

[Demo] NLP Dataset for Customer Service Automation

Company Type	Health Insurance Companies
Inquiry Category	Reimbursement eligibility for medical expenses
Inquiry Sub-Category	Preventive care coverage
Description	Customers want to know the extent of coverage for preventive health services, such as vaccinations, screenings, annual check-ups, and counseling, and whether reimbursement is available for these expenses.
Data Size	5,035 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Health Insurance Company" customer inquiry. (Purchased data will not be masked.)

____ percentage will I ____ for prevention-based ____ instead ____ treatment-based?
 ____ the percentage returned ____ genetic ____ at ____?
 When opting for ____ based genetic ____ what ____ amount?
 When ____ genes checked ____ versus waiting ____ treating, ____ you fill me in ____ big ____?
 How ____ would ____ reimbursed ____ I ____ prevention-based genetic testing ____?
 Can I receive reimbursement ____ choosing ____ treatment?
 ____ I get ____ genes checked upfront ____ and ____ give me a refund rate ____?
 ____ proportion ____ I get ____ I ____ preventative-focused genetic ____?
 Would I ____ selecting ____ testing ____ treatment options?
 ____ it possible to ____ reimbursement ____ genetic ____ over treatment?
 How ____ will ____ genetic ____ get you ____?
 ____ proportion will I ____ if ____ prevention-focused genes?
 ____ much would ____ back if ____ took ____ instead of ____?
 What is the potential ____ for ____ genetic ____ instead of ____?
 ____ there ____ percentage ____ genetic testing focused on ____ instead of ____?
 ____ will ____ get ____ preventative genetic testing ____ treatment-based?
 ____ there any ____ choosing prevention-based genetic ____ treatments?
 ____ is the reimbursement ____ for preventative ____ compared ____ tests ____ diagnosis ____?
 ____ percentage for preventative ____?
 What is the ____ genetic ____ aiming at ____?
 Can you give ____ for prevention-focused ____ testing?
 What's the percentage ____ refunds ____ tests ____ at ____?
 Is the ____ for ____ genetics test instead ____ treatment?
 When ____ get my refunds, ____ to ____ how much I ____ prevention based ____ instead ____.
 ____ you ____ us ____ exact refund ____ for ____ testing ____ focused on ____?
 Is ____ a reimbursement for opting for ____ treatment ____?
 ____ there any reimbursement ____ genetic testing ____ options?
 ____ I ____ a reimbursement ____ prevention-based ____ over treatment?

____ I get ____ upfront ____ and treating, can you give me ____ rate.
 ____ my ____ be ____ choose ____ over treatment-based genes?
 ____ if I deserve a proper ____ choosing ____ gene ____ crummy treatments.
 If I choose ____ genetic testing ____ of treatment, ____ reimbursement?
 ____ the return percentage for ____ genetic ____?
 ____ it possible to ____ for preventative ____ testing over ____?
 ____ it possible to get ____ good ____ choosing ____ tests ____ ones?
 Do ____ know the ____ genetic testing ____ on ____ rather than treatments?

 ____ tell me ____ payback rate ____ prevention-based Gene ____?
 ____ over treatment-related options, how ____ would ____ get in reimbursement?
 How much ____ the reimbursement ____ get if ____ Testing over ____?
 ____ choose ____ genetic ____ over treatment-related options, what ____ of ____ I ____?
 What ____ of ____ will ____ get ____ Genetic Testing rather than ____?
 I want ____ what the refund rate will ____.
 ____ I get my refunds, ____ want to ____ much I ____ based ____ versus treatment.
 ____ amount ____ reimbursement ____ be given ____ choose Genetic Testing ____?
 If ____ prevention-based ____ what amount of reimbursement will ____ get?
 ____ get a ____ refund ____ for ____ genetic testing ____ for ____?
 ____ is ____ refund rate for ____ rather ____ treating ____?
 Is ____ percentage return for ____ preventative genes over lousy treatments?
 Is ____ possible to ____ prevention-based genetic testing ____ related options?
 ____ reimbursed for ____ tests aiming at ____?
 ____ is the reimbursement ____ for ____ genetics test ____ treatment?
 Do ____ reimbursement ____ prevention-based genetic testing over ____ options?
 What percentage ____ returned ____ genetics, compared ____?
 What refund ____ applies to ____ designed ____?
 What amount ____ reimbursement ____ I ____ preventative genetic testing over the ____?
 What is the ____ preventative ____ compared to tests related ____?
 How much ____ potential refunds for ____ prevention?
 ____ there a ____ for ____ prevention ____ genetic testing ____ options?
 ____ choose ____ preventative ____ test over treatment, what amount ____ get?
 ____ decide to ____ prevention-based ____ much will ____ get back?
 I want ____ know ____ rate for ____ genetic ____.
 ____ you ____ the ____ of refunds ____ genetic ____ that ____ prevention-focused?
 If I ____ to ____ DNA ____ much ____ get back?
 Can ____ tell me ____ of ____ refund for ____ tests?
 ____ tell me the ____ of ____ for ____ gene ____?
 Would I ____ choosing preventative genetic ____ over ____?
 What amount ____ potential ____ are there ____ gene tests ____ emphasize ____?
 ____ am ____ if I receive ____ percentage for ____ than for ____.
 What ____ % payback on ____ tests ____ prevention?
 ____ for opting for ____ genetic testing over ____ options?
 When opting ____ prevention-based ____ focused ones what ____ the ____ reimbursement amount?
 ____ I choose ____ genetic tests over ____ of reimbursement ____ receive?
 ____ want ____ know how ____ I will ____ based genetic testing ____ to treatment ____ receive ____ refunds.
 ____ I get my ____ upfront versus waiting ____ treating, ____ you give me ____?
 ____ me the ____ for genetic ____ focused on prevention?
 ____ the ____ refunds if ____ go preventive instead of ____?
 ____ amount ____ if I choose prevention-based ____ testing ____ treatment related ____?

____ choosing ____ preventative ____ test ____ of ____ big ____ the reimbursement?
 I ____ if ____ deserve a ____ return for ____ for preventative gene ____ crummy ____.
 ____ I get ____ money ____ if I ____ DNA testing instead ____?
 ____ the ____ for opting for ____ genetics ____?
 ____ I choose ____ Testing ____ of ____ amount of reimbursement ____ I get?
 If I ____ proportion will ____ get back?
 I ____ to know ____ I will ____ lower percentage ____ than for ____.
 ____ is the % ____ genetic tests ____ prevention?
 ____ you tell me ____ the refund for genetic ____ focused?
 ____ amount of ____ will be ____ if ____ use ____ genetic ____ over ____?
 I need ____ the ____ for preventative ____ tests.
 ____ choose preventative gene testing instead ____ traditional diagnostics, ____ I ____?
 ____ amount ____ will ____ I choose prevention-based ____ tests over ____ treatment options?
 ____ much ____ I ____ if I ____ DNA testing over ____?
 What amount ____ I ____ if ____ choose ____ genetic testing ____ treatment?
 Would I ____ reimbursed ____ prevention-based ____ instead of ____ options?
 ____ a preventative approach ____ my ____ in relation to ____?
 Would I ____ any ____ chose ____ genetic testing ____ treatment?
 ____ percentage ____ returned ____ genetic test instead of ____?
 ____ I ____ a lower ____ for preventative genetic ____ for ____?
 ____ I ____ my refunds, ____ to ____ how much I receive for ____ based ____ treatment.
 ____ give a ____ for the ____ prevention-focused genetic ____?
 ____ possible that ____ a proper percentage return for ____ preventative gene testing ____ lousy ____?
 What percentage ____ returned ____ genetic ____ instead ____?
 How ____ reimbursement ____ for a ____ genetics test?
 What ____ reimbursement will ____ get ____ choose ____ over treatment options?
 ____ emphasize prevention over treatment, how ____ are ____?
 Can you ____ exact ____ of ____ focused on prevention ____ than treatments?
 ____ like ____ if ____ would be reimbursed for ____ testing over ____ options.
 What ____ reimbursement can ____ expect ____ choose ____ genetic ____ over ____ options?
 When ____ get ____ versus waitin' ____ treatin', can ____ give me ____ refund rate?
 What ____ of reimbursement ____ I ____ if ____ Genetic ____ treatment?
 Do ____ percentage ____ for choosing ____ testing ____ bad treatments?
 If I ____ preventative gene testing ____ I be reimbursed?
 ____ I get reimbursement ____ choosing ____ testing ____ options?
 Should ____ for choosing prevention-based ____ testing ____ treatment ____?
 Do I ____ return for choosing preventative ____ treatment?
 ____ preventative ____ testing over traditional diagnostics ____ explore ____ cures, how ____ be ____?
 Will ____ affect ____ reimbursement ____ relation ____ genetics specific exams versus ____ during this process period?
 What ____ will I receive if ____ choose ____ based ____ over ____?
 ____ choose prevention based genetic ____ amount ____ will I ____?
 ____ get my genes checked upfront rather ____ and ____ you please ____ me ____ refund ____?
 What ____ received for ____ genetic ____ instead ____ treatment-based?
 How much ____ be reimbursed if I choose ____?
 ____ much ____ potential rebates are there ____ genes that ____ prevention ____?
 I ____ know ____ of refunds for ____ genes.
 ____ amount ____ reimbursement ____ if ____ choose prevention-based genetic tests over ____?
 Can ____ us an ____ refund percentage ____ testing ____ on ____?
 How ____ the reimbursement ____ opting ____ a preventative ____?
 What amount of ____ will ____ if ____ prevention-based ____ testing ____ treatment ____?

When opting ____ a prevention-based ____ test, ____ is ____ potential ____?

How much will I get ____ genetic ____ of ____ treating ____?

____ the ____ for prevention-based genetic tests instead of treatment-focused ____?

____ choose prevention-based ____ testing over treatment-related ____ I ____ in reimbursement?

____ return ____ prevention-focused genes?

If ____ genetic testing ____ treatment, what ____ of reimbursement?

What is the payback rate ____ preventive ____ ones?

____ amount of ____ will ____ if ____ genetic tests rather than ____?

What ____ be ____ genetic test instead ____ treatment-based prevention?

____ amount of reimbursement do ____ get ____ prevention-based genetic ____ treatment ____?

If I ____ gene ____ much will be ____?

____ I ____ prevention-based Genetic Testing over treatment, ____ amount ____ get?

____ I get a lower refund ____ for preventative ____ the one ____?

Can ____ tell ____ about the percentage of ____ for ____?

Is ____ any ____ for choosing ____ testing over ____ related ____?

Is it ____ me ____ refund ____ for genetic ____ focused on prevention rather ____?

Would I receive ____ reimbursement ____ chose prevention-based genetic ____?

What's the % ____ tests ____ at ____?

What amount ____ reimbursement will ____ get if ____ Prevention-based ____?

____ want ____ know the anticipated refund ____ preventative ____.

____ be ____ for reimbursement for ____ prevention-based ____ over ____ options?

What ____ reimbursement ____ choose prevention-based ____ tests over treatment-focused ____?

If ____ choose ____ testing, how ____ I be ____ to get ____?

What ____ of reimbursement ____ I ____ if I ____ tests.

____ to get reimbursement for ____ prevention-based ____ Testing ____ options?

How ____ of my reimbursement ____ be if I ____ Genetic ____?

____ there any ____ for choosing ____ treatment options?

____ much ____ get back ____ for the genetic test ____ of just ____?

____ there a ____ for ____ testing over treatment ____?

____ know ____ I deserve ____ proper percentage ____ choosing preventative ____ over lousy ____.

I want ____ if I ____ preventative genetic testing ____ for treatment.

If ____ prevention-based ____ testing, ____ I get back?

Can ____ of the refunds ____ prevention-focused genetic ____?

If I chose ____ genetic tests, ____ of reimbursement ____?

____ much is the ____ preventative genetics ____ treatment-focused?

Is ____ would get reimbursement for ____ genetic ____ treatment options?

____ opting for preventive ____ test, how ____ it ____?

Potential Rebates ____ gene ____ emphasizing ____

____ know ____ deserve a ____ return for ____ testing over treatments.

If ____ choose ____ genetic ____ over ____ what ____ of ____ will be ____?

Is ____ true ____ a proper ____ for ____ preventative gene ____ over treatment?

____ you tell me the ____ of refunds ____ be ____ prevention-focused ____?

Would ____ be ____ choose prevention-based ____ over treatment-related options?

What ____ the ____ of ____ for ____ versus treating ____?

How much money ____ returned ____ test instead of ____?

When ____ a genetic test instead of ____ is ____?

____ know ____ deserve a ____ return for choosing ____ gene ____ lousy treatments.

What amount ____ reimbursement will I ____ testing ____ treatment alternatives?

____ amount of reimbursement ____ get ____ prevention-based genetic testing?

____ the reimbursement large ____ opting for preventive ____ instead ____?

I _____ know if I deserve _____ percentage _____ for _____ over _____.
 _____ reimbursement _____ I get if I _____ prevention-based _____ treatment?
 _____ the amount of _____ for opting _____ preventative _____ of _____ tests?
 I _____ I will get back for prevention-focused _____.
 There _____ potential reimbursement amount _____ for _____ tests.
 _____ amount of _____ available _____ prevention-based _____ testing over treatment?
 Do I _____ reimbursement _____ choosing _____ genetic _____ over treatment _____?
 _____ a preventative approach _____ in relation _____ vs treatative alternatives?
 Would _____ reimbursements for choosing _____ genetic _____ treatment _____?
 _____ amount of reimbursement _____ available if _____ prevention-based _____ tests _____ options?
 _____ genetic testing over _____ options, _____ of reimbursement would I _____?
 What is _____ rate for preventative _____ compared to _____ purposes?
 _____ to know if _____ get _____ lower percentage _____ preventive _____ to treatment.
 If I choose _____ testing, what _____ I _____?
 _____ will _____ back _____ choose prevention-focused genetic testing?
 Can _____ the proportion _____ the refund for prevention-focused _____?
 _____ percentage of my _____ will I get _____ prevention-based _____ testing _____?
 _____ the amount of _____ I choose prevention-based Genetic _____ treatment?
 What _____ of _____ be _____ if _____ choose prevention-based Genetic Testing _____?
 _____ amount _____ will _____ if I choose Genetic _____ treatment?
 When _____ preventive than treating _____ what _____ return _____?
 Can _____ the _____ percentage for preventive genetic _____?
 Can you _____ me _____ percentage of refunds _____ testing _____ prevention _____ treatments?
 Would _____ choosing prevention-based genetic testing instead _____?
 Would _____ reimbursement for selecting prevention-based _____ treatment-related _____?
 _____ I _____ prevention-based _____ tests _____ amount of _____ will I get?
 Will _____ a _____ approach _____ between genetics-specific exams and _____ alternatives?
 _____ it _____ refund _____ for genetic _____ on prevention rather than treatments?
 _____ I get _____ genes _____ upfront _____ waitin' _____ treatment, can _____ give _____ a good _____?
 What _____ reimbursement _____ opting for _____ genetic _____ instead of _____ ones?
 What _____ the _____ for preventative _____ compared _____ treatment-focused?
 If _____ testing, what amount of _____ will _____ get.
 _____ I _____ back _____ I pick prevention-focused _____ testing?
 _____ is _____ reimbursement rate for _____ genetic tests _____ treatment _____?
 _____ expected _____ rate for preventive genetic _____ treatment tests?
 _____ focused genetic testing, how much _____ get _____?
 _____ I _____ a _____ refund for preventative genetic _____ compared _____ the _____ on _____?
 How much will I _____ back for _____ treatment-focused?
 _____ want _____ get a lower _____ percentage _____ genetic testing than for treatment.
 If _____ choose _____ based genetic testing, _____ reimbursement will _____?
 _____ choose _____ testing, what _____ will I get _____
 _____ going preventive _____ than treating _____ the Refund _____?
 What _____ of reimbursement _____ I _____ I choose prevention-based genetic _____?
 When _____ get my genes _____ to _____ treating, _____ you _____ me a refund _____?
 What _____ will be provided _____ I _____ prevention-based _____ over _____ options?
 I _____ how much _____ for preventative genetic _____ compared _____ treatment when I _____ refunds.
 _____ percentage for prevention-focused _____?
 _____ I _____ a lower return _____ genetic testing than _____?
 How much _____ for _____ gene testing?
 _____ gene tests that emphasize _____ treatment, _____ potential refunds?

_____ am wondering _____ get _____ lower refund percentage for _____ testing than _____.

_____ me the percentage of the _____ prevention-focused _____?

What _____ return is for _____ genetics?

If _____ choose _____ genetics, what _____ will I _____?

What is _____ refunded _____ genetic _____ aiming at _____?

How _____ will I get _____ from you for _____ just treating _____?

What _____ potential reimbursement amount for opting _____ genetic tests _____?

What amount _____ will I get if _____ use _____ tests _____ treatment _____?

How _____ of _____ is for _____?

How much can I get _____ I _____ for _____ treatment?

There _____ a potential _____ amount _____ opting _____ prevention-based _____.

_____ you tell me the payback _____ Testing?

_____ choosing _____ affect my reimbursement percentage in _____ to _____?

If I _____ prevention-based _____ over _____ amount _____ reimbursement will I _____?

Is it even _____ me to _____ a _____ percentage return _____ preventative _____ testing _____?

_____ I choose _____ what proportion _____ get back?

_____ receive reimbursement for choosing _____ genetic testing _____?

Can _____ specify the _____ of _____ for _____ genetic _____?

_____ is _____ refunded _____ genetic tests aiming _____ prevent?

_____ will I _____ if I _____ a prevention-focused _____ testing?

_____ I get _____ genes _____ upfront _____ and _____ you give _____ a refund _____?

_____ much _____ get _____ preventative genetic testing?

_____ you _____ the _____ of the refund for _____ genetic _____?

Can you specify _____ percentage _____ the refund _____ focused _____?

_____ is _____ expected return rate _____ genetic _____ treatment-oriented ones?

_____ percentage _____ returned _____ a genetic _____ instead of _____?

When _____ my genes checked _____ not wait _____ treat, can _____ fill _____ in _____ rate?

_____ is the _____ genetic testing?

_____ much do _____ get back _____?

_____ Rebates for gene tests _____?

What _____ percentage _____ genetic testing?

What amount _____ will be _____ for preventative _____?

_____ prevention-based _____ tests over treatment-focused _____ reimbursement amount?

How _____ will _____ get if _____ tests over treatment?

_____ my _____ preventative genetics?

_____ of reimbursement _____ I _____ if _____ prevention-based genetic testing over _____?

_____ percentage _____ given for preventative _____ of _____ focused?

_____ you _____ exact _____ percentage for genetic _____ focused on _____ rather than _____?

_____ get my _____ upfront versus _____ treat, _____ give _____ the refund rate?

Will _____ preventative _____ influence _____ relation to genetics _____ exams vs _____ alternatives?

If _____ preventative _____ testing _____ treatment _____ what _____ reimbursement will I get?

What's _____ % refunded _____ aiming _____ prevention?

_____ opting for _____ test _____ of _____ how big is _____ reimbursement?

I want to _____ if _____ get a lower _____ genetic _____ than _____.

Can _____ the payback rate for _____ genes?

_____ amount _____ I _____ given _____ choose prevention-based _____ tests over treatment options?

What's the _____ reimbursed for genetic _____?

How much do _____ get _____ for the _____?

_____ the percentage _____ preventative genetics?

What's the % _____ genetic _____ at _____?

I want _____ payback rate _____ preventative _____ testing.
 _____ a _____ approach affect _____ reimbursement _____ when _____ to genetics specific _____?
 What percentage _____ I get back _____ I _____ testing?
 _____ there an _____ testing _____ is focused on prevention?
 What _____ I receive _____ choose _____ genetic _____ over treatment-related options?
 _____ is given _____ preventative _____ rather than treatment _____?
 What _____ the amount _____ for prevention-based genetic _____ treatment-focused _____?

 ____ a preventive ____ affect my ____ relation to ____ exams?
 How ____ will I ____ prevention-based ____ testing instead ____ treatment-based?

_____ reimbursement for choosing preventative _____ over treatment-related _____?

_____ you _____ what _____ will be _____ for prevention-focused _____?

If I choose _____ genetic testing _____ what _____ reimbursement _____ I _____?

What _____ the amount of reimbursement for _____ genetic _____?

_____ is the _____ when opting _____ prevention-based _____ tests _____ of _____ focused _____?

_____ I _____ reimbursed _____ genetic testing over _____ options?

Can you _____ of _____ prevention-focused genetic testing?

Would I receive reimbursement _____ testing over _____?

How much _____ I _____ reimbursed if I _____?

If _____ chose prevention-based genetic _____ over _____ reimbursement _____ I get?

If _____ choose preventative _____ testing, _____ be reimbursed?

_____ to have a preventive genetics _____ of treatment, _____ large _____?

_____ do _____ get _____ for prevention-based genetic testing _____ treatment-based?

_____ you give an _____ genetic testing that is focused _____ rather _____?

_____ I _____ Genetic Testing _____ options _____ amount of _____ will _____ receive?

What _____ will _____ if I _____ prevention-based genetic _____ treatment-related options.

When choosing _____ preventative _____ test over treatment, _____ the _____?

_____ I choose _____ tests _____ treatment what _____ reimbursement will _____?

_____ you _____ a refund _____ for _____ testing?

When _____ comes _____ genetics-specific exams versus _____ will _____ a preventative _____ affect _____?

Can you tell me _____ refunds for _____?

Can I be _____ choosing _____ testing _____ treatment-related _____?

Can _____ get reimbursement for _____ treatment options?

_____ will I get back _____ you _____ genetic _____ instead of just _____?

What amount of potential _____ there for genes _____?

_____ amount of _____ I get _____ for _____ genetic testing?

_____ I chose _____ treatment options, what amount _____ reimbursement will _____?

I'm _____ sure _____ I _____ proper percentage _____ for _____ preventative _____ over _____.

Would I _____ if I _____ genetic _____ related options?

What _____ of reimbursement will I get _____ choose _____?

If _____ opt for _____ testing instead _____ much will I _____?

I _____ to know _____ percentage of _____ for _____.

What _____ will _____ get _____ preventative _____ testing?

What is the reimbursement _____ for _____ tests?

How large _____ the reimbursement _____ opting _____ preventive _____ treatment?

When _____ get my refunds _____ want to _____ much _____ get for prevention _____ genetic _____ to _____.

_____ is the _____ for _____ tests, _____ of treatment-oriented ones?

Would I get reimbursement _____ choosing _____ genetic _____ related _____?

What _____ reimbursement should I _____ I choose prevention-based _____ over _____?

When choosing _____ instead of _____ focused _____ what _____ the _____ amount?

_____ choose preventative _____ Testing _____ treatment _____ what _____ of _____ I get?

I'm wondering if I deserve _____ percentage _____ testing over lousy _____.

_____ is _____ potential _____ for opting for _____ genetic tests _____ focused _____?

What _____ screenings aimed _____ preventing _____ than treating?

_____ be reimbursed if I _____ genetic _____ over _____?

_____ want to _____ I _____ a lower _____ preventive genetic testing than _____.

_____ prevention-based Genetic Testing _____ Treatment _____ amount of reimbursement _____ I _____?

When choosing _____ test instead of _____ how _____ the _____?

Would _____ receive reimbursement _____ choosing _____ genetic _____ over _____?

What _____ of reimbursement _____ choose prevention-based _____ tests over treatment-related _____?

I _____ much I'll _____ back _____ genetic testing.
 What's _____ percentage of payback _____?
 When _____ choose _____ over treatment what _____ of _____ will I _____?
 Can you _____ refund _____ for prevention-focused _____ testing?
 What amount _____ will _____ if I _____ Genetic Testing over _____?
 What is the potential _____ amount _____ for _____ based _____ instead _____ tests?
 When _____ my genes checked upfront _____ and treating, _____ you fill _____ on the _____?
 _____ I get _____ genes _____ upfront _____ wait _____ can _____ help me _____ the refund rate?
 _____ proportion _____ I _____ if _____ choose prevention-focus _____ testing?
 _____ the _____ amount _____ opting _____ prevention-based genetic tests _____ treatment-focused ones?
 _____ Refund Percentage _____ prevention-based genetic testing _____ of _____?
 _____ prevention _____ genetic tests, _____ amount of _____ will I _____?
 _____ prevention- _____ tests _____ treatment, what _____ reimbursement will I get?
 When going _____ treating _____ is the payback _____?
 For _____ that emphasize _____ over _____ how _____ are _____ refunds?
 If _____ choose _____ what _____ be getting back?
 _____ wonder if I get _____ preventive genetic _____ the one focused _____ treatment.
 Can _____ the payback _____ of _____ genes?
 Can _____ give _____ the payback rate _____ based _____?
 Will a preventative approach _____ reimbursement _____ relation _____ exams versus _____?
 _____ prevention-based Genetic _____ over _____ what amount _____ reimbursement will I _____?
 When I _____ my genes _____ upfront _____ treatment, can _____ me a _____ refund _____?
 If I _____ testing _____ options, will I get _____?
 In _____ versus treative alternatives, will _____ a preventative approach _____ reimbursement _____?
 _____ my genes _____ upfront _____ I wait and treat, can _____ give me _____ rate?
 _____ curious _____ payback rate for prevention-based _____ testing.
 _____ rebates for genes emphasizing _____
 _____ a _____ approach affect my reimbursement percentage _____ to genetics specific _____ alternatives?
 _____ interested in the _____ preventative _____ tests.
 What _____ for opting _____ prevention-based _____ tests _____ of _____ focused ones?
 Is it possible that I will _____ preventive _____ testing _____ treatment?
 _____ get _____ testing _____ how much will I _____ back?
 What's _____ amount if you _____ tests instead of _____ ones?
 _____ Refund percentage _____ preventative genetics?
 What's the _____ amount _____ opting for prevention-based _____ instead _____?
 _____ of reimbursement _____ receive if I choose prevention _____?
 _____ % _____ my refund _____ focused genetics?
 _____ is returned _____ preventative _____ than treatment-focused?
 What _____ is returned _____ preventive genetic testing _____?
 _____ I be _____ for choosing _____ testing _____ treatments?
 Can you _____ an _____ percentage _____ for _____ focused _____ prevention _____ than treatments?
 When going _____ what is the _____ rate?
 Do _____ a _____ for preventive _____ testing than for _____?
 What is _____ amount of _____ will _____ choose _____ genetic _____ over treatment?
 _____ the _____ refund rate _____ preventive genetic _____ instead _____ ones?
 When I get _____ instead of _____ and treatin', can you give me _____?
 Can you _____ the _____ for _____ Gene Testing?
 If _____ prevention-based Genetic testing over treatment, _____ amount of _____?
 _____ potential rebates are _____ for genes _____ prevention _____?
 _____ of _____ I get if I _____ prevention-based Genetic _____ treatment

What is the reimbursement rate ____ preventative genetic ____ related ____ and ____?

Would I be reimbursed if ____ genetic ____ options?

____ don't ____ if ____ deserve a proper ____ return for ____ testing ____ the ____ treatments.

If I ____ genetic ____ treatment options ____ amount of ____ get?

____ I ____ genetic testing ____ treatment, ____ much ____ I ____ back?

____ preventative Genetic ____ over ____ what ____ of reimbursement will ____ get?

What ____ reimbursement ____ if I chose ____ genetic ____?

When ____ get my ____ checked ____ treating, ____ give me the refund ____?

Is ____ I deserve a ____ return ____ testing over treatment?

____ of reimbursement ____ I get ____ choose genetic ____ instead ____ treatment?

When ____ get ____ genes ____ treatin', can you ____ me the refund ____?

____ I ____ back if ____ use genes ____ instead ____ drugs?

What ____ is ____ preventative genetics?

What ____ I ____ I ____ genetic testing that focuses ____ prevention?

When I get my ____ versus ____ treatment, ____ you ____ the ____ rate?

____ much will ____ get ____ for a preventative ____?

____ a preventative ____ an ____ my reimbursement ____ in ____ to genetics-specific exams?

If ____ prevention-based ____ how much do I ____?

____ will ____ get ____ I ____ preventative genetic testing?

What ____ of ____ can I ____ I ____ over treatment- related options?

I ____ how much I ____ choose preventative ____ tests ____ treatment-oriented ____.

____ I choose preventative gene testing ____ much will ____ repaid?

If ____ choose ____ Genetic ____ over ____ is ____ of reimbursement?

____ I choose ____ genetic ____ proportion I'll ____ back?

____ amount ____ will ____ given ____ I choose prevention ____ genetic ____ over ____ related ____?

If ____ go for ____ of treatment ____ do I ____ back?

____ the refund percentage ____ genetic ____ focused on prevention rather ____?

What is ____ for prevention-focused ____?

____ give a percentage ____ instead of diagnostic or ____ options?

What ____ potential reimbursement ____ opting ____ prevention-based ____ over ____ ones?

____ reimbursement can I expect ____ I choose prevention-based ____?

Will ____ a ____ my reimbursement ____ in ____ to ____ exams ____ treatative alternatives?

Can ____ tell ____ the ____ on prevention rather than treatments?

When ____ genes checked ____ rather than wait and ____ you ____ me in ____ the ____?

What ____ of ____ I get if ____ Testing instead ____ treatment?

____ the ____ of refunds ____ genetic ____ aiming at ____?

Can you tell me the ____?

Can you ____ payback rate for ____?

When I receive my ____ I ____ know ____ much ____ prevention based genetic testing ____ treating.

____ preventative ____ my reimbursement percentage in relation to ____ versus ____ alternatives.

____ I deserve a ____ percentage ____ for ____ testing over ____ treatments?

____ a potential rebates for gene ____ that ____ over ____?

What ____ reimbursement ____ get if I ____ preventive ____ over treatment?

____ I ____ a lower refund percentage for preventive genetic testing ____?

____ am ____ about the ____ rate ____ prevention-based ____ testing.

If I ____ prevention ____ testing, ____ much ____ I ____ reimbursed?

What ____ of reimbursement ____ I receive ____ over treatment?

When ____ get ____ refunds, ____ want ____ know how much I ____ compared to treatment.

____ reimbursement ____ I get if ____ use ____ genetic testing over ____ options?

____ reimbursement will I get ____ I ____ prevention-based ____ testing over ____?

What proportion will I _____ I _____ for _____ testing?

What _____ I _____ if I _____ prevention-based genetic tests over _____?

When going preventive rather than _____ what _____?

When _____ get my genes _____ upfront _____ waiting and _____ you _____ me _____ rate?

_____ chose prevention-based genetic _____ how much _____ in reimbursement?

_____ the potential rebates for _____ tests _____ over treatment?

_____ much _____ for a genetic _____ instead _____ a treatment?

What _____ the _____ percentage _____ based genetic _____?

If I _____ over _____ what amount _____ reimbursement will _____?

How much do _____ get _____ genetic _____ instead _____?

What is _____ reimbursement amount _____ prevention-based _____ the treatment-focused ones?

I don't _____ get back if I opt _____ instead _____ treatment.

_____ it _____ to _____ a refund if _____ prevention-based _____ testing _____ treatment-focused?

What's _____ percentage _____ genetics?

How _____ returned for _____ preventative _____ test?

_____ I _____ back if _____ genes _____ instead of drugs?

What _____ the _____ refunds _____ genetic _____ of treatment-oriented tests?

Do _____ get a _____ preventive _____ testing compared _____ the _____ focused _____ treatment?

_____ choosing _____ test _____ treatment-focused one, what is the _____ amount?

If I choose prevention _____ Testing _____ treatment _____ what amount _____ will _____?

_____ is the _____ amount for _____ a _____ genetic _____?

_____ is the amount of _____ genetic testing over _____?

Will a _____ approach _____ percentage _____ genetics _____ versus treatative alternatives during this _____ period?

What is _____ potential _____ for _____ genetic tests _____ of treatment _____ ones?

What _____ will be _____ if I _____ prevention-based _____ tests?

_____ percentage is _____ for _____ is preventive?

When _____ get _____ genes checked _____ and _____ can _____ please let me know _____ rate?

What _____ is _____ for _____ genetics _____ to _____?

What amount of _____ will _____ if _____ prevention-based Genetic _____ over _____ options?

_____ much _____ get _____ for prevention-based _____ testing _____ of treatment?

When going _____ rather _____ genetics _____ there _____ rate?

I don't _____ a proper percentage return for choosing preventative _____.

What _____ Refund Percentage for _____ Testing _____ preventing _____?

_____ reimbursement amount _____ opting for prevention _____ genetic _____ instead _____ treatment focused _____?

_____ the potential _____ opt _____ prevention-based genetic tests instead of treatment-focused _____?

_____ choose prevention-based genetic testing over _____ related options, _____ amount _____ given?

Would _____ for _____ prevention based _____ over treatment?

_____ Genetic _____ over _____ amount of reimbursement will I get?

What kind _____ will I get if _____ choose _____?

_____ potential reimbursement amount _____ opting for _____ tests?

_____ preventive and _____ what is the _____ rate?

What's the _____ compared _____ diagnostic and treatment tests?

_____ much _____ a potential kickback are _____ tests _____ emphasize _____?

How much _____ I get reimbursed _____ prevention-based _____ over treatment _____?

_____ percentage will _____ returned for _____ genetic testing _____?

When I _____ my genes checked _____ wait and _____ you _____ me _____ rate?

_____ to _____ refund percentage for _____ genetic tests.

I'd _____ to _____ percentage of _____ for _____ gene _____.

_____ what percentage will be returned _____ prevention focused _____.

What _____ the amount of _____ be _____ testing over treatment?

I'm interested ____ the ____ percentage ____ genetic ____ .
 If I ____ over treatment, what amount of ____ get?
 Would I ____ reimbursed for ____ genetic ____ treatment ____ ?
 ____ of reimbursement will ____ prevention-based Genetic testing ____ treatment options?
 ____ you ____ me the ____ of the refund ____ preventive ____ ?
 What amount ____ if ____ preventative genetic tests over ____ options?
 What ____ the ____ genetic ____ at prevention?
 Would ____ be reimbursed ____ genetic ____ over treatment-related ____ ?
 What ____ back for genetic ____ aiming ____ prevention?
 ____ amount ____ reimbursement ____ choose ____ genetic tests over treatment- related options?
 Would ____ if I ____ prevention-based genetic testing over ____ ?
 ____ reimbursement will I receive ____ I choose prevention- based ____ tests ____ ?
 When ____ get ____ genes ____ upfront ____ waitin ____ can ____ give ____ a good refund ____ ?
 ____ I ____ my ____ upfront rather ____ wait ____ can you give ____ a refund ____ ?
 Is ____ that ____ get ____ choosing prevention-based genetic ____ over treatment-related ____ ?
 What percentage ____ for preventative genetics ____ focused?
 ____ percentage ____ genetic tests get?
 How ____ refund will ____ for ____ genetic tests?
 If I ____ DNA testing ____ how much ____ I get ____ ?
 How much ____ for a ____ test ____ of ____ treatment?
 What ____ the ____ if ____ choose prevention-based genetic tests ____ ?
 ____ much of ____ potential ____ there for gene ____ emphasizing ____ ?
 Can you tell me ____ the ____ rate ____ my ____ instead of waiting and ____ ?
 Is there any reimbursement ____ prevention-based ____ treatment-related ____ ?
 ____ give me ____ percentage of ____ for ____ genetic tests?
 What ____ reimbursement would I ____ I ____ prevention-based Genetic ____ ?
 ____ I ____ a reimbursement for ____ testing over ____ options?
 ____ interested ____ the payback ____ prevention-based gene ____ .
 What ____ will ____ be ____ I choose prevention-focused genetic ____ ?
 Can ____ me the ____ of refunds for ____ gene ____ ?
 What's the ____ refunds ____ than treating genetics?
 Is there ____ exact refund percentage ____ testing ____ focused ____ treatments?
 ____ amount ____ get if I ____ prevention- based ____ Testing ____ treatment options?
 When ____ a preventive genetics ____ of ____ is the ____ ?
 If I go for genetic ____ will I get ____ ?
 ____ decide ____ for preventative genes, ____ much will ____ reimbursed?
 What amount ____ I ____ if I ____ prevention-based genetic tests ____ treatment- ____ .
 ____ you ____ the ____ percentage ____ genetic ____ that is focused on ____ ?
 ____ can I expect if I choose prevention-based ____ treatment-related ____ ?
 ____ it possible ____ a proper ____ return for ____ preventative gene ____ over ____ ?
 What amount of ____ be given ____ me ____ testing ____ treatment options?
 ____ be ____ choosing prevention-based genetic testing ____ treatment-related options?
 Is there ____ for ____ prevention-based genetic ____ over the ____ ?
 ____ you ____ me ____ percentage for prevention-focused ____ testing?
 When ____ get ____ genes ____ upfront ____ waiting ____ treating, ____ give me a refund ____ ?
 ____ amount ____ will ____ if I choose prevention-based genetic ____ ?
 ____ reimbursement amount for ____ preventative genetic tests instead of ____ ?
 When opting ____ preventative genetic tests, ____ reimbursement ____ ?
 What ____ get ____ if ____ chose prevention-focused genetic ____ ?
 ____ is ____ % refunded on genetic tests ____ ?

_____ will _____ back _____ genetic tests instead of treatment- dependent _____?

When _____ for prevention-based _____ tests, _____ is _____ reimbursement?

_____ amount of reimbursement _____ opting _____ prevention-based _____ tests instead _____ treatment focused _____?

Is _____ potential rebate _____ gene _____ that emphasize prevention _____ treatment?

How _____ refund percentage for _____?

_____ I choose _____ genetic _____ over treatment, _____ much _____ I _____ in _____?

Can _____ the exact _____ percentage for _____ testing _____ prevention _____ treatments?

_____ the expected refund _____ preventive genetic _____ instead _____ treatment oriented _____?

_____ a _____ approach affect my _____ to _____ specific exams _____ treatative alternatives?

What is _____ for preventative genetic _____ opposed _____ and _____ tests?

_____ I _____ how much _____ I receive in reimbursement?

_____ get reimbursement for _____ genetic testing over _____?

Can _____ percentage of the _____ genetic _____ that is _____?

_____ Testing over treatment, what _____ of _____ will I _____?

_____ amount _____ reimbursement will be _____ if I _____ prevention-based genetic _____?

What _____ of _____ will _____ if _____ choose prevention-based _____ treatment options?

How _____ is the _____ opting for _____ instead _____ treatment?

I want to know how much I _____ genetic _____ compared _____ I _____ my refunds.

I _____ to _____ proportion _____ will get _____ if _____ choose _____ testing.

_____ decide to use _____ genetic _____ amount of reimbursement _____ I get?

_____ proportion _____ get _____ once _____ choose _____ genetic testing?

How _____ of _____ is for _____ tests?

If _____ Testing _____ treatment which _____ reimbursement will I get?

If _____ choose to _____ instead of _____ much _____ get back?

I _____ percentage of refund for _____ genetic _____.

_____ my _____ be _____ if _____ preventative over treatment-based _____?

How much _____ be returned for _____ treatment?

If I _____ prevention-based _____ Testing _____ how _____ I get in _____?

_____ will _____ get if _____ choose prevention-based genetic tests over _____

_____ choose _____ genetic _____ over _____ amount of _____ will I receive?

Will _____ affect my _____ percentage _____ relation to genetics _____ exams?

Would I _____ reimbursement _____ choosing prevention-based _____ over _____ options?

Is _____ to get reimbursement _____ I _____ Testing over _____?

There _____ possibility _____ Percentage _____ prevention-based genetic _____ instead of treatment _____.

Would I receive _____ for _____?

Can _____ tell _____ refund percentage _____ genetic testing?

_____ choosing _____ have _____ instead of treatment, how _____ the reimbursement?

I _____ if I deserve _____ for choosing preventative _____ lousy treatments.

I _____ know _____ deserve a percentage _____ choosing preventative genes _____.

_____ percentage refunds _____ genetic _____ at prevention?

How _____ do I _____ tests?

_____ I _____ Testing _____ what _____ of reimbursement will I _____?

If I chose prevention-based _____ testing over _____ amount _____ get?

What _____ back if _____ choose preventive genetic testing?

_____ get reimbursement if _____ choose prevention-based _____ treatment?

If _____ choose prevention-based genetic testing _____ how much _____ I _____?

_____ choose prevention-based DNA testing, how much _____ in _____?

What _____ reimbursement _____ I _____ for choosing prevention-based _____ Testing _____?

What percentage _____ I _____ back _____ go _____ prevention-focused genetic _____?

_____ you give me _____ I _____ my genes checked _____ and treating?

_____ return _____ for _____ for preventing versus treating?

_____ amount of _____ will I get _____ I _____ testing?

I would _____ to _____ the anticipated refund _____ tests.

What _____ will _____ get if _____ choose prevention-based genetic _____ treatment-related options?

_____ much _____ would _____ get _____ chose prevention-based _____ testing _____ treatment?

How _____ are potential _____ tests that _____ prevention?

What _____ of reimbursement _____ I get _____ I _____ testing over _____?

Can _____ give _____ exact percentage for _____ for _____ that _____ on _____?

_____ much _____ I be reimbursed if _____ genes _____?

What's _____ refund percentage _____ focused _____?

Is _____ I _____ receive reimbursement for _____ prevention-based genetic _____ treatment-related _____?

_____ I choose _____ treatment options, what _____ of _____ I get?

What percentage of _____ will be _____?

_____ is _____ reimbursement for opting _____ preventative _____ test _____ of _____?

_____ proportion will be _____ back _____ prevention-focused _____ testing?

Is _____ that _____ should get a _____ percentage return _____ gene _____ treatments?

Is _____ that I should _____ proper percentage return _____ choosing _____ over _____?

How _____ potential _____ are there _____ tests _____ prevention _____ treatment?

_____ I _____ reimbursed _____ choosing preventative _____ testing over _____ related _____?

I _____ know how _____ will get back if _____ prevention-based _____.

_____ percentage _____ I _____ back _____ choose preventive _____ testing?

_____ a _____ percentage return _____ preventative gene testing _____ lousy _____?

If _____ what amount of reimbursement _____ I get?

What's the % _____ that _____ at prevention?

Can you tell _____ percentage _____ preventive _____ tests?

If I opt for _____ testing _____ treatment, how much _____?

If I _____ prevention based _____ treatment _____ what amount _____ reimbursement _____ I _____?

What is the _____ for _____ aiming _____ prevention?

How _____ do _____ back for preventative _____?

How _____ will _____ get back _____ that focus on _____?

Can _____ tell me the percentage _____ testing?

Can you _____ percentage _____ refunds _____ genetic testing?

_____ percentage _____ prevention based genetic testing and _____ based?

What amount _____ reimbursement _____ I _____ if _____ choose _____ tests.

_____ I choose _____ testing over _____ diagnostics, how _____ will I _____?

_____ is _____ for _____ testing?

I don't know _____ I _____ return for _____ preventative _____ testing _____.

_____ for _____ preventative genetics test, _____ is it _____?

If I choose _____ genetic tests over _____ what _____?

_____ will I receive if I choose prevention-based _____ treatments?

What is _____ percentage _____ the _____ gene testing for _____?

Is there _____ amount for opting _____ genetic _____ instead _____ treatment-focused _____?

_____ of the refunds _____ genetic tests?

If _____ choose _____ over _____ amount of _____ will I get?

What amount _____ reimbursement will _____ I _____ prevention-based _____ Testing over _____?

What _____ receive if I choose _____ based _____ over treatment?

_____ to know the _____ of _____ refunds _____ genetic tests.

_____ is the % _____ for genetic _____ at _____?

_____ of reimbursement will _____ I use prevention _____ genetic _____?

If I _____ how much will _____ get _____?

____ I choose ____ genetic testing over ____ what ____ be given?
 What is the reimbursement rate for preventative ____ tests, ____?
 When ____ get ____ genes checked upfront versus ____ and ____ a ____ rate?
 What's the rate ____ refunds when ____ rather ____?
 ____ prevention-based genetic ____ treatment-focused ones, what is ____ potential reimbursement ____?
 What is ____ return ____ when going preventative ____?
 How much of myRefund ____ genetic ____?
 ____ of reimbursement ____ I ____ prevention-based ____ testing instead of treatment?
