

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Signal and reception troubleshooting
Inquiry Sub-Category	Cross-talk or interference
Description	This category addresses inquiries related to signal interference caused by nearby devices, electrical equipment, or neighboring antennas. Advisors may provide advice on reducing cross-talk, adjusting frequencies, or using filters to improve signal reception.
Data Size	9,230 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

_____ advanced tools or _____ available from _____ that _____ me identify _____ causes on _____ cable connection?
 Do _____ have _____ fancy gadgets _____ cable _____?
 _____ you tell me if _____ are _____ technologies _____ disposal that can _____ fix crosstalk _____ our _____?
 _____ give _____ innovative _____ that _____ can _____ to identify cross-talk _____ my signal?
 _____ help us find _____ root causes of _____ talk _____ with _____ cables?
 _____ company _____ me innovative technology that _____ me _____ cross-talk problems _____ affect my _____?
 Is _____ tools you _____ to _____ cable cross-talk _____?
 _____ it possible for _____ company _____ technology _____ locate _____ connection interference?
 _____ there a way _____ find _____ our cables?
 Is it possible to _____ issues _____ our cable _____?
 _____ your _____ able _____ provide _____ tools for _____ in _____ cable connection?
 Do _____ any state-of-the-art programs _____ can _____ identify _____ our cable _____?
 _____ it _____ for _____ to _____ identify potential _____ of cross-talk on _____ cable _____?
 _____ your _____ provide _____ innovative tools _____ can help _____ cross-talk in our _____ connection?
 Can we get _____ that _____ us find sources _____ cross-talk _____ cable _____?
 _____ solutions that _____ identify potential _____ of _____ on our cable _____?
 _____ have access _____ that _____ us in detecting _____ of cross- interference?
 Do _____ any high _____ that _____ help _____ figure _____ going on with _____ cable connection?
 _____ new tools to spot wire chatter?
 _____ any high-tech gear that _____ out what's going on _____ our _____?
 _____ you _____ give us _____ cutting-edge tools _____ interference _____ the _____ connection?
 Can _____ high-tech _____ to identify _____?
 _____ to use advanced _____ to find _____ sources of _____ or crosstalk _____ could affect _____?
 _____ company offer equipment _____ detect interference _____?
 _____ your _____ able _____ fancy gadgets to _____ on our cable connection?
 Can I get access _____ sophisticated technologies that _____ find the _____ of signal _____?
 Are there _____ fancy _____ cable _____?
 _____ I use _____ provided by your _____ to locate _____ on _____ connection?

____ your _____ the _____ find factors _____ cause interference on _____ signal?
____ instruments _____ available _____ identify cable interference?
____ there _____ high tech way _____ identify _____ problems in our _____?
You _____ tools _____ something _____ me why _____ keep mixin' up.
Wondering _____ you can _____ connections _____ with _____ tech?
____ you _____ technological _____ to help us detect _____ resolve _____ of cross- _____ in _____ network?
____ company _____ modern _____ factors causing interferences on _____ cable signal?

Can I _____ an _____ device _____ by _____ company _____ cross-talk issues on _____?
Do _____ have _____ that _____ spot _____ cross-talk issues?
____ there _____ innovative tools provided by _____ company _____ can help _____ in our cable _____?
____ have any _____ gadgets _____ look out for _____?
Does _____ company _____ to detect _____?
____ you _____ the _____ cross-talk on our cable?
____ technology _____ can help us _____ root _____ crosstalk issues with _____ cables?
____ there a company _____ detect cross-talk _____ cables?
Can _____ company _____ to identify _____ connection _____?
____ would _____ know if there are _____ tools or technologies from _____ that could _____ me identify _____ on _____
Does your _____ to detect _____?
____ there a possibility for _____ identify causes of interference on _____ cable?
____ the _____ know-how to help _____ find _____ resolve _____ cross- interference along our _____ network?
____ company _____ of using _____ that _____ identify _____ sources _____ noise in the cable _____?
I _____ innovative devices provided by _____ to _____ issues on our _____.
Is _____ able to detect _____ our _____?
____ detect where the annoying chatter _____ coming from _____ cable?
Is _____ any _____ tools _____ available _____ can help me _____ potential cross-talk causes _____ our _____ connection?
____ to provide high-tech aids _____ finding interference?
____ a _____ find _____ causes on our cable.
Can _____ get _____ to technology _____ help identify _____ on _____ cable line?
Does your _____ resources that _____ identify _____ causing interference _____ our _____?
____ your _____ have _____ know-how to identify _____ causing interferences _____ cable _____?
____ any innovative _____ provided _____ your company _____ help identify _____ of cross-talk in our _____?
Are _____ able _____ spot cable _____?
Is it _____ your company _____ advanced technology _____ resolve _____ our cable _____?
Is _____ way _____ detect potential cross-talk _____ on _____ cable _____?
____ the _____ you _____ have _____ that can identify the _____ noise in _____ cable connection?
____ me if your _____ the cutting-edge technology that can _____ the _____ of _____ in our _____?
Can your _____ give _____ fancy _____ sure we don't _____ with our _____?
____ have the advanced instruments to identify _____?
Are you _____ to use advanced _____ to find _____ crosstalk that _____ with our tv _____?
____ if _____ use cutting-edge _____ detect cross function _____ our cables?
Do _____ have advanced _____ identify _____ interference?
____ a _____ to uncover the root _____ issues with our _____?
Do _____ finding cable cross-talk _____?
Is the _____ cutting-edge _____ that can _____ the _____ noise _____ the cable?
____ you have any modern _____ could help _____ in our _____?
____ can _____ cable interference?
Can we _____ organization to _____ at the origins _____ crosstalk?
____ your company have _____ can _____ find _____ connection _____?
____ use high-tech _____ to check _____ cable _____?

____ I ____ offer advanced methods ____ detect signal disruptions, such ____ cross-talk?
 Is ____ of getting state-of-the-art ____ your company ____ assist in ____ causes of interference ____
 ____ your ____ have ____ that ____ identify possible sources ____ trouble in ____ connection?
 ____ looking for ____ that ____ potential ____ on ____ connection.
 Do ____ items to ____ for bad cable ____?
 ____ have ____ finding ____ causes on our cable?
 ____ find the causes of cross-talk on ____ cable?
 Is it ____ for your ____ to provide ____ devices ____ to identify causes ____ our ____?
 Does ____ company have the resources ____ causing ____ with our ____?
 ____ company equipped with ____ what's happening in our cable ____?
 Is your ____ to ____ factors causing ____ our ____?
 Can ____ provide ____ any tools ____ detect interference ____ cable ____?
 Is ____ to uncover ____ root ____ of crosstalk ____ with ____ cables using ____?
 Is ____ find the causes ____ on ____ cable?
 Do ____ have ____ or ____ to ____ us detect and resolve instances ____ along ____ cable ____?
 Can your ____ give ____ gadgets ____ see ____ is interference ____ our ____ connection?
 Do ____ the ability ____ help ____ detect ____ resolve ____ cross- interference ____ our cable ____?
 ____ you provide solutions ____ cross-talk ____ cables?
 Is ____ for your company ____ hook ____ up ____ some ____ gadgets ____ interference on ____ cable ____?
 Can ____ devices provided by your ____ to ____ on our cable ____?
 Is ____ possible for ____ company ____ devices that ____ in identifying ____ of interference on ____
 Is ____ for your ____ detect possible ____ issues on ____ cable ____?
 ____ you have ____ to ____ causes of ____ on ____ line?
 Does ____ the ____ to detect potential ____ on the cable ____?
 ____ your ____ have the ____ to identify the possible ____ our cable ____?
 ____ it possible to get ____ tools that ____ of ____ cable?
 Are ____ able to ____ issues?
 ____ for your ____ to provide state-of-the-art ____ that can assist in ____ causes ____ interference ____
 ____ you ____ me ____ innovative technology ____ I ____ use ____ find cross-talk ____ that ____ signal quality?
 ____ rely ____ your ____ to offer ____ methods for ____ such as ____ impacting our cable?
 Do ____ access to ____ could help us detect ____ resolve instances of ____ our ____?
 ____ you have ____ high ____ gear that can help ____ on ____ cable connection?
 ____ can your ____ the root cause of crosstalk occurring ____?
 ____ have ____ tools ____ can detect interference ____ cables?
 ____ possible ____ cable issues with fancy things?
 ____ you ____ cutting-edge technologies to detect ____ on ____ cable ____?
 Are your ____ instruments ____ interference?
 Do ____ advanced tech ____ cross-talk issues?
 Does ____ of a ____ detect the ____ interference on my ____?
 Are there any ____ advanced ____ identify the ____ of cross-talk ____?
 Is it possible for you ____ with ____ gadgets ____ detect interference on ____?
 ____ cause of crosstalk ____ what resources do ____ company offer?
 ____ to check for bad ____ talking?
 Do ____ programs ____ can help ____ issues affecting cable connections?
 ____ you ____ find ____ causes on our cable?
 Are there top-notch ____ cables?
 Does your company have access to ____ technology ____ to ____ of ____ our cable ____?
 ____ you have tools ____ detect ____ interference ____?
 ____ you offer ____ to ____ of cross-talk on the ____ line?
 ____ your company ____ any gadgets ____ interference on ____ cable ____?

Can _____ provide high _____ for _____ cable _____?

Do _____ advanced _____ cross-talk _____?

_____ give us any _____ help _____ investigate the origins of _____?

Is there a _____ the root cause of _____ issues _____?

_____ company _____ a solution for _____?

Is _____ can identify possible _____ of _____ in our cable connection?

_____ your _____ provide _____ tools to find _____ causes?

Is _____ a _____ detect cross-talk _____ the _____?

_____ have _____ to spot wire _____?

_____ know _____ there is a tech that can identify _____ cross-talk _____.

_____ offer that can help identify cross-talk issues affecting _____ connections?

Is _____ way to locate _____ causes _____ cable?

_____ you have _____ way _____ finding _____ causes _____ the _____?

_____ your company _____ provide _____ tools for _____ cross _____ issues?

_____ you _____ me a _____ that _____ identify _____ on _____ connection?

_____ you provide _____ innovative _____ that _____ can use to _____ cable signal?

Do you have _____ latest tools to _____?

_____ company _____ the ability to _____ causing interferences _____ our _____ signal?

Is _____ to _____ issues _____ our _____ connection with _____ devices?

Are your company _____ of detecting _____ our _____?

Is _____ possible for _____ company _____ give us _____ devices _____ might _____ identify _____ interference _____ our

Is _____ your _____ has _____ technology for resolving _____ issues?

Does _____ have _____ resources to _____ the _____ interference with _____ signal?

_____ possible _____ cable interference from your _____?

Is it possible to _____ cause _____ our _____ using sophisticated _____ options?

You _____ could tell me why my _____ it up.

Do _____ there are any high-tech options _____ identify _____ problems _____ cable _____?

Can you recommend _____ that _____ help _____ figure out the causes _____ on our _____?

Can _____ me _____ are any _____ or tools _____ could help trace and solve _____ our _____?

Can _____ tell me _____ your company offers _____ recognizing and resolving crosstalk _____ affecting _____?
