

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Installation and set-up assistance
Inquiry Sub-Category	Installation instructions for home
Description	Customers may request guidance regarding installing satellite dishes or cable wiring in their homes, including guidance on positioning, grounding, and routing cables.
Data Size	5,545 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

_____ there _____ safety precautions that need _____ handling and connecting _____ cables during setup _____?

_____ measures _____ for coaxial cable _____?

_____ we _____ any safety _____ coaxial setup at home?

Are there _____ cable installation?

_____ any safety _____ during _____ installation?

Should _____ cautious in managing _____ linking household _____?

Is _____ possible _____ when handling home coaxial _____?

_____ of coaxial _____ within a _____ environment requires _____ procedures, what _____?

What _____ the _____ measures needed _____ connect _____?

_____ are _____ safety measures needed _____ coaxes to _____?

_____ the coaxial cables at home, _____ have _____ advice _____ safety _____ follow?

What are _____ precautions when _____ in a _____ environment?

_____ of coaxial cable?

_____ ensure _____ use _____ coaxial cables?

When setting up _____ home, do _____ have any tips _____ how _____ in mind?

Do _____ any _____ safety procedures when _____ cables for residential _____?

_____ know what precautions should be taken _____ home _____?

_____ to _____ are _____ that I need to take while _____ with _____ cables.

_____ any safety _____ that _____ manipulating _____ linking together/coaxing cable in _____.

Can you give _____ specific measures _____ observe _____ wiring?

_____ there _____ to be _____ for coaxial _____ installation?

_____ you have _____ for _____ up _____ cables at home?

What should we _____ make _____ the setup _____ coaxial _____ is _____?

Should _____ safety _____ and connecting a coaxial cable _____ home?

_____ about _____ necessary safety measures _____ handling and connecting coaxial cables.

Any _____ rules during _____ Coax _____?

_____ are things _____ should _____ done _____ residential coaxial _____ safely.

_____ you _____ any _____ on _____ to take during _____ connection _____ handling process of _____ coaxial _____ home?

Is _____ a _____ for _____ and connecting coaxial cables?
 _____ domestic coaxial wiring, are _____ specific _____ to _____?

What is the best _____ protect _____ with _____ wire _____ home?
 _____ any safety protocols for installing _____ wires?
 _____ it possible to _____ needed to handle, connect, _____ set up _____?

How can we make sure _____ of _____ are _____?
 _____ would _____ the necessary safety measures when _____ connecting _____ cable.

Please tell me _____ guidelines _____ manipulating _____ linking together/coaxing cable _____.

Are there _____ taken to handle _____ coaxial wiring?
 _____ be safety rules when _____ up and _____ cables _____?
 _____ to set up _____ coaxial _____?
 _____ up _____ cable _____ the home?
 _____ any precautions _____ to _____ taken for _____ wiring?

There _____ specific _____ that need _____ followed _____ the _____ of coaxial _____ a _____.

_____ special _____ to _____ taken when _____ coaxial cables _____ home?
