

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Meter tampering or unauthorized usage reporting
Inquiry Sub-Category	Meter tampering by customers
Description	Customer reports suspected tampering of the electricity meter, such as bypassing or altering the meter to record lower energy consumption levels.
Data Size	5,010 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ meter manipulation causing _____ energy consumption _____?

_____ alleged meter manipulation cause under reported _____ consumption _____?

Have _____ rigging of reduced _____?

Some _____ meters _____ energy consumption _____ be underestimated.

_____ to _____ with the meter is _____ their energy _____ figures.

_____ saying meters were manipulated to _____ less _____?

_____ believe _____ direct _____ of _____ energy consumption _____ from their meter tinkering.

_____ clients _____ the _____ of being _____ reduced energy use amounts?

_____ is _____ that the _____ of _____ Consumption _____ is _____ by _____ alleged manipulation _____ levels.

Are _____ meter rigging _____ readings?

_____ may _____ said _____ meters _____ their _____ use lower.

There are _____ Meter manipulation _____ energy.

_____ there _____ that meters _____ manipulated _____ show _____ energy use?

Is _____ that a client's _____ of _____ levels causes underreport _____ energy _____?

There _____ Meter being _____ and _____ under reported _____

_____ foul play _____ has _____ to underestimating energy use.

_____ our clients _____ us _____ meters _____ the lower level of _____ consumption?

_____ possible _____ accusing meters of _____ for reduced _____ usage?

_____ clients _____ meters of being manipulated to _____ lower _____?

Do clients suspect _____ consumption figures _____ been _____?

Did our clients say that _____ meters were manipulated _____?

_____ it true _____ meters were altered to _____ use?

Did our clients accuse us _____ to cause lower _____?

Some _____ say _____ them to underestimate energy _____.

Our _____ think _____ under reported _____ consumption figures _____ the meter tinkering.

_____ with _____ to underestimated energy consumption _____ clients?

My _____ may have _____ the _____ blame for low _____ use.

_____ clients _____ the _____ manipulated to under report their _____?

_____ clients say that the _____ them _____ underestimate _____.

Is _____ of _____ being _____ under report energy consumption levels?

Do the clients believe _____ tampered with _____ figures?

_____ Meter is accused of _____ energy _____ reported.

_____ suspect _____ their energy consumption _____ been tampered _____?

_____ might have argued that _____ made _____ of energy _____.

_____ accuse _____ rigging _____ reduced electricity _____?

Low _____ levels are _____ a _____ of manipulated meters.

Is _____ true _____ the _____ were manipulated _____ of energy consumption?

_____ accused _____ meters _____ reporting energy consumption levels?

_____ the clients _____ the tampered _____ is _____ consumption figures?

Some clients said _____ caused their _____ underestimated.

_____ manipulated the meters to cause their reduced _____?

Is _____ possible that underreport _____ energy _____ is _____ manipulation of _____ levels?

_____ our _____ our _____ the meters _____ their reduced _____ consumption levels?

_____ think the _____ were _____ to underreport _____ usage?

Did _____ clients think _____ meter _____ affecting their energy _____ data?

Did clients _____ the _____ manipulated to _____ their use _____?

_____ true that _____ meters _____ altered _____ under _____ their energy _____ levels?

The clients _____ claimed that meter tampering _____.

Do _____ clients _____ meter tinkering _____ reported _____ consumption figures?

Some of the _____ with _____ meter _____ consumption data.

Is the _____ underreport _____ energy consumption _____ to _____ manipulation of meter _____ by clients?

Some clients _____ tampering _____ the _____ incorrect _____ data.

Some of _____ clients _____ that meters _____ energy consumption _____.

Is _____ with the meter affecting _____ under _____ energy _____ the clients?

_____ the _____ metering _____ to _____ consumption _____ for some people.

_____ clients _____ that the _____ changed to under _____ their _____?

_____ say that _____ meters were _____ to cause _____ levels?

Some clients _____ that _____ cause _____ to be underestimated.

Have _____ meters were _____ to _____ energy?

_____ customers _____ meters of being manipulated _____ energy use?

The case _____ be _____ underreport of energy _____ is _____ by the _____ of meter _____.

_____ might have _____ meter _____ for low energy _____.

Did _____ meters _____ manipulated to underreport their energy _____?

The clients might _____ tampering with _____ is _____ reported energy _____.

_____ are _____ of manipulated meters _____ energy _____.

Are _____ meters _____ under _____ their energy use?

The clients may think the tampering _____ the _____ affecting their _____.

Do _____ think _____ were manipulated _____ the amount _____ that _____ consumed?

_____ clients _____ the tampered _____ meter _____ affecting their consumption _____?

_____ clients may _____ tampering _____ meter is _____ their _____ consumption figures.

_____ clients may _____ said _____ were _____ the _____ to make _____ energy _____ lower.

_____ the case _____ the _____ of energy _____ caused _____ manipulation _____ meter levels?

_____ clients _____ the _____ were manipulated _____ underreport _____?

Is _____ clients claim meter _____ caused lower _____?

_____ is _____ by _____ leading to inaccurate _____ data.

_____ that the _____ were manipulated _____ underreport energy _____?

_____ might _____ said _____ we manipulated meters to _____ use.

_____ have said _____ meters caused the _____ usage.

Do _____ suspect low power _____ cheated _____?

_____ clients _____ foul play with _____ led _____ of energy consumption.

_____ them of _____ meters to _____ energy reporting?

Do _____ say _____ fraud affects _____ power _____ data?

_____ some _____ meters were manipulated _____ under report their _____ levels.

Is the case _____ the underreport of _____ Consumption _____ by _____ of _____ levels?

_____ the clients _____ the tampering _____ the meter is _____ reported _____?

_____ clients actually _____ meter manipulation _____ low _____?

Some of _____ that metering tampering leads _____ incorrect _____ for _____ people.

_____ clients _____ the meters _____ manipulated to _____ usage?

Do _____ clients _____ the meter affects their consumption _____?

Is _____ that the underreport of Energy _____ caused _____ manipulation _____ meter levels by _____?

_____ clients _____ the _____ manipulated to _____ energy use?

Did the clients _____ the energy _____ lower?

Some _____ that meter _____ to incorrect consumption _____ for _____.

_____ are accusations that Meter has been _____.

My clients _____ have _____ the _____ to blame for the _____.

Did clients _____ for low _____?

Do our _____ tampering _____ affecting under reported _____ figures?

_____ clients say the _____ to cause reduced _____ use?

_____ clients _____ them of _____ rigging _____ reduced electricity _____?

Is _____ the ones who accused _____ meters _____ creating the lower level of _____?

Did clients accuse _____ of being _____ to _____ levels?

_____ think that the tampering _____ the _____ their energy consumption _____.

_____ tampering _____ meter impacting the under reported _____ of the _____?

Some _____ foul _____ with _____ has _____ to _____ energy consumption.

_____ clients claim _____ tampered _____ caused _____ lower _____ readings?

_____ accusing the _____ being _____ under report energy consumption _____?

There are _____ of _____ readings caused _____ manipulated.

_____ meters have _____ accused _____ to underreport _____ amount of energy _____.

Are _____ accusing meter _____ for _____.

_____ clients _____ claimed _____ meter _____ their energy readings _____.

Did _____ claim that _____ energy use was _____ by _____?

Did _____ clients _____ the meters _____ manipulated _____ cause _____ level of _____?

_____ tampering leads to _____ consumption data _____.

Could _____ manipulation be _____ under reported energy _____?

Some _____ that meters _____ underestimate _____ energy use.

Is _____ an allegation that _____ manipulated _____ amount of energy _____ was _____?

Have clients _____ meters _____ to _____ energy use?

I _____ claimed meter manipulation for _____ usage.

_____ might think _____ under reported energy _____ came _____ meter tinkering.

_____ say _____ meters were _____ to underreport _____ consumption?

Did _____ claim _____ meters were _____ energy consumption?

Is the _____ related to _____ meter manipulation?

_____ true _____ the _____ manipulated to _____ reported _____ energy use?

_____ might _____ the _____ energy consumption figures are due to _____ meter _____.

It's _____ that meter trickery _____ have led _____ reported _____.

_____ that their meters are _____ manipulated because _____ lower _____ use?

_____ think that _____ tampering _____ the meter is _____ their reported _____.

_____ that _____ meters make them underestimate _____ consumption.

According _____ some _____ the _____ tampering _____ lead to incorrect _____.

Do clients think _____ meters were manipulated _____ their _____?

There ____ claims ____ Meter is ____ and ____ under ____.
 Have customers accused ____ under ____ energy ____ levels?
 ____ clients ____ that ____ meters were ____ to ____ their energy ____?
 Have ____ the meters ____ being ____ under report ____ usage?
 Some clients ____ meters ____ underestimate energy usage.
 Have ____ the ____ manipulated to underreport ____ consumption ____?
 ____ our clients ____ that meter ____ affects ____ reported energy ____?
 ____ our clients ____ tampering affects energy ____?
 There ____ reports ____ being ____ and energy ____ reported.
 ____ tampering for less power ____?
 Do the ____ think their ____ figures ____ affected by ____?
 Some clients ____ foul ____ meters has led to underestimation ____.
 Did ____ us ____ manipulating meters to ____ energy consumption ____?
 Is the ____ the ____ of ____ use ____ caused ____ the ____ the meter levels?
 Do ____ clients think ____ tinkering affects ____ reported ____?
 ____ my clients ____ their ____ being ____ the lower energy usage?
 ____ play ____ meters leading ____ energy ____ by clients?
 Are ____ that their ____ being altered ____ of ____ lower usage?
 Did ____ accuse ____ reduced electricity ____?
 ____ clients ____ is affecting energy consumption figures?
 Some clients are accusing ____ manipulated to ____ use.
 ____ my clients claim ____ the meters ____ usage?
 ____ that ____ of ____ is caused by clients' alleged ____ of ____ levels?
 Meter ____ leads ____ data ____ to clients.
 Are clients ____ manipulated ____ show reduced ____ use amounts?
 Have clients ____ the ____ of being manipulated ____ their energy ____?
 Is it possible ____ were ____ to underreport their ____?
 Did our clients ____ us ____ the meters ____ causing ____ lower level ____?
 ____ clients ____ tampering for ____ usage?
 Did my clients claim ____ the ____ created ____?
 Is the under ____ energy ____ related ____ manipulation ____ the ____?
 Did ____ that ____ cause ____ reported energy?
 ____ claim the meters cause ____ to ____ energy ____.
 ____ the ____ were manipulated ____ underreport their energy ____ levels?
 There ____ accusations ____ is ____ reported and ____ is manipulated.
 Do ____ the tampering ____ the meter ____ energy consumption figures?
 Was ____ reported energy levels ____ result ____ meters?
 Some ____ think meters ____ them ____ underestimate ____ use.
 There is ____ claim of ____ lower ____.
 ____ client's ____ think that the under ____ consumption figures were ____ tinkering.
 Some clients ____ foul ____ leads to underestimate energy ____.
 Do clients think ____ were ____ a ____ use amount?
 Is there ____ meters were manipulated ____ underreport ____ consumption ____?
 Did clients ____ meters of rigging ____ readings?
 ____ claimed ____ tampering ____ energy readings lower.
 ____ clients ____ to have lower energy ____ meter ____?
 ____ said ____ meters ____ to ____ the amount of energy ____?
 ____ of ____ clients ____ that meter tampering ____ incorrect consumption data ____.
 ____ clients may ____ claimed ____ low energy usage.
 Some clients think ____ meters ____ their ____ usage.

_____ accuse meter _____ of leading to _____ data.

Have clients _____ that _____ meters _____ to _____?

_____ clients _____ their _____ to underreport _____?

_____ may suspect that _____ reported energy _____ result _____ the meter tampering.

_____ tampering can lead _____ consumption data _____ clients.

According _____ some _____ were _____ to _____ the amount _____ energy consumed.

Have _____ accused the _____ of _____ under _____ their _____ consumption?

_____ clients say the meters _____ them _____ underestimate _____

_____ reported energy levels _____ to meters _____ manipulated?

Is _____ tampering with _____ affecting the under _____ energy _____ the _____?

Did _____ clients _____ that _____ manipulating the _____ lowered _____ energy _____?

Clients have _____ the _____ of _____ reporting _____ levels.

_____ are claims of _____ energy readings.

_____ my clients _____ the _____ to _____ for low energy _____?

Did our _____ say that _____ the meters _____ energy _____?

_____ tampering _____ to inaccurate consumption _____

_____ that the under reported _____ figures were _____ by their _____ tinkering.

Does my clients _____ there is a _____ manipulation _____ the _____?

_____ clients the ones who _____ us of _____ the _____ and _____ lower level of _____?

_____ clients _____ the meters were manipulated to underreport the _____?

_____ claim that energy use _____ by _____ tampering?

_____ regarding manipulated meters and _____ consumption level?

_____ allegations _____ were manipulated to show _____ use?

Have _____ alleged _____ were manipulated to _____ of energy used?

_____ it _____ of energy consumption _____ is caused _____ the alleged manipulated _____?

Have _____ claimed the _____ altered to _____ report _____ energy _____?

The _____ the meter is _____ energy consumption figures.

Is _____ use due _____ manipulation by clients?

Did our _____ say _____ manipulating the _____ has _____ their _____ levels?

Clients _____ have claimed meter _____ for _____.

Some _____ their energy _____ is _____ because of _____.

Maybe _____ meter _____ for reduced _____ usage?

_____ claim _____ tampering _____ meter _____ incorrect consumption data _____ some people.

Is _____ clients _____ accused _____ of _____ meters and making the _____ of _____ consumption?

_____ the _____ of energy consumption levels _____ due to the clients' _____ manipulation of _____?

Did clients say _____ meters were _____ under _____ their _____?

_____ clients might _____ meter _____ reduced power usage.

Do _____ claim _____ the _____ are _____ to underreport _____?

_____ been a client allegation of _____ manipulation _____ resulted _____ electricity _____ levels?

_____ low _____ energy _____ as a _____ of _____ meters?

Did clients say the meters _____ manipulated to _____ was _____?

Do _____ that meter fraud _____ data?

Do _____ clients _____ reported energy consumption _____ because of _____?

_____ claim the meters were _____ to _____ their _____?

Our _____ think _____ the _____ reported energy consumption _____ by _____ meter tampering.

_____ clients claim _____ tampering that _____?

_____ our _____ say that _____ were _____ to _____ consumption?

_____ my clients _____ are _____ blame _____ low use of energy?

_____ that the under report _____ levels is _____ alleged manipulation of meter levels?

Did clients _____ that _____ energy _____ meter tampering?

Is _____ a claim for _____ and _____ consumption _____?

Did clients _____ use was _____ by meter _____?

Do my _____ claim that the _____ the _____ use _____?

_____ that clients' alleged manipulation _____ levels causes _____ energy consumption levels.

Our _____ might have said _____ the _____ to cause _____ use.

_____ clients _____ meters _____ reporting energy consumption?

_____ clients say meter _____ made _____ lower?

The clients _____ meter tampering leads _____ consumption _____.

Is _____ the _____ were _____ to underreport how _____ energy _____ consumed?

_____ possible that clients' _____ meter levels causes under _____ Consumption Levels?

_____ meter manipulation for _____ energy usage.

Is the _____ alleged _____ of _____ causes underreport _____ consumption levels?

Patrons _____ meter _____ affecting misrepresented _____

_____ clients _____ of the meter for _____ energy _____?

Is _____ tampering _____ meter _____ under reported _____ consumption data for _____?

Did our clients say that _____ manipulating _____ causes _____ levels?

The _____ think that the tampering with _____ reported consumption figures.

_____ clients believe _____ meters _____ less energy use?

_____ meter _____ for reduced electricity _____?

Is _____ case _____ energy _____ is caused _____ the alleged manipulation of meter _____?

_____ play with meters _____ have _____ clients _____ underestimate _____.

_____ possible _____ the _____ of _____ Levels _____ by alleged meter levels being _____?

_____ clients _____ have claimed meter _____ for _____ energy _____.

_____ clients claimed that the meters _____ to _____?

Some of _____ clients _____ Meter tampering _____ data.

The _____ claimed _____ with _____ their energy readings lower.

_____ there _____ meter manipulation for low energy _____?

Is _____ true that my clients claimed _____ meters _____?

Have _____ meters _____ being _____ to under report _____ use?

Is _____ possible that the underreport _____ Energy _____ caused by _____ meter levels?

Is _____ the _____ to under report energy consumption _____?

_____ our clients _____ we manipulated _____ energy usage?

Is _____ clients _____ accusing meter tampering for _____?

Some _____ play with meters resulted in underestimating _____.

The _____ claim that _____ tampering _____ their _____ lower.

_____ it true _____ the _____ Consumption Levels is _____ by alleged _____ levels?

_____ are _____ being tampered with _____ to _____ consumption _____.

_____ that _____ underreport of Energy Consumption Levels _____ from _____ manipulation _____ levels?

_____ think their _____ figures are being affected _____ the _____?

Do clients think _____ the meter _____ affecting their _____ reported _____?

_____ clients _____ ones _____ accused us of messing _____ meters _____ creating _____ level of _____ use?

Do _____ the _____ manipulated to report less _____?

_____ our _____ claim _____ were _____ the _____ to make _____ energy _____ lower?

_____ an _____ of meter manipulation _____ reports?

Is _____ true that the _____ underreport the _____ of _____?

Did our _____ that we _____ cause lower energy consumption _____?

I _____ underreport _____ consumption levels _____ the _____ manipulation of meter levels.

Is _____ the _____ accused _____ messing _____ meters _____ creating _____ lower _____ of energy use?

_____ clients might be suggesting _____ their _____ are _____ lower _____ use.

_____ would like _____ if _____ tinkering affects _____ reported energy consumption _____.

Our client's may ____ that the ____ energy consumption ____ to ____ meter ____.

Did clients ____ for low ____.

Foul play with meters ____ thought to have ____ energy ____.

Have clients ____ that the ____ under ____ energy use?

____ clients say ____ meters ____ manipulated to ____ their ____?

____ our ____ say that the ____ manipulated ____ their ____ levels?

Is the low reported energy ____ claimed ____ result ____?

____ are accusations ____ is manipulated ____ that ____ is ____ reported.

There are ____ Meter being manipulated and Energy ____.

Our client may ____ under ____ energy consumption ____ related to ____ meter ____.

____ clients ever ____ the ____ being ____ to underreport ____ consumption?

According ____ the clients, ____ the meter ____ to ____ data.

____ clients claim that meter ____ leads ____ incorrect ____ for ____.

Have ____ that ____ were ____ to underreport ____?

____ it ____ that the meter trickery ____ have led ____ under ____?

Did clients ____ the ____ were ____ underreport ____ amount of ____ used?

Did clients claim ____ manipulated ____ the ____ of energy they ____?

____ possible ____ alleged ____ manipulation causes under reported ____ consumption ____?

Our ____ may suspect that the under ____ come ____ tinkering.

Our client's ____ believe that ____ under ____ consumption ____ be ____ to ____ meter ____.

____ clients ____ claimed that ____ tampering made ____ energy ____ go ____.

____ clients think ____ play with meters ____ underestimate ____ use.

Is it our ____ us of ____ the meters ____ creating a lower ____?

Our client's may ____ that ____ under reported ____ consumption ____ related ____ the ____.

____ clients ____ that the meters ____ manipulated ____ energy?

Are ____ their ____ are being ____ because ____ lower energy use?

Is there ____ case of the ____ being manipulated ____?

Clients have accused ____ meters of ____ manipulated ____.

Do our clients suspect ____ meter ____ consumption figures?

Are clients claiming ____ meters were ____ to ____ less ____?

____ the meters were ____ their consumption levels?

Is ____ true that ____ were manipulated to underreport ____ amount ____ spent?

____ may ____ argued that the ____ energy use lower.

Are clients saying ____ were ____ under report their ____?

Did ____ us ____ messing the meters and ____ lower energy ____?

____ some ____ accuse meter ____ for ____ readings?

Is it our clients that accused ____ the ____ and ____ a ____ level ____?

Will my clients say ____ of energy?

____ it true that ____ to ____ energy consumption?

Have clients said the ____ altered to ____ their ____?

____ our clients ____ were manipulated to lower their ____ levels?

Our clients may ____ meter tinkering affects ____ consumption ____.

Have clients ____ that ____ manipulated ____ amount of energy they ____ consuming?

Have clients ____ the ____ of ____ the ____ of energy ____ used?

____ under reported ____ due to ____ meter manipulation?

____ to ____ clients, the ____ to underestimate energy ____.

____ may suggest meter ____ affects ____ power ____ data.

____ clients say ____ tampering resulted ____ energy ____?

It ____ accused ____ tampering leads to inaccurate ____.

Did ____ clients claim ____ tampering lowered their ____?

Some _____ meters cause _____ to underestimate their _____.

_____ people _____ that the _____ were manipulated _____ underreport _____ energy _____?

_____ the _____ meter _____ under _____ energy consumption levels?

Is _____ manipulation _____ under _____ energy _____ for the clients?

_____ accused _____ of messing the meters _____ creating _____ of energy _____?

Did clients _____ meters _____ underreport levels?

Is it _____ that the _____ is due _____ of meter levels?

_____ are allegations _____ under _____ and Meter _____ manipulated.

Some clients say _____ incorrect _____ data for some _____.

Have clients said _____ to _____ report _____ energy _____?

There are _____ Meter being manipulated _____ reported.

Have clients accused _____ meters of _____ reporting _____?

_____ say _____ to lower energy readings?

_____ claim manipulation of their meters _____ low _____?

_____ to _____ the _____ make them _____ energy consumption.

There _____ of Meter being _____ and Energy being _____

There are _____ energy _____ caused _____ manipulated meters.

The _____ tampering is affecting their energy _____ figures.

_____ the clients _____ meter _____ leads to _____ consumption _____.

Should clients have _____ meter _____ electricity _____?

Do the _____ think _____ under reported _____ is _____ to _____ tampered _____?

_____ clients may think _____ the tampering _____ meter _____ affecting _____ consumption _____.

_____ it our _____ that _____ messing the meters _____ the lower level _____ energy _____?

_____ client _____ a _____ affect on under _____ energy _____ figures from _____ meter _____.

Some of the clients _____ that _____ people _____ incorrect _____ data _____.

Did _____ say the _____ made low _____ happen?

_____ my clients say _____ caused _____ low energy _____?

Some _____ meters _____ use to be underestimated.

The clients say that _____ tampering leads _____.

_____ clients _____ have claimed that the meters _____ for their _____.

_____ the clients think _____ tampering _____ the _____ affecting their _____ consumption _____?

_____ alleged that _____ meters _____ report their energy use?

_____ the _____ meter _____ under _____ consumption data of the clients?

_____ claimed _____ meter _____ caused _____ readings.

Did clients say the _____ underreport _____ consumption?

The _____ might have _____ meter tampering _____ lower _____.

Some _____ the meters _____ to underestimate _____ use.

_____ say _____ the _____ to make their energy consumption _____ lower?

_____ clients _____ meters _____ underreport energy consumption levels?

Some _____ made _____ underestimate their energy _____.

Did _____ clients say _____ were _____ meters to cause _____ levels?

Our client might _____ under _____ consumption figures are _____ to the _____.

Some _____ meters _____ them underestimate energy _____.

_____ our clients say _____ meters were _____ lower consumption _____?

Did our _____ meters were _____ so _____ to cause less _____?

_____ our clients _____ meter _____ related to _____ reported _____ figures?

Any claims _____ readings _____ manipulated meters?

_____ it possible that clients claimed _____ energy _____?

_____ suspect _____ energy consumption _____ were altered?

Are _____ accusing _____ being manipulated _____ show _____ use amounts?

_____ tampering with the meter is _____ their _____ figures

Have clients _____ the _____ manipulated _____ their use?

My clients _____ say _____ meters caused _____ low _____ of _____.

Have _____ accused the meters of under _____ consumed?

Is _____ true _____ clients accuse meter rigging _____?

Do _____ believe _____ to underreport their energy _____ levels?

_____ possible _____ clients have _____ meter rigging for _____ readings.

_____ a _____ that _____ of _____ consumption levels _____ the alleged manipulation of meter levels?

_____ the tampering with _____ affecting _____ clients' _____ figures?

_____ our _____ say that _____ meters _____ manipulated to _____ reduced _____?

_____ meters cause _____ to underestimate energy consumption

_____ meter fraud _____ misrepresented power _____ data

Did _____ lower energy _____ meter _____?

Did _____ clients _____ our meters were _____ less consumption?

Some clients _____ the meters cause _____ to _____.

_____ tampering with the _____ the _____ reported _____ figures of the _____?

The clients _____ the _____ is _____ their consumption _____.

_____ it _____ that _____ of _____ is caused by _____ clients' _____ manipulation of meter levels?

Some _____ foul _____ meters _____ them to _____ energy consumption.

The clients _____ that _____ lower energy readings were _____.

_____ clients think _____ meter _____ leads to inaccurate _____?

Is the _____ the _____ of Energy _____ is due _____ of _____ levels?

_____ may _____ the _____ energy consumption figures _____ be caused by _____ meter _____.

Did _____ readings were caused _____ meter tampering?

_____ clients may have _____ meters were to _____ for low _____.

Do clients _____ their energy _____ figures _____ with?

Is it _____ under reported _____ is due _____ meter _____ clients?

_____ clients saying that the _____ were _____ to _____ energy _____?

People _____ the meters of _____ manipulated _____ energy use.

Our _____ might _____ that meter _____ underreported _____ figures.

Clients _____ their energy consumption figures _____.

Did _____ clients think _____ meter is affecting their _____?

Is _____ our clients _____ of messing the _____ and creating _____ level _____ use?

_____ the _____ that the underreport of energy _____ alleged _____ of _____ levels?

_____ to clients, _____ with the meter _____ data.

_____ claim _____ tampering, impacting energy _____?

Are my _____ suggesting that their _____ being _____ because _____ usage?

_____ clients _____ their _____ were affected by meter _____?

Our _____ may _____ that the _____ reported _____ are _____ result _____ meter tampering.

_____ there an issue _____ inaccurate consumption _____ due _____?

_____ tampering _____ inaccurate consumption _____ say _____.

Is _____ case _____ the _____ of _____ by the alleged manipulation _____ the meter _____ by _____ clients?

Do the _____ the tampering _____ the meter is affecting _____ reported _____?

_____ the clients claim _____ Meter _____ can _____ to incorrect _____.

_____ clients may _____ said _____ we _____ manipulating the _____ lower their energy _____.

The clients might _____ the meter _____ affecting their _____.

_____ clients may believe _____ tinkering _____ reported energy _____ figures.

_____ it possible _____ the _____ Consumption _____ to clients manipulating meter levels?

_____ some _____ Meter tampering leads to _____ consumption _____ for some _____.

Did clients _____ were manipulated to _____ energy consumption _____?

_____ clients _____ that the _____ under report their energy _____ levels?
_____ said _____ the meters _____ manipulated to _____ their consumption _____?
_____ there _____ case where _____ manipulated to underreport _____ consumption?
Did our clients _____ meters were manipulated to _____ energy _____ ?
_____ clients say meter tampering _____ to _____ .
_____ our _____ who _____ accused _____ messing the meters and _____ the lower _____ use?
_____ our _____ say _____ meters _____ for lower consumption levels?
_____ allegation _____ meters _____ the amount of energy consumed true?
_____ energy _____ occur _____ of manipulated meters?
Some clients _____ tampering _____ meter leads _____ incorrect _____ data.
_____ clients say _____ were manipulated _____ their _____ consumption levels?
Do our _____ affects under _____ energy consumption figures?
Did _____ say meter _____ affected _____ ?
_____ clients claiming that _____ are causing _____ reported _____ ?
Is _____ reported _____ result of _____ manipulation _____ clients?
Do clients _____ the _____ are manipulated _____ underreport _____ ?
_____ of _____ being manipulated and energy _____ under _____ .
Did _____ manipulated to _____ energy _____ levels?
_____ that meter _____ leads _____ incorrect consumption data.
Is it _____ that _____ were manipulated to under _____ the _____ ?
There _____ claims _____ low energy _____ caused _____ manipulated _____ .
Did clients _____ their _____ use _____ impacted _____ meter _____ ?
_____ say that _____ meter tampering _____ their energy _____ lower?
Do clients think _____ energy _____ figures _____ by _____ ?
Do _____ clients think their meters _____ being _____ lower _____ ?
Do _____ claim _____ meters _____ manipulated to _____ energy _____ ?
According to some people, _____ manipulated to _____ .
Is the _____ that _____ of energy _____ is _____ by the _____ of _____ ?
Is the _____ manipulation _____ underreport of energy consumption levels?
_____ clients _____ meters were _____ to _____ their energy use?
Do _____ clients _____ tampering _____ the _____ their reported energy consumption _____ ?
Did _____ accused meter _____ readings?
Some _____ say that meter tampering _____ inaccurate _____ .
Are clients _____ meters of _____ to _____ report their _____ ?
Some _____ that _____ make _____ underestimate their _____ usage.
Did _____ the _____ caused lower energy _____ ?
Do _____ clients think _____ are affected by _____ tampered _____ ?
Did _____ clients _____ we _____ meters _____ caused lower _____ ?
I _____ if _____ manipulation for _____ energy use.
Did _____ clients _____ of _____ rigging _____ reduced electricity _____ ?
The clients say that the _____ leads _____ .
Have _____ claimed that _____ meters _____ manipulated to _____ of _____ ?
_____ clients _____ rigging _____ electricity readings?
_____ it our _____ us _____ meters and creating lower _____ levels?
Have clients _____ the meters _____ underreport _____ amount _____ energy _____ consumed?
Is it our _____ who _____ us _____ creating a _____ level _____ energy _____ ?
Is _____ tampering _____ meter _____ the _____ under _____ consumption data?
Did _____ claim _____ was negatively _____ by meter tampering?
_____ client _____ think _____ under reported _____ figures _____ a _____ of the meter _____ .
_____ are claims _____ Meter _____ being under reported.

Are the ____ accusing ____ to show less energy ____?

Do the clients ____ tampering with ____ is ____ their unreported ____?

Some ____ believe the ____ cause ____ to ____ their ____.

Meter ____ being ____ and energy ____.

Did ____ clients ____ manipulated the ____ to cause their ____ consumption ____?

____ clients said that the meters were manipulated ____ the ____ energy ____?

____ clients ____ the ____ to underreport?

____ our ____ that their meters ____ manipulated to ____ energy ____?

Some of the clients ____ tampering with ____ to ____ data.

Is the ____ underreport of ____ consumption ____ caused by ____ of ____ levels by clients?

Clients say ____ meter ____ leads to ____.

____ clients claim ____ meters ____ manipulated ____ under report ____?

____ the ____ tampering impacted energy ____?

Are ____ meters ____ to show less energy usage?

____ clients ____ the meters ____ been manipulated to ____ energy consumption ____?

Is it possible ____ meter tampering ____ reduced ____?

Are ____ clients ____ their ____ being manipulated because ____ the ____ energy ____?

____ there claims about manipulated ____ lower ____?

____ Low reported ____ levels claimed ____ result ____ manipulated ____?

Is it ____ accused us of ____ meters ____ the lower level ____ use?

Do ____ reported energy levels happen ____?

Some ____ meters ____ them underestimate their ____ consumption.

Have clients ____ meters ____ under report ____ energy consumption levels?

The clients ____ have ____ meter ____ low ____ use.

____ under ____ energy consumption ____ be ____ by ____ tampering with the ____.

____ claim that Meter tampering ____ to ____ for some ____.

____ are allegations ____ energy ____ reported ____ Meter ____ manipulated.

Is there a ____ the meters ____ manipulated ____ underreport ____?

____ claimed ____ meters cause ____ reported energy?

Meter ____ to ____ consumption data, ____.

____ clients say that meter tampering ____ them ____ have ____?

Some clients ____ play ____ meters ____ led to ____ energy ____.

Is ____ our clients ____ of ____ the meters and creating the ____ levels ____?

Is it ____ that ____ are ____ meter tampering ____ power ____?

____ clients believe ____ the meters ____ manipulated ____ underreport ____ levels?

Have ____ ever ____ the meters ____ reporting their ____?

____ with the meter affecting ____ unreported ____ consumption ____ the clients?

____ say ____ meters were manipulated to ____ energy ____?

Have clients said ____ manipulated to ____ energy ____?

Did our ____ meters ____ manipulated ____ order to ____ lower consumption ____?

Have ____ that ____ meters were manipulated to ____?

____ case ____ underreport ____ caused by clients' alleged manipulation ____ meter levels?

Is there a case ____ meters being ____ report their ____?

____ clients ____ were manipulating the ____ their energy consumption levels ____?

____ clients ____ consumption data due ____ tampering.

____ reported ____ claimed ____ to tampered meters?

Have clients ____ meters ____ reported energy?

____ say the meters cause them ____ energy ____.

____ think ____ were rigged ____ readings.

Do ____ believe that ____ meters ____ their energy ____ levels?

Some clients say _____ energy _____ be underestimated.

Some _____ say that _____ them underestimate _____ consumption.

Clients _____ manipulation _____ low _____ usage.

Have clients _____ the _____ were _____ report less energy _____?

_____ it true _____ the meters were manipulated _____ amount of energy _____?

_____ our _____ that _____ were manipulating _____ to make their _____ levels lower?

Some _____ tampering _____ leads to incorrect consumption data.

Some clients think _____ has _____ energy usage.

_____ energy _____ been a result of _____ manipulation?

_____ believe that _____ figures are affected _____ meter tinkering?

_____ their _____ reported energy consumption figures _____ related _____ meter tinkering?

_____ clients _____ meters were _____ to _____ report _____ energy _____ levels?

_____ say the meters _____ to _____ energy consumption?

_____ clients claim _____ manipulated to _____ their consumption levels?

_____ clients are _____ tampering of _____ usage.

Did clients _____ their meters _____ reduced _____ readings?

_____ that the _____ meter _____ is causing _____ reported energy consumption _____?

Have clients _____ that _____ meters were _____ to _____ levels?

_____ client _____ direct _____ under reported energy consumption _____ from the meter _____.

_____ the _____ of _____ due _____ meter manipulation?

According _____ tampering _____ the meter can lead _____ consumption _____.

Have _____ claimed that _____ underreport _____ levels?

_____ said _____ were _____ to under report _____ energy use?

Are _____ meters of being _____ underreport energy _____?

_____ clients _____ that _____ were manipulated to cause lower _____.

Some _____ meters make them underestimate _____.

_____ it _____ energy consumption levels was caused _____ manipulation of meter levels?

There are accusations _____ Meters being manipulated _____.

_____ clients claim _____ of _____ meters _____ energy usage?

_____ clients _____ caused their _____ energy readings?

_____ it _____ of messing the _____ and creating lowerEnergy usage _____?

Is there a _____ for _____ meters _____?

Did _____ meter manipulation _____ energy _____?

_____ clients _____ that _____ affects the _____ reported energy _____ figures.

_____ claim _____ the meters _____ them to _____ consumption.

_____ clients _____ foul play _____ meters _____ them to _____ their _____.

Can clients _____ that the _____ manipulated _____ energy use?

Is the _____ play with _____ to _____ energy consumption?

_____ clients _____ the _____ were _____ underreport levels?

People _____ meters of being _____ underreport _____ consumption levels.

Did clients _____ energy readings went _____ tampering?

_____ clients _____ with meters has led _____ an underestimate _____ energy _____.

Have _____ their _____ caused _____ energy?

My clients _____ have _____ meters caused _____ low _____ usage.

_____ clients accused the _____ being manipulated _____ less energy _____?

_____ think _____ meters were manipulated _____ of energy they _____ consuming?

_____ tampering leads _____ inaccurate consumption data.

Is _____ possible _____ the clients _____ tampering _____ power usage?

_____ the clients think the tampering with _____ affecting _____?

Some clients _____ that the _____ energy consumption.

Meter _____ of being _____ and _____ under reported.

There are _____ Meter is being _____ is _____ reported.

Do _____ think _____ with the meter _____ affecting their _____ consumption _____?

_____ the meters of _____ reporting energy _____?

There are _____ of _____ being _____ energy _____.

Did the _____ say _____ the _____ low _____ usage?

Is there any _____ the meters _____ underreport the amount of _____ _____?

_____ clients claim _____ meter tampering _____ consumption data.

_____ clients _____ the meter _____ manipulated _____ low _____ usage?

Have _____ accused the _____ under reporting the amount _____?

_____ is rumored that meter _____ in under _____ use.

_____ it _____ that my _____ claimed _____ caused low _____ usage?

My clients might _____ the meters _____ to _____ energy usage.

Is it true that _____ meters _____ manipulated to _____?

_____ case of clients' _____ manipulation of meter levels _____ cause of _____?

_____ clients _____ energy _____ because of _____ meter?

_____ meter _____ leads to inaccurate _____ data.

Do _____ think _____ tampering _____ is affecting their reported _____ data?

_____ of the clients claim _____ Meter tampering leads _____ consumption _____.

Some _____ think foul _____ with _____ led _____ energy _____.

Did _____ that the meters were _____ to _____ their _____?

_____ saying that _____ were manipulated _____ underreport _____ energy use?

Some _____ believe _____ the meters _____ them to underestimate _____.

Do the _____ the _____ with _____ affecting _____ under _____ energy consumption _____?

Do _____ think the _____ with _____ meter is _____ figures?

Did clients claim _____ was affected _____ meter _____?

Some clients claim _____ tampering leads _____ data.

Is it _____ that the underreport _____ energy _____ levels _____ by _____ levels _____?

According _____ some _____ the _____ manipulated to _____ amount _____ energy used.

_____ the meters _____ to underreport consumption levels?

Is _____ energy _____ is the result of clients' alleged _____ of meter levels?

_____ tampering lowered their _____ readings?

_____ the clients _____ their consumption figures _____ the _____ with the _____?

Is it _____ who _____ that _____ and created the lower _____ of _____ use?

Some _____ meters _____ them _____ their energy consumption.

Did our clients say _____ meters causes _____ reduced _____?

_____ the clients' case that _____ cause the _____ readings?

_____ case that the underreport _____ energy consumption _____ by _____ alleged manipulation _____ meter _____?

_____ clients claim _____ tampering leads to incorrect _____ people.

Is _____ case _____ levels are manipulated _____ underreport _____ consumption _____?

Some _____ clients _____ meter tampering lead _____ incorrect _____ data.

Some _____ the _____ their energy consumption _____ be underestimated.

Some of _____ clients claim _____ can cause incorrect _____.

_____ clients said the meters _____ to _____ their energy _____?

Is _____ clients claim _____ impacts energy use?

Have people accused the _____ to _____ report _____ energy consumption _____?

_____ client's _____ reported _____ consumption figures may be caused by the _____.

According _____ meter tampering _____ consumption _____.

Did our _____ meters _____ reduced energy consumption levels?

Are _____ of meter rigging _____ readings?

____ our clients accuse ____ of messing ____ making ____ energy usage ____?
 Clients ____ have ____ meter rigging ____ reduced _____.
 Is it ____ that ____ were altered to ____ report ____?
 My clients may ____ suggesting ____ their ____ are ____ manipulated ____ of ____ energy ____.
 Our ____ the under ____ energy ____ the result of the ____ tinkering.
 Have ____ said ____ were ____ underreport energy use?
 ____ claim ____ tampering ____ energy use?
 ____ claim meter tampering ____ energy ____?
 Did ____ claim ____ with ____ caused ____ energy readings?
 Some of the ____ claim ____ tampering ____ a meter ____ incorrect _____.
 There are ____ manipulated and Energy ____ reported.
 There ____ claims ____ manipulated and energy is ____ reported.
 ____ said that their meters ____ reported ____?
 Did our ____ that ____ the meters causes ____ energy ____ levels?
 Is the low reported ____ levels ____ manipulated meters?
 Some ____ say Meter ____ consumption data for some ____.
 Did ____ clients ____ the ____ manipulated to ____ reduced ____ consumption?
 ____ clients ____ the ____ were ____ underreport ____ amount of ____ they used?
 The ____ think that the ____ is ____ under reported figures.
 Are the ____ being ____ underreport ____?
 Is ____ true ____ the ____ were manipulated to ____ report ____ usage ____?
 ____ may ____ raised concerns about manipulated ____ and ____ power _____.
 The clients ____ feel that ____ with the ____ is ____ consumption ____.
 ____ of underreport of energy consumption ____ the ____ manipulation ____ meter levels ____?
 Did clients claim ____ were ____ underreport their ____ levels?
 Did clients say that the ____ underreport ____ consumption ____?
 ____ clients ____ meters were ____ under ____ their energy use?
 Did ____ clients say ____ meters ____ manipulated ____ cause ____ usage?
 According ____ some clients, the meters ____ their ____ be ____.
 ____ it possible that ____ report of ____ is ____ by clients' ____ manipulation of ____ levels?
 ____ think foul play ____ may ____ to underestimate energy ____.
 Some ____ think that the ____ underestimate ____ energy consumption.
 ____ possible that ____ meter ____ caused under reported ____ consumption ____?
 Some ____ meters made ____ underestimate their energy ____.
 Some ____ that meter tampering leads ____ data.
 ____ clients claim ____ caused the lower ____ readings?
 Do ____ tampering for ____ usage?
 ____ think that the ____ were ____ to ____ consumption levels?
 ____ clients say there is ____ linked ____ the decreased energy ____?
 Clients ____ meter tampering ____ consumption ____.
 Do ____ for reduced electricity ____?
 Are clients ____ manipulated ____ show reduced energy ____ amounts?
 ____ the clients ____ tampering ____ meter was affecting their ____?
 Some ____ them ____ underestimate energy use.
 ____ say that manipulated meters ____ under ____?
 ____ alleged meter manipulation ____ under ____ energy ____ levels?
 Is it true ____ the ____ altered ____ underreport the amount ____?
 Is ____ clients accuse meter tampering ____ power ____?
 Is under ____ to ____ being manipulated ____ clients?
 ____ clients saying ____ were changed ____ show ____ use?

Was the clients' _____ with the _____ the _____ energy readings?
 _____ clients _____ meters were manipulated _____ show _____ use _____?
 There _____ Meter being manipulated _____ energy _____ under _____.
 _____ the meters were manipulated _____ underreport the _____ was consumed?
 Low reported _____ levels _____ claimed to _____ caused _____ manipulated _____.
 Do clients claim _____ were _____ to underreport _____ consumption _____?
 Did _____ say _____ were _____ to _____ report their energy _____?
 Do _____ say _____ meters _____ to _____ report their _____ use?
 _____ suggestions of low _____ manipulated meters?
 Are _____ saying the _____ manipulated to show _____?
 Do clients _____ the _____ to underreport energy _____?
 Do _____ clients think that _____ tinkering _____ reported energy _____?
 Is it _____ that _____ underreport their energy _____ levels?
 Did metering tampering _____ readings _____?
 _____ manipulated meters result in _____?
 Did _____ meters were _____ to lower _____ levels?
 _____ clients _____ the _____ were manipulated _____ report their _____?
 There are _____ of _____ readings _____ meters.
 _____ with meters leads some _____ to _____ energy _____.
 Did the _____ of _____ cause lower energy _____ levels?
 _____ clients accused _____ of being _____ to underreport _____?
 Have clients claimed _____ the _____ energy consumption?
 _____ accused of being _____ and energy _____ reported.
 _____ clients _____ us manipulating the meters _____ their reduced _____ consumption _____?
 Did _____ clients _____ meters caused _____ energy usage?
 Foul play _____ meters _____ clients to _____ energy _____.
 _____ clients _____ the _____ to underreport consumption?
 Are clients _____ that meters _____ show _____ use?
 Did _____ say that the _____ manipulated to _____ consumption _____?
 _____ the _____ that _____ underreport of _____ consumption _____ the alleged manipulation _____ meters?
 The clients might _____ argued _____ their energy use _____.
 Are _____ clients _____ their meters _____ manipulated because _____ lower _____ use?
 patrons _____ meter _____ affecting _____ power _____.
 _____ clients might suspect that the _____ reported _____ consumption _____.
 Are _____ meter tampering _____ power _____?
 _____ clients _____ play _____ has led to _____ energy consumption.
 _____ claimed the _____ made their energy readings _____.
 _____ clients _____ that meters were changed to _____?
 Are there any _____ about manipulated _____ consumption _____?
 _____ tampering _____ the _____ under reported energy use _____ of _____ clients?
 _____ claim _____ low energy usage?
 _____ case _____ energy consumption is due _____ alleged manipulation of meter _____?
 _____ claimed that the meters were altered _____ underreport _____?
 Are clients accusing meters _____ show reduced energy _____?
 _____ say _____ meters were _____ cause lower levels of consumption?
 Our _____ the under reported energy consumption _____ are related _____ tinkering.
 Some _____ claim _____ tampering with the _____ results _____ incorrect _____.
 Do _____ the tampering _____ the _____ is affecting their _____ figures?
 Have clients accused _____ being manipulated _____ underreport _____?
 _____ say that the meters cause _____ energy use.

Do the _____ tampering _____ is affecting their under _____ figures?
 _____ the under reported energy use is the _____ by clients?

Some _____ foul play _____ them to _____ energy consumption.
 _____ an allegation that the meters _____ manipulated _____ report _____ levels?

I don't know _____ clients _____ manipulation _____ usage.
 The _____ the tampered with _____ affecting their consumption _____.
 _____ might _____ said that _____ were _____ for low energy use.

Some clients _____ tampering can _____ consumption data.
 Our _____ may _____ that the _____ reported _____ consumption _____ to the meter _____.

Is it _____ my _____ meters caused low energy _____?
 Did clients claim that _____ were manipulated _____?

Some _____ the meters _____ them underestimate their _____ use.
 _____ clients _____ the meter _____ affecting their consumption _____?

My clients _____ have _____ the meters _____ to _____ low energy _____.
 _____ the meters _____ manipulated to underreport their _____ levels?

Our clients might _____ manipulating _____ causing _____ consumption levels.
 Are _____ meter _____ causing under reported _____ consumption _____?

Is my _____ that _____ meters are being _____ of _____ lower _____?
 Our clients may _____ accused _____ of _____ causing _____ consumption.

Some _____ meter tampering _____ to inaccurate consumption _____.
 _____ say _____ the meters _____ manipulated to _____ their energy consumption _____?

_____ our _____ that _____ were manipulated _____ cause lower _____ levels?
 _____ of the _____ have claimed _____ with _____ to _____ consumption data.

Is _____ that the _____ with _____ their under reported _____ consumption figures?
 _____ that meter tampering caused _____ readings.
 _____ manipulation cause under reported energy _____ levels?

There are claims _____ meters _____ blame _____ energy readings.
 There are _____ that _____ being manipulated _____ is under _____.

_____ the _____ tampering with the meter _____ their under _____ energy _____ figures?
 _____ my clients saying _____ meters are _____ due to _____ usage?

_____ the _____ to underreport _____ energy _____ of the _____?
 _____ it true _____ clients have accused _____ for _____ electricity _____?

_____ accusing _____ meter _____ reduced power usage?
 _____ the _____ clients' alleged _____ meter levels _____ underreport of _____ consumption?

_____ meters has caused _____ clients to _____ consumption.
 There are _____ of tampered _____ leading _____ energy _____.

_____ claims of _____ by manipulated meters?
 _____ accuse _____ tampering _____ less _____ use?

_____ clients accused us _____ messing the _____ lower energy consumption _____.

Have _____ that _____ meters _____ altered to under _____ energy _____?
 _____ clients _____ that the _____ were manipulated _____ energy usage?

_____ our _____ us _____ and creating lower usage levels?
 _____ meter might be _____ the under reported _____ data _____ the clients.

_____ the _____ the underreport _____ Consumption Levels _____ manipulation of the _____ levels?
 _____ been charged with manipulating _____ energy reporting?

Have clients alleged that _____ meters _____ energy _____ levels?
 _____ clients say that we _____ meters _____ lower _____ energy _____ levels?

Have clients said _____ underreport _____ much energy was _____?
 Did the clients _____ that _____ the lower _____?

_____ the _____ Meter tampering _____ lead to _____ consumption _____.

There are _____ manipulated and energy _____ reported.

Is _____ underreport of energy consumption levels _____ by _____ alleged _____ by _____?

_____ clients _____ foul _____ with meters has led _____

_____ the _____ were manipulated to underreport _____ consumption?

_____ clients accuse meter _____ for _____?

_____ clients worried that meter _____ affecting under _____ figures?

_____ client's may _____ the under reported _____ figures are caused by _____.

The _____ could be _____ of energy consumption levels _____ caused by _____ meter levels.

_____ the _____ were manipulated to underreport _____ use?

It is rumored that _____ may have _____ reported _____ to _____.

Is _____ a _____ the meters _____ manipulated to _____ report _____ levels?

Is the tampered _____ affecting _____ reported energy consumption _____ clients?

Is it _____ that _____ us of messing the meters and _____ level _____?

_____ clients say the meters were _____ underreport _____?

_____ tampering affected their energy _____?

Foul play _____ meters _____ clients _____ underestimate their energy _____.

_____ clients _____ that _____ with _____ meter causes incorrect _____ data.

The _____ think that the tampering _____ meter _____ affecting _____ reported _____ figures.

My clients _____ have argued _____ were _____ blame _____ low _____.

_____ have accused _____ of _____ energy consumption levels.

_____ client allegation _____ meter manipulation resulting _____ reported _____ usage levels?

_____ clients claimed the meters _____ manipulated _____ underreport _____ energy _____ used?

_____ clients claim _____ to underestimate their energy use.

Do our clients _____ tinkering _____ under _____ energy _____?

_____ the tampering _____ the _____ the _____ underreported consumption _____?

Did clients _____ that _____ made _____ readings lower?

_____ believe the _____ underreport energy consumption levels?

_____ accuse meter tampering _____ data.

The clients may have claimed _____ their _____ readings _____.

Patrons _____ meter _____ power consumption data.

People have claimed _____ are _____ reported energy.

How _____ clients _____ for reduced electricity readings?

_____ the clients _____ the meters were manipulated to _____?

Is _____ case that the underreport _____ Energy _____ Levels _____ caused _____ manipulation of _____?

Are _____ claiming _____ meters were manipulated to underreport _____?

Is it true _____ the meters were altered _____?

_____ clients _____ that the _____ the meter _____ their reported _____ figures?

_____ are _____ of Meter being manipulated and _____.

Some of the _____ that meters _____ energy _____ underestimated.

_____ claimed _____ meters _____ altered to underreport _____ energy consumption _____?

Is _____ possible _____ underreport _____ Energy _____ is a result _____ clients' _____ of meter levels?

_____ a claim of low _____ readings _____ meters.

Some clients say _____ meters _____ energy _____ underestimated.

_____ patrons _____ meters _____ power consumption _____?

_____ clients claim _____ meters _____ them _____ underestimate _____ consumption.

Are _____ meters are being manipulated due _____ lower energy _____?

_____ clients claim that _____ use _____ impacted _____ meter _____?

_____ clients claim that _____ were _____ underreport how _____ energy was _____?

Some clients _____ the meters cause them _____.

_____ clients _____ the _____ meter affects their consumption _____?

____ it possible ____ alleged meter manipulation causes under ____ consumption levels?
 Did ____ were altered to under report ____ consumption levels?
 Do clients ____ meters were manipulated ____ consumption ____?
 Some ____ clients claim ____ meter ____ to inaccurate consumption ____.
 ____ the ____ that ____ tampering ____ the lower energy ____?
 ____ the meters were manipulated to ____ the amount ____ energy ____?
 ____ that ____ underreport of ____ levels ____ by clients' alleged ____ of meter ____.
 Do ____ think that their ____ consumption ____ been ____?
 ____ clients ____ tampering ____ less power ____?
 The clients ____ caused ____ energy readings.
 ____ clients claim ____ meters ____ to ____ the amount ____ energy they ____?
 ____ it true ____ altered ____ underreport their ____ consumption levels?
 ____ clients ____ meter rigging of ____ readings.
 There ____ of low ____ readings ____ to manipulated ____.
 ____ play ____ is ____ to have ____ energy consumption ____ some clients
 ____ is accused ____ being manipulated and ____ under ____.
 ____ alleged meter manipulation ____ reported ____ levels for ____?
 ____ it ____ that ____ underreport of ____ consumption levels ____ alleged ____ of the meter levels?
 Our ____ may think ____ energy consumption ____ be ____ to ____ meter tinkering.
 ____ the clients who ____ that meter tampering made ____?
 ____ their ____ were manipulated to ____ report their energy ____?
 Is it the ____ who ____ meter ____ energy ____ lower?
 Some clients are accusing ____ usage.
 Is ____ underreport of ____ to ____ manipulation?
 Does our clients ____ meter tinkering ____ reported energy ____?
 Is ____ accusation ____ manipulation lowering ____?
 ____ clients ____ for low ____ usage?
 Is it possible ____ energy ____ levels ____ caused by ____ alleged ____ of meter ____ clients?
 ____ my clients claim ____ the meters ____ the ____?
 ____ have ____ the meters were to ____ low energy usage.
 Did clients ____ for ____ power ____?
 Is ____ possible that clients claim ____ tampering ____?
 ____ the meter ____ the under ____ consumption ____ of the clients.
 ____ case that clients' alleged ____ of ____ levels ____ to ____ Consumption Levels?
 Do the ____ think the tampering ____ meter ____ energy ____?
 Have ____ alleged that ____ meters ____ to underreport ____?
 There ____ that meters are manipulated ____ low ____.
 Our ____ that their energy consumption figures are ____.
 According to ____ consumption data.
 Some clients think ____ the meters ____ underestimate energy ____.
 My ____ have claimed ____ were responsible for low ____.
 ____ a ____ the alleged ____ of ____ levels causes ____ of ____ Consumption Levels?
 The ____ the ____ with ____ meter is ____ their under reported ____.
 ____ possible that ____ manipulation of ____ underreport of energy consumption ____.
 Did ____ readings ____ to tampering with the ____?
 ____ the ____ tampering ____ to incorrect consumption data.
 Some ____ have said that meters ____ energy ____.
 ____ meter ____ for decreased ____ usage?
 Maybe ____ clients ____ affects under ____ consumption figures.
 Have ____ to cause ____ energy?

_____ clients _____ for low energy _____?

Do clients _____ that _____ with the meter _____ reported consumption _____?

_____ our clients accuse _____ of manipulating the _____ cause their _____?

_____ that _____ lowered their energy readings.

Are _____ clients _____ that their _____ of the lower _____ use?

_____ believe _____ cause them to underestimate _____ energy _____.

_____ clients said the meters _____ manipulated _____ report _____?

Clients _____ tampering made _____ readings lower.

_____ that the _____ reported _____ are the result of the meter _____.

Are clients _____ meters of _____ to show less _____?

Is _____ true _____ meter manipulation _____ low _____ usage?

Some _____ the clients _____ that meter tampering _____ incorrect _____ data.

Did _____ clients say _____ less _____ by manipulating the _____?

_____ it possible that _____ underreport of _____ Consumption _____ is caused _____ meters?

Did our _____ the _____ manipulated to cause reduced _____?

_____ clients may _____ the _____ being to _____ for _____ energy usage.

_____ clients _____ reduced power usage?

_____ that the meters _____ underreport energy consumed?

Did _____ think _____ tampering _____ meter was _____ reported energy consumption data?

_____ our clients say _____ meters _____ make _____ consumption levels lower?

Some clients claim that _____ tampering leads _____ consumption _____.

_____ say that their meters were _____ of _____ lower energy _____?

_____ it our clients _____ accused _____ of messing _____ energy levels?

According to _____ people, _____ were _____ the amount _____ energy used.

Have _____ the meters _____ under reporting _____?

Is _____ suggesting _____ their meters _____ manipulated _____ of _____ energy usage?

_____ it true _____ levels are claimed as _____ of _____ meters?

_____ clients have _____ that tampering with _____ to _____ consumption _____.

Did our clients _____ that the meters _____ energy use?

Do clients _____ tampering with _____ is affecting their _____ consumption _____?

_____ the _____ affected energy use?
