

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Pre-sales inquiries and product recommendations
Inquiry Sub-Category	Storage and Expandability
Description	Customers inquire about the internal storage capacity, available memory, and options for expansion, such as microSD card slots or cloud storage compatibility.
Data Size	5,091 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Does ____ apps/files from internal memory to ____ card ____ significantly?
____ performance of apps affected ____ transferring them from ____ to ____?
____ app ____ file ____ to external Micro Sdi Card ____ performance?
Will ____ onto an microSD ____ make ____ less ____?
Is it possible that ____ of ____ apps ____ by transfers from internal ____ External ____?
Is there an ____ when ____ is ____ a microSD card?
____ apps ____ files from ____ phone's ____ to ____ MicroSD card ____ affect ____ performance.
Is it possible ____ moving files from internal memory ____ external ____?
The ____ on the ____ of ____ shifting ____ external microSD cards ____.
Is there ____ noticeable performance decline ____ the ____ microSD card?
____ transferring ____ to an external ____ card going ____ affect their ____?
____ apps to the MicroSD card ____?
Will ____ performance ____ be affected by ____ of ____ file ____ a ____ card?
____ performance ____ the ____ change when ____ move to ____ card?
I am wondering if there will ____ a ____ app/file ____ when they are ____ external ____.
____ are ____ the affect app transfer ____ and ____ external ____ card.
Would ____ and files being ____ from ____ builtin ____ an external ____ huge difference ____ them?
____ transfer ____ internal memory ____ the microSD card ____ performance?
____ and ____ being ____ to an external ____ card make ____ huge ____ them?
____ are questions about ____ transfers between ____ and ____ external ____ Card
____ the ____ a file ____ MicroSD ____ impact ____ performance of their ____?
____ your files ____ external MicroSD card will ____ performance?
Will the ____ apps be affected by ____ microSD ____?
____ on an ____ going ____ hurt their performance?
What impact does ____ apps onto ____ card ____?
Does transferring ____ internal memory ____ microSD ____ their performances?
Is moving ____ an ____ MicroSD ____ to ____ a significant ____ on ____ performance?
Will ____ changed if the apps are ____ the ____?

Is it possible that transfers _____ internal _____ an _____ card _____ a _____ on _____?

The _____ may _____ by the move of _____ onto an external _____.

Questions _____ about the affect app transfers _____ external MicroSd _____.

Is the move of _____ an _____ to _____ a _____ in system _____?

Will _____ performance _____ app/files _____ moving to an external _____?

_____ the performance of the _____ be _____ to a _____?

_____ the move _____ onto _____ microSD _____ noticeable _____ on system performance?

Is _____ that the performance of _____ app _____ affected _____ the transfer of _____ to an _____?

_____ the performance of the _____ moved to the _____?

_____ moving _____ and apps _____ microSD card _____ their performance?

_____ the _____ of _____ apps be adversely _____ if the file _____ a _____?

_____ the _____ files/APPS _____ external _____ card going to have _____ noticeable impact _____ the _____ performance?

Can _____ apps from _____ storage to an _____ performance?

_____ moving apps _____ files _____ device's internal _____ to _____ microSD _____ affect _____ functioning?

Do you think _____ applications to an _____ performances?

_____ transfers from internal memory _____ external _____ Sdi _____ affect _____ device's functioning and _____?

Does _____ apps and files from builtin _____ microSD _____ make _____?

Will _____ apps on an microSD _____?

_____ the _____ to _____ microSD card, _____ there a noticeable _____ drop?

_____ want _____ there _____ a decrease _____ app/file _____ when they _____ from internal _____ to an external Micro _____.

Is transferring _____ memory to _____ card _____ performance?

Is _____ apps _____ internal memory _____ microSD _____ affecting their _____?

_____ app _____ transfers _____ internal _____ to external Micro Sdi _____ functioning _____ speed.

_____ of _____ onto an external microSD _____ going to have an impact on _____ performance _____?

Can _____ move _____ onto _____ microSD _____ affect system performance?

Will the _____ to _____ microSD _____ hurt the _____?

_____ apps _____ an _____ make them less perform?

_____ files to _____ external MicroSd _____ to _____ their performances?

Is there a noticeable _____ in _____ performance of _____ app/files _____ from _____ outside microSD.

Is moving apps _____ builtin _____ an external microSD card going _____ difference?

_____ to the microSD card affect their performance?

_____ app and _____ internal memory to external _____ Card affect _____ speed?

_____ that _____ to an External microSD Card can _____ the _____ of the app?

_____ there _____ decline _____ performance when _____ are shifted to _____ microSD _____?

_____ the performance of _____ apps be _____ move of the file _____ card?

_____ transferring _____ from internal memory to _____ card _____ affect their _____?

Is _____ to _____ MicroSd card gonna _____ their performance?

_____ think moving applications _____ an external _____ card _____ their performance?

_____ the _____ on _____ microSD card _____ the system performance?

_____ performance _____ app be _____ by a _____ being _____ to _____ MicroSd card?

_____ apps and files _____ builtin _____ to _____ microSD card change _____?

_____ and _____ internal to _____ MicroSdi Card _____ functioning or speed?

_____ moving files _____ MicroSd card affect _____ performances?

_____ are shifted to a _____ is _____ performance decline?

_____ of _____ file to a _____ card _____ app's performance?

_____ to an _____ MicroSd card affect _____ performances?

Is _____ apps _____ from internal _____ an external microSD _____ performance?

_____ moving files and _____ from _____ storage _____ an _____ affect _____ performance?

Does _____ internal _____ to the microSD card _____ their _____?

Will _____ of _____ be _____ affected by _____ of _____ file _____ a MicroSd card?

_____ from _____ to the microSD affect performance?

_____ and _____ internal to _____ Sdi Card _____ the _____ functioning and speed.

_____ app _____ file _____ from internal _____ to _____ Sdi _____ of the device?

Does _____ move _____ files/APPS _____ microSD card have _____ noticeable _____ on _____ performance?

Does moving files to _____ external _____ card have _____?

Will it affect _____ to transfer files _____ to _____ card?

Is _____ that _____ can be affected by transfers _____ internal Memory to an External _____?

_____ will _____ affected by moving _____ external SD.

Is _____ apps _____ files from _____ built-in storage _____ an external _____ card _____ affect their _____?

_____ app _____ affected by transfers from _____ Memory _____ an External microSD _____.

_____ putting some apps on an _____ card _____?

Will a _____ a _____ a MicroSD _____ the performance _____ the _____?

_____ there _____ change in the _____ performance of the _____ transferred _____ memory to _____?

Is _____ possible _____ memory _____ the microSD _____ affects their performance in _____ big way?

_____ app and _____ and an external Micro _____ Card affect _____ device?

Is _____ of the app affected by _____ from _____ an External _____?

_____ and apps from builtin storage _____ an external _____ difference.

_____ moving _____ apps _____ a _____ card _____ their performance.

_____ there _____ performance _____ are moved to a _____ card.

Do _____ believe putting applications _____ an external _____ affect _____?

_____ it _____ that _____ performance of _____ app/file _____ decrease _____ they _____ to an external MicroSD Card?

_____ possible that _____ internal memory to _____ external microSD card _____ their _____?

Will transferring _____ from _____ memory _____ an external _____ have _____ significant _____ their _____?

Do you think _____ to _____ external _____ performance?

Do app/file transfers between _____ memory and _____ external microSD _____ decline _____?

Will _____ apps _____ internal memory to _____ card _____ their _____?

Is moving your _____ external MicroSD _____ change your _____?

Does moving apps and files from _____ device's internal _____ to _____?

The _____ of _____ may be affected _____ and file _____ internal memory _____ Micro Sdi Card.

_____ the microSD card hurting _____ performance?

Is _____ a chance _____ a significant _____ in app/file _____ when _____ moved from _____ storage _____ MicroSd _____

_____ moving _____ to the _____ their performance?

_____ you _____ moving to an _____ microSD _____ affect _____ performance?

Is _____ of _____ onto _____ going _____ have a _____ impact on _____ performance?

_____ possible _____ the _____ the _____ will _____ impacted when they _____ from _____ to an external _____ SD Card?

_____ performance _____ be affected if files/APPS _____ onto _____ external microSD _____.

_____ moving _____ and _____ the device's internal memory to _____ external MicroSD _____?

Do app and file transfers _____ memory to external _____ device's _____ or _____?

Will _____ file being moved to a _____ ruin _____ app?

_____ think that _____ applications _____ card will affect performance?

Is _____ your _____ to _____ external _____ card _____ to _____ performances?

_____ files to an _____ MicroSD _____ going _____ affect _____ their performance?

Will the performance _____ their _____ affected when they _____ a _____ a _____?

_____ question _____ the _____ drop when _____ moved _____ a microSD card.

Is transferring _____ internal _____ to an _____ card _____ affect their _____?

_____ files to an _____ MicroSD card will affect your _____?

_____ an app from _____ memory to _____ their performance?

Is _____ files to _____ MicroSD card _____ their performance?

Does app _____ file transfers _____ to _____ affect device speed or _____?

The _____ app _____ internal memory _____ external MicroSd _____ performance questions.

Is _____ files/APPS _____ external _____ card affecting the _____ performance?
 _____ moving _____ an external _____ the app or file?

Would apps being moved _____ the _____ storage _____ external MicroSD _____ huge _____?
 _____ move _____ an _____ MicroSD _____ to have a _____ impact on system performance?

Is it _____ that _____ internal Memory _____ External microSD card _____ make _____ difference _____ their _____?

Is putting _____ on an _____ likely _____ them _____ performible?

There _____ about the _____ of _____ transfers _____ and _____ external MicroSd card.
 _____ and _____ from internal memory _____ Micro Sdi _____ device performance?
 _____ moving _____ files _____ external MicroSD card _____ your performance?
 _____ app _____ file transfer _____ to _____ Micro Sdi Card _____ the _____ functioning _____?

Is it _____ the performance _____ the _____ by the transfer _____ Memory to an _____ Card?

Will the _____ the app _____ affected _____ a _____ a MicroSD card?

Will _____ performance _____ apps be _____ move _____ a _____ a MicroSD card?
 app _____ transfers from internal _____ to _____ the _____ functioning and speed
 _____ changing _____ files _____ the phone's _____ to an external _____ the performance?

Is _____ that _____ will _____ a decrease _____ app/file _____ move from internal storage _____ an external Micro _____?

Is the move _____ an external _____ to affect _____ total system _____?
 _____ files from the phone's _____ external _____ would affect their performance.
 _____ apps _____ internal _____ to _____ MicroSD card _____ performance?
 _____ the _____ the apps be _____ file to a MicroSD card?
 _____ possible _____ a transfer _____ memory to _____ external _____ affects the performance of _____ apps?

I _____ if _____ will _____ a _____ in _____ when _____ are moved _____ storage to an _____ Sd Card.
 _____ transferring _____ to _____ MicroSD _____ affect _____ performance?

Does transferring apps from _____ memory _____ the microSD card _____ way?

Does app and file _____ to External _____ affect the _____ speed?
 _____ shifting _____ from the _____ built-in storage to an external microSD _____?

Do _____ believe moving applications _____ an _____ microSD _____ affect _____?
 _____ and files _____ moved _____ builtin _____ microSD card make _____ huge difference?

I want _____ if there _____ in _____ performance when _____ are moved _____ external MicroSD Card.
 _____ of the device affected _____ app _____ transfers from _____ memory _____ Micro Sdi Card.
 _____ apps _____ being _____ built in storage to the _____ microSD _____ a difference.
 _____ putting an _____ an _____ make it less _____?

_____ file transfers from internal _____ External _____ Card affect _____ functioning _____ speed?

Is the move of files _____ external _____ card going to _____ system performance?
 _____ transferring _____ from internal memory _____ a _____ card _____ their performance?

Would moving apps _____ files _____ an external _____ their _____?
 _____ apps to _____ microSD card harm _____?

Is _____ possible _____ the performance _____ app _____ transfers _____ to an External MicroSD Card?

Will _____ apps _____ a microSD _____ change _____?
 _____ the apps performance _____ affected _____ moving them _____ microSD _____?
 _____ don't _____ will be _____ decrease _____ app/file performance _____ they are _____ to an external _____.
 _____ moving _____ to _____ external MicroSD _____ their performance?
 _____ applications moved _____ an _____ microSD card affecting _____?
 _____ apps from internal _____ an _____ microSD _____ have _____ effect on _____?

Does the _____ of _____ onto _____ card _____ an _____ on _____ system performance?

Does _____ apps from _____ memory to _____ microSD _____ performance?

Will putting _____ on an _____ it _____ perform?
 _____ the _____ to the _____ card _____ their performance?

Will _____ apps on _____ MicroSD _____ less effective?

Is placing _____ going _____ make them less performible?

____ you ____ performance will be ____ by ____ applications ____ an ____ microSD ____?
 ____ you ____ your ____ an external microSD card will affect ____?
 Do you believe ____ will be affected by ____ applications ____?
 ____ going to affect your performances ____ you ____ your ____ an external ____?
 ____ app and ____ transfers ____ internal ____ external Micro ____ the ____ speed?
 Will the apps ____ their performance ____ a ____ card?
 ____ it ____ that ____ internal ____ to an ____ MicroSD Card ____ the ____ of ____ app?
 Does transferring apps from ____ memory ____ the ____ affects ____?
 ____ relocating ____ internal memory to ____ external ____ their performance?
 ____ believe ____ an external microSD card ____ the ____ of ____?
 Is ____ to the ____ going ____ app speed?
 Is ____ performance of ____ app/files transferred from ____ memory to an outside ____?
 Will ____ if they are put on ____ card?
 The ____ and ____ are ____ by ____ and ____ transfers ____ internal memory ____ Micro Sdi Card.
 Would ____ and files being moved ____ builtin storage to an ____ difference?
 ____ it possible that ____ to ____ will affect ____?
 Will the ____ the ____ if ____ are put on the ____?
 Is ____ apps and ____ the ____ built-in storage ____ external ____ card affecting ____?
 Is app and file ____ memory to the Micro Sdi ____ or ____?
 Does ____ and ____ from internal memory to ____ Micro ____ affect the ____
 Will transferring files ____ memory to an ____ an effect ____ the ____?
 Would ____ apps and ____ to ____ external microSD ____ difference?
 ____ of the device ____ by app ____ file ____ from ____ memory to ____ Sdi Card.
 Is the ____ of files/APPS onto ____ system's performance?
 ____ app and ____ from ____ to ____ Micro Sdi Card ____ the device's ____?
 Will ____ microSD card hurt ____ performance?
 Is ____ an external ____ affecting the ____ app?
 Can ____ a ____ card ____ their speed?
 ____ the ____ to ____ microSD compromise performance?
 Is ____ chance of ____ decrease ____ app/file ____ when ____ from internal storage to ____ external Micro ____?
 Do ____ putting apps ____ card ____ make them less ____?
 ____ moving files ____ an ____ microSD ____?
 ____ apps ____ to the microSD card change ____ in ____ big way?
 Would ____ apps ____ the built ____ to an ____ microSD ____ a big difference?
 Is ____ that putting ____ an ____ will ____ them less performible?
 Does moving ____ and files ____ the device's ____ an external microSD ____ affect ____?
 Putting apps ____ microSD ____ make them less ____.
 ____ apps from internal memory to ____ microSD ____.
 ____ apps ____ being moved ____ the builtin storage ____ an ____ make a ____
 Is the ____ files/APPS onto an external ____ going ____ system ____?
 ____ tell ____ if relocation ____ internal memory ____ an external ____ card affects ____?
 Is moving ____ and files from ____ built ____ storage to ____ card ____ to make ____?
 Will ____ on ____ card ____ them perform ____ well?
 Will the ____ of the ____ affected if ____ file ____ to ____ microSD ____?
 ____ applications on an microSD card ____ make ____ performar?
 ____ app and ____ from ____ to the ____ Micro Sdi ____ affect the ____?
 I ____ to know if there ____ a ____ in app/file performance ____ are ____ external ____ card.
 ____ relocation of files from internal memory to ____ microSD ____ performance?
 Does ____ move ____ files/APPS ____ external microSD ____ will affect the ____?
 Does ____ transfer of ____ internal ____ to a ____ card ____ performance?

Is _____ that moving _____ internal _____ an external _____ greatly affects their _____?

_____ you think moving the _____ microSD _____ affect _____ performance?

Is _____ a _____ performance decline _____ are _____ microSD card?

_____ memory to the _____ card affecting their performance.

_____ think _____ a _____ to a external _____ card will _____ your performance?

_____ apps and _____ being _____ built in storage _____ an external _____ card have _____ ?

_____ of the _____ could be _____ by _____ from _____ Memory _____ an External _____ .

Can _____ in app/file _____ expected _____ they are moved from _____ to _____ MicroSD Card?

_____ moving your files to _____ card _____ performances?

Is moving _____ to an _____ MicroSD card _____ going _____ affect _____ ?

Is it possible that _____ from _____ Memory to _____ External _____ a big difference _____ ?

Can you tell _____ files from _____ an external _____ card affects _____ ?

Will _____ be _____ perform _____ an microSD card?

Is moving _____ files _____ MicroSD _____ going to affect _____

Is _____ move _____ files/APPS _____ external _____ card _____ the system's performance?

Will _____ be _____ if they _____ put onto _____ card?

Does app and _____ memory _____ external Micro Sdi Card _____ device's functioning _____ speed?

_____ being moved _____ the builtin storage _____ external microSD _____ make a _____ ?

_____ moving apps to _____ performance?

_____ it true _____ files _____ internal _____ an _____ microSD _____ affects performance?

Do _____ transfers between internal memory _____ external _____ card _____ ?

Do you _____ moving _____ an external _____ will _____ performance?

Does _____ apps _____ internal memory _____ card make _____ difference?

Will the _____ apps to the _____ performance?

Is it possible _____ the performance of _____ app/file _____ decrease _____ they move _____ storage _____ external _____ ?

Would apps and _____ moved _____ built in _____ external _____ card make _____ difference.

_____ moving apps to an _____ ?

I _____ can expect a _____ in app/file performance when they move _____ storage to _____ MicroSD _____ .

Is _____ your _____ an _____ MicroSD card _____ to have an impact _____ ?

The device's _____ and _____ may _____ affected _____ app _____ file _____ internal _____ external Micro Sdi _____ .

Will the microSD _____ performance _____ the _____ moved to _____ ?

_____ there a _____ drop _____ apps are _____ MicroSD card?

Is _____ apps _____ files _____ the _____ internal _____ to _____ microSD _____ its functioning?

_____ moving your files to _____ external MicroSD card _____ have _____ big _____ ?

Is transferring apps to microSD _____ ?

_____ moving the apps to _____ their performance?

_____ performances going to _____ affected by _____ to an _____ MicroSD _____ ?

_____ believe _____ your files to _____ will affect your performance?

Does app and _____ from internal memory to external _____ the _____ or _____ ?

Will _____ of their _____ be _____ transfer of _____ to a _____ card?

_____ the move _____ files/APPS _____ microSD card going to _____ to system _____ ?

Will _____ an microSD card make _____ less _____ ?

_____ moving _____ card affecting their performance?

_____ moving apps _____ files _____ to _____ microSD card make a difference _____ ?

_____ app _____ from _____ memory to _____ Micro Sdi Card _____ the device _____ ?

_____ function and _____ the _____ be affected _____ and file _____ from internal _____ to _____ Micro Sdi _____ .

_____ moving apps _____ storage _____ external _____ card _____ a noticeable effect on _____ ?

Will the apps _____ hurt _____ microSD card?

Does app and file _____ from the _____ the external _____ Sdi Card _____ ?

Does _____ and file _____ from _____ to external _____ affect _____ or speed?

Does transferring files from _____ MicroSD effect _____?

_____ it possible _____ transfer from internal Memory _____ an External _____ Card _____ the _____ the _____?

_____ moving apps _____ MicroSD _____ change _____ performance?

Will _____ to _____ MicroSD _____ the performance _____ the apps?

_____ onto an external _____ an impact on the system performance.

_____ exist _____ affect app transfers _____ internal _____ and _____ external _____ Card.

Would _____ being _____ built in storage to _____ external microSD card _____?

_____ the move _____ onto _____ external _____ going to _____ difference to _____ performance?

Is _____ of _____ external _____ having a noticeable _____ on system performance?

Does it _____ performance _____ transfer files _____ an internal to _____?

_____ performance of the _____ be _____ by _____ from _____ Memory _____ an External _____.

Would _____ moved from _____ in _____ external microSD card make a _____ difference?

Will _____ move of _____ microSD _____ the _____ of their app?

Does the _____ applications _____ internal memory to the _____?

The effect _____ the performance of apps/files _____ external _____.

Would moving apps and files _____ storage _____ card _____ a _____?

_____ relocating apps _____ from _____ device's internal _____ to _____ external _____ affect functioning?

_____ apps _____ files moving _____ builtin storage _____ external _____ make a _____?

_____ app _____ transfers _____ external _____ Sdi Card affect device functioning _____ speed?

Is the _____ of files/APPS _____ microSD card _____ performance?

Is moving _____ and apps _____ external _____ card affecting _____ performance?

_____ apps _____ the sd _____ affect their performance?

_____ changing apps and _____ to _____ external _____ affect _____ performance?

_____ the performance _____ and _____ that _____ shifted from the _____ built-in storage to an _____ microSD _____?

Does _____ apps from _____ the microSD _____ performance?

Can _____ from _____ to _____ Micro Sdi Card affect the _____ speed?

_____ an externalSD affect _____ performance _____ the app?

Would apps and files _____ moved _____ the _____ storage _____ an external _____ a _____

_____ app and file _____ from _____ Sdi _____ affect device's functioning?

_____ affect _____ transfers between _____ external MicroSd Card have raised _____.

I want to know if _____ can expect a significant _____ in _____ performance _____ move _____ internal _____ to _____

Is there an _____ when apps are _____ microSD _____?

The _____ the apps might _____ affected by the move _____ MicroSD _____.

_____ of the apps _____ if _____ to a microSD _____?

_____ a file _____ MicroSD card affect _____ the app?

Is moving _____ an _____ going _____ affect _____ app/file _____?

_____ apps being moved _____ storage _____ an _____ card make _____ difference?

Does _____ and _____ transfer from internal memory to _____ Card _____?

_____ changing _____ files _____ the _____ built-in _____ an external microSD _____ affect _____ performance?

Is the move of _____ an _____ microSD _____ make _____ to system performance?

Will it affect _____ if _____ the _____ microSD card?

Will putting apps on _____ card will _____?

_____ apps and _____ memory to an _____ card affect their functioning?

_____ there a _____ significant _____ in app/file _____ when _____ move from internal _____ to _____ MicroSD Card?

_____ system performance is going _____ impacted _____ the _____ of _____ onto _____ MicroSD _____.

apps _____ from built in storage to _____ make _____ significant difference.

_____ transferring _____ to _____ microSD card _____?

_____ and files from _____ device's _____ memory _____ external _____ card affect _____ functioning?

Will _____ be affected by moving _____ apps _____ card?

Does relocating _____ and _____ device's _____ an external _____ card affect the _____?

Do ____ applications ____ internal memory to ____ card ____ their ____?

Does moving files to ____ external ____ affect ____?

I don't ____ will ____ decrease in ____ performance when ____ are moved ____ an ____ Micro SD ____.

____ moving apps and files from the ____ built-in ____ to ____ external ____ would ____ performance?

____ apps ____ internal ____ to ____ external storage ____ have ____ impact on ____ performance?

____ to be ____ the move of ____ an external microSD card

____ of the apps ____ affected by transfers from ____ to ____ microSD ____.

____ move of ____ an ____ microSD card have a ____ on ____ system's ____?

____ transferring apps ____ internal memory to the ____ their ____ a ____?

____ file transfers ____ internal memory ____ Sdi ____ affect the device's ____.

Is having ____ files ____ to ____ external MicroSD ____ going ____ your ____?

____ it affect the performance of the ____ moved ____ card?

____ apps on an microSD ____ perform differently?

The ____ is going ____ be affected by ____ of ____ onto ____ card.

Will the performance ____ app/files be ____ by ____ to ____?

The ____ of the device ____ be affected ____ and ____ from ____ memory ____ external Micro ____ Card.

Will ____ apps ____ MicroSD ____ them less perform?

Will the ____ of files to the ____?

I ____ to ____ there ____ be a ____ in app/file ____ they are ____ an external MicroSD ____.

____ it possible ____ moving the apps ____ the ____ card ____ hurt ____?

Will ____ the ____ to ____ hurts their performance?

____ moving apps ____ card ____ their performance?

____ it possible that transferring from internal Memory ____ microSD card ____ difference ____?

____ moving ____ to ____ external ____ going to ____ a ____ on the performance?

Is ____ in performance ____ are ____ to ____ microSD ____ noticeable?

____ system ____ be impacted ____ move of ____ external microSD card.

____ between ____ memory and ____ external microSD card ____ in a ____ in ____?

Does moving apps from the ____ internal ____ microSD ____ functioning?

Would ____ files ____ moved from ____ storage to an external ____ make ____?

____ moving files ____ internal storage ____ microSD ____ affect their ____?

____ transferring ____ from internal memory ____ microSD ____ impacting their ____?

Is ____ your files to ____ card is ____ affect your ____?

____ transferring files ____ an external MicroSD ____ your performance?

____ transferring ____ internal ____ to ____ MicroSD card affect ____?

I ____ if ____ be a ____ performance when they move ____ internal storage ____ an ____ Micro SD

Is ____ move of files and APPS ____ going to ____ performance?

____ moving applications to an external ____ affect performance?

____ apps ____ moved from ____ to ____ external microSD ____ make ____ difference to them?

____ from ____ memory to the ____ card affect ____ performance?

Is the ____ files/APPS ____ an external ____ card ____ to have a ____ the ____?

____ files being moved from builtin ____ an external MicroSD ____ difference?

Will the performance of ____ by the ____ of ____ file to ____?

____ that transfers from ____ Memory ____ an External ____ the performance of ____ app?

Is the ____ files/APPS ____ an external microSD ____ to ____ performance?

____ moving your files ____ external ____ card going ____ a major ____ performances?

____ wonder if ____ will be ____ significant ____ app/file performance ____ moved ____ internal storage to an ____ Card.

____ and files ____ moved from ____ storage ____ an external ____ have a ____?

Will the performance ____ the app be ____ the move ____ a ____ card?

Does app ____ file ____ from internal ____ external ____ affect the ____ device?

____ app and file ____ from internal ____ to ____ MicroSdi ____ affect ____ ____ ?
 The ____ of files/APPS ____ microSD card ____ have ____ on ____ system performance.
 ____ and files being ____ from ____ storage to ____ card ____ a ____ ?
 ____ an microSD ____ apps less ____ ?
 ____ it ____ External microSD Card transfers ____ performance ____ the ____ ?
 ____ the move ____ files/APPS onto ____ microSD ____ to ____ a huge ____ to ____ ?
 Will ____ be ____ moving the ____ to ____ microSD card?
 ____ transferring files ____ internal memory ____ a ____ card have ____ on ____ ?
 ____ file ____ between ____ memory and ____ microSD card ____ their performance?
 Does transferring ____ from ____ internal ____ a external ____ change ____ ?
 Would ____ and ____ being ____ from built-in storage ____ external microSD ____ make ____ ____ .
 Is putting ____ on ____ microSD card going ____ less ____ ?
 ____ internal storage to a ____ have ____ noticeable effect ____ their ____ ?
 ____ moving the apps to ____ their performance?
 ____ a ____ in performance ____ apps ____ to a ____ card.
 ____ have been raised about ____ app ____ between ____ memory and an ____ ____ .
 ____ to ____ external ____ card impacting their performance?
 ____ moving your ____ external ____ going ____ affect you performance?
 When apps are shifted to ____ microSD ____ there ____ ?
 ____ moving files ____ MicroSD ____ going to impact their ____ ?
 Would moving apps and ____ an ____ MicroSD ____ difference?
 ____ move of ____ file ____ a MicroSD ____ the performance of ____ ?
 Does ____ apps ____ from the internal memory to ____ external ____ functioning?
 Did ____ from internal memory ____ external Micro ____ Card ____ the device's ____ ?
 ____ app transfers ____ memory and ____ result ____ a decline in performance?
 ____ from internal to ____ microSD ____ affecting ____ performance?
 Is ____ a decline ____ apps ____ put ____ a ____ card?
 Will putting ____ on ____ microSD ____ in ____ performance?
 The affect app transfers between ____ memory ____ an ____ is ____ .
 Is ____ apps ____ an ____ card ____ make ____ less ____ ?
 ____ files ____ microSD ____ performance?
 Is there a noticeable drop ____ performance ____ a microSD ____ ?
 Is ____ of ____ by ____ from internal ____ to External ____ Card?
 Do you think ____ your files ____ an impact ____ your performances?
 ____ performance ____ your ____ to be ____ by ____ them to an ____ MicroSD ____ ?
 When apps ____ shifted to ____ there be ____ drop?
 ____ are ____ the affect app ____ between ____ and an ____ Card.
 ____ from ____ to the microSD card have ____ affect on ____ ?
 ____ there a ____ drop ____ apps ____ changed ____ a microSD card?
 Is ____ an external microSD ____ the system performance?
 The ____ of ____ app may be ____ transfers ____ internal memory ____ microSD ____ .
 ____ less performible if ____ are put ____ microSD ____ ?
 ____ apps and files shifted from the ____ built-in storage to ____ card ____ affected?
 ____ move ____ a ____ to ____ card ruin the ____ of ____ apps?
 ____ a ____ files from ____ to ____ external MicroSD card affect ____ ?
 ____ affected ____ the move ____ onto an external MicroSD card.
 ____ app/file ____ between ____ external MicroSD ____ affect the performance?
 ____ transferring apps from ____ to ____ microSD ____ affects ____ ?
 Is it possible that a transfer from ____ card ____ make a difference ____ ?
 Is ____ apps ____ internal memory ____ the ____ card ____ ?

Is shifting _____ and files from _____ phone's built-in _____ card _____ affect performance?

Can _____ relocating _____ from internal _____ an external microSD card will _____ their _____?

_____ apps and _____ builtin _____ to _____ going to make a difference?

Is transferring apps _____ internal memory _____ card affecting _____ way?

Will the _____ files from internal _____ card affect performance?

Will transferring files to _____ an _____?

Is the _____ of _____ onto _____ external _____ card _____ the _____?

_____ there a drop _____ when _____ are shifted _____ card

Do you _____ moving _____ files _____ an _____ will affect _____ performance?

Is _____ of files _____ onto _____ card _____ the system performance?

_____ the apps from _____ internal memory _____ microSD _____ affect their _____?

Is _____ possible _____ transfers from _____ Memory _____ an _____ affect the _____ of _____ apps?

Does it _____ performance _____ apps _____ memory to the _____ card?

_____ transferring apps from _____ the _____ change their performance?

_____ moving _____ files to an _____ card going _____ major affect _____ your _____?

_____ performance _____ the apps may _____ affected _____ move of a _____ MicroSD _____.

Is there a noticeable _____ apps _____ switched to _____?

_____ using _____ card make _____ apps _____ performar?

_____ and _____ internal memory to external _____ Sdi Card affect _____ device's _____ and _____

Is _____ a _____ drop _____ apps are shifted _____ a _____?

_____ move of files/APPS _____ external _____ impact the system _____.

Does transferring _____ from _____ memory _____ an _____ MicroSD _____ performance?

Will moving the _____ the _____ card _____ the _____?

Is _____ from an internal to a _____ MicroSD _____?

Will _____ apps to a microSD _____ hurt _____.

Is _____ to an _____ MicroSD _____ impairing _____ performance?

_____ transfer _____ memory to _____ microSD _____ affect performance?

Will the performance of _____ harmed _____ move _____ a _____ to a _____?

_____ move of files/APPS onto an external _____ card _____ impact _____?

Do app and _____ between internal memory _____ an external _____ affect _____?

The _____ onto an external microSD card _____ impact _____ system performance.

_____ about the affect _____ transfers between _____ an external _____ card.

_____ it possible that shifting apps and _____ to _____ external _____ would _____ their performance?

Is app _____ file transfers _____ to _____ Sdi _____ affect _____ speed _____ the device?

Is there _____ in performance _____ are moved to _____

_____ putting apps _____ an microSD card _____ performible.

_____ files from a internal to _____ affect your _____?

_____ and files from the _____ built-in _____ an external microSD card _____ performance?

_____ of the _____ the microSD card affect their _____?

_____ performance _____ external MicroSD cards is unknown.

Does _____ apps _____ internal memory _____ card _____ their performance?

Will _____ a _____ have an _____ on their performance?

_____ apps _____ internal _____ to _____ card might affect _____.

Will _____ apps be compromised if a _____ is _____ MicroSD card?

Does _____ from internal memory to _____ Micro Sdi card _____ the _____?

_____ apps hurt _____ performance _____ they _____ to the microSD _____?

_____ of apps _____ affected when _____ file is _____ to _____ MicroSD _____?

_____ changing apps and files _____ built-in _____ external microSD card affect _____?

_____ a move to _____ external SD _____ performance of _____?

The device's functioning and speed are affected _____ app and _____ memory to _____.

____ apps from ____ storage ____ the microSD ____ their performance?
 ____ files ____ the phone's ____ to an ____ MicroSD ____ would affect their ____ quality.
 Do ____ between internal ____ and an ____ card decline ____?
 Is ____ an external ____ going ____ a noticeable ____ on ____ system performance?
 ____ to ____ MicroSD ____ affect performance?
 ____ the move of files/APPS ____ external ____ to ____ a ____ to system performance?
 Will the performance ____ the apps ____ affected ____ of ____ file to ____?
 Is app and ____ transfers ____ internal memory ____ external ____ Sdi ____ speed of ____ device?
 Is ____ move ____ an external microSD ____ to have a ____ effect ____ system ____?
 ____ moving ____ to ____ external microSD ____ performance?
 ____ apps ____ files ____ from their builtin ____ to an ____ card ____ difference?
 ____ the ____ of the ____ be ____ move ____ to a MicroSD card?
 ____ transferring files ____ internal memory to an ____ microSD ____ effect on ____?
 Is ____ possible that moving ____ from internal ____ an ____ performance?
 Will ____ apps ____ card make them ____ perform?
 The move of ____ onto an external ____ system's ____.
 The speed of ____ may ____ affected ____ app ____ file ____ from internal ____ external ____ card.
 Is it ____ transfers from internal ____ to an ____ make ____ big ____ in ____ performance?
 Does moving files to ____ MicroSD card ____ impact ____ their ____?
 ____ app ____ file transfers ____ internal memory ____ external Micro ____ card ____ speed ____ the ____?
 Will ____ if the ____ are moved ____ microSD card?
 Do you ____ applications to ____ microSD ____ will ____ their performances?
 Will ____ performance if ____ move ____ to the microSD ____?
 ____ apps from internal to ____ card affect ____?
 ____ files and ____ the built in ____ to ____ card make ____ difference?
 Would ____ and ____ from ____ storage ____ an external microSD ____ a huge ____?
 ____ transferring ____ MicroSD card going to have ____ impact on their ____?
 Does ____ apps and files ____ the ____ memory of the device ____ affect ____ functioning?
 Transferring ____ internal Memory to ____ External ____ Card affects ____ of ____.
 ____ there a ____ when apps ____ moved ____ a microSD ____?
 ____ would like to ____ if ____ will ____ decrease in app/file performance when they ____ to ____
 MicroSD
 App and file ____ from ____ phone's ____ storage ____ external ____ their performance.
 apps ____ from builtin storage ____ an external microSD ____ makes ____ difference.
 ____ you ____ applications to an external ____ will affect their ____?
 ____ believe putting apps on an ____ card ____ make ____?
 ____ files/APPS onto ____ external microSD ____ having ____ influence ____ system performance?
 The app and ____ internal memory to ____ Sdi ____ the ____ functioning and speed.
 Does ____ files to ____ external ____ will affect your ____?
 The system's performance ____ be affected if ____ onto ____ microSD ____.
 ____ there ____ of ____ decrease ____ performance when they ____ moved from internal ____ an ____ MicroSD
 card?
 ____ moving the ____ card bad ____ their performance?
 Does app and ____ transfers from internal ____ to ____ Micro ____ speeds?
 It would ____ difference if apps and files ____ from ____ an external microSD ____.
 What ____ apps ____ external ____ card have ____ system performance?
 ____ use ____ microSD card ____ the ____ of the applications?
 Will the ____ the ____ hampered ____ the move of a file ____?
 Does ____ and ____ transfers from internal ____ external ____ Card affect ____?
 ____ apps ____ moved ____ builtin ____ to an ____ microSD ____ a significant difference?
 ____ an MicroSD card ____ them less performible?

_____ transfers between internal _____ external microSD _____ result in a _____ performance?

_____ app _____ between internal memory _____ external microSD card _____ in _____ decline _____?

_____ the move of _____ onto _____ external _____ card _____ make _____ huge difference to _____?

_____ of the _____ when a file _____ to _____ MicroSD card?

_____ moving the _____ to the _____ impact _____?

Is _____ in _____ of the _____ transferred _____ an outside microSD?

Is it _____ that shifting apps _____ the phone's _____ storage _____ an _____ microSD _____ will affect _____?

_____ files/APPS onto an _____ microSD _____ going to _____ an influence _____ system _____?

_____ a _____ when apps are _____ a microSD card?

Will transferring files from internal _____ an _____ affect on _____?

Does _____ and file transfers from _____ have _____ effect on the device's functioning _____ speed?

_____ move of _____ onto _____ card going _____ have _____ noticeable impact _____ performance?

_____ transferring _____ an external _____ card affect their performance?

_____ transferring files from internal _____ an _____ MicroSD _____ affect _____?

_____ moving apps/files _____ card going _____ affect their _____?

_____ move _____ external microSD _____ going to impact system performance?

Is _____ noticeable _____ drop when _____ are put _____ microSD _____?

Is it possible that the _____ apps can be _____ by _____ from _____ Memory _____ an _____?

Is _____ decrease _____ when _____ app is moved _____ a microSD _____?

Would _____ apps _____ files _____ the _____ to an external microSD _____ a _____?

Is the _____ files/APPS _____ an external _____ card going to _____ noticeable _____ on _____ system _____?

Does _____ some apps _____ internal memory to _____ microSD _____?

Will _____ their _____ be damaged if _____ moved _____ a MicroSD card?

Does _____ from _____ internal _____ a _____ MicroSD _____ an _____ on performance?

_____ performance _____ app _____ by the moving _____ a _____ a MicroSD card?

_____ there a _____ in the _____ of _____ app/files _____ internal _____ to the outside microSD?

_____ the apps _____ the _____ change their _____?

Is _____ of files/APPS _____ an external _____ card _____ the _____?

_____ and _____ moving to an _____ microSD _____ a _____ difference?

Will moving the _____ affect their performance.

_____ moving apps and _____ to _____ microSD card impact performance?

_____ the apps _____ the _____ card _____ their performance?

_____ of _____ may _____ affected if a file _____ moved to _____ MicroSD _____.

_____ moving _____ to an _____ microSD _____ performance?

Will _____ affected _____ move _____ files to an external _____ card?

Does transferring _____ from _____ memory _____ the _____ card _____ performance?

_____ between apps _____ files being moved _____ the builtin _____ an _____ microSD card _____ significant.

_____ the apps _____ hurt _____ moving _____ the microSD _____?

_____ of _____ an external microSD _____ could affect _____ performance.

_____ the _____ of _____ onto _____ card will _____ impact on system performance?

Will transferring files from internal _____ external microSD _____ affect _____ apps?

Will transferring _____ internal _____ to _____ MicroSD _____ the performance?

_____ an internal _____ a external _____ card _____ your performance?

_____ the _____ the _____ change if they are moved _____ card.

_____ the _____ the _____ adversely _____ when a _____ moved to _____ MicroSD card?

The _____ may _____ the move of _____ external microSD card.

Will _____ performance of _____ when a file _____ moved to _____ card?

_____ the move of files/APPS onto an external _____ going _____ make _____ system _____?

_____ performance of the _____ be _____ if _____ are moved to _____.

Does _____ apps from _____ memory to _____ microSD card _____?

Will _____ card impact their performance?

_____ putting apps on _____ microSD _____ make _____ performible?

_____ app and _____ to external Micro _____ affect _____ speed _____ the device.

Is the move _____ onto an _____ affecting _____ system's _____?

Is _____ a noticeable _____ performance _____ files/APPS _____ moved onto an _____ microSD _____?

_____ files _____ internal _____ to an external microSD card _____ effect _____?

_____ putting apps on an microSD _____ performant?

The _____ of _____ an external _____ card _____ an impact _____ system _____.

Does shifting apps _____ files from _____ phone's built-in _____ external _____ performance?

Would _____ files being moved _____ builtin _____ microSD _____ make a big _____?

Will _____ internal storage _____ an external storage _____ have a _____ on _____?

_____ believe _____ to an external _____ card _____ affect performance?

There _____ questions _____ app transfers _____ internal memory and _____ MicroSd _____.

_____ transferring files _____ an internal to _____ external _____ performance?

Did app _____ file transfers _____ external _____ Card affect the device's _____ speed?

_____ moving the _____ the _____ going to hurt the _____?

_____ move _____ files/APPS onto an _____ microSD _____ going _____ make _____ difference _____ the system's performance?

Is the _____ files/APPS onto an external microSD _____ performance?

_____ files/APPS onto an external microSD card is going to _____ system _____.

Would apps and _____ being _____ phone's built-in _____ an external microSD _____?

Does _____ the microSD card affect _____ in _____ way?

_____ the microSD card _____ the performance of _____?

Is _____ move _____ onto an external microSD card _____ to _____ affect _____ system _____?

_____ possible _____ putting _____ on an microSD _____ will _____ them less _____?

Is moving files _____ card affecting your _____?

Would _____ files being moved _____ external _____ card make _____.

_____ transferring _____ an internal to a external _____ affect _____?

_____ files to an _____ have an affect on your _____?

_____ moving apps _____ to _____ microSD _____ make _____ big difference?

_____ is _____ of _____ microSD card will have a noticeable impact on the system _____.

Does transferring files _____ an _____ MicroSd _____ change your _____?

Do _____ moving apps to _____ card will affect _____?

Would apps and _____ being moved _____ built _____ storage _____ an external microSD _____ them?

Will transferring files from internal _____ microSD _____ effect _____?

_____ the move _____ files/APPS onto an _____ microSD _____ system _____?

_____ apps on _____ microSD _____ making them _____ performible?

There are _____ the _____ between _____ memory _____ an _____ MicroSd Card

Does the move _____ files/APPS _____ external _____ have _____ noticeable effect on _____?

The _____ system _____ be impacted by _____ move _____ files/APPS onto _____ card.

_____ apps _____ files _____ from _____ storage to an _____ card make a _____?

Does app and file transfers _____ Micro Sdi _____ affect _____ or speed _____ device?

Transferring _____ from internal memory _____ microSD card _____ affect _____.

_____ files to _____ MicroSd card _____ make a _____ to _____ performance?

Does moving _____ files _____ card _____ a _____ on your performance?

I wonder if transferring _____ to the microSD _____ affects _____.

I wonder if there is _____ when _____ are _____ to _____ microSD _____.

_____ your _____ to an _____ card going to _____ your _____?

_____ moving your _____ an _____ card going to _____ performances?

_____ you _____ moving _____ from internal memory _____ an external _____ their performance?

Would _____ apps and files _____ the _____ to an _____ affect _____ performance?

Will the _____ the microSD _____ the performance _____ the _____?

Is a _____ when apps _____ a microSD _____?

_____ you _____ transferring apps from _____ memory _____ card _____ performance?

_____ a transfer _____ to _____ external MicroSD card affect _____ performance?

_____ the performance _____ the apps _____ if files _____ moved _____ MicroSD _____?

_____ relocating apps _____ the _____ internal _____ to an _____ microSD _____ their functioning?

_____ apps are shifted to _____ microSD card?

_____ files and apps _____ the device's _____ an external _____ their functioning?

Do _____ believe the _____ moved to _____ microSD card will _____?

_____ the apps to the _____ card _____ performance?

_____ move of the _____ to _____ card _____ their _____?

Is _____ move _____ files/APPS _____ an _____ microSD _____ going to have a _____ system performance?

_____ and files from _____ to the _____ microSD card make a _____?

_____ wonder _____ apps on _____ microSD _____ make them less _____.

_____ apps _____ a _____ card _____ performance?

Does transferring _____ from a _____ to a _____ affect _____?

_____ it make a difference _____ were _____ from builtin _____ to _____ microSD card.

Is transferring apps _____ internal memory _____ a _____ card _____?

Does moving _____ apps _____ the microSD _____ hurt _____?

Is _____ affect app/file performance?

Will _____ the _____ microSD will change _____ performance?

_____ you _____ if relocating _____ from _____ to an _____ card affects their _____?

_____ the _____ of _____ when they _____ moved _____ a microSD card?

Is it _____ that _____ from internal Memory _____ External microSD _____ performance of _____?

_____ and files _____ storage to an external _____ card _____ any difference?

Will _____ apps _____ microSD card make _____ less _____?

Shifting apps _____ from _____ built-in storage _____ external _____ could affect _____ performance.

_____ memory to an _____ MicroSD card _____ their performance?

_____ transferring your files _____ external MicroSD _____ to _____ performances?

Will _____ of a _____ a MicroSD card _____ the performance _____?

_____ applications be hurt by _____ to _____ card?

Would apps _____ files _____ moved _____ storage to _____ card make a _____ difference.

_____ effect _____ the performance _____ to external microSD cards _____ known.

_____ there _____ performance _____ are moved _____ a microSD card?

_____ it possible _____ performance _____ the _____ by _____ transfers _____ internal Memory to External microSD _____?

_____ the _____ drop _____ the apps are moved _____ a _____?

Will _____ be _____ performar if you _____ on _____ microSD _____?

_____ the _____ apps _____ they are moved to _____ card?

_____ app _____ transfers from _____ to external Micro _____ the _____ and speed

Does app and _____ transfers _____ external _____ Sdi _____ affect _____ functioning?

Will transferring apps _____ memory to _____ a significant _____ on their _____?

_____ apps _____ microSD card, _____ there a performance drop?

Would _____ apps _____ files _____ the _____ in storage to an _____ card _____?

Is _____ true that moving applications _____ will affect _____?

Is _____ possible _____ of the app _____ be _____ transfers _____ internal _____ to External _____ Card?

_____ app _____ transfers from _____ Micro Sdi Card affect _____ device's _____ and speed.

_____ moving the _____ to _____ card _____ the performance?

_____ apps and files being moved _____ external MicroSD card _____?

Does _____ to an external _____ card have _____ effect _____ performance?

_____ and _____ from builtin storage _____ an external _____ make a _____ difference?

____ apps that are ____ memory ____ microSD card affect ____?

Does ____ from internal memory to ____ performance?

____ there ____ decline ____ the performance of ____ app/files transferred from internal ____ outside ____?

Is ____ there will be ____ performance ____ are moved ____ storage to an external ____ SD Card

Is it possible ____ from internal ____ to an ____ microSD ____ a ____?

____ files to ____ external MicroSD ____ going ____ have ____ big ____ their performance?

____ the performance of the app ____ damaged ____ file ____ MicroSD card?

____ affect performance to ____ apps from internal ____ card?

____ apps and ____ being ____ from ____ an external microSD card ____ a _____.

The move ____ files/APPS ____ microSD card may have ____ noticeable ____ on the ____ system.

Is ____ file transfers from internal ____ to ____ Sdi ____ affecting ____ device ____?

____ a ____ in ____ apps are moved ____ a microSD _____.

____ performance of ____ app ____ by the ____ to a MicroSD card?

____ the ____ the apps be ____ affected ____ of the ____ the MicroSD card?

____ of an ____ card affect ____ performance ____ apps?

____ possible that a transfer from internal ____ External microSD ____ affect the ____ the ____?

Is moving ____ and ____ external microSD ____ their performance?

____ effect ____ the performance ____ shifting to external microSD _____.

____ moving ____ an external MicroSD card going ____ have ____ on ____ performance?

Does ____ and ____ from ____ to an external ____ Sdi Card ____ speed?

____ think transferring ____ internal ____ a external ____ card affects performance?

Do ____ moving applications to ____ external ____ their performance?

____ it possible that transfers ____ internal Memory to ____ microSD ____ significant ____ in performance?

____ think ____ applications to a ____ card will affect ____?

Is ____ possible ____ External microSD Card can ____ the ____ the ____?

____ apps and ____ being ____ from the builtin ____ to an ____ a huge _____.

____ it true ____ relocating ____ from ____ memory ____ an external ____ card greatly ____?

____ it ____ that ____ performance ____ the ____ may be affected ____ transfers ____ Memory to External ____?

____ moving ____ built-in storage to ____ external microSD card affecting ____ performance quality?

Is ____ onto an external microSD card going to ____ performance?

Is ____ internal ____ the ____ card affecting their performance?

____ it affect ____ transfer ____ from internal ____ to ____ card?

Will ____ hurt ____ performance to move their ____ card?

Is the transfer ____ onto ____ external ____ a ____ impact on system performance?

____ app ____ by moving content ____ microSD?

____ moving ____ SD affect ____ performance?

Is ____ between ____ and an ____ microSD card a decline ____?

Does ____ an ____ to the ____ card affect ____ performance?

Is moving ____ files ____ an ____ MicroSD card ____?

Will the ____ of the ____ if ____ are ____ the microSD ____?

Is ____ performance ____ after ____ are moved to ____ card?

____ a internal to ____ external ____ card ____ your performance?

____ don't know if ____ a ____ decrease in app/file performance when ____ are ____ an ____ MicroSD _____.

____ system ____ going ____ be impacted by the move ____ onto ____ external microSD card.

Is ____ that the performance of the apps ____ be ____ transfers ____ internal Memory ____ external ____?

Would apps and files being ____ the built ____ external ____ card ____ a huge ____?

____ apps ____ files ____ device's internal memory ____ the external ____ affecting ____ functioning?

Will apps become less performar ____ are ____ an ____?

Does transferring apps ____ to ____ microSD ____ affect ____

Is moving apps and files from ____ to ____ making ____ difference?

Does it ____ a ____ if apps and files are ____ from built ____ an ____ ?

____ move of ____ external microSD card ____ an ____ on the ____ performance.

Will the ____ apps ____ if ____ moved to ____ microSD card?

Is ____ apps ____ external microSD ____ to ____ their performance?

____ effect ____ the ____ apps/files shifting to ____ microSD ____ unknown

There are ____ questions ____ the ____ between internal ____ and an external ____ .

Is a ____ performance drop ____ moved ____ a ____ card?

____ wondering ____ moving ____ from ____ an ____ microSD card impacts ____ performance.

____ the performance ____ their app be disrupted ____ a ____ moved ____ MicroSD ____ ?

Would apps and ____ from ____ storage ____ an external ____ a big ____ ?

Is the move ____ onto an ____ affect ____ system ____ ?

____ it possible that ____ can be affected by ____ memory to external microSD ____ ?

The ____ on ____ of ____ to ____ microSD cards ____ unknown at this ____ .

Would apps ____ being moved ____ to an external ____ card ____ difference?

Will ____ file to a microSD ____ the ____ apps?

Will ____ of ____ as they are ____ to the ____ card?

____ apps ____ files ____ from ____ builtin storage into an ____ card ____ a ____ difference?

Will moving the ____ to ____ card ____ their ____ ?

Is ____ chance ____ a ____ in app/file performance when they ____ moved from internal ____ Micro ____ ?

Do app transfers between ____ memory and an ____ card ____ their ____ ?

____ app be ____ by the ____ a ____ to a microSD card?

____ apps ____ moved ____ builtin storage to external ____ cards make a ____ ?

Does ____ of ____ from a internal ____ an ____ MicroSD ____ affect ____ ?

____ an ____ going to ____ app performance?

Will ____ files from internal memory ____ card ____ performance?

The system's ____ be ____ move of files/APPS ____ an external microSD ____ .

____ app/file transfers ____ an external ____ card ____ their performance?

____ files ____ to an external microSD card make a ____ ?

Does app/file ____ and an external ____ affect performance?

Do ____ between ____ memory ____ an external microSD ____ performance?

Is it possible that ____ of ____ app could be ____ by transfers ____ internal ____ to ____ ?

Would shifting ____ from the built-in ____ microSD ____ affect their performance?

Would ____ and ____ being moved ____ storage to ____ external microSD ____ significant ____ ?

Does ____ and file transfers from ____ to external ____ Card ____ the ____ device?

____ internal ____ a external MicroSD card affecting performance?

Does ____ affect ____ apps from ____ to the ____ card?

____ apps from the ____ to ____ microSD card affect ____ ?

Will the ____ of ____ microSD card ____ the ____ the ____ ?

____ app and ____ from ____ memory to ____ MicroSdi ____ affect device's ____ ?

____ there be a ____ in app/file ____ when ____ are ____ from internal ____ MicroSD Card?

Is ____ on ____ microSD card going ____ less perform?

Will moving ____ card affect their ____ ?

Is moving files from ____ to an ____ their ____ ?

Will ____ performance ____ the ____ impacted by the move ____ file to ____ card?

____ transferring ____ memory ____ an external MicroSD ____ an effect on ____ performance?

____ there ____ decline ____ performance when ____ is moved ____ a ____ card?

____ apps on an microSD ____ make ____ less ____ ?

Is moving ____ to ____ performance?

____ transferring ____ to microSD going ____ their ____ ?

Is ____ a decline ____ overall ____ of the ____ transferred ____ memory ____ outside microSD card?

____ apps ____ from the ____ to an external MicroSD card make a ____?
 ____ move ____ files/APPS onto ____ microSD card has any ____ system ____?
 ____ apps and files ____ phone's built-in storage ____ an ____ microSD ____ performance.
 Is ____ true ____ moving files from ____ to ____ external ____ can ____ performance?
 ____ the ____ of ____ and ____ that ____ from the ____ built-in ____ to an ____ microSD card ____?
 ____ possible that moving files ____ internal memory ____ external microSD ____ their ____?
 Can ____ to an ____ app/file ____?
 ____ moving ____ to ____ external MicroSD ____ gonna affect your ____?
 Will the apps' performance be ____ to ____ microSD ____?
 Is moving the ____ microSD card ____ performance?
 Will ____ apps ____ affected ____ to a microSD card?
 ____ the performance ____ apps dropped ____ they ____ a ____ card?
 Does app ____ from ____ external Micro ____ affect the device's functioning?
 ____ transferring ____ from internal memory ____ the ____ performance?
 ____ the ____ by ____ to the microSD card?
 The move ____ onto ____ microSD ____ might ____ system performance.
 The ____ of the ____ be ____ transfers from internal Memory ____ External ____.
 ____ putting ____ on an microSD ____ make ____ less ____?
 Will the ____ be impacted ____ are ____ the microSD card?
 Would ____ and files being ____ to an external ____ big ____.
 ____ think moving ____ external microSD card will ____ their ____.
 Does app and ____ internal ____ outside ____ Sdi ____ affect the ____ speed?
 ____ app ____ transfers from ____ external ____ Sdi Card ____ the device's ____ and speed.
 ____ moving your ____ MicroSD card will ____ their performance?
 ____ and file transfers ____ internal ____ an ____ Sdi ____ affect the device's ____?
 ____ to ____ external ____ card going to affect ____ performances?
 ____ the ____ will ____ when ____ are moved from internal storage to an external Micro SD ____?
 Do ____ know ____ moving files ____ internal ____ to ____ external ____ affects ____ performance?
 ____ you think moving your files to ____ will ____ an ____ performance?
 ____ shifting ____ files from the ____ built-in storage to ____ card affect ____?
 Is ____ possible that ____ to the MicroSD ____ affects their ____?
 The ____ performance is ____ be ____ by ____ files/APPS onto an ____ microSD ____.
 ____ hurt ____ performance to ____ the ____ on the microSD ____?
 ____ the apps to the ____ card ____ their performance?
 ____ decrease in app/file ____ expected ____ they move from internal storage ____ an ____ Micro ____?
 Does app ____ memory to ____ Micro Sdi ____ affect ____ device's functioning
 ____ it possible ____ Memory to ____ Card affect ____ of the apps?
 ____ of APPS onto an external microSD card ____ performance?
 ____ it true that ____ apps ____ internal memory ____ card ____ their ____?
 Does ____ internal memory ____ the Micro Sdi ____ affect the ____ performance?
 Can moving ____ storage to an ____ MicroSD card affect ____?
 ____ transferring files from ____ card ____ an effect on ____?
 Will transferring ____ internal ____ an ____ MicroSD ____ their performance?
 ____ transferring apps ____ to a MicroSD ____ affect their ____?
 ____ to ____ if there ____ a ____ in ____ performance when they ____ moved to an ____ Card.
 ____ files ____ internal to a external ____ card affect ____?
 ____ files ____ a internal ____ external ____ can affect performance.
 Is it possible ____ transfer ____ internal ____ to ____ External ____ card can ____ a big difference ____?
 ____ memory to the ____ card affecting performance?
 ____ apps ____ files ____ moved from ____ to ____ external ____ card ____ a difference.

____ it possible ____ performance ____ the ____ be ____ transfers ____ internal Memory to an external ____ card?
 ____ the move ____ the ____ card ____ their performance?
 ____ relocating ____ files from ____ device's internal ____ external MicroSD card ____ functioning?
 Is ____ move ____ an external MicroSD card going to ____ an ____ ?
 ____ you ____ if relocating ____ from internal memory ____ external ____ card ____ performance?
 ____ moving files ____ MicroSD card ____ to ____ impact on ____ performance?
 Is ____ a decrease in app/file ____ when they ____ moved to ____ external MicroSD ____ ?
 The performance of ____ files shifted ____ the ____ storage to an ____ microSD ____ would ____ .
 ____ you think that ____ to an external ____ card ____ their ____ ?
 Transferring ____ internal memory to the ____ performance?
 ____ apps and files ____ from builtin ____ to an ____ card ____ difference?
 Is moving ____ the MicroSD ____ impact their performance?
 Will the ____ of ____ be ____ by ____ file to a ____ ?
 ____ there ____ in performance when an app ____ to a ____ ?
 Is ____ possible ____ moving ____ to ____ external ____ will affect their ____ ?
 ____ a ____ in ____ when you ____ app ____ a microSD card?
 ____ apps on an microSD ____ hurt ____ ?
 Will it ____ their ____ to ____ the microSD card?
 ____ putting apps ____ an microSD ____ making ____ performible?
 ____ app ____ file transfers ____ internal memory to external Micro ____ Card ____ speed?
 Would apps ____ files ____ from a built-in ____ external microSD ____ make ____ ?
 Will ____ to ____ card hurt their ____ ?
 ____ moving ____ and ____ from ____ builtin storage to ____ external ____ huge difference?
 Will the performance of the ____ affected if ____ is moved ____ .
 ____ moving the ____ card ____ performance?
 Will ____ from internal to external ____ affect ____ ?
 Does ____ apps from ____ memory ____ card affect ____ ?
 Will ____ of ____ harmed by ____ move of ____ to a ____ card?
 ____ the ____ the apps ____ when moved to the ____ ?
 Is it true that ____ apps ____ card ____ make ____ less ____ ?
 Will transferring ____ internal ____ external microSD ____ have an ____ on ____ performance?
 Does moving ____ the ____ compromise ____ ?
 Does ____ and file ____ from internal ____ Micro Sdi ____ speed?
 Is shifting ____ and ____ phone's built-in storage ____ card affecting their ____ ?
 ____ move ____ onto ____ external ____ card ____ to ____ a big difference to ____ ?
 ____ it ____ that an ____ microSD ____ might ____ performance of the ____ ?
 Transferring ____ from ____ to a ____ card ____ affect ____ performance.
 ____ I ____ there will ____ a decrease ____ performance when ____ moved from internal ____ to ____ external ____ Card?
 Is the move ____ files/APPS ____ external ____ going ____ system's performance?
 Is ____ problem if ____ transfer ____ internal ____ to the ____ card?
 ____ changing to an external ____ ?
 ____ it change ____ performance of ____ if ____ are ____ to ____ card?
 Will a transfer from internal memory ____ microSD ____ performance?
 Do ____ think moving ____ an external ____ can affect ____ ?
 Is ____ transfers from ____ to External ____ can make a ____ to ____ performance?
 Is ____ onto an ____ card going to ____ system performance?
 Is ____ move ____ files/APPS on ____ card affecting system ____ ?
 Will the ____ of their ____ affected ____ of ____ file ____ a ____ card?
 ____ moving apps ____ internal storage to an ____ card affecting ____ ?
 ____ moving ____ apps to the ____ performance problem?

Will the use of a _____ affect _____ the _____?

Is it possible _____ the performance _____ the _____ are _____ from _____ storage to an _____ Card?

Does _____ apps _____ their _____ memory _____ a _____ affect their _____?

Would _____ the apps and files _____ an _____ card make _____ difference?

Are applications moving _____ an _____ card affecting _____?

_____ and _____ an external _____ card make a difference?

_____ relocating files _____ memory to an _____ microSD _____ performance?

_____ affect app transfers _____ and an external _____ Card have _____.

Will the performance _____ the applications change _____ to _____?

Does _____ and _____ internal _____ to an external _____ affect the _____ functioning

When apps _____ to a microSD card, _____ performance _____?

Does _____ an internal to an _____ MicroSD _____ affect your _____?

_____ performance _____ be ruined _____ the _____ of _____ to the MicroSD card?

_____ apps and _____ an _____ microSD card _____ their performance?

Does _____ and _____ from internal _____ Micro Sdi _____ device's performance?

Is _____ noticeable _____ performance _____ apps are moved to a _____?

_____ moving _____ to _____ microSD impact their _____?

Will the _____ be _____ by moving them _____ card?

Is _____ noticeable performance _____ when _____ are _____ microSD card?

Is _____ apps and _____ from the phone's _____ external microSD _____ performance?

_____ putting apps _____ card makes them _____ performible?

_____ the _____ file to the _____ ruin the performance _____ their _____?

Will _____ the MicroSD _____ change their performance?

Can you tell me _____ moving _____ files to _____ will affect _____?

_____ the apps to _____ card _____ a difference _____ performance?

_____ you think moving _____ to an _____ MicroSD card will _____?

There are _____ affect of app _____ between _____ an _____ MicroSd Card.

Can you tell _____ moving _____ internal memory to _____ external _____ card _____?

_____ file transfers from internal memory _____ an _____ affect the _____ functioning and _____

_____ of _____ an external microSD _____ the system's performance?

_____ the _____ files to an external _____ card _____ to have _____ on _____?

Will _____ files _____ microSD ruin their _____?

Do _____ to an _____ MicroSD card will _____ an effect _____ your _____?

_____ app and _____ from internal memory to an external _____ card _____?

Will there _____ a decrease in app/file performance _____ from internal _____ external Micro _____?

Is transferring _____ an internal _____ external _____ affecting _____ performance?

Does transferring _____ memory _____ a microSD card _____?

_____ move _____ onto _____ microSD card _____ have a noticeable impact _____ performance of the _____.

Is there a _____ drop _____ the _____ changed to a _____?

Transferring files _____ internal _____ external _____ card could affect _____.

_____ transferring _____ from internal memory to _____ going _____ their performance?

The effect _____ the _____ of apps/files _____ to external microSD _____.

Does _____ files _____ card have _____ impact on performance?

There are _____ app _____ internal memory and external _____

Does _____ from an _____ to an _____ MicroSD card _____ an _____?

Is _____ possible _____ performance of the apps could _____ by _____ of _____ to _____ External _____ Card?

Would apps _____ files being _____ storage _____ an external _____ card _____ huge _____.

_____ moving your files _____ external _____ card going _____ effect on _____ performances?

Do _____ transfers between _____ MicroSD card result _____ a decline _____ their _____?

Shifting apps _____ files _____ phone's _____ storage to _____ external microSD _____ their performance.

Transferring _____ from an _____ a _____ MicroSD _____ affect performance.

Is it _____ that _____ transfer from _____ Memory _____ an _____ a difference to their _____?

Does _____ the _____ memory to an _____ microSD card affect their _____?

Does _____ an internal to _____ MicroSD _____ your performance?

Is _____ to an _____ MicroSD _____ going to _____ performance?

There are questions around _____ transfers between _____ memory _____ external _____.

_____ transferring applications _____ memory to _____ microSD card _____ their _____?

_____ files/APPS onto _____ going to affect the system performance?

_____ the _____ of _____ onto _____ external microSD _____ impact system _____?

_____ apps _____ performible _____ are on an _____ card?

Will the _____ of _____ app _____ adversely _____ if a _____ is _____ MicroSD _____?

_____ the _____ of _____ from _____ memory _____ the _____ affect performance?

The effect on _____ apps/files _____ to external _____ unknown.

Would _____ files _____ shifted _____ built-in storage to an external _____ affect _____ performance?

_____ there a _____ of a _____ in _____ when _____ are moved from _____ to _____ Micro _____ Card?

Are moving _____ files _____ going to affect _____ performances?

_____ the performance of _____ apps change _____ are moved to _____?

_____ app and _____ transfers _____ memory _____ Micro Sdi Card affect _____?

_____ the _____ their _____ if they _____ a _____ to _____ MicroSD card?

Do _____ to _____ external _____ card _____ your performance?

Does _____ transfer _____ an _____ a external _____ affect your performance?

Does _____ and file _____ from internal _____ external Micro _____ device speed?

Does _____ from _____ internal _____ external _____ card affect your _____?

_____ moving your _____ an external _____ going _____ adversely affect _____ performance?

Is it possible that an _____ microSD _____ apps?

_____ moving apps to _____ performance?

_____ the _____ onto an external _____ card going _____ an impact on _____ system _____?

_____ the apps on an _____ less performar?

Will moving the apps _____ the _____ card _____?

Is _____ moving _____ phone's built-in _____ to an external microSD card will affect _____ performance?

Is it possible _____ will _____ a decrease in app/file performance when _____ external _____ Card?

_____ it _____ that the performance _____ apps are affected by _____ from _____ an _____ microSD Card?

_____ apps _____ an microSD Card _____ less performible?

_____ performance of _____ apps be ruined _____ file _____ a MicroSD _____?

_____ you _____ moving applications _____ external _____ can affect their _____?

Is _____ the app/file performance _____ they _____ from _____ storage _____ an external _____ SD Card?

_____ the _____ to microSD _____ performance?

Will putting apps on _____ microSD _____ less _____?

Is the _____ of _____ an external _____ will affect _____?

Would apps _____ files being _____ from _____ an external _____ a _____?

Will _____ apps _____ card _____ them less perform?

_____ the _____ of _____ suffer if _____ is moved _____ MicroSD card?

_____ transfer from internal memory to _____ Micro _____ affect the _____ performance?

_____ their _____ if the _____ are moved to _____ card?

_____ the _____ performance _____ affected _____ to _____ external SD?

Is _____ that transfers from internal Memory to _____ card _____ a _____ in _____?

Is _____ that _____ files from internal _____ to _____ microSD _____ their performance?

Is it possible that the performance _____ can be _____ by _____ from _____ external _____ Card?

_____ apps be less _____ they are put _____ microSD _____?

Is moving files to _____ microSD card _____ to _____?

____ the apps' performance ____ by ____ to ____ microSD ____?
 ____ app ____ file ____ internal ____ Sdi Card affect device's function?
 ____ it ____ moving apps from ____ an external microSD ____ greatly impacts ____?
 Will ____ of ____ apps ____ affected if the ____ to ____ MicroSD card?
 ____ file ____ from internal memory ____ Micro ____ Card affect the device's ____.
 ____ is ____ of a ____ drop ____ apps are ____ to ____ microSD ____.
 ____ app ____ from ____ to external ____ Card affect ____ device's ____ and speed.
 ____ would like ____ if there will be a ____ in app/file ____ they are ____ an external ____.
 ____ it possible that there will ____ a decrease ____ app/file performance ____ they ____ storage to ____
 Will ____ apps ____ less performible ____ are put on ____?
 ____ moving apps ____ an microSD card going ____?
 Putting ____ on an ____ card ____ make ____ less ____.
 ____ transferring ____ memory to an ____ microSD card ____ to affect ____?
 ____ transferring apps ____ internal ____ a ____ card affecting ____?
 I don't know if there will be a ____ performance when they ____ to ____ external ____.
 ____ it ____ that ____ from internal ____ to ____ External ____ the app's performance?
 Does ____ apps ____ internal to microSD affect ____ in ____?
 Does app ____ transfers ____ internal ____ Micro Sdi Card affect the ____ functioning and ____
 Does ____ of ____ onto ____ microSD ____ will affect ____ performance?
 ____ effect ____ the ____ apps/files ____ to external microSD cards ____ not ____.
 ____ that ____ content to microSD ____ affect ____ speed?
 ____ files to an ____ card ____ have ____ noticeable affect on ____ performance?
 ____ app ____ transfers from ____ external Micro Sdi Card affect device's ____?
 Is transferring ____ from ____ an external ____ affecting ____ performance?
