<b>Company Type</b>	Telecommunications Equipment Manufacturers
<b>Inquiry Category</b>	Installation instructions and guidance
<b>Inquiry Sub-Category</b>	Mounting and Physical Installation
<b>Description</b>	Customers require assistance in physically installing their telecommunications equipment, seeking instructions on mounting options, installation in different types of racks and enclosures, and ensuring proper grounding and stability of the equipment.
<b>Data Size</b>	6,980 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.
