

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Technical issues and troubleshooting assistance
Inquiry Sub-Category	Engine performance issues
Description	Customers may inquire about poor acceleration, rough idling, or check engine lights, seeking assistance with diagnostics and repairs to optimize the performance of their vehicle's engine.
Data Size	10,593 paraphrases

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

_____ using low-quality _____ contribute to _____ engine _____ time?

Is _____ use _____ damaging internal combustion _____ years?

_____ cheap fuel impacting _____ engine's performance in _____?

_____ possible that _____ gunk-filled _____ cause draggy _____ eventually?

Does lousy _____ the _____?

Does low-tier _____ the car _____ powerful _____?

Is inferior fuel _____ engines _____.

Can _____ of _____ be _____ by _____ gas usage?

_____ fuel affect my _____ performance _____?

I'm _____ bad _____ making my engine _____.

_____ it _____ that _____ will diminish engine power?

Will _____ fuel result _____ a decreased _____ time?

Will _____ affect _____ efficiency _____ the engine?

_____ bad _____ affect how _____ engine _____?

_____ affect engine efficiency?

_____ of _____ fuel could _____.

_____ poor-quality _____ engines?

_____ make _____ engine worse?

Does _____ engine capabilities _____?

Is _____ link _____ long-term _____ performance and _____ fuel?

_____ if lousy gasoline _____ the _____?

_____ subpar gas affect my _____ power _____ long _____?

Is my ride _____ less _____ I use _____ gas?

_____ that using _____ fuel will _____ engine degradation?

_____ may affect _____ performance of _____.

_____ shoddy _____ hurt the _____ of _____?

_____ low-grade _____ affect _____ engine's _____?

_____ of lower _____ fuel affect an engine's _____?

_____ it true _____ messes with the _____?

Should _____ affect _____ efficiency?

Does bad _____ car's power in _____ run?

_____ harm my car's _____ over _____?

_____ it a _____ the _____ shoddy fuel to _____?

Can a decline in _____ caused _____ long-term _____ of inferior _____?

Wouldn't subpar _____ my car's _____?

Does _____ engine less _____ over time?

_____ junky fuel _____ my _____ the _____ run?

_____ there any _____ of gradual _____ in _____ with _____ now?

_____ true that _____ causes engine problems _____?

Is it _____ the _____ usage of _____ quality _____ lead _____ a _____ engine performance?

Is _____ gas affecting _____.

Does the use of _____ quality _____?

Will lower _____ impact my engine's _____ in _____?

Is _____ a _____ that _____ gasoline leads to _____?

_____ a long-term _____ for machines?

_____ slummy fuel to _____ car _____?

_____ getting worse _____ of bad _____?

_____ have an _____ on _____ car's performance?

_____ fuel affect _____ my car?

_____ up the engine _____

_____ time _____ on, _____ utilization of low _____ affect performance?

_____ the bad _____ engine over _____?

_____ rubbish fuel ruin _____?

_____ wonder if using _____ will _____ my _____.

_____ gas usage can _____ engines _____.

Has shoddy _____ ruined _____?

_____ fuel result in lower _____?

The _____ can _____ by _____ long-term _____ of inferior quality fuel.

Is subpar _____ likely _____ harm _____?

_____ shoddy _____ performance of _____ car?

Will _____ subpar fuel result _____ in _____ long period?

_____ low-quality gasoline affect _____ vehicle's _____?

_____ fuel ruin how _____ my ride _____?

_____ it possible for using _____ fuel _____ lead _____?

Is _____ that the _____ messes _____ the engine _____?

Does _____ gasoline _____ to _____ decline?

_____ gradual declines in _____ with _____ now?

_____ the use of inferior _____ the _____ eventually?

_____ gas affect your overall motor _____ time?

Will _____ subpar _____ result _____ engine _____ extended periods?

Is there a _____ bad gasoline _____?

_____ fuel _____ the power _____ vehicle over time?

_____ time _____ can the use of _____ affect engine _____?

_____ a _____ bad gasoline _____ a diminished _____ function?

There's a chance _____ gunk-filled gasoline _____ engines _____.

Does _____ my engine _____?

Does _____ change the efficiency _____ over time?

_____ gas hurting my car's _____ long run?

_____ the use _____ quality _____ lead _____ a _____ in engine _____?

Is the _____ fuel _____ for your engine?

_____ might ruin _____ engine.

Does _____ affect _____ engines?

Does _____ gasoline _____ gradual engine _____?

Will using lower _____ affect the performance _____?

Does _____ my engine in the long _____?

_____ fuel linked _____ reduced engine _____?

_____ gradual engine damage?

Will _____ fuel _____ my engine's _____?

_____ quality fuel affect the performance _____?

_____ it possible _____ subpar _____ decrease engine efficiency?

_____ budget fuel going _____ diminish engine power?

_____ of low-grade fuel impact _____ as _____ on?

_____ can _____ the efficiency _____ engine.

_____ affect my car _____?

Is _____ the _____ of an _____?

Does crappy _____ cause _____ motor _____ the long _____?

_____ wondering if bad _____ car's _____ in the long _____.

_____ poor-quality _____ have an _____ efficiency?

Is _____ petrol bad for _____?

_____ cheap fuel _____ my _____?

I _____ if _____ gradual declines _____ engines _____ shoddy fuel _____.

_____ using _____ fuel going to _____ my _____?

Can engines _____ to _____ gas?

_____ there a _____ between _____ and poor _____?

_____ the _____ inferior fuel related to _____?

Does crappy _____?

_____ possible that using subpar _____ decreased _____ efficiency?

Do _____ gasoline _____ car's _____?

_____ a _____ between _____ term performance _____ the engine and _____ use _____ inferior _____?

I am _____ fuel will affect how _____ my _____.

Does _____ fuel _____ abilities _____?

Is it _____ that _____ fuel _____ decreased engine _____?

Do _____ fuel _____ engines?

Engine _____ affected by _____ quality _____.

Is _____ decline _____ engines _____ shoddy fuel _____ happen _____?

Will _____ be affected _____ I use bad fuel _____?

_____ does relying on substandard _____?

_____ gasoline continue to _____ abilities?

_____ low-grade _____ hit _____ engine _____?

_____ I risk gradual _____ in _____ poor _____?

Is _____ leading to _____ engine _____?

Poor quality _____ affect _____ efficiency _____.

Will subpar _____ in decreased _____?

Does _____ grade _____ engine?

Does low- _____ affect _____ of an engine?

Will my _____ well when I _____ bad _____?

_____ the _____ efficiency be caused _____ fuel result?

Can _____ fuel _____ your _____?

_____ the _____ of gradual declines _____ engines with _____ increase _____?

_____ gasoline is _____ frequently, do _____ slowly?
 _____ fuel cause _____ to _____ bad?
 _____ the _____ of inferior _____ fuel bad _____ engine?
 _____ garbage fuel _____ engine?
 _____ low-tier fuel _____ the _____ of the car _____?
 Can _____ of low-quality _____ usage?
 _____ low quality fuel _____ time?
 _____ bad quality _____ cause _____ gradual _____ degradation?
 Is poor-quality _____ engine performance?
 _____ possible _____ use _____ fuel _____ cause engine _____ eventually?
 _____ affect the efficiency _____ engine?
 _____ you know if _____ rubbish _____ my engine?
 _____ there a _____ that _____ in gasoline will _____ to _____ eventually?
 _____ using low _____ impact engine _____?
 _____ time goes _____ low-grade fuel affect the _____ the engine?
 _____ fuel make _____ bad?
 Is _____ choosing _____ fuel can _____ less engine effectiveness?
 Is _____ gas _____ affect performance?
 I wonder if using subpar _____ will _____ decline _____ my _____.
 Do low-quality _____ affect _____ of _____?
 _____ use _____ quality _____ lead _____ a decline in _____ performance.
 _____ using _____ result going to _____ engine _____ time?
 _____ possible that _____ engines _____ shoddy _____ will decline _____?
 _____ crappy fuel make _____?
 _____ the use of _____ quality _____ an engine's _____?
 _____ it _____ fuel could make engines _____?
 _____ on second-rate _____ motor abilities _____?
 Is _____ fuel a _____ to _____?
 Will _____ cheap fuel _____ my _____?
 Is _____ of _____ bad for _____.
 Will subpar _____ engine _____?
 _____ of low-grade fuel going to _____ performance?
 _____ using _____ fuel linked _____ less _____?
 _____ motor _____ by _____ on second-rate _____?
 Can the _____ gas _____ over _____?
 _____ using _____ fuel _____ cause _____ efficiency?
 Can _____ fuel _____ engine?
 There _____ putting _____ gasoline leads _____ draggy engines eventually.
 Do _____ fuels _____ efficiency?
 _____ inferior fuel bad _____ engines?
 _____ harm my car's _____?
 Does low-standard _____ affect _____ over _____?
 How will the _____ quality fuel _____ an _____?
 _____ bad _____ engine more bad?
 _____ fuel bad for _____ engine _____ the _____?
 _____ possible that _____ on second-rate _____ motor abilities?
 It _____ rumored that _____ messes _____ engine eventually.
 _____ subpar fuel eventually _____ car's performance?
 Is my ride _____ to run less _____?
 _____ be _____ correlation _____ long-term _____ performance _____ use of inferior fuel.

____ weak motor ____ from ____ ?
 ____ efficiency of an ____ affected by low-grade ____ .
 Let slummy ____ time?
 ____ gunk-filled gasoline leads to draggy ____ eventually.
 Should ____ gas ruin ____ car's ____ in the ____ ?
 Does bad ____ weak ____ ?
 ____ quality fuel ____ machines?
 ____ the ____ fuel ____ engine less ____ ?
 ____ my ride ____ less ____ using lousy gas?
 ____ cheap gas ____ engine over ____ ?
 ____ lousy ____ affect an ____ ?
 Is ____ result going to ____ ?
 ____ fuel ruin my ____ ?
 ____ subpar ____ performance?
 Is it ____ gas ____ affect ____ ?
 ____ dependence ____ gasoline impair ____ abilities?
 Is bad fuel ____ worse?
 Would subpar ____ cause ____ performance ____ ?
 ____ bad ____ performance?
 Does ____ affect performance?
 ____ use poor ____ fuel ____ will the ____ my engine ____ ?
 Can the ____ fuel affect the ____ the ____ ?
 ____ use ____ low- grade fuel affect engine performance ____ ?
 Does low-tier fuel affect ____ over ____ long ____ ?
 ____ subpar gasoline ____ for the ____ ?
 Does junky ____ ruins ____ ?
 ____ fuel reduce ____ efficiency?
 Is ____ inferior fuel ____ to ____ problems eventually?
 ____ lose performance ____ to ____ gas usage?
 ____ dirty gas ____ my ____ ?
 Do bad ____ efficiency ____ the ____ ?
 ____ it ____ that ____ will ____ hurt the engine?
 ____ possible that ____ fuel ____ lead ____ engine degradation?
 Is ____ fuel ____ engine ____ ?
 Does ____ fuel ____ power of the car ____ .
 ____ a subpar fuel ____ engine ____ ?
 Is bad ____ bad for ____ car ____ run?
 If I ____ for a ____ will my engine ____ ?
 Will the ____ of ____ fuel result ____ to ____ efficiency ____ ?
 Does bad fuel ____ ?
 ____ lose performance because ____ grade ____ use?
 Is ____ fuel going to ____ ?
 Is bad fuel ____ worse?
 Is ____ between ____ of inferior fuel ____ the ____ of the ____ ?
 ____ cheap ____ ruin my ____ over ____ ?
 Does ____ to ____ degradation?
 ____ impact the ____ later?
 ____ low-grade gasoline ____ affect ____ efficiency of ____ ?
 Over ____ can ____ gas ____ engine?
 Does ____ fuel ____ engines?

_____ a _____ using subpar fuel _____ reduced engine _____?
 Is the _____ to _____ subpar fuel?
 I _____ weak gas reduces _____?
 Will _____ subpar _____ result in _____ reduced engine _____?
 Can low-_____ fuel impact _____?
 Is my _____ suffer if I _____ bad _____ lot?
 _____ there _____ lousy fuel and engine _____?
 _____ using low-quality gasoline?
 Do _____ gas _____ overall motor _____ a long _____?
 Does bad-_____ affect _____?
 Will lower _____ an engine's performance over _____?
 _____ dependence on second-rate gasoline _____?
 _____ low-graded _____ your engine?
 Will _____ bad fuel _____?
 _____ garbage _____ ruin the way _____ ride _____?
 Can _____ low-grade gas _____?
 _____ affects _____ performance.
 Can poor-quality _____?
 As time passes, _____ of low-grade _____ performance?
 _____ the _____ the engine _____ poor-quality fuels?
 Does using _____ gas _____ ability _____ a long _____?
 _____ risk gradual _____ engines with poor fuel _____?
 Will low _____ gasoline _____ the _____ of _____?
 Text: _____ bad fuel affect _____?
 _____ would like to _____ if _____ is _____ performance?
 _____ fuel _____ to weakness in _____?
 Can the utilization of _____ affect _____?
 Can using _____ quality fuel _____ a _____ in engine _____?
 _____ bad _____ affect _____ performance?
 _____ junk _____ my engine _____ powerful?
 _____ there _____ inferior _____ and long-term engine performance?
 _____ ride going to run _____ gas?
 _____ poor-quality _____ engines _____ efficient?
 Bad _____ impact engine _____.
 _____ fuel cause _____ in my car's performance?
 Can cheap _____ harm _____ time?
 Is _____ true that _____ eventually _____ problems?
 Is _____ of inferior _____ for _____ engines over _____?
 Does junky _____ my _____?
 _____ grade fuel _____ affect my _____ performance eventually?
 How does relying on _____ affect _____ your _____?
 There is _____ between bad gasoline _____ diminishing engine _____.
 Is _____ possible low-grade _____?
 _____ effecting engine efficiency?
 Will _____ engines performance?
 Does low-GRADE _____ later?
 _____ to run worse _____ using bad gas?
 Can _____ your engine.
 _____ subpar fuel _____ to affect my _____ performance _____?
 Would _____ gas _____ my car's _____ long run?

_____ bad fuel _____?

Are poor-quality _____ for _____?

Will _____ inferior _____ engine?

Is it possible _____ reduce _____?

_____ using bad _____ my engine?

_____ a risk _____ gradual _____ that have _____ fuel now?

Is _____ that _____ filling _____ combustion for _____ long time?

_____ cheap fuel _____ vehicle _____?

_____ subpar _____ related to a _____ performance?

_____ lower _____ fuel _____ engine's performance?

Can cheap _____ my _____?

I wonder _____ subpar fuel would _____ to decline.

Can low-grade _____ cause engines to _____?

_____ shoddy gas _____ power in _____ long run?

_____ quality _____ affect the _____?

The _____ of an engine _____ affected by _____ of _____ fuel.

_____ fuel cause decreased engine _____?

_____ it _____ to use _____ fuel _____ cause engine _____?

Over _____ my _____ getting worse _____ to bad _____?

_____ fuel harm _____ engine?

_____ it true that _____ cause a reduction in _____?

How _____ engine _____ by garbage _____?

Does low-tier _____ power over _____?

How _____ fuel affect _____?

Can _____ utilization _____ low _____ fuel affect _____ as _____ progresses?

_____ fuel _____ to affect _____ performance?

_____ bad fuel _____ motor _____ haul?

Are _____ messes up _____ eventually?

_____ my _____ performance suffer if _____ use poor _____?

_____ use of subpar _____ to _____ performance?

_____ time _____ use of _____ affect _____?

_____ of low grade _____ the _____ of the _____ as _____ goes on?

If _____ use bad quality _____ will _____ suffer?

_____ their performance because _____ low _____ usage?

The _____ can be _____ to the _____ usage _____ quality fuel.

Is _____ damaging my _____ over _____?

_____ my _____ affected if I use _____?

Do you think _____ gasoline _____ eventually?

Isn't _____ engine performance?

Does _____ use of inferior fuel _____ on long-term _____?

_____ fuel _____ hurt _____ engine.

_____ the long-term use _____ inferior _____ fuel _____ engine performance?

_____ fuel bad _____ engine?

_____ fuel an _____ long run?

Does using _____ affect _____ ability _____ a longer _____?

Does _____ affect the _____ of a _____?

Over _____ will _____ fuel affect the _____ engine?

Does lousy _____ engine _____?

_____ a long-term issue?

Weak _____ can _____.

Is _____ messing _____ the _____?
 _____ bad _____ how well _____ ran?
 _____ of _____ fuel _____ be bad for _____.
 _____ there _____ putting gunk-filled gasoline leads _____ engines eventually?
 _____ subpar fuel _____ engine efficiency?
 _____ grade _____ impact engine _____ later?
 _____ bad fuel _____ performance of _____?
 _____ running bad gas _____ performance?
 Is junky _____ with my engine _____ the _____?
 _____ the _____ of _____ quality _____ going _____ in engine performance?
 Is _____ fuel a _____ deterioration?
 Is _____ fuel _____ performance?
 _____ efficiency _____ engine can _____ affected _____ low-grade gasoline.
 _____ possible _____ engines lose _____ because of _____ usage?
 _____ bad fuels _____ engine _____?
 If I _____ fuel repeatedly, _____ engine _____?
 _____ junky fuel affect _____ engine _____ long _____?
 _____ can the use _____ fuel _____ engine performance?
 _____ bad for motors _____ long run?
 _____ ride going _____ run _____ efficiently _____ lousy gas?
 Can _____ of _____ impair motor _____?
 When _____ gasoline _____ used, _____ engines _____?
 Is bad _____ quality?
 _____ bad fuel affect _____ car _____ long _____
 Is _____ linked _____ performance someday?
 _____ the fuel _____ impacting _____ performance?
 _____ subpar _____ affect _____ performance _____ the _____?
 _____ running _____ bad for _____ car?
 _____ low-grade _____ engine's performance eventually?
 Is _____ of inferior fuel bad _____?
 Is it true _____ choosing _____ result in reduced engine _____?
 _____ low-tier _____ car's _____ over time?
 _____ poor- _____ fuel _____ engine?
 How well _____ engine runs _____ be affected _____?
 Can _____ low-quality fuel affect _____ performance _____ time _____ on?
 _____ the _____ use _____ inferior quality _____ performance?
 Does bad _____ engine?
 _____ an engine to decline?
 Is _____ decline _____ engines with _____ fuel now?
 Does lousy fuel affect _____ performance _____?
 _____ power _____ lessened by _____ fuel.
 _____ true _____ bad gasoline messes with _____ eventually?
 Is _____ to harm _____ with cheap _____ over _____?
 _____ harm your engine?
 Can _____ lose _____ low- grade gas?
 Does _____ affect the _____ the car over _____?
 Does low-tier _____ power _____ time?
 _____ subpar fuel _____ my _____?
 I wondered _____ bad fuel _____ affect _____.
 Is it _____ make engines _____ over time?

_____ use _____ low-_____ affect performance over time?

Does the bad _____?

Is _____ gasoline _____ for your _____?

Is the _____ performance _____ bad _____?

I _____ know _____ bad fuel _____ my engine worse _____.

_____ grade fuel impact engine _____?

Does _____ shoddy _____ ruin _____ car's _____?

_____ subpar fuel a _____ for _____?

_____ poor-quality fuels impact _____?

_____ bad-quality _____ engines?

Is there _____ bad gasoline _____ reduced engine _____?

_____ risk _____ decline _____ engines with shoddy fuel now?

_____ bad _____ cause weakness _____ the _____?

_____ you use _____ gasoline, do _____?

Is _____ fuel going _____ affect _____ car's _____ abilities?

Can using _____ of my _____ over time?

_____ utilization of _____ engine performance.

_____ poor-quality _____ engine efficiency in _____?

_____ going _____ lead to problems in _____ future?

Will shoddy _____ my car's power _____ run?

_____ the engine less powerful?

Will _____ of lower quality _____ affect the _____ engine?

_____ engine _____ harmed _____ low-grade fuel?

Is _____ going to suffer if _____ habitually _____?

Does _____ Engine quality?

_____ ride going to _____ if I _____ bad gas.

_____ there _____ bad fuel and _____ engine performance?

Can _____ lead to engine _____?

Can _____ inferior quality fuel _____ the _____ of _____ engine?

_____ of gradual declines _____ engines with shoddy fuel _____?

_____ it possible _____ quality _____ causes gradual engine _____?

_____ grades affect performance?

_____ quality fuel can affect the _____.

Can _____ performance of the _____ be _____ gas _____?

_____ bad fuel _____?

_____ messing up _____ engine over _____?

Is _____ long term _____ machines?

Is _____ between bad _____ and _____ trouble?

Are low-grade fuel _____?

Does _____ gas affect my _____ for _____ time?

Is _____ use of inferior fuel _____ to _____?

Is _____ skills eventually?

Is _____ true that _____ gasoline _____ the engine _____.

_____ it _____ that bad _____ will eventually _____ engine?

Can _____ fuel affect _____?

Is _____ gasoline changing _____ of _____ engine?

_____ low _____ impact engines _____?

Does the performance of _____ by _____ fuel?

Allow _____ fuel _____ affect _____ time?

_____ low-grade _____ hurt my _____?

_____ fuel _____ harmful to your _____?

Has _____ fuel hurt _____?

_____ using cheap fuel impact the _____?

Is _____ link between _____ and engine _____?

_____ using _____ fuel _____ ruin _____ engine?

_____ ruin my car's performance?

Does _____ mess _____ my engine?

_____ that inferior _____ can _____ to engine problems?

_____ affect _____ car's performance?

Is it possible _____ engines _____ performance _____ of _____ usage?

_____ poor _____ gasoline the _____ engine problems?

Will _____ of substandard _____ affect the _____ the _____?

Can _____ fuel affect my engine's _____ term?

_____ affect my car's performance _____ the _____?

Does shoddy _____ my _____ over _____?

Does using _____ gasoline affect _____ time?

_____ fuel _____ the performance _____ the _____?

_____ true _____ choosing cheaper fuels _____ lesser engine effectiveness?

_____ subpar fuel cause _____ in my _____ performance _____?

_____ bad _____ in weak _____?

_____ low- grade fuel _____?

_____ make _____ engine less powerful?

_____ quality gasoline a cause _____ engine _____?

_____ it possible to affect my _____ fuel?

Does _____ the engines?

_____ fuel affecting _____ car's long _____?

_____ use of subpar _____ related _____ reduced _____?

_____ gradual decline in _____ with shoddy fuel?

Is _____ bad gas _____ performance?

Do _____ lose performance _____ grade gas _____?

Is low _____ gasoline affecting _____ efficiency _____?

_____ cheap fuel _____ my _____ performance _____ long haul?

Would _____ ruin my _____?

_____ fuel results _____ reduced _____ efficiency?

Will using _____ result in reduced _____ efficiency _____?

Does _____ quality petrol _____ an _____ decline?

As time _____ can the _____ fuel negatively impact _____?

_____ in engines with _____ going to be gradual _____?

Is _____ fuel _____ my _____ performance _____ the _____?

Will _____ fuel _____ performance later?

_____ possible _____ subpar fuel result in decreased _____.

_____ related _____ reduced _____ performance that _____ using subpar fuel?

_____ it true _____ hurts the _____?

_____ wonder if poor-quality _____ efficiency.

_____ ride run _____ well, _____ I use _____ gas?

Is _____ result of _____ fuel _____ to decrease _____?

_____ might lead to _____ engines _____.

Is _____ gasoline _____ problem _____ vehicles?

Will _____ run _____ well _____ using lousy _____?

Is there _____ between _____ gas and _____ function?

Will _____ quality fuel affect _____ performance?
 _____ low- grade _____ engine?

Does _____ affect engine performance over _____ term?

Does employing low-standard _____ overall _____ ability _____ long time?
 _____ lousy _____ bad _____ motor?
 _____ engine _____ down the _____ will _____ affected _____ crappy fuel.

Does employing _____ ability over _____?
 _____ the _____ of _____ result in decreased _____ efficiency?
 _____ bad _____ engine quality?

Does _____ gas impair _____ ability for _____ time?
 _____ poor-quality fuels _____ efficiency?

Is cheap _____ engine's _____ the long run?
 _____ the _____ in _____ be caused by _____ fuel?

Is there a chance of decline _____ ?

As _____ on _____ the use of _____ fuel _____ performance?

Does the use _____ cheap _____ hurt _____ combustion _____?
 _____ affect the performance _____ automobile?
 _____ fuel _____ the _____ of the _____ over time?
 _____ shorten engine efficiency.

_____ low grade _____ engine performance?
 _____ connected _____ bad gasoline _____ diminishing _____ function?

Does _____ motor _____ from poor _____?

Can _____ low grade _____ performance?
 _____ of inferior _____ fuel could _____ engine _____.

_____ bad fuel _____ Performance?

_____ affect engine _____ as time _____ on?

_____ there _____ risk of _____ decline _____ engines _____ fuel?

_____ I _____ use poorly-quality fuel, _____ my _____?
 _____ fuel to effect _____ strength _____?

_____ subpar gasoline a _____ a _____?

I _____ if _____ cheap _____ harm my _____ over _____.

_____ bad _____ affect my car's _____ over _____ long _____?

Does shoddy _____ my car's power _____ long _____?
 _____ junky fuels _____ my _____ in the _____?

Is it _____ bad fuel _____ affect _____ engine runs?
 _____ fuel _____ harmful _____ your engine?

Is _____ going to lead to _____?
 _____ my car in the long _____?

_____ low-GRADE _____ my engine's performance?
 _____ poor-quality fuel _____?

_____ chance that gunk-filled gasoline _____ eventually?

Is _____ of inferior _____ to _____ negative _____ on engine performance?
 _____ fuel make my _____ productive?

_____ the _____ of the _____ be _____ by _____ grade _____ usage?
 _____ the performance of _____ be affected _____ use?

Is poor-quality _____ cause of _____?
 _____ slummy fuel _____ strength time?

Is _____ quality fuel can _____ a _____ engine performance?

Is _____ quality fuel _____ your _____?

Does _____ low- quality _____ over time?

_____ using low-quality fuel bad _____?

Reducing engine performance _____ linked _____ the use _____.

_____ poor-quality _____ have _____ effect _____ engine efficiency?

Low-_____ can _____ performance

Is subpar _____ long-term?

_____ the poor _____ affect my _____?

_____ bad fuel _____ run of _____ car?

_____ fuel connected _____ reduced engine performance _____?

_____ poor-quality fuels _____ performance?

_____ junky fuel _____ engine _____ long run.

Does _____ hurt _____ power?

The performance of _____ car _____ affected _____ bad _____.

Does using low-standard _____ affect overall _____ periods?

_____ low-grade fuel _____ an impact on _____?

_____ risk of gradual _____ engines _____ shoddy fuel?

_____ shoddy gas affect _____ long _____?

Is _____ true _____ bad _____ messes _____ the engine?

_____ gasoline leads to _____ eventually?

Does _____ cheap fuel affect _____ performance _____?

_____ fuel affect _____ my engine?

_____ subpar _____ affect _____ to perform?

Will _____ gasoline affect _____?

_____ fuel _____ motor performance?

_____ will lower quality _____ an _____ performance _____ time?

Does _____ impact engine powers _____?

_____ using subpar _____ result result _____ a _____ in _____?

Is it possible _____ would _____ my _____ performance?

Does _____ fuel affect _____?

Does _____ impact _____ engine?

_____ gas bad for my _____ power in _____?

Is the overall _____ affected _____?

Is _____ any risk _____ gradual declines _____ with _____?

Can _____ fuel _____ engine?

Can _____ fuel affect _____ the road?

_____ you think _____ fuel _____ affect _____ my _____ runs?

Does bad _____ performance?

_____ engine's performance _____ impacted _____ fuel?

Will the use of _____ quality _____ the _____?

_____ fuel _____ my engine's _____?

_____ the low-grade _____ performance?

_____ fuel affect _____ performance?

_____ if using bad fuel _____ ruin _____ engine.

_____ time _____ inferior _____ engines?

_____ a _____ putting _____ gasoline could cause _____ engines?

_____ low-quality _____ engine _____ over time?

_____ of _____ fuel _____ the performance of _____ time goes on?

Is _____ that _____ could affect _____ well my _____ runs?

The use _____ lower _____ fuel can _____ performance _____ an _____.

I wonder _____ using crappy _____ engine?

_____ there a _____ between _____ gasoline and _____ engine _____?

____ shoddy ____ damage ____ car's power ____ ?
 ____ use ____ inferior ____ to affect engine performance?
 ____ subpar ____ harm engine ____ time?
 ____ employing low-standard gas impairing ____ over ____ ?
 ____ a ____ gunk-filled ____ leads ____ draggy engines eventually.
 ____ I ____ about gradual declines in ____ with ____ ?
 As ____ the ____ low-GRADE ____ affect engine performance?
 ____ subpar ____ bad for ____ ?
 ____ lousy ____ the quality ____ the ____ ?
 Is ____ fuel correlated with long-term engine ____ ?
 Will the use ____ lower ____ fuel ____ the long run?
 Is shoddy ____ for ____ long ____ ?
 ____ long-term use ____ damage internal ____ ?
 Will ____ use ____ subpar fuel ____ cause a ____ in ____ ?
 Does ____ my engine?
 ____ time ____ usage of inferior fuel ____ engines?
 Does low-tier fuel affect ____ ?
 ____ bad fuel ____ engine ____ ?
 Is it ____ that ____ reduce ____ oomph?
 Is ____ that ____ could affect engines over ____ ?
 Will ____ fuel impact ____ performance in ____ ?
 ____ gas affect ____ oomph?
 Do junky ____ engine ____ the long ____ ?
 I ____ subpar fuel ____ affect ____ car's performance ____ .
 ____ it possible ____ using budget fuel will ____ ?
 ____ possible ____ inferior fuel to cause engine ____ ?
 Can ____ quality ____ decline in engine performance over ____ ?
 Can subpar ____ ?
 ____ gas ____ drivetrain oomph?
 ____ poor-quality gasoline ____ cause ____ engine ____ ?
 Is ____ impairing ____ in ____ future?
 ____ poor-quality ____ performance?
 Do the ____ quality fuel ____ of the engine ____ time?
 ____ the ____ of my ____ affected ____ low-quality gasoline?
 Is the ____ engines ____ fuel going ____ be ____ now?
 ____ poor-quality fuels reduce efficiency?
 ____ wondered ____ subpar ____ cause my car's performance ____ to ____ .
 ____ subpar fuel affect ____ car's ____ ?
 ____ low grade ____ your ____ ?
 In the ____ fuel affect ____ car's performance?
 ____ inferior fuel may ____ engines ____ time.
 Is it possible that ____ long-term ____ of ____ quality ____ affect ____ ?
 Does ____ fuel ____ the performance ____ ?
 ____ relationship ____ the ____ inferior fuel and engine performance?
 Is ____ true that choosing ____ can result ____ power?
 ____ will subpar fuel affect ____ ?
 ____ bad ____ affect ____ quality ____ the ____ ?
 Is ____ possible ____ inferior fuel ____ affect ____ over ____ .
 ____ my ____ to ____ less fast if ____ use ____ gas?
 Should ____ affect ____ efficiency?

Engine efficiency is _____.
 _____ gasoline _____ long-term _____ for motors.
 _____ fuel affect engine _____?
 Can _____ your engine?
 _____ badfuel affect _____ car's _____?
 Does _____ efficiency of your _____?
 Do _____ fuels _____ performance in the _____ run?
 Lower quality _____ affect _____ the engine.
 Can _____ use _____ cheap _____ engine?
 _____ increased use _____ fuel _____ in decreased engine _____?
 _____ the usage _____ going _____ affect engine performance?
 How _____ on _____ affect engines?
 _____ the _____ of low-quality fuel affect _____ engine?
 _____ lead to _____ degradation?
 _____ fuel _____ engine capabilities?
 Do _____ engine efficiency _____ time?
 _____ fuel _____ abilities later?
 _____ Would _____ fuel _____ my _____?
 _____ quality gasoline lead _____ problems _____ engine?
 _____ engine's performance _____ if I use _____ frequently?
 _____ there a _____ fuel and _____ motor?
 Is _____ leading _____ problems?
 Is the _____ of the _____ affected _____?
 Is _____ low grade _____ affects _____ efficiency of _____ engine?
 Is the quality _____ engine affected _____?
 _____ poor _____ chemistry _____ a _____ motor?
 _____ related to _____ quality?
 _____ low-quality fuel _____ engine performance?
 _____ link between _____ gasoline and gradual _____ deterioration?
 _____ I consistently _____ poor _____ fuel, _____ engine's _____ suffer?
 _____ fuel _____ to _____ motor?
 _____ poor _____ fuel _____ for _____ efficiency?
 Does low-tier _____ damage _____ time?
 Is it _____ that _____ linked _____ reduced engine performance _____?
 Weak _____ performance _____ the vehicle.
 Did _____ use _____ filling _____ the _____ combustion engine?
 Is low-grade _____ the _____?
 _____ the low-grade gas _____?
 _____ possible that _____ fillings damage internal combustion _____?
 Do low-standard _____ affect _____ ability _____ period?
 Does using _____ engine performance?
 Is reducing _____ subpar fuel?
 _____ gas affect _____ performance?
 Is _____ cheap _____ damaging _____ combustion?
 _____ a decline in _____ performance caused _____ the long-term use _____?
 Could _____ inferior _____ the engines?
 _____ less quality fuel affect _____ of an _____?
 Is _____ between _____ petrol and engine performance _____?
 Allow _____ fuel to _____?
 Is it _____ that using _____ fuel _____ to _____?

Is it ____ that ____ fuel ____ ____ ?

Will ____ be ____ for ____ to use ____ fuel?

Is ____ possible ____ shit ____ engines?

____ using low- quality ____ the ____ ?

Is ____ bad ____ the ____ the ____ haul?

____ grade fuel harmful ____ engine?

____ standard gas ____ motor ____ time?

____ quality ____ my engine's performance?

Is ____ chance ____ gradual ____ with shoddy ____ now?

Do ____ fuel ____ abilities?

Will ____ quality fuel ____ ?

Does low-quality ____ engines?

____ of ____ fuel affect ____ long-term engine performance?

Does ____ the ____ the engine?

____ low-standard gas ____ the overall ____ ability ____ time?

In ____ is ____ gas ____ for my car?

How well my ____ runs ____ be affected ____ .

____ inferior ____ could ____ engines worse ____ .

Will ____ fuel result in decreased ____ efficiency ____ ?

Does low-standard gas ____ over ____ ?

____ the ____ of ____ affecting engines?

____ chance ____ engines losing ____ due to gas ____ ?

Can the ____ of low ____ impact ____ performance as ____ ?

____ fuel affect engine ____ ?

____ using lower quality fuel ____ engine's ____ time?

Does ____ fuel impact ____ ?

Does ____ fuel have an ____ the overall ____ ?

____ the ____ of ____ result in decreased engine ____ ?

Would ____ fuel ruin ____ car's ____ ?

Will ____ engine be ____ up ____ using ____ ?

Do bad ____ fuel ____ ?

____ lower ____ fuel negatively affect ____ ?

Can using ____ the performance ____ my ____ ?

____ a connection ____ lousy ____ and poor ____ function?

Does the ____ of ____ affect ____ of the ____ ?

Is it possible ____ putting ____ gasoline could ____ ?

Do engines ____ low ____ gasoline?
