

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Product features and specifications inquiries
Inquiry Sub-Category	Operating system requirements
Description	Customers inquire about the compatibility of their smartphone with different operating systems, such as Android or iOS, and seek information on the specific requirements and functionalities of each system for their device.
Data Size	5,043 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Will _____ OS affect the performance _____ life _____ my _____?
 _____ a _____ affect _____ performance and battery life _____ my _____?

Will changing _____ device's performance?
 _____ altering the _____ affect _____ it _____ long it _____ before needing to charge again?
 _____ make sense _____ change the _____ of _____ way that will affect _____ performance or _____ life?
 _____ the _____ affect how _____ it operates, _____ affecting its overall _____ needing to charging _____?

Will _____ with _____ device's _____ or battery life?
 _____ to expect _____ performance and bad _____ lifespan by installing _____?
 _____ the new _____ my _____ life?

Will _____ OS affect how smoothly _____ operates _____ how long it _____ take _____ to _____?
 How _____ the switch _____ OS _____ its _____ and _____ life?
 _____ it _____ life by installing another operating _____?
 _____ it okay _____ change _____ of _____ in a _____ that may _____ it's performance _____ battery?
 _____ new _____ performance or battery _____?

How _____ changing the _____ performance and battery _____?
 _____ changing _____ harming battery life?
 _____ changing _____ another OS affect _____ response?
 _____ changing the _____ the device's _____ or _____ use?
 _____ of a different OS _____ affect performance _____.

Can a _____ the _____ battery drain?
 _____ of _____ different _____ performance and battery life.

Is _____ in _____ or _____ life when I _____ systems?
 _____ the operating _____ reduce _____ life?
 _____ I go _____ an alternative OS, what _____ to _____?

I wonder if _____ operating _____ hurts _____.
 _____ the OS _____ affect _____ lifespan.
 _____ can _____ the OS affect the battery _____ phone?

Is _____ OS _____ my device in _____ could hurt its _____ or battery life?

Is changing _____ the battery?

_____ OS _____ and battery?

Is _____ to have a _____ affects performance _____ battery _____?

_____ OS be _____ on the phone, _____ will _____ with?

I was wondering _____ the _____ system _____ battery _____.

What _____ alternate _____ do _____ my device's performance and _____?

Will _____ ruin the _____ or _____ life _____ my device?

_____ the performance _____ life of _____ when I _____ another _____?

_____ OS affect the _____ performance?

_____ that a _____ OS _____ ruin my phone's _____ life?

_____ I switch _____ operating system, can I expect any _____ life?

Is _____ to influence _____ performance or _____ life _____ a _____?

Is _____ the _____ the device in a _____ that could _____ it's performance _____ battery?

_____ changing _____ a different _____ affect _____ battery life?

_____ changing OS _____ performance _____ life?

_____ OS _____ speed _____ battery.

_____ operating system might _____ device's use of _____.

_____ changing the OS _____ efficiency?

Did _____ different OS affect performance _____?

How _____ the device hold _____ change _____?

How will _____ device _____ up _____ I _____ operating _____?

Will changing the OS _____ it _____ as _____ affecting _____ before _____ to be charged again?

_____ switch to _____ OS affect its speed _____ battery _____?

Do a _____ operating _____ impact device performance _____?

Is _____ a different _____ affect my device's speed/power _____?

Does a _____ system affect _____ and battery _____?

_____ new _____ system hurt _____ device's _____?

_____ altering the _____ affect _____ smoothly _____ and _____ its endurance before needing _____ charge _____?

How _____ device hold up _____ I switch _____?

_____ OS affect device _____?

_____ wonder _____ a different OS _____ performance _____ drain.

What's _____ impact of a new _____?

Is _____ battery life affected if _____ OS?

Is a new _____ affecting _____ capabilities _____ use?

_____ will _____ an alternate _____ my device's performance _____ life?

Will _____ operating _____ affect _____ performance _____ life?

_____ affect _____ performance _____ the device?

Will _____ device's power usage?

_____ happens to the battery _____ go to _____ alternative _____?

Changing _____ OS can affect _____ battery _____ my _____.

_____ change the _____ perf and battery _____ get messed _____?

_____ it _____ performance and poor _____ life _____ installing a _____ operating system?

_____ altering the _____ any affect on _____ as well _____ affecting its endurance before _____ to _____?

_____ OS on the phone, perf and battery _____?

Will _____ a different operating _____ affect _____?

_____ the life of _____ device change _____ change _____?

_____ OS affects _____ and battery.

_____ a change to _____ OS _____ device efficiency?

_____ it appropriate to _____ a way that could hurt _____ performance or battery _____?

Do I have _____ the _____ of _____ device _____ way _____ could affect _____ performance or _____?

Do _____ changing the _____ system _____ battery _____?

Is it okay _____ change the _____ my _____ in a _____ performance or battery _____?

_____ is the impact _____ battery life _____ a _____?

_____ OS _____ device _____ and _____ life?

_____ phone _____ battery _____ by _____ OS?

Does _____ new operating _____ phone _____ battery?

Does a _____ OS _____ or _____?

_____ an _____ what happens _____ the battery _____?

Will _____ performance _____ my _____ change _____ I install a _____ OS?

_____ difference _____ OS affect _____ performance?

_____ it possible _____ perf and battery _____ screwed _____ OS _____?

_____ operating _____ going to _____ poor _____ and _____ battery lifespan?

How will installing an alternate _____ and battery _____.

How will _____ phone _____ up if _____ switch _____?

Does _____ system _____ the battery or _____ performance?

Will _____ the OS _____ how smoothly _____ how long it _____?

_____ the battery _____ to _____ if _____ switch to an alternative _____?

_____ I switch _____ OS, what will _____ life _____ like?

_____ and battery are _____ by _____ OS.

Will _____ OS impact my _____ or battery _____?

Will a _____ OS _____ the performance _____ device?

I don't _____ if _____ different OS will _____ how fast _____ or _____.

_____ happens to my _____ if I _____ to _____?

Does _____ another OS _____ or _____?

Is changing _____ well _____ device runs?

Will _____ phone, perf and battery _____ messed with.

What _____ the _____ of installing _____ OS _____ device's battery _____?

_____ affect my device's _____

Does shifting _____ harm _____?

How will a _____ affect my _____ usage?

_____ changing _____ system hurts _____ life?

Is the life _____ my _____ new OS _____ installed?

_____ changing the OS _____ speed or _____ life?

_____ to _____ OS that causes performance or _____ issues?

The _____ affects phone _____ battery.

How _____ to _____ new _____ affect _____ efficiency?

Is the _____ life _____ I _____ a different _____?

_____ wonder if _____ messes _____ the _____ or slows _____ my phone.

_____ it _____ the OS of _____ a way that could hurt _____ performance or battery _____?

Is changing _____ operating system _____?

Is it _____ to _____ performance _____ lifespan when _____ another operating _____?

_____ altering the OS have any _____ operates while also _____ its _____ needing _____ charge again?

Is _____ changing _____ operating system hurts _____ battery _____?

_____ know _____ a different _____ cause my phone _____ or _____ the battery?

_____ a _____ affect the battery on my _____?

Will _____ OS _____ the _____ perf and battery _____ messed _____.

Will _____ the operating _____ device productivity _____ use?

Is new _____ to hurt _____?

_____ the new OS _____ the battery _____ the _____?

Has _____ OS _____ performance and _____ life?

____ it ____ to ____ ____ battery ____ by installing ____ different OS?
 Will ____ on ____ perf ____ battery will get messed ____.
 Can ____ the ____ battery ____ of my phone?
 Can ____ expect ____ to my ____ battery ____ switch to another ____ system?
 Is a ____ OS bad for ____ or ____ phone ____?
 ____ a ____ OS ____ to hurt ____ device's ____?
 ____ a different OS going to ____ life?
 ____ a new OS affect the ____ life of ____?
 Do ____ know if ____ new OS ____ or battery?
 If I ____ to ____ operating ____ can I ____ any changes ____ life?
 ____ will the ____ affect ____ device's ____ or battery ____?
 ____ I expect poor performance ____ poor battery lifespan ____ installing ____?
 Is ____ true ____ changing ____ operating ____ hurts ____?
 ____ altering the ____ system ____ device ____ energy use?
 ____ a new OS affect ____ function and battery ____?
 Do ____ think ____ to another ____ harm ____?
 Will ____ impact device's ____?
 ____ the new ____ battery life?
 Do ____ switch OS ____ and battery?
 ____ to ____ the OS of ____ device ____ way that affects ____ or battery life?
 ____ a new OS ____ battery ____?
 ____ it ____ to change the OS of my ____ the performance ____?
 The performance and battery ____ my ____ the ____ of a new ____.
 ____ altering the ____ System ____ device productivity ____ use?
 Will there ____ in ____ or battery ____ switch to ____ system?
 ____ altering ____ operating ____ to affect ____ productivity ____ energy usage?
 ____ a new ____ make a ____ in ____ and ____ life?
 Will the ____ change to ____ device ____ use?
 Will ____ system reduce ____ life?
 Is ____ another operating ____ going to ____ battery ____?
 Can I expect ____ lousy performance if ____ another operating ____?
 Is it possible ____ performance and poor battery ____ installing ____?
 ____ altering ____ affect how smoothly ____ as its overall endurance before ____ to charge ____?
 The impact ____ operating system on ____ life.
 If ____ can I ____ a change in ____ or ____ life?
 ____ I expect ____ performance ____ poor ____ lifespan if ____ install ____?
 Changing ____ OS can ____ performance and ____ lifespan ____ device.
 ____ know if I can expect ____ performance ____ poor battery lifespan if ____ another ____.
 ____ changing the ____ the ____ battery ____ of my device?
 If ____ switch to another operating system, ____ be ____ performance ____ life?
 Does ____ make ____ change the OS ____ my device ____ that ____ it's performance or ____?
 ____ the OS affect my device's ____ life.
 If ____ OS, how ____ my ____ going ____ up?
 ____ will ____ OS affect ____ battery life?
 ____ performance ____ life ____ device ____ affected by a ____ OS.
 Will changing the ____ how ____ as affect its overall ____?
 Is it possible ____ get ____ performance ____ battery lifespan ____ another ____ system?
 Is ____ to ____ the device's performance ____ battery ____?
 Do I have to ____ the OS ____ a ____ or battery life?
 Is ____ different OS effects performance ____?

The switch _____ the phone's _____.

Does _____ affect the battery?

Is _____ okay _____ the _____ device _____ a _____ that will affect performance _____ battery life?

_____ new _____ effect on _____ drain?

_____ an _____ change affect _____ speed or battery _____?

Will _____ the _____ system affect _____ productivity or _____?

a _____ affect my _____ performance

If I switch _____ system, will _____ or _____ life?

_____ installing _____ OS affect _____ device's _____ and _____ life?

_____ alterations _____ smoothly it operates, _____ well as affect _____ overall endurance before _____ to _____ again?

_____ changing _____ ruin _____ battery life?

How well my device _____ and _____ be _____ by _____ operating system.

_____ OS affect performance _____ battery _____?

_____ changing the OS _____ how _____ operates _____ how long it will _____ before it _____ charged _____?

Is _____ okay to _____ OS of my _____ a way _____ or battery life?

If _____ another operating system, _____ expect any changes _____ performance or _____?

_____ want to _____ but how will _____ up?

How will _____ affect my _____ usage?

What _____ to _____ batteries if _____ to _____ system?

Do _____ operating systems affect _____ effectiveness _____?

_____ changing OS _____ battery _____?

_____ phone _____ and _____ affected _____ changing OS.

_____ will using _____ OS _____ my _____ life?

Is _____ possible _____ poor _____ poor battery _____ if I install another operating _____?

_____ that changing the _____ will _____ well my _____ runs?

_____ bad will _____ change _____ OS _____ terms of _____ and battery efficiency?

_____ the OS _____ how smoothly it operates, _____ as altering its _____ before needing _____?

Changing the _____ and lifespan.

Is it true that _____ the _____ hurts _____?

_____ the operating system _____ device _____?

_____ changing OS _____ the _____ perf and _____ get _____ with?

How _____ installing _____ OS affect gadgets efficacy _____?

_____ the _____ changed on _____ and battery _____ get screwed?

Does changing _____ affect _____ and _____?

Changing the operating system _____ or _____ usage.

Isn't _____ OS _____ phone speed _____?

Does a _____ OS affect _____ performance?

How _____ the _____ life be _____ if I switch _____?

_____ affect the _____ or device?

_____ a _____ another _____ harm the _____?

Will altering _____ smoothly _____ operates, _____ well as affecting its overall _____ needing charging _____?

Is altering _____ System _____ to compromise _____ or energy _____?

_____ changing the _____ performance _____ life?

_____ for _____ to _____ poor _____ poor _____ lifespan from installing another operating _____?

_____ the _____ operating system affect _____?

_____ I _____ battery lifespan if I _____ another operating _____?

Installation of _____ has _____ on efficacy and _____.

How _____ and _____ life can be affected _____ the installation _____ operating system.

Someone wants _____ a different _____ affects _____ battery life.

Will _____ the _____ a bearing _____ how _____ well as affecting its overall endurance _____ to _____ again?

____ my device ____ up ____ ____ OS?
 ____ operating system going ____ ____ usage?
 ____ it possible to ____ OS causing ____ ____ issues?
 Will ____ ____ the battery life?
 ____ altering ____ OS affect ____ ____ operates, as well as affect ____ ____ needing to ____ again?
 ____ a new ____ ____ my phone ____?
 Is ____ operating ____ bad ____ batteries?
 How ____ changing to ____ OS ____ battery ____?
 Can another ____ ____ or ____?
 How does ____ switch ____ a new ____ affect ____?
 ____ a ____ to the OS ____ ____?
 Can ____ expect a ____ in ____ ____ life ____ I switch operating ____?
 ____ switch ____ OS ____ phone ____ and ____.
 Do ____ ____ effectiveness or power consumption?
 How will ____ device ____ ____ I switch operating ____?
 Does a ____ ____ the ____ or slow my ____?
 ____ the ____ affect ____ life?
 ____ the ____ or ____ change if I switch ____ ____ system?
 ____ change ____ the phone; perf and ____ get ____ with?
 Is ____ OS ____ affect performance ____ battery life?
 ____ a new ____ effect on device performance ____ ____ life?
 ____ changing the ____ the ____ performance?
 Is it possible that ____ device's ____ battery ____ could be ____ by ____ a ____ ____?
 ____ shifting ____ impact battery?
 Will the alternate operating ____ ____ negative ____ power ____?
 Is installing ____ going to ____ life?
 ____ another OS cause ____?
 The ____ will be changed on the ____ but ____ battery ____ ____.
 ____ to an ____ what happens ____ my battery life?
 ____ it ____ change ____ OS of ____ to ____ it's performance or ____ life?
 If ____ operating system, ____ expect changes in performance ____ battery ____?
 I ____ changing ____ system hurts battery ____.
 ____ an ____ going to ____ device's performance and ____ life?
 ____ does ____ change to ____ OS affect ____ efficiency?
 Is ____ to change ____ my ____ in a ____ that will affect it's performance ____?
 Is it ____ performance ____ life by installing another operating ____?
 ____ wonder ____ a new OS ____ affect my ____ or ____.
 Is ____ possible to get ____ installing another operating system?
 Is a ____ OS ____ phone ____ battery?
 Do new ____ and battery ____?
 ____ will using a new ____ battery ____ my phone?
 ____ an ____ change ____ device's ____ life?
 ____ I expect battery ____ change ____ switch operating ____?
 Change ____ OS can ____ the ____ life ____ phone.
 Can another OS ____ issues?
 ____ can ____ OS affect my ____ life?
 ____ of ____ different OS can ____ performance ____ battery ____.
 Can I ____ a ____ in ____ I switch operating systems?
 ____ battery ____ if I switch to an alternative ____?
 Changing ____ Operating ____ device productivity or energy _____.

Can _____ any _____ performance _____ battery _____ if _____ switch operating systems?

Is _____ difference _____ and battery _____ when _____ a different _____?

Can I _____ the _____ my _____ in a _____ will _____ battery life?

Can _____ if I change _____?

If _____ to a different _____ happens _____ batteries?

_____ new _____ can _____ performance and _____ life.

_____ the _____ a new operating _____ device performance?

Will changing the _____ any impact on how _____ it _____ how _____ take _____ again?

_____ change impacts _____ performance _____ life.

_____ altering _____ OS _____ how _____ it operates, while also _____ its _____ before needing _____ charge _____?

The _____ and battery _____ switching OS.

Does _____ a _____ have an _____ battery life?

How _____ different OS affect performance _____ battery _____?

What will happen to _____ life if _____ another operating _____?

What _____ installing an _____ OS _____ device's _____ and _____ life?

_____ a _____ OS _____ for _____ or battery _____?

Will the OS _____ the _____ perf _____ battery _____ with?

_____ new _____ affect my _____ my phone?

_____ will installing an _____ OS _____ performance and _____ life?

Can _____ expect _____ poor battery lifespan _____ a _____ operating system?

_____ does _____ an _____ affect the way _____ device _____ or consumes power?

Is it _____ a different effect on _____ and battery _____?

_____ the performance _____ life _____ my device _____ I _____ OS?

What happens _____ the _____ if I _____?

_____ the _____ affect the speed _____ battery life _____ device?

_____ OS screw with how _____ the _____ will last?

How will _____ alternate _____ affect _____ performance _____ battery _____?

Do _____ OS _____ device _____ or battery _____?

I _____ no _____ if a _____ will ruin _____ or _____.

Will changing _____ messing _____ device's _____?

_____ a _____ operating system _____ phone's battery _____?

The OS might _____ my _____ speed _____.

I have a question _____ I switch to _____ alternative _____.

If _____ to an alternative _____ battery life?

_____ a _____ affect performance _____ drain?

Can a different _____ change _____?

By _____ another operating _____ can _____ bad _____ poor battery _____?

Is _____ my OS _____ to affect _____ of _____?

_____ the _____ up when _____ switch OS?

_____ OS affect _____ smoothly it operates _____ its _____ endurance before _____ again?

_____ new OS _____ device _____?

_____ sure if _____ the operating system _____ life.

_____ a switch _____ a _____ OS do to _____?

_____ don't know _____ a _____ OS _____ my _____ and battery.

_____ the performance _____ life of _____ device change _____ a _____ OS?

Does _____ new _____ affect devices' _____ and _____?

_____ expect _____ battery _____ and lousy _____ I install another operating system?

I _____ my _____ performance _____ efficiency will be _____ by _____ different operating _____.

_____ will a _____ system _____ the _____ of my phone?

_____ the OS going to affect how smoothly _____ and _____?

A _____ system _____ my _____ battery life.
 Will _____ performance or battery _____ change _____ another operating _____?
 Will changing the _____ affect _____ device's _____ or _____?
 Is _____ possible _____ my _____ and battery efficiency _____ by installing a different _____?
 _____ a _____ OS _____ and _____ life?
 _____ there be _____ performance or _____ life _____ switch to _____ operating _____?
 Will _____ OS affect my _____ or battery _____?
 Will _____ OS affect how _____ it _____ as well _____ affecting its _____ endurance, _____ charge _____?
 _____ a new _____ to affect _____ battery life?
 What _____ changing the _____ my _____ battery life?
 _____ the Operating _____ altered to compromise _____ or _____ usage?
 _____ the _____ my device _____ after _____ new _____ is installed?
 The _____ the device's performance.
 Using _____ OS will affect _____ usage of _____.
 _____ to _____ performance _____ battery life if I _____ an alternate _____?
 _____ impact my phone battery?
 Is _____ new OS going _____ affect _____ battery _____ phone?
 What happens to _____ switch _____ an _____ OS?
 _____ new OS _____ worse _____ battery?
 _____ the _____ phone _____ and _____ will be messed with?
 _____ a _____ operating _____ affect _____ performance and battery _____.
 _____ a different OS will _____ on _____ speed _____ battery efficiency.
 _____ a new _____ affect _____ efficacy and _____?
 Does _____ change _____ the _____ device _____?
 _____ my device _____ to _____ up if I _____?
 _____ changing the _____ have _____ effect _____ smoothly it operates, as well _____ endurance _____ to _____ again?
 Does installing a _____ OS _____ an effect on _____?
 Is _____ possible _____ have bad performance _____ poor _____ lifespan _____ another _____ system?
 If _____ switch OS, _____ happens _____?
 _____ or battery _____ be caused by _____.
 Is _____ operating _____ hurting the _____?
 _____ you know _____ a _____ OS will ruin _____?
 _____ a _____ OS _____ performance and battery _____?
 _____ the _____ harm the _____ performance?
 What happens to _____ battery life _____ switch _____ different _____?
 Will _____ the OS _____ any _____ on _____ smoothly _____ operates _____ on _____ overall endurance _____ needing to _____?
 _____ a _____ OS _____ my _____ capabilities or _____ usage?
 Does a new _____ hurt _____?
 How will my phone _____ OS?
 _____ true that changing the _____ system affects _____.
 _____ want _____ know _____ performance _____ battery efficiency _____ be affected when I _____ different _____ system.
 Is it _____ to _____ poor battery _____ installing another operating system?
 Is changing _____ bad _____ battery life?
 _____ it _____ to change _____ of _____ in a way _____ hurt its performance _____ life?
 Is _____ affecting _____ or battery life?
 I _____ know if changing _____ OS will affect my _____.
 I _____ if a _____ OS will _____ phone or _____.
 _____ will the _____ to a _____ affect _____ speed and _____?
 Will _____ OS affect the _____ or _____?
 _____ changing the _____ impact the _____ of the _____?

_____ OS change affect _____ performance?
 _____ a new _____ affect the battery _____ performance?
 Will changing the _____ system _____?
 Is it _____ my device in a way that _____ affect _____ or battery _____.
 _____ device's performance or battery _____.
 _____ installing another _____ affect _____?
 _____ the _____ system compromise device productivity _____ energy _____?
 Will _____ of _____ device _____ after I _____ different _____ system?
 Is it _____ to experience _____ and _____ by _____ operating system?
 _____ altering _____ operating system compromise _____ productivity _____ use?
 _____ I _____ of my device in a way _____ will _____ or battery _____?
 Does changing _____ OS _____ device's performance or _____?
 _____ will _____ device _____ if I switch _____ operating _____?
 _____ another _____ harm the battery?
 _____ the OS _____ my device's speed or _____.
 _____ the _____ of my _____ change when a _____ OS _____ installed?
 _____ have no _____ different OS will ruin _____ or _____.
 What _____ to _____ battery life _____ an _____?
 Will the _____ affect power _____?
 Is it ok _____ change _____ OS _____ my _____ in _____ that _____ hurt its _____ or _____?
 How _____ a new operating _____ affect _____ phone's _____ life?
 Will the OS _____ device's _____?
 Does the _____ of _____ after installing _____ different OS?
 _____ to _____ OS _____ the battery?
 The perf and battery _____ going _____ with _____ OS is _____.
 _____ switch to _____ OS, what _____ battery life _____ like?
 _____ the performance _____ device going to _____ different OS is installed?
 _____ operating system hurt device _____ or _____ usage?
 _____ would a _____ OS _____ device's _____ and battery _____?
 Will altering the OS have _____ effect _____ smoothly it _____ as _____ affecting _____ charging again?
 _____ a different operating system bad _____ my _____?
 Is the performance _____ of _____ a new OS?
 Will _____ OS _____ changed on _____ and battery _____ messed up.
 Changes _____ OS _____ affect _____ speed _____ battery life.
 Is it _____ poor performance _____ poor _____ with _____ operating system?
 Is _____ an _____ on _____ by _____ different OS?
 How _____ OS _____ efficiency and _____ life?
 Will altering _____ OS affect how smoothly it operates, _____ affect _____ before _____ to _____?
 Does shifting to another _____ battery _____?
 Does _____ new OS _____ the _____ and _____ life?
 _____ hold _____ if _____ switch OS?
 A _____ OS could _____ my _____.
 How _____ switch affect _____?
 Is a _____ the _____ battery?
 _____ changing _____ device performance?
 Is it _____ lousy performance _____ battery _____ I install another _____ system?
 Will new OS _____ or _____?
 How bad _____ change to _____ terms of speed and battery _____?
 _____ the OS of _____ if _____ will hurt its performance _____ battery life?
 There _____ changes in performance _____ I switch _____ operating system.

Does _____ performance and _____ use?

How will _____ device hold _____ my operating _____?

_____ does the _____ an _____ to my _____ performance and _____ life?

_____ may affect _____ performance.

Changing _____ might _____ device's speed or _____ life.

Does shifting _____ OS _____ device response?

Is _____ possible _____ performance and poor _____ installing _____ operating system?

How _____ up after I switch _____ systems?

_____ new OS may impact _____ life.

_____ would the _____ of an alternate _____ device's _____ and battery _____?

_____ the OS _____ my _____ affect its performance or battery _____?

Will _____ the _____ system compromise device _____ energy _____?

a new _____ may _____ my _____

_____ OS be changed on the phone, _____ and _____ will _____?

_____ to _____ OS of _____ device in a way _____ can _____ its performance or _____?

What _____ the _____ on my _____ performance _____ battery _____ alternate OS?

DoSwitching _____ affect phone _____?

Does _____ affect the device's _____?

Does _____ to another _____ affect _____?

Is _____ ok _____ the OS of _____ device _____ a way _____ it's _____ battery?

I'm not _____ a different _____ will _____ how _____ phone _____ or drain _____.

Will _____ the OS have _____ smoothly _____ as well _____ affecting _____ endurance before _____ charging again?

New OS _____ my _____

I would _____ know _____ device's _____ and battery _____ affected by installing _____ operating system.

Changing _____ OS _____ device _____.

_____ OS _____ affect the _____ of my phone.

_____ up if _____ switch OS?

Installation _____ alternate _____ affect _____ performance _____ battery life of my _____.

_____ the _____ affect _____ device's speed or battery _____?

_____ bad will changing to _____ OS _____ for _____ speed and _____?

How can changing _____ OS affect the _____?

_____ a _____ OS _____ battery life?

_____ new _____ affect _____ or _____ life.

_____ the operating _____ will compromise device _____ usage.

_____ a new _____ affect _____ phone _____?

_____ OS change my device's _____?

Will alterations _____ the OS _____ how _____ it _____ as affecting its _____ before _____ charge again?

_____ to an _____ what _____ the battery life be _____?

_____ the _____ system have an _____ power usage?

Does _____ new operating _____ affect _____?

Will altering _____ OS affect _____ it _____ while _____ its _____ before _____ charging again?

_____ a new _____ for _____ performance and battery _____?

_____ will _____ to a _____ affect _____ and battery efficiency?

How will my _____ if _____ operating systems?

_____ the OS _____ affect _____ or _____ life _____ my device.

Could _____ new _____ device's performance?

New OS _____ affects _____ performance and _____.

Is _____ idea _____ change the OS _____ device to _____ its _____ battery life?

_____ a different operating _____ could my device's _____ be affected?

Is _____ change an _____ to _____ performance _____ battery drain?

_____ OS be _____ on the _____ perf and _____ will _____?
 _____ installing _____ operating _____ bad _____ performance and _____ life?
 _____ the _____ changing _____ how _____ device runs?
 A _____ system could _____ my device's _____.
 I don't _____ if changing the _____ how _____ device _____.
 Changing the _____ will _____ battery _____.
 How fast _____ phone _____ or its battery _____ will be _____.
 Will the _____ and _____ my _____ installing a different _____?
 Does changing _____ operating _____ life?
 _____ changing the OS affect _____ well _____ affecting its _____ endurance before it needs _____ again?
 _____ another OS _____ performance _____ battery _____?
 _____ a new OS _____ performance _____?
 How doSwitching to a _____?
 Will OS _____ on the _____ get messed up?
 _____ the operating _____ swap affect _____ device's _____?
 _____ I expect to lose _____ and _____ I _____ another _____ system?
 Will the performance _____ life _____ my _____ change when _____ OS?
 Is _____ to _____ the OS _____ my _____ a _____ that will _____ performance or battery _____?
 _____ changing _____ operating _____ affect _____ the device _____?
 _____ the operating _____ can _____ decrease in _____ life.
 How _____ changing _____ OS affect _____ lifespan of _____?
 _____ a new OS affecting the _____ down _____?
 Is _____ to _____ crummy _____ and poor battery _____ installing _____ operating _____?
 Installation _____ a different _____ affects _____.
 _____ different OS affect my device's performance and _____?
 Will _____ affect _____ my device uses its _____?
 What _____ to my battery life _____ I _____ to _____?
 Does _____ new _____ affect my _____?
 _____ the _____ how smoothly it operates, as well as altering _____ needing _____ charge _____?
 Is the device _____ hold up after _____?
 If _____ an alternate _____ will happen _____ battery life?
 _____ the installation of an _____ change my _____ battery _____?
 Is it _____ OS of my device to affect _____.
 _____ of a _____ OS might have _____ on _____ life.
 Will a _____ affect my _____ capabilities or _____?
 Will _____ OS _____ the _____ perf _____ battery _____ get messed _____?
 _____ altering the OS _____ smoothly it _____ also affect _____ before needing _____ again?
 _____ you _____ OS _____ phone speed and battery?
 _____ if I can expect bad _____ poor battery _____ by _____ operating system.
 Will _____ the OS _____ smoothly _____ operates _____ also affecting _____ endurance _____ needing _____ charge _____?
 _____ the operating _____ compromise _____ productivity or energy _____?
 _____ changing the _____ system affect _____ or _____?
 _____ the _____ can _____ battery _____.
 _____ I _____ poor _____ if I install another operating system?
 Should I _____ OS of _____ a way _____ affect _____ or battery _____?
 Will _____ affect my _____ performance?
 _____ changing _____ going _____ my _____ performance?
 _____ it okay to _____ the _____ my device _____ a _____ can hurt its _____ battery _____?
 Will the performance _____ of _____ change _____ a new OS _____?
 _____ changing the _____ how smoothly _____ and _____ it _____ take before it needs to _____?

Does _____ shift _____ harm battery?

_____ a new _____ affect _____ battery life?

_____ battery _____ or performance when I _____ operating systems?

_____ life _____ device change after I _____ new OS?

Does _____ to another _____ the _____ the device?

Will _____ any effect _____ it _____ while also affecting its _____ before needing to _____ again?

_____ don't _____ if _____ different _____ will affect my device's _____ battery _____.

_____ no _____ if _____ different OS _____ my phone or the _____.

_____ installing a _____ system affect how _____ lasts?

_____ the _____ change my device's _____?

Installation of a _____ affect _____ and _____ life.

Can _____ tell _____ if a different _____ my phone's _____?

Will altering the OS _____ effect on _____ smoothly it _____ lasts?

_____ want to _____ a different OS _____ my device's _____ life.

Will new OS _____?

Does _____ performance of _____ device _____ a new _____ is installed?

_____ better _____ worse for the _____?

Is _____ an effect _____ life when you _____ OS?

Will changing _____ system _____ the device _____ or _____?

_____ OS _____ with my device's _____ battery life?

_____ OS be changed _____ perf _____ battery _____ be messed with?

Installation _____ different operating system _____ affect _____ life.

Does changing the _____ or the _____ life?

_____ it true that switch OS _____ speed _____?

_____ the _____ system hurts battery _____?

_____ expect bad performance _____ poor lifespan by installing another _____?

New _____ better or worse for _____ battery _____?

Is it okay to change _____ system _____ my _____ to _____ battery _____?

Does shifting to _____ an _____ on _____ battery?

What _____ an alternative OS _____ life?

Will altering the _____ affect how _____ it _____ as its overall _____ before needing _____?

_____ it possible _____ expect poor performance _____ battery _____ installing another _____?

Should _____ hold _____ if I _____ another OS?

_____ a new operating _____ performance?

_____ possible to _____ device performance _____ life _____ installing _____ different OS?

_____ do _____ OSes affect performance _____?

How _____ my device hold _____ I change _____?

_____ is _____ battery _____ affected _____ OSes?

_____ OS mess _____ the battery?

_____ it possible _____ of my device _____ affect _____ or battery life?

Will _____ performance _____ of _____ device change _____ a new _____ installed?

Does the alternate _____ have an _____ power _____?

_____ the _____ to a different OS _____ efficiency of _____ battery?

Can _____ any _____ in performance or _____ life _____ I _____ another operating _____?

_____ I _____ OS _____ device _____ a way that will _____ and battery _____?

_____ was wondering if my _____ and battery efficiency _____ affected by _____ system.

_____ new _____ might _____ the device's _____.

Does _____ OS _____ an effect on _____?

A new _____ can _____ battery _____.

Will _____ OS _____ the device's _____ battery life?

_____ sure _____ a different OS will ruin _____ drain _____ battery.
 _____ the _____ if I _____ to an alternative _____?
 How _____ the change to _____ different _____ affect _____ speed and _____?
 Will _____ the OS affect how _____ it _____ well as affecting _____ before _____ charge _____?
 Is _____ possible _____ expect _____ lifespan _____ another operating system?
 Will the new _____ hurt _____ device's _____ battery _____?
 Is it _____ for a different OS _____ battery _____?
 Is _____ possible that _____ will get screwed _____ OS _____ changed?
 How will _____ operating _____ affect _____?
 If _____ switch to _____ alternative operating _____ what _____ batteries?
 Changing the OS _____ impact the battery _____.
 How _____ my _____ up once _____ OS?
 _____ operating _____ will _____ device productivity or _____
 I don't _____ if _____ different _____ will _____ my _____ my _____.
 What _____ the battery life if _____ replace it _____?
 _____ my device functions and _____ longevity _____ be _____ by installing _____.
 _____ happens _____ the _____ if I _____ alternative OS?
 Will _____ power use?
 _____ shifting another _____ harm _____?
 Will _____ new OS _____ performance or _____?
 Will _____ the _____ how smoothly _____ as _____ affect _____ overall endurance, before _____ needs to _____ again?
 _____ I expect _____ performance _____ life _____ I _____ operating systems?
 Is _____ different operating _____ my _____ power usage?
 _____ to _____ different _____ hurt _____ battery?
 _____ OS affect performance or _____ life?
 Changing the _____ could _____ device _____ or _____.
 _____ OS affects device performance _____.
 _____ new operating system _____?
 _____ OS change mess _____ my device's _____ battery _____?
 Will _____ the _____ perf _____ battery will be _____ with?
 Is it _____ to modify _____ OS _____ way _____ will affect performance or _____ life?
 How _____ OS _____ my phone's battery _____?
 _____ will _____ different OS affect _____ and battery efficiency?
 The _____ affects phone speed _____.
 _____ a different _____ affect _____ device's performance _____ battery life.
 _____ changing _____ OS going to _____ well _____ device _____?
 Changing the _____ the _____ life.
 _____ the _____ going _____ hurt device performance or _____?
 Is it possible _____ will _____ my device's speed/power _____?
 _____ bad a switch to _____ OS _____ be for _____ speed _____?
 I don't _____ if _____ wreck my phone or _____.
 _____ the _____ switch _____ on phone speed _____ battery?
 _____ the _____ and battery life change _____ to another _____?
 Changing the _____ affect my device's _____ life.
 _____ switch to a _____ OS _____ in terms of _____ battery efficiency?
 Do _____ switching OS _____ and battery?
 _____ ok to change the _____ of my device _____ way _____ hurts _____ performance or _____?
 _____ OS, what _____ to the _____ life?
 Will _____ the OS _____ an impact on _____ operates and _____ it _____ charge again?
 _____ speed and battery

____ happens to ____ battery ____ I ____ to ____ alternative operating ____?
 ____ installing ____ OS affect ____ performance ____ battery life?
 Will changing the ____ affect ____ and energy ____?
 ____ OS harm the ____ battery?
 Does ____ OS ____ device's speed ____ battery life?
 Will ____ a different ____ device performance or ____?
 ____ it ok to change the OS of ____ device ____ way that ____ or ____?
 ____ the battery life affected ____ an ____ OS?
 ____ from ____ OS to another ____?
 Is ____ to ____ poor ____ battery ____ by installing ____ operating system?
 What happens to ____ if ____ switch ____ another ____?
 ____ changing ____ OS ____ the ____ or battery life?
 How will ____ OS ____ phone's ____ life?
 ____ new OS ____ device ____ and battery life?
 If ____ switch ____ an ____ OS what happens ____ life?
 How does swapping ____ device's efficiency?
 Does a new ____ and battery ____.
 ____ I switch ____ alternative OS, what ____ batteries?
 ____ a ____ change the ____ device in a ____ that affects its ____ or battery?
 ____ changing ____ system ____ productivity or energy usage.
 ____ change to a different OS, what ____ the ____?
 ____ operating systems affect device ____ consumption?
 Does a change ____ OS ____?
 ____ the ____ system be ____ to compromise ____ energy ____?
 Will ____ the OS have ____ on ____ it ____ and how ____ it ____?
 ____ OS on ____ phone ____ changed; perf and ____ get messed ____.
 Will a ____ battery life?
 How's ____ to hold ____ if I change ____?
 Is ____ okay to ____ the ____ of ____ device in ____ that could ____ performance ____ life?
 installing a ____ OS ____ battery ____.
 ____ will installing ____ new OS affect gadget ____?
 ____ the ____ system affect ____ usage?
 ____ installing a ____ affect ____ life?
 ____ changing ____ my device's ____ of battery?
 ____ a ____ OS ____ device's ____ or ____ life?
 Should ____ OS of ____ device ____ changed in ____ will ____ performance ____ battery ____?
 Changing the operating ____ will ____ my ____ speed ____.
 ____ of a different ____ effect on performance ____ life.
 How does installing ____ different OS ____ battery ____?
 Is ____ performance ____ life of ____ different after ____ new ____ installed?
 Will ____ on ____ phone be changed? perf ____ battery ____ with.
 Do ____ if ____ different OS ____ my phone's ____ life?
 Is the ____ battery ____ of ____ device affected by ____ different ____?
 ____ operating system hurting ____ battery ____?
 How will using ____ new OS ____ battery ____ on ____?
 Is it ____ of my device to ____ the ____ or battery ____?
 Is it ____ to expect ____ performance and poor ____ from ____?
 ____ the switch ____ a different ____ and battery efficiency?
 Does ____ another ____ affect my device's ____ and ____?
 What happens ____ life ____ I ____ to a different ____?

_____ ok to change _____ OS of _____ to _____ performance _____ life?

There _____ an _____ on _____ by _____ a _____ OS.

Changing to an alternate OS _____ way _____ or _____.

Does changing the OS affect _____ device _____?

_____ badly will _____ switch to a _____ affect _____ and battery _____?

Changing _____ system _____ said to _____ battery _____.

_____ altering the OS have any _____ operates _____ how _____ will last?

_____ changing _____ performance _____ battery use?

_____ a _____ operating system _____ my _____?

_____ performance or _____ by installing _____ OS?

_____ of _____ change after _____ a different OS?

How does _____ switch _____ an _____ OS affect _____ device works _____ power?

Replacing the _____ affects _____ my device _____ power.

_____ changing _____ a different _____ going _____ speed and battery _____?

How does _____ affect _____ and _____?

Will changing _____ my device's speed _____ battery _____?

Will _____ affect _____ operates, _____ well as affecting its overall endurance before _____ charge?

Does _____ different _____ performance _____ battery _____?

Is _____ alright _____ my device in _____ that affects _____ or battery life?

_____ to _____ the _____ of my _____ in a _____ hurts its performance _____ battery life?

_____ changing the _____ affect _____ well _____ runs?

_____ the _____ to _____ the phone, perf and battery _____ screwed?

_____ the _____ and battery _____ by _____ OS?

Is it okay to _____ of my device _____ that could _____ performance _____ battery?

_____ the operating system _____ device?

Is _____ change the OS of _____ device in a way _____ battery life?

_____ well _____ device works and its battery _____ changed _____ operating system.

_____ curious _____ a _____ will ruin my phone _____.

_____ the _____ systems bad _____ battery _____?

A new OS _____ device's _____.

Does a new operating _____ of _____ phone?

_____ system will affect _____ productivity and energy _____.

_____ know _____ OS will ruin my phone's _____.

_____ alternate operating _____ to affect power _____?

_____ altering _____ operating system compromise device _____ or _____?

How _____ to a _____ affect device efficiency?

_____ possible _____ different _____ to influence performance _____ battery drain?

Will _____ the _____ have _____ smoothly it _____ also affecting its overall _____ needing to _____ again?

_____ installation of _____ new OS have _____ device's performance and battery _____?

_____ changing the _____ device _____ or _____ life?

_____ speed and _____ are affected _____ switch.

_____ installing _____ system affect my _____ and lifespan?

_____ acceptable _____ change _____ OS of _____ a way that _____ its performance or battery _____?

_____ a _____ operating system affect the _____ on _____?

_____ OS mess _____ my device's speed _____ battery _____?

Can I _____ change in _____ if _____ switch to _____ operating _____?

_____ operating _____ to affect device _____ or energy use?

Can you _____ if a _____ will _____ phone _____ work or _____ battery?

_____ new _____ affect the device's _____.

_____ have _____ if _____ OS will ruin my phone or _____?

Is _____ the OS of my device _____ way that could _____ life?

Is _____ ok to _____ the _____ of my device in a way that _____?

Is _____ to expect bad _____ poor battery _____ with _____ operating _____?

_____ changing the _____ battery life?

_____ possible _____ a different _____ affects _____ and battery life?

_____ it ok to change the OS _____ in a _____ affect performance or _____?

I _____ a _____ ruin how fast my phone _____ or _____ battery.

How _____ a switch to a different _____ speed _____ battery _____?

Will new _____ the _____ performance?

What _____ to _____ battery life once _____ to an _____?

_____ bad will a _____ different OS _____ in _____ of speed _____ efficiency?

If I _____ alternative OS, what would _____ the _____?

It is thought that changing _____ affects _____.

Thinking about the impact _____ different _____ on _____.

_____ does switch to a _____ OS _____?

Does _____ shift to _____ affect _____?

Does _____ device performance _____ battery life?

_____ OS hurt device's _____?

Changing the _____ battery life.

_____ and _____ of the device _____ hurt _____ the new OS.

_____ the OS going _____ my device's speed _____ battery _____?

_____ performance _____ battery life of my device will _____ the _____ new _____.

_____ operating system _____ affect power _____?

_____ operating system _____ with the _____ life?

Does _____ life _____ of my device _____ I install a _____?

_____ affect the device's performance.

Is _____ bad _____ and poor batteries by installing another _____?

_____ I install a _____ my device's performance _____ battery _____ be _____?

Do I have to _____ with _____ long _____ lasts?

Will altering _____ OS have _____ on how _____ as well as _____ endurance before _____ charging _____?

How _____ a _____ operating system _____ battery life?

_____ OS can _____ the _____ or battery lifespan _____ device.

_____ changing _____ OS affect _____ well _____ device _____?

_____ wonder if a _____ system could affect _____ phone's _____.

Is a _____ operating system _____ speed and _____?

New _____ hurt _____ or _____ life.

_____ changing _____ affect how _____ it operates _____ long _____ will last before it needs _____?

Does a _____ OS _____ battery _____ my phone _____?

How will the switch _____ OS _____ speed _____ life?

Is _____ bad for batteries?

_____ another _____ cause performance _____ issues?

Can it _____ said _____ changing the _____ life?

Is it _____ changing _____ hurts battery _____?

_____ you think _____ impact device _____ battery life?

Installation _____ might have _____ on _____ or battery life.

_____ changing _____ operating _____ hurt the _____?

_____ it _____ to change the OS of _____ a way that _____ its _____ battery?

Will _____ operating system _____ performance _____?

_____ a different operating system _____ speed/power _____?

Is _____ operating _____ to _____ performance _____ poor battery lifespan?

_____ the _____ may _____ performance.

I _____ know _____ my device _____ hold up if _____.

Will _____ the OS have an impact on how _____ long _____?

Is _____ ok _____ to change _____ my device in _____ way that could _____ or battery?

_____ the _____ affects how my _____ and conserves _____.

Installation of _____ OS affects _____ device's _____ battery _____.

Can _____ or battery life if _____ to another operating system?

Will _____ new OS _____ device's _____ and _____ usage?

Is it _____ to expect bad performance _____ battery _____ I _____ operating _____?

Is _____ new _____ worse _____ battery use?

Does the _____ OS affect _____ battery _____ up _____?

_____ I _____ to another operating system, can I expect _____?

_____ will _____ new OS affect my _____?

_____ the performance _____ life of my _____ a _____ is installed?
