

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Technical assistance with part installation
Inquiry Sub-Category	Emission standards compliance
Description	Customers seeking information on the compliance of specific automotive parts with local emission standards and regulations, providing guidance on selecting and installing parts that meet the required emissions criteria.
Data Size	5,761 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)

_____ specific _____ follow when installing emission-regulated _____ parts at _____?

_____ you have any suggestions _____ to _____ in emissions-regulated _____?

_____ need _____ any special procedures to put _____ car _____ by _____?

Do _____ have _____ guidelines for _____ eco-friendly _____ at _____?

_____ there any _____ about _____ environment _____ car bits?

_____ there _____ guidelines for _____ eco-car _____?

Can _____ me _____ fit emission-controlled automotive components _____?

_____ are steps _____ install emission _____ components _____.

How _____ in emission-controlled _____?

Is _____ guidelines to _____ when installing _____?

_____ there _____ on how _____ install _____ car _____ home?

Instructions _____ self-installation _____ parts.

_____ be _____ to install emission-controlled car _____ home?

How _____ procedures _____ emission-guided vehicle components at _____?

Is _____ any way _____ install _____ components _____ home?

_____ control car components?

_____ you have any _____ instructions for installing _____ at _____?

_____ on fitting _____ parts?

How _____ emission-controlled _____ parts?

Is _____ for placement _____ eco-friendly vehicle _____?

Guidance _____ installing _____ car _____ available?

Rules to _____ homes?

_____ instructions _____ home _____ of regulated auto parts?

_____ be _____ when _____ eco-car components?

Do _____ have _____ the installation of _____ car _____?

_____ install emission _____ parts indoors?

Home _____ for _____ auto _____ there?

Should specific _____ be _____ installing eco-car _____ at _____?

_____ can I _____ at home?
 Is _____ guidance for fitting _____ regulated _____?
 _____ you _____ guidelines _____ fitting emission-controlled _____ components?
 Do you _____ when _____ eco-car components _____ home?
 Is it necessary _____ procedures _____ put in _____ car _____ by _____?
 _____ to _____ emission-controlled car parts _____
 Rules to fit _____ home?
 _____ specific home _____ fitting eco-friendly _____?
 Do you know _____ guidelines _____ controlled automotive components _____?
 _____ apply _____ I _____ car _____ to my house?
 _____ there _____ for home _____ of regulated _____ parts?
 Are _____ directions _____ emission-controlled vehicle components _____ house?
 _____ installing emission-controlled auto _____.
 _____ guidelines on how _____ install emission-controlled car _____ at _____?
 _____ for _____ eco-friendly parts _____ cars?
 _____ you _____ us _____ on _____ install _____ car components?
 I want _____ in clean-air, _____ car components.
 _____ find _____ instructions for adding _____ car parts?
 What regulations _____ to _____ components _____ to _____ place?
 _____ a _____ emissions-controlled auto _____ at my place?
 What regulations _____ I _____ components?
 Do _____ have _____ installing emission-regulated _____ parts _____ home?
 Are _____ about attaching _____ friendly car _____?
 Do you _____ list _____ procedures for _____ parts indoors?
 _____ any _____ procedures to be _____ when _____ in _____ car _____ by myself?
 _____ you have _____ for _____ car _____ parts?
 _____ up _____ vehicle components _____ home.
 _____ installation _____ for _____ emissions parts _____?
 Do _____ need _____ to put _____ automotive elements?
 _____ it _____ to follow _____ emission regulated car parts?
 How to install _____ at _____?
 _____ give me _____ for fitting clean-air car _____?
 _____ there _____ installation _____ the home car emissions _____?
 _____ want _____ is an easy _____ to putting in _____ regulated _____ components.
 Can you give _____ on _____ components at home?
 _____ you tell _____ to install _____ at home?
 _____ do _____ to install emission-controlled vehicle _____ home?
 Did you know _____ install _____ parts at _____?
 Do _____ there is instructions _____ eco-friendly vehicle _____?
 What _____ person _____ to install _____ at home?
 Installation _____ components _____ done at home.
 _____ instructions _____ how _____ install _____ parts at my home.
 Is it _____ to _____ installation of emission-controlled car _____?
 _____ do you _____ fitting eco-friendly _____ parts?
 _____ instructions should be followed _____ car parts _____?
 _____ give _____ proper installation of emission-controlled car _____?
 How _____ be installed _____ the home?
 What are _____ guidelines _____ follow _____ eco-car _____ home?
 _____ have a _____ installation procedures _____ fit emission-compliant car _____?
 Do _____ have any _____ for _____ eco-friendly car _____?

_____ a way _____ install emission-controlled _____ components at _____ ?

Do you know _____ to _____ to _____ at home?

Any _____ installation _____ eco-car parts?

_____ you _____ provide _____ of installation procedures for _____ compliant car _____ ?

Is there any _____ for _____ place _____ vehicle _____ ?

Do _____ the _____ emission-controlled vehicle _____ at home?

_____ the placement of low-emission automotive _____ ?

_____ follow when installing _____ components?

Do _____ have a set _____ for _____ car components?

_____ for the _____ of _____ ?

_____ you know _____ install emission-controlled vehicle components _____ ?

_____ install _____ components at home?

_____ you _____ me how _____ fit _____ controlled automotive _____ home?

Do _____ have _____ for _____ eco-friendly _____ ?

_____ vehicle components at home?

_____ should _____ use for _____ emission-controlled _____ components _____ home?

Do _____ advice on setting _____ environment- _____ parts?

Guidelines _____ when installing _____ components _____ ?

_____ there _____ instructions for attaching environment-friendly _____ ?

_____ to set up _____ components _____ ?

Do _____ instructions for the home _____ parts?

Is _____ any _____ on how _____ environment _____ bits?

Can _____ tell _____ attaching environment-friendly car bits?

Is it necessary _____ special _____ to _____ car _____ by yourself?

Do you _____ any _____ to put _____ emissions _____ auto _____ ?

_____ to install _____ auto _____ in _____ ?

Have a _____ setting up _____ ?

What should _____ when installing _____ car parts _____ ?

_____ we setup emission-guided _____ ?

_____ there _____ for installing _____ car parts?

Is _____ guidelines _____ follow _____ eco-car components _____ home?

_____ exist for placing _____ components?

_____ up emission-guided _____ ?

Setting up emission-guided _____ components _____ ?

What _____ apply to _____ car parts _____ place?

_____ a _____ to install emission- _____ car parts?

_____ ways to _____ up _____ auto _____ on your _____ .

_____ looking for guidance _____ installing _____ elements?

_____ you _____ installation guidelines for _____ auto parts?

I _____ know how _____ auto parts _____ place.

Is _____ possible to find detailed _____ green _____ ?

Is there _____ procedure for fitting _____ car _____ in _____ ?

I _____ domestically-installing low-emission automotive elements.

When _____ put pollution-controlled _____ my _____ regulations exist?

How to put _____ parts _____ ?

How _____ find _____ how to _____ emissions-regulated auto _____ ?

_____ can I find _____ guidelines for fitting _____ ?

Do you have _____ instructions _____ attaching _____ ?

How to _____ car _____ ?

_____ procedures _____ fitting emission _____ car components _____ settings?

Can _____ guidelines for _____ to _____ emission-controlled car parts _____?

Do _____ know _____ to _____ controlled vehicle _____ in your _____?

_____ want to know if _____ attaching environment _____ bits.

_____ am in _____ of _____ emission-controlled automotive components _____ home.

_____ steps do I need _____ to _____ clean _____ parts at _____?

Is there _____ up environment _____ parts?

Do you have _____ on _____ in _____ auto parts?

Should _____ any _____ procedures _____ put _____ emission-regulated _____ parts _____ myself?

Steps _____ install emission _____ parts _____.

_____ you _____ guidelines to _____ emission-controlled _____ at home?

_____ you _____ me the _____ for _____ emission-controlled _____ components?

_____ know if there _____ instructions _____ install eco-friendly vehicle parts.

Is _____ procedure for _____ emission-guided _____ components _____ home?

Can _____ me _____ are set rules _____ follow when _____ at home?

Are there guidelines _____ car parts _____?

Can I _____ detailed _____ how to _____ vehicle _____?

_____ you _____ tips _____ up emission controlled _____ components?

Is it necessary _____ procedures _____ put emission-regulated _____ parts _____ myself?

_____ you _____ how _____ put in _____ auto _____?

How about _____ to install regulated _____?

Is _____ guidelines _____ of _____ car _____ at home?

_____ for fitting _____ car parts at home?

Is there _____ instructions _____ car _____?

_____ installing _____ parts in homes?

_____ tell me about _____ placing eco-friendly _____ components?

Do you have _____ guidelines _____ installing _____ car _____?

Is there _____ instructions _____ parts?

Do _____ have _____ way _____ installing emission-controlled _____ at _____?

Any _____ eco-friendly car parts _____ home?

Should _____ exist _____ home-based _____?

_____ there _____ for self-installing _____ auto _____?

_____ guidelines for _____ emission-regulated car _____ are unknown.

_____ there _____ how to install emission-controlled _____ components _____ home?

Do you _____ instructions _____ vehicle _____?

Do you _____ information _____ how to install _____ components _____?

_____ you have any guidelines _____ of eco-car _____?

How do I _____ car _____ parts _____?

I'm wondering if _____ are _____ to _____ eco-friendly vehicle _____ yourself.

_____ instructions on how to _____ clean _____ auto _____ at _____ place.

There are _____ for _____ emission-controlled _____ parts _____.

_____ tell _____ how to _____ vehicle components?

Rules to _____ auto _____?

_____ I need to _____ at my place?

_____ govern adding _____ car components _____ my _____?

_____ there _____ for the installation of _____ home?

Is _____ a _____ guidelines _____ follow _____ installing eco-car components?

Is there _____ instructions _____ car parts _____ home?

How _____ regulated car parts at _____?

How _____ emissions-regulated auto _____?

How about guidelines for _____?

I _____ to know _____ emissions-controlled _____ pieces.
_____ to install _____ compliant car _____?
What _____ the _____ regarding the _____ of _____ car _____?
How _____ install _____ vehicle _____ at _____?
_____ have a list of installation _____ fitting _____ compliant _____?
Can you help me figure out _____ fit emission _____?
_____ installing eco-car components?
_____ detailed instructions on _____ vehicle parts?
Should I _____ for _____ guidelines for fitting _____ home?
I need _____ installing emissions-restricted _____.
Do there _____ explicit _____ environment-friendly _____ bits?
Do you _____ any _____ installation _____ eco-car _____?
_____ wondering if _____ for _____ environment-friendly car bits.
_____ list of _____ procedures _____ emission- compliant car components?
_____ on domestically-installing _____ automotive elements?
_____ to _____ emission _____ home, please?
What _____ need _____ know about fitting emissions-controlled _____ place?
Setting _____ emission-guided vehicle parts _____ at _____.
_____ regulations _____ the installation of pollution-controlled _____ my _____?
_____ guidelines are used _____ install _____ home?
Can _____ guidelines on how _____ emission-controlled car _____ home?
Do you _____ any _____ for fitting emission- _____ home?
Is _____ instructions _____ follow when _____ emission-regulated _____ at _____?
Do you _____ guidelines _____ fitting _____ parts at _____?
Do you _____ directions are available _____ install _____ at _____?
Is it necessary to _____ in order _____ emission _____ parts _____ myself?
_____ if there are _____ instructions for _____ eco-friendly _____.
_____ setting up emission-controlled car _____?
_____ installation instructions for installing emission-regulated _____?
_____ up _____ is _____ home procedure.
_____ installing _____ restricted auto parts at my _____.
There _____ how to _____ emissions-regulated _____ parts domestically.
_____ you _____ me _____ the _____ for fitting _____ controlled parts _____?
Any instructions _____ fitting _____ car _____?
I need help with _____ fitting emission-controlled automotive _____.
_____ want _____ know _____ the guidelines _____ automotive components at _____.
_____ for installing emission-controlled _____ at _____ needed.
_____ to fit _____ the home?
_____ to _____ car _____ in your _____?
I _____ directions for the _____ of auto parts _____.
_____ tips _____ how _____ install eco-car _____?
_____ you have any _____ procedures _____ emission-compliant car components _____?
How _____ I find detailed _____ green _____ parts?
I need to know _____ to _____ install _____.
_____ there a _____ guide _____ installing safe _____ my _____?
_____ procedure to add _____ pieces?
Do you have _____ of _____ fitting emission-compliant car _____?
_____ a procedure for _____ components in domestic _____?
Is _____ any instructions _____ how to install eco-friendly _____?
_____ emissions-controlled auto parts are _____.

_____ tell me _____ instructions for car emissions _____?
 Do _____ regulated _____ come _____ installation _____?
 What _____ you _____ to _____ emission-controlled _____ parts _____ home?
 What rules apply to _____ pollution-controlled car _____ _____?
 Is _____ necessary _____ follow _____ procedures when putting _____ _____ parts?
 _____ _____ guidelines for installing emission-controlled car _____ at _____?
 _____ fitting emission parts _____ any?
 _____ you _____ a list of _____ procedures for _____ emission _____ _____?
 _____ needed for installing emission-controlled _____ components _____.
 I am _____ instructions _____ adding _____ car parts.
 Do _____ have any _____ fitting emission-controlled _____ components _____?
 _____ am _____ if there _____ any _____ instructions _____ installing _____ vehicle _____.
 Is there _____ emission-regulated car parts _____ my _____?
 _____ on _____ installing _____ automotive elements?
 _____ installation instructions for _____ car emissions _____?
 _____ rules _____ clean _____ parts?
 _____ you _____ rules _____ putting on _____ car parts at _____?
 I _____ instructions _____ to fit clean _____ my place.
 Anyone _____ any suggestions _____ to setup _____ controlled _____?
 _____ you help _____ figure _____ fit emission-controlled automotive components _____?
 _____ greener car parts?
 Installation guidelines _____ emission-regulated _____ parts?
 Can _____ guidance on self-installing green vehicle _____?
 _____ there specific instructions for installing _____ home?
 What _____ pollution-controlled car _____ my place?
 _____ instructions _____ installation _____ emission-controlled auto _____.
 There _____ for _____ to _____ car parts _____ home.
 Is there guidelines for _____ car components _____?
 Do you need _____ how _____ friendly car parts?
 Installation guidelines _____ home _____ included with emission-regulated _____.
 Anyone have _____ on _____ controlled car components?
 _____ regulations _____ to pollution-controlled _____ in _____ place?
 Do you _____ to install _____ home?
 _____ wondering if _____ get detailed guidance _____ self-installing _____ parts.
 I'm _____ if _____ are any instructions _____ eco-friendly _____ parts _____.
 _____ to _____ any _____ to put in emission _____ parts by yourself?
 _____ emission-controlled _____ parts be installed _____?
 _____ there specific home guidelines _____ car _____?
 _____ you _____ to _____ emission controlled car _____ home?
 _____ on fitting eco-friendly _____ parts _____?
 Where can I _____ instructions _____ placement _____ vehicle _____?
 Guidance is _____ installing greener _____?
 Are _____ looking for _____ setting _____ car parts?
 _____ guidelines _____ be followed when _____ at home?
 Can you help me _____ components at home?
 I _____ directions for _____ parts.
 Is _____ special _____ to put emission- regulated _____ parts by _____?
 _____ I fit _____ emissions-controlled auto parts _____ place?
 _____ like _____ guidance _____ placement of low-emission automotive _____?
 _____ fitting _____ regulated _____ parts?

_____ for putting in _____ auto _____?

I was _____ could _____ on self-installing _____ vehicle parts.

Are _____ any _____ procedures for _____ emission compliant _____ settings?

_____ for _____ eco-friendly car _____ in _____ house?

_____ for _____ at the house?

_____ specific _____ for adding emission regulated _____ parts?

Is _____ to follow _____ when _____ eco-car components at _____?

Do _____ any _____ for _____ auto parts?

_____ help with guidelines _____ fitting _____ components at home.

_____ any _____ setting _____ eco-friendly vehicle components?

Do _____ explicit guidance on _____ low-emission _____?

Is _____ any _____ regulated car parts?

_____ you know _____ to install _____ components at _____?

_____ are the rules _____ I _____ car components _____ my _____?

Is it necessary _____ any _____ procedures _____ order _____ place emission-regulated car _____?

_____ you _____ suggestions on _____ to _____ regulated auto parts?

_____ can I _____ directions _____ put in _____ auto _____?

How do _____ setup _____?

Do _____ have any instructions _____ vehicle components?

_____ wondering _____ there were instructions _____ to install _____ vehicle _____ alone.

_____ need _____ for the installation _____ emissions-restricted _____.

_____ you have any instructions _____ how to _____ home?

Are _____ wondering how _____ up _____ car parts?

How _____ install _____ components?

Is _____ up environment-friendly car _____?

_____ there a _____ way to _____ emission-controlled _____ home?

_____ instructions _____ home _____ parts are _____.

_____ instructions _____ for _____ eco-friendly vehicle _____?

_____ I _____ auto _____ to my place?

I want to _____ if there _____ on _____ install eco-friendly _____.

Setting _____ emission-guided _____ in the _____.

_____ want _____ know how _____ put _____ auto parts _____.

_____ you provide guidelines for _____ emission-controlled _____ home?

Are _____ to fit emission _____ at _____?

Is there any _____ for _____ emission- _____?

_____ there any _____ for the _____ of _____?

_____ to fit emission-regulated car _____?

Guidelines _____ properly installing _____ car _____ at _____?

I'm curious _____ on how _____ install eco-friendly vehicle _____.

_____ list _____ procedures for fitting emission-compliance _____ components?

_____ a _____ way to install _____ parts at _____?

Is _____ to follow specific instructions to _____ at _____?

Specific _____ set _____ auto _____ for yourself.

Any _____ how to _____ components?

_____ can you _____ compliant _____ at home?

Can I find any _____ fitting _____ air auto _____ place?

Advice for fitting emission- _____?

Rules _____ installing _____ auto parts _____?

_____ any _____ for _____ of eco-car components?

_____ for self-installing _____ are _____.

_____ you looking _____ guidance to _____ automotive _____?

Do _____ have _____ specific _____ fitting eco-friendly _____ parts?

_____ explicit instructions _____ attaching _____ friendly _____ bits?

What _____ the _____ for _____ repairs?

What _____ for _____ car parts?

Are _____ instructions _____ friendly car parts?

Should any special procedures _____ emission-regulated car _____ by myself?

I want _____ there _____ instructions on _____ to install _____ by myself.

_____ home-based _____ for _____ emission-guided vehicle components.

How to install _____ vehicle _____ I _____ wondering about.

_____ tell me _____ to _____ auto parts _____ home?

I _____ interested _____ guidance _____ green vehicle parts.

_____ a _____ installation procedures _____ fitting emission-compliant car _____?

Is there _____ the installation _____ components?

_____ procedures for fitting emission- compliant _____ components in _____?

_____ can _____ emissions-controlled _____ at my house?

_____ for _____ installing _____ automotive elements.

_____ specific _____ for adding emission-regulated _____?

Do _____ guidance about the _____ of _____ elements?

_____ for home use might _____ included with _____ regulated _____.

I _____ instructions for installing _____.

_____ for home _____ emissions?

Rules _____ parts at _____?

Is _____ on _____ install emission regulated car parts on _____?

_____ parts be installed at _____?

Is it _____ to _____ emission-regulated car parts by yourself?

_____ know how _____ install _____ compliant car _____?

I want _____ know guidelines _____ controlled automotive _____ at _____.

Is _____ way to put _____ auto parts _____?

_____ need _____ emissions _____ auto parts at my _____.

_____ you have _____ for _____ on eco-friendly _____ parts?

Is it necessary to follow special _____ putting _____ place _____ yourself?

There _____ instructions _____ follow _____ emission- regulated car _____ home.

How can _____ car parts _____ home?

_____ home rules _____ eco-friendly car _____?

_____ there _____ specific installation instructions _____ car parts?

I'm _____ if there _____ how _____ install eco-friendly vehicle _____ by _____.

There _____ instructions for _____ emissions _____.

Can _____ give _____ instructions _____ how to install emission-regulated _____ home?

_____ help me _____ guidelines for fitting _____ automotive _____ at home?

Rules for installing _____ parts _____?

How _____ install _____ car components _____?

Do you know _____ instructions for _____ of _____?

Are _____ instructions for _____ components?

_____ guidelines _____ eco-friendly _____ a car?

_____ installing emissions restricted auto _____.

_____ home _____ of emission- _____ car _____ are unknown.

_____ need directions to install _____ parts _____ my _____.

Do _____ know of _____ for fitting _____ automotive _____ home?

Do there any _____ of _____ vehicle _____?

____ have suggestions ____ to setup ____ car components?
 ____ on installing ____ components?
 Is ____ necessary ____ follow special ____ in emission-regulated ____ parts by ____.
 Can ____ specific ____ for ____ clean-air car ____?
 ____ to install ____ components ____ own?
 ____ there ____ for attaching ____ parts?
 I'm ____ low-emission automotive elements.
 There are ____ emissions-restricted auto parts ____ the ____.
 ____ on how ____ put ____ parts yourself?
 Is ____ a rule ____ emission parts ____ at ____?
 ____ know how to ____ emission regulated ____ at ____?
 ____ any advice ____ emission regulated car ____?
 Do ____ have ____ for ____ vehicle ____?
 ____ I ____ on ____ green ____ parts?
 ____ the rules when ____ pollution-controlled car ____?
 Do ____ how to ____ emission control ____ at ____?
 How do ____ install ____ parts in ____?
 Have ____ question ____ up ____ car parts?
 Do ____ any ____ emission-regulated car parts at home?
 ____ wondering ____ there ____ for installing ____ vehicle parts.
 ____ for ____ emission controlled ____.
 ____ necessary to ____ to place emission ____ parts by myself?
 ____ necessary to ____ when ____ emission regulated car ____ by yourself?
 I ____ self-installing emission-controlled ____ parts.
 Guidance is ____ installing greener ____?
 Any ____ right at home?
 How ____ tell ____ how to ____ in emissions- ____ parts?
 ____ there ____ particular instructions ____ installing ____ regulated car ____?
 Is there ____ to install ____ components ____ home?
 ____ you ____ emission-controlled car ____?
 I would like ____ the ____ fitting ____ at home.
 Instructions for ____ emission- controlled ____.
 ____ be guidelines ____ installation of ____ components.
 I'm curious ____ how ____ install ____ parts by ____.
 ____ you ____ on domesticallyinstalling ____ automotive ____?
 ____ have a list ____ for ____ emission compliant ____ components?
 ____ you have ____ list ____ for ____ emission-compliant car ____ in domestic ____?
 Is ____ any guidelines on ____?
 Do ____ any ____ on how to ____ emissions-regulated ____ domestically?
 Can ____ us how ____ emission-controlled car components?
 ____ finding ____ on self-installing green vehicle ____.
 Looking for guidance ____ emission ____.
 ____ instructions ____ installing ____ car parts at home?
 ____ to install ____ indoors?
 Any ____ pollution ____ pieces?
 ____ for self-installing emission-controlled ____ needed.
 There ____ car parts that ____ installed at ____.
 ____ to ____ in the home?
 ____ you have any ____ instructions ____ when installing ____ regulated ____?
 ____ any instructions on ____ to ____ vehicle parts?

How to _____ regulated car _____ the _____?

Is it _____ to _____ procedures _____ put _____ emission-regulated _____ by myself?

Setting up emission-guided _____ done at _____?

There _____ follow _____ installing emission-controlled _____ at home.

Can there _____ follow when installing eco-car _____?

_____ you have _____ list _____ installation procedures for fitting _____ components in _____?

_____ guidelines for fitting _____ friendly car parts _____?

I need _____ for fitting _____.

_____ we _____ car parts _____ home?

_____ home-based emissions _____?

Did you _____ list of installation _____ emission- _____ parts?

Anyone _____ setup of emission-controlled _____ components?

Do _____ have a _____ of _____ procedures for _____ emission-compliant _____?

_____ us guidelines for _____ of emission-controlled _____ parts?

_____ guidelines _____ how _____ car components?

There _____ for installing _____ at home.

Do _____ there _____ instructions _____ placing _____ vehicle components?

I'm wondering _____ there _____ specific _____ install _____ vehicle parts.

Rules to fit _____ home?

Is there _____ home installation guideline _____ regulated _____?

Do _____ any guidelines _____ how _____ install eco-car _____ home?

Can _____ me with _____ guidelines _____ emission-controlled automotive _____?

Instructions are needed _____ emission-controlled _____ at _____ place.

Are _____ to install _____ compliant _____ at home?

How _____ set _____ emission-regulated _____?

Can you _____ guidelines _____ repairs?

_____ you have _____ how to install _____ components at _____?

_____ you _____ put _____ emissions-regulated auto parts?

_____ there a _____ way to _____ emission-regulated _____ parts _____?

_____ there any _____ car emissions?

What _____ need to _____ clean-air _____ components?

I want to learn _____ the guidelines _____ emission-controlled _____.

I'm _____ there are any _____ for how to _____ vehicle _____.

_____ assistance _____ the guidelines for _____ emission controlled automotive _____.

Any specific _____ for fitting _____ parts _____?

_____ home-based _____ setting up emission guided vehicle _____?

_____ there any _____ how to install _____ by yourself?

How _____ regulated auto parts?

_____ I fit emission-controlled _____ pieces _____ my _____?

Is _____ to follow _____ to _____ in emission-regulated car parts _____?

Guidelines can _____ for _____ emission-controlled _____ at home.

Do there any guidelines _____?

What _____ when _____ pollution-controlled _____ components?

_____ are needed _____ self-installing _____.

_____ you _____ any _____ for fitting _____ compliant _____ components in _____?

_____ regulated auto _____ in the _____?

Can you _____ me some _____ automotive components?

Is it possible to _____ detailed guidance _____?

Is it necessary _____ special _____ to put _____ emission-regulated _____ parts by _____?

_____ any _____ eco-friendly vehicle parts by yourself?

Do _____ any guidelines for _____ eco- car _____?

Do _____ any _____ for installing _____ regulated car _____ home?

Do _____ specific instructions on how _____ eco-friendly vehicle _____?

There are _____ setting _____ emission-guided vehicle _____.

_____ may _____ instructions _____ emission _____ car _____ on my own.

How _____ for installing regulated _____ parts _____?

_____ it _____ give _____ installing emission-controlled car parts _____ home?

_____ pollution-controlled _____ parts _____ my place, what _____ exist?

_____ do _____ auto parts in my _____?

Are there instructions _____ of _____ parts at _____?

_____ to _____ eco-friendly _____ parts _____ yourself?

I need to _____ self- install emission-controlled _____.

Is _____ instructions _____ emissions?

Is _____ any guidelines _____ installing _____ parts?

How _____ car emissions _____ at _____?

Is _____ a _____ guidelines _____ of auto parts?

_____ are _____ guidelines _____ eco-car components?

_____ can I find out _____ to put _____?
