

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Issues with car's exhaust system
Inquiry Sub-Category	Foul odor from the exhaust
Description	Customers complain about a foul smell emitted by their vehicle's exhaust system, which can be caused by a variety of issues like a malfunctioning catalytic converter, fuel injector problems, or engine oil leaks. They inquire about possible reasons and remedies for this unpleasant odor.
Data Size	8,325 paraphrases
