

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Renewable energy options availability
Inquiry Sub-Category	Community Solar Programs
Description	Customers inquire about community solar initiatives, which allow them to participate in shared solar projects and benefit from renewable energy without the need for installing solar panels on their properties.
Data Size	10,546 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Does joining ____ communal ____ venture ____ individuals more ____ their ____ choices ____ traditional ____?

Can opting for ____ communal ____ project ____ have more control over ____?

____ higher degree of control over one's ____ preferences ____ sun-powered ____.

Communal ____ power could mean ____.

Is it ____ to have ____ my energy choices ____ joining a ____?

Does ____ energy decisions?

____ projects empowering individuals' energy ____?

Communal solar projects can ____ more ____.

Can I ____ choices ____ joining a community solar ____?

____ having ____ solar project increase ____ control ____ energy ____?

____ a solar ____ give ____ better ____ energy choices?

____ the joining ____ a solar ____ me power ____?

____ it ____ community solar program to ____ more ____ renewable energy options?

____ projects may give ____ choices.

____ have more ____ over my energy ____ by ____ a community ____?

Communal ____ can facilitate ____ choice ____.

____ solar ____ give you ____ choice?

____ for ____ communal solar project allow ____ more informed energy ____?

Can ____ give rise to increased ____ energy ____?

____ in a ____ solar ____ to increase our influence ____ energy choices?

Do communal solar projects ____ people ____ decisions?

____ collective sun-powered enterprise ____ people more ____ in choosing ____ energy ____?

Is teaming up with ____ communal solar ____ to ____ to ____ control ____ energy use?

____ control of energy decisions enhanced by ____ ventures?

____ joining a solar initiative ____ it ____ control ____?

Is ____ to ____ energy decisions?

Communal ____ may ____ more say ____ power choices.

Does ____ in solar ____ choice?

____ up ____ solar ____ mean power decision ____.
 ____ it ____ for me ____ energy choices by ____ a community ____.
 Can I get ____ endeavor ____ will ____ me greater authority on ____ electricity ____?
 Will ____ communal ____ project ____ my own energy ____?
 ____ a ____ initiative increase ____ energy ____?
 By ____ together with a ____ co-op, can ____ their energy ____?
 Can ____ a solar ____ my ____?
 ____ joining ____ group solar initiative give ____ to ____ sources?
 ____ a ____ of a communal solar initiative to ____ in ____ power my home?
 ____ sun-powered ____ give ____ greater control over ____ energy choices?
 Do ____ over their ____ methods ____ they are in ____ group ____ effort?
 Do ____ more influence ____ their ____ methods ____ they ____ sun-driven efforts?
 ____ I join ____ to ____ more influence ____ my energy choices?
 Can opting ____ communal ____ give me greater influence over ____?
 ____ joining a communal ____ give ____ control?
 Communal sunlight initiatives could ____.
 Does signing up ____ shared ____ the power ____?
 ____ projects enhance individual ____?
 ____ collectives ____ for energy ____.
 ____ choose ____ energy source ____ I ____ a ____ group?
 Is it possible to get ____ a ____ sunlight-driven ____ more authority ____ electricity ____.
 Do community-based solar initiatives ____ their ____?
 ____ compared to ____ solar initiatives ____ individuals ____ over ____ personal power preferences.
 Collective ____ can ____ decision-making.
 Do ____ initiatives give ____ more ____ use compared to ____ approaches?
 There ____ benefits ____ of a communal ____ with ____ to individual influence ____ energy ____.

 ____ get better control ____ my ____ choices by ____ a ____?
 ____ sun-powered projects ____ help with ____.
 Is joining a solar initiative enough ____?
 ____ communal sun ____ help with my ____?
 ____ solar initiatives could ____ authority ____ how they acquire and ____.
 ____ a solar initiative ____ you ____ energy?
 Is ____ to get ____ power choice through involvement ____?
 Does joining a solar ____ offer you ____ control ____?
 ____ involvement with collective ____ endeavors ____ some control ____ electricity ____?
 Is participating in ____ community ____ for ____?
 Do I get ____ my ____ when I use ____?
 Is ____ a ____ empowering individuals?
 Can ____ in shared sunlight ____ one's ____ agency?
 Does joining a ____ you ____ control?
 ____ collectives enable energy ____?
 Will ____ projects ____ over my energy choices?
 ____ I get ____ with ____ shared sunlight-driven endeavor ____ exercise greater ____ electricity ____?
 Communal ____ power ventures can ____ for energy ____.
 Communal solar ____ the potential ____ more ____ energy choices.
 ____ community-based sun-powered initiatives ____ more ____ electricity use?
 Communal ____ give ____ control over ____ choice.
 Should we ____ a group-driven ____ endeavor ____ gain increased ____ our ____?
 Is ____ initiatives enough to ____ power choice?

____ going ____ solar going to ____ more authority ____ energy ____?
 ____ individual ____ control be ____ communal solar ____?
 Communal ____ ventures ____ people ____ sway ____ power choices.
 ____ decisions may ____ improved by participation in ____ ventures.
 ____ sun power do you ____ more ____?
 Communal ____ ventures may ____ more ____ over ____ choices.
 Does joining ____ community-run project ____ power over your ____?
 ____ solar ____ give ____ more authority over the ____ energy.
 ____ initiatives ____ give ____ increased authority ____ how they use ____.
 ____ to traditional ____ community-based ____ give people ____ over their power preferences?
 With ____ solar ____ can ____ regain complete control over ____?
 Will joining a ____ initiative give me more ____ determining ____ sources ____ traditional methods?
 ____ ventures ____ grant ____ sway ____ individuals over ____ power choices.
 Is ____ we will ____ energy ____ by ____ in a solar endeavor?
 Communal sunlight ____ can ____ control.
 Do ____ more ____ over my energy?
 Can ____ power control ____ a ____ group?
 ____ up with a solar project ____ more ____ over ____ energy ____?
 When ____ comes ____ selecting one's own ____ sources, ____ of a shared ____ venture ____ independence?
 ____ solar ____ give me more individual ____ my ____?
 ____ a solar ____ help me control ____ use?
 ____ collectives useful in ____?
 ____ respect to ____ choices, what are ____ in a solar group?
 ____ solar groups ____ greater ____?
 Communal ____ grant ____ sway ____ their power choices.
 ____ possible to get involved with ____ and exercise more ____ over ____ electricity ____.
 Is it possible ____ individuals to ____ electricity ____ they are involved with ____ sunlight-centered ____?
 ____ solar ventures ____ offer ____ control of ____.
 ____ efforts give people more ____ preferred methods?
 Are ____ the ____ for ____ decisions?
 Do community ____ you ____ over ____ energy choices?
 ____ joining ____ group ____ initiative ____ my authority to determine ____ energy sources, as ____ to ____?
 Community-based ____ might give individuals superior command over ____.
 ____ community ____ give us ____ over our ____ use?
 ____ projects should ____ greater control ____ choices.
 Can neighborhood ____ more ____ to ____?
 Can a group ____ people give ____?
 Communal ____ could ____ more authority ____ how ____ energy compared to ____ approaches.
 Do ____ gain more influence ____ they ____ part ____ a ____?
 Is it possible to ____ a solar ____ power ____?
 Communal solar ____ controlling energy choices.
 Does ____ a community ____ program ____ control over your ____?
 ____ opting for ____ communal solar project allow me ____ decisions ____?
 Can ____ solar ____ give you power ____?
 Do ____ have ____ over your utility ____?
 Does joining a solar ____ have an ____?
 ____ participating ____ a group-driven solar endeavor going to increase ____?
 ____ gain more influence ____ methods when ____ in ____ sun ____ efforts.

 Communal sunlight ____ allow individual _____.

_____ community-based sun-powered initiatives _____ more _____ one's _____ preferences?

_____ joining _____ solar _____ meant _____ energy control?

Communal _____ ventures are _____ to _____ more energy _____.

Can I _____ better _____ by _____ a solar _____?

People _____ over _____ methods _____ they participate _____ a _____ effort.

_____ sunlight-driven _____ allow _____ more control _____ their energy use?

Does _____ sun-powered projects _____ decision _____?

_____ could mean _____ control _____ the energy.

_____ to _____ influence _____ energy choices, what _____ solar group offer?

_____ solar able _____ give _____ authority in _____ decisions?

_____ sunlight _____ can help with _____.

_____ may _____ us _____ say in our _____ choices.

_____ communal solar _____ to provide _____ energy control?

Is it possible _____ me _____ over my energy choices _____ join a _____ solar _____?

Is it _____ for me _____ have _____ sway over _____ energy _____ joining _____ venture?

Are sunshine _____ for _____?

_____ solar projects might _____ power over _____.

Does _____ in a _____ solar _____ you _____ in choosing _____ options?

Is _____ sunshine-based collectives to make _____?

Communal _____ give _____ more _____ over power choices.

Communal solar _____ give people _____ say _____ choices.

_____ solar _____ give us more _____ in how _____.

Communal sunlight initiatives _____ control _____ choice.

_____ it _____ to get real _____ sign up for _____ solar?

_____ we _____ our energy _____ by participating in a solar _____?

_____ participating in _____ community _____ give _____ choosing renewable energy options?

Is the _____ project going _____ my energy choices?

_____ if teaming _____ with _____ solar _____ will give me _____ control _____ energy _____.

Community _____ power over _____ energy choices.

_____ I be given more authority _____ energy sources _____ I _____ solar _____?

_____ people _____ more authority _____ how they use energy.

_____ community-based sun-powered _____ give _____ over _____ electricity use?

Solar community projects _____ more independence in _____ energy _____.

Is engaging in _____ solar project _____ control _____ energy _____?

Communal _____ can _____ more _____ choice.

Can _____ solar _____ energy _____?

Do _____ gain _____ influence _____ are _____ in a _____ sun-driven _____?

_____ wonder _____ using _____ will _____ more say in my energy _____.

_____ community projects able _____ give _____ greater control _____ consumption?

_____ it _____ to _____ decision rights when _____ sign up for _____?

_____ joining a group solar initiative _____ the _____ energy sources?

_____ solar-powered initiatives allow _____ personalized _____ choice?

_____ signing _____ for shared _____ get _____ decision rights?

Communal _____ might _____ more control _____ energy choices.

_____ joining a _____ initiative offer _____?

Is joining _____ initiative _____ to give me _____ my _____ sources?

Do I _____ more control over _____ using _____?

Can _____ collective _____ endeavors _____ more _____ over _____ power sources?

Does _____ a _____ offer _____ control of energy?

Communal solar _____ can _____ over _____.

_____ group _____ initiative _____ me more _____ determine my energy sources?
 Can opting for a _____ solar project _____ greater sway _____ decisions?
 _____ in _____ for my choice?
 Should _____ use sun groups _____ gain more say _____?
 Can community-run _____ projects _____ energy _____?
 _____ community _____ people _____ freedom to regulate their energy _____?
 Can joining _____ collective _____ give you _____ your _____ choices?
 Communal _____ may give individuals _____ over _____.
 _____ possible _____ gain more _____ in _____ when I _____ sun groups?
 People gain _____ influence over _____ methods when _____ group _____ efforts.
 Does _____ a solar initiative lead _____ control _____?
 Communal _____ initiatives _____ power _____ control.
 Can I get better _____ over _____ choices _____ solar _____?
 _____ are _____ in _____ group with _____ to individual _____ over energy choices.
 Will _____ green _____ solar _____ you more authority _____?
 _____ sunshine-based _____ help _____ decisions?
 _____ it _____ to _____ power choice _____ involvement _____ communal, _____ initiatives?
 _____ over energy _____ may _____ engaging _____ a communal solar project.
 Does communal _____ power mean _____ control _____?
 _____ up _____ shared _____ gets _____ decision _____?
 _____ power _____ more energy choice.
 Is _____ possible that joining _____ solar initiative will _____ my authority _____?
 _____ power _____ control over energy.
 _____ of a _____ sunlight-driven venture enough _____ give _____ independence _____ comes to _____ own
 electricity sources?
 _____ groups _____ greater command on _____ utility _____.
 _____ solar _____ may grant _____ power choice.
 Is _____ solar collective enough to control _____?
 _____ control _____ decisions may _____ a communal solar project.
 _____ green with solar give you _____ energy _____?
 _____ participation _____ a solar program _____ you more _____ energy options?
 Will _____ solar group _____ more authority in _____ my _____?
 Is _____ degree _____ over _____ own electricity _____ provided by sun-powered _____?
 _____ participating in _____ program _____ you _____ choice?
 _____ it possible to increase _____ energy decisions _____?
 _____ initiatives empower individuals with superior _____ power preferences?
 Will joining a _____ initiative give _____ increased authority _____ find _____?
 _____ it _____ projects to _____ more control over my energy _____?
 _____ community projects give _____ power _____ their energy _____?
 _____ solar communities make _____ choices?
 _____ sun _____ may mean _____.
 _____ joining _____ sun-powered enterprise _____ freedom over their _____ choices?
 I _____ know if _____ community _____ project _____ sway _____ energy _____.
 _____ a _____ sun project _____ me own _____ energy _____?
 _____ energy _____ offered by _____ communal _____ power ventures?
 _____ it possible _____ get more _____ power _____ through _____ shared _____ project?
 Communal sunlight _____ allow individual _____?
 _____ regain _____ over their energy _____ by _____ with a _____?
 Is _____ to boost _____ energy agency _____ participating _____ projects?
 _____ solar ventures _____ give _____ more sway over _____.
 _____ might give us more say _____ power _____.

Communal ____ initiatives ____ likely to ____ individual ____ ____.

____ solar ____ projects ____ more independence in regulating their ____ ____?

____ power ____ could ____ more ____ choice.

____ it comes to ____ your own ____ becoming part ____ a ____ sunlight-driven venture ____ more ____?

____ a group ____ initiative going ____ grant ____ increased authority ____ my ____ sources?

____ solar initiative good for ____ energy ____?

____ projects may allow ____ more ____ energy choices.

Does ____ sunlight-driven venture give individuals ____ their ____ use ____ traditional methods?

Can ____ community-run solar project give ____ ____?

____ I gain ____ say in ____ energy ____ groups?

____ to join an ample ____ photovoltaic initiative give ____ authority ____ make ____ own ____ ____?

____ my ____ determining ____ energy sources ____ if ____ join ____ group solar initiative?

____ possible for neighborhood ____ increased ____ for energy decisions?

____ in a ____ give ____ more control over ____ decisions?

____ solar initiative ____ to ____ more ____ to determine my energy sources?

____ collectives ____ for energy ____?

Do ____ get more ____ energy usage when ____ sun ____?

Will community-led ____ schemes ____ have ____ enhanced say ____ power?

____ solar ____ give ____ better control ____ their power ____ traditional means.

____ communal solar ventures ____ more ____ control ____?

Will ____ a solar initiative ____ one's ____?

____ true that communal solar ____ more power?

Collective ____ projects ____ individual ____.

____ opting for ____ communal solar project ____ me ____ informed energy ____?

Is ____ control over my energy ____ by joining ____ community solar ____?

Can ____ energy decisions?

____ benefits ____ part of a solar group with ____ influence over ____.

____ solar project ____ over your energy use?

____ joining a ____ offer more ____ of energy ____?

____ sun power may ____ more ____.

____ a ____ sun-powered enterprise ____ more ____ over their ____ selection?

____ initiatives ____ individual energy sovereignty.

____ community solar ____ give ____ more control over ____?

____ joining ____ collective ____ you ____ independence over your ____ choices?

Can some ____ me ____ my energy choices?

____ solar initiatives ____ give people more ____ how ____ energy.

Do community-based ____ initiatives ____ control over electricity ____?

Is ____ possible to gain ____ say ____ using sun ____?

Would becoming ____ a solar ____ allow ____ have more ____ in ____ power my ____?

____ solar ventures ____ give ____ more ____.

____ involved ____ a shared ____ endeavor and have ____ on my electricity ____?

Will ____ communal sun ____ decide on ____ own energy ____?

Signing ____ for ____ solar may have ____.

____ sunshine-based collectives ____ empowering ____ energy decisions.

____ have more say ____ our ____ preferences.

Can ____ collective help me ____ better control ____ my ____?

Can solar projects ____ over my energy ____?

Can opting ____ solar ____ give ____ more power ____ my ____ decisions?

____ community ____ may give ____ control over ____ use.

Does joining ____ give ____ better ____ energy control?

Communal sun power ____ mean ____.

____ solar ____ give greater control over ____ choices.

Can joining a ____ give ____ more freedom ____ selection?

____ I have more ____ my ____ choices by joining ____ solar ____?

____ projects able to ____ greater ____ over my ____ choices?

____ for shared ____ give you power ____ rights.

Are we ____ gain more ____ on ____ choices if ____ in ____ solar ____?

Personal ____ independence ____ be ____ by joining ____ community-run ____.

Can individual control of ____ improved through ____ solar ____?

____ joining ____ solar ____ better for ____?

____ community solar program ____ you ____ control ____ renewable energy ____?

____ joining a ____ give me ____ authority in ____ my energy sources, ____ of ____ traditional ____?

____ working ____ can individuals regain control over ____ priorities?

____ communal ____ give people increased authority over ____ energy?

By working with ____ solar ____ can people ____ control ____ priorities?

Is ____ that ____ renewable schemes give ____ preferred energy sources?

Can participating ____ sunlight projects improve ____?

Can ____ give ____ the power to ____ energy use?

Communal ____ possibly give ____ control over energy ____.

____ sunlight ____ could ____ energy independence.

____ agency may ____ boosted ____ participation in ____ projects.

____ sunlight ____ greater power choice control.

____ say in energy options in Communal sunlight ____.

With ____ to individual ____ energy choices, what ____ advantages ____ a ____ group?

____ join ____ with a solar ____ they ____ complete ____ over ____ energy priorities?

____ respect ____ influence over energy ____ can a ____ group provide?

Communal solar initiatives ____ people's authority ____ how they ____ to ____.

Do ____ individual decisions?

Is it ____ to ____ over my ____ choices by ____ collective?

Is signing up for ____ solar ____ rights?

Communal ____ initiatives ____ individual ____ control.

____ give people more ____ to regulate ____ energy consumption.

____ the communal sun ____ with energy ____?

Do community-based ____ give a ____ degree ____ electricity preferences?

____ communal ____ venture give someone more ____ over ____ use?

____ have ____ the type of ____ I ____ with ____ communal solar project?

Communal ____ may ____ able to ____ more ____ of energy.

____ solar ventures ____ energy control.

When ____ to traditional ____ do ____ empower individuals ____ control ____ their ____ preferences?

____ you ____ solar, do you get power decision ____?

Can ____ join ____ collective ____ better control over my ____?

Is ____ to ____ greater authority on ____ electricity ____ I get ____ a shared ____ endeavor?

____ solar ____ give people ____ authority over how ____ compared to standard ____?

____ projects ____ give ____ control ____ their energy use.

____ it possible ____ have ____ influence over my ____ decisions ____ I choose a ____ solar ____?

____ membership in a ____ solar ____ grant personal ____?

____ we participate in a group-driven ____ endeavor ____ increased influence ____ energy ____?

Does ____ a shared ____ give you ____ when ____ to selecting your ____ electricity sources?

____ sunlight projects help boost ____?

____ communal solar ____ help ____ make my own ____?

Communal _____ might be _____ to _____ more _____.

Communal sun power _____ more _____ of _____.

Can individuals _____ control _____ their energy priorities by _____ forces _____ _____?

_____ allow for individual energy _____.

Will _____ a group solar initiative _____ to determine _____ sources?

Would joining an _____ photovoltaic initiative give _____ more _____ with _____ _____?

Is _____ a group-driven _____ endeavor likely to increase _____ _____?

_____ solar _____ greater control on _____ choices.

Can solar projects _____ me more _____ of _____?

Is _____ to _____ me _____ individual control over my energy _____.

Does _____ shared solar entitle _____ to _____ decision _____?

Can opting for a _____ solar _____ me _____ over _____ choices?

_____ projects _____ decision making _____ energetics

_____ joining a solar collective _____ me _____ control over _____?

Can _____ a collective _____ enterprise _____ over their energy _____?

_____ it _____ that we will _____ increased _____ on _____ choices by participating _____ solar _____?

_____ solar _____ more _____ in our power preferences.

_____ may gain increased influence _____ choices by _____ in _____ solar _____.

_____ solar _____ may _____ energy _____.

Will teaming _____ with a communal _____ project _____ me _____ have _____ my _____?

Communal _____ projects _____ allow greater _____ choices.

_____ I influence _____ energy _____ a _____ solar _____ of sticking to traditional _____?

Collective _____ improve _____ decision-making _____ energetics.

A higher degree of _____ one's _____ be provided _____ community-based _____ initiatives.

Can _____ greater control over _____ type _____ energy _____ by _____ up with _____ solar _____?

Is _____ a _____ sunlight-driven _____ going to _____ more _____ over their _____?

_____ solar initiatives can empower _____ with superior _____ power _____.

Should _____ participate _____ group-driven _____ endeavor _____ order to _____ on our _____ choices?

_____ like to _____ part _____ a communal _____ gives _____ more say in how _____ power my _____.

Solar _____ you more _____ your pick.

Can _____ control be _____ communal solar _____?

_____ projects _____ greater _____ over energy choice.

Is teaming _____ with a _____ to make me _____ more _____ over _____?

_____ projects can _____ some control _____ energy _____.

Can _____ energy source by _____ a solar _____?

Can solar _____ with greater _____ my _____ choices?

_____ joining _____ initiative give _____ more _____ over energy?

Individual decision-making _____ improved by _____ sun-powered projects.

_____ a community solar program _____ you _____ control over _____?

_____ able to decide _____ energy _____ by joining _____ solar _____?

Do _____ initiatives empower individuals _____ over _____ power preferences?

Communal solar _____ can _____ more _____.

Do _____ gain more say in your _____ sun _____?

Can solar _____ projects _____ it easier to _____?

_____ participating _____ solar endeavor likely to _____ on our energy choices?

_____ becoming _____ shared _____ venture afford more _____ choosing your own electricity _____?

_____ I gain more say _____ my _____ sun _____?

_____ community _____ give individuals _____ to regulate _____ energy consumption?

Would joining _____ initiative allow _____ to _____ how _____ home is powered?

Is becoming part ____ a shared _____ to _____ more ____ in choosing their ____ electricity ____?

Is _____ given _____ energy decisions ____ community solar ____?

Can ____ of a solar _____ control?

Can I _____ collective and _____ control ____ my ____ choices?

_____ community-run ____ project ____ you freedom of choice?

Is sunshine-based collectives _____?

_____ solar initiatives ____ give _____ in how they ____ energy.

Communal solar ____ can _____ control _____ choices.

Can ____ have more say in ____ I ____ my _____ I ____ part ____ a _____?

Can communal _____ give people _____ over how they acquire _____?

_____ join a community solar ____ to influence _____?

_____ neighborhood ____ give ____ authority ____ energy ____?

_____ achieve greater ____ over electricity options ____ a shared ____ project?

Can I have more sway over ____ energy ____ if _____?

_____ it _____ solar ____ projects give individuals ____ control over ____ energy ____?

Individual control _____ may _____ enhanced ____ participation _____ solar ventures.

Can ____ with collective sunlight-centered ____ give people _____ electricity ____?

Is ____ possible that collective _____ will _____ individuals ____ control over _____?

_____ solar ventures ____ grant increased power _____.

Is _____ for communal ____ ventures ____ have ____ individual energy ____?

_____ you ____ a ____ group to _____ control?

I would like to know if _____ communal _____ me to ____ more say _____ is _____.

_____ sun-powered ____ enhance individual _____

_____ solar ____ might ____ control _____ choices.

_____ projects can offer _____ control.

Communal ____ ventures _____ individuals ____ control ____ power choices.

_____ joining ____ communal sunlight-driven venture give _____ of ____ energy ____?

_____ solar _____ better command over their power ____?

_____ possible ____ communal ____ ventures ____ offer ____ individual energy control?

_____ the ____ solar initiatives ____ people ____ authority ____ how ____ use ____?

_____ solar projects might ____ better _____ choices.

People gain ____ influence ____ their preferred _____ in a group sun _____.

_____ going to gain _____ on ____ energy ____ if ____ participate in ____ solar ____?

_____ initiatives might give people increased _____ to use _____.

_____ part of a _____ venture _____ more ____ in choosing your own _____?

_____ means, can ____ solar initiatives _____ superior command ____ their power preferences?

Is ____ possible for _____ on ____ electricity choices if ____ get ____ in a shared ____ driven ____?

_____ it _____ more control ____ energy ____ by ____ sun power?

Is it ____ for ____ projects _____ greater individual _____ my ____ choices?

_____ it ____ for _____ to enable personalized ____ choice?

Can opting _____ project allow _____ make better decisions about ____ energy ____?

Can ____ part in shared sunlight projects _____?

Can _____ collective sunlight-centered _____ individuals _____ their electricity sources?

By _____ with _____ co-op, _____ regain complete control of their _____?

_____ solar ____ projects _____ more flexibility in controlling ____ energy ____?

_____ getting involved ____ a shared ____ endeavor, can _____ authority on ____ electricity ____?

Can individuals _____ over _____ joining ____ with ____ solar co-op?

Does solar ____ projects _____ more power to _____ energy ____?

Do communal sunlight initiatives _____?

_____ personal energy ____ be increased by _____ initiative?

Can _____ communal _____ project _____ me to _____ on my energy decisions?

One's energy agency _____ be _____ in _____ sunlight _____.

Communal _____ initiatives _____ power choice _____.

Does _____ a community _____ project give _____ independence?

Can _____ get involved with a _____ sunlight-driven _____ in order _____ over _____ choices?

_____ communal _____ venture enough _____ give _____ control over their energy _____?

_____ regain _____ over _____ priorities by joining _____ solar co-op?

Is _____ possible _____ personalized power _____ by _____ in sun-powered _____?

Communal _____ projects _____ give _____ choices.

Does it grant personal _____ independence to _____?

_____ higher degree of control _____ one's _____ may _____ provided by _____.

Can _____ more _____ over _____ electricity sources _____ they _____ in collective sunlight _____?

_____ I join _____ venture, _____ have more _____ over my _____ choices?

Communal _____ may _____ energy choices.

_____ joining _____ solar project allow for _____ independence?

Does _____ driven venture give _____ over their _____ use than _____ methods?

Do community-based _____ initiatives give _____ more control over _____?

Is collective sun-powered projects _____?

Could sunshine-based _____ for energy _____?

_____ likely to _____ increased influence _____ our energy _____ by _____ part _____ a _____ endeavor?

Does _____ communal _____ venture give _____ more control _____ your _____?

_____ joining a collective _____ enterprise _____ control _____ energy use?

Collective _____ projects may _____.

Can _____ gain _____ over my _____ by _____ a _____ collective.

Do _____ allow _____ personalized _____ choice?

_____ to _____ do community-based _____ initiatives _____ greater control over _____ power preferences?

_____ solar _____ people more power over _____ energy compared to standard _____.

_____ communal _____ power mean _____ over _____ energy?

_____ people _____ over _____ priorities _____ joining forces with a _____ co-op?

Individual _____ decisions _____ be _____ participation _____ communal solar ventures.

_____ choosing _____ own _____ sources, does becoming _____ of a _____ venture give _____?

_____ joining a _____ sunshine-driven _____ give _____ control over _____ energy _____?

Can _____ sunlight-centered _____ give _____ a _____ in _____ electricity _____?

_____ a collective sun-powered enterprise _____ freedom _____ their energy _____?

Will teaming up _____ communal solar project _____ to control _____?

Will _____ with _____ solar _____ me _____ better control _____ my energy usage?

_____ more _____ choice in communal _____?

_____ the _____ help me make _____ own _____ about energy?

_____ community-run solar project give you personal _____?

Is there _____ get more _____ over _____ a shared _____ project?

_____ solar ventures _____ give _____ more _____ over power _____.

_____ up with _____ communal _____ me have greater _____ over my energy _____?

Are sunshine-based _____ energy _____?

_____ initiatives give you _____ choice?

_____ possible that communal _____ ventures _____ individual energy _____?

_____ opting _____ a _____ solar project allow _____ of _____ in _____ energy decisions?

Communal _____ initiatives may _____ give people _____ authority over _____ they _____.

_____ up _____ communal solar project going _____ enable me _____ have more _____ over _____ energy _____?

Is _____ empowering individuals?

_____ a collective sun-powered _____ give you _____ freedom _____ selection?

Communal _____ can _____ energy sovereignty.

_____ solar-powered _____ able _____ power choice?

_____ communal _____ driven venture give people more _____ their _____ choices?

Can I join _____ solar group _____ sources?

Is _____ degree of control _____ own electricity _____ community-based _____ initiatives?

_____ respect to individual influence _____ energy choices, what _____ solar _____?

Can _____ a collective _____ more _____ their energy selection?

_____ solar initiatives might _____ people with _____ over _____ energy compared to _____.

_____ teaming up with _____ solar _____ going to _____ me _____ over the _____?

Is empowering individuals' energy choices _____ endeavor?

Does neighborhood solar _____ you _____ decisions?

Will teaming up _____ a solar _____ give _____ use?

_____ communal solar initiatives _____ more _____ over _____ they get _____ energy?

I _____ if _____ sun power _____ over energy.

Communal solar ventures _____ to grant _____ to _____.

Can _____ a communal _____ me _____ of a say _____ energy decisions?

_____ involved _____ shared sunlight-driven _____ can I _____ greater authority _____ my electricity _____?

_____ in shared sunshine _____ energy agency?

_____ solar _____ give greater _____ over energy _____.

Will joining a _____ give _____ more power _____ determine my _____?

_____ becoming part of a _____ initiative will give _____ say in _____ I power _____ home.

_____ a community _____ me make _____ energy choice?

Communal _____ more individual energy _____.

Community _____ ventures might _____ their own decisions.

_____ sunlight-driven ventures give people _____ over _____ than traditional methods?

Does joining _____ venture _____ individuals more _____ over _____ energy _____.

_____ sun-powered enterprise give individuals greater _____ over their _____?

_____ power _____ give people _____ power?

Can solar community _____ give individuals more _____ over _____ than _____?

_____ sunlight _____ allow individual energy _____?

_____ higher degree _____ over _____ own electricity _____ is offered _____ initiatives.

_____ ventures may offer more _____.

_____ sunlight _____ potentially _____ individual energy _____.

Can I have more control over _____ type _____ teaming _____ a _____ project?

_____ community _____ give individuals _____ over their _____ use?

_____ joining a _____ initiative give _____ of _____?

_____ an _____ photovoltaic initiative give me _____ over _____ choices?

_____ groups increase _____ say in _____ use?

Is _____ to have _____ influence over _____ decisions if I _____ for _____ solar project?

Can joining _____ enterprise _____ more flexibility _____ their energy _____?

Does _____ for shared _____ actual rights?

Will joining _____ solar group _____ my energy _____?

Will _____ group _____ initiative increase _____ authority _____ energy sources?

Is my choices _____ if I _____?

Can _____ get _____ through joining _____ group?

Will the communal _____ me _____ better _____ choices?

Community _____ may _____ power to _____ people.

_____ the sun _____ help _____ own energy sources?

Collective _____ might _____ decision-making.

Do sun-powered _____ allow for _____?

Community-based _____ give individuals _____ their personal _____ preferences.

Does joining a _____ project _____ you _____?
