

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle complaints and quality concerns
Inquiry Sub-Category	Transmission Troubles
Description	Customers report problems with the transmission, such as rough shifting, slipping gears, or failure to engage, impairing the vehicle's acceleration, fuel efficiency, and overall performance.
Data Size	9,208 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ unresolved _____ indirectly cause problems like rough _____ for _____ _____?

Is engine problems _____ potential _____ _____?

_____ _____ to _____ shifting in cars?

_____ does _____ engine stuff _____ _____ bumpy?

Is there an issue _____ the _____ might _____?

_____ rough shifts _____ caused by _____ troubles?

Is there a _____ unresolved motor concerns _____ _____ gears?

_____ want to know _____ problems _____ _____ shifting feel bad.

_____ engine troubles _____ gear shifts?

_____ engine _____ problematic shifting patterns?

_____ transmission _____ because _____ problematic engines?

_____ there a correlation _____ rocky _____ between gears _____ _____ concerns?

_____ if _____ might affect shifting _____.

_____ shifts may _____ caused _____ issues.

Is it possible that _____ to _____?

_____ possible for problems in _____ engine to _____ _____?

Possibly faulty engines affect _____.

_____ faulty _____ cause _____ unpredictable shifting _____?

_____ trouble leads to _____?

Can _____ troubles be _____ to _____?

Does _____ driver's _____ shift _____ by _____ motor problems?

Is there _____ the _____ could cause shifts _____ drivers?

Does _____ from engine _____?

_____ engine lead to gear shifts _____ are _____?

Is _____ issues can affect shifting _____ drivers?

Problems with _____ engine _____ for _____ drivers.

_____ have issues with their _____ rough shifting.

Will motor issues _____?

Did faulty _____ rough _____ difficulties?

Engine _____ leads _____ shifts _____ ?

_____ issues _____ are not fixed _____ rough _____.

There is _____ of a connection _____ unrepaired engines.

_____ having _____ motor _____ affect the driver's ability _____ ?

Might _____ motor _____ changes?

_____ chance _____ motor issues _____ shifting _____ ?

_____ engine _____ lead _____ rough shifting _____ drivers?

Some drivers have _____ with _____ shifting _____ to _____.

Do _____ shifting issues?

Would _____ cause a _____ ride when changing _____ ?

Undiagnosed motor problems may _____ for _____.

_____ shifts may be caused _____.

Is _____ a _____ the engine _____ lead to _____ adjustments?

_____ motorists have _____ erratic gear _____ to _____ issues.

_____ the _____ result in _____ patterns.

_____ a correlation _____ troubles and _____ gear changes?

_____ unresolved engine _____ rough shifting?

_____ problems _____ for _____ shifts?

Some motorists _____ experienced _____ of _____ gear _____ to _____ issues.

_____ rough shifting occur _____ engine _____ ?

Is there _____ chance that _____ shifting smoothness?

_____ possible _____ could lead to _____ shifting?

Might engine _____ affect _____ ?

Do drivers experience _____ gears _____ trouble?

_____ be to blame _____ shifting.

_____ leaving _____ problem _____ shaky _____ situations?

_____ issues affect the _____ to _____ ?

Is it possible _____ mess _____ smooth shifts _____ cars?

_____ unresolved _____ rough shifts?

_____ a correlation between unresolved _____ occurrences _____ rough shifting?

If _____ glitch _____ rough shifting for _____

_____ undetected _____ of causing rough _____ while driving?

_____ engine _____ fixed cause rough _____.

There could be problems _____ could lead _____ rough _____.

_____ possible _____ a faulty engine to _____ shifting fluidity?

Is _____ that engine _____ can mess with _____ ?

_____ fixing _____ problems _____ to _____ movements?

Engine _____ may _____ to _____ for _____.

_____ unresolved _____ stuff _____ gear changes?

Is _____ a _____ unresolved _____ rough shifting for drivers?

_____ may _____ rough shifting for certain _____.

_____ erratic shifting experience might _____ to _____ problems.

Is it possible _____ problems could _____ shifting in _____ ?

_____ affect shifting quality?

Is it possible that bumpy _____ changes _____ ?

Does _____ messed-up _____ gear _____ ?

Might unattended _____ motor _____ cause _____ ?

Can _____ lead to _____ ?

Is there an issue _____ shifts for _____ drivers?

Rough ____ is possible due ____.

rough ____ to engine troubles.

Is ____ possible to ____ engine ____ that ____ the ____ changes?

When ____ gears, ____ problem ____ a rough ride?

Can ____ the shift?

Is ____ possible ____ can influence shifts?

____ it ____ engine issue to lead to ____?

Is ____ a ____ rugged ____ occurrences ____ worsened by unsolved ____?

Is ____ issue of ____ problems ____?

Is ____ troubles ____ rough ____?

____ it possible ____ troubles may affect ____?

Will ____ make my ____?

Issues with your ____ can ____ to rocky ____.

____ chance ____ troubles mess ____ shifting smoothness?

____ that ____ affects shifting smoothness.

Would ____ trouble ____ smoothness?

Does ____ unaddressed motor ____ messing with shifting ____?

____ undetected engine troubles ____ result in ____ such as rough shifts ____?

Is ____ possible ____ ongoing motor ____ influencing ____ shift?

Problematic shifting ____ a result ____ unresolved ____ troubles.

Some motorists have experience with erratic ____ because ____.

Does ____ unresolved ____ a ____ ability ____ shift?

Do engine ____ the ____ to cause ____ with ____?

____ it possible ____ troubles affect ____ gear shifts?

____ there ____ of ____ of erratic ____ changes experienced ____ some motorists?

____ possible that unresolved ____ rough shifts?

Is it ____ problems ____ for shifting experience?

There is ____ that irregular gear changes ____ lead ____?

____ changing gears, could car ____ problems ____?

Is it possible ____ make my shifting ____ bad?

Is undetected engine ____?

There is a ____ unsolved ____ occurrences to increase.

____ can be ____ engine ____.

____ car ____ cause bumpy gear ____?

____ that problematic engines ____ transmissions?

Is rough shifting ____ because ____?

Is there ____ and rough shifting?

____ rough ____ unresolved ____ concerns happen?

____ have rough shifting ____ of unresolved ____.

Maybe faulty ____ affect drivers ____.

Wouldn't an ____ problem make a ____ when ____?

The smoothness of ____ may be ____ unresolved ____.

____ issues ____ rough shifts?

Is there ____ between unresolved engine issues ____?

Is ____ possible ____ an ____ issue can ____ shifting?

____ problems ____ reason for ____ shifting?

____ make ____ hard ____ change gears while driving ____?

____ the ____ affect shifting?

____ rough shifting ____ engine ____ in ____?

____ affected by ____ car ____ difficulties?

Is ____ changes ____ ____ unattended car ____ ____?
____ ____ possible that undetected ____ troubles ____ result ____ ____ while driving?
Is there a ____ ____ will ____ ____ shifts?
____ ____ ____ may be caused by ____ ____ problems.
When changing ____ ____ an engine problem ____ to ____ ____ ____?
Is it ____ that ____ ____ cause ____ shifting?
____ ____ ____ be caused ____ problematic engines?
There ____ unresolved ____ ____ that ____ cause ____ shifts.
____ ____ when ____ ____ be ____ indirect consequence from unrepaired motor ____.
____ ____ caused by ____ concerns?
Is engine ____ affecting ____ ____?
Is ____ ____ for ____ ____ issues ____ affect smoothness ____ gear changes?
____ ____ there ____ ____ ____ adjustments because of engine problems?
There ____ be problems in the engine ____ ____ ____ ____ adjustments.
Is ____ a ____ ____ irregular ____ changes could lead ____ ____ drives?
Engine issues may ____ a factor behind ____ ____ ____.
____ ____ issues might ____ ____ shifts.
Is it ____ ____ ____ cause challenging transitions during ____?
____ ____ it possible that the engine ____ ____ ____ ____ adjustments?
____ ____ ____ unaddressed engine issues are a ____ behind ____ ____ ____ gear changes.
Is ____ possible ____ ____ problems influence ____?
Is ____ engine problems ____ to ____ with ____ ____?
____ ____ it possible that unresolved engine ____ ____ rough ____ ____ some ____?
Has ____ gear ____ been ____ ____ ____ troubles?
Is ____ possible that ____ motor malfunction ____ ____ ____?
Is it ____ for ____ issues to cause ____ ____ for ____ ____?
Will the ____ problems ____ ____ shifting ____ ____?
Will ____ issues ____ ____?
Is the ____ ____ ____ undiagnosed ____ problems?
____ ____ shifting due to ____ glitch ____?
Does ____ an unresolved ____ issue affect ____ ____ ____ to ____?
____ ____ problematic engines ____ ____ choppy ____ shifts?
____ ____ ____ cause difficult transitions ____ driving?
____ ____ shifts when ____ ____ ____ consequences from ____ motor troubles.
____ ____ ____ undetected engine troubles will lead ____ ____ shifts ____ driving?
Engine ____ ____ result ____ shifting ____.
____ ____ possible ____ ____ broken car ____ could ____ to bumpy gear ____?
Is ____ ____ ____ bad motor will mess ____ gear ____ for ____?
____ ____ ____ result in ____ shifting.
Poor ____ engine ____ ____ ____ issue ____ shifts.
Is ____ ____ ____ unfinished ____ could make changing ____ more difficult?
What ____ there ____ problems ____ the ____ ____ lead ____ ____ gear adjustments?
____ ____ engine ____ cause ____ shifting ____ driving?
____ ____ it ____ that ____ ____ will cause issues with ____?
____ ____ engine ____ causing rough ____?
Problems ____ the ____ ____ ____ gear adjustments.
Does ____ problems cause ____ ____ in ____?
Some drivers may ____ from ____ ____ due ____ unresolved ____ ____.
Is engine ____ ____ gear ____?
Will ____ ____ ____ issues lead ____ jerks when changing ____?

_____ it _____ that _____ shifting for _____ will be caused _____ concerns?

How _____ engine _____ to bumpy _____ changes?

_____ there _____ shifting because of unresolved _____ concerns?

Is undetected _____ cause _____ shifts while driving?

Is _____ possible _____ problems _____ shifts?

Is a problem _____ rough _____ unresolved engine _____?

_____ issue with _____ that _____ cause shifts _____ certain drivers.

Do failing _____ when gear _____?

Can a _____ mess up gear _____?

_____ it _____ that engine problems _____ cause rough _____?

Is _____ between _____ troubles _____ problematic shifting patterns?

_____ a bad motor might _____ up _____ for people?

_____ engine _____ affecting _____ smoothness?

Rugged movements _____ be caused _____.

Is _____ a _____ of more _____ shift occurrences _____ of _____?

Is engine _____ gear changes?

Any chance _____ troubles could _____ smoothness?

_____ it possible _____ discrepancies can lead _____?

Are engine _____ that _____ fixed _____ rough _____?

Might _____ cause _____ shifting?

_____ engine _____ bumpy ride when changing gears.

Is there a connection _____ shifts _____ drivers?

Are _____ issues causing _____?

_____ do undetected engine issues _____?

Shifting smoothness may be _____.

_____ there _____ way _____ engine issues can cause _____?

Some _____ experience rough _____ due _____ unresolved _____ concerns.

_____ problem lead _____ ride when changing gears?

Can _____ problems make _____ to _____?

_____ it possible that engine troubles can _____ in _____?

Is _____ an _____ problem an increase _____ shifting _____?

Do _____ issues result _____ shifts?

Is _____ the _____ motor problems _____ cause _____ shifting _____?

Is there _____ motor _____ mess with _____?

Engine _____ may indirectly cause _____.

Engine problems could _____ cause rough driving _____.

_____ that _____ problems _____ lead to rough shifting.

_____ with _____ shifts for drivers.

_____ unattended _____ motor _____ gear changes _____?

Do _____ troubles _____ shifting?

_____ possible _____ motor _____ can affect _____?

_____ problem cause a bumpy ride _____ changing _____?

Unaddressed _____ might _____ with _____ smoothness.

When _____ gears, will _____ problems _____ movements?

Is _____ caused _____ engine troubles?

_____ it _____ that the ongoing _____ malfunction _____ affects _____?

Is there _____ way _____ lead _____ rough shifting?

_____ shifts _____ unresolved _____ problems?

Drivers may _____ gears if they don't _____ troubles.

Is it _____ engine problems _____ for rugged _____?

_____ problems contribute _____ issues _____ shifting?
 When _____ gears, _____ an _____ problem lead _____ ride?
 Is it possible that _____ problems are _____ the _____?
 Is _____ something that _____ to _____ gear _____ in the _____?
 Is _____ a _____ between _____ motor _____ and _____ shifts when _____?
 _____ unresolved engine troubles cause _____?
 _____ problems with _____ shifting due to unresolved _____.
 Is _____ that ongoing _____ malfunction _____?
 Might _____ gear changes _____?
 _____ unresolved _____ concerns _____ rough _____ for _____ drivers?
 Is _____ for undetected _____ troubles _____ cause _____ shifts while driving?
 _____ an _____ making changing gears _____ normal?
 Is there _____ for unresolved _____ issues _____ affect _____ of _____ changes?
 Is it possible _____ an engine _____ shifting?
 There may be _____ cause _____.
 _____ the engine _____ cause _____?
 Is rough _____ engine troubles?
 Is _____ that _____ auto _____ issues _____ an effect _____ gear _____?
 Do _____ an engine problem makes _____?
 Is engine _____ of _____ cars?
 Shifting smoothness _____ impacted indirectly _____.
 _____ Engine _____ Shifting Quality?
 We don't _____ rough shifting will _____ engine _____.
 Engine _____ make the _____.
 _____ it _____ that _____ issues _____ affect shifting _____?
 There _____ undetected _____ issues _____ rough shifts.
 _____ chance _____ unsolved vehicle _____ cause _____ rugged shift occurrences?
 _____ possible that engine trouble _____ with _____ certain cars?
 Does _____ trouble affect _____ you _____ gears?
 Is it possible _____ engine issues _____ affect the _____?
 _____ my _____ bad _____ of the _____?
 _____ a cause _____ shifting _____ issues aren't fixed?
 Can _____ problems _____ shifts for people?
 jerky _____ could _____ from unrepaired motor troubles.
 _____ with _____ engine _____ to bumpy gear adjustments.
 _____ that unresolved _____ troubles _____ problematic shifting patterns.
 Is _____ engine trouble _____ affect _____ shifts?
 Can a _____ motor affect _____?
 _____ there a chance engine issues _____?
 _____ may _____ to choppy transmissions.
 _____ engine issues _____ cause rough _____.
 _____ trouble possibly _____ smoothness?
 _____ engine _____ affect shifting _____?
 _____ can undetected _____ issues cause _____?
 Engine _____ can be _____ factor _____ changes.
 _____ leaving an engine _____ shifting _____?
 Is _____ possible that undetected _____ to _____ shifts while _____?
 _____ shifting _____ by _____ problems?
 _____ affect drivers _____ rough _____ difficulties?
 _____ gear changes be _____ there _____ engine problems?

_____ unresolved _____ troubles _____ shifts for _____?

Is shifting _____ drivers _____ problems?

_____ engine _____ cause rough shifts?

Is _____ chance _____ motor troubles could affect _____?

_____ engine-related _____ may lead _____ rough _____.

_____ rough _____ occur if _____ engine concerns _____ not _____?

Is _____ possible _____ to _____ up _____ for drivers?

_____ shifting due to _____ issues?

_____ could _____ the _____ that could lead _____ bumpy _____ adjustments.

_____ be _____ motor _____ that _____ erratic shifting.

Engine troubles _____ shifting _____.

The _____ smoothness _____ affected _____ engine trouble.

_____ trouble _____ affect _____ smoothness.

Is there a chance _____ vehicle problems will _____ occurrences?

_____ unresolved engine _____ shifts?

Unsettled engine _____ shifting _____.

_____ it possible that _____ with smooth _____ certain vehicles?

_____ possible _____ engine problems _____ affect _____ for drivers?

rough _____ be caused _____ issues.

_____ issues cause rough _____?

Is _____ possible _____ motor _____ shifts?

Rough shifting _____ engine issues.

_____ gear _____ to engine problems?

_____ gear changes _____ affected _____ unattended _____ problems?

_____ there _____ problem _____ the _____ that _____ cause shifts?

Is _____ a _____ between _____ engine issues _____ problems _____ rough _____?

It is possible _____ could _____ to a _____ ride.

Rough _____ caused by _____ glitches.

_____ result from _____ engine concern?

_____ possible that _____ troubles _____ impact shifting _____?

_____ engine problem _____ shifting worse?

Is _____ that motor malfunction _____?

_____ undetected _____ lead to rough _____ while _____?

_____ engine _____ can _____ rough _____.

Is the possibility of _____ problems _____?

There _____ a chance _____ unaddressed motor _____ will _____.

_____ there a chance of _____ gear _____ the _____ irregular?

_____ not _____ engine problems affect _____ movement _____?

Is rough shifting _____ by _____?

Is _____ that _____ with shifts?

Is there a _____ rough _____ for drivers?

_____ it possible _____ unresolved engine _____ can cause _____ drivers?

_____ there _____ risk _____ bumpy _____ adjustments _____ to _____ problems?

_____ a _____ between unrepaired _____ troubles and _____ jerks?

_____ engine _____ cause _____ shift?

Is there any _____ motor troubles will _____?

_____ it _____ engine troubles can cause _____ shifts _____?

Shifting smoothness _____ impacted by _____.

Is there an _____ with the _____ shifts?

_____ issues _____ for shifts?

____ it possible ____ ongoing ____ will ____ shifts?
 Engine ____ bad shifting of ____?
 Is ____ a ____ that drives ____ disrupted because ____ changes?
 There ____ an indirect effect ____ performance ____ on ____ changes.
 I wonder ____ the ____ affect ____ smoothness.
 I wonder if ____ linked ____ rough gear ____.
 ____ problems ____ jerking when ____ gears?
 Is ____ linked ____ engine ____ that ____ fixed?
 ____ is a ____ motor troubles ____ with shifting ____.
 Affected ____ could ____ smoothness.
 ____ it possible ____ mechanical ____ lead to ____?
 Is engine ____ factor in ____ bouts of erratic gear ____?
 ____ engines cause problems during ____?
 Does motor ____ a ____ ability ____?
 ____ it possible ____ motor ____ could ____ jerky shifts when ____?
 ____ possible ____ faulty engines ____ rough ____ drivers?
 Engine ____ might be a ____ bouts ____ erratic ____.
 Is ____ unresolved ____ affect the smoothness of gear ____?
 Is ____ ongoing ____ malfunction indirectly influences ____ shift?
 ____ it ____ that ____ are responsible for ____ shifting experience?
 Problems with ____ motor ____ lead ____ rocky transitions ____.
 ____ possible that ____ mess ____ shifting?
 There ____ suspected ____ that ____ cause rough ____.
 Hard changes in ____ be ____ by ____?
 ____ might cause rough ____.
 ____ it ____ engines ____ lead ____ challenging transitions during driving?
 Is ____ shifting ____ linked ____ undiagnosed ____ problems?
 Problems with gear changes may ____.
 ____ that engine ____ affect ____ for drivers?
 Any ____ the unaddressed motor ____ shifting ____?
 Is there ____ chance ____ vehicle ____ more ____ shift occurrences over ____?
 ____ faulty engine cause ____ movements?
 ____ can ____ problems ____ lead to gear changes.
 ____ it ____ that mechanical issues ____ lead ____?
 ____ it possible that ____ smoothness?
 Is there ____ connection between ____ shifting for certain ____?
 Is ____ a ____ bumpy gear changing ____ unrepaired ____?
 There might ____ unattended car ____ problems ____ changes.
 Maybe faulty engines ____ affect ____ with ____.
 Does ____ unresolved motor ____ the ____ shift?
 ____ not fixing ____ problems ____ jerking ____ gears?
 ____ shifts when driving ____ be ____ consequence of ____ troubles?
 ____ issues ____ cause difficulties with ____.
 ____ be affected by faulty ____ with ____ difficulties.
 Is it ____ that ____ malfunction ____?
 Is ____ unaddressed ____ a ____ bouts of ____ gear changes?
 ____ engine problems can ____ rough shifting?
 ____ trouble ____ causes rough shifts?
 ____ engine ____ cause shifts for ____ drivers.
 ____ that ____ trouble could affect shifting smoothness?

Has undetected engine _____ shifts _____ driving?

Does engine trouble _____?

Is _____ possible that _____ malfunction influences _____?

Can engine trouble _____?

_____ it _____ malfunction can influence _____?

_____ rough _____ a _____ of _____ trouble?

_____ may result _____ unresolved _____ concerns.

_____ be _____ indirect result of _____ engine troubles.

_____ problematic engines _____ my shifting _____?

Is _____ possible _____ engine-related _____ could _____ rough shifting _____ certain drivers?

_____ it _____ the engine _____ affect _____ shifts?

Does any chance _____ messing with shifting _____?

_____ a car _____ for _____ movements?

Is _____ uncared for engine _____ cause difficulty _____ shifting _____?

Some _____ face _____ due _____ unresolved engine-related concerns.

Is it _____ engine _____ a factor _____ bouts _____ gear changes?

Are there undiagnosed _____ erratic _____?

Maybe _____ engines _____ rough _____ difficulties.

Is an _____ bad _____ cause a bumpy _____ changing _____?

Unresolved engine _____ might _____.

When _____ gears, _____ an _____ problem _____ a bumpy _____?

Engine _____ interfere _____ shifting.

_____ engine _____ in _____ shifting _____ driving?

Unresolved _____ may lead _____ shifting _____.

_____ rough _____ a result _____ problems?

_____ issues _____ rough shifting _____ some drivers?

_____ engine _____ causing problematic _____ patterns?

Is _____ possible _____ engine _____ could _____ the gear _____?

_____ engine trouble _____ smooth shifts?

_____ troubles _____ to rough gear _____.

_____ possible that _____ will affect _____ smoothness of _____ changes?

Will engine _____ shifting for _____?

_____ the engine _____ the shifting _____?

Could engine _____ rough _____?

Does an unresolved _____ driver's _____?

_____ having a _____ affect the driver's ability _____?

Are bumpy gear _____ engines _____?

_____ lead to rough _____ for _____?

_____ there _____ risk of rough shifting _____ unresolved _____?

Can _____ unfinished motor cause changing _____ than _____?

Is _____ that _____ engines can cause challenging _____?

_____ with the engine _____ cause _____.

_____ troubles _____ cause rough shifts _____.

_____ may _____ a _____ between _____ gear changes and _____ repaired _____.

Is there a problem _____ might _____ shifts _____ certain _____?

_____ an _____ makes shifting worse?

_____ it possible _____ motor _____ influence _____?

Drivers will _____ in _____ gears _____ engine problems.

Is _____ a _____ of _____ shifting _____?

_____ the engine can _____ rough shifting _____.

Is _____ related _____ rough _____?

Is it possible _____ performance _____ have an _____ effect _____ gear _____?

Is it possible that _____ problems are _____?

_____ can _____ the shifting of _____.

_____ possible that jerky shifts are _____ by _____?

_____ it possible _____ with the engine _____ affect the _____?

It _____ possible _____ motor _____ could _____ with _____ smoothness.

_____ engine problem could _____ to _____ bumpy ride _____.

Problematic _____ patterns _____ to unresolved engine _____.

_____ lead to rough _____.

Could problems _____ cause shifting _____?

_____ can be _____ to _____ issues.

_____ regarding _____ engine _____ can lead _____ rough shifting.

_____ changes difficult _____ of _____ problems?

Is _____ makes changing gears harder than normal?

_____ engine problems cause _____ for _____?

_____ issues _____ issues with _____?

_____ there _____ correlation _____ changes _____ unresolved engine stuff?

_____ it possible _____ engine _____ that _____ cause rough _____?

_____ that car engine problems are _____ blame for _____.

_____ car motor _____ gear _____ suddenly?

_____ engine _____ to _____ shifting on _____?

_____ there _____ chance _____ mess _____ shifting smoothness?

Is there _____ correlation between _____ and rough shifting?

Can _____ cause _____ for drivers?

Any _____ motor _____ will _____ with shifting _____?

_____ there a _____ of _____ impacting _____ smoothness of _____ changes?

_____ engine problems _____ cause _____ rough _____?

Do _____ experience _____ gears if _____ for _____ troubles?

Will _____ concerns lead _____ rough _____ for _____?

Is _____ shifting _____ caused _____ unresolved engine issues?

Problem like rough _____ be caused _____ issues _____ fixed.

jerky shifts when driving _____ be _____ consequence from _____?

Do _____ the way _____ shifts?

Is _____ that _____ engine troubles _____ to rough _____?

_____ issues that _____ rough shifting?

_____ there an _____ that causes _____ for some drivers?

Is _____ problem _____ causing challenging transitions _____ driving?

There could _____ the engine that _____ to gear _____.

_____ engine trouble _____ affect _____.

It's possible _____ motor troubles _____ with _____ smoothness.

_____ there a way for unresolved _____ affect _____ change _____?

_____ erratic _____ faulty _____ a problem?

I _____ engine issues that _____ fixed _____ issues _____ rough _____.

Will _____ issues _____ quality?

Don't undetected _____ rough _____?

When _____ gears, _____ Engine problem _____ a rough _____?

_____ issues creating rough _____?

Is there a _____ unresolved _____ issues will _____ smoothness of _____?

Is it possible _____ undiagnosed _____ problems _____ blame _____ shifting?

Does _____ a motor problem affect _____ ?
 _____ rough _____ connected _____ unresolved _____ issues?
 Is it _____ engine issues could _____ of gear _____ ?
 Will _____ make my shifting _____ ?
 Does _____ motor _____ shifts?
 Is _____ related _____ Engine troubles?
 Has _____ engine _____ shifts?
 _____ shifts _____ may be _____ of _____ motor troubles.
 Have _____ drivers with _____ difficulties?
 _____ with _____ may _____ to rocky transitions.
 _____ is _____ rugged _____ occurrences can _____ worsened by unsolved vehicle _____.
 _____ shifts _____ be _____ engine troubles.
 Is _____ possibility _____ unresolved _____ issues to _____ the smoothness _____ gear _____ ?
 Are _____ unresolved _____ that _____ shifts?
 _____ possible that engine _____ could _____ for drivers?
 Is _____ the engine _____ messes _____ smooth shifts?
 Is engine trouble _____ for _____ ?
 Can _____ issues _____ to _____ in _____ ?
 _____ the engine _____ result _____ rough _____ ?
 It could be possible _____ cause _____ shifting.
 _____ to lead to _____ shifting?
 Will engine concerns cause _____ ?
 Is it possible _____ engines _____ with rough _____ ?
 _____ shifting _____ drivers _____ be _____ by _____ problems.
 _____ some _____ rough _____ due to unresolved engine _____ ?
 _____ changing gears, an _____ lead to _____ ride.
 _____ possible _____ engine _____ could _____ shifting smoothness?
 _____ shifts may _____ by engine _____ ?
 _____ it _____ engine trouble influences _____ ?
 Is it _____ troubles _____ shifts?
 _____ possible that engine issues _____ cause _____ drivers?
 _____ engine-related concerns might lead to _____ some _____.
 _____ engine _____ indirectly _____ gear shifts?
 _____ engine troubles result in _____ as _____ shifts?
 Do _____ engines _____ drivers _____ difficulties?
 _____ unresolved _____ issues, _____ they cause rough _____ ?
 _____ erratic shifting _____ may _____ result of _____ problems.
 jerky _____ a result _____ motor _____ might _____ indirect consequences.
 _____ engine _____ able _____ create _____ shifts?
 Unsettled engine _____ on shifting smoothness.
 _____ unresolved _____ stuff make _____ bumpy?
 Does _____ problems _____ ability to shift _____ ?
 Were _____ linked _____ gear changes?
 Are _____ engine troubles _____ gear _____ ?
 Engine _____ for drivers.
 _____ motorists _____ bouts of _____ changes _____ of _____ engine issues
 Do _____ problems contribute _____ ?
 _____ shifting _____ engine problems?
 _____ it possible _____ engine _____ in rough shifting?
 Is _____ that drivers will experience _____ because of _____ troubles?

Unsettled ____ trouble might ____ .

____ rough ____ to ____ troubles?

Drivers ____ experience difficulty in ____ gears ____ troubles.

Does a ____ with shifting?

____ possible for ____ with ____ to affect the gear ____?

____ possible that unresolved ____ concerns will ____ rough ____?

____ it possible ____ troubles affect ____ shifts ____ drivers' ____?

Is ____ problematic ____ can ____ choppy transmission shifts?

____ motorists ____ erratic gear changes ____ unaddressed engine issues.

____ shifts ____ caused by ____ issues?

Is there ____ chance ____ troubles could ____ shifting ____?

____ it ____ engine ____ to cause shifting ____?

____ troubles ____ mess with shifting ____.

Drivers ____ experience ____ gears ____ for engine trouble.

Is there a ____ more ____ occurrences because ____ unresolved ____?

____ it possible ____ trouble ____ lead to rough ____?

Is rough shifting ____ as ____ unresolved engine ____?

____ engine concerns ____ lead ____ shifting.

Is ____ an ____ engine problems?

Rough shifts ____ be ____ unresolved ____?

____ there ____ way for ____ issues ____ impact gear ____?

Is ____ shifting ____ to result ____?

Is there unresolved ____ that ____ in ____ shifting?

____ there a ____ problems ____ lead to rough ____?

____ engines cause issues ____ transition?

Is rough ____ engine glitches?

____ it ____ that ____ failures indirectly ____?

____ the shifting of drivers ____ affected ____?

____ be car engine problems that ____.

Do ____ motor ____ gear changes?

Is ____ factor ____ of ____ changes ____ unaddressed engine issues?

Is ____ problem with the ____ a shift?

Are ____ problems ____ to rough ____ cars?

Shifting for drivers can ____.

Some ____ face ____ shifting ____ to ____ engine concerns.

____ engine problems ____ of ____ rough ____?

____ shifts when driving ____ unrepaired motor troubles?

jerky ____ when driving ____ be ____ motor trouble.

Is there a chance ____ unaddressed motor ____ with ____?

Is ____ engine problem ____ shifts?

Does ____ make shaky ____ scenarios worse?

Is ____ of ____ motor troubles related ____ driving?

____ any correlation between unresolved ____ rough shifts?

____ engine problems ____ rough ____?

Unresolved engine ____ may ____ in ____.

____ ability ____ shift smoothly affected by ____ problems.

Affected ____ could ____ smoothness.

____ be ____ that ____ the shift.

____ the ____ the engine ____ shifting?

Could engine ____ shifting ____?

_____ motor _____ erratic shifting experience?

Is _____ for _____ engine troubles _____ cause rough shifts _____?

_____ of engine trouble _____ smoothness?

Is _____ issues causing _____?

There can be problems _____ engine _____ can cause _____.

_____ movements _____ caused by _____ engine _____.

_____ quality could be _____ issues.

_____ chance _____ motor troubles _____ smoothness?

How _____ problems _____ rough shifting?

_____ broken _____ engine _____ to _____ gears?

_____ there _____ cause _____ shifting when _____ issues _____ fixed?

_____ auto _____ issues _____ gear changes?

_____ it possible that _____ motor _____ indirectly _____ shifts?

_____ unresolved motor problems affecting a _____?

Is it possible _____ with _____ can _____ gear _____?

When changing _____ a bumpy ride _____ caused _____ problem?

Is it _____ for _____ problems _____ lead _____ shifting?

Is _____ a correlation between _____ shifts _____ issues?

_____ unattended _____ problems will _____ changes?

Some drivers may _____ to unresolved _____ concerns.

_____ troubles _____ gear shifts?

Hard _____ in _____ might _____ result of engine _____.

_____ malfunctioning engines to cause _____ in driving?

Is _____ engine trouble?

_____ motor issues _____ shifts?

_____ engine _____ reason for _____ shifting patterns?

Is _____ possible that _____ engine _____ the _____ gear changes?

_____ issues _____ shifting for drivers?

_____ having unresolved _____ problems affect _____?

_____ engine trouble can affect smooth _____ in _____ vehicles?

Is there _____ engine _____ causes rough _____?

Will rough _____ engine concerns?

There _____ a _____ connection _____ bumpy _____ and unrepaired _____.

_____ possible that the engine troubles _____ shifts in _____ rides?

_____ issues _____ the _____ difficult?

Is _____ that _____ unsolved vehicle problems cause rugged shift _____?

Is having _____ hitches affecting _____?

Do engine _____ shifting _____?

Should _____ lead _____ for drivers?

_____ undetected _____ troubles _____ problems like _____ shifts?

_____ an _____ engine _____ factor in _____ of _____ changes experienced by _____ motorists?

Is _____ that drives _____ be disrupted due to _____?

_____ possible _____ there are _____ motor _____ that influence _____?

Is _____ possible that undiagnosed _____ problems are _____ cause _____?

_____ issues _____ engine _____ to shift?

Does having _____ affect _____ shift?

_____ transmission _____ the result of problematic _____?

_____ fixing engine _____ going to lead _____ jerking _____?

_____ rocky _____ between _____ be caused _____ concerns _____ your car's _____?

Hard changes _____ could be a _____ engine _____.

_____ it possible _____ unresolved _____ cause rough shifts _____ drivers?

Are engine issues _____?

Is _____ problematic if _____ problems _____?

Unresolved _____ can cause _____ changes.

_____ can cause _____ issues.

_____ shifts _____ to problematic engines?

_____ engine problems _____ aren't _____ of rough shifting?

_____ engine _____ cause _____ like rough _____?

_____ that unattended car motor problems affect _____?

Difficulties _____ gear changes _____ caused _____ engine _____.

_____ shifts _____ by undetected _____ issues?

Rough shifting _____ caused _____ engine _____ that _____ fixed.

Is _____ problem _____ the _____ causing bumpy _____ adjustments?

Is _____ engine issue _____ shifts?

_____ due to engine problems?

_____ possible _____ motor problems _____ shift?

_____ that _____ ruin shifting smoothness?

_____ an _____ motor make _____ gears _____?

Is _____ shifting linked to _____?

Will _____ engine _____ my _____?

Is _____ a _____ between _____ engine issues _____ shifting for _____?

Does having _____ affect a driver's _____ shift?

_____ smoothness _____ be _____ by _____ trouble.

Can _____ mechanics _____ gear shifts _____?

_____ the engine issues _____ shifting?

Problems with _____ in gears?

Problems _____ could result _____ shifting _____.

_____ possible _____ irregular _____ could lead to _____ drives?

Is _____ possible _____ defects _____ cause rough _____?

Will rough _____ when _____ engine concerns _____?

When _____ an Engine _____ cause a bumpy _____?

Is it _____ problems affect _____ shift occurrences over _____?

_____ leaving _____ make shifting bad?

Might _____ way drivers shift?

_____ leaving an _____ make _____ shifting _____?

_____ could _____ indirect _____ gear changes from persistent _____ issues.

_____ there any _____ problems create _____ shifts?

Is broken _____ gear _____?

_____ it possible that _____ ongoing motor malfunction _____?

_____ there _____ chance _____ engine _____ impacting _____ of gear changes?

_____ a correlation between _____ issues and rough _____?

Do drivers experience difficulty _____ if they don't _____?

_____ there _____ problem with _____ engine _____ causes jerky _____ drivers?

Is _____ that persistent auto _____ affect _____ changes?

Unresolved motor _____ can _____ to _____.

Can _____ quirks _____ rough shifting _____?

Is _____ possible that car _____ problems are _____ blame _____?

_____ engine problems _____ an _____ on _____?

_____ engine _____ shifting?

The _____ experience _____ be due to _____ motor _____.

Is _____ possible _____ mechanical _____ to shifting?
_____ an undetected _____ trouble _____ shifts?
Could _____ be to _____ for _____ shifting _____?
_____ car's _____ to rocky transitions between gears.
There _____ issues that _____ result in rough _____.
_____ result in choppy _____ shifts?
Problems with gear _____ can _____ caused by _____.
Is _____ possible _____ problems _____ blame for the _____ shifting experience?
_____ engine problems _____ issues _____ shifting and _____?
_____ an engine problem _____ shaky _____?
Is the _____ contributing _____ bumpy gear _____?
_____ can _____ affected _____ engine trouble.
Is there a _____ unresolved _____ and rough _____?
_____ possible _____ an _____ an engine to _____ rough shifting?
Could _____ result _____ engines _____ choppy transmission _____?
_____ may experience difficulty _____ gears if _____ uncared _____ engine _____.
_____ engine _____ to rough _____?
Can _____ broken engine lead _____ bumpy _____?
_____ there an _____ with _____ cause drivers to shift?
Engine _____ can _____ it _____ to _____.
There _____ link between broken car _____ bumpy gear _____.
_____ engine issues _____ rough _____?
Is it possible to _____ engine _____ rough _____?
_____ affect drivers _____ rough shifting?
Can engine problems _____.
_____ rough _____ with engine problems _____?
_____ of motor problems _____ shifting _____?
_____ possible that _____ contributes _____ rough gear changes?
Is _____ possible that _____ shifting?
Is _____ any _____ motor _____ will _____ with _____ smoothness?
