

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Software updates and compatibility issues
Inquiry Sub-Category	GPS and location accuracy concerns
Description	Customers might report issues related to inaccurate or slow GPS signal reception, difficulties in obtaining location updates, or inaccuracies in navigation apps, seeking guidance or solutions for enhancing location accuracy.
Data Size	7,476 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Are ____ recommended ____ adjustments ____ optimizing battery life and ____ ____ ____ ?
____ I use ____ life ____ the same way?
____ and ____ location at the same time.
What ____ done to achieve long ____ battery ____ ?
Suggestions on ____ longevity of the ____ accuracy of ____ same time?
What are ____ changes to ____ for ____ preciseGPS?
____ you ____ me any tips ____ battery life ____ precise ____ ?
Is there ____ phone ____ that will improve ____ and maintain accurate location?
____ there ____ way to ____ phone ____ to improve ____ keep accurate location?
____ done ____ improve battery longevity ____ at the same time?
How ____ battery ____ and accurate geolocation abilities ____ ?
Can you give ____ about ____ battery ____ and ____ at the ____ ?
How ____ battery life ____ location simultaneously?
____ recommended settings for ____ and ____ ?
Is it ____ maximize battery life ____ precise ____ ?
____ suggestions for ____ phone settings to ____ precise geolocation ____ ?
____ possible to ____ adjust battery usage and ____ through ____ ?
How ____ we improve battery ____ precise ____ ?
How ____ modify ____ on my ____ ensure ____ battery ____ while ____ keeping accurate ____ services?
____ there ____ way to maximize ____ usage with ____ data?
Can I ____ my phone's settings ____ improve ____ and accuracy of ____ at ____ ?
Can ____ offer me ____ batt juice ____ accurate location at ____ same time?
____ for setting changes can ____ both device's ____ location ____ .
Is there ____ way ____ maximize ____ life ____ services?
____ settings be adjusted ____ better battery ____ accurate ____ usage?
How ____ set the settings for ____ accurate ____ usage?
Is ____ to maximize battery ____ on the accuracy ____ geolocation?
Can ____ give me ____ life and ____ in the same ____ ?

Can I _____ the settings to _____ longer, _____ getting accurate location _____?

Any _____ on _____ improve battery life _____?

_____ a _____ and spot-on geolocation be _____?

Is _____ any _____ on _____ setting options that will _____ lifespan _____ enhanced _____ gps?

_____ it possible _____ simultaneously _____ usage and _____ using _____ setting adjustment?

_____ it _____ to _____ battery life _____ precise geolocation _____?

Can you _____ way to _____ optimal _____ performance without compromising _____ services?

_____ there _____ way to _____ battery _____ and location?

Changing some _____ with improved geographical precision.

_____ can _____ life and precise geolocation _____ once?

How can _____ things _____ best _____ accurate location?

recommended _____ for better battery _____

_____ there a _____ to maximize both _____ life and _____?

Is there a _____ battery _____ maintaining accurate _____?

_____ possible to make _____ and gps settings at _____ same _____?

Setting _____ that enhance battery _____ on _____ could you give _____ advice _____ that?

_____ a good _____ to _____ my _____ and _____ services at _____ same time?

_____ settings for better battery _____?

_____ better _____ and _____ location, _____ recommended _____?

Is it possible _____ the _____ settings to maximize _____?

Setting changes _____ improve _____ life _____ precise _____?

_____ settings _____ be _____ to balance extended _____ functioning _____ precision.

_____ saving _____ and _____ accurate coordinates?

_____ tell me _____ optimal settings to enhance _____ and _____ accurate geolocation _____?

_____ you give _____ advice _____ conserve _____ juice _____ have accurate location?

_____ it possible _____ battery usage and exact location through _____?

Suggestions _____ improving _____ of _____ battery _____ of _____ services?

Is it possible to maximize _____ reliable _____?

_____ for _____ better battery _____ location _____ the _____ time.

Recommendations _____ maintaining _____ while saving _____?

_____ a way to change phone _____ to improve battery _____ accurate _____?

_____ way _____ extended _____ functioning with _____ geographical _____ by changing settings.

_____ it possible _____ adjust _____ phone's _____ improve battery _____ accuracy of _____ the same time?

How can _____ change _____ my phone to _____ have longer _____ life and _____ services?

_____ you guys _____ me _____ on _____ battery _____ and precise _____?

Are there _____ suggestions _____ how _____ maximize _____ battery usage _____ services on _____?

How _____ we _____ both battery _____ and _____ the same _____?

_____ possible _____ simultaneousize _____ and exact location through _____ setting _____?

_____ for enhancing the longevity of _____ battery _____ accuracy _____ at _____?

_____ tinker with my _____ settings _____ improve _____ battery _____ accuracy at _____ same _____?

How _____ change _____ settings _____ phone _____ ensure longer battery _____ accuracy in my _____?

How _____ suggestions for _____ keeping accurate _____?

What _____ you _____ setting _____ the best battery _____ accurate _____?

Is it possible _____ simultaneously maximize battery _____ location _____?

_____ are the _____ for battery life _____?

Will it be possible to _____ battery and _____?

_____ of adjusting _____ optimal battery performance without _____ precise _____ location services?

How _____ life and precise location?

_____ tell me _____ tips on _____ save _____ life _____ location at _____ same _____?

_____ am in _____ of _____ on _____ will enhance my _____ location _____ and _____ life.

_____ improving _____ longevity _____ accuracy of the _____ and _____ at the _____ time?
 Can there be _____ tweaking of _____ and _____?
 _____ there _____ way to adjust _____ optimal performance _____ compromising location _____?
 How can I _____ geolocation settings _____ the _____ time?
 _____ to give _____ tips _____ to conserve batt _____ have good _____ accuracy?
 Is there _____ way to _____ settings _____ improve battery _____ and _____ accurate _____?
 _____ of a way _____ change phone settings that _____ improve _____ accurate location?
 Is _____ possible to adjust _____ settings _____ my device to _____ life while _____?
 _____ you _____ me _____ keeping _____ juice _____ and having _____ location?
 _____ it possible _____ simultaneously use _____ usage and _____ adjustment?
 _____ maximize _____ battery life _____ accuracy _____ the same time?
 _____ increase battery life and _____ geolocation services?
 _____ want _____ improve my _____ and _____ at once, but I'm not sure what to _____
 Is there _____ increase _____ accurate gps usage?
 Can _____ battery _____ and _____ location services?
 How can _____ battery life _____?
 Is _____ balance extended battery _____ improved geographical _____ by _____ settings?
 _____ for _____ battery life _____ location services exist.
 How can _____ maximize _____ the battery _____ location _____ the _____ time?
 _____ the _____ settings _____ battery and preciseGPS?
 Is _____ to improve _____ and geolocation?
 _____ recommendations increase the _____ location?
 Can you _____ on saving battery life _____ precise location _____ time?
 _____ there any suggestion _____ setting _____ that will result in _____ and _____ gps?
 _____ be possible to _____ settings for optimal battery _____?
 How _____ I _____ phone's settings _____ battery _____ and location?
 Is it _____ to maintain reliable _____ whileOptimizing _____?
 _____ the _____ be adjusted for _____ and _____ performance?
 How can _____ battery _____ and _____ be _____ at _____ same _____?
 How _____ conserving _____ while _____ accurate _____?
 _____ need _____ to modify settings for conserve _____ perfect _____.
 _____ possible to _____ life and precise _____ simultaneously?
 _____ I use my _____ improve battery _____ and _____ accuracy at the _____?
 How _____ improved _____ preciseGPS _____ up?
 _____ any _____ both battery life and _____ abilities at the _____ time?
 _____ recommendations for improving battery life _____.
 _____ possible _____ change settings _____ my phone _____ ensure longer battery _____ more _____ services?
 Recommendations _____ battery life while _____ services?
 How can we _____ and accurate location?
 How _____ one maximize both _____ geolocation _____ once?
 _____ settings _____ balance _____ battery's functioning _____ geographical precision.
 Is _____ to keep precise location services _____ maximizing _____?
 There are _____ to _____ to achieve longer battery _____ while _____ precise _____.
 _____ there any _____ settings _____ better _____ location?
 How _____ I set _____ settings to _____ and location?
 _____ we _____ both _____ accurate geolocation abilities at once?
 _____ settings _____ used to _____ and exact location?
 Is it possible _____ the settings on my _____ maximize its _____ its location _____?
 Should _____ be adjusted for better _____ without _____ services?
 Is it _____ to simultaneously maximize battery usage _____.

Recommendations ____ better ____ location at ____ same ____.

____ adjusting settings ____ enhance device performance, power ____ geographic ____

____ are some ____ changing settings ____ achieve longer ____ life ____ still maintaining ____ ____?

Any ____ for enhancing the ____ of the ____ at the same ____?

Is there ____ way to ____ battery ____ location tracking?

____ there a ____ increase my ____ life and location accuracy ____ time?

____ you able to ____ battery life and ____ geolocation ____?

Is it ____ on ____ settings for battery ____ and accurate ____?

Is there any suggestion ____ that will ____ increased ____ and ____ function?

____ the ____ life ____ location be ____?

What ____ optimum setting ____ battery ____ location?

How do ____ maximize battery ____ simultaneously?

Recommendations ____ setting ____ can ____ efficiency and location ____.

Is there ____ to enhance ____ efficiency and ____ accuracy?

Is ____ modify ____ settings to maximize ____ battery life and ____?

There ____ any ____ how to ____ both ____ and geolocation ____.

Is there a way to adjust ____ for ____ losing ____?

How ____ we ____ life and ____ at ____ same time?

____ a way to adjust ____ and ____ settings ____?

Is ____ settings for optimal ____ performance ____ losing precise location ____?

How ____ conserve ____ and maintain ____?

____ certain settings might ____ functioning ____ better ____ precision.

Is there a ____ to maximize ____ while ____ tracking?

With accurate location ____ there ____ battery usage?

____ tell ____ how to change ____ to ____ and improve ____?

____ you ____ tips ____ battery life ____ nailing ____ location at the same ____?

____ I maximize battery life while using ____?

____ can ____ both the battery life ____ the same ____?

Is ____ change ____ for optimal battery ____ without ____ location services?

Changing ____ may ____ extended battery ____ geographical precision.

Are ____ to give ____ on ____ to ____ batt ____ and have accurate ____?

While maintaining precise geolocation services, ____ are ____ suggested ____ settings ____ longer ____?

Suggestions to enhance ____ the battery ____ location ____ the ____ time?

There are suggestions on ____ to ____ geolocation abilities.

There ____ any suggestions ____ to ____ battery ____ and accuracy.

How can tweaking ____ and ____ location ____?

____ possible to increase ____ life and precise ____.

Suggestions ____ adjusting phone ____ battery ____ geolocation services?

____ are recommended settings ____ better ____ location at ____ time.

____ it ____ to adjust ____ for ____ battery ____ without ____ exact location ____?

____ I set ____ phone's ____ to ____ battery ____ and ____ at ____ same time?

Suggestions for ____ the ____ and ____ services?

Is it ____ to ____ changes to my ____ in ____ maximize ____ life ____ guaranteeing accurate location?

Is it possible ____ both ____ usage and ____ services ____?

How ____ life and exact ____?

Can ____ specific setting ____ to ____ battery ____ and ____ geolocation?

Some settings ____ changed ____ achieve longer ____ life ____ still ____ services.

Suggestions ____ how ____ adjust ____ settings ____ maximize battery ____ geolocation ____?

Recommendations ____ maximizing ____ precise location services?

____ you recommend ____ maintaining ____ coordinates?

_____ you _____ that will enhance _____ and precise _____ on my _____?

Is _____ possible to _____ phone to ensure _____ battery life _____ accurate _____ services?

_____ accurate _____ and better _____ recommended _____?

_____ there _____ adjustment _____ battery _____ with accurate _____ data?

_____ to _____ functioning with _____ geographical precision by altering _____ settings?

Is it possible _____ system _____ optimum energy and geo- _____?

Recommendations for adjusting _____ battery usage and _____ are _____.

_____ give _____ pointers on how to _____ and _____ good location accuracy?

_____ get _____ and precise location together?

With recommended _____ can _____ life _____ precise geolocation _____?

_____ recommended changes _____ improved battery _____?

While _____ accurate geolocation services, are _____ preferential _____ battery _____?

_____ you _____ to _____ optimal settings to _____ battery life _____ enable _____ geolocation _____?

How to setup _____ for _____ location?

Changing _____ can balance extended _____ with _____ geographical _____.

_____ want _____ to modify settings _____ conserve _____ perfect location.

Can I change the settings _____ battery _____ while still _____ accurate _____?

_____ are the settings _____ better battery and _____?

Is _____ to increase the _____ life _____ device _____ time _____ ensuring accurate location?

_____ changes _____ enhance battery _____ and location tracking _____ device, could you _____ to do _____?

_____ way _____ increase _____ phone's _____ life and location _____ at once?

_____ some _____ on how to _____ battery life and location _____?

What _____ are _____ achieve longer _____ while still _____ precise geolocation _____?

Suggestions for maximizing _____ using precise _____?

Is _____ on _____ options _____ will _____ to increased _____ lifespan and enhanced _____ gps function?

_____ there _____ way to improve _____ geolocation together?

Recommendations for _____ precise location services.

_____ can _____ settings be changed _____ battery longevity _____?

Changing settings _____ battery functioning _____ better _____.

_____ to set things _____ the best battery _____?

_____ it possible _____ improve _____ while _____ keeping reliable _____ tracking?

_____ to _____ changes to _____ settings to maximize its _____ ensuring accurate location?

Is it possible for _____ battery _____ settings _____ be _____?

Is _____ possible to _____ settings _____ to _____ life and maintain _____ geolocation?

_____ can one maximize both battery _____ and _____ the _____?

How _____ the battery _____ and accurate _____ abilities?

_____ can _____ person _____ life _____ location at the same _____?

How can _____ the battery _____ accurate geolocation _____ at the _____?

Do _____ have _____ maximizing battery _____ using precise location _____?

_____ it possible _____ battery _____ but _____ maintain reliable _____ tracking?

_____ you tell _____ how _____ settings for _____ battery _____ perfect location _____?

_____ to _____ how to change settings for conserve battery _____.

_____ recommended _____ battery and location simultaneously?

Can you _____ me _____ maximize _____ life and enable _____ services _____?

_____ to adjust the settings _____ device in order _____ maximize _____ battery life _____ ensuring _____?

Is _____ any _____ to _____ battery _____ and _____ geolocation ability _____?

Is _____ possible to _____ life and allow _____ services _____?

Is there a way _____ battery life _____?

How _____ both battery _____ precise location?

Any _____ for _____ the _____ battery _____ the _____ of location services at the _____?

Is it ____ to ____ battery ____ retain ____ location ____?

____ change the ____ for ____ battery and geolocation at ____ same ____?

Is ____ tell me optimal ____ enhance ____ and ____ accurate ____ services at the same ____?

Which ____ battery and precise gps?

Is ____ suggestion on altering settings to ____ and ____ accuracy?

____ to know if ____ can ____ me with ____ changes ____ enhance ____ and location tracking ____ my ____.

____ settings for improved ____ together.

____ to ____ how ____ save battery life and ____ precise location ____ same ____.

____ find out ____ best ____ accurate location together?

Recommendations for setting ____ to ____ device's power ____ location ____.

How to improve ____ location ____?

How can one ____ battery life and ____?

____ to change settings ____ better ____ and accurate gps ____.

Is there ____ way ____ balance ____ battery's ____ with better ____?

____ are tips ____ both ____ accurate geolocation abilities.

Is ____ way ____ change ____ improve battery life and ____ geolocation capabilities?

Is there a ____ to ____ while reducing battery ____?

Changing settings ____ able ____ balance ____ functioning ____ improved geographical ____.

____ preserving ____ while ____ accurate coordinates?

____ you ____ recommendations for ____ battery while ____ accurate ____?

Is ____ any changes to ____ and ____ location?

How do I ____ my phone's ____ accuracy ____ the ____ time?

____ you please ____ me tips on saving battery ____ the same ____?

Is there ____ way to keep ____ battery ____?

Is there ____ for ____ to improve ____ usage and ____ services?

Is it ____ on ____ to ____ its ____ life ____ at the ____ time ensuring accurate location?

____ a way ____ simultaneous maximize ____ exact location?

____ can ____ the settings ____ my ____ to ____ battery life ____ more accurate ____ services?

Is it ____ while maintaining reliable ____ tracking

There are ____ settings for ____ accurate ____ simultaneously.

____ for enhancing ____ of ____ and accuracy of location ____ at ____?

____ like to know ____ the ____ efficient settings for maximizing battery ____ and ____ precision ____.

Is ____ possible to ____ battery ____ reliable geolocation services ____ my ____?

Is there ____ battery while maintaining accurate ____?

Suggestions ____ improving the longevity ____ the ____ the accuracy ____ location ____.

____ improving ____ of the battery ____ location services ____ same time?

____ how ____ adjust phone settings ____ maximize ____ usage ____ precise geolocation?

____ I maximize ____ keeping ____ location tracking?

Is ____ improve ____ usage ____ retaining reliable location ____?

____ about ____ settings ____ and ____ location ____ at the same time?

There are ____ changing ____ to achieve longer ____ life ____ maintaining ____ geolocation ____.

____ it ____ to ____ I ____ improve my ____ battery ____ and ____ accuracy at once?

Is there ____ to ____ settings ____ to improve ____ life ____ maintain ____ location?

How ____ set ____ best ____ accurate location?

What's the best ____ to ____ while ____ coordinates?

____ the ____ of the ____ accuracy of ____ services ____ the same time.

What ____ adjustments should ____ make ____ battery ____ precise location?

There are any ____ on how ____ battery ____ and ____?

____ want ____ know ____ to change settings ____ conserve ____ and ____.

____ should ____ to maximize battery ____ using precise location ____?

Is it possible _____ settings to improve _____ longevity and _____ ?
 _____ me how to make _____ settings better for _____ battery _____ ?
 Is _____ a way _____ maximize _____ still having reliable _____ ?
 _____ we maximize _____ battery _____ location at the same _____ ?
 _____ are recommended _____ improved _____ preciseGPS.
 _____ can _____ both _____ life _____ location at the same _____ ?
 Suggestions on _____ maximize _____ life and _____ abilities at the _____ ?
 _____ it possible _____ gps performance _____ the same time?
 _____ want _____ know _____ modify settings _____ conserve battery and _____ location _____ .
 _____ I adjust _____ phone's _____ improve battery _____ and _____ at the _____ time?
 _____ are the _____ ways _____ both _____ life and _____ ?
 Recommendations _____ setting changes are _____ power efficiency _____ location _____ .
 Is it possible to _____ optimal settings to _____ enable _____ geolocation _____ ?
 Can _____ change my _____ battery _____ accuracy of location at the _____ ?
 _____ change _____ settings to _____ my battery _____ and _____ accuracy at _____ same _____ ?
 How can _____ my _____ to ensure longer _____ accurate location services?
 _____ there a way to _____ settings at the _____ ?
 Is there a way _____ usage _____ maintaining _____ location _____ ?
 _____ for improving both longevity _____ battery and _____ location _____ once?
 Recommendations _____ battery life _____ precise _____ service?
 _____ are _____ for _____ battery _____ precise gps?
 Is it _____ for the simultaneous optimization _____ location to _____ ?
 _____ you provide _____ tips on how _____ conserve _____ and _____ geolocation accuracy?
 _____ can _____ be changed _____ achieve longer _____ while _____ precise location?
 _____ there a _____ to change the settings _____ increase _____ life _____ maintain _____ location?
 _____ it possible to _____ battery _____ improve _____ services at the _____ ?
 Is _____ to make _____ device's settings in _____ to _____ its _____ usage while still ensuring _____ ?
 Which _____ changed _____ maximize _____ batteries without _____ precise positioning services?
 Is _____ possible _____ battery and _____ settings at the _____ ?
 Do _____ have _____ how I can _____ life and location _____ the same time?
 I am _____ on _____ that I _____ my phone's battery life _____ location accuracy _____ once.
 Do you _____ on _____ battery _____ and accuracy?
 _____ changed _____ improved battery and precise gps?
 _____ you tell _____ how _____ the _____ for conserve battery and _____ ?
 _____ is _____ to _____ battery life _____ exact location?
 Is _____ a _____ to adjust settings _____ battery _____ location?
 Is _____ way to _____ lifespan _____ phone's _____ and maintain accurate _____ ?
 _____ there _____ way _____ settings for _____ battery life and _____ location services?
 _____ I _____ both _____ and location?
 _____ settings for a better _____ and _____ location?
 What should _____ to _____ battery _____ and reliable geolocation _____ ?
 Is there _____ how to maximize _____ usage _____ services _____ my phone?
 _____ the battery _____ gps settings _____ be adjusted?
 _____ to _____ both _____ and coordinates using suggested changes?
 _____ any recommended settings _____ location _____ battery _____ the _____ time?
 What _____ recommended changes for the improved _____ ?
 _____ make _____ in both _____ life and location?
 How _____ I _____ phone's settings to _____ life and _____ together?
 Do _____ recommendations on _____ for maximizing _____ life and ensuring precision?
 _____ to change _____ that will _____ improve battery _____ and maintain accurate _____ capabilities?

How _____ we _____ both _____ life _____ the same time.

Can the simultaneous _____ of _____ usage _____ achieved?

Suggestions _____ changing settings to _____ battery _____ while _____ maintaining _____ services.

_____ one _____ battery life and _____ location _____ the same _____?

Is _____ a _____ change _____ settings that _____ increase _____ and keep _____ location?

_____ are any tips _____ how _____ both battery _____ and _____?

_____ I make _____ to my _____ ensure longer battery _____ accurate location services?

Can you _____ give me tips on _____ life and precise _____?

How do I maximize _____ the _____?

Modification _____ is _____ to _____ battery _____ and _____ accuracy.

_____ make the settings _____ battery life _____ gps usage?

_____ possible to adjust _____ settings on _____ to _____ its _____ usage _____ still _____ accurate location?

_____ improve _____ life _____ at the same time?

Is there _____ to change _____ will _____ battery _____ and maintain accurate _____?

Modifications to settings _____ battery _____ geolocation accuracy.

What _____ the _____ settings _____ the battery _____?

_____ give _____ tips on how _____ can _____ batt juice _____ accurate _____?

_____ setting changes _____ power efficiency and location accuracy.

Is _____ possible _____ simultaneous _____ usage and _____ location _____ setting?

Is _____ possible _____ extended _____ with _____ precision, _____ changing certain settings?

Is there a _____ to _____ the _____ settings _____?

_____ improve battery life and location _____ same time?

_____ battery usage with _____ location data?

Any _____ to _____ and location _____ the same _____?

recommendations _____ and _____ at the same time?

Is _____ to _____ precise location with recommended settings?

_____ there a way _____ functioning _____ geographical _____ by changing settings?

_____ any _____ setting _____ that can _____ the _____ and location accuracy?

Is there any _____ adjusting _____ settings _____ battery usage _____?

Recommendations _____ battery _____ staying _____?

_____ it possible _____ set _____ for accurate location _____ battery _____?

_____ how _____ conserve _____ while maintaining _____ location?

_____ settings can balance _____ with _____ geographical precision.

Is it possible _____ tell _____ optimal _____ to _____ life and _____ accurate _____?

_____ to _____ battery functioning with _____ geographical precision?

_____ there any _____ better battery and _____ location?

_____ the simultaneous _____ of _____ usage and _____ be _____?

_____ tell me how I _____ batt _____ and _____ location?

Is _____ recommendation on _____ setting _____ will lead to _____ lifespan and _____?

_____ to _____ things _____ together for _____ best _____ location?

_____ for _____ battery while _____ accurate _____?

Is _____ possible to _____ settings on _____ phone _____ ensure _____ longer battery _____ and _____ services?

I am not _____ how _____ for _____ battery and _____ location _____.

Can you give _____ advice on setting changes that _____ the _____ of _____ on my _____?

Is there _____ way to maintain _____ location _____ maximizing _____?

_____ one _____ both battery _____ at the same time?

Any _____ on _____ to maximize _____ and accurate _____ same time?

How _____ adjusting _____ battery life while _____ location _____?

I'm looking _____ advice _____ setting _____ that _____ my _____ tracking and battery _____.

_____ is the _____ battery _____ spoton location?

Can you _____ me _____ and precise location?

_____ it possible to _____ battery life _____ longer _____ still _____ location _____?

How _____ one _____ battery _____ and _____?

_____ settings adjustments _____ I _____ enhance _____ performance _____ precise location?

_____ saving battery _____ well _____ maintaining accurate _____?

_____ possible _____ battery life _____ precise location _____ recommended settings _____?

How _____ make _____ best battery _____ location _____ together?

Is _____ to _____ battery usage and exact geolocation _____?

_____ I _____ my phone's _____ improve battery _____ and _____ of location _____ same _____?

_____ it _____ adjust _____ settings on my device to _____ while ensuring _____?

_____ settings _____ for both battery life _____ precise _____ services?

I was _____ there were _____ on how to _____ battery _____ accuracy at the _____ time.

Do _____ have _____ suggestions on _____ battery life and _____ simultaneously?

How do _____ maximize _____ and accurate geolocation _____ at _____?

_____ possible _____ my phone's battery life and location accuracy _____?

I want to _____ if you can _____ setting changes _____ my device's _____ tracking _____ battery _____.

What _____ be done _____ long- _____ spot-on location?

_____ it possible to _____ settings for _____ gps _____?

_____ possible _____ adjust _____ improve _____ and improve geolocation services?

Is _____ possible _____ phone to ensure longer _____ life _____ maintaining accurate geolocation services?

I _____ know _____ to _____ conserve _____ and perfect location together.

_____ the battery and _____ services _____ the same time?

_____ any suggestion for tweaking _____ battery _____ services _____ same time?

_____ it possible to modify the settings _____ maximize its _____ usage _____ the same time _____?

_____ any _____ to improve battery _____ and location at _____?

_____ enhancing _____ the longevity _____ battery and _____ of _____ services?

Is _____ possible to recommend optimal _____ battery _____ enable _____ services?

_____ I change _____ settings to increase its _____ life _____ accuracy _____ location _____ the _____?

Any recommendations _____ and location _____?

_____ there _____ way _____ battery life _____ still maintaining _____ geolocation services.

_____ we maximize both battery _____ geolocation at _____?

_____ are recommended _____ the _____ for improved battery _____ precise _____?

Is _____ to _____ my phone's _____ to improve battery _____ accuracy?

There are _____ for _____ with precise location _____.

_____ it possible _____ battery _____ and enable precise _____?

_____ about _____ changes that can _____ life and location tracking on _____?

Is _____ possible _____ settings for optimal _____ performance?

_____ there _____ improve _____ life and precise location?

What _____ the _____ changes _____ improving _____ and precise _____?

Can you _____ any tips _____ battery life and location _____?

_____ can I make _____ to _____ settings _____ longer battery life _____ more _____ location _____?

_____ of _____ can be used _____ battery _____ geolocation accuracy.

Can you _____ me _____ on saving _____ and _____ at the _____ same _____?

_____ maximize battery _____ and precise geolocation at the _____?

How _____ and _____ together?

_____ it _____ to adjust settings for _____ best _____ performance _____ location _____?

_____ want to know _____ it's _____ to _____ the _____ my device to _____ longevity _____ tracking.

Does it _____ to make _____ for _____ battery _____ accurate location _____?

_____ I _____ phone's battery life and location accuracy at once?

Is _____ way to _____ functioning with _____ geographical _____?

_____ battery, how to set things together?

Is _____ a way _____ get _____ battery _____ while _____ geolocation services?

_____ for the _____ and precise location _____ be adjusted?

What _____ recommended changes _____ comes to battery _____ gps?

Is _____ an _____ battery _____ that includes _____ data?

_____ settings be changed _____ improve the _____ efficiency and _____?

_____ battery _____ and precise location together.

_____ there a way _____ things _____ best _____ and _____ location?

Recommendations for saving _____?

_____ is _____ to _____ settings _____ optimal battery _____ gps performance _____.

Can you tell _____ how to improve _____ longevity of _____ the _____ of _____ tracking _____?

_____ any suggestions for _____ to _____ battery _____ accurate coordinates?

While _____ precise geolocation _____ what are _____ suggested _____ settings _____ battery life?

How _____ and ensure _____ location?

There _____ to _____ settings _____ achieve _____ battery life while _____ maintaining _____ geolocation _____.

Is _____ to _____ services and _____ life simultaneously?

_____ it possible _____ boost battery _____?

Is _____ any suggestion _____ how _____ maximize _____ usage and reliable _____ my phone?

_____ it _____ enhance the _____ the battery _____ accuracy of location _____ at the _____?

_____ do I maximize _____ life _____ accurate _____ abilities _____?

_____ there _____ way to _____ settings for _____ battery _____ precise _____ location services?

_____ it possible _____ enhance battery life _____ location _____?

_____ a way to _____ battery _____ and _____ at the _____ time?

Is _____ to _____ settings to improve battery _____ and _____ accurate _____ simultaneously?

_____ there _____ settings for _____ location _____ better _____?

Is it _____ to improve the battery _____?

Can _____ my _____ settings to increase _____ accuracy of location at _____ same _____?

_____ can we maximize _____ and _____ abilities simultaneously?

How can we _____ battery _____ and accurate _____?

Is _____ change _____ settings that _____ life _____ keep accurate location capabilities?

_____ you have any advice on _____ that will enhance battery _____ and _____ my device.

_____ in need _____ on _____ that _____ enhance battery _____ location tracking on _____ device.

_____ there _____ way _____ maximize _____ battery _____ and accurate _____ simultaneously?

_____ is _____ to maximize both _____ and geolocation?

Is it _____ settings for battery _____ gps _____?

_____ change _____ settings to _____ and accurate gps scanning?

_____ a way _____ adjust _____ and gps settings _____.

Should _____ precise geolocation _____ adjusted?

Is _____ possible to simultaneous _____ battery _____ exact _____ by _____?

I want _____ know _____ you _____ suggestions _____ that can improve battery _____ location tracking _____ device.

_____ and _____ be improved with _____ settings adjustments?

Can _____ alter _____ so _____ my phone's _____ life and location _____ at the _____?

_____ we maximize battery life and _____ at the _____?

_____ saving battery while _____ location _____?

_____ it possible _____ battery _____ and accuracy at _____ time?

_____ adjusting phone settings to _____ battery usage _____?

Can you tell _____ the best _____ to conserve _____?

Can you _____ some tips on _____ to _____ battery _____ location?

How _____ I _____ settings _____ my phone to _____ a longer battery life _____ services?

_____ it recommended to maximize _____ life _____ services?

_____ it _____ make changes _____ and gps performance _____?

_____ recommendations _____ made _____ battery life and location?

Is _____ setting _____ that _____ warrant increased battery _____ and enhanced pinpointed _____?

How can we _____ the battery _____ location _____ same _____?

_____ for _____ and _____ at the _____ time.

_____ battery life without compromising _____ services

How can _____ adjust my _____ settings _____ maximize _____ life _____ services?

_____ battery _____ with accurate _____?

Can _____ maximize battery _____ keep reliable location _____?

Recommendations for _____ to _____ battery usage and _____ geolocation services _____.

_____ you guys give _____ some _____ on saving battery _____ precise location _____ same _____?

Is _____ life and exact location together?

Can you _____ on battery _____ and location _____ same _____?

Is _____ possible _____ change the _____ for best _____ gps _____?

_____ it _____ idea to _____ battery _____ using _____ location services?

_____ there a way _____ enhance the power _____ and _____ of _____?

_____ suggestions _____ adjusting _____ to _____ battery _____ precise geolocation services?

I _____ to know _____ can _____ me _____ changes that will _____ location tracking.

Is it _____ to _____ optimal settings _____ battery _____ and _____ accurate geolocation services _____ time?

_____ you _____ me how to _____ settings _____ and _____?

_____ for _____ longevity of _____ location service _____ the same time?

_____ enhancing _____ longevity of _____ battery _____ services at once?

Should I _____ to _____ battery life and location _____?

Suggestions on _____ to maximize battery _____ accurate geolocation _____ the _____?

Is there _____ to _____ battery _____ and geolocation _____ the same _____?

_____ can one _____ and accuracy?

Can _____ give _____ on _____ to conserve batt juice _____ accuracy?

Is it _____ to make changes _____ my _____ order to _____ while ensuring _____ location?

_____ on how to _____ settings to maximize _____ accuracy?

_____ setting changes available _____ improve device's _____ efficiency and _____?

Can you _____ life _____ enable precise _____ together?

Are _____ to enhance _____ efficiency and _____ accuracy?

_____ be possible to _____ for optimal _____ gps performance.

_____ there a way to _____ settings that will improve battery _____?

_____ want to improve my phone's battery _____ and _____ accuracy at _____ same _____ suggestions _____ altering settings?

_____ for _____ the _____ of _____ and the _____ of _____ at _____ same time.

Suggestions on _____ to _____ phone settings _____ maximize battery _____.

_____ maximize battery and _____ settings?

Is _____ a _____ phone _____ be adjusted _____ improve battery longevity _____ location?

Can you _____ me _____ to do with _____ battery _____?

_____ can we do to _____ and location?

Can you _____ how to _____ life _____ accurate location _____ phone?

_____ can _____ improve _____ life and _____?

Is _____ improve _____ battery _____ geolocation settings _____ same time?

_____ way to adjust the _____ the phone _____ improve battery _____ accurate location?

What _____ recommended changes _____ battery _____ gps settings?

_____ if _____ can _____ battery usage _____ maintaining reliable location _____.

How _____ battery life _____ simultaneously?

_____ for _____ to _____ longer _____ life _____ maintaining precise geolocation services _____ being _____.

_____ enhancing longevity of _____ accuracy _____ location services?

What ____ the recommended ____ and precise GPS?

____ can both ____ and ____ location be ____ same time?

____ to ____ maximize battery ____ and ____ location through specific ____ adjustments?

How can ____ adjust ____ phone's ____ to ____ and ____ services?

____ are suggested ____ settings ____ and precise GPS?

Can ____ give ____ tips ____ saving ____ life ____ precise geolocation?

How can I ____ my settings on ____ life ____ accurate ____ services?

There ____ way to adjust settings ____ better ____ life and ____.

Is it ____ to ____ power consumption and GPS coordination ____?

I want ____ know ____ to change ____ to ____ and ____ location ____.

How to ____ and accurate ____ together?

I would ____ if there ____ a ____ adjust settings ____ battery ____ without compromising precise ____ services.

Is there ____ way to ____ and exact ____?

____ should ____ settings for battery ____ be ____?

Is ____ a way ____ battery functioning with improved ____ precision ____ settings?

Is there ____ recommended ____ for ____ location ____ the same ____?

Is ____ set ____ device to maximize ____ efficiency ____ location ____?

____ improving the longevity and ____ of the ____ once?

____ adjustments ____ I make to enhance ____ and location on ____?

Is there a ____ adjust ____ and GPS ____?

____ are suggestions ____ change settings ____ achieve longer ____ still ____ precise location ____.

Are ____ setting changes ____ improve ____ power ____ and ____ accuracy?

Suggestions ____ longevity ____ battery ____ accuracy of location ____ at the same ____?

Can ____ on ____ to save battery life and ____ same time?

Can you ____ optimal settings to improve ____ and ____ accurate ____?

Is it ____ the ____ power consumption and ____ using ____?

Recommendations for ____ life and ____.

____ you help me conserve ____ juice and ____ at the ____?

Is it possible ____ usage ____ location through ____ settings?

Can you ____ services ____ same time you ____ life?

____ have any ____ on altering settings to improve ____ phone's ____ location ____?

____ on ____ life ____ compromising accurate geolocation services?

How can one ____ both battery life ____ location ____.

Is there any ____ better battery ____ location?

There ____ suggestions ____ improve settings to ____ battery life while ____ geolocation ____.

Suggestions ____ maximize both ____ and accuracy ____ the same ____?

How ____ maintaining accurate coordinates?

____ give ____ any ____ about saving battery life and ____ at ____?

____ it possible to ____ and exact ____ through setting ____?

____ are ____ settings for improved ____ and ____ GPS ____?

____ life and accurate geolocation ____ at ____ same time.

Can you give ____ to conserve ____ juice ____ accurate location?

____ advice ____ setting changes ____ will enhance battery ____ and location tracking on ____.

____ to ____ how ____ modify ____ for ____ battery and ____ location.

Is there a ____ settings for conserve ____ together?

____ there be ____ for better ____ and ____?

____ possible ____ advise on optimal ____ increase battery life and ____ geolocation ____?

Can ____ simultaneous adjustments ____ and ____ location be ____?

____ be done to maximize ____ and accurate ____ abilities?

____ it possible to enhance ____ power efficiency and ____ settings?

I want _____ you _____ tell me _____ setting _____ can improve _____ life and _____ tracking.
 Can you _____ me _____ to change _____ for battery _____?
 Is _____ possible to maximize battery life _____?
 _____ want to know how _____ have bang-on geolocation _____ at _____ same _____.
 Suggestions for _____ accuracy of location services _____ the _____?
 How _____ I use my phone's _____ maximize _____ life _____ precise _____?
 Is it _____ settings _____ optimal _____ gps performance?
 Can _____ my _____ increase battery life and _____ at the _____?
 How _____ I _____ the battery and _____ at _____ same _____?
 Is _____ on altering _____ that _____ result _____ increased _____ lifespan _____ enhanced pinpointed gps?
 _____ better battery and _____ location.
 How to _____ things _____ location _____?
 Can _____ changes _____ device's power efficiency and _____ accuracy?
 Is it _____ enhance _____ life _____ enable _____ geolocation _____ at the _____ time?
 Is _____ a way _____ settings on _____ phone to _____ battery life and _____ location _____?
 There _____ suggestions _____ changing settings _____ longer _____ life while still _____ services.
 _____ a way to _____ battery life _____ enable precise _____?
 _____ any _____ settings for better battery life and _____?
 _____ have _____ suggestions for _____ settings to _____ usage and geolocation _____?
 How can _____ adjust _____ for better _____ and precise _____ services?
 _____ there a way to change phone _____ that will _____ location _____?
 _____ possible to _____ of my device _____ maximize its battery life _____ also _____ location?
 _____ a way _____ increase battery _____ enable precise _____ services?
 Can _____ give _____ any _____ saving battery _____ and _____ the same _____?
 _____ you give me suggestions _____ battery life and _____ the _____?
 Is there _____ way _____ life and _____ at the _____ time?
 _____ battery life and _____ accuracy at the _____ time, are there any _____ on altering _____?
 Is there _____ way _____ adjust the settings for _____ accurate _____?
 Can _____ give me _____ on saving battery life and _____ time.
 _____ it possible _____ adjust for _____ battery _____ with _____ data.
 _____ settings to _____ battery and accurate _____?
 _____ settings adjustments should _____ in order _____ enhance _____ performance and _____?
 Recommendations _____ while _____ location?
 Setting _____ to _____ life _____ precise location _____?
 Will _____ boost both _____ life _____?
 _____ you _____ me _____ on saving battery life _____ at _____ same time?
 Is _____ any way _____ maximize _____ battery life and accurate _____ time?
 There should _____ adjustments for _____ precise _____ services.
 _____ setting _____ available _____ increase the _____ efficiency and _____ accuracy?
 _____ the battery life and _____ location?
 _____ a _____ for phone _____ to be _____ to improve _____ life and _____?
 _____ it _____ to _____ the settings _____ device so _____ uses _____ battery while _____ ensuring accurate _____?
 Is there a _____ battery _____ geolocation _____ simultaneously?
 _____ tell me the best way _____ conserve _____ and _____ the _____?
 _____ do _____ recommend _____ maximize battery _____ precise location?
 _____ are _____ suggestions on _____ to achieve longer _____ precise geolocation services?
 _____ I _____ phone to ensure _____ battery life while also _____ accurate _____ services?
 Setting changes _____ the _____ of location _____ on my _____ is _____ you can _____ me on.
 _____ way to _____ settings for _____ performance without compromising _____ location _____?
 Setting _____ that enhance _____ of location tracking _____ my device, could _____ give _____ advice?

Any _____ how to _____ both _____ life _____ simultaneously?

_____ are you _____ to improve _____ performance and _____?

_____ it _____ to _____ me tips on _____ to _____ batt juice and _____?

Is _____ possible to simultaneously _____ battery _____ exact location _____?

_____ a _____ balance extended battery _____ with better geographical _____?

Is _____ tweaking that _____ battery life _____ precise _____?

Do _____ setting _____ exist to _____ device's _____ location accuracy?

Can I change _____ to improve _____ battery life _____ once?

There _____ any recommended settings for _____ the _____ time?

_____ can I _____ to _____ battery _____ geolocation settings at _____?

Recommendations _____ battery _____ maintaining _____ coordinates?

Is there _____ way to _____ the _____ life _____?

Is it _____ to make adjustments _____ optimal _____?

_____ give me pointers on _____ conserve _____ juice and _____ accuracy?

Can _____ recommend ways _____ and _____ accurate coordinates?

How do _____ improve _____ precise location _____?

Do you have any _____ to _____ maintain accurate _____?

_____ possible to change the _____ my _____ to _____ less _____ still _____ accurate location?

_____ possible to _____ my phone's settings to maximize its _____ life _____?

_____ changed to _____ longer _____ life _____ still maintain precise geolocation _____?

_____ adjusting the _____ battery _____ and _____ services at _____ same time?

_____ there _____ adjusting settings for _____ battery life and _____ gps _____?

Is _____ possible _____ to increase battery life and _____ scanning?

_____ it possible _____ alter my _____ settings to _____ and _____ gps _____?

_____ you able _____ advise _____ optimal _____ battery life and _____ geolocation _____ simultaneously?

Is there any _____ change _____ life and accurate _____ use?

How should _____ be _____ to _____ battery _____ while _____ precise geolocation _____?

How _____ we best maximize battery _____?

_____ for the best _____ and accurate location?

_____ there _____ to _____ usage and reliable geolocation services on _____ simultaneously?

_____ on adjusting _____ to maximize _____ usage _____ precise geolocation _____?

_____ can _____ change my phone's _____ maximize my _____ life _____?

What should _____ maximize _____ battery _____ precise location?

_____ life and accurate geolocation abilities _____ the _____ time?

How about changing _____ to _____ longer _____ life, _____ still maintaining _____?

_____ setting _____ improve _____ power efficiency _____ location _____?

Is _____ to _____ my _____ settings _____ maximize _____ battery _____ and accurateGPS _____?

Recommendations _____ enhance the device's _____ location accuracy _____ made.

How to _____ things for the _____?

_____ want _____ battery _____ accuracy at the same time, _____ sure what settings to change

What is _____ best way to _____ battery _____ precise _____ device?

_____ for better battery _____ geolocation services?

_____ there _____ on _____ setting options that would _____ increased _____ and _____?

Would _____ be possible _____ settings _____ optimal _____ performance together?

How _____ we _____ while _____ precise location services?

_____ it _____ to _____ optimal settings to _____ battery life _____ accurate _____ services at _____ same _____?

How _____ we _____ both battery _____ exact _____ once?

Can _____ be _____ to _____ longevity and maintain accurate _____?

_____ you _____ tips _____ battery life and precise _____ at _____ same time?

How _____ battery and _____ accurate _____?

Is there _____ way to maximize _____ dependable location _____?

_____ there a _____ balance _____ functioning with better geographical _____?

Can I _____ life _____ exact _____?

Is _____ recommended settings _____ a _____ battery and _____?

There _____ suggestions _____ enhancing the longevity _____ accuracy of _____ services at _____.

_____ better _____ and accurate location _____

_____ you have _____ adjusting _____ settings _____ maximize battery usage _____ geolocation _____?

What are _____ changes in settings _____ and _____?

I _____ to _____ what _____ most efficient _____ for maximizing battery _____ while _____ precision _____ geolocation _____.

Suggestions for _____ the lifespan _____ battery _____ services _____ the same _____?

_____ possible to make changes to _____ device's settings _____ maximize _____ usage while still _____?

Is _____ possible to change my _____ to _____ battery life and accuracy _____ time?

_____ it _____ to _____ settings on my phone to ensure _____ and _____?

Is there _____ settings _____ location at _____ same time?

_____ are _____ to adjust _____ settings for _____ improved _____ services.

Is there a way _____ modify _____ to _____ power _____ and _____?

Is it _____ to change _____ gps settings _____?

What _____ the recommended _____ for better _____?

_____ there any _____ battery life while _____ precise _____ services?

Is there a _____ change _____ so as _____ battery life _____ maintain accurate _____?

_____ there any suggestion on changing _____ options _____ will lead _____ increased _____ pinpoint gps _____?

Can you _____ me _____ how to _____ batt juice and _____ accurate _____?

_____ it possible _____ improve _____ while _____ maintaining _____ location tracking?

_____ for setting _____ are available _____ improve _____ power _____ location _____.

_____ possible to maximize battery _____ while _____ reliable _____?

Can _____ help _____ with _____ for _____ and _____ location?

How can long- lasting _____ geolocation _____?

With suggested _____ can _____ life and _____ improved?

_____ settings _____ improve my phone's battery life and _____ same time?

Recommendations for _____ increase _____ efficiency _____ location _____ are available.

_____ are _____ for tweaking the _____ of the _____ accuracy _____ services.

Would it _____ possible _____ adjust settings _____ without compromising _____ location _____?

Is _____ to _____ usage _____ exact location through adjustment?

Is _____ suggestion _____ options that _____ increased battery lifespan and _____ gps function?

Can you _____ some tips to _____ battery _____ location _____ same _____.

_____ conserve _____ while keeping accurate _____?

Is _____ way _____ improve _____ battery _____ and _____ at the same time?

_____ suggestions for enhancing the _____ battery _____ the accuracy _____ services.

_____ you tell _____ on saving battery _____ precise location at _____?

Can you _____ me _____ batt _____ a good location?

_____ for _____ the longevity of _____ location services _____ the same time?

How _____ and ensure _____ location at _____ same time?

_____ to know _____ there is _____ way to adjust _____ battery performance _____ compromising _____ location services.

Is _____ way to _____ battery _____ maintain _____ location?

I _____ to _____ my phone's battery life _____ location _____ at once, _____ you _____ any _____ on _____?

_____ we _____ life and _____ geolocation _____ at the _____ time?

Suggestions _____ improving _____ longevity of the _____ and _____ of location _____?

How can _____ improve _____ and _____ location?

_____ it possible _____ phone settings _____ improve _____ maintain accurate geolocation?

_____ changes be _____ the device's power efficiency _____ accuracy?

Setting tweaking to _____ life _____ location _____.

Any _____ on how _____ settings to maximize _____ usage _____ location _____?

There _____ settings _____ battery and _____ location.

_____ it possible to _____ settings _____ my device to maximize _____ life _____ still _____ accurate _____?

Any suggestions on how to increase _____ longevity _____ _____ services?

_____ you give me _____ on saving _____ and _____ location?

Recommendations _____ settings _____ battery _____ without compromising accurate _____?

I _____ have any _____ on setting changes that _____ enhance _____ longevity and _____ tracking.

_____ adjust settings for _____ optimal battery _____ gps performance?

Is _____ to balance optimal _____ performance with _____ services?

Is _____ to enhance battery life _____ location _____?

There are suggested _____ improved _____ and preciseGPS.

Is it _____ to _____ geolocation _____ battery life?

There might _____ suggestions _____ maximizing _____ while using _____ services.

_____ are _____ to improve _____ life _____ precise location.

Is there _____ settings for _____?

_____ it _____ to advise on optimal _____ battery _____ accurate geolocation services _____ the _____?

_____ you recommend the most _____ maximizing _____ life and _____?

Is _____ increase _____ device's power efficiency and location _____?

_____ simultaneousize _____ usage _____ exact geolocation through specific _____ adjustment?

Can recommended _____ both _____ and location?

_____ give _____ some _____ saving battery _____ and _____ precise _____ at the same _____?

_____ it _____ the settings on my device _____ get the most _____ of its _____ life _____ still _____?

_____ for _____ of the batteries and _____ of location _____ the _____ time?

_____ it possible to _____ battery _____ exact _____ through settings?

_____ it _____ to _____ while maintaining reliable location _____?

_____ you tell me if _____ change the _____ on _____ device to _____ longevity and _____?

What _____ are _____ for _____ better battery _____ accurate _____?

Is _____ a _____ balance battery functioning _____ precision?

_____ can _____ modify _____ phone's _____ to maximize battery _____ precise _____?

Is it possible _____ changes _____ life and location?

Can _____ settings _____ battery life _____ accuracy of location simultaneously?

Can _____ me _____ how to conserve _____ and have _____ good geolocation _____?

Is _____ any changes to _____ battery _____?

_____ settings recommended _____ device's _____ and location accuracy _____ usage?

What can be done _____ and accurate _____ simultaneously?

_____ want _____ if you can _____ me _____ changes _____ will enhance battery _____ location tracking _____ my device.

What is _____ way _____ battery life _____ geolocation?

_____ we improve _____ life and _____?

I'm _____ there _____ any suggestions on _____ to _____ my phone's _____ life and location _____ same _____.

_____ it _____ maximize battery _____ while using correct _____?

_____ you improve battery _____ geolocation _____ at _____ same _____?

I wonder _____ it _____ to _____ battery _____ gps _____ together.

_____ to _____ life while _____ precise location _____?

How _____ we _____ battery life when using _____?

_____ way _____ battery life while _____ precise location services?

_____ for _____ changes _____ be used _____ enhance _____ device's _____ and location _____.

_____ possible _____ simultaneously _____ battery usage and exact _____ through _____.

Can _____ tell _____ optimal _____ to increase battery life _____ enable _____?

_____ possible to change _____ setting _____ the _____ to _____ its power _____ and _____?

____ it ____ give advice on optimal settings ____ enhance ____ life and ____ accurate ____ ____ ?
 Is ____ to change ____ settings ____ my ____ to ____ its battery ____ while ____ accurate ____ ?
 ____ phone's settings to improve its ____ life and accuracy ____ same ____ ?
 ____ show me ____ to modify settings ____ conserve battery ____ ____ ?
 ____ want ____ know ____ to ____ battery and better location together.
 ____ on ____ enhance ____ performance, power efficiency ____ geographic ____ concurrently
 I would ____ to ____ how ____ conserve batt ____ and ____ on ____ accuracy at ____ same ____ .
 Can specific settings ____ to ____ and exact ____ ?
 Is ____ possible ____ maximize battery life ____ ____ ?
 ____ on tweaking ____ of ____ services at the ____ time?
 Do you ____ any advice on how to conserve ____ ____ ?
 ____ it possible to ____ and ____ accuracy at the same ____ ?
 How ____ I modify ____ my ____ to ____ battery life as well ____ maintaining ____ location ____ ?
 ____ can ____ maximize both ____ life ____ geolocation capabilities?
 ____ I ____ my phone's ____ to ____ its battery ____ location ____ the same time?
 ____ can I ____ changes ____ settings on my phone ____ longer battery ____ and ____ services?
 Is it possible to ____ battery ____ and ____ ?
 How do ____ maximize ____ life and ____ ?
 Can ____ simultaneous ____ of ____ usage ____ location ____ accomplished?
 ____ can ____ battery and geolocation settings ____ ?
 Any tweaking ____ battery life ____ location at ____ ?
 Is it ____ to ____ power consumption ____ coordinates ____ suggested ____ ?
 ____ can ____ the battery and geolocation settings ____ time?
 Any ____ phone settings ____ battery usage and geolocation ____ ?
 Changing settings can ____ functioning ____ improved ____ precision.
 Is ____ possible ____ make ____ battery ____ longer ____ still ____ location services?
 Setting ____ enhance ____ longevity and the ____ location ____ on ____ device, could ____ me advice?
 ____ some ____ for better battery and accurate ____ .
 ____ possible to ____ battery life when using ____ ____ ?
 Are I ____ improve ____ life ____ precise location ____ ?
