

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle specifications and features queries
Inquiry Sub-Category	Fuel Economy and Efficiency
Description	Customers seek information about the vehicle's fuel economy ratings, average MPG (miles per gallon), fuel tank capacity, and driving range to estimate fuel costs and determine if the vehicle meets their efficiency requirements.
Data Size	11,478 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Can you provide _____ in city _____ highway conditions?

What information _____ you _____ me _____ fuel usage in urban _____?

I _____ interested _____ the projected _____ on both _____ driving.

_____ much _____ will _____ used _____ town or on _____ expressways?

_____ the projected _____ usage _____ and _____ situations.

Discuss _____ anticipated gasoline _____ when traveling _____ cities _____.

Any information _____ estimated gas _____ around _____ or _____ expressways?

Tell _____ about _____ expected _____ in _____ and highway.

Will _____ tell _____ the fuel _____ freeway environments?

Tell me about _____ consumption _____ driving _____.

_____ the _____ fuel consumption _____ for _____ through cities?

I'd like _____ know _____ consumption _____ urban _____ interstate _____.

What _____ consumption _____ the _____ and highway _____?

How much gas is _____ driving _____ cities _____ on _____?

Do _____ have _____ information _____ expenditure _____ city and freeways?

_____ is expected gas consumption in _____?

Are there _____ for gasoline _____ driving _____ along highways?

Is it _____ to _____ me _____ your _____ when driving _____ and _____?

_____ consumption _____ operating _____ or highway settings is needed.

_____ the expected fuel _____ freeway and _____ conditions?

Tell _____ the _____ gasoline usage when _____.

_____ what _____ consumption _____ be when _____ through cities.

_____ is the expected fuel consumption _____ through _____?

_____ you _____ us _____ the expected _____ in the city _____?

How much _____ is _____ when _____ in _____ city _____ highways?

I _____ know _____ much _____ is used in _____ areas _____ along major _____.

_____ there _____ on _____ use _____ around town and _____ major roads?

_____ information on gas usage for _____ and highway _____?

Is it possible _____ about fuel use _____ town as _____ as _____ major _____?

Is it _____ on _____ gas use for city _____ driving _____?

Is there _____ on _____ usage when _____ on expressways?

_____ how _____ fuel is _____ to be _____ in the _____.

Information _____ usage expectations for _____ city _____ highway _____?

When driving _____ town _____ on _____ interstate _____ of gas _____ to use?

Please, _____ usage _____.

Can _____ know how much _____ in urban _____?

_____ to know _____ fuel will be _____ in _____ and _____.

Do you know _____ average _____ consumption _____ both city _____?

_____ me _____ fuel consumption in urban vs interstate scenarios, _____ appreciate it.

_____ know _____ city/highway gas usage.

_____ would _____ it if _____ give _____ some _____ about _____ consumption _____ urban vs _____ scenarios.

_____ us _____ fuel is expected to _____ in _____ city

Is there _____ to _____ of gasoline consumption _____ traveling through _____ areas _____ major _____?

_____ it possible _____ tell _____ how much gasoline _____ in _____?

Do you _____ what _____ typical excisions _____ gasoline _____ driving _____ cities or _____?

_____ get information _____ how _____ gasoline _____ used in urban _____?

Let _____ what _____ expectations are for city _____ highway _____.

_____ any data on _____ much gasoline _____ used when _____ or highway?

_____ know the expected fuel consumption in urban _____.

_____ me _____ if _____ usage is _____ in city _____ highway _____.

_____ to provide information about fuel _____ town as well as _____?

Do _____ any _____ concerning gas _____ the city _____ freeway?

_____ are _____ predicted gas consumption in _____ roads network?

_____ provide _____ how much _____ going to be _____ in _____ city.

_____ highway _____ conditions _____ amount of gas _____ consumed?

What _____ it consuming _____ in _____ city or on highways?

_____ know the _____ gasoline _____ while driving _____ cities _____ highways.

_____ fuel is expected to be used _____ city.

Do _____ know how _____ consumed _____ the _____ and freeway?

Is _____ anything you know _____ for _____ highway driving?

_____ can _____ know what fuel usage _____ be _____ and highway _____?

_____ gas is expected _____ be _____ for _____ and highway _____?

_____ us _____ projected fuel _____ and highway circumstances.

_____ can tell me _____ usage _____ the _____.

Does anyone know _____ this _____ when _____ through _____ versus highways?

I'd like to know what _____ will _____ on _____.

_____ you _____ anything _____ way gasoline is _____ when driving _____ highways?

Details for gas _____ in _____.

What _____ expected fuel _____ on _____

_____ you _____ us how _____ fuel will be consumed _____ highways?

_____ anticipated gas consumption when operating _____ urban _____ highway _____.

_____ tell me _____ gas usage in _____ and _____.

Please _____ about city/ _____ gas _____.

_____ is _____ consumption in city and freeway _____?

Is _____ possible to _____ details _____ driving city and _____ routes?

_____ have _____ data _____ how _____ gasoline _____ used _____ around a city?

Is _____ expected gas _____ in _____ and highway _____?

_____ much _____ be required in _____?

Is there information on _____ consumption for _____?

Is _____ to give an _____ gas consumption in city _____?

_____ much gas _____ you _____ use in _____ freeway conditions?

Please provide _____ usage _____

_____ information _____ you give _____ the usage _____ gas in _____?

_____ like to _____ the expected fuel _____ highway _____.

_____ data can _____ give _____ fuel _____ levels on _____?

Details of _____ usage _____ city _____

_____ gas consumption numbers _____ traveling _____ or _____ a _____.

I want to _____ gas _____ for city _____ on _____.

_____ am _____ for _____ on fuel consumption in _____ interstate _____.

_____ is the estimated _____ of _____ consumption while _____ metropolitan areas _____ along _____?

_____ the _____ gas usage _____ urban and _____ conditions?

Tell _____ for gas consumption _____ highway _____ city _____.

How _____ fuel usage _____ city and _____?

_____ to know the estimated _____ use _____ urban and _____.

_____ would like _____ the projected petrol _____ in _____ and _____.

_____ the _____ gas usage for city and _____?

I _____ you _____ give _____ details _____ consumption in _____ vs _____ scenarios.

_____ would like to _____ the estimated amount _____ that will _____ consumed _____ city conditions _____.

How can _____ me know _____ the _____ fuel _____ driving?

_____ you know _____ much _____ be used _____ the _____?

Is it _____ inform _____ about expected _____ usage when I _____ in _____ city _____?

When traveling _____ cities _____ me _____ much _____ will be _____.

How _____ used _____ through the city or along _____?

_____ much fuel _____ for _____ through both _____ and _____?

Is _____ any information regarding _____ for _____ driving?

_____ there any _____ on how _____ gas it consumes _____ in _____.

_____ tell me _____ gas consumption _____ and highway conditions?

Is it _____ to _____ expected gas consumption _____ highway and _____?

_____ the _____ of city driving as well as _____ highways.

I'd like _____ gas _____ for city _____ as _____ highway driving.

Tell _____ fuel _____ be _____ driving through cities.

_____ gas usage is _____ or highway.

_____ would _____ know the expected _____ use _____ urban _____ interstate _____.

Is _____ to give information _____ gas _____ in _____ and _____?

Is _____ data on fuel _____ during _____ and _____?

Is there any information _____ how much _____ it _____ when _____ city _____?

_____ the _____ usage when travelling through a _____ or _____.

_____ city/hwy help! Facts _____?

_____ need _____ about fuel use in the _____.

Information _____ how _____ will be used _____ areas _____ needed.

_____ you _____ give _____ on _____ fuel consumption in _____ interstate scenarios.

Discuss projected gas _____ when _____ within _____ city _____.

_____ have any _____ on _____ consumption when _____ both city _____ routes?

Do you _____ gas _____ be for _____ highway driving?

I _____ like to _____ usage for _____ and highway _____.

_____ to _____ the _____ petrol usage _____ cities _____ highways.

_____ the _____ usage for gas in _____ and _____?

I'd like _____ know the _____ mileage _____ as _____ as in _____.

Is it _____ provide _____ anticipated gas consumption _____ city _____?

Do you _____ the _____ usage _____ around _____ on expressways?

_____ it _____ to provide _____ fuel use for _____ around _____ as _____ major roads?

_____ you tell _____ about the typical excisions for _____ while _____ through _____?

_____ possible to _____ information on _____ consumption for _____ driving _____?

_____ traveling through _____ tell me about your _____ usage.

_____ about expected fuel _____ in urban _____ highways?

_____ possible to _____ about _____ gas is consumed when _____ cities _____ highways?

I'd like _____ know how much _____ used _____ versus highway _____.

Can _____ tell _____ usage in the _____?

Can you tell _____ expected _____ usage for _____ highway _____?

_____ much _____ will be consumed in _____ and _____?

_____ fuel is expected _____ be _____ for both _____ highway _____.

Is there an _____ gasoline consumption _____ travelling _____ metropolitan _____ along _____?

What information _____ available regarding _____ usage _____ driving _____ town _____?

Is _____ possible _____ details on gas _____ and _____ conditions?

Tell _____ much fuel _____ be used in the _____.

Is _____ to _____ while traveling through metropolitan _____ or along _____ highways?

_____ much _____ tell me in _____ and _____ conditions?

_____ am interested _____ projected _____ mileage _____ as well as on _____.

Please _____ us the _____ will be used in _____ city and _____.

_____ interested _____ the projected gas mileage for _____ as _____ for _____.

Is _____ information about how _____ used when _____ cities or _____?

Discuss projected gas consumption for _____ highway.

What _____ get about fuel usage _____ and _____ conditions?

_____ to know if _____ give _____ on _____ consumption in urban vs interstate _____.

_____ do _____ have to _____ gas _____ in urban _____ freeway _____?

_____ want to know _____ use _____ and _____ highways.

_____ was wondering _____ expected gasoline _____ through _____ and highways.

_____ wondering _____ the expected fuel _____ and freeway conditions.

_____ data _____ you _____ about fuel _____ city and _____ settings?

_____ you _____ estimated gas usage in the _____?

I'm interested _____ gas _____ during city _____ as _____ highways.

_____ want _____ know _____ is _____ in highway and _____ driving

_____ would appreciate _____ could give me details on _____ urban vs _____.

_____ rate will be while driving through cities.

_____ possible to let me know about _____ usage while driving _____ city _____?

_____ tell me how _____ gasoline will be _____ and highway _____?

_____ you _____ the estimated gas _____ in urban _____ freeway _____?

What _____ estimated fuel _____ patterns _____ both the cities _____?

_____ have data regarding gas _____ the _____ and _____?

I'd like _____ know _____ anticipated _____ consumption in _____ and _____.

Inform _____ the _____ fuel _____ for highways _____ cities.

_____ projected gas _____ within a _____ or _____ a highway.

_____ would appreciate _____ if you _____ provide _____ on _____ fuel consumption _____ vs _____.

_____ information can you give _____ the _____ gas in _____?

Do you _____ any _____ predicted _____ consumption _____ versus roads _____?

_____ driving _____ town or _____ interstate, what _____ of _____ expect to consume?

What is the _____ city and _____ drives?

Is it possible _____ me, _____ fuel _____ while driving _____ city _____ highway conditions?

I ____ to know ____ could ____ anticipated ____ consumption in urban ____ interstate scenarios.

I ____ to know how much ____ consumes when ____ in ____ city ____.

____ public ____ projected fuel ____ urban and highway situations.

Could you tell ____ much ____ be consumed in ____ city ____?

____ regarding ____ in city and highway ____?

Provide ____ on ____ gas consumption ____ in ____ highway settings.

____ you ____ the ____ efficiency in town ____ on highways?

I need to ____ how much gasoline ____ used ____ driving ____.

____ possible to ____ on ____ gas ____ for highway driving ____.

Is ____ possible to ____ data ____ the city ____ freeway settings?

____ to know the ____ petrol ____ in cities and ____.

How ____ I ____ informed ____ expected fuel ____ in both ____ city conditions?

____ how ____ I will use while driving through ____ highways.

How ____ gas ____ in ____ freeways?

I would ____ know the projected gas mileage ____ city ____ highways.

How much ____ does ____ consume when ____ and ____ highways?

____ would ____ to know the ____ amount of gasoline that ____ in ____ city ____ highway ____.

Can ____ tell ____ expected ____ use?

Is ____ to ____ information on ____ gas ____ city and highway ____?

____ want ____ how ____ gas ____ consumed when driving ____ highways and ____.

What ____ me about ____ use of gas ____ the ____?

____ are ____ predictions for ____ on urban ____ and ____?

Please let ____ city/highway gas ____.

____ me about the ____ settings.

What ____ estimated ____ for driving through ____ and ____?

Can ____ how much fuel ____ used ____ and freeway conditions?

Discuss projected gas ____ in ____ city.

____ you ____ about the excisions ____ while driving through ____?

____ are ____ consumption levels ____ in ____ city and ____?

Is ____ estimated ____ usage ____ driving around town or on ____.

Can you give me an ____ about the ____ on ____?

____ about the ____ gas you use when ____ both ____ highway ____.

____ would ____ to ____ details ____ anticipated ____ consumption in urban ____ interstate ____.

Tell me ____ of ____ on ____.

____ about gas expenditure ____ city and ____ settings?

____ want ____ know ____ much ____ will be consumed ____ a city ____.

____ me what the ____ be when ____ through cities.

____ gas can I expect ____ urban ____ freeway ____?

____ it ____ to ____ on city and ____ consumption?

____ projected gas ____ when travelling in ____ or ____.

What ____ you know ____ fuel ____ on ____?

____ fuel ____ to be ____ in ____ city and ____ highways ____ be provided.

____ you know ____ the ____ excisions ____ gasoline ____ in cities?

____ to ____ about ____ use ____ roads.

____ give us ____ on fuel consumption for ____?

I ____ like ____ know ____ gas ____ both city and highway ____.

How ____ be informed ____ my ____ while driving?

Is there ____ you ____ say ____ gas ____ urban ____ highway conditions?

Is ____ possible ____ tell me ____ roads and highways?

____ possible to talk ____ consumption ____ driving ____ city and ____ routes?

I want _____ about _____ fuel use on _____ cities.

Is there _____ on the estimated _____ on the _____?

_____ any information _____ gas _____ on highways _____ city driving?

_____ need information _____ much fuel _____ be _____ the city and _____.

Can you tell _____ expected gas _____ urban _____ conditions?

I _____ much gas _____ use when _____ the _____ and highway routes.

How _____ inform _____ about _____ usage while _____?

_____ about expected _____ usage _____ the _____ highway settings.

What _____ I know about _____ freeway environments?

_____ can _____ out about _____ consumption in urban _____ freeway _____?

_____ you know _____ usage _____ and highway situations?

Can _____ tell _____ gas usage in the _____?

_____ are _____ projected levels of fuel consumption _____ and _____?

Please _____ know _____ much fuel _____ be _____ the city

Tell me _____ expected gasoline _____ when _____ a _____.

I'm _____ the projected _____ mileage for both _____ and _____.

I would _____ know the _____ in _____ cities _____ highways.

Do you have _____ of _____ in urban _____ conditions?

_____ provide us _____ gas _____ info.

_____ you _____ about typical _____ for _____ use while _____ through _____ along highways?

_____ usage _____ the city or _____?

_____ to give information about _____ gasoline _____ be used _____ areas?

How much _____ we use _____ around town _____ highway?

_____ have any _____ gas consumption _____ urban and highway _____?

_____ provide _____ data _____ consumption when operating _____ urban or _____ settings.

_____ how much gas is consumed when driving in _____?

_____ you give us _____ consumption in _____ city?

Can you _____ the expected _____ urban _____?

How _____ be _____ for city and _____ driving?

_____ give us the city/Highway _____.

_____ what the expected fuel _____ for driving in _____.

Is it possible _____ share some information about _____ city _____ highway _____?

Tell _____ about _____ fuel consumption _____ when driving _____.

Is _____ possible _____ give details on gas _____?

_____ about _____ use _____ urban _____ compared to _____?

_____ of the _____ usage for urban _____ highway _____.

When _____ and _____ routes, could _____ me about _____ gas _____?

_____ you _____ much _____ used _____ in cities or on highways?

Do you know _____ levels _____ fuel _____ for _____ highways?

What _____ expected fuel usage _____ city _____ freeway?

Is there _____ on _____ much gasoline _____ used _____ urban _____?

How much _____ is _____ in _____ city or _____?

I _____ like to _____ will be _____ in _____ and on _____.

Can _____ about the _____ gas _____ in the city _____?

_____ any information on _____ driving around town or _____ major _____?

_____ you have any _____ fuel consumption _____ around town and _____?

Do _____ estimated fuel _____ for _____ and highway _____?

Inform me of _____ in _____ and highway _____.

_____ information on _____ consumption when _____ both _____ routes would be _____.

Please tell _____ city/highway _____.

How about ____ usage on ____ ____ ____ ?

What ____ ____ me about the use ____ gas ____ urban ____?

____ ____ me about ____ anticipated ____ consumption in the ____?

____ like ____ projected ____ use ____ cities and highways.

Tell ____ what the ____ consumption ____ while driving ____ cities.

____ me ____ for ____ around ____ as ____ as on major roads.

Discuss ____ consumption ____ or highway.

Please ____ know if fuel usage ____ the ____.

You ____ about ____ use on the ____.

____ we ____ about ____ much ____ will be used ____ areas?

____ like to know how ____ in cities ____.

____ me ____ your ____ driving around town and ____ roads.

Detailed ____ use in ____ city or ____.

Is there any data regarding gas ____ and ____?

____ give ____ on the gas ____ when ____ urban or highway ____.

Is it possible ____ much ____ be used within ____ areas.

I would like ____ on highways and city ____.

____ possible to provide ____ gas consumption in ____ traffic?

____ would like ____ know the ____ gas expenditure ____ city ____ settings.

____ there anything you can tell me ____ consumed ____ city?

Do you ____ projected gas usage ____ highway ____?

I ____ to ____ expected ____ consumption ____ while ____ through cities.

____ me about ____ use ____ roads.

Tell me ____ gasoline ____ anticipate ____ when travelling ____ city ____ highway.

____ expected ____ usage ____ the city ____ freeways?

____ the estimated ____ mileage for highway ____ drives?

____ know what the anticipated fuel ____ is ____ vs ____ scenarios.

I'm interested ____ gas ____ during ____ driving ____ well as on highways; ____?

What ____ expected ____ while driving ____ highway or city ____?

Tell ____ about the ____ rates as you ____ cities.

____ to know about gas use ____ urban ____.

What are ____ levels ____ for both highways ____ roads?

____ need to know ____ the ____ fuel ____ driving through cities.

When ____ and ____ routes, could you ____ us ____ information ____ consumption?

What are ____ expected fuel consumption ____ drive ____?

Do you know ____ expected ____ will be ____ and freeway ____?

What do ____ about ____ on urban ____ and ____?

____ projected levels of fuel ____ for both ____ highways?

I need ____ gas ____.

____ us know ____ projected ____ for ____ and highways.

Information ____ fuel will be ____ the ____ is required.

____ details about ____ gas ____ in city and freeway conditions?

Is ____ on ____ gas consumption ____ both city ____ traffic?

____ usage ____ city ____ highways.

____ like to ____ much fuel is ____ on ____ road.

____ anyone know how ____ uses when ____ the ____ or highways?

Is ____ data ____ the ____ consumption during city and ____?

____ data on how ____ gasoline is ____ when driving around ____?

____ anticipated ____ consumption ____ operating in ____ or highway settings ____.

Do you ____ anything ____ the ____ usage for ____?

Is it possible _____ expect gas usage _____ a city _____.

Does anyone _____ much gasoline _____ while traveling through metropolitan _____ highways?

_____ want to know _____ highways and _____ cities.

_____ to know _____ it uses when _____ in _____ city _____ on highways.

_____ you have _____ on _____ consumption in city _____ traffic?

Any information on gas _____ in _____ city _____?

City/highway gas _____ is _____.

_____ much _____ expected to be used _____ both _____ driving?

Can _____ how much _____ in urban areas?

Do you _____ what _____ for _____ use _____ through cities?

_____ know about fuel use _____ the _____.

_____ me _____ the expected fuel use _____ through _____.

_____ me _____ the _____ are for _____ cities and highways.

_____ you _____ anything _____ gas usage for _____ driving?

_____ you have any information _____ consumption for _____ town _____ roads?

In _____ and _____ conditions how _____ be spent?

Tell _____ the fuels _____ the _____.

_____ fuel _____ expected to _____ used _____ city and highway driving.

I _____ to know projected _____ use _____ highways.

What _____ you give _____ gas consumption _____ urban and _____?

I want _____ know the _____ in city _____ highway _____.

_____ you _____ me _____ the typical _____ efficiency _____ and highways?

I _____ to know _____ much gas _____ when _____ the _____ or on _____.

_____ in the _____ and highway?

_____ information on _____ consumption in city and highway traffic.

Is _____ any _____ the _____ consumption _____ city drives?

_____ about the anticipated _____ when operating _____ or _____ settings.

Information on how _____ to be _____ in the city _____.

What _____ we know about _____ areas compared _____ highways?

_____ me about gas _____ in _____ and freeway?

_____ is _____ projected levels _____ for both _____ and highways.

_____ ask _____ much gasoline will _____ used _____ urban areas?

data _____ in _____ and _____ settings

_____ in the _____ gas mileage during _____ driving and _____.

I would _____ to _____ amount _____ that will be consumed _____ city _____ to _____ conditions.

Do you know _____ gas _____ for cities _____?

_____ you _____ of _____ excisions _____ when _____ through cities or highways?

Is it _____ tell _____ much _____ is _____ when driving in _____ highway?

Do you _____ the fuel consumption on _____?

Any information _____ expectations for _____ in _____ and _____?

I'd _____ about fuel use in _____ and _____.

_____ you have _____ information _____ gas consumption in _____ conditions?

Is it _____ to _____ information about fuel _____ for _____ and _____ major _____?

_____ there any _____ provided about gas usage _____ and _____?

_____ used, city/hwy _____!

Let's know _____ fuel _____ for highways _____ urban _____.

Is _____ any _____ gas expenditures _____ the _____ and _____?

_____ of gas _____ consumed _____ driving in cities _____ highways?

_____ would like _____ expected usage _____ gasoline when driving _____ highways.

Do you know anything about the _____ and _____?

_____ me what the _____ will be in _____ city _____ highway?

I _____ to know the _____ and in cities.

_____ expected _____ usage when I'm driving in _____ city and _____?

_____ give _____ City/Highway _____ usage info.

What _____ projected fuel consumption for _____ and _____ now?

_____ it possible _____ me about expected fuel usage _____ in _____ highway?

I _____ to know the estimated _____ gasoline that will _____ consumed _____ compared _____ highway _____.

What _____ I _____ gas _____ driving _____ the city?

What _____ give _____ fuel consumption in urban _____?

Provide _____ on _____ when _____ within urban _____ highway settings.

_____ you tell _____ gas consumption in the _____ and _____?

_____ to know _____ fuel will be used _____ the _____ and _____.

Is _____ on estimated fuel _____ patterns _____ driving _____ cities _____?

_____ much gas _____ it consume _____ city or _____ highways?

_____ me _____ the _____ usage in urban and _____.

_____ you explain _____ town versus highways to _____?

_____ it _____ provide information _____ the _____ consumption in _____ city?

_____ you _____ about the typical excisions _____ gasoline use _____?

How _____ gas _____ when driving on highways _____?

Is _____ gas expenditure _____ the city and freeway?

In _____ gas usage?

I'd _____ to know the _____ gas _____ consumed _____ a city _____ highway.

What data _____ you provide _____ consumption _____ the _____?

_____ to know about gas consumption in _____.

_____ anyone _____ me how _____ gasoline will _____ used in _____?

_____ projected _____ of fuel consumption for _____ city _____ and _____ today.

_____ information _____ usage in city and _____?

_____ you tell _____ the _____ in urban _____ freeway conditions?

How _____ fuel _____ roads?

_____ the expected fuel consumption _____ driving through _____.

_____ predicted levels of fuel consumption for _____ highways?

Please provide _____ gas consumption _____ urban and _____ settings.

_____ the expected _____ levels _____ the city _____ highways?

I'd like _____ know _____ much fuel _____ expected to be _____.

_____ there information on fuel consumption _____ town _____ major roads?

Is there any _____ for city _____ highway driving?

_____ is the estimated gas _____ for highway _____?

Do you _____ happens _____ use when driving _____ cities _____ highways?

_____ give _____ on gas use _____ urban _____ highway conditions?

Please let me _____ will _____ used _____ city and highways.

Is _____ any _____ about _____ consumption for urban _____ to _____?

_____ data can _____ provide _____ fuel consumption _____ city?

_____ want _____ about gas _____ expectations in _____.

I _____ like to _____ much _____ you use in _____ city _____.

_____ the _____ and highway?

I would like _____ projected _____ use in _____.

_____ we learn _____ fuel _____ on _____ roads and _____?

_____ you know what the _____ are for gasoline _____ when _____?

Do you _____ are _____ gasoline _____ in cities?

Is _____ any data available _____ much _____ is _____ in _____?

_____ me _____ use on _____?

Do you _____ about the _____ gasoline _____ in _____ highways?

Let me _____ use _____ the _____.

_____ need _____ what the fuel consumption _____ be when driving _____.

_____ gas _____ numbers _____ traveling within _____ city _____ a highway.

Tell _____ much _____ you anticipate _____ when _____.

Can _____ explain _____ me the _____ fuel _____ in _____ versus _____?

I _____ to know if _____ can give _____ on _____ urban _____ interstate _____.

_____ information can _____ consumption in urban and _____ environments?

_____ fuel consumption be _____ the _____?

_____ gas usage _____ city _____ highway _____?

How much _____ it consume _____ driving _____ or in _____?

Estimation of _____ gasoline consumption _____ metropolitan _____ or _____ major roads?

_____ you know _____ much _____ will _____ used _____ highway _____?

Is _____ to tell _____ much _____ is _____ driving in _____ or highways?

Can _____ give _____ how much gasoline will _____ consumed in _____ conditions _____ highway _____?

What _____ levels _____ consumption for _____ highway _____ city roads.

What _____ you _____ about gas _____ in the _____?

_____ would _____ to _____ how much fuel _____ driving around _____ on major _____.

Please tell _____ more _____ gas _____.

Can _____ tell me about _____ in the _____?

_____ you have any information on fuel consumption _____ driving _____ as _____ the _____?

_____ road and _____ conditions, _____ much gas _____ consumed?

In _____ or _____ mode, _____ can _____ expect _____ usage?

Discuss _____ gas consumption _____ a _____ or along _____ highway.

_____ any _____ about _____ city and highway conditions?

_____ would like to _____ how _____ use will be _____.

_____ any information _____ usage in cities _____ highways?

_____ the _____ gasoline usage when _____.

Tell me _____ the _____ usage _____ traveling through _____.

Is _____ possible _____ tell me _____ fuel _____ urban environments.

_____ you _____ anything about excisions for _____ use in _____?

_____ want to _____ estimated _____ of gasoline _____ consumed in _____ city versus _____ conditions.

Please, please, city/highway _____?

_____ me about _____ expected fuel _____ while driving?

_____ me _____ the gasoline _____ will _____ through a city.

Tell _____ expected _____ usage when _____ cities or _____.

_____ cities _____ along highways, please tell _____ the anticipated _____ usage.

_____ need to know how much _____ is _____ be _____ the _____ highway.

How much _____ will be _____ in urban _____?

_____ it _____ provide information _____ gas consumption in _____?

_____ you know what _____ of gasoline consumption _____ in _____ major _____?

How much _____ consumed when _____ highways _____ in cities?

_____ please, _____ gas usage _____?

_____ much _____ it _____ when driving _____ the city or _____?

_____ to _____ you can give _____ on fuel _____ in urban vs _____.

I _____ like to know _____ estimated _____ gasoline that will be consumed _____ a _____.

_____ both city _____ highway _____ how much _____ will _____?

Can you _____ about the _____ consumption for _____ as well _____ major _____?

How about _____ expected _____ in _____ city _____ freeways?

How _____ you tell me _____ usage when I _____ in _____ and _____?

_____ usage in _____ or highway?

_____ the projected _____ of _____ use for _____ city _____ and _____.

_____ gas it _____ when _____ city or highways?

_____ gasoline usage will be when I _____.

I'm _____ estimated gas _____ in _____ and _____ conditions.

_____ data about _____ estimated fuel _____ during city _____ drives?

_____ information can _____ gas _____ urban and highway environments?

_____ give _____ on _____ when driving city and highway routes?

_____ gas consumption expectations for _____ and city.

What about expected _____ consumption _____ city _____?

Do _____ how much _____ it _____ in the _____ on the highways?

_____ what the expected _____ consumption _____ is _____ through cities.

Tell _____ will _____ used while travelling _____ or highways.

_____ on average _____ consumption in the city _____?

Is _____ to _____ gas consumption _____ the city and freeway?

_____ about fuel _____ on the _____.

Can _____ me about your _____ when _____ both _____ and highway _____?

_____ like _____ the estimated amount _____ that will be consumed _____ city in comparison _____ conditions.

Do _____ regarding gas _____ in the _____ and _____ settings?

Can _____ the _____ usage in the _____?

_____ need to _____ about expected fuel _____ I _____ in _____ city _____ highway _____.

What _____ expected _____ the _____ and freeways?

_____ share _____ city/highway _____ info.

What _____ gas _____ city and freeways?

Is it possible _____ tell _____ about _____ consumption _____ city _____ scenarios?

Do _____ know _____ much gasoline _____ used when driving _____?

_____ the amount _____ gas _____ driving in the _____ on highways?

_____ able to _____ on fuel consumption for _____ around _____ on major _____?

_____ you know anything about _____ for _____ use _____ through _____ or highways?

_____ both city _____ highway driving, _____ fuel is _____ to _____?

Can _____ us _____ gas consumption in _____ freeway?

I'd like _____ the _____ fuel consumption _____ vs interstate _____.

I need _____ know _____ gasoline _____ I drive _____ cities and highways.

Facts please? _____ help!

Please, _____ city/highway gas _____?

What _____ tell _____ gas consumption in _____ city?

_____ information regarding estimated _____ driving _____ town or _____ expressways?

_____ information _____ give _____ the use of _____ on _____ road?

_____ like to _____ the amount _____ gasoline that _____ consumed _____ the city _____ highway conditions.

Is _____ estimated gas mileage for _____ city _____?

_____ you _____ about gas _____ the city and freeway?

_____ are the _____ gas _____ around town _____ the expressways?

Can _____ tell me _____ of _____ that will _____ used _____ the city _____ the _____?

Do you know _____ the _____ gas _____ for _____ and _____?

When _____ both _____ highway routes, _____ you _____ me how _____ gas _____?

_____ projected _____ consumption _____ for traveling between _____ highways.

_____ is consumed _____ driving in the city or _____?

Do you _____ the _____ fuel _____ freeway environments?

_____ know about fuel use _____ the _____ and _____.

_____ can you _____ us _____ consumption _____ urban and highway _____?

I want to _____ estimated amount _____ gasoline _____ will _____ consumed _____ the city _____ highway.

Do _____ projected fuel _____ for _____ and highway _____?

Is _____ related _____ in both city _____ freeway settings?

What do you _____ gasoline use _____ through _____ or highways?

_____ you tell us _____ fuel _____ on _____ streets?

Gas _____ expectations for _____ highway

Gas _____ in _____ highways?

_____ vs highway gas _____?

_____ me _____ the expected _____ consumption _____ when _____ through _____ cities.

In urban and _____ environments can you _____ expected _____?

Asking for city/highway _____.

What _____ of _____ is typically _____ when driving in _____?

_____ would _____ know the anticipated _____ in urban _____ scenarios

What's the fuel _____?

Is _____ provide _____ on _____ consumption for _____ areas _____ to highways?

_____ you know _____ about _____ gasoline use _____ driving through cities _____?

Any _____ expectations _____ gas _____ or highway?

_____ tell _____ about fuel _____ city and highway.

_____ or highway?

I would like to _____ the _____ amount _____ gasoline that _____ be _____ city versus _____.

_____ can you _____ us _____ fuel usage on _____?

Do _____ an estimate of _____ usage _____ freeway environments?

Do _____ any _____ consumed when driving on highways or in _____?

Is _____ to tell _____ fuel _____ in _____ freeway conditions?

Inform the _____ usage for _____ circumstances.

_____ they tell me _____ much _____ used in urban _____?

Provide the _____ consumption _____ in urban _____ settings

What information _____ you _____ about how much _____ consumed _____ cities?

Is there data _____ how much gasoline _____ used _____ driving _____ along _____?

How much gas _____ in the _____ and _____?

_____ should _____ projected fuel usage _____ urban _____ circumstances.

Is _____ any data _____ the _____ on city and _____?

_____ to know _____ fuel consumption _____ driving around town and _____ roads.

Please _____ the _____ usage _____.

Inform me _____ expected _____ usage in _____ or _____.

Can _____ tell me _____ gasoline _____ used _____ in _____ or along highways?

_____ do you think the _____ fuel usage _____ urban and _____?

_____ driving _____ highway routes, could _____ give _____ on gas usage?

How _____ gas _____ consumed _____ the city or on _____?

I _____ to _____ what _____ use _____ cities and highways.

_____ how _____ gasoline will be used in _____ areas?

_____ it possible _____ tell _____ about _____ use when _____ city and _____?

_____ it _____ provide _____ regarding gas _____ city and freeway _____?

Is _____ possible _____ provide information _____ both city and highway _____?

Do you _____ an _____ consumption for _____ and _____ trips?

Do _____ any _____ fuel usage _____ driving _____ town _____ on _____ roads?

Inform _____ urban and highways.

Is it _____ gas usage _____ driving in _____ or highway _____?

Did _____ gas _____ in urban and freeway _____?
