

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Technical support and troubleshooting
Inquiry Sub-Category	Steering and suspension problems
Description	Customers seek help in identifying and resolving issues with the steering and suspension systems of their vehicles, including poor handling, excessive vibration, or uneven tire wear.
Data Size	13,130 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Is ____ vehicle's ____ handling due ____ a problem with ____ ____ suspension ____?
____ there ____ chance ____ my ____ poor ____ is ____ by issues with ____ steering ____ ____?
Do I ____ a steering ____ suspension problem ____ is ____ ____ handle ____?
Will ____ ____ suspension problem ____ my ____ to ____ ____ than usual?
I was wondering if ____ decline ____ my ____ handling ____ related ____ ____ ____ suspension ____ malfunctioning.
____ effectively my ____ ____ be ____ ____ steering or suspension problems.
____ the ____ ____ messed ____ my car?
____ ____ think there are ____ with ____ ____ system or the ____ that make ____ ____?
Has ____ car's poor control ____ ____ by ____ or ____?
I ____ wondering ____ the ____ ____ my vehicle's handling ____ ____ ____ the ____ or suspension ____.
I'm ____ the ____ in my ____ handling ____ connected ____ the ____ ____ suspension problems.
Is ____ possible ____ the steering ____ or ____ ____ ____ why this car ____ difficult to ____?
Poor ____ handling: ____ or ____?
____ ____ tell me if ____ ____ ____ to blame ____ my car's ____ issues?
____ the ____ ____ to ____ ____ because of ____ ____ steering or suspension?
____ performance ____ of malfunctioning ____ ____?
____ ____ the steering or ____ ____ that's ____?
Does ____ ____ handle poorly ____ ____ the ____ steering?
Is my ____ hard ____ drive because ____ ____ ____ or ____?
improper handling ____ be due ____ a ____ ____ suspension ____.
Is my ____ poor ____ due ____ steering/suspension ____ ____?
I'm ____ the ____ in my ____ ____ is ____ to ____ ____ or suspension system ____.
Is my ____ handling ____ ____ to ____ or ____ issues?
____ you ____ ____ the ____ ____ or suspension ____ the reason ____ this car ____ hard to ____?
Is ____ any ____ ____ the ____ or ____ ____ is causing ____ ____ poor performance?
____ ____ vehicle handle poorly ____ to malfunctioning ____ ____?
____ ____ ____ handling caused ____ ____ steering or suspension system?
Can ____ attribute my ____ ____ handling to ____ ____ faulty ____ ____ or ____ suspension components?

improper _____ can be _____ by a _____ steering _____.

Issues with its steering _____ components could _____ the _____ my vehicle.

Steering/suspension trouble _____ the _____ poorly.

The _____ mechanisms might _____ malfunctioning.

_____ and steering _____ car's performance?

Is _____ or suspension problem _____ causes _____ poor handling?

_____ my car's _____ bad _____ of _____ or suspension?

_____ will handle more _____ if _____ is a _____ with _____ and _____.

Is _____ suspension the _____ for my car's _____?

Is _____ bad _____ the _____ suspension?

I'm _____ the _____ in _____ vehicle's handling is _____ to _____ with the steering _____ system.

_____ would _____ to know if _____ within the steering _____ suspension _____ is _____ blame for _____ inadequate _____.

I _____ know if an issue _____ steering or _____ system is _____ vehicle's _____ maneuvering.

_____ the _____ or suspension be held responsible _____?

_____ suspension be _____ for my vehicle's handling?

How effectively _____ handles could _____ steering or _____ problems.

Is _____ and suspension component _____ the reason _____ handles _____?

_____ system is malfunctioning _____ the suspension is malfunctioning?

_____ vehicle _____ related to steering?

Is my _____ problem in handling related _____?

Weak handling _____ relate to problems _____ steering _____ sections.

Problem _____ suspension could cause _____ handling _____ my _____.

_____ a _____ problem make my _____ more erratically than _____?

_____ my car's _____ be _____ to _____ faulty steering system or _____?

Weak _____ by faulty _____?

Is my _____ bad due to _____ problem _____ steering _____?

_____ that _____ steering _____ system are the _____ of my car's _____ performance?

_____ my _____ have _____ problem with _____ or suspension _____?

Does the _____ the _____ suspension?

Steering _____ could _____ behind the _____ performance of my _____.

_____ steering _____ system problem the cause _____ poor handling?

_____ my car have bad _____ because of _____?

_____ steering _____ problem the _____ my car's difficulties handling?

Is bad _____ from _____?

Poor _____ is _____ likely due _____ issues _____ the _____ or _____.

Is _____ steering problem the _____ vehicle _____?

_____ of my vehicle result from _____ in either _____ Steering/Suspension _____?

_____ steering or _____ to blame for _____ car's poor _____?

Is _____ faulty steering or _____ system?

_____ effectively _____ vehicle _____ could _____ by _____ within the _____ or suspension _____.

Bad _____ can cause _____ vehicle _____ lose control.

_____ poor performance _____ the vehicle due to _____?

_____ my car bad _____ handling _____ of issues _____ steering _____?

Is there a _____ my car's poor performance _____ is _____ by issues _____ the _____ suspension _____?

_____ handles _____ because of a steering or _____ component?

_____ ride _____ of faulty steering or suspension _____?

_____ vehicle's _____ handling _____ be related to _____ steering _____.

Is poor _____ due to _____ suspension issues?

_____ my _____ due to the _____ in its _____ functions?

_____ exhibit _____ handling _____ of _____ malfunctioning steering _____ suspension mechanism?

Is my _____ caused _____ the steering _____ suspension?

_____ car bad _____ handling because _____ or suspension _____ malfunctioning?

_____ garbage ride _____ steering or suspension system?

Is my car's poor _____ of _____ suspension _____?

_____ sure if _____ decline in my vehicle's _____ to _____ steering or _____ system _____.

_____ wonder if _____ handling is _____ to steering _____ issues.

_____ my car _____ to _____ or suspension problems?

The _____ performance of _____ vehicle _____ problems in _____ setup.

Is this _____ performance _____ steering or _____ problems?

Do _____ think that _____ steering _____ or _____ are _____ car feels difficult _____ drive?

_____ suspension issues causing my _____ poor handling?

_____ handles poorly due _____ the steering or suspension _____ malfunctioning?

Have the steering _____ caused _____ control?

_____ and _____ might _____ behind my car's _____ performance.

_____ my car's _____ to _____ steering and suspension?

Might _____ or Suspension problems _____ to _____?

Is there _____ problem with _____ that's _____ car from handling _____?

Is the poor _____ or suspension?

_____ a faulty _____ system explain _____ handling of _____?

_____ it _____ car's _____ or suspension?

Is _____ an _____ with _____ suspension components that's causing my _____ handle _____?

Problems _____ or suspension could cause _____ handling _____.

_____ or suspension system be _____ of my vehicle's _____?

_____ there a chance _____ performance _____ the road is due _____ steering or _____ issues?

_____ possible that _____ handling is _____ due to _____ with _____ or suspension?

I am _____ decline in my vehicle's handling is related to _____.

Is _____ handling due _____ bad _____?

_____ of _____ or suspension issue?

_____ my _____ steerage issues?

Is my _____ poor handling due _____ difficulties _____?

Is _____ or suspension problem _____ for _____?

Is _____ with _____ steering or _____ system are causing _____ poor performance?

_____ steering _____ suspension might be _____ this _____ poor performance.

Is _____ a _____ that _____ poor performance _____ the _____ is _____ to _____ with the steering or _____?

_____ suspension trouble might _____ the _____ of my _____ performance.

_____ steering or _____ causing _____ vehicle's poor performance.

_____ issues might cause _____.

_____ a _____ issue _____ to poor _____?

Does a _____ system _____ my car handles _____?

_____ the steering _____ suspension _____ my car's _____?

_____ my _____ handle _____ to _____ problems?

Is _____ possible _____ my vehicle _____ steering _____ suspension?

Poor _____ faulty steer/suspend _____.

Is _____ car most _____ handle _____ steering or suspension _____?

Is the _____ system of _____ vehicle _____?

A _____ or suspension _____ improper handling.

Can _____ steering _____ be _____ blame for _____ poor _____?

Is it a _____ or suspension _____ my _____ handle _____?

_____ bad handling due to a _____ suspension _____?

_____ my _____ handling bad because the _____ suspension _____?

My car's _____ has been _____ to _____ problems.

_____ think _____ with _____ steering _____ could explain _____ this car is hard to _____?

_____ driving _____ to steering or suspension problems.

_____ an issue _____ the _____ or suspension system _____ blame _____ my _____ maneuvering?

Problems in the _____ components may _____ reason my _____.

I _____ if the _____ performance of my vehicle _____ caused _____.

Is _____ handling possibly _____ to faulty _____ setup?

Is _____ chance _____ poor performance _____ the _____ a result of steering _____ suspension issues?

Problems in _____ components might make my _____.

The _____ might _____ blame for my _____ poor handling.

My _____ caused _____ the steering or suspension.

Is the _____ handling _____ the _____ system _____?

_____ that my _____ has _____ suspension or steerage?

_____ issue _____ the steering _____ related to poor _____?

_____ within the steering _____ could affect how _____ is.

Weak performance may _____ to a _____.

_____ poor _____ most likely due to _____ suspension _____?

_____ it _____ or _____ issues that _____ car is handling _____?

_____ it _____ that _____ poor _____ is due _____ issues _____ the _____ or suspension _____?

Is the _____ ride _____ faulty steering or suspension _____?

The _____ suspension system _____ the reason for _____ handling.

_____ steering _____ behind _____ poor handling?

_____ steering or _____ issue _____ in poor _____ of _____ vehicle?

_____ performance of _____ was related to _____ Steering/Suspension _____.

Does _____ steering system _____ why my _____ handles _____?

_____ car giving _____ to poor steering _____?

_____ my vehicle have _____ suspension _____?

_____ performance of _____ vehicle _____ have _____ to do with _____ setup.

_____ handling linked to _____ or _____?

_____ poor performance _____ my _____ had something _____ with _____ setup.

Is it possible that my _____ bad _____ of _____ suspension mechanism?

Are _____ problems _____ the car's _____ or suspension _____ it _____?

Steering/suspension _____ are _____ vehicle _____ poorly.

Is _____ handling _____ due _____ issues with the steering or _____ systems?

_____ handling due _____ steering or _____ systems?

Is _____ handling issues _____ to _____ or _____?

Is _____ handling _____ because _____ steering _____ suspension messed up?

_____ the poor _____ results from _____ or _____?

Is _____ unable to _____ due _____ steerage _____?

Does my _____ have _____ a malfunctioning _____ or suspension mechanism?

Is _____ my car's poor handling _____ to _____ faulty _____ or inadequate _____?

The substandard _____ my _____ could _____ attributed _____ with its _____ or _____ components.

I'm _____ decline in _____ vehicle's _____ connected _____ or suspension system fault.

I wonder if _____ issue within _____ or _____ for my vehicle's _____?

Poor handling is _____ due _____ or _____.

_____ problem related _____ the _____ system?

There _____ with _____ in my car.

_____ car handle _____ garbage because _____ the bad _____ suspension?

_____ in steering or _____ result in _____ of _____ car.

Are _____ problems _____ steering or _____?

_____ steering _____ problem interfering with my _____ handling?

_____ a steering or _____ problem cause _____ to _____ than _____?

The _____ might be _____ problem.

Is _____ problem _____ the steering _____?

Could the poor _____ be related _____ its steering or _____?

_____ would _____ to know _____ an _____ within _____ or _____ system is to blame _____ my _____ of _____.

Poor _____ of my vehicle could _____ a steering _____ suspension _____.

The steering _____ suspension _____ be the _____ of the _____.

_____ you _____ the steering _____ suspension system _____ to blame for my _____?

_____ car handle _____ because _____ the messed up _____?

weak performance _____ system

Steering and suspension _____ could _____ behind my _____.

Will _____ suspension _____ make _____ car handle more erratically _____?

Is _____ problems in the Steering or _____?

_____ car's poor handling a result of _____ steering _____?

_____ steering and suspension _____ car _____ handle poorly?

_____ there _____ chance _____ or _____ are _____ cause of my car's _____ performance?

_____ be _____ result of _____ or suspension problem.

Can you tell _____ or suspension system _____ the handling of my _____?

Is the _____ of _____ problem?

Driving reliability _____ be affected _____ suspension.

Is _____ car's _____ or suspension _____ my _____ handling?

_____ with the _____ or _____ affect _____ effectively _____ vehicle handles.

_____ my _____ bad due to _____ steerage functions?

Does _____ due _____ steerage malfunctioning?

_____ my car's problems _____ either the _____ or _____?

Is the poor handling _____ my vehicle _____ to _____?

Is the _____ handling of _____ vehicle _____ of _____ its steering or _____?

_____ improper _____ due _____ a _____ setup?

Is bad _____ a result of _____ steering _____?

_____ vehicle _____ bad _____ due to malfunctioning steering _____ mechanism.

_____ the steering or _____ car handle _____ garbage?

Is _____ a _____ with the steering _____ or suspension _____ it _____ to _____ in _____?

Is the steering _____ cause of _____ trouble handling?

_____ poor performance _____ this vehicle _____ to issues _____ steering or _____?

_____ a bad _____ or _____ system _____ I _____ bad handling?

My _____ been compromised by steering _____ suspension _____.

_____ poor handling _____ steering _____ suspension issues?

_____ suspension _____ is a _____ vehicle handling issue.

_____ handle _____ because of bad steering _____ bad _____?

_____ deficient handling is _____ to a _____ steering _____ inadequate suspension components.

_____ be caused _____ steering problems?

Is _____ of steering or suspension?

_____ that _____ with _____ or the suspension _____ why this _____ feels difficult to drive?

_____ a _____ with _____ steering _____ suspension of _____ car _____ causes it to _____?

_____ the improper _____ steering _____ suspension?

Is there trouble _____ suspension due _____ improper _____?

Steering and _____ may be _____ my _____ performance.

_____ the steering _____ suspension system _____ with my _____ handling?

Is _____ garbage _____ wack suspension or screwed _____?

Steering ____ suspension issues ____ be caused by ____.

____ poor handling most likely ____ car's ____ or ____?

Is the ____ systems to blame ____ lousy ____?

Is my ____ handling because ____ the ____ suspension problems?

Is weak ____ related ____ suspension issues.

Is the car ____ to ____ poorly ____ or ____ issues.

____ my ____ down to the steering ____ suspension?

How does ____ bad steering ____ system explain ____?

____ the ____ handling ____ the ____ problem?

____ car handle poorly ____ to ____ steering ____?

____ poor vehicle handling ____ from ____ steering?

Does ____ suspension ____ have anything to do with ____?

Maybe the ____ is due to issues ____ or ____.

Is the ____ cause ____ vehicle's handling issues?

____ the car ____ if ____ are issues ____ its steering or ____?

____ my vehicle ____ due ____ in steering components?

____ steering or suspension ____ my ____ may ____.

____ there ____ that my car ____ not performing well ____ road because ____ or suspension ____?

____ the steering ____ car ____?

____ you ____ if the steering or suspension ____ is to ____ compromised ____ of my ____?

____ trouble ____ the steering/suspension systems?

____ car ____ due to messed up ____ wack suspension?

How effectively my ____ handles ____ the steering or ____.

____ car have a ____ or ____?

____ the ____ system a ____ in my ____ handling?

Steering and ____ problems ____ the cause of ____ poor ____.

____ that ____ vehicle ____ poorly ____ of the steering or ____ components?

Could the poor ____ of ____ be due ____ the ____ or suspension ____?

____ car's performance is compromised because ____ steering ____.

____ a steering or ____ the cause ____ of ____ car?

____ poor vehicle handling ____ be ____ of steering ____.

____ unsure if ____ decline in my ____ handling ____ to the steering or ____.

The ____ performance of ____ have been the result of ____.

Is it possible ____ my ____ handling is ____ faulty steering ____ inadequate suspension ____?

Is ____ compromised ____ due to ____ and suspension ____?

I ____ if the poor performance ____ vehicle ____ caused ____ the Steering/Suspension ____.

Is ____ steering ____ system ____ to ____ poor handling?

Steering problems ____ behind ____ car ____.

Is ____ possible ____ terrible ____ experience ____ caused ____ faulty ____ control or ____?

Is ____ that my car's handling ____ bad ____ of ____ suspension?

____ car ____ giving challenges ____ poor steering or ____

The ____ or ____ is ____.

____ want to ____ if my ____ handling ____ due to ____ faulty ____ or inadequate suspension ____.

It ____ that a ____ steering ____ is ____ blame ____ improper handling.

____ is most likely due ____ issues ____ or suspension

There ____ problems ____ or ____ of this vehicle.

Poor handling of my ____ could ____ the result ____ steering ____.

Does ____ vehicle handle ____ of ____ its ____ functions?

I'm ____ the ____ in ____ vehicle's handling ____ steering or ____ system malfunctioning.

____ that ____ car's poor handling ____ because of ____ faulty steering ____ inadequate ____ components?

_____ reason my car _____ poorly _____ the steering _____ component?
 _____ am _____ decline _____ is related to _____ steering and suspension system fault.
 _____ performance may be _____ to _____ suspension troubles.
 There might _____ an issue _____ suspension components _____ makes my vehicle _____.
 Poor _____ handling: _____ problems?
 Is my _____ performance _____ steering and suspension _____?
 _____ an issue with _____ steering or _____ components _____ vehicle to _____.
 Is it _____ my _____ because of steerage or _____?
 _____ car giving challenges _____ of _____ or steering _____?
 My vehicle might _____ bad _____ because _____ a malfunctioning _____.
 _____ there _____ with _____ steering _____ of my vehicle?
 Is there a _____ that _____ car's poor performance _____ due _____ the _____ system?
 _____ linked _____ or suspension issues?
 My _____ performance has _____ steering and _____ issues.
 _____ wondering if _____ decline in my vehicle's handling _____ due _____ or suspension _____.
 _____ the _____ performance of my _____ related _____ Steering/Suspension setup?
 _____ my car's handling _____ to _____?
 Is my vehicle handling _____ or suspension?
 _____ steering or _____ problem cause _____ to _____ more _____ than usual.
 Is it possible _____ car's _____ deficient _____ a faulty steering system or _____?
 Is _____ a problem with _____ the _____ suspension _____ my _____?
 _____ the _____ in my _____ handling is related to _____ system fault.
 Weak _____ due to steering _____ suspension _____.
 Is the steering _____ problem _____ of _____ car's _____ handling?
 Is the _____ handling _____ my vehicle _____ steering _____ problems?
 Is my _____ struggling _____ due _____ steerage _____ problems?
 Does _____ car handle badly _____ bad suspension?
 _____ the steering _____ suspension system _____ vehicle?
 I don't _____ my car's poor handling _____ due to _____ faulty _____ system _____.
 _____ the steering _____ have trouble _____ improper _____?
 _____ trouble _____ handles poorly.
 Does _____ result _____ or suspension?
 Is my _____ difficult _____ due to _____ steerage _____?
 _____ steerage _____ make my vehicle _____ with handling.
 Does _____ poor handling of my car?
 _____ my _____ handle poorly due to issues _____?
 Is poor _____ handling _____ steering _____?
 _____ are _____ causing poor _____ control.
 _____ am not sure if the _____ my _____ to _____ steering or _____ system fault.
 Poor _____ suspension issue?
 The _____ or _____ could be _____.
 _____ steering _____ suspension _____ be blamed for my vehicle's _____?
 Is my _____ or suspension _____ culprit _____ handling?
 Does _____ steering _____ system explain _____ handling of _____ car?
 _____ poorly: _____ trouble?
 _____ my car _____ poorly _____ steering _____ suspension issue?
 _____ my _____ struggle with handling _____ issues with _____ components?
 _____ suspension troubles may be _____ for _____ vehicle's bad _____.
 I'm _____ bad steering _____ could cause poor _____.
 The _____ ride may _____ malfunctioning due _____ a _____ steering _____.

_____ wonder if _____ steering _____ suspension might _____ vehicle's poor _____.

Steering _____ problems may _____ affecting _____ vehicle's _____.

_____ car handle _____ due to _____ or suspension?

_____ poor _____ of _____ vehicle the result of _____ setup _____?

_____ a way to _____ poor handling to either a _____ steering _____ inadequate suspension _____?

Do you think _____ the steering _____ suspension have _____ to _____ with the _____ this _____?

The _____ suspension _____ could _____ related to _____ handling.

_____ bad steering or _____ explain _____ handling?

_____ car's problem in _____ a steering or suspension _____?

I _____ if _____ in _____ vehicle's handling is related _____ suspension system fault.

I wonder if my vehicle's _____ handling is _____ or _____.

_____ improper _____ a _____ steering or suspension setup?

Is _____ a _____ the _____ or _____ system _____ causing my car _____ fail _____ the _____?

_____ could be _____ of my vehicle's poor handling.

_____ confirm if _____ steering _____ suspension _____ is _____ for my _____ handling?

There _____ problems _____ steering _____ suspension _____ this vehicle.

_____ issue, _____ vehicle handling?

Is it the _____ suspension _____ causes _____ poor _____?

_____ steering or _____ might _____ problem.

_____ has bad _____ because of malfunctioning _____ suspension?

_____ with the steering or _____ how effectively _____ handles.

_____ could be _____ culprit.

Is the quality of my ride _____?

_____ vehicle's poor _____ could be _____ steering or _____.

Poor handling of my _____ to _____ suspension problems.

_____ poor performance _____ to steering and suspension _____?

_____ from steering or suspension?

Did _____ a steering _____ problem?

I _____ with _____ steering or _____ system _____ blame for _____ poor maneuvering of my _____.

Is this _____ to _____ malfunctioning suspension _____?

_____ the _____ handling related _____ and suspension?

Does _____ cause lousy handling of my _____?

_____ the _____ bad due _____ steering or suspension systems?

Is _____ handling related to _____ in _____?

_____ the poor _____ my vehicle due _____ the _____?

_____ handling _____ to problems in the Steering _____.

_____ my _____ be _____ by problems within the steering and _____.

_____ my vehicle's _____ due to _____ suspension system?

Is poor _____ most _____ due to _____ problems?

Is _____ car _____ bad _____ or suspension _____ bad?

_____ my car _____ it has _____ suspension problems?

_____ handling related to _____ issues?

I'm having a _____ vehicle's handling, could _____ related _____ something in the steering _____?

_____ challenges in my car due to _____.

_____ problem with the steering _____ suspension _____ the reason my _____?

_____ my _____ due _____ steering _____ suspension issues?

_____ a _____ the steering _____ suspension causing _____ car to _____?

_____ suspension _____ be _____ my car's performance.

_____ steering or _____ have _____ my _____ lose control.

Poor _____ control _____ caused _____ problems?

I don't _____ if the poor _____ of _____ related _____ setup.
 Will the _____ or _____ be _____ blame for _____ car's _____?
 The steering or _____ system could _____ culprit _____ poor _____.
 _____ the _____ handling _____ to the _____ system _____?
 Is there any chance _____ car's poor performance _____ caused _____ steering and _____?
 _____ it _____ vehicle has bad handling _____ to malfunctioning _____ or _____?
 _____ the _____ the _____ system related _____ the _____ handling?
 _____ steering _____ be _____ for my vehicle's _____ handling?
 _____ reason _____ vehicle _____ because _____ the _____ or suspension components.
 Is the _____ my _____ due _____ steering or _____ system?
 _____ issues could _____ related _____ poor vehicle handling.
 Is the _____ to the _____ system _____?
 Is it possible _____ the steering _____ for _____ vehicle's _____ handling?
 Bad steering or _____ blame for _____ poor control.
 _____ my _____ to _____ or suspension problems?
 _____ steering and suspension _____ my vehicle's _____ handling?
 _____ may be caused by _____ or suspension _____.
 _____ steering or suspension _____ causing my _____ have _____ handling?
 Is there _____ or suspension _____ will _____ my vehicle _____ erratically?
 Is the _____ the _____ or _____ causing trouble?
 Is the _____ causing trouble _____?
 The steering or _____ systems _____ be to _____ the _____.
 _____ due _____ the faulty steer/suspend _____?
 _____ steering _____ component issue the reason _____ doesn't handle _____?
 _____ the steering _____ system _____ a poor handling _____?
 The _____ Steering or _____ that is _____.
 My vehicle might _____ handling _____ of _____ or suspension _____.
 Is _____ vehicle going _____ erratically because of _____ problem _____ steering _____ suspension?
 I _____ if _____ poor handling of _____ vehicle _____ issues _____ the _____ or _____ components.
 Is the _____ problem the _____ car's bad _____?
 Does my car _____ handling because _____ or _____ mechanism?
 Is _____ poor handling of my _____ due _____ with _____ component?
 Steering and suspension _____ might _____ behind _____ car's _____.
 _____ issues _____ my ride?
 Is _____ my _____ handling _____ because _____ issues with steerage or _____?
 fault in _____ causes my _____ to _____.
 _____ problems with _____ system or _____ suspension _____ why _____ car feels difficult to drive?
 _____ the _____ to the steering _____?
 _____ of my _____ is compromised _____ to steering _____ suspension _____.
 _____ with _____ the steering _____ suspension of _____ car?
 _____ an issue with _____ or _____ to _____ for my vehicle's _____ maneuvering?
 Is my _____ poor _____ because of _____ suspensions?
 My _____ will _____ more erratically _____ steering or suspension _____.
 Poor _____ from _____ problems?
 _____ my _____ has bad _____ due _____ a malfunctioning _____?
 _____ there any problem _____ the _____ my car?
 _____ the _____ handling of _____ the steering or suspension _____?
 _____ with the steering or _____ that _____ my _____ to handle poorly?
 Does my car _____ handling _____ problems _____ steerage components?
 The vehicle _____?

_____ steering and _____ problems to _____ for _____ subpar _____?

Can _____ of my vehicle _____ blamed for _____ handling?

_____ and suspension troubles might be _____ poor _____ my _____.

Is _____ steering _____ malfunctioning _____ for _____ car's _____ performance?

_____ lousy handling due _____ steering _____ issues?

Does my car _____ of a _____ or suspension?

_____ the poor vehicle _____ be _____ by _____ or _____?

_____ has issues with the _____.

_____ my car handle poorly _____ functions?

Could _____ handling _____ my vehicle be _____ to issues _____ steering _____?

Weak handling might _____ problems in _____ steering _____.

Is _____ or suspension problem _____ make _____ vehicle handle _____?

I _____ if _____ handling of my _____ related _____ its steering _____ suspension _____.

_____ my vehicle's _____ connected to _____ or suspension _____?

Does my _____ handle _____ steering or suspension _____?

The _____ performance of my vehicle _____ the _____ Steering/Suspension _____.

_____ bad for _____ because of _____ the _____ or suspension?

Is it _____ that issues with _____ or _____ in _____ poor _____?

I _____ if _____ handling _____ due to a faulty _____ system _____ inadequate _____.

Does _____ struggle with handling _____ problems?

_____ the decline in my vehicle's handling _____ related to the _____?

_____ handling related _____ or _____ problems?

_____ you _____ the steering or _____ is _____ blame for my _____ problems?

_____ with _____ or suspension that are causing the _____ handle _____?

The steering or _____ systems _____ for poor _____.

Poor vehicle _____ can be _____ steering _____ suspension _____.

_____ it _____ that my car's handling is _____ to _____ suspension?

Does _____ bad steering _____ suspension system _____ poor _____ vehicle?

Weak _____ steer/suspend system?

Weak performance _____ possible _____ system.

I wonder if my _____ poor _____ is related _____ faulty _____ system _____.

_____ suspension _____ may be related _____ poor _____ handling.

Weak _____ could _____ due to _____

Is the _____ handling _____ or suspension systems?

Do you think _____ steering system or suspension have _____ with _____ driving _____ this _____?

An issue _____ suspension system may _____ blame _____ my vehicle's poor _____.

Do _____ that issues with _____ steering _____ explain why this _____ feels hard _____ drive?

_____ it _____ the _____ of my car?

_____ with _____ steering _____ or suspension the reason _____ car feels _____ to _____?

_____ bad _____ from steering and _____.

Is _____ an issue with _____ steering _____ my vehicle _____ badly?

Weak _____ could be _____ problems _____ the Steering and _____.

Is _____ a _____ between _____ steerage or _____ and my _____?

Is the _____ the _____ likely to cause _____ to _____ poorly?

_____ an issue _____ suspension _____ responsible _____ vehicle's poor maneuvering?

_____ steering or _____ could _____ to _____.

Is a _____ suspension _____ to cause my car to handle _____?

The steering _____ systems could be _____.

Is poor handling _____ likely due _____ issues _____ suspension?

Is it _____ the _____ of my _____ due to _____ or suspension _____?

_____ troubles could _____ behind my vehicle's poor _____.

_____ car _____ could _____ to steering _____.

Is it because _____ vehicle _____ poorly _____ of an _____ with _____ or _____?

It's _____ that _____ exhibits bad _____ to a _____ steering or _____.

The steering or _____ blamed _____ vehicle's _____ handling.

Does _____ suspension play a role _____ vehicle's _____ handling?

Is _____ that my car's _____ is _____ to _____ with the _____ suspension?

_____ there _____ within _____ steering _____ suspension mechanisms?

The steering _____ car's poor _____.

_____ my car handle poorly _____ steering _____ suspension _____?

_____ that _____ steering or suspension could cause _____ vehicle _____ control.

_____ suspension trouble may _____ to blame _____ my _____ performance.

_____ vehicle _____ poorly because of _____ steering _____?

_____ handling of my _____ be _____ with its steering _____ suspension components?

_____ it a steering or _____ issue that's _____ poorly?

Is it _____ issues with _____ or suspension _____ handling?

Is my _____ bad _____ problems _____ or suspension?

_____ my vehicle _____ more _____ if _____ steering or suspension _____?

_____ there _____ steering or suspension?

Could an _____ the steering or _____ system _____ my _____ bad maneuvering?

Is there _____ with _____ steering _____ system are causing _____ car's _____ performance?

Is _____ that my car's handling _____ because of issues _____?

_____ caused my car to _____ control?

Has _____ steering or suspension _____ car _____?

_____ cause bad _____ control?

_____ there _____ chance _____ my car's _____ is related to _____ steering _____ suspension _____?

Can I attribute _____ a faulty _____ system _____ inadequate _____ components?

_____ wondering if _____ in _____ vehicle's handling is _____ steering system or suspension _____.

I wonder if _____ bad _____ causes lousy _____.

_____ the _____ handling _____ result of steering _____?

_____ car's handling crappy because of _____ or _____?

_____ car bad _____ handling _____ of _____ steering or suspension _____?

_____ could be a _____ of bad _____ or _____.

_____ vehicle handles can be _____ steering and suspension _____.

Weak _____ in driving _____ be due _____ problematic _____.

Can _____ steering _____ blamed _____ my _____ poor handling?

_____ performance may be _____ steering and suspension _____.

Is it _____ that _____ car _____ issues _____.

Perhaps my _____ bad handling _____ a malfunctioning _____ suspension _____.

_____ if _____ poor handling _____ my vehicle _____ to steering _____ suspension _____.

I would _____ steering or _____ causing my car to _____ poorly.

Is _____ to my _____ steering _____?

_____ poor _____ most likely caused by the _____?

Is the poor _____ of my vehicle _____ with _____ Steering/Suspension _____?

_____ steering or _____ cause of _____ control?

_____ may be _____ either the _____ or _____.

Is _____ a _____ with _____ vehicle's _____ suspension?

_____ performance _____ be a result _____ faulty _____.

Is _____ steering and _____ glitch _____ for my car's _____?

Is it _____ to _____ suspension _____?

Does ____ steering or ____ system ____ handling?

Weak ____ to a ____ steer/suspend ____.

____ handling ____ the steering system ____?

The ____ or ____ systems could ____ cause of the ____.

Is my car ____ because ____ a ____?

The ____ vehicle ____ from steering ____ suspension.

Weak performance ____ by steering or ____.

Is ____ or ____ mechanisms a ____?

____ if ____ vehicle's ____ is ____ to the steering ____ system fault.

____ the steering or ____ to ____ for my car's ____?

Is there ____ chance ____ steering ____ suspension ____ are causing my ____?

Does my ____ because ____ steering is ____ up?

Can ____ steering ____ problem cause ____ of my ____?

Is ____ a ____ with the ____ and ____?

____ that ____ car ____ handle well because of issues ____ steerage?

____ the ____ performance ____ my ____ problems with ____ Steering/Suspension setup?

____ steering ____ issue ____ my vehicle to handle more erratically ____?

I ____ if a ____ with the steering ____ suspension will cause ____ handle more ____.

Are steering and ____ problems the ____ this ____?

____ my ____ handles poorly due ____ the ____ suspension issue?

____ vehicle may be ____ and suspension trouble.

I ____ wondering ____ the decline ____ vehicle's ____ was related ____ the ____ or ____.

____ wondering ____ there is a ____ with the ____ or ____.

How effectively my vehicle ____ by steering ____ malfunction.

____ are problems ____ either ____ suspension.

Might ____ handling have something to ____ problems ____ or suspension ____?

____ my vehicle ____ can be ____ by problems ____ the ____ mechanisms.

My ____ has poor handling and can ____ steering ____?

____ is ____ in the ____.

____ either ____ suspension could ____ poor handling ____ my vehicle.

____ linked to the ____ system issue?

____ performance ____ due to ____ and suspension issues.

____ car's performance is compromised due ____ and ____.

Is it ____ car's ____ and suspension ____ to handle poorly?

____ the steering ____ suspension to ____ for ____ control?

The ____ suspension ____ be ____ cause of ____ problem.

A ____ can ____ weak performance.

____ performance ____ can ____ caused ____ steering or suspension.

____ that my ____ handling is ____ because ____ with steerage?

____ issue within the ____ or suspension ____ to ____ for ____ lack of ____?

____ in ____ suspension could ____ in ____ handling of my ____.

____ suspension problems ____ responsible for ____ poor performance.

____ driving ____ caused ____ steering or suspension problems.

Is my ____ fault ____ its steerage functions?

____ steering ____ suspension ____ cause ____ handling ____ my ride?

Poor ____ of my ____ be ____ steering or suspension ____.

____ performance ____ could ____ the ____ of steering or ____ problems.

Is the ____ of my ____ due to ____?

Poor ____ be due to ____ suspension ____.

Is ____ possible ____ car ____ handling ____ steerage or suspension?

Will the _____ to blame _____ my vehicle's handling?

Is _____ handling poorly due to a _____ with _____ system?

_____ could be due _____ steering or suspension.

_____ car control _____ to _____.
