

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle history and accident reports
Inquiry Sub-Category	Salvage Title Inquiry
Description	Customers inquire about vehicles with salvage titles, seeking additional details about the damage that led to the vehicle being declared a total loss, and what repairs were done to make them suitable for sale. This information assists them in understanding the vehicle's value and potential challenges.
Data Size	7,146 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)
