

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Network coverage and availability questions
Inquiry Sub-Category	Technical support
Description	Customers require assistance with various technical issues like email setup, troubleshooting software conflicts, configuring network settings, or resolving compatibility problems with certain applications or services.
Data Size	11,946 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Can you _____ through _____ for optimal performance?

Can _____ help with _____ a _____?

Show _____ the network _____ that _____ the _____?

_____ you _____ to configuring networks?

What is _____ to _____ the net settings?

Can you help _____ setting _____?

_____ with _____ for top-notch _____.

Is _____ possible _____ set up the network _____?

_____ any _____ on how to _____ network _____?

Please help _____ optimum network _____.

_____ get _____ to fine tune my _____?

Can you _____ me set _____ for _____ performance?

Are you _____ help _____ navigate _____ net configuration?

Need _____ for _____ performance

_____ used to set the _____ up _____.

Please help _____ network _____ better.

_____ know of _____ network _____ the best performance?

Any _____ how _____ improve _____ network's _____?

_____ want to _____ to maximize _____

Is _____ possible _____ configuring _____ network settings.

_____ give advice _____ configuring network _____?

Do _____ could _____ me through top-notch network _____?

_____ help with network _____ for the _____ results.

Please _____ configuring the _____.

help _____ network _____

_____ help _____ settings.

Could I _____ support _____ tuning _____?

_____ advice _____ how _____ a _____ network?

Show me ways _____

Do you have _____ enhancing _____ network's _____?

I want to _____ if _____ me with _____.

Is _____ me the best network _____?

_____ with high-performing _____.

_____ make the Network-settings _____?

Help _____ maximize network _____ performance?

I would _____ know how _____ set _____ network _____.

_____ setting _____ network configurations.

How _____ set _____ for _____ best _____.

Suggestions to _____ performance?

_____ can _____ make network _____ work _____?

_____ help with _____ network settings _____ better _____.

How can _____ networks?

Would _____ be _____ to teach _____ about _____ configuration?

_____ possible _____ to show me how _____ modify my _____?

Is _____ possible for you to _____ me _____ to _____?

_____ do _____ set a _____ speeds?

How do _____ make _____ effective?

Need _____ network.

_____ the network.

Guidance would _____ the _____.

_____ want to know _____ to _____ settings _____ optimum _____.

_____ it _____ to get some _____ up _____ network?

_____ help _____ the net _____?

Network _____ guidance is required _____.

_____ configuring networks _____ used.

I _____ your help _____ network _____ the _____ performance.

_____ like _____ the _____ of my network setup.

_____ appreciate some help in _____ setup.

I would _____ know the _____ settings for _____.

_____ I set _____ for optimal performance?

_____ guide in _____ a _____

_____ settings _____ speed?

Can you _____ me figure _____ performance?

_____ possible _____ support _____ configuring networks for top-notch _____?

_____ up a _____ has _____ needed.

_____ make the _____ more configured?

Can you help me _____?

Help me _____ performance?

Need _____ optimum _____ performance.

Is _____ possible _____ give _____ on _____?

_____ up a _____ for peak _____.

_____ sure to _____ on configuring _____ network _____.

_____ top-notch network performance _____.

Would you be willing to _____ optimal _____?

_____ you _____ me _____ on _____ up _____ network system?

Allow _____ to improve network _____.

_____ you _____ me advice about _____ a _____ network?

How to _____ network _____ speeds?

_____ is needed _____ network _____.

_____ to use net _____.

_____ ways to _____ settings for _____ performance.

_____ configuring optimal _____ performance.

_____ network settings _____ be adjusted _____.

guidance _____ be used in _____.

_____ help in configuring _____.

Give _____ on _____ settings.

Give _____ on _____ best _____.

_____ help me understand _____ configuration?

_____ me how to set _____ optimal _____ performance?

_____ help _____ modify _____ network _____.

Assist _____ networking _____.

_____ with _____ network for peak _____.

_____ in configuring networks.

Please _____ me _____ my _____.

Do _____ wish _____ guidelines for ideal _____ networks?

_____ it be possible _____ give _____ to _____ the _____?

Would _____ be _____ help with setting _____ network for _____ performance?

_____ it _____ for _____ professional _____ me in _____ my _____ for faster speeds?

_____ be possible _____ get _____ setting up the _____?

Is _____ possible _____ could _____ network _____ to _____ performance?

Are you _____ for guidelines for _____?

_____ with _____ high-performing _____ configurations

_____ I _____ your advice on setting _____ network system?

_____ able _____ me _____ through network settings?

How can _____ the network _____?

_____ use guidance _____ network.

Are you able _____ with _____ network _____?

_____ I do _____ improve _____ settings for better _____?

_____ can i optimize _____ settinngs _____?

_____ help _____ setting _____ high-performing network?

_____ you help me _____ for top-notch _____?

_____ you _____ help with network settings _____ maximize _____?

_____ help make _____ network _____ better?

_____ better configured the _____?

_____ I optimize _____ settinngs?

_____ you _____ the _____ settings more _____?

_____ your _____ figuring _____ optimum _____ settings.

_____ how to _____ for great _____.

_____ a _____ to make _____ settings for _____ performance?

Do you need guidelines _____ ideal _____?

_____ network _____ for peak _____

Show me how _____.

Could _____ help _____ parameters?

Will _____ help set _____?

_____ be _____ assistance in setting up _____ network for _____ performance.

_____ need help _____ network _____ good _____.

_____ it _____ for _____ to get _____ my _____ configuration?

I _____ help _____ network.

_____ in _____ network settings for _____ performance.

Please _____ network _____.

Can I _____ to _____ about _____ up _____ high-performing _____ _____?

_____ your experts help _____ out with _____ _____ game?

Can _____ me how _____ my net _____.

_____ there any _____ can _____ network settings?

_____ up network _____ for the _____.

Do you tell _____ settings?

Can _____ me _____ net settings?

_____ need _____ to preserve excellent speed.

Is _____ possible for _____ network _____?

_____ help _____ configuring network settings _____ performance.

Is it _____ for _____ to tell _____ settings?

How _____ setting _____ the optimal _____?

Guidance on _____ be used.

How _____ Network-settings?

Is _____ advice _____ network configuration _____?

Need _____ excellent _____ performance

_____ can _____ make sure _____ are _____?

Can we _____ up the _____ for better _____?

_____ with _____ setup

_____ setting up _____ network.

_____ need your _____ on _____ settings.

_____ how _____ internet setup?

How _____ I set _____ network settings _____ the _____?

You _____ to help me _____ configuring _____ settings.

Can _____ your _____ setting up _____ high _____ system?

_____ anyone have _____ to _____ speed?

_____ wondering if _____ support me _____ configuring networks.

_____ there _____ to _____ with _____ settings for better _____?

_____ setting network _____ for optimal _____

Is it possible for a professional to _____ me _____ _____ _____?

Need _____ configuring _____ network

How _____ improve _____ internet setup _____ better _____?

Are _____ able _____ me in _____?

_____ you _____ me _____ my _____ settings?

_____ it _____ for _____ support while configuring networks?

_____ you _____ the _____ of the _____?

_____ up _____ network _____ some _____.

_____ is required _____ networking _____

_____ possible to help _____ net _____?

_____ some helpful _____ about configuring _____?

To set _____ a _____ for _____.

Is it possible for _____ how to set _____?

Need _____ the _____ peak speeds.

I would _____ some assistance in _____.

Show me how to _____

Guidance _____ be helpful _____.

_____ me improve my _____ performance?

Do _____ believe _____ can teach _____ top-notch _____ configuration?

_____ me set up _____ for the _____?

How _____ networks _____ for optimal _____?

Is it possible for _____ set up _____?

_____ you tell me _____ set _____ configuration?

Do _____ information _____ configuring _____ settings?

How _____ be arranged?

_____ I make my network settings _____ top-notch _____?

_____ to configuring _____ network for _____ best speeds?

It _____ for _____ network performance.

_____ need to be configured for _____.

_____ do I optimize _____?

Should _____ help _____ configuring _____ network _____?

Assist _____ the network.

You can help _____ optimum _____.

_____ you _____ how to improve network _____?

Can you _____ settings?

Can networks be _____ to _____?

Do _____ any _____ for configuring _____?

_____ need _____ setting network _____ for _____.

_____ me _____ to change _____ in _____ network.

Is it _____ to _____ my _____ settings _____ top _____?

_____ you know _____ the _____ settings _____ for _____ speed?

Do you have _____ configuring _____?

_____ with _____ up _____ network.

_____ set the network _____ optimal _____?

Help configuring _____.

Can you _____ me _____ change network _____ better _____?

_____ need _____ setting _____ my _____.

_____ you able to help improve _____ performance _____?

Is _____ possible _____ help _____ maximize _____?

_____ possible _____ help _____ the network up?

guidance _____ used for configuring _____.

Do _____ to _____ Network settings?

_____ to _____ internet configuration better?

_____ on _____ my network's performance

_____ for _____ with _____ settings.

_____ settings for _____ best _____?

Assistance is _____ a network.

_____ need _____ with setting _____ network _____.

_____ me _____ set up the net correctly?

How do I get _____ settings _____ work _____?

Setting _____ network for optimum _____.

How do _____ my _____ settings _____ the best _____?

_____ can I better configured _____?

_____ you able to support me _____ configuration _____?

Is it _____ to show me how _____ the _____?

Can _____ give _____ helpful _____ configuring _____?

I _____ you could _____ set the _____ settings for _____ performance.

_____ willing to _____ me _____ network _____ for optimal performance?

_____ can I jazz _____ settings?

_____ able to _____ me _____ network?
 I _____ someone _____ me through _____ network _____.
 Is it possible _____ to _____ while _____ networks for _____?
 _____ do I _____ settings effectively?
 _____ modify net _____?
 _____ your _____ with setting network settings _____ good _____.
 _____ are you _____ support me?
 Is there _____ way _____ settings _____?
 How can _____ better _____?

Show me _____ best _____?

Can ____ advise me on ____ a ____ network?

____ there someone ____ can show me ____ maximize ____ settings?

Can you ____ net ____?

____ it ____ for ____ me while configuring networks.

____ you ____ me set my ____?

Can you ____ me ____ to ____ the ____?

Can you ____ settings?

____ you tell ____ change network settings ____ performance?

I would ____ assistance in ____ the ____ my ____.

____ tell me how ____ change my ____.

Do ____ offer instructions ____ the ____?

____ how I can ____ preserve excellent speed?

____ you help ____ to setup ____?

Can you ____ with ____ a ____ performance?

Should I ____ network ____ better ____?

____ can walk me ____ my ____

Would it ____ to ____ assistance ____ setting up ____ network ____ performance?

I ____ your help ____.

____ need assistance ____ network.

It ____ possible for ____ to guide ____ through ____.

____ assistance in setting the network up?

Help me ____ settings ____ for ____.

____ setup ____ required for ____ performance.

____ is the best way ____ setup ____ settings ____ performance?

____ ask ____ up a high-performing network ____?

How ____ network for best ____?

____ how to ____ settings ____.

How ____ network ____ the ____ speeds?

Are ____ assist ____ setting ____ the ____ network parameters?

I need some ____ performance ____ network ____

Can ____ help to ____?

____ to get ____ in ____ my network?

I'm ____ in ____ up a ____ network ____.

Can you tell ____ more about network ____?

____ need ____ setting ____ network ____.

Would ____ be willing ____ help ____ setting ____ parameters?

____ any guidance ____ the network ____?

____ how to make ____ settings ____.

Need help ____ network

____ ways ____ the internet configuration?

____ you ____ me ____ the top-notch network configuration?

____ you ____ with ____ configuration of my ____?

____ you help us ____ network ____?

Show me ____ change ____ correctly.

Do ____ know ____ improve ____ easily?

I ____ appreciate ____ someone could ____ me ____ the ____ of ____ network ____.

Can you ____ on the ____?

____ help ____ understand the ____ configuration.

____ advise ____ is essential!

Help ____ improve ____ of my ____.

_____ settings _____ performance?

Let me _____ how _____ set _____ settings.

Network _____ is _____.

_____ for _____ configuration?

I _____ help _____ my _____.

Is it possible to _____?

I _____ help _____ to _____ my _____.

Would _____ possible to get _____ set up _____?

Could _____ be _____ better performance?

_____ setting the network _____

_____ I ask _____ questions _____ a _____ performance network system?

_____ how to _____ network for optimal performance?

_____ me _____ set up _____ network.

_____ guidance _____ required for top _____.

_____ appreciate some help _____ network _____.

_____ you help me _____ settings?

_____ help me with optimal _____?

_____ the options _____ configuring the _____.

Network setup _____ for top _____.

I would _____ professional _____ me with _____ for faster _____.

Can _____ some _____ on configuring _____?

Help setting up _____ fast _____.

_____ it possible _____ me how _____ change _____ settings?

_____ me set network _____.

Asking _____ for _____ best _____ of _____.

_____ get support for _____ configuration?

_____ a network _____ speeds _____ that needs assistance.

Help with _____ for _____

_____ a way to _____ net _____ top performance.

_____ is _____ way _____ setup my network for _____?

Network setup _____ the best _____.

I _____ up _____ high _____ network.

_____ I make _____ networks _____?

How _____ I _____ my network settings _____ a _____?

_____ it _____ network settings for better _____?

_____ maximize performance in _____ settings?

_____ advise _____ about network _____.

_____ best _____ for speed?

_____ setting _____ the network _____ high _____.

Can _____ help _____ with my _____?

Is _____ network settings?

How can I set up _____ for _____?

I _____ on tuning _____ configurations for _____ efficiency.

Can you help _____ a high performance _____?

_____ be _____ could _____ through a top-notch network configuration?

Setting _____ the best results requires some _____.

Are _____ able to _____ me with the _____?

help _____ network

_____ there _____ on tuning network configurations _____ efficiency.

_____ you help me _____ better _____ my _____?

Is _____ person who can help me _____?

Can you tell _____ setup a high- _____.

_____ with my network _____

_____ with the _____ of Optimizing net _____?

Can _____ give us some helpful _____?

Can _____ explain _____ me _____ setup a _____ network?

Need help _____ the network _____.

_____ it _____ to request _____ on _____ configurations _____ peak efficiency?

_____ modify net settings.

_____ me _____ top-notch network configuration?

Please help _____ my network _____.

_____ change network configuration _____?

_____ help _____ optimal net _____?

_____ help me with _____ network _____?

I am _____ a _____ for the best _____.

Can you _____ to _____ settings?
