

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Requesting additional or replacement equipment
Inquiry Sub-Category	Backup Batteries
Description	Customers seek information on purchasing backup batteries for their security system to ensure that it continues to operate even during power outages.
Data Size	5,167 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

Are there any additional _____ available _____ my _____ case of _____ power _____?
_____ should _____ additional batteries for _____ system _____ an _____.
_____ have access to _____ batteries to support my _____ when the _____?
_____ have any more backup _____ the _____ system?
_____ you _____ batteries for _____ security system _____ is out?
Is it possible _____ security _____ with _____ options?
_____ I integrate _____ of _____ into my _____ setup?
_____ to know if _____ is _____ additional battery option _____ my _____.
Can _____ use _____ battery _____ my _____ system _____ the _____ goes out?
_____ there a _____ different types _____ into my _____ setup _____ an emergency?
Is there an _____ when the _____ out _____ setup?
_____ you have _____ for backup _____ for _____ security _____?
Should I get _____ back-up _____ my _____?
When power _____ off _____ alarm setup, _____ there _____ battery _____?
When the power _____ options _____ I have for _____ system?
Should there _____ battery options for _____ system _____ case _____ power _____?
If _____ security _____ functional, I _____ know if _____ any remaining _____.
_____ would _____ secure _____ as backup for my _____ system.
_____ there _____ types of _____ can _____ used with my security _____ emergencies?
_____ possible to _____ supplementary battery picks _____ the power _____?
_____ extra batteries allow _____ my _____ when _____ electricity is out?
_____ there _____ extra _____ my _____ system?
Do you _____ any _____ options for _____?
_____ there _____ for additional batteries _____ security system?
When _____ goes _____ you _____ any _____ to keep my security system _____?
Can _____ get battery choices _____ power _____?
_____ a way _____ integrate _____ batteries into my _____ setup _____?
_____ you _____ option for my _____ have batteries?
Can _____ additional _____ my _____ in case of _____ power failure?

____ there is ____ power ____ do you ____ batteries ____ my ____ system?
 Can ____ me ____ options for ____ batteries ____ my ____ system?
 I ____ if ____ offer extra ____ for ____ security system.
 ____ the ____ goes ____ I ____ backup ____ for my security system?
 I ____ like ____ know ____ you could ____ alternate ____ options ____ security system.
 Extra ____ security ____ during an ____?
 ____ you have any battery ____ the ____ case of ____ power ____?
 Can ____ get more battery ____ power is ____?
 ____ my ____ then ____ know if there are ____ battery options left.
 Is ____ that my ____ system ____ have additional batteries ____?
 I ____ in need ____ batteries ____ my security ____.
 Is ____ alternative battery options when power ____ for ____?
 Is ____ an ____ my security ____ if power ____ out?
 Does ____ know ____ supplemental batteries ____ home ____ systems?
 ____ I use ____ backup ____ my security system?
 Is there ____ way ____ integrate back-up batteries ____ setup ____?
 ____ the ____ my alarm ____ are there ____ alternative ____ options?
 What ____ options ____ my security ____ in ____ crisis?
 ____ options ____ available ____ security device to ____ an emergency?
 ____ there any ____ additional ____ system ____?
 ____ it possible ____ security system has ____ as ____ backup?
 Will ____ access to ____ support ____ security ____ the power goes ____?
 ____ you provide alternative ____ my alarm ____ during a ____?
 If the ____ out, ____ you give ____ alternative batteries ____ system?
 ____ battery ____ for ____ security ____ the power goes out?
 When ____ out, ____ battery options ____ for my security ____?
 ____ it possible to find different battery ____ there is ____?
 If my security can't ____ need ____ know ____ there's any ____.
 I need ____ there are ____ battery options ____ the ____ my ____ doesn't ____.
 ____ case the power ____ I ____ battery options?
 ____ any ____ extra security ____ batteries?
 Do ____ know ____ there ____ any ____ for my ____ system?
 I ____ wondering if ____ batteries ____ my security system.
 ____ to know if ____ any ____ options left ____ security ____ come on.
 Some ____ system batteries?
 ____ options that my security system can ____?
 I want to ____ you ____ an ____ battery ____ for ____ security ____.
 ____ there ____ extra batteries ____ system during ____ outage?
 ____ there ____ back-up batteries that ____ compatible ____ security ____ in emergencies?
 ____ electricity ____ about alternate ____ possibilities for ____ security system?
 ____ get any more backup ____ my security ____?
 If ____ do you offer ____ for ____ alarm system?
 ____ the power goes out ____ my ____ how ____ batteries?
 ____ my ____ system capable of ____ as backups?
 The ____ goes ____ my ____ system, ____ about ____ batteries?
 Is there a ____ my ____ system ____ batteries as ____?
 Is there ____ extra batteries for ____ outage?
 Do you have ____ batteries to ____ system?
 ____ my ____ can't go ____ to ____ are ____ alternative battery options left.
 I need spare ____ security system in _____.

Options ____ more batteries ____ security ____?

I need to ____ my ____ has ____ battery options.

If the power ____ my security system, ____ batteries?

If my security isn't ____ to go ____ need ____ there ____ any ____ left.

____ you have ____ battery options ____ the ____ there ____ a power ____?

Is it ____ to ____ different types ____ my ____ setup ____ emergencies?

____ you offer alternative batteries for ____ alarm ____?

____ use ____ battery options as ____ up ____ my security ____?

____ you give me alternatives for ____ my security system ____?

____ the electricity ____ out, can ____ me alternate ____ options ____ my security ____?

Do you ____ an ____ for ____ security ____ in case of ____ outage?

If my ____ fails ____ power failure, ____ there ____ battery ____?

Do ____ extra ____ for my ____ system when ____ goes ____?

I need ____ batteries for my ____ power ____.

____ you ____ for backup ____ in my security system when ____ power?

____ you offer batteries ____ my security ____ power ____?

____ I get more ____ just ____ I lose ____?

____ the power ____ out, am ____ to use other ____ selections ____ my ____?

____ my security ____ due ____ power outage, ____ battery alternatives.

Do you ____ batteries for my ____?

I ____ wondering if ____ alternative ____ for my ____ during ____ failures.

____ you ____ battery ____ if my security fails because of ____?

____ power goes ____ more ____ choices for my security setup.

____ different ____ back up batteries into my security setup ____ emergencies?

____ for my ____ system when ____ are power cuts.

If my ____ goes down, ____ batteries?

When the ____ goes out, ____ a ____ in my ____?

When ____ out, ____ I ____ access to extra ____ support home ____?

Could ____ alternatives to ____ my ____ system if the ____ out?

____ want ____ know ____ an additional battery option for ____ security ____.

____ my ____ go ____ I ____ to know if ____ any left ____ the ____.

____ goes ____ on my ____ you have more battery ____?

Can I get more ____ I ____ power?

____ I ____ battery selections for ____ security ____?

Can ____ give me ____ alternatives for backup ____ system?

When power ____ my alarm ____ are ____ any alternative ____?

____ be ____ supplementary battery selections when ____ power is ____?

____ my ____ power, how about backup ____?

If ____ electricity ____ out, could ____ suggest ____ battery options for ____?

____ you have an ____ battery ____ for ____ security ____?

____ the power ____ out, ____ other batteries ____ my system?

____ a ____ my security setup to ____ different types ____ back-up ____ emergencies?

____ electricity ____ out on ____ alarm, are there ____ battery ____?

If ____ outage, ____ have ____ additional battery for my security ____?

Is ____ a chance my security ____ batteries as ____?

____ case of a ____ you ____ any battery ____ for ____ security ____?

____ offer back-up ____ my security ____?

Can I ____ extra ____ my ____ security ____ the ____ out?

Do ____ extra back-up ____ security system?

Is ____ backup batteries ____ my ____ system?

_____ case my _____ does _____ work, I _____ to _____ there _____ any _____ left.
_____ goes out _____ are there battery choices?
_____ my _____ can't go _____ I _____ if there are _____ options left.
Does _____ have _____ batteries _____ security _____?
_____ the _____ goes off, can I _____ options _____ security?
I _____ if there are _____ options _____ if my _____ go _____.
Could _____ be any _____ batteries _____ security _____?
_____ it _____ my security system _____ have additional batteries _____?
Will there be extra _____?
_____ electricity _____ could you supply _____ batteries _____ security system?
Does _____ know _____ there is _____ extra batteries _____ system?
_____ need _____ if there _____ any battery _____ case my _____ is _____ functional.
When _____ goes _____ for _____ alarm _____ are there any _____ options?
_____ goes out, _____ are battery options for _____ security _____?
_____ there _____ battery for _____ security system in case _____ failure?
_____ you _____ alternatives if my security fails?
_____ the power goes _____ can I _____ selections in my _____?
If _____ fails _____ to a _____ failure, _____ of other battery _____?
_____ possible _____ security setup to _____ integrated with different _____ of _____ batteries?
Do _____ give me extra back-up _____ system?
_____ my _____ additional batteries in case of a _____ outage?
I _____ battery options _____ my security _____ in _____.
Is _____ batteries for backups _____ case of _____ power failure?
_____ goes out on my _____ other battery options?
_____ there _____ for my _____ system _____ the event of _____ power failure?
_____ battery _____ available for _____ security device _____ an _____?
Is _____ types of _____ batteries _____ security setup in emergencies?
_____ I _____ batteries _____ support _____ home security when _____ electricity _____ out?
_____ need _____ know if _____ battery _____ left in _____ that my security does not _____.
What battery _____ are _____ in an _____ security _____?
_____ don't _____ you have _____ battery _____ my security _____ fails.
When the _____ do _____ have battery _____ for _____ system?
Do you have _____ the _____ system _____ case of _____ failure?
_____ batteries _____ my security _____ are needed _____ outage.
_____ am wondering if _____ are _____ that _____ keep my _____ system _____.
_____ use additional battery _____ back up _____ system _____ power losses?
_____ know if you can provide _____ options _____ security system.
Can _____ tell _____ if I have other _____ alternatives if _____?
Can I secure _____ backups _____ my _____ system?
_____ be _____ additional battery options _____ system _____ case of _____ power failure?
_____ you offer _____ battery _____ if the power goes out?
_____ I get extra batteries to _____ home security when _____?
Do you have _____ additional _____ option for _____ if power _____?
_____ power fails _____ my alarm _____ there _____ alternative _____?
Can _____ additional _____ options as _____ backup for my _____?
During _____ failure do _____ alternative batteries for _____ alarm _____?
Does my _____ battery options _____ case of _____ power _____?
Does _____ if there's _____ extra _____ for my _____?
_____ power _____ can you give me _____ backup _____ security system?
Is _____ a _____ to _____ with my security setup _____ an _____?

Are there _____ for _____ security _____?

_____ going _____ work, I need _____ know if _____ are _____ battery options _____.

_____ you _____ batteries _____ security system?

Will _____ access to _____ batteries _____ support home _____?

_____ I use different _____ of _____ batteries in _____?

_____ can't go _____ I need to _____ there are _____ battery _____ left.

_____ anyone _____ the availability _____ supplemental _____ alarm systems?

_____ I be able _____ get extra _____ to support home _____ electricity _____?

Will I _____ batteries to support _____ home _____ electricity is _____?

Extra _____ the house secure _____?

_____ want _____ know _____ have an _____ battery option for my _____.

Can I integrate different types _____ back-up batteries _____ setup _____?

Can you _____ for backup _____ my _____ when power _____ out?

Do you _____ any _____ options for the _____ of _____ power failure?

_____ my _____ system capable of _____ additional _____ backup _____ power outages?

If my security can't _____ there _____ any _____ options left.

_____ other battery alternatives if _____ working?

In _____ my security does _____ need to _____ battery options left.

_____ the _____ protection when there is no _____?

Will more backup _____ solutions be _____ protect _____ power _____?

Is _____ to _____ different kinds _____ with _____ security setup in _____?

_____ it possible _____ batteries for _____ in case _____ power loss?

_____ any back-up _____ that could be _____ security setup?

Can I _____ case of power loss?

Is there _____ additional _____ for _____ security _____ if a _____ happens?

Is it _____ that my _____ additional _____ as _____?

Can you _____ extra batteries for _____?

Extra batteries _____ security _____ there _____ an outage?

_____ you tell _____ if _____ battery option for _____ system?

Is there battery options for my _____ goes _____?

I _____ if _____ extra batteries _____ my security _____.

Is it possible _____ system _____ have _____ batteries as _____?

_____ to provide alternatives for _____ batteries _____ during power disruptions?

_____ it _____ that _____ offer extra batteries _____ security _____?

I need to _____ if _____ are _____ left in _____ that _____ security _____ functional.

_____ need _____ if there are any battery _____ if my _____.

When power goes _____ have _____ batteries _____ security system?

_____ it possible _____ my _____ additional _____ as a backup?

Do _____ extra battery option for my security system _____?

Is there _____ options _____ batteries?

Can _____ used with my security _____ when _____ power goes _____?

_____ possible _____ get _____ battery _____ when the power _____ out?

Is it possible _____ batteries _____ my security _____?

_____ any _____ my security system?

Is _____ extra batteries _____ security system _____ power disruptions?

Is _____ more _____ when the _____ out on my _____?

Does _____ security _____ have _____ options?

_____ the event _____ do you have any battery _____ the security _____?

_____ want _____ if _____ any additional battery options _____ my security _____.

_____ there a _____ back-up batteries _____ my security _____?

_____ security is not _____ I _____ to _____ are _____ options left.
 Is _____ for power failures _____ home _____ systems?
 Is _____ any back-up batteries _____ security setup _____ emergencies?
 Can I use _____ if the power goes _____?
 _____ complement my security _____ emergencies.
 _____ it _____ to integrate _____ with my _____ setup in emergency _____?
 _____ batteries for my _____ system _____ power crises.
 Is _____ possible to _____ of _____ batteries with _____ setup during an _____?
 Can I _____ batteries if there _____ no _____ at _____?
 If there _____ a power _____ can I _____?
 _____ know _____ you _____ any more _____ for my _____ system.
 _____ the power _____ out, _____ for my security system?
 Will _____ extra batteries _____ my home _____ the _____ goes out?
 Do you _____ security system _____ power outages?
 _____ to keep my security system _____ when the power _____.
 Can _____ more batteries _____ I _____ my _____ power?
 Extra _____ for my _____ if there's _____?
 Is _____ alternative battery _____ my alarm _____ power _____?
 _____ solutions be made available to protect _____?
 _____ I have _____ extra batteries _____ security _____?
 Is _____ possible for _____ provide additional back-up _____ for _____?
 Is _____ possible to get extra back-up _____ for my _____?
 When _____ power goes _____ there _____ battery options _____ my _____?
 I _____ know if _____ battery options _____ in case _____ not functional.
 _____ power fails for _____ alarm, are _____ to _____?
 _____ more battery choices in _____ of _____ power failure?
 _____ need extra _____ keep my security _____ when power _____.
 _____ a battery option _____ my _____ the power goes out?
 Can _____ more _____ I _____ my alarm?
 Can _____ more backup _____ for my _____?
 _____ system capable of having _____ batteries _____ a _____?
 Can _____ battery selections in _____ security _____ if _____ power _____ out?
 _____ possible to _____ security _____ batteries?
 Will I _____ extra _____ to _____ my _____ the electricity is off?
 Do _____ have an _____ for my _____ system _____ more _____?
 Is there any _____ batteries _____ system during _____?
 _____ there are other battery alternatives _____ crap fails?
 Is it _____ as _____ backup for my security system?
 _____ more batteries if _____ lose _____?
 _____ more battery options _____ the electricity _____ on my _____?
 _____ there _____ batteries for _____ failures with _____ alarm _____?
 Can _____ tell me about _____ battery alternatives _____ my _____?
 _____ I get _____ up my security system?
 If _____ security _____ go on, I _____ if _____ options left.
 Do you _____ added battery for _____ system _____ a _____ failure?
 any _____ for my _____?
 Can my _____ more battery choices if _____ off?
 _____ power goes _____ do _____ have any _____ to _____ my _____ system _____?
 When _____ goes out, _____ there battery _____ for _____ security _____?
 _____ batteries _____ the _____ system?

Do you _____ my security _____ during power _____?

_____ security _____ I _____ to know if there _____ any battery options _____.

Is it _____ batteries _____ the _____ is off?

In _____ event that _____ isn't _____ go on, I _____ know if there are _____ left.

What about _____ if my _____ goes _____?

If _____ security _____ functioning _____ I _____ know if there _____ any battery _____.

_____ be more battery solutions available to _____?

_____ want to know _____ offer _____ my alarm system _____ failure.

I _____ like to know if _____ provide alternate _____ security _____.

In the event _____ my _____ can't go on, I _____ if _____ battery _____ left.

Do _____ battery alternatives if _____ security fails _____ a power _____?

_____ you _____ me _____ for backup batteries _____ system _____ power _____?

supplemental batteries _____ home alarm _____?

Is there _____ chance _____ system _____ have _____ batteries _____ backup?

_____ it possible _____ my _____ system can have _____ batteries _____?

Extra batteries for _____ system _____ there's _____?

_____ you have _____ extra _____ for my _____ system if there _____?

Is _____ integrate different _____ batteries into my _____ setup in _____?

_____ it possible that my security _____ could _____ backup?

If _____ power goes _____ I _____ battery selections with my _____?

Is there a way to _____ back up _____ with _____?

_____ there any _____ batteries for _____ security _____ during _____?

Is it _____ to have supplementary _____ selections _____ the _____?

_____ power _____ alternative batteries for _____ alarm system?

Is there any _____ security system _____?

I _____ to _____ if there _____ any _____ options _____ in _____ my security _____.

_____ for _____ batteries in the security system?

_____ my _____ doesn't work, _____ there are any remaining _____ options.

_____ spare battery options to _____ my _____ in _____?

_____ the _____ fails _____ my _____ is _____ alternative battery?

Is there any extra batteries _____ security _____?

_____ the _____ goes _____ my alarm setup, is there _____ battery _____?

Have _____ got _____ more _____ security system?

_____ selections _____ used with my security _____?

_____ alternative _____ if _____ power fails for my alarm _____?

_____ I _____ access _____ additional _____ to _____ my _____ when the electricity _____ out?

Do _____ backup _____ my alarm _____?

Is there any _____ batteries that _____?

_____ security system in emergencies?

Do _____ more battery options for _____ system in _____ a _____ failure?

I _____ wondering if _____ backup batteries _____ my _____ system.

_____ I get _____ choices _____ my security setup _____ the _____ goes _____?

_____ wonder _____ you _____ give _____ alternatives for _____ in _____ security system.

Will I _____ to extra _____ to _____ my _____?

Will _____ battery options _____ my security system if _____ is _____?

_____ to know _____ there _____ battery options left if _____ security _____ on

Will _____ extra batteries _____ protect my home _____ electricity _____ out?

_____ I _____ battery options _____ security system _____ loss constraints?

_____ you have _____ battery _____ the _____ system?

_____ there a way _____ security setup _____ integrate different types _____?

____ need some ____ to keep my ____ system ____ if ____ goes ____ .
 ____ to ____ there are any ____ options ____ in ____ my ____ not functional
 ____ know if there ____ extra batteries ____ security system.
 When ____ power goes out, ____ to know if ____ for my ____ .
 ____ my security ____ capable ____ batteries as backups ____ outages?
 ____ security ____ to ____ power ____ I have other battery ____ ?
 Can ____ battery choices ____ my ____ setup?
 ____ electricity ____ out, could you ____ me battery ____ for ____ security ____ ?
 ____ other battery alternatives if my security ____ ?
 If ____ security can't ____ on, ____ need ____ are any remaining ____ options.
 ____ we lose electricity, am ____ find ____ batteries?
 ____ my security ____ go on I ____ to ____ if ____ are ____ options ____ .
 Y'all have other ____ if ____ security ____ ?
 I ____ backup batteries ____ security ____ if there ____ power failure.
 Is it possible ____ different ____ batteries with ____ in emergencies?
 ____ you ____ batteries that ____ used ____ the security ____ ?
 If the electricity goes out, ____ batteries ____ I ____ to ____ ?
 If ____ isn't ____ there are ____ options ____ that I need ____ .
 Is there a way ____ batteries ____ my security ____ during emergencies?
 Is ____ for my security ____ have additional ____ ?
 What batteries ____ available for ____ my ____ device ____ emergency?
 Do you offer an additional ____ for ____ security ____ is a ____ ?
 If ____ security can't ____ to ____ if I have ____ options left.
 ____ want more ____ batteries ____ system.
 ____ you have an ____ my ____ system?
 I need to know ____ alternatives ____ in my ____ system.
 ____ there any chance ____ security ____ have ____ as ____ ?
 ____ options for more ____ batteries?
 Is ____ an option ____ security ____ to have ____ ?
 ____ be able to ____ more ____ to support ____ security when ____ is ____ ?
 ____ the power goes out, can I ____ for ____ setup?
 ____ extra batteries ____ support ____ security ____ the electricity is out?
 ____ my security ____ to ____ if there are any ____ options ____ .
 Are you able ____ me ____ my security ____ ?
 Are ____ are other ____ if my security fails?
 ____ I use additional batteries ____ security system ____ power ____ ?
 ____ you have ____ battery ____ for ____ when ____ is a ____ outage?
 Do you ____ for my ____ ?
 ____ there different types of ____ batteries ____ could ____ integrated ____ setup?
 Do you offer ____ to ____ my ____ ?
 ____ I have other battery ____ my ____ the ____ goes out?
 ____ the ____ system ____ any battery options ____ the ____ of ____ failure?
 ____ any more battery ____ security system ____ is a power failure?
 ____ possible ____ get ____ batteries ____ the power ____ on?
 Is ____ chance my ____ have more batteries as ____ ?
 Should I have more ____ for ____ security ____ power goes ____ ?
 Will ____ have access to ____ to protect ____ when the ____ ?
 ____ there an additional ____ for my ____ system ____ there ____ power ____ ?
 ____ about backup batteries ____ my security ____ goes ____ ?
 Do you offer extra ____ to ____ system?

____ my ____ can't go ____ I need ____ know ____ are any ____ left.
 I need to ____ are any ____ in ____ my security isn't ____ .
 ____ there's no power, ____ are the ____ for ____ ?
 ____ there any chance ____ security system ____ batteries?
 ____ the power ____ will there be ____ my security ____ ?
 In case ____ security is ____ functional ____ to ____ if ____ any ____ options ____ .
 If the electricity goes ____ you ____ me ____ battery options ____ my ____ ?
 When ____ goes out for ____ alarm setup, ____ alternative ____ ?
 Can ____ have ____ battery ____ there ____ a power ____ ?
 Can I ____ other ____ selections ____ power ____ system if ____ power ____ ?
 If ____ working, I need ____ if there are any ____ left.
 ____ power goes out, is ____ battery option ____ the ____ ?
 ____ a ____ battery ____ my security system ____ of a power ____ ?
 ____ need more backup ____ system ____ power struggles.
 Y'all ____ alternatives ____ my ____ fails?
 When ____ power ____ allowed to ____ battery options ____ my security ____ ?
 ____ for my ____ when ____ down?
 ____ my ____ fails due to a ____ failure, do ____ have ____ ?
 Can I ____ battery ____ power ____ out?
 Can I have ____ for my security ____ with ____ ?
 ____ need to ____ if there ____ remaining battery options ____ .
 ____ you provide ____ batteries ____ system during ____ losses?
 I ____ to have more ____ batteries ____ system.
 ____ other battery alternatives ____ security ____ due ____ power failure.
 ____ my security can't go ____ know what battery ____ are ____ .
 Is ____ batteries to keep the home ____ ?
 ____ my security ____ functional, I ____ to know ____ are ____ options left.
 ____ there be ____ battery ____ case of ____ loss?
 ____ any ____ backup batteries for ____ security system when ____ .
 What ____ are ____ with my ____ device ____ an ____ ?
 I need to ____ if ____ are any ____ the event that ____ security ceases ____ .
 Will ____ be more backup ____ to guard ____ ?
 Is it ____ to ____ options ____ backups for my ____ ?
 Do ____ know ____ other battery ____ are available if ____ ?
 ____ could ____ suggest alternate batteries ____ power my security system?
 ____ are other battery ____ if ____ security ____ to a ____ ?
 Is ____ security system ____ batteries as backup ____ power ____ ?
 Is ____ for ____ failures with home ____ systems?
 I need ____ backup ____ system ____ power failures.
 If my security fails ____ failure, ____ have ____ options?
 Do you ____ battery ____ system in ____ event of a ____ ?
 ____ you ____ added battery ____ the ____ system in ____ event of ____ power ____ ?
 Is there ____ spare ____ that will ____ my ____ emergencies?
 Is it possible to ____ additional ____ selections ____ goes ____ ?
 Can ____ extra batteries to ____ home security when the ____ ?
 ____ the ____ out, ____ there battery options ____ security system?
 Should ____ have extra ____ to ____ security ____ running?
 ____ my security system ____ of having additional batteries ____ ?
 ____ extra batteries for my ____ system during ____ .
 ____ my security cannot go ____ the ____ options left.

Is my security ____ able ____ use ____ selections if ____ out?
 ____ you give me ____ more backup ____ security ____?
 ____ the ____ could you provide battery ____ for my ____?
 ____ secure ____ battery options ____ case of power ____?
 ____ event of power loss ____ get ____ options?
 If my ____ I ____ to know ____ there are ____ options left ____.
 Do ____ an ____ option for ____ security system if ____ out?
 ____ security system ____ any battery ____ in ____ of ____ power ____?
 Any spare ____ choices ____ my ____?
 When ____ no power, what batteries ____ available ____?
 Is there ____ more ____ options ____ my security ____ in ____ power ____?
 Is there ____ battery ____ my ____ system ____ goes out?
 ____ there any ____ batteries ____ security ____?
 ____ I ____ selections ____ my ____ if the power goes ____?
 Can ____ security system ____ if the power goes ____?
 ____ you ____ back-up batteries ____ my ____ power disruptions?
 When ____ fails for my alarm setup, ____?
 ____ my ____ system when it is ____?
 Is ____ to use other ____ my ____ system?
 ____ have back-up batteries for my ____ during ____?
 ____ any ____ batteries ____ my system during ____ outage?
 ____ is ____ power, ____ alternative battery options for protection?
 Can I ____ different ____ of ____ security ____ in emergencies?
 Is ____ to get ____ batteries ____ the power ____?
 Is ____ get ____ selections during times when the power ____?
 ____ a ____ my ____ has additional batteries as backup?
 ____ fails for my alarm, ____ other ____ options?
 If the electricity ____ provide alternate battery options for ____?
 ____ my ____ is not ____ I ____ to ____ there ____ any battery ____ left.
 Is ____ possible ____ when the power goes off?
 Is ____ more battery ____ for ____ security ____ the power ____?
 I need ____ know ____ are ____ left if my ____ is ____ functional
 If the ____ out on ____ system, ____ the backup ____?
 How ____ security ____ batteries?
 If ____ goes out, could ____ me ____ to power my ____?
 ____ my ____ is ____ to ____ need to know if there are any ____.
 Can ____ me ____ for ____ in my security ____ power shortages?
 ____ there be more ____ to protect ____ failures?
 ____ more backup ____ for ____ security ____?
 Is ____ chance ____ security system can ____ more ____ as ____?
 ____ I have more battery ____ the power ____?
 When the electricity ____ out ____ there more ____ choices?
 ____ there alternative batteries ____ my alarm ____ failure?
 Is ____ any ____ my security system ____ it ____ down?
 ____ give me ____ the batteries ____ my ____ system?
 ____ we ____ can ____ get ____ batteries?
 Are there ____ possibilities ____ system in ____ power failure?
 If ____ security ____ not ____ need to know if ____ remaining battery ____.
 ____ for ____ alarm ____ are there other battery options?
 Can ____ selections be ____ my ____ system ____ power goes ____?

_____ the _____ goes _____ you _____ me batteries _____ could power _____ security _____?

Can _____ get _____ lose electricity?

Can _____ integrate different _____ of _____ my _____ setup _____ emergencies?

_____ you have an _____ battery _____ security system?

Is there a _____ my security _____ have _____?

Is there a way _____ more _____?

Is _____ possible _____ obtain additional batteries _____ out?

Can _____ one _____ my security device _____ an emergency?

Is _____ possible for my _____ to _____ of batteries _____ emergencies?

Is my security _____ different _____ of back-up _____?

_____ security system use other battery selections if _____?

_____ would like _____ know if you _____ alternate _____ security system.

If my _____ there _____ alternatives?

I _____ some extra batteries _____ my security _____ when _____ off.

_____ chance _____ security system _____ have _____ batteries as backup?

_____ backup _____ in my _____ system?

_____ more battery _____ for _____ security _____ in case of _____ failure?

Do _____ backup battery option _____ in _____ of a power outage?

_____ to know _____ any battery _____ case _____ security is not functional.

_____ supplemental _____ for power failures _____ alarm systems?

When _____ out, can _____ get any extra _____ keep my _____?

Can I _____ more _____ my _____ security _____ the _____ is out?

Is there _____ in the _____?

Can you _____ me alternatives _____ in my _____ system _____ power _____?

Is there _____ spare _____ would _____ my _____ an emergency?

I _____ there are battery options for _____ system _____ the _____ goes _____.

_____ you aware of _____ alternatives _____ my _____ fails?

_____ there _____ to integrate _____ up batteries into _____ security setup?

Does _____ other battery _____ the power goes out?

_____ know if my _____ system has _____ options when _____ goes _____.

Is _____ an additional _____ my security system _____ there _____ power _____?

Is _____ any _____ in _____ security _____?

_____ security _____ with different types _____ back-up _____ in emergencies?

_____ there _____ battery _____ my _____ system?

_____ the power goes _____ do _____ a battery option _____ my _____?

_____ battery choices are there for my _____?

_____ there _____ options _____ my _____ if _____ power goes out?

_____ to find _____ any _____ options left if _____ security _____ go on.

Can I _____ additional _____ options _____ backup _____ system?

I _____ if _____ any battery left _____ security isn't functional.

Is there _____ power _____ with home _____ systems?

_____ of backup batteries for _____ system.

_____ I _____ battery _____ in _____ the power _____ off?

_____ I use _____ selections for my _____ system when _____ out?

_____ there is a _____ do you have _____ option _____ my _____?

_____ know if there _____ battery alternatives _____ my _____ fails?

_____ there any chance _____ security _____ could _____ additional _____?

Will I _____ batteries _____ support _____ security if _____ electricity goes out?

What battery options _____ available if _____ off?

_____ there _____ extra _____ my system when _____ goes _____?

I need more _____ for _____ power losses.

Is there a _____ to _____ security system?

_____ have a backup battery for _____ system in _____ of _____ power _____?

Do _____ options _____ the security system?

Can _____ use other _____ selections _____ security _____ when _____ power _____ out?

_____ know if _____ other battery alternatives _____ my _____ fails?

If _____ goes out, _____ provide _____ battery possibilities _____ my security _____?

_____ have battery _____ for the security _____ event of _____ black _____?

_____ you _____ back up batteries _____ security _____?

When _____ power goes _____ I _____ any extra _____ my security _____?

Is it possible to have _____ battery selections _____?

_____ I _____ battery selections to _____ my security _____ power goes _____?

Is _____ extra _____ security system during power _____?

_____ electricity goes _____ help _____ my security system _____ alternate batteries?

_____ use additional battery _____ for my _____ system during _____ constraints?

_____ another _____ to use with _____ system _____ the power _____ out?

Are _____ extra _____ batteries for _____ system _____?

_____ there _____ any more _____ security system?

Is there _____ battery options _____ the _____ of _____ power failure?

_____ my _____ then I _____ to know _____ there _____ any battery _____ left.

_____ power outages, _____ for backup _____ in _____ security system?

_____ know if there _____ battery _____ left if _____ security _____ not work.

I am _____ alternatives _____ backup batteries _____ system.

I _____ if my security fails _____ to _____ failure.

_____ there _____ backup batteries _____ security system?

_____ possible to _____ battery options as _____ for _____ system.

During _____ outages _____ give me alternatives _____ backup _____ in _____ security _____?

Is there _____ extra _____ for _____ system during _____?

_____ there _____ chance _____ my _____ having additional batteries _____ backup?

I would _____ to know if _____ system _____ have _____ a _____.

Is _____ way to _____ battery selections _____ the _____ is not _____?

_____ case my security _____ I need to _____ if any battery _____.

_____ my security _____ need to know if _____ are _____ spare _____ options _____.

Is it _____ for _____ security _____ to _____ additional battery _____ as _____?

I _____ to know what _____ are _____ my security _____ on.

_____ power _____ what about batteries _____ my security _____?

_____ to know if there are any _____ left _____ event _____ can't go on.

If _____ goes out, can my _____ use _____ selections?

_____ have any spare batteries _____ security system?

_____ it _____ up _____ alternatives for backup _____ my security system?

_____ have any _____ backup batteries for _____ system?

Can _____ add a _____ go dark?

Do _____ have _____ battery alternatives if my _____ stuff _____?

Can _____ more _____ for _____ setup?

_____ need _____ if _____ are any battery options _____ case my _____ working.

Is _____ alternative _____ option _____ power _____ for my _____ setup?

_____ get more batteries in _____ of a _____?

_____ it possible _____ me _____ secure _____ as a backup for _____ system?

Can I _____ other battery _____ to _____ my _____?

Will _____ be able to _____ batteries _____ support _____ security?

____ I need ____ batteries ____ security ____ goes out?
 ____ I get ____ batteries to keep ____ security ____?
 ____ that my ____ system can ____ more batteries?
 ____ power goes out, ____ give ____ batteries to ____ my security ____?
