

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Problems with the alternator
Inquiry Sub-Category	Inquiries about alternator lifespan and maintenance
Description	Customers might seek information about the average lifespan of an alternator and the recommended maintenance intervals. The shop will provide guidance on maintaining the alternator's health, including regular inspections, cleaning, and replacing components as needed, to prolong its lifespan and prevent major issues.
Data Size	5,121 paraphrases
