

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle specifications and features queries
Inquiry Sub-Category	Advanced Technology and Innovation
Description	Customers are interested in learning about any cutting-edge technology or innovations in the vehicle, such as hybrid or electric powertrains, autonomous driving capabilities, park assist, adaptive cruise control, and advanced sensors, to stay ahead of automotive trends and advancements.
Data Size	6,916 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

_____ cruise control options available, allowing drivers _____ safe _____ from vehicles _____?

Can drivers use _____ cruise _____ stay _____ safe distance _____ cars?

Does your _____ have _____ cruise _____ maintaining _____?

_____ it _____ that drivers can _____ adapted cruise _____ to _____ gap _____ driving?

Is there _____ to _____ a _____ following _____ cruise control?

Is _____ keep safe distance?

There is an _____ maintain a _____ gap between _____ with _____.

Can adaptive cruise _____ distances?

_____ use adaptive cruise control to _____?

Is _____ for _____ to _____ an ideal _____ with _____ automated safety feature?

Do they _____ adaptive _____ that _____ drivers _____ an _____ distance _____ preceding _____ without user intervention?

_____ vehicle _____ the technology to keep _____ safe _____ between _____ its _____ control _____?

Does _____ car have _____ cruise _____ maintains _____?

_____ adaptive cruise _____ to maintain a _____ distance?

Is _____ cruise _____ possible to stay _____ front?

Can _____ assistance _____ control help maintain a secure gap _____ my _____ and one _____?

Can drivers _____ cruise controls _____ a safe _____?

Is there _____ way to _____ with adaptive _____ control?

_____ have adaptive _____ control that adjusts _____ following _____?

_____ your car _____ adaptive _____ control that _____ safe from _____ in _____?

Is _____ safe distance _____ cruise _____?

_____ adaptive cruise control available, which _____ me to _____ secure gaps between my _____?

_____ you selling cars _____ adaptive cruise control, which ensure _____ secure _____?

_____ use _____ control to stay at _____ safe _____ from oncoming _____?

_____ cars have adaptive cruise _____ the _____ automatically?

_____ controls be _____ to _____ a safe _____ other automobiles?

There _____ an _____ a _____ the use of _____ cruise control.

Is _____ get _____ control for safe distances from _____?

Automatic spacing with ____ cars ____ what ____ is ____?

____ your ____ have the technology for adapting ____ to keep ____ safe ____ cars?

Is ____ to maintain ____ with adaptive ____ control?

Is there ____ option ____ distance using ____ cruise control?

Can ____ control ____ drivers maintain ____?

Is ____ control available ____ your ____?

Is ____ cruise ____ for ____ safe ____?

Is it ____ find cars ____ are equipped ____ cruise ____?

Is ____ possible ____ have ____ for automatic spacing with nearby ____?

____ are options ____ adaptive ____.

____ vehicles have ____ cruise ____ maintains a ____ following ____?

____ there an ____ cruise ____ that ____ the ____ automatically?

Do cars ____ distances automatically?

Is ____ commonplace for ____ technology ____ ensure ____ safe gap via ____?

Can ____ cruise control ____ from ____?

____ it ____ cars with technology ____ have ____ gap ____ auto-adjusted ____ controls?

Driver-assistance ____ like adaptive ____ control ____ help ____ gaps ____ car ____ in front.

____ it be possible for ____ to ____ cruise ____ to ____ gap?

Is ____ cars change their ____ from ____ vehicles?

Can an ____ used ____ keep a safe ____?

____ cruise control ____ on ____?

Is there ____ way to maintain ____ safe ____ control.

____ it ____ a secure ____ using adaptive cruise ____?

Can ____ find ____ that ____ adaptive cruise ____ that ____ following distance ____?

____ your ____ adaptive ____ to maintain distance?

Is ____ to ____ adaptive cruise ____ on ____ car.

____ it possible to secure an ____ controls ____ automate ____ of the trailing ____ with nearby ____?

It ____ to maintain a safe gap ____.

Is there a ____ to keep ____ from ____ cars?

Are your cars equipped ____ adaptive ____ control ____ distance from other ____?

Is adaptive ____ to maintain ____ gap ____ other vehicles?

____ cruise control ____ safe distance?

Is adaptive ____ thing for ____?

____ control allow me ____ avoid ____ ahead?

Can I ____ adaptive cruise control ____ from cars ____?

Are adaptive cruise controls that ____ follow ____ at ____ distance ____ user ____?

____ can ____ adaptive cruise control ____ a ____ distance.

Automatic ____ may be ____ to ____ a ____ adaptive cruise ____.

Does ____ an ____ of its cruise control settings for ____ between ____?

Do ____ have an ____ system ____ helps drivers ____ a safe gap ____ them and the ____?

Do any of ____ vehicles have ____ automatic system ____ gap ____ them and the ____ ahead?

____ secure ____ automobile model ____ adaptative ____ still enjoy safe ____ of ____ trailing ____ with ____ cars?

____ an ____ use ____ cruise ____ to keep ____ secure gap?

____ cruise control can be ____ to maintain ____?

There ____ car ____ have ____ cruise ____.

adaptive ____ to ____ safe ____?

____ an ____ option that will maintain a ____ distance?

In order ____ facilitate ____ distances from preceding vehicles automatically, ____ adapted ____ capabilities?

Is ____ included in vehicles to ____ a ____?

Can I ____ offer ____ cruise ____ for ____ distances?

_____ adaptive cruise _____ safe distance?

adaptive _____ maintaining safe _____?

_____ features are _____ to ensure _____ safe _____ adaptive cruise _____.

Automatic features are _____ a _____ distance with _____ control.

_____ adaptive cruise control have _____ a safe _____?

Is there _____ that _____ the distance _____?

Can _____ cruise control _____ to _____ a _____ from cars?

_____ that could _____ cars to adjust their _____ from _____.

Is adaptive cruise _____ help drivers _____ at _____ distance _____ preceding vehicles without _____?

Do _____ make it possible _____ safe gap _____ other vehicles?

Can drivers _____ control for _____ safe _____?

_____ adaptive _____ to maintain a safe _____?

Is _____ common for cars _____ technology that _____ via _____ controls?

Is there _____ a secure _____ if _____ cruise control _____ used?

_____ adaptive cruise _____?

Does the adaptive _____ control _____ the distance _____?

_____ there _____ that _____ option of adaptive cruise control?

_____ adaptive _____ control _____ used to keep _____ distance from _____?

_____ we use adaptive _____ control for _____ safe _____?

Does adaptive cruise controls _____ drivers follow _____ distance from _____?

_____ I _____ here _____ the _____ of _____ cruise control for _____ distance?

Is _____ an adaptive cruise _____ option that can _____?

Are cars _____ control?

_____ can be used for _____

A secure _____ can _____ adaptive cruise _____.

_____ they _____ controls _____ help drivers follow and stay _____ behind preceding vehicles?

_____ adaptive cruise _____ safe _____ to keep _____ safe _____?

_____ adaptive cruise _____ might maintain _____ safe following _____.

_____ it _____ to _____ while using adaptive cruise controls?

Is it possible for _____ cruise _____ distance from _____ in front?

Can _____ use cruise control to _____?

_____ drivers _____ adaptive _____ maintain a _____ distance?

Is _____ cruise _____ useful _____ keep a _____?

_____ are _____ car models _____ cruise control.

Is adaptive cruise _____ that allow _____ follow and _____ an _____ distance _____ preceding _____ without user _____?

_____ cruise control _____ stay away from _____ in front?

_____ a _____ adaptive cruise control to maintain _____ secure _____.

Does _____ have options _____ a safe _____?

Should _____ cruise control be _____ to _____ a _____?

Do you _____ cars with features _____ cruise _____ secure space _____ vehicles?

Can _____ adaptive _____ in front of their cars?

_____ adaptive cruise control _____ keep a safe _____?

In order _____ cars, _____ there an option for adaptive _____ control?

Can _____ find _____ that have _____ of adaptive cruise _____ to _____ distance?

_____ adaptive _____ to _____ a _____ gap with other cars?

_____ cruises any _____ to _____ distance?

Is _____ possible to keep an ideal _____ cars _____ an _____ a vehicle?

_____ automatic distance maintenance with _____ on this car?

_____ it _____ cars _____ technology to have _____ cruise controls _____ gap?

_____ an adaptive _____ be used _____ a safe _____?

Can drivers choose _____ option _____ adjustment _____ cruise _____ safety?

Can adaptive _____ control _____ maintain a safe _____?

Is it possible that it _____ an _____?

_____ offer adaptive _____ control _____ the distance automatically?

_____ about adaptive _____ control _____ helps _____ a safe _____ cars?

_____ it possible _____ that will _____ a _____ distance from vehicles ahead?

Do adaptive cruise _____ help _____ secure _____ my car _____ in front?

_____ there _____ option for _____ cruise _____?

Is adaptive _____ control _____ drivers?

Motorists _____ be _____ to maintain their _____ following distance _____.

Does _____ keep _____ distance?

Can drivers use _____ to maintain a safe _____?

Automatic features _____ been _____ to _____ distance with _____ cruise _____.

Is _____ common for vehicles _____ have technology _____ a safe _____?

Is it _____ find cars _____ adaptive cruise _____ ensure proper _____?

_____ there any way to maintain a _____ adaptive _____?

Can adaptive cruise control _____?

_____ your car come with adaptive cruise _____ from other cars _____?

_____ there cars _____ with adaptive _____ control?

_____ adaptive _____ control vehicles that maintain a _____?

_____ features are _____ to ensure _____ safe distance _____ control.

_____ cars that come _____ control?

_____ adaptive _____ to _____ a _____ distance from their vehicles?

_____ maintenance might be possible _____ cruise _____ this car.

_____ driver assistance _____ like adaptive cruise _____ secure _____ between my car and _____ in _____?

There are cruise _____ automate _____ safe distance from _____.

I _____ to _____ adaptive _____ control for _____ distance _____ cars.

_____ it _____ with technology to have _____ cruise _____ to ensure _____ gap?

Can I _____ adaptive cruise control _____ cars _____?

Is adaptive _____ safe distances?

_____ cruise control help keep _____?

Can _____ Cruise _____ to _____ a safe _____?

A _____ gap _____ cars can _____ adaptive _____ control.

Do _____ include _____ cruise _____ to _____ safe following _____?

Do you sell cars _____ features like adaptive _____ which _____ secure _____?

Can I _____ for safe _____?

Do _____ have _____ to maintain _____ secure _____ adaptive cruise _____?

Is _____ way _____ drivers to _____ while driving with adapted cruise _____?

Is it _____ for _____ cruise _____ safe gap?

_____ adaptive cruise control to stay _____ safe _____ in front?

Does it _____ have automatic _____ with adaptive cruise _____?

Can _____ that has the _____ of adaptive cruise control _____ following _____?

_____ cruise possible _____ keep safe _____?

_____ cruise controls be _____ keep a safe gap _____?

_____ control, _____ vehicle's automatic system _____ and keep a _____ gap?

Should _____ controls be used to maintain _____ with _____?

Do _____ cars _____ with adaptive cruise _____ you _____?

There _____ vehicle _____ with _____ cruise _____.

_____ drivers maintain a _____ distance _____ vehicles ahead _____ cruise _____?

Is there _____ to _____ a _____ gap _____ adaptive cruise _____?

_____ you _____ cars _____ features _____ adaptive _____ control, which give _____ space between your _____?

Do they offer adaptive _____ help drivers _____ stay _____ distance?

_____ car with adaptive cruise control _____ distance _____?

_____ adaptive _____ control _____ to _____?

Are there cars _____ that offer _____ option _____ following distance?

_____ keep safe _____ following gaps with _____ cruise control?

_____ adaptive cruise _____ to allow motorists _____ maintain _____ following _____?

_____ be able _____ a safe _____ from _____ with adaptive _____ control.

Can drivers _____ an adaptive _____ control _____ distance from _____ in front?

Are there _____ maintain _____ distance _____ cruise control?

_____ cruise _____ to _____ a safe distance?

Is _____ to find cars here _____ allow me _____ maintain a _____ gap behind _____ using _____ system?

_____ adaptive _____ control help _____ avoid _____?

_____ for _____ to use an _____ driving system to _____ a safety _____ other _____?

_____ possible to use adaptive _____ to _____ speed and keep _____?

_____ there _____ for me _____ a safety gap behind _____ vehicles through an _____ system?

_____ cruise control help _____ the safe _____ cars?

Can _____ have adaptive _____ that will keep _____?

Is _____ included in _____ car _____ safe distance _____ other cars?

Does _____ drivers _____ a safe distance?

_____ it _____ for drivers _____ use adapted _____ a safe _____?

Can _____ adaptive _____ keep _____?

_____ adaptive cruise control available _____ I _____ secure gaps between my _____ the one _____?

Are driver-assistance _____ cruise control _____ which _____ secure _____ between my car and _____ in _____?

Do you _____ with _____ like _____ cruise _____ that _____ a safe _____ between _____?

Do _____ cruise controls _____ help _____ stay at an appropriate _____ from preceding _____?

Will _____ maintain a _____ distance?

_____ it possible _____ have _____ automatic _____ maintenance on _____ car?

Can adaptive _____ options make _____ easier _____ maintain _____ safe _____?

Is adaptive cruise _____ able _____ stay _____ from _____ in front?

_____ lot _____ any vehicles that have an _____ system _____ helps drivers maintain a safe _____ between _____

_____?

_____ it possible _____ keep _____ with other _____ using adaptive _____ controls?

Do they offer adaptive cruise controls _____ allow _____ at an _____ distance _____ preceding _____ without _____?

Is it _____ to _____ adaptive _____ control?

Does adaptive cruise _____?

_____ drivers use _____ with _____ adjustment _____ safety distances?

Is it _____ use adaptive _____ keep a suitable _____?

adaptive _____ help with _____ a _____ distance

Is there a _____ to maintain _____ cruise control?

_____ am _____ if _____ like adaptive cruise _____ are available.

Is it possible to _____ adaptive cruise _____ ensure _____?

Is there _____ adaptive _____ option that _____ maintain _____ distance _____ vehicles?

There is _____ option _____ adaptive _____ control _____ automatically _____ a _____.

_____ your car _____ equipped with adaptive cruise control _____ from _____ cars?

_____ there _____ for cars _____ optimum distances from _____ vehicles?

_____ the _____ cruise _____ on _____ adjust _____ following _____ automatically?

_____ adaptive _____ control a system _____ maintain their _____ effectively?

Does the _____ make _____ possible to _____ a secure gap?

_____ drivers maintain a _____ ahead with adaptive _____ options?

Is _____ a _____ to maintain _____ secure _____ via _____ control?

Is it possible _____ adaptive _____ that help drivers _____ an _____ distance _____ preceding vehicles?

Can drivers use _____ cruise _____ for _____?

Are adaptive cruise _____ safe _____?

Should drivers _____ control _____ stay _____?

_____ anyone _____ of cars _____ with _____ cruise control?

Can drivers _____ maintain safety?

_____ if _____ is _____ maintain _____ gap through adaptive cruise control.

_____ adaptive cruise control options _____ cars?

_____ have _____ to _____ cruise control?

_____ to know if _____ cruise _____ available in _____ here.

_____ able to _____ cars _____ come _____ with _____ cruise control?

_____ cruise control good _____ from _____ in front?

_____ adaptive cruise _____ options allow _____ to _____ safe _____?
