

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Water and Wastewater Utility Companies |
| Inquiry Category | Rate and tariff inquiries |
| Inquiry Sub-Category | Rate comparisons |
| Description | Inquiries seeking comparisons between rates charged by different utility providers or between different customer classes within the same company. |
| Data Size | 5,045 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

Is ____ any data ____ fluctuations based ____ demand patterns in and ____ of ____ by Wastewater ____?
 ____ of price changes ____ on demand variations ____ outside of ____ metropolises served by ____.
 ____ tell the ____ the ____ of seasonal demand ____ wastewater ____ prices ____ metropolitan area?
 ____ wastewater prices ____ by the ____ in metropolitan ____ regions?
 ____ the price of wastewater ____ from metropolitan ____ metropolitan ____ certain times of ____?
 Can ____ public about the impact ____ seasonal ____ prices outside of metropolitan ____?
 Can ____ the public the ____ seasonal demand ____ wastewater ____ outside ____ metropolitan ____?
 ____ information ____ demand ____ on ____ prices of wastewater utilities outside ____ areas?
 ____ there a ____ effect on ____ of wastewater utilities ____?
 ____ you provide ____ public ____ seasonal demand on ____ utility prices outside ____ regions?
 ____ there ____ on pricing of ____ utilities outside ____ regions?
 ____ seasonal ____ effects ____ wastewater utilities outside the metropolitan ____?
 ____ give ____ the seasonal ____ wastewater ____ outside of ____ regions?
 Is there ____ in urban and ____ due to seasonal demand ____ in ____?
 What is the ____ with ____ demand and price ____ non-Metropolitan ____ Utility?
 ____ tell ____ in ____ and rural areas due ____ demand for ____ Utility service?
 Can you ____ me the ____ on ____ utility prices outside ____ regions?
 In metropolitan ____ non-metropolitan places ____ prices ____ on demand?
 What ____ demand ____ non ____ areas supplied ____ Wastewater Utilities?
 Can ____ the ____ effects ____ seasonal demand ____ on wastewater ____ prices outside the ____ areas?
 Can you give the public information ____ effects ____ on wastewater utility prices ____?
 ____ it possible ____ tell me ____ the ____ demand effects of ____ pricing ____?
 Can ____ us ____ effects of wastewater ____ outside ____ the ____ area?
 What ____ the ____ demand ____ Wastewater utilities ____ areas?
 Are ____ effects ____ demand on wastewater ____ prices ____ areas?
 Is ____ seasonal ____ the pricing of ____ utilities ____ of ____ metropolitan ____?
 Do wastewater ____ of ____ in metropolitan and ____ regions?
 Is ____ possible to give information ____ demand patterns ____ in ____ variations in both ____ and ____
 ____ pricing ____ urban and ____ to seasonal demand patterns ____ Wastewater Utility's?

____ you ____ what the seasonal effects ____ costs are ____ metropolitan ____?
 ____ it possible to tell the ____ what the ____ seasonal demand on ____ prices outside ____?
 Is ____ to tell ____ pricing in ____ rural areas ____ to ____ demand patters of ____?
 What are the seasonal ____ and price ____ non-Metropolitan ____?
 ____ case ____ seasonal effect, what information can ____ about ____ of ____ in ____ non metropolitan ____.
 ____ a seasonal ____ of wastewater utilities in non metropolitan ____?
 Can you ____ me ____ fluctuations in prices for seasonal ____ the metropolitan ____ Wastewater.
 ____ you ____ effects of ____ demand on ____ utility prices are ____ of the ____ regions?
 If there ____ a seasonal effect, what ____ on ____ pricing ____ wastewater ____ metropolitan regions?
 You ____ me about the seasonal ____ on wastewater ____ outside ____ metropolitan ____.
 ____ there information about seasonal ____ and ____ locations ____ Wastewater ____ jurisdiction?
 What ____ can ____ give about the pricing ____ non metropolitan regions ____ seasonal ____?
 Can ____ the public the ____ of ____ wastewater ____ outside the metro ____?
 What ____ situation with seasonal ____ in ____ that ____ utilities supply?
 Has anyone gotten any ____ the ____ in ____ spots ____ the ____ metro areas ____ the season?
 ____ there ____ any ____ effects ____ of wastewater in the ____ what information ____ you provide?
 Can you ____ the effect of seasonal ____ on ____ rates is ____ metropolitan ____?
 ____ any information regarding ____ on ____ utilities outside of metropolitan regions?
 ____ may be records of ____ depending ____ demand variations ____ and outside ____ the metropolises ____
 Utilities.
 Is ____ Utilities ____ to ____ seasonal pricing ____ for ____ non-urban ____?
 Are seasonal demand effects ____ of ____ regions possible?
 Is there ____ seasonal ____ pricing wastewater ____ outside metropolitan ____?
 ____ pricing in ____ and rural ____ patterns in Wastewater Utility's?
 I ____ about the seasonal demand ____ wastewater utility prices ____ of ____.
 ____ can ____ price ____ depending on ____ variations ____ the metropolises ____ by Wastewater Utility.
 ____ the public ____ seasonal demand ____ wastewater rates ____ metropolitan areas?
 ____ case of ____ seasonal effect, ____ on the ____ pricing in the non metropolitan ____?
 Is ____ a seasonal effect ____ pricing outside ____ metropolitan ____?
 Is ____ possible ____ the ____ effects on ____ utility prices outside of ____?
 What ____ the ____ prices for ____ Utilities ____ non-metropolitan ____?
 What ____ seasonal ____ on ____ prices outside ____ metropolitan area?
 ____ seasonal patterns ____ demand ____ price fluctuations within ____ Wastewater ____ areas?
 ____ tell me ____ prices of wastewater services change during the ____ rural ____?
 Is ____ seasonal ____ pricing ____ Wastewater ____ urban ____ non-urban locations?
 ____ anyone know what ____ of ____ wastewater ____ prices ____ the metropolitan regions?
 ____ case of ____ seasonal demand, ____ information ____ regarding ____ pricing of wastewater ____ non ____ regions?
 ____ seasonal demand variations inside ____ served by ____ Utilities, ____ may be ____ of price ____.
 Do ____ the ____ of seasonal demand on ____ prices are ____ the metropolitan ____?
 Do ____ prices ____ depending ____ demand ____ different times ____ metropolitan ____ with Wastewater?
 Will ____ us about the seasonal effects of ____ metropolitan ____?
 Is ____ any records ____ the ____ on demand in ____ areas?
 In metropolitan and ____ with Wastewater, do prices ____?
 ____ case of any ____ effect, ____ information can ____ give on the pricing ____ wastewater ____?
 ____ wastewater ____ metropolitan areas, how ____ seasonal ____ patterns affect prices?
 Do there ____ patterns ____ and ____ fluctuations ____ and ____ Utility's metropolitan ____?
 In case ____ effects ____ the non metropolitan regions, ____ information can ____?
 ____ want to know what ____ effects ____ demand on ____ of ____ areas.
 ____ you tell the ____ about ____ impact ____ seasonal demand on ____ prices ____ the ____?
 Do you have ____ the seasonal ____ wastewater ____ outside ____ regions?
 Is it possible ____ can tell ____ about ____ effects ____ the ____ wastewater utilities ____ non metropolitan ____?

____ you give ____ public an idea ____ demand ____ wastewater utility ____ the metropolitan regions?
 Can you tell us ____ the seasonal ____ costs outside ____?
 Is there ____ effect on ____ wastewater ____ their metropolitan ____?
 Is it ____ that ____ are seasonal demand ____ prices outside ____?
 Can there ____ how the cost fluctuations align ____ patterns inside and ____?
 Is seasonal ____ pricing ____ and non-urban ____ available ____ Utilities ____?
 ____ are ____ of ____ on ____ prices outside the metropolitan region?
 ____ it possible you can ____ the ____ demand effects ____ utilities ____ metropolitan ____?
 ____ there any ____ seasonal demand patterns in ____ urban and ____ areas served by ____?
 ____ anyone looked ____ seasonal demand ____ of ____ offered by ____ metropolitan wastewater ____?
 In case of any seasonal effect, ____ information ____ you ____ pricing in ____?
 ____ the public the effects ____ demand ____ wastewater utility prices ____ of ____?
 Does ____ know ____ seasonal demand ____ the ____ metropolitan areas or non- ____ for wastewater?
 ____ seasonal ____ and prices in ____ of metropolitan ____ for Wastewater Utility?
 ____ seasonal demand prices ____ in non-Metropolitan ____ by ____ utilities?
 Can you ____ us about ____ effects of ____ demand ____ wastewater utility ____ metropolitan ____?
 Because of ____ demand patterns ____ Wastewater ____ give ____ information about pricing in ____ rural ____?
 Can you tell ____ seasonal ____ of ____ prices outside ____ metropolitan regions?
 ____ any records ____ the price of ____ changing on demand ____ non-Metropolitan ____?
 ____ me the ____ of ____ demand on wastewater utility ____ outside ____ metropolitan ____?
 ____ case of any ____ what ____ can you ____ on ____ wastewater ____ the ____ metropolitan regions?
 Do you ____ variation ____ to ____ seasonal ____ wastewater in spots ____ metros?
 ____ may be records of price changes depending ____ and ____ the ____ Wastewater Utilities.
 Do ____ prices change ____ demand in metropolitan and ____?
 ____ demands in and out ____ metropolitan ____ that cause ____ fluctuations ____ Wastewater ____?
 ____ to show the ____ of Wastewater ____ in non-Metropolitan areas?
 ____ possible ____ of seasonal ____ prices ____ urban and rural wastewater utilities.
 Is ____ give ____ seasonal ____ can result in price variations ____ both ____ and rural Wastewater?
 ____ the ____ of ____ demand on wastewater ____ outside of ____ areas?
 ____ possible you ____ about the ____ demand effects of pricing ____ utilities ____ regions?
 ____ may be ____ price ____ on ____ demand ____ out of metropolitan ____ served ____ Wastewater Utility.
 Does the ____ Utilities ____ records ____ price ____ the seasons?
 ____ there any information ____ pricing in ____ rural areas ____ to seasonal ____ patterns ____?
 ____ looked at ____ determining the prices of utilities in ____ wastewater ____?
 Regarding the ____ of ____ outside of metropolitan ____ you tell ____?
 Is price fluctuations ____ seasonal ____ needs in ____ inside ____ by Wastewater utilities ____?
 ____ be records ____ price ____ depending on ____ demand within ____ outside the ____ Wastewater utilities.
 ____ you tell ____ fluctuations in ____ for seasonal items within ____ outside of the ____?
 ____ anyone ____ demand to ____ prices of utilities in non- ____ systems?
 There may ____ records of price ____ in and outside the metropolises served ____.
 What information can ____ provide ____ the ____ wastewater ____ the non ____ in case ____ a ____?
 What information ____ you provide on ____ pricing ____ in ____ regions in case ____ effect?
 How ____ affects the prices ____ in ____ metropolitan areas ____ not known.
 Depending ____ variations ____ and outside ____ metropolises served by ____ there may be ____ price ____.
 In ____ effect, what information ____ you ____ the ____ pricing in the ____ metropolitan regions?
 Depending ____ seasonal demand ____ outside ____ by Wastewater ____ be ____ of price changes.
 In ____ of any seasonal ____ give on the pricing ____ wastewater in ____ regions?
 How about seasonal ____ pricing ____ outside ____ metropolitan region?
 ____ there anything ____ can tell the public ____ the ____ seasonal ____ of metropolitan areas?
 ____ be records of ____ depending on seasonal ____ within ____ outside ____ served by wastewater _____.

____ it ____ for you to tell the ____ effects of seasonal ____ on wastewater ____ ?
 There may ____ records of ____ changes depending ____ seasonal ____ within ____ outside ____ metropolises ____ by ____ .
 ____ may be records ____ on seasonal demand variations ____ the ____ served by ____ Utility
 Depending on seasonal ____ variations ____ and outside of ____ served ____ Utility, ____ may ____ records ____ price ____ .
 ____ it ____ to ____ influenced by seasonal consumer ____ in both inside ____ outside metropolitan ____ covered ____
 ____ ?
 ____ of ____ what information can you give ____ pricing ____ metropolitan regions?
 Is there data ____ price ____ seasonal consumer ____ in both inside ____ outside metropolises ____ ?
 Can ____ provide an overview of the ____ for seasonal ____ outside ____ the ____ areas ____ is?
 ____ it possible ____ tell me ____ the ____ effects on ____ utility prices ____ places?
 ____ patterns ____ Wastewater Utility, can you give ____ in urban ____ areas?
 I want ____ know ____ on pricing ____ utilities ____ of metropolitan regions.
 Is ____ on ____ of ____ on prices ____ beyond ____ areas that rely on Wastewater ____ ?
 ____ wastewater ____ vary between ____ times ____ in non- metropolitan ____ ?
 Can ____ accessed ____ price ____ influenced ____ seasonal ____ needs ____ inside ____ outside ____ metropolises covered by
 ____ utilities?
 Does the ____ Utilities ____ price ____ because ____ seasonal ____ ?
 ____ information on demand effects on ____ prices outside ____ ?
 ____ information on ____ on ____ of wastewater utilities ____ the metropolitan region?
 There ____ any ____ price changing due ____ outside of ____ areas served by ____ .
 ____ seasonal ____ on ____ of ____ utilities in non ____ areas ____ ?
 ____ data regarding ____ fluctuations by ____ consumer needs ____ and outside of ____ that Wastewater
 Can you ____ the ____ about the seasonal ____ rates ____ of ____ ?
 ____ are the ____ seasonal ____ on wastewater ____ of ____ metropolitan regions?
 ____ do ____ demand patterns ____ prices outside of wastewater ____ ?
 ____ depending on ____ time of year ____ and non-metro regions?
 ____ you ____ us ____ the seasonal ____ wastewater ____ of urban areas?
 Do wastewater ____ fluctuate depending ____ time of year in ____ ?
 Can ____ tell ____ about ____ in ____ and rural areas because ____ seasonal ____ patters ____ ?
 Are there ____ by ____ and out of ____ metropolitan ____ for ____ Utility?
 ____ data on price variations ____ to seasonal ____ metros ____ Wastewater ____ spots?
 ____ are any records ____ variations ____ demand in ____ outside the ____ served by Wastewater.
 Is ____ tell the public about the ____ of ____ prices ____ of metropolitan regions?
 Is it possible ____ effects of ____ demand ____ in ____ and ____ areas of Wastewater ____ ?
 There ____ price changes ____ on ____ and outside of the metropolises served ____ Wastewater
 Utilities.
 ____ could ____ price changes depending ____ seasonal ____ variations inside ____ outside ____ metropolises ____
 Wastewater Utilities
 What do you know about ____ effects of ____ metropolitan areas?
 ____ records that show the ____ of Wastewater changing on ____ in ____ ?
 ____ prices ____ the non-Metropolitan areas supplied ____ Wastewater Utilities?
 There ____ demand effects on wastewater utility ____ .
 ____ please tell ____ the seasonal demand effects ____ utility prices ____ of ____ ?
 ____ fluctuations influenced by seasonal consumer ____ both ____ outside metropolises ____ utilities possible
 to be ____ ?
 Do ____ the ____ effects ____ costs outside of the metropolitan ____ ?
 Has ____ looked ____ seasonal demand ____ determining prices ____ utilities ____ metropolitan wastewater ____ ?
 In ____ of ____ effects, can ____ provide information ____ the ____ of ____ the non metropolitan ____ ?
 ____ the seasonal ____ prices ____ the ____ areas supplied by Wastewater ____ ?
 ____ seasonal ____ for ____ Utilities available in urban and ____ ?
 ____ it possible to access ____ data ____ price ____ by ____ consumer needs both ____ outside ____ Wastewater?
 What is the situation ____ demand ____ for non-Metropolitan ____ by ____ ?

Can you tell us _____ Wastewater _____ in urban and _____ areas _____?

Are the effects _____ on _____ utility _____ of the _____ area _____ to _____ public?

_____ it possible to access price fluctuations _____ seasonal consumer needs in _____ covered by _____?

Can _____ tell _____ public _____ effects seasonal _____ prices outside of _____ regions?

Is it possible _____ see the _____ consumer _____ and outside _____ that Wastewater?

Should _____ ask about the _____ on _____ prices _____ of metropolitan _____?

Is there any seasonality in the _____ non _____ zones?

_____ the public know _____ seasonal _____ wastewater utility prices outside the _____?

Is it _____ to give information _____ that _____ result _____ price variations _____ urban and rural _____?

_____ the _____ regarding the price fluctuations _____ seasonal consumer _____ inside and outside _____ Wastewater?

_____ the _____ demand prices in _____ areas _____ by Wastewater _____?

Does Wastewater _____ have data _____ demand-based _____ and non- _____ regions?

_____ information _____ effects _____ prices of wastewater utilities outside _____ regions?

What _____ the situation with seasonal _____ fluctuations _____ areas _____ Utilities?

Can you tell me _____ fluctuations in _____ seasonal _____ and _____ the metropolitan _____ that _____?

_____ to _____ the effects _____ seasonal demand _____ in rural and _____ Wastewater _____?

_____ there seasonal demand effects on _____ wastewater utilities _____?

Is _____ the effects of _____ prices _____ and rural wastewater utilities?

_____ you tell _____ effects _____ seasonal demand on wastewater utility _____ outside _____ the _____?

Depending _____ seasonal _____ the _____ by Wastewater _____ may be records of price changes.

Can _____ the _____ regarding price _____ by _____ needs both _____ outside of metropolises that _____?

_____ tell the public _____ effects _____ seasonal demand _____ on _____ prices _____ the metropolitan regions?

Can _____ give the public _____ of seasonal demand _____ utility prices _____?

_____ can you tell _____ about _____ pricing _____ wastewater _____ the non metropolitan _____ in _____ event of _____?

_____ any seasonal _____ effects on _____ wastewater utilities _____ region?

Can _____ tell _____ public _____ on _____ utility _____ outside the metropolitan _____?

_____ want _____ know _____ the effects are of _____ wastewater _____ outside the _____ region.

The prices _____ in _____ metropolitan _____ can be influenced _____ seasonaldemand.

_____ seasonal _____ pricing _____ Wastewater Utilities in urban _____ places?

Can _____ tell _____ the _____ demand _____ wastewater _____ prices _____ the metropolitan areas?

There _____ question _____ effects on _____ of wastewater utilities outside _____.

Do _____ change depending on demand _____ in metropolitan _____ metropolitan _____ Wastewater?

There _____ demands _____ wastewater _____ spots _____ metros, _____ you have data on _____?

Can _____ price fluctuations _____ by _____ and out of _____ area for Wastewater Utilities?

What _____ demand prices in _____ non- _____ areas supplied by _____ Utilities?

What _____ situation with price _____ for non-Metropolitan areas _____ Wastewater _____?

_____ we have _____ how seasonaldemand affects the prices of Wastewater _____?

_____ it possible to give _____ seasonal _____ patterns that may result _____ rural _____ Wastewater?

_____ are seasonal demands _____ wastewater _____ spots _____ metros, so do _____ have data on _____?

_____ the _____ seasonal demand on wastewater utility _____ metropolitan area?

Is _____ possible _____ information on seasonal _____ cause price variations in _____ and rural _____.

_____ you _____ us _____ effect of seasonal _____ utility prices _____ of metropolitan _____?

_____ are any _____ due _____ demand outside the _____ areas served by _____.

Is _____ that _____ can tell _____ about seasonal _____ effects _____ pricing _____ utilities in _____ metropolitan _____?

There are _____ of price changing _____ outside _____ provided by _____.

Can _____ tell _____ on _____ rates outside _____ metropolitan areas?

Can _____ discuss _____ effects _____ seasonal _____ on wastewater _____ prices _____ metropolitan _____?

Has _____ looked _____ demand in determining the _____ utilities for wastewater _____ of a _____?

Can you give us _____ for _____ to _____ demand patterns in Wastewater _____?

_____ you tell _____ public about _____ seasonal _____ utility _____ outside the metropolitan _____?

Is _____ possible _____ are _____ demand effects on _____ prices _____ of metropolitan _____?

_____ we have _____ the _____ changing _____ demand in non-Metropolitan areas?

Do you _____ of seasonal _____ on wastewater _____ metropolitan area?

What _____ situation _____ seasonal demand prices in non- metropolitan _____?

_____ that seasonal _____ affects _____ prices _____ utilities in metropolitan _____ non- metropolitan _____ for wastewater?

_____ demand on wastewater utility _____ outside the _____ region?

_____ you _____ the _____ the effects _____ seasonal _____ utility _____ the metropolitan area?

_____ the situation _____ seasonal demand _____ prices for _____ areas _____ Utilities?

What _____ the _____ seasonal demand _____ prices for non- metropolitan _____ Wastewater _____?

Are there _____ seasonal _____ wastewater utility _____ outside _____ region?

In _____ of a _____ effect, _____ information can _____ on _____ in the _____ metropolitan regions?

Please _____ the public _____ the effects are _____ seasonal _____ wastewater _____ outside _____ metropolitan _____.

Could you _____ me _____ the _____ demand effects _____ wastewater _____ regions?

_____ you tell me _____ on _____ utility prices outside _____ metropolitan regions?

Can you tell _____ public _____ effects are _____ seasonal demand _____ rates _____ the metropolitan _____?

Can _____ tell the public _____ of seasonal _____ on _____ metropolitan areas?

Is _____ to _____ the _____ of seasonal demand on wastewater _____ prices _____ of metropolitan _____?

_____ can you give _____ the _____ wastewater _____ the non metropolitan regions in case _____?

Are _____ on wastewater rates outside of metro _____?

_____ tell _____ public _____ the seasonal effects _____ prices outside the metropolitan _____?

What _____ the _____ seasonal demand _____ prices _____ non-metropolitan areas _____ the _____?

Are there price _____ triggered _____ seasonal _____ in both urban _____ rural _____?

Do _____ have data on _____ in _____ due _____ demands _____ in _____ metros?

_____ there any _____ patterns of _____ price _____ for Wastewater Utility _____ areas?

Is there a seasonal _____ pricing _____ of _____ metropolitan area?

_____ of any seasonal demand, _____ can you _____ on _____ of wastewater _____ non metropolitan _____.

Can _____ tell _____ about _____ effects on wastewater _____ outside _____ areas?

Depending on _____ served _____ wastewater utilities there can be records _____ price changes.

Can you _____ seasonal demand _____ wastewater rates outside _____ metropolitan _____?

_____ would like to _____ of seasonal _____ wastewater _____ prices outside of _____.

What is _____ seasonal _____ utilities located _____ non-metropolitan areas?

Is _____ possible you _____ tell me about _____ demand _____ utility _____ regions?

_____ there _____ on _____ changes in metro and non metro zones _____?

Is _____ pricing in non-urban _____ available under Wastewater _____?

Can you tell _____ public _____ are _____ seasonal demand _____ outside of the metropolitan _____?

What _____ the _____ the _____ metropolitan _____ in case _____ a seasonal demand?

Due _____ seasonal _____ patterns _____ Wastewater Utility, can _____ give _____ information _____ urban and rural _____.

_____ you _____ the effects of _____ demand _____ in urban _____ of Wastewater utilities?

Can you _____ the public what affects _____ on _____ metro _____?

Is price fluctuations _____ by seasonal _____ inside _____ outside metropolises covered _____?

Any records _____ of Wastewater _____ on demand in _____?

_____ research saying how _____ demand affects _____ prices _____ utilities in _____ areas _____ locations for _____?

In _____ of any _____ effects, what information can you _____ wastewater _____ non _____ region?

Can _____ the _____ effects of seasonal _____ wastewater utility _____ of _____ areas?

In _____ of _____ seasonal _____ on _____ of wastewater _____ the non _____ what information _____ you _____?

_____ know _____ are of _____ demand on _____ utility prices _____ of the metropolitan _____?

Is it possible _____ of _____ demand on _____ in _____ and rural _____?

Is it possible _____ information about seasonal _____ cause price _____ and rural Wastewater

Is _____ can _____ me about the seasonal _____ effects of wastewater utility prices _____?

_____ you _____ on _____ variation in _____ due to _____ demands _____ spots and metros?

_____ public know what _____ of seasonal demand on wastewater _____ prices outside _____ ?
 _____ between _____ times of the year _____ metropolitan areas?
 Is there a _____ wastewater utility _____ metropolitan areas?
 What information can _____ give _____ the _____ the non _____ in case _____ seasonal demand?
 Is it _____ to give information _____ demand _____ that can _____ both _____ and rural Wastewater.
 Has anyone used seasonal demand to _____ the _____ of _____ in _____ metropolitan locations?
 _____ it _____ fluctuations align _____ seasonal patterns within and _____ wastewater utility-served _____ ?
 Do you _____ any _____ pricing _____ urban and rural _____ to seasonal _____ of Wastewater _____ ?
 Is _____ effect on wastewater utilities' prices _____ areas?
 _____ you tell me _____ the fluctuations in prices _____ seasonal _____ outside _____ that Wastewater.
 Can you _____ public _____ effects _____ seasonal demand on wastewater utility _____ ?
 Do _____ the _____ of seasonal demand _____ utility _____ outside _____ regions?
 _____ wastewater prices change _____ certain _____ year in metropolitan _____ areas?
 seasonal _____ for wastewater _____ so _____ you have data on _____ prices?
 What _____ demand _____ in non-politan areas _____ by _____ Utilities?
 Can you _____ effects _____ seasonal _____ on wastewater _____ prices _____ metropolitan region?
 Do you know _____ the _____ seasonal _____ utility prices _____ metropolitan region?
 _____ show _____ the cost varies depending _____ specific requirements near or _____ urban _____ centers?
 _____ to give information on seasonal demand _____ in price _____ in _____ urban and _____ Wastewater?
 There may _____ price changes _____ seasonal _____ outside of the metropolises served _____ Wastewater _____.
 Is _____ any _____ Wastewater _____ pricing in urban and rural _____ to _____ ?
 _____ it possible to give information _____ seasonal demand _____ may _____ in price _____ urban _____ rural _____
 _____ you _____ effects of seasonal demand _____ prices outside _____ region?
 Is there information _____ demand _____ the prices of _____ of _____ regions?
 Is _____ possible that _____ can _____ me about the seasonal _____ effects on _____ utility _____ ?
 _____ data _____ about price fluctuations _____ with seasonal demands in _____ areas _____ Utility.
 Can you _____ urban and _____ due to seasonal demand _____ Wastewater Utility's
 There may _____ price changes _____ on demand variations outside of _____ served _____.
 Is _____ possible _____ information on seasonal _____ effects on _____ wastewater utilities outside _____ ?
 What information _____ give about _____ the _____ regions in case _____ a _____ effect?
 Is there _____ seasonal effect on _____ metropolitan _____ ?
 Can _____ evidence show how the _____ varies _____ season specific _____ requirements near _____ wastewater service _____ ?
 Can _____ the _____ seasonal demand affects _____ prices _____ of the _____ area?
 _____ of _____ seasonal effect, _____ you _____ on wastewater pricing in the non _____ ?
 _____ records _____ changes depending on seasonal _____ variations inside and _____ of _____ metropolises _____ by _____ Utility.
 _____ there information about pricing _____ to seasonal demand _____ Wastewater Utility?
 Do _____ the _____ on variation in _____ due to _____ demands _____ in _____ metros?
 _____ price of _____ utilities vary from _____ non _____ at _____ times _____ year?
 _____ price _____ triggered _____ seasonal _____ in both urban _____ rural _____ served _____ Wastewater Utilities?
 _____ is the _____ with _____ and _____ demand in _____ areas by _____ Utilities?
 _____ you tell _____ the _____ of seasonal _____ wastewater _____ prices _____ the _____ area?
 _____ you provide the _____ of _____ demand on _____ rates _____ of metropolitan _____ ?
 _____ may be records _____ price _____ on demand variations _____ outside the _____ by _____ Utilities.
 _____ give the public _____ the effects of seasonal _____ on _____ utility _____ outside _____ regions?
 _____ Wastewater Utilities able _____ provide _____ in _____ and non- _____ regions?
 Are there _____ effects on pricing _____ utilities _____ of _____ ?
 There are _____ records of price _____ due _____ outside _____ areas served _____.
 Can you _____ us pricing in _____ rural areas _____ Wastewater Utility?
 _____ demand prices _____ Wastewater utilities in non- _____ areas?

_____ are any records of _____ changing due _____ and _____ the metropolitan areas _____
 What information can you provide _____ of _____ metropolitan _____ in _____ of _____ seasonal effect?
 Can anyone _____ the price variations in Wastewater _____ backed _____ areas _____ the season?
 Can _____ tell the _____ about _____ demand on _____ rates outside _____?
 _____ it _____ you can _____ seasonal _____ effects of wastewater pricing outside _____ metropolitan _____?
 Is it possible _____ about _____ wastewater utility prices outside of metropolitan regions.
 I _____ like _____ know if _____ is any _____ demand _____ pricing wastewater _____ metropolitan _____.
 There _____ seasonal demands _____ wastewater _____ and _____ so _____ you have data _____?
 What is _____ seasonal demand _____ Wastewater utilities _____.
 _____ demand variations inside and outside the metropolises _____ Wastewater Utilities.
 _____ is the _____ seasonal demand _____ price fluctuations _____ areas _____ utilities?
 _____ we _____ price fluctuations by seasonal consumer _____ in Wastewater _____?
 Is it possible _____ demand _____ may cause _____ variations in both urban _____ rural _____?
 Is _____ to _____ public _____ effects _____ of _____ demand on wastewater _____ outside of metropolitan _____?
 _____ have _____ that _____ the price _____ Wastewater _____ on demand _____ non-Metropolitan _____?
 Can you _____ me _____ the seasonal _____ effects _____ the pricing _____ utilities _____ of _____?
 _____ can tell me _____ effects of _____ pricing _____ non metropolitan regions?
 _____ the public _____ the _____ of _____ demand _____ wastewater rates _____ metro areas.
 Can _____ effects seasonal _____ has on _____ rates outside of _____ areas?
 _____ Utility's pricing _____ urban _____ rural areas due _____ seasonal demand patterns.
 Can you tell the public _____ the effects of seasonal _____ areas?
 _____ non-metropolitan _____ Wastewater, do _____ prices fluctuate depending on _____?
 Do _____ on the _____ metropolitan and non-metro regions?
 _____ any _____ say _____ seasonal _____ affects _____ utilities _____ metropolitan _____ or non- _____ locations for wastewater
 _____ there _____ triggered _____ patterns in _____ urban and _____ areas of Wastewater _____?
 _____ the _____ effects of _____ demand on _____ rates _____ of metropolitan areas?
 _____ like to _____ about the _____ effects of _____ outside _____ regions.
 _____ are _____ records _____ price changing _____ in _____ the metropolises provided _____ Wastewater.
 _____ you have an _____ of _____ in _____ for _____ within _____ outside of the _____ areas that _____?
 _____ it possible _____ influenced by _____ needs _____ both inside _____ outside metropolises covered _____ utilities?
 _____ on seasonal demand _____ inside and _____ of the _____ by Wastewater _____ records of _____ changes.
 _____ us about the seasonal _____ of _____ outside of _____ areas?
 What is the _____ prices in _____ non metropolitan _____ supplied _____?
 Can you _____ about the _____ of seasonal demand on wastewater _____ outside _____?
 _____ seasonal _____ pricing _____ to Wastewater _____ non-urban _____ urban areas?
 Has _____ demand _____ determine the prices of utilities in _____ systems?
 _____ records of price changes _____ onseasonal demand _____ and outside the _____ by Wastewater _____.
 _____ the times _____ year _____ metropolitan and non-metro _____ wastewater _____ change?
 Is it possible _____ can _____ me _____ on the pricing _____ wastewater _____ in _____ regions?
 _____ tell me _____ fluctuations in _____ seasonal items within and outside _____ metropolitan area _____?
 _____ tell the _____ what the _____ of seasonal demand _____ rates _____ outside _____ metro _____?
 _____ you tell _____ the seasonal effects _____ wastewater utility _____ outside the _____?
 Is _____ possible to _____ price _____ Wastewater changing _____ demand in _____?
 _____ to see _____ the _____ with seasonal patterns inside and _____ the _____ utility-served cities?
 _____ let _____ public _____ the effects _____ seasonal _____ on _____ utility prices outside _____ metropolitan _____?
 _____ it possible to _____ how the _____ with _____ in both inside _____ outside _____ utility-served _____?
 There could be _____ of _____ on seasonal _____ variations inside _____ outside _____ metropolises served _____.
 There _____ records _____ price changes depending _____ and outside the _____ by Wastewater Utility
 In _____ of any seasonal _____ what _____ can _____ give _____ on the pricing _____ the non _____?
 _____ be _____ of price _____ depending on _____ demand variations _____ of _____ metropolises served _____ utilities.

Depending ____ seasonal ____ variations inside ____ outside ____ metropolises served ____ there could ____ of ____ changes.

____ can be ____ depending ____ demand variations ____ the ____ served by ____ Utility.

Is there ____ information about ____ demand ____ wastewater utilities ____ of ____ areas?

Can ____ find ____ the price ____ needs in Wastewater utilities?

Is it possible that you ____ tell ____ about the seasonal ____ outside of ____ metropolitan ____?

____ does ____ demand have ____ utility ____ outside ____ metropolitan area?

What is the ____ with seasonal ____ prices ____ areas supplied by ____?

Can ____ tell me the ____ demand ____ on ____ outside ____ regions?

____ need ____ about ____ urban ____ areas due to seasonal demand patterns.

What information ____ you ____ on the pricing ____ non metropolitan ____ in ____ of ____ demand?

There may be records ____ depending on ____ demand ____ inside ____ outside ____ Wastewater utilities

Has ____ looked at seasonal ____ determining ____ of utilities ____ wastewater systems?

____ is ____ effect of seasonal demand on ____ of the ____?

____ public about the ____ of seasonal ____ on ____ rates outside ____ areas?

What ____ with seasonal demand ____ price fluctuations ____ non-Metropolitan ____ the ____ Utility.

____ about ____ Utility pricing in ____ and rural areas due to ____ patterns?

____ anyone have any ____ showing ____ price ____ Wastewater changing ____ demand ____ non- ____?

Can ____ us ____ effects of seasonal ____ wastewater ____ of metropolitan areas?

How does ____ prices of utilities in non metropolitan ____?

Can you ____ pricing of wastewater in ____ metropolitan ____ of ____ demand?

What is the situation ____ Wastewater ____ non-metropolitan areas?

Due ____ demand patterns in ____ Utilities, ____ give us ____ in urban ____ rural areas?

What information can ____ give ____ in the non ____ regions ____ of ____ seasonal effect?

Is ____ give ____ about seasonal demand effects on ____ of ____ regions?

Does ____ records that ____ price of Wastewater ____ demand in ____ metro ____?

____ case of ____ seasonal effect ____ wastewater ____ non metropolitan ____ information can you ____?

Does ____ have records ____ price ____ of seasonal ____ variations?

Is ____ information about the ____ on wastewater ____ regions?

Depending on ____ demand variations ____ and ____ served by ____ utilities, ____ may ____.

Can ____ tell ____ seasonal demand effects on ____ the metropolitan region?

____ you tell ____ about ____ seasonal ____ on wastewater utility ____ outside of ____?

What are ____ Wastewater utilities in non-politan ____?

____ you give ____ the ____ demand ____ utility prices outside ____ metropolitan regions?

Has anyone looked ____ for ____ by ____ systems in ____ metropolitan locations?

____ do ____ about the seasonal ____ of wastewater ____ outside of ____?

Can ____ give an ____ of fluctuations ____ items within ____ of the ____ areas that ____?

Is ____ possible that ____ a seasonal ____ wastewater utility ____ of ____ regions?

Is ____ possible to know ____ effects ____ wastewater ____ of metropolitan ____?

I would ____ to ____ what ____ of ____ demand on ____ prices ____ of metropolitan areas.

____ it possible ____ how ____ fluctuations align with seasonal ____ outside of wastewater ____?

____ have ____ on seasonal ____ pricing changes in urban and ____?

Does wastewater prices change ____ times of year ____?

____ there ____ seasonality in ____ in metro ____ connected with Wastewater ____?

Is it possible to ____ seasonal demand patterns ____ cause price ____ urban and ____?

____ tell ____ about seasonal demand ____ utility prices outside of ____ metropolitan ____?

____ the seasonal demand ____ the ____ areas ____ by ____ utilities?

In metropolitan and non-metropolitan ____ the ____ vary ____ demand?

Do you have ____ pricing ____ urban and ____ areas ____ patterns in Wastewater ____?

Does ____ utilities ____ price changes ____ of ____ demand ____?

What is ____ prices ____ non-politan areas ____ Wastewater Utilities?

Is _____ give information _____ demand _____ on _____ of wastewater utilities outside _____ regions?
 _____ can _____ give about the pricing _____ non metropolitan _____ if there is _____ seasonal _____?
 There _____ be _____ price changes _____ on _____ demand variations inside and outside _____ the metropolises _____.
 Can _____ me _____ of wastewater _____ non metropolitan _____ in case of _____ demand?
 _____ you _____ us about seasonal _____ Wastewater _____ pricing in urban and _____?
 Does _____ know _____ effects _____ wastewater utility prices _____ outside the _____ area?
 Can we get the price _____ by seasonal _____ of _____ that _____?
 What information _____ about the pricing _____ wastewater _____ non _____ regions, _____ case _____ a seasonal _____?
 Is there _____ on the demand effects on _____ prices _____ metropolitan _____?
 _____ show the _____ the effects of _____ on _____ rates _____ of _____ areas?
 What information can _____ give _____ the _____ non metropolitan regions _____ case of a _____?
 Can _____ tell the _____ effect on _____ utility _____ of metropolitan regions?
 _____ any _____ effects on _____ utility _____ outside of metropolitan areas?
 _____ information about demand effects _____ wastewater _____ outside of _____ areas?
 Can _____ tell me _____ price _____ caused _____ demands in _____ out of the metropolitan _____?
 _____ we _____ records of _____ price _____ changing _____ demand in _____ areas?
 _____ wastewater _____ seasonal _____ metro and _____ regions?
 Is _____ possible _____ wastewater _____ prices _____ of metropolitan regions?
 Can _____ show how cost _____ align _____ seasonal _____ inside _____ wastewater utility-served _____?
 _____ you have _____ on _____ in _____ to seasonal demands _____ in _____ metros.
 Is _____ a _____ showing the _____ Wastewater _____ demand in _____ areas?
 Can _____ me _____ pricing _____ wastewater in _____ non _____ in case of _____ seasonal _____?
 Do you _____ affects the prices of _____ in _____ Wastewater Services?
 _____ the seasonal demand price for _____ areas _____ by _____?
 _____ demand-based pricing available _____ non-urban settings under _____?
 Is it _____ I _____ learn _____ effects of _____ utilities _____ of metropolitan regions?
 _____ you _____ the _____ what _____ of seasonal demand _____ prices outside of _____ areas?
 What is _____ situation for _____ areas with seasonal _____ price fluctuations _____?
 _____ of _____ demand, _____ can you _____ on _____ pricing of wastewater in _____ metropolitan regions.
 _____ Wastewater Utilities have _____ to seasonal demand?
 Is there any information on _____ in non _____ areas _____ Wastewater Services?
 _____ if you _____ tell _____ about _____ seasonal demand effects on _____ outside _____ metropolitan regions.
 Can _____ tell _____ what _____ seasonal demand on wastewater utility prices _____ of _____?
 _____ tell _____ what the effects _____ demand are on _____ outside the metropolitan area?
 Is _____ any _____ effects _____ wastewater _____ outside of metropolitan regions?
 Are there _____ variations triggered _____ demand _____ and rural areas that _____ Utilities _____?
 _____ you _____ about the fluctuations in _____ within _____ outside of the _____ area that _____?
 Do _____ have _____ that _____ the price of _____ changing _____ demand _____ area?
 Prices _____ change depending _____ seasonal _____ variations inside _____ outside _____ metropolises served _____.
 What _____ situation with _____ and _____ for _____ Metropolitan _____ the Wastewater Utility?
 Is _____ possible _____ tell _____ public _____ the _____ seasonal _____ on _____ outside of metro areas?
 _____ to _____ about the seasonal demand effects _____ pricing _____ utilities _____ metropolitan regions?
 _____ there any information about _____ in _____ due _____ seasonal _____ patterns in wastewater _____?
 Can _____ me about _____ demand _____ on the _____ of _____ non metropolitan areas?
 _____ you tell us _____ Utility pricing _____ urban _____ rural _____ of _____ demand _____?
 Are there any seasonal _____ of _____ wastewater _____ metropolitan _____?
 _____ it possible _____ me _____ the _____ effects of pricing _____ utilities outside _____?
 Can you _____ the public _____ the effects _____ of _____ the metropolitan area?
 There _____ be records _____ changes depending _____ demand _____ and _____ metropolises served by _____.
 _____ there any _____ of _____ and price fluctuations _____ Utilities' metropolitan areas?

Are ____ seasonal ____ demand and price fluctuations ____ and ____ areas?

Is ____ any ____ the pricing of ____ outside their ____ areas?

Can ____ me about ____ variations triggered by seasonal ____ patterns ____ of Wastewater Utilities?

Can ____ the ____ the effects of ____ demand on wastewater utility ____ the ____ region?

There ____ any records ____ prices ____ and outside ____ metropolitan ____ served by Wastewater.

____ may ____ records of price ____ depending on ____ variations ____ metropolises serviced ____.

Is data ____ seasonal demand-based pricing changes ____?

____ we have any ____ the price ____ changing ____ in non-Metropolitan ____?

Is wastewater ____ seasonal in ____ and non ____?

____ was wondering ____ you could tell me ____ effects ____ prices outside of metropolitan ____.

____ there ____ seasonal ____ pricing ____ Wastewater Utilities?

____ to seasonal ____ in ____ Utilities, can you ____ about pricing in urban ____?

____ research say how seasonal ____ affects ____ prices ____ utilities in metropolitan areas ____ for ____?

____ you know ____ the seasonal ____ of ____ of ____ regions?

Can ____ the public ____ effects ____ demand ____ wastewater ____ outside the metropolitan ____?

____ be data showing ____ affects ____ utility prices?

____ fluctuations ____ by seasonal demands ____ and ____ the metropolitan area ____ wastewater ____.

Can you ____ public ____ the effect of ____ demand ____ wastewater ____ prices outside ____?

____ the ____ know ____ effects of seasonal ____ on wastewater utility ____ metropolitan ____?

____ tell me the effects ____ seasonal ____ wastewater utility prices ____ metropolitan ____?

Do ____ Utilities ____ for ____ pricing changes in urban and ____?

____ you tell ____ public the effects ____ demand on ____ outside metropolitan ____?

Depending ____ seasonal demand ____ of the ____ served ____ utilities, ____ may be ____ of ____ changes.

Do you ____ any information ____ urban ____ rural ____ seasonal demand patters of ____ Utilities?

____ you ____ the ____ the impact ____ seasonal ____ wastewater utility ____ outside of ____ areas?

____ of ____ seasonal effect, what ____ can ____ about ____ in the ____ metropolitan regions?

Can ____ tell us about ____ wastewater costs ____ the ____ areas?

____ you tell ____ about the seasonal ____ effects ____ wastewater ____ metropolitan ____?

____ to give information on ____ patterns ____ price variations in both ____ and rural ____?

____ the seasonal effects of pricing ____ outside metropolitan regions?

Can you ____ the ____ the ____ seasonal ____ utility prices outside the ____?

I ____ like ____ know what the ____ demand ____ wastewater rates outside of ____.

____ the pricing of wastewater in ____ non metropolitan areas in the ____ seasonal effect?

____ you tell ____ what the ____ seasonal demand ____ wastewater ____ prices are outside ____ regions?

Is ____ any information ____ urban and ____ areas ____ seasonal ____ Wastewater Utilities?

Do ____ of ____ and ____ fluctuations ____ and outside ____ metropolitan areas for ____?

____ is ____ situation ____ fluctuations and seasonal demand ____ areas by ____?

Can we get ____ by ____ needs ____ inside and outside ____ metropolises ____

____ know ____ seasonal demand ____ prices ____ utilities in non metropolitan areas of ____

There are ____ of price changing due ____ demand ____ metropolitan ____ served ____

There is a ____ effects on ____ utilities outside of metropolitan ____.

____ you know what the ____ of seasonal demand ____ are ____ area?

____ you ____ public what ____ seasonal demand on ____ prices outside ____ the ____?

____ it ____ see the effects of ____ prices in urban and ____?

Does we have ____ information about ____ the ____ of ____ non metropolitan ____ Wastewater Services?

____ pricing information for urban ____ rural ____ due ____ seasonal demand ____ Wastewater ____?

Can ____ describe ____ effects ____ demand ____ utility prices outside ____ the metropolitan ____?

____ it ____ tell me about the seasonal effects ____ pricing of ____ in non metropolitan ____?

Do ____ are of seasonal ____ wastewater ____ prices ____ of the metropolitan region?

____ there ____ that show the ____ Wastewater ____ on demand in ____ areas?

Can ____ tell ____ public about the ____ prices outside ____ the metropolitan region?

Does ____ the price of ____ changing ____ demand in ____?

____ any ____ say how seasonal ____ the price of ____ in ____ or non ____ wastewater?

____ information can ____ on ____ wastewater in ____ non ____ if there is ____ seasonal effect?

____ be records of price ____ seasonal ____ variations ____ outside the ____ that Wastewater ____ serve.

____ information about how ____ affects ____ utilities in ____ metropolitan ____ of Wastewater Services?

____ price variations triggered by seasonal ____ patterns in ____ of Wastewater ____?

____ information ____ seasonal demand-based pricing ____ for Wastewater Utilities?

____ of ____ non metropolitan ____ of Wastewater Services ____ be impacted ____ demand.

____ you discuss ____ on wastewater rates ____ of metro areas?

____ know if seasonal demand ____ the prices ____ utilities in ____ or ____ metropolitan ____ wastewater?

____ can ____ price changes ____ on ____ demand variations ____ outside the ____ served ____ wastewater utilities.

____ there ____ information ____ demand ____ on prices ____ utilities outside ____ regions?

____ a seasonal demand ____ pricing wastewater ____ outside metropolitan ____?

____ possible I can ask ____ demand effects on wastewater ____ outside of ____?

____ you tell us ____ pricing in rural and ____ due ____ in ____ service areas?

____ to give ____ on ____ will result in price variations in ____ urban ____ rural Wastewater

There ____ be records of price ____ depending ____ inside and ____ served by ____.

Can you describe ____ effects of seasonal ____ wastewater ____ outside ____ the ____?

____ know ____ the effects ____ seasonal demand ____ utility prices ____ of metropolitan ____?

What is the seasonal ____ prices ____ by ____ utilities?

____ possible ____ give information about seasonal demand ____ that ____ lead ____ price variations ____ both ____ rural ____?

____ are ____ wastewater ____ spots and metros, so ____ have data on ____?

____ we ____ about the seasonal ____ wastewater ____ outside ____ areas?

____ possible ____ me about the seasonal demand effects ____ pricing ____ the metropolitan area?

There are any records ____ price changing ____ variations ____ demand outside ____ areas ____ Wastewater.

____ you know ____ effects ____ seasonal ____ on ____ prices outside ____ metropolitan areas?

____ you know ____ demand ____ of pricing ____ utilities ____ metropolitan regions?

Is ____ to demonstrate ____ varies depending on season-specific ____ requirements ____ or ____ urban wastewater ____ centers?

____ seasonal demand in ____ prices of utilities offered by ____ wastewater ____ metropolitan areas?

____ we access the ____ regarding the price fluctuations ____ consumer ____ and outside ____ that ____

Can you tell ____ about ____ variations ____ demand ____ urban ____ rural ____ of Wastewater Utilities?

____ information ____ you give ____ the pricing ____ wastewater ____ in the event of a ____?

Do ____ know the ____ of ____ demand on ____ prices outside of ____?

____ are any ____ changing because of ____ outside ____ served by Wastewater.

____ the ____ with seasonal demand prices ____ in non-metropolitan ____?

____ effect does ____ have on wastewater ____ prices ____ of ____ metropolitan ____?

Is it ____ you can ____ me ____ of wastewater utilities ____ metropolitan regions?

There may be ____ depending ____ in and outside the metropolises serviced by ____.

Depending ____ seasonal ____ inside ____ outside the ____ by Wastewater ____ could ____ records of price ____.

What ____ provide ____ pricing of wastewater in non metropolitan ____ is a seasonal ____?

____ at ____ demand for ____ offered by ____ wastewater ____ in non- metropolitan ____?

____ tell ____ seasonal demand ____ wastewater utility prices outside of ____?

Is ____ data ____ effects of seasonal demand ____ prices in urban ____ areas ____?

What ____ demand prices ____ non ____ areas supplied ____ Wastewater ____?

Do ____ based on demand during different ____ places with Wastewater?

____ a ____ effect on ____ of the ____ utilities ____ non ____ regions.

Do wastewater prices ____ between ____ metropolitan and non-metro ____?

Can you tell me about ____ fluctuations ____ seasonal ____ the ____ areas ____ Wastewater Utilities?

____ data be accessed regarding ____ fluctuations ____ needs both inside ____ outside ____ covered ____ Wastewater ____?

Can you ____ about ____ fluctuations ____ and outside ____ metropolitan ____ by Wastewater ____?

____ there any information ____ demand effects ____ prices ____ outside of metropolitan ____?

____ prices of ____ metropolitan areas ____ Wastewater Services ____ influenced ____ demand.

Is ____ showing ____ of Wastewater changing on demand ____ areas?

Due to ____ patterns ____ you ____ us pricing ____ urban and rural ____?

In and ____ wastewater utilities' ____ do seasonal demand patterns ____?

____ does seasonal demand affect ____ metropolitan or non-metropolitan locations by ____?

Can you ____ people ____ effects of seasonal demand ____ utility ____ of ____?

____ to seasonal demand patterns in ____ Utility service ____ can ____ us ____ and rural ____?

____ the public about ____ demand on wastewater ____ outside the ____ area?

____ tell ____ public ____ the seasonal demand on ____ utility ____ the ____ regions?

Can ____ evidence show how ____ varies depending ____ requirements near or ____ urban wastewater service ____?

There may be ____ of ____ depending ____ variations ____ and outside the metropolises served _____.

____ there a seasonal effect ____ of ____ utilities outside ____ metropolitan ____?

____ and non-metropolitan ____ with Wastewater, are ____ any ____ showing ____ fluctuations based ____?

____ the ____ change ____ on demand ____ different times in ____ with Wastewater?

Can ____ about ____ Utility pricing in ____ rural areas due ____ seasonal demand ____?

Can you ____ effects of wastewater costs outside ____ areas?

What ____ the ____ with ____ prices in non-metropolitan ____ provided ____ Utilities?

There are ____ records ____ changing due ____ in and ____ provided ____ Wastewater.

____ case ____ seasonal ____ what ____ can ____ about the pricing of ____ in non ____?

Is ____ to ____ an ____ of the ____ in ____ for seasonal items within and ____ the ____ Wastewater ____?

I would ____ know ____ you can ____ about the ____ demand effects of ____ wastewater ____ regions.

Is ____ the effects of seasonal ____ on ____ prices ____ urban ____ rural ____?

____ could ____ price changes depending on ____ demand ____ and outside ____ metropolises served ____ Utility.

What is ____ seasonal ____ of Wastewater ____ areas?

Do you ____ seasonal demand affects ____ prices ____ utilities provided ____ metropolitan or ____ locations ____?

There may be records ____ price changes depending ____ demand variations ____ outside ____ served by _____.

Are ____ seasonal demand effects on pricing ____ outside ____?

____ information ____ seasonal demand-based pricing ____ locations available under ____ jurisdiction?

Does any ____ say ____ demand affects ____ of utilities ____ metropolitan areas ____ metropolitan ____ wastewater?

Is there ____ proof ____ the cost ____ on season specific ____ near ____ urban wastewater ____ centers?

____ price variations ____ by ____ demand patterns ____ rural areas served by Wastewater ____?

Can ____ tell me ____ seasonal ____ effects ____ prices outside ____ the metropolitan ____?

____ it possible to find ____ the effects of ____ prices ____ rural ____ Wastewater Utilities?

Do you ____ effects of ____ wastewater utility ____ metropolitan regions?

Do you ____ the effects of seasonal demand on ____ metropolitan ____?

____ it possible to ____ fluctuations ____ by seasonal consumer needs ____ and ____ by Wastewater ____?

____ on seasonal demand ____ inside ____ outside of the ____ serviced by ____ may be ____ price _____.

____ about the seasonal impact of ____ outside ____ metropolitan areas?

____ say how seasonal demand affects the ____ areas ____ metropolitan locations for Wastewater?

____ the prices change depending ____ demand ____ and ____ places ____?

____ on seasonal ____ variations outside ____ metropolises ____ Wastewater Utilities, ____ may ____ records ____ price _____.

There ____ be ____ depending on seasonal demand ____ and ____ metropolises ____ by wastewater utilities.

Is it ____ that there ____ demand effects on ____ the wastewater ____ regions?

____ tell the public what ____ effects are ____ demand ____ prices outside ____ the metropolitan ____?

Is there ____ seasonal effect ____ of ____ utilities outside ____ areas?

There are any records of ____ to ____ outside ____ metropolises provided ____ Wastewater

_____ be records _____ price _____ onseasonal _____ variations inside _____ outside _____ metropolises served by wastewater _____.

Can you _____ the _____ what the _____ on _____ utility prices outside of _____ areas?

What _____ can _____ the pricing _____ wastewater in non metropolitan regions if there _____?

There _____ records _____ price changes depending _____ seasonal _____ of the _____ by _____ Utility.

_____ the seasonal _____ price in the non-metropolitan _____ Utilities?

_____ you _____ me _____ fluctuations in the _____ of seasonal items _____ and _____ metropolitan areas _____ Wastewater _____?

Are _____ demand-based _____ in urban _____ non-urban _____ under _____ Utilities _____?

What _____ the _____ seasonal demand _____ fluctuations _____ metro areas by _____ Utilities?

What _____ the situation _____ seasonal _____ price _____ in non _____ by _____ Utilities?

_____ can _____ give on _____ pricing _____ wastewater in the non metropolitan _____ are _____ effects?

Do wastewater _____ change _____ on _____ in _____ non-Metro regions?

Are wastewater utility _____ affected by _____ regions?

_____ on _____ variations _____ and outside _____ metropolises _____ by Wastewater _____ prices _____ change.

Can _____ tell _____ public about the impact _____ seasonal _____ on wastewater _____ the _____?

_____ prices vary at _____ times _____ in metropolitan _____ metropolitan regions?

Are there _____ variations triggered _____ seasonal _____ in _____ and rural _____?

In case _____ any _____ effects, _____ information can you _____ the _____ the non metropolitan _____?

_____ in price due _____ seasonal demands for wastewater in _____?

_____ any records of _____ because of _____ in demand _____ metropolitan areas _____ Wastewater.

Can you give _____ public _____ idea _____ the effects of _____ on wastewater _____ the _____?

What effect _____ seasonal demand _____ on wastewater _____ regions?

_____ may be _____ price _____ on seasonal demand variations in and _____ metropolises served _____

What _____ seasonal _____ prices for non-metropolitan _____ supplied _____?

_____ it _____ you can _____ about _____ seasonal _____ on _____ wastewater utilities in non metropolitan _____?

Is _____ possible to give _____ on _____ demand _____ result in _____ in both urban and _____.

Is there _____ information _____ on _____ of wastewater utilities _____ regions?

There _____ demand patterns in _____ areas served by _____ Utilities _____ price fluctuations.

_____ is the _____ demand prices in _____ areas _____ by _____ utilities?

_____ information can _____ provide on the _____ of _____ in the non _____ any seasonal _____?

_____ there seasonal patterns _____ demand _____ price fluctuations outside _____ areas?

Is _____ a seasonal _____ pricing _____ utilities outside _____ metropolitan areas?

Is _____ to give information on seasonal _____ patterns _____ to price _____ in _____ Wastewater?

_____ it possible you can tell _____ demand effects _____ pricing _____ utilities in _____ regions?

_____ information _____ the _____ of wastewater _____ the _____ metropolitan _____ the event of seasonal demand?

_____ there a _____ pattern _____ and price fluctuations _____ Wastewater Utilities' metropolitan _____?

Can you _____ the _____ of seasonal _____ on _____ prices outside _____ metropolitan area?

There _____ records of price _____ seasonal _____ outside _____ metropolises serviced by Wastewater Utilities.

_____ it possible _____ get price fluctuations _____ by seasonal consumer needs _____ outside _____ covered _____ Wastewater _____?

In _____ any _____ demand, _____ can you give _____ non metropolitan regions?

_____ tell _____ triggered by seasonal _____ patterns _____ both urban _____ rural areas of Wastewater Utilities?

_____ you tell _____ seasonal effects _____ wastewater costs _____ of metropolitan _____?

_____ case of _____ seasonal _____ what information _____ you give on _____ pricing _____ the _____?

Is _____ possible _____ can tell _____ about the seasonal effects _____ wastewater _____?

_____ information about _____ seasonal effects of wastewater _____ of metropolitan _____?

Do _____ know _____ demand _____ prices of _____ metropolitan or non-metropolitan _____ by _____ systems?

Can you _____ about pricing _____ urban _____ rural _____ due _____ seasonal demand _____ Wastewater _____?

_____ to _____ patterns in _____ can _____ give _____ pricing information _____ urban and _____ areas?

Do you know about _____ demand _____ on _____ utilities in _____?

Is it _____ can _____ me about the effects _____ on wastewater _____ metropolitan regions?
 _____ you tell _____ on wastewater utility _____ outside of _____ areas?
 _____ anyone been _____ at the seasonal _____ in determining _____ of _____ wastewater systems?
 Are _____ any effects _____ demand _____ utility prices outside _____ metropolitan _____?
 _____ information can you provide _____ the _____ of wastewater in _____ case of _____?
 _____ the _____ with _____ and _____ for _____ areas by wastewater utilities?
 Does _____ price of _____ utilities vary _____ metropolitan and _____ metropolitan _____ during _____ of _____?
 Is it possible I _____ about the seasonal demand _____ metropolitan _____?
 _____ between the times _____ the year in metropolitan _____ non-metro _____?
 _____ utility prices _____ in metro and non- _____?
 Can we _____ the _____ by seasonal consumer _____ inside _____ of _____ that _____?
 In _____ seasonal demand, what information _____ the pricing _____ wastewater _____ non metropolitan regions.
 Do _____ the times _____ year _____ metropolitan and non-Metro _____?
 In _____ any seasonal _____ wastewater _____ in _____ non metropolitan _____ information _____ you give?
 Can _____ tell _____ seasonal effects are on _____ utility _____ outside _____ the _____ region?
 _____ the _____ effects on _____ costs outside of _____ areas?
 Is it _____ can _____ me about _____ seasonal demand _____ on _____ utility _____ outside of _____?
 Can _____ tell _____ effects of _____ demand _____ Wastewater rates outside _____ metro _____?
 Can _____ tell _____ public _____ the effect is of seasonal demand _____ rates _____?
 What _____ the _____ seasonal demand _____ price fluctuations for _____ by _____ Wastewater _____.
 What information _____ about _____ pricing of wastewater _____ non _____ in case _____ demand?
 _____ wastewater _____ prices outside the metropolitan area?
 _____ it _____ to tell the public _____ effects _____ demand on _____ utility prices _____ region?
 How about _____ demand effects _____ pricing _____ wastewater _____ of _____?
 What is _____ demand _____ price _____ for _____ Wastewater Utility?
 Can _____ tell _____ pricing of the wastewater utilities _____ non metropolitan _____?
 Do you know _____ of _____ seasonal demands for wastewater _____ metros?
 _____ research show how _____ the prices of _____ metropolitan _____ or non- _____ locations for _____
 Can _____ about the seasonal _____ costs _____ of metropolitan _____?
 _____ that you can _____ me _____ seasonal _____ effects on _____ utilities _____ non _____ regions?
 In case of seasonal _____ what can you tell _____ of _____ the non _____?
 Is there _____ seasonal _____ pricing of the _____ in _____ metropolitan _____?
 Does anyone have _____ that shows the _____ on _____ non-Metropolitan areas?
 What _____ effect _____ on wastewater utility prices outside _____ metropolitan _____?
 What _____ you _____ on the _____ in the _____ metropolitan regions, in case _____ seasonal _____?
 _____ research _____ how seasonal _____ affects _____ of utilities _____ areas or _____ metropolitan locations _____ wastewater.
 Is _____ give information _____ patterns that _____ variations in both _____ and rural Wastewater
 Due _____ demand patterns _____ Wastewater _____ you _____ us pricing information for _____ and _____?
 Has anyone _____ at the seasonal _____ prices of utilities _____ non- _____?
 _____ may be _____ changes based _____ seasonal demand _____ and _____ the metropolises served _____ Utilities.
 _____ pricing in urban and rural areas _____ to seasonal _____?
 Can _____ about the _____ of wastewater _____ of _____ metropolitan region?
 Do there seasonal patterns of _____ within _____ outside Wastewater _____?
 _____ you have data about variation _____ seasonal _____ for wastewater _____ spots _____?
 Can you _____ pricing _____ rural areas due to _____ demand _____ Wastewater _____?
 In _____ a _____ effect on wastewater _____ in the _____ regions, what information _____?
 Can you tell me about _____ demand _____ on _____ utility _____ outside _____?
 _____ is a seasonal _____ you give about the _____ of _____ in the _____ regions?
 _____ would like to _____ what _____ are on wastewater utility prices _____ regions.

The _____ wastewater utilities _____ metropolitan regions _____ affected _____ demand.

_____ to wastewater utilities in urban _____ non-urban locations?

Due _____ seasonal demand patterns of Wastewater _____ about pricing _____ urban and _____?

Can _____ give _____ overview of _____ for seasonal items _____ and _____ of _____ metropolitan areas with _____?

Is _____ see the _____ of _____ changing on _____ in _____ metropolitan _____?

_____ we access _____ price _____ consumer _____ both inside and _____ of _____ that _____?

There may _____ price changes _____ on seasonal demand _____ inside _____ out _____ the _____ serviced by _____.

_____ there _____ information _____ demand _____ wastewater _____ prices outside of metropolitan _____?

Are there _____ effects _____ wastewater utility _____ of _____?

There _____ be _____ price changes _____ demand variations _____ metropolises served _____ wastewater utilities.

_____ what effect _____ has on wastewater utility prices _____ of _____ regions?

I want to know _____ effects are of _____ on wastewater _____ the _____.

_____ way to know about the seasonal _____ effects _____ wastewater utility prices _____?

Do _____ have _____ on the variation _____ due _____ seasonal _____ in spots _____ metros?

_____ you _____ the _____ on _____ utility prices outside of metropolitan _____?

What information _____ you _____ on the pricing _____ areas, in _____ seasonal effects?

I need _____ know about _____ caused _____ seasonal demands in _____ of the _____ for _____.

Can _____ tell the public about _____ effects _____ seasonal demand on _____ the _____?

_____ you _____ tell _____ seasonal _____ on _____ utility prices outside of _____ regions?

Depending _____ seasonal demand _____ the _____ Wastewater _____ may _____ records of price changes.

_____ any _____ show _____ demand _____ the _____ of _____ metropolitan _____ or _____ metropolitan locations for wastewater.

Is it _____ information on _____ which may result _____ price variations _____ both _____ and rural _____?

Can _____ explain _____ seasonal _____ on _____ utility prices outside _____ metropolitan _____?

_____ tell _____ about the effects of seasonal _____ wastewater utility _____ the _____?

Is _____ any proof _____ the cost _____ according to _____ requirements _____ or far _____ urban _____ service _____?

_____ the _____ seasonal demand and price _____ for _____ areas _____ Utilities.

Depending on seasonal demand variations inside and _____ areas _____ Wastewater Utility, _____ may _____.

_____ case _____ any _____ information do you _____ the pricing _____ wastewater in the non _____?

Can you tell _____ pricing in urban and rural areas _____?

_____ data be _____ regarding _____ fluctuations influenced _____ consumer _____ in _____ inside and outside metropolises _____ utilities?

There _____ records of _____ depending on seasonal demand within and _____ Wastewater utilities.

_____ the _____ demand _____ non-Metropolitan areas by the Wastewater Utility?

Is it _____ information _____ demand _____ can _____ variations _____ both urban and rural Wastewater?

_____ you know _____ the _____ is _____ seasonal _____ prices outside _____ metropolitan regions?

There may be records of _____ changes depending _____ seasonal _____ variations within and _____ of _____.

_____ there _____ patterns of _____ price variations _____ and _____ areas for _____ Utility?

_____ possible _____ how the cost _____ on season _____ consumer _____ near _____ far from urban wastewater _____?

_____ you _____ tell me about _____ demand _____ wastewater utility _____ of metropolitan regions?

Is it possible _____ find _____ urban and rural areas _____ Wastewater _____?

Is _____ to _____ cost varies _____ on season _____ consumer _____ near or _____ wastewater service centers?

_____ there seasonal _____ of _____ utilities outside _____ metropolitan regions?

Is it _____ give information on seasonal demand _____ that _____ price variations _____ both _____ rural _____

Can _____ about the seasonal effect _____ costs _____ of metropolitan _____?

Do you _____ of _____ on wastewater rates outside of _____?

Depending _____ demand variations _____ and _____ the _____ by Wastewater _____ can be records of _____.

_____ any records _____ changing _____ demand outside the metropolitan areas served by _____.

In _____ of any _____ what _____ can _____ provide _____ the wastewater pricing _____ non _____ regions?

_____ tell the public _____ effects of _____ demand on wastewater rates _____?

_____ the _____ about _____ effects of _____ demand on _____ rates outside _____ metro _____?

_____ have _____ to information on how _____ affects _____ prices of utilities in _____ metropolitan _____ ?

_____ situation with _____ demand prices _____ Wastewater utilities _____ areas?

Do _____ have _____ about _____ due _____ seasonal demands _____ spots and metros?

Do we _____ access _____ seasonal demand _____ the prices of _____ non _____ of Wastewater Services?

_____ the _____ seasonal demand on wastewater rates outside of _____ areas.

Can you tell _____ the _____ in _____ and rural _____ due to _____ in _____ ?

There may be _____ changes depending _____ inside and outside _____ serviced _____ Utilities.

There _____ records of price change _____ demand _____ of the metropolises _____ .

_____ pricing _____ wastewater _____ metropolitan regions in the event of _____ effect?

I would _____ to _____ the _____ of seasonal _____ on _____ rates _____ metro _____ .

Are price fluctuations _____ consumer needs in _____ and _____ metropolitan areas _____ utilities?

_____ you tell people the effects of _____ utility _____ metropolitan areas?

_____ the _____ what _____ is _____ on wastewater utility _____ outside of the metropolitan area?

Do _____ know _____ on pricing _____ the wastewater utilities _____ metropolitan regions?

What is _____ situation with _____ prices _____ non-metropolitan _____ Wastewater utilities?

_____ wastewater _____ times of _____ year _____ metropolitan _____ non-metro areas?

When there _____ seasonal _____ in _____ areas and _____ areas outside _____ what _____ is _____ the _____ ?

Is it possible you can tell me _____ wastewater _____ prices _____ of _____ regions?

_____ inside and outside of the metropolises served _____ Wastewater utilities there _____ price changes.

In _____ a seasonal effect, _____ information _____ you give _____ of wastewater _____ the non _____ .

Does _____ how seasonal _____ affects _____ prices _____ in _____ non- metropolitan locations for wastewater?

Can you _____ public _____ of _____ demand on wastewater utility prices _____ metropolitan area?

_____ would like to _____ seasonal demand _____ pricing of _____ outside metropolitan _____ .

What _____ demand prices _____ in non- metropolitan areas?

_____ there _____ any seasonal _____ information can you give _____ the _____ the _____ metropolitan regions?

_____ you tell us _____ seasonal effects _____ costs outside _____ ?

If there is a seasonal effect, _____ about _____ pricing _____ wastewater _____ metropolitan regions?

_____ information _____ give _____ of wastewater _____ non metropolitan regions in _____ of _____ seasonal demand?

Is there _____ effects on _____ pricing of _____ utilities _____ non _____ ?

_____ the seasonal demand _____ for _____ metropolitan areas _____ by _____ ?

Is there _____ way to _____ the _____ of _____ in non metropolitan _____ Wastewater Services?

Does Wastewater _____ have _____ seasonal demand-based _____ changes in _____ non-urban _____ ?

Are _____ influenced _____ needs _____ inside _____ metropolises covered by Wastewater utilities possible?

_____ the public _____ effects of _____ rates outside of the metro _____ ?

Can you _____ the _____ of _____ demand on wastewater _____ of a _____ ?

_____ there _____ information _____ changes _____ metro _____ non-metro zones connected _____ Wastewater utilities?

_____ tell the _____ effect is of _____ on wastewater utility prices outside of _____ ?

Can _____ the _____ the effects of seasonal demand _____ in other _____ ?

Is _____ possible _____ the public _____ effects _____ demand on wastewater _____ prices outside _____ metropolitan _____ ?

_____ the _____ demand on _____ utility prices _____ of metropolitan regions?

Can you _____ me _____ there _____ a seasonal _____ on _____ of _____ in the _____ metropolitan _____ ?

What data exists _____ fluctuations _____ seasonal _____ in both metropolitan _____ non-metropolitan _____ of _____ .

_____ there _____ effect of seasonal _____ wastewater utility _____ the metropolitan _____ ?

_____ you tell _____ the effects _____ demand on wastewater _____ of _____ ?

_____ possible you can _____ me about _____ of pricing _____ outside _____ metropolitan regions?

_____ seasonal _____ on pricing of wastewater utilities _____ of _____ ?

_____ change _____ variations _____ and outside the metropolises _____ by wastewater utilities.

_____ is the _____ of _____ non metropolitan _____ case of _____ demand?

_____ it possible _____ can _____ me about the _____ wastewater utilities in non _____ ?

_____ tell us about _____ and rural areas due to seasonal demand _____ ?

____ it ____ to give information on seasonal ____ could ____ price variations ____ rural ____ urban Wastewater?
 What ____ the seasonal demand ____ price fluctuations for ____ areas ____?
 ____ you tell the ____ the ____ seasonal ____ on wastewater ____ prices ____ areas?
 ____ utilities in non ____ of Wastewater Services ____ be ____ by seasonal ____.
 ____ case ____ seasonal effects, ____ information ____ the pricing of ____ in ____ non metropolitan ____?
 In ____ non-Metropolitan places ____ prices change based ____ demand?
 ____ you tell ____ public what ____ seasonal ____ on ____ utility ____ outside the ____?
 Can ____ public of the effects of ____ on ____ outside of ____?
 ____ data about ____ in price due to ____ wastewater ____ spots ____ metros?
 ____ it possible ____ provide ____ pricing ____ urban and ____ areas due ____ seasonal demand ____ Utilities?
 ____ any seasonal ____ what ____ you tell ____ about ____ pricing of wastewater ____ the non ____?
 Is ____ possible ____ see ____ seasonal demand ____ prices ____ utilities ____ non metropolitan ____ of Wastewater ____?
 Can you tell ____ fluctuations in ____ seasonal items ____ of ____ areas that Wastewater?
 How seasonal demand ____ the prices of ____ of ____ Services
 ____ impact ____ seasonal demand on ____ within ____ beyond urban ____ that rely on Wastewater ____?
 Do ____ prices ____ depending ____ of year ____ non- metropolitan ____?
 Can data ____ the cost fluctuations ____ patterns ____ outside wastewater utility-served ____?
 What ____ seasonal demand ____ for Wastewater utilities ____ the ____?
 Is ____ possible ____ provide ____ seasonal ____ may result in price variations in ____ urban ____ Wastewater.
 ____ may be ____ changes ____ on seasonal demand ____ the metropolises served ____ Wastewater utilities.
 ____ seasonal ____ effects on wastewater ____ outside ____ metropolitan regions ____?
 ____ prices ____ the ____ of year in metropolitan and ____ metro ____?
 Has anyone ____ in determining prices ____ utilities ____ non- metropolitan ____?
 What information ____ you provide ____ the ____ in ____ regions, in ____ of seasonal demand?
 Can you ____ the public ____ effect ____ demand ____ rates outside ____ areas?
 The ____ of ____ non ____ of ____ can be impacted ____ seasonal demand.
 Can you ____ demand ____ utility prices outside of ____ metropolitan region?
 ____ we have access ____ information ____ how seasonal demand affects ____ utilities ____ non ____ areas ____ Wastewater ____?
 What ____ the seasonal ____ prices ____ utilities in ____ non-metropolitan ____?
 Do ____ seasonal patterns ____ price fluctuations within ____ outside of ____ metropolitan ____ Wastewater ____?
 ____ case ____ effects, what information can you ____ the pricing ____ wastewater in ____?
 Is ____ information ____ seasonal demand ____ pricing of ____ outside metropolitan ____?
 ____ a seasonal ____ the ____ of wastewater utilities outside ____ areas?
 ____ any records of price changing due ____ variations ____ outside the ____ Wastewater
 ____ be records ____ on seasonal ____ variations within and outside ____ metropolises ____ Wastewater
 Utility.
 Do there ____ of demand and ____ of metropolitan ____ Wastewater ____?
 Are seasonal ____ effects on ____ in non metropolitan regions ____?
 Is ____ seasonal demand ____ of ____ metropolitan regions?
 ____ of a ____ demand, what ____ you provide on the pricing of wastewater ____?
 ____ be records of ____ changes according to ____ and outside the metropolises serviced ____.
 Is there data ____ impact of seasonal demand ____ or beyond ____ regions ____ Utilities?
 ____ it ____ to ____ the public about the effects ____ prices ____ the metropolitan area?
 ____ can ask about how ____ the prices of ____ in ____ Services.
 Can ____ tell ____ public the ____ prices outside the metropolitan area?
