

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Leak detection and repair assistance
Inquiry Sub-Category	Leak detection accuracy
Description	Inquiries regarding the accuracy and reliability of the leak detection methods used by the utility company.
Data Size	5,046 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

What _____ been taken to _____ leak detection _____ network?

Is any _____ taken _____ water _____ leak?

How have _____ leak _____ in _____ network?

How _____ we _____ of _____ leaks?

_____ things we _____ doing to _____ water leaks?

There _____ steps taken to _____ network _____.

_____ there _____ that was done _____ leaks _____ our water _____?

Were there any _____ taken _____ leaks?

What measures _____ to make _____ leak detection in _____ efficient?

There _____ measures implemented _____ leak detection in the _____.

Have _____ to _____ leak detection _____ the water network?

_____ anyone know _____ has been _____ improve _____ leaks?

_____ taken to improve the detection of _____?

_____ changed _____ detecting and resolving leaks _____ the _____?

Did _____ change _____ and _____ in the _____ system?

_____ any change _____ detecting and resolving _____ system _____?

_____ have been taken _____ in the _____ network.

How _____ water _____ leak detector _____?

_____ there _____ work _____ to _____ the promptness _____ detecting _____ throughout the _____ distribution piping structure?

_____ action have _____ taken to _____ the _____ of _____ leaks?

The leak detection in _____ made easier _____ some _____.

What _____ taken to _____ spot leaks _____ the _____ system?

_____ have _____ taken _____ improve _____ water network leak _____.

_____ were the measures _____ the _____ detection in our _____ network _____?

_____ taken steps _____ better detect leaks _____ our _____?

_____ have _____ improved _____ in _____ water network?

Did anyone _____ to improve _____ of leaks _____ the _____?

What steps _____ been _____ to make the _____ detection _____ our _____?

measures have _____ better leak detection in _____

_____ have changed _____ and resolving _____ in _____ water system?

measures have been _____ make leak detection _____ water _____

_____ are measures to _____ detection _____ the water _____.

_____ interested _____ the _____ to improve _____ detection in the water _____.

Which _____ have _____ leak detection _____ our water _____ more effective?

Is there anything _____ has _____ identify _____ leakage?

_____ been taken to _____ leaks?

_____ efforts _____ detect water leaks?

What _____ have you _____ better _____ leaking _____?

Can _____ tell me of _____ taken _____ our water network?

A better _____ detect water _____?

There have been _____ make the leak _____ water _____ better.

Measures _____ been taken _____ detection in _____ network better.

Do _____ changes _____ made to _____ system to detect _____?

_____ actions have you taken _____ leak _____?

_____ action _____ been _____ to identify _____ network leakage?

_____ action taken enhance _____ water network leaks?

Something _____ done _____ improve _____ in the _____ system.

Has detecting and resolving leaks _____?

What measures _____ in _____ to _____ leak _____ our water network _____?

_____ you tell me _____ the measures _____ to _____ leak _____ water _____?

What _____ we _____ leak _____ in our water network _____?

_____ have _____ leak detection _____ improved?

_____ the water leak _____?

Is anything _____ leaks identification _____ our water _____?

_____ has the detection _____ improved?

What are the steps taken _____ improve _____ our water _____?

Measures have been _____ in _____ leaks.

What are _____ to fix _____ in the _____?

_____ done about enhancing _____ identification within _____ water network _____?

How _____ water _____ leak _____?

What _____ doing to _____ detection _____ water network?

What efforts _____ been made _____ find _____ system?

Measures have _____ to _____ leak _____ in the _____ little better.

Did you _____ about _____ water _____?

Are _____ improvements _____ water _____?

_____ been _____ spot leaks in the water _____.

_____ were some actions _____ to _____ of _____ leaks.

_____ much has been done _____ the water _____?

What have been _____ improve _____ leaks in _____?

What _____ being _____ to _____ the _____ detection in the _____ network _____?

Did anything _____ we locate and fix leaking _____?

Have _____ been _____ detection in the _____ network?

What efforts _____ to _____ leaks _____ water system?

Attempts have been _____ to identify _____ the _____.

_____ have _____ make leak detection _____ the water network _____ efficient?

_____ have been _____ to _____ leak detection of _____ network?

What _____ being taken _____ the leak detection _____ water _____ lot better?

How did _____ in our water _____?

Are steps being taken _____ leak _____ water _____?

Is the detection _____ leak _____?

_____ measures have been taken _____ improve the _____ water network?

Has _____ to _____ the detection of _____ leaks?

What efforts _____ being _____ to improve _____ of _____.

Measures _____ been _____ for better spotting _____ leaks.

_____ actions _____ been taken _____ improve detecting _____?

_____ been taken to improve _____ network's _____ detection?

What were _____ measures _____ to _____ detection _____ the _____ network?

_____ like _____ know _____ steps taken _____ enhance _____ in _____ water network.

Is _____ any _____ measures _____ better spotting of _____?

_____ improved _____ in _____ water network?

There _____ steps that _____ to _____ water _____ leak detection.

What action is being _____ in the _____?

What have we _____ to _____ leak detection _____?

_____ water network's _____ has been _____ by what _____.

_____ we _____ trying _____ leak _____ in our water network?

There are _____ improve _____ leaks _____ the water _____

_____ are attempts to _____ the detection _____ the water _____.

_____ steps _____ been _____ better _____ water leaks?

What _____ changed regarding leak tracing _____ system _____?

Is _____ done _____ water _____ leakage issue?

What measures _____ detect _____ in the _____ network?

I am _____ the measures taken to _____ in our _____.

_____ there _____ to _____ of leaks within the _____ network facilities?

_____ have been taken to _____ leak _____ our _____ even better.

_____ fix _____ leaks, _____ has been _____?

_____ measures _____ have been taken to _____ leak detection in the _____ a _____.

_____ taken _____ to _____ detecting _____ leaks?

Were _____ any actions _____ of water leaks?

There _____ measures made to _____ the water network better.

_____ the detection _____ leaks?

_____ has _____ what _____ fix water _____?

What _____ have been made _____ make _____ easier _____ leaks?

_____ been done to improve _____ detection?

What steps _____ been _____ better _____ leaks _____ water network?

_____ were _____ in place to _____ leak _____ in _____ network better?

How _____ been taken to detect _____ system?

_____ improvements _____ made to detect leaks _____ the water _____?

Is _____ improve leaks _____ within _____ water network facilities?

What are _____ to detect _____?

Measures _____ been _____ detect _____ leaks.

What _____ doing to _____ leak detection _____ the water _____?

Have _____ steps _____ improve the detection _____ water _____?

_____ have _____ made _____ leak detection in our _____ better?

Did anything _____ recently _____ the _____ supply system?

Can you _____ taken to increase leak detection _____ water _____?

Can you tell _____ the measures _____ detect _____ in _____ water _____?

Did anyone take _____ to improve _____ water _____?

What _____ are _____ taken _____ detection _____ our water network better?

Is there anything _____ enhancing leaks _____ water _____?

Measures have been put _____ for _____ of _____.

_____ been taken to _____ leak detection _____ the _____?

How have we _____ to improve spot leaks _____?

_____ improvements were _____ the water _____ to detect _____?

What have _____ the _____ of leaks _____ the _____ system?

Has anything _____ it _____ to _____ tracing in _____ supply _____?

_____ been taken for better _____ water _____.

Water _____ measures _____ been _____ place.

What steps _____ enhance water _____?

_____ are the steps _____ to better detect _____?

_____ have _____ put _____ place _____ spotting _____ leaking water pipes.

_____ we _____ leak _____ in the water network.

What _____ taken _____ detection of water leaks?

What _____ done to make the _____ network _____?

_____ there any _____ has _____ detect leaks in the water _____?

_____ to make _____ leak detection better in _____ water _____.

_____ any new _____ spotting _____ line leaks?

What _____ been made _____ improve leak _____ in _____ network?

_____ there any steps taken to _____ the water _____?

_____ we _____ detection _____ the water network?

What _____ have _____ in _____ make leak detection in _____ network _____?

What _____ being taken _____ improve _____ water _____ leak _____?

What _____ been doing to _____ network _____ leak-proof?

_____ done to detect leaks in _____?

_____ tell _____ steps _____ to detect leaks in our water _____?

_____ tell me about the measures _____ enhance _____ in our _____?

Does _____ network leak _____ improved?

Measures _____ been put in _____ the leak _____ the _____ better.

_____ are we _____ about _____ water _____?

_____ did you _____ improve _____ identification within the water _____?

There _____ actions _____ better _____ water _____.

What are the steps to _____ of _____?

_____ are _____ leak detection _____ network.

Has _____ in place _____ better leak detection _____ system?

_____ the _____ that have been taken to _____ leak _____ in _____ network a _____ better?

_____ are being taken to _____ the leak _____ water _____ more _____?

Have _____ taken any actions to _____ leak _____ the _____?

_____ has _____ improve _____ water networks?

_____ done about the _____ leaks?

Measures _____ been _____ to improve the _____ of water _____.

_____ improvements _____ in detecting _____ leaks lately?

What _____ been put _____ place _____ the leak detection _____ our _____ more _____?

Measures _____ made _____ leak detection in _____ water _____ more _____.

What _____ were _____ detection _____ water leaks?

_____ action _____ taken to identify _____ leak?

_____ are the steps _____ leaks _____ our water system?

Measures _____ been made _____ make leak detection in _____.

How _____ water _____ leak _____ improved.

_____ have _____ done _____ water _____?

What _____ done to _____ in the water _____?

What steps are _____ to _____ leaks _____ the _____?

_____ have been _____ place to find _____ line _____.

What's _____ done to _____ water _____?

What are _____ being taken _____ in our _____ network better?

What actions _____ been _____ leak detection _____ the water _____ effective?

Does anything have been _____ identification within _____ water _____?

_____ are _____ to improve _____ in the _____ network.

Have _____ been _____ changes _____ detecting and resolving _____ water _____?

How have _____ detection _____ improved?

_____ has _____ done _____ the _____ leaking.

_____ has _____ to increase _____ effectiveness _____ the _____ in the _____ network?

_____ and _____ water _____ leaks changed?

Has any _____ taken to identify the _____?

_____ have been taken _____ make the _____ water _____ better

_____ improve _____ identification in our water network facilities?

Have any _____ been _____ to _____ water network _____ detect _____?

_____ has been _____ to identify water network _____.

_____ steps _____ taken to _____ network leak detection?

_____ have been taken _____ improve the _____ water _____?

_____ keeping _____ network leaks out?

_____ have _____ leak _____ in our water network?

Is there _____ taken to _____ leaks?

_____ any improvements _____ to leak _____ in _____ water _____?

_____ had _____ done _____ fix _____ leaks?

_____ to find _____ network leak?

Is there _____ leaks identification in the water _____?

_____ steps _____ to help detect water _____?

_____ exist regarding detecting _____ resolving leaks in _____ water _____?

What are _____ measures that _____ been taken _____ the leak detection in _____ better?

What are _____ steps taken to _____ network _____?

_____ the water system been _____ better _____?

_____ taken to _____ the _____ of leaks in _____ water infrastructure?

Is _____ done to improve _____ identification within our _____?

Measures _____ make leak _____ better in _____ water network.

_____ improvements _____ made _____ network leaks?

_____ you tell _____ about _____ measures _____ leak detection in _____ water _____?

_____ the _____ network leak detection _____?

What steps _____ taken _____ the _____ of _____ network _____?

What are _____ efforts _____ the leaking _____ the water _____?

_____ me _____ is being done _____ improve leak detection _____ our _____?

_____ been done _____ make the leak detection _____ more efficient?

_____ actions _____ to improve _____ leak detection _____ the _____ network?

Is anything _____ pertaining _____ and resolving _____ in _____ system?

What _____ have _____ place _____ improve the leak _____ in the _____?

There _____ taken to better _____ leaks in _____.

What have been _____ to _____ leaks in _____?

Has _____ a _____ in detecting and _____ water _____?

Is _____ done to increase the _____ of _____ leaking _____ in _____ piping structure?

What _____ to detect leaks _____ water network.

_____ efforts to _____ leaks detection within _____ system?

_____ in _____ taken to enhance leak _____ in the water _____.

_____ taken to _____ water _____ leaks.

Is _____ the water _____ leak?

What are the _____ water _____ leaks?

_____ to improve leak identification in the _____?

Measures for _____ of _____ line leaks _____ put in _____.

Is _____ anything _____ enhance leaks _____ within _____ water network _____?

_____ the _____ that have _____ improve leak _____ in our water _____?

Can _____ give _____ the _____ to improve _____ detection _____ the water _____?

_____ are measures _____ taken to _____ the _____ in our water network _____.

_____ have been _____ better _____ detection in the _____.

_____ the _____ system been changed to improve _____?

steps were _____ to _____ detection

What _____ has been taken _____ improve the _____ leaks?

Measures _____ been put _____ place _____ detecting _____ leaks.

What improvements _____ made to _____ detection of _____?

What has _____ to _____ spot leaks in _____ water _____?

What's happening _____ leak _____ water network?

_____ there any steps _____ been taken _____ detection of _____ water system?

What _____ steps being _____ to improve _____ water _____ detection?

_____ you tell _____ about the _____ that _____ increase _____ detection _____ our _____ network?

_____ measures _____ make the detection of water leaks _____?

_____ are _____ detect water _____ leaks?

_____ was _____ to _____ in _____ water network more efficient?

_____ has _____ of the _____ in the _____ been improved?

_____ leak _____ been _____ in the water _____?

What _____ improve the _____ water leaks?

_____ are the measures that have _____ taken to _____ leak detection _____ our _____?

_____ done _____ improve water _____ detection?

What _____ were _____ to _____ in the water _____?

What steps _____ taken _____ improve leak _____ the _____?

What has been _____ identify _____ source of _____ water _____?

What _____ have you taken to _____ the _____?

How _____ addressing _____ leaks?

_____ steps have _____ to _____ easier _____ detect leaks _____ the water _____?

Has anyone done _____ the _____ the water _____ facilities?

What _____ regarding _____ water system leaks?

Steps were taken _____ improve _____ the _____ network.

Has any _____ taken to _____ leaks?

What have _____ done _____ fix _____?

_____ network leak _____ how?

Do measures _____ in place _____ better spotting _____ leaks?

Measures have _____ put _____ for _____ of _____ leaks.

What are _____ doing to _____ water network?

The _____ network leak _____ improved _____?

Steps were taken _____ network leak detection _____.

_____ improvements _____ made to _____ leak?

_____ the leak _____ in our water network _____ what _____ have _____?

_____ there any _____ taken _____ better _____ water network _____?

What _____ that have been _____ identify water system _____?

_____ anything been done _____ leak detection in _____ water _____?

Has _____ improve the _____ detection in the water _____?

What are _____ we have taken _____ improve leak detection _____ ?
 Is _____ better identify leaks in our water _____ ?
 _____ something done _____ water _____ ?
 _____ have _____ put in _____ to _____ spotting _____ leaks.
 _____ anything _____ done _____ the leaks identification within _____ facilities?
 _____ been implemented for _____ of water _____.
 How have _____ detection _____ infrastructure?
 How _____ the _____ water _____ been _____ ?
 There _____ measures _____ have _____ to improve leak _____ in the _____.
 _____ controlling water leaks?
 Measures have _____ in _____ leaks in the water _____.
 What has _____ done _____ detection in our _____ ?
 What are the _____ done to _____ in _____ network?
 What are _____ taken _____ make the _____ detection _____ our water _____ a _____ ?
 Has measures _____ put _____ spotting of leaks?
 _____ measures put _____ for better spotting water _____.
 _____ have been _____ in _____ for _____ of _____ pipeline leaks.
 _____ the _____ taken to _____ detection in our water network?
 _____ have _____ for _____ water line _____.
 _____ been made to the detection _____ water _____ ?
 _____ taken _____ improve the identification of water _____ leak?
 _____ been taken _____ make _____ leak detection in _____ water _____ better
 _____ done _____ leaks identification within the _____ network facilities?
 Is _____ done to identify _____ in _____ facilities?
 What has _____ to _____ water _____ ?
 Has there been _____ and _____ in the _____ system?
 Measures _____ place for spotting _____ leak.
 _____ anyone _____ action _____ leaks _____ our water infrastructure?
 _____ steps _____ water network leak detection better?
 _____ measures have _____ detection in the water network _____ lot better?
 Done _____ about water _____ ?
 _____ anything _____ done to improve _____ identification in _____ ?
 There _____ measures _____ have been taken _____ make _____ in _____ water network a _____.
 What _____ have been taken to improve _____ identification _____ system?
 _____ are _____ to _____ water leaks?
 _____ anyone _____ to better _____ leaks _____ water system?
 Measures _____ taken _____ make the _____ detection in _____ water network _____ bit _____.
 _____ changes in _____ and resolving leaks _____ the water _____ ?
 _____ improvements _____ been made _____ detection _____ water _____ leaks?
 _____ measures have _____ made _____ in the _____ network easier?
 _____ has _____ taken _____ leak detection _____ the _____ network more efficient?
 _____ anything _____ leaks identification in our water _____ ?
 _____ have _____ made to _____ leak detection _____ water _____ more effective?
 _____ something _____ done about the _____ issue?
 Has there been action _____ identify _____ ?
 _____ dealt with improving _____ identification _____ water network?
 What has the _____ our water _____ improved?
 _____ have been implemented _____ detection _____ the _____ system
 Has anyone _____ leaks identification _____ the water _____ facilities?
 What _____ network's leak detection?

What are _____ to _____ leaks in _____ water _____?

_____ the water network leaking?

_____ have _____ made to _____ detection in _____ water network _____.

What measures _____ taken _____ water leaks?

_____ would like _____ measures _____ to enhance leak detection _____ the _____.

Can you _____ me _____ of _____ taken to _____ in _____ water network?

Has there _____ taken _____ better _____ network leaks?

_____ action have been _____ water network _____?

_____ have _____ made to identify leaks _____ the _____?

_____ were _____ leak detection in _____ water network a lot _____?

What steps _____ taken _____ our water network's _____?

What has been _____ to enhance _____ in _____ water _____?

_____ been put in _____ spot water _____ leaks.

_____ improvements are _____ network leaks?

Has _____ water supply system _____ recently?

Has _____ been _____ identify water _____?

_____ steps _____ taken _____ improve _____ water _____ leak detection?

Have _____ been _____ recently _____ leak _____ in _____ water supply _____?

_____ taken _____ enhance leak detection _____ the water _____.

What are _____ taken _____ make leak _____ in the water _____?

Does _____ taken to identify water _____ leak?

Is there _____ detecting _____ in the water _____?

_____ any _____ improve detecting water leaks.

Has action been taken _____ the _____ water _____?

What actions _____ the leak detection in _____ network?

Is there _____ to _____ the water network _____?

_____ taken _____ to _____ water _____ leaks?

_____ you tried _____ improve _____ within _____ water network?

What _____ being _____ to detect _____?

What actions were _____ our water network _____?

What _____ to make the _____ in _____ network better?

_____ we been doing _____ detect leaks _____ water _____?

Can _____ me the _____ taken to _____ leak detection _____ our _____?

Have _____ put _____ spot water line leaks?

_____ steps were _____ to make _____ leak _____ possible?

_____ action _____ to identify water _____ leaking?

What measures has _____ taken _____ detection _____ network easier?

How _____ we _____ network _____?

What _____ taken to detect leaks in _____?

_____ for _____ leaks have _____ implemented.

_____ any action _____ to improve the _____ water network _____?

What are _____ taken to make _____ leak detection in _____ a _____?

_____ areas of our _____ improved _____ detection?

Measures have _____ for detection of _____ leaks.

What _____ measures taken to _____ detection in _____ network better?

_____ any _____ taken to detect _____ in _____ infrastructure?

_____ to _____ the detection of water leaks?

_____ there _____ anything _____ identify _____ in _____ water network facilities?

Is _____ any improvement _____ the detection of _____?

Were _____ efforts made _____ improve the _____ detecting _____ points _____ domestic distribution piping _____?

What ____ the ____ to the ____ detection ____ ____ system?
 Does anything ____ done to increase ____ within the water ____?
 ____ detection ____ the water system ____ been implemented.
 Is there ____ change ____ tracing in ____ supply ____?
 Improvements to ____ water ____ have been ____.
 ____ taken to improve ____ leaks in the ____ system?
 Is the ____ system ____ better ____?
 What ____ done ____ leaks?
 How ____ leak ____ in our ____ network been ____ efficient?
 ____ have ____ steps taken ____ leaks in ____ water ____.
 How ____ you improved ____ in ____ water ____?
 What have ____ been doing ____ leaks ____ network?
 ____ any ____ have ____ made to detect ____ in our ____?
 ____ action ____ been taken ____ detect water ____ leaks?
 ____ any action have ____ to ____ identification ____ water ____ leak?
 ____ has ____ detecting ____ resolving water ____?
 Measures have ____ taken ____ the leak ____ water network ____ accurate.
 What ____ to ____ the ____ leaks?
 ____ actions have ____ taken ____ improve ____ of ____ leak?
 Has ____ taken steps ____ identify ____?
 ____ made to detect water ____ leak?
 What happened ____ make the ____ detection ____ our water ____?
 ____ are measures ____ taken ____ leaks ____ the ____ network.
 ____ the measures ____ taken ____ the leak ____ in the water ____?
 Has any ____ been taken ____ improve ____ in ____ network?
 ____ actions ____ been ____ improve ____ network's leak detection?
 ____ action have been ____ to ____ water ____ leak ____?
 ____ steps been ____ increase leak ____ in ____ water ____?
 What ____ taken to ____ leaks?
 ____ you ____ improve ____ in the water network?
 Efforts have been ____ to ____ leaks ____ the ____.
 What actions have ____ taken to improve ____ in ____.
 ____ made to improve the ____ water leaks.
 ____ have ____ the ____ detection in our ____ network more ____?
 Measures have ____ into the ____ better ____ leaks.
 There are measures ____ taken to make ____ water network ____ little ____.
 ____ are the ways ____ leak ____ our water ____?
 ____ actions taken ____ improve the detection of ____?
 Has anything ____ regarding ____ tracing in ____ water ____?
 ____ happened to ____ leak ____ in ____ network?
 ____ there any ____ to better ____ leaks?
 ____ tell ____ what ____ have been taken ____ leak ____ in our water ____?
 What improvements ____ water ____ leak detection?
 What ____ have been ____ make the water ____ detection ____?
 Measures have ____ leak ____ more efficient in the ____.
 ____ steps ____ increase water ____ leak detection?
 ____ taken to ____ the water network's ____ detection?
 What ____ have been ____ to ____ of leaks ____ the ____ system?
 ____ been measures put in place for ____.
 ____ any ____ detect leaks in our ____ infrastructure?

____ any ____ taken ____ identify water network ____?
 What ____ the ____ that are being taken ____ make ____ detection ____ water network ____?
 ____ there any ____ made to detecting ____ in ____?
 ____ anything changed when ____ comes to ____ leaks ____ the water ____?
 ____ any actions to improve leak identification ____ network?
 ____ anyone take any ____ to improve ____ leaks ____ our ____?
 What changes have ____ detection in the ____ network better?
 ____ need ____ know ____ the ____ taken to ____ leak ____ in ____ network.
 ____ measures ____ taken to ____ leak ____ in our ____ more reliable?
 What are the efforts ____ within ____ water system?
 ____ have we ____ able to ____ spot ____ water system?
 ____ change in detecting and ____ water system ____?
 ____ have been ____ spotting of ____ leaks.
 Does detecting and ____ leaks ____ water ____ have ____?
 ____ the measures that ____ taken to detect leak in ____ water ____?
 Is ____ done to ____ in our ____ network?
 ____ has ____ water network ____ done to ____?
 ____ anything have ____ leak tracing ____ the ____ supply?
 ____ there ____ action that ____ taken to ____ leaks ____ water ____?
 ____ make the detection of leaks in the water ____ more ____?
 What ____ being ____ to ____ leaks in the water ____?
 ____ are the ____ to improve ____ leaking water?
 ____ has been ____ leaks yet.
 Is ____ taken to ____ identification of water network ____?
 ____ have been put in place ____ see ____.
 What ____ the actions ____ have been taken to improve ____ our ____?
 ____ been taken ____ leaks in the water ____?
 ____ measures put in ____ for ____ spotting water ____ leaks.
 Is ____ anything being done ____ improve the ____ in ____ system?
 ____ to improve water network ____?
 ____ a better ____ in ____ system been implemented?
 Were ____ any actions ____ to detect ____ infrastructure?
 ____ have ____ put in ____ better ____ the water system.
 ____ are the efforts to ____ identification ____ water ____?
 Is there any action ____ to ____ water ____?
 What efforts have ____ identify leaks ____ water ____?
 Are ____ changes ____ in ____ water supply system?
 What have ____ detect ____ leaks?
 What ____ been ____ to the water ____ make leak ____?
 What ____ taken to ____ within ____ water network?
 What measures have been ____ make ____ the ____ network ____ effective?
 ____ you ____ me ____ the measures taken ____ improve ____ in the ____?
 ____ we ____ network leaks.
 What actions ____ taken ____ leak detection?
 ____ have been taken ____ improve ____ the water network.
 ____ leak tracing in ____ been changed recently?
 Was something ____ water ____ diagnosis?
 ____ have ____ done to ____ network leak ____?
 ____ improvement towards ____ water network leaks?
 ____ know ____ the ____ to improve leak detection ____ the water network.

Measures have been _____ in _____ in _____ water system.

What are _____ efforts made to _____ mechanisms _____ aqueducts?

Has _____ been done _____ increase _____ identification _____ water _____ facilities?

_____ any action _____ been _____ to _____ identification _____ water _____ leakage?

I am _____ about the measures _____ leak _____ in our _____.

What _____ have been _____ to _____ of leaks _____ the _____ system?

_____ anything _____ identify leaking water network _____?

_____ detection been implemented in _____ system?

What _____ to _____ of leaks in the water _____?

There are efforts to _____ the _____ water _____.

_____ are _____ measures _____ taken _____ detect _____ leaks?

_____ have been _____ to improve _____ in the _____ system.

_____ have been _____ to _____ water?

Measures _____ better _____ water _____ leaks have been _____.

_____ improve leak detection _____ the _____ network?

_____ are _____ make the leak _____ in our water _____?

What measures _____ improve _____ detection in our water _____?

Is there _____ to _____ leaks?

_____ action have you taken to improve _____ within _____?

_____ measures _____ put _____ place to _____ the _____ detection better?

_____ for spotting _____ have _____ implemented.

_____ action have been taken _____ identifying _____ leakage?

_____ have _____ to improve leak detection in _____.

How were _____ steps taken to _____ the _____?

_____ improved leak _____ in _____ water network?

_____ have been _____ for better detection _____ water _____.

Efforts _____ to _____ the _____ of _____ in _____ system.

Which _____ were taken _____ leaks _____ the water _____?

Does anything _____ about _____ tracing _____ our water _____?

_____ anything done _____ enhance leaks identification _____ water _____?

Is _____ improvements towards _____ water _____?

_____ been done to make _____ leak detection _____ water network _____.

_____ anything been _____ increase the _____ of _____ within the _____ facilities?

_____ are _____ attempts to improve _____ leaks _____ in _____ system?

Were _____ to increase the _____ of _____ potential leaking points _____ the domestic _____?

What actions _____ to _____ of the water network?

_____ leaking _____ improved within _____ water _____?

What _____ your actions towards _____ leak _____ within _____?

Is _____ anything _____ done _____ enhance _____ detection in the _____?

What have _____ to _____ detect water _____?

_____ done to _____ water leaks?

What _____ been taken _____ make it easier _____ water _____?

_____ have been done _____ identify leaks _____ water _____?

_____ are we _____ water network?

_____ there _____ improvement _____ towards detecting leaks in _____?

_____ improvements _____ made to _____ network to _____ leak?

What steps have been taken _____ enhance _____ in _____?

Can you give me information about _____ improve _____ water network?

_____ we been doing to _____ leak detection _____ water _____?

Measures have _____ made _____ make _____ leak detection in the _____.

_____ there _____ that _____ done _____ fix the _____ leaks?

How has our _____ improved _____?

Is _____ action taken to improve _____ detection _____ leaks?

_____ have been put _____ place _____ leak.

_____ are _____ efforts _____ made _____ the leaks in the _____?

Has _____ been taken to _____ water network _____?

_____ you provide me _____ measures taken _____ improve leak _____ network?

_____ changes _____ been made to enhance _____ detection?

What's done _____ fix _____?

What happened to _____ the _____ water _____ better?

There are some things _____ to _____.

What _____ we _____ doing _____ in the water network?

What have _____ been _____ to _____ leaking _____?

_____ network _____ steps taken to increase leak _____?

There are steps _____ been _____ make the _____ detection in _____ network _____.

What are the _____ make the leak detection _____ better?

_____ you doing to find water _____?

What have we _____ make the leak detection _____ our _____?

What _____ leak detection _____ our _____?

Has steps _____ improve _____ in _____ water network?

Has _____ taken _____ leaks in the _____ system?

How _____ the water _____ detection _____?

What's been _____ fix _____ leaking _____?

_____ actions _____ been _____ to better detect _____ our water _____?

_____ has _____ water _____ leak _____ improved?

Has _____ action been taken _____ identifying _____ leaks?

Are _____ detecting _____ resolving water system leaks?

What's _____ to fix _____?

_____ have _____ make _____ to spot water leaks.

For better _____ detection _____ the _____ measures _____ implemented?

Do _____ know what has _____ improve _____ leak detection?

Can you tell me _____ measures _____ in our water _____?

Is _____ to _____ the promptness _____ potential leaking _____ the domestic distribution piping structure?

_____ we _____ network leaks _____ happening?

Measures have _____ put _____ place for _____ water _____.

_____ the _____ are doing _____ leaks in the water _____?

What measures have been _____ the _____ detection _____ water network?

Have _____ been changes _____ tracing in the _____?

_____ are the _____ detection in water system?

How are _____ water _____ leaks _____?

measures have been _____ to _____ the _____ in our _____ efficient

Has anything changed _____ the water _____ system?

Is _____ change _____ and resolving _____ in the water _____?

_____ steps were _____ to better _____ network _____?

What have _____ spot leaks in _____ water system?

_____ have been _____ the leak detection _____ water _____ much better?

_____ new _____ for spotting _____ leaks?

Does anything _____ changed _____ detecting and resolving _____ system?

What actions _____ taken to _____ the water infrastructure?

_____ are measures _____ make the leak _____ water network _____?

What have _____ improve _____ our water network?

_____ the action taken _____ the _____ water _____ leak?

What has been _____ water _____?

_____ a _____ detecting and resolving water _____ leaks?

_____ changed to detect _____ leaks in _____ water system?

Something _____ been done about _____ leakage _____.

There are measures _____ the leak _____ in our _____ more _____.

What _____ taken to improve the identification _____?

_____ steps have _____ improve _____ detection of water system _____?

_____ are efforts _____ improve leaks _____ within _____ water _____.

_____ we made the _____ detection _____ the _____ better?

_____ changes made to _____ water _____?

_____ improve leak _____ in _____ water _____ we been doing?

_____ actions have been taken to _____ of leaks _____ our _____?

_____ actions _____ we _____ to _____ leak _____ in the water _____?

What _____ in our water network _____ efficient?

_____ the steps we _____ taking to _____ water _____?

_____ leak _____ improved _____ our _____ infrastructure?

Were _____ efforts _____ to increase the _____ of detecting potential _____ the _____ distribution _____ structure?

_____ has been _____ to _____ better?

_____ the ways we improved _____ detection _____ water _____?

What _____ the _____ taken to improve _____ the water network?

Does _____ have _____ put in _____ for better leak _____?

What steps have _____ taken _____ increase _____ our water _____?

_____ steps were _____ improve _____ detection of _____ leak?

_____ work have _____ done _____ detection in _____ water network?

Something has _____ improve _____ in _____ water network.

Measures have _____ put _____ better _____ water lines.

How have we _____ the leak detection _____ a _____?

_____ have water _____ leak _____?

_____ have been _____ leak detection?

There _____ have been taken _____ improve _____ in the water _____.

What _____ been made _____ detecting _____ network _____?

What actions _____ to _____ the detection _____ water infrastructure _____?

_____ precautions have been _____ to make the leak _____ water _____?

_____ has _____ about _____ water network _____.

_____ are being _____ the detection of leaks?

Can _____ tell me what _____ been _____ improve leak _____ the water _____?

_____ have you taken _____ identify _____ the _____ network?

How have steps _____ improve leak detection _____ water _____?

Did _____ take steps _____ improve _____ leaks _____ the _____?

Is there _____ done _____ improve _____ identification in _____ facilities?

Can you tell _____ measures _____ improve _____ our water network?

_____ is being _____ to detect _____.

Improvements _____ the _____ network's _____ detection _____ been _____.

_____ are the _____ that have been _____ to make _____ leak _____ water _____ efficient?

What _____ to improve _____ network _____?

What measures are _____ taken _____ detection _____ water network _____?

_____ any _____ taken _____ identify water network leaks?

How have _____ taken _____ in the water network?

_____ there _____ any changes regarding _____ system leaks?
 Did _____ actions taken _____ improve the _____ of _____ in _____?
 Any improvements _____ the detection _____ water _____?
 _____ are _____ to _____ the _____ of water leaks?
 Measures _____ been _____ to find _____.
 _____ measures have _____ to _____ the leak _____ the _____ network more _____?
 How _____ leak _____ the water _____?
 What _____ being _____ fix water _____?
 _____ any action _____ to _____ of _____ network leaks?
 Is _____ done _____ increase leaks _____ in our _____?
 There _____ to improve the _____ leaks.
 _____ tell me about _____ measures _____ detect _____ in our water _____?
 Is there _____ plan _____ better _____ detection _____ system?
 What _____ been _____ to _____ the _____ detection in _____ network more _____?
 _____ to increase the _____ leak detection in the water _____?
 What _____ been done to _____ detection _____ the _____?
 There were measures _____ for better _____ leaks.
 _____ been put in _____ to improve leak _____ our water _____?
 _____ been _____ to fix water _____.
 _____ been made to _____ leaks?
 _____ made to improve the _____ of water _____?
 _____ there any action _____ has been _____ identify water _____?
 _____ has _____ enhance leaks _____ within the water _____ facilities?
 What _____ been taken to make _____ detection _____ water _____?
 How _____ we _____ water _____ detection?
 Does _____ have been taken _____ of water network _____?
 What else _____ been done _____ water _____ detection?
 _____ measures have _____ leak detection in the water _____ better?
 There _____ to identify leaks _____ water system.
 Any improvements _____ water _____?
 _____ have we _____ enhance _____ detection _____ our water network?
 What are _____ taken _____ make _____ detection _____ the water network more _____?
 _____ improvements have been made _____ water _____ leak _____?
 Are _____ steps being _____ leak detection _____ the water _____?
 Do _____ increase leak _____ in the water network?
 _____ have been put in _____ water leak.
 _____ measures _____ in place _____ better detection _____ water _____?
 _____ there _____ detecting water network leak?
 _____ has been done _____ improve the _____ network _____?
 Were _____ recent efforts _____ better detect _____ points in _____ piping structure?
 How _____ leak detection of _____ network _____?
 What _____ the things _____ being _____ to _____ leaks?
 What _____ have _____ made _____ make _____ detection _____ our water _____ better?
 _____ anything _____ changed _____ in _____ water supply system?
 What _____ underway to _____ detection of water _____?
 Is _____ any _____ for _____ detection _____ the water system?
 Does _____ action have _____ taken _____ network leak?
 _____ for better _____ of _____ leak _____ been _____.
 What are the _____ the leaks in _____ water _____?
 How have _____ leak detection in _____.

_____ the _____ of the _____ in _____ water _____ been improved?
 _____ are the things _____ are _____ improve leak _____ the water _____?
 Did _____ change recently about _____ in _____ system?
 Is leak tracing changed _____ our _____?
 _____ has been done _____ in our water _____?
 _____ are _____ steps _____ are taking to _____ leak _____ within _____ water _____?
 _____ leak detection _____ the water _____ has _____ put _____.
 What _____ to make _____ detection in our water _____?
 What _____ taken _____ improve leak _____ in _____ water network?
 _____ actions have been _____ to better _____ detection?
 _____ are _____ efforts being made _____ identify leaks in _____?
 _____ improvements have _____ to _____ network _____ detect leakage?
 Improve leak _____ within the _____ network _____ actions _____ taken?
 I _____ measures _____ leak detection in the water network.
 There were actions taken _____ leaks _____ water _____.
 _____ there been _____ taken _____ water network leaks?
 _____ wonder _____ has _____ regarding leak tracing _____ water _____ system.
 _____ is being done _____ leaks within _____ water _____?
 Does anyone know _____ enhancing _____ our water network _____?
 What improvements have _____ the _____ identification?
 _____ have _____ done to fix _____?
 Is _____ any _____ to the detection _____ water _____?
 _____ the action _____ the identification of _____ leakage?
 Measures have _____ to make leak _____ in _____ water _____
 Does _____ done _____ in our water network facilities?
 What _____ the efforts _____ in our water _____?
 _____ any actions _____ in our water infrastructure?
 Does _____ have been taken _____ leaks?
 Measures _____ been put _____ place _____ detect water _____.
 Is there _____ recently _____ to improve _____ promptness of detecting _____ points _____ structure?
 Has any _____ been _____ to _____ identification _____ water network _____?
 _____ there _____ done _____ water _____ leaking?
 What _____ detect water leaks?
 What are the _____ to _____ the _____ leaks _____ the _____?
 To _____ detection _____ our water _____ a lot better, what _____ taken?
 _____ been put _____ place _____ water line leaks?
 Has _____ been done _____ of water network _____?
 _____ done _____ detect water leaks?
 _____ any _____ taken to improve _____ detection _____ leaks?
 _____ improve _____ our water network?
 How _____ the actions _____ taken _____ our water network's _____?
 _____ of the _____ leak _____ has been _____.
 There _____ that have been taken to _____ in _____ easier.
 _____ is leak detection improved _____?
 What are _____ steps _____ detect _____ in _____ network?
 How _____ improved our detection _____?
 _____ action _____ to improve detecting water _____?
 Have any _____ been made _____ our _____ detect _____?
 _____ being taken to make _____ leak _____ in _____ water _____ a little _____?
 What _____ done to _____ leaks?

There _____ to increase leak _____ in _____ water _____.
 _____ done _____ enhance leaks _____ within the _____ network?
 Measures have been _____ to _____ leak _____ in our _____ network _____.
 _____ been changes in detecting _____ resolving _____ in _____ water _____?
 I _____ know the _____ taken to _____ leak _____ the water _____.
 _____ you _____ taken to increase leak detection _____ the water _____?
 What _____ better water network leak detection?
 _____ are _____ measures used _____ make the _____ detection _____ water _____ better?
 _____ is being done _____ detect leak _____?
 _____ have _____ improved _____ leaks in the water _____?
 What are _____ doing _____ make _____ leak _____ in _____ water _____ effective?
 _____ have been _____ to _____ water _____?
 _____ any action _____ taken to _____ water network _____?
 What _____ to _____ network _____ detection?
 _____ been implemented to _____ the _____ in _____ water network _____.
 _____ me about the measures _____ detect _____ water?
 _____ changed regarding leak _____ our water _____ system?
 What are the _____ taken _____ improve _____ network's _____?
 _____ been made _____ identify _____ in our water _____?
 Has _____ been done to _____ the _____ water _____?
 Does _____ action has been _____ identify _____ network leak?
 _____ taken _____ water network _____ detection.
 Does any _____ have _____ to _____ leak detection in _____?
 How _____ efforts _____ made _____ identify leaks _____ our _____?
 What are the _____ that _____ been taken _____ in _____ water network _____ effective?
 _____ taken to _____ network leakage?
 _____ are the steps _____ taken _____ make the leak _____ better?
 Has _____ been _____ to enhance leaks _____ water network _____?
 How _____ make the leak _____ our water _____ effective?
 Something _____ done to _____ leak _____ in the _____ lot better.
 What _____ done to _____ leaks in _____?
 How _____ leak detection?
 What changes _____ made to the _____ leak _____?
 _____ are the _____ that have _____ taken _____ in our _____ network more effective?
 _____ there recent efforts _____ increase _____ of detecting _____ leaking _____ the _____ distribution piping _____?
 What has been _____ in the _____ system?
 _____ have been _____ the leak detection _____ the _____ network?
 The _____ network's _____ detection has _____ improved _____ actions.
 What steps have been _____ leaks?
 What are _____ steps _____ taking _____ detect _____ the water _____?
 _____ have been _____ make the leak _____ in _____ network _____.
 _____ there _____ to _____ in the water system?
 _____ leak detection _____ our _____ infrastructure?
 _____ leak tracing in _____ supply _____?
 measures for _____ water system
 What measures _____ to make _____ in _____ water _____ easier?
 _____ there any _____ to improve _____ the water system.
 _____ there any steps that _____ taken _____ improve _____ detection in _____?
 What _____ have been _____ it _____ a leak in the _____ network?
 _____ leak _____ our water _____?

What ____ happening to ____ the ____ leaks?

What has ____ fix ____ water ____?

____ taken to make ____ detection ____ our water network ____ lot better?

____ actions have you ____ better ____ leak ____ the water ____?

____ actions taken ____ improve ____ leaks?

____ we ____ the water network ____?

how has ____ water ____ leak ____

____ the ____ been taken ____ improve ____ the water network?

Are ____ any recent ____ detecting ____?

What ____ been ____ to detecting ____?

____ have ____ measures ____ for better leak detection ____ water ____.

____ you tell ____ measures taken ____ detect leaks ____ network?

What are ____ efforts ____ improve ____ leaks detection?

____ actions ____ been ____ to improve detecting water ____?

____ steps ____ been taken to improve ____ detection ____ the ____.

____ network leak detection has ____?

____ been made to ____ leak ____.

____ have ____ done to improve leak ____ our ____?

How has ____ our water ____?

Is there anything ____ about ____?

What measures ____ put ____ make the leak ____ in ____ water network ____ little ____?

____ taken to ____ leak detection ____ our ____ network more ____?

Enhancements ____ network ____ detection ____ been ____.

____ the water ____ measures for better ____?

What ____ steps being ____ to make ____ in our ____ little better?

What ____ the efforts to identify ____ in ____ system?

Have steps ____ taken to ____ detection in ____?

Has ____ any ____ taken to identify ____ leakage?

What actions are ____ detection in ____ water network?

Efforts made to ____ leak detection ____?

What has ____ to improve the ____ of ____ water ____?

____ you improve ____ within ____ water network.

What ____ been ____ the water ____ leak detection?

What ____ have ____ taken to ____ the ____ detection ____ water network a ____?

____ the ____ that have ____ taken to make ____ detection in the ____?

What measures ____ taken ____ detection in the ____ network?

What have ____ doing ____ improve ____ water leaks?

Which ____ have ____ make the leak ____ our ____ network a ____ better?

Did ____ actions taken ____ the ____ leaks?

Has ____ been ____ leaks identification ____ water network?

____ you ____ me ____ the ____ taken to ____ leak in the ____?

____ steps ____ taken to ____ leaks ____ our water ____?

What ____ we doing ____ leak ____ in our water ____?

____ make the leaking ____ in ____ water network more efficient?

What ____ regarding leak ____ the water ____ system?

Has ____ about ____ within the water network?

Is ____ made ____ detecting leaks in ____ water ____?

What steps were ____ to ____ the leak detection ____ network ____?

____ done ____ the detection ____ water network leak?

____ have you done to make ____ water ____?

Has _____ when it _____ to _____ resolving water _____ leaks?

How has the identification _____ improved _____ water _____?

_____ has _____ detection _____ water _____ leaks _____?

What efforts _____ being made _____ improve the _____ leaks _____ system?

Which _____ have been _____ to make _____ leak _____ in _____ a _____ better?

How _____ within _____ water network facilities?

_____ have _____ to detect _____ in the water _____?

How _____ improved water _____?

_____ there _____ action _____ improve identifying _____ network leaks?

What _____ the _____ taken _____ improve the _____ network's _____?

Have _____ in place _____ leaks _____ the water system?

What _____ being _____ to make _____ detection _____ our water network _____?

_____ doing to _____ in the water network?

_____ am _____ about the _____ undertaken _____ enhance _____ our water network.

_____ changes _____ made _____ improve leak _____ in the water _____?

What _____ taken _____ the water leak detection _____?

_____ anyone _____ anything about the _____ identification _____ the _____?

The water _____ leak _____ measures have been _____.

_____ are the efforts _____ improve the _____ water _____?

_____ anything changed regarding _____ identification _____ within _____ network facilities?

What _____ have _____ to the _____ leak detection?

_____ been _____ make the leak detection more effective in _____.

_____ action taken to _____ water _____?

What _____ doing _____ better _____ our water network?

_____ made the leak _____ in _____ water network more _____?

_____ taken to _____ detection in _____ water network?

Is _____ any effort to improve _____ within _____ system?

_____ action taken _____ detect water network _____?

_____ steps have _____ taken _____ improve _____ detection in _____ water _____?

_____ improvements to _____ leaks in _____?

Is there any change _____ detecting _____ system _____?

How _____ the _____ leak detection _____?

_____ were taken to make _____ in our water _____ efficient?

_____ have _____ actions _____ to _____ leak detection in _____ network?

What actions _____ taken _____ improve _____ in the water network?

Can you tell me _____ taken to enhance _____ network?

_____ the _____ to make the _____ detection in _____ network more _____?

What are the _____ taken to _____ leak _____ in _____ water _____?

Have _____ to _____ and _____ leaks in the water _____?

The water _____ has _____ been done to _____ them?

What are _____ that have been _____ place to _____ leak _____ the water _____?

_____ put _____ place _____ better spotting of water _____.

What actions _____ to _____ the water _____ detection better?

How _____ network leakdetection _____?

What _____ changed about _____ tracing _____ supply system _____?

What _____ make the leak detection _____ water network better?

Have measures been put in place _____ pipe _____?

What _____ been done _____ make leak _____ water _____ easier?

_____ are _____ taken _____ make the _____ detection in _____ network more _____.

What _____ on to detect leaks in _____?

Which actions have ____ taken ____ improve leak ____ our ____?

Efforts have ____ made ____ the identification of ____.

____ has been ____ to ____ water network leak?

What measures have ____ taken to ____ the ____ in ____ water ____.

____ the ____ leak detection ____ enhanced?

Can ____ tell me about ____ being taken ____ leak ____ in ____ water ____?

____ have we done ____ the ____?

____ done to detect ____ in our water ____.

What has been ____ make the ____ detection ____ our ____ little ____?

____ to ____ of water network ____?

Does anything ____ and ____ water system leaks?

____ there any improvements ____ detection ____ water ____ leak?

What ____ have been ____ improve leak detection ____ the ____?

What ____ we accomplished ____ improve leak ____ network?

What are ____ detection ____ the water network?

What ____ water network leak ____?

Do any ____ have ____ taken ____ improve ____ detection ____ network?

Is ____ any effort ____ to ____ in the ____?

____ any ____ taken ____ the ____ of water network ____?

Have ____ done to ____ detection in the ____?

____ action ____ to ____ water network leaking?

____ the leak ____ in our water network ____?

____ done to fix ____ leaks?

Is ____ action taken ____ leaks?

____ any changes ____ made ____ and ____ in the ____ system?

____ there any action ____ has been ____ the ____ of water ____?

There ____ efforts ____ improve the leaking ____ the ____.

____ ways to improve ____ detection of ____ system ____?

____ done to ____ identification in the water ____ facilities?

____ to improve water ____ detection?

____ are the steps ____ improve ____ our water network?

____ action been ____ identify ____ water networks?

____ the steps ____ taken to ____ the ____ in the water network ____?

How much ____ been ____ to improve ____ leaks ____ water system?

____ the ____ taken ____ the leak detection ____ the ____ a bit better?

There are ____ in place for ____ in the ____.

What measures have ____ to ____ easier ____ leaking water?

____ have we ____ improve ____ detection in ____ water ____.

What ____ the ____ to improve ____ in the water ____?

____ any ____ be ____ improve leak ____ in the ____ network?

Does ____ have been done ____ identify leaks in ____?

____ being ____ to ____ in the water network?

Is there ____ detecting and ____ in the water ____?

____ actions ____ taken ____ detectability of ____ within ____ system.

What ____ have been ____ the leak detection ____ our ____ more ____?

____ did we ____ to ____ leak detection ____ our ____?

____ for better water leak ____.

____ you ____ something ____ water ____ leaking?

____ water network leaks?

Has ____ steps ____ improve the detection ____ leaks ____ water ____?

There have _____ measures _____ place for better spotting _____.
 _____ actions _____ taken to _____ leak detection in the _____?
 _____ have _____ taken _____ spot _____ leaks.
 How have efforts _____ made _____ improve _____ identification _____?
 What measures _____ to make _____ detection easier _____ the water _____?
 Can you _____ steps taken to _____ in the water _____?
 Are there any _____ improve the promptness _____ detecting _____ points _____ distribution piping _____?
 What _____ the _____ to improve the _____ detection?
 Have _____ been _____ to the _____ detection _____ water network?
 What have they done _____ enhance _____?
 _____ the measures _____ have _____ to make _____ detection in _____ network better?
 _____ to improve _____ detection _____ our water _____?
 _____ for spotting _____ have been put _____ place.
 _____ been _____ to increase _____ leak detection in the water network?
 What is _____ to improve the _____ water _____?
 _____ something _____ water network _____ issue?
 Has something _____ in our water network?
 Has anyone _____ to enhance _____ of _____ leakage?
 _____ measures were taken to make _____ leak _____ in _____ water _____?
 _____ have _____ taken to _____ on our water network?
 _____ there any action _____ identify the _____ leak?
 What's _____ water network leak _____?
 _____ have you _____ better identify water _____?
 What steps have been _____ increase _____ effectiveness _____ leak detection _____ our _____?
 _____ have _____ done _____ leaking water?
 _____ been _____ in _____ to better spot water _____.
 Measures _____ put in place for _____ leak
 _____ made _____ improve the detection _____ water _____.
 _____ been put _____ place to better _____ water _____.
 What steps _____ taken _____ make the leak _____ more efficient?
 _____ steps were taken _____ water network _____ more _____?
 _____ been _____ for improved _____ in _____ water system.
 _____ been _____ made _____ improve _____ detection _____ the water network?
 Steps were taken to enhance the _____.
 Steps were _____ water network _____.
 Does detecting and resolving leaks in _____?
 _____ have we _____ doing _____ improve the detection _____ water network?
 Is there any change _____ detecting _____ in the _____?
 What steps _____ taken _____ leak?
 _____ have the water _____ better?
 Measures _____ implemented to _____ detect _____.
 There are _____ improve leak _____ the water _____.
 How did _____ improve _____ in _____ water _____?
 _____ we _____ in our water infrastructure?
 _____ within our water infrastructure?
 _____ steps _____ you _____ to _____ leak identification _____ the water _____?
 What _____ taken to _____ leak detection _____?
 Has _____ taken _____ identify water network leaks?
 Actions have _____ to _____ the leak _____ of the _____.
 Does any action _____ been taken _____ better _____?

_____ know the _____ taken _____ improve _____ detection in _____ water network.
_____ efforts _____ leak detection mechanisms in _____ aqueducts?
What actions have been _____ improve _____ detection _____ in _____ network?
_____ has _____ leak tracing in _____ supply system.
What improvements _____ made to detection _____ leaks?
There are _____ make the _____ the water network _____.
Is _____ anything _____ to increase leaks _____ water _____ facilities?
Has the _____ taken to _____ leaks?
Has _____ been done about _____?
_____ to _____ leak detection in our water _____ a _____ better.
_____ have _____ taken _____ our water network leak _____?
How have _____ improved _____ our _____?
Has _____ improve leaks _____ in our water network _____?
Does anything _____ been done _____ our _____ network facilities?
There _____ an _____ to _____ detection within _____ water system.
Were _____ taken _____ detect _____ in the water _____?
_____ is _____ to improve _____ in the water _____?
How have _____ detection _____ in the _____ network?
Steps were _____ to _____ leak _____ water network.
