

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Modem or router configuration assistance
Inquiry Sub-Category	Firmware Updates for Modem/Router
Description	Customers may seek guidance on updating the firmware of their modem or router to ensure optimal performance, improved security, and compatibility with new technologies.
Data Size	5,154 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

____ steps ____ needed ____ updating current ____ inside ____ wireless ____ equipment?
How do we ____ ____ ?
____ is it that ____ before ____ ____ wi-fi?
____ need ____ ____ before updating our wireless network ____.
____ steps ____ need to ____ followed ____ ____ existing wireless equipment.
What ____ ____ done ____ upgrade ____ gear?
____ you tell ____ ____ we can update ____ wireless ____ ?
____ do we ____ to ____ ____ of before we ____ ____ network?
____ ____ upgrade our wireless ____ give me ____ rundown ____ what's ____.
Can ____ ____ guide us through the ____ ____ updating ____ wireless ____ ?
What are the ____ ____ ____ networking ____ ?
____ actions ____ ____ wireless update?
____ ____ wi- fi ____ ?
____ actions ____ the ____ ?
____ ____ upgrade our wireless setup, ____ me ____ ____ ____ needs to happen.
____ can ____ ____ networking gear?
____ ____ be taken ____ ____ updating ____ systems.
Can ____ ____ us an ____ of what ____ ____ to deal ____ ____ get ____ ____ equipment updated?
Which ____ needed ____ ____ equipment?
Updating existing ____ ____
____ ____ the upgrade of ____ gear?
____ is ____ ____ procedure we ____ follow ____ enhancing the version of ____ ____ ____ equipment.
____ ____ to be done ____ our ____ ____ before ____ proceed ____ updates?
____ ____ our wireless networking ____ what must ____ do?
____ you have any essential prep ____ to do ____ ____ ____ equipment?
How ____ I prepare ____ ____ ?
____ ____ current ____ ____ what steps are ____ ?
____ ____ gear upgrade?

_____ you _____ what _____ before _____ upgrade our wi-fi?
_____ to upgrade _____ networking _____
What _____ need _____ be _____ for _____ wireless _____?
What _____ required _____ current wireless _____?
_____ requirements _____ wireless equipment?
Will there _____ pre-update _____ equipment?
Is _____ possible to outline the prerequisites _____ the _____?
Changing the _____ versions?
Before we upgrade _____ I want _____ know _____ needs _____ be _____.
_____ help us _____ of updating our wireless _____
_____ should _____ before we update our _____ network _____.

_____ network _____ is required?

Before we update _____ we _____?

Do you have any steps _____ updating _____?

_____ need _____ be taken to _____ wireless _____ now?

_____ enhancing _____ of _____ wireless _____ is _____ a procedure _____ to be followed?

_____ steps prior _____ the network _____?

There are steps _____ need _____ be _____ updating _____ wireless networking equipment.

_____ do _____ upgrade _____ wireless _____?

When _____ wireless _____ is there a specific _____ we have _____?

_____ network _____ there be _____ actions?

What should _____ done before _____ wireless _____ versions?

_____ steps should we take _____ current _____ our _____ networking equipment?

Is _____ a _____ procedure we need _____ to enhance _____ wireless _____?

_____ steps _____ be _____ update current versions _____ wireless _____ equipment?

_____ we refresh _____ wireless networking _____?

_____ are steps _____ you upgrade _____.

How _____ before updating _____?

_____ the _____ prior to _____ the network _____?

_____ do I _____ for _____ versions?

Which _____ precede _____ updates?

Pre- update _____ wireless _____?

Before updating network _____ should _____?

Before we can _____ we should _____ the steps.

Actions _____ to _____ of _____ gear?

Before _____ our current _____ networking _____ what _____ be _____?

_____ procedure we must follow to improve the _____?

The versions _____ wireless networking equipment _____ be _____.

_____ we _____ procedure _____ our wireless networking equipment?

Required _____ in _____ network _____?

I _____ the _____ for updating _____ wireless _____ equipment.

_____ modify the _____ network?

There are _____ steps before _____ upgrade _____ gear.

_____ prior _____ current _____ versions?

Are _____ for updating _____ network?

Let _____ know _____ do before _____ our _____ equipment.

The _____ the wireless _____?

_____ you _____ to update the _____ network versions?

_____ actions _____ the network upgrade?

Before the _____ upgrade, _____ are _____?

_____ the _____ needed to update _____ wireless _____?

How _____ we _____ gear?

_____ enhancing our _____ networking _____ is there _____ specific procedure that _____?

When updating _____ our _____ equipment, what _____ should be _____?

_____ there any _____ updating _____ wireless network _____?

Should _____ taken _____ network upgrade?

_____ we _____ take _____ of _____ before we _____ our network?

Are _____ any _____ updating _____ network _____?

_____ some steps to take _____ upgrade wireless _____.

_____ needs to _____ done to update _____?

_____ me what the _____ are for _____ our _____ network _____.

Steps _____ current wireless _____?

_____ to update wireless _____?

_____ should we take _____ to upgrade _____ setup?

What steps should we _____ our _____ setup?

_____ pre-update _____ for wireless equipment _____?

_____ would _____ prerequisites for _____ wireless network equipment.

What needs _____ to upgrade _____ network _____?

_____ the network _____ what _____ should be _____?

_____ do _____ upgrade a _____?

What _____ we _____ we _____ our wi-fi _____?

What _____ be taken _____ you upgrade to _____ better _____?

_____ are _____ preconditions in _____ update our current _____ equipment?

Do we _____ upgrade _____ gear?

Is it possible _____ outline _____ for updating _____ network _____?

What _____ need _____ in order to update our wireless networking _____?

Is _____ procedure _____ need _____ when enhancing the _____ our wireless networking _____?

Are _____ preconditions _____ wireless network equipment?

Pre-updating steps _____?

Before you _____ damn _____ thingamajigs, _____ need taken?

The steps _____ networking _____.

Which actions _____ the _____?

_____ we be _____ for _____ networks _____ we update?

_____ network versions, what is _____?

_____ prior _____ the _____ network?

_____ to be _____ care of before _____ update our _____?

_____ will it take to _____?

Is _____ a procedure _____ follow when enhancing the _____ of _____ equipment?

_____ are required to update _____ equipment _____?

_____ prepare before wireless _____?

There _____ steps needed to _____.

Which procedures should _____ to _____ upgrade of the _____?

_____ to _____ wireless gear?

Important _____ updating _____ gear?

_____ curious about the pre-update requirements _____.

_____ should we be _____ before we _____ our network?

_____ what should _____ done before we update our _____.

_____ for _____ wireless update?

Updating _____?

Possible _____ wireless _____ upgrade.

Before the _____ updated, what needs to _____ done?

What should I _____ wi-fi _____?

What are _____ steps _____ wireless equipment?

_____ are _____ steps before _____ upgrade _____ gear.

steps _____ gear?

_____ are the preconditions required _____ wireless _____ equipment?

What steps _____ networking equipment?

_____ wireless networking _____

_____ my _____ what comes before _____?

_____ procedures should _____ order to _____ existing networking equipment?

Actions _____ to _____ upgrade?

_____ are actions _____ prior to _____.
