

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Meter reading and usage questions
Inquiry Sub-Category	Low water usage
Description	Inquiries concerning unusually low water usage, such as when tenants are away, but the meter seems to indicate regular usage, or if there are inconsistencies in the meter readings.
Data Size	5,089 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ is _____ meter consistently _____ consumption levels _____ extended _____ with minimal _____?
_____ the meter show _____ a long _____?
Is _____ that my meter _____ consumption levels _____ the _____ vacancies _____ there is _____?
There _____ activity _____ the _____ is _____ showing consumption _____?
_____ does _____ register _____ despite _____ empty for long?
Why do my _____ register usage _____ after _____ of _____?
_____ much _____ but still _____ meter _____ the reason?
_____ it possible _____ levels all _____ time, _____ there is very little _____?
Why is _____ showing _____ consumption _____ after long _____?
Is it _____ displays consumption levels _____ long _____ of _____ with _____ activity?
When _____ any _____ is _____ my _____ show constant consumption?
When there is a _____ period _____ is the _____?
_____ does _____ show how _____ I have _____ consuming _____ anything happening?
_____ is _____ meter _____ recording usage _____ long _____ vacancies?
Can _____ tell me why the consumption _____ my _____ seem to _____ even _____ activity?
Why does _____ show _____ if _____ using power?
Why _____ meter showing a continued _____ in _____?
Why _____ myMeter _____ register usage _____?
Why does _____ but there is no _____ in _____ property?
Why does _____ meter show _____ nobody _____ around?
Why does my _____ even _____ there _____ of vacancies?
_____ it normal _____ my _____ to show _____ of water usage even _____ there are _____?
Why _____ my meter show _____ have _____ there isn't anyone _____ there?
_____ my _____ register _____ even when _____ are _____ vacancies?
_____ it possible that _____ shows consumption _____ the longer periods of _____ when _____ activity?
Why _____ meter _____ after a long absence?
_____ is _____ showing _____ there is lengthy absence?
Why _____ the _____ still _____ consumption _____ absences?

Why does _____ register _____ when _____ long _____ of vacant _____?

Why _____ meter _____ show how much _____ been _____ when _____ anything going _____?

_____ is a _____ absence, _____ meter shows consumption?

_____ meter showing _____ usage with no one _____?

I _____ why my meter shows _____ much activity.

Why _____ the meter showing consumption when _____ long time _____?

Is it possible _____ levels throughout the _____ periods _____ vacancies _____?

Is _____ possible that _____ meter shows my consumption _____ periods when _____ barely _____ movement?

_____ possible my _____ constant use _____ nobody uses _____ power?

Why _____ meter _____ when it _____ empty for _____ periods?

Is it possible _____ my meter _____ consumption _____ of _____ something _____ do?

_____ my meter _____ recording usage _____ the _____ periods of _____?

_____ my meter _____ recording _____ even _____ there are long _____?

_____ does the meter _____ much _____ have _____ there is _____ activity?

Why does my _____ how _____ I _____ whenever _____ is _____ a _____ of activity?

When there's nobody else around, _____ meter _____?

Why _____ the _____ constant consumption _____ no _____ using any power?

_____ does my meter _____ how much I have _____ consuming _____ isn't _____?

_____ normal _____ my meter _____ show _____ water _____ despite a long period without _____?

Why _____ my meter _____ it's empty?

_____ does the _____ register _____ even _____ it's empty?

_____ it _____ meter displays _____ all _____ when there _____ barely noticeable movement?

Why _____ my _____ show _____ but not _____ of _____ in _____ place?

_____ my _____ shows _____ when there is _____ activity _____ the property.

_____ any _____ yet the meter shows _____ levels?

Is it _____ meters show _____ even _____ using any power?

How come the meter _____ consumption _____ long _____?

_____ shows consuming _____ absence?

_____ it normal _____ my _____ patterns of water _____ in _____ of long periods _____ activity?

Why is a _____ still showing _____ in use?

_____ is my meter always recording _____ though there are _____?

_____ can't understand _____ the _____ show _____ anyone there.

_____ it possible that _____ the longer periods _____ there is barely _____ movement?

Can _____ tell _____ consumption levels on _____ meter _____ to _____ despite no activity in _____?

Is it possible that my meter displays _____ in _____ vacancies?

_____ possible for my meter to _____ consumption levels _____ the _____ is _____?

Why is _____ meter _____ consumption, when there's _____?

Is _____ that my meter _____ consumption _____ in the middle _____ the vacancies _____?

_____ don't _____ why _____ show continued usage _____ anyone.

_____ been an _____ is _____ meter showing consumption?

_____ my _____ a consistently _____ rate _____ when _____ is barely any activity?

_____ is the _____ showing _____ been a long _____?

_____ the meter _____ usage without _____ lot of _____?

When there _____ a lengthy _____ why is _____?

_____ it _____ that my _____ shows consumption _____ in _____ middle of _____ extended _____ of vacancies _____ little?

Is it possible _____ meter shows _____ levels _____ the _____ a _____ period of vacancies without _____?

Is it _____ my _____ continuous consumption _____ using any power?

Why _____ a metering device still _____ after _____?

_____ does _____ consumption _____ there _____ any activity in the house?

Why _____ my meter always _____ usage when _____?

Why does my _____ even _____ no one using _____ power?
 _____ is my _____ always _____ usage despite _____ periods?
 Why is _____ when there _____ people?
 _____ my _____ always recording _____ despite the _____ periods _____ space?
 _____ possible that _____ meter _____ the _____ periods when _____ is hardly a noticeable movement?
 Why _____ the _____ when there is a _____?
 I _____ to know why _____ is _____ displaying energy _____ during vacancies.
 Is _____ that _____ meters _____ constant power _____ nobody is?
 _____ are long _____ of _____ my meter always recording _____?
 _____ it normal _____ my _____ an _____ pattern _____ use despite long periods _____ activity?
 _____ my meters register usage _____ a lot _____?
 _____ possible _____ my meter displays _____ levels throughout _____ long periods _____ vacancies when there _____?
 Is _____ for my _____ to show _____ levels _____ periods when _____ is _____ activity?
 Is it _____ that _____ meter _____ levels in _____ middle _____ there is barely _____?
 Why _____ the meter _____ there _____ time of absence?
 Is _____ that _____ displays consumption _____ extended period of vacancies _____ activity?
 What is the _____ level _____ my _____ is always high even _____ have _____?
 _____ does the meter show _____?
 Is it _____ my meter _____ show _____ even though I haven't _____ any activity?
 _____ it normal for my _____ to show continuous _____ even _____ long _____ activity?
 _____ to _____ why my meter shows _____ but _____ is _____ any _____.
 _____ there's no _____ meter showing consumption.
 When there's been _____ of absence, why _____ meter _____
 _____ the meter _____ usage _____ very little _____
 _____ it possible that _____ shows _____ throughout _____ of vacancy _____ there _____ barely a noticeable movement?
 When _____ is using _____ why does my meter _____?
 _____ does my _____ usage when nobody is using _____?
 The _____ continuous to _____ consumption _____ activity?
 The meter _____ yet there _____ minimal _____?
 Is it _____ my _____ levels _____ the _____ periods of _____ when there is _____ amount?
 _____ is _____ meter showing consumption _____ aren't _____ people?
 _____ of vacancies with _____ activity, my meter _____ levels at _____ consistently high _____.
 _____ was the meter _____ a _____ anyone _____ there?
 Why did _____ show continued usage _____ sight?
 _____ it possible _____ meter _____ consumption levels _____ the _____ periods _____ is not much movement?
 There is _____ of _____ so _____ is _____ meter showing _____?
 _____ that my _____ displays consumption levels during _____ periods of _____?
 _____ meter _____ during a lengthy absence?
 Why _____ a metering _____ still _____ after a _____?
 _____ does my _____ even though it _____ empty?
 How _____ my meter register _____ despite _____ spaces?
 I _____ understand _____ my meter _____ being empty.
 I _____ how _____ keeps recording usage _____ hardly _____ activity.
 There isn't _____ yet _____ continuously displays _____ levels.
 What's the reason _____ level on _____ meter _____ high _____ though _____ to occupy?
 Is it possible _____ my meter _____ periods of vacancies _____ activity?
 Why _____ my meter register usage _____ of _____?
 Why _____ meter _____ despite the _____ vacancies?
 Is it _____ meter displays consumption levels _____ when there _____ very little _____?
 Why does _____ always register usage _____ when _____ is _____?

_____ does my meter _____ nobody uses any _____?
 How come _____ meter _____ recording _____ activity?
 _____ it _____ the meters _____ consumption when _____ is _____ any power?
 Can _____ me _____ consumption _____ seem to be consistently high despite minimal activity in _____?
 When _____ is using _____ why _____ my meter _____ consumption?
 Even _____ no one _____ any _____ my _____ still shows _____.
 Is it possible that _____ throughout _____ longer periods of _____ there is no _____?
 I _____ my _____ keeps recording _____ hardly any activity.
 Is _____ for my meter _____ show consumption _____ longer periods when _____ is _____ movement?
 _____ the meter _____ with no _____ around?
 Why _____ my _____ showing consumption levels _____ very _____ activity?
 Why _____ the _____ register _____ even _____ it's empty?
 Is _____ that my _____ consumption _____ throughout _____ longer period when there _____?
 _____ normal _____ my _____ an ongoing _____ water usage _____ long periods without activity?
 _____ does _____ meter show _____ even without _____?
 Why is _____ that the _____ consumption when _____ is _____?
 _____ it possible _____ meter _____ consumption levels _____ the middle _____ anything _____ on?
 _____ show _____ much I have been consuming when _____ one _____ around?
 _____ is using power, _____ my meter _____ constant consumption?
 Is _____ normal for my meter _____ ongoing _____ of _____ usage when _____ going _____?
 _____ it _____ that my _____ consumption levels _____ the middle _____ vacancies, _____ anything _____ do?
 _____ was _____ still showing _____ without anyone _____?
 Is _____ possible that my _____ displays _____ of vacancies with limited _____
 Is it _____ that my _____ during the _____ periods _____ vacant _____?
 _____ does the meters _____ isn't being used?
 Why was _____ still _____ consumption _____?
 _____ it possible _____ my meter _____ consumption levels _____ the _____ periods of _____ when _____ isn't _____?
 Why does my meter _____ much I've _____ consuming _____ on?
 Is _____ possible _____ shows _____ time when there's very little activity?
 Is _____ possible that _____ meters show _____ uses any _____?
 _____ meter constantly showing _____ I have been _____ when there isn't _____?
 _____ I can _____ my energy usage _____ periods?
 Is _____ that _____ meter shows _____ the longer _____ when there _____ less _____?
 Why _____ my meter _____ how _____ been consuming _____ there isn't _____?
 How come the _____ usage _____?
 _____ it possible _____ my _____ shows consumption _____ throughout the long _____ there _____ much _____?
 During extended vacancies _____ little or _____ what is causing _____ ongoing _____?
 _____ my meter show _____ am consuming _____ is _____ a lot _____ activity?
 _____ is _____ device _____ showing consumption after _____ absence
 _____ does my _____ register _____ empty spaces?
 Why does my meter show consumption _____?
 _____ my meter _____ usage even _____ it's _____ empty for _____ time?
 _____ reason _____ on my meter seem to _____ high _____ activity in our _____ property?
 Why _____ my _____ register usage _____ after _____ periods of _____?
 Why does _____ meter show consumption _____ it _____?
 Why _____ my meter _____ even though it's been _____ time?
 Is it _____ that _____ meter _____ all the _____ when _____ is _____ movement?
 _____ my _____ usage despite the long _____ of being _____?
 _____ is METER showed _____ absence?
 Why _____ my _____ show consumption _____ when _____ is hardly any activity?

Is _____ for _____ to show _____ of water usage, _____ long _____ without activity _____?
 _____ a metering device showing consumption _____ absence?

Is _____ possible _____ shows consumption levels _____ the _____ vacancies _____ no activity?

Why does _____ meter _____ usage _____ long _____ space?

Why does _____ show _____ is using power?
 _____ my meter register _____ even _____ I've _____ for a _____?

Why _____ meter _____ a constant consumption _____ no one using _____?
 _____ it possible that _____ meter _____ consumption levels _____ longer _____ of vacancies _____ there _____ very _____?

Why _____ meter show _____ have been consuming when _____ are _____ few _____?
 _____ isn't much _____ does my _____ show how _____ been consuming?

Why is _____ recording usage despite the _____ waiting?
 _____ have _____ lot of _____ why is _____ showing consumption?

I _____ understand _____ my _____ shows _____ even though _____ no one using _____.
 _____ is METER shows consumption _____ nothing _____ do?
 _____ is possible that _____ meter _____ consumption _____ throughout the long periods _____ there is barely _____.
 _____ because _____ meter _____ constant consumption even _____ is using _____ power?

There _____ lot of absence _____ why is _____ consumption?
 _____ it _____ that my meter _____ consumption _____ the _____ vacancies _____ anything to _____?
 _____ reason why my _____ usage when no _____ is _____?

Is _____ possible that _____ meter _____ consumption levels _____ there _____ much activity?
 _____ does my _____ always _____ even _____ it is _____?
 _____ show a _____ without anyone by it?

Is _____ possible _____ shows _____ levels during _____ middle _____ vacancies while there _____?

I _____ why my _____ shows _____ consumption when _____ is _____ power.

It _____ possible _____ my meter _____ consumption _____ the longer _____ vacancies without _____.
 _____ is my _____ despite being vacant?

Can you explain _____ consumption levels on _____ seem _____ high _____ there _____ activity in our vacant _____?
 _____ meter _____ how much I _____ consuming _____ there isn't a _____ here?
 _____ show _____ there is _____ one?

Why _____ device _____ consumption even _____ the absence?

During _____ little or no _____ causing _____ to display _____ water usage?

Why _____ device _____ showing _____ even when there _____ one around?
 _____ there's not _____ activity in the _____ why does my meter _____ been _____?

Is _____ for my _____ to show _____ usage, _____ long _____ without activity?

There is _____ any _____ meter _____ consumption levels?

Why does my meter _____ how much _____ there _____ no activity?
 _____ is _____ metering _____ still showing consumption _____ after _____?

Why _____ while absence?
 _____ meter always recording usage _____ the _____ of _____ vacant

Why does _____ show _____ consumption when _____ using _____ power?
 _____ does the _____ it isn't utilized?

Why does my _____ always _____ it is empty _____ long _____?
 _____ possible that my meter _____ all _____ time when there is _____?

How _____ meter keeps recording _____ activity?
 _____ is METER shows consumption _____?

Why _____ a _____ showing consumption even _____ not _____ used?
 _____ the _____ isn't _____ why _____ it show consumption?

_____ meter showing consumption when there are a _____?

Why _____ meter show consumption _____ there are _____ activity?

Is _____ possible that my meter _____ consumption levels throughout _____ longer _____ activity?

_____ a _____ showing _____ even after an absence?
 _____ the _____ constant consumption _____ on a idle _____?
 _____ possible for _____ meter to _____ consumption _____ the long periods _____?
 How come _____ recording _____ without _____ activity?
 Why does the _____ show _____ despite _____ present?
 _____ vacancies with _____ no activity, _____ my _____ to _____ ongoing water usage?
 Why do _____ during absence?
 _____ is a metering _____ showing _____ despite _____ being _____?
 Why _____ my _____ always register my _____ empty?
 _____ it possible _____ my meter _____ all the time _____ barely _____ movement?
 When nobody _____ any _____ my meter _____ constant _____?
 _____ register _____ even when _____ been empty for _____ while?
 _____ it normal for my meter to _____ ongoing usage _____?
 _____ there's _____ long _____ absence, why is the _____ showing _____?
 Why do my meter _____ much _____ have _____ is no _____?
 _____ it _____ meter to show _____ of water _____ there is no activity?
 Is it _____ my _____ levels throughout the longer _____ vacancies with _____ little _____?
 Why _____ a _____ showing _____ in _____ a long absence?
 Why _____ the _____ continued usage when _____ one was _____?
 _____ the reason that _____ level on _____ meter _____ high _____ have nothing to do?
 _____ meter _____ consumption _____ it isn't in use?
 Not _____ activity, but still constant _____ that _____?
 I _____ to know why my meter _____ how much I _____ anything going _____.
 There _____ activity yet _____ meter shows _____ consumption _____?
 Why _____ consumption is constant despite _____?
 Is _____ my meter shows _____ levels throughout _____ longer periods when _____ not _____?
 Is it possible _____ shows _____ levels _____ the _____ there is _____ little activity?
 _____ it normal _____ my meter to _____ ongoing patterns _____ usage _____ the long _____ activity _____?
 There is _____ the continual _____ in reading on _____ there isn't _____ going _____.
 _____ there isn't _____ why _____ the meter _____?
 Is it _____ shows consumption _____ during the _____ periods of _____ there is not _____?
 Is _____ possible _____ my _____ shows consumption _____ the long _____ is no _____?
 Why _____ meter _____ I _____ when there isn't _____ single person there?
 Why _____ my _____ usage _____ when _____ vacancies?
 How _____ the meter _____ recording usage _____ little _____?
 _____ possible _____ meter is _____ recording _____ despite the long periods of _____?
 Not much _____ still constant _____?
 Why is my meter always recording _____ vacant?
 _____ there _____ reason why the consumption levels on _____ seem _____ consistently _____ activity _____ vacant property?
 _____ curious as _____ why _____ consumption _____ my meter seem _____ be _____ high despite minimal _____.
 _____ there's hardly _____ in the house, _____ does _____ always _____ consumption?
 When there's been a _____ absence _____ does _____ show _____?
 _____ consumption when there's a _____ of absence?
 _____ meter always record my usage despite _____ long periods _____?
 Is _____ that _____ shows consumption levels in the _____ a long _____ limited activity?
 _____ why my _____ shows how _____ been _____ when there isn't much _____.
 _____ possible that my meter displays _____ in the _____ of _____ there is _____?
 _____ it _____ that _____ meters _____ constant _____ when _____ is using power?
 Can you _____ meter shows _____ even _____ is no activity _____ house?

There ____ a long absence, why ____ consumption?

Why is ____ even ____ a long absence?

____ usage despite being ____ for so long?

Why ____ my ____ at a consistently ____ periods of ____ with barely any activity?

Why does ____ meter ____ are ____ high for extended ____ vacancies ____ any activity?

Why are my consumption levels showing up ____ activity?

____ does my meter always ____ have been consuming when there ____ on?

Not ____ still constant ____ consumption, is ____ why?

Why ____ the meter ____ without anyone ____?

____ it possible ____ meter displays consumption ____ during ____ extended ____ of ____ anything to ____?

Why is ____ meter always ____ usage ____ periods ____ not ____?

____ middle of ____ extended ____ vacancies, my ____ may display ____ levels without anything ____.

Can ____ the ____ levels on my meter seem ____ high despite ____ in ____ property?

Is ____ possible ____ my meter ____ levels throughout the ____ periods when ____ isn't ____?

Why is my meter constantly showing ____ levels ____?

____ was the ____ show a ____ without ____ there?

Why is the meter ____ consumption when ____ absence?

There is a question ____ continual increase in ____ our ____ there ____ activity going ____.

Not ____ constant meter ____?

____ my meter ____ levels ____ there is only minimal ____?

____ come ____ usage with very ____ activity?

____ my meter ____ consumption ____ throughout the longer periods of vacancies ____?

I ____ understand ____ meter shows ____ much ____ have been ____ when no ____.

Is ____ for ____ to ____ consumption ____ the longer periods of vacancies ____ no ____?

Is it ____ meter displays ____ levels ____ longer periods ____ with very ____ activity?

____ it possible ____ my ____ consumption levels ____ time ____ there is ____ activity?

Is ____ possible that my ____ consumption ____ the ____ periods of ____ no ____?

How ____ my ____ records usage ____ any activity?

Why ____ my ____ usage ____ long ____?

When ____ is ____ possible ____ meters show constant consumption?

Why ____ meter ____ levels at a ____ high ____ there ____ any activity?

Can you ____ why the consumption ____ my meter seem ____ activity?

____ was the ____ a continued ____ when ____ present?

Why was ____ meter ____ a continued ____?

____ possible ____ my meter shows my ____ the longer ____ there is ____ activity?

____ is a ____ showing ____ after a lengthy ____?

____ my ____ always show ____ when it's empty?

Is ____ possible ____ my ____ shows consumption ____ in the ____ vacancies ____ do?

____ does my ____ usage even ____ it's been ____?

When a ____ absence ____ is ____ meter showing ____?

How ____ meter ____ constant consumption even ____ is using ____ power?

Why ____ the ____ showing ____ when not ____ use?

Why does ____ much I have been ____ when ____ on?

____ consumption ____ when there is minimal activity?

Why ____ meter always show ____ I have ____ consuming ____ there is hardly ____?

What's ____ consumption ____ my meter is always high ____ we ____ tenants?

Is it possible ____ my meter shows ____ throughout ____ long ____ when ____?

____ the meter still ____ the long absence?

When nobody ____ using power, ____ does my ____.

Is there a reason ____ meter ____ to be ____ despite minimal ____?

After ____ long absence, why ____ a ____ showing ____?

____ my ____ show ____ even when ____ empty?

Is ____ normal for my meter to show ____ water ____ despite ____ long period ____?

Is ____ possible ____ my meters show ____ nobody is using ____?

Why is my ____ usage ____ activity?

Is it possible that ____ meter shows ____ been ____ there ____ hardly ____ going on?

Is it possible that ____ displays ____ throughout ____ long periods ____ when there ____ a noticeable ____?

Why ____ meter always recording ____ though ____ been ____?

Why is a ____ still ____ consumption ____ a ____ absence?

Why ____ my ____ even though ____ have ____ empty ____ a while?

____ register usage even ____ I have ____ of ____ space?

Why ____ my ____ always ____ consumption ____ while there ____ activity?

____ consumption during absence, ____?

Why ____ meter display ____ for extended ____ very little activity?

I ____ meter ____ recording usage with barely ____.

____ is ____ meter ____ consumption if ____ a lengthy ____?

____ is ____ still showing consumption ____ absent?

____ show ____ even ____ there is no activity in ____ property?

There ____ little activity ____ meter ____ of consumption?

Why is the ____ has been ____ lot of ____?

____ is ____ metering device ____ even ____ not in ____?

Is ____ possible that my ____ consumption ____ in the ____ vacancies ____ activity?

My ____ keeps recording ____ to ____ activity.

____ very ____ activity yet ____ meter ____ the ____ of consumption?

Why ____ it that a ____ shows ____ even after ____?

Not much activity, but still ____?

____ does ____ meter ____ my consumption levels at ____ consistently ____ there's ____ activity?

Why does my ____ levels ____ high ____ there is barely anything ____ do?

____ the ____ shows ____ there's a ____ time off?

Is ____ possible ____ has consumption levels ____ the middle ____ vacancies ____ do?

____ does ____ show some ____ when there's ____ much ____ on?

Why is the ____ when there is ____ lengthy ____?

____ no ____ using ____ my meter shows ____ consumption.

Why ____ my meter ____ how ____ I ____ been consuming ____ activity nearby?

____ does the ____ register ____ lot ____ vacant space?

____ it ____ my meter ____ during ____ long periods when there is ____?

Is the meter ____ recording ____ despite ____ periods of ____?

____ is not much activity in ____ place, why ____ meter ____ much ____ have ____?

____ does ____ meter always ____ even ____ it ____ empty?

What ____ the ____ consumption level ____ my ____ is consistently high ____ I have ____ occupy?

____ is ____ still ____ consumption when ____ long absence?

____ time of absence so why ____ the meter ____?

____ possible ____ consumption levels throughout the long ____ vacancies without activity?

Why ____ my ____ always recording ____ though there ____ of emptiness?

____ constant ____ levels on the idle meter?

Why does ____ meter ____ register ____ despite ____?

Why ____ a ____ showing consumption after a ____ of ____?

____ it possible ____ my meter shows ____ all the time, even ____ a noticeable ____?

There's ____ time of absence, why ____ the ____?

Why ____ always recording ____ when ____ are ____ periods empty?

Why _____ meter shows consumption when _____ is _____ absence?
 _____ is it _____ that my _____ show constant consumption?
 _____ is _____ activity _____ the _____ shows _____ of consumption?
 _____ there _____ absence, _____ is _____ showing consumption?
 _____ possible _____ my meter displays _____ levels _____ the _____ extended period of _____ without _____ to do
 How _____ my _____ register usage despite _____ lot _____?
 Why _____ a metering device _____ show _____ absence?
 Is _____ that _____ consumption levels _____ the long _____ no activity?
 _____ nobody _____ using _____ power, why does _____ meter _____ consumption?
 _____ possible _____ my meters _____ when _____ is using anything?
 Is _____ possible that _____ displays _____ consumption _____ the middle of _____ without anything _____?
 Why _____ show usage _____ long periods of vacancies?
 Is _____ possible that my meters show _____ when _____ any _____?
 Why _____ my _____ show _____ even when _____ of vacancies?
 Is _____ that _____ of an _____ period of vacancies my _____ displays _____?
 _____ is the meter _____ there's a long time _____?
 _____ meter _____ consumption when there's been a _____?
 Why _____ consumption levels _____ a consistently high rate for _____ of _____ barely any _____?
 _____ possible _____ my meter _____ consumption _____ throughout the _____ of vacancies without _____?
 _____ is _____ meter showing consumption when _____ a _____?
 _____ was the meter _____ usage _____ no _____ was _____?
 Meter _____ during _____ why?
 _____ know why my meter _____ displays energy usage _____ vacancies.
 _____ did the _____ show _____ continued usage _____ someone _____?
 _____ is possible that my _____ shows _____ levels _____ the _____ periods _____ there is very _____.
 _____ is _____ meter recording _____ even though _____ are long _____ not _____?
 _____ the meter showing _____ is _____ lot of absence?
 Why _____ meter showing a _____ usage _____ there?
 _____ possible _____ consumption _____ throughout the longer periods _____ vacancies _____ there is no _____?
 _____ tell me _____ my meter _____ but there is _____ activity?
 _____ possible that my _____ shows consumption _____ longer periods _____ is _____ a _____ movement?
 _____ was _____ meter _____ continued _____ without someone there?
 _____ is _____ reason for _____ levels _____ idle meter?
 Why is a metering _____ consumption _____?
 _____ you tell me _____ my _____ shows _____ there is no _____?
 _____ it _____ meter shows _____ levels throughout the longer periods _____?
 Is _____ that my meter displays _____ the long _____ of _____?
 _____ meter _____ levels that are consistently _____ for extended periods _____ empty _____?
 _____ my meter _____ some consumption when _____ any activity in the _____?
 _____ periods of vacancies _____ barely _____ does _____ meter show consumption levels at _____ high _____?
 _____ don't _____ why _____ meter shows _____ much _____ have been _____ is present.
 _____ consumption levels _____ a consistently high _____ when _____ barely any activity?
 _____ does _____ meter always register usage _____ empty for _____?
 _____ you explain to me _____ consumption _____ meter seem _____ be _____ minimal activity in _____ vacant _____?
 _____ a _____ device _____ even after long absence.
 There _____ why does the meter show consumption?
 Why _____ metering _____ showing _____ during absence?
 Can you _____ me why _____ consumption but _____ activity in _____ house?
 Why _____ the _____ the consumption _____ not in use?
 Is _____ possible _____ meter displays _____ levels throughout _____ periods _____ there is _____?

Why does ____ meter ____ consumption ____ it ____ in ____?

____ come ____ shows ____ without ____ there?

____ does ____ always register ____ despite the ____ periods of ____?

Is ____ meter shows ____ levels throughout ____ longer ____ of vacancies?

____ come my ____ recording ____ with ____ activity?

I ____ why ____ meter ____ much I ____ been ____ when ____ is ____ much activity.

____ is ____ meter recording usage ____ though ____?

____ know ____ meter displays ____ usage ____ limited activity ____ vacancies.

Why ____ meter ____ long periods of vacancies?

Why ____ my meter always show ____ is ____ going ____?

Is it possible ____ meter shows consumption ____ time ____ when ____ is barely ____ movement?

Is it ____ that ____ consumption ____ longer periods without activity?

Why does ____ show ____ I have ____ consuming when ____ not ____ single ____?

____ is the meter ____ consumption when ____ nothing ____?

When ____ any power, my meter ____.

How ____ the meter records ____ with ____?

____ the ____ show usage while ____ one is ____?

When nobody's ____ any ____ why does my ____?

____ meter ____ always recording usage ____ the ____ being empty.

How ____ meter show ____ usage ____ present?

____ does my ____ always ____ usage despite the ____ of not ____?

____ meter show consumption levels ____ consistently ____ rate ____ long periods ____ vacancies with little ____?

____ consumption ____ on ____ meter are consistently high despite minimal ____ our vacant property?

Is my meter ____ recording usage despite ____ not ____?

____ absence, ____ is ____ meter showing consumption?

____ there is ____ any power, ____ meter shows ____ consumption.

____ my meter always ____ even though ____ been empty ____ long ____?

____ does the meter ____ usage ____?

____ my meter ____ consumption levels all ____ time ____ there ____ much ____?

When nobody's ____ any ____ why ____ my ____ consumption?

____ me an explanation as ____ why ____ consumption levels ____ meter seem to ____ despite no ____?

Is ____ my meter shows consumption levels throughout the longer ____ movement?

Is it ____ meter ____ in the ____ of ____ when ____ is no activity?

____ it ____ the consumption ____ my meter ____ high ____ activity in our vacant property?

There ____ a ____ the continual increase ____ on ____ meter when there is ____ going ____.

Is ____ possible that my ____ displays consumption levels ____ the ____ period without something ____?

Less activity yet ____ consumption ____?

____ it ____ that ____ meters show ____ when nobody ____ using ____?

Is ____ possible that my ____ keeps ____ hardly ____ activity?

____ is a metering ____ still showing ____ is ____ else?

____ it ____ meter always register ____ despite being ____?

Is ____ possible that my meter displays ____ levels ____ vacancies ____ very ____ activity?

Can ____ consumption ____ on my meter seem ____ be high despite the ____ of ____?

Is it ____ that ____ consumption ____ the time when ____ any movement?

Why did METER ____ consumption ____?

It is possible ____ my meter ____ throughout ____ longer ____ vacancy when ____ is barely a ____.

Why does ____ meter ____ even ____ it is ____?

Why does my ____ keep ____ how ____ I ____ when ____ hardly anything ____ on?

____ possible that the ____ shows ____ levels ____ the longer periods of ____ activity?

Is it ____ consumption levels throughout ____ longer ____ is no activity?

_____ is a _____ device still _____ after long _____?

Is it possible _____ meter displays consumption levels _____ the _____ periods _____ is _____ noticeable _____?

_____ meter _____ despite being vacant?

How come _____ meter always _____ with _____ any _____?

_____ vacancies with little _____ no activity, _____ be _____ meter _____ display continuous water _____?

Why _____ always recording _____ despite _____ periods _____ being empty.

_____ my meter always recording _____ despite _____ of being empty?

Why was the _____ showing _____ continued _____ present?

Why _____ my _____ always _____ usage _____ it's _____ use?

_____ my meter displays consumption levels _____ the _____ periods _____ activity?

_____ it possible my _____ levels _____ the middle of _____ period _____ without _____ to do?

Is _____ that _____ meter _____ consumption _____ throughout _____ longer periods _____ vacancy _____ activity?

_____ been absence, _____ is _____ showing _____?

_____ usage despite not being occupied?

_____ is a _____ still _____ consumption at _____ a long _____?

_____ do my meter display _____ extended periods of vacancies with barely any _____?

When _____ no _____ why is the _____?

Is _____ that _____ displays _____ the longer periods _____ with little activity?

_____ is my meter showing _____ been consuming when there isn't _____?

_____ meter _____ continues usage without anyone _____?

Why does _____ consumption _____ there's _____ absence?

_____ meter _____ consumption _____ when there is less _____?

_____ does _____ still shows _____ during _____?

_____ reason that _____ consumption level on my _____ is high even _____ do?

_____ is little _____ the meter displays _____ levels?

Why _____ showing _____ when there's _____?

_____ activity yet the meter _____ level of consumption?

Is _____ my _____ ongoing _____ of water usage _____ long periods without _____?

Is _____ meter _____ consumption levels all _____ time, when _____ is hardly _____ noticeable _____?

_____ does my meter _____ the long periods being _____?

_____ is meter _____ consumption _____ long _____?

_____ does _____ meter show _____ much _____ consuming when _____ no activity?

Is it possible that my meter displays _____ middle of _____?

Is _____ normal for my _____ to show _____ of water _____ even _____ there _____ without _____?

When nobody _____ why _____ the meter show _____?

_____ nobody is _____ power, _____ meter shows constant consumption?

_____ is _____ meter _____ even _____ there are _____ periods of vacant _____?

Is _____ not _____ for my _____ to _____ of water _____ long periods without _____?

_____ does my _____ show how _____ have _____ when there isn't _____ activity _____?

_____ does _____ how much _____ have been consuming _____ is not a _____ going _____?

Is there _____ why the consumption _____ on _____ to be _____ minimal _____ in the vacant _____?

Why does _____ register _____ when _____ empty?

_____ does _____ meter _____ usage while no one _____?

_____ showing consumption even after being gone _____ a _____ time?

Why _____ the _____ without anyone?

_____ my meter display consumption levels _____ a _____ rate _____ is _____ any _____?

Is it _____ that _____ meters _____ consumption _____ in _____ middle _____ with _____ activity?

_____ does the _____ show consumption when there's _____ of _____?

_____ there a reason _____ meter keeps _____ when _____ one _____ it?

Can you _____ me why the _____ levels on my _____ much _____ in the property?

_____ was _____ meter showing a constant _____ anyone _____?
 Why _____ the meter _____ when _____ isn't anyone _____?
 _____ showing _____ when there is _____ any activity _____ the property?
 Why _____ meter always _____ it's empty?
 _____ register _____ even _____ it's not being used?
 _____ a long time _____ absence, so _____ is _____ consumption?
 _____ is _____ meter _____ even though it has _____ vacant for _____ time?
 Why _____ my _____ always recording usage even _____ are _____ of _____?
 _____ showing consumption when there _____ of absence?
 _____ my meter _____ despite being empty?
 Why _____ when there is a longer _____?
