

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Generation source mix disclosure
Inquiry Sub-Category	Specific source information
Description	Customers ask for specific information about the mix of generation sources used by their supplier, such as the breakdown of wind farms, solar installations, or specific power plants, to align their preferences with their energy provider's practices.
Data Size	5,056 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Are there ____ hydroelectric ____ to ____ supply?

Do ____ electricity from ____ sources?

____ any ____ sources that are ____ based?

____ any ____ here help with ____?

Do you have ____ fueling ____?

____ electricity ____ powered by ____?

Are ____ facilities where ____ from?

____ hydro facilities that ____ your ____?

____ electricity sources hydropower-based?

Any ____ sources ____ produce ____?

Do ____ hydroelectric sources for ____?

____ any hydro generators ____ system?

____ hydro ____ your grid?

____ you ____ any ____ facilities in the ____ my supplied ____?

____ dams helping the ____?

Can you confirm if hydroelectric ____ are ____ energy ____?

____ there ____ hydroelectric ____ sources ____ to your ____ supply?

____ hydro ____ deliver electricity?

____ any electric supply nowadays ____?

____ you ____ power ____ that are based ____ hydropower?

Can ____ tell ____ if hydroelectric resources ____ my energy ____?

Are ____ hydroelectric facilities ____ electricity?

Is ____ energy ____ supported ____?

Your ____ is ____ by ____ hydro ____?

Does ____ come from hydromills ____?

Do ____ know whether ____ are ____ that provide ____?

____ hydroelectric ____ supply ____ to you?

Are ____ by ____ facilities?

Do you have _____ that _____?
 There are any _____ that _____?
 _____ hydroelectric _____ in your mixes?
 _____ there any _____ of _____ to _____ electric _____?
 _____ your hydro plants _____ your _____?
 _____ hydroelectricity part of _____ energy?
 _____ there hydroelectric _____ electricity?
 Is _____ dams _____ your _____ grid?
 _____ you include _____ facilities _____ production of my _____?
 How _____ any _____ power stations _____?
 _____ any _____ that _____ you with your supply?
 I want to _____ if there _____ sources for _____.
 Is any _____ sources hydropower- _____?
 _____ dams _____ a role _____ service
 Any _____ that keep your _____?
 _____ any dams _____ to _____ today?
 Are there _____ hydro _____ electricity?
 _____ any _____ involved _____ electrical generation _____?
 Are _____ in the area?
 Can _____ hydropower _____ for _____ usage?
 _____ hydroelectric _____ that contribute _____ your _____ supply?
 Should you _____ any hydro source _____?
 _____ use of _____ in _____ electric _____?
 _____ you _____ hydro _____ power us?
 _____ plants add to the _____?
 Do _____ sources for _____?
 Any _____ to _____ electricity?
 _____ a _____ that provides your _____?
 _____ contributions _____ from _____ plants?
 Is any of _____?
 _____ grid with any _____ plants?
 Do _____ know _____ dams involved _____ today?
 _____ hydroelectric facilities _____ in _____ electricity?
 Are _____ to _____ electricity supply?
 _____ contribution _____ plants?
 Any _____ from _____ plants/powerstations?
 _____ you include _____ hydro-based facilities in _____?
 _____ there _____ stations that _____ electricity?
 _____ have _____ hydro plants you _____ for _____?
 _____ generating power for _____?
 Have you got any _____ energy mix?
 Do you _____ if _____ of _____ for generating the _____ current?
 _____ you _____ into the production of power?
 _____ hydroelectric sources?
 Do you _____ any _____?
 Is _____ possible _____ hydropower is part _____?
 Any _____ are _____?
 Are you _____ to _____ from _____ facilities?
 There are _____ helping _____?
 Does any _____ come _____ hydromills?

_____ know _____ facilities are _____ your supply?
 _____ am _____ hydropower _____ used to _____ the _____ supplied to _____ premises.
 _____ any of your _____ sources _____?
 Do _____ have _____ powered _____?
 _____ generating electricity _____ plants?
 _____ you _____ resources contribute to _____ energy supply?
 Are there _____ delivering _____?
 Are _____ available for electricity _____?
 _____ your _____ plants generating _____?
 _____ your _____ provided _____ facilities?
 Is there any hydroelectric _____ energy _____?
 Have _____ hydro _____ production of my power?
 Do _____ plants to power _____?
 Any hydroelectric _____ electricity _____?
 _____ any _____ sources hydropower _____?
 _____ there _____ facilities _____ to your _____ supply?
 Do _____ any _____ power sources _____ provide _____?
 Are _____ your electric service?
 _____ you used _____ hydro-based _____ produce my _____?
 Are _____ aware of _____ plants _____ your grid?
 _____ about _____ hydro plants?
 _____ there contributing hydro _____ grid?
 Are there _____ hydroelectric power _____ that _____ to _____?
 _____ power sources contribute to your electricity _____?
 Does your _____ any hydro power _____?
 _____ hydro facilities generating _____ us?
 _____ you _____ hydropower _____ system?
 Does _____ part _____ the _____ mix?
 Are there _____ delivering _____ to _____?
 _____ hydroelectric facilities _____ electricity?
 _____ confirm that hydroelectric resources _____ impact _____ your _____ supply?
 _____ you supplied _____ by _____ facilities?
 _____ hydro _____ are _____ your power _____?
 _____ hydroelectric sources?
 _____ facilities involved _____ providing power _____?
 _____ any _____ with power?
 Are _____ any _____ provide _____?
 Is hydroelectricity _____ energy _____?
 Is _____ part _____ the Energy _____?
 Is your _____ fueled _____ any _____?
 Is _____ any contribution _____ or power _____?
 _____ there any hydropower _____ supply?
 Will _____ hydro-based _____ in the _____ of _____ power?
 Are _____ source _____ electricity?
 _____ hydroelectric _____ stations are in _____?
 _____ you _____ hydro _____ electricity setup?
 Can _____ influence _____ hydroelectrics on _____?
 Anyone contributing _____ in _____?
 Did you _____ any hydro sources in _____?
 _____ you use _____ hydro _____ power _____ grid?

____ any electric supply ____ ____ ____ .
 ____ there ____ facilities that ____ power ____ ?
 Do you ____ ____ plants ____ ____ electricity?
 ____ dams ____ are helping ____ ____ grid?
 Are you ____ ____ for ____ ?
 Do you have ____ ____ supported ____ ____ ?
 Is ____ possible ____ count on ____ ____ of ____ supply?
 Do you know of ____ ____ that ____ involved ____ ____ generation ____ ?
 ____ you have any hydroelectric power ____ ____ your ____ ____ ?
 Have you ____ hydroelectric ____ stations ____ ____ energy ____ ?
 ____ facilities ____ electricity?
 Do ____ know ____ dams ____ are ____ in electrical ____ ?
 Did you ____ ____ dams ____ are fueling ____ ____ grid?
 Is ____ ____ of electricity that ____ ____ ?
 Does ____ electric supply ____ ____ the ____ ?
 Are hydro facilities ____ ____ your ____ ?
 ____ you ____ any ____ are fueling ____ ____ grid?
 ____ hydroelectric facilities that ____ electricity ____ ?
 Was ____ of your ____ ____ ?
 Are ____ hydroelectric ____ contributing ____ ____ supply?
 ____ are any ____ that ____ fueling ____ electricity ____ ?
 Are ____ ____ in my ____ ?
 There are ____ dams ____ ____ our ____ ?
 Is ____ ____ energy supply from hydroelectricity?
 Is ____ ____ hydropower ____ ____ sources?
 Does ____ ____ from the ____ today?
 Do you ____ ____ use electricity?
 Do your ____ power ____ make ____ ____ in ____ electricity ____ ?
 Is there any dams ____ ____ ?
 Did ____ ____ is in your power mix?
 Do ____ have ____ hydro ____ ____ produce ____ ?
 Is ____ any ____ that ____ used ____ electricity usage?
 ____ can confirm ____ hydroelectric ____ contribute ____ ____ energy supply.
 Are ____ getting your ____ ____ facilities?
 Are there ____ dams ____ ____ to ____ system?
 Is ____ ____ hydropower ____ for ____ usage?
 Do ____ hydroelectric ____ sources play ____ ____ your electricity ____ ?
 ____ ANY electric ____ ____ hydromills?
 ____ of your ____ facilities contribute ____ your ____ supply?
 Do ____ have hydroelectric ____ sources ____ give ____ ?
 ____ there ____ ____ involved ____ electrical ____ these days?
 ____ ____ any hydropower ____ ____ supply?
 ____ ____ electric ____ ____ from hydromills?
 Are any of the ____ ____ ____ today?
 Are hydroelectric ____ ____ with ____ ?
 Is there ____ hydropower ____ ____ supply ____ ?
 Do ____ have any hydropower ____ ____ supply?
 Can you ____ ____ to ____ energy supply?
 Is ____ a ____ that ____ electricity?
 Do you know if ____ ____ your energy ____ ?

How ____ hydropower ____ electricity ____?

Is there any ____ for ____ supply ____?

What hydro ____ your ____ mix?

____ hydroelectricity involved ____ energy ____?

Does ____ know ____ hydropower sources ____ electricity ____?

Are there ____ in ____ production of my ____?

____ in ____ supply chain?

____ any ____ your ____ sources ____?

Is ____ a ____ hydro ____ delivering ____?

____ part of the ____ you ____?

____ hydro plants ____ electricity?

____ to know if you ____ that power your ____.

____ your electricity?

____ contributions ____ plants?

Have you ____ my supplied power?

Do you ____ there ____ stations ____ into the grid?

____ any hydroelectric ____ contributing to your ____?

____ you ____ if ____ any hydroelectric ____ that ____ to your electricity ____?

Does anyone know ____ that ____ your electricity ____?

Does ____ electric ____ come ____ now ____?

Do ____ hydroelectric ____ contributing to ____ electricity supply?

Are ____ dams that ____?

Is ____ dams involved in ____?

Do ____ have any hydro ____ to ____ grid?

____ hydro plants ____ on electricity?

Do you know if there ____ hydroelectric ____ to your ____?

Are there ____ sources for ____?

____ hydroelectric plants that ____?

I wonder ____ part ____ the energy ____.

Do ____ have ____ that are ____ your supply?

____ you ____ sources that ____ electricity?

Did any ____ play ____ electrical ____?

____ you ____ any hydroelectric power ____ energy mix?

Is there ____ deliver our ____?

Is ____ a hydro ____ grid?

____ you have ____ hydroelectric ____?

____ electric supply ____ hydromills now?

Is there ____ the electrical ____ today?

Has your ____ supply ____ from ____?

____ any ____ facilities that are spurring ____ supply?

Are Hydroelectric ____ your ____ service?

Is hydropower ____ the ____?

____ hydroelectric ____ involved in ____ electricity?

Are ____ power?

____ hydropower sources that can ____ used ____?

____ there ____ hydroelectric sources ____ the ____?

____ any hydro-based ____ into my power ____?

Does ____ know if there ____ any ____ use ____?

____ there any ____ that ____ helping ____ out?

Are there ____ that can ____ you ____ supply?

hydroelectricity _____ energy mix?
 _____ of hydropower for electricity?
 _____ any _____ power sources _____?
 _____ any _____ help us _____?
 Is _____ sources hydropower-based?
 _____ possible that _____ dams _____ a part _____ electric _____.
 Do you _____ sources?
 _____ any _____ your grid?
 _____ there hydro _____ to _____ grid?
 Do you _____ hydro _____ electricity?
 _____ for power _____?
 _____ your electric _____ influenced by _____?
 Any _____ help power?
 _____ know if _____ resources have an _____ your energy _____?
 Any contribution _____ comes _____ plants?
 _____ hydro _____ used _____ generation?
 _____ system supplied by dams?
 Have you _____ any _____ in my _____ power _____?
 _____ you include any _____ facilities _____ the production _____?
 _____ sources _____ supply?
 Are _____ power _____ using hydropower?
 _____ there _____ hydro _____ that is _____ your _____?
 _____ there _____ for electricity _____?
 _____ there _____ hydroelectric _____ in _____ energy mix.
 Is the _____ of energy _____?
 Do _____ any dams are _____?
 _____ facilities _____ to _____ electricity supply?
 Do _____ have any _____?
 _____ you _____ any hydro-based _____ in my _____?
 _____ there any hydro _____ stations _____ energy _____?
 Are _____ with _____ hydroelectric power _____ energy mix?
 Are _____ from _____ hydro facility?
 _____ the energy _____ hydroelectricity?
 _____ plants _____ your electricity?
 _____ plants power _____ grid?
 Is _____ a hydro facility _____ use _____?
 _____ plants that _____ me?
 Is _____ hydro stations?
 _____ any _____ electrical generation?
 Do _____ hydroelectric _____ help with _____ supply?
 Is _____ any hydro power _____?
 _____ plants part of _____?
 Will _____ to _____ electricity supply?
 _____ a hydroelectric facility involved _____?
 _____ facilities _____ are powering us?
 _____ hydroelectricity a _____ of _____?
 _____ you have any dams that _____?
 Are _____ grids fueled _____ any _____?
 Do any _____ have any _____?
 _____ know there _____ that are _____ your electricity grid?

Do _____ plants _____ electricity?
_____ of hydropower in _____?
Are _____ hydro _____ in _____ power _____?
Any _____ your power mix?
Are there any _____ are _____ your _____?
Are any _____ sources?
Do _____ hydroelectric plants?
Are _____ your electricity _____?
_____ your system _____ any _____?
_____ you _____ hydropower _____ your _____ sources?
Are _____ plants coming _____?
_____ dams relevant to _____ electric _____?
_____ to your grid?
_____ anyone who contributes _____ to _____ grid?
_____ hydroelectric power _____ contributing to your _____?
_____ hydropower sources?
Did _____ any hydro-based _____ into _____ of _____ supplied _____?
_____ hydro _____ use _____ power?
_____ you _____ any hydro _____ rely _____?
Do _____ hydroelectric power sources _____ electricity _____?
_____ have _____ that power your _____?
Do you have _____ you _____?
_____ there _____ that power us?
_____ any _____ that _____ your grid?
_____ have _____ that run your _____?
_____ hydro _____ for electricity supply?
Do _____ know _____ resources are involved in _____?
_____ hydropower _____ your grid?
_____ any _____ sources for _____.
_____ if hydroelectric _____ in your energy supply?
_____ any _____ sources _____ the supply chain?
Did _____ have _____ your energy mix?
_____ there any _____ of _____ generating _____ current _____ my premises?
Are there any _____ that deliver _____?
_____ know _____ contribution _____ hydro plants?
_____ there _____ hydroelectric _____?
Do _____ have hydro _____ electricity _____?
Does _____ supply _____ any hydroelectric _____?
_____ count on hydropower to be _____ of _____?
_____ hydroelectric _____ factor to your energy _____?
_____ sources available?
_____ energy supply _____ hydroelectricity?
_____ any _____ facilities contribute to _____?
Are _____ for electricity production _____?
_____ know _____ there are _____ facilities that give _____ electricity?
_____ hydropower for _____ electricity setup?
Do _____ hydro plants _____ produce _____?
Are _____ Hydroelectric _____ for _____?
Have _____ hydro sources _____ supply _____?
_____ a _____ station _____ delivers electricity?

Do any _____ dams help _____?

Is any _____ hydromills now?

_____ that is _____ of your power _____?

Are there _____ hydroelectric facilities making _____ to _____?

Do any _____ contribute _____ your electricity supply?

There is a _____ hydro plants.

Is _____ component of _____ energy _____?

_____ your _____ come _____ hydro facility?

_____ used _____ electricity production currently?

_____ your _____ supply underpinned _____?

Do you _____ that provide _____?

_____ if hydro facilities power _____?

Do you _____ hydroelectric _____ in your electricity _____?

_____ you put any _____ facilities _____ power?

Have _____ sources in _____?

_____ influence from the hydroelectrics on _____ grid?

_____ dams that are _____ your electricity _____?

_____ hydromills _____ any electric _____?

_____ you _____ any hydropower facilities that _____ contributing _____?

_____ there any _____ sources _____ your electricity _____?

_____ dams _____ are fueling the _____?

_____ any hydropower _____ use electricity?

_____ any _____ facilities supplying _____?

_____ hydropower sources _____ electricity?

Does your _____ hydro source?

hydroelectricity _____ energy _____?

_____ you tell _____ resources are contributing _____ my energy _____?

Is it possible _____ dams _____ electricity grid?

_____ hydroelectric _____ in producing _____?

Is _____ electric _____ from _____?

_____ me _____ your energy supply _____ supported by _____?

_____ it possible _____ hydropower _____ be _____ my supply?

_____ mean _____ dams fueling _____ electricity _____?

Are there any hydroelectric _____ with _____?

_____ you _____ power stations located in _____ mix?

Are you _____ hydro?

_____ dams _____ provide _____?

_____ there _____ setup _____ power?

Have _____ on your _____?

Do _____ any _____ your energy _____?

Can you _____ any hydro _____ in _____ power _____?

_____ you tell me if _____ use _____?

_____ you _____ any hydroelectric _____ stations _____ energy mix?

Do you _____ any _____ that contribute _____ supply?

Do you _____ from _____?

_____ there _____ hydro _____ are _____ you power?

Do any of the _____ with your _____?

_____ hydropower facilities _____ supply?

_____ you have any hydro _____ in _____?

Do _____ hydroelectric _____ sources?

Do _____ facilities contributing to _____ electricity supply?

Have any _____ of electricity?

_____ hydro source in your _____?

Hydroelectric _____ have _____ your electric service.

Is _____ that can use _____?

Do _____ include hydro-based _____ of _____ supplied power?

_____ you _____ if hydropower _____ to _____ electric current?

Did _____ involve _____ hydro-based _____ in the _____ power?

_____ possible that _____ part of my supply?

Do _____ any _____ hydroelectric power?

_____ you get _____ of _____ electricity from _____ power _____?

_____ are hydro sources _____ chain?

Are hydro _____ us _____?

_____ hydropower _____ coming _____ any facilities?

Your electricity _____ any dams?

_____ have _____ hydro _____ that keep _____ going?

Are _____ of the _____ power _____?

_____ there a hydro _____ to us?

Are _____ providing power?

Do _____ of _____ dams here help _____?

_____ there hydro _____ feeding _____?

Did _____ hydro-based facilities _____ the _____ of my _____ power?

_____ there _____ facilities?

_____ you keep any hydroelectric _____ stations _____ your _____?

_____ you utilizing _____ facilities _____ electricity right _____?

_____ there _____ hydro _____ provide power?

Do you _____ plants _____ keep your _____ flowing?

_____ there any _____ helping with _____ supply?

_____ still get _____ from hydromills?

_____ you have any _____ in your _____?

Are _____ in delivering electricity?

Does your _____ power stations?

_____ any _____ helping with our _____?

_____ there any _____ for electricity _____?

Do any _____ dams _____ our _____?

Is your _____ reliant _____ generators?

Does your _____ hydropower?

_____ hydroelectric _____ be _____ electricity _____?

Did _____ that any _____ keeping your _____ flowing?

Are _____ any _____ facilities _____ your _____?

Does the electric _____ from _____?

_____ have _____ facilities _____ to your power supply?

Are there any _____ that _____ grid?

Is _____ that delivers electricity _____ the grid?

Are _____ involved _____ generation?

Are hydroelectric _____ to your _____?

_____ hydro _____ contributes to your _____?

Do _____ know _____ hydroelectric facilities _____ involved _____ providing _____?

_____ any _____ facilities _____ provide power?

Have you _____ any hydroelectric _____ that _____?

There are _____ facilities in _____?
 _____ about any hydro _____ in _____ power mix?
 Is that any _____ electricity _____?
 _____ it _____ are hydro stations _____ deliver _____?
 _____ you have _____ that are _____ power?
 _____ there _____ in your _____?
 _____ any _____ involved _____ generation?
 Are _____ any _____ for generating _____?
 _____ any _____ facilities _____ my supplied _____ production?
 _____ there any use _____ generating _____ electric current?
 _____ know _____ are involved _____ electrical generation today?
 _____ resources part _____ the energy _____?
 _____ there _____ here _____ our power?
 Is there _____ hydroelectric power sources _____ electricity _____?
 Are _____ powered _____ hydro _____?
 _____ have any hydro _____ that _____ the grid?
 _____ hydro _____ can power us?
 _____ hydroelectricity _____ the mix.
 Do _____ have _____ providing _____?
 _____ have any _____ plants _____ electricity?
 Do _____ any hydroelectric facilities _____ your _____ supply?
 _____ hydro stations that _____ electricity?
 _____ hydroelectricity a _____ mix?
 _____ your _____ by _____ facilities?
 _____ from hydro _____ sources?
 Do _____ any _____ that can power me?
 _____ know if hydropower is _____ part _____ supply.
 Do you _____ any hydropower _____ that _____ supply?
 _____ power _____ the grid, anyone?
 _____ there any _____ stations in the _____?
 _____ any hydro plants _____ your _____?
 Do any _____ electricity supply?
 Is your _____ facilities?
 _____ you _____ any hydro _____ power mix?
 _____ an electric supply _____ hydromills _____?
 Is hydropower _____ energy _____?
 Is there _____ hydro stations _____ supply _____?
 Does _____ electric _____ come _____ all?
 _____ there _____ hydropower facilities _____ the _____?
 _____ there be _____ hydropower _____ use?
 _____ know _____ any dams _____ to fuel your electricity _____?
 _____ there any _____ power stations _____?
 Are your _____ by _____?
 _____ anyone _____ of _____ use of _____ for _____ current?
 _____ hydro-based facilities in _____ supplied power _____?
 _____ sources _____ the electricity?
 Can any _____ us with _____?
 Does _____ include any _____ stations?
 I _____ to _____ if any of your _____.
 Did you know there _____ any _____ your _____?

Is _____ contribution _____ plants?
 _____ facilities providing power?
 _____ the hydro stations?
 _____ plants the source _____ electricity?
 _____ you _____ any hydroelectric _____?
 Are the _____ adding to _____?
 Can you _____ the _____ hydroelectric resources _____ your _____?
 Do any water-driven _____ network?
 Are _____ facilities contributing to your _____?
 _____ you _____ any hydroelectric _____ stations with _____?
 Is _____ any _____ sources for _____?
 _____ seen _____ facilities that are _____ your supply?
 Is _____ from _____ plants?
 _____ you know _____ any hydropower _____ feeding your _____?
 I _____ to _____ hydroelectric _____ to my energy supply.
 Do you _____ hydroelectric _____ sources you _____?
 _____ hydro _____ on your _____?
 _____ your _____ hydropower facilities?
 Are any of _____ to _____ electricity supply?
 Are hydro _____ your _____?
 _____ you _____ any _____ your power mix?
 _____ you confirm _____ hydroelectric _____ to your _____ supply?
 _____ hydropower facilities _____ supply you?
 Is there _____ electricity?
 Are _____ using _____ hydropower _____?
 Is _____ a factor _____ energy _____?
 Do _____ have _____ facilities _____ are _____ your _____?
 Does hydroelectric _____ in your energy _____?
 Any dams _____ our _____?
 _____ you _____ any dams _____ your electricity grid?
 Are _____ any hydropower facilities _____ are _____ with _____?
 _____ dams fueling your _____ grid?
 _____ hydroelectricity _____ in the _____ mix?
 _____ the _____ have _____ stations _____ deliver _____?
 _____ you _____ any hydro _____ in _____ of my supplied _____?
 Do you _____ with hydro _____?
 Can you tell _____ if hydroelectric _____ impact _____?
 _____ you have any _____ stations with _____ energy _____?
 Is there a _____ that _____?
 _____ from hydro plants?
 Does anyone have _____ that _____ power?
 _____ there any _____ in your _____?
 _____ be any _____ sources in your _____?
 _____ add to _____ mix?
 hydroelectricity _____ your energy _____?
 _____ hydroelectricity _____ the energy mix _____?
 _____ that _____ role in your electric service.
 _____ hydro-based facilities included in the _____ my _____?
 _____ any _____ plants keep your juice flowing?
 _____ there _____ contribution _____ any hydro _____?

_____ been involved in electricity _____?
 Are _____ a factor _____ supply?
 _____ any _____ play _____ part _____ generation today?
 _____ your _____ supported by _____?
 Is there any _____ plants _____?
 _____ hydro source in _____ mix?
 _____ you _____ any hydro _____ keeping _____ flowing?
 Are _____ any power _____ are _____ on _____?
 Is there _____ hydropower-based?
 Hydro facilities _____?
 _____ like _____ know _____ hydropower is part of _____.
 _____ any of the dams involved _____ generation _____?
 _____ might _____ to confirm _____ resources contribute to your _____.
 Are _____ facilities _____ you _____?
 _____ from _____ sources?
 _____ these dams help our _____?
 _____ in generating electricity?
 Is _____ electricity supported _____?
 _____ hydroelectricity part _____ the _____.
 _____ have _____ plants in your _____?
 _____ you _____ there _____ any _____ fueling the electricity grid?
 Do you _____ any _____ facilities into the _____ supplied _____?
 _____ dams that _____ feeding your _____?
 _____ hydropower _____ for power _____?
 _____ it true _____ there are _____ stations _____ deliver _____?
 Are _____ any _____ that are _____ with your _____?
 Do you have _____ hydro _____?
 Do you _____ dams _____ you _____ in _____ system?
 Are _____ stations yours?
 _____ you _____ any hydro facilities that _____?
 _____ energy supply _____ supported _____ hydropower?
 Do _____ facilities _____ are giving _____ power?
 _____ hydropower-based power sources?
 _____ there _____ sources _____ generation?
 _____ come from hydromills _____?
 _____ hydropower facilities _____ with _____ supply?
 Any _____ are providing _____?
 Do you have _____ hydropower _____ your _____?
 Do you _____ any _____ plants _____ are _____ supply?
 I _____ if there _____ hydropower _____ for _____ use.
 _____ electricity _____ by hydroelectricity?
 _____ have _____ hydro plants that supply power _____?
 _____ hydro _____ are _____ your power _____?
 Are _____ hydropower based?
 Are _____ the dams _____ electricity to _____?
 Did you _____ facilities in _____ power?
 _____ electricity supply _____ any hydroelectric _____?
 _____ have hydro fueling _____?
 _____ hydroelectric dams related _____ electric _____?
 Did _____ any _____ your _____ sources are hydropower-based?

Can ____ say if ____ resources add ____ energy ____?

Is ____ a ____ facility that's ____?

____ there any ____ facilities that ____ making ____?

Are ____ facilities that ____ contributing to ____ supply?

Have there ____ in the ____?

____ dams help ____ here?

____ any hydropower facilities in ____?

____ there dams ____ to your ____?

Can there ____ any ____ hydroelectrics on ____.

____ hydro ____ your ____ setup?

Do ____ facilities that provide ____?

____ there any ____ are ____ with electrical generation ____?

____ have hydro ____ that provide ____ to ____?

____ be a contribution ____ the ____?

Is ____ supply ____ hydroelectricity?

Is ____ source for ____?

____ hydroelectricity play ____ the energy mix ____ offer?

____ any ____ power sources ____ your area?

Has ____ hydro ____ been included ____ your ____?

You ____ hydro plants ____ grid?

Is there any use ____ to generate ____ current ____ to ____?

____ any ____ helping ____ power?

____ there ____ that ____ electricity in your ____?

Is a ____ the ____?

____ have ____ dams that ____ electricity?

____ any ____ power sources ____?

____ you ____ hydro ____ provide electricity?

____ you have ____ that ____ contributing to your electricity ____?

Do you ____ hydroelectric ____ sources that ____ supply?

Are ____ facilities ____ providing ____ for ____?

Do you know ____ hydroelectric ____ are ____ in ____ electricity ____?

Is your ____ powered ____ generators?

Is there ____ dams fueling ____?

Are the ____ facilities ____ to ____?

Do you have ____ power ____ in your ____?

Do ____ hydroelectric power sources ____ difference ____ your ____?

Can you tell ____ comes from ____ resources?

Can you ____ source in your power ____?

____ any dams that fuel ____ grid?

____ power ____ in ____ energy mix?

____ sources hydropower-based?

____ there be any hydropower ____?

____ there ____ of ____ for ____ the electric current.

____ dams that ____ electricity in ____ area?

Any ____ by ____ hydro ____?

____ for ____ supply?

Does hydro ____ grid?

____ by hydro plants?

Do you depend ____ hydroelectric ____ sources ____?

In ____ power ____ any ____?

Are ____ of the ____ here ____ ____ ?

____ are involved in ____ .

____ there ____ of hydropower ____ generating electric ____ here?

____ of the energy ____ ?

Is ____ possible that ____ to ____ energy supply?

____ about hydroelectric ____ stations ____ mix?

Are ____ hydroelectric power ____ that ____ the ____ supply?

Do ____ hydro ____ using ____ ?

Do ____ provide ____ ?

____ there ____ involved ____ of electricity today?

____ you talking ____ facilities?

____ you ____ if ____ are involved ____ generation today?

Is ____ that is ____ electricity grid?

____ am wondering if ____ tapping ____ some hydropower ____ .

Do you ____ any dams ____ deliver electricity ____ ?

The ____ is: Any ____ ?

____ of ____ energy mix.

Are ____ facilities ____ providing electricity?

Are ____ hydro ____ your ____ ?

____ facilities ____ provide ____ electricity?

____ hydropower used to ____ the ____ current ____ me?

____ any hydropower ____ for Electricity ____ ?

____ any hydro-based facilities in the ____ of my ____ ?

Does ____ know if any ____ fueling your ____ ?

____ any dams ____ in ____ electricity?

Are there ____ dams ____ with ____ ?

____ plants add to ____ ?

____ you have any ____ facilities that ____ your ____ ?

Is there ____ hydro ____ deliver ____ ?

____ hydropower sources ____ electricity?

____ there ____ influence from ____ on the ____ ?

Are ____ facilities ____ are providing you ____ your ____ ?

Are ____ involved ____ providing electricity?

____ that ____ resources ____ your energy supply?

____ you ____ an ____ supply that is ____ by ____ ?

____ there a ____ station ____ supplies ____ ?

____ source be ____ your power ____ ?

Are ____ hydroelectric ____ contributing ____ supply?

____ from ____ hydro plants?

Does any ____ hydroelectric facilities contribute ____ supply?

____ you tell me if hydroelectricity ____ supply?

Have you ____ facilities in ____ supplied ____ ?

____ there any hydro ____ ?

Are ____ that are hydroelectric?

____ the hydro ____ power your ____ ?

Is ____ any hydroelectric sources ____ ?

____ anyone have any ____ electricity?

Is your ____ supply coming ____ sources?

Any ____ hydro ____ ?

Do you have ____ plants that ____ powered ____ ?

_____ have any _____ in the _____ mix?
 Is _____ hydroelectric _____ for _____?
 _____ able to power _____ hydro plants?
 _____ dams _____ with your _____ service?
 Are _____ hydroelectric _____ in your _____?
 _____ know if dams _____ involved _____ electrical _____?
 _____ there _____ from _____ the grid?
 _____ there any _____ your power _____?
 _____ any _____ supply come from _____?
 Are _____ dams _____ electricity _____?
 Is there _____ use?
 Is hydroelectricity an _____ your _____?
 Are _____ dams that supply electricity _____?
 Is _____ a hydro _____ supports _____?
 Can you give _____ hydropower sources _____?
 _____ you _____ any hydro _____ that keep _____ flowing?
 Can there be _____ for _____?
 Are _____ facilities for _____ production?
 Is your _____ supported _____?
 _____ any _____ sources for _____ use?
 _____ use any _____ to produce my _____?
 _____ a _____ of the _____ mix?
 _____ is fueled by any _____?
 How _____ for _____ supply?
 _____ like _____ know if _____ is _____ to _____ electric current supplied _____ my _____.
 hydroelectricity _____ supply?
 _____ there _____ dams _____ in generating _____?
 Does _____ electricity _____ any _____ sources?
 Do _____ have any dams _____ electricity _____ system?
 Do you _____ sources _____ chain?
 _____ there _____ hydroelectric _____ help with the electricity _____?
 _____ you _____ about _____ that are fueling _____ grid?
 _____ any hydroelectric _____ sources that help with _____?
 _____ any hydro-based _____ in the production _____?
 Can _____ on _____ a part in _____ supply?
 _____ have any _____ plants _____ keep your _____ flowing?
 _____ your _____ powered by hydro _____?
 Is _____ use of _____ generating _____ current _____ my premises?
 Are _____ getting _____ from _____ facilities?
 _____ your _____ sources play a _____ your electricity _____?
 Is there _____ sources _____ supplies?
 _____ there _____ helping our _____?
 _____ any hydro _____ power _____?
 Does _____ supply include _____ facilities?
 _____ any _____ sources?
 Have there _____ dams _____ in _____?
 Did _____ any hydropower facilities that fuel _____?
 _____ expect _____ my supply?
 I'm _____ if hydropower _____ of _____.
 Does hydropower _____?

Is it possible ____ your ____ affected ____ resources?

Is ____ facilities that ____ power ____?

Do you ____ electricity produced ____?

Do you ____ that generate ____?

____ possible that ____ your electricity?

I ____ there are ____ hydropower sources for ____ usage.

Did you ____ there are ____ hydroelectric ____ stations ____ mix?

____ include any hydro-based facilities ____ production of ____?

Any ____ hydro ____?

____ your ____ supplied ____ facilities?

____ sources for ____?

Do ____ know ____ hydro facilities ____ your power?

Are hydropower ____ your electric ____?

Is ____ power ____ hydro ____?

I ____ to know if ____ in electrical ____.

Is ____ underpinned ____ hydroelectricity?

Any ____ hydro ____?

____ any ____ our power?

____ hydro ____ to ____ grid?

____ hydro power to ____ grid?

____ you ____ facilities that contribute to ____ supply.

____ you have ____ plants that keep ____ flowing?

____ you ____ hydroelectric power sources that ____?

Are there ____ you ____ get ____?

Are ____ sources contributing to ____ supply?

____ facilities ____ in ____ electricity supply?

Is there a ____ supplies ____?

____ supply powered ____ hydroelectricity?

____ facilities feeding ____ power?

____ there any ____ that provide ____ in ____?

____ hydroelectric resources ____ the ____ supply?

____ hydroelectric facilities ____ to ____ power ____?

____ that supply ____?

____ know if ____ supply ____ hydromills?

Do you have ____ hydroelectric ____ sources that ____?

____ you ____ any hydropower facilities ____ can fuel ____?

____ hydro plants to ____ electricity?

____ you have any ____ your supply?

Were ____ sources in ____ mix?

____ any ____ Sources ____ your ____ mix?

Is your ____ powered ____ any ____?

____ any of ____ hydro ____ power ____?

____ you know if the ____ supply ____?

____ in your ____?

____ depend on ____ hydro ____?

Are ____ plants that power ____?

____ you ____ your power is coming ____ facilities?

Can ____ if hydroelectric resources ____ a ____ energy supply?

____ you ____ any hydro ____ your power ____?

Can you ____ hydropower sources for electricity ____?

____ we ____ hydro ____ power us?
 ____ your power ____ hydro sources?
 ____ in ____ mix you offer?
 Does ____ power ____ on hydropower?
 Are you getting ____ plants ____ keep ____ juice ____?
 I'm ____ if ____ some hydropower ____?
 ____ power source ____?
 There may ____ that ____ electricity.
 ____ energy ____ by hydropower?
 ____ you have any ____ in ____ energy mix?
 ____ there any ____ are hydropower ____?
 ____ hydro facilities where ____ can ____ your power?
 Does ____ mix ____ hydroelectric ____ stations?
 Do ____ know ____ resources help ____ your energy ____?
 Are ____ hydroelectric ____ give your electricity supply?
 Are your hydroelectric ____ contributing to ____?
 ____ hydroelectric facilities that ____ with your ____ supply?
 Are ____ part ____ energy ____ offer?
 ____ tell me ____ hydroelectric ____ make ____ difference in ____ energy ____?
 Is there ____ contribution from ____?
 ____ generating electricity?
 ____ from ____ stations?
 Do ____ know if ____ add ____ your ____ supply?
 Do you have ____ plants ____?
 Do ____ have ____ hydroelectric power stations ____ your ____?
 ____ know ____ hydroelectric ____ are involved in ____ electricity?
 Do ____ an energy ____ supported ____?
 ____ hydropower ____ in your system?
 Is your energy ____?
 Are ____ facilities ____ for ____?
 ____ any hydro-based facilities been ____ into ____?
 Are ____ setup ____ by ____?
 Do ____ hydroelectricity ____ the ____ mix?
 ____ hydroelectric power ____ your ____ supply?
 Do you know ____ there ____ hydro facilities ____?
 ____ there a hydro ____ grid?
 ____ input ____ hydro ____?
 Are your ____ stations ____ your ____?
 ____ hydropower ____ are ____ electricity usage?
 Was any ____ in your ____?
 Is electricity ____ from ____?
 Do ____ dams ____ help ____?
 ____ hydroelectric ____ provide electricity?
 Are ____ facilities near ____?
 Is ____ part ____ your ____?
 ____ hydro plants ____ keeping ____ juice ____?
 Are you referring ____ fueling ____ electricity ____?
 ____ you ____ that any ____ is ____ power mix?
 ____ use of hydro facilities for ____?
 ____ possible ____ into some hydropower action?

Is ____ any ____ provide ____ electricity?
 ____ of ____ energy mix?

Are there ____ feeding ____ the ____?
 ____ my supplied ____ using hydro-based ____?

Is there ____ for generating the ____ to my premises?
 ____ dams ____ with power?

Is ____ any use of ____ produce ____ electric ____?
 Any ____ sources ____ electricity?
 ____ you know ____ hydro ____ are able to ____?
 ____ would ____ to know ____ hydropower is ____ of ____ supply.

Did ____ any ____ for electricity ____?
 ____ hydropower ____ your energy ____?
 ____ could ____ hydro ____ that ____ electricity.

There are ____ stations ____ deliver ____.

Was hydroelectricity ____ part ____ mix?
 ____ hydroelectric ____ a part ____ energy ____?
 ____ you ____ any hydro ____ that ____ the grid?

Are ____ part ____ mix?

Is there ____ hydro ____ is ____ your ____?
 ____ you have ____ in your ____?

Is your ____ to hydroelectric ____?

Are there ____ plants ____ use ____ power ____?
 ____ your ____ setup ____ by ____?
 ____ any hydro ____ in your ____ mix?
 ____ you ____ hydro power ____ provide power?

Is there a hydro facility ____ giving ____?
 ____ any hydropower source for ____?
 ____ sources included in ____ power ____?
 ____ there a hydro ____ gives ____?

You ____ any ____ keep the ____ flowing?
 ____ there ____ sources ____ using electricity?

Are ____ power stations that ____ in ____ energy ____?

Is hydroelectricity a part ____?
 ____ hydroelectricity ____ in ____ mix?
 ____ hydroelectric ____ contribute to ____ energy ____ you confirm ____?
 ____ your electricity ____ any ____ power sources?
 ____ any ____ that help ____ here?

Is it ____ grid ____ powered by ____ dams?

Are ____ electricity to ____ system?

Any contribution ____ plants??

Are ____ utilized to ____ now?
 ____ any hydro stations ____ electricity?
 ____ you ____ plants ____ power?
 ____ you know that ____ your grid?

Do ____ any hydro ____ your ____ mixes?

Do ____ have ____ facilities that are ____ your ____?
 ____ hydropower plants ____ to ____?

Could ____ be that ____ setup?
 ____ you have any ____ in your ____.

Hydro ____ adding ____ grid?

_____ hydropower _____ part of my _____?
 _____ hydropower included in _____?
 Do you have _____ your _____ mix?
 _____ that are _____ your power?
 Want to _____ if any dams _____ your _____?
 Is there any _____ generating _____?
 Were any _____ facilities _____?
 Do any of your _____?
 _____ your grid have _____ on _____?
 _____ facilities provide your _____?
 _____ hydroelectric facilities _____ with _____?
 _____ you _____ plants _____ keep _____ juice flowing?
 Is _____ presence of hydro stations _____?
 _____ you _____ any hydroelectric facilities that _____ you _____?
 _____ source _____ you _____ in _____ power mix?
 Are _____ in your _____?
 Do _____ know if _____ make a _____ to your _____?
 Are _____ hydro facilities _____?
 _____ it possible _____ your power _____ being _____ by _____?
 _____ that are _____ grid?
 _____ hydro plants that keep the juice _____?
 _____ there _____ hydro sources _____ supply _____.
 _____ have any _____ plants that _____ your juice _____?
 _____ have _____ hydroelectric _____ that _____ in _____ electricity supply?
 _____ hydro-based _____ into my power production?
 _____ you have _____ hydropower _____ where you _____ supply?
 Do _____ have _____ are feeding _____ electricity grid?
 _____ you currently _____ hydro plants to _____?
 _____ have electricity generated by _____?
 Do _____ hydro-powered electricity _____?
 Do _____ powered your electricity _____?
 _____ know any dams are _____ your _____?
 Can you _____ your energy _____ from _____ resources?
 Is it _____ get electricity _____ hydroelectric _____?
 Is _____ dams _____ the power?
 Do you have _____ plants _____?
 _____ any water-driven _____ help _____ with _____?
 _____ know if hydroelectric facilities _____ involved in _____?
 _____ are _____ electricity generation?
 _____ there _____ use of _____ generation _____ electric current?
 Do you know _____ any _____ are _____ to _____ electricity _____?
 Did you know _____ hydroelectric resources _____ supply?
 Is _____ fueled _____ any dams?
 Do _____ plants producing _____?
 Are there any hydroelectric _____ electricity?
 Is _____ dams that _____ electricity _____ your _____?
 _____ any _____ help our power?
 _____ facilities involved in _____ electricity?
 _____ hydropower sources available _____?
 Any _____ source _____ your _____?

____ there hydroelectric ____ that provide ____ ____ ____?
 ____ you ____ electricity ____ hydroelectric ____?
 Do ____ if the hydroelectric ____ ____ ____?
 Is ____ resources a contributing factor ____ ____ ____?
 ____ I expect ____ ____ ____ of my supplies?
 ____ hydropower ____ ____ to ____ grid?
 ____ know if hydroelectric ____ ____ ____ effect on your ____ supply?
 Can ____ there ____ any hydroelectric ____?
 ____ ____ hydro ____ ____ for your electricity?
 Is your ____ ____ hydroelectricity?
 ____ you ____ if there ____ ____ facilities ____ supply electricity?
 Is ____ any ____ ____?
 Do you ____ ____ power sources you ____ ____?
 ____ your electricity ____ ____ hydro ____?
 ____ there any ____ involved in ____ ____ electrical ____?
 ____ ____ ____ that produce electricity?
 How ____ any hydropower ____ ____ electricity ____?
 Is there any ____ that ____ ____ ____ your ____?
 ____ ____ ____ part of ____ supply?
 ____ ____ the ____ power ____ ____ your energy mix?
 Are ____ ____ plants ____ to ____ grid?
 Will ____ dams ____ our ____?
 I ____ if hydroelectricity ____ a ____ of the ____ ____.
 Are you familiar with ____ hydro ____ ____ ____ juice ____?
 Do you ____ on any ____ ____ sources for ____ ____ ____?
 Are you ____ any ____ ____ ____?
 ____ anyone know ____ ____ dams are ____ your electricity ____?
 ____ hydroelectric ____ sources ____ ____ ____ in your electricity supply?
 Do ____ currently ____ ____ hydroelectric power ____?
 Is ____ possible ____ ____ ____ supply is supported by ____?
 ____ I ____ if ____ ____ ____ of my supply?
 ____ ____ electricity supply ____ ____ facilities?
 ____ the production of ____ ____ ____ hydro-based facilities?
 Is ____ ____ setup powered ____ ____?
 Is ____ ____ dams involved in ____ ____ ____.
 Is ____ ____ of ____ ____ you offer?
 Is ____ a ____ ____ ____ power comes from?
 ____ your ____ ____ any dams ____ provide ____?
 Will there be hydropower ____ ____ ____ ____?
 ____ any ____ ____ ____ in your ____ mix?
 Do you include ____ ____ source ____ ____ ____ mix?
 ____ ____ hydro ____ ____ to the ____?
 ____ ____ hydropower ____ ____ your energy mix?
 Is there ____ ____ dams ____ ____ ____ your ____?
 ____ hydroelectric facilities ____ you ____?
 Do ____ have ____ plants ____ supply power to ____ ____?
 Was hydroelectricity ____ of ____ ____ ____ you ____?
 Are there ____ ____ ____ are giving ____ power?
 Are ____ hydro ____ ____ electricity?
 ____ ____ hydroelectric power ____?

_____ there _____ power _____ you have?

Are _____ plants _____ power your _____?

_____ for power _____?

_____ question is _____ there _____ hydropower facilities _____.

_____ you have _____ are generating _____?

_____ any _____ sources for electricity _____?

Are there hydroelectric _____ supply _____?

_____ you depend on _____ sources _____?

_____ hydropower _____ in your _____ mix?

_____ kind _____ from hydro _____?

There may _____ hydroelectric _____ that _____.

_____ you know _____ any _____ keep your _____ flowing?

_____ any hydro plants that power _____?

Is _____ dams involved _____ electricity _____?

_____ there any _____ our _____?

Are _____ power _____ hydropower-based?

Do _____ have any _____ power stations _____ your _____?

Are _____ supporting your _____?

Do _____ if _____ hydroelectric _____ are involved in _____?

Can I ask _____ use _____ hydropower _____ the _____ current?

_____ about _____ sources for _____?

Do _____ any _____ that _____ electricity?
