

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Network connectivity and signal issues
Inquiry Sub-Category	Coverage area expansion
Description	Customers inquiring about the availability or expansion of network coverage in their geographic area, seeking information on future plans and timelines.
Data Size	9,050 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

What are _____ mobile data networks locally?
_____ you be _____ local _____ internet speeds?
What _____ it _____ to providing strong _____ data networks?
_____ of beefing up the _____ these parts?
_____ you gonna _____ service?
What steps are you going _____ in order _____ local _____ ?
Are _____ to enhance our _____ ?
_____ can _____ the local _____ services better?
What _____ your plans _____ the local _____ ?
_____ you _____ our mobile _____ stronger _____ your area?
_____ you do _____ boost local _____ ?
_____ there any _____ to beef up _____ networks?
_____ you _____ to increase mobile _____ ?
_____ intend to improve the _____ networks in _____ ?
Is there _____ plan _____ stronger mobile _____ locally?
_____ planning _____ improving _____ mobile _____ infrastructure?
_____ steps _____ taking to _____ the _____ of our local _____ data _____ ?
_____ are _____ for _____ stronger data _____ ?
Do you intend _____ mobile _____ infrastructure?
Are _____ thoughts _____ nearby wireless _____ ?
Will _____ increasing _____ internet speeds?
_____ you _____ to _____ your _____ network?
Are you beefing _____ ?
_____ you desire _____ mobile networks _____ ?
_____ are any _____ local data _____ ?
_____ you _____ on _____ local _____ internet _____ soon?
Is there _____ up _____ mobile networks?
Are _____ planning _____ the _____ mobile data _____ ?

_____ you _____ developing _____ networks nearby?
 Do _____ on doing _____ will _____ mobile data?
 _____ there _____ to increase _____ mobile _____ these parts?
 _____ you be _____ on _____ networks nearby?
 _____ you _____ improving _____ mobile network _____?
 How _____ you want _____ the quality _____ local _____ network _____?
 _____ you step it up with _____ data _____?
 _____ improve our local _____?
 _____ it _____ reinforcing close-range _____ links?
 Is there _____ plan in _____ to improve _____?
 _____ planning _____ promote _____ data networks _____ here?
 _____ on _____ local cellular infrastructure?
 _____ you improve _____ data _____?
 Are there _____ local mobile _____?
 Will your _____ increase speed _____ reliability _____ wireless _____?
 _____ of bolstering nearby wireless _____?
 _____ are your _____ to _____ your _____?
 Can you boost _____?
 _____ have any plans to enhance _____ the _____ networks?
 Do you _____ to _____ local _____?
 What _____ are being _____ to _____ data _____ better?
 _____ you _____ signals _____?
 _____ be a _____ updating _____ mobile data coverage?
 _____ way to promote mobile data networks _____?
 _____ local data _____ services _____ soon?
 Are _____ any _____ beefing _____ our mobile _____?
 _____ to _____ our _____ data _____?
 _____ think _____ can promote mobile _____ around here?
 _____ you really want _____ mobile _____ networks?
 _____ you are _____ to improve _____ connections?
 _____ you _____ plans to _____ up _____ networks around _____ parts?
 _____ you _____ to increase _____ networks?
 _____ your _____ give _____ better _____ networks?
 How _____ you improve _____ mobile _____?
 How ready _____ you _____ reinforce _____?
 _____ have _____ plan _____ enhancing _____ communication in _____ area?
 Will _____ your _____ internet _____?
 _____ is _____ reinforcing close-range _____ links?
 Will _____ improving mobile _____ speeds?
 _____ local data network _____ improved?
 Is _____ any plan _____ the _____ our _____ data networks?
 _____ you _____ our _____ data networks?
 _____ intending _____ local cellular infrastructure?
 Do _____ about boosting _____ quickly?
 _____ of _____ plans to improve our _____ infrastructure?
 _____ an intent _____ boosting _____ cellular _____?
 Do _____ a _____ for increasing _____ internet access _____?
 _____ will _____ improve the _____ network services?
 _____ you _____ strengthen the data _____?
 How do you _____ improve _____ quality of _____?

Plans for _____ cellular _____?

How _____ you plan _____ the _____ of the _____?

_____ there any _____ the _____ connections nearby?

_____ there any intention _____ boost _____?

Do you intend _____ provide _____ networks _____?

_____ intent be _____ increase _____ cellular _____?

_____ intentions _____ stronger _____ mobile service?

_____ there anything _____ are doing to _____ wireless _____?

Will _____ signals?

How do _____ plan to _____ local _____ data _____?

Is _____ intentions _____ boost _____ infrastructure?

Do you _____ you _____ mobile _____?

Does _____ have any _____ beef _____ our mobile _____?

_____ you step _____ and promote mobile _____ networks _____?

_____ data network services better?

_____ you try to _____ speeds soon?

Are _____ to _____ the mobile _____?

Is the intent _____ infrastructure?

_____ it _____ stronger mobile data networks locally?

Do _____ have a _____ our mobile _____ stronger _____?

Will you _____ broadband _____?

Do _____ a _____ to improve _____ mobile network?

_____ are _____ reinforce close-range _____ links?

_____ are _____ doing _____ increase _____ wireless _____?

I _____ know about your _____ for _____ networks.

Is _____ plans _____ a stronger _____?

Is _____ plan to _____ our mobile _____?

_____ is _____ improved local _____ networks?

_____ plans _____ in _____ improving our cellular _____?

Will there _____ focus _____ mobile _____ coverage?

Can we _____ data _____ area?

_____ the local _____ infrastructure?

_____ data _____ all round here?

Can _____ increase _____?

_____ way to _____ connections nearby?

_____ any plans to upgrade _____ terrible cellphone _____?

_____ your _____ result in _____ reliable and _____ networks?

There are _____ plans _____ cellular infrastructure?

Are _____ to _____ your mobile _____?

_____ doing to boost _____ network?

What _____ you be taking in order to _____ networks?

_____ with _____ local mobile internet?

How _____ you enhance _____ of _____ mobile _____?

_____ do you intend _____ stronger _____ data _____?

What are _____ increase wireless _____ in your _____?

Can _____ that _____ cellular _____ will be stronger?

_____ there any _____ cellphone connections to _____?

Can there be intentions _____ mobile _____?

_____ are your _____ for _____ networks?

Do _____ have _____ to improve the _____ of _____ mobile _____?

_____ y'all _____ any plans _____ our mobile _____?

What are _____ to _____ bolster the quality of _____ networks?

Specific _____ wireless networks?

_____ tell _____ what your _____ are _____ improving _____ data networks?

_____ the local mobile internet?

Do _____ to improve _____ mobile _____ in _____ area?

Do _____ plans _____ to the mobile _____?

_____ to improve our _____?

_____ do you _____ about providing stronger mobile _____?

_____ do you increase _____?

_____ there any _____ improve _____ cell infrastructure?

Are _____ to _____ our _____ service soon?

_____ you improve _____ data network?

Can _____ assure better cellular _____?

Are you _____ on increasing the _____.

How _____ you make _____ local mobile _____?

_____ you plan to _____ data on our _____?

How _____ you boost _____ infrastructure _____?

Can _____ cellular internet _____ our _____?

_____ to know _____ you plan on improving _____ mobile _____.

What steps would _____ like to take _____ improve _____ of _____ data _____?

Do you _____ improve the _____ mobile _____ networks?

Want improved _____?

Is _____ intentions _____ a _____ mobile _____?

_____ you _____ mobile network?

_____ your plan include improvements _____ the _____ network _____?

Will you _____ mobile _____?

_____ plan _____ make _____ networks better?

_____ want to _____ our mobile _____ at _____?

Would you _____?

_____ you doing _____ strengthen the mobile _____?

_____ it because _____ want _____ improve _____ internet?

What are _____ doing _____ wireless _____ nearby?

What _____ are _____ put _____ place to _____ mobile _____ networks?

_____ committed _____ to reinforcing _____ cellular _____?

Do _____ the strength of the local mobile data _____?

_____ plan for _____ mobile capacity _____?

_____ you want _____ improve your _____ mobile _____?

_____ wireless _____ is a _____ goal?

Can _____ assure _____ that _____ will _____ cellular connections?

_____ strengthening our _____ networks locally?

_____ it your _____ to _____ mobile networks _____ locally?

_____ you try to _____ mobile _____?

_____ you have any plans to _____ our _____ networks?

_____ your intention _____ our mobile _____ stronger?

_____ there _____ improve local _____ connections?

Are you _____ mobile networks _____?

_____ have any plans _____ the local mobile _____?

_____ have _____ for _____ local mobile networks?

What strategies are being _____ the local _____?

____ you improve those ____ networks ____ ?
 Are ____ any ____ beef ____ their ____ networks?
 ____ be ____ to improve ____ data ____ ?
 ____ you ____ improve our mobile networks ____ ?
 ____ you ____ regional ____ communication?
 ____ want ____ strengthen ____ local ____ networks?
 How ____ you ____ cellular links?
 What steps ____ you ____ to take ____ mobile data ____ ?
 Are the ____ mobile network ____ improvements ____ ?
 Are ____ any ____ on ____ nearby ____ connections ____ ?
 ____ you have ____ plans ____ beef up ____ in these ____ ?
 ____ you ____ improve the ____ network?
 ____ you ____ how ____ can boost local ____ data ____ ?
 ____ there ____ on ____ wireless ____ quickly?
 ____ assure ____ cellular service ____ the ____ ?
 ____ you going ____ promote the ____ networks 'round ____ ?
 ____ any plans ____ improving our ____ cellular infrastructure?
 Stronger ____ data ____ ?
 ____ way ____ strengthen and improve ____ cellular networks?
 Is ____ possible to assure ____ cellular ____ in ____ ?
 ____ think you will ____ data?
 What do ____ think should ____ done ____ our ____ connection?
 ____ there ____ measures in ____ to improve ____ cellular ____ ?
 ____ do you think should be ____ web ____ around ____ parts?
 Improving ____ infrastructure?
 Are ____ planning ____ mobile networks ____ your locality?
 Do ____ your mobile data ____ ?
 Is it possible ____ y'all to ____ signals ____ ?
 ____ intentions for a ____ service?
 Are ____ to ____ the ____ service?
 ____ do you ____ to ____ quality ____ the ____ network services?
 Do you ____ plans ____ improve ____ cellular ____ ?
 Can you help ____ the ____ here?
 ____ are you doing ____ raise ____ ?
 Do ____ want ____ mobile ____ locally?
 ____ there a ____ local ____ connections?
 Did ____ to improve the mobile ____ area?
 ____ improve our cell services ____ ?
 Are ____ dedicated to ____ local mobile ____ ?
 ____ want to know what ____ are for ____ data ____ .
 What ____ will you ____ in order ____ quality ____ mobile data networks?
 ____ people committed to reinforcing ____ ?
 ____ what your plans are ____ improving ____ data networks.
 ____ improving the ____ mobile network infrastructure ____ ?
 How committed ____ to ____ links?
 ____ better mobile ____ ?
 Do ____ plans ____ strength of our local ____ data networks?
 Do ____ to ____ local ____ Internet?
 Is ____ plan for ____ mobile ____ ?
 Are ____ going ____ mobile networks ____ home?

What are _____ increase the wireless _____ around _____?

Do _____ want to _____ of our _____ networks?

_____ for _____ to _____ local _____ infrastructure?

_____ will you improve the quality _____ network?

Are there plans _____ infrastructure?

Will _____ efforts increase _____ speed for the _____?

_____ you _____ data network _____?

Is it your goal to _____?

How will you _____ mobile _____?

_____ concentrating on developing _____ nearby?

A purpose _____ networks?

There _____ plans to _____ our mobile _____?

_____ improving the local mobile _____?

Will _____ focus on _____ internet _____?

Do you _____ on _____ to improve _____ mobile _____?

_____ you _____ plans _____ beefing _____ our _____ networks?

_____ are you _____ your _____ mobile data network?

_____ to increase their _____ networks?

Do _____ have _____ plan to _____ on _____ phones?

_____ local _____ internet?

Do you _____ quality of _____ mobile network _____?

_____ assure us that our area _____ cellular _____?

I _____ know _____ plan to _____ local _____ data networks.

_____ to improve _____ mobile internet?

Want to get _____ to _____ mobile _____ networks _____?

Do _____ to bolster the quality _____ our local _____?

_____ there be a focus on expanding and _____?

Do you _____ increase our local mobile _____?

_____ you voting to _____ local _____?

Do you _____ to _____ our mobile data?

Can you _____ weak _____ networks _____?

_____ there any _____ improve _____ cellular _____?

Do you _____ make _____ phones _____?

_____ you _____ the signals around _____?

_____ have a _____ mobile _____ in your area?

Can _____ reinforce close-range _____?

_____ local _____ networks _____ from your company?

Will _____ be _____ enhancing _____ connection?

_____ about better _____ coverage _____ area?

What _____ plans _____ enhancing the quality _____ local _____ network _____?

_____ to strengthen _____ local _____ internet speed?

Do you _____ to promote vigorous _____ here?

_____ the aim _____ local mobile _____?

Are you _____ cellular connection in our _____?

_____ devoting _____ improving mobile _____?

_____ you going _____ up _____ mobile service?

Do you _____ any _____ enhance our mobile _____?

_____ planning on _____ the mobile _____ around _____ parts?

Do you _____ any _____ to _____ strength _____ mobile network?

Are there _____ boosting _____ cellular _____?

_____ thinking _____ nearby _____ connections quickly?
_____ the intention be _____ local _____ ?
_____ intend _____ local mobile data networks?
Do you favor _____ local _____ ?
Are you planning _____ networks?
_____ better _____ in our area?
_____ you _____ to _____ the _____ network infrastructure?
_____ you _____ the _____ of _____ mobile data networks?
_____ can _____ to _____ our local cellular _____ ?
_____ local data network _____ soon?
Are _____ working _____ our cell _____ ?
_____ you want to _____ the _____ data networks?
_____ tried _____ mobile _____ networks around here?
_____ are _____ being implemented to increase _____ ?
_____ be able _____ the speed and _____ of _____ networks?
Will _____ improving the local _____ ?
_____ there measures in _____ regional _____ communications?
_____ are you _____ to improve your _____ network?
Will there be _____ upgrade _____ poor cellphone _____ ?
Are you planning _____ data _____ ?
How _____ we enhance _____ local _____ ?
Are _____ for _____ service?
_____ you _____ to increase _____ mobile data?
You want to _____ networks _____ here?
Idea about boosting _____ strength _____ ?
_____ a _____ to _____ nearby wireless networks?
_____ there a desire _____ superior _____ coverage _____ ?
Should _____ improve _____ locally?
_____ are _____ with _____ mobile data networks?
_____ there any _____ local data _____ ?
_____ you have any plans _____ boost _____ ?
_____ your plans to improve _____ ?
_____ going to strengthen _____ service _____ ?
_____ you _____ on improving mobile _____ ?
Are you _____ local _____ internet?
Do you want _____ the _____ of _____ locally?
How _____ we improve _____ cellular _____ ?
_____ deal _____ mobile _____ this area?
Is there _____ plan for improving _____ in _____ ?
_____ plan on _____ your _____ connection?
_____ want _____ our _____ networks stronger here?
_____ you plan on _____ the local data _____ ?
_____ beef _____ the local _____ network?
Are _____ superior cell coverage?
What _____ the steps _____ to _____ the quality of _____ data _____ ?
_____ you intend _____ improve _____ in our area?
How _____ data networks?
Any _____ to _____ connections?
_____ you plan on _____ something to _____ on _____ phones?
Should we take _____ to _____ connection?

____ your ____ about improving the ____ network ____?
 ____ focus ____ expanding ____ strengthening our mobile ____ coverage?
 What are ____ plans to ____ mobile data networks ____?
 The ____ local mobile ____?
 ____ you upgrade ____ local ____ services?
 ____ you ____ something about improving the ____ networks ____?
 ____ we be ____ to expand ____ strengthen ____ mobile ____?
 Do ____ any ____ to ____ local mobile ____ network?
 ____ you want ____ promote the mobile ____ networks ____?
 Are ____ going to strengthen ____ local ____ internet ____?
 ____ assure ____ that ____ has a ____ cellular connection?
 Have ____ ever ____ about promoting ____ networks ____ here?
 ____ making to ____ wireless connections?
 ____ are the ways ____ mobile data networks?
 Have ____ thought ____ boosting ____ connections?
 Are you planning on ____ local ____?
 ____ promote vig'rous mobile ____ here?
 ____ focus on enhancing our data ____?
 Increasing ____ wireless ____?
 ____ you want ____ enhance ____ data ____?
 ____ do you ____ improve ____ mobile data ____?
 ____ increase your ____ in your ____?
 Are you going ____ mobile data ____?
 ____ you intend ____ mobile network ____?
 ____ you actually plan ____ strengthen ____ soon?
 ____ expect ____ data coverage?
 ____ are ____ planning to do ____ bolster ____ quality of ____ networks?
 You might ____ data ____ around here?
 Is there any plan ____ make ____?
 Are you ____ to ____ local ____?
 What goal ____ it ____ nearby ____?
 ____ are ____ doing to ____ wireless ____?
 ____ would like to ____ about ____ improving ____ data networks.
 Are ____ going ____ up ____ phone connection?
 ____ to ____ wireless ____ nearby?
 ____ plan to increase ____ quality of the ____?
 Is there ____ on ____ and fortifying our ____?
 Are ____ planning on ____ our ____?
 Is it your ____ provide stronger ____?
 Are ____ plans ____ better cell ____?
 ____ you ____ to make ____ stronger locally?
 Do ____ a plan for ____ locally?
 Do you ____ wireless ____ nearby?
 Can you ____ difference ____ the ____ networks around ____?
 ____ you planning ____ mobile ____ networks?
 Do you have ____ mobile data networks?
 ____ to improve the quality of our mobile ____?
 ____ you ____ our ____ networks locally?
 ____ you intend to ____ the ____ local mobile ____?
 What are your ____ for ____ mobile data ____ in ____?

Do you _____ decisions to _____ our _____ data _____?
 _____ to _____ wireless connections _____?
 _____ purpose _____ local _____ networks?
 _____ get better data _____?
 Are you _____ on _____ our _____?
 _____ prefer _____ improve your _____ mobile _____?
 Are your efforts _____ to result _____ more _____ networks?
 _____ you like to _____ stronger _____ networks?
 _____ you _____ strengthen our _____ service?
 _____ to _____ the mobile _____ infrastructure?
 _____ you going _____ our _____ service _____?
 _____ you _____ provide _____ mobile data networks _____?
 Are _____ planning _____ ramping _____ the _____ mobile data _____?
 _____ local cellular _____?
 _____ assure _____ a better _____ connection?
 What _____ is made _____ reinforcing _____?
 Are there measures in _____ cellular _____?
 _____ can we _____ data _____?
 Is _____ you will strengthen _____ cell _____ soon?
 _____ are you _____ to do _____ improve _____ quality _____ our _____ data _____?
 _____ you _____ our _____ service?
 _____ to increase _____ number _____ data networks _____ area?
 Do _____ intend _____ local mobile data _____?
 DiscussingExpanding _____ here
 Do _____ a _____ enhance the strength _____ data networks?
 _____ you able _____ mobile _____ networks?
 _____ there a plan to _____ network infrastructure?
 Do _____ have any _____ to _____ the _____ network _____?
 _____ are your _____ the quality _____ local _____ data networks?
 Do _____ want _____ the _____ networks?
 _____ you boost local _____?
 _____ anything you can _____ to _____ local _____ networks?
 _____ boost signals _____ area?
 What _____ be taken in order to improve the _____?
 Something _____ with _____ data networks?
 Will your _____ on increasing _____ mobile _____ speeds _____?
 _____ do _____ the quality _____ our mobile data networks?
 _____ I _____ to increase _____ connections?
 Is _____ plans to enhance _____ of our mobile _____?
 _____ to increase _____ cellular infrastructure?
 _____ improved _____ networks?
 _____ know about your _____ for improving the local _____.
 Intent _____ cellular _____?
 What are _____ plans _____ the _____ of _____ local mobile _____?
 Is there _____ goal for _____ networks?
 Is _____ intent _____ boosting _____ infrastructure?
 _____ there any _____ for _____ service?
 _____ to _____ your local mobile _____ network?
 _____ for _____ data connections?
 _____ planning _____ improving our _____ service _____?

_____ to enhance the local mobile _____?

_____ your plans involve _____ mobile _____?

Was it _____ to _____ wireless _____?

How _____ mobile data _____?

Do _____ any action _____ our _____ data connection?

What _____ to make _____ local mobile _____ networks _____?

I'm _____ in _____ plans to _____ up local _____.

_____ is the _____ goal for _____ networks?

Was _____ local cellular _____?

_____ doing to improve _____ wireless connection _____?

_____ there _____ plan _____ to _____ strength of our mobile data _____?

Do you want _____ networks _____ this area?

_____ you _____ the _____ mobile _____ soon?

_____ a plan to expand _____ mobile _____ networks?

_____ doing _____ wireless connections near you?

Is _____ a _____ for _____ connections _____.

_____ you _____ our mobile _____ locally?

Do _____ boost our _____?

Will you _____ to _____ networks?

_____ there be _____ to improve _____ local data _____?

_____ you want _____ mobile _____?

Will _____ be _____ to _____ cellular _____?

_____ you _____ on _____ the mobile _____?

Is it your priority to improve _____?

Are _____ working _____ mobile _____ networks?

_____ boosting the local _____ intent?

_____ you _____ to increase the quality of _____?

_____ you _____ to enhancing _____ data _____?

_____ any intentions for _____ local _____?

_____ aim for _____ mobile _____?

_____ plans _____ improving _____ mobile network?

Have you thought _____ data networks _____ here?

Do you plan on _____?

Is _____ intention to _____ mobile _____ networks?

Do you want _____ develop _____ me?

_____ steps will _____ take in _____ the quality of _____ data _____?

Is _____ anything in place _____ connection?

Is _____ any _____ our mobile data networks?

How _____ networks being _____ locally?

_____ you doing _____ connections?

_____ you going _____ do _____ improve _____ quality of the local _____?

_____ they _____ any plans to _____ their _____ networks?

I _____ plans for a _____ net access.

_____ will _____ be _____ to _____ mobile data networks?

_____ are intentions for _____ service?

Are _____ any _____ improve their mobile _____ parts?

I want to know _____ there _____ for _____ infrastructure.

_____ to improve _____ local mobile network _____?

_____ you want _____ improve _____ networks.

Want _____ promote _____ data networks _____?

____ we be ____ local ____ ?
 How committed ____ you ____ cellular ____ ?
 Do ____ plans to ____ our ____ ?
 Do you ____ to develop ____ mobile ____ close ____ ?
 ____ want to ____ mobile data networks ____ ?
 ____ increase data availability?
 Can ____ mobile data ____ ?
 ____ be ____ for stronger mobile ____ ?
 can ____ better ____ coverage?
 ____ for boosting ____ cellular ____ ?
 ____ you going to make ____ mobile ____ ?
 ____ going ____ boost ____ cell service?
 ____ there be ____ data coverage ____ ?
 ____ there plans to ____ our ____ ?
 Will ____ concentrate on ____ the ____ speeds?
 Can ____ be a ____ on ____ and enhancing ____ data ____ ?
 Any ____ for ____ cellular ____ ?
 Do you have a ____ the mobile ____ ?
 What are ____ intentions for ____ ?
 ____ will you boost ____ of our ____ data ____ ?
 ____ prefer ____ improve the ____ internet?
 ____ there anything ____ can do ____ our ____ data?
 The ____ of ____ our area's ____ ?
 Will our focus ____ on ____ coverage?
 Is ____ our local mobile networks?
 ____ there any ____ to ____ cellular ____ ?
 Do you want ____ promote mobile data ____ ?
 ____ local mobile network infrastructure ____ your plans?
 Does anyone have ____ of beefing ____ mobile ____ ?
 ____ you want to boost ____ ?
 To ____ networks?
 ____ promote mobile data ____ ?
 Do ____ have ____ to ____ data networks in ____ area?
 ____ you have ____ plans to ____ the ____ of ____ data networks?
 ____ be ____ improve the ____ data network services?
 ____ there be a ____ expanding the ____ mobile ____ ?
 Do you ____ mobile network?
 ____ going ____ do ____ to boost ____ crappy mobile ____ ?
 ____ you ____ provide ____ mobile data networks?
 ____ being used to improve ____ local mobile ____ ?
 Are you ____ the ____ data network?
 ____ towards ____ close-range cellular ____ ?
 ____ to do to improve your ____ connections?
 Is ____ on ____ local ____ ?
 Is it ____ make our mobile networks ____ ?
 ____ you like ____ promote mobile ____ round ____ ?
 ____ to improve local ____ internet?
 ____ can ____ improve ____ local ____ data ____ ?
 ____ plans ____ to strengthen our mobile data ____ ?
 There are ____ for enhancing ____ ?

Do _____ want to improve _____ quality of _____ mobile _____?
 _____ your _____ result in faster and _____?
 _____ your _____ lead to _____ reliability and _____ for _____ wireless _____?
 _____ you planning _____ improve _____ networks?
 How _____ you _____ local _____ network _____?
 _____ boosting nearby wireless _____?
 _____ are _____ for improving _____ local cellular _____?
 _____ you _____ stronger mobile _____ your area?
 _____ to _____ local _____ infrastructure?
 _____ to reinforce _____ cellular links?
 Improving the local mobile _____ is _____ that _____ be _____ in _____.
 Do you have _____ strength _____ our mobile networks?
 Is there _____ to upgrade these _____ cellphone _____?
 _____ improve the _____ data network services?
 There _____ an objective _____ networks?
 _____ strengthening _____ mobile _____ networks?
 Is _____ any plan _____ these _____?
 _____ you make _____ that our _____ stronger cellular _____?
 What are your plans _____ give stronger _____?
 What are the plans _____?
 Are _____ devoted _____ improving _____ internet?
 _____ there _____ an emphasis _____ expanding our _____ data _____?
 Can _____ strong cellular _____ in _____ area?
 Are _____ planning on doing _____ will _____ data?
 _____ you _____ to promote mobile _____ this area?
 Are _____ going to _____ with _____ mobile data _____ here?
 _____ are _____ taking _____ increase wireless connections _____ you?
 _____ to our data networks?
 _____ plans in _____ to strengthen _____ mobile data networks?
 _____ devoting _____ the local _____ internet?
 _____ to provide _____ data networks here?
 _____ beef _____ your mobile _____ service?
 _____ are _____ on _____ cellular links?
 Will _____ be _____ reliability _____ speed in our wireless _____?
 _____ plans for _____ mobile connection _____?
 Do you _____ any plans _____ improve _____ our _____ locally?
 _____ strengthening _____ mobile _____ networks in your _____?
 _____ are you going _____ the _____ network services _____?
 What _____ towards reinforcing close-range _____?
 _____ I expect to _____ better data connections?
 _____ there a _____ and improve _____ cellular connections?
 _____ there any plans _____ local _____?
 There _____ to _____ data network?
 _____ see _____ data coverage _____ area?
 _____ about _____ the _____ mobile network _____?
 _____ there _____ you _____ increase wireless connections _____?
 _____ expect _____ data _____ here?
 Do you _____ service soon?
 The _____ behind _____ our area's _____?
 Are _____ actually going to _____?

_____ increased reliability _____ speed for our wireless _____?

Is _____ to _____ wireless connections quickly?

_____ there _____ improving our _____ cellular _____?

_____ you have _____ plans _____ the local data networks?

The plan _____ mobile _____?

Do _____ for _____ stronger _____ mobile service?

_____ are _____ to boost wireless _____ you?

_____ a _____ enhance _____ connection locally?

_____ are you _____ to _____ stronger mobile data _____?

How _____ you _____ stronger _____ data networks locally?

_____ you _____ providing stronger _____ networks locally?

Will _____ be an _____ data _____?

_____ you propose to _____ networks?

I am curious about _____ improving _____ data _____.

_____ you know any _____ improve _____ infrastructure?

_____ you want _____ enhance _____ mobile _____?

Do you _____ make our _____ networks _____ home?

_____ intentions for stronger _____ service?

_____ you _____ your mobile network?

Are _____ going to _____ of mobile _____?

_____ you going to _____ networks in _____ area?

_____ there measures in _____ to _____ cellular _____?

_____ you going _____ local _____ data networks?

_____ there be _____ for stronger _____?

Is _____ wireless infrastructure _____?

_____ you increase _____ speed?

_____ there any plans _____ in the area?

_____ are there _____ a _____ local _____ service?

_____ there a _____ provide superior _____?

_____ there plans _____ improving _____ mobile network _____?

You plan _____ service?

Are you making _____ to _____?

_____ focus on expanding our _____?

Do _____ have any _____ increase _____ strength of our _____?

Will your _____ in _____ reliability _____ speed for _____ networks?

Improved local _____ networks _____?

_____ to _____ cellular infrastructure?

Are _____ planning on _____ to boost our _____?

_____ us better cellular _____?

Could _____ intentions for _____ stronger _____ mobile _____?

Are _____ planning _____ mobile data networks?

Are _____ improving our _____ data _____?

Is there _____ to provide _____?

_____ you _____ anything _____ strengthen our _____ network?

What _____ you _____ do to _____ data networks locally?

Can _____ expect _____ data?

_____ to _____ nearby _____ quickly?

_____ you aspire _____ mobile networks?

_____ interested in promoting mobile _____ networks _____?

Is _____ plans _____ improve local _____?

Are you ____ to ____ local ____ internet ____?

____ improve our area's ____ network?

Are there ____ enhancing mobile ____?

Do ____ to ____ mobile ____ speeds?

____ actions ____ to ____ our local data connection?

What do you intend ____ to ____ data ____ locally?

____ it true ____ you ____ going ____ our cell ____?

Do ____ have plans ____ improve ____ of your ____ networks?

____ going to strengthen ____ service?

____ will ____ local data ____?

____ you ____ improved ____ mobile ____?

____ really ____ to improve ____ data networks?

Are ____ going ____ develop ____ networks ____?

What ____ plan to ____ mobile data ____ locally?

What ____ you ____ do to ____ the ____ of ____ local ____ networks?

____ better ____ in this area!

Is it ____ to strengthen ____ internet ____?

____ plans ____ better cell ____?

How ____ wireless networks?

What are ____ plans to ____ quality ____ our ____ data ____.

____ better data ____ expected in ____?

Will there be ____ upgrade these ____ connections ____?

____ will ____ do ____ improve the quality of our ____?

Do ____ to ____ the strength ____ our data networks?

What ____ you do ____ improve ____ local ____ networks?

____ any plans to ____ strength ____ our mobile ____ networks?

Is ____ a plan ____ the local ____?

Are you ____ nearby ____ connections?

Are you ____ service soon?

Are you ____ improve ____ data ____?

What ____ do to improve the quality ____ local ____ networks?

What ____ specific ____ nearby wireless ____?

Are ____ to improve local ____?

____ signals around our ____?

Are there ____ to improve regional ____?

____ your ____ make your mobile data networks ____?

Can ____ sure ____ our ____ a ____ cellular connection?

____ is your ____ wireless connections?

Will ____ focus ____ expanding ____ mobile ____ coverage?

____ we enhance ____ data connection?

Do ____ improvements to your ____?

Are ____ any ____ to ____ the ____?

Will ____ increase ____ cell phone ____?

____ you desire ____ strengthen our ____?

Do you ____ any plans ____ these poor ____?

____ would ____ like to improve the quality ____ local ____?

Are ____ going ____ the ____ service?

____ want to improve ____ local ____ services?

____ you ____ mobile networks to ____ stronger ____?

Do you ____ any ____ beefing ____ mobile networks?

Is _____ in _____ to _____ our mobile data _____?

What steps are _____ wireless connections?

_____ want to _____ improving local _____ internet speeds?

Do you _____ to _____ data _____?

Any plans _____ local _____?

_____ any measures in _____ improve regional _____ internet?

_____ is the _____ in _____ wireless networks?

Are _____ going _____ the _____ service _____?

_____ are you _____ doing to _____ your _____ data _____?

Are _____ plans _____ a stronger _____?

What _____ to provide _____ mobile data _____?

_____ plan _____ enhancing _____ strength of _____ data networks?

_____ we _____ 'round _____ place'?

_____ you _____ mobile network?

Is this intended _____ cellular _____?

_____ working to _____ our mobile _____?

What _____ do _____ increase wireless _____?

Do _____ plan _____ increase _____?

Can you _____ sure _____ better _____ coverage _____ area?

How do _____ feel about making _____ faster _____?

Do you _____ increase the number _____ mobile _____?

What steps _____ you _____ to improve _____ of our _____ networks?

_____ you going to step _____ with _____ data _____ here?

Will you increase _____ number _____ in your _____?

_____ you _____ promote _____ data networks 'round here? _____

_____ want to improve _____ local _____?

Do you _____ of _____ our mobile networks _____?

_____ are _____ going to _____ the _____ local mobile data networks?

Looking _____ mobile internet?

_____ that we have _____ cellular _____?

Are you going to _____ soon?

I _____ to _____ about your plans for _____ networks.

_____ you _____ to assure _____ cellular _____?

The plans _____ our _____?

Will _____ mobile broadband?

A _____ data networks?

_____ increasing local _____ connections?

Is _____ plan _____ mobile networks stronger locally?

_____ we _____ company _____ improve its _____ data networks?

_____ is the _____ goal _____ wireless networks?

_____ you want to _____ your _____ mobile _____ networks?

Will _____ increase _____ mobile _____?

_____ you _____ improve _____ mobile data _____?

Do you _____ capacity _____ your mobile _____ networks?

_____ your attention _____ local _____ internet speeds?

Is _____ on boosting _____?

_____ are you _____ to _____ more _____ nearby?

_____ to bolster _____ connections _____?

_____ to boost _____ infrastructure?

_____ you _____ region's _____ connection?

What _____ being taken _____ improve _____ data _____?
_____ going to bolster _____ quality of _____ local _____ networks?
Can you _____ coverage?
_____ local wireless infrastructure _____?
_____ you _____ to improve the _____ network infrastructure _____ your _____?
_____ plan to _____ mobile _____ networks?
_____ your intent to enhance local _____?
_____ to _____ mobile _____?
Discuss how to _____ around _____.
_____ plan _____ increase _____ number of mobile data _____?
_____ want _____ improve _____ Mobile internet?
_____ decisive actions _____ to enhance _____ local data _____?
_____ you wish to _____ local _____?
