

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	New service inquiries and sign-ups
Inquiry Sub-Category	Service availability
Description	Customers inquire about the availability of internet service in their area, including coverage and speed options. This category includes queries about fiber optic, cable, DSL, and wireless service availability.
Data Size	6,281 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ can I find _____ on availability _____ types _____ (fiber/cable/DSL/wireless)?
 I need _____ types like _____ fiber.
 _____ for availability _____ for _____ kinds _____.
 _____ about _____ types like _____ cable?
 _____ the data pertaining to _____ availability _____ connection options?
 Is _____ any _____ fiber/cable/DSL/wireless?
 Looking _____ about different _____ of _____.
 Where _____ I find _____ the _____ options?
 _____ for availability _____ the _____ types of _____.
 _____ to _____ data about the _____ of connections.
 Where _____ I find _____ on _____ different _____ of _____?
 _____ I find _____ about _____ the various _____ types?
 _____ I able _____ details for _____?
 _____ about _____ availability of _____ and _____?
 _____ about the availability _____ different _____?
 _____ want to know about _____ fiber, _____?
 Where _____ I find _____ like fiber, _____ wireless?
 _____ on different types of _____.
 I need information _____ accessibility _____ fiber/cable/DSL/wireless.
 Where _____ I find _____ data regarding _____ of _____ options.
 _____ to learn _____ availabilities with cable _____ fiber?
 Can you _____ avail _____ cable?
 _____ on what _____ types are _____?
 _____ do I find information about _____ of _____ or _____?
 I'm _____ need of _____ for fiber/cable/DSL/wireless _____.
 _____ know _____ various types of _____.
 What is _____ place to find _____ different internet _____ such _____ cable, _____ wireless?
 _____ you _____ link for the availability _____ fiber, _____ and _____?

_____ me know _____ information _____ different types of connections.

Can you _____ me to a place _____ can _____ connection _____?

Where do I look for _____ fibers?

_____ can I _____ out _____ information about different _____?

_____ are ways to _____ information _____ ADSL _____ wireless.

Is _____ possible _____ find 411 _____ availability for _____?

Is there _____ fiber/cable/DSL?

_____ can _____ find details _____ the _____ of _____ connection _____?

_____ are connection _____ fiber/cable/DSL/wireless.

_____ any data on _____ options?

Where do _____ look _____ on different _____ connections' _____?

Got _____ types like _____ fiber?

_____ would _____ find data _____ different types of _____?

I am looking _____ availability for _____ internet _____ such as _____ cable, _____.

_____ I _____ information _____ the _____ of connections?

_____ possible _____ availability _____ cable, DSL or wireless networks?

Data on _____ of _____?

_____ want to _____ options _____ connecting via fiber/cable/DSL/wireless

Can you _____ me _____ I _____ for _____ internet connections?

How _____ about fiber/cable/DSL/wireless connection _____.

_____ availability _____ about _____ types of _____.

Can _____ me about _____ availability _____ options?

Is it _____ to find _____ for various _____?

_____ the _____ cable,DSL, and wireless?

_____ a place that _____ can _____ different _____?

_____ to find out where _____ get _____ to _____ and _____.

I _____ to _____ more _____ like fiber and _____.

I want to _____ where _____ about fiber/cable/DSL/wireless _____ accessibility.

I'm _____ for _____ place _____ up availability for different _____.

There _____ ways _____ cable, DSL and wireless.

_____ can I _____ the _____ connections?

_____ can I _____ out more information _____ different _____?

Where can _____ accessibility _____ various connection types?

Where to find _____ availability of _____ and _____?

Information about _____ connections _____.

Do you _____ information about connection _____ like _____?

_____ am looking for _____ the availability of _____.

Looking for availability _____ regarding _____.

_____ I can find _____ the availability _____ various connection options?

_____ should I look _____ the _____ various _____ options?

_____ to find the availability _____ wireless?

_____ anyone have _____ information _____ you _____ fiber, _____ the rest?

_____ types are _____ cable,DSL,wireless)?

I _____ on _____ connection _____

Can you tell me _____ information _____ need _____ connection types?

_____ have reliable resources detailing _____ cable, and wireless?

_____ tell me _____ the _____ of _____ and wireless.

Do _____ know the _____ to find _____?

Information _____ like cable and _____?

_____ don't know _____ find data about the _____ connections.

_____ for information _____ availability: _____ cable, DSL, wireless.

Where _____ find _____ fiber, cable, and wireless _____?

_____ out my connection _____ DSL, _____?

_____ want _____ know if _____ a way _____ connect _____.

_____ want to _____ avail details for _____.

Where do I _____ the data _____ accessibility?

_____ you tell _____ availability: fiber, cable, _____ wireless?

_____ details on _____ types?

_____ looking for _____ on _____ different types _____ connections.

Is there a _____ to _____ for _____ for _____?

Look _____ about _____.

_____ tell me where _____ gather information on _____ connection _____?

How _____ about the _____ of various _____ types?

Where _____ I _____ the availability _____ various _____?

Is _____ place where I _____ find _____ types here?

Is _____ to _____ on availability for _____ wireless networks?

_____ I find more _____ about different _____?

What _____ (fiber/cable/DSL/wireless) _____?

Seeking _____ for various types _____.

_____ there _____ links _____?

_____ tell _____ about the availability of fiber _____?

Where _____ information about _____ types of _____ accessibility?

Where do _____ for _____ on _____ of connections?

Where to find _____ and wireless _____?

_____ me where _____ can _____ about the available connection types?

_____ about fiber/cable/DSL/wireless _____ accessibility.

_____ link with _____ on the _____ fiber, _____ DSL, and _____ connections?

_____ find data about fiber/cable/DSL/wireless.

Where can _____ fiber/cable/DSL/wireless here?

Is there _____ I can find the _____ about _____?

Are _____ data regarding _____?

_____ can I find _____ connections _____ cable _____ wireless?

I want to _____ gather details about _____ types.

Data regarding _____

Is there _____ place _____ find _____ the different _____ of connections?

_____ information about _____ fiber, _____ DSL, wireless.

I _____ about avail details for _____.

_____ there a place where I could _____ options?

Where _____ I _____ to _____ cables, _____ or such stuff?

Trying to find out _____.

_____ me where I _____ details about the _____ types?

_____ have a link to _____ availability _____ fiber, _____ DSL, _____ connections?

Is there a way to _____ availabilities _____ fiber _____.

There are ways _____ learn _____ about fiber, _____ and _____.

_____ about fiber/ _____.

_____ me _____ I can _____ information about _____ different types _____.

I'm looking _____ kinds of connections' _____.

_____ there _____ way _____ look up availability _____ options?

Is there _____ to _____ specific _____ and cable.

_____ information on accessibility options for _____ via fiber/ _____.

Do _____ need _____ availability: _____?

Looking for availability _____ on _____

_____ in _____ to find out _____ about _____ accessibility options for connecting via fiber?

_____ to _____ out about the _____ of _____ wireless.

_____ do _____ about different _____ of connections?

_____ am _____ connection availability (fiber/cable/DSL/wireless).

Is there _____ on _____ accessibility of _____ connection _____?

Do you know _____ availability of _____ fiber, _____ DSL _____?

_____ to locate the _____ of _____ cable, _____?

Find the _____ cable, _____.

Can _____ know where I can _____ more _____ available _____ types?

Where _____ out about fiber, cable, _____?

Where can _____ find avail _____?

_____ there any information on the availability _____?

_____ information _____ of connections available?

_____ do I go _____ learn _____ different _____?

_____ can find _____ about _____ cable, _____.

Where can _____ information _____ fiber, and _____ connection _____?

Looking _____ insight _____ various _____ of _____.

_____ there _____ place _____ up availability for _____ options?

_____ get _____ about the availability _____ various connection _____?

_____ find information _____ for fiber, cable, and DSL?

_____ can I _____ about _____ accessibility of _____ types?

_____ fiber/cable/DSL/wireless types.

_____ to find _____ about cable, _____ and wireless _____?

Where _____ look for information _____ different _____ of _____?

I _____ for information _____ accessibility _____ connection types.

_____ you _____ of places _____ different _____?

_____ information about _____ types _____ connections

_____ like to _____ I can _____ information _____ fiber/cable/DSL/wireless connection _____.

_____ there any information regarding _____ availability _____ fiber, _____ wireless _____?

_____ the _____ of various _____ of _____?

I need _____ out _____ different _____ options.

_____ want _____ know _____ to find information _____ connection types _____.

_____ need to _____ I can find _____ different types _____.

Where _____ find out _____ about _____?

_____ about availability: _____?

_____ possible _____ get details _____ fiber/cable/DSL/wireless.

Do _____ have _____ about _____ availability of _____ cable, DSL, _____?

_____ _____ out the availability of different _____?

Where can _____ find _____ like fiber _____ cable?

_____ there a link that _____ me about _____ fiber, cable, _____?

_____ reliable sources _____ show _____ for fiber, cable, and _____?

Find _____ about _____.

Where should _____ check out _____ options for _____?

_____ locate the _____ connections?

What _____ of _____ DSL or wireless?

_____ some _____ available net options, _____?

Where should _____ information about _____ of various connection _____?

Where can I _____ the _____ types _____ connections.

_____ where to look _____ about _____ of connections.

_____ need _____ options for _____ via fiber/cable/DSL/wireless.

_____ to learn about availabilities _____ and cables?

_____ know the availability _____ fiber, cable, _____ and _____?

Where can _____ find information _____ the _____ methods?

_____ need to _____ accessibility _____ connecting via fiber/cable/DSL/wireless.

Are _____ able to _____ us _____ avail for _____?

Can _____ tell _____ I _____ get more _____ the available _____ types?

_____ you know how to _____ fiber, _____ wireless?

Are _____ the various _____ types?

Where _____ I _____ of cables, _____ and _____ stuff?

Where _____ out _____ cable, _____ wireless availability?

_____ there _____ place to look up _____ connection _____?

Where can _____ find _____ information on _____ different _____?

_____ insights regarding _____ cable, _____ connections.

How _____ avail details _____ cable, DSL, _____?

_____ should I check _____ more about _____?

I _____ to _____ to find _____ for _____ and cable.

Is it _____ to _____ data _____ the _____ connections?

Where _____ find _____ of cables, fibers, and such _____?

Looking for _____ different _____ connections.

_____ do _____ learn _____ connection choices?

_____ to find out about fiber, _____ connection _____?

Is _____ to find information about _____ accessibility _____ types?

_____ find details about _____ types?

I am _____ for information _____ availability of _____ of _____.

_____ have any _____ for _____ types _____ fiber _____ cable?

_____ to _____ where I _____ get _____ about _____ availability of _____ connection _____.

_____ there reliable _____ on _____ options for _____ wireless?

_____ data _____ link avails?

Where _____ you find _____ the _____ types _____?

Can you _____ in _____ right _____ more _____ options for connecting via _____?

Any info _____ available _____?

Are you _____ to _____ information on _____ availability _____ fiber, cable, _____?

Where _____ I find _____ information _____ the _____ of _____?

Is _____ to _____ on availability for _____ and wireless _____?

_____ to _____ if there's _____ accessibility options for _____ via _____.

Any information on _____?

_____ for information on different _____?

_____ I _____ out fiber/cable/DSL/wireless?

Where _____ we _____ fiber, cable, and _____ connection _____?

_____ you know _____ find some _____?

I want to know _____ fiber and _____.

Do you _____ information _____?

_____ you _____ information about _____ availability _____ cable, and wireless _____?

Do _____ the places to _____?

_____ know the _____ details for _____?

I would like to _____ it _____ possible _____ fiber/cable/DSL/wireless?

_____ availability _____ regarding _____ of connections.

Are there _____ to find _____ connection options?

Is there a place _____ I _____ data _____ of _____ options?

_____ I _____ those connection types?

Do _____ more _____ avail _____ for _____?

Where _____ information on the accessibility _____ types?

_____ need _____ the available _____ where?

_____ access to fiber, _____ and DSL.

Is _____ information _____ access _____ cable, wireless, and _____?

Is _____ to give details _____?

Where _____ information about _____ options?

_____ am _____ need _____ accessibility for fiber/cable/DSL.

Have _____ a _____ to the _____ of _____ cable, DSL, _____?

Where _____ find _____ data on different _____ connections' _____?

_____ to _____ more about accessibility options _____ via fiber/cable/DSL/wireless

_____ have _____ to information about the _____ cable, fiber, _____ wireless?

_____ like _____ learn _____ about _____ for _____ via fiber/cable/DSL/wireless.

_____ need to know more _____.

_____ can _____ data concerning the availability of _____?

Do you have _____ to _____ availability _____ fiber, cable, _____ wireless _____?

Where can _____ find out _____ options?

_____ I _____ about the different _____ options?

How to _____ cable, DSL _____ wireless _____?

_____ I _____ the availability of _____ connection options?

I ____ info ____ different internet ____ as ____ cable, ____ or wireless.

____ can I ____ more ____ the ____ types ____ connection?

Is ____ to ____ for ____ to fiber, cable, ____ wireless?

____ on ____ connection ____ are ____?

____ fiber, ____ and wireless.

There are ____ find ____ fiber, cable, DSL and ____.

____ you tell ____ about avail ____ for ____?

____ tell us about the availability ____ cable, and ____?

I ____ looking for ____ connections.

____ about ____ internet connections such as fiber, cable, ____ or wireless.

____ can I find ____ accessibility ____?

____ can ____ about the ____ of fiber, cable, ____ connections?

Where can I ____ connection options?

Is ____ a ____ where ____ find ____ connections?

____ various ____ (fiber/cable/DSL/wireless).

Where to ____ out about fiber, cable, DSL, ____?

____ there ____ way ____ find ____ for fiber, cable, ____ wireless ____?

____ are ____ to discover ____ fiber, cable, and ____.

Can ____ please ____ me ____ of ____ cable, and ____ connections?

____ have any details on ____?

____ about fiber ____ cable.

____ about ____ type ____

____ need ____ on what connections are available, ____ or ____.

____ it ____ for ____ provide ____ for fiber/cable/DSL/wireless?

____ availability: fiber/Cable/DSL/wireless?

I ____ about connection availability ____

Is ____ a way ____ learn ____ that include ____ cable?

____ me about the ____ of fiber, ____ and ____ connections?

____ do I find ____ information ____ options?

____ can I ____ out about the ____ types ____?

____ it possible ____ you ____ give me ____ fiber/cable/DSL/wireless?

Where should I ____ get ____ on different ____ connections' ____?

____ tell ____ about ____ connections?

Where can ____ find information on ____ cable?

____ there ____ place where I ____ find availability ____ options?

____ for ____ insights ____ kinds ____ connections.

Where can I ____ out ____ about ____ accessibility ____?

Where ____ I find ____ various connection types?

____ fiber/ cable/DSL/wireless ____ available?

____ you ____ information on ____ types like ____ and ____?

____ need information on ____ of ____.

Do you ____ fiber, ____ DSL, and wireless connections ____?

Looking for ____ availability ____ different ____.

____ know ____ to find ____ about ____ connection accessibility.

____ you know how to find ____ about ____ DSL, and ____ connections?

I'm ____ information ____ the ____ of different ____ of ____.

What do ____ know about avail ____ and DSL?

____ there a ____ the ____ of ____ dsl, and ____ connections?

____ to find ____ about cable, broadband, ____ wireless ____?

____ to ____ to ____ hold of fiber ____ wireless connections.

____ can I ____ the information ____ connection ____?
 ____ there ____ can ____ data about the ____ of various connection ____.
 I would ____ on the ____ of different ____.
 Can ____ tell me about the ____ internet, and ____?
 ____ any ____ I can find the data ____ connections?
 ____ out ____ about different ____.
 Do ____ the availability of fiber, cable, ____ wireless connections?
 ____ you have ____ links ____?
 Where can ____ more about ____ of the various ____?
 Where can ____ find ____ like ____ or wireless?
 What is ____ place ____ look for ____ of cables, ____ stuff?
 Want ____ the availability of ____?
 Tell ____ information on different connections.
 Where ____ find ____ the availability ____ fiber, ____ and wireless ____?
 ____ info about different ____.
 ____ how ____ different connections.
 I want ____ out ____ the availability ____ types ____ connections.
 ____ information on accessibility options ____ via fiber/cable/DSL/wireless
 ____ want ____ out where I can ____ access ____.
 ____ for ____ for ____ types of ____.
 ____ to ____ where I can ____ out ____ fiber/cable/DSL/wireless connection ____.
 ____ if ____ can find different ____?
 I ____ searching for information ____ the availability ____.
 Is ____ any information about ____ types ____ and ____?
 ____ can ____ about those ____ types?
 Are you ____ provide ____ link ____ availability ____ cable, and wireless ____?
 ____ you have ____ about ____ of ____ cable, and ____ connections?
 ____ I ____ more ____ on the ____ connection options?
 ____ there ____ to ____ access to ____ DSL, and wireless?
 ____ to find ____ on cable, ____ availability?
 Where ____ information ____ access to various ____ types?
 ____ any ____ on ____ availability of ____ and wireless?
 Where should I look ____ different ____ of ____?
 I'm looking ____ information ____ accessibility options ____ connecting ____ fiber ____.
 How ____ availability of fiber, cable, ____ wireless ____?
 Is ____ place where ____ on ____ of various connection options?
 ____ data on ____ connection options?
 ____ the ____ of fiber, cable, ____?
 Do ____ have ____ place ____ you ____ find different ____?
 What's ____ availability of ____ wireless connections?
 I ____ to ____ where I can ____ fiber, cable, ____.
 ____ relating ____ different connections.
 I ____ to ____ the ____ of ____ cable, ____ wireless.
 Where ____ information on ____ connection ____?
 Do you ____ the availability of fiber, ____ wireless ____?
 Where ____ locate the ____ on the ____ connection ____?
 ____ provide ____ about the various ____?
 ____ a way to find ____ fiber, ____ or wireless ____?
 ____ may I ____ availability of various ____?
 Is ____ a way ____ learn about ____ with ____?

Where ____ I ____ information about ____ cable, ____ wireless connection ____?

____ I find ____ about ____ options?

Where to ____ information ____ Fiber, cable, ____ availability?

Where ____ find information ____ the ____ the various connection ____.

Where do ____ look ____ availability information of ____ and ____?

I need help ____ avail ____

____ can ____ find ____ the accessibility ____ connection ____ such ____ fiber, cable, ____ wireless?

____ might I find ____ to ____ of various connection ____?

I'd like ____ know where ____ find details about ____.

____ are ways to ____ cable, DSL ____ wireless ____.

____ in ____ on different ____ of ____ accessibility.

What information ____ I ____ various connection types?

I want ____ know where ____ information on ____ types ____.

There's ____ learn about ____ with fiber and ____.

What types ____ fiber, ____ wireless ____?

Where can ____ find the availability ____ and ____?

Is ____ to give me ____ about ____ availability of ____ cable, ____?

____ I check connection availability ____ fiber, ____ wireless?

____ let us ____ the ____ of ____ and wireless connections?

Is ____ on the availability of cable, ____ wireless?

____ the availability ____ cable, ____ and wireless?

I ____ information on ____ availability: ____ DSL.

Where ____ to ____ about the ____ of various ____ types?

____ would ____ to know ____ details for fiber/cable/DSL/wireless.

Is there a ____ on availability ____ broadband and ____ networks?

____ do I find ____ on ____ connection ____?

I'm ____ for information ____ availability of ____ types ____.

Are there ____ the availability of ____ and ____ connections?

I ____ like to know ____ there ____ options for ____.

____ any place where ____ find the ____ about ____ types of ____?

____ should ____ find ____ availability of various connection options?

____ I ____ to find ____ more ____ the ____ for broadband ____ cable?

____ it ____ to ____ about the availability ____ cable, and wireless ____?

____ there ____ to ____ availability for ____ connection options?

Where ____ I find ____ more ____ different ____ connections?

____ to discover the availability of fiber, ____ DSL ____.

Is ____ a way ____ avail details ____ cable, ____?

____ are ____ information ____ cable, internet and wireless ____.

Please let me ____ availability of ____ cable, ____ connections.

I'm ____ for information on accessibility ____ fiber/cable/DSL ____.

Looking for ____ regarding different ____.

____ reliable information ____ access options ____ fiber, cable ____?

____ any ____ on avail ____ fiber/cable/DSL/wireless?

There is ____ about ____ for fiber/cable/DSL/wireless.

Looking for ____ of connections.

Is there ____ get data ____ the different ____ connections?

Can you ____ to accessibility options ____ connecting ____?

____ am ____ details ____ fiber, cable,DSL, and wireless.

Are there ____ information ____ options ____ cable, ____ wireless?

Want ____ the ____ of different ____ of ____?

Got _____ connection types _____ and _____?
 Are there reliable sources for _____ access _____ and _____?
 _____ info on _____ types _____ available?
 Where _____ find information _____ the accessibility of _____?
