

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network coverage and signal issues
Inquiry Sub-Category	Signal strength problems
Description	Customers report weak or fluctuating signal strength, dropped calls, or difficulties in making or receiving calls or data, seeking assistance to resolve these issues and improve the signal quality.
Data Size	5,226 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

How _____ to low signal reception _____ to constant call drops on _____?

Do you know a _____ signal problem on _____?

Is there _____ way _____ fix _____ call drops?

Can _____ network fix _____ problems because _____ the _____ signal?

_____ disruptions due to _____ remedies.

There are _____ related to _____ reception and continuous _____ on _____.

Suggestions _____ deal with _____ signal _____ call dropouts?

What _____ be done _____ fix _____ reception issues _____ drops?

_____ a _____ drops and weak _____.

_____ you _____ signal-caused call _____ on your network?

Are you _____ to stop _____ from dropping _____ garbage _____?

_____ it _____ fix _____ that causes call drops?

_____ fix the network that _____ I _____ make _____ call without _____ dropping?

_____ cannot make a call _____ dropping due to _____ so _____ this network?

Is _____ to deal with _____ calls because _____ cellular _____?

Call drops _____ signal?

How _____ I deal with _____ signals that cause _____ drops _____?

_____ to deal _____ low signal causing call _____.

_____ are issues _____ signal _____ call _____ on your _____.

How _____ I address _____ signal reception and continuous _____?

Is _____ a _____ to _____ signal problems causing _____?

_____ can _____ low signal _____ that _____ in _____ dropping from _____ network?

How do I _____ that cause _____ on the network?

_____ am tired _____ dropping _____ due to _____ signal reception and what _____?

Any _____ or _____ struggling _____ and frequent call drops?

_____ there _____ better way _____ low signal _____ call dropouts?

Is it _____ fix signal _____ call drop?

_____ you _____ suggestions _____ how to _____ signal strength that _____ call drops from _____ network?

Are ____ looking for ____ to improve ____ cell ____ that ____ network ____?

How can I deal with Dropped ____ by ____?

What can be done to fix ____ drops?

____ drops ____ to poor ____?

____ faced with continuous call dropping ____ to ____ signals ____ steps ____

____ to fix ____ call drop ____ caused by ____ signals?

____ can we ____ caused ____ low signal strength?

____ needs ____ be ____ for ____ due to weak signals.

____ me find ____ solution to the issue ____ weak signals ____?

Is it ____ resolve the issues with ____ dropped calls?

____ anything ____ can be ____ to deal ____ dropped calls ____ signals?

____ there a ____ signal ____ that ____ call drops.

____ for ____ to address ____ with low signal ____ calls ____ your ____.

____ dealing with ____ signal causing calls ____?

____ can I ____ dropped ____ related to ____ cellular ____?

____ signal reception ____ to dropped calls?

How ____ I ____ that ____ frequent ____ drops on your network?

Are ____ any ____ to fix poor ____ drops?

Any ____ low ____ strength ____ leads to ____ call drops from your ____?

____ can I ____ with ____ problems ____ dropped ____?

How ____ you ____ rid ____ low signal-induced ____ drops ____ network?

____ can we fix ____ call drops ____ the network?

____ to ____ drops due to poor ____.

____ to get rid ____ signal related ____?

____ the ____ problems because of their poor signal?

Is ____ to ____ problems that are ____ drops?

I ____ a call ____ weak signals, can ____ fix ____?

Are you ____ network causing ____?

It ____ address low signal and ____ call ____ from ____ service ____.

How can ____ fix ____ signal ____.

Is ____ possible ____ to ____ call ____ due ____ bad signal?

____ can't ____ call ____ it ____ due to ____ signals, ____ can you ____ fix ____ network?

____ make a call ____ it ____ signals, ____ you fix that?

____ way to ____ dropped ____ due ____ weak cellular signals?

____ or fixes for low signal ____ that ____ call ____ network?

____ needs ____ be ____ solution for ____ call drops ____ signal.

How ____ I deal with calling ____ signals?

Do you ____ a way ____ weak ____ cause calls ____?

____ me with the ____ weak ____ leading ____ frequent calls?

What can I do ____ the ____ bad ____?

____ signal reception that ____ in dropped ____?

____ to ____ cell signals ____ cause calls to drop?

How could I ____ drops?

____ you do ____ network hanging up on ____ of ____ strength?

____ it possible to ____ low ____ reception causing ____?

____ help with ____ issues ____ cause constant ____?

Looking ____ to ____ low signal ____ calls from your ____ network.

____ problems that cause ____ to ____?

Is ____ a ____ address low ____ loss ____ by ____ calls?

How can ____ bad ____ that cause ____ fail?

_____ there a _____ to _____ signal _____ dropouts?
 _____ of low signal-induced call drops?
 _____ there _____ way to _____ weak signal _____ issues _____ dropped _____?
 Can your _____ fix _____ drop problems _____ bad signal?
 How do _____ signal reception issues _____ drops on the _____?
 How _____ deal _____ unreliable signals _____ frequent call _____?
 _____ disruptions _____ signals are _____ need for remedies.
 How _____ you fix the _____ signal mess _____?
 _____ problems _____ to constant _____ drops?
