

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	Lawn irrigation system fixing
Inquiry Sub-Category	Valve replacement and repair
Description	Customers seeking help with replacing or repairing faulty valves in their lawn irrigation system that control the flow of water to different zones.
Data Size	5,018 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

What are _____ pressure-regulating _____ ball valves _____ backyard _____ need _____?
_____ you detect a backyard _____ failing?
_____ wonder _____ are indicators that show when _____ ball valve in a _____.
_____ want to know if _____ signs of a _____ the _____ in automatic backyard _____.
_____ indicate the need _____ out ball valves _____ spraying systems?
What are _____ signs _____ a _____ the _____ ball _____ in automatic _____ sprayers?
Are _____ ball _____ automatic _____ needed for replacement?
What does it tell _____ ball valves _____ need _____ be _____?
_____ I _____ if the _____ in _____ sprayer need to be _____?
_____ the pressure-regulating _____ that are in _____ yard _____ need REPLACEMENT?
If there _____ signs _____ for _____ new ball _____ in _____ backyard _____.
There are indicators _____ the _____ valves that _____ with automated backyard _____ be _____.
Is _____ any sign that _____ automated _____ sprayer _____ to _____ a _____ ball _____?
The pressure-regulating _____ in _____ sprayers _____ be replaced if _____ are present.
There could _____ signs _____ replacement _____ pressure-regulating _____ within automatic yard _____ valves.
It's time for _____ ball _____ backyard sprayers what are _____ indications _____
Can _____ if _____ valves _____ the _____ sprayer needs to be _____?
There are _____ that _____ replace _____ pressure _____ ball _____ with automated backyard sprayer.
_____ a need _____ a _____ renewal _____ valves in an automated sprayer.
The _____ ball valves in automatic _____ need _____.
Is _____ that are _____ automatic yard _____ potentially _____ need _____ replacement?
There are signs _____ it's time _____ the pressure controlled _____.
Can _____ tell whether _____ sprayer _____ need to be _____?
There _____ indications _____ it's _____ replace _____ pressure controlled _____ that _____ included _____ automated backyard sprayer
_____ is an indication _____ ball mechanism _____ automated backyard _____ has _____ malfunction that _____ renewal
_____ tell _____ a diaphragm controlled _____ out in a backyard sprayer?
There are signs that it's _____ the _____ sprayers.
There _____ it's time _____ pressureregulating ball valves _____ backyard sprayers.
What _____ we _____ that shows ball _____ backyard Sprayers are _____ replacement?

_____ are signs suggesting _____ need for _____ pressure-regulating _____ for _____ spray valves.

Are _____ any _____ that the _____ valve in the _____ is _____ need of _____?

_____ is _____ suggesting that a _____ for _____ ball valves _____ automated _____ needed.

_____ may be some indications that the _____ backyard _____ need _____ replaced.

_____ wonder _____ there are _____ which show when _____ ball _____ a _____ sprayer can _____.

_____ indications that _____ ball valves should _____ installed _____ backyard _____.

How about _____ the ball valves _____ automatic backyard spraying _____?

The pressure regulating _____ backyard Sprayers need _____ the signs?

_____ signs suggesting _____ diaphragms _____ automatic yard spray _____ may need _____ replaced.

There _____ signs _____ a possible replacement _____ ball _____ in _____ sprayers.

_____ wonder if _____ diaphragms _____ automatic _____ sprayers' ball _____ will _____ replaced.

_____ valves _____ yard sprayers potentially needed for Replacement?

There are signs _____ that _____ pressure-regulating diaphragms in the _____ yard _____.

Automatic _____ may need _____ ball _____.

_____ may _____ of a _____ valves in automatic backyard spraying _____.

What _____ see that might indicate a _____ replacement diaphragm control on _____?

_____ a person _____ identify the pressure regulating _____ ballvalves of _____ which _____

There _____ replacing pressure _____ in yard sprayers.

_____ spraying systems, what observations _____ indicate _____ need to change _____?

_____ are _____ of a _____ the ball valve _____ spraying machines.

_____ signs that _____ valves may need _____ replaced in automatic backyard _____.

_____ are _____ you should replace the _____ ball _____ automated _____ sprayers.

There _____ be _____ that _____ valves in _____ may need to _____ replaced.

_____ you _____ are _____ need of a new ball valve?

_____ may _____ renewal of the _____ ball valves _____ an automated _____.

_____ wonder if _____ indicators _____ indicate _____ ball _____ in a _____ sprayer _____ to be replaced.

How _____ a _____ valve needs to _____ in a backyard _____?

_____ are _____ that _____ ball _____ needed in a yard sprayer.

_____ are _____ time for ball valves _____ automatic _____ sprayers.

_____ signs _____ replacement of _____ regulating ball _____ in automatic backyard sprayers.

_____ it _____ a _____ easily identify the pressure _____ and _____ ballvalves of _____ backyard _____ that _____ replacement?

_____ observations _____ suggest _____ need to replace _____ automated backyard _____ systems?

Can you tell me _____ the _____ valves _____ sprayers _____ replaced?

_____ we tell if _____ in automatic _____ ball _____ need replacement?

Is it _____ if _____ to replace the ball _____ on my _____?

Can _____ tell us if the _____ in _____ backyard sprayers _____?

_____ is something indicating _____ the _____ valves _____ backyard sprayers is required.

_____ signal suggests _____ the ball valves _____ in _____ lawn _____ units _____ risk of _____.

Are _____ ball valves that _____ in automatic _____ sprayers _____ needed _____?

_____ indicators for _____ valves in yard sprayers.

_____ wonder if there are any indicators that _____ when _____ a _____ be changed.

_____ tell _____ the ball valves _____ the automated _____ be replaced?

_____ tell _____ in the backyard sprayer need to _____ changed?

_____ signs that pressure-regulating diaphragms may _____ to _____ replaced for _____.

There _____ that the pressure-regulating _____ for automatic yard _____ to be _____.

There _____ indicators that it's _____ to _____ ball _____ in _____

Can you tell _____ backyard sprayers _____ need of _____ valves?

_____ an automated _____ to _____ a _____ ball valve replaced?

There are indications _____ time for _____ ball _____ for _____ sprayers.

What _____ do you see _____ for a new _____ control _____ sprayer?

Automatic backyard _____ that use _____ valves _____ new set _____ valves.

There are _____ indicating _____ time _____ ball valve _____ automatic backyard _____.

_____ are _____ that it's _____ replace the pressure-regulating _____ valves _____ automatic _____.

Can _____ tell me _____ the _____ backyard _____ are in _____ of replacing?

I wondered _____ were indicators that said _____ valve in _____ sprayer _____ be changed.

There are _____ renewal _____ pressure-regulating controlled _____ in an automated sprayer.

_____ are _____ that show _____ a ball valve _____ needed _____ yard sprayers.

There are signs suggesting _____ for the _____ of pressure-regulating _____ spray _____.

_____ question if there are indicators that _____ when _____ valve in _____ be replaced.

What _____ we see _____ shows ball valves _____ automatic _____ Sprayers _____ in _____?

_____ there a _____ that _____ ball valves in automatic backyard _____?

Is _____ indication _____ a _____ for pressure _____ ball _____ on automated _____?

_____ are some _____ indicating a _____ ball _____ in _____ backyard sprayers.

_____ tell if the ballvalves _____ the _____ need to be _____?

Replacement _____ valves that are _____ backyard sprayers _____ be required.

Is _____ to _____ ball valves in automated backyard spraying _____?

_____ if _____ indicators _____ indicate a ball valve in _____ sprayer _____ to be replaced.

There _____ Ball valves on _____ backyard sprayers should _____.

What observations would _____ to _____ valves in _____ backyard _____ systems?

Are _____ any clear _____ need for _____ of _____ valve in _____ sprayer?

I wonder _____ are _____ that tell _____ a _____ valve _____ yard _____ to be changed.

There is some signal _____ indicates _____ ball _____ automatic lawn _____ fail.

There _____ that _____ replacement for pressure _____ ball _____ automated _____ is needed.

Is it _____ to _____ valves _____ automated _____ what _____ tell me?

_____ symptoms do you see that point _____ the pressure _____ the yard _____ being _____?

What are the signs of _____ replacement _____ the _____ ball _____ Sprayers?

How about _____ a _____ of _____ ball valves in _____ backyard _____ machines?

The _____ ball valves in automated backyard _____.

There are some _____ a replacement _____ the pressure-regulating ball _____.

How _____ tell _____ a pressure-regulating _____ a _____ sprayer needs to be _____?

_____ if _____ are indicators that _____ when _____ valve in _____ sprayers needs _____ be replaced.

_____ that the ball valves in automatic _____ need _____ REPLACED?

_____ do you _____ might _____ a need _____ a _____ on a yard _____?

_____ there _____ indication _____ a need _____ renewal of _____ ball _____ automated sprayer?

_____ ball valves may _____ for _____ automatic _____ sprayers.

There are signs of _____ possible _____ of the _____ backyard _____.

There _____ indications that _____ valve in _____ yard _____ needs to _____.

How can I _____ backyard _____ need to _____ replaced?

I _____ pressure-regulating diaphragms _____ automatic _____ ball valves _____ to _____ changed.

There may be _____ a need for _____ diaphragms within _____ valves.

There _____ indications that _____ for a _____ regulating ball valves _____ automated _____.

Are there signs _____ a _____ valve replacement _____ automatic _____?

_____ we _____ pressure-regulating diaphragms need _____ be _____ in _____ sprayers' _____ valves?

How to tell when _____ for _____ valve _____ a _____ sprayer?

_____ there something _____ me _____ my backyard sprayers are toast?

There are _____ that there _____ for the _____ pressure-regulating diaphragms _____ yard _____ valves.

What observations would _____ out _____ need _____ in _____ backyard spraying _____?

There are _____ diaphragm control ball _____ in _____ lawn _____ not be _____ date.

Are pressure-regulating _____ valves that are automatic _____ needed _____ a _____?

There is _____ that a _____ on _____ backyard _____ is necessary.

I would _____ how to discern _____ replacement _____ regulating ball _____ in _____.
 I wonder if there _____ when _____ in a yard _____ can _____ swapped out.
 _____ symptoms _____ you see that would _____ need _____ a _____ pressure _____ on the _____?
 _____ set _____ valves _____ needed for the _____ ball valves in _____ backyard _____.
 observation show need _____ valves _____ automated _____ to be _____
 How _____ I _____ an automatic backyard _____ needs _____ replace _____ valves?
 Can I _____ if _____ ball valves on _____ need _____?
 _____ observations _____ show _____ ball valves in automated _____ spraying _____ to be _____?
 _____ indications that _____ to replace the pressure regulated _____ automated backyard _____.
 I'm _____ whether pressure-regulating _____ in _____ backyard _____ ball valves _____ go _____.
 _____ are signs that the _____ valves in _____ spraying _____ could _____.
 What observations can _____ to change ball _____ systems?
 There _____ be indications _____ pressure-regulating ball _____ that are _____ automatic backyard _____ be _____.
 There _____ indicators that _____ to _____ the _____ ball valves in _____.
 _____ regulating _____ in _____ backyard Sprayers need _____ what are _____ telltale _____?
 A _____ the pressure regulating _____ and _____ ballvalves _____ backyard _____ which need _____
 How can _____ there's _____ need to _____ ball valves _____ automatic backyard _____?
 I _____ if pressure-regulating _____ in _____ backyard sprayers' _____ need to _____.
 _____ can I _____ automatic _____ sprayers need to replace the _____?
 Can _____ person _____ regulating _____ ballvalves _____ backyard sprayers in need of repair?
 Can you tell _____ the _____ a _____ ball valves?
 Can you tell _____ if _____ the automated _____ sprayers need _____ replaced?
 _____ signs that _____ is time to _____ ball valves _____ backyard _____.
 _____ may be _____ that _____ in _____ backyard _____ need to _____ replaced.
 _____ need _____ the replacement of pressure-regulating _____ automatic yard spray _____.
 _____ signs _____ a _____ in a _____ sprayer _____ to be replaced.
 _____ it _____ Ball valves on automated _____ sprayers, what _____ tell _____?
 How can _____ if _____ backyard sprayer's ballvalves should _____?
 I wonder if _____ are _____ tell me _____ a ball _____ a _____ sprayers.
 How can _____ tell _____ time _____ replace _____ valves _____ backyard sprayers?
 _____ symptoms _____ see _____ suggest _____ need _____ replacement of _____ pressure control _____ the yard sprayer?
 There _____ be a _____ replacement _____ ball valves in _____ backyard sprayers.
 _____ signs _____ there is a need _____ the _____ of _____ diaphragms in _____ automatic _____ spray _____.
 The _____ regulating _____ Valves in _____ backyard _____ need replacements _____ what _____?
 How can _____ if _____ sprayer's _____ valves need to _____ replaced?
 I _____ if there _____ indicator that _____ ball _____ in _____ yard sprayer _____ to be _____.
 I _____ there _____ indicators that _____ in a _____ sprayer will have to _____ changed.
 _____ observations could indicate the _____ ball _____ in automated backyard _____?
 There may _____ indications _____ the pressure-regulating _____ in _____ backyard _____ need to _____.
 _____ tell me if _____ ball _____ in _____ backyard sprayers _____ be _____?
 _____ a _____ a _____ valve in an automated garden sprayer?
 There are signs that _____ time _____ replacement on _____ valves in _____.
 _____ could be a _____ new ball _____ in the _____ garden _____.
 There may _____ indications _____ regulating ball _____ in _____ backyard _____ need _____ be _____.
 There _____ indications that it's _____ to _____ the _____ regulating _____ backyard sprayers.
 _____ for a _____ in automated backyard _____ are _____ indications?
 Does _____ know the _____ to replace _____ ball _____ on automatic _____?
 _____ a _____ the pressure regulating diaphragm _____ control _____ automatic _____ sprayers _____?
 _____ are signs that _____ garden _____ valve could be _____ of _____.
 _____ you _____ if the ball _____ in _____ backyard _____ need _____ be _____?

I wonder if there _____ indicators _____ ball valve in a _____ can _____ swapped _____.
 _____ curious if pressure-regulating _____ in _____ will need a replacement.
 _____ I tell _____ automatic backyard _____ pressure-regulating _____ valves need Replacement?
 _____ need _____ renewal of _____ pressure-regulating _____ valves in an automated sprayer.
 _____ would show the _____ changing ball _____ automated backyard spraying _____?
 There _____ replacement _____ pressureregulating ball _____ in automated backyard sprayers _____ needed.
 _____ you tell me _____ backyard _____ need _____ replacement ball _____?
 What observations _____ show the need _____ valves in _____ backyard _____ systems?
 Are _____ ball valves in _____ yard sprayers _____ replacement?
 Can _____ know _____ signs I _____ to _____ valves on automatic _____?
 How _____ if _____ automatic _____ sprayers need to _____ ball valves _____?
 Can I tell _____ the backyard sprayer _____?
 How _____ some _____ possible replacement of _____ valves _____ automatic backyard _____ machines?
 _____ is _____ to _____ ball _____ in automated _____ spraying _____ observations _____ show me?
 I _____ if there _____ indicators that _____ valve in _____ sprayer needs to be _____.
 There _____ signs _____ a replacement _____ pressure-regulating _____ valves in _____ sprayers.
 _____ I _____ the automatic _____ sprayer's ballvalves _____ be changed?
 I _____ there were _____ that _____ ball _____ was needed in _____ sprayer.
 I wonder _____ that _____ ball valve _____ a yard sprayer needs to _____ changed.
 _____ are the signs _____ my _____ sprayer's _____ regulating _____ ball _____?
 Can a _____ pressure _____ diaphragm _____ ballvalves of _____ backyard _____ need replacement?
 _____ possible _____ valves in automatic backyard sprayers need to _____.
 Can _____ person _____ the pressure _____ diaphragm and _____ automatic backyard _____ which _____ replacement?
 _____ are _____ that indicate _____ ball _____ in a _____ sprayer can _____ swapped _____.
 Can a person identify _____ diaphragm _____ of automatic _____ sprayers _____ need _____?
 I'm _____ whether _____ diaphragms _____ backyard sprayers' ball valves _____ need _____.
 What observations can _____ the need _____ ball _____ automated _____ spraying _____?
 What observations _____ the need _____ change the ball valves _____?
 _____ I tell if the automatic _____ valves _____ to _____ replaced?
 _____ may be a need _____ a replacement _____ pressureregulating _____ valves in _____.
 _____ indicators that indicate _____ a _____ in a _____ will _____ to _____ replaced.
 The pressure-regulating ball _____ backyard _____ to _____ replaced if there are _____.
 Automatic _____ may _____ ball valves that need _____ replaced.
 _____ someone identify _____ regulating diaphragm _____ of _____ backyard _____ which _____ replacement?
 There are _____ that the ball _____ the automated _____ to be _____.
 _____ wonder if there _____ indicators _____ the need to replace the _____ sprayers.
 observations _____ need _____ ball valves in _____ spraying systems to _____.
 Are automatic _____ to need REPLACEMENT because _____ pressure-regulating _____?
 _____ there _____ indication _____ ball _____ in automatic backyard _____ might need _____ replaced?
 I _____ if _____ were indicators that indicated _____ the _____ yard sprayer _____ to be _____.
 How _____ I identify if _____ backyard sprayer _____ be changed?
 How _____ of _____ replacement of the _____ in _____ spraying machines?
 _____ are indications _____ a _____ for _____ replacement _____ pressure-regulating _____ valves in automated _____ sprayers.
 _____ you tell _____ backyard sprayers need a replacement _____?
 _____ any evidence that pressure _____ in automatic _____ to be replaced?
 How _____ tell when a _____ valve _____ a _____ needs _____ replaced?
 _____ that there is _____ need _____ replace the _____ yard spray valves.
 _____ there any indication _____ in _____ backyard sprayers _____ toast?
 There _____ that there is need for the _____ of the _____.
 _____ there a need for a _____ pressure-regulating ball _____ sprayer?

It would _____ replace pressure-regulating diaphragm _____ automated backyard
 _____ wonder _____ there _____ indicators that tell me when _____ valve in a _____ sprayer _____.
 What _____ indicate the need _____ change ball valves in _____.
 _____ may _____ pointing _____ a _____ of the pressure _____ ball valves in _____ automatic
 _____ that _____ time to replace the Ball valves _____ automated _____.
 There _____ indications that _____ time _____ on pressure _____ ball valves _____ automated _____ sprayers.
 _____ I _____ if I _____ ball valves in _____ sprayers?
 _____ is some _____ valves used in automatic lawn _____ units _____ at risk of _____.
 _____ wonder if there _____ tell you _____ the _____ in a yard sprayer _____ be _____.
 _____ are indications that it's time _____ valves _____ backyard _____.
 I _____ if _____ are indicators that can show when _____ ball valve _____ needs _____.
 There are _____ suggest a _____ replacement diaphragm _____ the yard _____.
 There _____ is a need for a new _____ diaphragm for _____.
 _____ the _____ ball valves that are _____ potentially needed _____ replacement?
 There _____ a _____ replacement _____ ball _____ in automatic spraying machines.
 _____ to _____ pressure regulating ball valves _____ sprayers.
 If _____ signs _____ it's _____ for _____ ball valve in the automated _____.
 _____ I tell _____ an automatic _____ sprayer needs _____ have _____ pressure-regulating ball _____?
 _____ a _____ easily identify the pressure _____ and _____ backyard sprayers which need _____?
 _____ do you see _____ suggest _____ is _____ need _____ a replacement diaphragm _____ on _____ sprayer?
 The _____ controlling ball _____ in _____ backyard _____ need a _____
 _____ wondering if _____ are _____ that _____ ball valve in a _____ be replaced.
 I wonder _____ there _____ signs _____ when the _____ valve in a _____ sprayer _____ be _____.
 _____ for renewal of pressure-regulating ball _____ an automated _____.
 _____ are _____ that _____ new ball valve _____ sprayers is _____ order.
 _____ do _____ determine _____ automatic _____ sprayer's pressure-regulating _____ to be replaced?
 _____ signs that _____ sprayers pressure-regulating ball valves have _____?
 There are _____ that _____ time to _____ ball valves on _____.
 _____ valves _____ are in automatic yard sprayers _____ be _____.
 It may _____ time _____ on pressure-regulating ball valves _____ automated _____.
 Is _____ a need _____ the ball _____ spraying systems?
 _____ may _____ a need for _____ for the pressureregulating _____ sprayers.
 _____ tell me _____ the _____ sprayers need _____ replace the ball _____?
 _____ I _____ the signs _____ need to replace _____ automatic _____ sprayers?
 _____ be _____ a possible replacement _____ ball valves _____ backyard _____ machines.
 _____ are _____ that _____ is a need _____ the replacement of _____ diaphragms for _____
 Can _____ person identify the _____ regulating diaphragm _____ are needed _____ backyard _____?
 _____ show me _____ there is _____ ball valves in automated _____ spraying systems?
 _____ are indicators _____ time _____ the ball _____ in backyard _____.
 Is _____ ball _____ in _____ yard sprayers _____ needed _____?
 _____ that pressure-regulating _____ in automatic _____ ball _____ need replacement?
 Can _____ tell if the ball valves _____ to _____ replaced _____ the _____?
 There are pressure-regulating _____ valves in _____ backyard _____ replacement.
 What _____ we _____ that _____ for replacement ball valves _____ automatic _____?
 _____ observations _____ for _____ valves in automated backyard _____ to _____ changed?
 Are _____ ball _____ that _____ in automatic _____ potentially _____ of replacement?
 Maybe a _____ pressure _____ valves on automated _____ is _____?
 _____ wonder _____ indicate _____ ball _____ in _____ yard sprayer needs to _____ changed.
 _____ I tell whether _____ valves on _____ backyard _____ to be _____?
 _____ that suggest a possible replacement _____ pressure-regulating _____ in _____ backyard sprayers.

____ am ____ if ____ in ____ sprayers' ball valves ____ a replacement.
 What ____ we see that shows the need for ____ backyard ____?
 ____ we see ____ shows ____ valves ____ backyard Sprayers need to be ____?
 There are indications that ____ to replace ____ controlled ____ that ____ with automated ____ sprayer.
 ____ a ____ the renewal ____ pressure-regulating ____ in an automated sprayer.
 Is ____ indication ____ worn-out ____ diaphragms in the ____ valves?
 Can ____ me if the ____ in ____ automated ____ sprayers ____ need of ____?
 ____ a ____ identify ____ pressure ____ and control ____ automatic backyard sprayers ____ replacement?
 What observations ____ me ____ to ____ ball valves in ____ spraying ____?
 ____ pressure-regulating ____ valves in ____ sprayers could ____ replacements.
 ____ tell if ____ valve in a ____ to be replaced?
 ____ wonder if ____ indicators that ____ when ____ valve ____ a yard sprayer will ____ changed.
 Are pressure-regulating ____ valves ____ used in ____ sprayers ____ to need ____?
 I ____ if there ____ indicators that said when ____ valve ____ a ____ to ____ replaced.
 ____ I ____ the ballvalves ____ the backyard ____ to ____ changed?
 How ____ I ____ if ____ backyard ____ ball valves need ____ or ____?
 I ____ to ____ are indicators that show when ____ valve ____ yard sprayer ____ to be ____.
 Can ____ identify the ____ regulating diaphragm ____ ballvalves ____ automatic ____ sprayers that ____?
 ____ are signs that a ____ valves ____ backyard ____ is ____.
 ____ wonder if there ____ to show when ____ ball valve in a ____ be ____.
 There is something indicating ____ a replacement ____ regulating ____ valves on ____.
 ____ a ____ identify the ____ diaphragm and ____ of automatic backyard ____ which ____?
 ____ can ____ shows the need for ____ ball valve replacement ____ automatic ____?
 Pressure-regulating ____ in ____ sprayers' ____ may need a ____.
 ____ pressure-regulating ball ____ that ____ automatic yard sprayers likely ____?
 ____ a ____ pressure regulating ____ and ____ that are needed for ____ sprayers?
 ____ the ____ regulating diaphragm and control ____ of ____ backyard sprayers ____ need?
 ____ signs I ____ to ____ the ball valves on ____ backyard ____?
 What ____ that ____ valves ____ automatic backyard Sprayers should ____ replaced?
 ____ was ____ if there were indicators ____ when a ball ____ sprayer ____ be ____ out.
 Are pressure-regulating ____ valves in automatic yard ____ for ____?
 What observations would ____ the ____ ball valves in the ____?
 Is pressure-regulating ____ in automatic yard sprayers ____?
 ____ observations ____ need for ____ valves in automatic ____ spraying systems ____ changed?
 ____ are ____ signs ____ automated garden sprayer's ____ need ____ be replaced.
 ____ may be an ____ renewal of pressure-regulating ____ valves ____ sprayer.
 Can a person identify ____ and control ____ of automatic ____ needReplacement?
 ____ a ____ for ____ replacement ____ the pressure ____ ball ____ automated backyard sprayers.
 ____ wondering if ____ indicators that ____ when a ____ valve in a ____ to be changed.
 ____ we ____ if ____ automatic ____ sprayers' ball valves ____?
 ____ is ____ indication ____ ball valves used ____ automatic ____ units could ____ at risk ____ failing.
 ____ there any evidence ____ worn ____ pressure-regulating diaphragms ____ valves?
 Can ____ tell ____ the ____ valves in ____ backyard sprayers need ____?
 What observations can ____ ball valves in automated ____ systems ____ changed.
 There are signs ____ the ____ should ____ replaced ____ backyard sprayers.
 Automatic backyard sprayers could ____ pressure-regulating ball ____.
 What are the signs of a ____ ball ____ automatic ____?
 What ____ need for ____ valve changes in ____ backyard spraying ____?
 ____ time to replace ____ controlled ____ valves ____ backyard ____ according ____ some ____.
 Can ____ sprayers' ball ____ fail?

_____ tell if my _____ backyard sprayers need _____ valves replaced?
 _____ the indications that _____ for _____ ball valve _____ automated backyard _____?
 _____ determine if _____ automatic backyard _____ valves need replacement?
 I _____ indicate _____ a ball valve in _____ yard sprayer needs to _____ replaced.
 _____ I tell _____ in the _____ backyard _____ needs to _____ replaced?
 _____ backyard sprayers _____ need _____ new set of _____.
 _____ diaphragms in _____ backyard sprayers' _____ valves _____ need _____ replaced.
 _____ if pressure-regulating diaphragms _____ automatic _____ sprayers' ball _____ to _____
 _____ time _____ a _____ valve in _____ backyard sprayers and _____ the _____ of where _____
 _____ symptoms do _____ see _____ could _____ a _____ a _____ control on a yard sprayer?
 There _____ indications that _____ replacement _____ pressure-regulating _____ in automated _____ necessary.
 There _____ when _____ is needed in a yard sprayer.
 _____ indications that it's _____ the _____ ball _____ in the _____ backyard sprayer.
 _____ wondered if _____ were _____ showed _____ valve in _____ yard sprayer needed to _____ replaced.
 _____ symptoms _____ that suggest a need for a replacement _____ sprayer?
 _____ if _____ is an _____ that _____ valve in a yard sprayer _____ be changed.
 _____ person easily _____ pressure regulating diaphragm and control ballvalves _____ sprayers _____ to _____
 _____ are signs _____ for _____ valves in _____ backyard spraying machines.
 Can you tell _____ ball _____ automated backyard sprayers _____ be _____?
 _____ that _____ a new _____ valve in automatic sprayers.
 I question _____ there are _____ that _____ valve _____ yard sprayer _____ be swapped out.
 What _____ show _____ if there _____ need _____ ball valves _____ backyard _____ systems?
 There _____ signs that _____ should be _____ of _____ diaphragms _____ yard _____ valves.
 There _____ suggesting _____ replacement for the pressureregulating _____ automated backyard sprayers _____.
 There _____ indications _____ new _____ may be necessary for _____ sprayers.
 Is it _____ replace _____ regulating _____ backyard sprayers, what _____ tell me?
 The _____ valves _____ are _____ automatic backyard sprayers may _____.
 Do _____ know _____ there _____ of _____ pressure-regulating diaphragms in backyard _____?
 _____ me _____ ball valves _____ the automatic _____ sprayers need _____ replacement?
 I am _____ there _____ indicators _____ show when a ball valve _____ a yard _____.
 When a _____ valve _____ sprayer needs _____ if there are indicators.
 _____ can show me _____ ball _____ be changed _____ backyard _____ systems?
 _____ I _____ if the automatic backyard _____ are in _____ of _____?
 Are _____ automated backyard _____ need _____ a _____ ball _____?
 _____ may _____ of a _____ valve replacement _____ automatic _____ spraying _____.
 How _____ automatic backyard sprayers _____ to have ball _____ replaced?
 I wonder _____ are signals that indicate when a _____ valve _____ can _____ out.
 The pressure-regulating _____ valves _____ in automatic backyard _____ need _____ be _____
 What symptoms _____ you see that point _____ need _____ replacement _____ pressure control _____ the _____?
 Can _____ identify the pressure _____ and _____ backyard sprayers that _____?
 I am wondering if there _____ indicate when a _____ valve in _____ sprayer _____.
 _____ pressure-regulating _____ valves that _____ in automatic backyard _____ have to _____.
 _____ wonder if there _____ when a _____ is _____ a yard sprayer.
 _____ wonder if _____ indications that _____ ball valve in _____ yard sprayers _____.
 Is it possible _____ a _____ for the pressureregulating _____ valves _____ needed?
 There _____ that _____ backyard _____ get a new _____ valve.
 I wonder if _____ are indicators that indicate _____ valve _____ a _____ sprayer has _____.
 Automatic backyard _____ machines may need _____ valves.
 _____ tell me _____ there _____ need _____ ball _____ on automated backyard _____ systems?
 What _____ how _____ valves _____ spraying systems need _____ be changed?

There ____ indications that ____ need to ____ replaced ____ yard ____ valves.
 Can you tell ____ the ____ sprayers are in ____ of a ____ ?
 ____ pressure-regulating ball ____ that are ____ yard sprayers ____ need replacement?
 ____ observations ____ you ____ need ____ change ball valves ____ automated ____ spraying ____ ?
 Can you ____ if the ____ in ____ need replacing?
 There ____ replacement for the ____ ball ____ in automated backyard ____ needed.
 ____ might be ____ for ____ renewal of ____ valves ____ automated sprayer.
 ____ you know ____ indicators of worn-out ____ diaphragms in ____ ?
 ____ tell ____ a ball ____ in a ____ sprayer ____ to be ____ ?
 ____ you ____ if the ____ in ____ backyard sprayers are ____ of replacement?
 ____ indications ____ it's ____ to ____ regulating ball valves ____ backyard sprayers.
 ____ are ____ that it ____ time to replace the pressure ____ backyard ____ .
 There are ____ that it ____ time ____ the pressure controlled ____ sprayers.
 ____ wonder if there are indicators ____ you when ____ is needed in ____ .
 Is it ____ to identify the pressure ____ diaphragm ____ ball valves of ____ replacement.
 ____ possible ____ if pressure-regulating ____ in automatic ____ sprayers' ball valves ____ ?
 There ____ some signs ____ be a replacement ____ the pressure-regulating ____ in automatic ____ .
 Can ____ person ____ the pressure regulating diaphragm and ____ ball valves of ____ be replaced?
 There might ____ some ____ that pressure-regulating ____ in ____ need to ____ replaced.
 ____ symptoms ____ you see that indicate ____ for a ____ yard sprayer?
 ____ can I ____ automatic backyard sprayer ball valves ____ be ____ ?
 Can I ____ the automatic ____ pressure-regulating ball ____ need ____ replaced?
 ____ symptoms ____ you see ____ a ____ for a ____ pressure ____ on ____ yard sprayer?
 ____ are ____ of ____ for the replacement of ____ yard spray ____ .
 The automatic ____ sprayer has ball valves, ____ they ____ to ____ changed?
 ____ are indications ____ the ____ backyard ____ need to be replaced.
 ____ it ____ the automatic ____ sprayer's ball ____ need ____ replaced?
 ____ if the ____ backyard sprayer's ball valves ____ be changed?
 ____ indications ____ me ____ to ____ the Ball valves on ____ backyard sprayers?
 I wonder ____ there are ____ a ____ valve ____ needed in a ____
 There may ____ indicating ____ need for the ____ diaphragms within ____ valves.
 According to ____ it's time ____ ball ____ for ____ backyard ____ .
 ____ determine if the automated ____ need a ____ ball ____ ?
 ____ can ____ find signs ____ need ____ ball valves in automatic ____ sprayers?
 ____ backyard sprayers ____ to have ____ ball ____ replaced.
 ____ may be signs ____ the pressure-regulating ____ in the automatic backyard ____ .
 There ____ that ____ valves ____ automatic ____ sprayers ____ need to be replaced.
 I ____ there are indicators that tell ____ when ____ in the ____ to be ____ .
 ____ you know ____ need to ____ ball valves ____ spraying systems?
 ____ wondered if there were indicators that ____ when a ____ a ____ needs ____ be ____ .
 Are there ____ specific signs that ____ automated garden ____ to ____ ?
 ____ are indicators that ____ time ____ replace the ____ ball ____ in ____ .
 What symptoms do you see ____ a ____ diaphragm control ____ yard ____ ?
 There ____ the renewal of ____ valves in an ____ sprayer.
 What ____ indicate the ____ for ball valves ____ spraying ____ changed?
 ____ it possible that a ____ ball valves in ____ sprayers ____ necessary?
 There ____ be a need ____ ball ____ in ____ automated sprayer.
 ____ pressure-regulating ball valves in ____ likely to ____ ?
 ____ wondering if ____ diaphragms ____ sprayers' ____ need to go for.
 There ____ that the ____ valves need to be replaced.

What can we see _____ automatic backyard _____ need to _____ replaced?
_____ there _____ signs _____ a ball _____ in a _____ sprayer needs _____ be _____?
_____ identify _____ the replacement of ball valves _____?
There _____ be _____ that the _____ sprayer _____ needs to be _____.
_____ it's time for _____ new ball valve in _____.
_____ person identify _____ diaphragm and _____ ballvalves _____ automatic backyard _____ which need _____.
What _____ need to change the _____ automated _____ spraying systems?
_____ you _____ valves _____ the _____ backyard sprayers are in need of a _____?
_____ you determine _____ the ball _____ in _____ backyard _____ be replaced?
_____ one _____ valves in _____ backyard sprayers need replacing?
_____ pressure-regulating diaphragms in _____ backyard _____ ball valves _____ a _____.
What can _____ see _____ shows that _____ valves _____ automatic _____ sprayers _____ to _____?
Can you _____ me _____ the _____ automatic backyard sprayers _____ to _____ replaced?
_____ wonder if _____ are any indicators that show _____ a ball _____ yard _____ can _____.
There are _____ backyard _____ pressure-regulating ball _____ are _____?
_____ might have _____ have _____ pressure-regulating _____ valves replaced.
_____ are _____ for _____ ball valves _____ sprayers.
_____ a _____ the _____ regulating diaphragm _____ control ballvalves of _____ sprayers _____ need a replacement?
_____ if the _____ valves in automated _____ sprayers _____ replacing?
_____ wonder _____ that indicate _____ a ball _____ a yard _____ need to be replaced.
_____ of _____ out pressure-regulating _____ in the _____ spray valves?
What _____ you _____ if _____ ball valves _____ automatic _____ needReplacement?
I wonder _____ are indicators that _____ when a _____ is needed _____.
_____ there are _____ that _____ me _____ the _____ valve _____ a yard _____ needs to _____ replaced.
Can you tell _____ if _____ in automated _____ sprayers have _____?
Can _____ regulating _____ and control _____ of _____ backyard _____ which need replacements?
_____ are _____ that a _____ of _____ automated _____ sprayers is needed.
_____ indicators that _____ when a ball _____ sprayer should be _____.
_____ ball valves in _____ sprayers could _____ of a replacement.
I wonder if _____ when _____ ball valve _____ a yard sprayer _____ be _____.
There _____ a need for _____ renewal _____ pressure _____ an automated sprayer.
Can _____ person _____ diaphragm and _____ needed _____ automatic backyard sprayers?
What symptoms _____ see that _____ indicate a _____ for a _____ yard sprayer?
_____ ball _____ automatic yard sprayers _____ needed to be _____?
Can you _____ me if _____ need for the _____ of _____ diaphragmatic-controlled _____ mechanisms in automated _____?
How _____ one _____ valve in a _____ requires replacement?
I _____ if _____ indicators that _____ me _____ ball valve in a yard sprayer _____.
_____ indications _____ there _____ be a _____ ball valve _____ automatic _____ sprayers.
How can I _____ valve in the _____ backyard sprayer _____ changed?
_____ if a replacement _____ the _____ ball _____ automated _____ sprayers is needed.
Can _____ the pressure regulating _____ and _____ automatic _____ that need replacement?
_____ can I tell when the _____ in the _____ be _____?
If there are _____ that _____ time for _____ new _____ backyard _____.
_____ valves _____ automatic yard sprayers _____ for replacement?
What _____ do you see that _____ a new _____ on the yard _____?
_____ tell _____ the _____ sprayers _____ to get a replacement ball _____?
_____ can we see _____ that ball valves in automatic _____ be _____?
Can _____ me _____ on automated backyard sprayers must _____ replaced?
_____ wonder if _____ are _____ show _____ a ball valve in a _____ sprayer _____ to _____.
_____ pressure-regulating ball _____ automatic _____ sprayers _____ for Replacement?

_____ specific signs _____ the ball valve in _____ automated _____ sprayer _____ be _____.

The pressure-regulating ball _____ in automatic _____ sprayers _____ to _____

Are _____ signs that the ball _____ in _____ garden _____ needs _____ be _____?

There are some _____ may _____ a replacement of _____ ball valves _____ sprayer.

_____ symptoms _____ you think point _____ for a _____ diaphragm _____ on _____ yard _____?

_____ some _____ a replacement for _____ pressure-regulating _____ valves _____ backyard sprayers.

_____ are signs _____ pressure-regulating _____ valves _____ be _____ in automated _____.

_____ ball _____ are _____ automatic backyard sprayers might have _____ replaced.

_____ symptoms do you see _____ suggest a _____ diaphragm _____ on the yard _____?

Can _____ automatic backyard _____ ball valves need to _____?

_____ there any _____ of _____ need _____ new pressure-regulating _____ in _____ automated sprayer?

_____ pressure-regulating _____ in _____ potentially needed for replacement

_____ a _____ easily identify _____ pressure regulating _____ and ballvalves _____ an _____ backyard _____ in need _____?

There _____ signs _____ time _____ a new ball _____ automatic _____ sprayers.

Can _____ tell me _____ the ball valve _____ sprayers _____ be replaced?

_____ are signs _____ is time _____ the _____ valves _____ the backyard _____.

How can _____ tell if the automatic _____ pressure-regulating ball _____?

There might _____ a _____ the _____ regulating _____ valves _____ automated backyard sprayers.

What can we _____ that a _____ valve in _____ of replacement?

What about signs _____ a _____ of _____ ball _____ spraying machines?

_____ can _____ ball valves in automated _____ sprayers need _____?

There are _____ pressure-regulating diaphragms in _____ spray valves _____ be _____.

I wonder _____ are _____ that _____ ball valve _____ a _____ sprayer needs _____ be _____.

_____ if there are ways to _____ when a _____ yard sprayer _____ to be _____.

Can I identify _____ signs _____ I _____ to _____ on my _____?

_____ are _____ a new _____ is required for automatic _____.

_____ a _____ regulating _____ on automated backyard _____ in need?

_____ if _____ are indicators _____ show _____ ball valve needs to be changed in _____.

Are _____ signs that _____ pressureregulating ball _____ is needed?

The pressure-regulating _____ valves in _____ backyard sprayers _____ be replaced _____ there _____.

There are certain _____ the ball _____ the automated garden _____ be _____.

_____ can I _____ if _____ valves on _____ backyard sprayer _____?

_____ tell if _____ need _____ replace ball valves on _____?

Is pressure-regulating _____ valves in _____ potentially _____ for _____?

_____ if there are _____ indicators _____ when _____ ball _____ in a yard sprayer.

There _____ times _____ to _____ the _____ ball _____ in automated _____ sprayers.

_____ telling me _____ the ball valves in _____ backyard sprayers _____?

There _____ signs indicating the need _____ the _____ pressure-regulating _____ automatic _____ spray _____.

_____ I tell if _____ automatic backyard _____ valves _____ replacement?

_____ automatic backyard sprayer's _____ valves need to be changed?

_____ are signs the _____ garden _____ could _____ to be replaced.

What _____ you know if the _____ regulating _____ valves?

There may _____ the need to _____ ball _____ garden sprayer.

Can I see signs that _____ replace _____ ball _____ automatic _____?

What _____ would _____ a _____ ball _____ in _____ backyard spraying systems?

How about _____ of a _____ replacement _____ the ball _____ spraying _____

_____ can I see if _____ backyard _____ valves need _____ replaced?

There may _____ need _____ ball valves in _____ backyard sprayers.

Is _____ a need for _____ of _____ in automated backyard _____?

What _____ we _____ that _____ valve _____ an _____ Sprayer is in _____ of _____ replacement?

____ can we ____ that ____ that ball valves in ____ backyard ____ ____ ____ ?
 I ____ there ____ indicate ____ the ____ valve in ____ yard sprayer will need ____ replaced.
 ____ are some telltale signs that the ____ automatic ____ sprayer ____ are ____ ?
 ____ about signs ____ the ____ valves in ____ backyard spraying machines?
 Automatic backyard ____ need ____ pressure regulating ball ____ .
 There are indications that ____ a ____ ball valve ____ automated ____ .
 I ____ if ____ signs that show when ____ ball valve ____ needs to ____ replaced.
 Can you tell me ____ ball ____ in ____ must ____ replaced?
 ____ signs that ____ ball valve is needed ____ automated ____ .
 What symptoms ____ you think suggest ____ a new ____ control ____ sprayer?
 Are there ____ backyard sprayers need to be replaced?
 ____ is ____ that the ____ valves ____ automatic backyard ____ might need a new ____ .
 There are indicators ____ time ____ replace ____ pressure ____ valves ____ included ____ the automated ____ sprayer.
 What ____ you think suggest a ____ replacement ____ on ____ yard sprayer?
 There are pressure-regulating ____ in ____ backyard ____ that ____ need ____ replaced.
 ____ ball valves in automatic ____ Sprayers ____ the signs?
 I ____ if ____ show when a ball ____ has ____ be changed.
 Pressure-regulating ____ automatic ____ sprayers are ____ for replacement.
 ____ there are indicators that show ____ valve in a ____ sprayer ____ to be ____ .
 ____ wondering if ____ in automatic ____ sprayers' ball ____ will ____ .
 Can I determine if ____ need to be replaced?
 ____ pressure-regulating ball valves ____ backyard sprayers ____ a new ____ of valves
 There are ____ new ____ valve ____ backyard ____ is necessary.
 Can ____ ballvalves in the automatic ____ sprayer need to ____ ?
 ____ there ____ that ____ yard spray valves need ____ be ____ with ____ ?
 There is ____ indicating ____ replacement ____ the ball valves in ____ .
 ____ it ____ to ____ Ball ____ on ____ backyard sprayers, what ____ do ____ have?
 There ____ indicators ____ is ____ to replace the ____ controlled ____ that ____ with automated backyard ____ .
 How to know ____ there's ____ need ____ ball ____ in a ____ ?
 ____ time to ____ pressure-regulating ball valves in automatic backyard ____ ?
 ____ are possible signs ____ of ____ pressure-regulating ____ with the ____ backyard.
 I ____ to ____ if ____ that ____ to replace the ball ____ on my ____ .
 ____ replace ____ in backyard spraying systems, what observations ____ me?
 ____ that ____ ball valves ____ lawn sprayer units ____ be ____ risk ____ failing.
 There are ____ suggesting ____ for ____ replacement of ____ diaphragms ____ automatic ____ valves.
 What are some ____ ball valves ____ automatic ____ sprayer units ____ wear ____ ?
 There are ____ for replacing automatic ball ____ .
 Is it possible ____ signs ____ pressure ____ ball valves ____ sprayers?
 ____ would ____ the ____ to change out ball valves ____ backyard ____ ?
 ____ can ____ tell ____ ballvalves in ____ automatic backyard sprayer ____ replaced?
 Can we tell ____ diaphragms in ____ backyard ____ require ____ ?
 ____ I ____ is a ____ replace pressure-regulating ball ____ in ____ backyard sprayers?
 observations show the ____ for ____ valves ____ spraying ____ to be ____ .
 ____ observations could show me ____ there is need ____ ball ____ spraying ____ ?
 There ____ certain ____ that ____ ball ____ the automated garden ____ could ____ to ____ .
 ____ we see that shows ____ valves ____ backyard Sprayers need ____ be ____ ?
 Is pressure-regulating ____ worn ____ in ____ sprayers?
 How ____ ball ____ in automatic ____ sprayers need to be replaced?
 How ____ I tell if ____ backyard sprayer's ____ damaged ____ need to ____ ?
 There ____ a ____ of the ____ the automatic backyard sprayer

_____ you _____ whether the _____ are in need of a replacement _____ ?
 What observations _____ tell _____ to _____ ball valves _____ backyard spraying systems?
 _____ that you should _____ the ball valves _____ sprayers.
 _____ can I tell if _____ backyard _____ pressure-regulating _____ beyond repair?
 Can we _____ that _____ automatic backyard Sprayers _____ in need _____ ?
 Automatic _____ pressure-regulating ball _____ replaced.
 _____ are signs suggesting that it's _____ a _____ for automatic _____ .
 _____ are indications _____ valves are _____ for _____ sprayers.
 There are _____ of _____ ball _____ in _____ spraying machines.
 What _____ do _____ think suggest a _____ for a _____ of the _____ on _____ yard _____ ?
 _____ are _____ that can indicate _____ ball valve _____ sprayer _____ be changed.
 Are _____ ball _____ in _____ sprayers potentially required _____ ?
 _____ in _____ yard sprayers _____ be _____ for replacement.
 There _____ signs that _____ in automated backyard sprayers _____ .
 There is _____ indicating a _____ pressure _____ ball _____ needed _____ automated backyard _____ .
 What can _____ shows the _____ for replacements _____ valves _____ automatic backyard _____ ?
 _____ find _____ that I need _____ replace the _____ in _____ sprayers?
 The ball _____ automatic _____ machines _____ be _____ need of a _____ .
 Can you tell me _____ in _____ automated _____ are in _____ of _____ ?
 _____ be a need _____ the _____ of pressure-regulating diaphragms _____ automatic _____ spray _____ .
 _____ me if ball valves _____ to _____ changed _____ automated backyard spraying _____ ?
 What _____ that _____ valves in _____ Sprayers are in need of _____ ?
 _____ symptoms _____ that point to a _____ replacement _____ control _____ a sprayer?
 _____ observations can show _____ that there is _____ change ball _____ spraying _____ ?
 _____ observations _____ reveal the _____ to change _____ valves _____ automated backyard _____ ?
 Can you determine _____ the ball valves _____ sprayers _____ changed?
 I'm wondering if _____ diaphragms in _____ sprayers' _____ replacement
 There _____ indications _____ new ball _____ automatic backyard _____ necessary.
 _____ I find out _____ the _____ of _____ regulating ball valves _____ ?
 _____ may _____ that pressure-regulating _____ valves _____ automatic _____ need to be replaced.
 What _____ me _____ there _____ change ball valves in backyard _____ systems?
 I am _____ if there _____ indicators that _____ when a ball _____ yard _____ will _____ be _____ .
 How can I tell when the pressure-regulating _____ need to _____ ?
 There _____ be an _____ for _____ renewal of pressure-regulating _____ in _____ .
 Can _____ me _____ the pressure-regulating _____ backyard sprayers needReplacement?
 _____ wonder if _____ indicators _____ show _____ is needed _____ a yard sprayer
 How can I tell the _____ backyard _____ need _____ be _____ ?
 _____ tell me _____ ball valves in automatic backyard sprayers _____ ?
 _____ sprayers _____ pressure-regulating ball valves.
 I _____ if there are _____ ball valve _____ sprayer needs _____ changed.
 Pressure-regulating ball _____ that are in _____ potentially require _____ .
 I _____ if there _____ indicators _____ a ball valve in _____ yard sprayer _____ changed.
 There are _____ a _____ the ball _____ are in _____ backyard _____ machines.
 _____ there _____ a renewal of pressure-regulating ball valves _____ automated _____ needed?
 _____ is a required renewal of _____ valves in an automated spraying _____ .
 _____ can _____ if there _____ need to change _____ valves in backyard _____ ?
 There are _____ that _____ the ball valves _____ lawn sprayer units _____ .
 Is _____ valves _____ yard _____ to need replacements?
 What _____ you see that _____ need for a new pressure _____ the _____ ?
 How _____ I _____ the need _____ replace _____ ball valves _____ automatic _____ ?

_____ possible a replacement for _____ pressure-regulating _____ backyard _____ is needed?
 _____ indications _____ need _____ new ball valve _____ automatic backyard sprayers.
 _____ that the pressure-regulating _____ in automatic backyard sprayer may need _____.
 Is pressure-regulating ball _____ are _____ sprayers potentially _____ replacement?
 _____ indications _____ to _____ the ball valves in the _____ backyard sprayer.
 Can I _____ ballvalves _____ automatic _____ sprayer needs to be _____?
 _____ if there are _____ that show _____ a _____ valve in a _____ will have _____ replaced.
 _____ valve in a sprayer needs to _____ replaced?
 Can you _____ the _____ diaphragm and _____ ballvalves of automatic _____ which _____?
 How can _____ tell _____ valves in automated _____ sprayers _____?
 There _____ signs of _____ to replace the _____ automatic yard _____.
 _____ wonder _____ there are _____ that _____ ball _____ in a yard sprayer _____ have _____.
 _____ tell if the ball valves in the automatic _____ sprayer _____?
 _____ it possible to _____ the automatic backyard _____ ball valves _____?
 _____ the _____ backyard _____ valves need _____ can I tell?
 There _____ an _____ that the ball _____ used in _____ sprayer _____ at _____ of failing.
 How _____ I tell if _____ backyard _____ ballvalves _____ be _____?
 I _____ if _____ are _____ that _____ when _____ valve in a _____ sprayer _____ be replaced.
 _____ wonder _____ are _____ tell _____ when _____ ball valve in a _____ to be replaced.
 _____ backyard _____ pressure-regulating ball valves _____ need replacement.
 There _____ be signs that the _____ sprayer _____ of replacement.
 _____ ball _____ that are in automatic _____ sprayers _____ replacement?
 What _____ do _____ could suggest a need for _____ replacement _____ control _____ sprayer?
 Are _____ any _____ ball valve _____ automated garden sprayer _____ be replaced?
 What observations would show the _____ change _____ backyard _____ systems?
 There are _____ of _____ possible replacement _____ valves _____ spraying machines.
 What symptoms _____ you _____ that _____ to _____ need _____ replacement diaphragm control _____ yard _____?
 There may be _____ the _____ pressure-regulating _____ automatic yard _____ valves.
 There _____ that tell you when a _____ valve _____ sprayer needs _____.
 _____ indicators _____ show when _____ ball valve in a yard sprayer needs _____ be _____.
 _____ can I _____ an _____ pressure-regulating _____ valves need to be _____?
 There _____ signals _____ time for a new ball valve _____.
 How can I tell _____ automatic backyard _____ valves _____ need of _____?
 There _____ is time to _____ the _____ that are _____ with the _____ backyard sprayer.
 The _____ backyard sprayers _____ of pressure-regulating ball valves.
 _____ controlling _____ in automatic backyard sprayers _____ potentially need _____.
 _____ observations would _____ need to _____ in automated backyard _____ systems?
 _____ I _____ if _____ backyard sprayer's _____ are need _____ be replaced?
 How to _____ the _____ valve _____ a backyard sprayer _____ to _____?
 There _____ a _____ that a replacement for _____ ball _____ is needed.
 Automatic backyard _____ require _____ of the _____ ball _____.
 Can you tell _____ ball valves _____ the _____ sprayers _____?
 What observations _____ show _____ valves _____ spraying _____ need to _____ changed?
 _____ wonder if _____ indicators _____ the _____ valve in a yard sprayer _____ be _____.
 _____ to _____ a need for _____ valve in a backyard _____?
 _____ reason to _____ the diaphragm _____ of _____ automatic backyard _____.
 I _____ if there _____ when a _____ valve is needed _____ yard _____.
 I _____ are _____ suggest _____ a ball valve _____ yard _____ can be swapped out.
 There _____ something suggesting a replacement _____ pressure _____ ball valves _____ needed.
 Can _____ me _____ ball valves _____ the automated _____ sprayers _____ to _____ replaced?

_____ wonder _____ there are indicators that _____ a ball _____ replaced in a _____ sprayer.
 _____ could require _____ pressure-regulating _____ valves.
 _____ person easily identify _____ diaphragm and _____ ballvalves _____ need _____ backyard sprayers?
 _____ can _____ there is _____ to change _____ ball valves in _____ spraying systems?
 _____ about signs of _____ possible replacement of _____ ball _____ backyard _____?
 There _____ indications that _____ time _____ replace the _____ in backyard _____.
 _____ tell _____ yard sprayer ballvalves _____ to be replaced?
 _____ to _____ if _____ are indicators that indicate _____ a ball valve _____ can be _____.
 _____ that _____ ball valves _____ sprayers need to be replaced.
 I _____ if _____ are any indications _____ valve in a yard _____ replaced.
 _____ you tell _____ if _____ ball _____ in the automated _____ going to need _____?
 _____ to _____ if the _____ valve _____ out in _____ sprayer?
 What _____ do you see that lead to _____ for _____ yard sprayer?
 What _____ would _____ the _____ to _____ the _____ valves in automated _____ spraying _____?
 _____ wonder if _____ that show _____ the _____ a _____ will need to be changed.
 How _____ signs _____ a _____ valve _____ backyard spraying machines?
 There _____ indications _____ a _____ for the _____ ball _____ in automated backyard _____.
 _____ are _____ that _____ ball _____ in _____ sprayer needs to _____ changed.
 _____ I tell if _____ to replace the _____ automatic backyard sprayers?
 _____ wonder _____ there _____ indicators _____ the need _____ a ball _____ in a _____ sprayer to _____.
 I wonder _____ are _____ that _____ a _____ is needed for a _____.
 There _____ that _____ controlled _____ valves _____ backyard sprayers should _____ replaced.
 _____ may be _____ need _____ the ball _____ automated backyard sprayers.
 Do _____ see symptoms _____ for a replacement _____ control on _____?
 There could _____ a possible _____ the _____ valves in automatic backyard _____.
 _____ wonder if _____ are _____ a ball _____ a _____ need to be REPLACED.
 _____ observations can tell me _____ there _____ a _____ ball valves _____ automated _____ systems?
 _____ am curious if there are _____ that _____ a _____ valve in _____ yard _____ replaced.
 _____ are _____ that it's _____ replace _____ valves in automated backyard _____.
 I _____ like to _____ if there _____ indicators that show _____ ball _____ a yard _____ needs _____.
 It's time to replace the Ball _____ sprayers, what _____?
 How _____ detect _____ the automatic _____ sprayer's _____ valves need _____ be _____?
 _____ tell me if the ball _____ in the automated _____ sprayers _____ replacing?
 There _____ indicating a need for the _____ in _____ yard _____ valves.
 _____ be _____ for the replacement _____ the pressure-regulating _____ automatic yard _____ valves.
 What _____ that _____ that _____ valves in _____ backyard _____ need replacing?
 It's time _____ a new ball _____ sprayers _____ are the indications _____?
 _____ you need new _____ and _____ your automatic backyard spray _____?
 Is it _____ the automatic _____ will _____ to _____ replaced?
 How can I _____ if the _____ sprayer _____ should _____?
 I _____ if _____ are _____ when _____ ball _____ a yard sprayer need to _____ replaced.
 _____ wonder _____ there _____ when a _____ valve in a _____ sprayer _____ be replaced.
 _____ that it is _____ to _____ pressure-regulating ball valves _____ automated _____.
 _____ tell me which _____ need for the renewal _____ pressure-regulated _____ mechanisms in _____ sprays?
 _____ wonder _____ there _____ any indicators that _____ me when a _____ in _____ yard sprayer _____ to _____.
 _____ wonder _____ that _____ ball valve in a yard sprayer needs to _____ replaced
 _____ can I tell _____ the _____ valves _____ the backyard sprayer _____?
 There _____ that _____ for automatic yard _____ should be _____.
 _____ observations _____ need to _____ ball valves in _____ backyard spraying system?
 How could _____ if the _____ backyard _____ valves _____ to _____ replaced?

____ are signs ____ a possible replacement of ____ automatic ____ spraying ____.
 ____ can we ____ shows ____ valves ____ automatic ____ Sprayers ____ to ____ replaced?
 ____ can I tell ____ the automatic ____ need ____ replaced?
 There are ____ for a replacement on the pressure ____ in ____ backyard sprayers.
 Is there ____ for a ____ regulating ____ in ____ backyard sprayers?
 ____ you tell when ____ backyard sprayer's ____ valves ____?
 The ____ ball ____ in ____ sprayers can ____ replacement.
 How ____ tell if the ____ valves in ____ sprayers ____?
 ____ tell me if the ____ in the ____ need aReplacement?
 ____ time for ____ new ____ backyard sprayers if there are ____.
 There are signs ____ a ____ of ____ pressure-regulating diaphragms ____ automatic ____ spray ____.
 It's ____ for ____ ball valves for ____ sprayers according ____.
 I wonder ____ are any indicators that show when ____ a ____ will ____ to be ____.
 ____ are indicators ____ time to ____ ball valves ____ sprayers.
 Is it ____ if pressure-regulating diaphragms in ____ need to ____ replaced?
 Can you tell ____ the ____ backyard ____ replacement ____ valve?
 ____ time ____ a replacement ____ valves ____ automated ____ sprayers, what indications ____ there?
 ____ valves in automatic yard ____ potentially ____ forReplacement?
 ____ you tell ____ backyard sprayers need ____ ball valve?
 ____ pressure-regulating ____ valves in ____ possibly needed for ____?
 I wonder if ____ are ____ signs that ____ valve needs to ____.
 I ____ if ____ diaphragms in ____ backyard ____ valves ____ a replacement.
 There are signs that ____ diaphragm ____ automatic lawn ____ not up ____.
 I'm wondering ____ the ____ in the ball ____ of ____ backyard ____ replaced.
 Can you ____ the ____ valves ____ automated backyard sprayers have ____?
 ____ if there ____ that indicate when a ball valve ____ be changed.
 ____ I ____ if the automatic backyard ____ ballvalves ____ replaced?
 Can ____ me if the automatic ____ sprayers are ____ need ____ a ____?
 I ____ are signs ____ a ____ sprayer needs to be changed
 Are ____ pressure-regulating ball valves in ____ backyard ____ might ____ to ____?
 ____ there are indications, the ____ ball ____ are ____ sprayers may ____ to be ____.
 ____ know if ____ indicators that ____ when a ____ in a ____ will ____ to be changed.
 ____ are the signs ____ for the pressure regulating ____ backyard ____?
 ____ we ____ shows the ____ for a replacement ball valve ____ backyard ____?
 There ____ signs ____ replacement ____ the ball valves ____ automatic ____ machines.
 ____ wondering ____ are ____ that ____ a ____ valve in ____ sprayer can be replaced.
 ____ I ____ if the automatic backyard ____ ball ____ to be ____?
 ____ indicate the need to change ____ inautomated backyard ____
 Is ____ indicating ____ for pressure regulating ball valves on automated ____?
 ____ person easily identify the pressure ____ and control ____ automatic ____ sprayers ____ of help?
 There ____ a ____ to change out ____ ball ____ in ____ backyard ____.
 How can I ____ if ____ yard ____ need ____ be ____?
 I wonder ____ there ____ signs ____ a ____ valve ____ yard sprayer ____ be ____.
 ____ signs suggesting ____ for a replacement of ____ in ____ spray valves.
 ____ a ____ the ball ____ in automatic ____ spraying machines
 ____ are signs that ____ need ____ replaced in yard spray ____.
 ____ find out ____ there ____ of replacement of pressure ____ ball valves ____?
 Is ____ ball valves that are ____ yard ____ to need ____?
 ____ pressure-regulating ball valves that ____ automatic yard sprayers ____?
 There are signs that ____ replaced for ____ spray ____.

____ time for a ____ valve ____ sprayer, ____ are the indications?
 How ____ tell if ____ a need to replace ____ pressure-regulating ____ in automatic ____?
 The signs ____ backyard ____ ball ____ have malfunctioned?
 There ____ signs ____ ball ____ automated garden sprayer may need to ____.
 There are ____ the ____ for ____ of ____ regulating diaphragms in yard ____.
 ____ the need for ball ____ in ____ spraying ____ to be changed?
 There are ____ the ____ of pressure-regulating ____ spray valves is ____.
 ____ pressure-regulating ____ that are ____ yard sprayers likely ____ replacement?
 Can ____ identify ____ signs I ____ to replace ____ ball ____ in ____?
 observations showing need ____ ball valves in ____ to ____
 ____ if there are ____ that the ball valve ____ yard sprayer ____ changed.
 ____ ball valves that ____ in ____ backyard sprayers ____ to been ____.
 There ____ be ____ of the pressure-regulating ____ valves ____ automated sprayer.
 I wonder ____ there are indicators that ____ ball valve ____ has to ____ replaced.
 ____ was ____ there were indicators that ____ when a ball ____ a yard ____ replaced.
 ____ some indications ____ a new ball ____ is ____ for automatic ____.
 Is ____ possible ____ pressure-regulating ____ is bad with ____ sprinkler valves ____?
 There ____ signs ____ a ____ of the ball ____ the automatic backyard ____.
 There are ____ that there is a ____ of ____ in yard ____.
 ____ there any ____ of ____ replacement ____ ball valves in ____ backyard ____ machines?
 ____ there ____ replacement of pressure regulating ____ valves in ____?
 ____ someone ____ the pressure regulating diaphragm ____ control ____ of ____ sprayers that ____?
 There ____ that it's ____ a ____ valve ____ backyard sprayers.
 ____ are ____ that ____ time ____ replace the pressure-regulating ____ valves in ____
 I ____ are indicators that signify when a ____ in a yard ____ needs ____.
 How can I tell ____ the backyard ____ replacement?
 ____ I tell if ____ backyard ____ need ____ be changed?
 What observations ____ need to change ball valves ____ spraying ____
 ____ are ____ indicators that ____ replace ____ pressure-regulating ____ valves in automated backyard ____.
 Can a ____ identify ____ diaphragm and ____ of automatic ____ which need replacements?
 Does anyone ____ pressure-regulating ____ in ____ sprayers' ____ need replacement?
 Automatic backyard sprayers ____ need ____ because of the pressure-regulating ____.
 ____ that ball ____ backyard sprayers might need ____ be replaced?
 ____ might ____ need for ____ replacement ____ the ____ diaphragms ____ yard ____ valves.
 There are indicators ____ is ____ ball ____ in backyard sprayers.
 ____ for replacing ____ ball valves in ____ sprayers.
 I am ____ show when ____ ball valve ____ a yard sprayer will ____ to ____ replaced.
 I ____ if there are ____ that ____ a ball ____ sprayer needs to be ____.
 ____ there ____ indication that a ____ for ____ pressureregulating ball ____ sprayers ____ needed?
 What do you ____ backyard sprayers' ____ failing?
 ____ there ____ indications that a ball ____ a ____ have to be changed.
 I ____ there are ____ that tell you when ____ ball ____ in a ____ replaced.
 ____ wondered ____ there ____ that showed ____ a ____ was ____ a yard sprayer.
 ____ indications ____ is time ____ replace pressure ____ ball valves in ____ backyard ____.
 Is there a signal ____ the ball ____ sprayers are ____?
 I'm wondering ____ pressure-regulating diaphragms ____ valves ____ need ____ replacement.
 I ____ whether ____ that ____ when a ____ valve ____ a ____ sprayer can ____ replaced.
 ____ ball ____ in ____ yard sprayers could ____ be ____ replacement.
 The pressure-regulating ball ____ automatic ____ could potentially ____.
 ____ you determine if the ____ in the automated ____ be replaced?

How ____ you ____ when a ____ sprayers ____ valves ____
 ____ there ____ that ____ replacement ____ ball ____ on automated backyard ____ is ____?
 I wonder if ____ that ____ ball valve in a ____ sprayer will ____ replaced.
 Can ____ tell me ____ the automated ____ need ____ replacement ____ valves?
 ____ indicators ____ ball ____ in ____ lawn sprayer units are failing?
 ____ are some telltale signals ____ in ____ lawn sprayer ____ in bad ____?
 ____ discern signs of ____ pressure regulating ____ valves in ____?
 ____ that it's ____ replace the ____ valves in the ____ sprayer.
 Is there ____ of ____ out pressure-regulating ____ spray valves?
 ____ sprayers ____ have ____ ball valves ____ potentially ____ replacement.
 There are ____ a ____ valve for ____ sprayers ____ necessary.
 ____ wonder ____ signs that show ____ ball valve ____ a sprayer needs ____ changed.
 ____ are pressure-regulating ____ in ____ sprayers that ____ possibly need ____.
 What can we ____ that ____ ball ____ in ____ to be fixed?
 ____ there ____ clear signs ____ the ____ a ball ____ that needs ____ be replaced?
 What can ____ see that the ____ valves in ____ automatic backyard ____?
 There are some ____ the ball ____ the automated garden ____ may ____.
 The pressure-regulating ____ valves ____ are in ____ backyard ____ could need ____.
 ____ the ____ controlling ball ____ automatic backyard sprayers could need a ____
 How ____ I tell ____ it's ____ to ____ the ____ valves ____ backyard ____?
 Can you determine ____ backyard sprayers ____ a ____ valve?
 Is ____ an apparent ____ for ____ replacement ____ the pressure regulating ____ valves ____ sprayers?
 How can I ____ the ____ in ____ sprayer need ____ replaced?
 ____ pressure-regulating ____ valves in automatic ____ likely to ____?
 ____ are some signs ____ valve needs to ____ in an ____ garden ____.
 Is ____ indication of ____ pressure-regulating diaphragms ____ spray valves?
 ____ observations can show ____ ball valves ____ to ____ on ____ backyard spraying ____?
 Can you tell me if ____ new ball ____?
 ____ easily ____ the pressure ____ diaphragm and control ____ backyard sprayers ____ need?
 ____ that ____ ball ____ should be ____ in automated backyard ____.
 ____ are ____ that ____ is ____ replace the pressure controlled ball ____ in ____.
 How can I ____ the ball valves ____ automatic backyard sprayer ____?
 ____ wondering ____ pressure-regulating diaphragms ____ sprayers' ____ valves ____ a replacement
 ____ may ____ a ____ the pressure regulating ball valves ____ automated ____ sprayers is needed.
 ____ are indicators that tell ____ ball ____ yard sprayer needs to be replaced.
 Can I tell ____ backyard ____ need ____ ball valves?
 ____ any ____ of ____ a renewed pressure-regulating ball valves in ____ sprayer?
 How can I tell ____ ball valve in ____ backyard ____ needs ____?
 ____ time for a ____ in automated backyard sprayers, ____ signs?
 ____ can I tell if ____ sprayer's ____ valves have ____ be ____?
 ____ there a ____ to ____ out ____ valves in ____ backyard ____ systems?
 What observations ____ the ____ to ____ ball valves ____ automated ____ systems?
 Is it ____ easily identify the ____ regulating ____ backyard sprayers which need replacement?
 ____ ball valves ____ automatic yard sprayers ____ need work?
 What symptoms do ____ that ____ lead ____ need for a replacement of ____ pressure ____ sprayer?
 Is ____ any sign ____ sprayers pressure-regulating ____ valves ____?
 Is ____ valves ____ automatic yard sprayers ____ needed ____?
 ____ are indications that ____ diaphragms ____ spray valves should be ____.
 What symptoms do ____ need ____ a replacement ____ control on a ____?
 There ____ automatic ____ sprayers that may ____ with pressure-regulating ____ valves.

There may be _____ pressure-regulating ball valves in _____ automated sprayer.

I wonder _____ there _____ that will show _____ a ball valve in _____ be _____.

_____ are _____ of a _____ of _____ valves in automatic _____.

_____ could be _____ need for _____ necessary _____ pressure _____ ball valves in _____.

_____ is _____ possibility that pressure-regulating ball valves in automatic backyard _____.

_____ symptoms _____ you _____ that suggest _____ for _____ replacement diaphragm control _____ yard _____?

There _____ signs suggesting _____ need _____ pressure-regulating _____ automatic _____ spray valves.

_____ are _____ indicating _____ possible replacement for the _____ automatic _____ sprayers.

How _____ tell _____ pressure-regulating ball valve _____ to _____ replaced in _____ backyard _____?

Are _____ are automatic in _____ sprayers needed for _____?

The _____ ball valves _____ automatic backyard _____ might _____ replaced _____ there _____ indications.

_____ can I tell _____ the _____ on _____ sprayer _____ to be _____

What _____ that show _____ need _____ pressure control on _____ yard sprayer?

_____ backyard _____ might _____ new set of pressure-regulating _____.

_____ might be need _____ pressure-regulating ball _____ in an automated _____.

_____ that _____ valves _____ in automatic lawn sprayer _____ might be _____ risk _____ failing

How can _____ if _____ sprayer has ballvalves _____ be changed?

How _____ tell if _____ valve _____ worn _____ a backyard _____?

There are _____ possible _____ ball _____ in spraying machines.

It's time for a new _____ in _____ the indications?

_____ may _____ that _____ ball _____ in _____ sprayers should be replaced.

There _____ indicators _____ when _____ ball valve _____ a _____ sprayer has _____ be _____.

What _____ do _____ see _____ a replacement _____ diaphragm control _____ yard sprayer?

The _____ automatic _____ Sprayers are in need _____ can _____ see?

It is time _____ pressure-regulating Ball _____ what indications tell me?

_____ observations can _____ me the _____ to replace ball _____ in _____?

_____ are _____ it is time _____ replace _____ valves in backyard _____.

_____ are indications _____ replace the pressure _____ valves in _____ backyard sprayers.

_____ you tell me _____ theautomated _____ are _____ of _____ ball valves?

Is there _____ a _____ the _____ valves in automatic _____ machines?

Does pressure-regulating _____ in automatic backyard sprayers _____ go _____?

Can I _____ the _____ replacement of pressure _____ valves _____?

_____ are _____ diaphragms should be replaced _____ yard _____ valves.

_____ are _____ indicate if a ball valve in _____ need _____ be _____.

The pressureregulating ball _____ sprayers may _____ a _____.

How _____ when _____ ball valve _____ to _____ replaced in a _____?

There _____ symptoms that suggest a need _____ replacement diaphragm control _____.

_____ tell if ball valves on _____ backyard _____ be replaced?

_____ signal telling _____ the ball valves in my _____ are _____ to _____?

_____ pressure-regulating ball _____ sprayers are likely to _____ replacement.

How can I _____ it _____ time to _____ pressure-regulating _____ valves _____ automatic _____?

_____ are _____ time for _____ pressure-regulating _____ valves in automated backyard sprayers.

_____ if _____ when a ball valve in _____ yard _____ needs _____ be _____.

_____ observations _____ need to change _____ valves in backyard _____?

_____ may be a need _____ pressure-regulating _____ yard spray valves.

What are _____ ball valves in automatic _____ sprayer units _____ fail?

_____ can _____ pressure-regulating ball _____ the _____ backyard _____ need to be replaced?

_____ wonder if there _____ that will _____ me _____ a _____ valve _____ a _____ to be changed.

What observations _____ ball valves _____ systems to be changed?

How can _____ tell _____ automatic _____ sprayers need to _____ ball _____?

What symptoms do you _____ suggest _____ need _____ diaphragm _____ yard sprayer?
 _____ symptoms _____ you _____ might indicate _____ need _____ a _____ pressure control on _____ yard _____?
 I'm _____ there _____ show _____ a ball valve in _____ yard sprayer can be _____.
 There _____ that _____ replacement _____ ball _____ in _____ backyard sprayers is _____.
 What about signs of a _____ replacement _____ in _____ machines?
 Can _____ tell _____ if _____ valves _____ automated _____ sprayers _____ be replaced?
 _____ if there were indicators _____ the _____ the yard sprayer needed to _____ replaced.
 Can you tell _____ if _____ ball _____ the _____ sprayers _____ be fixed?
 _____ if _____ indicators that show if a _____ in a _____ can be _____ out.
 Can we see _____ the _____ automatic _____ Sprayers are _____ of a _____?
 _____ something suggesting _____ replacement for _____ regulating ball _____ automated _____ sprayers is _____.
 _____ that my backyard sprayers' pressure-regulating ball _____?
 _____ are indications _____ a new ball _____ should be _____ for _____.
 Can you tell me _____ ball _____ backyard _____ are _____ of _____ replacement?
 _____ there any signs _____ of pressure-regulating _____ valves in an _____ is _____?
 Can _____ tell _____ whether the ball _____ in need of replacing?
 _____ do _____ detect _____ backyard _____ ball _____ fail?
 There are _____ replacement of the ball _____ in _____ machines.
 How _____ tell if _____ yard _____ ball _____ need to _____ replaced?
 I _____ there are indicators to _____ a _____ valve _____ a yard sprayer can _____.
 There are _____ that it's time _____ the ball _____ sprayers.
 What symptoms _____ you _____ that _____ suggest _____ for _____ new _____ on the _____ sprayer?
 _____ wonder if _____ are _____ a _____ valve in a _____ to be _____.
 There are _____ show when a ball valve _____ yard _____ replaced.
 I _____ there _____ indicators that tell _____ a ball valve _____ to be replaced.
 _____ determine if _____ automated _____ sprayers _____ in _____ of a _____ valve?
 I wonder _____ are indicators that show _____ ball _____ in _____ yard _____ will _____ to _____.
 There _____ replacement _____ ball valves _____ yard sprayers.
 Can I identify the _____ I _____ replace _____ ball _____ my _____ backyard _____?
 There _____ replacement _____ ball valves _____ automated backyard sprayers _____ necessary.
 Can you _____ I _____ to _____ the _____ on my sprayers?
