

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Power requirements
Description	Customers inquire about the power requirements for the telecommunications equipment, including voltage, wattage, and any specific power supply options.
Data Size	5,106 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ specific power supply options _____ for this _____ ?

Are there _____ specialized _____ units?

Is _____ electricity _____ tailored _____ this telecom setup?

_____ a power _____ the _____ equipment?

There are _____ supply _____ for this _____ gear

Power _____ telecom device?

Is _____ can _____ any _____ for the phone widgets?

Do _____ have any suggestions _____ to how _____ our _____ ?

Is _____ telecommunications gear _____ with _____ source?

Can _____ offer _____ suggestions _____ how to _____ up our _____ ?

What _____ available for this telecom _____ ?

Can you _____ me _____ for _____ equipment?

Can _____ any unique power _____ this gear?

_____ way to give power to this _____ ?

_____ have _____ power _____ for _____ telecomm junk?

_____ of energy _____ solutions can be _____ with the _____ ?

_____ of _____ supplies are available _____ telecom _____ spot?

_____ are available _____ telecomm gear?

Can _____ options for this _____ ?

What _____ of _____ solutions can be used _____ ?

Do you _____ any exclusive methods _____ ensure the _____ ?

_____ custom-made _____ offerings _____ this telecom _____.

_____ you have a tailored _____ for _____ telecommunications _____ ?

Can _____ any _____ how to power _____ our _____ gear?

Can you give _____ any _____ unit?

_____ supply solutions can be _____ this _____ ?

_____ be _____ options _____ telecom unit?

Do _____ comms _____ specific power _____ ?

There ____ any unique power supply ____ this ____ .
 ____ it possible ____ power supply ____ for this ____ ?
 ____ power ____ for this telecom ____ ?
 ____ any electricity ____ these ____ phone devices?
 Can you ____ us about any ____ devices?
 ____ there ____ for ____ for this ____ ?
 ____ there ____ way of providing ____ this telecom ____ ?
 ____ there ____ supply choice for this ____ ?
 ____ power source ____ telecom device?
 Do you ____ any ____ options ____ unit?
 ____ there ____ supply choices ____ this telecom gear?
 ____ you ____ ways ____ to this telecom equipment?
 Are there any ____ power ____ ?
 ____ are ____ power supply ____ for ____ ?
 ____ for the telecom ____ ?
 ____ choices are ____ for this telecom ____ ?
 Have you given any exclusive methods ____ ensure ____ devices?
 What power ____ make ____ this ____ equipment?
 ____ possible to ____ power ____ this telecom unit?
 ____ there be ____ unique power ____ choices ____ gear?
 ____ any ____ choices ____ that telecom ____ ?
 Is it ____ that ____ offer ____ supplies ____ for the ____ ?
 There ____ power supply choices for ____ .
 Have ____ any ____ options ____ this ____ ?
 ____ we offer ____ supplies ____ for the ____ ?
 Can ____ any electricity alternatives for ____ lousy ____ ?
 ____ power sources ____ available for ____ telecom ____ ?
 Is ____ possible ____ choice for this ____ ?
 Can ____ me ____ power choices ____ this ____ ?
 ____ a ____ for ____ telecommunications equipment?
 Is ____ a ____ supply ____ for ____ telecom gear?
 Are ____ to provide ____ options for the ____ ?
 ____ how ____ power up our telecom devices?
 Any ____ that ____ specifically ____ for ____ telecom gear ____ ?
 ____ power ____ options do you ____ telecom equipment?
 ____ be ____ power ____ available for these devices?
 There may be ____ electricity ____ our ____ .
 Power ____ for ____ ?
 Is there ____ power ____ for ____ ?
 ____ any ideas about how to power ____ telecom ____ ?
 ____ there ____ sources ____ these telecom appliances?
 Are ____ for the telecom ____ ?
 Do ____ power ____ for ____ units?
 What power ____ to this ____ ?
 Is ____ available power supply ____ this ____ ?
 ____ special power sources ____ these ____ ?
 ____ power ____ for this telecom ____ .
 Are ____ any ____ you ____ outlined for ____ power ____ these communication ____ ?
 Power ____ for ____ ?
 ____ unique ____ alternatives ____ telecom appliances?

_____ kind of energy supply _____ can be utilized?

_____ distinct options _____ power for _____?

Any _____ for _____ equipment?

_____ specific _____ sources _____ available for _____ device?

The telecom device could _____.

_____ we _____ special _____ options _____ units?

Can _____ me _____ power _____ for my equipment?

Are there _____ appliances?

_____ specialized _____ this _____ gear spot?

_____ you give _____ ideas _____ how to power up _____?

_____ it _____ to find _____ choices for this _____?

_____ power _____ available for these _____?

Any power _____ for _____?

Is there _____ to _____ telecom device?

Is _____ any _____ for these _____?

_____ power supply for _____?

_____ there any _____ to _____ devices?

What _____ options _____ for _____ appliances?

_____ power offerings _____ this telecom _____?

Do you know _____ ways _____ up our _____?

Do you _____ a _____ power _____ telecom gear?

Do _____ provide power _____ for _____?

_____ we _____ to _____ a specific power _____ telecommunications gear?

Are there _____ power supply _____ device?

_____ telecom _____ have power _____ options.

Which _____ for the telecom device?

Can _____ any _____ choices for _____ unit?

_____ any specific energy _____ telecommunication _____?

_____ give us any ideas _____ power up our _____?

_____ power supply options _____ with _____?

Any power supply _____ for _____?

Do you offer _____ specific _____ power _____ these _____?

Power _____ for _____ gear?

Would _____ tailored _____ supply for _____ telecommunications equipment?

Might _____ be _____ telecom gear?

_____ there any specific _____ of _____ our _____?

_____ tailored _____ for telecommunications?

_____ there any _____ electricity offerings _____ setup?

There could be power _____.

_____ dedicated powered solutions for _____ gear?

_____ telecom _____ need _____ power supply.

Can you suggest a _____ to _____?

_____ there any _____ for _____ gear?

_____ there any _____ supply _____ telecom gear?

_____ you tell me _____ the _____ provisions _____ equipment?

_____ there a _____ power to _____ technology?

What _____ options are available _____ telecom _____?

_____ you give us _____ on _____ power _____ telecom _____?

Can you _____ me if _____ options for _____ equipment?

Do _____ have power supply options _____ kind _____?

Power ____ designed ____ telecom ____ spot?
____ there tailored ____ solutions ____ operating ____ ?
Is ____ possible to get a ____ for ____ ?
____ power options ____ these devices?
What power ____ for ____ telecom ____ ?
Do ____ have ____ supplies for these types ____ ?
____ some ____ regarding power sources ____ devices.
____ choices ____ available for the telecom ____ ?
____ power options ____ for ____ telecomm ____ ?
What ____ choices ____ for ____ telecom equipment?
Is ____ specialized way ____ giving power ____ this ____ ?
____ supply ____ this gear?
Do ____ have ____ ensuring proper power ____ these ____ devices?
Which power supply ____ available for ____ ?
Is ____ a ____ power ____ for ____ ?
Do ____ supplies ____ are for telecommunication?
____ possible ____ provide power to ____ ?
Is ____ unique ____ supply choices for ____ ?
What ____ are available ____ the ____ gear spot?
____ be ____ alternatives for ____ appliances?
____ anyone ____ of any ____ options for ____ telecom ____ ?
Do ____ know ____ for ____ telecom gear?
____ have ____ for this telecom gear?
____ gear ____ power options?
Are ____ any ____ choices ____ Telecomm ____ ?
____ power ____ exist ____ devices?
What power ____ are ____ there ____ this ____ ?
Can ____ us ____ about how ____ power our telecom ____ ?
____ have specific power ____ ?
____ supply solutions can ____ with the telecommunication ____ .
____ you tell me ____ supply options for ____ ?
____ know of ____ power ____ specifically designed for the ____ ?
Any suggestions on ____ to power ____ ?
Do you have ____ suggestions for ____ power ____ telecom ____ ?
____ there ____ source for ____ equipment?
Is ____ supply choices ____ telecom ____ ?
Is there ____ power ____ equipment?
Is there any ____ communication devices?
____ there ____ power options ____ for these communication ____ ?
Do we have ____ gear?
____ power ____ currently available ____ telecom gear spot?
____ supply options ____ out there ____ telecommunications equipment?
____ possible that we ____ specific ____ supplies ____ telecommunication ____ ?
Is there ____ your telecommunications ____ ?
____ you ____ for the unit?
____ you ____ any ____ about how ____ our telecom ____ ?
What type of energy supply ____ be ____ the ____ ?
There ____ any ____ choices for this ____ gear?
Is there any specific ____ for ____ spot?
Are ____ specific ____ power ____ this tech?

_____ are the _____ for _____ networking _____?

_____ power sources can _____ telecom device?

_____ there be any _____ supplies _____ for _____ gear _____?

Do _____ supplies specifically designed for _____ telecom gear _____?

_____ power sources are _____ for _____?

_____ there _____ specialized _____ supplies _____ designed _____ telecom gear spot?

_____ me about power provisions _____ this _____?

_____ there _____ to get _____ this tech?

_____ power _____ available for communication devices?

_____ there _____ power sources for _____?

What types _____ energy supply _____ can _____ used _____?

Does this telecom stuff _____?

Is _____ power _____ options _____ telecom device?

_____ the comms _____ power sources?

_____ choices _____ there _____ the _____ unit?

_____ have _____ to _____ the proper _____ these communication devices?

_____ have any _____ supply for telecom _____?

Is _____ alternative power _____ telecom _____?

_____ kind _____ energy supply solutions _____ used with _____?

Does anyone _____ for _____ telecom gear?

Will there _____ power _____ for _____ gear?

Are there any _____ ensure _____ proper power _____ devices?

How _____ power _____ this _____ gear?

_____ a power _____ for _____ gear?

Do _____ have _____ power _____ telecom gear?

Is _____ any _____ ensure the _____ power _____ these communication _____?

Do you _____ power _____ for _____ telecom equipment?

Any _____ the device?

_____ you have _____ suggestions _____ how _____ can power _____ our _____?

Can you give _____ suggestions _____ power _____ telecom gear?

_____ tailored _____ for your telecommunications _____?

There are _____ different _____ for _____ communication _____?

_____ me any tailored power supplies _____ my _____?

Will _____ telecom _____ have any _____?

Is there _____ to ensure the proper _____ of _____ devices?

Should there _____ any _____ for _____ gear?

_____ you have _____ choice _____ this telecom _____?

Do _____ have any _____ options _____ telecom appliances?

_____ supply choices are there _____ device?

_____ know the electrical _____ for the _____.

Can _____ offer any _____ on _____ to power _____ telecom _____?

Can _____ suggest _____ to _____ up our telecom _____?

Are there any _____ choices for _____ gear?

_____ supply options _____ telecom equipment?

Do _____ our telecommunications setup?

What electrical _____ are _____ devices?

What power _____ exist _____ the _____?

Are there _____ power _____ for _____?

_____ power options _____ for _____ devices?

Is there _____ special _____ for the _____?

____ power ____ for ____ unit?
 Does ____ telecom ____ have a dedicated ____ ?
 Have ____ power options ____ gear?
 Are ____ power ____ for telecommunications ____ ?
 Do ____ specific ____ choices ____ equipment?
 ____ there be any ____ options ____ the ____ equipment?
 Do you ____ any alternative ____ for ____ ?
 ____ you ____ any ideas ____ ways to power up ____ ?
 How about ____ supply choices ____ ?
 Does ____ have ____ choice ____ this telecom ____ ?
 Which ways can ____ keep ____ powered ____ ?
 Specific ____ compatible with ____ equipment?
 ____ you give ____ a suggestion on ____ to ____ telecom ____ ?
 ____ there any ____ to power ____ our ____ devices?
 Is ____ power ____ for telecom gear?
 ____ power choices for ____ telecomm ____ ?
 Can you ____ a way ____ power ____ ?
 Does ____ specialized power ____ this telecom gear?
 Options ____ for ____ gear?
 ____ there a ____ way ____ giving ____ to this ____ ?
 ____ there any power ____ options ____ ?
 Is ____ any ____ option ____ this ____ ?
 What power ____ options ____ there ____ equipment?
 What ____ of ____ this ____ gear?
 ____ power supply choices ____ telecom ____ ?
 ____ there ____ power supply for ____ equipment?
 Is ____ way ____ provide ____ the technology?
 ____ there any alternative ____ appliances?
 Does ____ have any ____ supply ____ this ____ equipment?
 ____ you have any ____ for ____ to power ____ our ____ ?
 Can ____ give ____ suggestions for ____ power up ____ devices?
 Is there ____ power ____ for ____ telecommunication ____ ?
 Can you ____ us any ____ lousy phones?
 ____ you have any power ____ the ____ ?
 ____ power ____ applicable to ____ equipment?
 Is there ____ power ____ the telecom ____ ?
 Is ____ source ____ for this device?
 ____ electricity offerings for this ____ setup?
 ____ power ____ choices for ____ ?
 ____ are the ____ supply ____ with ____ ?
 ____ custom-made electricity ____ available for ____ setup?
 Do you ____ power supplies ____ ?
 ____ this telecom ____ ?
 Is there ____ power source ____ ?
 Are ____ any ____ power ____ telecom gear?
 ____ there ____ to supply ____ to ____ tech?
 ____ to operate our telecommunication equipment ____ tailored ____ ?
 ____ you have ____ suggestions regarding how ____ up ____ telecom ____ ?
 ____ are the power ____ with this ____ ?
 ____ any ____ we can use ____ telecom gear?

_____ specific power provisions _____ equipment?

Do _____ have _____ strategies to ensure the _____ communication _____?

Are _____ supplies for these _____?

Can you _____ ideas on ways to power _____?

Will _____ be _____ supply _____ this _____ equipment?

Is it _____ that we _____ energy _____ just _____?

_____ a way _____ supply _____ to these _____ sources?

Any _____ designed _____ telecom _____ spot?

Is there any _____ electricity _____ these lousy _____?

Is there _____ particular _____ for _____?

Is _____ options for _____ units?

What power sources are _____?

What _____ are included in _____?

_____ there _____ power _____ for _____ comms _____?

Do _____ dedicated power solutions _____?

_____ solutions for operating our telecommunications equipment?

_____ give _____ to ensure the proper power of _____ communication _____?

What _____ options _____ the _____ gear?

_____ you _____ any different _____ power up _____ devices?

_____ there _____ to give this _____ power?

Is _____ specific energy _____ for _____ setups?

Any special _____ choices _____ gear?

Have power _____ the _____?

Is there a _____ this _____?

Is _____ set _____ power _____ these devices?

_____ a power supply for _____ telecom _____?

_____ there any specific _____ power _____ these _____?

_____ power supply choices _____ this _____?

_____ telecommunication equipment have tailored _____?

_____ supply for this device?

A _____ telecom gear?

There _____ unique power supply _____ for _____?

Are these comms _____ sources?

Is _____ power _____ for _____ telecom _____?

Do you have _____ to ensure _____ for _____ communication _____?

_____ power supply _____ for _____ equipment?

Does _____ custom-made electricity _____ for this _____?

_____ any _____ way to provide power _____ telecom _____?

Is there _____ way _____ providing power _____ equipment?

Is _____ alternative power _____ for _____ appliances?

Are you _____ noteworthy electricity alternatives _____ lousy phone _____?

_____ supply is needed _____ this telecom _____?

What are the power _____?

Are _____ different _____ of powering up _____ devices?

_____ you suggest ways _____ power _____ this telecom _____?

_____ we offer _____ supplies _____ these types of _____?

Is _____ possible we _____ special _____ options _____ these _____?

_____ there a power supply _____ telecom _____?

_____ any exclusive _____ to _____ sure the proper power _____ provided _____ devices?

What _____ supply solutions _____ be _____ telecommunication apparatus?

_____ you _____ any suggestions of _____ to _____ our _____ devices?
_____ power sources for _____ devices?
_____ power _____ exist for _____ ?
Do _____ for _____ for this equipment?
_____ dedicated _____ solutions for telecom _____ ?
Is _____ any _____ compatible with the _____ ?
What power _____ for _____ ?
Will _____ particular _____ provisions for _____ equipment?
Is _____ any power _____ for _____ equipment?
Power supply options _____ ?
_____ a specific power option _____ ?
Are _____ equipment _____ specific energy _____ ?
_____ supply options _____ have for this _____ equipment?
Is there any _____ these lousy _____ devices?
Can you offer _____ suggestions _____ power _____ telecom _____ ?
Is _____ specialized power _____ this _____ gear.
_____ there any power supply _____ the _____ ?
Will _____ any _____ power supply _____ telecom equipment?
Any _____ options _____ the _____ ?
Do _____ choices _____ comms setup?
_____ anyone _____ power choices _____ gear?
_____ there _____ power _____ choice _____ for this telecom _____ ?
Are there any _____ power _____ telecom _____ ?
_____ there _____ to deliver _____ to _____ ?
_____ these _____ specific energy _____ compatible with them?
Is _____ by a specific _____ ?
Do you have _____ methods _____ ensure proper power _____ ?
_____ there _____ power _____ for _____ telecom _____ ?
Are _____ any specific _____ this _____ ?
Is there _____ power _____ this _____ gear?
Are _____ any _____ use to power our telecom _____ ?
What _____ supplies _____ specifically _____ this telecom _____ spot?
_____ specialized _____ supply for this _____ equipment?
_____ anything you _____ do _____ provide electricity _____ for _____ phones?
There _____ power _____ the telecom _____ ?
_____ telecom _____ have power _____ ?
Is _____ any _____ choices for _____ gear?
_____ have tailored _____ for _____ phone?
_____ you able to provide _____ supplies _____ telecommunications _____ ?
Are you able _____ electricity sources _____ devices?
Does _____ telecom _____ any _____ options?
_____ need _____ know _____ electrical _____ these comms devices.
_____ specific _____ source _____ that gear?
_____ there _____ for these telecom gear?
_____ there a specific _____ source _____ ?
_____ there _____ the telecom gear?
Will there be _____ supply options _____ this _____ ?
What power options _____ gear?
_____ there any _____ choice _____ gear?
_____ there _____ electricity _____ that you _____ for these _____ phone gadgets?

_____ these comms devices use _____?

_____ an _____ method _____ the proper _____ the communication devices?

_____ there a specific way _____ get power _____?

_____ tell _____ about the power supply _____ equipment?

Can _____ give _____ for _____ to _____ up our telecom _____?

_____ tailored electricity _____ work _____ with _____ telecommunications _____?

_____ suggestions about _____ to power our _____ gear?

Are _____ for the telecommunication _____?

_____ options _____ this _____ gear?

_____ a _____ power source for _____?

Do _____ have _____ that _____ meant _____ telecommunication setups?

_____ there any _____ to _____ proper power _____ these _____ devices?

Is it _____ get _____ specific _____ source for _____?

_____ power _____ for _____ telecom appliances?

_____ you _____ me suggestions _____ how to power _____ our _____?

Are we _____ a _____ power source _____ equipment?

_____ possible to _____ electricity alternatives _____ lousy _____ gadgets?

_____ have a _____ power option _____ Telecomm junk?

Is _____ specific energy supply _____ types of _____?

_____ any dedicated power _____ for _____?

Is _____ possible to _____ any different _____ our _____ devices?

Do _____ have _____ supplies _____ meant for telecommunications?

_____ to _____ can _____ alternatives for these lousy phone devices.

Do _____ have any _____ make _____ these _____ devices are _____ powered?

_____ there _____ power _____ for _____ gear?

This telecom _____ have _____?

_____ source for our gear?

Can you tell me about _____ dedicated _____ telecom _____?

Can you _____ specialized _____ for this telecom _____?

_____ given _____ for ensuring _____ proper power of _____ communication devices?

_____ you know _____ ways to power up _____?

_____ there _____ options _____ power supply for _____?

_____ there _____ power _____ options for _____ device?

Is there _____ to _____ these communication devices?

Do _____ specific _____ supplies just _____?

Can you _____ me if there _____ my _____ junk?

_____ any dedicated energy alternatives _____ rigging?

Are there _____ power _____ gear?

_____ to this telecom gear?

_____ to _____ can provide any _____ alternatives _____ these lousy _____ widgets.

_____ other power options _____ telecom _____?

I _____ to know _____ are _____ power options _____ unit.

Is there an available _____ supply _____?

_____ me the _____ the comms _____.

Are there _____ telecomm gear?

_____ it possible _____ provide any _____ for _____ lousy phone _____?

Which _____ provisions are _____ networking _____?

_____ special power _____ for the _____?

Can _____ give _____ for how to power _____ telecom _____?

Is there _____ power _____ devices?

_____ there any _____ to make the _____ power _____ these _____ ?
_____ about _____ supply _____ for this _____ ?
_____ there any _____ power choice _____ telecom _____ ?
_____ about _____ power _____ choices for _____ gear?
What _____ supply for this _____ ?
Is _____ possible to _____ electricity _____ lousy phone gizmos.
_____ there be _____ power _____ choices for _____ gear?
_____ there _____ for this device?
Can _____ provide _____ about how to _____ gear?
Are _____ supplies designed _____ telecom _____ spot?
Do you _____ any power supplies _____ are specifically _____ gear _____ ?
Do you have _____ the proper _____ of these _____ ?
What _____ options _____ available _____ the _____ ?
There _____ be power _____ telecom _____ .
_____ specific power choices _____ equipment?
_____ have power options _____ gear?
_____ these _____ appliances _____ unique power _____ ?
_____ supply choices _____ equipment?
_____ are _____ options _____ communication devices?
Will _____ electricity solutions be _____ telecommunication _____ ?
Do you have _____ power _____ for _____ ?
_____ power supply options _____ this _____ ?
Can _____ provide _____ power _____ telecom unit?
What _____ energy _____ can be used _____ this _____ ?
_____ have power provisions _____ this _____ ?
I need _____ know _____ electrical _____ comms _____ .
Is there _____ dedicated _____ telecommunication rigging?
_____ any alternative _____ telecom appliances?
_____ any _____ for telecom appliances?
A specialized _____ telecom _____ ?
_____ dedicated _____ solutions _____ telecom gear?
Do we have _____ power _____ ?
Is _____ any _____ the telecomm _____ ?
Do _____ any different power _____ telecom _____ ?
Tell me _____ the _____ options _____ for these _____ .
There are _____ power _____ equipment?
Are there _____ for _____ device?
Do we offer specific _____ for _____ ?
_____ you _____ any _____ power supplies for _____ equipment?
There _____ power supply options _____ telecom _____
_____ power supplies _____ gear spot?
There _____ be _____ for _____ telecom _____ .
_____ particular power provisions _____ networking equipment?
_____ there any _____ for this _____ gear?
Are there _____ telecom appliances?
_____ you tell _____ options for this equipment?
_____ telecom gear?
_____ are _____ power sources _____ telecom device?
_____ options _____ there for this _____ ?
tailored _____ operating _____ equipment?

Have _____ choices for _____ telecom _____?
_____ provisions exist for _____?
Can there be specific ways _____ power _____?
Does _____ choices for this _____?
What power _____ this telecommunications _____?
_____ options _____ this telecom _____?
Are there _____ to _____ to this _____?
Is _____ way _____ provide _____ to _____ tech?
_____ you _____ supply choices _____ this _____?
_____ method of providing power _____ this _____?
_____ there any method _____ power of these communication _____.
Do the _____ cater _____ comms _____?
What are _____ sources _____ power for _____?
_____ might _____ a power supply choice _____ telecom _____.
Will _____ any unique _____ these telecom appliances?
Do _____ have _____ sources _____ devices?
_____ energy _____ solutions can _____ used with _____ phone?
_____ power supply _____ are _____ to _____ equipment?
Is there _____ tailored _____ solution for _____ equipment?
Do you _____ supplies for _____ telephone _____?
_____ any _____ options for _____ units?
Do _____ have _____ options for _____ junk?
_____ a way to supply the _____ tech?
_____ any way _____ supply the power _____ this _____?
_____ types _____ energy _____ can be _____ this telephone?
What power _____ available for _____ telecom _____?
There are any _____ for the _____ gear.
Can _____ advise _____ how _____ power _____ our telecom _____?
_____ there exist any _____ options for _____?
_____ any _____ for these units?
_____ present any exclusive _____ to _____ the proper power _____ communication _____?
_____ you _____ any power _____ for _____ telecom _____?
_____ a specialized power supply _____?
Power _____ this _____ gear?
Can _____ sources for these _____?
_____ a _____ supply _____ telecom gear?
What is the _____ telecom device?
_____ power supply _____ with _____ stuff?
_____ there any _____ for _____ equipment?
Is _____ these devices _____ have specific power _____?
_____ a power source _____ telecommunications gear?
_____ there _____ way _____ provide power to _____ telecom _____.
_____ the _____ appliances _____ any _____ power _____?
Is _____ for _____ telecommunication units?
_____ be power _____ options _____ telecom stuff?
_____ there _____ special power supply _____?
_____ have _____ options for this _____ equipment?
Is there any way _____ telecom _____?
_____ telecom gear _____ a specialized _____?
Perhaps there is _____ supply choice _____ this _____.

Do _____ power sources for _____?
 Do _____ have any _____ electricity _____ telecom setup?
 Do you have any _____ supplies _____ spot?
 Maybe _____ supply choice _____ this _____ gear.
 How _____ specifically designed for this _____ gear _____?
 _____ power solutions for telecom _____?
 Is there any _____ for this telecom _____?
 _____ possible that we _____ energy _____ just _____ telecommunication setup?
 Can _____ us any _____ to _____ up our telecom _____?
 Is _____ any _____ option for _____?
 _____ there a specific power _____?
 _____ you _____ ways to power _____ telecom devices?
 Do you have any _____ supplies _____ telecommunication _____?
 _____ a specific _____ to power _____?
 _____ anyone _____ of _____ unique _____ supply choices _____ this _____ gear?
 There _____ any _____ options _____ for _____ communication devices.
 Is there _____ way _____ power _____ technology?
 _____ anyone _____ any suggestions on how _____ power _____ telecom _____?
 Is there _____ new power _____ the _____?
 There _____ unique _____ supply _____ for this telecom _____?
 _____ possible to _____ unique _____ supplies _____ our telecommunication _____?
 Is there _____ for _____ gear?
 _____ supplies for this _____?
 How _____ sources are available _____ telecom _____?
 _____ there _____ dedicated power _____ for _____ equipment?
 _____ possible to _____ any _____ for the lousy _____ widgets?
 Will _____ be _____ power _____ choices _____ this _____ gear?
 Can there _____ for the _____?
 Do _____ any power supply _____ are suited _____ equipment?
 Should _____ telecom _____ supply choice?
 Are there _____ supply _____ suitable _____?
 Is it possible _____ provide _____ electricity _____ widgets?
 Do _____ have any suggestions on _____ phones?
 _____ options for _____ telecom _____
 Do _____ special power _____ the _____ setup?
 _____ you _____ any _____ proper power of these communication _____?
 _____ it possible _____ supplies for _____ telecom gear spot?
 Is _____ any _____ to provide _____ to _____?
 _____ there power sources for _____?
 Can _____ be _____ offerings for this _____?
 Some _____ supply _____ this telecom _____?
 _____ electrical choices _____ to the _____?
 Can _____ dedicated _____ solutions for _____ gear?
 Is _____ option for your _____?
 Is there _____ power _____ for your _____?
 What _____ are there _____ telecom gear?
 _____ there _____ special power supply _____ for _____ gear?
 Are there _____ ways _____ which to power _____ telecom _____?
 Is there any _____ alternative _____ telecommunication _____?
 Is there _____ power _____ telecom _____?

Are _____ methods you have _____ to ensure the _____ of _____ devices?

_____ are _____ options for _____ telecom stuff?

_____ a _____ option _____ telecomm Junk?

_____ power supplies _____ our telecommunication _____?

There _____ possible power _____ this _____.

_____ you give me any _____ for this _____?

_____ any power choices _____ this _____?

_____ have _____ suggestions on _____ to _____ our telecom devices?

Can you _____ us _____ ways _____ our telecom devices?

_____ tailored electricity solutions _____ the _____ of our _____?

_____ specific _____ for telecommunication setups?

Do you have _____ ensuring the _____ devices?

_____ there any distinct _____ these _____?

Is _____ an _____ supply _____ this _____?

_____ you have _____ supplies _____ telecom _____?

Is there _____ for this _____?

Do we _____ specific power _____?

_____ options for _____ telecom setup?

Does anyone _____ options for this _____?

_____ any power supplies _____ for _____ telecom _____ spot?

_____ there _____ supply _____ for _____ phone?

Can you recommend _____ power up our _____?

Is it possible _____ provide _____ for _____ phones?

_____ there _____ for power for _____?

_____ exist any _____ power _____ telecom appliances?

_____ you have _____ electricity _____ these devices?

Have _____ power _____ for this _____?

Are there _____ exclusive methods _____ proper _____ of _____ communications _____?

Where can I find power source _____?

Can _____ suggestions on how to power _____?

_____ there any power _____ for _____.

_____ telecom _____ may _____ power supply _____.

Do you have options _____ supply _____ the _____?

_____ power supply options _____ have _____ stuff?

_____ options for the telecom equipment.

Is _____ specific _____ for the comms _____?

_____ have _____ choices _____ this _____ unit?

_____ options for the _____ unit?

_____ telecom device _____ have _____ supply _____.

What custom-made _____ offerings _____ telecom setup?

Is there _____ to supply power _____?

_____ Telecom gear?

_____ you can provide any noteworthy electricity _____ the _____ widgets?

Power _____ choices _____ this _____.

Do you have _____ specific methods _____ ensure _____ proper power _____?

_____ it possible to provide _____ these _____?

_____ supply options _____ for _____ telecom stuff?

Is there _____ electricity _____ our _____ equipment?

What _____ supply _____ are _____ telecom _____?

_____ you have _____ for telecommunications?

Which energy supply _____ be _____ telecommunication apparatus?

Power supplies specifically _____ gear _____?

Is _____ any power _____ these _____?

_____ you know of any power _____ for _____ spot?

_____ are available for _____ equipment?

_____ it _____ to _____ ways _____ power up our _____ devices?

Can _____ me if there are any _____ supply _____?

Discuss _____ options for _____.

Are you aware _____ tailored power _____ your _____?

Any _____ electricity offerings for _____?

_____ are any different powered _____ available _____?

_____ there any new power _____ for _____ telecom _____?

_____ there a power _____ telecom _____?

_____ power supply _____ this gear?

_____ you suggest _____ power _____ telecom gear?

Does anyone have _____ telecom equipment?

_____ there any alternate _____ sources _____?

Are there any dedicated _____ alternatives _____?

_____ a specific power _____ gear?

_____ give _____ on how to _____ up _____ telecom devices?

Do you have _____ exclusive _____ communication devices?

Do _____ have _____ option _____ these units?

_____ there _____ sources for telecom _____?

I would like to _____ if you can _____ any _____ these _____.

_____ there any _____ we _____ telecom gear?

Are _____ power supplies specifically _____ telecom _____ spot?

Do _____ exist _____ unique power _____ for _____ telecom _____?

How about _____ for _____ equipment?

_____ any _____ supplies for your _____ equipment?

Is _____ a _____ to _____ the tech?

What are _____ options _____ for _____ communication _____?

_____ any _____ power _____ options for telecom equipment?

Which _____ available for this _____ spot?

What _____ offerings can _____ made for _____ telecom _____?

_____ type of _____ can _____ used with _____ telephone?

Did _____ any specific methods to _____ power of _____ devices?

Are _____ any exclusive methods _____ used _____ ensure _____ proper power _____ communication _____?

Is _____ way _____ to this tech?

_____ for this telecom _____?

Which _____ sources are _____ device?

_____ there _____ a special _____ supply for _____ gear?

_____ there _____ for _____ telecomm gear?

_____ different powered options for _____ devices.

Can _____ power supply for _____ telecom _____?

_____ would like _____ you can provide _____ electricity alternatives for _____ lousy _____.

Discuss the electrical _____ devices.

_____ custom electricity _____ this _____ setup?

_____ a _____ energy _____ for telecommunication _____ this one?

Is _____ any power supplies _____ telecom _____?

_____ about specific _____ sources for these devices?

Do tailored _____ exist _____ telecommunication _____?

_____ there any power _____ for _____?

_____ meet _____ telecommunication equipment specifications?

Do you provide _____ for _____?

_____ specific energy supplies _____ used _____ telecommunication setup?

_____ of _____ supply _____ be used with _____ telecommunication apparatus?

_____ supplies for this _____ spot?

Can we _____ to this tech?

_____ a _____ to provide _____ this telecom equipment?

_____ know _____ there is _____ supply for this telecom _____?

_____ like to _____ any electricity _____ for these lousy phone _____.

There _____ specific power _____ comms devices.

What is _____ specialized _____ for this _____?

Is there _____ specifically designed for _____ spot?

Is _____ power _____ for these _____?

_____ power _____ choices for _____ telecom gear?

I _____ to know _____ is _____ power _____ for _____ junk.

_____ supply options _____ telecom _____.

_____ specific source _____ power for _____ electronics?

Are there _____ to _____ tech?

_____ there _____ power _____ that telecom _____?

What _____ supply _____ for _____ telecom equipment?

Is it possible _____ a power _____ our _____?

_____ there a _____ power supply _____ this _____ spot?

Any _____ electricity offerings _____ setup?

Are _____ options _____ telecom equipment?

_____ there any _____ power supply _____ gear?

_____ power supply choices can _____ for _____ telecom _____?

_____ you have _____ how _____ power _____ our telecom gear?

What _____ for this _____ equipment?

Have _____ this unit?

_____ you have _____ power options for _____?

_____ options _____ the unit?

_____ you _____ options _____ the power of _____ telecom _____?

Do _____ have power _____ for _____?

_____ there _____ way _____ could _____ our telecom devices?

_____ there _____ any _____ power _____ for this _____?

Is _____ that _____ have specialized _____ for these _____?

_____ any unusual power supply choices _____ this _____?

_____ different _____ provide _____ to this tech?

_____ we _____ different power _____ for these _____?

Is _____ equipment compatible _____ sources?

Is _____ noteworthy _____ alternatives _____ the lousy _____ gizmos?

_____ there _____ ways we can power _____ devices?
