

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Network connectivity and signal issues
Inquiry Sub-Category	Slow internet speed
Description	Customers experiencing persistently slow data transfer rates, leading to delays in web browsing, buffering while streaming media, or difficulty in downloading/uploading files.
Data Size	8,790 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ certain _____ when congestion _____ leading to reduced _____ ?
 Is slow download _____ related _____ ?
 _____ be _____ speeds due _____ congestion.
 Is there any information you _____ about _____ slowdowns _____ happen _____ network _____ ?
 Can _____ speeds _____ be slower?
 There _____ when the bandwidth _____ slower uploads.
 _____ traffic affect internet _____ ?
 Are there periods _____ the rates _____ data _____ ?
 _____ affect the _____ speeds?
 _____ are specific times _____ download/upload _____ .
 _____ do you _____ notice your download/upload _____ dropping?
 _____ there any _____ busy periods?
 _____ congestion spikes _____ cause _____ download _____ .
 congested _____ can _____ download _____ .
 Should I _____ downloads _____ slow _____ sometimes because _____ traffic?
 _____ any peak hours _____ slower _____ ?
 _____ it _____ to impact _____ rates of data _____ ?
 Is _____ for downloads to slow down _____ network _____ ?
 _____ cause slower _____ speeds?
 I want _____ know _____ rates _____ certain periods of congestion.
 Does network jamup _____ ?
 Does _____ slower _____ speeds?
 _____ a _____ sensitivity for _____ download/upload _____ to congestion?
 _____ are _____ moments _____ slower _____ speeds.
 _____ may _____ when _____ down here.
 Is _____ uploading/download speeds _____ ?
 During congested _____ download _____ decrease?
 Is _____ possible that _____ impact _____ ?

Can the _____ periods of congestion?
 _____ congestion affect uploads?
 Slow _____ and uploading _____ busy _____.
 Is _____ the download/upload slows _____?
 _____ you noticed _____ connections _____ periods?
 _____ there any _____ causing _____ download _____?
 Is uploading/download _____ times?
 _____ times when speeds are _____ because _____.
 _____ times, do upload/download _____ go _____?
 Data speed might be _____ certain hours.
 Are _____ times _____ with _____ transfer speeds _____ congestion?
 _____ download _____ happen _____ busy hours.
 Are _____ slow download _____ speeds?
 _____ lower uploading/download rates and overcrowding?
 _____ periods _____ rates?
 _____ the _____ and _____ download/upload speeds drop?
 Are _____ slow download/upload speeds?
 _____ periods _____ download rates?
 _____ wise to _____ downloads to slow down _____ network _____?
 _____ be _____ by congestion.
 Can congestion _____ speeds _____?
 _____ download _____ suffer during _____?
 Does peak network _____ downloads/uploads?
 _____ crowded time slots _____ transmission _____?
 Is _____ linked to _____ transfer _____ due to _____?
 Is _____ that congestion _____ speeds?
 Is _____ congested _____ can affect download _____?
 Is it _____ that _____ during congestion times.
 congested _____ rates?
 _____ congestion cause _____ speeds?
 _____ the network _____ busy, is slower download _____?
 _____ there _____ downloads _____ down?
 _____ be _____ during a _____ time?
 There are _____ traffic _____ affect _____.
 _____ a _____ that _____ download/upload slowdowns?
 Is _____ rates _____ to congestion?
 Is _____ cause _____ speeds?
 There _____ of _____ by congestion.
 _____ tell me when _____ causing slower speeds?
 _____ connections during busy times?
 Is there _____ that _____ download/upload _____ slow _____?
 _____ issues lead to _____ uploads/downloads _____ are periods.
 Is _____ any _____ moments that _____ slow _____?
 _____ there congestion _____ that _____ speeds?
 _____ speed _____ a _____ instances of _____.
 _____ the _____ data transfer affected by _____ of _____?
 _____ when speeds _____ slow due to _____ traffic.
 Slower _____ periods in the _____?
 Do you _____ the network gets crowded _____ down?
 _____ you _____ speeds _____ go down because of _____?

_____ rates lower _____ congestion?

_____ rates of _____ transfer _____ be affected by the _____.

Downloads _____ during congested _____.

If congestion _____ a decline _____ share.

_____ congested _____ download rates?

_____ specific _____ congestion _____ causes download/upload speeds to decrease?

During congestion _____ upload/download _____?

_____ you think traffic _____ cause a _____ in _____?

_____ downloads slow at certain _____?

_____ you anticipate _____ upload/download _____ traffic?

Is _____ for slower download/ _____?

_____ possible there _____ congestion affecting speed?

_____ uploading _____ reduced during congested _____?

_____ moments may _____ caused _____ periods.

_____ transmission _____ can _____ expected _____ busy _____.

_____ congestion _____ download and _____?

The _____ and _____ rates _____ times.

_____ my speed _____ downloads?

Information _____ slowdowns might _____ due to excessive _____?

_____ downloads slowed _____ due _____ traffic?

Is _____ associated _____ lower upload/download _____ overcrowding?

_____ me when _____ slow due to network traffic?

_____ it _____ congestion _____ upload speeds _____?

Is it possible that download _____ decrease _____?

_____ cause _____ slower download _____?

_____ experience slow download _____ speeds _____ certain times?

Is _____ rates _____ during _____ of _____?

Do _____ uploads at specific times?

_____ download and _____ are _____ busy _____.

There are _____ cause download/upload _____.

_____ uploading and _____ in _____ times?

_____ congestion spikes lead _____ speeds?

_____ are there certain _____ when _____ download/upload _____ go down?

_____ for certain _____ to have network congestion and _____?

_____ times _____ download/upload rates?

Data transfers _____ periods of _____.

_____ a _____ speed _____ at _____ points of congestion?

Can _____ download times?

Is it _____ slow down because of _____ network _____?

_____ uploading/downloading rates lower _____?

_____ due _____ congestion?

_____ downloads slower during crowded _____ network?

I would _____ know if I can expect _____ certain _____ of _____.

Can _____ slower _____?

_____ cause slower _____ rates?

Can _____ affect _____ download _____?

_____ expect reduced _____ during _____ of _____?

When _____ hits _____ will _____ your download/upload rates _____?

Is _____ a _____ moment _____ download/upload?

Upload and _____ rates _____ decline _____.

Is there ____ correlation ____ lower ____ rates ____ ?
 ____ speeds may be caused ____ .
 ____ downloads/uploads may occur ____ network ____ certain moments.
 Is ____ and download ____ during busy times?
 Can instances ____ congestion affect ____ speeds?
 Is ____ possible ____ expect reduced ____ of congestion?
 What ____ congestion ____ download/upload speeds?
 Do ____ experience slowing ____ upload ____ certain times?
 ____ expected to be slower during congested ____ ?
 ____ network ____ the download/upload ____ go down.
 ____ congested periods ____ rates?
 When ____ hits, you will ____ download/upload rates ____ .
 ____ time frame cause congestion that ____ in decreased ____ ?
 ____ experience slowed ____ and ____ speeds at ____ times?
 Can ____ tell ____ when ____ happen due to excessive ____ ?
 During ____ hours ____ the network, ____ download ____ slower?
 ____ this congestion hits, your ____ .
 Does ____ in ____ download ____ ?
 ____ drop in ____ due ____ high ____ ?
 ____ some ____ less download/upload ____ ?
 ____ times have reduced ____ ?
 Is it possible ____ have ____ transfers?
 ____ that the ____ is ____ during congested times?
 During ____ download and ____ decline?
 ____ frames cause congestion, resulting in ____ speeds?
 ____ hours cause ____ speeds?
 Is congestion responsible ____ upload ____ ?
 ____ this ____ you'll ____ your ____ rates dropping?
 Is ____ designated ____ congestion impacts the rates ____ data ____ ?
 Can ____ be ____ slower transfer ____ ?
 ____ periods ____ network ____ slower speeds?
 Is there a ____ lower uploads/download rates ____ ?
 ____ a ____ frame ____ congestion that ____ decrease in ____ speeds?
 Slow download/upload ____ might ____ congestion ____ .
 Will downloads slow ____ ?
 ____ downloads be ____ the ____ is congested?
 ____ slow down ____ at ____ .
 Can ____ upload/download ____ .
 Do ____ spikes ____ speeds?
 Is the ____ congestion ____ speeds?
 ____ may be times ____ congestion ____ .
 ____ it ____ that decreased speed ____ times?
 ____ congested times do ____ rates ____ ?
 ____ you experience ____ speeds at ____ ?
 Is ____ possible ____ download/upload rates ____ of congestion?
 ____ affect ____ speeds?
 Downloads ____ certain times.
 ____ because ____ periods ____ notice slow internet moments?
 Upload/download rates ____ be ____ congested ____ .
 ____ to ____ download/upload rates when ____ is congestion?

Do _____ when _____ slow _____ here?

_____ if _____ causes _____ in _____ speed.

_____ uploading speeds _____ congestion?

Is _____ cause of _____ rates?

_____ possible _____ lower transfer speeds due _____ networks?

_____ download _____ happen _____ hours on the network

_____ rates _____ be _____ during _____ times.

Data _____ rates _____ impacted _____ congestion.

Will _____ impact _____?

Is it possible _____ congestion _____ download rates?

Has _____ affect download _____?

Does the _____ download _____?

_____ download _____ might be _____ affected by network _____.

_____ possible _____ downloads slowed at _____?

_____ a _____ in speed _____ times?

Slow download and _____ be _____ network during busy _____.

There are _____ of _____ due _____ congestion?

_____ and download _____ down in busy _____?

_____ in _____ and download speeds?

During _____ periods, do _____ decline?

_____ there _____ when slowdowns _____ due _____ network usage?

Some people _____ affect _____ rates.

_____ affect download rates.

There are _____ when _____ process slows _____.

Can _____ me when the _____ is _____ the slow _____?

During _____ periods, _____ download _____ uploads _____?

Are _____ downloads slower _____ hours?

Is it possible _____ causes _____ and _____ speeds?

Is _____ possible _____ hours _____ slower _____?

_____ congestion _____ download/upload _____ slow?

There are _____ when _____ lead to _____ download/upload _____.

_____ reduction of _____ common at _____?

_____ uploading and _____ rates decline _____?

_____ there be _____ when _____ slow _____?

_____ there a reduction _____ download/upload rates _____?

Does _____ slower rates _____ usage?

If _____ a drop in _____ a result _____ congestion?

_____ peak _____ which cause slower _____?

_____ there any _____ between lower uploading/download _____?

_____ okay _____ downloads/uploads to slow _____ to _____ traffic burden?

_____ do _____ and uploading rates go _____?

_____ a _____ between the lower _____ rates and _____?

Can there be _____ leads to _____ rates?

_____ you _____ times _____ downloads _____ down?

_____ reason for slower download _____?

_____ speeds _____ to _____?

There _____ of _____ can affect _____.

_____ possible that speeds _____ slow _____ to network _____?

Should _____ expect downloads/uploads to _____ network traffic?

There are _____ can impact _____ data transfer.

_____ downloads going _____ slower during congested _____?
 Is _____ cause _____ slower uploading and _____?
 Do _____ affect download/upload _____?
 _____ be able to _____ reduced download/upload rates _____ congestion?
 _____ is _____ download _____ busy _____ on the network.
 _____ affects download _____
 There may _____ when downloads _____.
 There _____ network congestion _____ slower _____.
 Do congestion _____ affect _____?
 Does traffic _____ downloads _____?
 _____ congestion will _____ upload/download speeds?
 Is there _____ downloads _____ down?
 _____ decreased _____ during busy _____?
 I wonder _____ reduced download/upload _____ certain times of _____.
 Does _____ in speed occur when _____ high _____?
 Slow _____ could _____ to _____.
 _____ congestion hits, _____ your _____ go down.
 Do _____ know _____ times _____ downloads _____?
 _____ there _____ due to congestion?
 _____ upload and downloads decline _____?
 Is it associated _____ rates _____ to _____?
 _____ with decreased data _____.
 _____ there _____ slow periods affecting data transfers _____?
 _____ my downloads/uploads _____ slower during _____?
 _____ downloads be _____ busy times on _____ network?
 There _____ certain _____ cause _____ to slow down.
 uploading _____ rates can _____ by network congestion.
 _____ are _____ downloads _____ down _____ of congestion.
 Does certain _____ cause _____ rates?
 _____ congested _____ do upload and _____?
 _____ periods affect download _____?
 Is _____ possible _____ reduce download/upload rates _____?
 During _____ decreased speed _____?
 Is _____ possible that _____ rates decrease _____ to _____?
 Is _____ lower _____ times?
 _____ upload rates affected _____ congestion?
 Do uploading _____ rates _____ during _____?
 _____ congestion _____ the upload/download _____?
 At _____ times _____ download/upload _____?
 _____ occur during busy _____?
 _____ that specific times _____ data _____ rates?
 What _____ download and _____ during _____ periods?
 _____ anticipating _____ upload/download speeds _____ traffic?
 _____ experience _____ download _____ upload speeds during certain _____?
 _____ are _____ cause download/upload _____ slow down.
 Is _____ common _____ reduce _____ congested periods?
 _____ congestion _____ your download/upload _____ will _____?
 _____ specific time frames _____ resulting _____ slower _____ speeds?
 Hey, _____ any peak _____ causing slower _____?
 _____ period have network _____ slower _____?

____ there specific ____ when downloads ____ ?
 ____ download and ____ noticeable ____ busy ____
 Reducing ____ may occur ____ instances ____ .
 Care ____ if transfer speed is ____ ?
 Should ____ expect ____ to slow ____ to ____ burdens?
 ____ speed ____ occur during ____ of ____ .
 Do you ____ will ____ speeds?
 ____ crowded ____ download rates?
 Does ____ period affect ____ ?
 ____ occurrence ____ download/upload speed is related ____ .
 Slower transmission speeds ____ time ____ ?
 Is it ____ rates due ____ overcrowding?
 ____ affects ____ speed ____ downloads/uploads
 Slow transmission ____ expected during ____ time ____ .
 Would ____ care to ____ if congestion ____ drop ____ transfer ____ ?
 ____ am ____ if I should expect ____ to ____ to network ____ .
 Is there ____ peak ____ when download rate decreases ____ ?
 ____ can happen at ____ times ____ network congestions.
 Is ____ correlation between ____ spikes ____ slower ____ speeds.
 Is it possible ____ specific ____ ?
 Network congestion ____ speeds can ____ experienced by ____ .
 ____ moments of ____ causing ____ speeds.
 ____ congestion ____ affect ____ speed?
 Slow ____ speed may ____ of ____ .
 ____ uploading/download rates lower ____ ?
 Does ____ download rates ____ ?
 During ____ periods, ____ download and ____ ?
 Do ____ have ____ slow down here?
 Are ____ download speeds?
 ____ that downloads/uploads slow at ____ times?
 ____ there a ____ period where ____ affects the ____ transfer?
 There is a possibility ____ download rates ____ .
 ____ are ____ issues may lead ____ slower uploads.
 ____ suffer during ____ times?
 ____ periods, ____ the ____ and uploads ____ decrease?
 ____ uploading ____ download rates ____ times?
 During busy ____ slower ____ ?
 Do high-traffic ____ affect ____ ?
 During ____ periods do ____ rates ____ ?
 ____ it true that download ____ rates decrease ____ ?
 ____ you ____ uploading and downloads?
 ____ to expect reduced download/upload rates ____ ?
 ____ reduced ____ more ____ in congested ____ ?
 Do you think ____ rates ____ traffic ____ ?
 Is ____ transfer ____ during busy ____ ?
 Is ____ downloads ____ during ____ times?
 Is congestion ____ for ____ and ____ ?
 Will ____ be ____ during ____ on ____ network?
 ____ high-traffic ____ download/upload rates?
 ____ in traffic ____ to ____ speeds?

The ____ of ____ transfer ____ be impacted ____ congestion observed.

Can specific time ____ congestion, ____ in ____ speeds?

____ this ____ hits, you'll ____ your download/upload ____.

Is ____ to congestion?

Will ____ the busiest hours?

When this ____ rates ____ go down.

Slow ____ speeds can ____ to ____.

There ____ times ____ congestion can lead ____ download ____.

Do you ____ slow ____ at ____ hours?

____ affect ____ during certain ____?

____ issues ____ slower uploads/downloads ____ are there periods?

____ tell ____ the times network congestion ____ speeds?

When congestion ____ your ____?

Will ____ slower during ____ time?

Is it possible that ____ lower during ____?

Is ____ correlation between ____ rates and ____?

____ downloads slow ____ here?

Does ____ periods ____ speeds?

____ high-traffic times ____ decline ____ rates?

Do periods occur ____ slower ____?

____ you ____ in ____ download ____ uploads?

____ are ____ when ____ are ____ with ____.

____ there certain ____ cause ____ delays?

____ frames cause congestion ____ leads ____ decreased download/upload ____?

____ you experience ____ occasions, ____ download/upload ____?

Is ____ times ____ affecting ____?

____ times of ____ does reduced ____ transfer occur?

Hey, ____ cause slower download/upload ____?

____ tell me when ____ slow due ____ traffic?

____ I get squeezed ____ when it's ____ online?

____ experience upload ____ download delays ____ times?

____ slow at ____ times ____ congestion

____ congestion affecting ____ downloads and uploads?

____ possible that network ____ affects upload ____ download ____?

____ in busy periods?

____ the ____ upload ____ lower during ____?

____ you ever notice ____ your download/upload rates ____ down?

Is slow ____ to ____.

Is ____ congested hours?

____ downloads ____ related to congestion.

Do upload ____ rates ____ it's ____?

There ____ be times ____ speeds ____ due ____ network ____.

____ periods exist ____ bandwidth issues lead ____?

____ speeds can ____ during busy time ____.

Slow ____ and uploading can be ____ network ____.

____ it possible ____ congested ____ download ____?

____ there any ____ with ____ uploads/download rates because ____?

Did ____ an ____ download/upload speeds?

Some ____ will experience ____ slower ____.

____ download and ____ seem to ____ noticeable during ____.

_____ have slower connections during _____?

Is _____ when download/upload _____ decline due to _____?

_____ get _____ due _____ busier periods?

_____ there a specific _____ causes upload/download _____?

Can certain _____ and _____ speeds?

_____ be _____ time-sensitivity for reduced _____ due _____ congestion.

When _____ congestion hits, will you _____ dropping?

Is _____ and _____ slower when the _____?

_____ possible _____ slowed because of _____?

_____ there _____ that cause download/upload _____?

Are congestion _____ slower _____?

Is _____ download rates?

There are times when _____ congestion _____.

_____ periods do _____ uploading _____ go down?

_____ congestion causing _____ speeds.

Slower transmission _____ busy time _____?

Is it _____ that some _____ down due _____ network _____?

_____ effect of congested _____ on _____?

_____ traffic causes _____ download/utilize _____?

_____ time frames cause _____ that _____ decreased download/upload _____?

Is _____ congestion impacting _____ rates _____?

_____ congestion affect _____.

_____ there certain _____ that cause _____?

When _____ system _____ how about _____?

Is uploading _____ lower _____ congestion _____.

_____ when _____ can _____ an impact on the rates _____ transfer.

Is there a _____ reduced _____ rates _____ congestion?

There _____ download/upload process slows.

_____ congestion _____ my _____ speed?

_____ there a relationship between _____ uploading/download _____ because _____?

Should _____ speeds?

There _____ times when _____ can lead _____ reduced _____.

_____ slower download _____ during busy _____?

Can _____ expect _____ rates during _____?

Care _____ if congestion _____ speed?

There _____ congestion _____ that _____ speeds.

Do _____ download _____ decrease _____ times?

There _____ moments _____ cause _____ slow _____.

_____ of congestion _____ rates?

Are there _____ times _____ congestion leads _____ download/upload _____?

_____ downloads _____ at specific _____?

There could _____ when _____ affects _____ performance.

Are _____ affecting _____ rates?

_____ cause _____ uploading _____ download speeds?

_____ anticipating _____ because of traffic?

Will there _____ download/upload rates _____ congestion?

_____ that _____ spikes _____ cause slower download/upload speeds?

_____ downloads/uploads _____ at certain _____?

_____ congestion spikes _____ cause slower _____ speeds.

_____ and _____ occur during _____ hours on _____ network.

When there is _____ periods _____?
 _____ the _____ your _____ rates _____ fall?
 _____ this congestion _____ will plummet?
 Can _____ time frame cause _____ and _____ decrease in _____ speeds?
 _____ you experience a _____ your _____ and upload _____?
 Is there _____ lower uploading/download rates _____ overcrowding?
 Is _____ a _____ reduced _____ during _____?
 _____ download rate _____ during _____ times.
 Can _____ moments _____ network congestion cause _____ speeds?
 _____ the speed _____ uploading?
 Is _____ congestion _____ downloads _____ at certain times?
 _____ that _____ download rates?
 Do these _____ decreased _____?
 Are _____ slowed _____ times _____ of _____?
 Is there _____ when _____ download/upload _____?
 If congestion affects _____
 _____ of _____ speeds due to congestion.
 _____ affect _____ speeds.
 _____ because of congestion?
 _____ there be _____ data transfers?
 _____ are times _____ congestion _____ lead _____ reduced _____ rates.
 _____ uploading/download _____ less efficient _____ times?
 During _____ hours can _____ upload/download _____.
 Do you _____ will _____ upload/ _____?
 _____ connections during busy periods?
 What effect _____ on download/upload _____?
 _____ you _____ upload/download speeds _____ reduced _____ of traffic?
 When _____ to slower uploads/downloads descriptions _____ are _____.
 _____ are periods where _____ rates _____ transfer are impacted _____.
 There are _____ of _____ transfer _____.
 Do traffic causes _____?
 _____ speed drops due _____?
 Is _____ possible that _____ slowed at _____ due _____?
 There _____ certain moments that _____.
 Does a congested _____?
 _____ download/upload _____ be caused _____ spikes.
 Network _____ at _____ might _____ speed.
 Can _____ specific _____ congestion that will _____ decreased download/upload _____?
 _____ speeds _____ because of _____ traffic.
 _____ the rate _____ download _____ by _____?
 Is it _____ online _____ I _____ squeezed by _____?
 Is there _____ time-sensitivity for reduced _____ congestion?
 _____ I supposed to _____ downloads _____ down _____ to network _____?
 When _____ congestion hits _____ will see _____ go _____?
 _____ are times _____ the _____ are _____.
 _____ this congestion hits, _____ download/upload rates _____?
 _____ could happen during _____ congestion.
 _____ decrease _____ speed _____ in _____ times?
 _____ congestion _____ speeds?
 _____ it _____ that specific times _____ affecting data _____?

Do _____ by reduced _____ when it's _____ online?

Is _____ responsible _____ slower _____?

_____ affects my _____ speed?

_____ periods affect download _____.

Do upload and download rates _____?

_____ there be _____ download/upload _____ periods _____ congestion?

Does _____ slower _____ rate?

_____ traffic affect _____ and _____?

_____ possible _____ can impact upload _____ too?

Is _____ time _____ rates go down due _____ networks?

_____ occurs, do _____ download/upload rates?

_____ be _____ of _____ as a result _____ congestion.

_____ downloads/uploads _____ be _____ network usage peaking _____ certain _____.

_____ affect _____ speeds?

_____ any _____ time frames cause congestion _____ in _____ speeds?

During _____ and download _____ slower?

Upload/download rates may _____ traffic _____.

When this congestion _____ download/upload rates decrease?

Can _____ congestion _____ and Downloads?

_____ be _____ times when _____ go down.

_____ speeds may be _____ due _____.

_____ cause slower download/upload _____?

Does uploading and downloads _____?

Is _____ any chance _____ rates during _____ of congestion?

Can _____ congestion _____ slower _____ experienced during certain _____?

Does a peak _____ usage _____ in _____?

Do you have _____ downloads _____ down?

_____ download _____ upload rates _____ periods?

Is _____ affected by periods _____?

_____ it possible that _____ affect _____ rate?

_____ experience _____ in _____ or downloads?

Can you tell me _____ leads _____ speeds?

_____ could be caused by _____.

_____ hours, _____ my downloads be _____?

_____ there _____ specific _____ downloads _____ down in this _____?

_____ a correlation between _____ spikes and slower _____?

_____ specific times _____ download/upload slowdowns?

_____ affect _____ download speed?

Is there _____ specific _____ slows _____?

There are _____ lead _____ reduced download/upload rates.

Is _____ can affect _____ speeds too?

Do _____ if _____ rates suffer _____ high _____ times?

_____ there a _____ rate of _____ is affected _____ congestion?

_____ slower _____ and _____ when the network is _____?

Will _____ transfer _____ be _____ times?

_____ about slow connections _____?

Do _____ slowdowns _____ download _____ uploads?

_____ congestion _____ speeds?

When bandwidth issues _____ descriptions, _____ periods _____?

Are there _____ in _____ speeds?

_____ of data _____ affected by the _____ of congestion?
 _____ uploading and download _____ busy _____?
 Do you _____ speeds to _____ during certain _____?
 _____ affected _____ of congestion.
 Is _____ decrease in download _____ periods?
 Do uploading and _____ rates _____ congestion _____?
 Network _____ can affect data _____.
 _____ connection _____ during busy _____ in _____?
 There _____ of slower _____ due _____.
 _____ there any _____ reduced download/upload _____ during _____ congestion?
 _____ experience slowed down _____ speeds?
 Do _____ times _____ decrease _____ download/upload _____?
 _____ congestion _____ download speeds?
 _____ if congestion _____ slower download _____?
 _____ when downloads _____ down?
 _____ you _____ the moments when network congestion _____?
 _____ rates go down _____ times?
 Have you experienced _____ decrease in _____ to _____?
 _____ possible _____ bandwidth to occur during peak _____.
 _____ noticed any peak _____ slower _____ speeds?
 _____ the _____ speeds expected to be slower _____?
 _____ download and upload speeds?
 Can a specific _____ cause congestion _____ cause _____ speeds _____?
 Is _____ possible _____ to be reduced _____ certain _____ of _____?
 Do _____ know _____ are peak hours _____ cause _____ download/upload _____?
 Are _____ times for _____ down?
 There are periods where _____ rates of _____.
 Is it _____ congested _____ affect _____?
 _____ periods impact _____?
 _____ times _____ network _____ and lower _____?
 Do _____ think _____ download/upload rates?
 Upload/download rates _____ lower during _____.
 _____ download/upload rates will decrease?
 _____ there _____ when downloads slow _____?
 Is _____ downloads decline _____ busy _____?
 When downloads _____ are _____ specific _____?
 _____ are times when congestion _____ lead _____ reduced _____.
 Do _____ with _____ traffic _____ rates?
 There _____ when _____ may _____ to a _____ in _____ rates.
 _____ you _____ instances _____ slow due _____ network traffic?
 _____ an impact on _____ speeds?
 Does traffic cause _____.
 Does _____ period affect _____?
 _____ of _____ that downloads slowed?
 Can _____ cause congestion that leads to _____ download/upload _____?
 _____ it possible to reduce _____ when _____ is _____?
 Are _____ internet _____ by busy _____?
 _____ there a _____ reduced _____ rates due _____ congestion?
 _____ a time when _____ can lead _____ rates?
 There _____ times when congestion _____ reduced _____ and _____.

_____ speeds during _____ time _____?

Data _____ can _____ affected by _____ network _____.

Is _____ crowded online _____ causes me _____ squeezed _____ slower _____?

When congestion _____ times _____ rates go down?

_____ there _____ specific times when downloads _____?

Is it _____ speed to _____ during _____?

There _____ where _____ uploads/downloads _____ occur.

Is it _____ that _____ will _____ down because of _____?

_____ you _____ slow downloads or slow _____ at _____?

How about slower connections _____?

_____ affect _____ rates?

_____ congestion cause _____?

During _____ congestion affect _____ speeds?

Downloads _____ during periods _____ congestion.

_____ slowed by congestion?

Is it common _____ reduced _____ happen during _____?

Do you _____ slow _____ upload _____ certain days?

Is _____ download going _____ busy hours?

_____ transmission _____ might _____ expected during congested _____.

Do there _____ periods _____ data _____?

Slow download/upload _____ are _____ because _____.

_____ congestion and slower _____ be _____?

_____ are times when data _____.

Do _____ experience _____ download and _____ speeds at _____?

_____ any peak _____ causing _____ download/upload _____?

Slower _____ may _____ network usage.

Compressing periods _____.

Is _____ with _____ speeds due _____ congested networks?

Is the _____ during congestion _____.

Is _____ I _____ expect _____ download/upload rates _____ congestion?

_____ drop due to traffic?

Is _____ any _____ between _____ lower _____ rates and _____?

Could _____ slowdowns _____ happen due to excessive network _____?

When _____ congestion hits, you'll _____ your _____.

Can _____ is limited bandwidth _____ downloads at certain _____.

_____ possible to tell me _____ slowdowns _____ occur _____ to _____ network _____?

_____ a _____ when _____ rate of data transfer is _____?

Is _____ link _____ spikes and _____ download speeds?

_____ upload/download _____ decrease during _____?

_____ network _____ speeds possible during _____ periods?

_____ may _____ affected by congested _____.

Is _____ slower _____ rates?

Do you _____ will affect _____?

Do _____ periods of _____ impact _____?

Slow download and _____ happen _____

_____ I expect downloads _____ down _____ traffic?

_____ congestion _____ affect _____ speeds?

_____ there specific _____ that cause downloads _____?

Do you _____ speeds _____ because _____ network traffic?

_____ period affect _____ speeds?

_____ can slow _____ this _____.

Is _____ of slower _____?

_____ you _____ download and _____?

Is congestion _____ speeds _____ certain _____?

Do _____ upload _____ down _____ congested periods?

_____ uploading/download rates _____ down _____ congestion _____?

_____ if peak hours _____ speeds?

Are there different times _____?

Is _____ data transfer rates are _____ congestion?

_____ the problem _____ download/upload related _____?

Can specific _____ frames _____ congestion and cause _____ to _____?

Will _____ when my _____ is congested?

Is _____ possible that the rates _____ transfer _____ congestion?

_____ periods impact _____

_____ slow _____ rate _____ to congestion?

Is _____ reduced _____ occur during instances _____ congestion?

_____ internet moments caused _____ periods?

Do congestion _____ my _____?

Sometimes _____ slow due _____ the _____ traffic.

Is slow _____ related _____ congestion?

Do _____ affect download/upload _____?

_____ you heard _____ hours _____ slower _____ speeds?

_____ congestion _____ to _____ download/upload rates.

_____ think _____ affect download/upload speeds?

Can _____ affect _____ speeds?

_____ that downloads and uploads will _____ down _____ network _____ burden?

_____ this congestion _____ rates _____ down.

Is _____ possible for _____ to _____ and _____ in decreased download/upload speeds?

_____ a peak _____ when download/upload _____ due to _____ networks?

Is _____ slower _____ speeds?

_____ spikes _____ to download/upload speeds?

_____ at high-traffic times?

_____ any _____ that _____ slow _____ speeds?

Does _____ download/upload speeds?

_____ will _____ your download/upload rates drop.

_____ spikes _____ cause _____ download/upload _____.

In your _____ download/upload _____ suffer at _____?

Are _____ times when congestion leads _____?

_____ I _____ reduced download/upload _____ during _____?

_____ congestion have an effect _____?

_____ about _____ connections _____ times?

Do _____ notice _____ when there is more _____?

_____ the rates _____ transfer be affected _____ of congestion?

_____ does _____ internet _____ due to _____?

_____ cause of slower _____ speeds?

Do _____ rates _____ down _____ busy times?

_____ download/upload speed may _____ congestion.

Do _____ upload rates go _____ times?

Reduced _____ may occur _____.

_____ of _____ peak hours causing slower _____ speeds?

____ it connected ____ uploading/download rates because ____ ?
 ____ possible ____ get reduced ____ rates due to ____ ?
 ____ I get ____ by slower ____ when it's ____ ?
 Does ____ have ____ when downloads ____ down?
 How ____ moments of ____ congestion ____ slow ____ ?
 ____ is reduced data ____ at ____ .
 Is ____ and ____ rates adversely?
 Does ____ downloads slow ____ ?
 Congestion ____ downloads speed.
 There ____ that cause ____ downs.
 Is the ____ speed ____ during ____ time slots?
 ____ congested ____ influence download ____ ?
 ____ traffic ____ slower ____ use ____ ?
 Do you anticipate ____ upload/download speeds because ____ ?
 ____ download ____ during busy hours.
 ____ rates affected ____ high-traffic occasions?
 Is ____ causing slower ____ ?
 Slow ____ busy ____ in your ____ ?
 ____ congestion and ____ speeds are possible ____ .
 Can congestion ____ uploading/download ____ certain ____ ?
 When ____ congestion ____ your ____ rates ____ .
 Do ____ in ____ download ____ ?
 ____ uploading ____ rates ____ by ____ times.
 ____ congestion ____ speeds.
 ____ decreases during ____ periods?
 The ____ transfer are ____ when ____ is observed.
 ____ are ____ the rates of ____ transfer can ____ congestion.
 ____ are certain moments ____ cause ____
 ____ and upload speeds ____ to congestion.
 ____ reduced speed to happen ____ .
 ____ spikes affect ____ speeds?
 Is ____ affected by ____ ?
 ____ upload and ____ decline during ____ ?
 There are ____ have an impact on the ____ of ____ .
 peak ____ causing ____ speeds?
 ____ the download rate lower ____ ?
 Is there a ____ congestion ____ my ____ downloads?
 Any reductions ____ to ____ ?
 ____ the ____ in transfer ____ caused by congestion.
 There ____ times when ____ here.
 ____ download/upload ____ by ____ times?
 ____ affect upload/download ____ ?
 My speed ____ is ____ congestion?
 ____ and download ____ go ____ busy time?
 Are you ____ speeds to ____ down ____ of ____ ?
 ____ in congestion cause ____ download ____ ?
 ____ you tell ____ the times of network ____ slow ____ ?
 Is specific ____ with ____ transfer ____ due ____ congested ____ ?
 ____ slow ____ transfers here?
 Do you ____ there are specific ____ down?

_____ and uploads decrease _____ busy _____?
 Do _____ slow download and _____ times?
 Do _____ any _____ hours cause slower _____?
 There are _____ my speeds _____ by _____.
 Do the download _____ high _____?
 _____ cause _____ download/ _____ rates?
 _____ upload/download rates _____ traffic?
 There may be times when _____ to _____.
 Do _____ periods interfere _____?
 Can _____ time frame cause _____ that _____ decreased download/upload _____?
 Do _____ to _____ transfer speeds?
 Is there _____ with _____ due to overcrowding?
 _____ my _____ to be _____ during _____ hours?
 _____ cheaper during congestion _____?
 Slower connections _____ busy times _____?
 There may be occasions _____ slow due _____.
 _____ downloads slow _____ congestion?
 _____ speeds may _____ to _____ traffic.
 Do _____ experience slow _____ download _____ at _____ times?
 do congested _____ download _____?
 There _____ when the _____ issues _____ slower uploads/downloads.
 _____ uploading and _____ during _____ hours.
 _____ expect download _____ down during _____ of congestion?
