

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Technical support for mobile applications
Inquiry Sub-Category	Connectivity and network errors
Description	Customers may reach out for assistance when facing issues related to internet connectivity or network errors that prevent mobile applications from working properly or accessing online features.
Data Size	6,190 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Could ____ problem ____ connecting be ____ to a configuration ____ ____ packages?

____ clashes between installed software ____ might be ____ the ____.

Conflicts ____ deployed ____ setups ____ thought to be ____ connectivity ____.

____ with ____ be caused ____ a software conflict.

It's possible ____ incompatible ____ my ability ____ connect.

Is ____ a software conflict ____ is ____ connection ____?

When ____ to ____ a ____ packages cause obstructions?

Connection problems ____ to ____ software setup.

____ the issue ____ due to a conflict ____ installed ____.

Is ____ that ____ with ____ is caused ____ a configuration ____?

It ____ the problem lies ____ incompatible software ____.

Conflicted ____ configurations could ____ the ____ connection issue.

____ connection ____ due ____ package ____ up?

Conflicts ____ to blame for ____ connecting.

It ____ possible that the ____ due ____ a conflict ____ software ____.

Is ____ caused ____ conflicting ____ configurations?

Connection problems might ____ something to ____ conflicts ____ software ____.

____ possible ____ conflicts ____ apps ____ the cause of my ____ issues?

configuration ____ among ____ are affecting ____ ability ____ connect?

I wonder if ____ with connection might ____ to do ____ settings ____.

Conflicts between different ____ the ____ problem.

Is my ability ____ to ____?

Is these connection problems ____ configuration conflicts ____?

____ conflict involving installed software ____ could be ____ cause ____ the ____.

____ there ____ issues connecting ____ incompatible ____?

It's ____ the ____ is an ____ software installations.

The ____ problem ____ have something ____ do ____ incompatible software ____.

Is ____ there's a ____ on ____ the software?

Conflicted software ____ are possible _____.
 Is ____ a ____ between ____ setup ____ and ____ problems?
 Is ____ chance ____ might ____ my ability to connect?
 ____ between ____ configurations ____ be ____ reason ____ problems connecting.
 conflicting installed software ____ the reason _____.
 ____ between different ____ packages may result in _____.
 ____ a software ____ causing issues _____.?
 Does a ____ my ____?
 Is the ____ with my ____ to tangled-up ____?
 ____ was ____ incompatible software installations?
 There ____ be ____ issue ____ mismatches among ____ software ____.
 ____ package configurations ____ to blame for ____ issues.
 ____ between ____ package configurations ____ cause ____ problem.
 ____ installed software packages ____ be the ____ of ____ connection ____.
 ____ issue ____ to the conflicts ____ the ____ package?
 Conflicting ____ configurations cause _____.
 ____ clashes between ____ packages are ____ to connection ____.
 ____ is ____ of the configuration conflict with _____.?
 configuration ____ software ____ to affect ____.
 Maybe ____ problem lies ____ configuration ____ with ____ packages?
 The ____ could be related ____ with ____ software.
 I'm ____ the connection issue ____ to ____ with ____ settings of installed _____.
 I'm ____ the issue ____ to do ____ conflicting ____ installed software packages.
 Do ____ connection issue ____ related to software ____?
 ____ cause trouble connecting.
 ____ could ____ to blame ____ error?
 Is ____ chance ____ is caused ____ conflicting ____ configurations?
 ____ possible ____ software ____ impact my ability to ____?
 Do you ____ incompatible ____ will affect ____ connect?
 Conflicts among ____ setup may be related ____ issue _____.
 ____ problem ____ connecting be ____ by conflicting ____?
 Is ____ possible ____ from different installed ____ behind ____ issues?
 ____ configurations may ____ problem.
 ____ connecting ____ arise ____ to incompatible settings between _____.
 ____ it possible ____ the issue is ____ in the software ____?
 Maybe ____ is ____ to incompatible ____ of software ____?
 ____ problem ____ connection ____ related ____ the conflicting settings of the software ____.
 Is it possible that ____ tangled-up softwares?
 The ____ be malfunctioning ____ a ____ conflict.
 Is ____ misconfigured packages can ____ it ____ to ____ a ____?
 ____ software configurations ____ connection ____
 ____ is ____ possibility that ____ with connecting ____ be ____ a ____ conflict.
 ____ between the ____ connections.
 ____ among software setups may be _____.
 I'm ____ problem with connection ____ to do with conflicting ____ packages.
 ____ problem ____ that incompatible software installations ____ connection ____?
 ____ because of a ____ the software packages.
 ____ making ____ connection not work?
 Can ____ the tangled-up ____ the slow ____ connections?
 ____ issues ____ to ____ caused by conflicting configurations from various programs?

Is _____ possible that _____ configurations from _____ behind issues?

When trying to establish _____ connection, _____ misconfigured _____ ?

_____ among my _____ applications affect my _____.

_____ it possible _____ connection is _____ because _____ a software _____?

There _____ be a chance _____ problem _____ software _____.

_____ could be _____ conflicting _____ configurations.

_____ a possibility _____ could be because of a configuration _____.

_____ issue connecting is possibly due _____ a _____.

Conflicts _____ the different software _____ might _____ to _____ for the _____.

_____ conflicts in _____ packages _____ to the _____ issues?

Problems _____ could _____ caused _____ an _____ software _____.

_____ possible that _____ is a mismatch in configured _____ ?

_____ come this _____ is related _____ a _____ with _____?

Conflicts between _____ configurations may _____.

_____ because _____ configuration conflict _____ the software?

Conflicts between package configurations _____ for _____ connecting.

_____ the problem _____ an incompatible _____ software _____?

Conflicts _____ software packages' _____ the connection _____.

_____ among _____ may _____ affecting my ability to _____

Is _____ installations of software?

_____ between software packages' _____ could cause _____.

Maybe the _____ incompatible software _____.

Maybe it's because of _____ conflict _____.

Is it _____ that conflicting _____ programs are the _____ of _____?

Is _____ possible _____ a _____ conflict with installed _____ the _____?

_____ package configurations _____ to _____ for connecting issues.

Conflicting _____ the connection issue.

_____ it possible _____ issues _____ connectivity _____ by incompatible configurations from _____ programs?

_____ wondering _____ the problem _____ connection _____ have to _____ conflicting settings _____.

_____ you think _____ the software _____ connection issue?

_____ issue with _____ a conflict in the software _____?

Is it _____ a _____ conflict is causing _____?

The _____ connecting might be _____ to _____ with the _____ is _____.

Conflicts _____ setup may _____ related _____ problems with _____.

Is there a _____ conflict _____?

Is it possible _____ configurations from _____ installed programs _____?

_____ software _____ causing the _____ connecting.

Maybe the _____ installations affecting connection performance?

Maybe the _____ incompatible _____ that _____ connection performance.

_____ that _____ packages _____ it hard to _____ a connection?

_____ software _____ be to blame for the connection _____.

_____ it possible _____ tangled-up _____ to blame for _____ issues?

_____ problem may _____ by conflicting software _____.

_____ connecting issue might be _____ conflict _____ software.

_____ issue related to _____ package conflicts?

_____ it possible _____ software _____ my ability _____ connect?

Is it possible _____ may _____ conflict in the _____?

conflicting _____ software could _____ to _____ connection _____

_____ issue connecting _____ by a conflict _____ software.

_____ among _____ setup may be _____ connectivity issues.

Is it ____ for ____ software ____ affect my ____ ____ ____.

____ it possible ____ conflicting configurations from ____ programs ____ the ____?

____ problem related ____ conflicts ____ software setups?

Connection problems may ____ to ____ clash between ____ ____.

____ a connection issue ____ conflicts in the software ____?

____ between software ____ configurations ____ cause ____ connection ____.

____ it ____ configurations from various installed ____ behind ____ relating to connectivity?

Is ____ a chance ____ affects ____ ability to ____?

____ a ____ conflict ____ affecting the ____?

There ____ a ____ that the ____ with connecting ____ by ____ conflict.

Is ____ possible due ____ conflicting ____ ____?

It ____ trouble ____ could ____ caused by ____ software configurations.

It ____ that trouble ____ incompatible software configurations.

Conflicts ____ software ____ be ____ causes the connection ____.

____ an ____ package make it ____ to ____?

____ is ____ the problem is ____ by ____ software.

Conflicts ____ software packages' ____ cause the ____.

____ conflict with ____ software ____ connection?

____ software ____ my link?

____ issue ____ be due to ____ conflict with ____.

____ don't know ____ the problem with ____ due ____ settings of ____ software ____.

There ____ a chance ____ is ____ to conflicting ____ configurations.

Maybe the issue ____ due to ____ mismatches ____.

Conflicts ____ our software ____ be ____ for some issues ____.

____ problem ____ hooking ____ could ____ related to incompatible software ____.

Do you ____ connection ____ is ____ to ____ software ____?

Conflicted ____ could ____ for the problem.

Problems connecting ____ arise ____ incompatible ____ between ____

____ to conflicts ____ the software setup?

____ to installed ____ could ____ the cause of ____ troubles.

____ settings between ____ saved ____ may ____ connecting

Is ____ chance that trouble connecting ____ conflicting ____ configurations?

____ my ____ because of ____?

I wonder ____ with ____ related to ____ of ____ software packages.

____ installed applications are ____ my connection

____ problems ____ be caused by ____.

____ connection performance may ____ software installations.

Conflicts ____ apps ____ possible ____ be behind ____ issue.

____ various installed programs ____ the issues?

Conflicts ____ package ____ problems connecting.

____ package ____ could be to blame ____ connecting.

Are the issues with ____ software conflict?

Do you ____ in the software ____ connection issue?

____ there a conflict ____ and ____ connection?

____ problem hooking ____ may be ____ to incompatible ____.

Connection ____ may ____ affected ____ incompatible ____

____ the ____ software ____ be the cause of ____ connecting.

I'm wondering ____ the connection problem ____ have ____ with ____ settings ____ the ____.

Software conflicts ____ the trouble ____.

Conflicts ____ may ____ associated with problems ____.

_____ the software clash _____ ?

Conflicts between different _____ configurations might _____ problem.

conflicting _____ configurations could _____ issue.

_____ it _____ conflicts among the _____ setup?

_____ software packages _____ be the cause _____ connection problem.

There is a possibility _____ problem _____ due to a _____.

_____ be to _____ for connection issues

_____ be _____ the trouble connecting.

Configuration _____ affect connections.

_____ there _____ chance _____ the problem lies _____ software _____ ?

_____ it possible _____ software _____ affecting connections?

_____ clashed between installed software _____ to _____ connection problems.

I wonder _____ stupid _____ hooking up _____ something to _____ software _____.

_____ it _____ that _____ configuration conflict _____ the cause _____ connecting?

_____ deployed software _____ may have _____ connection to _____.

The problem of _____ could _____ to incompatible _____.

_____ it _____ that incompatible _____ connection?

Is _____ the problem lies in _____ configurations?

Is there _____ of _____ connecting _____ software configurations?

_____ that incompatible _____ will _____ my ability to _____ ?

_____ problem with hooking up _____ software?

_____ a problem _____ software installations _____ connection performance.

Maybe _____ of _____ configuration conflict _____ packages.

_____ connection issue _____ to the _____ the _____ packages?

_____ among _____ software _____ may _____ to the issue _____ connectivity _____.

Problems _____ arise due to _____ programs.

_____ come this problem connecting is _____ a _____ ?

Is _____ possible that connectivity _____ conflicting _____ software packages?

Is _____ problems _____ by conflicting _____ ?

_____ is a _____ being in conflicting software _____.

Does _____ have _____ do with _____ software configurations?

conflicting software _____ may _____ the _____ issue.

Conflicts between _____ configurations could cause a _____.

_____ because of _____ configuration conflict with installed _____ ?

_____ to the _____ conflict _____ our installed software packages?

_____ is _____ that the _____ due _____ conflicting installed _____.

Maybe _____ with hooking _____ related to incompatible _____ ?

Is _____ problem related _____ the _____ our installed _____ ?

Is it _____ that _____ is _____ by incompatible software?

I'm wondering if _____ problem _____ could _____ with _____ settings _____ software.

Conflicts _____ deployed _____ might be _____ connection _____.

It's possible that _____ connection problems _____ to _____.

_____ it possible _____ lies _____ software configurations?

Is _____ a _____ with _____ among deployed _____ ?

Is it _____ installed _____ are making _____ connection?

Is the _____ connection due _____ the software packages?

_____ possible that the issue _____ due to _____ software.

Connection _____ may be _____ packages.

There _____ configuration _____ the software.

_____ wondering _____ the problem with _____ might _____ settings of the _____.

Connection issues ____ be ____ by conflicting ____ programs.

Is the problem with the connection ____?

____ a ____ clash interfering ____ my ____?

Is ____ link being ____ by ____ software ____?

____ possible ____ connections are hampered by tangled-up ____.

Is it possible ____ conflicting ____ of ____ issues?

____ there be ____ problem ____ due to ____ software ____?

____ deployed software setup ____ be ____ blame for ____ problems.

configuration clashes ____ packages ____ be linked to ____ problems.

____ wondering if ____ with connection ____ do ____ conflicting ____ of software.

____ possible ____ trouble connecting ____ to conflicting software ____.

Is ____ my link?

____ among deployed software ____ may ____ to the issues ____.

Is ____ connection issue ____ conflicts?

Is ____ that ____ is a ____ of conflicting software ____?

____ is a mismatch in ____ settings of ____ applications.

____ is ____ the problem lies ____ software configurations.

____ Connection issue may ____ caused by ____.

configuration ____ be affecting my ability connected

Is my ability ____ to ____ affected ____ incompatible ____?

____ it ____ that tangled-up ____ are to ____ for ____ network ____?

____ this connection ____ is not ____ nice with ____ other?

Conflicts between ____ configurations ____ connecting.

I'm ____ if ____ might ____ conflicting settings of the software.

____ problems ____ something to ____ clashing between software packages.

____ installed ____ could ____ the cause ____ the ____.

____ the problem ____ due ____ a conflict with ____?

There's ____ problem ____ connecting is related ____ a configuration ____.

____ between package configurations may ____ blame ____ problems.

____ conflicts between software ____

____ issue ____ might be ____ to ____ conflict with ____ installed ____.

I'm ____ if the problem ____ due ____ settings in the ____.

____ could possibly ____ blame ____ the connection issue.

Is ____ to ____ software?

There might ____ a ____ due ____ installed software.

There ____ a ____ software ____ behind the issue connecting.

____ conflicts between software ____.

____ not ____ if the problem ____ related ____ settings of ____ software packages.

Conflicts ____ setup ____ be to ____ for the ____ problems.

____ it possible ____ softwares are to blame ____ my ____?

____ the ____ possibly caused by ____ package ____?

Are ____ conflicts ____ the ____ related ____ the connection ____?

Is ____ possible that conflicting configurations ____ are ____?

____ be ____ reason for the connection issue.

____ connecting issue ____ be ____ a conflict ____ software.

configuration conflicts ____ software are ____

Conflicts between ____ software packages may ____ some ____ connecting.

Could ____ cause ____ problem when trying ____ connection?

Is it possible that ____ conflicting ____ different ____?

Conflicts ____ different software ____ be ____ blame for ____ problem.

____ problems are ____ ____ ____ clash between software ____.
 ____ possible ____ ____ with ____ software causes the problem?
 I'm ____ if the issue with connection ____ ____ ____ with ____ ____ ____ software packages.
 Connection problems ____ ____ ____ configuration conflicts ____ software packages.
 Is ____ configurations ____ various ____ programs the ____ ____ ____ issues?
 ____ the problem with ____ ____ ____ installed ____?
 ____ the ____ ____ limiting my ____?
 ____ incompatible ____ ____ problems connecting ____ programs?
 Maybe ____ ____ with ____ ____ is related to ____ ____ installations.
 Is it possible ____ ____ ____ my ____ to connect?
 ____ is a possibility ____ ____ problem ____ ____ incompatible combination of ____ ____.
 Is ____ ____ the issue is ____ to a ____ ____ the ____ ____ packages?
 The stupid ____ with ____ ____ ____ to do ____ incompatible software.
 ____ ____ related ____ ____ software ____ may ____ ____ blame for connecting troubles.
 ____ there a ____ between ____ ____ ____ software setup and ____ problems?
 Is it possible ____ ____ relating ____ ____ are ____ by conflicting configurations ____ ____ installed ____.
 ____ installed ____ could be to ____ ____ the connectivity ____.
 ____ is ____ chance ____ problems ____ are ____ ____ conflicting software configurations.
 Maybe ____ ____ is the ____ ____ incompatible ____ installations?
 Are the ____ ____ ____ to the ____ clash between the ____ ____?
 ____ might be ____ ____ a ____ conflict ____ the ____ packages.
 Software battles may ____ ____ ____ connecting.
 ____ installed software might ____ to ____ for ____ ____.
 Is there any ____ ____ problem lies in ____ ____?
 It could be because of a ____ ____ ____ ____ ____.
 Conflicts in the ____ packages ____ be ____ cause ____ ____ connection ____.
 ____ ____ ____ that ____ configurations from installed programs ____ ____ ____ relating to connectivity?
 ____ wondering if ____ ____ ____ might have to ____ ____ conflicting ____ of the software.
 ____ ____ sure ____ the problem ____ ____ ____ related ____ conflicting settings of software ____.
 ____ connecting can be caused by ____ ____ ____ programs.
 Is ____ connection ____ ____ ____ conflicts with ____?
 ____ it possible that there ____ a ____ ____ ____ configuration and ____ ____?
 Is ____ ____ that ____ ____ configuration ____ ____ to the software?
 Maybe ____ issue ____ with ____ ____ ____ that ____ connection performance?
 Conflicting ____ configurations are suspected ____ ____ the ____ ____.
 ____ the ____ caused by ____ configurations ____ the ____?
 ____ ____ think ____ ____ issue is related ____ the ____ in ____ software?
 ____ ____ connection ____ ____ by software package ____?
 ____ there a ____ that trouble connecting ____ ____ ____ conflicting ____?
 ____ ____ be ____ ____ conflicting software.
 Is ____ possible that conflicting ____ ____ various installed ____ are ____ ____ ____ to ____?
 ____ ____ stupid problem ____ ____ ____ due to incompatible ____ installations?
 ____ it ____ ____ conflicts ____ software are ____ the connection?
 Is ____ problem with ____ ____ ____ ____ related to ____ conflict?
 Is it ____ ____ ____ ____ hard to establish a connection?
 ____ software ____ ____ ____ to blame for the connection ____.
 Conflicts among deployed software ____ may ____ ____ ____ problems.
 Is ____ possible ____ conflict ____ ____ affect ____?
 I'm ____ if the ____ ____ ____ related ____ the conflicting settings ____ ____ ____.
 The issue ____ ____ be ____ of ____ ____ ____ installed software.

Could it ____ that ____ is ____ software configurations?
 Connection ____ may ____ related to configuration clashed _____.
 Is ____ that ____ are configuration ____ software packages?
 Conflicting ____ could ____ the cause of _____.
 configuration ____ between ____ software packages ____ linked to ____
 ____ problems ____ be ____ the ____ of the software.
 Is ____ due ____ conflicting ____ software?
 ____ may ____ because of ____ settings.
 ____ is possible that ____ are due ____ software.
 ____ of ____ could be to blame ____ the _____.
 Conflicts ____ different ____ packages ____ cause the _____.
 Can incompatible ____ to connect?
 ____ configuration ____ related ____ software packages the reason ____ troubles?
 ____ the ____ due to conflicts between different ____?
 There ____ a chance ____ could ____ caused by conflicting _____.
 There ____ a software conflict causing ____ with _____.
 ____ conflict ____ can ____ the connection
 ____ wondering if ____ problem ____ connection ____ with conflicting settings ____ software packages.
 ____ could ____ a ____ the settings of ____ installed _____.
 Is ____ being hindered ____ software ____?
 ____ it ____ that ____ a problem with ____ software?
 Is ____ possible that ____ to ____ are related to conflicting ____?
 Is it ____ that ____ connection issue ____ related to ____?
 ____ for ____ arise ____ a result of incompatible settings?
 The problem of ____ may ____ something ____ software installations.
 conflicting ____ might ____ blame ____ the connection issue.
 ____ by conflicting installed software.
 There may ____ an issue ____ software packages.
 There ____ error caused ____ programs.
 conflicting ____ be to blame for ____
 ____ it's because ____ configuration ____ in the software ____?
 There may be an ____ combination ____ software _____.
 ____ there a connection ____ among deployed ____?
 Conflicts between package configurations could be _____.
 Maybe ____ problem is ____ result of ____ configuration ____ with _____.
 Is ____ hampered ____ software clash?
 ____ between ____ configurations ____ to problems _____.
 ____ between ____ different ____ package ____ may cause ____ connection _____.
 ____ a ____ because of ____ package conflicts?
 ____ problem ____ to ____ among software ____?
 Is there any chance ____ trouble ____ be caused ____?
 Maybe ____ problem ____ software installations.
 ____ it ____ that misconfigured ____ obstacles when trying ____ a ____?
 ____ could ____ conflict with the software packages.
 ____ can ____ caused by incompatible ____ between _____.
 ____ attempting to ____ a ____ misconfigured packages ____ obstacles?
 There is a possibility ____ is causing ____ issues.
 configuration clashes between installed ____ connection problems.
 ____ my link ____ by ____ software ____?
 ____ that ____ problem with connection ____ to ____ with conflicting settings of ____?

The issue connecting _____ a conflict with _____.
 A conflict _____ be _____ blame for _____ issue connecting.
 _____ connecting as a result _____ incompatible settings?
 There is a _____ the issue is due _____ in _____.
 Is _____ problem with connection related _____ conflicting _____?
 Conflicts between _____ may be _____ reason for _____ connecting.
 _____ possible that _____ software _____ causing issues with _____ connection?
 Is the _____ conflicts _____ the software package?
 _____ is _____ to conflicting _____ configurations.
 _____ the _____ to _____ among the deployed _____ setup?
 Is _____ a conflict with _____ is _____ connection?
 _____ it _____ could make establishing a _____ hard?
 Is _____ that the _____ is caused _____ the _____?
 _____ may be _____ conflict that is causing _____ with _____.
 _____ installed software _____ blame for this goddamn issue _____.
 _____ it _____ incompatible _____ affect my ability to _____
 conflicting installed software _____ be _____ connectivity _____
 _____ to _____ a connection, _____ packages _____ any issues?
 Connection can _____ disrupted _____ conflict with _____.
 _____ it possible that _____ a _____ with _____ software _____?
 _____ conflict with _____ software _____ the connection?
 Conflicted _____ configurations can _____.
 configuration _____ software _____ be affecting _____
 configuration _____ software _____ connections
 _____ it _____ of a _____ with the software _____?
 Connection issues _____ caused _____ a conflict _____.
 _____ configurations might cause _____.
 Conflicting software _____ to _____ for _____ connection issues.
 There is a _____ be _____ software configurations.
 Connection _____ be connected _____ conflicts related to _____ software _____.
 Is it _____ that the _____ is _____ a conflict in _____?
 The _____ while connecting could be caused _____ in _____.
 misconfigured packages might _____ to establish _____ connection.
 configuration conflicts among _____ installed applications _____ my _____
 When _____ establish a connection _____ packages _____ it _____?
 Is _____ that _____ packages could cause _____ when trying _____ connection?
 _____ the problem _____ to _____ software?
 Is it possible _____ of _____ connections?
 The problem _____ conflicting software _____.
 The _____ hooking up _____ be _____ incompatible _____ installations.
 _____ troubles _____ to _____ conflicts in installed software _____.
 _____ might be _____ configuration conflicts with _____ packages.
 _____ possible _____ between _____ are the cause of my connection _____?
 _____ may be _____ for the trouble connecting.
 _____ of a configuration _____ with the installed _____.
 conflicting software _____ may be _____ the _____.
 The _____ problem hooking up _____ be _____ to _____.
 Conflicted _____ could _____ causing _____ issue.
 _____ possible the _____ is _____ a _____ the software packages?
 Conflicts _____ package configurations _____ to _____ difficulties connecting.

Maybe _____ due _____ mismatches _____ the software packages.

Conflicts _____ configurations _____ to blame for _____ problems.

_____ package configurations _____ cause problems _____

_____ configurations may cause problems _____.

Is it possible _____ installed _____ creating _____ and _____?

There is _____ chance _____ the problem _____ software _____.

_____ software _____ configurations _____ cause the _____ problems.

Can _____ be problems _____ with _____?

_____ among _____ software _____ be _____ issue of connection problems.

Conflicts between _____ software packages' _____ the connection _____

Is this possibly _____ conflicting _____ programs?

When _____ to establish a _____ packages _____ a _____?

_____ the _____ caused by _____ package _____?

_____ it possible _____ conflict _____ to installed software?

Do you believe the _____ could _____ software packages?

Is _____ a chance _____ the problem _____ by conflicting _____?

Is it _____ configuration conflict with a _____?

Might the _____ configuration of our _____ packages?

_____ a _____ that a _____ is affecting the _____?

configuration _____ installed applications _____ ability connected

_____ installed software _____ may be _____ to these _____ problems.

Isn't the issue _____ to a _____ software?

Is _____ connection _____ linked _____ software _____?

_____ tangled _____ softwares hampered my network connections?

Is _____ possible _____ a configuration _____ with the _____?

_____ the connection _____ incompatible software?

_____ the _____ by a _____ our software packages?

I'm _____ with connection might have to _____ of the _____ packages.

Maybe _____ are _____ the trouble _____.

Is it _____ configuration conflicts _____?

The issue _____ may _____ a conflict _____ installed _____.

configuration _____ between installed software _____ may be _____ cause _____.

_____ between _____ packages _____ the _____ problem.

_____ up may _____ caused by incompatible software _____.

configuration _____ among my _____ my ability connected

Is it possible _____ a configuration conflict?

Software clashed _____ be _____ the _____.

Conflicted software _____ may cause _____.

_____ that trouble connecting _____ caused by _____ configurations?

Maybe _____ problem is _____ incompatible _____ software?

Connection issues may be _____.

Installation of _____ be to _____ connection problems.

The issue _____ might _____ because of _____ software.

_____ the connection problem _____ among deployed software _____?

Could a _____ software disrupt _____?

_____ if _____ with connection _____ do with conflicting settings of _____.

configuration clash _____ could be _____ blame _____ connection problems.

_____ of software _____ may _____ blame for the _____ connecting.

_____ connecting _____ occur due _____ incompatible _____ between _____ programs.

It's possible that _____ is _____ by incompatible _____.

_____ problem due _____ with software?

Is _____ any _____ that _____ connecting _____ caused _____ incompatible _____?

Conflicts among deployed _____ may be _____ problems.

_____ it _____ the _____ with connecting is _____ to _____ conflict?

_____ it possible that _____ relating to _____ caused by _____ various _____?

Is _____ likely to affect _____ connect?

_____ a _____ the problem with _____ is due to _____ conflict.

Maybe _____ conflict between _____ causing the _____?

_____ there a software _____ is blocking _____?

_____ the _____ slowed down _____ software _____?

Is it possible _____ is caused by _____?

_____ this _____ because _____ from various programs?

Is it possible _____ problems _____ arise due _____ between _____?

Is _____ configuration _____ between _____ affecting _____?

Conflicts between _____ packages _____ cause _____ connection problem.

It's _____ problem _____ to conflicting software.

_____ problem with _____ due _____ conflicting settings of _____ software _____?

_____ stupid _____ hooking up _____ something _____ with incompatible software _____

_____ the _____ related _____ the conflicts _____ the _____ setup?

Problems connecting could _____ caused _____ conflicts _____

Are the conflicts _____ the software packages _____ problem?

_____ be related to _____ clashes between the _____ packages.

_____ a conflict _____ installed software _____ is _____ problem?

_____ different software _____ could _____ the connection problem.

Do _____ believe the _____ is related to _____?

It _____ be because of _____ conflict with _____ packages.

_____ it possible that the _____ while _____ a _____ in _____ software?

Conflicts between our software _____ to _____ the issues _____.

_____ possible _____ areconfiguration conflicts from installed _____?

_____ it possible that _____ areconfiguration _____ the _____?

Maybe the trouble _____ conflicting software _____.

Connection may be _____ packages.

Conflicts between package configurations could _____ problems _____.

_____ issue _____ be caused _____ software configurations.

_____ that _____ software _____ is disrupting the connection?

_____ possible _____ an _____ is causing _____ when _____ to connect?

_____ it _____ within certain _____ up _____ lead _____ problems connecting?

Is _____ related _____ configuration conflicts _____ software?

_____ it _____ that _____ is _____ the installed software?

Is _____ problem with _____ installed software?

_____ issues _____ to connectivity are _____ by conflicting configurations _____ the installed _____?

_____ connection _____ related _____ the conflicts _____ the _____ setup?

It may _____ possible for _____ my ability _____ connect.

_____ there _____ connected because of _____?

The _____ be disrupted due _____ a _____.

_____ configurations may be _____.

Conflicts _____ software _____ could be the cause _____ issue.

_____ software _____ linked _____ the _____ issue.

_____ stupid problem hooking _____ be _____ the incompatible software _____.

I'm wondering if the _____ might _____ to _____ with conflicting _____ software _____

It's possible that ____ connecting ____ software.

____ the installed ____ cause of the issues connecting.

I'm wondering ____ the ____ connection ____ do with conflicting ____ the software.

____ possible that ____ from installed ____ are causing ____?

____ it possible that ____ is ____ configuration ____ the ____ connecting?

Can ____ discrepancy ____ set up ____ the ability ____?

configuration ____ installed software ____

Is ____ connection ____ to ____?

____ issue ____ by conflicts with ____?

Could misconfigured packages ____ to establish a ____?

____ the ____ be with ____ software ____?

Conflicts between different ____ package's ____ may ____ problem.

____ it ____ that ____ connecting is caused by ____?

Is ____ related ____ software setup?

____ be problems connected due ____?

____ it ____ that ____ connecting is caused ____ conflicting ____?

How come ____ was caused ____ a ____ the software?

A conflict ____ software ____ for this issue ____.

____ likely ____ incompatible software ____ my ability ____ connect?

Is ____ for incompatible ____ to affect ____ to ____?

____ that trouble ____ due ____ conflicting software configurations?

____ preventing connection links?

____ it ____ that installed ____ conflicts ____ not connecting?

Can ____ problems connecting ____ to ____ between ____ programs?

Is there ____ connecting due ____ conflicts between ____ packages?

____ installed software may ____ blame ____ issues.

____ between different software packages could ____ problem.

I'm ____ if ____ problem with connection may ____ with ____ settings in ____.

____ dumb problem hooking ____ might ____ something ____ with incompatible ____.

It ____ be ____ configuration ____ software packages.

____ a possibility ____ a mismatch ____ settings of the ____.

Maybe ____ conflicts between ____ are ____.

Do ____ think ____ could be ____ to conflicts in ____?

Conflicts among deployed ____ be connected ____ problems.

Is the ____ to conflicting settings ____ the ____ software ____?

Conflicts ____ different ____ package configurations ____ to ____ connection problem.

____ incompatible ____ cause ____ among ____ programs?

____ that the problem ____ caused ____ a conflict ____ the ____ packages?

____ conflicts ____ the reason ____ the ____ connecting.

____ issue ____ be due to ____ conflicts.

____ the ____ related to the ____ in the ____?

____ trying ____ establish a ____ can ____ packages ____ problems?

____ you believe the connection ____ related ____ conflicts ____ software ____?

Conflicts ____ the software packages ____ to ____ connection issue.

____ it possible ____ conflicting ____ installed programs ____ behind issues ____ to ____?

____ problems might ____ due ____ conflicting ____.

____ software packages' configurations could ____ the ____ problem.

Conflicts among ____ might be related ____ problems.

____ different ____ packages may ____ connection ____.

Conflicts among ____ might be ____ for ____ problems.

Is _____ possible that _____ from various _____ programs _____ behind _____ pertaining _____?

Maybe _____ because of the _____ caused _____ installed _____ packages?

I wonder _____ incompatible _____ may _____ ability _____ connect.

Is there a chance _____ are affecting _____?

Is the _____ due _____ some _____?

The issue _____ might _____ a _____ with _____ software.

_____ not _____ if _____ connection is related _____ conflicting settings _____ software.

Is _____ possible that tangled-up _____ my _____ around here?

Does a _____ with software _____?

Problems with _____ connection may _____ a _____ conflict.

Conflicts _____ packages _____ be related _____ the connection _____.

_____ a _____ misconfigured packages make things difficult?

Is _____ related to _____ software installation?

_____ it possible _____ incompatible _____ hurts my _____ connect?

conflicting software _____ connection issue.

Conflicts _____ may _____ some _____ connecting.

_____ the problem _____ has _____ do with conflicting settings _____ installed _____.

The _____ could be caused _____ conflict _____ installed _____.

Is _____ a _____ of conflicts _____ software _____?

configuration clash _____ installed _____ may be to _____ problems

Might _____ connection _____ by software package _____?

_____ the _____ related to _____?

Is it possible _____ various installed programs _____ behind _____ connectivity?

I'm _____ the _____ with connection _____ to _____ the _____ settings _____ installed _____ packages.

_____ misconfigured _____ cause obstacles when _____ establish a _____?

The _____ be in conflicting _____.

_____ be affected _____ incompatible _____ installations.

Is _____ possible that conflicting configurations _____ programs _____?

_____ it _____ tangled-up _____ my network connections?

Is _____ being _____ by _____ software _____?

Trouble _____ could possibly _____ caused _____ conflicting _____.

configuration _____ between software _____

Is the software _____ making _____?

_____ software _____ may be to blame for _____?

I am _____ if the problem _____ connection _____ do _____ conflicting settings _____ installed _____.

Connection _____ be adversely affected by _____.

It's _____ conflict between installed software _____ the _____.

Is _____ possible _____ softwares may _____ my _____ connections?

Is _____ that conflicting _____ from various _____ programs is _____?

The _____ having issues _____ a software conflict.

_____ the problem with _____ due _____ a conflict _____ software _____?

_____ that _____ stupid _____ hooking up is _____ to _____ software _____.

_____ our _____ software _____ could _____ the cause _____ the _____ connecting.

_____ conflict _____ configuration with software?

_____ it _____ that _____ problem is _____ a conflict in _____ software _____?

_____ sure if _____ issue _____ connection is _____ to conflicting _____ of _____.

I'm wondering _____ connection _____ have something _____ conflicting settings _____ installed software packages.

configuration conflict involving installed _____ could _____ problem _____

There _____ conflict _____ software that _____ causing the issue.

_____ it possible that _____ to installed software?

_____ the _____ configuration clashing between installed software _____?
 Is it possible that the problem _____ configuration _____?
 _____ settings cause _____ between _____ programs?
 Is _____ issues _____ are _____ by conflicting configurations from installed _____?
 Maybe it's _____ of _____ with the software _____?
 Software _____ might _____ cause of _____ connecting.
 _____ between _____ software packages _____ be to blame _____ connection _____.
 _____ am wondering _____ the _____ might have to _____ settings _____ installed software packages.
 It _____ be _____ of _____ configuration conflict _____ software.
 There _____ conflicting _____ configurations _____ to blame for _____ connection _____.
 Is the _____ with _____ to _____ with software packages?
 _____ it _____ in _____ software _____ causing issues with the connection?
 Software _____ to blame _____ the trouble _____.
 _____ between package _____ causing the _____ connecting.
 Is _____ the problem is _____ conflicting _____ configurations?
