

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Technical support for alarm system
Inquiry Sub-Category	Sensor placement and configuration
Description	Offering advice on optimal sensor placement to maximize security coverage, explaining the function of different types of sensors, and assisting with on-site configuration to optimize system performance.
Data Size	5,214 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

____ it possible to adjust ____ sensitivity ____ ____ contact ____?

____ ____ change the ____ on ____ contact ____

I'd like to know ____ I ____ ____ ____ contact ____ sensitivity.

Door/window ____ sensitivity ____ be ____.

____ possible to ____ sensitivity ____ doors?

Can doors ____ window ____ adjusted to have a ____ ____ that is ____ ____ the ____ ____?

____ be ____ to ____ the ____ settings ____ our doors ____ windows?

____ know if I can change ____ ____ on ____ ____ sensors.

Is ____ ____ way to change ____ sensitivity ____ ____ door/window ____?

It ____ possible to modify ____ door/window ____ ____.

Will ____ be ____ to adjust ____ ____ of ____ contact ____?

Is ____ ____ to change ____ ____ sensors ____?

____ is ____ ____ change the sensitivity level of ____ ____ sensors.

Can doors ____ window ____ adjusted to ____ a different ____ ____ what is found ____ ____ door.

Can I change ____ sensors ____ ____ windows?

Is ____ possible to ____ ____ sensors' ____?

____ it possible to change ____ sensitivity ____ ____.

____ we ____ ____ how ____ our window/door contacts ____?

____ you tell ____ if ____ ____ to change the ____ ____ levels?

____ ____ it is possible to change ____ sensor ____?

Can ____ ____ contacts be adjusted to ____ ____ different ____ level?

____ it ____ ____ change the ____ ____ sensitivity?

____ it ____ ____ sensor sensitivity ____ door/ window ____ detectors.

____ suggest ____ ____ to the ____ on door and ____ sensors?

I ____ like ____ know ____ I ____ ____ the sensitivity ____ ____ door/window ____ sensors.

____ the doors ____ windows ____ ____ to have a ____ sensitive ____?

____ we ____ the sensitivity ____ our ____ ____ contact sensors?

Would ____ ____ possible ____ change ____ ____ sensors sensitivity?

_____ be modified in _____ detectors?

Can you _____ possible to change the door/windowcontact _____?

Can _____ the level _____ sensitivity _____ the _____ windows?

_____ and window contacts be _____ different _____ level _____ what is found in door _____ window _____?

Maybe door/window _____ be adjusted.

Is _____ to _____ door _____ window contact sensor?

Is it _____ change _____ the _____ window contact sensors?

Door/window _____ sensitivity _____ be _____.

I _____ to know _____ can be _____ door and windowcontact _____.

Is it _____ adjust _____ door/window contact _____?

Can _____ me if _____ possible to change _____ sensitivity?

_____ it _____ change _____ door/window contact sensors' sensitivity _____?

Can doors and _____ be adjusted to _____ of _____?

Can I modify the sensitivity _____ the _____?

_____ window _____ be changed?

Sensor sensitivity can be _____.

_____ level on _____ and windowcontact _____ be changed.

Change _____ for _____?

Can you adjust _____?

Possible _____ alert levels.

The _____ levels could possibly _____.

I _____ I can change _____ sensitivity _____ the _____ window contact _____.

_____ possible to adjust the _____?

_____ chance that door/window _____ levels could be _____.

_____ you tell me if it's _____ door/windowcontact _____ levels?

I _____ if _____ change the door/ window _____ sensor's _____.

Is it _____ to _____ door _____ windows?

How can _____ the _____ on my _____ window

It is _____ change the _____.

_____ it _____ possible _____ sensitivity level on door/window contact _____?

_____ it possible _____ change _____ window contact sensor _____?

There _____ an option to alter _____ sensitivity on _____ door _____.

Can _____ adjust how _____ our _____ door contacts _____?

Possible _____ modify _____ detector _____?

_____ I _____ the sensitivity _____ the _____ contact _____?

_____ there _____ option _____ the sensitivity _____ doors and windows?

_____ you tell me _____ it's _____ the sensitivity _____ of _____ door/windowcontact _____?

Is it possible _____ change _____ door/window _____?

_____ is possible to adjust the sensitivity _____.

Is it _____ the _____ sensor's _____?

_____ I _____ the sensors on doors _____ windows _____?

_____ to change the _____ of sensitivity _____ the _____ for _____ windows?

_____ be feasible to _____ sensors' sensitivity?

_____ and windows _____ a different sensitivity level.

_____ I change _____ sensitivity on _____?

I am _____ I can change _____ door/window _____.

How _____ I _____ on my _____ and door?

Can _____ the sensitivity of door _____ windowcontact sensors?

_____ doors and window _____ be adjusted so _____ have _____?

Can doors _____ window Contacts be _____ to _____ a _____?

_____ contact sensors _____ adjusted?

_____ you _____ it's possible to _____ door/window contact sensors?

_____ possible to change the _____ of _____ door/ window _____?

_____ there a _____ door/window contact sensors _____?

Can it be _____ to change _____?

Can doors and _____ adjusted _____ have _____ different sensitivity level _____ in door contact?

_____ to modify _____ sensitivity in _____ contact detectors?

Do _____ modify door/window _____ sensitivity?

_____ think about _____ contact sensitivity?

_____ am _____ I _____ change the _____ sensor's sensitivity.

_____ doors and _____ contacts be _____ to have _____.

_____ like _____ if _____ is possible to change the _____ sensitivity.

_____ it possible to _____ the _____ sensors _____?

_____ the door/window sensor?

Can _____ and window contacts _____ adjusted _____ lower sensitivity?

_____ if it is _____ to change _____ door/window contact sensors' _____ level?

_____ doors _____ window contacts be _____ to _____ different level _____ sensitivity _____ is found _____ door/window _____?

Can _____ and _____ be adjusted to have _____ than _____ is _____ in door/window contactors?

_____ to _____ the sensitivity _____ on door and _____ sensors.

Can _____ and _____ contacts be _____ to _____ sensitivity level _____ contactors?

_____ if _____ change the sensitivity of _____ door/window contacts.

Can we _____ care _____ how _____ our _____ are?

Can the _____ and window _____ to _____ less _____ level?

_____ you _____ me how it is _____ to _____ sensors' _____ level?

_____ able to adjust _____ sensitive our windows/doors _____?

Is it _____ to adjust _____ contacts _____ a _____ level.

_____ be _____ change the _____ level _____ and window contact sensors?

Can _____ door/window sensors?

Can we _____ window/ door contact _____ are?

Can the _____ be adjusted?

Can sensor sensitivity _____ in _____?

_____ the _____ detectors _____ altered?

_____ doors and _____ contacts _____ adjusted _____ different _____ level than what _____ seen in door/window _____?

_____ doors _____ window _____ different sensitivity _____ what is found in the door/window contactor?

Should _____ the sensitivity settings _____ our door/window _____?

Is _____ a _____ to _____ of sensitivity on the _____ sensors?

Can _____ window _____ be adjusted if they _____?

_____ sensors change their sensitivity?

_____ possible to alter the _____ door/ _____ contact sensors?

_____ wondering if I _____ door/window sensor sensitivity.

_____ the _____ sensitivity _____ doors _____ be _____?

Can _____ sensitivity _____ door _____ window contact devices?

_____ doors and _____ be adjusted _____ have _____ sensitivity _____ from _____ is found in _____ contactor?

_____ can I _____ change _____ my door and _____ contacts?

It _____ change the sensitivity level of _____ contact _____.

_____ I modify the sensitivity _____ contact _____?

_____ if I can change _____ door and _____ contact _____.

I'm wondering _____ can _____ the _____ contact sensor's _____.

Can you _____ of _____ door/window _____ detectors?

Can _____ on the window _____ sensor?

____ a ____ or ____ contacts ____ adjusted to have a ____ ____ ____?
 ____ doors and ____ contacts be changed ____ a ____ sensitive ____?
 ____ I change ____ settings ____ ____ and window contacts?
 ____ you tell ____ if it's ____ ____ door/window contact ____?
 ____ we ____ how sensitive our window/door ____ ____?
 ____ a way to ____ the ____ of ____ doors and ____?
 Is ____ modify ____ door/window ____ sensors sensitivity?
 Is it possible ____ the ____ window contact ____?
 Is it ____ to ____ the ____ settings for ____ ____?
 ____ possible to change the ____ levels ____ window ____ sensors.
 Is it possible ____ the ____ ____ contact sensor?
 Can ____ it's possible ____ change the ____ contact ____ sensitivity levels?
 Can I ____ door/ window ____ ____?
 ____ modify the sensitivity of ____ door/window ____ ____?
 ____ possible to ____ sensitivity ____ door/window contact sensor?
 Will we ____ able to ____ ____ for ____ door devices?
 Can ____ tell ____ possible ____ change door sensors ____?
 Is there ____ way to ____ the ____ ____ and windows?
 Is ____ to change the level ____ door ____ sensors?
 ____ there a ____ door/window contact sensor ____?
 ____ you tell ____ if ____ possible ____ change ____ sensors' ____ levels?
 Can the ____ be ____?
 ____ it ____ possible ____ tinker with door/window ____ levels?
 ____ the sensitivity of ____ contact sensor?
 Is it possible ____ sensitivity
 ____ was possible to change the ____ sensors' sensitivity ____.
 Can ____ determine if ____ to ____ sensors' sensitivity levels?
 Can ____ you can change ____ sensors' sensitivity levels?
 ____ the sensitivity ____ feasible for ____ door/window contact ____?
 Is ____ possible to adjust how ____ contact ____?
 ____ it possible to ____ the sensitivity ____ sensors?
 ____ door/window ____ levels can ____ changed?
 I'm ____ if I ____ change the ____ sensitivity.
 Can doors and ____ be ____ to have ____ different ____ than what ____ in ____ door?
 ____ it ____ to ____ how ____ our ____ contact sensors ____?
 Can ____ sensitivity for doors?
 Can the ____ and window ____ be ____ to have ____ ____?
 ____ it possible ____ change ____ window ____ sensors sensitivity?
 ____ want ____ door/window contact sensitivities?
 How ____ the sensitivity ____ door and ____ sensors?
 Can ____ tell ____ if ____ is possible to ____ the door/windowcontact ____ ____?
 ____ I change ____ sensitivity ____ for window ____?
 ____ want ____ adjust the sensitivity ____ my door ____ contacts.
 ____ possible to change ____ sensorssensitivity?
 Can ____ and window ____ adjusted ____ a ____ level of ____ than what ____ in ____ contacts?
 Can ____ change how ____ sensors are?
 ____ window ____ be adjusted to ____ less sensitive sensitivity?
 ____ to ____ how sensitive the window/door ____ sensors ____?
 ____ about ____ the sensor ____ doors?
 ____ wonder ____ it ____ possible ____ change the ____ sensors _____.

_____ be done to _____ sensitivity _____ on _____ and _____ sensors?

Can _____ the _____ door/window sensors?

It's _____ door/window _____ sensors sensitivity.

The sensitivity _____ and windowcontact _____ could be changed _____.

_____ there a _____ sensor sensitivity in door/window _____?

_____ I change _____ the sensors _____ doors _____ windows?

Can the _____ window contacts _____ adjusted _____ less sensitive?

_____ possible to change _____ level _____ or _____ contact sensors?

Can _____ sensitivity level of the _____ sensors?

Does _____ possible _____ door/window _____ sensors?

_____ there _____ way _____ change _____ sensitivity _____ the sensors _____ doors _____ windows?

_____ changing the _____ of door/window contact _____?

Is _____ to _____ the sensitivity _____ on door _____ windowcontact _____.

Does _____ possible to _____ door/windowcontact sensors _____?

_____ window contacts _____ to be sensitive?

Can doors _____ contacts _____ adjusted to _____ a _____ sensitivity _____?

_____ to adjust _____ alert levels?

Can _____ tell _____ it _____ possible to change _____ door/windowcontact sensors' _____?

_____ contacts be adjusted to have _____ level of _____ than _____ in _____ door/window contactor?

_____ am _____ I can _____ the _____ and window _____ sensors.

Is it possible _____ alter _____ level of _____ and windows?

Is it possible _____ more sensitive?

_____ change how _____ the window/door _____?

Is it possible _____ change _____ of _____ sensors?

Can doors and _____ contacts be _____?

Can we adjust how _____ our _____ and _____?

_____ you _____ door/window contact _____?

Could _____ sensor _____ for the _____?

Will _____ door/window contact _____?

Might sensor _____ doors?

_____ we alter _____ of our _____ contact _____?

Try _____ modify _____ sensitivity.

Can _____ tell me _____ door/windowcontact _____ can be _____?

Can _____ window contacts be _____ to have a different _____ level _____ what _____ in _____?

Can we _____ door/window _____ as _____?

Can doors and window contacts be _____ a different _____ of _____ than _____ in _____ window contactor?

_____ be _____ to modify the _____ for _____ contact _____?

_____ if I _____ modify _____ door/window contact _____ sensitivity.

Is there an option _____ level of _____ windows?

_____ the _____ and window contacts _____ be less _____?

Can I _____ of sensitivity on _____ contact _____?

I _____ if _____ possible _____ the _____ sensitivity levels.

Try _____ sensitivity for _____.

Can _____ doors _____ window contacts be _____ higher _____

How _____ change _____ on _____ and windowcontact sensors?

Is _____ alter _____ sensitivity level of _____ contact _____?

Is _____ to _____ the _____ of _____ door/ window contact _____?

_____ is _____ option _____ change _____ sensitivity of _____ sensors for _____ windows.

_____ want _____ know if _____ can change _____ contact sensor _____.

Is it possible _____ door/ _____ sensor's _____ level?

_____ the _____ and _____ contacts _____ changed for _____ sensitivity?

How can _____ sensitivity _____ and _____ be changed?

It _____ be possible _____ modify _____ alert _____.

Can _____ and _____ contacts be adjusted to have _____ level _____ what _____ in door/window _____?

Is there _____ way _____ the sensor _____ in _____ detectors?

_____ modify _____ sensor sensitivity _____ a _____ contact detector?

Can you tell me _____ possible _____ change _____ sensors' sensitivity _____?

Do you _____ response levels for _____?

Is _____ to adjust _____ and _____ contacts to _____ sensitivity _____?

Is _____ possible to _____ the sensitivity _____ the _____ contact _____

Will _____ possible _____ change _____ sensitivity settings _____ door/window _____ devices?

_____ modify the _____ of the door/window _____?

_____ we _____ settings for door/window _____?

Can _____ the sensitivity of _____ contact _____

_____ it possible _____ the _____ contact _____?

Can a less _____ be _____ to _____ and _____?

Can there be changes to _____ detectors?

_____ am _____ if I can _____ the _____ the _____ contacts

Can _____ window _____ changed at a higher _____?

Can _____ detector _____ levels _____?

Is _____ to _____ the sensitivity of the _____?

Can doors _____ adjusted to have a different sensitivity _____ in a _____ contactor?

Can I _____ the _____ of _____ window _____?

_____ levels _____ be modified.

Can _____ it's possible _____ alter the door/window contact _____?

_____ you _____ door/window _____?

_____ it possible to _____ the sensitivity _____ sensors?

_____ you _____ possible to change _____ door/windowcontact sensors _____ levels?

_____ be able to _____ the sensitivity settings _____?

Can _____ sensor sensitivity?

_____ you _____ if _____ possible to _____ the door/windowcontact _____?

Can I _____ of _____ sensors?

_____ to change _____ sensitivity level of door/ _____ sensors?

Door/window detector _____ could _____ adjusted.

Can we _____ the _____ settings _____ our _____ windows?

Is it _____ change _____ sensitivity _____ on my _____ and _____?

_____ doors and _____ so they _____ a less sensitive _____?

Can doors and window contacts _____ to _____ a sensitivity _____ is found _____ contacts?

_____ we going to _____ sensitivity?

_____ is an _____ change the _____ on the _____ for doors and _____.

_____ am _____ it is _____ to change the door/window _____.

_____ doors and _____ contacts _____ to _____ a different _____ sensitivity.

_____ doors and window contacts be _____ a _____ sensitivity _____ the _____?

Can _____ contact _____ be _____?

_____ wonder if _____ can _____ the sensitivity of _____ door/window _____.

_____ you determine if it _____ possible _____ change _____ contact _____?

_____ you _____ a _____ change the _____ of _____ door _____ windowcontact sensors?

Can you _____ me if it's _____ contact _____ sensitivity?

_____ contact sensors _____ be adjusted?

_____ the doors _____ adjusted with a different _____?

Can _____ possible _____ change the _____ level _____ door/ window _____?
 _____ it _____ sensitivity of door and window sensors?
 _____ a way to change _____ doors and _____ sensor?
 Is _____ possible _____ door sensors' _____?
 _____ it _____ to modify _____ sensitivity too?
 Can _____ alter the _____ contacts?
 _____ possible _____ change the level _____ sensitivity _____ and windows sensor?
 Can we _____ the _____ settings for the _____?
 _____ adjusting door/window _____
 Can _____ doors _____ contacts be _____ with a _____?
 I am _____ if it _____ to change _____ sensitivity.
 _____ there an _____ sensitivity on the _____ and _____ sensors?
 Can _____ make _____ our _____ sensors?
 _____ you think _____ is _____ alter door _____ sensitivity?
 _____ door/window detector alert levels _____?
 Is _____ possible to change _____ door/ window _____?
 _____ the sensitivity _____ the sensors on the _____?
 Can we adjust _____ window/door _____?
 _____ it _____ to change the _____?
 Is _____ a way _____ the _____ of _____ doors _____ windows?
 _____ it possible _____ modify _____ sensitivity _____ window contact _____?
 _____ doors _____ be _____ to a higher sensitivity _____?
 _____ a _____ to modify _____ detector alert levels.
 _____ sensor sensitivity _____ doors _____ adjusted?
 _____ door and window _____ be changed?
 _____ to change _____ door/window contact _____ Sensitivity?
 Is it possible to _____ the _____ contact _____?
 Is _____ to _____ the sensitivity on _____ contact _____.
 Is _____ change the _____ of door/ window contact _____?
 _____ it _____ to _____ the _____ contact sensors _____?
 Is it possible _____ modify _____ door/window _____?
 Can _____ window _____ adjusted _____ they are less sensitive?
 Can it _____ adjusted for _____?
 _____ be _____ change the sensitivity settings for our _____?
 _____ could _____ sensitivity _____ changed _____ door and window contact _____?
 How can _____ modify _____ for our _____ contact _____?
 Can _____ in door/window _____ changed?
 Does _____ the door/window contact sensors _____?
 _____ it _____ and _____ contacts to have a _____ level?
 Can _____ me _____ it is possible _____ door/window _____ sensors' _____ level?
 Can door/window _____ to have _____ different _____ of _____?
 _____ change the _____ door and window contact sensors.
 Can doors _____ window contacts _____ so _____ much sensitivity?
 _____ me _____ possible to adjust the _____ sensors' sensitivity _____?
 _____ it _____ to change the _____ levels?
 Could door/window _____ changed?
 It _____ to _____ door/window contact _____ sensitivity.
 Can doors _____ window _____ to have _____ sensitivity?
 Can the doors and _____ contacts _____ sensitivity level?
 _____ the door/window contact sensors _____?

_____ contact be adjusted _____ a different level of sensitivity than _____ found _____ door/window _____?

How about _____ sensor?

_____ doors and _____ be changed to _____ different from _____ found in door/window contacts?

Can _____ us how _____ the sensitivity _____ and _____ sensors?

The door/window _____ alert _____ might _____.

_____ tell me _____ changing _____ sensors' _____ level is doable?

I'm _____ if _____ change _____ contact sensors

Could it be _____ door/window _____ sensitivity?

Can doors and _____ have _____ of sensitivity?

Can _____ possible to change _____ door/window _____ sensors' _____?

_____ doors and _____ contacts be adjusted _____ sensitivity _____ from _____ found in door/window _____?

_____ I change _____ contact sensors?

Is _____ window contacts to have a different _____ of _____?

_____ I be _____ to _____ sensitivity of the _____ sensors?

Can someone _____ the sensitivity of _____?

Can you suggest _____ change the _____ on _____ window/contact sensors?

_____ can modify _____ sensitivity.

_____ a possibility of changing _____ sensitivity _____ window contact _____.

_____ it possible to _____ sensor _____?

Is _____ sensors sensitivity possible?

Can _____ adjust _____ our window/door _____?

_____ it possible to change _____ sensitivity _____ door/window _____?

_____ you tell me if _____ the _____ contact _____ levels?

_____ modify door/window _____ sensitivity?

Is it _____ and _____ to a higher sensitivity?

I'm _____ if _____ can _____ door _____ window _____ sensors.

Door/window _____ sensitivity _____ altered.

_____ it _____ to change the _____ window contact _____?

How _____ level _____ on _____ and window/contact sensors?

_____ I modify the _____ my _____ and windows?

There is an _____ of sensitivity on _____ doors and _____.

Can doors and _____ be adjusted _____ sensitivity?

Can you tell me _____ to _____ door/window/contact's sensitivity _____?

Is it _____ change the _____?

Is it _____ to change _____?

Can _____ see if _____ possible _____ door/window/contact sensors' _____ levels?

_____ sensitivity _____ door/window _____ sensors be adjusted?

_____ able to _____ sensitivity for doors.

Can you _____ out if _____ the door/window/contact _____ levels _____?

Can _____ doors be adjusted?

Potential _____ alert levels?

_____ it be _____ door/window _____ alert levels.

Can _____ the sensitivity _____ contacts?

_____ doors and window contacts _____ a different way _____ have _____ level?

_____ and _____ have a different _____ level?

Can _____ me if changing the _____ level _____ possible?

Can doors _____ contacts be changed _____?

Is _____ to _____ the _____ of sensitivity for _____ and _____?

_____ wonder if I _____ change _____ sensitivity of _____ contact _____.

It _____ be _____ change door/window detector _____.

_____ sense _____ change the _____ sensors sensitivity?

Changing door/window _____?

The _____ can be _____.

Can you tell me how _____ to change _____?

_____ am wondering if _____ alter _____ door/window contact sensors.

Can _____ out if _____ possible to _____ door/window _____ sensors sensitivity?

How _____ change my door _____?

Is there _____ way to _____ sensor _____ detectors?

_____ the sensitivity settings is _____ door/window _____ devices.

_____ doors _____ contacts _____ adjusted to _____ what is found in them?

_____ can we _____ the sensitivity level _____ door _____?

_____ we _____ the sensitivity _____ for _____ devices.

_____ wondered _____ could _____ the sensitivity of _____ door/window contact _____.

_____ I change how _____ on _____?

_____ possible to modify _____ door/window _____?

_____ door _____ window contacts _____ changed _____ a _____ sensitivity level?

_____ think it's doable to change _____?

Can _____ me _____ it _____ to change the _____ sensitivity levels?

_____ modify _____ settings for the _____ devices?

_____ figure out _____ it's possible _____ change the _____ sensitivity _____?

_____ changing _____ sensitivity of the _____ done?

_____ whether it _____ to _____ the door/window contact sensors sensitivity?

Can _____ settings for _____ door/window contacts?

I want _____ know if I can _____ sensitivity of _____.

_____ to _____ the _____ sensors' sensitivity?

How _____ modify the settings _____ my door _____?

Can _____ window contacts be _____ have less _____?

_____ there _____ way _____ the level _____ of the doors _____ windows?

_____ we _____ able to _____ how sensitive _____ and _____ contact _____ are?

Is it _____ to _____ the _____ of _____ sensors?

Can I _____ sensitivity of _____?

_____ you _____ is possible to _____ the door/windowcontact sensors' _____?

_____ it _____ adjust _____ sensors?

_____ doors _____ window contacts be changed _____ higher _____?

_____ contacts _____ to have _____ different level of sensitivity?

Can it be _____ of door/window _____ sensors?

_____ change doors and window contacts to _____ different _____ of _____?

_____ possible _____ doors _____ window contacts _____ have a less _____ level of _____?

_____ possible _____ modify the _____ for our _____ devices.

_____ contact sensitivity may _____.

Is _____ an option _____ alter the _____ sensitivity _____ doors _____?

Can _____ sensitivity level on _____ sensor?

There is _____ possibility to change _____.

Can _____ door/window _____ sensors _____ be _____?

_____ you _____ of _____ and window contact detectors?

Can you _____ me if it _____ change the _____?

_____ I change _____ sensitivity on _____?

How can _____ the _____ my doors _____ windows?

_____ we modify _____ sensitivity settings _____ devices.

_____ can you change the _____ and windowcontact _____?

_____ possible to change the sensitivity _____ contact sensor?
 _____ the doors _____ contacts be made _____ a different _____?
 _____ can doors and _____ contacts _____ to _____ different sensitivity?
 _____ possible _____ door/ window _____ sensor sensitivity?
 Can _____ sensitivity level on _____ contact sensors?
 _____ it possible _____ change _____ sensitivity _____ the _____ sensors?
 Can _____ door/window contact _____ be _____?
 Can it be _____ sensitivity _____ on door/window _____ sensors?
 _____ you adjust door/ _____?
 Is _____ to _____ sensitivity level on _____ sensors?
 _____ the sensitivity level _____ contact sensors?
 _____ the doors _____ window contacts _____ adjusted _____ have a _____.
 _____ could _____ sensitivity _____ on the door and windowcontact _____?
 How _____ change the _____ on my _____ windows?
 Can _____ sensitive _____ be _____ doors and _____ contacts?
 Can sensor _____ adjusted _____?
 _____ a way to _____ door/window contact _____ sensitivity?
 _____ doors and _____ contacts be adjusted to _____ level different _____ what _____ found in _____?
 _____ it possible _____ change _____ sensors _____.
 I _____ know _____ and _____ can be _____ have a less _____ level.
 Can _____ the _____ of door/window contact _____?
 Can _____ tell me if _____ can change the _____?
 Can you tell _____ if _____ change _____ door/windowContact sensors _____?
 Is it _____ the door/window _____ sensors' _____ level?
 Is modifying _____ sensitivity _____ possible _____ devices?
 Can you tell _____ if _____ is possible _____ the _____?
 I _____ I can _____ the _____ the _____ contact sensors.
 Is it possible _____ sensitivity of _____ door/window _____?
 _____ we adjust _____ door contact _____?
 Can _____ change how sensitive _____ are?
 _____ could the sensitivity level _____ changed _____ door _____?
 Can it _____ possible _____ sensitivity of the _____ and _____?
 _____ level on _____ and _____ sensors be adjusted?
 _____ tell me if _____ possible _____ the _____ sensors
 How can the sensitivity _____ door _____ be _____?
 How _____ the _____ level _____ door _____ windowcontact sensors _____.
 Is it possible _____ change the _____ door/window _____ sensors?
 Can _____ tell me _____ it's _____ to _____ sensor sensitivity?
 Will it _____ to modify sensitivity _____ for _____?
 _____ someone _____ of door/window contacts?
 Do you think you _____ contact _____ as _____?
 Is it _____ adjust _____ door/window _____
 Can I modify _____ sensitivity _____?
 Can you _____ me _____ to _____ the _____ sensitivity level?
 _____ the level of sensitivity _____ window contact _____?
 _____ you _____ the _____ the door/window _____ detector?
 _____ out if _____ is possible to _____ door/window contact sensors' _____?
 _____ change _____ the _____ contact sensors?
 _____ a person _____ the sensor sensitivity _____ door/window _____?
 _____ possible _____ change the door/windowcontact _____?

_____ window/door _____ sensors more sensitive?

Can you _____ is possible to _____ the door/window _____ levels?

_____ the sensitivity _____ on door and windowcontact sensors _____ be _____?

Will modifying the _____ be possible _____ our _____?

Can _____ door/window contact _____?

_____ is possible to _____ door/window _____ sensors _____.

Can doors and window _____ different _____ of sensitivity from what _____ found _____ contacts?

_____ doors and window contacts _____ changed _____ have _____?

So, _____ it possible _____ sensor's sensitivity?

_____ and window _____ be adjusted _____ have _____ less _____ level?

_____ you _____ to _____ the door/windowcontact sensors' sensitivity levels?

_____ door/window sensors.

_____ door _____ window contacts adjusted _____ less _____ level?

_____ the doors _____ contacts _____ to make them less _____?

Can _____ alter _____ sensor _____?

_____ is _____ to improve _____ alert _____.

Can _____ how sensitive _____ sensors are?

_____ doors _____ window contacts _____ adjusted to have a _____ than what _____ found in a _____?

Can _____ tell me _____ changing _____ door/windowcontact _____ sensitivity _____ possible?

Something could _____ done to _____ sensitivity _____.

Can _____ be adjusted to have a _____ level _____ what is _____ a door/window _____?

Can _____ be _____ to have a different _____ of _____.

_____ it possible to _____ the _____ of door/ _____?

_____ I _____ window _____ sensors' sensitivity?

_____ door/window detector _____ could be _____.

_____ you _____ if it would _____ the door/windowcontact sensors sensitivity?

_____ door _____ contacts be adjusted to _____ a less _____.

Could _____ alert levels _____ altered?

Can _____ be _____ to change the _____?

_____ I modify _____ door _____ window _____?

Can _____ and _____ contacts be adjusted _____ be _____?

How can _____ change _____ window contacts' sensitivity _____?

_____ it possible to _____ how _____ and _____ are?

_____ possible to alter _____ sensitivity?

_____ door/window contact sensitivity?

What _____ changed _____ door and windowcontact sensors?

_____ think _____ can modify _____ sensitivity?

Can _____ figure _____ if _____ possible to change _____ door/window _____ levels?

Is it _____ to _____ of sensitivity on _____ door _____ sensors?

_____ door/window _____ sensitivity adjusted?

Can _____ contacts be _____ to _____ less sensitive?

Is it _____ the _____ sensors sensitivity

Is sensor sensitivity _____ door/window _____?

_____ modify _____ sensitivity _____ for our _____ contact?

_____ and _____ adjusted to _____ a different _____ level than what's found in _____?

Maybe the door/window _____ be _____.

Can _____ adjust how _____ our _____ sensors are _____?

Can I _____ the _____ sensors _____?

_____ it's possible to _____ detector _____?

_____ it _____ change the sensitivity _____ sensors?

_____ window contacts be adjusted to _____ less _____ level?

Can a _____ the _____ the door/window _____ detectors?

_____ you _____ if it is possible _____ the door/windowcontact _____?

_____ contacts _____ adjusted _____ have a _____ different to what _____ found _____ door/window contacts?

Is it _____ modify the sensor sensitivity _____?

Is there _____ option _____ change _____ sensitivity _____ doors _____ windows.

_____ contact _____ may _____ modified.

Is _____ a way to _____ of _____ on _____ and window _____?

Is _____ a way to _____ the _____ on _____ and _____?

Do _____ think _____ modify door/window _____?

_____ you help me figure out if _____ change the _____?

Modify _____ contact _____?

Is _____ possible to modify _____ in _____?

_____ you _____ me _____ it's possible _____ change _____ sensors sensitivity?

_____ and _____ Contacts be adjusted to _____ a less _____?

_____ change _____ and window sensitivity _____?

_____ change _____ sensitivity _____ door/window contact detector?

Can the _____ level _____ on _____ sensors?

Can the _____ be _____ for a less _____ level?

_____ me if _____ possible to change door/windowcontact _____?

_____ could be altered.

Can _____ tell me _____ change door/window contacts _____?

Can _____ is possible _____ change door/windowcontact sensors _____ level?

_____ adjusting _____ door sensors?

_____ you suggest how _____ change the sensitivity _____ sensors?

_____ the sensitivity settings of my _____ and window _____?

I'm _____ can _____ door/window contact sensitivity.

_____ I _____ the sensitivity of _____?

How can I change _____?

Can _____ me _____ it's possible to _____ contact _____ sensitivity?

If _____ possible _____ the door/windowcontact sensors' sensitivity _____ you tell _____?

I am _____ if _____ can change _____ window _____.

Could the _____ be changed?

Can _____ the _____ more sensitive?

Can you modify _____ sensitivity?

_____ doors _____ window contacts _____ to have a different sensitivity _____ what's _____ in _____?

Can doors _____ window contacts _____?

_____ it _____ door sensor sensitivity?

_____ and window contacts _____ adjusted _____ a different sensitivity _____.

_____ the sensitivity _____ be possible _____ our door/window _____?

_____ it _____ to _____ the _____ sensor _____?

Can _____ modify the sensitivity _____ window _____?

_____ door/window detector alert _____.

Can you _____ it's _____ change door/windowcontact sensors _____ levels?

_____ and window _____ can be adjusted _____ different _____ level.

Can _____ change the _____ door _____?

How _____ change _____ window sensitivities?

I want _____ modify _____ sensitivity on _____.

Is _____ to change the _____ door _____ window sensors?

Is it possible to _____ door/window _____?

Can _____ and doors _____ adjusted _____ ?

Can you tell me _____ door/windowcontact _____ sensitivity _____ ?

Is it _____ adjust _____ of the _____ contact sensors?

_____ change _____ sensitive _____ window/door sensors _____ ?

_____ I _____ the sensitivity _____ door/window _____

_____ a _____ to change the _____ level for _____ and _____ sensors?

Can _____ my _____ and _____ contacts sensitivity _____ ?

Do you _____ change the level _____ on the _____ and _____ ?

_____ is _____ to alter _____ level of sensitivity for _____ .

The door/window detector _____ could _____ .

Can doors _____ window contacts _____ to _____ levels?

Might be possible to _____ ?

_____ to modify _____ sensitivity _____ for _____ door/window devices?

_____ it _____ adjust how sensitive _____ contact sensors _____ ?

_____ detector _____ levels be _____ with?

_____ possible _____ change the door/window _____ sensitivity?

_____ window contacts _____ to _____ a different sensitivity _____ what is _____ in door/window contact

Can doors and _____ to a _____ ?

Is it _____ change _____ door/windowcontact's _____ ?

_____ to _____ detector alert levels.

Can doors _____ window contact be _____ to _____ different _____ ?

_____ wondering if I _____ the door/window contact _____

_____ door/windowcontact _____ sensitivity level _____ changed.

_____ doors and _____ to _____ different _____ level than _____ is found inside?

_____ it possible _____ window contact sensitivity?

Can _____ help _____ the sensitivity level on door _____ ?

Would it be possible _____ the _____ door/window _____ sensors?

_____ you change _____ contact detectors?

Can I _____ of my _____ ?

Can _____ contacts _____ to _____ than what is found in door/window contacts?

_____ you _____ is possible to adjust _____ door/window contact _____ ?

_____ you identify _____ change the door/windowcontact sensors' _____ level?

_____ you tell me how to _____ the _____ on _____ and _____ ?

_____ is possible _____ change the _____ contact _____ .

_____ to _____ the door and window _____ sensor _____ ?

Will it _____ to modify the _____ settings _____ our _____ ?

Is it _____ sensitivity _____ door/window _____ ?

Is _____ change doors and window _____ a different _____ ?

_____ you tell me _____ sensitivity _____ on _____ and windowcontact _____ changed?

_____ possible to _____ it for _____ and _____ contacts?

_____ it possible to alter _____ level _____ window _____ sensors?

It _____ be _____ to _____ door/window sensors' _____ .

Can I _____ the _____ on _____ ?

How about _____ ?

Door/window contact sensitivity _____ .

Can you _____ how _____ sensitivity level _____ be _____ door _____ sensors?

Can _____ sensitivity _____ contact sensors?

_____ I _____ of _____ door/window sensors?

_____ and _____ contacts _____ in a _____ way to _____ sensitivity levels?

_____ adjusted the _____ contact sensors?

_____ to modify the sensitivity _____ on _____ and window contacts?
_____ tell me _____ it's _____ the door/window sensors' _____ levels?
Is it _____ the _____ and window _____ sensitivity levels?
_____ window contacts be _____ to _____ have _____ same sensitivity?
Can _____ sensor _____ be _____?
I'm _____ if I _____ the _____ of _____ sensor.
_____ it _____ to _____ door/window contacts _____ a _____ sensitivity level?
_____ it _____ the sensitivity _____ for the door/window _____ devices?
_____ window contacts be _____ a different sensitivity?
_____ I make the _____ a different sensitivity?
_____ there an option to modify _____ sensitivity on _____ and _____?
Can _____ modify door/window _____?
Can the _____ and _____ contacts be _____ a lesser _____?
I am wondering whether I _____ sensor's _____.
It is possible to _____ level of _____ sensors
The doors and _____ can _____ adjusted to have _____.
Is it possibly possible _____ sensors' _____?
_____ doors and _____ contacts be _____ sensitivity _____ what is found _____ door contactor?
_____ you tell me _____ to _____ sensitivity _____ of _____ and windowcontact _____?
Can _____ window _____ be adjusted to _____ sensitivity?
_____ am wondering if I _____ the _____ sensitivity.
Can I change _____ on the _____?
Is _____ to _____ window contacts _____ a higher sensitivity?
Can _____ modify _____ sensitivity _____ and windows?
Is it _____ adjust how sensitive _____ contacts _____?
_____ a way to change the sensitivity _____ and _____.
_____ of the door/window _____ detectors _____ changed?
_____ anyone _____ the _____ sensitivity in door/window _____?
_____ possible _____ change _____ contacts sensitivity?
_____ change the level of sensitivity on the _____?
_____ it's possible to _____ sensitivity level of door/ _____ contact sensors?
_____ we _____ to modify the sensitivity _____ contact devices?
Is _____ possible _____ change the sensitivity _____ of _____ sensors?
Can _____ and _____ be changed to have _____ level?
There _____ to _____ the _____ sensitivity on _____ doors and windows _____.
Is there _____ way to _____ door/window _____ sensors' _____?
How _____ change the sensitivity level _____ contact _____?
Is it possible _____ doors and _____ contacts _____ adjusted to _____?
Might _____ be possible _____ door/window detector _____?
_____ is _____ the door/window contact sensor _____.
_____ you tell me _____ it is possible _____ the _____ level?
_____ be an _____ to _____ the _____ of sensitivity on _____ and _____?
Can _____ adjusted to _____ sensitivity level than what is _____ the door/window contacts?
_____ to change _____ sensitivity _____ on _____ and windowcontacts?
_____ it be possible _____ the door/windowcontact _____ sensitivity _____?
Shall _____ modify the _____ for _____ door/window contact _____?
Is _____ the _____ sensor's sensitivity?
_____ can _____ the sensitivity _____ door and windowcontact _____?
_____ I _____ the _____ of _____ contact _____?
_____ if it is _____ change the door/window _____ sensors sensitivity.

Is ____ possible to change ____ sensitivity ____ sensor?

____ window ____ adjusted to ____ a different sensitivity level ____ the other ____?

____ there ____ option ____ change the ____ sensitivity ____ doors?

Can doors ____ window contacts be adjusted to ____ a ____ level ____ is ____ door ____?

Is ____ possible to ____ the ____?

____ tell ____ it's ____ to change the ____ sensitivity?

Can it ____ possible ____ change ____ sensitivity of ____?

____ the door/window ____ sensors ____?

____ to change the sensitivity of ____?

____ it ____ the ____ level on door ____ window ____ sensors.

Can doors/window ____ adjusted?

Is there ____ adjust sensitivity ____ door/window contact ____?

Can ____ tell ____ if ____ change the ____ sensors ____?

____ it ____ to ____ sensitivity of ____ contact sensors?

Can one ____ door/window ____ detector ____?

I wonder ____ I ____ change ____ door/window contact ____.

____ you able to ____ contact ____?

How can ____ my door and ____ contacts?

____ I can ____ door/window contacts' sensitivity.

____ possible ____ adjust sensor ____ for doors?

Do door/window ____ detectors ____ the ability ____ modify ____?

____ the ____ contact ____ sensor sensitivity?

____ it ____ to change the ____ the ____ sensors?

Can the ____ sensor ____ level ____?

Can ____ tell ____ you ____ change ____ door/windowcontact sensors' sensitivity ____?

Is it ____ modify ____ contact ____ sensitivity?

How ____ I ____ settings on ____ and window contacts?

____ tell me ____ possible ____ change the door's sensitivity ____?

____ be ____ to ____ the sensitivity ____ for door/window contact ____?

____ the door ____ contact ____ be ____?

Can ____ window ____ be ____ with different ____ levels?

Does ____ change the door/window contact ____?

____ it ____ done ____ alter the ____ sensor ____?

____ it possible ____ modify sensor sensitivity in ____?

Is ____ a ____ to ____ sensitivity ____ door/window contact ____?

Can ____ alter ____ sensitivity ____ window contact ____?

____ if it's possible to change ____ level.

Is it ____ adjust ____ window ____ sensors?

Can we ____ the ____ sensors?

How ____ door/window ____?

Can you ____ a ____ to ____ the ____ and windowcontact sensors?

____ to change ____ sensitivity ____

____ is ____ modify door/window ____ alert ____

____ modifying the sensitivity ____ for ____ contact ____?

Is it possible to ____ sensitivity ____ contact ____.

Can ____ me if it's ____ change ____ door ____ sensitivity?

____ door/window detector ____ levels ____.

____ one change ____ of door/window ____?

____ to ____ doors and ____ to a ____ sensitivity level?

Would it be possible ____ sensitivity ____ door/window ____?

_____ would _____ to change _____ sensitivity _____ contact sensors.

_____ doors and _____ adjusted to _____ less sensitive.

Can changing _____ be _____?

I _____ if I can _____ the sensitivity _____ and _____ sensors.

Can doors _____ window contacts _____ order _____ a _____ sensitive level?

Can _____ and window contacts _____ to _____ sensitive levels?

_____ to change the sensitivity on _____ contact _____?

_____ we make the _____ sensitive?

_____ and window contacts be _____ to have _____ different _____ what's found _____ a door/window _____?

_____ we change the sensitivity of _____ sensors?

_____ how _____ sensitivity on door _____ windowcontact sensors?

Is _____ possible to _____ how _____ and _____ contact sensors _____?

_____ make _____ change the _____ sensor's sensitivity?

I am curious _____ can change _____ door/window _____.

Can _____ be _____ to change the sensitivity _____ the _____ sensors?

Is it possible _____ sensitivity _____ the door/window _____

_____ and _____ contacts be _____ so that they have _____ less _____?

_____ the doors _____ window contacts be _____ a _____ level of _____?

How about _____?

Can we modify _____ for _____?

_____ I _____ the _____ the door _____ sensors?

_____ is _____ to change the _____ on doors _____ windows.

So is _____ the door/window sensor's _____?

Can you suggest _____ the sensitivity _____ and _____ sensors?

_____ be changed to have _____ sensitivity level different _____ found in door/window contact?

Can _____ determine _____ possible to change the _____ level?

_____ the sensor sensitivity _____ for _____?

_____ you tell me if it's _____ change _____ level

_____ we _____ how sensitive the _____ are?

_____ to modify the _____ sensitivity?

_____ about _____ and _____ sensors?

_____ it be possible _____ detector alert _____?

Is _____ to _____ sensor sensitivity _____ door/window detectors?

_____ to change _____ sensitivity _____.

_____ we adjust the sensor _____?

Can you _____ a door/windowcontact _____ can _____ changed?

Might it be _____ to _____ sensor _____ doors?

Can _____ tell me _____ it _____ change the _____ sensors' sensitivity _____?

_____ possible _____ the sensitivity of the door and _____?

It's _____ to adjust _____ on _____ sensors.

_____ it possible _____ the _____ sensitivity level?

_____ door and window contacts _____ to have _____ sensitivity _____?

_____ it _____ change the _____ sensors' _____ levels?

_____ it be _____ settings for our _____ contact devices?

_____ changing door sensor _____?

Can the doors _____ contacts be adjusted _____ they _____ sensitivity _____?

_____ if changing the _____ contact sensors sensitivity _____ possible?

_____ window _____ be adjusted to _____ less sensitive level _____ sensitivity.

Do _____ level _____ for door & _____?

Is _____ level on _____ and windowcontact _____?

_____ doors _____ contacts _____ adjusted _____ a different sensitivity level _____ what _____ found _____ door or _____ contactor?

Can _____ be _____ alter _____ of _____ door/window sensors?
 _____ window _____ levels of sensitivity be adjusted?
 _____ if I can change _____ sensitivity _____ sensors.
 _____ and _____ contacts _____ make them less sensitive?

Can doors _____ window _____ adjusted _____ sensitivity?

Is _____ possible to _____ sensitivity in door/window _____.

Can _____ and _____ be adjusted in _____?
 _____ of door/window detector _____ levels _____.

Can doors _____ window _____ be _____ a _____ sensitivity?
 _____ tell me _____ is possible to change the _____?

Will the _____ settings _____ changed for _____ door/window _____?
 _____ change _____ sensitivity of _____ contacts?
 _____ you _____ if it is _____ to change _____ on door/window contact _____?
 _____ it possible _____ modify _____ sensitivity settings _____ door/window contact _____.
 _____ it _____ to make _____ door/window contact _____ more _____?

I'd _____ to know if _____ change the _____ sensor's _____.

Could _____ possible to _____ alert _____?
 _____ there a _____ to change _____ contact sensors.
 _____ there _____ option to change the _____ on _____ doors _____ windows?

Can changing _____ sensitivity _____?

Will we be able _____ how _____ our _____?

Change door/window _____

Is it _____ change _____ sensitivity

Is _____ feasible to _____ the _____ for _____ contact devices?
 _____ modify the _____ settings on door and _____?
 _____ change door/window sensors' sensitivity?

_____ doors _____ window _____ be adjusted _____ have _____ sensitivity _____ is _____ from what _____ in _____ contacts?

How _____ I modify the _____ my doors _____?

I _____ if _____ of the door contact sensors.
 _____ sensitivity for doors.
 _____ modify the _____ contact _____?

Can _____ sensitivity _____ the window contact _____?

Is there a way to _____ sensitivity _____ on _____?

Can _____ be _____ change _____ sensitivity _____ door/window sensors?

Are _____ and window _____ adjusted to a _____?

_____ I make _____ window contacts more sensitive?

Can _____ settings for door/ _____ contact devices?
 _____ you _____ me if _____ is _____ change door _____ sensitivity?

Can you _____ me if _____ to _____ door/windowcontact _____ sensitivity _____?

It may _____ adjust _____ alert levels.

Can doors _____ window contacts be _____ to _____ level?
 _____ doors _____ window contacts _____ adjusted to have _____ sensitivity level _____ from what is _____?

Changing _____ sensitivity is _____?

_____ am wondering _____ can change _____ door _____ sensitivity.
 _____ be _____ to change _____ sensitivity _____ door/window contact _____?

Can _____ doors and window _____ adjusted to have _____?

_____ doors _____ window contacts adjusted for _____ less _____?

Can doors _____ window contacts _____ have _____ level?
 _____ door _____ window contacts be _____ to a higher _____?

Is _____ door/ _____ contact detectors?

Is _____ an _____ level of sensitivity on _____ windows?

I _____ if changing door _____.

_____ doors _____ contacts be adjusted _____ have a different sensitivity _____ found in _____ contactor?

What _____ I _____ the _____ on _____ doors and windows?

Can I change the _____ sensitivity _____ window _____?

_____ you tell me _____ to _____ the _____ levels?

_____ tweaking door/window _____ alert levels?

_____ and window contacts _____ adjusted to _____ different _____

_____ adjust the door/windowcontact sensors?

_____ me _____ there is a way to _____ sensors' sensitivity _____?

_____ window _____ be _____ to have _____ different sensitivity _____ what's found _____ door contacts?

Can doors and _____ be _____ a _____ sensitivity level?

_____ you tell _____ it is _____ to change _____ sensors _____?

_____ it _____ to _____ the _____ sensitivity in door/window _____?

_____ want to _____ the _____ settings _____ our door/window _____.

_____ the sensitivity _____ windowcontact sensors changed?

Is _____ an _____ change _____ sensitivity _____ doors _____ windows sensor?

Can the _____ adjusted for a _____ sensitive level?

Consider _____ sensitivity _____ doors.

_____ the _____ levels can _____ adjusted?

Could _____ alter _____ sensor sensitivity?

Is there _____ the sensitivity on _____ sensor?

_____ tell me if it's _____ to change the _____?

Can _____ and window _____ be adjusted to have _____ different sensitivity _____ contactor?

Does _____ make _____ door/window _____ sensitivity?

Is it _____ the _____ Sensor's _____?

_____ it be done to _____?

_____ I adjust the _____ on _____?

_____ and window _____ have to be adjusted _____ a _____?

I want to _____ the sensitivity settings _____ and _____.

I _____ like _____ it's _____ change _____ door/windowcontact sensors sensitivity.

Is there _____ to _____ the _____ of _____ for doors _____ windows?

Can _____ window _____ be _____ sensitivity _____ what's found in door/window contacts?

Will _____ be _____ to change _____ door/window _____?

_____ be possible to _____ settings _____ door/window contact?

Is _____ change door sensor _____

_____ it be feasible to _____ settings _____ door/window _____ devices?

_____ sensitivity on some window contact _____?

There is a chance that _____ detector _____.

Can _____ window _____ have _____ different sensitivity level?

_____ about modifying door/window contact _____?

_____ the doors _____ be _____ to a _____ level _____ sensitivity?

_____ modifying door/window _____ sensitivity.

_____ am _____ I can _____ the _____ contact sensors _____.

_____ you _____ me if _____ possible to _____ door's _____?

Is it _____ adjust _____ door/window _____ sensitivities?

I would _____ to _____ level _____ be _____ on door _____ windowcontact sensors.

Is _____ possible _____ change the sensitivity _____ of _____ sensors?

_____ be _____ sensitivity _____ doors?

Can ____ adjust how sensitive the ____ ____ ____ ?

Can ____ modify door ____ ?

How ____ the sensitivity settings ____ my ____ and ____ ?

Can you ____ me ____ it's possible to ____ ____ ____ levels?

____ do ____ the ____ settings on the door ____ contacts?

Can ____ and ____ contacts be adjusted ____ a different sensitivity level ____ what's ____ ____ ____ ?

Is ____ an ____ change ____ level ____ door and window sensor?

Is ____ to change ____ door/window/contact ____ ?

____ alter the sensitivity settings ____ doors ____ windows?

____ change sensor ____ in ____ contact ____ ?

Can ____ the sensitivity ____ door/window ____ sensor?

____ doors ____ contacts have ____ less sensitive ____ sensitivity?

____ it possible ____ change the door/ ____ sensors' ____ ?

Will ____ possible ____ modify ____ sensitivity settings ____ doors and ____ ?

____ the responsiveness ____ the ____ on doors?

____ is ____ to change ____ door/window ____ sensors' ____ level.

____ if it ____ to change the door/window/contact sensor ____ ?

Is it ____ the ____ level?

Can you tell ____ it's ____ alter the ____ contact ____ levels?

____ you know ____ it is ____ the ____ sensitivity levels?

Changes to ____ levels ____ be ____.

____ it possible ____ the sensitivity ____ contact sensor?

Can ____ tell me if ____ possible to ____ sensors' ____ ?

____ you tell ____ it ____ possible to ____ the ____ sensitivity levels?

____ possible ____ change door/window ____ to have ____ sensitivity level?

____ tell ____ if ____ possible to change ____ door/window ____ sensors ____ levels?

Can ____ window contacts be adjusted to ____ of ____ ?

____ able to ____ the door/window contact ____ sensitivity?

____ it ____ to adjust the sensitivity ____ sensor?

How about ____ changes for ____ ?

____ I change ____ sensitivity ____ door/window ____ ?

____ change the ____ door/window contact sensors?

Is ____ possible ____ and ____ contacts to have a different ____ ?

Is it possible ____ sensitivity level for ____ sensors?

Can I ____ how ____ window ____ is?

____ change the ____ door/window ____ sensor?

____ you ____ me ____ it is possible ____ change ____ sensitivity?

Candoors and window ____ higher level?

Can ____ sensitive our window and ____ contact ____ are?

Will ____ be able to ____ the ____ for our ____ ?

Can doors ____ window contacts be changed ____ lower ____ ?

I am ____ is possible to ____ door/window ____ sensors ____.

____ possible ____ the ____ on doors and windows?

____ we easily change how ____ window/door ____ sensors ____ ?

____ be possible ____ the door/window ____ sensors?

____ I change the ____ of ____ ?

Is there a ____ change ____ sensitivity on ____ windows.

Can ____ tell ____ if it's ____ to ____ door/window contacts ____ ?

____ possible ____ the sensors on the ____ ?

____ it possible ____ change the ____ and ____ contacts ____ a different ____ ?

_____ there _____ door _____ window checks?

_____ it possible to alter _____ of door/ _____ contact _____.

Is it possible to _____ for _____ and _____?

There is _____ chance _____ detector _____ levels.

Can level _____ made _____ door _____ checks?

Can _____ be _____ to _____ a _____ level of _____ what's found _____ the door/window contactor?

Can _____ on the door _____?

How _____ adjusting the _____ for _____?

Changing the _____ feasible _____ contact devices.

Is it _____ to _____ sensitivity level _____ window contact _____?

_____ want _____ and _____ contacts can be _____ a different sensitivity level.

Can _____ window contacts _____ adjusted _____ a way that _____ different sensitivity _____?

Is _____ the door/window _____ sensitivity.

Is _____ modify door and _____ detectors?

_____ I _____ the windowcontact sensors?

_____ sensitivity _____ the window contact sensors?

It is possible to alter the _____ of _____.

_____ possible _____ door/ window contact sensors' _____ levels?

_____ you _____ it's possible to _____ the door/windowcontact sensor _____?

_____ doors and window _____ adjusted _____ a _____ way to _____ a _____ sensitivity?

_____ wondering if I can _____ the _____ the _____ window contact _____.

_____ possible to _____ the _____ level of _____ contact _____?

Does _____ be _____ to _____ sensor _____?

Can _____ window contacts _____ adjusted so that _____ as _____?

Changing _____ settings _____ door/window _____ devices _____ possible.

_____ contacts be made _____ sensitive?

Is there _____ of sensitivity _____ the _____ and window sensors?

_____ you tell me _____ it _____ the door/windowcontact sensors sensitivity _____?

_____ doors _____ contacts _____ so _____ to have less sensitivity?

_____ the _____ level for door and windowcontact _____?

I'm wondering _____ I can change _____ or _____ sensor's _____.

I am wondering _____ I _____ change _____ door _____.

Can you suggest _____ the _____ level _____ and windowcontact _____ be _____?

_____ an option _____ change the level _____ the doors and _____.

_____ is an _____ to alter _____ level _____ sensitivity _____ and _____ sensors.

Can you tell _____ it is _____ to _____ the _____ sensors _____?

Possible to change _____

Is _____ possible to _____ door/windowcontact _____?

_____ a way to _____ sensors' sensitivity _____?

I'm _____ alter the sensitivity of the door/window _____.

Can doors _____ window _____ be _____ a different sensitivity _____ what is _____ in _____?

Can _____ and _____ contact be adjusted to _____ than _____ found _____ door/window contact?

_____ tell me what the sensitivity _____ windowcontact _____ should be?

Do _____ have the _____ to _____?

Could _____ tell me _____ to _____ the door/windowcontact sensors _____?

Is _____ doable to _____ the _____?

_____ it's possible to _____ the door/windowcontact _____ level, _____ you _____?

_____ it possible to change _____?

_____ you _____ out _____ is _____ to _____ the door/window contact _____ sensitivity?

_____ can _____ sensitivity level on _____ contact sensors _____ changed?

_____ to change the _____ level of _____ contact sensors?

_____ and window _____ adjusted to _____ a _____ sensitivity?

There is _____ to alter _____ sensitivity _____ the _____ window sensor.

Is _____ possible _____ adjust _____ on door/window contact _____?

Is _____ possible to change _____ sensitivity _____?

_____ door and _____ contacts be changed to _____?

Can _____ out if _____ is possible _____ door/window contact sensors' _____?

_____ there a _____ to change the sensitivity level _____ door _____?

_____ doors _____ window _____ adjusted _____ have _____ sensitivity level than what _____ found _____ door _____ window contact?

_____ tell me if it _____ to alter the _____ contact _____?

Can the door and _____ adjusted _____ have _____ sensitivity?

There _____ to modify _____ detector _____ levels.

_____ it possible _____ change doors _____ contacts to _____ a less _____?

_____ change _____ sensor sensitivity?

Can _____ window contacts _____ adjusted _____ level from _____ is found in the _____ contactor?

Can _____ and _____ adjusted _____ a _____ sensitivity level than what _____ in door/ _____ contact?

How about _____ contact _____ as _____?

_____ it _____ to change _____ level on door _____ sensors?

How _____ the sensitivity _____ for _____ and window?

Can _____ change _____ and _____?

_____ possible _____ the _____ sensitivity on the door and _____ sensors?

_____ possible _____ adjust how _____ window/door _____ sensor are?
