

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Transmission fluid leaking from vehicle
Inquiry Sub-Category	Transmission fluid leaking from underneath the vehicle
Description	Customers inquire about transmission fluid leaking from the bottom of their vehicle, seeking assistance to diagnose and fix the source of the leak.
Data Size	5,224 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ driving ____ ____ ____ leaked transmission ____ cause serious damage ____ other parts of ____ ____ system?

____ ____ ____ fluid harmful ____ ____ vehicle components?

____ ____ transmission ____ able to hurt ____ rest ____ the ____?

____ ____ ____ ____ of harm to other vehicle parts?

____ you drive ____ ____ low level of leaked transmission ____ ____ ____ damage ____ ____ parts.

Does ____ ____ little ____ ____ ____ cause harm ____ ____ parts of the car?

____ driving ____ transmission ____ bad for ____ vehicle ____?

Trans fluid leak ____ cause ____ ____ ____ ____ the car.

____ ____ transmission fluids ____ risk of ____ system ____?

Can ____ ____ parts ____ from low ____ ____ levels?

Is ____ ____ leaking and ____ ____ stuff ____ the car?

____ leaking transmission fluid cause ____ to ____ ____ ____?

Driving with leaking ____ ____ ____ could cause ____ ____ to ____ ____ ____ the vehicle.

Driving with low ____ ____ ____ ____ damage ____ car.

____ ____ ____ ____ to other parts of the car if you ____ ____ low ____ ____ leaked ____ fluids.

____ driving with ____ leaking transmission ____ ____ ____ risk ____ the other ____ of ____ car?

A ____ leak ____ transmission fluid can ____ ____ ____ ____.

____ low transmission ____ ____ ____ my car ____?

Is ____ levels ____ leaked transmission fluids ____ ____ of ____ damage ____ the ____ ____?

Is leaking ____ fluids ____ ____ ____ ____ systems?

____ it possible that a small ____ leak ____ ____ ____ ____ of ____ car?

Do ____ think ____ ____ little leaking transmission ____ poses ____ ____ ____ parts of the ____?

Is it ____ ____ ____ small ____ leak could ____ the rest ____ ____ car?

____ bad ____ fluids ____ ____ vehicle systems?

____ leaked trans ____ ____ ____ other ____?

____ a ____ transmission ____ cause harm ____ the ____ system?

____ ____ ____ the leaking of the transmission fluid ____ cause ____ to ____ ____ ____ of the vehicle?

There is a ____ of ____ ____ system damage ____ ____ ____ ____ transmission fluid.

Can ____ ____ fluid ____ cause harm to ____ ____ parts?

_____ leaking transmission _____ other _____ systems?

Do you think the _____ fluid leak in the _____ vehicle?

_____ leaking transmission fluid a reason _____ harm _____?

Is it possible _____ busted _____ may _____ the _____ of _____ ride?

_____ risk serious damage _____ other parts _____ vehicle _____ drive with _____ of _____ transmission fluids.

_____ driving a _____ little leaking transmission fluid _____ to _____ parts?

You risk _____ to other _____ if you _____ with a _____ level _____.

If _____ have _____ levels _____ leaking transmission _____ risk _____ damage _____ other _____ of your _____.

_____ there _____ major risks _____ driving _____ drenched _____ system?

Can _____ cause _____ to _____ vehicle _____?

There is _____ that _____ could cause _____ damage.

Can leaking transmission _____ endanger _____?

Would _____ trans fluid _____ systems?

_____ for _____ levels of leaking _____ fluids _____ cause serious _____?

_____ low levels of leaking _____ hurt _____?

It's _____ that _____ tranny fluids could _____ this junk.

_____ transmission fluid _____ could ruin _____.

If _____ have a _____ level _____ transmission _____ damage to other parts of your _____.

_____ you _____ a _____ of leaked transmission fluids, you _____ damage _____ other parts _____ vehicle.

_____ levels of transmission fluids cause _____ damage _____ the vehicle?

_____ driving _____ enough leaking tranny _____ to _____ the _____ car's systems?

Is leaked transmission _____ bad _____?

_____ possible _____ leaking transmission fluids could _____ serious _____ to _____ system?

_____ driving with _____ levels of _____ fluids _____ to other _____ the car?

If _____ low levels _____ transmission fluids, you _____ to _____ parts.

_____ there _____ serious _____ damage from driving with leaking _____ fluids?

Does _____ low levels _____ fluids damage _____ areas in _____ vehicle?

Is leaking _____ fluid _____ the rest _____ vehicle?

Is it _____ can _____ harm to the _____?

Is _____ a _____ to the _____ system _____ leaking _____ fluids?

Is it _____ that _____ tranny is _____ other _____ inside the _____?

_____ transmission fluids _____ hazard _____ other _____ systems?

_____ possible that transmission _____ other vehicle parts?

_____ it possible that _____ fluids _____ result in _____ to different parts _____?

_____ transmission fluid have _____ effect on other _____?

Does _____ trans _____ harm other _____?

Does _____ with _____ levels _____ leaked transmission _____ cause damage _____?

_____ trans fluid levels _____ other vehicle _____?

_____ fluid _____ cause _____ to _____ car components.

_____ trans fluid _____ hurt _____ parts.

Can _____ fluids _____ other _____ of a _____?

trans _____ cause _____ to other _____.

Does driving _____ minimal _____ transmission _____ pose _____ parts _____ the car?

_____ possible that leaking _____ could cause serious _____ parts of my _____?

_____ there _____ risk of vehicle _____ from leaking _____?

Is damage to _____ by driving with leaking _____?

Is trans fluid _____ car _____?

_____ fluid affect other _____ systems?

Does driving with _____ of leaked _____ fluids _____ the _____?

_____ small trans _____ cause serious damage _____ the _____ of _____.

Do ____ transmission fluid cause ____ to my ____ ____ ?
 Can ____ fluid ____ hurt ____ rest ____ the ____ system?
 Will ____ low on trans ____ to the ____ mechanism?
 Is leaking ____ fluids ____ vehicle parts?
 ____ of leaking transmission fluid ____ harm to ____ areas of ____ .
 Is ____ possible ____ low levels of ____ transmission fluids ____ in an ____ ?
 Will ____ fluid ruin ____ of the vehicle's ____ ?
 Driving without enough ____ fluid ____ hurt ____ rest ____ car.
 ____ level ____ transmission fluids could cause ____ to other parts ____ the ____ .
 Is leaking ____ a cause of serious ____ parts ____ the ____ ?
 Do you ____ the ____ fluid leak ____ the ____ parts ____ vehicle?
 ____ the ____ of serious ____ damage from driving with leaking ____ ?
 Is leaking ____ capable ____ the vehicle's ____ ?
 Would ____ of ____ fluids ____ vehicle ____ be harmful?
 Would ____ trans fluids ____ on other ____ systems?
 Is ____ with low ____ of leaking ____ fluids ____ other areas of ____ ?
 ____ leaking ____ fluids potentially ____ to other ____ ?
 ____ low ____ potentially dangerous?
 ____ is possible ____ could cause harm ____ vehicle.
 There ____ of leaking ____ fluid ____ rest of the ____ system.
 There is ____ serious damage to ____ parts of the ____ if you have a ____ .
 If ____ have a low ____ leaked transmission ____ a ____ of serious ____ .
 ____ fluids leak and ruin ____ ?
 Do low ____ the ____ parts?
 ____ driving ____ levels ____ transmission fluids damage ____ areas in ____ vehicle's ____ ?
 ____ possible ____ leaking transmission ____ could result ____ serious damage ____ system?
 ____ a ____ of ____ damage ____ by low trans ____ leaks?
 ____ fluid leaking ____ to ____ car components?
 Driving with ____ levels of ____ transmission ____ cause ____ damage ____ parts of ____ system.
 Can ____ parts fail due to low ____ ?
 Is ____ fluids could harm other vehicle ____ ?
 Driving ____ leaked transmission fluids could cause ____ damage to the rest ____ .
 ____ you think ____ transmission fluid ____ could ____ the other ____ the ____ ?
 trans fluid ____ hurt ____ components.
 Do you ____ a ____ fluid could ____ damage ____ the other parts ____ ?
 Does ____ fluid ____ parts of ____ car?
 Does ____ low ____ leaking ____ fluids cause severe damage ____ other ____ the vehicle's ____ ?
 ____ transmission fluids ____ vehicle systems?
 Does leaking ____ fluids put ____ risk of ____ system ____ ?
 ____ wonder ____ a ____ leak ____ rest of the car.
 ____ levels of leaking transmission ____ vehicle components?
 ____ leaking tranny ____ the rest of ____ systems?
 Do ____ transmission fluid in the ____ damage ____ the other ____ ?
 ____ leaking trans fluid cause ____ within the vehicle?
 ____ driving ____ trans fluid ____ other ____ ?
 There ____ a ____ of ____ damage ____ you have low ____ transmission ____ .
 ____ can cause harm to other ____ .
 Is ____ possible that leaking ____ fluids could ____ serious ____ to ____ my ____ .
 ____ risk ____ damage ____ other parts ____ your ____ if you ____ of leaking transmission fluid.
 Is ____ a ____ serious vehicle ____ if you drive ____ leaking ____ ?

_____ leaking trans _____ affect other _____?

Do low _____ other parts?

_____ chance of serious _____ from _____ with leaking _____ fluids.

Is _____ busted tranny _____ cause havoc _____ the rest _____ ride?

_____ fluid _____ hurt other car _____?

Is _____ that leaking _____ could _____ to the vehicle?

Is _____ possible _____ leaky _____ fluids _____ cause _____ system _____?

_____ transmission _____ of _____ injury to parts _____ my _____ mechanism?

_____ you _____ is a _____ serious vehicle system _____ driving with leaking transmission _____?

If _____ drive _____ low level of _____ other parts of the car.

_____ driving _____ low transmission _____ hurt my _____ other _____?

_____ trans fluid _____ vehicle harmful _____ other parts?

_____ leaking transmission fluid _____ the _____ car system?

Can other _____ go _____ trans fluid levels?

Is leaking _____ fluid _____ damaging _____ vehicle's _____?

Is _____ possible _____ with minimal _____ transmission _____ could _____ damage to my _____?

_____ cause harm to other _____ parts?

_____ low levels of _____ fluids, _____ risk serious _____ to other _____ of _____ vehicle.

_____ parts go _____ from _____ trans _____?

Does _____ levels _____ transmission fluids endanger _____ of the vehicle?

A shortage of leaking _____ fluid could _____ elsewhere _____.

_____ think _____ of _____ fluid could cause _____ to other _____ of _____ car?

Does _____ a _____ system _____ you to major _____?

Does driving with _____ fluid endanger the _____ of _____?

_____ driving with trans _____ other _____?

There is a _____ a small _____ could _____ big _____ the _____ of the _____.

Can transmission _____ leak and _____?

_____ transmission fluid _____ harm _____ vehicle's system?

_____ leaking _____ hurt the rest of _____?

Is low-level _____ harmful _____ components?

Is _____ a risk _____ damage _____ trans- _____ leaks?

Is _____ for _____ leaked transmission fluids to _____ damage _____ automobile?

Is _____ possible for reduced levels _____ transmission fluids to _____ an _____?

Is _____ fluid bad for _____ car's _____?

_____ trans _____ can _____ other vehicle _____.

_____ it _____ that leaking _____ could _____ serious damage _____ various _____ of my _____?

_____ leaking can hurt other _____?

_____ chance of severe _____ trans- fluid leaks.

_____ potentially harmful to _____ car components?

Is leaking transmission fluid _____ to cause _____?

_____ it possible to _____ different _____ of _____ auto's system with _____?

_____ leaking _____ harm _____ systems?

You risk _____ other _____ of the _____ you _____ a _____ of leaked transmission fluids.

Is it _____ that a small _____ hurt _____ the car?

Is driving with _____ fluid a _____ the _____ of the _____?

_____ your _____ a low _____ leaking transmission fluids, _____ risk _____ to other _____.

Is _____ other vehicle parts _____ go kaput _____ low trans _____?

_____ a risk _____ car damage due _____ transmission fluids?

Is it _____ transmission fluid _____ harm _____ the _____?

_____ it _____ for _____ transmission _____ to _____ vehicle parts?

_____ fluid _____ may _____ to _____ car parts.

Can _____ fluids _____ harmful _____ other _____?

_____ there _____ serious _____ associated with _____ a _____ trans system?

_____ with _____ levels _____ leaking transmission fluids cause _____ of the vehicle?

Is it possible that _____ fluids _____ the rest of _____?

Is leaking _____ possible to cause _____ the _____ of the _____?

_____ a _____ trans leak lead _____ bigger _____ rest _____ the car?

Do you _____ that _____ other parts of _____ could _____ damaged _____ the transmission fluid?

_____ it possible that leaking _____ fluids _____ different _____ auto?

Could _____ trans leak _____ damage _____ rest of the _____?

_____ possible for reduced transmission fluid _____ cause critical _____ car?

Does low trans fluid levels _____ vehicle _____?

_____ leaked transmission _____ other _____ systems?

_____ think leaking transmission fluid _____ cause damage _____ the _____ the _____?

Is _____ possible _____ leaking _____ fluids could _____ different parts _____ my auto?

Could a _____ big damage _____ the _____ of the car?

_____ risk of _____ to the rest _____ the _____ if transmission _____ levels are _____?

_____ could impact _____ systems _____.

Damages _____ different _____ my auto's _____ could result _____ minimal leaked transmission _____.

_____ transmission _____ able to hurt the _____?

Is leaking _____ fluid _____ harmful _____?

Is it _____ of leaked _____ fluids _____ cause critical _____?

_____ with leaked trans _____ other _____?

Is _____ a _____ trans _____ a _____?

Driving _____ levels _____ tranny _____ may hurt other _____.

Would my car's _____ hurt _____ without enough _____ fluid?

Does _____ other _____ parts _____ from _____ fluid levels?

Is _____ possible for _____ transmission _____ critical damage _____ vehicle?

Do you _____ that _____ fluid leaking _____ the _____ hurt _____ of the vehicle?

_____ leaking _____ fluid _____ the rest of _____ car _____?

_____ shortage _____ leaking transmission fluid _____ harm _____ of my vehicle?

Can transmission fluid _____ damage the _____ the _____?

Is _____ a _____ of _____ damage _____ vehicle _____ if _____ with _____ transmission fluids?

Can parts _____ a _____ kaput from low _____?

Do you think _____ parts of the _____ could _____ leaking _____ fluid?

_____ wonder _____ leaking transmission fluid _____ rest of the _____.

_____ leaking _____ ruin other _____ parts?

_____ trans _____ bad _____ the other vehicle _____?

Do _____ my car's other _____ if I _____ low _____?

There _____ be _____ risks from _____ drenched trans _____.

Is _____ possible _____ leaking transmission fluid _____ the _____?

Is it _____ transmission _____ a vehicle?

Can transmission _____ other vehicle _____?

A shortage of _____ transmission fluid _____ cause _____ in _____.

_____ running low _____ fluid _____ damage to _____ of the vehicle's _____?

_____ believe _____ transmission fluid leaking _____ could _____ other parts of _____ vehicle?

Is low _____ of _____ fluid _____ to other _____?

Will low _____ fluids damage _____ driving?

Can _____ fluids cause _____ other vehicle _____?

_____ driving _____ a minimal leaking _____ a risk _____ parts _____ the _____?

Is driving a car ____ little ____ risk ____ parts?
 ____ it possible ____ transmission ____ could cause ____ damage?
 Can transmission ____ be ____ vehicle ____?
 Maybe ____ transmission ____ can damage ____ of the ____.
 Do you think the ____ fluid ____ could ____ the vehicle?
 There ____ a ____ vehicle system ____ from ____ with leaking transmission ____.
 Is ____ transmission ____ able ____ cause ____ to ____ rest of ____ system?
 ____ possible for less leaking ____ fluids ____ serious damage to ____?
 Can ____ fluids ____ other vehicle parts?
 Will driving with ____ of leaked ____ other ____?
 ____ fluid leaking might hurt ____.
 ____ with leaking ____ oil ____ to ____ car components.
 ____ it possible ____ with minimal leaked transmission ____ serious ____ to the ____?
 Have there ____ risks ____ drenched trans system?
 ____ is a ____ for ____ from low trans- ____.
 ____ some vehicle ____ can go kaput from low ____ levels?
 There are ____ associated ____ driving with ____ trans ____.
 Is leaking ____ to ____ other vehicle ____?
 I ____ of ____ fluid will cause ____ to other parts ____ vehicle.
 Is ____ possible that leaking transmission ____?
 ____ low levels ____ leaking ____ cause injury to ____ parts ____ vehicle?
 Driving ____ levels ____ leaked ____ can cause serious damage to ____.
 ____ driving ____ limited leaking transmission ____ a ____ to other ____ of ____?
 Low ____ might damage ____.
 ____ wonder if a ____ of ____ will cause harm ____ the ____.
 ____ fluid ____ cause harm to ____?
 ____ a risk ____ serious ____ when driving with leaking transmission ____?
 ____ possible for the transmission ____ and cause ____ to the ____?
 ____ enough leaking ____ fluid hurt the rest of ____?
 ____ tranny fluid ____ other ____ of ____ car?
 Could ____ small ____ cause big damage to ____ car.
 Do you ____ fluid could ____ to other parts ____ vehicle?
 Is it possible ____ parts can ____ kaput ____ low ____?
 ____ the effects ____ trans ____ be bad ____ other ____?
 Is it ____ to cause ____ to ____ system ____ driving ____ low ____ leaked transmission fluids?
 ____ low ____ harms my car's ____?
 ____ trans ____ cause huge ____ to the ____ of the ____.
 ____ it possible that transmission ____ could ____ harm ____ vehicle?
 Is ____ operating with ____ leaked transmission ____ could result in ____?
 ____ for lower ____ of ____ transmission fluids ____ cause ____ damage to the ____?
 Does driving ____ transmission fluid pose ____ risk to ____ other parts ____?
 ____ driving with ____ of ____ in ____ transmission ____ other ____ of ____ vehicle?
 ____ of ____ vehicle system damage ____ transmission fluids.
 ____ transmission fluid ____ for ____ vehicle ____?
 Is ____ possible ____ leaked ____ fluids ____ other vehicle ____?
 ____ transmission ____ damage other ____ of my ____?
 Is leaking ____ a danger ____ other ____?
 You ____ damage to other parts ____ have ____ of transmission ____.
 ____ other ____ car could ____ if the transmission fluid ____ the ____ leaks.
 Is ____ possible that ____ levels ____ cause damage?

Does driving _____ leaking transmission fluid _____ to _____ of the _____?

_____ leaked transmission fluids harm _____?

_____ leaking _____ cause injury _____ various _____ of _____ vehicle?

Is leaking transmission fluid _____ to _____ system?

_____ could _____ risk of serious vehicle _____ damage _____ with leaking _____.

Is _____ a chance _____ transmission _____ levels _____ damage?

_____ leaking _____ harm other _____ components.

_____ trans _____ leaking hurt _____ car _____?

_____ leaking transmission _____ vehicle parts?

Low levels of _____ fluids could _____ to _____ of the _____.

_____ can _____ bad effects _____ vehicle systems.

_____ for _____ levels of leaked _____ fluids _____ damage to cars?

Does _____ a _____ transmission endanger _____ parts of _____?

You _____ damage to _____ have low levels of leaked transmission fluids.

Is leaking transmission _____ the rest _____ car?

Does _____ with _____ trans _____ have any _____ dangers?

Is _____ that _____ leaked transmission fluids _____ cause _____ to _____ parts of my _____?

You risk serious _____ parts _____ you have _____ levels _____ fluids.

_____ low _____ fluid cause _____ to _____ car's other _____?

Is _____ trans _____ at risk?

_____ small trans _____ severe damage to _____ rest _____ the _____?

Will _____ low levels _____ tranny fluid hurt _____?

_____ possible that low levels of _____ transmission _____ cause _____ the _____ system?

Reduced levels of _____ transmission _____ critical damage _____ vital _____ an automobile.

You risk _____ damage to _____ other parts _____ if _____ low _____ of leaked _____ fluids.

Is _____ possible that _____ transmission fluids _____ cause _____ damages to _____?

_____ leaked transmission fluid affect _____?

Would leaking transmission fluids _____ certain parts of _____?

_____ low _____ can hurt my car's _____?

Can transmission _____ endanger other _____?

Should trans _____ leaking _____ harm _____ other _____?

_____ transmission _____ my car's _____ parts?

_____ with _____ levels of fluids in _____ transmission _____ areas?

Do you _____ the _____ fluid _____ cause damage _____ parts _____ the car?

Do you think _____ leaking the transmission _____ in _____ hurt the _____ parts _____?

Could a _____ cause big _____ rest of _____ car?

_____ it _____ for _____ levels of leaked transmission _____ to cause _____ the _____?

_____ fluid _____ other vehicle parts?

Does driving with _____ fluid _____?

_____ low _____ of _____ fluids _____ other car _____?

Is _____ possible _____ other _____ go kaput in low trans _____?

_____ if _____ leaking transmission fluid _____ elsewhere in my car.

Is leaking transmission fluids _____ of causing _____ to _____ mechanism?

Does leaking _____ endanger _____ systems?

_____ driving _____ levels of _____ in _____ transmission _____ parts _____ the vehicle?

Is _____ a chance _____ fluid _____ the _____ of _____ car system?

_____ small leak _____ transmission fluid _____ to _____ components.

Is _____ transmission _____ injurious _____ parts?

Do _____ think leaking _____ could _____ parts of the vehicle?

Can other vehicle parts _____ of _____ levels?

Do _____ the _____ of the transmission fluid in the _____ could hurt _____ parts _____?

Is there _____ risk of serious _____ with leaking _____ fluids.

_____ leaking trans _____ while driving?

Do _____ the _____ fluid leaking in _____ car _____ the _____ of the _____?

Damage _____ parts of the vehicle's _____ could _____ by _____ with _____ levels of leaked _____.

Is driving _____ trans fluid _____ parts?

Is _____ leaking _____ putting _____ parts of the car _____ risk?

_____ driving _____ less leaking _____ risk to other parts _____ the _____?

_____ it _____ reduced _____ of leaked _____ fluids _____ cause _____ damage _____ the automobile?

Do _____ the _____ of the transmission fluid _____ other _____ vehicle?

Is it _____ that _____ transmission fluid _____ will _____ serious _____?

Would _____ trans _____ affect other _____?

_____ little _____ transmission _____ pose _____ problem _____ other parts _____ the car?

Do _____ think the _____ fluid leak _____ damage other _____?

Is it _____ leaking _____ could cause serious damages _____ my _____?

Is _____ possible _____ operating with _____ transmission fluids _____ damages to my _____?

_____ small trans leak _____ the _____ the _____?

_____ that _____ fluids could cause damage?

_____ possible for lower _____ of _____ transmission fluids _____ cause _____ to an _____?

Is it possible _____ leaking _____ can _____ the _____?

_____ for _____ of _____ transmission fluids to _____ damage _____ the car?

You risk serious _____ to _____ of _____ you _____ a _____ of leaking transmission fluids.

_____ you think the leaking _____ the transmission fluid _____ cause _____ to _____ other _____?

Will running low _____ fluid cause _____ other _____ the vehicle?

Will _____ fluid _____ other _____?

Is it _____ level of transmission fluid _____ damage to _____?

_____ you _____ with _____ low _____ of leaked transmission _____ damage to _____ of the car.

_____ driving with _____ fluid _____ other _____ of _____ car?

_____ a _____ of leaked _____ fluids, _____ risk damaging other parts of _____.

_____ possible a small trans _____ could cause _____ the rest of _____?

_____ possible _____ low _____ of _____ transmission fluids could cause _____ the _____ system.

_____ leaking transmission fluids hazardous _____?

_____ you think there _____ major risks _____ with a _____ trans _____?

_____ with _____ leaking _____ fluids could lead to serious _____ vehicle's system.

_____ with leaking trans _____ harm _____?

_____ it possible that _____ transmission fluids _____ cause _____ to _____ auto?

You risk _____ damage _____ other parts of the _____ if you _____ of _____.

_____ leaking putting other car components _____?

Can other _____ systems _____ harmed by _____?

_____ it possible _____ the transmission _____ get into _____ rest of _____?

Do _____ harms other _____ parts?

_____ low trans _____ can hurt _____?

_____ is _____ that transmission fluid _____ rest of the _____.

_____ think _____ the _____ the transmission _____ could affect the _____ parts of _____?

_____ driving _____ fluid pose a risk to _____ of the _____?

_____ leaking transmission _____ pose a risk _____ other parts of _____?

_____ possible for low levels of leaked transmission _____ the car?

_____ a _____ of severe damage from _____ leaks.

There _____ a _____ of serious _____ vehicle _____ leaking transmission fluids.

_____ a _____ amount _____ transmission fluid pose risks _____ other parts _____ the _____?

_____ there _____ serious _____ if you drive _____ leaking transmission fluids?
 Does driving _____ of leaked _____ fluids _____ damage _____ other _____ of _____ system?
 _____ leaking _____ fluid something _____ the rest _____ the car?
 _____ running low on _____ damage _____ the vehicle?
 _____ that the transmission fluids _____ damage?
 _____ low-level _____ car parts seriously?
 _____ the _____ of _____ transmission fluid in _____ could _____ the _____ parts of the vehicle?
 _____ the _____ leaking in _____ car _____ cause damage to _____ other parts _____ the vehicle?
 _____ there _____ that _____ fluids could cause system _____?
 Do _____ leaking _____ other vehicle _____?
 _____ there _____ severe _____ caused by low _____ fluid _____?
 Have there _____ major _____ driving with _____ drenched _____?
 Is trans fluid _____ hurting _____?
 Is it possible that operating _____ could _____ damage _____ my car?
 _____ possible _____ a _____ trans _____ will cause _____ the rest _____ the car?
 Is _____ a risk _____ serious vehicle _____ damage _____ the _____?
 _____ fluids leaking _____ harmful to _____ vehicle _____?
 Do _____ think _____ transmission _____ in the car could _____ other _____ of _____?
 Can _____ components _____ by _____ with leaked transmission _____?
 _____ can _____ other _____ systems.
 Is _____ shortage of _____ harm _____ in my vehicle?
 If you _____ a _____ level of _____ fluids, you _____ other parts _____.
 _____ levels lead to harm to _____ the car?
 _____ of leaking _____ be worse on other vehicle _____?
 _____ trans _____ other parts.
 _____ it harm other parts _____ with _____ levels of _____?
 Is there a _____ of harm _____ rest _____ car's _____ there are _____ transmission _____ levels?
 trans _____ other car parts.
 Is _____ any _____ risks _____ with driving with _____ system?
 _____ leaking _____ bad for _____ vehicle _____?
 Does driving with _____ leaked transmission _____ cause _____ damage to _____ of the _____?
 _____ possible _____ a small _____ could hurt the _____ of the automobile?
 _____ driving _____ little leaking _____ fluid _____ other parts of _____ car?
 Does _____ with _____ fluid _____ risk _____ the _____ of the car?
 _____ tranny fluid _____ rest of the car's _____?
 _____ for a reduced _____ of leaking _____ fluids to cause _____ damage _____?
 _____ transmission fluid _____ car's _____ parts?
 _____ fluid _____ can _____ other parts?
 Does driving with _____ endanger _____?
 Can _____ transmission fluid _____ mess _____ car _____?
 _____ fluid _____ can _____ parts.
 A _____ leaking transmission _____ may _____ harm elsewhere in _____.
 _____ driving with _____ leaked transmission fluids harm other _____ of _____?
 _____ risk _____ to other _____ your vehicle _____ you drive with low _____ transmission fluids.
 Does _____ with _____ levels of _____ fluids _____ of the vehicle's system?
 _____ it possible that _____ levels _____ leaking transmission fluids _____ cause _____ to _____?
 _____ transmission _____ damage other _____ of the vehicle's _____?
 _____ transmission _____ damage _____ vehicle systems?
 _____ have _____ fluids, _____ risk _____ damage to other parts of the vehicle.
 Is the risk _____ serious vehicle _____ leaking _____ fluids?

other _____ be _____ by _____ in trans fluids?

Would _____ enough _____ tranny fluid _____ the _____ of my _____?

Is _____ fluids harmful to _____ parts of _____?

_____ low transmission _____ harms the _____?

_____ little leaking transmission fluid _____ to other parts _____ car?

Trans _____ leaking _____ harm _____ other _____.

_____ fluid may _____ car components

There is _____ risk of serious _____ the vehicle _____ drive _____ level of leaked transmission fluids.

Is _____ possible _____ fluids could _____ parts of _____ auto's system?

_____ driving _____ low levels of _____ fluids _____ to _____ of the vehicle?

_____ there _____ chance _____ transmission fluid _____ result in _____ damage?

Does the _____ harm the _____ of my _____?

Is it possible _____ leaking _____ impact _____ badly?

_____ hurt the car's _____ if I _____ low transmission _____?

_____ believe _____ leaking of the _____ fluid could _____ to the other parts _____?

trans fluid leaking _____ to other _____

Do _____ leaking _____ transmission fluid in _____ car _____ cause damage _____ the other parts of _____?

Is it possible _____ leaking _____ fluids _____ cause _____ damage to _____ parts _____?

Is it _____ that _____ fluids _____ to _____ damage to different _____ my _____ system?

If your _____ has _____ transmission fluids, you _____ serious _____ to other _____.

_____ leaking _____ fluids _____ news for _____ vehicle _____?

_____ are _____ associated with driving _____ drenched _____ system.

Does driving with _____ leaked _____ fluids cause _____ to _____ areas?

Is _____ small _____ leak damaging _____ rest _____ the _____?

You risk _____ damage _____ other _____ of _____ if you _____ a _____ of transmission fluids.

_____ fluids leaked _____ other vehicle parts?

Is it _____ operating _____ minimal leaked transmission fluids _____ cause _____ damages _____?

You risk _____ damage to other _____ of _____ you have low _____ of _____.

If you _____ a _____ of _____ fluids, _____ risk serious damage to other _____ the _____.

_____ the _____ fluids detrimental to _____?

_____ that _____ small trans leak _____ the _____ of the car?

_____ transmission fluid _____ hurt _____ parts?

Could _____ fluids _____ to _____ serious system _____?

_____ leaked _____ to other _____ systems?

Could _____ small trans leak _____ the rest _____?

_____ it _____ possible for _____ of leaked transmission fluids _____ cause _____ to _____?

Does _____ transmission fluid _____ a risk _____ the car?

_____ expose the other parts of the car?

_____ transmission fluid _____ harm to the vehicle's _____?

_____ transmission _____ leaking _____ harm to _____?

_____ transmission fluid _____ harm to _____ vehicle's _____?

You risk _____ to _____ the car _____ with low levels of leaked transmission _____.

Does driving _____ low _____ leaking transmission _____ cause damage _____ other _____ in _____?

_____ low transmission fluids bad _____ other _____?

_____ to _____ components can be caused by driving _____.

Does driving _____ low levels _____ fluids damage _____ areas _____ the _____?

_____ trans fluid leak _____ other _____?

It's possible _____ transmission _____ harm _____ vehicle's system.

_____ it possible for _____ fluids to cause _____ to _____ car?

trans _____ leaking could affect _____.

Do you _____ transmission _____ leaking _____ affect _____ other parts _____ the _____?
 _____ driving with low _____ leaked _____ cause _____ to the _____ system?
 You _____ to other _____ of your _____ you have _____ low level _____ transmission fluids.
 _____ low _____ fluid harm my _____?
 Does driving _____ transmission fluid _____ other _____ my _____?
 _____ possible _____ fluid levels will cause _____ damage?
 _____ that _____ transmission _____ could _____ damage _____ different _____ of the car?
 _____ driving with _____ leaking _____ put other parts _____ the car _____?
 _____ trans _____ cause _____ other _____ of the vehicle's mechanism?
 _____ possible _____ leaking _____ fluids could _____ serious damage _____ system?
 Does _____ with _____ levels _____ transmission fluids endanger other _____ vehicle's _____?
 Can low levels _____ leaking transmission _____ other _____?
 Is _____ transmission fluid _____ leak and affect _____ the car _____?
 _____ possible _____ leaking transmission fluids to cause _____ within _____?
 _____ a _____ trans _____ cause a lot of damage _____ the _____ the car?
 Isn't it _____ that leaked _____ wrecks _____?
 Does another vehicle _____ kaput _____ trans fluid _____?
 Does _____ with less _____ fluid _____ risks _____ the _____ of the _____?
 Do you _____ leaking _____ fluid _____ a risk to _____ the car?
 _____ wondering _____ the leaks in _____ tranny _____ inside the car.
 _____ a shortage of _____ fluid _____ could _____ harm _____ in _____ vehicle?
 _____ if _____ vehicle parts go kaput _____ low _____?
 Is it _____ that leaking _____ fluids _____ damage to _____ of _____?
 _____ leaking transmission fluids _____ to _____ damage _____ different _____ of my _____?
 You risk _____ other parts of _____ vehicle _____ drive _____ low level of _____ fluids.
 Is there _____ vehicle system damage _____ you _____ with _____ transmissions?
 Is leaking _____ harmful _____ systems?
 _____ that operating _____ minimal leaking _____ fluids could _____ serious _____ to _____ system?
 Is _____ reduced levels of leaking _____ fluids to cause _____ car?
 _____ trans _____ other car components?
 Does driving with low _____ of _____ the transmission endanger _____ the _____?
 Can other _____ parts _____ from low _____ levels?
 _____ transmission fluid _____ endanger _____ vehicle _____?
 Can _____ fluid hurt _____ parts?
 Can leaking _____ vehicle parts?
 Is there a _____ system _____ you drive _____ leaking transmission _____?
 _____ a _____ serious _____ damage _____ you drive _____ leaking transmission fluid?
 A _____ leak _____ to _____ of the car.
 Is _____ possible that _____ fluids _____ damage to _____ parts _____ my auto's _____?
 _____ driving _____ fluids _____ transmission _____ damage to other parts of _____ vehicle?
 Is it _____ the _____ could _____ serious _____?
 _____ low transmission _____ harm _____ car's other _____?
 _____ it possible for low _____ leaked _____ cause damage _____ automobile?
 Is it _____ low levels _____ transmission fluids _____ to _____ vehicle?
 _____ possible that the transmission _____ serious damage?
 Is it _____ a _____ trans _____ destroy the rest _____ car?
 _____ leaking _____ fluids a problem for _____?
 _____ driving with low levels _____ leaked _____ fluids _____ serious _____ the _____?
 Can _____ fluid _____ the vehicle's system?
 _____ it possible _____ transmission fluid _____ rest of the _____?

____ it possible ____ of leaked ____ fluids to cause ____ damage to ____ ?
 Is it ____ for reduced ____ fluids ____ damage to the automobile?
 Will driving ____ trans ____ parts?
 Is ____ possible that ____ fluid ____ in serious damage?
 ____ leaked ____ could result in serious damage to the vehicle's ____.
 Is ____ possible ____ leaking transmission ____ damage ____ different parts of ____ car's ____?
 Does low levels ____ leaked ____ hurt other ____?
 Is ____ fluids ____ risk of ____ damage?
 Is ____ possible ____ vehicle ____ go kaput ____ to low trans ____ ?
 ____ leaking ____ fluids bad ____ car ____?
 ____ minimal leaking transmission ____ a risk ____ the ____ parts ____ the ____?
 Is ____ possible ____ operating with minimal leaking ____ can ____ serious ____ my ____?
 ____ with ____ levels ____ transmission fluids ____ other parts of the vehicle?
 ____ for leaking transmission ____ to cause critical ____ to ____?
 Is ____ transmission fluid a ____ for ____?
 Is leaking ____ a cause ____ damage to other ____?
 Does ____ transmission ____ parts ____ my car?
 ____ leaking transmission fluid serious ____?
 Does low ____ damage ____ parts?
 Could a ____ trans ____ stuffs?
 ____ transmission ____ be ____ to ____ systems?
 Does ____ with ____ leaking ____ any ____ to ____ parts ____ the car?
 ____ transmission ____ other vehicle parts?
 Would ____ fluids have an effect ____ other ____?
 ____ low transmission ____ my car's ____?
 Does ____ with ____ drowned ____ system ____ major ____?
 ____ low ____ leaked transmission ____ damage other ____ of the ____?
 ____ low transmission fluid ____ affect my ____?
 Is ____ transmission fluid harmful ____ other ____?
 ____ any major risks ____ driving with a drowned ____?
 Trans ____ cause harm to other ____.
 ____ to different parts of ____ auto's system could result from ____.
 ____ is a risk ____ serious ____ parts of ____ if you drive ____ a ____ of leaked ____ fluids.
 ____ it possible ____ reduced ____ of ____ transmission ____ damage to cars?
 ____ risk serious damage to ____ of ____ vehicle if you have ____ low ____ transmission ____.
 If you ____ transmission fluids, you risk damage ____ other ____.
 Is it ____ with minimal leaking ____ fluids ____ cause ____ damages to ____ of my ____?
 ____ it ____ transmission fluids ____ cause ____ to the car?
 ____ enough leaking tranny fluid ____ the ____ of ____ car?
 Does driving with low levels of leaked ____ the ____?
 Will low trans ____ areas ____ vehicle?
 Can ____ hurt other car ____?
 Will ____ trans ____ damage ____ areas ____ the vehicle?
 ____ possible that ____ fluids ____ affect other vehicle ____?
 ____ it possible for ____ leak and ____ the rest ____ the ____?
 Do you ____ the ____ leaking ____ the car ____ damage ____ parts?
 The ____ parts of the ____ be ____ the ____ fluid.
 ____ driving ____ levels of ____ fluids cause ____ to other parts ____ car?
 Would ____ leak cause a ____ of damage to ____ the ____?
 ____ serious vehicle system damage ____ driving with leaking transmission ____ ?

____ it possible for ____ fluids to harm ____ ____ ?
 ____ possible to cause harm ____ vehicle's ____ transmission fluid?
 If ____ with ____ low level ____ leaking transmission ____ damage ____ parts of the vehicle.
 ____ increase the risk ____ serious vehicle ____ damage?
 If ____ have ____ low level ____ transmission fluids, ____ serious ____ to other parts ____ car.
 Does ____ cause ____ to other ____ components?
 ____ low ____ levels ____ rest of the car?
 A leak ____ fluid ____ components.
 ____ it possible ____ transmission fluid ____ will ____ damage?
 ____ driving ____ leaking ____ fluid ____ other ____ the car?
 ____ driving with ____ leaking transmission ____ pose ____ other parts ____ car?
 Does low-level leaking ____ components ____?
 ____ it ____ of leaked ____ fluids ____ cause critical damage to ____ vehicle?
 Is ____ fluid ____ the rest of the ____?
 ____ transmission fluid levels ruin ____ ?
 ____ think driving ____ low leaking ____ fluids will damage ____ ?
 Is ____ of serious ____ system ____ driving ____ leaking transmission fluids?
 ____ fluid leaking in ____ car ____ parts ____ the vehicle.
 Will low ____ trans ____ damage other ____ vehicle?
 ____ it possible for transmission ____ to ____ into ____ of ____ car ____?
 Driving with low ____ fluids ____ serious ____ to the vehicle's ____.
 Problems for the ____ by leaking transmission ____.
 Is leaking ____ fluids a cause ____ to ____ parts of ____?
 ____ transmission fluids could cause serious damage to ____ parts of ____.
 ____ risk serious ____ to ____ of your ____ you drive with a low ____ transmission ____.
 Is ____ leaking ____ risk to other parts of the ____?
 ____ any ____ system ____ due to leaking transmission fluids?
 transmission ____ can ____ other ____
 ____ that ____ fluids could ____ system damage.
 ____ fluid possible ____ cause harm ____ the car?
 Does ____ low levels ____ leaking ____ endanger ____ of the vehicle's ____?
 ____ it ____ that operating with minimal leaked ____ serious ____ my auto's ____?
 ____ fluid cause ____ car problems?
 trans ____ leak ____ harm ____ other ____ parts.
 ____ the ____ be ____ from ____ with ____ leaking transmission ____?
 ____ low transmission ____ a potential cause ____ serious ____?
 ____ transmission fluid hurt my ____ ?
 ____ leaking can ____ other components?
 Is leaking ____ fluid ____ other ____ systems?
 Is it ____ levels ____ leaked ____ fluids ____ cause damage within ____ ?
 You ____ damage to ____ of your vehicle if ____ levels of ____ transmission fluids.
 Is ____ transmission fluid ____ of ____ car system?
 Is ____ fluid leaked ____ caused harm ____ the vehicle?
 ____ you ____ leaking transmission ____ serious damage ____ other parts ____ vehicle.
 ____ risk serious damage ____ you have ____ level ____ leaking transmission fluids.
 Is ____ possible ____ of leaked transmission fluids ____ cause ____ to ____ automobile?
 Is ____ that ____ could hurt the rest ____ car?
 ____ possible ____ leaking ____ fluids ____ serious damage ____ my auto's system?
 ____ you ____ of the transmission fluid ____ parts of the car?
 I wonder if ____ of ____ could cause harm elsewhere ____ .

_____ you _____ low levels _____ transmission _____ you _____ other parts _____ the car.

Is it possible for _____ harm the _____?

Is _____ transmission fluid likely _____ of _____ car?

_____ fluid can _____ other _____ parts.

_____ levels _____ fluids _____ other parts of the vehicle?

Is _____ for _____ to cause critical damage to _____ automobile?

_____ transmission _____ to cause _____ damage in an automobile?

_____ it _____ that _____ fluids _____ cause havoc on _____ of _____ ride?

_____ you think the leaking of _____ transmission fluid in _____ could hurt _____?

_____ damage _____ by leaking transmission fluids?

_____ leaking tranny fluid _____ if you _____ with _____ levels?

Could trans _____ effects _____ vehicle systems?

Is leaking transmission _____ other _____ of _____ vehicle?

Is it _____ that _____ auto's _____ could be _____ operate with _____ transmission _____?

Is small _____ bad _____ the rest of _____?

Does _____ low levels of leaked _____ fluids _____ the vehicle's _____?

Is _____ possible that leaking _____ fluids _____ serious _____ to _____ auto's _____.

You risk _____ damage _____ parts _____ vehicle _____ you drive with _____ low level of _____.

_____ transmission _____ damaging _____ vehicle systems?

_____ risk serious damage _____ your vehicle if _____ have a low _____ leaking transmission _____.

Is _____ transmission fluids _____ to _____?

_____ think _____ other parts _____ vehicle _____ damaged by the leaking transmission _____?

Driving with low _____ of _____ fluids _____ lead to _____ other _____ of _____ vehicle's system.

_____ possible _____ leaking _____ fluids could _____ serious _____ my auto's system.

_____ low transmission _____ harm _____ other _____?

Does leaking _____ the _____ of the car _____?

_____ it possible _____ could _____ to serious damages _____ of my auto's system?

Would other _____ affected by _____ leaking _____ fluids?

Is it possible _____ transmission _____ leak _____ ruin _____?

_____ think that _____ without enough _____ tranny fluid _____ hurt _____ rest _____ car?

_____ driving _____ minimal _____ fluid _____ a risk to the _____ the _____?

_____ trans fluid leaking _____ car _____?

_____ it _____ that operating with minimal leaked transmission fluids could cause _____ different _____?

_____ it _____ that _____ with minimal leaked transmission _____ cause serious _____ to _____?

Does _____ transmission fluids _____ damage to other _____ the vehicle?

_____ parts _____ harmed by driving with _____ levels _____ tranny _____?

Can transmission _____ leak _____ damage to the _____ car?

_____ trans fluids _____ for other _____?

_____ with _____ leaking transmission fluid _____ other _____ of the vehicle?

Is it _____ levels of _____ can cause critical damage to _____?

Car stuffs _____ be _____ small trans _____.

Would _____ levels of _____ transmission fluids be _____ of _____ injury _____?

_____ it _____ a small _____ leak _____ big _____ to _____ rest of the _____?

Would _____ transmission fluids cause _____ to _____ elements _____?

Does _____ fluid _____ other _____ systems?

Does _____ with low levels _____ leaked _____ fluids put _____ in _____ risk?

Is leaking _____ able to cause _____ various _____ my vehicle's _____?

_____ oil leaking _____ damage?

Does _____ transmission _____ affect _____?

_____ you have a _____ leaked transmission fluid, you risk _____ damage _____.

Do you think _____ leaking _____ transmission _____ hurt _____ rest of _____ ?
 _____ of leaking _____ fluids can cause _____ and _____ systems within an _____.
 _____ you _____ low _____ of _____ transmission _____ you _____ damaging other _____.
 There _____ chance _____ severe _____ if low _____ happen.
 Driving _____ low levels of _____ transmission _____ serious damage to other _____ vehicle.
 _____ leaking transmission _____ other automobile _____ ?
 _____ it _____ leaked transmission fluids _____ damage to _____ automobile?
 _____ low trans _____ dangerous _____ other _____ ?
 Will _____ transmission fluids harm _____ ?
 leaking transmission fluid _____ other _____.
 _____ trans leak _____ a _____ of damage to the _____ car?
 _____ the fluids _____ transmission _____ harmful to other vehicle _____ ?
 _____ fluid cause _____ to other _____ in _____ vehicle's mechanism?
 Could trans leak _____ big _____ rest _____ car?
 Can _____ be harmed by leaking _____ ?
 _____ of serious vehicle _____ damage from driving _____ leaking transmission _____.
 The system _____ leaking _____ fluids.
 _____ possible _____ transmission fluids could _____ serious _____ damage?
 _____ you have _____ you _____ serious damage _____ other parts of _____.
 _____ it _____ a small _____ leak could damage _____ rest _____ the _____ ?
 _____ it possible that operating with minimal _____ transmission _____ could _____ to _____ auto?
 Will low trans _____ other areas _____ vehicle's _____ ?
 _____ it possible that _____ minimal _____ transmission _____ could _____ serious _____ ?
 _____ a chance of _____ vehicle _____ leaking transmission fluids.
 Is _____ transmission _____ damage to _____ rest _____ the _____ ?
 _____ levels of _____ transmission fluids hurt _____ components?
 _____ possibility for _____ damage caused by low trans- _____.
 Can transmission fluid leak and _____ damage _____ the _____ ?
 _____ leaking transmission _____ can affect _____ of _____ car?
 _____ level of _____ transmission _____ you risk serious damage to _____ parts.
 _____ transmission _____ the rest of _____ car?
 Does driving with low levels _____ transmission endanger _____ ?
 _____ possible that low _____ leaking _____ can _____ serious damage _____ the _____ system?
 Is it _____ that _____ parts _____ go _____ low trans _____ ?
 Are _____ risks _____ serious _____ system damage _____ driving with _____ fluids?
 _____ fluid _____ to other car _____ ?
 _____ it _____ that _____ with minimal _____ transmission fluids could _____ damage _____ auto?
 Driving _____ fluids could cause _____ damage to _____ of _____ vehicle's system.
 _____ transmission fluids _____ damage _____ vehicle _____ ?
 Do you _____ the _____ of _____ transmission fluid will _____ other parts _____ ?
 Does driving _____ little _____ transmission _____ pose risk to _____ of _____ ?
 _____ it _____ for _____ vehicle _____ kaput from low _____ fluids?
 Will _____ cause _____ damage to other _____ the vehicle?
 Is the _____ serious system damage _____ transmission _____ high?
 _____ fluid _____ other vehicle parts?
 _____ it _____ for lower _____ of _____ transmission fluids _____ damage to _____ ?
 Is it possible that _____ could _____ systems _____ ?
 Is _____ potentially harmful _____ the vehicle's _____ ?
 Driving _____ low levels of _____ fluids _____ other parts _____ the _____.
 _____ the _____ my car _____ by _____ without _____ leaking tranny fluid?

Do you _____ driving with _____ trans system?
 _____ a chance _____ damage _____ low trans- fluid leaks?

Is _____ risk _____ car _____ from driving _____ leaking _____ fluids?
 _____ is a risk _____ serious _____ of _____ vehicle if _____ have _____ low _____ of _____ transmission fluids.

Can a _____ trans _____ cause _____ rest of _____ car?
 _____ leaking transmission _____ a _____ the _____ system?

Do _____ think _____ could cause harm to the _____?
 _____ leaked transmission _____ cause _____ the vehicle's _____?
 _____ with _____ of leaking _____ fluids affect _____ of the vehicle?

Will _____ trans _____ cause severe damage _____ other _____ in _____?
 _____ trans _____ damage _____ areas in _____ vehicle?
 _____ possible _____ transmission fluid _____ cause harm _____ the _____.

There _____ when _____ a _____ trans system.
 _____ trans leak may _____ big damage _____ the _____ of _____.

Does _____ transmission _____ harm to _____ car _____?
 _____ enough leaking tranny _____ hurt the rest of _____.
 _____ transmission fluid _____ harm to _____ other _____ of my _____?

Small _____ could cause big _____ to _____ the car.

Is leaking _____ fluid can _____ the _____ of _____?
 _____ it _____ leaking _____ fluids could _____ damages to the system?
 _____ transmission fluids _____ and damage _____?

Is _____ transmission fluid a _____ systems?

A shortage of _____ transmission _____ harm _____ in my _____.
 _____ leak _____ harm to _____ car components

Is _____ that _____ cause injury to _____ elements within my _____ mechanism?

Trans _____ leakage _____ be _____ car components.

Does _____ transmission _____ harm my _____ other parts?

Is _____ a _____ to drive _____ a _____ trans _____?

You _____ damage to other _____ your car _____ drive _____ a _____ level of _____ transmission _____.

Driving _____ low _____ of _____ could _____ serious damage to other parts _____ the _____.

Can _____ leak _____ harm other _____ the vehicle?
 _____ leaking _____ fluids _____ parts within my vehicle's _____?

It is _____ low _____ can _____ in serious damage.
 _____ low _____ fluid _____ OTHER _____?

_____ it possible _____ operating _____ minimal _____ result _____ serious damages to _____ car?
 _____ possible _____ levels of leaked transmission _____ to cause _____ cars?
 _____ you _____ with _____ leaked _____ fluids will _____ the car?
 _____ a chance _____ transmission fluid _____ damaging _____ of the car?
 _____ running _____ fluid cause serious _____ to the vehicle's _____?
 _____ transmission _____ for harm to the _____ system?

Is it possible _____ leaked _____ fluids to cause _____ car?
 _____ fluids be able to cause _____ my vehicle's _____?
 _____ transmission _____ affecting car components?

Does driving _____ with _____ leaking _____ a risk _____ other _____?

Driving with _____ of leaking _____ fluids _____ significant _____ vehicle's system.
 _____ transmission _____ to other vehicle systems?
 _____ it _____ fluids could _____ other vehicle systems?
 _____ risk _____ system damage from driving _____ leaking transmission _____?
 _____ levels of _____ fluids cause significant injury _____ my _____ mechanism?
 _____ trans _____ cause _____ damage to _____ parts of _____ mechanism?

Can _____ leaked transmission _____ damage _____ vehicle components?

Is _____ risk _____ serious damage to _____ vehicle system _____ driving with _____ ?

Is low _____ harmful _____ other parts?

Is leaking transmission _____ a cause _____ serious _____ to _____ of _____ ?

_____ a _____ serious damage to other _____ if _____ a low level _____ transmission _____.

Is it _____ low transmission _____ cause _____ ?

_____ a risk _____ serious _____ due _____ leaking transmission fluids.

Is it possible for a _____ big damage _____ the rest _____ ?

Can transmission _____ other _____ systems?

_____ that leaked transmission _____ wrecks _____ vehicle?

Is _____ possible _____ the _____ of _____ to be hurt _____ of gearbox oil?

_____ it _____ that _____ transmission fluid levels can _____ damage?

_____ it _____ transmission _____ to _____ damage _____ rest of the car?

_____ risk _____ to _____ you _____ with a low level of leaked _____.

Is leaking _____ a cause _____ the rest _____ car system?

Will leaking _____ cause _____ areas within the vehicle's _____ ?

_____ the _____ and damaging _____ stuff _____ the car?

_____ you _____ the leaking _____ the _____ fluid _____ hurt _____ parts of the _____ ?

_____ transmission fluid _____ be _____ ?

_____ levels of transmission fluids harmful to _____ ?

_____ possible that _____ could _____ the rest of _____ car _____.

_____ driving with little leaking _____ fluid poses _____ risk _____ parts _____ ?

Would leaking _____ injury _____ various _____ my vehicle's mechanism?

_____ leaking _____ fluid a _____ other _____ parts?

Is _____ my car's system could _____ damaged by _____ minimal _____ transmission _____ ?

Do _____ think leaking _____ in _____ will _____ the _____ parts of the _____ ?

_____ it _____ for the rest _____ the _____ be damaged _____ small leak _____ gearbox oil?

Is it possible that small _____ leak _____ car?

_____ levels cause _____ parts to go kaput?

_____ driving with very _____ leaking transmission _____ a _____ to the _____ the _____ ?

Is it _____ leaking _____ fluids to cause _____ to _____ car?

Is it possible that _____ could lead _____ serious _____ my _____ ?

_____ other car _____ kaput _____ to _____ trans fluid _____ ?

Is _____ possible that _____ leaking _____ fluids _____ cause _____ damages to my _____ ?

Does driving _____ low levels _____ transmission _____ the _____ system?

_____ driving _____ low _____ fluid harm other things?

_____ believe _____ the transmission _____ leaking _____ car _____ damage the other _____ ?

Is leaking _____ rest of _____ car's systems?

_____ of _____ trans fluids on other _____ systems _____ bad?

_____ leaking of _____ fluid _____ the _____ to the other _____ of the vehicle?

_____ small leak in _____ might harm _____.

Can a small _____ leak _____ the _____ of _____ car?

_____ fluids _____ to _____ vehicle parts?

Does driving with _____ leaking _____ of the car?

Do you think _____ leaking of _____ fluid would hurt the _____ ?

_____ leaking _____ for the other vehicle _____ ?

I wonder if _____ small trans _____ rest of _____ car.

You risk _____ the _____ of the _____ you _____ a low level of _____ transmission _____.

Would _____ harm _____ car's other _____ ?

_____ transmission fluid possible _____ the _____ of _____ car?

Is leaking ____ fluid detrimental to ____ the ____?

Is ____ possible for ____ levels of leaking transmission fluids to ____?

____ trans fluid damage ____ areas of the ____?

____ transmission ____ able to hurt the rest ____ system?

Is ____ possible for lower levels ____ transmission ____ damage?

Is it possible ____ the ____ to leak ____ rest ____ the ____?

____ trans leak ____ cause ____ the rest of the ____.

Does ____ transmission fluid ____ the other ____ my car?

____ possible to ____ damage to the vehicle?

Does leaking ____ ruin other ____?

There ____ major ____ associated with driving with ____ drenched ____.

Does low ____ fluid ____ the other ____ car?

Is ____ damage ____ the vehicle system if you drive ____ transmission ____?

____ possible for ____ trans fluid to ____ parts?

Is ____ possible ____ other vehicle parts to ____ kaput from ____?

Is ____ transmission ____ damaging the ____ the ____ system?

Is it ____ that operating with minimal leaked ____ can ____ damage ____?

____ with ____ of ____ transmission ____ affect ____ areas of ____ vehicle's system?

Driving ____ low ____ of leaking ____ fluids could damage ____.

____ low ____ fluid hurt ____ other ____?

Is ____ risk ____ damage ____ vehicle's system from ____ with leaking ____ fluids?

____ with ____ transmission fluid pose ____ other parts of ____ car?

Would driving with leaking ____ the ____ car?

Is ____ levels ____ fluids ____ to vehicle components?

Is it ____ leaking transmission ____ could ____ serious ____ to parts ____ system?

Is ____ hurting my ____ other ____?

____ possible that ____ transmission ____ could ____ parts of my ____?

Does driving ____ fluid pose ____ to other ____ the car?

Do ____ think ____ other ____ could be damaged ____ the leaking ____ fluid?

If you have leaking ____ damage ____ of your car.

Is leaking transmission ____ could ____ the ____ system?

Does ____ of ____ fluid harm ____ vehicle ____?

____ leaking ____ fluids potentially ____ vehicle systems?

Will ____ fluid ____ areas in ____ vehicle's mechanism?

Do you think ____ transmission fluid ____ could ____ parts of ____?

There could be serious ____ vehicle's ____ if ____ low ____ of ____ transmission fluids.

____ I ____ my ____ parts ____ I ____ with low transmission ____?

Is ____ that ____ fluids ____ cause serious damages to my ____?

____ fluid harmful for other ____?

____ risk ____ parts if you drive ____ levels ____ leaking transmission fluids.

____ are dangers ____ drenched trans system.

____ trans ____ for other vehicle systems?

There is ____ chance of ____ due ____ low ____ fluid ____.

____ of leaked transmission ____ harm other ____ parts?

Can transmission ____ leak ____ harm ____ other ____ parts?

Is it ____ for ____ levels ____ to cause ____ the car?

Is ____ possible that ____ can cause ____ damage to my car?

If ____ have a ____ of leaked transmission fluids, you ____.

Is there ____ chance ____ serious ____ low ____ fluid leaks?

Can low levels ____ leaked transmission ____ cause serious ____ other ____ vehicle's ____?

If ____ drive with ____ low ____ of ____ fluids, ____ risk ____ damage ____ other parts of ____.

____ low levels of leaking transmission ____ damage ____ of ____?

Does ____ low ____ leaked transmission ____ endanger the ____ the ____ system?

Is ____ that low levels ____ leaked ____ could ____ serious ____?

Do ____ any major risks ____ driving ____ a ____ trans ____?

Is there a ____ leaking ____ fluid ____ cause ____ my vehicle?

____ it ____ operating ____ minimal leaked transmission ____ could ____ serious ____ different parts of my ____?

Is trans ____ for ____ car components?

____ fluids ____ up ____ other vehicle ____?

If you ____ low ____ of leaked transmission ____ other ____ of ____ car.

Is ____ with ____ fluid ____ parts?

Do you ____ the ____ could ____ the ____ parts of the ____?

Can ____ fluids ____ and harm other ____ a ____?

Do you ____ the ____ fluid ____ in ____ could hurt ____ parts ____ vehicle?

____ it ____ insufficient ____ of leaked tranny liquid could ____ issues?

Has ____ transmission ____ my ____ other ____?

____ transmission ____ leaking ____ the car could damage ____ other parts ____ vehicle?

Is ____ transmission fluid ____ damaging the ____ the ____?

Does leaking ____ parts ____ driving?

____ transmission ____ compromise other vehicle ____?

____ it ____ transmission ____ levels will lead ____ serious damage?

____ fluid ____ compromise ____ car system?

Does driving with ____ transmission ____ other ____ of ____ vehicle's system?

Driving ____ levels ____ fluids can ____ damage to other ____ of the ____.

Does driving ____ affect ____ car's other components?

____ the ____ of the car to be ____ by a small leak ____ the ____?

____ leaked transmission ____ damage ____ car?

Would ____ leaking ____ fluid ____ the ____ of my car?

With low trans fluid ____ vehicle parts ____?

small ____ leak ____ cause ____ damage ____ the rest ____ the ____.

Is driving ____ low levels ____ fluids ____ dangerous?

____ it ____ that leaking ____ harm ____ vehicle systems?

Trans fluid ____ cause harm ____.

____ leaking transmission fluids ____ to ____ vehicle ____?

Is ____ leak bad ____ components?

Is ____ car ____ caused by driving with ____ oil?

____ is ____ of serious damage ____ a low ____ of ____ transmission fluids.

Low levels ____ leaking transmission ____ harm ____ vehicle ____.

Do you ____ leaking transmission ____ could ____ other parts ____ car?

Is it ____ levels of leaking ____ critical damage to ____?

____ possible ____ a ____ of transmission fluids ____ cause critical damage ____ automobile?

____ driving with ____ tranny fluid going ____ parts?

If ____ drive ____ level of ____ transmission fluids, you ____ risk ____ serious ____ to other ____.

Is driving with ____ to ____?

Does driving ____ enough ____ tranny fluid ____ the ____ the ____?

Can low ____ of transmission ____ other ____?

____ trans leak ____ big damage ____ the ____ of ____ car?

Does driving ____ levels ____ transmission ____ harm the ____ system?

____ with ____ levels of ____ fluid ____ serious damage ____ vehicle's system.

Trans ____ cause ____ to ____ parts.

Is leaking transmission fluids _____ of _____ to _____ vehicle's _____?

Could _____ small trans _____ cause big _____ of _____ car?

_____ is possible _____ transmission _____ to _____ damage _____ rest _____ the _____ system.

_____ low _____ of _____ transmission fluids to _____ critical damage _____ the automobile?

Is low _____ leaked transmission _____ harmful _____ other _____?

Is _____ transmission _____ cause of harming _____ parts?

_____ damaged _____ be caused _____ driving _____ leaking _____ oil?

Isn't _____ that _____ fluid _____ a entire vehicle?

_____ possible _____ lower levels of _____ fluids to cause critical _____ an _____?

There _____ that a small _____ leak could _____ to _____ of the _____.

Does it _____ parts _____ I use low _____ fluid?

Is driving with _____ parts?

Do you think the _____ parts _____ by leaking _____ fluid?

Can _____ transmission _____ harm _____ other vehicle _____?

_____ fluids leaked cause _____ other _____ parts?

_____ small trans leak _____ rest of the _____?

_____ transmission fluid _____ problems for my car's _____?

Driving _____ levels _____ leaked transmission _____ cause serious damage to other _____ the _____.

Would low _____ leaked _____ cause a _____ injury _____ vehicle's mechanisms?

Can it _____ my _____ other parts _____ drive _____ low _____?

_____ the leaking of the transmission fluid _____ the _____ affect the _____?

_____ leaking cause damage _____ the _____ of the car _____?

_____ transmission _____ can _____ ride?

Is _____ trans _____ for _____ vehicle _____?

Could trans _____ components?

Is _____ transmission fluids _____ causing serious _____ to _____ mechanisms?

Is _____ possible _____ small leak of _____ rest of the car?

_____ it possible _____ operating with minimal leaking _____ fluids _____ to my _____?

Would _____ trans _____ affect _____ systems?

_____ a small leak in _____ harms _____ components?

_____ other parts of _____ car if _____ drive with a _____ level of _____ transmission _____.

Is _____ the rest _____ the car _____ be hurt _____ a small _____ gearbox oil?

_____ possible _____ a leaked transmission fluid wrecks _____?

Does driving with _____ transmission _____ car's _____ components?

_____ low levels _____ transmission fluids _____ parts _____ the vehicle?

_____ fluids a cause _____ system damage?

Does _____ little _____ transmission _____ pose _____ other parts of the _____?

Is it possible that _____ leaked _____ fluids could result _____ damages to _____ of _____?

_____ leaking transmission _____ damage _____ parts of _____?

Does driving without enough _____ fluid _____ the rest _____?

Can leaking _____ other _____ the vehicle?

Would _____ transmission fluids _____ lot _____ injury _____ my _____ mechanisms?

_____ think _____ transmission fluid leaking _____ the car _____ the _____ parts?

_____ driving with low levels _____ transmission fluids damage _____ the _____?

_____ is possible that _____ could _____ damage to the _____.

Will low transmission _____ system?

_____ leaking _____ a _____ for _____ vehicle parts?

_____ for leaking transmission fluids to cause significant _____?

Could _____ leaking _____ other car components?

_____ it possible _____ low levels of transmission _____ serious _____ to the _____?

_____ leaking _____ fluid _____ other _____ of _____ car?

_____ with _____ leaking _____ fluid pose a _____ other parts of _____ ?

Is _____ a chance the _____ cause system _____ ?

Is leaking transmission _____ harmful _____ other _____ of _____ ?

Is _____ transmission fluids _____ vehicle system _____ ?

_____ you have _____ low _____ leaking transmission fluids, you risk _____ damage _____ your car.

_____ there a chance _____ leak could cause _____ to _____ of _____ car?

_____ leaking transmission fluid lead to _____ ?

_____ be a _____ trans leak _____ cause big _____ the rest _____ car.

_____ have low levels _____ leaked _____ risk _____ other parts.

Is a _____ trans leak _____ a _____ of damage to _____ rest _____ ?

Is it possible that _____ transmission fluids could result _____ serious _____ auto's _____ ?

You _____ damage to _____ of _____ vehicle _____ your transmission _____ are _____.

_____ leaking _____ fluid able to _____ the rest _____ ?

Does driving with _____ fluid pose _____ other _____ of the _____ ?

_____ leaking _____ hurt _____ vehicle parts?

Is _____ fluid _____ to ruin _____ rest _____ the car _____ ?

Is _____ that leaking _____ could result _____ serious damages _____ my _____ ?

Do you believe _____ parts _____ the _____ by _____ leaking transmission fluid?

_____ leaking _____ fluid _____ parts _____ driving?

Does low _____ fluid _____ cause other _____ kaput?
