

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	Garage door opener troubleshooting
Inquiry Sub-Category	Safety sensor issues
Description	Customers encounter problems with their garage door safety sensors, resulting in the door failing to close properly or reversing unexpectedly. This category offers troubleshooting steps to address safety sensor malfunctions and ensure safe operation.
Data Size	6,186 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

____ you checked ____ any ____ are damaged ____ disconnected ____ ____ safety ____?

____ you ____ into ____ safety ____ for potential ____ damage?

Is ____ damaged or disconnected ____ the ____?

____ you ____ sensors for ____ wires.

____ safety ____ for potential wire damage?

____ you ____ anything wrong with ____ wired ____ safety sensors?

____ any ____ with the ____ of the ____?

Is ____ wiring ____ safety ____ checked?

Is ____ damage to ____ wires ____ safety ____?

Is ____ wire ____ the ____?

____ check the ____ wires ____ detectors?

____ there ____ issue ____ wires ____ damaged ____ from safety sensors?

____ you have ____ or broken ____ on your ____?

Did ____ inspect the ____ wires?

____ know ____ any damage to ____ sensor wiring?

____ you ____ to sensor ____?

Is there ____ sign ____ damage ____ sensor ____?

There ____ damaged or ____ wires from ____ security ____.

Is ____ or loose ____ the sensor?

____ there anything ____ on your ____?

I was wondering ____ in ____ safety ____ have been ____ damage.

____ sensor wire ____ been ____?

____ you find any ____ that were ____ safety ____?

Did you ____ to see if ____ the ____?

Do ____ know ____ the wires ____ the ____ sensors ____ not?

Do ____ damaged ____ on your ____ sensors?

____ the wires ____ the ____ checked?

____ you ____ the ____ are undamaged from the ____ security ____?

____ you ____ if the ____ cables had ____ disconnections?

Has ____ damaged ____ sensor wires?

____ see if ____ any damage ____ sensor wiring?

Do ____ know ____ the ____ the security ____ checks ____ damaged or ____?

Do ____ there's damage ____ sensors?

The ____ sensor ____ to ____ verified for ____ damage ____ disconnection.

Were you ____ inspect ____ damage ____ the ____?

____ you ____ on the safety ____?

The ____ from the safety sensors ____ or ____.

____ you check if ____ are ____?

Did ____ out sensor wires ____ damaged ____ disconnected?

Is ____ that are broken ____ disconnected from ____?

____ you ____ the ____ safety sensors?

Do ____ on ____ are damaged?

Did ____ the safety ____ for ____?

Is ____ or ____ in the safety sensor?

Have ____ the safety ____ wires?

____ you ____ broken or loose wires ____ safety ____?

Is there any ____ the ____ damaged ____ disconnected?

____ damage to the ____ wiring?

Do ____ loose or broken ____ on ____?

Any ____ on safety ____ that ____?

Is ____ damaged ____ disconnected wires ____ sensors?

Are the safety ____ disconnected ____?

Was there damage to ____?

____ any damage ____ the ____ wiring?

____ know ____ are damaged or ____ from the ____ sensor checks?

____ the ____ affected by ____ damage?

____ you find damaged ____ loose wires ____ safety ____?

There may ____ damage ____ disconnection with ____ wiring.

Can you ____ if ____ wires ____ safety ____ have been ____?

Are ____ for damage in the safety ____?

Did ____ to the wiring ____ your sensors?

Check for ____ cables ____ improper ____.

____ know about ____ on ____ safety sensors?

The wiring ____ the ____ should ____ been ____.

____ you ____ sensor ____ for ____?

____ you make sure ____ to safety sensors ____?

Did you ____ sensors ____ wires?

Did you make ____ cables aren't ____ or ____ devices?

____ you ____ the safety ____ for ____ potential ____ damage?

____ there damaged ____ sensors yet?

Did ____ check ____ the ____ for ____?

____ inspect ____ equipment ____ damaged wires?

Does the ____ safety ____ been inspected?

Did you ____ or ____ sensor wires?

____ check if there was ____ sensor ____?

Did you check the ____?

What ____ has ____ the safety ____ wiring?

____ Safety sensor ____.

_____ tell me if _____ wires _____ the _____ sensor _____ for damage?
_____ know if there is _____ damage _____ wiring?
_____ could _____ issues _____ wires being _____ or disconnected _____ the _____.
_____ any _____ wires _____ the safety _____?
Did you know if _____ disconnections _____ safety sensor cables?
_____ for broken _____ wires?
_____ there _____ of _____ disconnected _____ from _____ security sensor checks?
Is it possible _____ wires in the sensor?
_____ detectors _____ have _____ damaged
Have _____ wires _____ sensors been _____?
Are there _____ sensor _____?
_____ you _____ any issues with _____ wired _____ to _____ sensor?
Did you _____ cables were undamaged and _____ necessary _____ devices _____?
_____ there _____ on safety _____?
_____ possible to _____ if wires to _____ sensor _____ damaged _____?
Do you know _____ sensor _____ or harmed?
Did _____ occur _____ the _____ wiring?
Did _____ for loose wires?
Did _____ for damaged wires?
Did _____ issues _____ the wired connections _____ your safety _____.
Do you _____ if _____ damage to _____ sensor _____?
The safety _____ disconnected or _____.
_____ the _____ wiring _____ any _____ or disconnection?
_____ you _____ no cables _____ damaged or _____ the security _____?
Are the _____ to _____ safety _____ components _____?
Is it _____ that wires _____ to the _____ have _____?
Are _____ wires that are _____ or _____ your _____ sensors?
Did _____ see _____ to _____ sensor _____?
_____ make sure the _____ and the _____ devices intact?
_____ any damaged wires _____ safety _____?
Did _____ ever inspect _____ damage/disconnection _____?
Is it possible wires _____ safety _____ been _____?
Did _____ the _____ connected to security detectors?
Did _____ for any _____ sensor _____?
_____ you inspected the _____ the _____?
Any sign _____ safety _____ cables have _____ disconnected?
_____ broken or disconnected _____ the _____?
_____ sure the _____ undamaged _____ the security devices?
Is there any _____ with _____?
Does anyone _____ there _____ to the _____ sensor _____?
_____ damaged _____ on safety devices?
Did you check _____ wire damage _____ disconnection _____ the _____?
Did _____ disconnection with _____ safety _____ wiring?
Did you _____ to the _____?
Do _____ broken or loose _____ safety equipment?
_____ you _____ at _____ damage in _____ yet?
_____ the safety sensor _____ or _____?
_____ of damaged or disconnected wires _____ safety _____?
_____ or cut _____ for the sensors?
Did _____ damage to _____ wiring.

_____ with _____ safety sensors?

_____ damaged or disconnected wires _____ safety _____?

Is _____ a problem with _____?

_____ the _____ from wire _____ or disconnection?

Do you _____ if _____ wires _____ security sensor _____ damaged _____ not?

_____ you check the sensor _____ or detached _____?

Are _____ wire issues with _____?

Can _____ tell me if the _____ safety _____ are _____?

Is it _____ cables are _____ missing _____ the security _____?

Do _____ have wires _____ or loose on _____?

_____ for _____ wire _____ the sensors?

Will you _____ the safety _____?

_____ there any _____ of _____ disconnections in _____ safety _____ cables?

_____ look _____ any sensor _____ were broken?

Has _____ safety _____ checked?

Are _____ wires _____ sensors damaged?

Have _____ damaged wires _____ your _____ sensors?

_____ look _____ the status of _____ sensor _____?

Have _____ verified _____ there is damage _____ wires?

Did _____ wires _____ sensors _____ their wires checked for _____?

_____ at the status _____ safety wires?

_____ you inspect _____ to _____ safety _____?

Did _____ catch _____ damage to _____?

Is _____ any issues _____ wires?

Did _____ check the _____ for _____ damage?

Did you _____ any issues _____ wired _____ safety sensors?

Did _____ the sensors for _____ or _____?

Did you _____ any _____ to _____ wiring of _____?

Did you _____ safety sensors _____ damaged _____ wires?

Do _____ any wires _____ your _____ sensor are _____?

_____ sensor wires _____ damaged or _____?

Is _____ anything _____ on _____ safety sensors?

Are _____ the _____ sensors disconnected?

_____ you know if wires are _____ or _____?

_____ there any _____ sensor cables have _____ damaged?

_____ damaged or _____ sensor wires.

_____ find any _____ the _____ of the sensors?

Is the _____ sensor suffering _____ a wire _____?

Did _____ have damaged _____ disconnected _____ on _____ safety _____?

Did you _____ for damaged _____ disconnected _____ safety _____?

_____ the wires _____ on the _____?

_____ you _____ missing _____ connections in your _____ wiring?

Is _____ damaged _____ on _____ sensors?

Can _____ damaged _____ on _____ safety _____?

Is _____ detector's wires _____?

_____ you _____ if _____ are _____ might be _____ in the safety _____?

Do you _____ if _____ wires are _____ or disconnected _____?

_____ you _____ if there were any _____ safety sensor cables?

_____ any _____ of wires damaged or _____ the _____ sensor _____?

_____ have loose or broken _____ sensors?

_____ have broken or _____ wires on _____ sensors?

Did _____ potential wire damage or _____ in _____ safety _____?

Are there _____ your safety sensor?

Did you _____ sensor wires _____ have _____?

Is _____ wires on _____ sensors?

_____ it possible _____ wires from the _____ sensor _____ have _____ damaged _____?

Do you _____ wires _____ the safety sensors?

Did _____ find _____ damages _____ the _____ of _____ sensors?

_____ safety _____ should _____ checked.

_____ or connections in _____ safety sensor _____ for damage?

_____ there a damaged _____ wire _____ the safety _____?

How about the _____ wires _____ connect to _____ sensors?

_____ there any damages _____ disconnections in the _____?

Has _____ connecting the _____ been _____?

_____ know _____ or safety sensors _____ damaged or _____?

Is wire _____ safety _____?

Do _____ problems with wires _____ the safety sensors?

Did you look _____ broken _____?

Do _____ know if wires _____ damaged or disconnected _____.

_____ you _____ broken or loose wires on _____?

Is there _____ damage _____ wiring?

_____ the _____ wiring for damage?

Is _____ anything _____ or disconnected on _____?

Is _____ any sign _____ damage _____ sensor _____.

Did you _____ wires _____ the _____ detectors?

Do _____ wires are _____ damaged from safety _____?

Did you _____ there _____ damaged _____ from _____ devices?

Do you _____ are any issues _____ wires or _____?

_____ you check if _____ to _____ sensor _____?

_____ any _____ of _____ or disconnection _____ the safety sensor _____?

Did _____ look _____ damage in _____ safety sensors?

_____ if there _____ damage to the _____ wires?

Check the cables _____ connection to _____ sensor.

Are _____ sensor wires _____?

_____ of _____ to the _____ sensor _____?

_____ detect any _____ issues with _____ sensors?

_____ you know _____ there _____ damage _____ the _____ wires?

_____ know if _____ wiring _____ any missing or faulty _____?

Do _____ damaged/loose wires on _____ safety sensor?

Were _____ issues _____ the wiring _____ sensors?

_____ for _____ wires near _____ security detectors?

Did _____ check for _____ wires _____?

Did you verify _____ damage _____ sensor wires?

Have _____ checked _____ any damage _____ the _____ wires?

_____ about sensor _____ or disconnected?

Did _____ check _____ there _____ damaged _____ from the _____?

Did _____ check for _____ or disconnected _____ safety _____?

Are _____ the safety sensors _____ or _____?

Does _____ sensors _____ or _____ wires?

Is _____ a possibility _____ damage _____ in the _____ sensor?

Are the _____ on the _____?
_____ wires _____ safety sensor
_____ you look into _____ wire _____ or disconnection _____ sensors?
Have _____ looked for damaged _____?
_____ you look _____ safety _____ any _____ to wires?
_____ the _____ to the _____ have been _____?
Did you _____ damaged _____ disconnected _____ in _____ sensors?
_____ damage _____ sensor wiring?
_____ there _____ found to _____ your sensors?
_____ safety _____ wires damaged?
Is _____ possible _____ verify _____ the wires to _____ are damaged _____?
Were _____ safety _____ inspected _____ or _____ wires?
Have the _____ the _____ devices _____?
_____ look _____ the _____ for damaged wires?
Did _____ check _____ sensor _____ or disconnected?
Do _____ know _____ wires are damaged _____ disconnected _____ sensors
Are _____ from _____ broken _____ disconnected?
Did you _____ at _____ wires _____ safety sensors?
_____ the safety _____ been checked?
Damage or _____ with _____ verified?
Are there _____ that _____ damaged on your _____?
_____ there any wires that _____ or _____ on _____ safety _____?
_____ damaged or _____ sensor wires?
Did you know if _____ sensor _____?
Is _____ any wires _____ disconnected _____ the safety _____?
_____ you check _____ the _____ from the _____ is _____?
Is the _____ wiring damage _____?
_____ you find _____ damage _____ the wiring of _____?
_____ damaged or loose wires _____ the _____ sensors?
Do you have a _____ wires?
_____ checked _____ wires in _____ safety _____?
Did _____ sure the _____ undamaged _____ security devices?
_____ you notice anything wrong _____ the wired _____ safety _____?
_____ you inspect _____ the _____ yet?
Do _____ have _____ or _____ wires on _____ safety _____?
_____ is any _____ of _____ safety sensor cables?
_____ there _____ with sensor _____?
_____ wires _____ or _____ on _____ safety sensors?
_____ precautions _____ to make sure _____ the safety sensors is not _____ detached?
_____ you _____ sensors for _____ yet?
_____ the safety sensor cables were _____ disconnected?
Did _____ wire damage in _____?
_____ you _____ for _____ damaged sensor _____?
Did you _____ damages to _____?
Will the _____ be damaged _____?
_____ the wiring connections for _____ sensors _____?
Did you _____ for _____ wires _____ the _____?
_____ check to make sure the _____ are okay?
Were the wires _____ damage _____ safety _____?
_____ tell me if _____ sensor _____ had _____ damages?

Is _____ any _____ from _____ sensors damaged _____ disconnected?

Did _____ make _____ there _____ no _____ from the _____ devices?

_____ you _____ your sensor wiring?

_____ any _____ damage/disconnection in _____ sensors _____?

_____ wires _____ might be damaged.

Is _____ possible _____ to the safety _____ have been _____?

_____ check for damage to the wires _____?

_____ sensor wiring _____ any _____ or missing _____?

_____ wires _____ or disconnected?

_____ it _____ to determine _____ to _____ damaged or not?

_____ to _____ if _____ were _____ damages or disconnections in the _____ cables.

Is _____ sensors _____ from _____ damage or _____ yet?

Are there _____ on safety _____ that _____ damaged _____?

_____ any _____ in the sensor _____?

Did _____ if there was damage _____?

_____ broken or loose wires on _____ sensors?

How many _____ safety sensors are _____ or _____?

Is there _____ evidence _____ damaged wires _____ the _____?

_____ there _____ from the _____ sensors _____ or _____?

_____ know if _____ damaged or _____ from the _____ sensor?

_____ you _____ damage _____ the sensor _____?

_____ you ever _____ into _____ sensor wires?

Did _____ check _____ safety sensor?

Did _____ check _____ of _____ sensor _____ were damaged?

_____ if _____ wires to safety _____ are damaged?

Did _____ damage to _____ of your _____?

_____ anyone _____ about _____ condition of the wires _____ to _____?

_____ there any _____ with _____?

_____ a chance that wires _____ sensors _____ damaged or _____?

_____ you know _____ were damages _____ disconnections _____ the _____ cables?

Do _____ know whether _____ safety _____ have _____?

_____ wires _____ safety _____ been inspected?

_____ your _____ any broken wires?

_____ you know _____ the _____ are _____?

Did _____ check _____ or _____ wires?

Can you tell _____ about _____ of _____ to the _____ sensors?

_____ there anything _____ disconnected from _____ safety _____?

_____ any _____ or disconnected wires _____ safety _____?

Did _____ any damage _____ wiring?

_____ anyone _____ if _____ are damaged or _____ sensors?

_____ missing or faulty connections _____ sensor wiring?

_____ of your safety _____ have _____?

Have _____ messed _____ on the _____?

_____ any _____ disconnected wires on the _____ sensors?

wire damage _____?

What _____ loose _____ broken on _____ safety _____?

_____ say _____ in the safety sensor _____ checked for damage?

_____ any wire damage or disconnection _____ safety _____?

_____ there any _____ the _____ sensor _____?

Did _____ to _____ any sensor _____ are damaged or _____?

Was the _____ for _____ wires?

_____ there _____ damage _____ the _____ of _____ sensors?

Did _____ check _____ damage to _____ on _____ safety _____?

Did the wiring _____ for _____ connections checked?

The _____ sensors should have _____ damaged _____.

_____ the safety _____ been _____?

_____ have been damaged on _____ detectors?

Did you _____ anything _____ the _____ to _____ sensors?

_____ you look _____ the wires _____ safety _____?

Are _____ that are _____ safety _____?

Does _____ sensor _____ have been _____?

_____ there _____ indication _____ damaged _____ at the _____ sensor _____?

_____ have any broken or loose _____ safety _____?

Does the _____ sensors _____ damage _____ disconnection _____?

_____ is _____ of _____ wires _____ to _____ safety sensors?

Is _____ safety _____ or disconnected?

Did _____ notice _____ damaged _____?

Do you know if _____ issues?

_____ any _____ damaged or _____ yet _____ safety sensors?

_____ you discover any damages _____ the _____ of _____?

Do _____ broken _____ wires on _____ safety sensors.

_____ damaged/loose wires _____ safety sensor?

Is there any wire _____ detected _____ for _____?

_____ you _____ sure that _____ cables were damaged _____ missing _____ necessary _____?

_____ sensor wires _____ problems.

Has the _____ for safety _____?

Is _____ connections checked for _____ in _____ sensors?

_____ there _____ disconnected _____ wires?

_____ the _____ connecting _____ sensor _____ inspected?

Did _____ of the safety wires?

_____ the cables from those _____ devices _____ undamaged?

Is there any _____ that _____ your safety _____?

There are wires _____ the security _____ damaged _____ disconnected.

Did _____ suffer _____ or disconnection?

Will _____ or disconnected wires _____ sensors?

_____ any damages _____ the wires of _____ sensors?

Do you _____ damaged wires _____ your safety _____?

_____ check _____ damaged _____ disconnected _____ on the _____ sensors?

Is it _____ if _____ to safety sensors are _____.

_____ sensor _____ any missing or faulty _____?

Were there any _____ loose wires _____?

_____ it _____ to _____ or _____ wires on your _____ sensors?

_____ the _____ sensors have _____ or disconnection _____?

Is there _____ to safety _____ cables?

Did _____ check _____ sure _____ sensor wire isn't _____?

_____ be broken _____ unplugged wires _____ sensors.

_____ you checked _____ Sensor _____?

Did you _____ for _____?

Is there _____ that _____ sensor _____ have been _____?

Do you _____ if _____ sensor _____ damaged or _____?

____ you able to locate ____ safety sensors?
 Did ____ safety ____ for broken ____?
 ____ check out damaged or ____?
 Check ____ wires for ____.
 Do you know ____ are ____ from ____ safety sensors?
 ____ safety sensor for broken ____?
 Did ____ a look ____ the wires ____ sensors?
 ____ any ____ safety detectors?
 Are any ____ the safety sensors ____?
 ____ any damaged wires ____ your ____?
 ____ sure no ____ were damaged or ____ from ____ necessary security ____?
 ____ you ____ broken or loose ____ your ____ sensors?
 Are you ____ find ____ wires ____ safety sensor?
 ____ the wiring for ____ sensors have ____?
 ____ you detect ____ wire ____ with ____ sensors?
 ____ you ____ the ____ wires ____ damage?
 ____ you ____ out ____ sensor wiring?
 ____ there ____ the ____ wires?
 Did ____ check ____ for damage ____ sensors?
 ____ on ____ that ____ been damaged?
 Is there any ____ wires ____ the sensors?
 Is ____ damage or disconnected wires ____ sensor?
 Can ____ tell me ____ damage ____ sensor wires?
 ____ many ____ on the ____ sensors ____ damaged ____ disconnected?
 ____ you ever ____ disconnected sensor wires?
 ____ you ____ any ____ with the wired ____ your ____ sensors?
 Did ____ the wires ____ the security ____?
 ____ you look ____ broken ____ wires?
 ____ the safety sensors ____ from ____?
 Have ____ issues with the ____ sensor?
 Do ____ to safety sensors ____ undamaged ____ disconnected?
 ____ the wires connecting ____ have their ____?
 Did ____ sensor wiring have to be ____?
 Did you check ____ safety ____?
 ____ you know ____ wires are ____ from ____ safety ____?
 Did you ____ at the ____ in ____?
 ____ wires connecting ____ being inspected?
 Can you tell me ____ in ____ safety ____ checked ____ damage?
 Has ____ for safety ____ checked?
 ____ know if ____ issues ____ with the ____ sensors?
 ____ you found ____ on your ____ sensors?
 Is ____ possible ____ to ____ sensors are damaged or ____?
 Has ____ safety sensor ____ disconnected?
 Is ____ any wires ____ are ____ the sensors?
 Do ____ know ____ are ____ to ____ sensor wires?
 Is ____ sensors ____ damage or disconnection?
 Did ____ find ____ damages to the ____ of ____?
 Have the ____ connecting ____ inspected?
 ____ be ____ damage ____ the sensor ____?
 Was ____ damaged or loose wires?

_____ detect _____ issues with _____ sensor?
 Are the _____ connections _____ checked?
 _____ you _____ any damages _____ the wiring _____ your _____?
 Did you _____ the _____ wires if _____ broken?
 _____ any chance of _____ damage _____ disconnection _____ the _____ sensors?
 Do _____ broken wires _____ safety _____?
 Are there any _____ your _____?
 Did _____ notice any problems with _____ wired _____?
 _____ find _____ the wiring _____ your sensors?
 Were there any _____ or faulty _____ in _____?
 _____ look _____ or disconnected _____ wires?
 Have you _____ the wiring _____?
 Did _____ any _____ with the wired _____ to _____ safety _____?
 _____ the wiring connections for _____ safety sensors _____?
 _____ safety _____ may _____ been damaged _____ disconnected.
 _____ there _____ wire issue _____ safety _____?
 Are _____ wires loose or _____ on _____?
 Did any wires on _____ disconnected?
 Do _____ broken wires _____ your _____?
 Did _____ for damaged _____ disconnected wires _____ yet?
 _____ there _____ damages to _____ wiring _____ sensors?
 Is _____ safety _____ any wire _____ disconnection yet?
 Can _____ wires _____ your safety _____?
 Is it _____ the sensors?
 _____ you look into potential wire damage _____ the _____?
 Is _____ cut _____ loose _____ for _____ sensors?
 I would like to _____ were _____ in the _____ cables.
 Did the _____ sensor _____ damaged _____?
 Is _____ any _____ damaged or _____ Sensor _____?
 _____ any _____ with the wires _____ safety sensors?
 Is _____ safety _____ having _____ yet?
 Can you confirm _____ the _____ in _____ have been _____ for _____?
 _____ there any damage or disconnections _____ safety _____?
 _____ safety _____ for damaged or loose _____?
 _____ wiring for the _____ checked?
 _____ you _____ the status _____ safety wires?
 Is _____ any issues _____ or _____ wires?
 _____ anyone know if _____ wires in _____ been checked?
 _____ you _____ wires in the safety sensors have _____?
 Is it possible to _____ if _____ cables _____ disconnected?
 _____ your _____ sensor _____ broken or _____?
 _____ the _____ sensor _____ for _____ issues.
 _____ you want to _____ with _____ safety sensors?
 _____ anything _____ from _____ safety sensors?
 Is anything _____ from the _____?
 _____ a _____ that wires _____ to safety _____ been compromised?
 _____ want to know _____ issues with damaged or _____ wires.
 Did _____ check _____ the damaged wires _____?
 How _____ are _____ or _____ safety sensors?
 Did you see _____ damage _____ from the _____ sensor _____?

Is there damaged or _____ sensor?

_____ you _____ any _____ to _____ wiring?

Is _____ alright?

Will there be _____ with the _____?

_____ you _____ if _____ safety sensor _____ issues?

Do your _____ have broken _____ wires?

Did you _____ sensor wiring?

_____ there be loose or _____ your safety _____?

Did _____ make _____ on the _____ on _____ sensors?

_____ any signs of _____ wires _____ the security _____ checks?

_____ connections for the _____ sensor _____?

Did _____ the safety _____ for _____ loose wires?

Did you _____ sensor for _____ or _____ wires?

Do _____ sensor _____ have been damaged?

Is _____ an inspection _____ the _____?

_____ have _____ missing or _____ connections in _____ sensor _____?

_____ the _____ safety sensors _____ inspected?

Did _____ make _____ the _____ damaged _____ security devices?

_____ check your _____ wires?

Is _____ in the safety sensors _____?

Did you _____ the _____ in _____?

Does _____ to the safety _____ components _____ any _____?

_____ damage or disconnections _____ the safety _____ wires?

_____ for damaged or disconnected _____?

Can _____ any _____ with _____ wires?

_____ wonder _____ the wires _____ sensors have _____ for damage.

_____ on the _____ sensors damaged or _____?

Are _____ safety _____ wiring _____ disconnected?

_____ you know _____ wires _____ damaged _____ disconnected _____ safety _____?

Would there be _____ damage _____ sensor _____?

_____ you _____ wires _____ security detectors?

_____ checked for damaged _____ the _____?

Are _____ wires damaged _____ disconnected _____ safety _____?

Do _____ any issues _____ wires?

_____ wires on _____ safety _____ have any _____?

_____ for _____ in the sensors?

Are _____ aware of _____ loose or broken wires _____?

Did you _____ the _____ of wire _____ in _____ sensors?

Do you _____ about _____ condition _____ the _____ connecting _____ sensors?

_____ if the _____ wires _____ damaged?

_____ you know _____ there _____ that are _____ from _____ safety sensors?

Was _____ any broken or _____?

_____ the safety _____ wiring _____ damage?

_____ the _____ for _____ safety _____ been _____ at?

_____ found _____ missing _____ faulty connections _____ sensor wiring?

_____ you watch for _____ loose _____?

Did you make sure _____ no _____ missing from _____ devices?

Is _____ that wires _____ to _____ devices _____ damaged?

_____ make _____ were no damaged _____ from _____ security devices?

_____ damages _____ sensor wires okay?

_____ safety sensor cables had been damaged?

_____ there any problem _____ wires being damaged _____ sensors?

Check _____ for _____ issues.

_____ you _____ the _____ on _____ sensors?

Did _____ with _____ sensor wiring?

_____ damage _____ the sensor wires, have _____ it?

_____ precautions _____ make sure _____ wiring _____ safety _____ is not damaged?

Have _____ checks _____ wires _____ damage _____?

Are the _____ disconnected or damaged?

Did you have _____ damaged or _____ sensor _____?

_____ if there _____ any _____ with sensor wires?

Do _____ if _____ or safety _____ damaged?

_____ you _____ if there's _____ the _____?

Did _____ for _____ that _____ damaged?

_____ look _____ wires _____ the sensors?

Has _____ the _____ sensors been _____?

_____ there any issue _____ wires _____ damaged or _____ from _____?

Did _____ sure _____ no cables were _____ or missing _____ those _____?

Is _____ a _____ that _____ to _____ devices _____ been damaged?

_____ for damaged _____ on _____ sensors?

_____ may be _____ or disconnection _____ safety sensor _____.

_____ you check out the _____ security _____?

Did you _____ check _____ the sensors?

_____ any issues with damaged or _____ sensor _____?

Have _____ safety sensors _____ looked at?

_____ the wiring _____ sensors been looked at?

Does _____ wires are damaged _____ disconnected _____ sensor?

_____ you find _____ damage _____ the _____?

Did you _____ the _____ for _____?

The wires to _____ sensors can be _____.

Did _____ anything _____ with _____ wired _____ to your _____ sensors?

Are _____ aware _____ loose or _____ on your _____ sensors?

There _____ be _____ or _____ wires in _____ security _____.

Are _____ wires of _____ safety _____?

Did _____ make _____ the _____ safety sensors _____ undamaged?

Can _____ me if _____ in the _____ have _____ checked?

Do _____ check _____ disconnected _____ on safety sensors?

_____ the _____ sensors _____ wires yet?

_____ would _____ know if the _____ sensor cables _____ or _____.

Does _____ sensors _____ broken _____ unplugged?

_____ they check _____ damaged _____ the _____ yet?

Do you know _____ damaged?

I want _____ if _____ safety _____ are damaged _____ disconnected.

_____ any _____ wires _____ or _____?

_____ the safety sensor _____.

Are _____ messed up _____ the _____?

Were _____ wires in the _____ sensors _____?

_____ it possible _____ were _____ to the safety sensor _____?

Is _____ any missing or _____?

Is _____ a sign _____ cables have been _____ disconnected?

_____ observe any damage _____ sensor _____?

_____ damage or disconnection _____ the _____ sensor wiring.

_____ you notice anything _____ your safety sensors?

_____ wires on _____ sensors _____ broken?

Are you _____ any damaged _____ on _____ safety _____?

_____ may be wires that have _____ from the _____ checks.

_____ you _____ the _____ the security _____?

Have _____ safety _____ been checked?

Have _____ the safety _____ been _____?

_____ sensor _____ or loose?

Did _____ check damaged _____ sensor _____?

_____ wires _____ safety sensors broken _____ loose?

_____ know _____ wires from _____ safety sensors _____ damaged _____ disconnected?

Did _____ the safety _____ wires?

How about finding _____ loose wires _____ sensor?

_____ wires _____ are _____ or _____ from the safety sensors?

Do you _____ of _____ safety sensor wires?

_____ you _____ if there _____ wires _____ are _____ in _____ sensors?

Did _____ make _____ cables _____ damaged or missing from those _____?

_____ question about _____ or disconnected _____ sensors.

Did you _____ for _____ wires _____?

_____ damage or disconnections in the _____ sensor _____?

_____ safety sensor _____ wire damage or disconnection _____?

Did _____ check _____ any _____ wires _____?

_____ you look _____ unattached sensor _____?

Is the safety _____ suffering _____ any _____ damage _____?

_____ me if there were _____ or disconnections _____ safety _____ cables?

Did _____ happen _____ sensor wiring?

_____ the wires in _____ been checked _____ damage?

Did _____ disconnected _____ for _____ security detectors?

Did _____ if _____ damages _____ took place in _____ safety _____ cables?

Do you _____ loose wires on _____ safety _____?

_____ connections to sensor wires?

_____ you _____ disconnected _____ security detectors?

_____ confirm if there's damage _____ wires?

_____ you _____ damaged _____ wires?

Safety _____ wires may _____ be _____.

Will _____ be damaged _____ on the _____ sensors?

_____ find any faulty _____ sensor wiring?

Did anyone discover any damage _____ the _____?

_____ you verify _____ sensor _____ damaged _____ disconnected?

_____ you _____ damaged _____ disconnected _____ wires?

_____ are loose or broken _____ your _____ sensors?

_____ any _____ wires on _____ sensors?

_____ wire issues with the safety _____?

Did _____ have a _____ wires?

_____ the safety _____ should _____ been checked.

Have you noticed _____ wires?

You _____ wires on the _____?

_____ know _____ the _____ in _____ safety sensor have been _____ for _____?

____ you ____ there were ____ damages to ____ sensor cables?
 ____ you know if ____ are wire ____ with ____?
 ____ detect wire ____ with ____ safety ____?
 Did they make ____ cables were ____ or ____ devices?
 Is there a ____ of ____ safety ____ cables?
 ____ looked ____ the safety sensors for ____ wire ____?
 ____ you ____ if ____ sensors have ____ damage or ____?
 ____ checked the ____ safety sensor?
 Did you ____ see if ____ are damaged or ____?
 ____ think the ____ sensor ____ okay?
 Did ____ the ____ wires for broken ____?
 Has ____ been ____ damage to ____?
 Do ____ know if there ____ damage ____.
 Does ____ know ____ wires are ____ or ____ safety sensors?
 ____ make ____ no ____ damaged ____ those security devices?
 ____ you ____ loose wires on your safety sensors?
 Did ____ to ____ sensor wiring?
 Is there any damaged ____ sensors?
 ____ you found ____ on your safety ____?
 Is it possible ____ safety devices have ____?
 ____ you know ____ there was ____ to ____ sensor ____?
 ____ the wiring connections ____ safety ____ checked?
 ____ wires are not connected to ____?
 ____ the safety sensor wires ____?
 ____ there any evidence of wires ____ disconnected from ____?
 ____ wires on ____ safety sensors?
 Did ____ wires ____ disconnected ____ sensors?
 Did ____ issues with the wired ____ your safety ____?
 Is ____ safety sensors malfunctioning?
 ____ me ____ safety sensor cables were damaged?
 ____ you ____ for ____ wires?
 ____ you know ____ there is damage ____ wires?
 Did you ____ safety ____ disconnected wires?
 Did ____ into ____ broken sensor ____?
 Are the ____ safety sensors ____?
 ____ there ____ wire damage yet ____ for ____ sensor?
 Are ____ broken ____ disconnected ____ the ____?
 ____ want to ____ if the ____ the safety ____ damaged ____ disconnected.
 ____ you seen any wire issues ____?
 Did ____ check ____ wires ____ detectors?
 Do you know ____ the wire ____ the safety ____?
 Have you ____ damage ____ the ____?
 ____ there ____ wires ____ have been damaged ____ the ____ sensors?
 ____ you notice any ____ with ____ connections ____ sensors?
 ____ the ____ sensor wires ____?
 There are ____ faulty connections to ____ wiring?
 Did ____ check into ____ sensor ____?
 Did ____ see ____ to the ____?
 ____ you ____ if ____ sign of ____ to ____ safety sensor cables?
 ____ the ____ damaged ____ disconnected?

_____ safety _____ any wire damage?

_____ that connect _____ safety _____ should have been _____.

_____ there issues with wires _____ disconnected from _____ safety _____?

_____ you _____ sure _____ damaged or missing from the _____?

Is the _____ showing any wire _____?

_____ there disconnected/wrecked _____ security _____?

Do you know _____ to _____ sensor _____ damaged _____?

_____ damage or _____ to the safety sensor _____?

Is _____ any _____ on _____ that _____ damaged?

Did you _____ wires _____ detectors?

_____ damages occur _____ wiring _____ your sensors?

_____ sensors experiencing any wire _____?

_____ sign of _____ the safety sensor cables?

_____ any _____ from the _____ any damage?

Did _____ know _____ there _____ to _____ wires?

Have you _____ if _____ are damaged _____ disconnected?

_____ any wires _____ on the _____ sensors?

Did _____ look into _____ for _____ ones?

Do you _____ if _____ the _____ sensor _____ damaged or _____?

_____ there _____ with damaged _____ sensor wires?

Did you _____ the _____ and _____ wires?

_____ issues with wires _____ the _____ sensor checks?

_____ you know _____ wires _____ damaged from the _____?

_____ me if _____ sensors are damaged or not?

_____ wiring connections for the _____ sensors _____ over?

_____ take a _____ at any broken _____ unattached sensor _____?

Can _____ tell me _____ in _____ safety sensors _____ been _____ for _____?
