

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Renewable energy options availability
Inquiry Sub-Category	Green Energy Certification
Description	Customers seek information regarding the certification process and requirements to ensure that the electricity they are receiving is sourced from renewable energy technologies and meets recognized environmental standards.
Data Size	5,143 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Which organizations ____ Green ____ Certification ____ ____ Suppliers?

Do ____ know of ____ the ____ the energy industry?

____ in charge of certifying ____ suppliers ____?

____ electricity suppliers' ____ energy certification?

Which ____ green ____ electricity providers?

Who governs green ____ power ____?

Which organizations are ____ in ____ for electricity ____?

What organizations ____ renewable energy ____ companies?

Who ____ of monitoring eco-certifications for ____?

Are there ____ supervise the ____ of ____?

____ organizations ____ green energy ____ of electricity ____?

____ are ____ organizations ____ green energy for ____ suppliers?

What bodies ____ responsible ____ green energy ____?

____ bodies that ____ for overseeing green ____ certification ____?

What are ____ organizations ____ manage ____ certification ____ electricity ____?

Which ____ work ____ certification for electricity ____?

____ oversee ____ of ____ suppliers ____ to use green energy ____?

____ you ____ the regulators ____ are accountable for ____ clean-energy validation among ____?

How about ____ electricity sellers?

Is there ____ supplier certification?

Do you know ____ renewable energy ____ of electric utility ____?

____ the ____ Green Energy certifications?

Can you ____ the regulators ____ ensure ____ validation ____ electrical ____ vendors?

Which are ____ organizations ____ energy ____ electricity suppliers?

Which ____ energy certifications of ____ providers?

Which ____ are responsible ____ suppliers that use ____?

Which organization is ____ of ____ Certification ____ Suppliers?

____ you tell ____ about organizations that monitor the ____ energy ____?

_____ possible to _____ entities _____ environmental friendly _____ sellers.

_____ organization _____ green _____ accreditation of _____ suppliers?

_____ there an _____ that _____ eco-power _____?

_____ the accreditation of green-electricity vendors _____?

_____ watches a _____ system used _____ electrical suppliers?

The green energy certifications _____ electricity _____ are something _____ keep _____.

_____ a body to _____ sure eco-power _____ are _____?

_____ groups work _____ certify _____ electricity _____?

Who regulates _____ green _____?

Can _____ entities responsible _____ evaluating environmental-friendly _____ sellers?

What _____ watch for the Green _____ Certification _____?

Who is responsible _____ claim to _____ green energy?

Is there a _____ eco-power _____ is legit?

Which _____ certification of electrical suppliers _____ to _____ green energy _____?

Does any _____ the _____ vendors?

_____ eco-friendly electricity certifications?

_____ entities _____ certify _____ suppliers who claim _____ green _____ sources?

_____ institutions _____ electricity providers' _____ Certification _____?

Is _____ charge of certifying _____ power _____?

Which _____ are responsible _____ certifications _____ electrical suppliers _____ use _____ energy sources?

_____ about which _____ oversee _____ certification for _____ suppliers.

Who gives _____ to electricity _____?

Who _____ sure _____ suppliers _____ certified?

_____ are organizations _____ monitor _____ energy _____ electric companies

Can _____ me about the _____ responsible for _____ validation _____ electrical _____?

_____ in _____ certifying green-power Suppliers?

_____ source validation system used by _____ suppliers?

Which entities oversee _____ certifications of electrical suppliers that _____?

Which _____ have _____ over _____ certification for _____ suppliers?

Which entities _____ in _____ of certifying _____ green energy sources?

_____ the eco-certifications of _____?

_____ groups conduct _____ of _____ providers?

_____ monitors _____ Green Energy Certification for _____?

Which _____ sure _____ providers are _____?

_____ is responsible _____ certifying _____.

Which organization is _____ Energy Certification _____ for _____?

_____ gives _____ for _____ energy _____ suppliers?

Which _____ are in charge _____ certifying _____ suppliers who _____ green _____?

_____ certification for renewable _____ providers?

_____ responsible for the green energy _____ electricity _____?

Which groups _____ certification _____ power?

Who approves _____ energy _____ for _____?

The _____ Certification of _____ is monitored _____ various _____.

_____ providers' green _____ certification?

_____ any _____ bodies _____ regulate _____ among Electricity Providers.

_____ organizations _____ the green energy _____ electricity _____?

Who _____ the certification process for _____ power vendors?

Is _____ group in charge of _____ sustainable _____.

Which _____ electricity _____ that _____ eco-friendly?

Who governs the Green _____ suppliers?

_____ providers' _____ certification _____ monitored by _____.

organizations keep _____ green _____ certifications _____ electricity suppliers

Which _____ certification _____ responsible for _____ electricity suppliers?

_____ groups _____ certification _____ electricity providers?

_____ groups _____ certification _____ electricity providers?

_____ are _____ overseeing certifications _____ electrical _____ that _____ they _____ green energy sources?

Which _____ are _____ the certification _____ for renewable electricity _____?

_____ organizations _____ watch _____ energy industry's green _____?

Which _____ regulates the _____ of _____ energy for _____?

Is _____ to identify _____ environmental-friendly electricity sellers.

_____ administers _____ certifications for _____ suppliers?

_____ overseeing body _____ supplier certification?

Is there _____ for _____ environmental-friendly electricity _____?

Who _____ the _____ of _____ green- power suppliers?

_____ the _____ Energy Certification _____ Electricity _____?

_____ groups help _____ electricity _____?

_____ groups certify _____ Power _____?

_____ are organizations _____ the _____ certifications.

Who follows _____ suppliers?

_____ in _____ electricity provider _____ that aim _____ achieve _____ Energy certification?

_____ Electricity suppliers' _____ certifications?

Who _____ energy _____ of power _____?

_____ of _____ providers is monitored _____ several entities.

_____ green _____ certification for electricity suppliers?

_____ entities handle green _____?

Is there _____ body _____ checks _____?

_____ is _____ in _____ green-power _____?

Electricity _____ Green Energy _____ is _____ by _____?

_____ oversees _____ for electric suppliers?

Which _____ help _____ certification for _____ suppliers?

Who _____ in _____ of the certification _____ of _____?

There _____ monitor _____ energy for _____ companies.

Who _____ responsible _____ the greener _____ validation _____ electrical suppliers?

_____ tracks _____ for electric companies?

Which _____ responsible for overseeing _____ energy certification _____?

Who _____ energy _____ power companies?

_____ groups _____ the _____ of clean _____?

_____ decides about _____ certification _____ eco-friendly _____?

Who is in charge of _____?

The _____ Energy Certification _____ of _____ are _____ by certain _____.

_____ watches Green _____ electricity providers?

_____ responsible for _____ environmental-friendly electricity _____?

Who decides _____ certifications _____ suppliers?

_____ in charge of the _____ green power _____?

I _____ to know _____ organizations _____ in _____ of _____ energy _____ for _____.

Are _____ certifying green energy amongst _____ Suppliers?

Who establishes _____ certifying green-power _____?

Which organization _____ processes for _____ suppliers?

Which groups _____ electricity _____.

Who _____ evaluating environmental friendly _____?

Regulators _____ electricity _____ green _____ ?
Which entities _____ green energy _____ of _____ ?
_____ know who _____ for _____ renewable energy certifications for _____ ?
Who _____ certification of _____ suppliers?
Who is _____ of green _____ accreditation of _____ ?
_____ gives green energy _____ suppliers?
Which entities oversee _____ of _____ who claim to _____ energy _____ ?
_____ you _____ is responsible _____ evaluating the _____ electricity _____ ?
Who _____ eco-certifications _____ power _____
What _____ the organizations that _____ certification _____ providers?
What entities are _____ electricity _____ ?
What _____ responsible for overseeing _____ green energy _____ ?
I _____ like _____ if _____ is _____ ensures eco-power supplier certification.
Who _____ for eco-certifications _____ ?
_____ gives Green _____ to _____ ?
_____ regulate _____ accreditations of _____ vendors?
_____ responsible _____ evaluating _____ electricity _____ ?
_____ there any entities _____ verification _____ certifications for _____ utility companies?
There _____ associations and _____ eco-friendly _____ among Electricity _____ .
_____ Green _____ monitored by entities.
Does _____ who _____ charge of certifying _____ power _____ ?
_____ eco-certifications for _____ providers?
_____ responsible for certifying _____ Energy?
_____ the _____ of eco-friendly _____ suppliers?
What _____ watch for green _____ electricity _____ ?
_____ does the certification _____ electricity _____ .
Who _____ green energy _____ ?
Who _____ Eco-certifications _____ suppliers?
Who _____ certification of _____ power vendors.
_____ if any _____ regulates _____ accreditation _____ green-electricity vendors.
Who _____ eco-certifications _____ power _____ ?
What organizations watch _____ eco-friendly _____ ?
_____ of _____ certificationprocess for renewable power vendors?
eco-friendly _____ certifications _____ monitored _____
Who _____ in _____ of the _____ provider programs _____ to get _____ ?
_____ responsible for _____ of _____ claim to use green energy _____ ?
Who checks _____ the _____ validation system _____ by _____ ?
_____ is _____ overseeing _____ suppliers _____ claim to _____ green energy sources?
Any regulators _____ Green Energy _____ electricity _____ ?
_____ entities _____ out _____ energy _____ ?
Which _____ energy certification _____ providers?
Which bodies _____ responsible _____ overseeing _____ ?
What organizations _____ eye on green _____ for _____ ?
Which organization is _____ Green _____ certifications _____ Suppliers?
_____ charge of the _____ of green-power suppliers?
Which _____ responsible for _____ electricity _____ ?
Who _____ an _____ for power _____ ?
Which _____ is _____ of green energy _____ suppliers?
Which entities _____ the green _____ providers?
Who _____ Green _____ power suppliers?

____ reviews ____ power suppliers?
 ____ is ____ power suppliers?
 ____ reviews electricity ____ green ____?
 ____ is in ____ renewable power ____?
 ____ entities ____ suppliers ____ claim to use green energy sources?
 Can ____ who is responsible ____ environmental friendly ____?
 ____ entities ____ you ____ are ____ for ____ electricity sellers?
 Electricity ____ Energy ____ monitored ____ entities.
 Which organization is ____ charge ____ Green ____ electricity suppliers?
 Who makes ____ certification ____ renewable power vendors?
 ____ are ____ for certifying ____ suppliers that claim to ____?
 Green ____ certification ____ electricity suppliers ____ by some ____.
 ____ you tell ____ regulators responsible ____ clean-energy validation ____ electrical ____ vendors?
 Which ____ of eco-friendly ____ providers?
 ____ in charge ____ certifying ____ energy?
 ____ green energy ____ are monitored ____.
 ____ supervises ____ provider programs ____ to achieve Green ____?
 The ____ of ____ electricity ____ overseen ____ who?
 The verification of renewable ____ done by entities.
 What ____ keep an eye on ____ certifications ____?
 Any ____ or bodies regulating eco-friendly credentialing ____ be ____.
 ____ it possible ____ responsible for evaluating ____ electricity ____?
 ____ entities that oversee the ____ energy accreditation ____.
 Who ____ Green Energy ____ for ____?
 ____ tracks ____ Certification ____ electricity providers?
 ____ regulates ____ suppliers for ____ certifications?
 Is it ____ to ____ friendly electricity sellers?
 ____ associations ____ eco-friendly ____ Electricity Providers.
 Who ____ in control of ____ certification ____ for ____?
 ____ are ____ of overseeing ____ energy certifications?
 Who is ____ charge ____ provider programs that ____ to ____ green ____?
 Which entities ____ certifications ____ electric ____ companies?
 ____ are monitoring electricity providers' ____?
 ____ organizations are responsible ____ green ____?
 The ____ of ____ electricity ____ done by ____.
 Which organizations ____ in charge ____ for ____ suppliers?
 ____ organizations look after ____ certification ____ companies?
 Which ____ certifications of electrical suppliers ____ claim ____ use ____ sources?
 ____ do green ____ accreditation ____ suppliers?
 Entities ____ electricity providers' ____.
 ____ groups ____ certification of ____ providers?
 ____ eco-friendly electricity ____?
 Who regulates ____ green ____ power ____?
 ____ are entities ____ evaluate ____ electricity ____.
 ____ me about the ____ make ____ validation is done among electrical ____?
 ____ organizations ____ eco-friendly electricity ____?
 Which entities ____ responsibility for ____ who claim to ____ energy ____?
 Who checks ____ of certifying ____?
 ____ watches ____ Certification ____ Electricity Suppliers.
 Which ____ play ____ role ____ green ____?

_____ for evaluating _____ electricity sellers?
 _____ body _____ watches over eco- _____ suppliers?
 Who _____ eco-certifications _____ suppliers?
 Is it _____ entities that verify _____ energy _____ electric utility _____?
 _____ there a _____ make sure _____ are certified?
 I have _____ about _____ green energy certification _____ suppliers.
 Electricity _____ certification _____ by various entities.
 Who _____ certifications for the power _____?
 _____ is _____ supervisor _____ green energy _____ for _____ suppliers?
 Can _____ me which organizations look _____ energy _____ certifications?
 Is _____ identify the entities _____ verify _____ certifications _____ electric utility _____?
 Who _____ the _____ validation _____ for _____ suppliers?
 Which _____ oversee _____ certification _____ energy for _____ suppliers?
 _____ are _____ that _____ electricity certifications.
 _____ approves Electricity _____ energy _____?
 _____ you tell _____ about the _____ are _____ clean-energy validation among _____ vendors?
 Which _____ are _____ green energy _____?
 Who is _____ charge of _____ Certification programs of _____?
 Which _____ eco-friendly electricity _____ certified?
 Which entities _____ certifications _____ suppliers _____ use green _____ sources?
 _____ providers' Green Energy Certification?
 There are organizations who _____ for _____ companies.
 _____ is in control _____ Green Energy _____ Power _____?
 _____ regulates _____ process _____ certification for _____ power _____?
 Which _____ in charge of _____ Certification process for _____?
 Is there _____ into _____ responsible _____ validation _____ electrical service vendors?
 _____ eco-certifications for power _____?
 _____ know which entities _____ responsible _____ environmental-friendly electricity _____?
 _____ organizations _____ for _____ energy certifications for _____.
 There _____ that regulate _____ among Electricity _____.
 _____ it possible _____ entities responsible for _____ electricity _____?
 _____ ones certify _____ for _____ standards?
 Is _____ a body _____ makes sure suppliers _____?
 Who determines _____ of _____ suppliers?
 Which _____ certify _____ for _____ energy?
 _____ organizations are _____ of Green _____ Certification _____ Suppliers?
 _____ there _____ body in _____ certifying _____ suppliers?
 _____ of _____ green-power supplier process?
 _____ is in _____ certifying _____ for power companies?
 Which _____ firms _____ renewable energy _____?
 Which _____ Green Energy _____ process for _____ Suppliers?
 Which _____ monitor the _____ providers' _____ programs?
 _____ gives _____ Energy Certification _____ Electricity _____?
 _____ regulates _____ Energy Certifications _____ Electricity _____?
 _____ bodies are responsible _____ certification _____?
 _____ electricity suppliers _____ accreditations for _____ practices?
 Who _____ tabs _____ for power _____?
 _____ tell me about _____ regulators responsible for _____ electrical _____ vendors?
 _____ tracks _____ certification for _____ suppliers?
 Who _____ responsible for _____ the _____ of electrical _____ that _____ to use _____?

_____ renewable _____ certification for _____ companies?

Who controls the _____ for _____?

_____ is _____ charge of the _____ provider programs _____ achieve _____ Energy _____?

Green _____ achieved _____ suppliers is overseen _____ who?

I need _____ which green _____ oversee _____ suppliers.

_____ know _____ responsible for _____ renewable energy _____ of _____ utilities?

_____ for power suppliers _____ governed _____ who?

_____ groups _____ with certifying eco-friendly _____?

_____ the process of _____ green-power suppliers?

Which organizations are _____ charge _____ the _____ for Electricity _____?

_____ entities _____ green _____ of electric suppliers?

_____ responsible _____ certifying green-power _____?

Who _____ Electricity _____ Energy _____?

_____ organizations _____ eco-friendly electricity _____?

The Green _____ is monitored by _____ entities.

Who _____ in _____ of _____ accreditation of _____ suppliers?

_____ to know _____ any organization _____ the _____ of green-electricity _____.

Who _____ Green _____ of _____ Suppliers?

Which _____ with green _____ electricity suppliers?

Who has _____ Green _____ for power _____?

There _____ organizations that monitor _____.

_____ works to _____ suppliers?

Which groups _____ eco-friendly _____?

Who _____ certifying green-power suppliers?

_____ certification of eco-friendly _____ suppliers?

Which _____ eco _____ electricity _____?

_____ green _____ organizations are _____ of _____ electricity suppliers?

Eco-power supplier _____ overseen by _____.

Who _____ of _____ electricity suppliers?

_____ supervises _____ Energy _____ for power _____?

_____ eco-friendly electricity _____?

Who is responsible _____ Energy _____ achieved _____ suppliers?

_____ there _____ that governs the _____ of _____ suppliers?

Any _____ certify green _____ Suppliers?

Who _____ for eco-friendly electricity _____?

Which _____ the _____ energy certification process _____ electricity _____?

_____ decides _____ certifying green-power suppliers?

Who is in _____ of _____?

Which _____ sure _____ eco-friendly electricity providers are _____?

Which organization _____ supervisor _____ the _____ processes _____ Electricity Suppliers?

_____ Electricity Suppliers' _____ certifications?

_____ keeps track of _____ for _____?

Which _____ certify _____ electricity _____?

_____ is responsible for _____ electricity _____?

_____ is _____ charge of Green _____ Certification for _____?

Who _____ responsible _____ certification for _____ providers?

_____ organizations certify _____?

The _____ Energy certification of electricity _____ monitored _____.

Which _____ monitor _____ energy _____?

_____ organizations are _____ Energy _____ for Electricity Suppliers?

Which _____ the _____ of _____ Power _____ suppliers?

_____ many _____ supervise the _____ energy for _____ Suppliers?

_____ organization that monitors the green _____ of _____ industry?

_____ process for renewable power _____?

_____ you tell _____ which _____ are responsible for _____ environmental-friendly _____?

_____ administer _____ energy _____ utility firms?

Who _____ in charge of green _____ suppliers.

Who _____ green _____ certificates to _____?

_____ organizations _____ use to _____ renewable electricity _____?

What _____ for _____ certification?

_____ governs _____ energy certifications _____ the power _____?

_____ agencies are _____ for _____ energy accreditation _____ suppliers?

Who monitors renewable _____ providers?

The _____ certify Clean Power _____.

_____ are organizations that _____ credentialing _____ Providers.

_____ Energy Certifications for Electricity _____?

_____ the _____ of power _____?

Which entities are _____ of overseeing _____ of _____ suppliers?

The green _____ for _____ is _____ by different _____.

Who _____ renewable energy _____ power _____?

_____ in charge of _____ for _____ power vendors?

Which _____ certify eco-friendly electricity _____?

Who administers the _____ eco-friendly _____?

_____ is responsible _____ certification _____ suppliers?

What controls _____ of certifying _____?

_____ about the _____ Energy _____ for power _____?

Which _____ charge of the Green _____ certification for _____?

_____ gives _____ energy certifications _____ power _____?

_____ is in charge _____ green-power suppliers' _____?

Which _____ renewable energy _____ for _____?

_____ gives _____ for power _____?

I'm _____ know what _____ for green energy certifications _____.

The _____ Energy Certification programs of _____ providers _____ supervised _____?

Is _____ ensures eco- _____ supplier certification?

Who monitors _____ environmental _____ of _____?

There are _____ certify _____ power _____.

I want _____ know if _____ supervise the _____ green energy _____.

What _____ the organizations _____ certifications?

_____ is _____ charge _____ certifying green-power _____?

_____ there _____ verification of renewable energy _____ for electric _____?

_____ there bodies _____ are responsible _____ overseeing _____ energy _____?

Who oversees _____ certification of _____?

_____ you _____ me _____ entities supervise _____ green energy?

Which entities have _____ responsibility of _____ electrical _____ who _____ sources?

Which entities _____ in _____ of overseeing _____ of _____ that _____ use _____ energy _____?

Which groups _____ providers

_____ ecofriendly electricity providers?

Which entities are tasked with certifying _____ suppliers _____ green _____?

_____ organizations that _____ renewable _____ electric companies.

Which _____ are _____ certifying renewable _____ providers?

Which _____ oversee _____ of eco-friendly _____ ?

Can _____ us about _____ regulators _____ for _____ clean-energy validation _____ vendors?

_____ are in charge of _____ power _____ ?

Who is tasked _____ suppliers?

_____ Green Energy Certification _____ Suppliers?

Who _____ green _____ electric suppliers?

_____ the _____ oversee green energy _____ for electricity _____ ?

Is _____ an organization _____ watches _____ industry's _____ certifications?

Which _____ is _____ of _____ of electric suppliers?

_____ green energy certification for _____ ?

_____ sure suppliers comply _____ standards?

Is there _____ charge _____ sustainable _____ of power?

Is there _____ that monitors _____ of _____ amongst Electricity _____ ?

_____ in Charge of the certification _____ renewable _____ ?

_____ is _____ of the certifying process _____ green-power _____ ?

Which _____ watch _____ Green Energy _____ ?

_____ manages _____ certification _____ for _____ electricity _____ .

_____ providers' Green Energy _____ monitored _____ entities.

_____ unclear _____ regulates renewable _____ certification for _____ providers.

_____ are _____ that _____ sustainable _____ sources

Which organizations _____ green _____ accreditation _____ ?

_____ Electricity Suppliers' _____ Certifications?

_____ in charge _____ energy _____ for power suppliers?

What regulates _____ energy _____ power _____ ?

_____ regulates green _____ certification _____ suppliers?

_____ for _____ energy _____ for electric companies?

Is there a _____ that _____ supplier _____ is _____ ?

Which _____ groups _____ eco-friendly electricity _____ ?

_____ monitors electrical _____ greener _____ validation _____ ?

Who controls _____ process _____ certification _____ renewable _____ ?

Is _____ insight into the _____ ensure clean-energy _____ among _____ service _____ ?

_____ oversee green energy _____ suppliers?

_____ there a group _____ is in _____ sustainable power _____ ?

Green Energy _____ overseen by who?

_____ watches eco-certifications _____ power _____ ?

Who _____ the Green Energy Certification _____ by _____ suppliers?

Who _____ renewable _____ for power _____ ?

_____ certify _____ from its suppliers?

Which groups certify _____ power _____ ?

Does _____ for _____ suppliers?

_____ for electricity _____ Green _____ ?

What are _____ oversee the _____ green energy?

Which _____ is in charge of _____ certification _____ Electricity _____ ?

Who _____ eco-certifications _____ power _____ ?

Are any entities responsible _____ among Electricity _____ ?

Who provides _____ energy _____ suppliers?

Who is _____ charge of _____ programs _____ to _____ Energy _____ ?

_____ bodies _____ responsible _____ energy certification?

Which _____ manage eco-friendly _____ ?

Who tracks _____ of _____ ?

_____ runs green _____ for _____ companies?
 How _____ manage the certification _____ electricity providers?
 _____ are _____ that certify _____ electricity _____.
 _____ organizations are _____ of the _____ green energy?
 _____ you tell me _____ the regulators _____ for _____ clean-energy _____ service _____?
 _____ organization _____ of Green _____ for Electricity Suppliers?
 Who are _____ people in _____ of _____?
 Who controls _____ green _____ certification _____?
 _____ and _____ regulating eco-friendly credentials for Electricity _____.
 _____ who manage the _____ for renewable electricity _____.
 _____ any entities _____ for evaluating _____ electricity _____?
 _____ green energy certification _____ suppliers?
 _____ certify clean _____ suppliers.
 _____ groups _____ in charge _____ certification _____ electricity _____?
 _____ it possible _____ name entities _____ environmental friendly _____ sellers.
 Who _____ the _____ certification _____ suppliers?
 Which groups _____ certify Clean _____?
 Who _____ green _____ certificates?
 _____ for renewable electricity providers _____ by _____ organizations.
 Who _____ control of _____ green _____ for power _____?
 Green _____ is _____ by _____ entities?
 What _____ are _____ the certification _____ renewable _____ providers?
 There are _____ that _____ Sources.
 Which _____ involved _____ certifying electricity _____?
 _____ organizations watch _____ electricity _____?
 _____ the _____ energy accreditation of _____?
 Who manages the Green _____?
 _____ organizations _____ renewable _____ certification _____ companies.
 There are _____ electricity _____.
 _____ certification of _____ electricity providers?
 Are _____ aware _____ entities _____ environmental friendly electricity _____?
 _____ agencies _____ the _____ energy accreditation _____ suppliers?
 _____ entities are responsible _____ oversight _____ suppliers?
 _____ is in _____ certification of _____ electricity _____?
 _____ is _____ of electricity suppliers' _____ certification?
 _____ of electric _____ by which entities?
 Which organizations _____ responsible for certifying _____ energy _____?
 Which _____ regulate _____ accreditation _____ electric _____?
 What _____ eco-friendly electricity _____?
 Are there entities _____ evaluate _____?
 _____ entities ensure green _____ for _____?
 _____ green groups _____ energy _____?
 _____ green energy _____ suppliers is overseen _____ entities.
 Do you know who _____ for evaluating _____?
 Which _____ certification for electricity _____?
 _____ monitor electric companies for _____?
 _____ the _____ for _____ electricity providers?
 Can _____ us _____ is _____ for evaluating environmental-friendly _____?
 I was wondering _____ oversee _____ energy _____ electricity _____.
 Who _____ in charge of _____ electricity _____ programs _____ to _____ Green _____?

_____ Green _____ Certification _____ electricity _____ are overseen _____ which institutions?

There are _____ in _____ of _____ power _____.

Which _____ Power _____ suppliers?

_____ the Green Energy _____ program of electricity _____?

_____ Green _____ for electricity suppliers?

_____ are organizations _____ the energy _____ certifications.

_____ processes green _____ power suppliers?

_____ green _____ validation system _____ by electrical suppliers?

_____ entities that _____ power certification.

Which _____ energy certification for _____?

_____ oversees _____ Energy _____ power suppliers?

_____ organizations _____ green energy _____ suppliers?

_____ entities are in _____ electrical _____ who _____ to _____ green?

Who _____ green source validation _____ used _____ electrical _____?

The _____ of green _____ electricity _____ is _____ entities.

_____ entities ensure the _____ energy _____ suppliers?

_____ tell me who is responsible _____ evaluating environmental- _____?

Which organization is _____ the _____ process for _____ Suppliers?

Who _____ the green energy _____?

Who makes sure the _____ suppliers _____?

Are there _____ charge of certifying _____?

_____ bodies that _____ eco-friendly credentialing _____ Electricity Providers _____ be _____.

_____ what organizations _____ an _____ on green energy _____ suppliers.

Who _____ power providers?

Which organization _____ charge _____ the _____ certification _____ for electricity _____?

Who _____ renewable _____ certification for _____.

There _____ of certifying _____ power sources.

Can _____ tell _____ the regulators _____ are _____ for _____ energy validation _____ service _____?

Who _____ Green _____ for power _____?

_____ an eye on _____ eco-friendly electricity _____?

_____ runs _____ green _____ certifications _____ suppliers?

Which _____ green energy _____ of electric _____?

Is there _____ of _____ renewable _____ certifications _____ electric utility companies?

Which organizations _____ responsible _____ energy certification for _____?

_____ body responsible _____ certifying eco-power _____?

Which organizations _____ renewable electricity providers?

What groups oversee _____ electricity _____?

_____ are involved _____ green energy?

Someone _____ energy certification for _____.

Which _____ green energy accreditation _____?

_____ regulates _____ score tests for your _____?

_____ Suppliers' green energy _____?

_____ of the certification process _____ power vendors?

What _____ are _____ energy certification procedures?

_____ monitors the _____ certification _____ electricity _____?

Which organization is _____ of _____ energy _____ for _____?

_____ bodies are _____ for _____ suppliers _____ to use green _____ sources?

Which _____ environmental-friendly electricity sellers?

Who is _____ charge _____ certifying suppliers _____?

_____ entities track electricity _____ energy _____?

Which organizations _____ of _____ electricity _____?

_____ group is _____ of certifying _____ Power from _____?

_____ entities _____ of electrical _____ claim to _____ green energy _____?

Can you shed _____ regulators _____ ensure _____ electrical service vendors?

Who _____ for certification of _____?

Which groups _____ certify _____ electricity _____?

Which organization _____ certifying _____ suppliers who claim _____ use green _____?

Who _____ certifying renewable _____ certificates of _____ companies?

_____ Electricity Suppliers' _____ Energy _____?

Green _____ of electric suppliers _____ entities.

How _____ electricity providers _____ Energy _____?

Which _____ monitor the green energy _____ suppliers?

How many _____ watch for green _____ certifications _____?

_____ organizations _____ in charge of Green _____ Suppliers?

_____ companies oversee _____ electrical suppliers _____ claim to _____ green _____?

_____ organizations _____ charge of _____ green energy _____ of _____ suppliers?

Which entities _____ Green _____ Certification?

There may _____ regulatory institutions _____ power generation _____.

_____ bodies _____ regulate _____ among Electricity Providers should _____ highlighted.

Who _____ sure that power _____ Certification?

_____ approves _____ suppliers' _____ energy _____?

_____ question of who _____ the _____ process for _____ vendors.

_____ any _____ responsible for evaluating environmental-friendly _____?

Who _____ responsible for _____ electrical _____ they use green _____?

Who _____ of renewable power _____?

_____ responsible for _____ of power _____?

Who _____ in charge _____ the _____ renewable power _____.

_____ groups certify _____ suppliers?

Who _____ certificates _____ electricity _____?

Which _____ certify _____ providers?

Who _____ responsible _____ checking _____ renewable energy _____ electric _____ companies?

_____ governs _____ certifications for _____ companies?

What organization manages _____ certification process _____?

_____ organizations oversee _____ of _____ suppliers?

Which groups _____ Clean _____.

_____ entities are responsible for _____?

_____ electricity provider programs trying to attain _____ Energy _____?

_____ electrical suppliers' green _____ system?

Who _____ suppliers _____ green _____?

There _____ question about _____ controls _____ process of _____ suppliers.

_____ the groups _____ renewable _____ providers?

_____ is in _____ of overseeing _____ electrical _____ that _____ to _____ green _____ sources?

Which _____ for _____ the _____ energy certifications?

Who regulates _____ process for _____?

_____ work _____ Green Energy certification for _____?

_____ watches _____ eco-certifications for _____?

_____ the entities _____ supervise the _____ green energy?

Who issues _____ suppliers?

_____ makes sure the eco-friendly _____?

_____ is _____ Green _____ Certification of _____ providers?

____ groups ____ Power from their ____?
 Can ____ explain who ____ evaluating ____ electricity sellers?
 ____ regulates ____ Green ____ Certifications ____ Electricity ____?
 Is there ____ organization in ____ of ____ power ____?
 ____ there an organization ____ oversees ____ certification for ____?
 ____ an ____ responsible for evaluating ____ electricity ____?
 ____ green energy certification ____ for electricity suppliers?
 Who ____ certifications ____ electricity suppliers?
 There ____ certify ____ energy providers.
 What bodies are ____ green ____ certification ____?
 The bodies ____ overseeing ____ procedures?
 Who is ____ certification ____ green-power suppliers?
 ____ keeps ____ on the ____ source ____ system used by ____?
 Who ____ charge ____ the ____ for ____ power vendors?
 Who ____ Energy Certification for ____?
 Eco-friendly ____ certifications are ____ by ____.
 The certification ____ for renewable ____ providers is ____.
 ____ organization deals ____ Energy ____ for ____ Suppliers?
 ____ green energy ____ for ____ suppliers?
 ____ organisation is ____ charge ____ energy ____ for ____ suppliers?
 There are ____ and ____ that regulate ____ Electricity ____.
 Who is ____ green ____ amongst Electricity Suppliers?
 ____ know ____ organizations that monitor green certifications ____ industry?
 ____ any organization ____ regulates ____ accreditation ____ green-electricity vendors?
 ____ certification of renewable electricity ____?
 There are ____ renewable electricity providers.
 Is ____ for ____ environmental-friendly ____ sellers?
 ____ are ____ that ____ renewable energy ____ for electric ____ companies?
 Which ____ of certification of eco-friendly electricity ____?
 Which ____ are ____ for ____ that say they use green ____?
 ____ green energy ____ for ____ suppliers?
 Which company ____ certification ____ for ____ power ____?
 Is ____ body that oversees ____ certification of ____?
 Which organizations ____ Green ____ Electricity ____?
 Does anyone ____ who regulates ____ grants ____ green ____?
 Who ____ for certifying ____ suppliers?
 I ____ organizations keep an ____ on ____ energy ____ electricity ____.
 Is there anyone responsible ____ electric utility ____?
 Whom is responsible ____ certifications of electrical suppliers ____ claim ____?
 ____ suppliers ____ claim to ____ green energy sources?
 Which organizations are responsible for overseeing certifications ____ electrical ____ to ____?
 Who is ____ charge ____ Energy ____ power suppliers?
 Are ____ entities that verify ____ certifications for ____?
 ____ watches ____ green source ____ system ____ by electrical ____?
 ____ suppliers' green energy certificates?
 ____ for green energy?
 Who ____ certifications for ____ suppliers?
 ____ oversee the ____ accreditation ____ suppliers?
 ____ oversee ____ green energy ____ electricity suppliers?
 Eco-friendly ____ are ____ who?

_____ has _____ certification of _____ power vendors?
_____ entities oversee the _____ that claim to _____ energy?
Who watches _____ Energy _____?
Which _____ oversee _____ certification _____ providers?
The _____ Certification _____ Electricity Suppliers _____ overseen _____ which organizations?
_____ in charge of renewable _____ qualification for _____?
_____ of _____ is _____ by an organization.
Who _____ of _____ green power _____?
Which _____ regulates _____ energy accreditation _____ suppliers?
_____ the _____ evaluate _____ electricity sellers?
Which organization is involved _____ certification _____ electricity _____?
_____ green energy _____ for power _____.
Is there _____ that _____ sure eco-power suppliers _____?
Which _____ renewable energy certification for electric _____?
Which _____ certification _____ electric companies?
Which _____ Clean Power _____?
_____ is _____ charge of _____ electrical _____?
Which entities are responsible _____ suppliers that _____ they _____?
Can _____ tell _____ which organizations watch _____ green _____?
_____ regulates power suppliers' _____?
Which _____ certification for _____ suppliers?
_____ watch _____ electricity providers' Green _____?
Which _____ work _____ of _____ electricity _____?
What _____ watch _____ for _____ certification?
Are _____ any _____ that oversee green _____ certification _____?
Which _____ for Electricity Suppliers?
_____ body _____ ensures _____ supplier certification?
What _____ the _____ that watch electricity _____ green _____?
Who is _____ of Green Energy _____ for _____?
Which _____ are in charge _____?
_____ regulates _____ Energy _____ for _____ Suppliers?
_____ Green Energy _____ for _____ Suppliers.
_____ organization regulates the _____ electric suppliers?
_____ for power suppliers?
Are there _____ who _____ energy _____ electric _____ companies?
Which institutions _____ green _____ electricity providers?
What _____ involved _____ green _____ certification for electricity _____?
Does an organization _____ sure that _____?
Which _____ power from _____?
What are _____ green energy certifications _____ suppliers?
_____ are _____ responsible _____ overseeing green _____ certification?
Do _____ regulate the _____ green electricity _____?
_____ are responsible _____ of _____ suppliers who _____ to use green _____?
_____ eco-certifications of power _____?
What organizations _____ tabs _____ energy certifications for _____?
_____ any entities _____ monitor _____ certification of _____ Electricity Suppliers?
Which _____ responsible for certifying _____?
Which organizations _____ for _____ companies?
Which organizations are _____ charge _____ eco-friendly _____ providers?
_____ reviews the _____ of _____ electricity _____?

_____ organizations _____ qualification for utility _____?
 There _____ energy _____ of electric utility companies.
 Is _____ identify entities _____ for evaluating environmental- _____ sellers?
 _____ watches eco-certifications _____ suppliers?
 _____ keep an _____ electricity providers' Green _____ Certification?
 Is _____ to identify _____ responsible _____ environmental-friendly electricity _____?
 I want to _____ organizations _____ energy certifications for _____.
 Is _____ identify _____ that evaluate environmental _____ sellers?
 Who _____ responsible _____ energy certification _____ suppliers?
 Who monitors _____ suppliers' _____?
 Which entities _____ responsible _____ certifying _____ suppliers _____ claim _____ use green _____?
 _____ is in charge of the green _____ for _____?
 _____ any entities that _____ green energy _____ electricity _____?
 _____ you tell me _____ the _____ that evaluate _____?
 _____ for the certification _____ eco-friendly electricity _____?
 _____ organization _____ of green-electricity vendors?
 Who is _____ energy _____ for power providers?
 _____ it possible _____ identify _____ that _____ environmental-friendly _____ sellers?
 _____ checks _____ for power _____?
 Who makes sure _____ suppliers _____ energy _____?
 Who are _____ entities _____ verify renewable _____ certifications for _____?
 _____ out _____ certification process _____ renewable electricity providers?
 Is _____ certification _____ electricity _____ managed by organizations?
