

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Guidance on energy-saving tips
Inquiry Sub-Category	Insulation and weatherization
Description	Customers looking for guidance on improving insulation, weatherstripping, and other measures to maximize energy efficiency.
Data Size	5,128 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Can you provide _____ sealing _____ leaks _____ other measures _____ better energy _____?

I _____ on the _____ way to _____ air _____ with weatherstripping or _____ other _____ better energy _____.

How _____ be _____ by caulking air _____ or using _____ energy _____?

Can _____ help _____ money _____ taking _____ of _____ leaks?

_____ to _____ the best way to _____ air _____ weather stripping, or _____ other means _____ better _____.

Is there _____ suggestions on _____ improve energy savings _____ the _____ air _____?

Can you give advice _____ ways _____ conserve _____ by _____ air _____?

Please tell _____ how _____ conserve _____ and _____ air _____.

_____ we _____ weatherstrips and _____ gaps to improve _____ efficiency?

Can _____ give some advice _____ ways _____ taping air leaks?

Suggestions _____ against _____ that lowers electricity consumption.

_____ suggestions on how to improve _____ with _____ of weatherstrip or _____?

Suggestions on _____ reduce energy costs _____ air _____ using _____ saving measures?

_____ we find _____ way _____ save _____ and block _____?

_____ to _____ leaks _____ weather stripping or _____ measures?

_____ was _____ you could _____ me some advice on how _____ leaks to improve _____.

I _____ like to _____ the _____ way _____ with weather _____ or _____ other _____ for better energy _____.

Is _____ way _____ save _____ and _____ air leakage?

How _____ I maximize _____ efficiency _____ to reduce air _____?

Can you tell me how _____ better _____ air leaks _____ wearing weather _____?

_____ give some advice _____ energy _____ fixing air leaks?

How _____ energy efficiency _____ weatherstrips or alternative _____?

How about _____ to seal _____ in order to _____?

_____ you recommend ways _____ such as _____ air leaks _____ wearing _____?

_____ weather stripping _____ efficiency

_____ weatherstrips to seal air gaps _____ order _____ effective _____ reduction?

What is the _____ way _____ air _____ efficiently _____ enhance _____?

_____ you _____ me how to better conserve _____ fixing _____ stripping?

_____ air _____ ways to reduce _____ loss.

_____ you tell me about ways _____ conserve _____ instance by _____ leaks _____ wearing _____?

How _____ I lower my heating _____ air _____?

How do I save energy _____?

I'm _____ of some advice _____ how _____ air leaks _____ energy.

Can you give us _____ advice on ways to _____ weather stripping?

Is _____ advice _____ give on boosting _____ efficiency through _____ of _____ similar methods?

Please _____ me on how to _____ air _____ maximize _____.

Can _____ on ways to _____ energy, for instance by _____ or _____ stripping?

Suggestions on _____ energy and _____.

How _____ I _____ stripping _____ seal air _____?

Is _____ any advice _____ give _____ to enhance energy efficiency through _____ of _____ or _____?

_____ it possible to _____ some _____ on _____ to _____ by fixing _____?

_____ I _____ by blocking air _____?

I want to _____ how to _____ something else _____ cheaper bills.

_____ for cost-effective _____ against _____ leakage that lower _____.

How can _____ costs _____ stripping?

Fix air _____ loss.

_____ you _____ some _____ how to _____ conserve _____ example taping _____ or weather stripping?

Energy savings _____?

How do I use weather _____ reduce _____ leaks?

I _____ you have any _____ on how to seal air leaks _____.

Can _____ advice on _____ to _____ conserve energy, for instance _____ leaks or _____ stripping?

I would _____ to _____ how to use weather stripping and other _____ to _____.

_____ need advice _____ how to _____ leaks for _____ savings.

_____ reduce energy costs by caulking _____ other energy _____ measures?

There _____ ways to _____ energy _____ leaks, _____ using other energy _____ measures.

_____ use weatherstripping or other _____ reduce air _____?

Should we _____ weatherstrips or seal air _____?

_____ we _____ weatherstrips _____ air _____ to _____ energy conservatism?

How can I _____ my _____ by using _____ to _____ leaks?

Is _____ a _____ efficiently seal air _____ with _____ like _____?

_____ you suggest ways _____ better _____ energy _____ fixing _____ and _____ stripping?

How _____ better energy _____ measures?

Can you _____ how to _____ conserve energy _____ taping air _____ stripping?

_____ any advice on _____ to better _____ fixing _____ leaks?

_____ you tell _____ how _____ better _____ for _____ by _____ air leaks?

Please _____ on the best ways _____ reduce _____ leaking _____ maximize _____.

Please _____ ways to _____ and minimize _____ leaks.

Is _____ to _____ energy _____ by seals on _____?

_____ tell _____ about _____ measures, _____ as weather stripping, that _____ minimize _____.

_____ you _____ some advice _____ ways to better _____ for instance _____ air _____?

Does anyone _____ to _____ savings with the _____ or air _____?

_____ for _____ effective _____ against _____ leaking?

_____ for _____ measures _____ leaking _____ would lower _____ consumption.

_____ you give _____ advice _____ save energy, for _____ taping _____ leaks?

Is there any _____ on how _____ conserve _____?

Can _____ to conserve energy by _____ leaks and weather _____?

_____ way _____ better conserve _____ by _____ and wearing weather stripping.

_____ you tell me about _____ to _____ for _____ air leaks _____ stripping?

_____ if you _____ give _____ on how _____ seal air leaks and _____ energy.

_____ anything to _____ energy _____ caulking air _____ using _____ energy saving measures?

Fix _____ how to reduce _____?

Can you _____ to better conserve energy, for instance taping _____ wearing _____ stripping?

Is there _____ tips _____ reduce _____ caulking air leaks _____ using other _____ savings measures?

Is _____ you can give on _____ use _____ similar _____ to seal air leaks?

Is _____ any advice on how to _____ stripping or _____?

Is _____ way _____ save energy _____ blocking air _____?

Can _____ tell _____ about ways _____ for instance by taping _____ weather stripping?

_____ share your _____ stopping drafts and saving _____?

_____ like _____ know _____ weather _____ methods to seal air leaks for better _____ savings.

_____ you tell us _____ ways _____ conserve _____ by taping _____ leaks _____ wearing weather stripping?

_____ tell me _____ measures, such as _____ minimize _____ leaks.

Are _____ any _____ how _____ energy savings _____ the help of _____ leaks?

_____ do _____ maximize energy _____ with weather _____ solutions?

_____ you give _____ how _____ better _____ energy _____ taping air leaks _____ weather stripping?

_____ there suggestions _____ weatherstrip or air _____ to _____ energy _____?

_____ you give _____ on how to _____ energy _____ air _____ weather stripping?

_____ weatherstrips or seal _____ to practice energy efficiency?

_____ for _____ energy savings from _____?

_____ ways _____ energy _____ limiting air _____.

Are _____ suggestions _____ to improve _____ with the _____ of _____ or weatherstrip?

_____ a good idea to _____ drafts _____ weatherstripping or _____ save money?

How _____ we improve _____ savings with the _____ of _____?

What is _____ best _____ seal air leaks _____ weatherstripping, _____ any _____ better _____ efficiency?

_____ there _____ way to improve _____ by addressing _____?

Can _____ save energy, _____ instance by _____ air leaks?

Can you tell me _____ I can _____ by _____?

I'm _____ if _____ any advice on how _____ air leaks _____ savings?

_____ about _____ save energy and _____.

_____ advise _____ effective _____ as weather _____ to minimize air _____.

_____ there _____ energy _____ by caulking _____ or using other _____ measures?

_____ to maximize energy efficiency _____ alternative _____ reduce air leakages?

_____ tips in _____ sealing?

How _____ energy efficiency by _____ stripping?

How do I find _____ to _____ energy?

_____ you give _____ save energy, _____ instance by fixing air _____?

_____ weather _____ to cut _____?

How do I _____ leaks _____?

Please tell me about _____ as weatherstripping, _____ minimize _____.

Can _____ about _____ to _____ conserve energy, _____ by taping air leaks _____ weather _____?

Suggestions for cost-effective _____ against _____ leaking _____ use?

How _____ reduce energy costs _____?

Is _____ advice you can _____ to increase _____ by using weather _____ similar methods?

Should _____ use _____ or _____ air _____ practice _____ reduction?

_____ is the best way to seal _____ increase _____?

Can you give us _____ advice on how to _____ energy, _____ leaks _____ wearing _____?

_____ to _____ tips _____ cutting bills through sealing?

Can you _____ some _____ on how _____ energy, _____ instance by taping _____?

_____ you _____ some _____ on ways to conserve _____ fixing air _____ and _____ stripping?

_____ best _____ to _____ through seals?

_____ there _____ advice you _____ give _____ to improve energy _____ weatherstripping _____ methods?

Can _____ us how _____ can better _____ by taping _____ weather stripping?

Is there _____ suggestion _____ how to improve _____ or air _____?

Suggestions _____ to seal air _____ energy savings?

_____ it possible to _____ advice on _____ conserve energy _____ air leaks _____ stripping?

_____ air _____ with weatherstripping?

Can you _____ energy like fixing air _____ stripping?

Is _____ seal _____ leaks _____ with _____ like weatherstripping?

Fix _____ energy loss.

_____ I save _____ by shutting down _____ leaks?

_____ there _____ advice _____ can give on enhancing energy _____ or similar methods?

How _____ air leaks with _____ or _____?

I _____ to seal air _____ for _____ energy savings.

_____ would like _____ how to _____ drafts with _____ stripping _____ else for _____ bills.

Are _____ any tips _____ how _____ by _____ air leaks or _____ other _____ measures?

Is there any _____ give on _____ energy efficiency _____ of weather stripping or _____ methods?

Can you tell me about ways to _____ such _____ taping _____?

_____ way to _____ savings _____ weatherstripping _____ something that addresses _____ concerns?

_____ give _____ how to seal _____ leaks for better _____ savings?

_____ on _____ weatherstrips and _____ air gaps _____ conserve energy.

_____ you need _____ to _____ air leaks _____ save energy?

_____ a way to _____ prevent air leaks?

_____ do _____ cut _____ weather stripping?

I'd like to _____ best _____ leaks with weatherstripping or any _____ for better _____.

_____ enhance energy savings by _____ air _____?

_____ need advice _____ how _____ seal up _____ with _____ or _____ else for _____.

_____ a _____ reduce energy _____ by caulking air _____ or _____ other energy- _____?

How do _____ by _____ leaks?

_____ I _____ efficiency _____ using weatherstrips or other _____ solutions?

Can you fix air _____ through _____?

_____ you _____ me about ways to _____ for _____ taping air _____ wearing _____ stripping.

_____ any way _____ save energy _____ stop _____ leaking?

Can _____ some advice on ways to _____ and _____ leaks?

_____ know how to use _____ or _____ to _____ air leaks _____ better energy _____.

_____ you _____ some _____ conserve energy by fixing air leaks and _____?

_____ for _____ air leaks for improved energy savings.

Do you _____ on _____ better conserve energy, for instance by _____ leaks _____ wearing _____?

_____ anything _____ can tell _____ the _____ of weather stripping _____ similar _____ to _____ air leaks?

_____ a way to seal _____ leaks _____ more _____?

Is _____ savings via weatherstripping _____ means that addresses _____ quality concerns?

Can _____ me _____ to _____ air _____ and _____ energy?

_____ looking for some advice _____ leaks and _____ energy.

Can you _____ to better _____ energy _____ air leaks or _____ stripping?

_____ way to improve energy _____ weatherstripping or _____ means that _____ air _____?

_____ do I _____ efficiency by _____ to reduce _____ leakages?

How can I _____ closing air leaks _____ weatherstrips?

I _____ advice on how _____ leaks _____ increased energy _____.

_____ for cost-effective measures against _____ that _____ lower _____.

_____ best _____ to reduce energy _____ air _____ or using other energy _____ measures?

The _____ stripping for _____ efficiency?

Is there _____ way _____ seal _____ or _____ energy?

_____ give us _____ on how we _____ energy by fixing _____ leaks and weather _____?

Is it ____ to give advice ____ ways to ____ energy, ____ taping ____.

Can ____ me ____ to conserve energy, for ____ by taping ____ leaks ____?

____ tell ____ about ways ____ by fixing air leaks ____ stripping?

Is there ____ energy ____ by caulking ____ leaks ____ other ____ measures?

____ offer some advice ____ how ____ conserve energy, ____ example ____ taping ____ or weather ____?

Fix air ____ energy ____?

Do you ____ to block ____ and save ____?

____ suggestions ____ to ____ with help of weatherstrip ____ air leaks?

Is it ____ to ____ some ____ ways ____ conserve energy, for ____ air leaks?

Do you ____ any suggestions on ____ conserve energy ____ weather stripping?

Are there ____ on how to ____ energy ____ of ____ or air ____?

____ interested ____ to ____ energy by caulking ____ any recommendations ____ weather ____ or ____?

Is ____ give ____ ways to save ____ by fixing ____ leaks and ____ stripping?

How ____ we ____ air ____ more efficiently ____ like weather ____?

____ there ____ energy and block air leakage?

Can ____ give me ____ to ____ for example by taping air ____.

Advice on weather ____?

____ do ____ expenses by shutting ____ air leaks?

____ cut energy costs ____ using ____?

Is ____ suggestion on how ____ energy savings ____ the ____ or air ____.

____ it ____ improve ____ savings ____ seal measures?

Is it possible ____ advice ____ ways ____ better conserve ____ for ____ by ____?

Is ____ on how ____ reduce ____ costs by ____ using other energy saving measures?

____ efficiency, how ____ weather ____?

____ offer ____ on ways to conserve ____ as ____ leaks?

____ air leaks is one ____ costs.

How ____ I maximize ____ efficiency by ____ or ____ solutions?

____ about ways to ____ conserve ____ for ____ by fixing air ____ and ____ stripping?

____ use ____ seal ____ gaps to improve ____ efficiency?

____ it possible to use ____ gaps ____ practice ____ energy savings?

Can you tell ____ to ____ for instance ____ air ____?

____ can ____ lower ____ heating ____ closing air leaks?

____ can ____ energy ____ using weather ____ or ____ measures?

If ____ some advice on how ____ seal up drafts ____ cheaper ____?

Do you ____ any advice ____ how to ____ weather stripping ____ to ____?

____ use weatherstrip ____ solutions to minimize ____ leaks?

Is ____ way to seal air ____ efficiently ____ savings?

____ you ____ me how ____ air leaks ____ stripping ____ conserve energy?

____ there a ____ to ____ air ____ more energy?

Can ____ tell us about ways to better ____ by taping ____ weather ____?

____ some advice ____ how ____ seal air leaks ____ savings

____ advice ____ ways to ____ energy, for ____ taping air leaks?

____ to ____ energy ____ closing ____ leaks.

____ improving energy ____ with the help of weatherstrip ____ leaks?

Is it possible ____ some ____ improving ____ savings via ____ or ____ similar?

____ for ____ against ____ leaks that lower electricity ____?

Can ____ fix ____ through ____ by ____?

____ there a ____ energy savings ____ weather stripping ____ methods that ____ air ____?

____ seal ____ energy usage?

____ you ____ us tips ____ how to ____ air leaks ____?

____ you tell ____ how ____ conserve energy by ____ air ____ stripping?
 ____ suggestions ____ using weatherstrip or air leaks to ____?
 Is there ____ on how to ____ energy efficiency ____ use ____?
 ____ you ____ ways ____ energy, such as taping ____ or wearing ____ stripping?
 Can you ____ me advice ____ to conserve ____ leaks?
 Is it possible to ____ tips on how ____ better ____?
 Is there ____ advice you can ____ on ____ to increase ____ stripping ____ similar ____?
 What ____ steps I ____ to ____ air ____ save energy?
 ____ give me ____ advice ____ ways ____ conserve ____ as ____ air ____ and wearing weatherstripping?
 ____ it possible ____ provide tips ____ how ____ air ____ and save ____?
 ____ possible ____ give tips on ____ energy ____ air leaks?
 Can ____ us ____ advice on how to ____ energy by taping air ____?
 Please tell me ____ can ____ air leaking ____ efficiency.
 Is there a way ____ leakage?
 I need ____ advice ____ how ____ use ____ stripping and other ____ to ____ for ____ savings.
 ____ cost-effective ____ against ____ leakage that lower ____ consumption?
 ____ it ____ give ____ advice ____ how to ____ for instance by ____ air leaks?
 Is there any ____ on ____ energy ____ through ____ of weather stripping, or ____?
 Is ____ possible to give ____ air leaks and other ____?
 Is ____ advice you ____ give ____ using ____ and similar methods ____ seal ____?
 Can ____ advice on ____ to better conserve ____ as ____ leaks and wearing ____?
 Can ____ teach me how ____ and ____ energy?
 What ____ the best ____ seal ____ leaks and save ____?
 Can you suggest ____ energy, for ____ taping air ____ weather ____?
 ____ I ____ energy efficiency ____ weatherstripping?
 ____ to ____ air leaks with ____ or ____?
 Can ____ me some advice on ____ conserve energy such ____ air ____ weather ____?
 ____ on ways to ____ conserve energy, ____ example by ____ air leaks?
 ____ there ____ advice you ____ on how ____ enhance energy ____ use of ____ and ____ methods?
 Is ____ any ____ you can ____ to improve energy ____ through the ____ or similar ____?
 ____ you give advice ____ ways ____ better conserve ____ fixing air leaks ____ weather ____?
 I ____ to ____ how to ____ weather stripping and ____ seal air ____ better ____ savings.
 Suggestions for ____ leak that ____ lower electricity ____.
 ____ would like to ____ how to use weather ____ to ____ for ____ energy savings.
 ____ you ____ some advice on ____ better conserve energy, such ____ air leaks ____?
 Can you tell me ____ to ____ leaks with weatherstripping ____ any ____ means ____ better ____?
 Is ____ to ____ energy costs by ____?
 Are ____ about how ____ increase energy ____ with ____ of weatherstrip ____ air ____?
 ____ some advice ____ ways ____ energy, for ____ by fixing air leaks?
 Suggestions ____ to seal air ____ energy?
 ____ you ____ advice ____ how to ____ energy by ____ air leaks ____ weather ____?
 How ____ I ____ by closing air leaks?
 ____ it ____ to ____ air leaks ____ weatherstrips?
 ____ there ____ protecting ____ air with weatherstrips?
 ____ it ____ to ____ some advice ____ ways ____ better ____ energy, for instance ____ taping ____
 ____ you give me some ____ energy, like ____ air leaks?
 ____ there ____ way to ____ leaks ____ will save ____?
 ____ it possible to ____ on air ____ other ____ to save ____.
 ____ tell us ____ better conserve energy by taping ____?
 ____ are ____ to ____ air leaks ____ energy.

I'd ____ to know ____ best ____ seal ____ leaks ____ means for better energy efficiency.
 Fix ____ ways ____ energy loss?
 ____ want ____ know how ____ use ____ and other ____ air ____ improved energy savings.
 Can ____ give us some ____ to better ____ energy, such ____ air leaks and ____ ?
 Is ____ way to ____ efficiency ____ the use of ____ or ____ ?
 ____ it ____ advice on ____ energy efficiency through the use ____ methods?
 How can ____ leakage with ____ ?
 ____ energy loss ____ fix air leaks?
 ____ better conserve ____ by fixing air leaks and ____ stripping?
 ____ on how ____ weatherstripping or ____ to seal air ____ for improved ____ savings.
 ____ ways to reduce ____ leaks or ____ other energy savings measures.
 I'm interested in finding ____ to ____ sealing ____ .
 ____ how ____ reduce energy ____ by caulking ____ or ____ other ____ measures?
 ____ for ____ to increase ____ ?
 ____ of some advice ____ how ____ seal ____ for better energy ____ .
 Is ____ to ____ advice on ways ____ energy ____ through ____ weather stripping ____ similar methods?
 Can ____ me about ____ to conserve ____ for instance ____ leaks ____ wearing ____ .
 Can you tell me ____ to ____ air ____ better ____ ?
 ____ give ____ some advice on ____ such as taping ____ and wearing weatherstripping?
 Is there any ____ on ____ conserve ____ by using ____ caulking ____ ?
 How do ____ energy ____ air ____ ?
 Do you have ____ how to ____ energy efficiency through ____ use of ____ ?
 ____ can ____ energy and ____ leakage?
 ____ you give ____ to conserve ____ such ____ fixing air leaks ____ weather ____ ?
 ____ to ____ energy costs ____ ?
 Is it ____ me to request ____ recommendations ____ stripping or something similar?
 ____ ways to conserve ____ like taping air ____ or ____ stripping?
 How ____ I ____ energy by ____ leaks ____ weather ____ ?
 Please ____ me ____ effective ____ such ____ weather ____ reduce air ____ .
 Are there ____ on how ____ improve ____ with the ____ of ____ ?
 ____ there ____ way ____ seal air leaks efficiently ____ weather ____ ?
 Can you give some ____ ways ____ like ____ leaks?
 ____ can I ____ heating ____ off air leaks?
 How about using weatherstrips ____ air gaps ____ a ____ energy ____ ?
 Suggestions ____ cost-effective ____ leakage ____ lower electricity consumption.
 How ____ we use ____ to seal ____ order ____ energy?
 Can you ____ me about ways ____ energy, ____ air ____ stripping?
 Can ____ advice ____ how to ____ energy, for ____ taping air leaks and wearing ____ ?
 ____ you ____ about ____ I can better conserve energy by ____ ?
 How do ____ energy ____ by ____ leaking?
 ____ to reduce energy ____ by ____ using other energy-saving ____ ?
 How do ____ heating expense by closing ____ weatherstrips?
 ____ use weatherstrips or other alternatives ____ leaks?
 ____ possible to ____ energy efficiency by ____ alternative solutions to ____ ?
 ____ there a ____ make airtight ____ with weather ____ ?
 Can ____ some advice ____ better ____ energy, for ____ by taping ____ leaks.
 Can ____ give some ____ ways ____ better conserve energy, ____ air leaks or ____ ?
 Share tips ____ to ____ bills ____ .
 Should we use weatherstrips ____ gaps ____ practice ____ energy ____ ?
 ____ advice ____ how to seal air ____ to ____ energy ____ ?

Can you _____ some advice _____ ways _____ better _____ energy, _____ example by _____ air leaks _____ stripping?
 _____ there a way to reduce _____ costs by _____ air _____ by _____ energy _____?
 _____ there _____ way _____ seal air _____ to _____ energy.
 Is it _____ good idea to _____ drafts with weatherstripping _____ less _____?
 Is _____ you _____ give on _____ to increase energy efficiency _____ of _____?
 _____ you offer _____ ways _____ for _____ by fixing _____ and weather stripping?
 Is there _____ to better conserve _____ for _____ taping air _____?
 Do you _____ how to _____ the _____ and save _____?
 How do _____ heating expense _____ air leaks?
 _____ you provide some _____ how _____ conserve _____ by _____ air leaks?
 Is it possible _____ request recommendations _____ energy savings via _____ similar?
 _____ there a _____ to _____ weather stripping _____ other means _____ air concerns?
 _____ air leaks _____ reduce _____ loss?
 _____ air _____ through _____ with a strip?
 There are _____ reduce energy _____ caulking _____ and _____ other _____ saving measures.
 _____ sharing _____ cut _____ through sealing?
 _____ there a way _____ use _____ techniques _____ seals?
 _____ weather _____ to cut energy costs?
 Can you tell me _____ to _____ by _____ air _____ for _____?
 Please advise _____ minimize _____ leaking and _____ energy efficiency.
 _____ tell _____ to better _____ energy _____ taping _____ leaks and _____ stripping.
 _____ can we use _____ seal air gaps so _____ we _____?
 _____ the _____ way _____ increase _____ savings _____ sealing air leaks?
 There are _____ energy by _____ leakage.
 Can _____ me _____ conserve energy, _____ taping air _____ and _____ weather stripping?
 _____ about using _____ seal air _____ in order to _____ reduction?
 _____ use weatherstrips to _____ air leaks?
 _____ how to improve energy _____ the help _____ or air leaks?
 _____ interested _____ how to use _____ or _____ methods _____ seal _____ for better _____ savings.
 _____ you give _____ advice on ways to better _____ energy, _____ or wearing _____?
 _____ it possible to _____ to _____ air _____ order _____ energy efficiency?
 I _____ to _____ if _____ better _____ seal _____ leaks with weatherstripping _____ any _____ for better energy efficiency.
 _____ cost-effective _____ air leaking that lower electricity _____?
 How _____ I prevent _____ leaks _____ weatherstripping _____ similar _____?
 Can you _____ some _____ on ways _____ conserve energy, _____ or _____ weather stripping?
 Can you _____ cut my _____ closing air _____?
 Suggestions on _____ air leaks in _____ increase _____ savings.
 Can you tell me _____ to _____ conserve energy _____ weather stripping?
 Can you offer advice on _____ energy, _____ by fixing air leaks _____?
 Can _____ tell _____ how to better conserve _____ leaks _____ wearing _____ stripping?
 Are _____ on _____ energy savings _____ the help _____ weatherstrip or air _____?
 _____ you _____ any _____ how to _____ up the drafts _____ or _____ else?
 Is there any advice _____ to seal _____ increase _____.
 _____ need some advice on how _____ weatherstripping and _____ to _____ air _____ for better _____.
 Can _____ advice on ways _____ energy _____ as _____ and weather stripping?
 Please _____ me _____ the best ways to _____ leak _____ efficiency.
 Can _____ give _____ advice _____ ways _____ save _____ by fixing _____ leaks and _____?
 _____ there a way _____ and save energy.
 _____ you tell _____ ways to conserve energy _____ leaks _____ weather stripping?
 _____ about strategies to stop _____ and save _____?

_____ to _____ with weather strip?
 Is _____ to give tips _____ to seal air _____ better _____?
 Are _____ on how to _____ energy savings _____ air leaks and _____?
 How _____ I lower _____ heating _____ keeping _____ air _____?
 Advice _____ how _____ air leaks to increase _____?
 _____ there _____ on how to seal _____ save energy?
 _____ there _____ way _____ save energy _____ prevent _____ leakage.
 _____ there a way _____ strategies _____ stop drafts _____ save _____?
 _____ you _____ us _____ advice _____ ways to better _____ for instance _____ air _____ or weather _____?
 Is _____ better _____ by taping air _____ for instance?
 _____ have any _____ on _____ energy efficiency through the _____ weather stripping or similar _____?
 I want to know if _____ possible to seal _____ or _____ other _____ better _____.
 _____ it _____ give _____ on how _____ seal _____ with weatherstripping?
 Is it _____ to give some _____ ways to conserve _____ leaks _____ wearing _____?
 I _____ like to know _____ best _____ to _____ weatherstripping _____ any other method for _____ efficiency.
 Is _____ advice about _____ preventing _____?
 Can you _____ some _____ ways _____ conserve energy, like _____?
 _____ you give _____ advice _____ ways to _____ for example _____ taping air _____ wearing weather _____?
 Can you _____ about _____ better conserve energy, _____ taping air _____ wearing weather _____?
 _____ a better way _____ drafts with weather stripping or _____?
 _____ if _____ can _____ me _____ money by _____ air leaks.
 Can you _____ about _____ to better _____ energy, _____ taping air _____?
 I want to _____ best way to _____ with _____ other _____ for _____ energy efficiency.
 _____ possible to use weatherstrips _____ air _____ practice _____ energy savings?
 Advice _____ stripping _____ better _____.
 How _____ be used _____ decrease _____ costs?
 How _____ lower my heating _____ by using weatherstrips _____?
 _____ want _____ how to seal _____ leaks for better _____.
 _____ you offer some advice on _____ to _____ for _____ air leaks _____ stripping?
 I _____ how to _____ other methods to seal air leaks _____ energy savings.
 _____ be sealed _____ techniques _____ weather stripping?
 _____ to _____ energy _____ can _____ by caulking _____ or _____ other _____ saving measures.
 How can _____ our _____ by caulking air _____ energy saving measures?
 Can you tell _____ ways _____ for _____ by _____ air _____ or wearing weather stripping?
 Can you tell _____ to _____ for _____ by fixing _____ leaks?
 _____ offer _____ on ways _____ conserve energy, _____ instance _____ air leaks and wearing _____?
 _____ you suggest ways _____ for instance by fixing _____ leaks _____?
 Can _____ me _____ by reducing _____ leaks?
 _____ it _____ some advice _____ to better _____ energy, _____ example by _____ air leaks.
 Are _____ on _____ to improve _____ savings _____ of weatherstrip or _____ leaks?
 Are there suggestions for _____ with _____ help of _____ leaks?
 _____ for _____ effective measures against air _____ electricity _____?
 Can _____ tell _____ ways to conserve _____ for example _____ taping _____ leaks _____ stripping?
 Can _____ give _____ on ways _____ taping air _____ wearing weather stripping?
 _____ ways _____ save _____ blocking air leaking.
 _____ there any _____ you _____ give _____ the _____ weatherstripping and _____ to _____ air leaks?
 Is _____ on how to improve _____ the use of weatherstripping _____?
 _____ possible _____ energy _____ by _____ alternative solutions _____ air leaks?
 _____ need _____ advice _____ how _____ leak _____ maximize energy efficiency.
 Can _____ offer advice on ways _____ taping _____ leaks?

_____ me _____ to better conserve _____ taping air leaks?

Can _____ me some _____ on ways _____ air leaks _____ weather stripping?

_____ lower my _____ costs by closing air _____ weatherstrips?

How to _____ energy _____ stripping?

_____ there a way to _____ energy _____ by _____ air _____ other _____ savings _____?

How _____ save energy _____ air _____?

_____ interested in learning _____ seal air _____ or any other _____ for _____ energy efficiency.

Is it possible _____ give _____ conserve energy, for instance by _____ air leaks?

_____ how to prevent air leak _____ weatherstrips.

Is it possible _____ to seal air leaks _____ better _____ savings?

_____ it _____ maximize energy efficiency _____ using alternatives _____ leakages?

How _____ I use _____ or _____ reduce _____ leaks?

Is there any _____ seal _____ that _____ energy savings?

Can you _____ air _____ with _____?

_____ you _____ advice on how _____ taping air leaks _____ weather stripping?

Can _____ tell _____ to _____ conserve energy such as _____ air _____ stripping?

_____ give _____ some _____ how to save _____ fixing _____ and weather stripping?

Is _____ any _____ you can give _____ energy efficiency _____ the _____ stripping or similar _____?

I am _____ of _____ on _____ to minimize _____ leakage and _____.

_____ provide _____ on how _____ conserve energy, such as taping _____ leaks or wearing _____?

How do _____ heating expense _____ air _____?

_____ on _____ to _____ energy _____ the use of caulking, _____ stripping and _____ air leaks?

_____ against _____ lowers electricity consumption?

_____ a way to _____ conserve _____ example by _____ leaks?

_____ tell _____ about _____ to conserve _____ for _____ by _____ air leaks?

Are there _____ on how to _____ energy savings _____ of weatherstrip _____

_____ save _____ by _____ air leaks.

_____ you _____ seal air leaks _____ money?

I'd _____ how _____ seal air _____ for improved _____ savings.

Advice _____ how to seal _____ leaks to _____.

_____ you tell me about ways _____ like fixing air _____ and _____?

Do _____ have _____ on _____ or _____ to seal _____ leaks?

How can I lower _____ by _____ leaks _____?

Can _____ tell _____ costs by _____ air leaks or using other energy savings _____?

Can _____ provide some _____ on ways to _____ conserve _____ by _____ weather _____?

_____ do I reduce air _____?

_____ it possible _____ some advice on _____ for _____ by taping air _____.

_____ can _____ air escaping through leaks _____?

_____ it possible _____ use weatherstrips _____ caulk air _____ conserve energy?

Are _____ save energy and block air _____?

_____ advice on _____ energy, for instance by taping air _____ or weather stripping?

_____ want to know _____ seal _____ leaks _____ weather _____ or any other method for better _____.

I _____ your advice on _____ leakage and maximize _____.

_____ there _____ on how to seal up drafts _____ or _____ else _____ cheaper _____?

Is there _____ advice _____ can give on _____ increase energy efficiency through _____ methods?

Can _____ tell _____ about _____ conserve energy by _____ air _____?

_____ you _____ advice _____ to _____ energy, for example _____ air leaks or weather _____?

_____ tell _____ can reduce _____ leak and _____ energy savings.

How about _____ weatherstrips _____ gaps in _____ to practice _____?

Can you _____ leaking _____ stripping?

_____ I _____ energy by _____ leaks using weatherstripping?

_____ I use _____ to _____ leaks to _____ energy?

How can _____ air leaks _____?

Can _____ help _____ by shutting air _____?

Can you give _____ some advice _____ energy, for _____ leaks and wearing weatherstripping?

_____ there _____ tips _____ how to _____ energy costs _____ caulking _____ leaks _____ other energy-saving _____?

Can you give me _____ energy, _____ as taping _____ leaks or wearing _____?

_____ help _____ save money _____ air _____?

Is _____ possible to maximize _____ utilizing alternative _____ reduce air _____?

Can you tell _____ way to _____ air leaks _____?

_____ reduced energy loss.

_____ might be _____ to _____ me _____ seal air leaks for _____ energy savings.

_____ there _____ way _____ conserve _____ by taping air _____ wearing weatherstripping?

_____ it _____ to _____ on ways to _____ energy _____ through the _____ or similar methods?

_____ suggestions _____ how to use weatherstrips _____ air _____ order _____ conserve _____?

Is _____ give some advice _____ to better _____ energy, _____ taping air _____ or _____ stripping?

How can _____ seal air _____ conserve energy?

_____ it possible to give advice _____ to _____ conserve _____ leaks and weather _____?

Can you _____ me _____ air _____?

_____ air leaks as ways _____?

_____ on how to _____ efficiently and _____ energy _____.

_____ can I maximize _____ energy _____ reducing air _____?

_____ be used _____ reduce energy _____?

Is _____ way to _____ energy and block _____?

_____ there _____ to use weatherstrips to seal _____ in _____ conserve _____?

I _____ how _____ use _____ or _____ methods to seal _____ leaks for better energy _____.

_____ ways _____ conserve _____ for _____ taping air leaks and _____ stripping?

I _____ know _____ best way to seal air leaks with weather _____ means _____ better _____.

How do I _____ my _____ alternatives _____ air leaks?

_____ you have any suggestions _____ how _____ savings with the _____ weatherstrip _____ leaks?

How _____ we _____ energy savings by _____?

_____ I cut energy costs _____?

_____ wondering _____ could give me _____ to seal air leaks in _____ save energy.

_____ you _____ advice on _____ conserve _____ such _____ air leaks and weather _____?

How do I _____ weatherstrip?

_____ do I _____ heating bill by _____ leaks _____ weatherstrips?

Better energy _____ through _____?

_____ there _____ to increase energy savings _____ the help of _____ or _____?

Are _____ to _____ savings with _____ of weatherstrip and air _____?

Can _____ me how to _____ conserve energy?

Is there a _____ improve energy savings _____ weather _____?

_____ way to seal air leaks _____ save _____?

How about _____ seal _____ in order to practice _____ energy _____?

I want to know _____ best _____ air leaks _____ or any _____ means for _____ energy _____.

How to _____ leaks with weather _____ things?

Fix _____ leaks _____ energy _____.

Can _____ me _____ how to conserve _____ by _____ leaks _____ wearing weather stripping?

_____ me _____ my bills by _____ air leaks?

_____ there suggestions _____ to _____ energy _____ using _____ air leaks?

How _____ air _____ reduce _____ loss?

Is there any _____ from _____ air leaks?

_____ your advice on the best ways _____ minimize _____ energy _____.

_____ can I _____ my heating _____ air leaks?

_____ to seal _____ leaks _____ something?

How _____ use weather _____ methods to seal _____ leaks for _____ savings?

I _____ help _____ how _____ air _____ for better _____ savings.

_____ provide some advice _____ ways _____ better conserve energy, such _____ or _____ stripping?

Can _____ offer _____ on how _____ better conserve _____ by taping _____ leaks and _____ weather _____?

_____ about cost-effective measures _____ air leak that _____.

_____ there any weatherstripping advice _____?

_____ there suggestions for how to _____ savings _____ of weatherstrip and _____?

Fix _____ leaks _____ loss.

_____ would like to _____ way to seal air _____ weatherstripping, _____ any _____ better energy efficiency.

_____ I save money on _____?

_____ you offer some advice _____ conserve energy, _____ by fixing _____ and _____ stripping?

_____ advice _____ how to _____ leaking with weatherstrips?

Can _____ advice on _____ to conserve energy, _____ as _____ leaks or _____?

Is there _____ advice _____ give _____ energy efficiency _____ stripping and other methods?

Is _____ to _____ how to _____ air leaks _____ energy savings?

Is _____ a way to _____ energy _____ prevent _____?

_____ give _____ some _____ on _____ to _____ conserve energy, such _____ taping air _____ or _____ stripping?

I _____ how to _____ air _____ and maximize energy _____.

Is it possible _____ with _____?

_____ advise _____ can _____ air _____ and maximize energy efficiency.

_____ energy _____ through _____ measures?

Are _____ suggestions _____ to how _____ improve _____ savings _____ help _____ air leaks?

Is it a _____ idea _____ seal _____ with _____ stripping _____ for less expensive _____?

_____ you tell me _____ ways _____ instance taping air _____ wearing weather _____?

_____ a good idea to seal _____ weather stripping _____ else _____ cheaper bill?

_____ using weatherstrips _____ air gaps?

_____ to _____ energy usage by closing _____ leaks.

_____ possible _____ caulking air _____ or using other energy-saving measures?

Is there anything you can _____ me _____ to _____ with _____?

_____ need advice on how to use _____ and other _____ to _____ air _____.

Fix _____ try to reduce _____.

Is there a way to better conserve _____?

How can I _____ weather stripping and _____ to _____ for improved _____?

_____ tell _____ to minimize _____ leaking _____ energy savings.

_____ tips _____ bills _____ sealing.

_____ on _____ best _____ to seal _____ leaks with weather _____ any other method for _____ efficiency.

_____ you advise me _____ to better _____ fixing _____ leaks _____ weather stripping?

_____ there _____ to _____ energy savings _____ the _____ of weatherstrip _____ air leaks?

_____ way to _____ savings _____ weather stripping or _____ means that addresses _____ quality _____?

Do you have _____ to _____ energy _____ block _____?

Do _____ have _____ way _____ save _____ air leakage?

Is it possible to _____ for _____ energy savings _____ stripping or _____ to address _____?

_____ you show _____ how to stop _____ energy?

_____ can give on _____ to improve energy efficiency through _____ or other _____?

_____ there any _____ for weather _____ for _____?

Can you share _____ drafts and _____ energy?

Is it _____ on _____ to _____ energy, such as _____ air leaks.
 _____ on _____ to seal _____ leaks to save _____?

Can _____ fix _____ leaking through _____ a _____?

Is _____ any _____ you can _____ on how _____ enhance energy _____ through the _____ weather _____ similar _____?

Is _____ possible _____ tips on _____ to _____ air leaks _____ energy?
 _____ fix _____ escaping through leaks _____?

How can _____ stripping _____ seal _____ to save energy?
 _____ to improve energy _____ with the _____ of weatherstrip _____?

How to _____ a weatherstripping?

I _____ how to use _____ methods to seal air _____ for _____ energy savings.
 _____ you recommend ways _____ for instance _____ taping air _____ weather stripping?

Is there _____ advice on how _____ enhance _____ efficiency through the _____ weather _____?

Is it _____ to give _____ on ways to better conserve _____ by _____.

Is _____ possible to maximize energy _____ solutions to _____ air _____?

Suggestions _____ cost-effective measures _____ leaking _____ lower _____ use.
 _____ us advice _____ to better conserve _____ fixing air _____ and weather stripping?

I need your advice _____ how _____ minimize _____ energy _____.

Is it _____ give _____ how to seal _____ with _____ for better _____?

I _____ your _____ effective measures _____ minimize _____ leakage _____ maximize energy _____.
 _____ fix _____ air _____ using stripping?

_____ you offer advice _____ to better conserve _____ for _____ by _____?

_____ there any advice on how _____ seal _____ to _____ energy _____?

Can _____ give us _____ on ways _____ by _____ air _____ weather stripping?
 _____ do _____ efficiency by using alternatives to _____ air _____?

_____ to give _____ on _____ weatherstripping or similar _____ to seal _____?

_____ in need of _____ on how _____ reduce _____ and maximize _____.

_____ air leaks _____ decrease _____

I _____ advice on how _____ air _____ to enhance _____.

Suggestions for enhancing _____ seal _____ leaks.

_____ looking for _____ to seal air _____ energy?

_____ there a _____ energy _____ with _____ leaks or weatherstrip?

Is _____ way _____ stop _____ leakage and _____ energy?

_____ any _____ for _____ energy from _____ leaks?
 _____ with weather stripping?

_____ you give me some advice on _____ to _____ for instance taping _____ leaks _____?

Is _____ advice _____ can give on _____ efficiency _____ the _____ of _____ and _____ methods?
 _____ stripping for _____ efficiency?

_____ need some _____ how to _____ up _____ weatherstripping or _____ else _____ money.

I am _____ need _____ advice on _____ minimize air leakage _____.

_____ you offer _____ advice _____ ways _____ conserve energy, _____ taping _____ leaks?

How do _____ weather _____ to reduce _____ leaks _____ my _____?

Can you tell _____ about ways _____ energy, _____ as _____ leaks _____ weather _____?

_____ do I _____ energy _____ stripping?

Can you give _____ better _____ energy _____ taping air _____?

Can you recommend _____ conserve _____ for instance _____ and weather _____?

Can _____ to better conserve energy, _____ instance by _____ leaks?

Can you give us some _____ ways to _____ fixing _____ leaks _____?

_____ on _____ to _____ stripping?

_____ me _____ can better conserve _____ for example by taping _____ or _____ stripping?

_____ a _____ block air leakage, save _____?

_____ there any _____ use _____ to _____ gaps and conserve energy?
 I _____ your advice on _____ to _____ energy efficiency.
 Please tell _____ how _____ minimize _____ leakage _____ conserve _____.
 Can you give me _____ to _____ energy, like _____ and _____ stripping?
 _____ can _____ to _____ air gaps _____ order to _____ effective energy _____?
 Do _____ want to share _____ to _____ through _____?
 _____ you _____ me _____ advice _____ ways _____ conserve energy _____ taping air _____ or _____ stripping?
 _____ know _____ to use _____ other methods to seal air _____ and save _____.
 Is there _____ to _____ air _____ and _____ more _____?
 How _____ use _____ to _____ air leaks for better energy _____?
 Can _____ we can better conserve _____ taping air leaks _____ weather _____?
 _____ you give me some _____ on _____ like _____ air leaks and wearing _____?
 Can _____ give _____ on ways _____ conserve energy, for _____ by _____ and _____ weather stripping?
 Is there a _____ save _____ energy _____ closing _____.
 Can _____ fix _____ air _____?
 _____ tell me _____ to conserve energy such as _____ leaks _____ stripping?
 You can give _____ advice on _____ to _____ energy _____.
 _____ for _____ to save _____ caulking air leaks are _____ interested _____.
 _____ there a _____ improve energy _____ stripping _____ something that addresses air _____?
 _____ need _____ with effective _____ to _____ leakage and maximize energy _____.
 _____ about _____ weatherstrips or _____ air _____ to practice _____ efficiency?
 _____ possible for _____ to request some _____ for _____ through weather _____ something similar?
 Can _____ me how _____ better _____ energy by taping _____ wearing weather _____?
 I _____ like to know how to _____ other _____ seal _____ for better _____ savings.
 Are there _____ suggestions _____ to _____ savings with _____ or air _____?
 _____ you _____ conserve _____ such _____ fixing air leaks?
 Can _____ escaping _____ leaks _____ stripping?
 Can _____ offer _____ advice on _____ to _____ taping air leaks _____ weather _____?
 _____ can _____ money by closing _____?
 Can _____ recommend ways to save _____ weather stripping?
 _____ to _____ air leaks to _____?
 How _____ I _____ weather _____ to reduce _____ in my _____?
 _____ your _____ with _____ measures to minimize _____ leakage _____ energy efficiency.
 I need _____ advice on _____ stripping _____ other methods to seal _____ leaks to _____.
 _____ tell _____ about _____ weatherstripping, to reduce air leakage.
 Is there a _____ conserve energy _____ air _____ for _____?
 _____ use weatherstripping _____ methods to seal air _____ for _____ energy _____?
 Can you _____ ways to better _____ instance _____ air _____ or weather _____?
 _____ can _____ cut _____ costs with _____?
 _____ on _____ better efficiency
 _____ need _____ how _____ up _____ with weather stripping _____ for less expensive bills.
 _____ you suggest _____ way to _____ by taping _____ leaks?
 _____ for practicing _____ as _____ weatherstrips, are needed.
 _____ seal air leaks _____ or _____ tools?
 Are _____ any suggestions on _____ savings with _____ help _____ weather _____ air leaks?
 _____ is possible to _____ energy costs by _____ or _____ other _____ measures.
 _____ want to share ways _____ bills through _____?
 _____ I lower my _____ costs _____ air leaks?
 Is _____ possible to _____ recommendations for _____ energy _____ through weather _____ other _____ address air _____?
 _____ would like _____ know how to use _____ other _____ to seal _____ to save _____.

_____ cost-effective _____ air leakage that lower electricity _____.

_____ to _____ bills through sealing?

Advice for weatherstripping _____?

I _____ it is possible to seal _____ leaks with weather stripping _____ for _____ energy _____.

_____ can _____ use weatherstrips _____ seal air _____ in _____ practice energy _____?

_____ to _____ how _____ weatherstripping _____ other _____ seal air leaks _____ save energy.

Suggestions for _____ by closing _____?

_____ are _____ energy costs by _____ leaks and using _____ measures.

_____ you _____ any suggestions on _____ energy _____ fixing _____ leaks and weather _____?

Suggestions _____ seal drafts _____ save _____?

_____ are _____ best ways to _____ and save energy?

_____ there _____ costs _____ caulking air leaks, or _____ energy savings measures?

_____ fix Air _____ through _____ by _____?

Can _____ some _____ on how to _____ for _____ by taping air _____?

_____ to _____ strategies for _____ drafts _____ saving energy?

_____ tell _____ how _____ reduce energy _____ by _____ air _____ or using other _____ savings _____?

_____ can we _____ and _____ leaking?

Better _____ the use of _____?

Can you tell _____ to better _____ energy, _____ by _____ air _____?

_____ you give me some advice on ways _____ conserve energy, _____ example _____ taping _____?

Can you _____ advice on _____ energy, like _____ air leaks _____ weather _____?

_____ there a way _____ energy savings through weather _____?

_____ there _____ to _____ savings with _____ help of weatherstrip or _____?

Can _____ me some advice _____ to better _____ by _____ air leaks and _____ stripping?

_____ we use weatherstrips _____ seal _____ gaps to _____ use?

_____ how _____ air _____ and increase energy savings.

How do I lower _____ expense _____ air _____?

Are there any suggestions _____ enhancing _____ air _____?

Advice _____ for better _____.

Suggestions of cost-effective measures _____ that _____ consumption?

Is it _____ give _____ advice on _____ conserve _____ for _____ fixing _____ leaks _____ weather stripping?

_____ me on _____ to better _____ energy by _____ leaks?

Is _____ a _____ to _____ energy costs _____ caulking air _____ using _____ measures?

How can _____ heating expense _____ down _____ leaks?

_____ there any _____ on how _____ energy costs by _____ air _____ other energy-saving _____?

Are _____ ways _____ seals using _____?

_____ recommend ways _____ conserve energy, _____ instance taping _____ leaks?

_____ about weatherstripping _____ efficiency?

Can _____ to _____ by _____ leaks and wearing weather stripping?

Is _____ way _____ savings with caulking, _____ stripping, and other _____?

_____ any _____ can _____ how _____ improve energy efficiency through the use _____ or similar _____?

Can _____ give _____ on _____ conserve energy, for instance _____ leaks?

Is there _____ and block airleakage?

_____ you give _____ some _____ on _____ energy by _____ leaks or wearing weather stripping?

Can _____ tell _____ ways _____ better conserve _____ such _____ or wearing weatherstripping?

_____ we use weatherstrips _____ seal air _____ practice energy _____ practices?

_____ there _____ tell me about enhancing energy efficiency through the use _____ or _____?

I _____ know the best _____ seal air _____ with _____ stripping _____ other means for better _____

_____ suggestions _____ how to _____ energy _____ with the _____ of _____ leaks _____ weatherstrip?

Fix _____ leaks, _____ reduce energy _____?

Any _____ on how _____ seal air leaks _____ will _____ ?
 _____ suggest ways _____ conserve _____ like _____ air leaks?
 _____ you _____ some advice _____ ways to better _____ energy, _____ instance _____ fixing air _____ weather _____?
 _____ you _____ ways _____ conserve energy, _____ as taping _____ and wearing weather stripping?
 Fix air _____ to Decrease _____
 _____ there _____ how to _____ energy savings with _____ help _____ or air _____.
 _____ enhancing energy efficiency through _____ use _____ weather stripping _____ similar methods?
 What _____ the _____ way to maximize energy _____ using _____ to _____ air _____?
 _____ in _____ to save energy by repairing air _____?
 Is _____ possible _____ air loss _____?
 What is _____ way _____ leaks with _____ any other method _____ better energy _____?
 What _____ your _____ for reducing air leaks _____?
 I _____ interested _____ ways _____ save _____ by _____ down _____ leaks.
 Are _____ any tips on _____ ways to _____ leaks?
 I want _____ know the _____ air leaks _____ weather _____ or _____ similar.
 Is it _____ to give some _____ on ways _____ conserve _____ by _____ air _____ weather _____?
 _____ for _____ against _____ leaks _____ lower electricity consumption.
 _____ any advice _____ give on how _____ through the use _____ stripping or other methods?
 _____ you help me _____ money on _____ bill _____ closing _____?
 Can _____ me _____ on how to seal _____ to save _____?
 _____ you tell _____ ways _____ conserve _____ taping _____ leaks and _____ weather stripping?
 _____ you fix the leaking air escaping _____?
 How _____ maximize my _____ efficiency by _____ stripping _____ solutions?
 _____ do _____ lower _____ expenses by closing _____?
 _____ way _____ improve _____ weather _____ or something that addresses air _____ concerns?
 Can you give some _____ conserve _____ fixing air leaks?
 Can you offer some advice _____ ways _____ instance by _____ air _____ weather stripping?
 Suggestions for _____ effective _____ against air _____ consumption?
 _____ give me some advice _____ ways _____ conserve _____ for instance taping _____ leaks _____?
 _____ need _____ on how to prevent _____ weatherstrips.
 _____ advice _____ ways _____ conserve energy, such as _____ air leaks or _____.
 How _____ energy _____ using weather _____?
 _____ need _____ seal _____ with weather _____ something similar for less money.
 _____ how to stop drafts and save _____?
 You _____ how _____ block _____ weatherstrips?
 Do _____ have any _____ on _____ to _____ energy _____ through the _____ of _____ stripping or _____?
 _____ suggest ways _____ energy, _____ taping air leaks or weather _____?
 Are _____ any _____ on _____ air leaks and _____ energy?
 _____ advice _____ weatherstrips from _____ air?
 Can you give _____ advice on ways to _____?
 _____ you _____ some _____ on how _____ conserve energy _____ air leaks and _____ weather _____?
 _____ do I _____ the air leaks sealed?
 Is _____ to give _____ how _____ leaks _____ improve energy savings?
 I'm wondering if it's _____ air leaks with weather _____ other _____ for _____ efficiency.
 _____ to seal air leaks _____ weatherstripping _____?
 How do I maximize energy _____ using _____ solutions _____?
 Suggestions for cost-effective _____ that _____ electricity use?
 You _____ to _____ drafts with _____?
 How _____ using weatherstrips to seal _____ gaps _____ order _____ conserve?
 _____ it a _____ to seal _____ drafts with weather _____ something _____ bills?

Are _____ on _____ improve energy _____ you use _____ or air _____?

_____ possible _____ give advice on ways _____ energy efficiency through _____ use of _____ methods?

_____ how to conserve energy _____ of weatherstrips?

_____ you _____ advice _____ how to conserve _____ by taping _____ leaks _____ weather _____?

_____ wondering _____ you can _____ me _____ best way to _____ with weatherstripping _____ similar.

Is _____ possible _____ reduce _____ costs by _____ air _____ by _____ other _____ measures?

_____ there _____ advice _____ enhancing energy _____ from _____ leaks?

Can you tell _____ the _____ way to seal air _____ stripping _____ any other _____ better _____?

Is _____ to better conserve _____ by _____ and weather stripping?

Is _____ possible _____ the _____ escaping _____ leaks with _____?

Can _____ give me some _____ on _____ energy _____ taping air leaks _____ weather _____?

Fix _____ to _____ loss.

Is _____ to cut _____ leaks or using other energy-saving measures?

Can you give _____ some _____ to _____ conserve energy, such as taping _____ leaks _____?

Better _____ savings _____ measures?

How _____ I _____ energy costs _____?

Can _____ some advice on _____ to conserve _____ fixing air leaks _____?

Suggestions _____ measures _____ leaks that lower electricity _____.

_____ way to seal _____ leaks to _____ energy?

Can _____ tell _____ about ways _____ conserve energy, _____ as _____ and _____ stripping?

Suggestions _____ cost-effective measures _____ air leakage that _____?

I want to know _____ best _____ seal air leaks _____ means _____ energy efficiency.

Can _____ about ways _____ energy, for example by taping _____?

I am _____ need of _____ advice _____ how _____ air _____ energy savings.

_____ on _____ improve energy savings with _____ use of _____ or _____ leaks?

_____ there _____ advice you can give _____ weatherstripping or _____ methods _____ seal air _____?

Can _____ a _____ to block _____ save energy?

_____ stripping _____ efficiency?

_____ you give me _____ advice on ways to _____ energy, _____ fixing _____ leaks _____ stripping?

_____ weatherstripping _____ better efficiency?

_____ possible _____ improve energy savings with _____ leaks?

_____ you tell _____ about ways _____ better _____ taping air _____ and weather _____?

How _____ I save _____ by _____ sealed?

_____ to reduce energy costs by _____ air _____ other _____ measures?

_____ for cost-effective measures against _____ leakage _____ would _____.

_____ can I save _____ or similar measures?

_____ would _____ it if _____ advise me on _____ to _____ air _____ and _____.

_____ you give me _____ to better conserve _____ for _____ by _____ and _____ weather stripping?

Is _____ a way _____ provide _____ to _____ leaks for better energy _____?

_____ you _____ air _____ stripping?

Is it _____ advice _____ energy efficiency _____ use of _____ or _____ methods?

How _____ I _____ heating expenses by _____ leaks _____ weatherstrips?

Are _____ tips on _____ reduce energy _____ caulking _____ leaks _____ other _____ measures?

Care to _____ through sealing?

Can _____ to _____ conserve _____ for instance _____ air leaks?

_____ wondering _____ you could _____ on _____ to _____ leaks for improved _____ savings.

Please tell _____ I _____ reduce _____ maximize energy efficiency.

Is there _____ advice on _____ improve _____ through the _____ weatherstripping _____ methods?

_____ was wondering _____ you could _____ me _____ air leaks and save energy.

_____ tips _____ how _____ slash _____ through _____?

Is there _____ advice you can _____ on ways _____ energy _____ use _____ or _____ methods?

_____ on _____ to seal up drafts _____ stripping or _____ else _____ cheaper _____.

Suggestions _____ to seal air _____ could lower _____.

_____ there a _____ energy _____ by using alternative _____ minimize _____ leaks?

Suggestions _____ cost-effective measures _____ that lowers electricity _____?

_____ can _____ more energy _____ blocking air _____?

_____ advice you _____ on _____ energy efficiency _____ using weather stripping _____ similar _____?

_____ I _____ air _____ leaking, _____ save more energy?

Is _____ possible _____ to request some recommendations _____ energy _____ via _____?

_____ help _____ save money on my _____ shutting _____ leaks?

Can _____ me advice _____ ways _____ conserve energy, _____ taping _____ or _____ stripping?

Is there a way to _____ savings _____ weatherstripping _____ that _____ concerns?

_____ have _____ advice on how to _____ air leaks for _____?

_____ I use weatherstrips _____ seal air gaps in _____ effective _____?

_____ about ways _____ conserve energy, such as taping _____ and _____ stripping.

_____ do _____ save _____ by blocking _____ leaks?

How _____ seal _____ leaks _____ improve _____?

Is _____ to lower energy usage _____ air _____?

_____ you _____ any _____ how to _____ energy _____ use of weatherstrips.

_____ there any ways _____ improve _____ with _____ help _____ or _____ leaks?

_____ it possible _____ give _____ to reduce air leaks _____ energy?

Can you give some _____ conserve _____ example by taping air _____ and _____ stripping?

_____ give some _____ ways _____ better conserve _____ by _____ air leaks?

Is _____ on _____ air leak?

Is there a _____ to seal _____ leaks efficiently _____ such _____?

Please tell me _____ and maximize _____ savings.

Suggestions _____ to _____ and seal _____?

_____ reduce energy _____ by caulking air _____ or using other _____ savings _____.

Can _____ give _____ on ways to conserve _____ leaks _____ weather _____?

_____ cost-effective measures _____ air _____?

Suggestions _____ to seal air leaks _____ increase _____ savings.

Is _____ way to lower _____ by caulking _____ or using _____ energy _____?

_____ you _____ ways to better conserve _____ by _____ air _____?

_____ was wondering _____ give me _____ advice on _____ use weatherstripping _____ seal _____ leaks.

_____ tell _____ about effective _____ weatherstrip, _____ minimize air leaking.

_____ you share ideas _____ stop drafts _____ energy?

Is there _____ way to _____ block air _____.

Can you help me save _____ by _____ air _____?

Suggestions on how _____ improve _____ savings _____ leaks.

Do _____ for _____ stripping?

Is there any _____ you can give _____ efficiency _____ the _____ weatherstrip _____ similar methods?

Can you offer some _____ on _____ to _____ energy, _____ leaks or _____?

What are the _____ to _____ energy _____ leakage?

Suggestions _____ how _____ seal _____ thus enhancing energy _____.

Suggestions _____ measures _____ air leakage that _____ electricity _____?

_____ air _____ with weatherstrip or _____ techniques?

_____ there a _____ to improve energy savings _____ stripping _____ that _____ air _____?

I _____ to _____ the best way to seal _____ or _____ other _____ better _____ efficiency.

Is _____ possible _____ give _____ on _____ better conserve energy _____ leaks and _____ stripping?

_____ can I reduce the _____ I _____ caulking air _____?

_____ about _____ techniques _____ stripping to _____ leaks efficiently?
 _____ you _____ me _____ advice _____ how to _____ leaks for _____ energy _____?
 _____ use _____ air gaps in order to _____ effective _____ savings?
 _____ need _____ on how _____ drafts _____ weather stripping or _____ cheaper.
 Can you tell _____ about _____ conserve energy, _____ air _____?
 Fix _____ leaks; _____ to _____ energy _____?
 _____ share _____ stop drafts and save energy?
 Is _____ any way _____ air leak _____ save _____?
 Can _____ to conserve energy such as fixing _____ leaks _____?
 _____ help _____ save _____ by keeping air _____ out?
 _____ give _____ advice on _____ to _____ conserve energy, _____ as _____ air _____ or wearing _____ stripping?
 Is _____ any _____ how _____ up drafts with _____ or something _____?
 _____ and improve energy _____?
 _____ was _____ you _____ any _____ on how _____ air leaks for _____ savings?
 _____ how _____ improve energy savings with the _____ of _____ other _____ leaks.
 _____ weatherstrips _____ air _____ in order to practice effective energy _____?
 _____ any _____ how _____ weatherstrips to _____ air gaps _____ conserve energy?
 _____ tell me _____ best way to _____ with _____ or any _____ method?
 _____ you _____ some _____ on ways to _____ for instance by _____ air _____?
 Can you give _____ some advice _____ to better _____ air _____ wearing weather stripping?
 Any _____ on _____ drafts, _____?
 Can you _____ me about ways _____ energy, _____ taping _____ weather stripping?
 How about _____ to _____ any _____ for practicing energy savings?
 _____ about _____ weatherstrips to _____ air _____ in _____ reduce energy _____?
 How can we _____ more efficient _____ as weather _____?
 There _____ ways _____ by sealing _____ leaks.
 I'd _____ know how to use _____ methods to _____ air leaks for _____.
 _____ you give me some advice _____ taping air leaks?
 _____ better efficiency?
 _____ possible to _____ efficiency _____ using alternative solutions to _____ leaks?
 Is there _____ to _____ energy _____ block air _____?
 _____ I _____ weather _____ to seal air leaks for _____ savings?
 _____ offer some advice on ways _____ conserve _____ for _____ leaks?
 _____ you _____ on _____ conserve _____ for example by taping air leaks or _____?
 _____ to know the best _____ to _____ weather stripping or _____ other means _____ energy efficiency.
 _____ some advice _____ ways _____ energy, like fixing _____ leaks and _____ stripping?
 How _____ energy and prevent _____?
 Can you _____ on how to save energy _____ air _____ weather _____?
 Is there any _____ how to _____ energy _____ with _____ of _____ or _____?
 _____ can _____ use _____ and _____ air gaps to practice _____?
 _____ advice for better _____?
 _____ you _____ me about _____ to conserve energy, for instance _____ or wearing _____?
 I'm in _____ of some advice _____ how _____ improved energy _____
 Can _____ me some _____ to _____ for instance by _____ air leaks?
 Can _____ to _____ conserve energy, like _____ leaks?
 _____ know how to _____ energy costs _____ leaks or _____ other energy-saving _____?
 _____ you give _____ on ways to _____ like _____ air _____?
 Is there anything _____ can _____ how to improve energy _____ through the _____ stripping _____?
 _____ the _____ to seal air leaks with weather _____ or any other _____ better _____ efficiency.
 _____ a _____ to _____ energy _____ blocking air leak?

Can ____ give ____ advice ____ ways to ____ tapping air ____ wearing weather stripping?

Share tips ____ slash bills ____.

____ you ____ advice on ways to ____ for ____ fixing ____ and weather ____?

Are there ____ of ____ savings ____ the ____ of ____ or air leaks?

Please ____ effective ____ to minimize ____ leakage and ____ energy ____.

____ you ____ leaking ____ with stripping?

How do I ____ energy ____ weatherstripping or ____?

____ it possible to give ____ on ____ air ____ for better ____.

Share ____ on how ____ bills ____.

____ tips ____ to ____ bills through ____?

Is there ____ way to ____ by tapping ____ weather stripping?

____ ways to save energy ____ air leaks, what ____ there?

____ air leaks ____ loss?

____ to ____ out ____ to seal air leaks ____?

____ there ____ about weather ____ better ____?

How ____ airtight seals ____ weatherstripping ____?

Is ____ any advice you could ____ enhancing ____ efficiency ____ the use ____ weatherstripping ____?

Suggestions for ____ efficiency?

____ was wondering ____ could ____ any advice ____ how ____ seal ____ to save energy.

____ possible to give tips on how ____ leaks with weather ____ for ____?

____ there ____ you can ____ on how ____ improve ____ weather ____ and similar methods?

Fix ____ reduce energyloss?

Is ____ possible ____ save ____ bills by closing ____?

____ air leaks? There ____ to ____ energy ____.

Any advice on how to seal ____?

I ____ in ____ of advice on effective ____ to ____ air ____ energy ____.

Could ____ energy ____ be achieved ____ leaks?

____ you give some ____ how ____ better conserve ____ for ____ by fixing ____ weather stripping?

Can ____ ways to better conserve ____ by ____ leaks?

Can ____ give some advice ____ how ____ conserve ____ example ____ air leaks and ____ weatherstripping?

____ there any ____ to reduce energy ____ air ____ other ____ measures?

____ to seal ____ stripping or other methods?

You can ____ stop ____ save energy.

____ are ways ____ reduce ____ costs by ____ or ____ other energy ____ measures

Is ____ a way ____ savings ____ the ____ of weatherstrip ____ leaks?

____ energy ____ by caulking ____ leaks, ____ using ____ energy-saving measures?

Can ____ some advice ____ ways ____ better conserve ____ for instance ____ fixing ____?

Can you ____ how ____ can ____ energy ____ air leaks, weather stripping ____ else?

Is ____ way ____ better ____ tapping air leaks.

How ____ use weatherstrip ____ to reduce ____ leaks?

____ it possible ____ advice on ____ to better conserve ____ air leaks and ____ weatherstripping?

Advice ____ seal air leaks to ____ savings?

____ me advice on ways ____ conserve energy, ____ tapping ____ leaks and wearing ____?

____ would like to ____ best way to seal air leaks ____ weatherstrip or ____ efficiency.

____ you ____ to better conserve ____ by ____ air leaks?

____ there ____ way ____ more energy by ____ air ____?

Can you ____ leaking through leaks ____?

I need ____ on ____ to seal ____ weather stripping or something ____ for ____.

____ you ____ us how ____ can ____ drafts ____ save ____?

____ like ____ the best way to seal ____ weather ____ any ____ means for ____ energy efficiency.

_____ know how to block drafts _____?

Can _____ tell me about ways to _____ for _____ taping air _____?

Is _____ advice _____ weatherstrips preventing _____?

How to _____ energy _____ by caulking air leaks _____ using _____ measures _____.

Can _____ give some _____ to conserve _____ fixing air leaks _____ weather _____?

How _____ save money _____ leaks?

_____ give _____ advice on ways _____ conserve _____ for instance _____ air leaks _____ wearing _____ stripping?

Please _____ me with effective _____ such as _____ stripping, _____.

_____ you _____ advice on how to seal _____ or _____ cheaper?

Can _____ suggest ways to conserve energy, _____ taping air leaks _____?

There _____ to _____ energy costs _____ air leaks or _____ energy savings _____

_____ on how to conserve _____ through the _____ air _____?

Do you _____ any _____ seal _____ leaks _____ save energy?

Is there _____ energy and block air _____?

Sharing _____ for _____ seals?

_____ there _____ way to _____ energy savings _____ help of _____ air _____?

_____ a way _____ save _____ blocking air leakage?

What _____ you _____ the _____ way _____ seal _____ leaks efficiently _____ energy savings?

Are there any suggestions _____ how _____ efficiency with _____ help _____ leaks?
