wonder if _____ are behind _____ out _____.
 _____ there _____ chance _____ several cases of tire _____ can be traced to _____ manufacturing _____?
 _____ flaw _____ these tires?
 _____ tire _____ many individuals indicative of _____ issues?
 Is manufacturer _____ for _____ tires?
 Is it possible _____ are responsible for _____ instances _____?
 Is it possible _____ manufacturers _____ responsible _____ frequent _____ accidents?
 _____ out tires might _____ to _____.
 Are _____ tire explosions _____ the _____?
 _____ flaws be _____ of owners' tire bursts?
 _____ error explain tire _____?
 _____ manufacturing _____ responsible for the _____ of _____?
 _____ by _____ due to manufacturing flaws?
 Could the _____ explosions _____ by _____?
 _____ it _____ manufacturing defects _____ to blame _____ owner _____ failures?
 _____ many _____ tire blows due to manufacturing defects?
 _____ the owners' tire _____ errors.

____ it likely that the tire ____ out ____ manufacturing ____?
 ____ factory ____ are causing tires ____ blow up?
 Is ____ a ____ of manufacturing defects ____ multiple owner ____?
 ____ folks have had tire ____ to ____.
 Did the ____ of blown-out ____ with ____ manufacturing process?
 ____ faulty units ____ for instances ____ tires?
 There is a chance that ____ of ____ tyres.
 ____ that the manufacturers ____ responsible ____ frequent tire blows?
 ____ that ____ tire failures ____ by ____ owners are due ____ defects?
 Do manufacturer's ____ the catastrophic ____?
 Do ____ burst ____ any production ____?
 ____ you think manufacturing ____ led ____ the ____?
 Several ____ be ____ by manufacturer ____.
 ____ the ____ of the ____ for these ____?
 ____ it ____ that ____ the ____ issues drivers have had?
 There ____ be manufacturing flaws ____ from ____ blows ____ owners.
 ____ there many owners who got ____ bad ____?
 ____ blow up ____ of manufacturing ____?
 There ____ that are causing tire ____.
 ____ spike ____ tires may ____ of manufacturing problems.
 ____ manufacturing ____ up ____ why ____ go boom?
 Did the ____ from ____ mistakes?
 There ____ link ____ multiple ____ tires and ____ issues.
 I ____ if ____ can explain ____ tires go kaboom ____.
 Some people ____ tire ____ defects.
 ____ possibility ____ manufacturer fault ____ led to ____ failures.
 Is ____ for certain ____ of ____ tires?
 Can many owner ____ to ____ defects.
 Is it possible ____ many owners ____ manufacturer?
 ____ blame for flat tires.
 ____ chance that ____ cases of ____ blowing ____ attributed to manufacturing ____?
 Problems during manufacture ____ to ____ spike in blown ____.
 ____ goof ____ explain why ____ go ____?
 Maybe ____ can ____ product defects.
 Maybe ____ flat ____ from bad ____?
 Could today's ____ blown tires be because ____?
 Maybe the ____ bursts ____ multiple ____ errors.
 Did ____ be manufacturing ____ that ____ tire ____?
 Some ____ owners have ____ or bursting ____ do ____ signify ____?
 ____ owners have reported ____ problems ____ be ____ manufacturing defects.
 ____ of manufacturer ____ contributing ____ multiple incidents of blowout?
 ____ possible ____ flaws are behind all ____ tires?
 Is ____ possible that ____ to ____ the frequent ____ issues?
 Did defects ____ manufacturing ____ blow ____?
 Did ____ mistakes result ____ owners ____?
 Is ____ could ____ to blame for multiple owner ____?
 Is ____ possible ____ have experienced ____ failures due ____ defects?
 ____ make mistakes that resulted ____?
 ____ you ____ manufacturing defects can cause ____ tire blown ____?
 Is it possible that ____ behind ____ tire issues drivers ____?

Are you suggesting that _____ tire _____ experienced _____ to _____ flaws?
_____ you _____ is _____ chance _____ of tire blowing can be _____ to bad _____ processes?
Will blown-out _____ product _____?
_____ tire failures by owners _____ linked _____?
Is _____ behind _____ tires?
_____ the _____ tire _____ defects?
_____ possible that _____ are _____ causing tire _____.
_____ in blown _____ might _____ related to manufacturing _____.
_____ tire _____ have faulty _____.
There _____ a _____ manufacturing deficiencies could _____ to blame _____ the _____.
There _____ be a _____ blown-out _____ assembly problems.
Is _____ experience _____ tires _____ indication of a _____?
_____ spike in _____ tires because _____ manufacturing _____?
_____ it _____ the _____ failures _____ by _____ individuals _____ signs _____ manufacturing problems?
_____ owner's tire _____ because _____ defects?
Is there _____ link _____ these exploding _____ along production _____?
_____ in _____ vehicles might _____ by frequent burst _____.
_____ a _____ between the _____ tire bursts _____ production _____?
_____ you think _____ happened because _____ mistakes?
Many drivers _____ out tires, _____ be a _____ with _____?
Multiple owners _____ reported tire _____ result of _____.
I wonder if _____ spike _____ tires _____ related to _____.
_____ think there is _____ that there _____ of _____ blowing _____ due _____ manufacturing defects?
Is manufacturing defects _____ for multiple _____ failures?
Is _____ responsible for _____ owner _____?
Multiple vehicle _____ reported tire failures _____ defects.
_____ the manufacturer _____ blame for _____?
Is it _____ that _____ responsible for the _____ owner _____?
Are you _____ tire blows could _____ to _____?
Is it _____ manufacturer _____ to multiple _____ of blow _____?
Today's _____ in blown _____ related _____ manufacturing difficulties.
Is _____ a _____ blown out _____ and assembly _____?
_____ it _____ that _____ defects are responsible _____ multiple _____?
Multiple owners have _____ could _____ defects be to _____.
Is the occurrence _____ of defects _____ the manufacturer?
_____ manufacturing _____ that are causing the tire _____.
Is it possible the _____ for _____ tire problems?
_____ manufacturing goofs explain _____ go _____?
_____ you _____ chance _____ some cases of tire blowouts _____ manufacturing defects?
_____ possible _____ are factory errors causing tire _____?
Many surprise _____ tires _____ suggest _____.
_____ manufacturing _____ be _____ to _____ instances _____ tire burst?
_____ a possibility _____ manufacturing _____ can _____ exploding tires.
There _____ be _____ cause tire _____.
Can manufacturing gaffes _____ kaboom?
Some _____ tire failures _____ of _____.
_____ flat tires may be _____
_____ blown _____ might be _____ to manufacturing problems.
Do unexpected _____ issues?
_____ several owner's _____ blows _____ defects?

_____ burst may be _____ malfunctioning _____.
 _____ you _____ that tire failures _____ due to _____?
 _____ think there _____ a _____ that _____ cases of tire failures _____ attributed to _____?
 Several instances _____ tire _____ be _____ manufacturing flaws.
 Is _____ possible _____ tire issues experienced _____ owners are _____ manufacturing _____?
 Troubles during _____ could _____ for the increase _____ tires.
 _____ vehicle owners have _____ tires that _____ quality control _____.
 Is _____ the reason for all _____?
 Multiple owners _____ failures because _____.
 _____ could _____ production that could _____ to burst _____.
 _____ possible _____ the _____ are _____ to manufacturing defects?
 There are _____ flaws that could _____ tires.
 Do _____ believe manufacturing _____ to _____ for tire _____?
 _____ possible that manufacturer _____ to _____ occurrence of _____ blowouts?
 _____ be production flaws _____ to _____ flat tires.
 Multiple _____ tire failures _____ to _____ defects
 Do _____ cause the catastrophic _____?
 Is there _____ that the _____ several _____ is _____ to _____ defects?
 _____ tire _____ blamed on production _____?
 Is _____ defects to blame for _____ owners?
 _____ manufacturer failures contribute to _____?
 _____ tire problems _____ by _____ defects.
 These _____ might _____ by defects in manufacturing.
 _____ there _____ tire failures are the _____ of manufacturing _____?
 Is it _____ several _____ tire blows _____ caused _____?
 _____ a correlation between _____ flaws _____ multiple incidents _____ out?
 _____ faulty _____ these tire _____?
 _____ may be _____ of manufacturing _____
 _____ manufacturing _____ owner's tire failures?
 There _____ be _____ defects _____ the tire _____ by _____ owners.
 Is _____ problems are _____ these tires?
 Is _____ tire _____ of _____ owners _____ of _____ errors?
 Is _____ manufacturing flaws were behind the _____?
 _____ manufacturing _____ why _____ tires go _____?
 _____ there _____ multiple _____ tires and malfunctioning assembly?
 Are you _____ that _____ tire _____ experienced _____ be _____ to your _____?
 _____ error _____ owner's tire failures?
 _____ vehicle owners have _____ or _____ tires that _____ control _____.
 It is possible that the _____ many individuals _____ manufacturing _____.
 _____ is possible _____ are caused by _____ manufacturing?
 _____ possible that multiple owners' tire _____ errors?
 _____ owner's _____ blows _____ by defects?
 Can there _____ manufacturing _____ bursts?
 Some people might _____ had _____ manufacturing defects.
 Could it be that _____ factory errors _____?
 Many drivers _____ that mean a problem with _____?
 _____ control _____ in _____ be seen by vehicle owners with _____ tires.
 _____ manufacturing _____ cause _____ failures?
 Is the _____ failures seen _____ people indicative _____ problems _____?
 _____ possible _____ errors could be to blame _____ blowouts?

_____ suggesting _____ the tire blowouts _____ could be _____ to _____ flaws?

_____ you _____ there's a _____ cases of _____ blowing can _____ attributed _____ faulty _____ processes?

_____ likely that many drivers _____ of manufacturing defects?

Do you _____ if manufacturing _____ lead _____ reported _____ failures?

Can _____ attributed _____ manufacturing issues?

Do _____ there are many _____ that _____ tires _____ manufacture?

The _____ have _____ caused _____ faulty manufacturing.

_____ spike _____ blown _____ caused by manufacturing issues.

_____ tire _____ happen _____ of defects?

Is _____ that _____ manufacturers _____ responsible _____ the _____ tire accidents?

Is _____ possible _____ manufacturing _____ be responsible _____ multiple owner _____?

_____ manufacturing flaws _____ several instances of _____?

Multiple owners _____ have tire _____ indicative _____.

_____ of vehicles _____ flat _____ bursting _____ indicate quality control issues.

_____ tire _____ due to _____?

Is it possible _____ owners' _____ bursts might _____?

_____ manufacturing defects _____ blame for _____ of blown _____?

Is blown-out _____ pointing _____?

_____ tire burst _____ show _____ errors.

_____ a _____ that _____ cause the exploding tyres.

Is _____ multiple owner tire _____?

Multiple _____ tire _____ manufacturing defects be _____ blame?

_____ owners have _____ may _____ due to manufacturing defects.

Is _____ by _____ individuals a _____ of _____ in manufacture?

Many individuals have _____ failures _____ may _____ related _____ issues.

Did manufacturing _____ cause _____ owners _____?

_____ are a number _____ tires _____ manufacturing issues.

_____ bursts mean production errors?

_____ could be _____ defect _____ the _____ of those _____.

Is manufacturing _____ for _____ of _____ tire burst?

_____ it _____ the tire issues suffered _____ drivers _____ due _____ manufacturing _____?

There may be _____ flaws _____ recurring flat _____.

_____ flaws be to blame _____ instances _____ tire _____?

_____ behind all these _____?

Is _____ a _____ between owners' _____ bursts _____ mistakes?

Can _____ be _____ many owner _____ blowouts?

_____ failures _____ several owners be _____ manufacturing problems?

The _____ of blown-out _____ many _____ could suggest _____ problem _____.

_____ to blame _____ tire burst instances?

The _____ may _____ the flat _____.

_____ manufacturing goofup explain _____ go _____?

Do you _____ there is _____ chance that _____ cases of tire _____ be _____?

Some _____ have _____ failures due _____ defects.

Several owner's _____ blows _____ by defects.

Is _____ possible that _____ tires because of bad _____?

_____ manufacturer failures _____ account _____ the _____ flat _____?

_____ the _____ these flat tires?

Can _____ issues be attributed _____?

_____ owners have experienced tire _____ because _____ defects.

_____ owners' _____ bursts could hint _____.

_____ have _____ failures, could _____ be the reason?
 _____ production flaws _____ could cause _____ tires _____ recur.
 _____ manufacturing mistakes _____ why _____ kaboom?
 _____ could be errors in _____ the _____.
 _____ owners _____ tire problems _____ by _____.
 Is _____ so many _____ sign of manufacturing problems?
 Is it possible _____ fault _____ lead to _____?
 _____ there _____ possibility that the _____ of several _____ could _____ manufacturer _____?
 _____ possible that manufacturing defects _____ responsible _____ tire accidents?
 There _____ chance that the manufacturing _____ could _____ the _____.
 _____ the _____ failures _____ by many _____ indications of problems _____?
 _____ think it _____ possible that _____ owners _____ from bad manufacturers?
 _____ think _____ failures _____ the result of manufacturing _____?
 Do _____ burst _____ suggest _____?
 _____ owner's tire _____ caused _____ defects.
 Is there _____ link _____ blown _____ tires _____ assembly _____?
 Do _____ manufacturing mistakes caused _____?
 Should _____ goof up explain _____ kaboom _____?
 _____ this spike _____ blown tires _____ to _____?
 _____ vehicle _____ have flat or _____ may _____ indicative of quality _____.
 Multiple owners _____ problems, _____ be to blame?
 The tire explosions _____ parts.
 _____ the _____ cause the tire _____?
 Is _____ possible that _____ tire failures experienced _____ are _____ manufacturing defects?
 _____ incidents of _____ tires caused _____ production defects.
 Is _____ a symptom _____ defects?
 Is _____ faulty _____ is behind the tire _____ encountered?
 Do you _____ there is a _____ that _____ cases _____ blow outs _____ manufacturing _____?
 Many surprise burst _____ indicate _____.
 _____ failures account for _____ flat _____?
 I _____ tire problems from _____ are _____ to manufacturing _____.
 Is _____ possible _____ failures from multiple _____ is due _____?
 If drivers _____ blown-out tires, _____ that _____ problem _____?
 Manufacturing _____ in _____ tire blows.
 _____ suggesting that _____ issues might _____ to _____ flaws?
 Is it possible _____ tire manufacturers _____ blame for _____ failures?
 _____ the tire failures _____ by many individuals _____ problems?
 Numerous surprise _____ may _____ issues.
 _____ manufacture could _____ the cause of the _____ in _____.
 _____ it _____ factory errors could _____ to _____ multiple _____ issues?
 _____ mistakes made _____ manufacturing cause _____?
 _____ possible _____ factory errors could be the _____ tire _____?
 _____ it's possible that many _____ got _____ from _____ manufacturing?
 _____ manufacturer's _____ for the _____ tires?
 Blow _____ may _____ caused _____ tires.
 _____ have _____ of _____ tires attributed to _____ units.
 Is there a _____ manufacturing defects _____ multiple owner _____?
 _____ tire bursts _____ be _____ faulty manufacturing.
 _____ individuals _____ tire failures that _____ problems _____ manufacture.
 _____ spike _____ blown tires may be caused _____.

_____ multiple owner tires _____ defects?
 Maybe multiple _____ burst _____ errors?
 Can _____ in production _____ cause _____ tires?
 _____ may _____ flaws that _____ in tire _____ from multiple _____.
 Is it _____ these _____ problems are related _____?
 _____ it possible _____ tire bursts _____ errors?
 Several _____ tire bursts _____ be due to _____.
 _____ be _____ to manufacturing flaws?
 Some _____ owners have _____ indicate quality control issues.
 Several _____ the _____ tire blows _____ by _____.
 _____ instances of _____ burst _____ be attributed to _____.
 Multiple owners _____ reported tire _____.
 Are _____ parts _____ be _____ blame _____ the tire _____?
 Multiple owners _____ be _____ defects _____ are _____ failures.
 _____ wonder _____ account for _____ flat tires.
 _____ several _____ owners' _____ be attributed to manufacturing _____?
 There _____ chance that _____ owners got flat tires _____.
 _____ have had _____ blowing problems due _____ defects.
 Is there any connection between _____ tires _____?
 Did _____ blows _____ from manufacturing _____?
 _____ it possible _____ errors _____ cause _____ tire blows?
 _____ manufacturing problems explain _____ tires _____?
 _____ it possible that _____ flaws _____ for _____ blown-out _____?
 Is _____ possible that manufacturer flaws _____ multiple incidents _____?
 Do _____ think _____ a _____ that several _____ tire _____ can _____ traced back _____ manufacturing processes?
 Is tire _____ of manufacturing _____?
 _____ tire bursts could indicate _____.
 _____ there manufacturing _____ surprise _____ tires?
 _____ wonder _____ the manufacturers are responsible for the _____.
 _____ it responsible _____ manufacturing defects _____ instances of _____ tires?
 _____ it _____ that _____ instances _____ are _____ to issues during production?
 It is possible that _____ flat _____ are _____ flaws.
 _____ owner's _____ problems _____ caused _____ defects
 Does _____ the _____ of a tire?
 Production _____ certain vehicles _____ linked _____ frequent _____ tires.
 There's _____ cause the exploding tyres.
 Some vehicle _____ flat _____ bursting _____ can _____ control problems.
 _____ blows by several _____ related _____ manufacturing flaws?
 _____ the _____ failures due to _____?
 Did _____ blows _____ caused by _____ mistakes?
 _____ be reporting manufacturing _____ that cause tire _____.
 _____ tire blows _____ be linked _____ defects?
 _____ manufacturing defects _____ in the _____ cases of _____?
 Is it possible _____ some _____ tire failures _____ by _____ are _____ manufacturing _____?
 Is _____ manufacturers are to _____ the _____ tire blows out?
 There _____ that many _____ flat tires from bad _____.
 Will today's _____ blown _____ due _____ manufacturing problems?
 _____ is _____ chance _____ defects are _____ blame _____ these _____ tires.
 _____ manufacturing _____ reason _____ blown-out tires?
 _____ people _____ had _____ blows _____ to _____ defects.

Potential manufacturing flaws could _____ blame _____.

Did _____ experience of blown-out _____ indicate _____ the _____?

_____ a _____ surprise burst _____ mean manufacturing _____?

_____ for these catastrophic flat _____?

_____ vehicle _____ have _____ or _____ which might _____ quality _____ flaws.

_____ possible _____ the _____ are _____ for the _____ tire issues?

Is it _____ that manufacturers are to _____?

_____ of _____ blowouts caused _____ defects _____ the manufacturer?

_____ tire blowing from multiple owners _____ manufacturing _____?

_____ chance _____ manufacturer defects will _____ several blowouts?

_____ owners have flat or _____ they _____ control problems?

The _____ tire blows may _____ result of _____.

Is it possible _____ these _____ are _____ manufacturing?

Some _____ owners _____ or bursting _____ that show quality _____.

Is _____ possible that factory flaws _____ to _____ blowouts _____?

Is it possible that _____ tire _____ defects.

_____ tire blows _____ manufacturing mistakes?

_____ vehicle _____ have flat or _____ might _____ a _____ with _____ control.

Is it _____ that _____ tire _____ connected _____ production _____?

Do the _____ of the _____ account _____?

Is _____ possible _____ are manufacturing _____ behind the _____ tires?

Could _____ be the _____ manufacturing _____?

I _____ if _____ bursts are _____ by defects _____.

Can several instances of _____ tire _____ to _____?

_____ possible that _____ defects _____ be responsible _____ multiple owner _____?

Maybe these tire burst _____ manufacturing?

Do you _____ manufacturing mistakes _____ the _____ of _____?

_____ it _____ the _____ with tire issues _____ due to _____ manufacturing?

Did _____ cause _____ bursts?

Could _____ manufacturing _____ to _____ for _____ tire _____?

_____ there a _____ between _____ blowouts and production _____?

_____ some tire failures?

_____ people had tire _____ because _____.

Can some _____ tire _____ attributed to manufacturing _____?

_____ possible that these _____ failures are related _____ production _____?

_____ defects _____ certain _____ may _____ suggested by frequent _____.

_____ it because _____ defects _____ several _____ blew?

_____ have reported that manufacturing _____ blame for tire _____.

_____ it possible _____ the tire issues _____ many _____ are _____ result of _____?

Is _____ a _____ the multiple _____ and _____ assembly issues?

There _____ be _____ flaws _____ in tire _____ multiple owners.

_____ owners' _____ were _____ by _____ mistakes.

Can _____ be linked _____ many _____ failures?

Is it _____ issues are due _____ issues during _____?

_____ burst tires point to _____?

Multiple _____ may _____ issues due to manufacturing _____.

Is there _____ tire _____ by _____ people and _____ in manufacture?

_____ there _____ correlation between faulty _____ multiple _____ tires?

Is _____ a link _____ faulty _____ blown-out tires?

_____ multiple _____ tire _____ of production _____?

_____ multiple _____ blows be _____ defects?
 Did manufacturing _____ cause _____ blows?
 Are the _____ failures _____ the _____ tires?
 _____ you _____ that _____ owners got _____ tires from bad manufacturing?
 _____ multiple _____ bursts _____ to production errors?
 _____ manufacturer _____ cause _____ flat _____ break?
 Multiple owners _____ that manufacturing defects _____ to _____ the _____.
 _____ there a _____ between _____ multiple _____ out _____ assembly issues?
 _____ the surge in blown _____ to _____?
 _____ instances of owners' tire _____ could _____ attributed _____.
 _____ possible _____ the tire issues _____ experienced _____ to faulty manufacturing?
 Is _____ problem with _____ manufacturing _____ these _____?
 Multiple _____ reported _____ problems, _____ manufacturing _____ be responsible?
 _____ be indicated by _____ bursts _____ multiple owners.
 Is _____ likely _____ the tire failures suffered _____ many _____ result _____ manufacturing _____?
 _____ tire failures were _____.
 Multiple _____ tire bursts could be _____ production _____.
 Some _____ had _____ of _____ defects.
 _____ that factory _____ causing tire blows?
 _____ that there _____ factory errors causing _____ troubles?
 Many vehicle _____ failures _____ to manufacturing defects.
 _____ folks _____ tire _____ of manufacturing defects.
 Is it _____ that _____ are to _____ owner tire _____?
 Several _____ were caused by _____
 Is _____ failures seen _____ many individuals indicative _____ problems _____?
 The _____ several _____ caused _____ defects in the manufacturer.
 Several _____ of _____ tire bursts _____ to manufacturing _____.
 Is _____ that _____ instances _____ tire blowouts are related to _____?
 _____ have been _____ of blown-out _____ due to _____.
 It is possible _____ owners _____ flat _____ bad _____.
 _____ there is _____ chance that some _____ tire blows can _____ back to _____ manufacturing _____?
 Is _____ possibility of factory errors causing _____?
 Some folks _____ tire failures _____ manufacturing _____.
 Maybe _____ possible that _____ recurring _____ are _____ faulty manufacturing?
 Can tire blows _____ be _____ manufacturing defects?
 Can _____ frequent _____ to production issues?
 _____ you _____ there's a _____ several _____ of tire blowing _____ be attributed _____?
 Can several _____ of owners' tire _____ manufacturing _____?
 _____ manufacturers are to _____ for the _____ owner _____ failures.
 _____ that these tire burst are caused _____?
 _____ it _____ the _____ are to blame _____ tire blows?
 Maybe _____ tire _____ production _____?
 Is manufacturing _____ accountable _____ the _____ instances _____ tires?
 _____ ups a _____ manufacturing issues?
 _____ the _____ result from faulty _____?
 _____ failures caused _____ defects?
 Is there _____ problem with _____ factory-made products if some _____ owners have _____?
 _____ there are factory _____ multiple tire issues?
 Is _____ issues are related to possible _____?
 Multiple _____ have _____ tire issues, and _____ defects _____ to _____?

Is the ____ of ____ a sign that ____ is a ____?

____ owner tire blows ____ traced ____ defects?

____ today's ____ in blown ____ a result ____ problems?

Is it ____ the tire ____ drivers ____ encountered ____ related to ____?

____ goof ____ why ____ go kaboom?

____ there ____ chance ____ are responsible for ____ frequent ____ failures?

____ that many ____ got ____ tires from bad ____.

How can ____ goof ____ why ____ go ____?

____ the ____ of blown-out ____ sign ____ problem with manufacture?

Do ____ were caused by manufacturing ____?

____ there any ____ between ____ issues ____ blown ____ tires?

Multiple ____ bursts might ____ production ____.

____ spike in ____ tires may ____ caused by ____.

____ punctured ____ was there a ____ in the manufacturing?

Several ____ owners' tire bursts ____ be ____ to ____.

____ owner's ____ blew ____ of defects.

The ____ tires ____ have ____ caused ____ a manufacturing defect.

____ there a ____ between ____ production and ____ blown-out ____?

Is there ____ issue ____ tires?

____ the ____ several ____ due ____ in the manufacturer's product?
