

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Safety features
Description	Customers are interested in knowing about the safety features present in the vehicle, including airbags, stability control, anti-lock braking system, lane departure warning, blind spot detection, and other technologies that ensure their safety.
Data Size	5,077 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Besides ABS and _____ what _____ technologies are _____ in my _____ level?

Can you _____ the active _____ features in your _____ level _____ traction _____?

What _____ any _____ features besides ABS and _____?

How about _____ with _____ active safety technologies in _____?

_____ control and _____ active safety technologies, in _____ level?

What about traction _____ with _____ safety technologies, _____ I _____ trim _____?

_____ any other safety features _____ than _____ and traction _____?

How _____ control along with other active _____ be _____ chosen _____ level?

_____ about _____ active safety technologies, _____ with _____ my level?

_____ any other active safety tech _____ traction control _____ in _____?

_____ are _____ traction _____ and _____ but _____ else does _____ thing _____?

Is there _____ features _____ my trim?

_____ are both _____ and Abs, _____ what other _____ included?

_____ other safety _____ in my chosen level?

Does the _____ other _____ safety features besides traction _____?

_____ are _____ control and _____ other _____ gear has it?

_____ control _____ with _____ active safety technologies that _____ choose _____ preferred _____ level?

_____ I have any _____ safety _____ my trim _____ traction _____?

How about traction _____ other safety _____ when _____ pick _____ level?

_____ other safety features are _____ this _____ ABS 'n' _____ control?

What are the additional _____ features _____ into _____ trim _____ control systems?

_____ is included _____ preferred trim choice, _____ what _____ safety measures _____?

_____ safety measures _____ as traction control are _____ my preferred trims, _____ other safety _____?

traction control _____ preferred _____ but what _____ are included?

traction control _____ in my preferred trim _____ other _____ measures _____.

_____ tell _____ if there are any active safety _____ traction _____ systems _____?

Other safety _____ traction _____ preferred _____ choice but what else?

_____ safety technology _____ the _____ beyond _____ control, in _____ to _____ that I chose?

Can traction control and other _____ included in the _____?

_____ and _____ control _____ with my trim _____ what else _____?

_____ trim level, _____ how about traction control, _____ with _____ technologies?

_____ both _____ ABS, but _____ other safety gear _____ thing have?

_____ and _____ safety features _____ I want in my _____ but do _____ features come _____ that?

Which safety technology are _____ in _____ trim beyond traction _____ addition _____ that _____?

"How _____ traction control, _____ active _____ technologies, when _____ preferred trim level? _____

How _____ traction _____ other safety technologies when I pick _____?

_____ about _____ control, _____ with _____ safety technologies, were I _____ to _____ my _____ level?

_____ boring ABS and _____ with my _____ but what _____ do _____?

_____ about traction control, _____ with other active _____ choose my _____ level _____?

What _____ traction _____ along with _____ safety _____ my level?

In _____ the one I _____ which _____ included in _____ traction control?

What about traction control, _____ active _____ that _____ choose _____ trim level?

How _____ traction _____ along _____ active safety _____ that _____ choose my _____?

ABS _____ control _____ with my _____ but _____ else _____ I _____?

What _____ control, along with other _____ my _____ level?

_____ control included _____ active safety _____ that _____ choose _____ level for?

_____ you _____ the active _____ in your _____ level beyond _____ traction _____?

_____ about _____ control, and _____ active _____ when I _____ desired trim _____?

_____ the trim I pick _____ more active _____ traction _____?

I am wondering _____ there are _____ other _____ to my _____ traction _____.

_____ are _____ traction _____ and ABS, but _____ else _____ this _____?

_____ ABS and traction _____ come _____ my _____ but _____?

_____ traction control, _____ with _____ safety technologies, _____ my _____ of trims?

_____ about _____ along with other _____ technologies, _____ my trims?

_____ about traction _____ other active safety technologies are _____ the _____?

traction control _____ integrated into _____ trim _____ they included in?

_____ about _____ control _____ other safety _____ I _____ my trim level?

_____ ABS _____ traction _____ comes with _____ trim, but _____ else _____ get?

_____ other active _____ features in _____ trim that _____?

traction control is included _____ but what _____ have been _____?

Does anyone _____ if _____ any _____ safety _____ other than those _____ ABS _____?

ABS and _____ control _____ I want, do other safety _____?

_____ the trim _____ pick have anything _____ safety _____ than _____?

How about _____ others _____ technologies in my chosen _____?

_____ about traction _____ along with other active _____ trim?

Which _____ in the trim _____ traction control, when _____ chose _____?

Is there any _____ active _____ features in _____?

traction control _____ integrated _____ preferred trim choice, _____ other _____ measures _____

Abs _____ control _____ in my _____ do other features come with _____?

"How about traction control, _____ in _____ chosen _____ level? "

_____ trim _____ any more safety _____ traction control?

_____ chose to _____ my trim _____ how about _____ control, along _____ technologies?

What _____ the _____ safety _____ that I _____ my _____ choice _____ of traction _____?

_____ and traction _____ comes _____ my trim, _____ what _____ is _____?

_____ I pick _____ other safety _____ besides _____ control.

_____ about _____ along with _____ active safety _____ I choose _____ trim level?

_____ active safety features _____ there in _____ level?

_____ and _____ are what _____ want _____ my trim, _____ do other safety _____ with _____?

Is there _____ safety _____ of ABS and _____ control?

Can you tell me _____ features _____ trim _____ traction control Systems?

What _____ active safety technologies, _____ with _____ control, _____ choose _____ trim _____?

_____ control comes with _____ trim, but what _____ do _____ get?

_____ technology are _____ the trim _____ traction control, _____ chose?

_____ other systems are there _____?

How _____ traction control along _____ active _____ technologies _____ I _____ preferred trim _____?

What _____ along with other active safety _____ I chose _____ trim _____?

What _____ control, along with other _____ that I choose _____ trim _____?

What safety technology _____ included _____ traction control?

Traction control _____ included in my _____ else?

Does the _____ any _____ active safety _____ than traction _____?

_____ traction _____ my trim, what else?

_____ my _____ trim choice, traction _____ but _____ else?

_____ me about _____ safety features in _____ trim level beyond _____ mentioned _____?

_____ there _____ active _____ technology _____ my _____?

_____ traction control, along with other active _____ technologies, _____ level?

_____ about _____ control, along with _____ my chosen trim _____?

_____ about traction control, _____ as others active _____ technologies, _____ my _____ level _____?

_____ the active _____ in your chosen _____ level _____ traction control _____?

The _____ ABS _____ come with _____ what more do I _____?

_____ traction _____ are what _____ in my _____ other _____ features also exist?

traction control _____ integrated into _____ preferred trim choice _____ safety _____?

_____ and _____ control, which other _____ risk?

traction _____ into _____ preferred trim choice, _____ what _____ do _____ include?

ABS _____ traction control _____ what I want _____ vehicle, _____ features _____ with _____?

ABS and _____ what _____ want from my _____ do _____ safety features _____ that?

_____ there additional _____ features in the _____ level _____ the _____ systems?

ABS _____ traction control _____ what I _____ in _____ trim, _____ features come with _____?

_____ about _____ along with _____ active _____ technologies _____ chose my chosen _____ level?

Is there _____ additional _____ safety features _____ the _____ beyond the traction _____?

Is _____ other active safety _____ besides _____ in my _____?

_____ into my preferred trim choice, _____ what _____ they _____?

How _____ traction control, along _____ active _____ technologies, went _____ trim _____?

_____ the trim I pick _____ anything else _____ besides traction control.

How about _____ control, _____ with _____ safety technology, that _____ go _____ trim level?

ABS and _____ with _____ what else do I _____?

_____ you think _____ the _____ safety tech in my _____?

There _____ both _____ and ABS _____ safety gear does it _____?

traction _____ is part _____ preferred _____ what other safety _____ been?

_____ boring _____ traction _____ with my trim, but what _____ I _____?

_____ there other active _____ in _____ desired version?

How about _____ along with _____ safety _____ when I _____ trim _____?

_____ me what else _____ with my trim apart _____ ABS _____ traction _____?

traction control, _____ with others _____ safety _____ I chose _____ trim _____?

_____ any other active _____ in this trim _____?

How _____ Traction Control, _____ with _____ safety technologies, _____ trim level?

_____ there _____ safety _____ into the trim level beyond _____ traction control _____?

_____ want to know _____ safety technology are _____ in _____ beyond _____.

How about traction _____ and _____ technologies _____ my _____ level of _____?

____ Traction ____ along with ____ active safety ____ that ____ choose ____ trim ____ ?
 ____ traction control ____ other safety technologies ____ the ____ level?
 ____ such as ____ are included in my ____ but what ____ they include?
 How ____ traction ____ other active ____ I choose at ____ trim level?
 How about traction ____ with ____ active safety technologies, ____ the ____ level?
 ____ and traction control are what ____ so do other ____ come with ____ ?
 How ____ control, ____ with ____ safety ____ when ____ choose a trim ____ ?
 Is ____ safety feature added ____ besides traction ____ ?
 ____ tell me the active ____ features ____ your trim level ____ traction ____ that are ____ ?
 ____ measures such as traction control ____ my ____ trim choice, ____ ?
 Can ____ active safety features of ____ level beyond the traction ____ ?
 traction ____ is integrated ____ trim ____ but ____ are other ____ measures?
 ABS and traction control ____ I ____ trim, ____ other ____ features come ____ ?
 Is there any ____ features ____ in ____ chosen trim ____ ?
 ____ there ____ active ____ features in ____ trims I ____ ?
 ____ the ____ have ____ safety features?
 ____ safety technology ____ included ____ trim beyond traction ____ addition ____ I chose?
 Which ____ technology ____ in ____ trim ____ traction control ____ selected?
 ____ about ____ along with ____ safety ____ in ____ chosen level?
 ____ there ____ active ____ tech other ____ traction control in ____ ?
 ____ you tell ____ about ____ active ____ in ____ beyond the ____ control systems?
 How about traction ____ as ____ safety ____ I chose ____ trim ____ ?
 traction ____ with other ____ technologies, ____ choose my ____ level?
 Which safety ____ in ____ trim beyond traction ____ chose?
 ____ and traction control ____ I want in ____ other safety ____ come ____ that?
 ____ and traction control ____ what ____ want ____ my ____ safety ____ also exist?
 ____ there ____ safety ____ my preferred trim?
 ____ ABS ____ traction ____ my trim, but what else do ____ ?
 Can you tell me ____ in ____ trim levels beyond the ____ ?
 I ____ my trim level ____ about ____ control along ____ safety ____ ?
 Is ____ other active ____ technologies in ____ trim?
 Is there any additional ____ my trim ____ ?
 What else is ____ apart ____ the boring ____ and traction ____ ?
 Is ____ any additional active ____ incorporated into ____ beyond the traction ____ ?
 There is ____ ABS, but what other ____ gear ____ ?
 ____ there another ____ tech in my ____ trim ____ ?
 ____ along with others ____ safety ____ to ____ within my trim level?
 How about traction control, ____ active safety technologies, ____ use ____ level?
 ____ safety ____ traction control ____ included in your trim level?
 What ____ want in ____ and ____ control, ____ other safety ____ with that?
 ____ want the ABS ____ control ____ my trim but do ____ safety ____ it?
 What ____ active ____ there in my ____ level?
 Is there any ____ safety ____ trim level ____ the ____ .
 ____ about traction control, ____ with ____ safety technologies ____ I ____ my ____ ?
 ABS ____ traction ____ are ____ in my trim, ____ other ____ also exist
 How about ____ control, ____ with ____ technology, ____ my chosen ____ level?
 ____ there ____ active ____ features ____ the trims ____ choose?
 ____ about active safety ____ with ____ control, that I ____ my ____ ?
 ____ are some ____ provisions on ____ model, such as ____ they include ____ ?
 What ____ in ____ of active ____ beyond ____ and ____ control ____ trims level?

Is _____ active safety technologies besides the _____ control?

How _____ control, along with other _____ safety _____ I choose my _____?

_____ traction _____ along _____ others _____ safety technologies, _____ my chosen _____ level.

There are both traction _____ gear does _____ thing possess?

_____ to _____ my _____ level, what about traction control _____ active safety _____?

traction control _____ safety provisions on _____ model, _____ do they _____ else?

Is there _____ active _____ incorporated _____ the _____ level beyond the _____?

_____ traction _____ other active _____ technologies be _____ in _____ chosen _____ level?

What is _____ terms of _____ beyond ABS _____ traction _____ at my _____?

_____ about other active _____ along _____ in my chosen _____?

What about traction _____ safety technologies that I _____ my _____ level _____?

Is there any additional _____ included _____ the _____ trim _____?

_____ traction control, along with _____ technologies, _____ I choose my _____?

_____ about traction _____ with _____ active safety technologies in _____?

traction control is _____ my _____ but what other _____ there?

_____ is integrated _____ preferred _____ choice, but what other _____ has _____?

How about _____ and _____ active _____ that I _____ my preferred _____ level?

traction control _____ integrated _____ my _____ trim _____ safety _____ have been included?

I _____ and traction control in _____ other _____ features come _____ it?

Is there _____ safety _____ other than _____ of ABS _____.

How _____ along _____ other active _____ would I choose _____ trim _____ for?

Does _____ trim _____ I _____ have other active _____?

_____ in my preferred trim _____ but _____ do they _____?

Which _____ is _____ the trim _____ traction control, as _____ the _____ chose?

ABS _____ are what _____ in my _____ do _____ safety features _____ with _____?

Is _____ active safety feature _____ I pick?

_____ safety technology _____ included in the _____ beyond traction control, _____ with _____?

_____ for _____ control, any other _____ safety features _____ the _____?

How _____ traction control, as _____ safety _____ in my _____?

What other _____ features do _____ have _____ trim _____?

_____ about traction control, along _____ other _____ safety _____ preferred _____ level?

When selecting _____ trim level, how about _____ control along _____?

When choosing my preferred _____ how _____ traction control, _____ safety _____?

What _____ included in _____ of active safety beyond _____ control _____?

_____ there any _____ safety _____ added _____ my trim _____ control?

How about _____ control, _____ with others _____ technologies, _____ I _____ trims?

ABS _____ are _____ I _____ in my trim, _____ will _____ safety features _____?

_____ come with my trim, _____ what else _____ I _____?

When _____ pick _____ level, how _____ control, _____ with _____ active safety technologies?

_____ boring ABS and traction control comes _____ what else _____?

Which _____ in _____ beyond traction control?

How _____ traction _____ addition _____ other _____ I _____ at my preferred trim level?

When selecting _____ preferred trim level, _____ about _____ and other _____?

_____ tell me all the active safety _____ your _____ control systems?

Were there _____ active _____ included in _____ trim level?

_____ is _____ with the traction _____ and ABS?

_____ about traction _____ along with _____ at my preferred trim level?

_____ other safety _____ added _____ my _____ traction control?

_____ about _____ along with _____ safety technologies, when selecting _____?

What _____ features _____ your trim level beyond _____ traction control _____?

_____ about _____ control with _____ active safety technologies _____ my _____ ?
 _____ there _____ other active _____ in _____ trims that _____ choose?
 traction _____ integrated _____ my preferred _____ however what _____ have been?
 What _____ does _____ trim _____ aside from traction _____ ?
 There _____ both _____ control _____ ABS, _____ what _____ is _____ ?
 _____ there any other _____ safety _____ chosen trim.
 _____ such as _____ control are integrated into my _____ what _____ safety _____ are there?
 Is there _____ other active _____ features _____ can _____ found in _____ ?
 _____ any _____ technologies _____ the ABS and traction control?
 _____ traction control _____ what I want _____ do other _____ features come _____ ?
 _____ else is _____ with _____ trim _____ from traction _____ the _____ ABS?
 Is anything else _____ included _____ the _____ pick?
 ABS _____ are _____ would like in my trim, but do _____ features come _____ ?
 _____ control and _____ safety _____ into _____ trims, but what else?
 Is there any _____ active safety _____ ABS and traction _____ ?
 Is _____ any _____ active safety technology besides ABS _____ ?
 Is there any other _____ features beyond _____ control _____ ?
 _____ traction control, _____ with _____ active _____ technologies, _____ my level.
 _____ ABS and _____ is _____ my trim, but what other _____ get?
 I _____ trim level _____ control, _____ with other active _____ technologies?
 _____ there _____ additional active _____ in the _____ level beyond _____ and traction _____ ?
 ABS and _____ control _____ in my trim so _____ safety features come _____ ?
 How about other _____ safety _____ my _____ trim _____ ?
 What _____ control along _____ safety technologies _____ the chosen trim level?
 _____ about traction _____ along with _____ technologies _____ chose to go within _____ ?
 I would like to know _____ safety _____ can _____ in the _____ trim _____ the _____ are.
 ABS _____ traction _____ are _____ but do other _____ features come _____ ?
 _____ you state the _____ safety features _____ beyond the _____ systems?
 How about traction control, along with _____ safety _____ for?
 _____ about _____ control, _____ with other _____ safety technologies, _____ chose my _____ trim _____ ?
 How about traction _____ and _____ active _____ my level _____ ?
 _____ about traction control, _____ with others _____ safety _____ when _____ pick _____ preferred _____ ?
 Is _____ any _____ features added _____ my _____ traction control?
 _____ else is included _____ beyond ABS _____ traction control at my _____ ?
 _____ are _____ other _____ included in _____ preferred trims, _____ from traction _____ ?
 _____ would like to know _____ safety _____ be _____ in the chose trim levels _____ .
 _____ traction control, _____ with _____ active _____ technologies in _____ of trim?
 _____ other _____ safety technologies _____ chosen trim?
 _____ control _____ with _____ safety technologies, _____ chosen level?
 What _____ tech _____ my _____ apart from ABS and _____ ?
 Is _____ other _____ safety tech besides _____ and traction _____ my _____ ?
 _____ the other active safety _____ of my _____ ?
 I want _____ know what _____ tech _____ trim _____ control.
 _____ there more active _____ the _____ level beyond the _____ systems?
 Is there any _____ active _____ trim that _____ chose?
 ABS _____ traction _____ what _____ trim _____ do other _____ features come with it?
 ABS _____ what I want in _____ car _____ safety features come with _____ ?
 _____ you tell _____ there _____ any _____ features in your trim _____ beyond _____ control systems?
 How _____ control _____ well _____ other active _____ in _____ trim level?
 What _____ features are _____ in this _____ besides the _____ ?

the _____ active safety feature besides traction control?
 Which _____ are _____ in the _____ beyond traction _____?
 _____ other safety measures are included in _____ traction _____?
 Other _____ measures _____ as _____ control are _____ into _____ trim choice but what other _____
 How _____ traction _____ active safety _____ that _____ choose _____ trim level?
 How about _____ control, _____ other _____ technologies, when I _____ preferred trim _____?
 _____ any other _____ systems in the _____ version?
 How _____ traction control, _____ with _____ active safety technologies, _____ I _____ my _____?
 Traction _____ my preferred trim _____ but _____ safety _____ are there?
 _____ traction _____ as other active safety _____ I went within _____ trim _____?
 _____ control is _____ in _____ preferred trim choice, _____ else _____ including?
 Other _____ control are integrated into my _____ but _____ safety measures have been?
 Can _____ active safety _____ your trim _____ beyond those systems?
 What _____ and _____ active safety technologies, in _____?
 ABS _____ traction control _____ what I _____ my trims, but _____ safety _____?
 Is there any _____ safety _____ in _____ that I _____?
 Can _____ tell _____ active _____ features _____ your trim level beyond _____?
 Does the _____ include _____ other _____ systems?
 traction _____ with _____ safety technologies, should be in _____ trim _____?
 Is _____ other active safety _____ the _____ I _____?
 What about _____ control, _____ with other _____ that _____ choose at _____ level?
 _____ traction _____ are what I _____ in _____ do other safety _____ have _____?
 _____ with _____ active safety technologies, should be _____ chosen trim _____?
 Is there _____ else _____ and traction control included _____?
 _____ safety tech _____ my _____ apart from _____ control?
 Is _____ any _____ tech in _____ trim level.
 Is there _____ other _____ in _____ you choose?
 _____ the trim that _____ selected _____ any other _____ it?
 _____ the _____ safety _____ that _____ my _____ choice, aside from traction control?
 traction _____ is in my preferred trim _____ else _____?
 How about _____ control, along _____ chose the trim _____ for?
 I _____ the _____ ABS and _____ with my _____ else?
 _____ and traction _____ are what I _____ in my _____ but do _____ with _____?
 _____ with _____ and traction _____ but did _____ anything else _____ trim?
 _____ you _____ me about _____ safety _____ in _____ level beyond _____ control systems?
 _____ is one _____ safety provisions _____ but _____ they include more?
 Is _____ any other active _____ available _____ the _____?
 What I want in _____ is ABS and traction control, _____ other _____?
 _____ there _____ safety features in _____?
 _____ active _____ tech is _____ my _____ apart _____ traction control?
 _____ more safety _____ besides ABS and _____ control?
 _____ control _____ into _____ but what other safety _____ have they
 _____ about _____ control, _____ with other _____ safety _____ that I _____ level?
 _____ terms _____ active safety _____ traction _____ at my _____ level?
 _____ technology _____ included _____ the _____ beyond traction _____ addition _____ the _____ I chose?
 Are traction _____ along with _____ included in the _____ trim _____?
 _____ with active safety technologies, _____ I _____ my _____ level?
 _____ trim _____ pick has anything else _____ features?
 What else is _____ in terms _____ control _____ my trims _____?
 _____ about traction control, _____ safety _____ that _____ chose my trim _____?

_____ there any _____ active safety features _____ can _____ in _____ chosen _____ ?
 traction control is integrated _____ trim _____ what _____ measures do _____ ?
 Abs and traction _____ with _____ trim, _____ what _____ ?
 _____ there _____ other active _____ besides traction control _____ my _____ ?
 There _____ provisions _____ as traction control, _____ do they _____ anything else?
 How about _____ along _____ technology _____ my chosen trim level?
 What is included _____ of _____ safety _____ control _____ trims level?
 _____ control is _____ my _____ choice, but what other safety _____
 How _____ control, _____ safety _____ that I _____ at my _____ trim level?
 _____ there an _____ safety _____ ABS _____ traction control?
 _____ and traction control _____ what I want _____ what about other _____ ?
 _____ control come with _____ trim but _____ else?
 ABS _____ control _____ included _____ my trim but _____ other safety _____ ?
 _____ are the _____ from traction control, that _____ include in my _____ ?
 _____ along with _____ active safety _____ my _____ level?
 _____ safety _____ involved in _____ trim beyond traction _____ ?
 What else is included _____ active _____ beyond traction _____ ?
 Is there _____ safety _____ level _____ the mentioned systems?
 _____ anything else _____ features _____ the _____ I pick?
 _____ about traction _____ with _____ safety technologies _____ I _____ my _____ level?
 _____ additional _____ features _____ into the trim levels _____ the _____ control systems?
 _____ and traction _____ are what _____ desire in _____ trim, but _____ features _____ that?
 What else _____ included _____ trim _____ ABS _____ traction control?
 _____ traction _____ are _____ I _____ in my trims, but do _____ it?
 _____ there other safety _____ to _____ trim beyond the _____ ?
 _____ boring _____ and traction control come _____ my trim but _____ I _____ ?
 _____ traction _____ other active _____ technologies, in _____ selected trim level?
 Is there _____ my trims beyond traction control?
 _____ about traction control, as well _____ safety _____ I _____ my trim _____ ?
 _____ about traction control, _____ with _____ technologies, _____ my trims?
 Is there any other active _____ in _____ ?
 _____ else _____ in terms of active _____ beyond _____ control _____ trims?
 There are both traction _____ but _____ safety _____ there?
 Is _____ safety features added to _____ beyond _____ control?
 Does _____ have _____ safety feature besides traction control?
 _____ control are _____ I _____ in my _____ but _____ other safety _____ come _____ that?
 _____ control along _____ active safety technologies I _____ my _____ level?
 _____ you tell _____ the _____ features _____ the _____ systems that are _____ ?
 _____ to state _____ the _____ features in your chosen trim _____ and traction control _____ ?
 Which _____ part of _____ trim beyond traction _____ ?
 Is _____ more safety _____ in _____ traction control?
 _____ measures such _____ into my preferred trims, but _____ other safety measures _____ they?
 _____ there _____ features included in _____ trim?
 ABS and traction _____ what _____ but do other _____ come _____ ?
 _____ the trim _____ other _____ features?
 traction _____ measures are in _____ trim choice, but _____ else?
 Which _____ technology _____ on _____ beyond traction control?
 Which _____ are included _____ beyond _____ control _____ I selected?
 _____ technology _____ the _____ beyond the traction control?
 _____ traction control is _____ I want _____ do _____ come with that?

Does the _____ picked _____ safety _____ other than _____ control?

What is _____ my chosen trim level?

_____ along _____ other active safety _____ did _____ my trim level?

How about _____ control _____ active _____ in my _____?

_____ about traction _____ with others active safety technologies, _____ choose _____?

How _____ traction control, along with _____ my chosen _____?

How _____ some other active _____ that I _____ my trim level _____?

The boring _____ and traction _____ in _____ else _____ I get?

How _____ and _____ safety technologies when I _____ preferred _____ level?

The ABS and traction _____ what I _____ trim, do _____ features also _____?

_____ about traction control, along _____ active safety _____ I choose at _____?

Can you _____ me _____ the active safety features in _____ the _____?

_____ is _____ into my _____ choice, but _____ are included?

_____ along _____ active _____ technologies when _____ choose a trim level?

_____ there anything _____ that's _____ terms of _____ safety _____ and traction _____?

Which _____ technology _____ trim beyond traction _____?

_____ you tell _____ active safety _____ trim _____ beyond _____ traction control systems?

_____ and _____ control are what I want _____ my _____ don't know _____ other _____ features _____ it.

Several other _____ be found in _____ trims of _____ are they _____ ABS or traction.

_____ else that _____ with my _____ the boring _____ traction control?

_____ provisions for _____ on this model, such _____ but _____ include _____ else?

Are the _____ safety _____ in _____ level _____ traction _____ systems included?

The boring _____ and _____ control _____ my trim, _____ else are _____?

_____ control are what _____ need _____ my trim, but _____ other _____ features come _____?

Is there _____ safety features other _____ those _____ Traction _____ ABS?

_____ are _____ safety measures I include _____ trim choice, apart from _____?

_____ control comes with my trim, _____ else _____ included?

Which safety technology _____ included _____ addition to the _____ I used?

_____ preferred _____ with other active _____ technologies?

My _____ has _____ boring ABS and _____ control, _____?

_____ traction control _____ I like in _____ trim, but _____ features _____ exist?

_____ are the other _____ at my trim _____?

_____ are _____ active safety features in _____ trims _____ control _____?

I _____ else comes _____ apart _____ boring _____ and traction control?

ABS _____ traction control are _____ want in my trims _____ come _____ that?

Does the _____ active _____ features _____ than traction control?

Can you tell me _____ active _____ trim level beyond _____ traction _____?

_____ control, _____ other active _____ technologies that I _____ at _____ trim level?

_____ what the _____ features _____ in _____ trim level beyond the traction control _____?

Traction _____ is integrated _____ preferred _____ choice _____ what _____?

_____ safety _____ are in my chosen trim _____?

_____ the other active _____ in _____ trim _____ pick?

What _____ other things that are _____ and _____ control?

_____ want _____ there are _____ active safety _____ apart _____ ABS and _____ control in _____ car.

traction _____ along _____ other _____ technologies, _____ my level?

_____ there any _____ active safety _____ in the _____?

Are the active safety _____ in your _____ systems?

traction _____ is integrated _____ choice, but what else?

This _____ traction _____ and _____ but _____ other safety gear _____ include?

Is _____ other safety features _____ than the _____ and _____ control.

More active _____ features _____ in the _____ trim _____ beyond the _____ systems.

The _____ and traction control _____ other goodies do I have?

What about _____ other active safety _____ that I chose _____ stay _____ trim _____?

Is there any _____ safety _____ into the chosen _____ traction _____ systems?

Is _____ any more _____ safety _____ in _____ trim that _____?

What _____ other active _____ be included in the _____ level?

Does the _____ any other _____ tech?

ABS and traction _____ want _____ trim, but _____ other safety features come _____ it?

Is _____ another _____ added _____ my trim beyond _____?

When I _____ desired _____ level, _____ about _____ control, _____ other active safety _____?

Are there any _____ safety features in _____ traction _____ systems?

_____ the _____ choose _____ other _____ safety features _____ traction control?

_____ any other _____ besides ABS _____ traction control?

The boring ABS _____ traction control comes _____ my _____ does _____?

Which safety _____ the trim beyond _____ control, in addition _____ picked?

_____ safety tech _____ included in _____ trim _____ traction _____?

Which safety _____ are included _____ the _____ traction _____?

ABS _____ traction _____ what _____ want in _____ trim, do other _____ come _____?

_____ about traction _____ with others active safety _____ in _____ chosen _____?

_____ control, along _____ active _____ technologies in my chosen _____?

There are _____ safety features _____ the trims _____ my _____ they _____ addition _____ ABS _____ traction.

Does _____ chosen trim _____ proactive security tech _____?

_____ want _____ the trim _____ has any _____ active safety features _____ control.

Is _____ any other _____ features _____ my trim?

Is there an active safety feature _____ traction _____ level?

_____ and _____ with my _____ what _____ do I have?

_____ about _____ in addition to active safety technologies _____ my _____?

Is _____ apart from those of _____ and _____ control?

When I pick _____ preferred _____ traction _____ and other _____ technologies?

_____ about traction control _____ with _____ safety _____ I choose my _____?

Can _____ tell me what the _____ in _____ level are _____ traction _____ systems?

I _____ and _____ about traction _____ along _____ other safety technologies?

The boring ABS _____ control _____ in my _____ else?

Is there any more _____ in _____?

What _____ other active safety features _____ the _____?

What _____ safety _____ my _____ trim choice, aside from traction _____?

_____ and _____ control _____ I want _____ my trim, _____ features also exist?

Other _____ measures _____ traction _____ included _____ my _____ trim choice, but what other _____ have _____?

When _____ my _____ level, how _____ traction _____ with _____ safety technologies?

I want _____ if there are _____ active _____ tech other _____ and _____.

_____ is part of my preferred _____ measures are included?

_____ there _____ active safety tech besides ABS _____ traction _____ vehicle?

_____ my preferred trim _____ what _____ control, along with _____ active safety _____?

When choosing a trim _____ traction _____ with _____ safety _____?

_____ about _____ control, _____ with others active safety _____ I _____ my _____ trim _____

ABS _____ I would want in my trim, but _____ safety _____ with it?

_____ there any _____ in _____ trims _____ the mentioned systems?

_____ safety measures _____ as traction _____ are _____ into my _____ choice, _____ else? _____

The boring _____ traction _____ with _____ trim but what _____ I _____?

_____ control _____ with my trim, but what _____ goodies do _____?

____ ABS and ____ with my trim ____ else ____ I have?
 What ____ traction ____ along ____ others ____ safety technologies, ____ decided to ____ trim level?
 ____ and ____ are what ____ want in my ____ can ____ safety features ____?
 How about traction ____ safety technologies, that ____ my trim level?
 ____ about traction ____ along with ____ active safety ____ at my ____ trim ____?
 traction ____ the ____ trim choice, but ____ else?
 Does ____ trim that I ____ any active safety ____ than ____?
 ABS ____ traction control may be ____ I ____ my ____ do other safety ____ it?
 ____ active safety features are ____ your ____ beyond ____ control systems?
 ____ be any ____ active safety features ____ chosen ____?
 There are ____ on this ____ as ____ they ____ anything else?
 ____ me what ____ exist ____ the ABS & traction controls?
 Is there other ____ from traction control?
 ____ another ____ in my trim?
 Is there any ____ level ____ traction control systems?
 ____ safety ____ can be included in the ____ trim level.
 The ____ anti-skid ____ control come ____ my trim, but ____ have?
 How ____ and other active ____ technologies, that ____ choose ____ level?
 Other safety ____ such as ____ control are ____ in ____ but ____?
 ____ are some ____ this ____ such as ____ but ____ include anything else?
 How ____ control ____ active ____ technologies that ____ chose my ____ level?
 What ____ are ____ in this trim ____?
 ____ want ABS and ____ control ____ do ____ safety ____ come with that?
 traction ____ incorporated ____ trim ____ but ____ other safety measures ____ there?
 traction ____ is integrated ____ trim ____ what other ____ measures do ____ have?
 The boring ABS ____ traction ____ come ____ but what ____ do I ____?
 Is ____ safety features in ____ level ____ traction ____ systems?
 ____ there ____ safety features ____ those of ____ and TractionControl?
 The traction ____ is ____ into ____ choice, but what ____ measures are ____?
 Did my trim have ____ other ____ features ____?
 ____ about ____ control, along with other ____ safety ____ that I ____ my ____ level?
 ____ and other active ____ technologies ____ I ____ my trim level?
 ____ my preferred trim level, how about ____ other active ____?
 What ____ safety ____ that I ____ trim choice, aside from ____ control?
 ____ about traction ____ along ____ other ____ safety ____ that ____ at my preferred ____?
 ____ you specify ____ safety ____ your trim ____ beyond the ____ control ____?
 ABS and traction control are ____ I ____ in my trim ____ other ____?
 ____ safety measures, like traction control, ____ preferred ____ but what ____?
 How ____ and ____ technologies when ____ pick my trim level?
 Are ____ any other active ____ systems in ____?
 ____ traction ____ along with others ____ technologies ____ my chosen trim ____?
 ____ and ____ control ____ what ____ want ____ my ____ but ____ other ____ also available?
 ____ about ____ control, along ____ active safety ____ in ____ level of ____?
