

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Technical issues and troubleshooting assistance
Inquiry Sub-Category	Fuel system complications
Description	Customers may require assistance in diagnosing and resolving fuel-related issues, such as frequent stalling, difficulty starting, poor fuel efficiency, or foul odors, ensuring optimal performance and fuel economy.
Data Size	7,191 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Any suggestions for improving _____ economy _____ an inefficiently _____ ?

There _____ can _____ performance and _____ of an _____ engine.

_____ can we _____ the _____ of an _____ running _____ ?

Suggestions on how _____ and _____ an engine.

_____ I _____ engine efficiency?

_____ about _____ engine power.

_____ the fuel efficiency of my _____ ?

How do _____ performance of _____ motor?

_____ improve an _____ engine's _____ and economy?

_____ suggestions _____ the engine _____ better.

_____ using an inefficiently running engine, _____ can _____ take _____ and _____ ?

_____ you have advice on _____ the efficiency _____ an _____ ?

_____ can _____ improve performance and economy _____ ?

_____ improving _____ inefficiently running engine's power output _____ .

Do _____ need help with making an _____ ?

_____ there _____ better mileage out _____ a bad engine?

Is _____ to increase the _____ and economy _____ engine?

_____ there any _____ enhance the MPG _____ vehicles?

Recommendations _____ how to _____ economy _____ an engine.

An idea to _____ engine?

Is _____ any _____ to _____ running engine's economy _____ output?

Need advice _____ how _____ an inefficiently operating _____ ?

_____ any suggestions _____ how to _____ efficiency of _____ engine?

_____ help me find a fix _____ ?

How to boost _____ of _____ ?

Do _____ how _____ more power out of this _____ ?

Idea _____ a _____ engine.

Do you _____ to _____ output _____ decrease _____ of an _____ ?

Is _____ a way to _____ efficiency and overall _____?
_____ to improve _____ engine _____?
_____ my engine efficient?
How _____ improve a _____ power output _____ economy?
Do _____ have any tips _____ improving _____ sluggish _____?
How _____ I improve _____ economy?
Suggestions on _____ performance of _____?
Suggestions _____ sluggish engine's _____ fuel efficiency?
How _____ improve _____ efficiency in a _____?
_____ need tips for _____ efficiency of _____.
_____ I _____ and economy _____ my engine is _____?
Do you _____ a motor _____?
_____ suggest _____ to _____ the MPG _____ engine vehicles.
Looking for _____ to _____ performance.
Do _____ ideas on _____ my junky _____?
_____ you have any hacks _____?
Do _____ have _____ for boosting _____ sluggish _____ performance?
Can you tell _____ how to increase _____ of _____ idling _____?
How _____ increase _____ performance _____ an _____?
Do you need _____ motor more _____?
Is _____ any _____ to enhance the _____ engine?
Get _____ on improving _____ power?
_____ improve _____ running _____ economy and power output?
Could you _____ ways _____ efficiency _____ my _____?
_____ is a _____ for advice on making _____.
_____ ways _____ boost the efficiency of my _____.
_____ to make the engine _____.
Do _____ have any ideas _____ improving _____ poor performing _____?
Do you _____ for ways to _____ economy?
Do _____ any suggestions on how _____ the efficiency _____?
Do _____ tricks to _____ my junky _____?
_____ need _____ on how _____ increase _____ efficiency of _____ bad _____.
_____ there any _____ on how to _____ better _____ a _____?
Looking for suggestions _____ engine _____ economical.
Can you give _____ tips _____ how _____ improve _____?
_____ I _____ to _____ my fuel-hogging car _____ better?
Is there _____ efficiency _____ my bad engine?
Any suggestions on _____ a _____ engine's _____ fuel efficiency?
Suggestions for _____ economy _____ performance _____ an inefficient _____?
_____ could _____ motor be _____ in _____ of speed as _____ as _____?
_____ any tips _____ a sluggish _____ performance?
_____ I _____ fuel economy and _____ of a poorly _____?
How _____ I _____ the _____ of _____ with a poor _____?
What _____ you _____ about enhancing _____ efficiency _____ engine?
_____ there a way _____ boost _____ efficiency of _____ running _____?
Is there _____ to increase _____ of a poorly _____?
_____ thoughts _____ efficiency _____ facing low performance issues?
Do you know of any _____?
_____ wondering how to _____ my _____ more _____.
Do _____ any ideas _____ improving _____ engine's performance?

Looking _____ to _____ engine _____ economical?
_____ on _____ to _____ both performance _____ economy _____ an _____.

Help improve _____.

_____ improving _____ inefficiently _____ engine's economy _____ power output?
_____ you know _____ you _____ whip _____ engine back _____ shape?
_____ fuel economy and efficiency of an _____?
_____ a sluggish _____ performance

Do _____ have _____ ideas _____ to make my motor _____?
_____ are ideas _____ inefficiency of a motor's _____ and _____.

What is _____ best way _____ maximize the _____ a _____ engine?
_____ maximize an inefficient _____ and in terms of _____.

_____ there a _____ improve _____ performance of _____ running engine?

Are there methods _____ the performance _____ an inefficient _____?

Can you _____ tips on _____ to _____ engine's _____?

How _____ improve an _____ power output and _____?
_____ have any _____ to _____ motor?

Do _____ a _____ more power out of this machine?

I am _____ for _____ my _____ efficiency.

_____ you _____ me _____ to _____ usage of an idling motor?

Do _____ have _____ ideas on improving _____ performance _____ junky _____?
_____ ofUpgrading _____ guzzling engine.
_____ to increase _____ and _____ performance?

Need _____ wastefulness _____?

Is _____ to _____ my _____ fuel _____ overall engine performance?
_____ tell _____ how to _____ and decrease use for _____ motor?

How could _____ motor be upgraded _____ of _____.

Please _____ enhance the _____ engine vehicles.
_____ would _____ be _____ to _____ the motor _____ productive?
_____ a _____ improve a _____ engine's performance.

Is there a _____ boost the _____ engine?
_____ can _____ do to make _____ car run better _____?
_____ we increase the efficiency _____ of _____ engine?
_____ recommend ways _____ increase output and _____ usage _____ motor?
_____ for _____ how to improve _____ and _____ performance.
_____ to make an _____ economical?
_____ ways _____ increase my _____ fuel _____ and _____ performance?
_____ you know how _____ increase output _____ usage of _____?

How _____ engine _____ efficiency?

There are ideas _____ improving an _____ motor's _____.

Looking _____ to maximize the performance of _____.

_____ it be _____ the _____ speed and economization?

Do you _____ any _____ how to _____ inefficient _____?

Do you _____ any _____ to _____ inefficient engine?

Is _____ possible to _____ the _____?

Suggestions _____ car _____ better and sip _____ gas?

How _____ improve performance and _____ engine?

What _____ do to _____ performance of _____ engine?

Help fix _____?

Do _____ have _____ about how _____ boost _____ efficiency _____ an _____?

_____ I make my _____ efficient?

_____ improving the _____ engine that is inefficient.
 _____ there a _____ to _____ engine's performance?
 Y'all know _____ do about _____ the _____ into _____?
 How _____ I _____ a _____ performing _____ better?
 _____ you have _____ suggestions about _____ improve _____ performance?
 _____ it run better while _____ fuel?
 _____ any ways to improve a _____ engine's _____?
 _____ can _____ improve _____ and _____ economy of _____ engine?
 _____ improve _____ of _____ engine cars?
 _____ there a _____ to _____ efficiency _____ economy _____ poorly running _____?
 Can you _____ ways to _____ engine?
 _____ there _____ performance and _____ of an inefficient engine?
 _____ it possible to _____ a _____ terms _____ well as economization?
 Is there a way to increase _____ a _____?
 _____ I _____ to _____ performance and _____ of my engine?
 How _____ made more efficient?
 There are _____ inefficiently running _____ power and _____
 How can _____ engine _____ more _____?
 _____ there _____ way to improve the _____ a _____?
 _____ you suggest _____ increase output and reduce _____ a _____?
 Can you tell _____ to increase _____ of the _____?
 _____ about _____ bad
 _____ can _____ improve _____ and power output _____ engine?
 Looking for suggestions on how _____ better.
 _____ advice _____ how _____ motor more economical?
 _____ a way to _____ the economy _____ performance _____ an _____?
 Do you have _____ improve _____ performing _____ economy?
 How do you _____ engine _____?
 Can _____ tell _____ to _____ the efficiency of _____ engine?
 _____ how _____ a motor more economical?
 How can I make this _____ while _____?
 Suggestions _____ increase the fuel _____ engines, _____?
 ideas to _____ motor's _____ and _____
 What should _____ to improve _____ and _____ my engine?
 Can _____ tell me _____ increase output _____ use _____ idling motor?
 How _____ how to maximize performance _____ of an _____?
 How _____ the engine's _____?
 _____ can _____ make this _____ better?
 _____ to improve an _____ running engine's _____ power _____
 How do _____ get better _____ a _____ engine?
 How is _____ possible _____ upgrade _____ motor _____ economization?
 _____ low performance _____ any _____ on _____ efficiency?
 How _____ improve fuel _____ and _____?
 How _____ improve _____ and increase fuel _____?
 How about sharing tips for _____ my _____?
 _____ you _____ make _____ inefficient _____ more economical?
 There _____ how to improve _____ an _____ engine.
 _____ can I _____ my engine?
 _____ how _____ make an inefficient engine more _____?
 Do you _____ any _____ on improving _____?

____ can ____ improve an ____ run ____ power output?
 ____ you ____ suggestions ____ to ____ this gas-guzzler's performance?
 ____ you ____ hacks that can ____?
 Is ____ a ____ upgrade ____ guzzling ____?
 ____ you ____ how ____ improve the engine's performance?
 How ____ my ____ more efficiently?
 ____ have ____ on improving lousy ____ power?
 ____ ideas to ____ a motor's power ____.
 ____ we improve the engine's ____ and ____ efficiency?
 Suggestions ____ improving ____ performance ____ an inefficient ____ needed.
 ____ suggestions ____ how to ____ the performance of the ____?
 Suggestions to increase the ____ engine ____?
 ____ I ____ my ____ fuel ____ and engine performance?
 ____ you ____ us some ideas ____ improve an inefficient ____?
 Can you help ____?
 How ____ I make the ____?
 Y'all have any ____ to ____ engine ____ into shape?
 Do you ____ for improving the ____ engine?
 ____ can we improve ____ an inefficient engine?
 ____ you know ____ turning ____ around?
 ____ assist ____ in fixing ____ engine?
 ____ there anything ____ do to improve ____ mileage and ____ my ____?
 How can ____ improve ____ and ____ output ____ inefficient engine?
 Seeking suggestions ____ an engine ____
 ____ suggestions ____ make ____ engine perform ____.
 There's a need ____ advice ____ an inefficient ____.
 ____ can I ____ the efficiency ____?
 How to improve ____ inefficient engine, ____ and ____ terms ____
 Can you ____ me ____ to ____ engine?
 ____ we improve an inefficient ____?
 Can ____ tell ____ how ____ usage for an engine?
 ____ can I reduce ____ engine's ____?
 ____ bad engine ____?
 ____ am looking ____ ways ____ the efficiency and ____ my ____.
 ____ improve my engine's ____ quickly?
 How can ____ economy and efficiency ____ my ____?
 ____ can I ____ the efficiency ____ my car ____?
 ____ can be done ____ upgrade a ____ speed and ____?
 ____ you ____ about ____ this engine ____ into shape?
 ____ are ____ ideas ____ to ____ my ____ work better.
 How ____ we ____ performance ____ running engine?
 How would ____ possible ____ upgrade ____ motor ____ not productive.
 Can ____ a fuel-inefficient engine's performance?
 In ____ poorly ____ what steps ____ I take ____ efficiency?
 How can I increase ____?
 ____ about some tricks ____ better and ____ less gas?
 Do you have ____ hacks ____ performing ____ economy?
 ____ you have any ____ how to improve ____?
 ____ can I do to improve ____ and ____ of ____?
 How do you ____ engines?

Any ____ or ____ about how ____ make an ____ economical?
 ____ how to improve the motor's performance?
 ____ are ____ tips on how ____ performance of an ____?
 Can ____ tell ____ to increase the ____ engine?
 ____ on ____ a ____ efficient?
 ____ I improve ____ lousy performance ____ my ____ motor?
 ____ a slow, ____?
 ____ you tell me ____ I can ____ the efficiency ____ my ____?
 Suggestions ____ how to increase ____ efficiency and ____.
 Is there ____ to ____ the efficiency ____ economy ____ engine?
 How could ____ to ____ the ____ of the ____?
 While facing ____ issues, ____ have on fuel ____?
 y'all ____ to ____ about whipping this ____ into ____?
 ____ you ____ improve my junky ____?
 Get ____ pointers to improve ____?
 What can ____ to ____ power output of the ____?
 ____ to ____ the engine's power output and ____.
 Do you ____ any ____ on ____?
 ____ improve ____ engine's economy and power output?
 ____ can you boost the ____ mileage of ____?
 What ____ I ____ to ____ fuel ____ and overall ____ of ____?
 Suggestions on ____ enhance ____ engine's performance ____ efficiency
 Is there ____ idea of ____ improve ____ engine?
 ____ have any idea ____ whipping this engine ____?
 There ____ ideas ____ a ____ more efficiently.
 I need ____ to ____ efficiency and mileage ____.
 ____ there a ____ to maximize fuel ____?
 What can ____ make my ____ better?
 ____ can be ____ faulty ____ performance?
 ____ need ____ on ____ to ____ of my engine.
 ____ you increase ____ performance ____ a ____?
 What ____ I ____ to ____ my ____?
 ____ able to tell me about ____ output ____ usage ____ motor?
 Suggestions to ____ performance ____ please?
 ____ can ____ improve the ____ economy of an ____ engine.
 ____ my engine run better?
 Is there ____ faulty engine's ____.
 ____ suggest ____ to increase ____ and ____ of my engine.
 ____ to improve an ____ motor.
 ____ you ____ to ____ my engine ____ efficient?
 Can anyone ____ to improve this gas-guzzler's ____?
 I ____ help ____ the efficiency ____.
 Do you know ____ to ____ of an ____?
 How ____ we improve ____ and ____?
 ____ it ____ performance and ____ with an inefficiently running ____?
 What is ____ best way ____ the ____ an ____?
 ____ for ____ fuel ____ and improving ____.
 While ____ low- performance issues, any ____ fuel ____?
 ____ to make ____ under-performing engine ____?
 How ____ enhance ____ of ____ bad engine?

Is there _____ way _____ the efficiency _____ engine?
_____ ideas on _____ to _____ engine _____ better.
_____ ideas _____ you have _____ how to _____ engine?
Suggestions _____ efficiency of _____ vehicles?
Is there _____ way _____ improve _____ power _____ of my _____?
Do you _____ how _____ an inefficient engine.
_____ are _____ to _____ an inefficiently running _____.
I need _____ with enhancing _____ efficiency _____.
What _____ I take _____ engine perform better?
New _____ for _____ engines?
_____ we do to _____ engine's performance?
_____ can _____ performance of _____ running engine?
_____ there a _____ to _____ efficiency of _____ engine?
_____ on _____ make _____ engine _____ economical is needed.
Is _____ any _____ improve _____ poor-performing _____ economy?
How _____ an inefficient motor _____ in _____ speed _____ economy?
Is _____ you know about whipping the _____?
How can I improve _____ of _____?
Can _____ recommend ways to _____ the _____ and mileage _____?
_____ there _____ way to improve _____ facing low _____ issues?
Wouldn't it _____ if _____ ideas on _____ an inefficient engine?
Does _____ thoughts _____ fuel efficiency _____ low- _____ issues?
_____ fix _____ faulty engine and increase _____?
I _____ for _____ the efficiency of _____ engine.
_____ can _____ improve _____ running engine's economy _____ output?
_____ can _____ improve the _____ engine?
_____ upgrade an _____?
_____ have any _____ whipping _____ engine back into _____?
Are there suggestions _____ improve the _____?
_____ know _____ you can _____ to get _____ engine _____ into _____?
_____ you _____ any tricks _____ the performance _____ my junky _____?
_____ can _____ inefficiently _____ power output and economy?
Looking _____ to make an _____ run better.
_____ to learn tips _____ enhancing the efficiency _____ bad _____.
_____ could _____ my fuel-hogging car run _____ and _____ gas?
Where _____ I find _____ improve fuel efficiency and _____ in _____?
Is there anything I can _____ improve _____ of an _____?
Suggestions _____ how _____ maximize the _____ of an _____.
_____ suggest _____ to _____ the MPG of _____.
_____ crummy engine _____?
Need _____ fixing motor's _____?
_____ this vehicle run _____ efficiently?
_____ help _____ motor work _____?
_____ thoughts _____ improving fuel efficiency _____ performance issues?
_____ have any _____ poor-performing engines' _____?
How to _____ engine's _____?
Can you _____ engine _____?
How can _____ improve _____ engine?
Are you looking to _____ more economical?
_____ tell me _____ do with _____ motor's output and _____?

How do ____ make ____ fuel ____?

____ you ____ tips for making ____ junky ____ better?

____ need help increasing the ____ and ____ engine.

Any ____ on how to make my fuel-hogging car ____?

____ improving the engine?

How ____ faulty ____ better?

____ you ____ advice for ____ to improve the ____ an ____?

Is there ____ way ____ and economy of ____ poor ____?

____ to ____ the effectiveness of ____?

Are there any hacks ____ have ____ improving ____?

____ improve an inefficient ____ performance and economics.

____ get ____ on ____ to ____ lousy engine power?

Do ____ have ____ my motor?

____ on ____ to increase ____ engine's ____ and fuel ____.

How ____ the motor be ____ terms of ____?

I need suggestions ____ to ____ efficiency and ____ my ____.

____ there a way ____ boost ____ efficiency ____ a ____?

Is ____ tips ____ improving ____ engine?

I ____ advice ____ decreasing usage of an idling ____.

____ for enhancing ____ engine's performance ____

____ suggestions for improving the ____ engine?

____ do I increase ____ efficiency ____?

In ____ of ____ make an ____ economical?

Looking for recommendations ____ economical.

There are some ____ improve ____ efficiency ____ an engine.

____ you ____ tips for improving my engine's ____?

Do ____ know what ____ improve the ____ an engine?

____ I can ____ to make ____ car run ____ and sip ____ gas?

How do ____ to ____ better?

____ efficiency and ____ faulty engine performance?

____ for ____ engine's performance and ____ efficiency?

Suggestions ____ performance ____ of an ____ running engine

Can ____ give ____ to increase ____ my bad engine?

____ you help make ____?

Can ____ about how to improve ____?

____ my bad engine.

Do you ____ what ____ to whip ____ back ____ shape?

Can you ____ me ____ I can ____ and decrease ____ motor?

____ suggest ways to increase ____ of ____ engine?

____ there any ____ to make ____ engine ____.

While ____ performance issues, ____ thoughts ____ efficiency do you ____?

How can ____ make ____ and ____ less gas?

____ you ____ me suggestions for improving the ____?

Does ____ on ____ efficiency while facing low ____ issues?

____ can ____ a badly ____ run better?

How ____ I deal ____ inefficiently running ____ to improve ____?

Can ____ motor be ____ terms ____ and economization?

Can anyone ____ how to get better ____ a ____?

____ you ____ any ____ for improving ____ motor's ____?

____ to ____ fuel ____

Seeking _____ an _____ engine more _____.

Seeking _____ to _____ efficiency.

_____ do I _____ function better?

Idea on how _____ improve _____ performance of _____.

Is _____ make _____ car run better and _____ less gas?

_____ to _____ motor _____ better?

_____ have _____ ideas _____ improving a _____ engine's performance?

Can you suggest ways to increase _____ mileage _____?

How could we improve _____ economy _____ power _____?

_____ improving a _____ performance _____ fuelefficiency.

Can you _____ to boost the efficiency _____?

_____ you need _____ on _____ efficiency?

_____ do you _____ for _____ the efficiency _____ engine?

Can _____ give me ideas on _____ to _____?

_____ me _____ my engine?

_____ you need advice for _____ efficient?

_____ to improve the MPG _____.

Is _____ upgrade _____ guzzling engine?

_____ can _____ efficiency and _____ of _____ sluggish engine?

I would _____ know if you have _____ that improve _____.

A slow, guzzling _____.

_____ you _____ for _____ on _____ an inefficient motor _____.

Any _____ about how _____ make _____ engine _____?

_____ to increase the _____ malfunctioning _____?

_____ are _____ any thoughts on maximizing _____ efficiency?

_____ on _____ an _____ engine's _____ and _____?

_____ suggestions _____ make an _____ any insights or _____ recommendations?

How _____ motor _____ terms of speed and economization?

Do you have any _____ about how _____?

_____ are _____ tips on _____ performance and economy _____ an _____?

How _____ you _____ better mileage _____ of _____ engine?

_____ to _____ of malfunctioning _____ and increase fuel _____?

_____ upgrade an _____.

_____ on how _____ a sluggish engine's _____ efficiency?

Is _____ anything _____ do to _____ mileage _____ power of my _____ engine?

_____ you tell _____ about _____ and decreasing _____ for an _____?

How _____ improve _____ engine _____.

Do _____ have any _____ for making _____ better?

_____ need _____ with boosting _____ car's _____ economy and _____.

_____ for improving lousy _____ power.

_____ need of suggestions _____ an _____ economical.

_____ can do to _____ my vehicle _____ more _____ and sip _____ gas?

How _____ I make my fuel-hogging _____ run _____ sip _____?

How can _____ boost _____?

How _____ increase _____ efficiency _____ my _____ engine?

Any tips _____ the _____ engine?

_____ for _____ economy _____ an inefficient engine?

There are ideas _____ get _____ out _____ an _____ engine.

_____ have any suggestions on how _____ make _____ efficient?

_____ can _____ more mileage _____ of _____ lousy motor?

Suggestions _____ ways to increase _____ sluggish _____ and _____ .
 _____ a poor performing _____ steps can _____ take _____ efficiency?
 _____ possible to suggest _____ to make an _____ ?
 _____ poorly _____ what steps _____ I _____ to improve _____ efficiency _____ power?
 How can _____ my _____ better?
 How can I _____ overall _____ in _____ engine?
 _____ can I _____ a _____ performing engine _____ ?
 _____ to _____ the _____ ?
 _____ know anything _____ reviving _____ bad _____ ?
 How _____ you improve the _____ motor?
 _____ is _____ to make this car _____ fuel?
 _____ done to enhance _____ sluggish engine's _____ and _____ efficiency?
 Suggestions _____ to _____ economy and power _____ of an _____ ?
 _____ on how to _____ sluggish _____ and _____ efficiency.
 _____ to _____ a sluggish _____ and fuel efficiency.
 _____ way to _____ an inefficient _____ terms of performance _____ economy?
 _____ fuel efficiency _____ the _____ are what _____ looking for.
 Can _____ recommend ways to _____ output _____ of the _____ ?
 _____ to improve the _____ efficiency _____ my engine?
 Get _____ to _____ power?
 Is _____ anything I _____ to _____ fuel _____ and _____ in _____ engine?
 Slow, _____ engine _____ be _____ ?
 Is it possible _____ the _____ and _____ a failing _____ ?
 _____ methods to improve the _____ an inefficient _____ .
 _____ you _____ on how _____ a fuel-inefficient engine?
 _____ for _____ an inefficient engine.
 Suggestions _____ efficiency _____ improving _____ sluggish engine.
 How can _____ inefficient _____ upgraded _____ productive one?
 _____ increase engine _____ and fuel _____ .
 _____ I _____ the _____ fuel _____ of an engine?
 There are ideas for _____ running motor's _____ .
 How _____ make _____ vehicle _____ efficient?
 Can you _____ me how _____ my bad engine?
 _____ can we _____ engine's _____ ?
 How _____ be increased?
 Do _____ have _____ improve _____ performance _____ my junky motor?
 Are there ways _____ the efficiency _____ of _____ running _____ ?
 _____ we increase _____ engine's _____ economy?
 _____ have any ideas _____ how _____ efficiency and _____ of an _____ ?
 Need _____ the _____ inefficiency?
 What steps _____ I take to _____ engine _____ ?
 _____ can I _____ engine's _____ ?
 Seeking _____ to _____ an _____ more economical.
 Any _____ the _____ and _____ of _____ inefficient engine?
 There are _____ to _____ an inefficient _____ .
 _____ bad engine _____ ?
 Any _____ or expert _____ to make _____ economical?
 How can _____ an _____ in _____ of speed and _____ ?
 _____ interested in getting _____ making a motor _____ ?
 _____ need advice _____ motor more economical?

____ to ____ motor's ____
 ____ on how to ____ both performance ____ ____ engine.
 ____ there any ____ on ____ to ____ an ____ more economical?
 Is it ____ to ____ in ____ of economization?
 How ____ I improve ____ my ____ performing engine?
 ____ have ____ that improve the ____ poor-performing engines?
 ____ you suggest ways ____ of a failing ____?
 ____ can I do ____ my ____ to ____ it more ____?
 Any ideas ____ my engine work better?
 Could ____ me fix ____?
 ____ suggest ____ to ____ engine's efficiency?
 ____ the ____ squeeze a ____ more power out of ____ vehicle?
 What ____ I ____ to ____ my ____ work ____?
 ____ upgrade ____ engine?
 ____ there ____ improving ____ engine power?
 ____ there ____ I can do to ____ the mileage ____ of ____?
 What should I ____ to improve fuel ____?
 ____ know ways ____ increase the ____ of an inefficient ____?
 ____ you in ____ of ____ on ____ an inefficient motor ____?
 Are you ____ tell me how to increase output ____ decrease ____?
 How ____ an inefficiently running ____?
 Is ____ anything ____ do ____ the efficiency and ____ of the ____?
 How ____ it be ____ the motor in ____ of speed ____?
 ____ faulty engine's ____ improved?
 Is ____ any way ____ make my ____ car ____ sip ____ gas?
 ____ can I ____ an engine ____?
 There ____ ideas on how ____ an ____ engine and ____.
 ____ advice on ____ output and decreasing ____ an ____ motor.
 ____ I ____ performance ____ when ____ with an inefficient engine?
 Need ____ on ____ inefficient ____?
 ____ the MPG ____ that are struggling?
 Suggestions ____ how ____ improve an engine's ____ output?
 ____ help ____ motor's ____.
 Suggestions ____ how to ____ engine's ____ and ____.
 Can you tell me ____ hacks ____ improve ____?
 Is ____ increase the efficiency ____ of an ____?
 What can I do ____ fuel ____ in ____?
 ____ suggestions to make an engine more ____ or expert ____?
 How ____ lousy ____ power?
 What actions ____ I take to maximize ____ of my ____?
 How ____ we improve an inefficient ____ output ____?
 Do you have anything ____ poor-performing engines?
 Get any suggestions ____ improving ____?
 Please suggest ____ enhance ____ of ____ vehicles.
 ____ you ____ to improve my ____?
 Are you ____ advice ____ making ____ inefficient motor ____?
 ____ can my ____ be ____ fuel ____?
 Is it ____ you are capable of squeezing ____ bit ____ vehicle?
 ____ dealing with an ____ running engine, what ____ can I ____ and ____.
 ____ improve ____ economy of a inefficient engine?

Do _____ tips _____ boosting _____ of my bad engine?

Are _____ ideas to _____?

_____ there _____ improve _____ performance and economy _____ inefficient engine?

_____ on _____ improving an engine are _____ looking for.

Seeking _____ improve _____ economics.

_____ can you _____ for improving the _____ an _____?

Are _____ to _____ output and decrease _____ an idling _____?

There _____ ideas on _____ to change _____.

Can you _____ ways _____ my _____ and mileage?

_____ need _____ enhancing my _____ engine.

Do you _____ my junky motor _____ better?

How would it _____ possible _____ the _____ economization of _____?

_____ there a _____ to _____ the efficiency of _____?

_____ do _____ improve an inefficient engine's _____ and _____?

Suggestions _____ make _____ under performing _____ economical _____ appreciated.

Are _____ to _____ lousy engine _____?

Is it _____ improve _____ and overall power in _____?

_____ can _____ economy and power _____ of an _____?

_____ you give us ideas on _____ an _____?

_____ any hacks _____ have _____ improving _____ engines' economy?

Can _____ tell _____ to increase _____ decrease _____ for a _____?

The _____ guzzling _____ upgraded.

Can you _____ me _____ on how I can _____?

_____ ideas _____ to improve _____ inefficient engine?

_____ can we _____ to _____ economy of _____ engine?

Looking for _____ how _____ the performance _____ engine.

_____ you _____ help _____ an inefficiently _____ more economical?

_____ seek _____ making an _____ motor more economical?

Any _____ on how _____ make my _____ run _____.

How to _____ fuel efficiency?

_____ have _____ suggestions on how _____ improve _____ performance?

_____ should we _____ to _____ inefficiently _____ motor more _____?

Can you _____ tips _____ improving _____?

Did _____ get _____ lousy engine power?

Is _____ increase _____ car's _____ economy and _____ engine performance?

_____ there a _____ to _____ the efficiency _____ engine?

_____ you _____ any ideas _____ improve poor-performing engines' _____?

_____ I _____ to make my _____ more _____?

How _____ enhance the _____ my _____ engine?

_____ you _____ any tips _____ fixing _____?

_____ possible to increase the _____ and _____ of a poorly _____?

_____ tips on _____ make _____ engine _____ economical?

Do _____ have _____ on _____ make _____ inefficient _____ perform better?

What _____ do to _____ fuel-hogging vehicle run _____ less gas?

_____ wonder _____ this engine more efficient.

_____ to upgrade _____ engine?

_____ have any suggestions _____ enhancing _____ efficiency _____ engine?

_____ sluggish engine's performance

Is _____ any _____ you can _____ the efficiency _____ engine?

_____ upgrade _____ guzzling engine.

Do you have _____ improving the performance _____ junky _____?
 _____ enhancing _____ engine's _____ fuel efficiency.
 What ideas do _____ have for _____ improve _____?
 _____ how to improve _____ performance _____ economy of _____.
 How _____ we _____ a _____ engine's _____ output?
 Can _____ me ideas on _____ improve _____ engine?
 How do _____ improve a sluggish _____ fuel _____?
 Y'all _____ anything about _____ engine back _____?
 How can _____ be upgraded _____ terms _____ and environment?
 How _____ engine's performance?
 _____ I _____ lousy _____ power?
 _____ on _____ to increase _____ sluggish engine's _____.
 How _____ engine better?
 Is _____ way to make my _____ sip _____?
 How _____ a motor _____ speed and _____?
 _____ make my _____ more efficient?
 How _____ we _____ engine's fuel _____?
 How _____ be _____ in terms of _____ and economization?
 _____ on _____ improve an inefficient _____ power output _____?
 Is it possible _____ boost _____ economy _____ an _____?
 How _____ a sluggish engine's performance and _____?
 _____ handling an inefficiently _____ engine, _____ steps _____ improve performance?
 _____ about how to improve the _____ of my _____?
 _____ I _____ to make _____ engine more _____?
 What _____ the _____ ways _____ improve a _____ performance?
 _____ can we _____ enhance _____ performance _____ an inefficient engine?
 What is _____ improve an inefficiently _____ engine's _____ and _____ output?
 Is there _____ advice on how _____ inefficient _____ more _____?
 _____ be _____ fix my engine?
 Someone _____ for suggestions to _____ an engine _____.
 Are you _____ about _____ a motor more _____?
 _____ can _____ engines be improved _____ increase _____ performance _____ fuel _____?
 How can _____ unproductive _____ be _____ a speedier _____?
 _____ do you have _____ hacks for improving _____?
 There _____ methods _____ improve _____ performance and _____ of an _____.
 Suggestions _____ increasing the performance _____.
 _____ can _____ improve an _____ engine's _____ output _____ economy?
 There _____ any _____ would _____ my _____ work better.
 With _____ running engine, _____ steps can I _____ to _____ performance _____?
 How can _____ increase _____ fuel _____ of my _____?
 How can I improve _____ efficiency and _____ bad _____?
 How _____ faulty engine perform _____?
 _____ suggestions _____ to make an _____ economical.
 How _____ we enhance _____ performance and _____ an _____ running _____?
 Seeking _____ make _____ more economical?
 _____ for enhancing a sluggish engine's _____?
 Suggestions on _____ to _____ inefficient _____ output _____ economy.
 Do you _____ any _____ improving the efficiency _____?
 _____ need suggestions on _____ to _____ the _____ mileage _____ my sluggish _____.
 How do _____ make _____ engine _____?

_____ advice on _____ to make an _____ economical.
 _____ can we _____ the _____ engine?
 Suggestions for improving the _____ of _____ engine?
 Suggestions _____ efficiency are being _____.
 Can _____ improve the _____ and _____ a failing engine?
 Looking for _____ on how _____ the efficiency of _____.
 _____ on increasing fuel _____ and _____ needed.
 _____ ways to improve _____ of an engine?
 What _____ to improve _____ engine?
 Need advice _____ how _____ make _____ inefficient motor _____?
 _____ we increase _____ sluggish _____ and efficiency?
 How can I _____ the fuel _____ and _____?
 There are ideas _____ make _____ inefficient engine _____.
 Any ideas _____ my _____ engine?
 What _____ done _____ engine inefficiency?
 _____ to _____ fuel _____ and _____ engine _____?
 How _____ better while saving fuel?
 Do you _____ to _____ power?
 _____ do _____ improve _____ fuel efficiency _____ engine performance?
 Is there any advice _____ an _____ operating _____?
 Is _____ a _____ to _____ the economy _____ of _____ engine?
 Is _____ to maximize an _____ engine in _____ of _____.
 Do _____ anything about getting _____ bad _____ into _____?
 Do you have _____ ideas _____ inefficient engine?
 _____ I do _____ improve _____ car's _____ and fuel efficiency?
 _____ to _____ engine?
 _____ looking for suggestions on how to _____.
 Can _____ tell me ways _____ increase _____ efficiency _____?
 _____ do you improve _____ engine's _____ and fuel _____?
 _____ the efficiency of an _____.
 _____ improve _____ efficiency and fuel economy _____ a _____ vehicle?
 Do _____ have any _____ on _____ engine _____ improved?
 What can _____ to _____ fuel efficiency _____ car?
 _____ a _____ to _____ efficiency and _____ of _____ engine?
 _____ increase _____ efficiency and increase engine performance.
 There _____ ideas _____ how _____ the _____ an inefficient engine.
