

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Unusual smells or odors inside the car
Inquiry Sub-Category	Chemical smell
Description	Customers inquire about a chemical smell that can be caused by a coolant leak, overheated engine components, or a malfunctioning exhaust system.
Data Size	5,064 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Do ____ specialize ____ diagnosing problems related to peculiar smells, like noxious gases ____ ____ ____ ____ ____?

Are you qualified ____ ____ noxious gases ____ ____?

Do ____ ____ ____ ____ from ____ or industrial sites?

Do you ____ ____ stuff ____ factory ____?

____ fix ____ smells ____ ____ factory fumes?

____ you have ____ ____ ____ such as ____ gases found in ____ plants or ____?

____ you diagnose problems related ____ noxious ____ found in ____ ____ ____?

____ ____ fix stinky ____ like ____ odors?

____ ____ know ____ ____ diagnose smells from ____ facilities ____ factories?

____ you diagnose strange ____ ____ plants or ____ ____?

____ ____ of anyone ____ ____ weird ____ ____ noxious gases used for ____ plants?

Do ____ ____ a specialty in ____ of ____ odors, such ____ the ____ ____ ____ gases ____ factory settings?

Is ____ ____ ____ factory gas ____ specialty?

____ ____ commonly encountered ____ factories, ____ ____ of your specialties?

Do ____ diagnosis ____ odors ____ plants ____ ____ sites?

____ you able to ____ ____ strong smells such as ____ ____ ____ factories?

____ you diagnose ____ related to ____ ____ ____ gases, ____ manufacturing plants or ____?

____ ____ smells ____ smell like ____ fumes?

____ you ____ ____ deal with ____ ____ in factories and manufacturing ____?

Any ____ regarding ____ ____?

Do ____ ____ noxious ____ commonly found ____ industrial ____?

____ you ____ how to ____ ____ aromas ____ factories?

Are ____ ____ ____ ____ like ____ fumes at industrial sites?

____ ____ ____ ____ problems ____ in plants and factories?

Do ____ deal ____ ____ coming ____ ____ facilities?

____ you ____ ____ identify ____ gases at ____?

Specialize in ____ ____ gases that are ____ ____ ____.

____ in analyzing ____ ____ factories?

____ ____ diagnose problems ____ noxious ____ in ____ or factories?

Do you diagnose _____ manufacturing _____?
 _____ you good _____ out problems _____ to _____ odors?
 _____ good at finding _____ related to strong _____ noxious _____?
 Do _____ know _____ to detect _____ manufacturing plants?
 _____ you _____ strange odors, including _____ gases, _____?
 Do you _____ problems _____ to unusual _____ the _____ in factory settings?
 Are _____ dealing _____ unique _____ like factory emissions?
 I wonder _____ can _____ hazardous fumes _____ factories.
 _____ distinguishing offensive _____ in _____?
 Are you _____ of strange _____ plants _____ industrial sites?
 Do _____ diagnose _____ to unusual odors such as _____ hazardous _____ settings?
 _____ with factory gasses?
 _____ handle _____ in factories?
 _____ you able to _____ with _____ in _____ plants?
 _____ diagnose _____ in manufacturing plants?
 _____ you _____ to _____ with _____ at factories and manufacturing plants?
 Any _____ of _____ of abnormal _____?
 _____ you _____ with strange smells in _____ plants?
 _____ you can identify noxious _____ sites?
 _____ you work _____ odor issues _____ plants _____ factories?
 Are _____ identifying _____ found in factories?
 _____ know how to identify noxious _____ commonly found _____?
 _____ you able to _____ factory _____ and toxic _____?
 _____ able _____ deal with smells that _____ factories and _____ plants?
 _____ fix _____ from manufacturing?
 _____ specialize in diagnosing _____ issues _____?
 _____ you _____ the weird smells _____ from _____ places?
 _____ you _____ at identifying issues of _____ manufacturing facilities _____?
 _____ you a _____ in _____ diagnosis of _____ from _____?
 _____ you _____ a specialty in detecting unusual odors, _____ the emission _____ gases _____ factory _____?
 Are _____ the _____ odors from plants _____ industrial sites?
 Do _____ experience dealing with unique _____ like _____?
 Are you known _____ noxious fumes _____?
 _____ you a _____ in _____ from _____?
 Do you have _____ handle _____ like hazardous _____ in _____?
 _____ you _____ problems _____ to peculiar _____ like _____ gases, in _____?
 _____ you _____ a _____ problems _____ to unusual odors in factory _____?
 Is there _____ who _____ how _____ deal _____ unique odors _____ emissions?
 _____ you _____ and toxic fumes?
 Do you _____ found in _____?
 _____ you _____ problems _____ smells, like noxious gases _____ plants?
 Can you help address _____ with _____?
 _____ diagnosis strange _____ including _____ from _____ or industrial sites?
 Do _____ how _____ odd odors inside manufacturing _____?
 Are you _____ identify issues _____ in manufacturing facilities?
 _____ you have _____ to _____ gases found in _____ environments?
 Would _____ be _____ to _____ from factories?
 Are _____ at _____ odors found in _____ sites?
 Are you _____ identify issues related _____ strong smells _____ manufacturing _____?
 Do _____ to _____ noxious gases _____ factory _____ manufacturing plants?

_____ you able _____ diagnose _____ linked _____ unusual odors, such _____ emission of _____ gases, _____ factory _____?

Do you _____ identifying problems linked to unusual odors, _____ hazardous _____ in factory _____?

Do you diagnose _____ by _____ in manufacturing _____ factories?

You _____ funky _____ smell issues?

_____ you _____ with the _____ odors _____ in production facilities?

Any _____ to _____ odors?

Is _____ to _____ stinky _____ like factory _____ and strong _____?

Are _____ detecting noxious _____ at _____ sites?

_____ an expert _____ detection at manufacturing _____?

_____ diagnose noxious _____ manufacturing plants _____ factories?

Are _____ familiar with problems with _____ or _____ facilities?

Do you _____ odor issues _____?

_____ familiar with _____ odors like _____ emissions _____ hazardous fumes in _____?

_____ with _____ like noxious gases _____ factories or _____ plants?

Can you _____ industrial sites?

Are _____ a specialist _____ identifying noxious _____ found _____?

Are you an expert at _____ plants?

Can _____ to address _____ associated with industrial _____ factories?

Are you able to _____ with odors _____ harmful _____?

Do you _____ problems caused _____ gasses _____ in manufacturing _____?

_____ you have expertise _____ issues in _____?

_____ you _____ in _____ noxious _____ from manufacturing _____?

_____ you address _____ with plants _____?

Do _____ need _____ offensive _____ to factories?

_____ gasses in factories?

_____ can fix _____ smells _____ fumes?

_____ you _____ identifying noxious _____ in _____?

Are _____ to _____ gasses _____ manufacturing plants?

Do _____ want to _____ gases _____?

_____ fix strange _____ noxious gases?

_____ you _____ deal _____ harmful gasses in _____ plants?

_____ you know how _____ odd odors _____ plants?

_____ you _____ strange _____ such as _____ gases from _____?

You _____ that look like _____?

Can _____ on _____ knowledge of _____ such as toxic _____ environments?

_____ specialized in _____ gases _____ factories?

Are _____ such as _____ industrial emissions or _____ fumes?

_____ able _____ with smells _____ gases at the factories _____ manufacturing _____?

_____ you _____ deal with strong smells _____ as _____ gasses _____ manufacturing plants?

_____ fix _____ smells, such as _____?

_____ you the _____ on identifying _____ gases _____?

_____ expertise on _____ to factories?

_____ diagnose _____ like _____ manufacturing plants or factories?

_____ you _____ at _____ strange odors, including _____ gases, from plants _____?

Do _____ diagnosis of _____ associated with hazardous _____ factory settings?

Do _____ diagnose _____ noxious _____ found in manufacturing _____ factories?

_____ how _____ diagnose strange odors in _____ plants?

Are you _____ diagnose odors _____ from manufacturing _____?

Are _____ an expert at _____ gases in _____?

_____ you _____ odors _____ factories?

Can you _____ and _____ fumes?

_____ identify _____ like _____ gases in plants _____ factories?

Do you deal with _____ including noxious _____ or _____?

Do you _____ related to _____ as the emission _____ hazardous gases found _____ settings?

Can _____ strange odors associated with _____ and _____?

_____ able to diagnose _____ issues from massive _____?

_____ you familiar _____ like _____ industrial _____ hazardous fumes in _____ facilities?

_____ you _____ identify _____ gasses found _____ factories and _____?

_____ that diagnoses _____ odors?

Do _____ how to identify _____ related to strong _____?

_____ know _____ identify strange odors, _____ noxious _____ found at _____ sites?

_____ you _____ identifying odors, _____ noxious _____ in manufacturing facilities _____?

Can you _____ or strong _____?

Do _____ gasses in manufacturing _____?

_____ with smells _____ are bad in factories and _____ plants?

_____ noxious smells _____ factories and manufacturing plants?

Are you _____ problems related to _____ odors such _____ the _____ of _____?

Do you _____ noxious _____ places?

Do you _____ funky odors _____?

Do you _____ the experience _____ fumes found at _____?

_____ you _____ in detecting odd odors _____ manufacturing _____?

_____ able to _____ issues _____ to stinky manufacturing _____?

Can _____ diagnosis _____ and _____?

_____ familiar with _____ hazardous gases _____ in _____ and plants?

_____ your team _____ the smells found in _____?

Do _____ diagnose _____ gasses _____ plants?

_____ you _____ problems _____ to unusual odors, _____ the emission of _____ factory _____?

_____ bad _____ from factories?

Do you _____ peculiar odors like noxious _____ industrial _____?

Are _____ identify issues related _____ strong odors, particularly _____?

Are _____ noxious _____ at industrial sites?

_____ you _____ to _____ weird smells _____ as nasty _____?

Are you _____ to _____ smells such as _____ in _____?

Would _____ and resolve _____ about harmful _____ encountered _____ production facilities?

_____ you _____ to _____ noxious _____ at industrial sites.

_____ you an expert _____ identifying _____ at manufacturing _____?

Is _____ specialty to _____ odors _____ factories?

_____ with problems caused _____ strange odors like _____ emissions _____ hazardous _____?

Has _____ on odor issues _____ manufacturing _____?

_____ you fix stinky _____ like _____ factories?

_____ specialize _____ detecting noxious _____ from _____?

Do _____ know _____ do when noxious _____ factory and _____ plants?

Are _____ of _____ in manufacturing plants?

_____ you _____ to _____ of strong _____ manufacturing _____ or factories?

_____ experts _____ can diagnose _____ odors?

_____ you _____ at detecting _____ strange odors from _____ or industrial _____?

Think _____ Vapors _____ encountered _____ factories - _____ specialties?

_____ who _____ strange odors from plants _____ sites?

Do you specialize in _____ of strange _____ plants _____?

_____ diagnose problems _____ specific smells in _____ facilities?

Are ____ good ____ detecting ____ from ____?

Do you focus on ____ manufacturing plants?

Do you ____ field that ____ related ____ hazardous gases ____ factory settings?

One of your specialties ____ problems ____ toxic ____ at factories.

Can ____ identify ____ in a ____?

Do ____ diagnoses ____ odors ____ gases from plants?

Do ____ have ____ determine ____ resolve concerns ____ harmful gases ____ in production ____?

____ diagnosis noxious ____ in ____?

Are ____ gases found ____ specialty?

____ to ____ with odors in factories?

____ you specialize ____ puttingrid gas ____?

Are ____ to ____ issues ____ to ____ smells, ____ in manufacturing facilities?

____ you ____ in detecting ____ from ____ or industrial ____?

____ you able to ____ with ____ harmful ____ factories ____ manufacturing plants?

____ good at ____ strong smells in factories ____ plants?

____ expert ____ weird odors in manufacturing plants?

Do you know how to ____ odors ____?

Are you ____ detecting ____ odors ____ are found at ____?

____ possible ____ you ____ diagnose factory ____ and toxic ____?

Can ____ deal with ____ smells ____?

Can you ____ strange ____ often ____ industrial ____?

____ work with ____ noxious ____ factories?

I'm ____ you ____ dealing with odors ____ factory emissions.

____ specialize in puttingrid gas ____ from ____?

Are ____ experts ____ identifying ____ in ____?

Should you diagnose ____ fumes?

____ you ____ detecting ____ fumes ____ at industrial sites?

Do you ____ specialty ____ odors that are related ____ gases ____ in ____?

Do you know ____ with smells associated with ____ plants ____?

Do ____ work with ____ plants?

Do ____ specialize ____ diagnoses of gas ____?

Are you good ____ identifying ____ at ____ sites?

Is it ____ to ____ connected to unusual ____ and ____ factories?

____ specifically ____ stinky ____ manufacturing settings?

Do you ____ odors ____ to ____ in ____ settings?

You fix ____ factory fumes, ____?

____ identifying ____ gases that ____ used in ____?

____ at ____ smells like hazardous ____?

____ you able to ____ found ____ factories?

Can you ____ the ____ associated with ____ and ____?

Are ____ detecting noxious fumes ____ sites?

Any ____ of ____ odors?

Do you diagnoses ____ smells, like noxious ____ in ____ plants ____ factories?

Are ____ an ____ identifying hazardous gasses ____ plants ____?

____ you ____ with problems such ____ emissions or ____ production facilities?

____ you ____ treating unusual odors, ____ emission ____ gases in factory settings?

____ you familiar with ____ caused by ____ production ____?

____ funky factory gas ____ issues?

____ anyone ____ how to diagnose abnormal factory ____?

____ familiar with ____ to odors and fumes ____ production ____?

_____ you know something _____ fumes found _____ sites?
 Is _____ area of your _____ detecting _____ unusual _____ substances _____ with _____ establishments?
 _____ it an _____ of _____ you detect _____ substances _____ manufacturing establishments?
 _____ to _____ issues with strong smells, particularly _____?
 Are you _____ to _____ gases _____ manufacturing plants?
 _____ you experts at _____ at industrial _____?
 Are _____ experts _____ detecting _____ fumes _____?
 Do you _____ manufacturing plants _____ factories.
 _____ you experts _____ strange _____ industrial places?
 _____ you _____ strange odors that are _____ with _____?
 Do you have _____ specialty _____ to _____ found _____ factory settings?
 Are you experts _____ odor _____ plants?
 _____ you _____ noxious _____ in _____?
 Are _____ versed in identifying _____ at _____ sites?
 Do you know _____ to do _____ gases _____ plants _____ factories?
 _____ it possible you _____ experts _____ detecting noxious _____ sites?
 _____ you specialize in diagnoses of odors _____ hazardous _____ settings?
 _____ who _____ factory odors?
 _____ you handle funky _____ smell _____?
 Is there any expert _____ odors?
 Can you _____ with industrial plants and _____?
 Any _____ that can _____ odors?
 _____ you diagnose _____ manufacturing?
 _____ you good at spotting issues related to _____ manufacturing _____?
 _____ the _____ noxious gasses in manufacturing plants?
 _____ you _____ address odors _____ industrial plants and factories?
 Do _____ know how _____ associated with _____ plants _____ factories?
 Can you fix _____ nasty _____?
 Do _____ have the _____ to _____ unpleasant _____ and toxic _____?
 Do _____ problems linked to _____ the emission _____ in factory settings?
 Are _____ in picking _____ noxious _____ at industrial _____?
 Are you _____ identifying _____ gases _____?
 _____ you address _____ in industrial plants _____ factories?
 _____ specialists who _____ diagnose _____?
 Do _____ how to _____ smells like _____?
 Is it an _____ of expertise _____ substances in manufacturing _____?
 _____ you know anyone _____ diagnoses _____ odors _____ manufacturing plants?
 _____ handle _____ hazardous fumes in _____ factory?
 _____ specialize _____ of strange odors from _____ or _____ sites?
 Do _____ problems _____ to smells _____?
 _____ in diagnoses related _____ unusual odors, _____ hazardous gases in _____ settings?
 _____ how to _____ strange odors, _____ noxious fumes _____ at industrial _____?
 _____ diagnose noxious _____ manufacturing plant?
 _____ it possible to diagnose _____ such _____ factory _____?
 Can you _____ smells _____ nasty _____?
 Do _____ have _____ in _____ issues with _____ smelling _____ manufacturing establishments?
 Would _____ be _____ to _____ factory _____ and toxic _____?
 _____ experts _____ identifying noxious fumes _____ industrial sites?
 Are _____ experts in detecting _____ at _____?
 Do you _____ gasses _____ the _____?

_____ you _____ issues caused by the odors _____ ?

_____ you _____ ability to identify issues related to _____ smells _____ factories?

_____ you _____ strange odors, _____ noxious gasses, from _____ or _____ ?

_____ _____ how to identify weird odors _____ noxious _____ ?

_____ you specialize _____ putrid gas _____ from massive _____ ?

_____ _____ solutions to strange smells like noxious _____ plants?

_____ _____ the strange _____ associated _____ industrial plants and _____ ?

_____ you specialists in identifying _____ ?

_____ you _____ like noxious _____ at industrial _____ ?

Are _____ resolve _____ about _____ gases frequently encountered in _____ premises _____ production facilities?

_____ you solve _____ in _____ and factories?

Do _____ diagnose problems linked _____ as _____ emission _____ gasses in factory _____ ?

_____ you _____ smells that come from manufacturing _____ ?

_____ _____ who diagnoses _____ production plants and factories?

Can _____ noxious fumes _____ sites?

Are you _____ nasty _____ manufacturing spots?

_____ you able _____ with _____ in factories _____ manufacturing _____ ?

_____ able to _____ issues of strong _____ at the factories _____ ?

Any _____ factory odors?

Do you know _____ to _____ issues _____ odors _____ gases?

_____ expertise focus on odor issues _____ to _____ ?

_____ expert _____ detecting strange odors like _____ fumes?

Are _____ familiar _____ the issues of unpleasant _____ emissions _____ hazardous _____ ?

_____ you good at detecting _____ industrial _____ ?

_____ diagnoses of factory _____ ?

Do you _____ problems such _____ noxious gases _____ manufacturing _____ ?

_____ you _____ specialist _____ detecting _____ odors at industrial _____ ?

Is _____ any _____ on dealing with _____ harmful _____ emissions?

_____ you _____ with _____ the emission of _____ in factory settings?

Do you know how _____ from manufacturing _____ ?

Are _____ capable _____ handling odors like harmful _____ ?

Able to _____ problems?

Are _____ to _____ to unusual odors, _____ as the emission _____ gases in _____ settings?

Do _____ how _____ deal with noxious gases _____ a factory _____ ?

_____ you able to deal with strong _____ harmful _____ ?

_____ to _____ funky _____ fumes?

_____ you _____ to _____ smells of _____ gases _____ factories?

You fix stinky _____ ?

Do _____ know _____ to diagnose odd _____ plants?

_____ any _____ abnormal factory smells?

_____ deal _____ in factories?

_____ you able to _____ associated with unusual _____ emission _____ hazardous _____ in factory settings?

_____ _____ at _____ are one of your specialties, _____ ?

Are you _____ dealing with issues _____ smells _____ and _____ plants?

_____ toxic _____ encountered at _____ one _____ your specialties?

_____ you have _____ identifying _____ linked to _____ odors, _____ as the _____ of hazardous gases _____ factory _____ ?

_____ address peculiar odors in industrial _____ ?

_____ you _____ dealing with smells from manufacturing _____ ?

_____ you experts _____ found at industrial sites?

Are you _____ identify issues _____ to strong _____ manufacturing _____ ?

_____ you able _____ handle _____ such as _____ gasses _____?

Are you _____ expert _____ identifying _____ factories and _____?

_____ stuff _____ bad smell from factories?

Hey, _____ if _____ have _____ dealing _____ odors _____ factory emissions?

_____ to determine _____ resolve _____ harmful gases _____ factory premises and production _____?

_____ experts at detecting noxious _____?

_____ you _____ problems _____ to _____ such as the emission of _____ settings?

_____ a specialty _____ diagnosis of odors _____ with _____ gases _____ factory settings?

Can _____ diagnose _____ odors _____ fumes?

Can _____ unpleasant factory smells _____?

_____ you handle _____ problems?

_____ odors associated with industrial plants?

Are _____ detecting _____ fumes found _____ industrial sites?

Are you _____ with odors _____ as _____ or hazardous _____ facilities?

Can you diagnose the issues caused _____ the _____?

_____ you _____ deal with _____ like gas in _____?

_____ you _____ how to deal with _____ odors like _____ factory _____?

_____ it possible _____ to unusual _____ and _____ Vapors at factories?

_____ such as noxious gases in manufacturing plants?

Is _____ expertise _____ diagnoses _____ odors?

_____ experts in _____ industrial sites?

Do you have _____ in _____ odors _____ are related to hazardous _____?

Do you _____ odors _____ noxious gases used _____ manufacturing plants _____ factories?

Are _____ able _____ handle _____ issues?

_____ you _____ to _____ problems related _____ smells _____ manufacturing _____?

Is _____ an _____ of _____ expertise where you _____ unusual _____ with _____ establishments?

_____ possess _____ skills to identify _____ fumes found at _____?

_____ deal with funky _____ from _____?

Are _____ good _____ spotting _____ related to _____ odors, particularly _____?

Are _____ proficient at detecting noxious _____ found _____?

Is _____ area of _____ expertise _____ you _____ detect _____ substances at _____ establishments?

_____ you _____ related _____ strange smells such as _____?

_____ handle smelly _____ gasses?

Do _____ identify _____ of strong _____ in manufacturing facilities and _____?

_____ you diagnose _____ associated _____ specific smells from _____?

Do _____ weird-smelling _____ in _____ or factories?

Do _____ how to deal with strange smells, _____ noxious gases _____?

Are you _____ issues _____ industrial odors?

_____ you _____ and _____ concerns about the odors in factory _____ facilities?

Do you _____ in factories?

Are you _____ expert _____ inside manufacturing plants?

Can _____ help _____ odors _____ with _____?

_____ identify smells _____ gases in plants and factories?

Are you _____ deal _____ funky _____ gas _____?

Would _____ be able to _____ and _____ found in production _____?

Do you _____ with _____ in manufacturing plants?

_____ familiar _____ issues _____ strange odors _____ fumes in production _____?

_____ specialists _____ diagnoses factory _____?

Do _____ identify _____ hazardous _____ in _____?

Is it _____ to _____ resolve concerns regarding harmful _____ factory _____ production facilities?

Do ____ concentrate on odor ____ plants?

Do ____ how ____ related ____ smells or noxious gasses?

____ able to ____ concerns about harmful ____ frequently encountered ____ premises?

____ you ____ fix ____ as nasty gases from ____ spots?

____ diagnose strange odors from ____ locations?

____ you familiar ____ identifying ____ smells ____ manufacturing ____?

Do you diagnosis ____?

____ solutions for ____ as noxious gases found ____ manufacturing plants?

Do you ____ to identify ____ gases ____ factories?

Do you know ____ to ____ strong ____ in ____ facilities ____ factories?

____ you able ____ handle harmful ____ in ____ and ____?

____ you ____ odors related to ____ found in factory settings?

____ want ____ identify ____ common to the factories?

Are you ____ issues ____ to unusual ____ substances ____ manufacturing establishments?

____ you ____ weird smells in manufacturing ____ or ____?

Do ____ know ____ to ____ noxious fumes ____ industrial ____?

Does your ____ ability ____ diagnose issues ____ from odors in ____?

Do ____ peculiar odors, like ____ fumes at ____ sites?

Are ____ at ____ fumes at ____ sites?

____ you able ____ deal ____ such as harmful ____ in ____ and ____?

____ Vapors ____ encountered ____ are one ____ your specialties?

Are ____ identifying issues related ____ strong smells within manufacturing ____?

Are you specialized at ____ industries?

Is ____ for detecting abnormal ____?

____ you ____ the expertise to ____ with unique ____ like ____?

____ your ____ on odor issues ____ plants?

Can you specifically ____ smells found in manufacturing ____ places?

____ diagnose problems related to ____ emission of hazardous gases in ____?

Are ____ with strong ____ in factories and manufacturing ____?

You fix ____ that ____ fumes, ____?

Are you experts ____ odor ____ plants ____ factories?

Are ____ to ____ in factories and manufacturing plants?

____ know anyone who ____ odors like ____ gases for ____ or ____?

____ you ____ gases in factories?

____ address ____ odors ____ with industrial plants ____ factories?

Do ____ focus ____ issues at ____?

____ detecting noxious fumes from ____?

Do you ____ problems related ____ from ____?

Are ____ able ____ issues ____ strong ____ particularly ____ gases, in ____ facilities ____ factories?

____ you know how ____ find ____ at ____ sites?

____ you ____ specialist in the ____ from factories?

____ have the ____ diagnose ____ related to ____ manufacturing settings?

Can ____ diagnose ____ stemming ____ odors ____ in manufacturing ____?

____ possible ____ you have ____ with ____ odors like ____ emissions?

____ your ____ from the odors found in manufacturing ____?

____ you ____ with problems linked ____ such ____ emission of ____ gases ____ in factory settings?

Are you ____ in diagnosis ____ strange ____ or ____ sites?

Is ____ expertise about ____ in ____ or manufacturing ____?

Do ____ focus ____ that come from ____?

____ solutions to strange smells ____ noxious gases ____ plants?

Do _____ in _____ gas problems _____?

Do _____ diagnoses strange _____ manufacturing _____?

_____ you _____ in finding _____ at _____ sites?

_____ toxic _____ at _____ one of _____ specialties?

_____ able _____ diagnose _____ factory smells?

_____ able to deal _____ smells such as _____ plants?

_____ gases in factories and manufacturing plants?

_____ problems related to _____ found in manufacturing _____ or _____?

_____ you know how _____ noxious _____ manufacturing processes?

_____ you _____ fumes in a _____?

_____ you _____ noxious gases _____ factories?

Are _____ the _____ of manufacturing facility _____?

Are _____ able to _____ solutions _____ smells, such _____ gases found _____ manufacturing _____?

_____ you focused _____ coming from _____?

Do you diagnose _____ related to _____ noxious gases found _____ factories?

Can your _____ issues stemming _____ odors in _____?

Are you experts _____ with _____ like _____ emissions?

Do _____ specialize in _____ problems related _____ odors, _____ the _____ of hazardous gases _____ factory _____?

Do you have _____ diagnose odors and _____?

Do _____ work _____ noxious aromas _____?

_____ hazardous gases in factories and plants?

Are _____ an _____ distinguishing _____ found in _____ and factories?

Is it possible _____ have _____ unique odors _____ factory _____?

Do you _____ smells like _____ in _____ plants _____ factories?

_____ you specialize _____ diagnoses of _____ manufacturing facilities?

Can _____ address _____ odors associated _____?

_____ you an _____ smells from factories?

Do you work _____ noxious _____ factories?

Do you diagnose _____ facilities?

Are you _____ at handling strong _____ plants?

_____ you _____ the skill _____ identify noxious _____ at _____ sites?

_____ you _____ gases located _____ factories?

_____ it _____ area _____ your expertise, _____ issues _____ unusual smelling substances associated _____?

_____ find _____ with noxious gasses _____?

_____ how _____ identify noxious _____ coming from _____ processes?

Are you _____ expert _____ odors _____ facilities?

_____ identify _____ like toxic _____ in _____?

Do you _____ smells like _____ gases _____ and _____?

_____ in identifying noxious _____ found _____ factories?

_____ there _____ like factory _____ that you _____ diagnose?

_____ your team have _____ diagnose _____ related to _____ found _____ settings?

Are _____ at detecting _____ from plants _____ sites?

I'm wondering _____ have experience _____ with odors _____.

_____ you able _____ with _____ problems in _____?

Do you _____ diagnoses _____ noxious gasses used _____ factories?

Do _____ diagnosis _____ gasses _____ manufacturing plants?

Do _____ smells, _____ as noxious gases in factories?

_____ identify _____ gases _____ factory environments?

Are you fixing _____ like _____?

_____ you specialize in _____ of unusual _____ substances _____ establishments?

Are you _____ in identifying noxious _____ found _____?

_____ address _____ manufacturing plants and factories?

Are you experts _____ detecting peculiar _____?

Do _____ have _____ in _____ hazardous gases found in _____ settings?

Are you _____ at _____ relating to _____ smells in _____ facilities _____?

Are _____ strange _____ at industrial sites?

Are _____ expert in detecting _____ found _____ sites?

Are _____ able to _____ from _____ industrial sites?

_____ identify noxious _____ manufacturing?

_____ common _____ factories one of _____ specialties?

Are _____ able _____ smells like gases in _____?

Do you _____ and _____ or industrial sites?

_____ you _____ with _____ of unpleasant odors _____ production _____?

Do you _____ the _____ to diagnose _____ factory _____?

Is there anyone _____ the _____ from production _____?

_____ have _____ in analyzing odors _____ gases in factory settings?

Are you _____ in _____ at manufacturing sites?

Are you able _____ unpleasant _____ smells _____?

Do you _____ linked to _____ smells _____?

Do _____ problems related _____ strange _____ found _____ and factories?

Do _____ who _____ odors like noxious gases used in _____?

Do _____ specialize in the _____ of strange _____ from _____?

Are you _____ in _____ found _____ industrial sites?

Are you an _____ hazardous gasses found _____ plants _____?

Can _____ rely on _____ to _____ and toxic _____ in _____ environments?

_____ you an expert at _____ strange _____?

_____ fix _____ factories?

_____ from plants and industrial sites?

Are you _____ expert _____ from plants _____ industrial sites?

Capable _____ with _____ factory _____ problems?

Do you _____ experience _____ noxious fumes found _____ industrial _____?

_____ a specialty _____ detecting problems related to _____ odors, such as _____ of _____?

_____ you find _____ to _____ gases found in factories?

_____ you familiar with _____ caused _____ odors _____ industrial emissions _____ fumes?

Are _____ an _____ in identifying _____ manufacturing sites?

Are _____ able _____ to strange _____ such as _____ gases _____ factories?

_____ you _____ peculiar odors related _____ industrial _____ and _____?

_____ specializing _____ identifying offensive _____ factories.

Is it possible _____ you _____ dealing with odors _____?

You fix bad _____?

_____ odor issues related to _____?

Is it possible you _____ unpleasant _____ fumes?

_____ you _____ on _____ found in factories?

Are you _____ at identifying noxious _____?

_____ you expert in _____ commonly _____ industrial sites?

Is it _____ that _____ with unique smells like harmful _____?

Are you an _____ at smelling _____ gases _____ and _____?

_____ you _____ issues related to weird smells _____ manufacturing _____?

Is _____ who diagnoses _____ odors used _____ plants _____?

_____ you diagnose _____ like factory _____?

Are _____ problems with strong _____ in factories _____ plants?
 _____ you _____ who _____ tackle the fumes _____ production _____?

Do _____ fix smells _____?

Are _____ an expert _____ odd _____ at manufacturing _____?

Do _____ diagnose _____ in factories _____ manufacturing _____?
 _____ you _____ fumes?
 _____ fix strange _____ as nasty gases from _____?

Are you an _____ detecting _____ odors _____ at _____?

Is it _____ determine _____ concerns about _____ aromas and _____ gases _____ premises?
 _____ strange odors _____ plants or industrial _____?
 _____ how to _____ smells, particularly _____ gases, _____ manufacturing facilities?
