

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Meter tampering or unauthorized usage reporting
Inquiry Sub-Category	Billing discrepancies due to meter tampering
Description	Customers observe significant discrepancies between actual energy usage and the calculated bill, suspecting meter tampering or incorrect readings leading to inaccurate billing.
Data Size	13,449 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Will _____ determine whether or not _____ illegally _____ our _____?

Is _____ way _____ unauthorized _____ usage?

Did _____ check _____ illegal _____ our _____ supply?

Is an _____ if _____ enters _____ electricity?

Can _____ done to _____ any _____ entry into the _____?

_____ there _____ for _____ power access?

_____ it possible _____ determine _____ someone has illegitimate _____ our _____?

Is it possible there has been _____ the electrical _____?

Do you have _____ if _____ is _____ us?

Is _____ possible to find _____ if there _____ with _____ electricity?

_____ follow up on unauthorized _____?

Is _____ inspection capable _____ access to _____ electricity?

_____ possible to _____ access to _____ for _____?

Will the evaluation determine _____ illegitimate access to _____?

Will _____ entry to _____ electricity?

_____ it possible to determine _____ or _____ our _____ illegally?

_____ check to see _____ into _____ power line?

Is _____ service investigating cases of _____ the _____?

Is _____ possible someone _____ to _____ power supply?

Can _____ illegal _____ to the _____?

_____ review look _____ the legality of _____ connection?

Is it possible to _____ tap _____ supply?

Is the _____ for _____ access?

Did you check to _____ if _____ our _____?

Would _____ be _____ to tell us _____ taken _____ us?

Illegal entry _____ electricity _____ exposed _____ the inspection.

_____ to see _____ anyone interfered _____ access to _____?

Would _____ show _____ of energy resources _____ the _____?

_____ an inspection confirm if _____ a power _____?

_____ we _____ make _____ is _____ unauthorized access to our power _____?
 _____ examination _____ if someone _____ our electricity?
 _____ assessment find _____ tampering _____ our power _____?
 _____ _____ out if anyone _____ access to _____ energy source?
 _____ you _____ me _____ there _____ with the electrical network?
 _____ _____ reveal whether _____ is stealing _____?
 Is _____ possible to reveal unauthorized usage _____ premises?
 _____ _____ unauthorized _____ to our electrical _____?
 _____ a _____ of the electric connection took place?
 Will _____ point out _____ the power source?
 Will _____ illegal _____ to our _____?
 Have _____ taken _____ without _____ knowledge?
 _____ someone _____ electricity illegally.
 _____ evaluation show _____ obtained _____ to our energy _____?
 Is your inspection service looking _____ into _____ electrical _____?
 Will _____ show _____ anyone got _____ our _____ source?
 Is it _____ see unauthorized _____ energy resources _____ the _____?
 _____ the _____ usage _____ is illegal?
 _____ expose _____ electrical hookups?
 _____ crooks stealing _____ energy?
 Can _____ illegal _____ of _____?
 _____ a review show _____ illegal _____ the _____ supply source?
 Does _____ if _____ accessed _____ system without permission?
 _____ instances of unauthorized _____ use.
 _____ if someone accessed _____ illegally?
 Will checking _____ if someone _____?
 Can an _____ confirm that _____ power _____ without permission?
 Does an inspection _____ into _____ grid?
 Do you know if _____?
 Is it _____ to check _____ has been _____ to _____ power _____.
 _____ illegal tampering with the power _____?
 Does _____ investigate incidents _____ entry into _____ system?
 Is _____ that _____ has gotten _____ power supply?
 _____ it possible _____ access to our electric supply?
 _____ a _____ supply access done?
 Does _____ inspection _____ determine if _____ access _____ the power _____?
 inspections _____ illegal tapping _____ supply
 _____ an inspection check _____ access?
 A review will _____ was _____ usage of _____ connection.
 _____ verify unauthorized _____ of _____ electric supply?
 _____ an _____ capable of _____ power _____?
 Can _____ inspection determine if someone _____ using _____.
 Is _____ for _____ to show illegal interference _____ using _____?
 Will the _____ reveal if _____ has been illegal _____ the _____?
 _____ to _____ illegal electricity tapping?
 Is it _____ for _____ supply _____?
 Did you _____ for _____ our power _____?
 Will _____ review _____ usage _____ electric line?
 Will _____ a _____ to _____ verify grid access?
 _____ could _____ unauthorized electricity _____.

_____ possible to _____ unpermitted _____ access?

Can someone confirm _____ the _____ supply?

Will _____ review show if _____ entry _____ into _____ supply _____?

_____ a power supply _____ be _____ by _____?

Is a _____ power access?

_____ they _____ the misuse _____?

_____ inspections _____ any _____ into _____ grid?

Are _____ able _____ find out _____ accessed _____ electrical _____?

Is _____ possible _____ illegal electricity _____?

Is _____ to _____ illegal access _____ the _____ by _____ it?

_____ it possible to _____ to _____ electricity network?

Can an _____ access?

_____ a _____ show _____ illegal power _____?

Will _____ review confirm _____ of _____ electric connection _____?

Will _____ evaluation _____ whether _____ access _____ our _____ source?

Is it _____ illegal _____ our _____?

_____ inspector deal with unauthorized _____?

Will the _____ tampering with _____ source.

_____ an inspection _____ if _____ unauthorized _____ to our _____ supply?

Is _____ that _____ used our _____?

Are inspections helpful _____ if _____ gained _____ the power _____?

Did you look for _____ illegal _____ our _____ supply?

_____ tapping of the power _____?

Will _____ be able _____ determine if someone _____ access _____?

Is there an _____ that _____ entry _____ electricity network?

_____ the inspection discover _____ the _____?

_____ check _____ any _____ power access?

_____ for _____ power supply access?

Do you have the _____ check _____ has _____ up _____ the _____?

Is there _____ who knows _____ power _____?

_____ it _____ someone had _____ to our electrical _____ without _____?

Is there an entry _____ grid _____ legal?

_____ determine _____ connections _____ power grid?

Are _____ any unauthorized access to our _____?

Does _____ look _____ illegal power _____?

Have you _____ power _____ for _____ illegal entry?

_____ to catch _____ using our power _____?

_____ illegal power usage?

Can you tell _____ if _____ been _____ the _____ network?

Someone _____ able to _____ has _____ accessed our _____ supply.

_____ it make sense _____ inspect our _____ grid to _____?

_____ it possible _____ unauthorized _____ to _____ electricity?

Will the _____ determine _____ obtained access to _____ source?

_____ stealing our energy?

Can an inspection _____ illegal _____ grid?

There may be _____ system.

They _____ instances _____ unauthorized electricity _____.

_____ they _____ unauthorized _____ use?

_____ we _____ access to _____ supply?

_____ expose instances _____ electricity use.

Can you tell _____ there's been illegal _____ network?

Is anyone _____ power without _____?

_____ be _____ into our power _____ source.

_____ it _____ discover unauthorized access _____ our _____.

_____ a _____ confirm _____ illegal use _____ connection occurred?

_____ you investigated crooks _____ jackin' _____.

Is _____ to _____ someone unauthorized is using _____ power _____?

_____ inspection uncover illegal _____.

_____ check _____ sure that our supply is safe?

Can _____ if there's been _____ our electrical _____?

_____ there _____ entry into the power _____?

_____ was _____ an _____ was checking for illegal _____ access.

_____ they _____ to see if _____ our _____?

Can an inspection find _____ access _____.

Did _____ to see _____ stole the _____?

_____ detect when _____ steal _____ energy?

_____ unpermitted _____ access be necessary?

_____ can uncover illegal _____ power _____

_____ the evaluation show if _____ obtained access _____?

_____ your _____ service uncover signs _____ power _____?

Is _____ possible _____ show illegal interference in _____ access?

Will the _____ find _____ in the _____?

_____ a thorough _____ illegal tampering _____ electrical system?

_____ there unauthorized _____ found?

_____ examination proof that _____ with our _____?

Will _____ determine _____ or not _____ accessed the _____?

_____ someone accessed our _____ system _____ can _____ find _____?

_____ might be able _____ if _____ the power _____.

Can it discover _____ access _____?

_____ there _____ way _____ unauthorized _____ usage?

_____ tell me if _____ tampering _____ taken _____ on _____ network?

_____ to see _____ there are _____ connections _____ the power _____?

Someone can _____ our _____ illegally.

_____ a _____ confirm we used _____ illegally?

I would _____ to _____ someone _____ been stealing _____.

_____ you _____ to _____ if they snuck _____ the _____?

Is _____ someone _____ into our power.

Will the review _____ there _____ use _____ the _____?

_____ possible for an _____ confirm someone is _____ power _____?

Is _____ a _____ detect any _____ entry into the _____?

_____ check _____ see if _____ tapping into _____ power supply _____?

_____ check _____ someone's power _____?

Can your inspection team _____ in the _____?

_____ you _____ inspection can _____ power access?

_____ an _____ able to tell _____ has _____ stealing _____?

Has _____ been _____ used?

_____ be checks to _____ someone _____ power illegally?

_____ inspect _____ for unauthorized use?

_____ possible that _____ has been _____ electricity _____ us?

Can _____ show _____ access _____ electricity?

Will ____ evaluation show ____ access to ____ energy source?
Did you check ____ anyone ____ access to ____ supply?
____ it ____ that ____ into ____ power lines?
A ____ can ____ power ____.
____ you tell ____ if ____ was accessed ____ someone without ____?
____ you check to ____ if someone ____ our power?
____ a review ____ of ____ connection?
____ the ____ found illegal?
Is ____ our electricity?
____ detect illegal entry ____ the grid?
____ there was unauthorized ____ to our power supply?
Can we ____ crooks ____ the ____?
____ inspection ____ look for unauthorized ____ into ____ system?
____ it possible ____ our power ____ illegal entries?
____ possible ____ inspections ____ energy use?
Will an inspection determine ____ has ____ power ____?
____ the assessment ____ identify ____ tampering ____ our power source.
Is there ____ out if ____ to our electrical system?
____ inspection check if there was unauthorized ____ our ____?
Can ____ show ____ use?
____ possible to determine ____ there ____ electricity tapping?
____ an examination ____ unauthorized use ____?
Is ____ for illegal ____ supply ____?
____ inspector find ____ use of ____?
____ might uncover ____ of electricity.
____ inspection ____ illegal ____ usage?
Will ____ assessment show ____ of our ____?
Did ____ inspection confirm ____ our electric ____?
Is it ____ to confirm ____ someone unauthorized is ____?
____ an ____ help identify instances of ____ outsiders?
____ assessment ____ into the ____ network.
Will ____ review ____ illegal ____ into ____ power supply.
Does ____ inspections ____ someone used our ____?
____ check ____ they snuck ____ the power ____?
Does ____ inspection ____ whether someone ____?
____ it be ____ to ____ illegal ____ the grid?
____ anyone ____ ability to ____ if ____ has hooked ____ to the ____?
Is ____ any tampering ____ system?
Is ____ for unauthorized ____ supply ____?
Are ____ find illegal ____ to ____ electricity?
The ____ if ____ obtained access to our ____.
Will ____ check determine if someone ____ to ____?
____ the ____ expose illegal ____ service?
Will ____ if ____ access ____ our energy source?
____ an inspection check ____ make sure ____ unauthorized ____ to ____ power ____?
____ an onsite examination reveal ____?
____ a review find ____ of ____ electric ____?
Is it possible ____ an ____ entry ____ power ____?
____ it possible to ____ unauthorized ____ to ____
____ it ____ that ____ might have illegally ____ electricity?

____ you ____ me ____ there ____ way ____ identify unauthorized power ____?
____ the power ____ been ____?
____ the ____ power usage?
____ it possible to inspect ____?
Are ____ illegally hooked up to the power?
Is ____ to determine ____ electricity ____ illegal?
Can ____ out if ____ our energy?
____ be ____ to ____ someone accessed the ____ illegally?
Is it ____ inspection ____ illegal ____?
You ____ able to find out ____ someone ____ system without ____.
____ checks ____ illegal ____ into ____ grid?
Does ____ an investigation ____ instances of ____ power ____?
Is ____ possible ____ an ____ the electricity network?
____ determine if someone ____ electricity?
Will the review ____ the electric connection ____?
____ find out ____ there was illegal ____ power supply?
Is ____ people ____ use ____ electricity?
____ possible that ____ the ____ of electricity tapping?
____ an ____ proof that someone tried ____ our ____?
Can ____ using ____ power?
Does checking ____ to the ____?
____ possible to inspect ____ access ____ see ____ there is ____?
____ un permitted ____ access?
Was ____ supply illegally ____?
____ someone illegally uses our ____?
____ can check if ____ hooked up ____ the ____.
Is it ____ illegal ____ of ____ power supply?
Will ____ check illegal ____ grid?
Is it ____ to ____ grid to ____ illegal ____?
____ an ____ check if there ____ unauthorized ____ the power ____.
Can ____ assessment ____ illegal entry into ____?
____ reveal ____ hookups of electric ____?
____ the ____ illegal ____ the power source?
Are ____ to our power ____?
Any ____ grids-phishing will ____ be ____ inspection.
Will a review confirm ____ illegal ____ electric connection?
____ our power ____ messed ____?
____ it possible ____ inspect ____ electricity ____ detect ____ access?
Will we check ____ illegal connections?
____ may ____ illegal tampering ____ electrical ____.
Do ____ if someone got ____ electrical ____ without ____?
____ power ____ illegally accessed?
Will ____ review ____ to confirm ____ of the ____ connection?
____ an ____ confirm that ____ doesn't use the ____?
Is ____ to ____ illegal electrical ____?
____ you ____ to see if someone ____ up ____ electricity?
Can it ____ illegal ____?
____ tell me ____ has access ____ our ____ system?
____ look for unauthorized ____ power supply?
____ investigation ____ identify ____ illegal power ____?

Should this _____ hookups _____ service?

Someone is wondering _____ there _____ to _____ power usage.

_____ an on-site inspection reveal _____?

Is it _____ the _____ being _____ is _____?

Could an inspector tell _____ someone _____ us?

_____ an inspection _____ if _____ been _____ electricity?

_____ access _____ be caught _____ an _____.

Will checking determine _____ someone _____ our power?

_____ be able to find _____ electricity?

Did the _____ usage _____ electrical supply?

If _____ illegally _____ into our electricity, is _____ of _____?

Will _____ hookups that aren't _____?

_____ a _____ be _____ see _____ a _____ with our supply?

_____ you _____ for _____ illegal _____ into _____ power supply?

Does an _____ check _____ there _____ to the _____ supply?

Do the _____ help _____ someone _____ to the power _____?

_____ an entry into _____ grid from an _____?

Is _____ an _____ the electrical _____?

Is _____ possible to _____ from _____?

Can _____ uncover _____ access to _____.

Will there _____ review _____ our electric connection?

_____ discover if _____ electrical system?

Is _____ inspection _____ any illegal power _____?

_____ determine _____ not _____ used our electricity illegally?

_____ that illegal _____ the power supply can _____ uncovered?

Is it _____ an inspection _____ detect _____ entry _____ power _____?

Will _____ determine _____ connections _____ our _____.

Is it _____ tapping of _____ power supply?

_____ any _____ into _____ grid uncovered?

Can an inspection _____ for _____?

Does _____ detect _____ of power _____?

Is it possible to _____ access _____ the _____ supply?

Is it _____ that _____ access _____ our _____ supply.

_____ look _____ access to our electricity?

Is _____ possible someone _____ used _____?

Will a _____ illegal use of _____ connection _____?

_____ review _____ power use?

_____ it possible to check _____ for illegal _____?

Is your _____ service _____ to discover _____ of _____?

Is it possible someone _____ to _____ power _____?

An investigation _____ help _____ power consumption.

Is _____ at access to _____?

_____ us if _____ has _____ stealing power _____?

_____ tell _____ if _____ with our electrical system?

_____ possible _____ to show any interference _____ the access to _____?

Can _____ check to _____ if _____ has _____ the power?

_____ power _____ been _____ accessed?

_____ we _____ out if _____ have _____ access _____ our _____?

Does _____ inspection _____ power _____ is _____?

_____ the inspection expose _____ illegal _____ our _____?

_____ it possible _____ unauthorized _____ use?
_____ determine _____ someone has _____ access the _____ supply?
Will the assessment _____ into _____ with _____ power _____?
_____ you confirm _____ there's been illegal tampering _____?
Can inspectors _____ power _____?
Does _____ power supply _____?
_____ there _____ finds _____ power use?
_____ an inspection look _____ power _____?
Could _____ tell whether _____ has _____ stealing _____?
_____ there a chance _____ someone accessed _____?
Have you _____ for evidence of _____ supply?
_____ check _____ illegal _____ access?
_____ assessment _____ to the electricity network?
Will _____ check _____ illegal _____?
Will _____ illegal hookups _____ the _____?
_____ it possible to inspect _____ interference _____ electricity?
Will an inspection _____ unauthorized access _____ power supply?
Has _____ power illegally?
Is _____ an _____ energy _____.
_____ an investigation _____ illegal power _____ by _____?
_____ we check to see _____ our _____ illegally?
_____ we catch unauthorized _____?
Can _____ uncover _____ power supply?
Does _____ find any _____ of _____ power usage?
_____ you investigated _____ jacking _____ power _____?
_____ inspection expose illegal _____ the electrical _____?
If _____ taps _____ our _____ is the _____ proof?
_____ an inspector look _____ to the power _____?
_____ of _____ resources at _____ premises be discovered?
Is _____ possible to _____ there is _____ the electricity?
Has our power _____?
Does _____ supply _____ be inspected _____ illegal tapping?
_____ discover _____ into our electrical system without _____?
_____ inspection verify _____ usage of _____ supply.
Does _____ power misuse?
Did _____ try to _____ illegal _____ into the _____ supply?
Can _____ crooks _____ our energy _____ surveying _____?
Can _____ inspection _____ violations?
_____ a review _____ illegal entry into _____ power _____?
Will _____ inspection _____ the power supply _____ been _____?
Can _____ check _____ unauthorized access to _____ power supply.
_____ inspection _____ unauthorized access _____ our _____?
_____ helpful to inspect _____ access to the _____ supply?
_____ inspection show illegal _____?
Have _____ unauthorized _____ to the _____?
_____ is possible _____ detect _____ to our electricity _____ it.
_____ site examination _____ power use?
_____ tell _____ someone gained _____ access to our electrical _____?
_____ possible that _____ might have been stealing _____?
Is _____ if someone _____ been stealing _____ from us?

____ it an ____ to look for ____ supply ____?
 Will ____ a ____ grid access?
 Could ____ unauthorized ____ use?
 ____ find out if ____ illegal entry into ____ power grid?
 ____ a ____ rule out ____ access?
 Does conducting an ____ instances of ____ power ____ outsiders?
 ____ you tell ____ whether ____ accessed the ____ permission?
 Is it ____ determine illegal electricity tapping?
 ____ will ____ unauthorized ____ of electric ____.
 Illegal ____ power supply ____ uncovered.
 ____ an inspection ____ illegal ____ access?
 ____ possible for an ____ to show ____ is interference ____ accessing ____?
 ____ it ____ to ____ the power grid ____ illegal ____?
 ____ have obtained ____ to ____ energy ____.
 ____ an inspection ____ whether ____ used ____ electricity?
 They ____ able to ____ instances ____ unauthorized electricity ____.
 ____ a ____ used our electric connection ____?
 Have you ____ into our power ____?
 ____ it ____ that ____ could ____ of unauthorized ____ use.
 Should ____ uncover power ____?
 Is ____ able to discover ____ unauthorized ____?
 ____ you tell ____ if ____ into our ____ system without ____?
 Is ____ possible to ____ illegal plucking ____ the ____?
 I wonder if ____ inspections ____ someone ____ used ____.
 Have our ____ without permission?
 ____ tapped ____ power without authorization?
 ____ an ____ help find instances ____ power ____?
 ____ an inspection ____ power ____?
 Will this ____ show ____ service?
 ____ it ____ discover ____ energy use?
 Is ____ see if ____ interference ____ getting electricity?
 Will a review ____ there is illegal ____ into ____?
 Does the ____ rule ____ illegal ____?
 ____ evaluation show ____ access to the energy source?
 Is ____ inspection ____ can ____ someone is using the ____?
 ____ it possible to ____ if ____ into ____ electrical system without ____?
 ____ the ____ find ____ use?
 ____ we ____ out if ____ energy?
 ____ it possible ____ determine if ____ illegal access to ____?
 Can ____ find out ____ crooks are stealing ____?
 Have anyone tapped into ____ power ____?
 ____ you able ____ who has ____ the electricity?
 Does your ____ service ____ power abuse?
 ____ the ____ uncovered ____ use?
 ____ know if ____ is ____ from us?
 Does ____ investigation ____ instances of illegal power ____?
 ____ it possible ____ illegal ____ the power grid?
 Will we ____ to ____ our power illegally?
 Will ____ review ____ there was ____ entry into our ____?
 ____ illegal entry ____ electricity network?

_____ an _____ if someone is _____ ?
 Is it possible _____ using _____ power supply _____ permission.
 _____ if _____ got in _____ power lines?
 _____ it possible to determine if someone _____ electrical _____ ?
 _____ into our power lines?
 _____ reveal improper power _____ ?
 Will _____ be checked _____ it _____ accessed illegally?
 _____ checked for _____ power supply _____ ?
 Can _____ be _____ of the _____ ?
 _____ to tell us _____ anyone has _____ power?
 _____ to _____ power grid _____ checked.
 Is the _____ tapped into our _____ ?
 Will _____ identify illegal _____ our _____ ?
 _____ an _____ checking _____ to the power _____ ?
 _____ we check _____ verify _____ access?
 _____ review show if there is _____ entry _____ the _____ .
 Will _____ power grid _____ checked _____ see if _____ found?
 _____ reveal illegal _____ tapping?
 Is _____ inspection capable _____ power _____ ?
 _____ our _____ system without permission _____ you _____ out?
 _____ inspection _____ discover any _____ power misuse?
 _____ it _____ to _____ the _____ grid for _____ entry?
 Have _____ been able _____ someone _____ up to _____ electricity?
 _____ inspects show _____ entry into _____ ?
 _____ we _____ if illegal connections exist _____ power grid?
 Is _____ any investigation _____ the _____ power _____ ?
 _____ know if _____ our _____ system?
 _____ inspections _____ energy use.
 _____ instances of unauthorized _____ usage?
 Is _____ to discover any unauthorized _____ our _____ ?
 Did _____ check _____ they snuck _____ power _____ ?
 Is it possible _____ to identify _____ entry _____ the _____ ?
 _____ power supply been _____ ?
 _____ it _____ that someone used _____ authorization?
 _____ assessment _____ illegal entries into _____ ?
 _____ unauthorized _____ of the electric supply.
 Is there _____ way to _____ the power _____ entry?
 Can _____ inspection _____ someone has _____ accessed _____ supply?
 _____ to _____ if _____ tapping into our _____ supply illegally?
 _____ it possible for an _____ to reveal any _____ with _____ ?
 _____ identify unauthorized power _____ ?
 Would _____ be possible _____ the _____ grid _____ detect _____ entry?
 _____ the assessment show illegal _____ with _____ ?
 _____ inspection find _____ use?
 Is _____ to uncover _____ our Electricity?
 Did _____ inspector notice _____ ?
 Does _____ check _____ access?
 Someone is _____ is _____ to identify unauthorized power _____ .
 _____ to _____ out _____ there is interference in _____ electricity?
 _____ to detect fraudulent _____ to the electric _____ ?

Has _____ into _____ being aware?

Is it possible to inspect _____ grid _____ any _____?

Is _____ uncover _____ power hookups?

Can we _____ power _____?

Is our _____ supply _____?

_____ you able _____ us _____ anyone's been _____ power?

Will _____ determine _____ someone _____ power illegally?

_____ it _____ to _____ someone got into our _____ system?

_____ review show _____ power _____ has been entered illegally?

Someone _____ have illegally tapped _____ is _____ examination _____?

_____ ability to _____ crooks stealing energy?

_____ it _____ to _____ our electric supply _____ illegal _____?

_____ we check _____ to _____ grid?

_____ the evaluation _____ us _____ anyone obtained _____ energy source?

Does _____ shows unauthorized _____ of the _____?

_____ an _____ if there is unauthorized _____ to our _____?

Will _____ check _____ see _____ illegal _____ on the _____ grid?

_____ expose unauthorized _____ electricity?

_____ it _____ assessment to _____ illegal _____ to our electricity _____?

_____ entry _____ the electricity will be _____ the _____.

Can _____ who is _____ our _____ through _____ it?

_____ it possible to _____ whether _____ uses _____ electricity?

Does an inspection _____ if _____ our _____?

_____ it _____ if _____ illegal entry _____ the grid?

_____ it _____ to determine if there's _____?

Does _____ of _____ usage _____ our electric supply _____?

_____ capable of detecting crooks in _____ supply _____?

_____ find unauthorized _____ to _____ electricity?

_____ an _____ determine whether _____ someone illegally _____ electricity?

_____ there an inspection _____ illegally used _____ electricity?

_____ the _____ confirm _____ verify _____ grid _____?

Can _____ me if anyone _____ access _____ our _____?

Is it _____ to _____ to _____ electricity by inspecting _____?

_____ it possible to _____ supply to _____ unauthorized _____?

_____ inspection might be _____ catch _____ access.

Will _____ be _____ to determine _____ the power _____?

_____ electricity tapping through inspections?

Did _____ see _____ anyone _____ access _____ our power supply?

Is _____ possible _____ illegal _____ of _____ supplies?

_____ uncover illegal taps of _____?

_____ you tell _____ if there is _____ with _____ network?

Will _____ show _____ illegal tampering with our _____?

Can _____ uncover _____ to _____ power supply.

_____ an _____ find _____ usage?

_____ know _____ someone has _____ hooked up _____ electricity?

_____ a _____ check _____ evidence _____ with _____ electrical system?

_____ anyone _____ caught using _____ illegitimately?

_____ want _____ if _____ determine _____ someone illegally used our _____.

_____ be caught _____ our _____ wrong?

Does _____ inspection verify _____ the _____?

_____ we detect any criminals _____ ?
 Does _____ finds _____ use?
 Is _____ inspect unlicensed _____ tapping?
 _____ the _____ reveal power _____ ?
 _____ inspection _____ interference in accessing _____ ?
 _____ an _____ access to a power _____ ?
 _____ unauthorized usage _____ the electric supply?
 Is _____ assess illegal electricity _____ ?
 Will _____ determine if someone _____ our _____ supply.
 _____ it _____ to _____ the _____ grid _____ detect unauthorized _____ ?
 _____ the _____ been _____ illegally?
 Is _____ possible that our _____ network _____ with _____ stolen?
 _____ an _____ look _____ power supply _____ ?
 Will the _____ able _____ detect _____ tampering _____ our power _____ ?
 _____ an _____ to _____ unauthorized power supply access?
 Illegal connections _____ the power _____ will _____ checking.
 Will the _____ say _____ obtained _____ to _____ source?
 _____ know _____ someone got _____ our _____ system _____ permission?
 _____ reveal misuse of _____ ?
 _____ review reveal _____ has been illegal _____ the power _____ ?
 _____ to _____ crept into the power lines?
 _____ there an inspection to _____ there is _____ access to _____ ?
 _____ site _____ reveal _____ power use?
 _____ verify unauthorized _____ of our _____ ?
 Can we find _____ energy?
 Is it possible to _____ has been _____ from _____ ?
 _____ the _____ have unauthorized _____ ?
 Should _____ inspection _____ has illegally _____ our _____ supply?
 Is there _____ unauthorized _____ into _____ ?
 _____ it possible _____ look for _____ accessing _____ ?
 _____ we know if _____ electricity?
 _____ do _____ uncover _____ of energy?
 Is _____ that _____ electricity _____ us?
 Is _____ to _____ if someone _____ accessed _____ power supply.
 Will _____ check _____ illegal _____ supply _____ ?
 Is _____ possible _____ illegal usage of _____ connection?
 Will the evaluation show if _____ obtained _____ source _____ ?
 _____ on-site _____ show _____ power _____ ?
 Can _____ see if there _____ unauthorized access _____ the _____ supply?
 Did you _____ see _____ they came _____ the _____ ?
 _____ be caught _____ our _____ illegally?
 Is the inspection able to _____ access _____ ?
 _____ illegal entry _____ the electricity network.
 Does _____ inspection determine whether _____ someone _____ used _____ ?
 Can _____ illegal _____ to the _____ ?
 _____ inspection _____ illegal _____ usage?
 The _____ determine whether _____ access _____ our _____ source.
 Are _____ there's been illegal _____ with _____ electrical _____ ?
 _____ to see _____ there is any unauthorized _____ the power supply?
 _____ review determine _____ there _____ illegal _____ of _____ electric connection?

_____ the illegal connections _____ the power grid?

Can _____ tell me _____ gained _____ to _____ system without _____?

_____ grid _____ be done?

Will _____ with _____ electrical system?

They _____ possibly _____ unauthorized electricity _____.

Will _____ if there _____ illegal connections to _____?

_____ check _____ if _____ tried to _____ our power supply?

_____ you _____ crooks jacked _____ power _____?

_____ the _____ illegitimate _____ electric service?

_____ the power _____ illegally accessed?

Can an _____ find _____ if _____ unauthorized access _____ electricity?

Is _____ to check _____ unauthorized _____ our _____ supply.

_____ possible _____ someone is unauthorized with our _____ supply?

Does _____ inspection check _____ electrical supply?

Does _____ service _____ any _____ of illegal power _____?

Is _____ evidence _____ illegal entry into _____?

Did _____ check _____ see _____ access to the power _____?

_____ investigation _____ instances _____ power consumption by outsiders?

_____ it _____ to _____ the use _____ the _____ supply?

_____ be _____ electricity from _____.

Can _____ illegal power _____?

_____ test expose hookups _____ aren't _____?

_____ see unauthorized _____ use?

Does the _____ indicate _____ anyone _____ access _____ source?

_____ it _____ that _____ tampering with _____ source will _____ identified?

I _____ know if someone _____ been _____ from _____.

Have you checked for _____ illegal _____ supply?

_____ your _____ check _____ entry _____ our electrical system?

Would _____ examination show _____ there _____ usage _____ resources?

Are _____ to check _____ there _____ to _____ power supply?

_____ find illegal access _____?

_____ an _____ reveal _____ unauthorized power _____?

_____ it possible for _____ someone is using our _____ supply?

Is it _____ that _____ illegal _____?

_____ uncover unauthorized _____ of _____?

_____ it _____ detect _____ stealing _____ energy by _____ it?

_____ assessment _____ unauthorized entry _____ network.

_____ it possible _____ confirm if someone _____ our _____?

_____ for illegal power usage.

_____ you _____ with our power supply?

Is _____ possible _____ check for _____ into _____ grid?

_____ the _____ tapping _____?

Can _____ power supply be _____ access?

_____ inspection able to _____ of our _____ supply?

Will the assessment find _____ the _____?

Can we _____ crooks _____ energy?

_____ a _____ check _____ tampering _____ the electrical system?

Are you investigating _____ into the electrical _____?

_____ the inspection uncover unauthorized _____ power _____?

Do _____ help _____ someone gained unauthorized _____ our _____ supply?

Might _____ expose _____ misuse _____ electricity?
 _____ into the power _____ knowledge?
 Someone _____ using _____ power supply, _____ confirm that?
 Are we _____ our energy?
 _____ see if anyone _____ our power supply?
 Is it possible _____ our Electricity?
 _____ the inspection _____ use of _____ supply?
 Is it _____ to _____ has illegally _____ access to _____ supply?
 Is _____ the _____ to our electric supply?
 Did you _____ see if anyone tapped _____?
 Will the _____ show _____ has _____ entry into _____ supply?
 I wonder if _____ possible to _____ access _____ supply.
 Is it possible to _____ someone _____ power?
 Will _____ to the _____ grid _____?
 Is _____ possible that _____ access to _____ power _____?
 _____ anyone be _____ the _____ illegally.
 _____ you _____ there's _____ or stealing _____ the electrical network?
 _____ it _____ find _____ have illegal access _____ our electricity?
 _____ you _____ has _____ the electricity?
 _____ identify illegal _____ the electricity network?
 _____ it possible _____ evaluate _____ electric _____ illegal activity?
 Is _____ someone _____ our power illegally?
 _____ unauthorized power access.
 _____ an inspect _____ to _____ power access?
 _____ find _____ if _____ is _____ into our electricity network?
 _____ inspection show whether _____ has _____ electricity?
 _____ check _____ power access _____ illegal?
 Does _____ inspection _____ unauthorized use of _____.
 Is _____ knowledge tapped _____ power?
 _____ inspecting the _____ supply determine _____ someone _____ it?
 _____ see who _____ tapping into _____ power supply?
 _____ on-site _____ power use?
 Is _____ possible _____ there has _____ unauthorized _____ the power _____?
 Does _____ any illegal _____ into the _____?
 Will _____ confirm if _____ of our _____ connection _____ place?
 Did you _____ power supply?
 You _____ tell us _____ anyone _____ stealing power _____?
 _____ anyone _____ caught _____ illegally.
 _____ evaluation will show _____ got access _____ source.
 _____ inspector _____ out about _____ power _____.
 _____ illegal power usage?
 _____ inspection team _____ crooks in _____ supply _____.
 Is illegal tapping of _____ power _____?
 _____ the _____ show _____ obtained access _____ energy source illegally?
 Will _____ determine _____ to our power?
 _____ it _____ if _____ interfered with accessing electricity?
 Will there _____ confirm the legality _____ the _____ connection?
 _____ check if _____ up to our _____ illegally?
 Is there _____ an illegal entry _____ the grid?
 Can _____ show _____ someone _____ using our power _____.

____ a ____ reveal ____ access?
 Does ____ investigation ____ to ____ illegal power ____ by outsiders?
 ____ electricity ____ can be determined _____.
 Can the ____ reveal ____ usage?
 Can ____ use of power?
 Is that possible to ____ access ____ supply?
 ____ show ____ power use?
 Will ____ any illegal ____ electrical system?
 Has ____ inspection ____ the electric supply?
 Can ____ unauthorized power ____?
 I ____ it's possible ____ detect illegal ____ inspection.
 Might they uncover instances _____.
 ____ an on-site ____ reveal ____ power ____?
 Would ____ inspection show whether ____ stealing ____?
 ____ you able to ____ to see ____ has ____ hooked up ____?
 ____ it ____ an inspection ____ out ____ interfered with electricity?
 ____ it ____ to ____ to see if there ____ illegal entry?
 Is ____ possible ____ can ____ illegal access to ____?
 ____ check ____ has ____ hooked up to our power?
 Does ____ inspection ____ power ____?
 Can anyone tell us ____?
 Will a ____ there's been ____ illegal entry ____ supply?
