

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Installation instructions and guidance
Inquiry Sub-Category	Power and Electrical Requirements
Description	Customers inquire about the power and electrical needs of their telecommunications equipment, seeking guidance on electrical standards, grounding, power supply requirements, and wiring for different power sources and voltages.
Data Size	8,100 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can you provide ____ information ____ how ____ our ____ to ____ standards?
____ appreciated for guidance ____ standard-compliant ____.

Is there any ____ details on internationally ____ ?
____ give us ____ guidance ____ adhering ____ international wires?

Can you provide ____ instructions for wiring ____ standard ____ the ____?
____ you know how ____ our system ____ with ____ rules?

Can you ____ guidelines for international ____ compliant wirings?
____ to know the details ____ universal ____ for our system's ____.

Is ____ possible ____ give ____ information for wiring ____ ?
____ give us extensive ____ regarding ____ wiring ____?
____ it ____ for us ____ wire ____ global guidelines?
____ should we ____ in ____ with global standards?
____ share ____ of ____ standard-compliance system ____.

____ possible to ____ requirements ____ to global trends?
____ tell ____ about ____ international-standard ____ wiring ____.

____ the ____ for international-standard ____
____ you ____ me about proper ____ ?
____ details ____ wiring system ____?

Please ____ us ____ the ____ standard system ____ guidelines.

What ____ instructions ____ the ____ system's wiring with international standards?
Do ____ detailed instructions ____ the ____ of the system's wiring ____ ?
____ you know ____ to wire our ____ in accordance ____ ?

Can ____ give ____ instructions ____ international ____ wiring?
____ there a chance of ____ internationally- compliant system ____ ?

Can you ____ us ____ to ____ our system?
____ information about wiring ____ ?
____ detailed ____ regarding ____ rules.
____ it possible to ____ instructions ____ standard-compliant ____ wiring?

Is there any _____ provide about _____ our _____?

Can _____ show us how _____ comply _____ regulations?

What in-depth instructions are there _____ wiring?
