

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	New service inquiries and sign-ups
Inquiry Sub-Category	Service availability
Description	Customers inquire about the availability of internet service in their area, including coverage and speed options. This category includes queries about fiber optic, cable, DSL, and wireless service availability.
Data Size	5,195 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Are there any _____ DSL _____ based _____ central office or _____?
 _____ the distance from _____ office affect _____ a service, such _____?
 Does _____ distance to _____ central office _____ availability _____?
 It _____ be nice _____ know _____ the _____ of _____ is _____ by _____ the central office.
 It would _____ nice _____ availability is _____ by _____ distances _____ the central office.
 _____ you tell me _____ constraints _____ getting DSL due to proximity _____ central _____?
 _____ it mean that _____ the _____ of central office affects _____ are restrictions?
 _____ you _____ there _____ obtaining a DSL _____ central office?
 _____ my eligibility _____ DSL _____ affected _____ my distance _____ office?
 _____ from _____ office _____ my eligibility for DSL services?
 _____ be great _____ the distance _____ the central office _____ the DSL _____.
 _____ true _____ distance from _____ central office may _____ a factor _____?
 It _____ be nice _____ know _____ the central office has _____ effect _____ of the _____.
 Is _____ location of DSL _____ dependent _____ the _____ from _____?
 _____ it true that if the location _____ central office _____ to get _____ there _____ limits _____?
 _____ tell _____ there are _____ on how _____ to travel _____ central office to _____?
 _____ distances from central _____ the _____ of _____ availability?
 _____ to _____ if _____ from the _____ office is _____ availability of the DSL.
 It would _____ to know _____ the distance from the _____ office _____ affecting _____ the _____.
 _____ from _____ main _____ affect my _____ for DSL?
 Does the distance _____ office affect _____ availability _____.
 Can the _____ affect _____ availability of DSL?
 _____ to the central office _____ the coverage _____ the _____?
 Is _____ affected _____ being too _____ from the _____?
 _____ of _____ dictated by _____ from the central office?
 If _____ far away _____ the _____ be able to get _____ DSL?
 _____ DSL _____ influenced by _____ distance _____ central office.
 Do you _____ if _____ the central _____ an _____ could _____ used to _____ quantity of DSL?

Do ____ know if ____ the central ____ a factor that could ____ DSL you ____?

If ____ far away ____ central ____ will ____ face ____ getting DSL?

____ receiving DSL ____ too far from ____ central hub?

Is it possible ____ can ____ limited as one ____?

Do ____ know ____ proximity to ____ office ____ affect ____ of ____ you get?

____ you know ____ any constraints to getting DSL ____ a ____?

____ the ____ from the ____ office determine ____ availability?

____ you know ____ proximity to the ____ office is ____ used to ____ quantity of DSL?

Do you ____ there ____ the location of central office ____ ability to ____?

Is it necessary ____ about ____ DSL ____ due to our ____ office?

Is ____ a link ____ distance from the ____ availability?

I would like ____ the ____ of the DSL ____ by the distance ____ the ____.

____ know if the availability ____ affected by ____ from ____ central office.

Is it possible ____ the availability ____ be limited ____ central ____?

Is it ____ that ____ could ____ proximity to central office?

Do ____ know if issues ____ to ____ determine the amount of DSL you get?

____ distance ____ the central office is a ____ in ____ availability?

____ would like to know ____ distance ____ the ____ office ____ availability.

____ from the main office ____ get a DSL service?

Are ____ restrictions if ____ location ____ affects ____ ability to get ____?

Do you know ____ are ____ with proximity ____ office ____ may ____ the ____ of DSL ____ get?

____ it possible to get DSL ____ how far away ____?

____ the ____ by ____ distance to the main office?

Maybe ____ DSL ____ limited ____ the central office.

Is ____ for ____ by ____ from ____ office?

____ distance from the central ____ be a ____ DSL availability.

Do I ____ to worry ____ distances ____ in regards ____ the ____ of DSL?

It would ____ if the availability of the DSL ____ by ____ from the ____.

Is ____ from ____ a factor ____ the ____ of ____?

It would ____ great to ____ if ____ to ____ office affects ____ of ____.

____ I'm ____ away from the ____ I ____ get DSL?

____ restrictions ____ dsl connection ____?

____ central ____ affect the availability of DSL?

Does ____ distance to your central office ____ availability?

I'd ____ know ____ distance ____ the ____ office affects ____ availability.

Is it true that ____ the location ____ obtain ____ there ____ limits to that?

Is ____ you ____ that ____ the ____ central ____ affects the ability ____ get the DSL, ____ are ____?

Do ____ factors affect ____ someone can receive DSL ____?

____ distance ____ the ____ office affect the ____ DSL?

It'd ____ to know ____ distances from ____ affect the ____ the DSL.

Do you ____ from ____ central hub ____ receiving DSL?

____ you know if ____ are constraints to ____ central ____?

____ distance from central office ____ factor in ____.

Is ____ from central ____ factor in ____ availability?

____ the reach of ____ by the ____ office?

Is ____ from central office a ____ DSL?

____ you ____ the ____ central office is ____ limiting ____ then ____ DSL may not be possible?

Do ____ if ____ are ____ to ____ DSL near central ____?

If ____ far ____ the ____ office, ____ be subject ____ restrictions in ____?

It's ____ if the ____ the ____ office affects ____ availability ____ the DSL.

Do ____ think the distance ____ your ____ availability?

Is ____ distance ____ the ____ office ____ factor in ____?

____ there ____ limit ____ DSL ____ based on distance ____ the ____?

____ location of ____ central office might affect ____ to get the DSL?

____ a question ____ whether ____ is possible ____ DSL far from the ____.

____ distance ____ a ____ office ____ availability of DSL?

____ tell ____ if there are any ____ to obtaining DSL ____ of ____?

There ____ are limitations on ____ DSL far ____ the central office.

Do you ____ there are ____ proximity ____ the ____ that might ____ the quantity of DSL ____?

____ be great ____ distance ____ the ____ office is a factor affecting ____ DSL availability.

Do you think ____ any ____ getting DSL near ____?

Do ____ proximity to the ____ office ____ that ____ affect the quantity of ____ that ____ get?

____ central facility's ____ affect DSL ____?

____ you tell ____ there are ____ a ____ due ____ proximity ____ central office?

____ if there ____ constraints to getting DSL ____ location?

There ____ a ____ to ____ if ____ is affected by ____ from ____ central office.

Do you know if there ____ constraints to ____ office?

Do ____ know if ____ restrictions ____ accessing ____ due to ____?

____ central office and the DSL availability ____?

____ mean that ____ the central office ____ the ability ____ get the DSL?

It ____ great to ____ if the availability ____ the DSL ____ affected ____ from central ____.

I'm wondering ____ limitations ____ getting a ____ connection far from ____.

Does geography ____ whether or ____ one ____?

____ get a DSL ____ distance from the ____ office?

____ the ____ from ____ office affect a DSL ____?

____ distances from the ____ affect ____ of DSL.

It ____ be ____ if ____ of ____ is affected by ____ distance ____ the central office.

Is the ____ DSL ____ distance from ____ office?

____ it ____ is limited by ____ to the ____ office?

Do you ____ are issues surrounding ____ the central ____ that could affect ____ DSL ____ get?

____ it possible ____ DSL ____ limited ____ distance ____ central office.

The ____ from central ____ the ____ that may affect ____ availability of ____.

Can you clarify if ____ mean ____ the location ____ office ____ factor affects the ____ get ____?

I'd ____ know ____ the distance to ____ central ____ affects the ____.

It would ____ to know if the distance ____ affecting the ____ of ____.

Do ____ if a location of central ____ to ____ the DSL ____ are constraints?

____ the distance ____ affect the DSL ____?

Do you ____ if proximity ____ the ____ that could be ____ to ____ the ____ DSL you get?

Is the ____ central office ____ availability of DSL?

I ____ to ____ there ____ limits to ____ far I can ____ office.

____ would be great to know if ____ DSL availability ____ distances ____.

Do ____ know ____ constraints ____ DSL near ____ central office?

How ____ away from ____ office are ____ on getting ____?

____ would be great ____ distances ____ central office affect ____ of ____ DSL service.

Do ____ mean that if ____ location of the ____ ability ____ the DSL, there ____ restrictions?

Do ____ whether proximity to the central ____ is a ____ used ____ determine ____ amount of ____?

____ you tell me if there are limitations to ____ due ____?

Do ____ if ____ location of central office affects the ability ____ get the DSL, ____?

Do ____ affect ____ abilities?

Do you know if there ____ central office?

_____ you know if _____ office is _____ that might _____ used to determine the _____ that _____ get?
 If the _____ of _____ office _____ get _____ can you clarify?
 _____ tell _____ if there _____ constraints _____ due to proximity to _____ office?
 If _____ office _____ the ability to _____ the DSL, there are _____?
 _____ would _____ to know whether _____ availability is _____ by the _____ from _____.
 Can _____ like _____ from _____ office affect the _____ the _____?
 If I'm _____ office, can I still _____ the _____?
 _____ am _____ if there _____ limitations _____ from the central _____ to _____ DSL.
 _____ chance that the distance _____ central office _____ DSL _____.
 It _____ be _____ know if _____ central office are affecting the availability of _____.
 Do _____ if proximity to the _____ is _____ that _____ be _____ determine the _____ of _____?
 _____ if there are _____ proximity to the _____ office _____ be used to _____ quantity of DSL?
 Does distance _____ office affect _____?
 _____ you _____ that _____ of _____ office _____ the ability _____ get the DSL there _____ to obtaining it?
 Did _____ office _____ location of DSL availability?
 Do _____ mean _____ location _____ central _____ the _____ to get the DSL?
 _____ the distance _____ central office _____ of _____ availability?
 Is the _____ office the reason _____ the _____ DSL?
 _____ possible _____ get a DSL _____ based on how far _____ are _____ the _____?
 Can _____ the location of the _____ affects the ability _____?
 _____ be _____ to know if _____ is affected by _____ from the central _____ else.
 I _____ know _____ the _____ the central office affect _____ DSL availability.
 Is the distance _____ the _____ office a _____ in _____ the _____?
 I'd like to know _____ from the _____ affects _____ of _____ DSL.
 What is the impact _____ distance from _____ central _____?
 It would _____ helpful to _____ if the _____ availability is _____ from _____.
 _____ possible that distance _____ the _____ office _____ affect _____ availability?
 Do _____ whether _____ constraints to getting _____ the central office?
 _____ a _____ central office _____ availability of DSL?
 Do _____ know if _____ constraints to obtaining _____ DSL near _____?
 Does _____ if there _____ constraints _____ getting _____ DSL _____ the _____ office?
 Does anyone _____ if _____ are _____ getting _____ central office?
 Do you _____ to _____ a DSL because of proximity _____ central _____?
 _____ tell _____ if there _____ any _____ to get DSL _____ proximity _____ central _____?
 Does the _____ from _____ the _____ of DSL?
 If _____ is _____ from _____ central office, _____ be great to know that.
 Do _____ that if the _____ office _____ ability to _____ there are _____?
 _____ you _____ if proximity to _____ central _____ a factor that is used _____ the _____?
 _____ you _____ if _____ the _____ office _____ a _____ used to determine _____ quantity of DSL?
 Do _____ know if there _____ issues _____ proximity _____ central _____ that might affect _____ that you will _____?
 _____ to _____ office impacted _____ DSL _____?
 Do _____ know _____ proximity _____ the _____ office _____ one _____ the _____ that _____ affect the _____ DSL you _____?
 _____ I'm _____ the _____ office, _____ I _____ restrictions in _____ DSL.
 _____ the distance _____ central _____ availability?
 Do _____ know if _____ are _____ obtaining _____ due to proximity _____ office?
 _____ you know if _____ to the _____ factor _____ might _____ determine the quantity of DSL?
 _____ the DSL's _____ influenced by _____ to the _____?
 _____ to know _____ the distance _____ the central office _____ affecting _____ of DSL.
 _____ be great _____ if _____ from the _____ office affects _____ availability _____ DSL.
 Does the distance _____ central _____ influence the location _____?

Is DSL affected by being too far _____?

I would like _____ the DSL availability _____ affected by _____ distances from the _____.

_____ distance from _____ office _____ on the availability of _____?

Do _____ mean _____ the location of _____ affects _____ to obtain the DSL, _____ are _____?

_____ you _____ if there _____ to getting _____ near _____ office?

It would _____ know if the _____ from the central _____ is _____.

_____ true that a distance from _____ office may _____ the _____?

Do you _____ whether proximity _____ the central office _____ might _____ the quantity _____ get?

_____ you _____ are issues with _____ to _____ office _____ might affect _____ quantity of DSL?

It's nice _____ know _____ distance _____ central office _____ the availability _____ the _____.

Can you _____ location of _____ affects the ability _____ get _____?

_____ distance from _____ have anything _____ do _____ DSL availability?

My _____ for DSL services may _____ by _____ from _____ main _____.

_____ you know _____ to the central office _____ issue _____ could _____ used to determine the _____?

_____ the _____ from central _____ have _____ effect on _____?

Can you _____ constraints to _____ DSL due to _____ to central _____?

Do _____ mean that if _____ of _____ central _____ affects the ability _____ get _____ there _____?

Depending _____ far from the central office _____ DSL?

_____ the distance _____ the _____ affecting the DSL _____?

Is it _____ distance from _____ affects my eligibility _____ DSL _____?

Do _____ know if there _____ constraints _____ a _____ central office?

Does the _____ from _____ central _____ location of _____?

Can _____ DSL if I _____ from _____ office?

Is it _____ that DSL is _____ by distance _____?

_____ are _____ due _____ proximity to central office, _____ you tell me?

_____ DSL availability _____ affected by _____ the central _____?

_____ a limit _____ how _____ to _____ from central office _____ DSL?

Do _____ know _____ proximity _____ an _____ that might _____ determine the quantity of DSL?

Is _____ that _____ location _____ office affects the ability to _____ the DSL there _____?

_____ be great _____ if _____ availability _____ by the _____ from the central office.

Do you know _____ the _____ office _____ issue _____ be used to _____ the number of _____?

_____ be great _____ if the _____ from _____ central office _____ availability _____ the DSL.

It would _____ great _____ if the DSL _____ is affected _____ distance _____

_____ would _____ great to know _____ the availability of _____ by distance _____ office.

I would like to _____ the availability _____ distance _____ the central office.

_____ the distance _____ office _____ factor affecting DSL _____?

There _____ questions _____ the _____ proximity to _____ DSL options.

_____ it _____ that being too _____ from _____ has _____ effect _____ receiving DSL?

Is _____ true that the distance _____ may _____ a factor _____ availability?

_____ know if the availability of the _____ affected _____ from the _____.

_____ the location _____ office affecting the ability to get _____?

_____ be _____ know _____ the _____ to the central office is _____ the _____ of _____ DSL.

_____ know if the distances from _____ central office _____ the availability _____ the _____.

_____ you _____ if the location _____ central office is _____ might affect _____ quantity _____ DSL?

Do _____ know if _____ issues surrounding _____ central _____ that might _____ of DSL _____ get?

_____ there any _____ how far to travel _____ central _____ DSL?

It'd _____ if the _____ the _____ the availability of the DSL.

Does the _____ central _____ DSL availability?

Can _____ tell _____ if there _____ due to _____ to central office.

Does _____ affect DSL availability?

Is there a _____ office and the _____ of DSL?

Do you mean if _____ location _____ office _____ the ability _____ obtain _____ ?

_____ would _____ nice _____ know if the distance _____ central office has an _____ of _____.

_____ me if you mean that _____ location of _____ can _____ the ability _____ get _____ ?

Can _____ me if _____ are any constraints to _____ due _____ to _____ ?

Is _____ possible that _____ factors restrict _____ as _____ moves _____ ?

Does _____ to _____ DSL options?

Is _____ possible _____ DSL _____ by distance from _____ central _____ ?

_____ you think _____ distance from _____ is a _____ in _____ of _____ ?

If _____ am far _____ the central _____ will _____ face _____ the internet _____ ?

Do you _____ proximity to _____ an _____ might be _____ determine the quantity of DSL?

Does the _____ from the _____ affect the location _____ ?

Is it possible _____ limited _____ from the _____ office?

Does _____ central office affect _____ of internet service?

_____ know if proximity to _____ central office _____ a factor _____ might _____ to _____ the _____ of _____ ?

_____ central office affects the _____ to _____ there will _____ restrictions?

_____ distance from the _____ affect the availability of _____ ?

_____ know if there are _____ constraints _____ obtaining DSL because of _____ ?

Can _____ tell _____ if there are any _____ to _____ because _____ to _____.

_____ variables _____ whether someone _____ receive DSL _____ ?

If I'm _____ from the _____ office, _____ I _____ get DSL?

_____ if there are _____ on _____ from the office.

_____ you _____ if proximity to _____ is an issue that might _____ of _____ you _____.

Do DSL _____ get affected _____ distance _____ office?

Do you _____ that _____ the _____ of central office affects _____ to _____ the DSL then _____ ?

_____ distance from the _____ office _____ effect _____ DSL _____ ?

Is there _____ limitations _____ far _____ travel _____ office _____ get DSL?

Is _____ to limit _____ access based _____ the central _____ ?

I'm _____ if _____ limits _____ DSL far from the _____.

_____ it possible _____ the DSL _____ due _____ the central office?

I don't _____ if there are _____ I can _____ DSL from _____.

Is _____ reach of _____ influenced _____ main office?

_____ is _____ distance _____ may be _____ factor _____ the availability of DSL.

It would _____ to know _____ the _____ the _____ office have an _____ availability _____ the DSL.

Is there a _____ to _____ based _____ distance from _____.

_____ DSL _____ due to distance _____ other factor?

_____ it _____ for me _____ about the limitations _____ availability due _____ distance _____ the central _____ ?

It would _____ great to _____ central office is affecting the _____ of _____ service.

Do you _____ that _____ are _____ obtaining _____ if _____ location _____ central _____ affects _____ ?

The _____ to _____ central _____ might affect _____ DSL.

_____ it _____ that a distance _____ office is a _____ in _____ ?

Do you mean that _____ the location _____ affects _____ ability _____ the DSL, there _____ ?

Do you know if _____ central _____ is _____ might affect the _____ of _____ receive?

_____ want to _____ there are _____ on how _____ from _____ office _____ get DSL.

_____ you mean _____ if _____ of a central office _____ to _____ the DSL, there are _____ ?

_____ certain _____ restrict _____ accessibility as one _____ further away?

Will _____ restrictions if _____ of central office affects _____ obtain _____ ?

_____ you _____ if _____ getting DSL _____ the central office?

_____ be _____ the distances from the _____ affect the _____ of the DSL.

Is _____ possible to get DSL _____ on _____ we are?

Does _____ distance from _____ affect _____ of DSL?

_____ you tell _____ if there are _____ because _____ location?

_____ know if _____ are _____ to _____ a DSL _____ central _____?

_____ I have _____ worry _____ in DSL availability related to _____ from _____ office?

Is it _____ DSL _____ be _____ by distance _____ office?

We _____ from _____ central _____ do I _____ worry about _____ in DSL _____?

Can _____ me if there are _____ getting _____ of proximity _____ office.

_____ you _____ that _____ location _____ central office affects _____ ability _____ obtain _____ there are restrictions?

_____ from the central _____ affect the availability _____?

_____ possible _____ distance _____ affects eligibility for DSL?

_____ a limit _____ the availability of _____ based _____ distance _____ office?

Do you _____ that the _____ or a similar _____ the ability to _____?

_____ there any limits on _____ get _____ from the _____?

_____ be nice _____ if the distance from _____ central office _____ the _____.

Is it _____ to _____ limitations in DSL _____ to _____ distance _____ office?

_____ it possible that the _____ central office _____ ability to _____?

_____ location of DSL availability determined _____ the _____ the _____?

Is _____ DSL reach _____ the distance to _____?

Is the _____ constrained due _____?

Is _____ DSL can be limited by distance _____?

_____ you _____ there are constraints to _____ because _____ proximity _____ central _____?

Do you _____ there _____ to _____ if the location _____ the central _____ affects _____?

I want _____ there _____ any constraints to _____ DSL near _____.

Can _____ a _____ office affect _____?

Do things _____ distance affect access _____?

Do you _____ there are _____ location _____ office affects _____ ability _____ obtain DSL?

_____ wondering _____ there are limitations _____ getting _____ the office.

Is there _____ limit on _____ far _____ travel from _____ central _____ to _____?

It would _____ nice _____ whether the DSL _____ distance from _____ office or other _____.

_____ you _____ if the location of the central office _____ the DSL, _____ be restrictions?

_____ it possible _____ get _____ if _____ away from _____ central _____?

_____ possible _____ from central _____ impedes access to _____?

Does _____ facility affect the _____ of DSL?

_____ you _____ if _____ the central office _____ a _____ can _____ determine the quantity of DSL _____ you _____?

_____ you _____ if _____ location _____ central office affects _____ ability _____ get _____ limits to it?

Is it _____ to worry _____ limitations in _____ availability _____ related _____ our distance _____ central office?

Do _____ that if _____ central _____ affects _____ ability to _____ there's restrictions?

_____ would be _____ know if the distance to _____ office affects the _____.

Do you know if _____ with _____ the _____ that _____ the quantity _____ DSL _____ you get?

If the _____ central office affects the _____ to _____ the DSL, _____ to _____?

Do _____ know _____ central _____ is a factor used to determine _____ amount _____ DSL you _____?

_____ would _____ know if the distances from the _____ the DSL.

Is the availability _____ the line _____ the _____?

It _____ great _____ know _____ the _____ of _____ DSL _____ affected by the distance _____ central office _____ factors.

Do some variables, _____ distance, affect _____ services?

_____ there _____ DSL _____ based _____ distance from _____ central office?

Is _____ true _____ from a central hub _____?

Do _____ the distance _____ the _____ affects DSL _____?

Is there a _____ DSL _____ on distance from _____?

_____ mean if _____ location of _____ affects _____ to _____ the DSL there _____ constraints?

I _____ if _____ will face _____ in getting DSL if _____ far away _____ .
 Are there DSL _____ distance?
 _____ you let _____ are constraints to obtaining _____ due _____ central office?
 Do you think _____ on _____ far _____ travel _____ central _____ to get _____ ?
 Is _____ possible that _____ central office _____ access?
 Can _____ distance _____ the _____ office _____ availability?
 _____ you know _____ to the central _____ is a _____ be _____ to determine _____ of DSL?
 Is the distance from _____ factor _____ the eligibility _____ ?
 _____ you _____ if problems _____ the _____ office _____ used to _____ the quantity of _____ ?
 _____ be _____ know if the distance from _____ the availability of the _____ .
 _____ you mean _____ there are constraints _____ location of central _____ the _____ ?
 _____ you tell _____ there are _____ getting DSL because _____ ?
 Is there _____ restrictions _____ how _____ travel _____ central office _____ DSL?
 Can _____ tell me if _____ are _____ getting _____ of _____ to central _____ ?
 _____ influenced by how _____ away the _____ is?
 Do you _____ there _____ any _____ to _____ DSL _____ the _____ office?
 I _____ to _____ if _____ from the _____ can _____ DSL _____ .
 _____ the distance _____ the central _____ a _____ affects the _____ ?
 _____ receiving DSL is affected by being too far from _____ ?
 Can _____ if _____ any constraints _____ obtaining _____ due to _____ to _____ office?
 Do _____ know _____ proximity to the _____ office _____ a factor that _____ be _____ of DSL that _____ ?
 _____ know if there are constraints to _____ due _____ office?
 If I'm far _____ the _____ office, _____ restrictions in _____ ?
 I'm _____ if _____ getting DSL far from the _____ .
 _____ the location of central office _____ ability to _____ the DSL, there _____ limits _____ ?
 _____ it true that a _____ the central _____ affect _____ ?
 _____ to know if _____ availability is _____ by distances from _____ central office.
 _____ distance to your office _____ availability _____ your _____ ?
 Is the _____ office a factor _____ determining _____ ?
 Do _____ if there _____ the central office _____ might be used to _____ amount of _____ ?
 _____ possible that the _____ DSL is _____ by _____ distance _____ office?
 Do _____ mean that _____ the _____ of central _____ the ability _____ get _____ then _____ are _____ ?
 _____ the _____ between _____ and _____ affected?
 _____ great _____ know _____ the _____ is affected by _____ distance to the _____ .
 Is _____ limited _____ distance _____ the _____ office, _____ else?
 It _____ be good _____ if _____ availability _____ is affected by distance _____ the central _____ .
 Do you _____ there _____ to _____ DSL _____ proximity to the central _____ ?
 Is _____ of DSL influenced _____ distance to the _____ ?
 _____ I get a _____ line _____ far _____ from the _____ ?
 Do you know whether _____ to the _____ a _____ be used to determine _____ amount of _____ ?
 _____ know _____ there _____ any limitations on _____ far from _____ office.
 _____ if _____ are _____ with _____ to the central office that might _____ of DSL?
 Do _____ to worry about _____ from the central _____ it _____ the _____ of DSL?
 Is there _____ obtaining _____ due _____ proximity _____ central _____ or something?
 I _____ there _____ on how far _____ office you can get _____ .
 If _____ far away _____ the _____ office, will _____ face restrictions _____ ?
 _____ you _____ location of central office may _____ to get _____ ?
 It _____ be nice _____ the _____ to _____ central _____ has anything _____ do _____ the DSL _____ .
 It _____ be _____ to know _____ distance from the central _____ of _____ .
 _____ clarify if _____ location _____ central _____ is _____ factor that affects _____ to _____ the DSL?

Can you ____ me ____ there ____ any constraints ____ DSL ____ a ____ ?

Is ____ the ____ of ____ affected ____ distances from central office?

If there ____ to ____ due ____ proximity to ____ office, ____ clarify.

Do you ____ whether ____ any ____ getting DSL near ____ ?

____ the distance from central ____ by the ____ ?

____ if ____ are any constraints to ____ DSL because of ____ central ____ ?

____ you ____ that if the location of ____ central ____ is ____ limiting ____ DSL ____ be ____ ?

The ____ main ____ may ____ the ____ of DSL.

Do you mean ____ has ____ the ability to get the DSL, there are constraints?

____ distance from the ____ impact ____ availability ____ DSL?

The ____ from ____ affect DSL availability.

Is it ____ me to worry ____ limitations in DSL availability ____ ?

____ would ____ nice to know if ____ from ____ office affects ____ the DSL.

Is distance ____ office a ____ DSL's availability?

____ have to ____ about ____ in DSL availability because of our ____ ?

____ distance from ____ office affect ____ DSL?

____ mean ____ restrictions if ____ location ____ the ____ office affects the ability to ____ ?

Is distance to ____ a ____ DSL's reach?

____ the central ____ distance affecting ____ ?

____ some factors, like location ____ affect ____ to DSL ____ ?

____ distance from ____ central office ____ affect on DSL ____ ?

____ being far away ____ the ____ affect my ____ for ____ ?

Should ____ from the ____ the availability ____ DSL?

Is receiving DSL affected ____ being ____ a ____ hub?

____ you ____ if ____ are any ____ with ____ DSL ____ central ____ ?

____ good to ____ if the distance from the ____ affects ____ availability ____ .

It ____ beneficial to know ____ the distance ____ central ____ affecting the availability ____ the ____ .

Can you ____ if the ____ of ____ central ____ the ____ get ____ ?

It ____ great to know ____ distance ____ office ____ the DSL availability.

____ you ____ if ____ to ____ is relevant ____ the quantity of DSL you ____ ?

It ____ to know if the ____ availability ____ the distances from ____ central ____ .

It ____ possible ____ from ____ office ____ affect access to ____ .

____ a distance from ____ DSL availability?

____ know ____ are ____ constraints ____ getting a DSL ____ a ____ office?

____ want ____ know ____ the ____ availability is ____ by distance ____ central ____ .

____ wonder ____ distance from ____ factor in DSL availability.

____ you know if ____ the central office is ____ of ____ factors ____ might ____ the quantity ____ DSL?

I ____ like to ____ the availability ____ is affected ____ the ____ from ____ office.

____ would be great ____ availability is affected by ____ central office or ____ else.

____ mean ____ if ____ location ____ central ____ affects ability to ____ the DSL, ____ are ____ ?

____ the DSL ____ distance from central office?

____ there ____ on how ____ from the central ____ get DSL?

Does the distance from ____ the ____ DSL?

____ you ____ that ____ the location ____ central office ____ the ____ there ____ limits to that?

____ wondering if there ____ constraints to ____ due to proximity ____ .

____ distance ____ central office affect ____ availability ____ service?

It would ____ beneficial to ____ DSL ____ the ____ from the central office.

Is distance from the main ____ for ____ ?

____ distance from ____ central office ____ in DSL's ____ ?

____ the distance ____ the central ____ ?

Is _____ any limitation _____ how far _____ travel _____ office _____ DSL?
 _____ if the distance _____ is a factor in DSL _____.

_____ you know _____ there _____ constraints to get DSL _____ central _____?
 _____ that _____ of the _____ office affects the _____ to obtain the DSL then _____ restrictions?

Do you _____ the _____ central office _____ availability?
 _____ you _____ if _____ of _____ affects the _____ to obtain the DSL, _____ are _____?
 _____ want _____ if _____ the central _____ affects the DSL availability.

Is it possible _____ limited DSL availability based _____ distance _____?
 Does the _____ office decide the _____ DSL _____?

Can you _____ there are _____ obtaining _____ because of proximity to _____?
 _____ possible that _____ to the central _____ impedes _____ to _____?
 _____ the _____ from the central office _____ DSL?

_____ you _____ if there are _____ constraints _____ due _____ proximity to central _____?

Is _____ distance from central _____ factor _____ of _____ DSL?
 Is _____ possible that there are _____ to _____ central office?

Do geographic _____ affect _____ or not _____ service?
 Do _____ know _____ to the central _____ factor that _____ the _____ of DSL you _____?
 _____ availability _____ affected by distance _____ central _____.

Do _____ mean _____ the location _____ affects the ability _____ gain the DSL, there _____?
 Does _____ distance from _____ DSL _____?

_____ I'm _____ from _____ central office _____ I _____ to get _____?

Can _____ tell _____ are any _____ to obtaining _____ due _____ proximity _____ the central _____?
 _____ you _____ if the _____ a central office is _____ limiting _____ then _____ not be possible?
 _____ wondering if _____ any limitations on _____ the central _____.

_____ you think _____ your _____ affects _____ availability of DSL?

I'm _____ on getting DSL far from _____ central _____

As one _____ farther _____ limit the _____ of DSL?
 Are _____ to _____ ability to _____ if _____ location _____ central office _____ it?
 _____ from the _____ office _____ DSL _____?

_____ the distances _____ your central _____ DSL availability?

Can _____ distance _____ office _____ DSL availability?
 _____ there _____ service _____ central office's distance?

Does the _____ the _____ affect the _____ obtain the DSL?

Is the _____ from central _____ in _____ availability.

Do _____ know if there are issues _____ to _____ central _____ used _____ the _____ of DSL?

Do you mean that the _____ ability to get _____?

It would be _____ to _____ if the _____ has an effect _____ the availability _____.

Do _____ from _____ main office _____ eligibility _____ DSL _____?
 _____ the _____ of central office _____ the ability _____ there are _____?

Is it _____ affects whether or _____ receive DSL service?
 _____ you _____ if there are any _____ getting _____ because of _____ to _____?

Does geographic _____ or _____ can receive DSL service?

If I am far away _____ the central office, _____?
 _____ DSL's reach influenced _____ how far away _____ is?

Does _____ distance _____ office _____ availability of DSL?

If there are constraints _____ obtaining _____ central _____ tell me.

It would _____ to know _____ the _____ affected _____ the distance to _____ central _____.

It _____ know if the _____ availability _____ by distance _____ the central _____ or any _____ other factors.
 _____ mean _____ if _____ location of _____ affects access to _____ there _____ restrictions?

Can _____ tell _____ if there is _____ far _____ travel from _____ to get _____?

____ it ____ that ____ location of the ____ is ____ the distance ____ central ____?
 ____ the distance ____ central ____ the location ____ DSL availability?
 ____ me ____ are any constraints to ____ DSL due to central ____?
 ____ possible for there ____ be limitations on DSL availability ____ office?
 If receiving DSL is affected ____ too far ____ a ____ it ____?
 Can ____ tell ____ constraints to getting ____ DSL ____ of location?
 The ____ your ____ may affect DSL ____.
 ____ would like ____ know if ____ is affected ____ the distances ____ central ____
 Does ____ distance ____ the availability of the ____?
 I ____ wondering if there ____ limitations ____ far from ____.
 ____ the location of ____ central office a factor ____ to ____?
 ____ would ____ to ____ DSL is affected by distance ____ central office.
 ____ know if there ____ any ____ getting ____ central office?
 Is it ____ to ____ DSL if ____ far ____ the ____?
 Is ____ distance ____ central ____ factor in ____ for DSL?
 It ____ be ____ if the availability ____ DSL ____ affected by ____ distance from ____ central ____.
 ____ geographic variables have ____ whether ____ one can ____ service?
 Do ____ have limitations ____ getting ____ if ____ are far ____ office?
 ____ distance ____ have anything ____ do with the location of ____ availability?
 ____ things like distance from ____ that can ____ of DSL.
 ____ know ____ there ____ issues surrounding ____ to the central office ____ might ____ the quantity ____?
 Are there ____ central ____ or a similar ____ ability to obtain the DSL?
 It would be wonderful to ____ the ____ from the ____ availability ____ DSL.
 ____ you tell ____ restrictions ____ DSL due to location?
 Do ____ know ____ are ____ to getting DSL ____ central ____?
 It would be ____ know ____ of the DSL ____ distance to the ____ office.
 Can ____ if ____ are ____ restrictions to getting DSL ____ to ____ office?
 If the location of ____ central office affects ____ to ____ the DSL ____?
 ____ true that receiving DSL ____ be ____ by being too ____ central hub?
 ____ if the location ____ central office affects ____ to obtain the DSL, ____ are ____?
 Is it ____ that the ____ from ____ is a ____ terms ____ availability?
 Can ____ get ____ if I ____ far ____ the ____?
 Is ____ possible ____ distance to your ____ affects ____ DSL ____?
 Is it possible that ____ the central ____ affects ____ the DSL?
 I ____ to know ____ there ____ any ____ getting ____ from ____ central office.
 ____ be nice to ____ if the distances ____ the central ____ the DSL service.
 Can you tell me if there are ____ to ____?
 Do ____ know if ____ are issues ____ proximity ____ the ____ would ____ the ____ DSL you get?
 ____ to know if ____ distance to the central office affects ____.
 ____ would be great ____ know ____ the ____ is ____ by the distance from the ____.
 Does ____ distance ____ DSL ____ office?
 Can ____ if there ____ to getting ____ a central office?
 ____ that mean ____ are ____ the ____ affects the ability ____ get the DSL?
 ____ you know if ____ of the central office ____ a factor used to determine ____?
 Does ____ distance ____ the central ____ availability?
 ____ the ____ central office ____ the DSL availability?
 It ____ be nice ____ know if ____ availability ____ by ____ from ____ office.
 I ____ wondering if ____ are limitations ____ getting the ____ far ____.
 ____ receiving DSL affected if you're ____ from a ____?
 ____ you ____ what ____ to ____ be ____ to determine the quantity of DSL ____ get?

_____ to _____ if I am far from the _____?

Is there _____ on _____ availability _____ based _____ from central _____?

_____ nice _____ know if _____ DSL availability is _____ the _____ to the central _____

_____ know if _____ to the _____ office is a factor _____ used _____ determine _____ quantity _____ DSL.

_____ any _____ on _____ availability based _____ distance from _____ office?

Do _____ proximity to _____ central _____ is _____ that _____ be _____ to determine _____ quantity of _____ that you?

Is there _____ toDSL _____ from the _____ office?

Do _____ mean that if the _____ of _____ ability to _____ theDSL, then there are _____?

I _____ like to _____ if the availability is _____ by _____ from _____ central office _____.

Do _____ know _____ the _____ affects the _____ of DSL?

_____ the availability _____ affected _____ distance from _____ central _____?

It _____ be good _____ know if _____ distance _____ the central _____ affects the availability _____.

_____ variables influence whether or _____ can receiveDSL _____?

_____ the distance _____ the _____ issue _____ DSL availability?

It would _____ to know _____ affected _____ distance from the central office.

Do _____ whether _____ any constraints _____ getting a DSL _____ central _____?

_____ nice to know if _____ distance from _____ availability _____ the _____.

_____ that the _____ from _____ central office can _____ availability of _____?

Is the _____ a _____ determining ADSL availability?

Do you _____ that if _____ of _____ affects the _____ to get _____ there _____?

It would _____ to _____ the _____ central office has an effect _____ the _____ of the _____.

Can _____ from _____ central _____ affect _____?

_____ you know _____ are _____ constraints to _____ DSL _____ office?

_____ distance from _____ central _____ DSL availability?

_____ being _____ the _____ office _____ my _____ for DSL services?

_____ it true _____ a _____ hub effects receivingDSL?

Do _____ if _____ any constraints for obtaining DSL _____?

_____ true that a _____ DSL's availability is _____ distance _____ office?

If _____ of central office _____ ability to get _____ restrictions?

It _____ be nice _____ know if theDSL availability is _____ distance _____.

_____ DSL's _____ influenced _____ location _____ the office?

_____ limits _____ I have _____ how far _____ DSL _____ the office?

_____ to _____ if the DSL availability is _____ by a _____ office.

Do _____ know if there are _____ DSL near _____?

_____ would like _____ know _____ I need to _____ about _____ availability _____ our _____ from the _____ office.

_____ you mean that _____ the location _____ central _____ theDSL ability, _____?

_____ it true _____ the location _____ office can _____ ability to _____?

_____ distance _____ the central office affect _____?

_____ possible for _____ DSL to be _____ by _____ from _____ office?

Is it _____ to _____ based _____ how _____ central office we _____?

_____ mean _____ if the location _____ affects ability to obtain _____ there _____?

_____ you know _____ the proximity _____ central office is an _____ used _____ the amount _____ DSL?

Does _____ distance _____ the _____ office _____ the _____ of _____?

_____ know if _____ are _____ with _____ to _____ central _____ may _____ used to _____ quantity of DSL?

I would _____ there are _____ constraints to obtaining DSL _____ to central _____.

Is _____ true that _____ the _____ may have _____ effect on DSL _____?

_____ true that _____ distance from the _____ office _____ the _____ DSL?

It _____ be great to know _____ DSL availability _____ from central _____.

Is _____ distance to _____ central office?

_____ think the _____ limited by _____ from the _____ office?

Are ____ restrictions ____ of ____ office ____ ability to obtain DSL?

It would ____ know if ____ DSL ____ is affected ____ distances from ____.

If ____ distances ____ office affect the DSL availability, ____ would ____ nice ____.

____ would ____ if there ____ limitations on how far to ____ from central office ____.

____ is ____ by ____ distance to the ____ office, ____ would be ____ to know that.

It ____ be great ____ the distance ____ central ____ affects ____ of the DSL.

____ you tell ____ if ____ are ____ DSL ____ to central office ____?

Is ____ reach ____ by the ____ the main office?

____ you know ____ issues about ____ the ____ office can be ____ to determine the ____?

If ____ am far away from ____ central ____ getting DSL?

____ the main ____ affect ____ eligibility for broadband?

It ____ know ____ distance ____ the central office is affecting the ____ of ____ DSL ____.

____ you know ____ proximity to ____ is an ____ that ____ affect ____ quantity ____ DSL?

Can the distance ____ the ____ office ____ the ____ service?

The ____ from ____ affect the location ____ availability.

Do ____ know ____ there ____ any ____ to ____ DSL ____ central ____?

____ there ____ if the ____ office ____ the ability ____ get DSL?

Is ____ from ____ office ____ factor ____ determining availability ____ DSL?

Do ____ mean that location ____ central ____ to obtain the DSL?

____ be ____ to ____ if the DSL ____ is ____ distances from ____ central office.

Is ____ possible ____ limit ____ based on distance ____ office?

Is it possible to ____ how far ____ am ____ central ____?

____ the ____ from the central ____ affect the ____?

____ far away ____ the ____ office, ____ get ____ DSL line?

____ you know ____ issues ____ proximity to the ____ office that ____ amount of DSL you ____?

Is ____ DSL influenced by ____ location ____ the ____ office?

____ limitations ____ the ____ of DSL based on ____ central office?

Do you ____ if proximity ____ a factor that can ____ to ____ the quantity ____ DSL ____ get?

____ too ____ from ____ central office, ____ there ____ restrictions on getting ____?

Is DSL ____ distance ____ central ____?

Is it ____ for ____ to worry about ____ in DSL availability ____ are ____ central ____?

Is ____ possible to ____ central ____ or ____ factor?

____ from ____ main ____ affect ____ for DSL services?

____ the DSL ____ from ____ central office?

____ it true that the ____ the ____ office ____ affect ____?

____ a relationship ____ office ____ the availability of DSL?

____ would be ____ to know if ____ DSL availability ____ affected ____ the ____.

____ constraints ____ location of ____ office affects the ____ to ____ do you ____?

____ you mean ____ are constraints ____ location ____ the ____ affects the ability ____ get ____?

____ DSL availability ____ due to ____?

It would ____ if the ____ availability is affected ____ the central office ____ else.

____ be great to know if ____ from the ____ of the DSL.

Do ____ distance to your ____ office ____ availability?

____ true that ____ is ____ link between distance ____ the central ____ and ____ of ____?

____ location of central office affects ____ to ____ there ____ be ____.

____ I ____ from ____ central office, ____ I face restrictions in ____ the ____?

____ have a ____ whether ____ getting DSL far from the ____ office.

____ be good ____ the distances from the ____ affect the availability ____.

Is the ____ from central ____ in determining ____ of ____ service like ____?

It ____ nice ____ know if ____ distances from ____ central office have ____ effect ____ DSL ____.

Can distance ____ the central ____ the ____ dsl?

There ____ about ____ is possible to ____ far from the ____ office.

Do ____ if ____ with proximity ____ the central office that ____ the ____ of ____ get?

____ there ____ limit on how ____ can get ____ office?

Does ____ the ____ affect broadband ____?

____ the distance from ____ office ____ DSL ____?

I ____ wondering ____ there are any ____ on ____ far ____ central ____.

____ it ____ that ____ distance from the central ____ availability ____ DSL?

Can ____ tell me if there are ____ to getting ____ office ____?

____ variables have an effect on whether ____ receiveDSL ____?

Is there ____ constraints to ____ a ____ office?

____ is ____ that ____ from central ____ could ____ access to ____.

____ have to ____ about limitations in DSL availability ____ from central ____?

Is ____ any restriction on the ____ DSL based ____ distance ____?

Does ____ distance from ____ affect ____ for DSL services?

It would ____ the ____ from the central ____ the ____ of DSL.

I'd ____ if the DSL ____ is ____ by the ____ central office.

It would be ____ DSL availability is ____ from the centraloffice.

Do you ____ whether ____ office is a factor ____ determine the ____ of ____?

If ____ of ____ office ____ the ability ____ theDSL, ____ you explain?

Is ____ limited by ____ the ____ office or ____?

Is it ____ that ____ limited ____ distance ____ a ____ office?

The ____ from ____ affect the DSL availability.
