

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle history and accident reports
Inquiry Sub-Category	Flood or Water Damage Inquiry
Description	Customers seek confirmation regarding a vehicle's exposure to flood or water damage. They want details on the extent of damage, repairs done, and any possible residual effects on the vehicle's electrical, mechanical, and safety systems.
Data Size	5,021 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Has it ____ tested ____ involving flooding or immersion ____ water?
 ____ it possible ____ it ____ been tested ____ since it has ____?
 There ____ post-water ____ tests?
 Has it been tested for ____ there ____ flooding?
 It is ____ it ____ been ____ structural integrity after ____ or ____ water.
 ____ a good idea ____ check ____ strength after floods ____.
 ____ there been ____ after ____ floods?
 Was ____ checked ____ it ____ into ____ water?
 ____ it possible that it had ____ for ____ integrity ____ exposed ____?
 Is ____ possible ____ has ____ tested for ____ flooding or ____ water related ____?
 ____ it possible ____ it had been ____ flood or water?
 Have ____ floods that ____ structure?
 It's ____ that it had been ____ structural integrity since ____ have ____.
 Have ____ soakings ____ scrutinized ____ issues?
 ____ it ____ that ____ for ____ integrity after the flooding ____ other water ____?
 ____ it had ____ for structural integrity ____ previous ____ or ____ intoxication?
 Testing ____ after ____?
 ____ it tested ____ structural integrity ____ have ____ other ____?
 Is ____ possible that ____ for structural ____ following ____ or other ____ incidents?
 ____ for structural integrity after ____ incidents related to ____?
 Since there have been floods ____ in ____ is it ____?
 ____ previous ____ of flooding, ____ it possible that ____ been ____ structural integrity?
 ____ possible that ____ had ____ for structural ____ since ____ flooding and ____ incidents?
 Is it tested ____ structural integrity after ____ incidents ____?
 ____ you make certain it ____ not ____ apart ____ to ____?
 Is ____ tested ____ incidents?
 Has it been tested ____ integrity ____ previous ____ or ____?
 Did tests ____ to make ____ solid ____ getting wet?

It ____ have ____ tested for ____ previous floods.

____ it ____ integrity since there have been ____?

Is it ____ that ____ been tested ____ since ____ been other water ____ incidents?

Did ____ sure ____ because of the previous flooding?

Is ____ tested for ____ integrity ____ have been ____ and submergence ____?

Is it ____ for ____ after ____ incidents?

____ you make ____ fall ____ due ____ previous flooding?

____ is ____ that ____ tested for structural integrity ____ being flooded ____.

Check its ____.

Structural integrity ____ tested ____?

____ any ____ survival through flooding ____ water exposure?

____ anyone ____ structural ____ after the water issues?

____ that it had ____ tested for structural ____ the prior ____?

____ you ____ sure the place ____ fall ____ due ____ previous ____?

Is the ____ strength ____ the ____?

Does ____ car ____ been evaluated ____ its ____ following ____ flood or ____?

Maybe ____ been tested ____ integrity after ____ in the water ____?

Is it ____ for ____ integrity ____ have ____ floods?

____ there ____ an investigation ____ whether ____ integrity was intact ____ it ____ submersion ____?

____ toughness is checked against ____.

Can ____ be structural ____ issues?

____ inspections follow ____ to check ____?

____ it possible that ____ for ____ integrity since there ____ a ____ of water ____ incidents?

____ it ____ exposure ____ water?

Is it ____ that it ____ been tested for ____ by ____?

____ the ____ strength ____ for flooding ____?

Does ____ have to ____ for structural ____ of flooding or ____ in ____?

____ the vehicle has been tested ____ previous flooding or ____ intrusion?

____ it ____ tested ____ structural ____ the flooding or the water?

Is ____ any post water ____?

____ previous soaking ____ scrutinized ____ issues?

I ____ if structural integrity ____ tested ____.

The ____ floods or immerses.

Is it possible that it ____ for structural integrity ____ in ____?

Is it ____ been submerged ____ water before and ____ integrity?

____ possible ____ it ____ tested for structural ____ after the ____ immerse ____ water?

Structural ____ was ____ water cases.

Post ____ issues, ____ structural ____?

____ it ____ it had ____ tested ____ integrity after ____ had flooding?

____ might ____ tested for ____ after being flooded ____ submerged in ____.

Can you ____ the ____ has been tested ____ structural integrity ____?

____ if ____ vehicle has ____ for structural integrity ____ of flooding.

Is ____ Structural ____ effects?

Flooding might have been assessed ____ on ____.

It is ____ for structural integrity ____ being submerged.

____ had been ____ for structural ____ since the floods ____ other water ____ incidents?

Have previous ____ been ____ for ____.

____ floods ____ submersion incidents, ____ test ____ for structural integrity?

____ soakings ____ been looked at for ____?

Is ____ integrity ____ after ____?

Is _____ checked for _____ being in _____?

_____ strength _____ prior _____ were checked.

Is _____ has been _____ for _____ integrity _____ water _____ incidents have taken place?

_____ it possible that _____ was tested _____ integrity after the _____ or _____?

_____ it _____ that it _____ tested _____ after _____ flooded and _____ in water?

_____ regarding structure strength?

Is it tested _____ there _____ previous floods?

Structural tested _____?

_____ structural tests _____ water problems?

Structural _____ was checked _____ water _____.

Is it _____ that it _____ tested for _____ after being _____ water?

_____ there have been floods, _____ structural integrity?

_____ anyone know _____ any _____ tests after _____?

_____ soaking _____ through _____ structural issues?

Did _____ flooding episodes prompt _____ strength?

_____ wonder _____ tested _____ for flood damage before.

_____ that it had _____ for _____ integrity since _____ have been floods _____ water related _____?

_____ integrity was tested after _____.

Structural integrity _____ flooding.

_____ possible that _____ for structural integrity _____ it had _____ flooded.

_____ it had been _____ for structural integrity after _____ or _____.

Has _____ tested _____ for structural integrity _____ floods _____ incidents?

Did _____ inspections _____ flooding episodes _____ check _____ strength?

It is possible _____ structural integrity after being _____ in _____ flooding.

Is _____ show _____ it _____ up after _____ in water?

_____ possible _____ it was _____ for structural integrity _____ a flood or _____?

_____ any structural _____?

_____ it _____ for _____ after _____ to water?

How _____ checking its strength _____?

Is it _____ it had _____ structural integrity _____ experiencing _____ or _____ immersed in _____?

_____ it have been _____ after _____ or immersed in water?

_____ checked for _____ after water _____?

_____ possible it _____ tested _____ structural _____ the previous flooding?

Is _____ testing _____ for flood-related _____?

_____ be _____ to see if _____ still solid after _____?

Has it _____ for structural integrity _____ to _____?

_____ the previous _____ for _____ issues?

_____ was _____ structural integrity after _____ flooded _____ submerged in _____.

Did _____ follow _____ flooding _____ to ensure _____ strength?

Has it been _____ incidents?

Is it possible it _____ integrity _____ been water related _____?

_____ it possible _____ tested for _____ integrity _____ or water _____ incidents?

_____ integrity _____ after some flood _____?

Does _____ need _____ be tested _____ structural _____ have been _____?

_____ it _____ integrity for _____ floods?

Is _____ for _____ integrity since there _____ floods?

_____ previous _____ reviewed for _____ issues?

Did inspections _____ to _____ for structural _____?

_____ might _____ been tested _____ after flooding or other _____ incidents.

_____ tests for how _____ after being submerged _____ water?

_____ would like to _____ vehicle has been _____ for structural _____ after _____.

_____ you _____ it _____ not fall apart due _____ previous _____?

Were flooding issues _____ see _____ on the _____?

_____ it tested for _____ since _____?

Can the tests show _____ submerged in water?

Flood _____ tested structural _____.

_____ it _____ checked _____ damage _____ being _____ water?

Is _____ that after being submerged in _____ had been _____ structure _____?

Is it possible it _____ structural integrity _____ being in _____?

_____ it _____ had been tested for _____ after flood or _____?

_____ it possible _____ structural integrity after _____ flooding or immerse _____ water?

_____ possible _____ it had been _____ for structural integrity after _____?

_____ it _____ from the past?

_____ car _____ been _____ for its structural _____ or exposed to water?

_____ it _____ it _____ been tested _____ structural integrity after _____?

Does _____ have _____ evaluated _____ see if _____ structural _____ has been _____ flooding _____ water?

_____ there tests to see _____ up after _____?

The structure's _____ flooding events.

_____ it _____ was _____ to water?

Is it possible _____ for structural integrity _____ flood or _____ water?

_____ it possible _____ was _____ structural integrity _____ previous flooding?

Did anyone _____ out _____ for flood-related _____?

_____ it _____ to check _____ strength after floods _____ immerse?

_____ previous _____ have to be looked _____ structural _____?

Does the _____ have _____ evaluated for structural _____ flooded _____ water?

It is possible _____ tested for _____ integrity after _____ flooded or _____.

It is possible _____ was tested _____ previous incidence _____ flooding _____ water intoxication.

It's possible that it was tested for _____ or being _____.

_____ there any structural _____?

Is it possible _____ followed _____ make sure structural _____?

_____ curious if this _____ has _____ tested _____ structural _____ previous incidents of _____.

_____ it possible that _____ been tested for _____ integrity after _____ had _____ or _____ in _____?

Does _____ car have been _____ its _____ strength after _____ flooding?

_____ it possible _____ was _____ integrity after _____ previous flood or _____ intoxication?

Is it possible that _____ tested _____ the previous floods?

Is it a _____ that _____ had _____ water and _____ for structure _____?

Did you _____ it _____ to previous flooding?

Were _____ events _____ of the _____?

Does anyone know of _____ tests _____ the _____?

_____ floods or _____ water _____ have taken _____ is it _____ that _____ had _____ for _____ integrity?

_____ or _____ in water, _____ it tested for structural _____?

_____ about _____ the strength after _____?

_____ you _____ me if the _____ has _____ for structural _____ after previous _____ or _____?

_____ been _____ structural integrity _____ had been flooded or _____ in water.

_____ affected its structure?

_____ it possible _____ had _____ structural integrity _____ flooding or _____ submerged in water?

_____ make _____ that _____ fall apart _____ to past flooding?

Is _____ tested for _____ integrity _____ to _____ previous _____?

Is _____ possible that it _____ tested _____ being drenched in _____?

_____ follow _____ to make sure structural _____.

Is it ____ it ____ integrity because of flooding?
 ____ that it was ____ for ____ integrity after being ____ in ____?
 ____ possible that ____ for structural integrity because ____ flooding?
 The structural integrity ____ incidents.
 Since ____ and other ____ taken place, is it possible that ____ was ____ integrity?
 Did you make ____ it ____ fall ____ of ____ floods?
 It could ____ been ____ after the ____ flooding.
 There have ____ examined ____ previous ____.
 ____ tests ____ water issues?
 Does ____ been affected ____ flooding?
 Is ____ possible that ____ tested for structural integrity ____ floods ____ water?
 ____ it possible that ____ for structural integrity ____ of ____ related ____?
 Is it ____ that it ____ for structural ____ being ____ water.
 ____ tests ____ took place ____ the ____ issues?
 ____ car ____ an ____ assess its structural ____ following ____ flooding or water?
 Is ____ it had been ____ structural ____ since ____ been flooded?
 Is it plausible that ____ been tested for structure ____ in ____?
 ____ check ____ durable ____ the water ____?
 Is ____ for ____ there have been floods ____ the ____?
 Is ____ possible ____ it had ____ integrity after being ____ the ____?
 ____ it had ____ for ____ integrity after ____ previous incidents ____ flooding?
 Is there ____ for ____ holds up after ____ in ____?
 Is ____ tested for structural integrity since ____ has ____ flooded?
 ____ floods and submersion ____ has ____ this ____ for structural ____?
 ____ there ____ test that shows how ____ after being ____ in ____?
 ____ it ____ it has ____ tested ____ structural ____ there have ____ water related ____?
 Is ____ that ____ had ____ tested for structural ____ after ____?
 Is there any ____ done ____ strength after ____?
 ____ structural tests ____ water ____?
 Were ____ evaluated ____ see if the ____ strong?
 There are ____ tests after ____?
 ____ previous soaking ____ for structural ____?
 ____ flood ____ were ____ integrity ____?
 Is it possible ____ inspections ____ ensure ____ strength?
 ____ tested after previous ____ incidents?
 Is ____ for ____ since ____ have been ____ before?
 Can it ____ for structural integrity after being ____?
 It ____ that ____ was tested for structural ____ was ____.
 ____ it ____ for structural ____ since there ____ been floods ____ submergence ____?
 Is it ____ integrity since ____ have ____ floods ____ submergence?
 ____ make sure ____ didn't fall ____ because ____ floods?
 Did you ____ fall apart ____ previous flooding?
 ____ structural ____ was tested?
 ____ been determined ____ survived ____ flooding or water ____?
 It ____ be ____ that ____ tested for structural integrity after ____.
 It's ____ that it's been ____ structural ____ incidence of flooding.
 ____ the car have ____ for ____ a case of flooding ____ water ____?
 ____ it ____ that it had ____ tested for structural integrity after ____?
 ____ structural ____ after some ____?
 Does it ____ integrity ____ previous incidents of flooding ____ getting ____?

Is it ____ for structural ____ has ____ previous ____?

I ____ anyone tested the structure for flood-related ____.

Is ____ possible ____ had ____ tested for structural integrity ____ water intoxication?

____ for strength ____ water ____?

Is it possible that ____ structural ____ after the flooding ____ other ____ incidents?

Did ____ follow floods to ____ strength?

Is ____ to ____ after floods or immerse?

Structural integrity was ____.

____ has ____ be tested ____ structural ____ have been ____ floods.

Were flooding events ____ of the ____?

____ tested ____ structural integrity ____ involving flooding and water?

I was wondering if ____ were ____ safety ____ flood.

____ been tested ____ structural integrity since there ____ been floods.

____ flooding ____ by ____ make ____ structural strength?

____ it possible ____ has been ____ for ____ integrity ____ has ____ flooding?

____ it possible that ____ for structural integrity after ____ incidents?

____ integrity ____ have been tested after ____.

____ there any ____ post ____ issues?

____ for ____ since previous floods have happened?

Is it possible that ____ a result of flooding ____ other water ____ incidents?

____ integrity tested ____ flooding?

____ inspections ____ to make the ____ strong?

____ possible ____ it had been ____ for ____ previous ____ or water intoxication?

Did ____ flood ____ structure?

____ that ____ will ____ fall apart due to ____ flooding?

____ the tests determine if ____ solid ____ wet?

Did ____ durability ____ the water?

It is possible ____ has ____ tested ____ integrity ____ being flooded ____.

Inspection ____ to ensure ____ strength?

____ was checked after ____.

____ there checks made if ____ prior ____?

____ tell me ____ this vehicle has been tested ____ damage ____?

Could ____ have ____ tested for structural ____ previous flooding ____?

____ possible ____ has been ____ for structural integrity since ____?

Has ____ for structural integrity ____ to ____ floods ____ in water?

Did ____ check for ____?

Was it ____ out after ____ was ____?

____ events looked at the ____?

Is ____ been ____ for structural integrity ____ flooding or ____ the water?

Can you tell me ____ structure ____ situations?

____ for flooding/ ____ effects?

____ of structural soundness amid ____?

Is there ____ you can ____ to ____ strength ____ immersion?

Is it ____ that it had undergone ____ for ____ being ____ water?

____ it was tested ____ integrity ____ flooding ____ water related incidents.

Is ____ possible ____ had ____ structural ____ after water related incidents?

____ tested for ____ flooding?

____ there been strength tests ____?

Does ____ have ____ for ____ previous incidents involving water?

____ it ____ the integrity was intact after ____ a submersion?

Did you check _____ after _____?

_____ is possible _____ was _____ structural integrity after _____.

Is it possible it _____ for _____ after being _____ in _____?

_____ regarding _____ strength _____ the structure?

Check it's _____ or _____.

Can I be _____ that the _____ of _____ car _____ been _____ flood _____ submersion?

_____ the car have been evaluated _____ its _____ a _____ flooding or _____ to _____?

_____ had been tested for structure integrity _____ wet?

_____ flooding _____ assessed for _____ impact _____ the _____?

_____ anyone _____ for _____ after floods or submersion?

Any structural _____ were _____ water _____?

It _____ been _____ structural integrity after _____ or water.

_____ check for resilience _____ incidents?

Is _____ it had been _____ integrity _____ being _____ or in _____ water?

_____ tested for _____ integrity _____ previous _____ or submergence?

How _____ after _____ water issues?

_____ it tested _____ structural integrity, since there _____?

_____ that _____ had been tested for structural _____ there _____ been _____ and _____ related incidents?

Is it possible that _____ integrity _____ the flooding?

Is there _____ test to see _____ holds _____ being _____ water?

_____ tests tell you _____ holds _____ being submerged _____ water?

It _____ that _____ for _____ integrity _____ flooding or _____ submerged in water.

Is it _____ that _____ may have been _____ for _____ being _____?

_____ it checked out _____ damage after _____ in _____?

_____ it _____ tested _____ integrity after _____ immersion in water?

Was it _____ after being exposed _____?

_____ it _____ tested _____ structural _____ after previous _____ flooding or water?

_____ issues, any structural _____?

_____ if _____ for their impact on _____ structure.

What structural tests were _____?

Is the _____ for _____?

_____ for _____ and water _____.

_____ tests _____ to _____ if _____ still solid _____ getting wet?

_____ it _____ tested for the _____ incidents of flooding?

_____ a _____ for post-water _____?

_____ you _____ certain it _____ because of previous _____?

Is that _____ there have _____ previous floods?

_____ it _____ tested for structural _____ after _____ of _____ exposure _____ water?

Is it _____ structural _____ because there have _____ previous _____?

It is _____ good _____ check its _____ floods or _____.

_____ possible that _____ tested for _____ being _____ the water?

_____ case _____ previous water _____ checks _____?

_____ make sure it _____ because of _____ flooding?

_____ for resilience after _____ incidents?

_____ structural integrity _____ after _____?

_____ structural _____ after _____ issue?

Is _____ tested for _____ integrity _____ been flooded?

_____ an _____ confirm its survival through _____ exposure?

Is it possible _____ it has _____ integrity _____ previous incidence of _____?

It's _____ it was tested _____ after being flooded _____ in _____.

Was _____ testing _____ a flood?

The _____ was tested _____ incidents.

Is _____ possible _____ resilience after _____ water?

_____ possible to check its _____ after _____ or a _____?

_____ it possible _____ had _____ tested _____ structural integrity since _____ related _____?

_____ been testing _____ its _____ after _____ floods?

_____ anyone _____ this _____ structural _____ since there have _____ floods _____ incidents?

Is it _____ that _____ been _____ for _____ flooding _____ taken place?

_____ there _____ done _____ the floods?

_____ be sure that _____ structural integrity of this _____ been _____ the _____ or _____?

Do _____ to _____ structural strength?

It's _____ to _____ its _____ after _____ or _____.

Is it _____ that _____ was _____ structural integrity _____ being _____ in water?

_____ there _____ check _____ after the _____?

_____ that it _____ been _____ structural integrity after _____ in the water.

_____ soakings been analyzed for _____?

Is it possible _____ it _____ structural integrity _____ flooding or _____?

Is _____ possible that it _____ been _____ integrity _____ being affected _____?

Is _____ possible that _____ structure _____ being submerged _____ water?

Did the _____ episodes _____ make _____ structural strength?

Did you _____ apart because of previous flooding?

It may _____ that it _____ submerged _____ the _____ before being _____ structure _____.

_____ possible that _____ had been tested _____ structural integrity _____ a _____?

Has anyone _____ vehicle for _____ since _____?

_____ it need _____ be tested _____ integrity _____ have been previous _____?

Is it possible _____ had _____ tested for structural _____ flooding _____?

_____ it _____ if it's still _____ getting _____?

Is it _____ it was _____ integrity after the flooding _____ incidents?

Since floods or _____ anyone _____ car _____ structural _____?

Would it _____ tested _____ integrity _____ been previous floods?

Structural _____ was tested _____ incidents.

Can _____ structural integrity of this _____ been checked after flooding _____?

_____ it had _____ tested for _____ integrity _____ previous _____ or _____ the water?

In _____ case _____ prior water _____ checks made?

_____ its _____ by previous flood _____?

It _____ that _____ been tested for structural integrity _____.

Is _____ possible that _____ been tested for _____ after _____ flooding?

_____ we check _____ after _____ water?

_____ that _____ tested for structural _____ after previous flooding?

_____ flooding _____ lead _____ structural _____ checks?

Has the _____ by _____ flooding?

_____ have been _____ for structural integrity after _____ immersed in _____?

Structural integrity _____ after _____?

_____ know if this vehicle has _____ tested for _____ after _____ flooding _____?

It could be _____ had been _____ for _____ being _____ in water.

_____ have _____ for _____ after previous incidents of flooding _____ water?

Testing structural _____?

Is it _____ that the _____ been tested for _____ integrity _____ previous _____?

_____ it _____ that _____ tested for structure integrity _____ submerged _____ water?

_____ possible _____ tested for _____ integrity _____ the _____ of flooding or water intoxication?

I wonder if _____ events _____ the structure's _____.
 _____ it possible _____ structural integrity _____ flooding or being immersed _____ water?
 Is it possible _____ it was _____ a _____ incident?
 _____ is possible that _____ been _____ structural _____ a _____ incidence of flooding.
 _____ was tested for structural integrity after _____ water related _____?
 _____ assessed _____ impact in _____ structure?
 _____ there _____ structural tests?
 Has it _____ durability _____ incidents?
 _____ you make sure it _____ not _____ apart due _____?
 _____ would like _____ know _____ the _____ been _____ for structural integrity after _____.
 _____ floods, _____ integrity tested?
 Is _____ after _____ submerged in the _____ had been _____ for _____?
 Did _____ it wouldn't _____ to previous flooding?
 _____ it tested for _____?
 _____ structural _____ after floods?
 _____ is _____ that it had been _____ in the _____ for _____ integrity.
 _____ you tell me _____ this _____ has _____ for structural _____ or water _____?
 Is _____ possible _____ tested _____ structural integrity _____ flooding or insturption?
 _____ confirmed that it survived _____ flood _____ exposure?
 There have _____ or submergence _____ is _____ tested for _____ integrity?
 Is it _____ it _____ after flooding or in _____ water?
 Is it _____ tested for _____ integrity after being _____?
 How _____ checking _____ strength _____?
 _____ it _____ that it _____ tested for structural _____ after _____ submerged _____ water.
 Maybe it had been _____ integrity _____ incidence _____ flooding _____ being submerged in _____.
 _____ possible that it _____ structural integrity after the _____ or _____ in water.
 It's _____ it _____ tested _____ structural _____ previous incidence of flooding.
 Post-water, _____ tests?
 Is it confirmed that _____ or _____ exposure _____?
 _____ tests to determine how it _____ up _____ being _____ water?
 Does _____ been tested _____ since previous _____ flooding or water?
 Do _____ have any _____ tests _____?
 _____ floods _____ have anyone tested _____ car _____ integrity?
 Did you _____ any _____ tests _____ the _____?
 Has _____ for _____ integrity _____ previous _____ involving flooding and _____?
 It _____ that it had _____ tested for _____ after _____ incident of _____.
 Is _____ that _____ had been _____ for _____ integrity _____ flooding and _____?
 _____ possible _____ it had _____ tested _____ structural integrity since _____ and other _____?
 Is _____ possible _____ the _____ floods or immersion?
 Has _____ been _____ integrity after previous _____ of _____?
 Did you _____ durability?
 _____ it _____ it had _____ structural _____ because of _____ and other _____ related incidents?
 Can you tell _____ if the vehicle has been _____?
 Is _____ possible _____ determine _____ the integrity was _____ submersion in _____.
 Any _____ the water issues?
 Were _____ assessed _____ impact on the _____?
 _____ the _____ strength _____ after _____?
 Does _____ structure _____ been _____ previous flood _____?
 It _____ possible that it had been tested _____ structural _____.
 Does _____ any _____ after _____ issues?

_____ it been confirmed that _____ survived _____ or _____?

Is it possible _____ it _____ been tested _____ floods _____ other _____ incidents?

Is _____ that it has _____ tested for structural _____ because _____ the flooding or _____?

_____ if structural integrity _____ after _____ flood incidents.

_____ that it _____ tested for _____ after the previous _____.

_____ a good _____ to check _____ strength _____ a flood.

Is it _____ that _____ has been _____ structural _____ since _____ flooded?

Is _____ tested for structural _____ because _____ floods?

Is _____ possible _____ had _____ tested for _____ integrity _____ being _____ or _____?

It _____ for structural integrity because _____ floods.

_____ checked _____ prior water cases

Is structural _____ flooding and _____?

_____ you make sure that it wouldn't _____ floods?

Is _____ feasible _____ check _____ strength _____ or immerse?

Is _____ it had been _____ for structural _____ having _____?

Is _____ integrity tested _____?

_____ it tested for structural integrity _____ or _____ in _____?

_____ it _____ been tested for _____ after experiencing flooding?

Is _____ possible that _____ was tested _____ integrity _____ have _____ or water _____ incidents?

Is it possible that it _____ integrity _____ flooding _____ water _____ incidents have taken _____?

Was the _____ strength evaluated _____?

Is it _____ had _____ tested _____ integrity after being _____ in _____ before?

_____ inspection work done _____?

_____ it possible _____ it has been tested _____ structure _____ submerged _____ water _____?

Was _____ flood events?

_____ tested the _____ for _____ damage?

Is it possible _____ it _____ been _____ because of _____ flooding _____ water related _____?

Does _____ show how _____ holds _____ submerged in _____?

_____ it _____ for structural integrity after the previous flooding?

Is _____ to _____ strength after a _____ or _____?

_____ structure integrity _____ it was submerged in _____?

_____ possible that it _____ tested _____ structural integrity _____ it _____ submerged _____ water.

Is _____ to see _____ it holds _____ after _____ in water?

_____ there tests _____ how _____ up after _____ submerged?

_____ it possible that it _____ tested for _____ the flooding _____ incidents?

_____ it possible that _____ tested for _____ integrity _____ other water _____?

Does the _____ have _____ after _____ case of flooding or _____?

Did you have any _____ issues?

Will it be _____ for _____ involving _____ or water?

_____ structural resilience _____ cases.

_____ it _____ for structural integrity if _____ floods?

_____ for flooding?

Is it possible _____ it _____ for _____ integrity _____ flooding?

After _____ integrity _____ tested?

It _____ be possible _____ it had _____ structural _____ after _____ submerged in _____.

Did _____ for _____ post _____ incidents?

Is it _____ was tested for structure _____ being _____ water _____?

Were _____ checked for damage _____ being _____?

Did _____ that it would not fall _____ due to _____?

_____ been tested _____ structure _____ after _____ the water before?

Testing conducted _____?

_____ was tested for structural _____ after _____ flooded or _____.

Has it been _____ for _____ integrity because there _____?

_____ been tested _____ structural _____ after being flooded or _____ water.

_____ is possible _____ it _____ been tested for _____ previous _____.

_____ was tested after _____.

_____ the _____ integrity impacted _____ or water _____?

_____ the car _____ evaluated _____ if it's _____ integrity has _____ flooding or _____?

_____ previous soaking _____ structural issues?

Is _____ for _____ integrity since _____ have been _____ floods?

_____ any _____ affected the structure?

_____ after exposure _____ water?

_____ it had _____ for structural integrity _____ the previous flooding.

_____ that _____ had been tested _____ integrity _____ flooding _____ being submerged?

Is _____ for _____ integrity since there have been _____?

Is _____ done on its _____ after _____ flooding?

_____ structural integrity if there _____ been previous _____.

_____ after the water _____?

It's _____ that _____ had _____ tested for _____ after being immersed _____.

Is _____ any testing _____ for the _____ flood?

Do you _____ if the _____ is _____ after _____?

Did you _____ for _____?

Is _____ tested after _____?

_____ it possible _____ it was _____ after _____ previous _____ flooding and water?

_____ you have _____ structural tests _____?

_____ it _____ been tested _____ previous incidents _____ involved flooding?

_____ flooding episodes _____ to _____ inspections?

_____ toughness _____ prior water _____ checked.

Was _____ structure's _____ to flooding events?

_____ it possible that _____ had _____ tested for structural _____ after _____ been _____?

_____ you know _____ been _____ for structural integrity _____ previous _____ water intoxication?

Is _____ possible _____ it _____ been tested _____ integrity since _____?

_____ it have _____ for structural integrity after previous _____ and _____?

Were the _____ after the _____?

_____ it checked out for damage _____?

Did the _____ tested _____?

_____ possible that _____ tested for _____ integrity _____ the _____ of flooding.

_____ it possible that _____ tested _____ the previous flooding or _____?

Does _____ car have been evaluated _____ flood _____ exposure to _____?

Do _____ know _____ checked _____ damage after being exposed _____?

_____ it _____ it tested _____ integrity after _____ in water?

Is _____ possible that _____ had _____ for _____ since floods _____ other _____ related _____?

_____ possible to _____ durability _____ incidents?

_____ possible that _____ has _____ tested _____ integrity after _____ flooding or _____ intoxication?

Did _____ checked for damage _____ exposed to _____?

Is _____ test on _____ it _____ submerged in water?

Does _____ have to _____ structural _____ since it _____ been _____ before?

Is _____ possible _____ it's _____ tested _____ integrity after _____ flooding?

_____ possible that _____ structure was _____ for integrity _____ submerged?

Is there _____ structural _____ that _____ to be _____ water _____?

_____ been strength _____ done after _____ ?
 Have _____ been _____ structure's strength?
 Had anyone _____ structure for _____ ?
 Any _____ tests _____ water issues _____ ?
 _____ possible that it _____ structural integrity after _____ occurrence of flooding _____ submerged _____ water.
 It is _____ it _____ been tested _____ structural integrity _____ incidents _____ .
 _____ it _____ the structure integrity was _____ being submerged _____ ?
 _____ you _____ certain _____ it _____ fall _____ because of _____ flooding?
 Structural testing _____ ?
 _____ possible that it was tested for _____ integrity _____ incidence _____ .
 Does _____ experience testing this car _____ since floods _____ incidents?
 _____ it possible _____ was tested for _____ it _____ been _____ ?
 Is it _____ that _____ had been _____ for _____ a _____ incidence of flooding _____ water _____ ?
 _____ want to check _____ strength _____ or immersion?
 Have _____ flood incidents _____ ?
 Is _____ been _____ structural integrity _____ flooding or water intoxication?
 _____ it _____ after _____ exposed _____ water?
 _____ it been _____ that it survived _____ exposure situations?
 _____ the _____ have been _____ see if _____ has been _____ by _____ or _____ in water?
 Was it looked at _____ damage after _____ ?
 It _____ have been _____ for _____ the floods.
 _____ testing _____ safety after floods?
 Was _____ examined for water _____ ?
 Has the previous _____ structural issues?
 _____ been evaluated for _____ strength following _____ case _____ flooding or _____ exposure?
 _____ followed flooding _____ make sure _____ strength?
 _____ strength was evaluated _____ to flooding _____ .
 _____ possible that _____ tested for _____ flooding or being immersed _____ .
 Is it _____ had been tested _____ structural _____ since the _____ ?
 Did you _____ if it held _____ got _____ ?
 Is _____ evaluated _____ its _____ strength _____ case of water _____ or _____ ?
 In case _____ water incidents _____ checks _____ ?
 Was _____ checked _____ exposed to _____ ?
 It's _____ it's been tested _____ structural _____ after _____ flooded _____ submerged _____ .
 _____ tested _____ water effects?
 _____ was tested for structural _____ previous _____ or _____ submerged in water.
 _____ been tested for _____ after _____ incidents _____ flooding _____ water?
 _____ structure's strength evaluated _____ flooding _____ ?
 Is _____ for structural integrity since _____ previous _____ ?
 Has _____ been _____ for _____ issues?
 _____ flooding assessed _____ the structure?
 _____ make _____ it _____ fall _____ a result of _____ flooding?
 _____ it tested for structural integrity _____ flooding?
 Is it _____ that it _____ for _____ integrity after _____ ?
 Are _____ done _____ flooding?
 _____ it _____ tested for structural _____ after _____ in water?
 It _____ have _____ for structural _____ after being submerged _____ .
 _____ check _____ the _____ after _____ water?
 _____ you _____ for resilience _____ ?
 _____ structure _____ have _____ tested for _____ .

Did there _____ tests done to _____ sure _____ was _____ solid _____ ?

Did _____ get checked for _____ to _____ ?

Have there been _____ previous water incidents?

_____ possible _____ check _____ strength after floods or immerse.

_____ been _____ to _____ its _____ floods or immersion?

Has _____ tested for structural _____ after _____ floods?

Was it _____ for _____ after _____ ?

Can it be _____ it _____ tested for _____ integrity after _____ ?

_____ structural tests _____ issues?

_____ it _____ been tested for _____ integrity after exposure _____ water?

Did there _____ done _____ strength _____ the flood?

Is _____ possible that it _____ for _____ the previous experience _____ flooding?

_____ the structure's _____ by flooding _____ ?

_____ anyone testing this _____ for structural _____ submersions?

It _____ that it was _____ structural integrity _____ flooding _____ water intoxication.

_____ flood/water effects?

Does the _____ been tested _____ its _____ strength _____ or _____ exposure?

Can _____ tell _____ vehicle has _____ tested _____ structural _____ previous _____ of flooding or water?

There might _____ tests after _____ .

Is it _____ that _____ had _____ for structural _____ or being in _____ ?

Did they check _____ after _____ ?

_____ integrity tested _____ a _____ ?

Is _____ that _____ had been submerged _____ in _____ and tested _____ structure _____ ?

I don't know _____ structural _____ after flood _____ .

_____ would be good _____ its strength _____ immersion.

Did inspections _____ to _____ sure _____ ?

_____ for floods?

_____ you tell me _____ has _____ for structural _____ following previous incidents _____ ?

_____ have been examined for _____ .

_____ tests _____ after the floods?

Is it _____ tested for structural _____ flooding _____ other water related incidents?

_____ the _____ soaking _____ inspected for _____ ?

It's _____ it _____ integrity after being submerged _____ the _____ .

Is _____ it had been tested _____ integrity _____ of _____ or other _____ ?

_____ car _____ not _____ tested for _____ integrity _____ submersion incidents.

Is _____ it _____ been _____ for _____ integrity _____ flooding _____ being _____ in water?

_____ it _____ was _____ for _____ integrity after being _____ in flood _____ ?

Since flooding _____ other _____ related incidents _____ it possible _____ had been tested _____ structural _____ ?

Has _____ car for _____ integrity _____ floods or _____ incidents?

Is it possible _____ tested _____ structure _____ submerged in water?

_____ you know if the vehicle _____ been tested _____ integrity after _____ ?

_____ there _____ for durability _____ incidents?

Was _____ looked for damage after _____ water?

Is it _____ that _____ had tested for _____ submerged _____ water?

Has anyone _____ car for structural _____ and _____ incidents?

_____ and submersion _____ have _____ tested this _____ for structural _____ ?

Is it possible to _____ water _____ ?

_____ ensure that it _____ apart because of previous _____ ?

Is it _____ because _____ previous _____ or submergence?

_____ been _____ structural _____ after previous _____ involving _____ or _____ in water?

Was _____ tested _____ floods?

_____ possible that it _____ tested for structure integrity after _____ was _____?

Is it tested _____ there are previous _____?

Any structural _____ issues?

_____ the _____ been _____ to see if _____ has _____ by _____ or water?

_____ strength _____ water _____ was examined.

_____ it _____ structural integrity since there has been _____ floods?

_____ be done to _____ sure it _____ being wet?

Is _____ soundness _____ flooding?

Maybe _____ had _____ for _____ after the previous _____ flooding _____ being _____ in water.

Did you ensure _____ structure wouldn't fall _____ previous _____?

_____ follow flooding episodes to _____ structural _____?

Since _____ has anyone tested _____ structural integrity?

_____ you checked _____ water incidents?

Is _____ after being submerged _____ the water?

_____ could be _____ for structural integrity _____ there have _____.

_____ get _____ integrity since there have been _____ floods?

Is it _____ that _____ tested _____ integrity after _____ or _____ water related _____?

Has _____ tested _____ for _____ integrity since floods _____?

_____ was checked against _____ water _____.

_____ could _____ have _____ tested for _____ being submerged in the _____.

Were _____ for their _____ on _____?

_____ I _____ reassured that the structural integrity _____ this _____ has _____ flooding _____?

Has it been _____ structural _____ of previous _____ submergence in _____?

Is _____ the car for structural _____ floods _____?

Is _____ had been tested for _____ integrity _____ to water _____?

Has _____ any _____ issues examined?

_____ is _____ for _____ if _____ previous floods or submergence _____ water.

_____ structural integrity _____ tested _____ the _____?

I wonder _____ for damage _____ was _____ to water.

_____ for resilience after the _____?

Is _____ a _____ that _____ for structural integrity _____ being flooded?

Has it _____ integrity _____ previous _____ flooding or exposure _____ water?

Does the _____ have _____ evaluated for its _____ after flood _____?

It _____ that it _____ for structural _____ after _____ flooded.

It's _____ that _____ was _____ for structural _____ it _____ flooded.

_____ it was _____ for structural integrity _____ a _____ of flooding?

Did _____ inspections follow flood _____ ensure _____?

_____ you _____ the vehicle _____ tested _____ structural integrity _____ previous _____ or water intoxication?

_____ the car have been _____ to assess its _____ following _____ flooding _____?

Is it possible that it _____ structure _____?

Since _____ submersion _____ have _____ tested _____ vehicle for structural _____?

_____ its structure _____ previous floods?

_____ tested _____ structural _____ there have been floods _____?

Is there any tests done _____ floods?

_____ is _____ that it _____ tested _____ structural integrity _____ flooded _____ submerged.

Have anyone tested this _____ structural _____ or submersion _____?

_____ problems assessed _____ determine _____ impact _____ the structure?

It _____ possible that it _____ tested _____ structural _____ after _____ of _____ being immersed _____ water.

Is _____ structure's _____ flooding events?

Is _____ that _____ tested for structural _____ following a _____ incident?

Is it possible that _____ was _____ for _____ after the _____ or _____?

_____ you _____ sure it _____ fall _____ due _____ floods?

_____ it _____ that _____ was _____ structural _____ flooding or being immersed in _____?

Is _____ possible that _____ had been _____ flooding _____ being submerged in _____.

_____ there _____ tests _____ the _____ issues?

It _____ possible that _____ for structural _____ since flooding _____ other _____ incidents.

Does _____ structural integrity after _____ flooding or _____ damage?

_____ integrity after _____?

Someone asked _____ anyone had _____ the _____ for _____.

_____ structural _____ after floods?

Is _____ for _____ integrity _____ there have been _____?

_____ that it was _____ for structural integrity _____ of _____ water related _____?

Has _____ this _____ structural integrity since floods _____ submersion _____?

_____ previous _____ checked for structural _____?

Was _____ after being _____ water.

_____ it have been _____ integrity after previous _____ flooding or _____?

Is the _____ checked _____ if _____ structural integrity is _____ incidents of _____ or _____?

Does _____ any structural tests _____?

_____ for _____ the water?

Checked _____ resilience after _____?

_____ it _____ it _____ tested for _____ being _____ in the _____ before?

Were the flooding _____ structure's _____?

_____ been tested _____ structural _____ previous experiences with flooding?

The structure's _____ for flooding _____.

Structural _____ been _____ after _____.

Since floods _____ submersION incidents, have anyone _____ structural _____?

Is it _____ that _____ structural _____ since there _____ flooding and other water related _____?

Is it _____ tested _____ structural integrity after _____ flooding?

_____ this vehicle _____ tested for structural damage caused _____?

_____ you ever _____ after the _____?

_____ the car _____ been evaluated for _____ exposure _____ flooding?

It _____ possible that it _____ structure integrity _____ being _____ water.

_____ to _____ it checked for _____?

_____ car been _____ to _____ it's _____ has _____ by flooding or water?

Has _____ been evaluated for _____?

_____ confirmed that it _____ exposure or flooding?

Is _____ possible _____ it _____ been _____ integrity _____ flooding _____ other _____ related incidents have happened?

Was it _____ for _____ after _____ exposed _____ water?

_____ possible that _____ had _____ structural integrity since the _____?

Did the inspections _____ ensure _____?

_____ it _____ for damage _____ being in _____?

_____ to _____ integrity _____ there have been previous floods.

_____ structure _____ tested _____ incidents.

_____ possible _____ had _____ tested _____ structural integrity after _____ flooding _____ being _____.

Maybe it had _____ tested _____ flooding _____ the water?

It's possible _____ had been tested _____ structural _____ submerged _____ water.

_____ that it _____ for _____ the previous incidents of flooding?

_____ the previous soaking _____ been looked _____ for _____?

Structural _____ flooding/ water _____

Did the _____ to _____ strength?

_____ it _____ that _____ was _____ for structural integrity after _____ of _____?

_____ it been tested _____ because there _____ been _____?

Is it _____ had _____ tested for _____ the _____ of flooding?

_____ it possible _____ it _____ for structural _____ after _____ previous floods?

_____ have been _____ structural integrity _____ flooding or being _____ in _____?

Is _____ test to _____ how it _____ after being _____?

_____ evaluated for flooding _____.

Is _____ possible _____ it _____ tested for _____ integrity _____ in water?

_____ be _____ for _____ integrity since _____ have been previous _____?

_____ have any _____ done after water _____?

_____ that it had _____ for structural integrity after _____ by flooding?

_____ structural _____ after _____ incidents?

_____ be _____ structural tests after _____ water _____?

_____ the _____ strength _____ when there _____?

_____ it possible that _____ had been tested _____ some _____ water intoxication?

Is _____ possible that _____ had _____ submerged _____ tested for _____ integrity.

Is _____ was _____ for structural _____ after _____ previous flooding event?

_____ structure's strength was evaluated _____.

Has _____ soaking _____ looked at _____ problems?

Is it possible that it _____ tested _____ integrity _____ the _____ being _____?

_____ be evaluated _____ the _____ strength?

It _____ possible that it had _____ tested _____ integrity after the _____.

_____ was _____ against previous _____ cases.

Is prior _____ for _____?

_____ it possible _____ it _____ the _____ and tested for _____ integrity?

Has previous _____ structural _____?

Is it _____ for structural _____ since _____ previously _____?

Is _____ possible _____ it _____ structural _____ after having been submerged?

_____ structure's _____ may have _____ evaluated _____ events.

_____ might be _____ for _____ integrity since _____ have _____ floods.

Do _____ soakings _____ been _____ structural _____?

_____ soaking _____ examined _____ structural issues?

Has _____ been _____ structural integrity _____ have been previous _____ or _____ in _____?

Is _____ plausible _____ it had _____ structural integrity after the _____?

_____ for flooding _____ water effects?

Were _____ flooding issues assessed for _____ structure?

Could _____ that it had _____ submerged _____ being tested for _____ integrity?

_____ show that _____ survived through flooding _____ exposure?

Is _____ possible that it _____ for _____ in the water?

_____ it have to be tested _____ integrity _____ it _____ floods?

Is _____ possible _____ it _____ structural integrity in _____ event _____ flooding?

Is _____ structure tested _____ or _____?

Has _____ the car for structural _____ floods _____ incidents?

Is it _____ that it had been tested _____ after _____ flooded _____?

Has _____ tested for _____ integrity _____ previous incidents _____ in water?

Has _____ soaking investigated _____?

Has _____ tested for _____ integrity after previous _____?

There are _____ water issues?

_____ for flooding and _____ effects?

_____ for resilience after _____.

Is _____ it _____ structural integrity after being flooded _____ submerged.

_____ possible _____ it had _____ for structural _____ submerged in water.

_____ it was tested for structure _____ in water before.

_____ this _____ have been tested for _____ integrity after _____ damage?

Is _____ post water _____?

_____ possible that _____ had been tested for _____ flooding or _____ in _____?

Structural integrity _____ after _____ flood _____.

_____ tested for _____ integrity since _____ been floods?

Were _____ structure's strength?

Was _____ integrity _____ after _____?

_____ someone _____ the _____ for flood-related _____?

_____ it was tested _____ structural integrity after _____ being submerged _____ water?

It's possible _____ it _____ been _____ for structural _____ the _____ incidence of _____ submerged _____ water.

Is _____ since _____ have been floods?

_____ strength was evaluated _____ regard _____ flooding _____.

It is _____ it had _____ for _____ after the _____ flooding.

_____ it _____ for structural integrity after _____ flooding _____ intoxication?

_____ if it _____ been tested _____ structure _____ after _____ in _____ water.

Is it possible that _____ had _____ submerged _____ the _____ and _____?

_____ the car _____ been _____ for _____ strength after _____ flooding or _____?

_____ possible _____ tested for _____ after _____ flooding or being immersed _____ water.

Has previous _____ issues _____?

Is _____ tested _____ structural _____ since _____ been floods?

_____ soundness _____ when flooding?

Is it possible _____ had _____ tested for _____ integrity _____ flooding _____ water _____?

_____ you let _____ know if _____ vehicle has been tested _____ structural _____?

The structure _____ after _____?

Was it checked _____ was _____ water?

_____ it possible that _____ integrity _____ tested after _____ the water?

_____ possible that _____ been tested _____ after being _____ or flooded?

_____ complications may have been _____ their _____ structure.

Did _____ have _____ be _____ for damage _____ exposed to _____?

_____ the _____ this car after it _____ flooded or submerged?

_____ issues _____ structural tests?

Can you _____ this _____ has been _____ for _____ after _____ floods?

_____ the car _____ evaluated _____ its _____ after incidents of _____ or water?

_____ you tell _____ this vehicle _____ tested _____ structural _____ flooding or water intrusion?

_____ that _____ structural integrity _____ after the previous incidence _____ flooding?

_____ that the _____ integrity of _____ car _____ been _____ after _____ or submersion?

_____ soakings been _____ structural issues?

Any structural _____ issues?

_____ after water _____?

_____ it possible that it had _____ for structural _____ following _____?

It is _____ that _____ for structural integrity _____ flooding.

Is _____ for their _____ on _____?

Was _____ strength evaluated _____ were flooding _____?

_____ it possible that it _____ for _____ after the _____ flooding or _____ in water? "

Since floods and _____ has anyone actually tested _____?

It's possible that it had _____ tested _____ water _____.

_____ its structure integrity was tested _____ submerged in the _____?

It may have _____ structural integrity _____ flooded _____ in water.

Was flooding _____ on the _____

_____ a _____ check _____ strength post floods _____ immersion?

_____ been tests on _____ the floods?

Were _____ regarding _____ structure's strength?

_____ flooding _____ evaluated _____ strength?

_____ it _____ it _____ been _____ integrity since the floods and _____ water related _____?

_____ possible that it has _____ tested for _____ it was _____?

_____ you _____ strength _____ floods or _____?

Did flooding _____ assessed for _____ impact on _____?

Any _____ after _____ water issues _____?

It _____ that it _____ for _____ after flooding or being _____ in _____.

_____ anyone tested _____ structure for _____?

Is _____ tested _____ flooding/water _____?

_____ the car _____ its _____ strength following _____ water exposure?

Since there are _____ floods _____ is it _____ for _____ integrity?

_____ you make _____ would not _____ because _____ previous flooding?

You guys _____ structure is solid _____ situations?

_____ it _____ been tested _____ structural _____ flooding or being submerged _____.

_____ it _____ water-related testing _____ strength?

Is it _____ it _____ tested for structural _____ there _____ flooding?

_____ want to know if _____ of _____ car _____ after flooding _____ submersion.

Since _____ and other _____ related incidents have _____ it _____ has _____ tested for _____ integrity?

Can I be _____ that the structural integrity _____ has _____ after _____ or submersion?

Does _____ for _____ integrity since there _____ been previous floods?

_____ you make _____ wouldn't _____ apart _____ to prior _____?

_____ it possible that _____ structure _____ been tested after being _____?

_____ you tell _____ if this _____ was _____ previous flooding _____ water immersion?

_____ the testing _____ how it _____ being submerged _____ water?

_____ it _____ there _____ been floods _____ submergence in the water?

Checked _____ after _____ water?

Post-water issues _____?

_____ ensure it _____ fall apart _____ previous flooding?

Is _____ possible _____ been tested _____ the previous flooding or _____?

It's possible that it was _____ integrity _____ the _____.

_____ have to be _____ for _____ because there have _____ previous _____?

_____ possible _____ had been _____ for _____ integrity _____ last flooding?

Is it _____ it _____ tested for _____ integrity _____ submerged _____ water.

_____ might _____ been _____ for structural _____ being _____ or immersed in _____.

_____ make sure _____ wont fall apart because of _____?

Does _____ to _____ structural strength?

Is the structure's _____ events?

Has _____ tests done on its _____ floods?

It could have _____ tested for _____ previous incidence of _____ being immersed _____.

_____ the inspections follow _____ sure _____ strength?

Have _____ tests done _____ its _____ after _____ flooding?

Did you _____ sure it _____ going _____ apart due to _____?

Is the _____ solid _____?

Is it _____ that it had been _____ structural _____ flooding?

Is _____ testing _____ flood?

_____ was _____ against the prior _____.

_____ may have been _____ for _____.

Is it _____ to check its _____ immersion?

_____ there _____ tests _____ its strength _____ the _____?

It is _____ it _____ been tested for structural _____.

Is _____ for structural _____ has had previous _____?

It may _____ tested for structure _____ after _____ in _____.

Is _____ that it had _____ after a flood or _____ the _____?

It's _____ tested for structural _____ after the previous _____ of flooding _____ being _____ water.

_____ is _____ for _____ integrity _____ have been previous _____.

Can you _____ me _____ vehicle has been tested _____ after previous incidents of _____?

_____ tests that _____ holds _____ after being submerged _____ water?

_____ there be tests done on _____ strength _____?

_____ it _____ tested for structural _____ if there _____ been previous _____?

Is the _____ a _____ incident?

Is _____ it _____ for structural integrity since _____ flooding _____ other water _____ incidents?

In case _____ water incidents _____ there _____?

Have previous _____ structural _____?

Did anyone _____ the _____ damage caused _____?

_____ structure _____ by previous _____ events?

_____ it _____ that it _____ structure _____ after _____ submerged _____ the water?

Is _____ any _____ after the water _____?

Is _____ ensured when _____ flooding _____?

_____ the _____ soaking _____ for _____ issues?

_____ possible _____ check _____ strength _____ floods?

_____ it was tested for _____ after _____ had flooded?

Is _____ possible that _____ been _____ for structural integrity _____ the previous _____ of flooding _____ being _____?

Is _____ done?

Is it possible that _____ had _____ tested for structural _____ floods _____ related incidents?

Any _____ following _____ water _____?

_____ it _____ that it has _____ structural _____ since there have been flooding _____ related _____?

Is _____ possible it _____ tested _____ integrity since floods or _____ related _____?

Since there have been flooding or other water _____ it _____ been _____ for _____?

Is _____ that it had been _____ for _____ there _____ related incidents?

_____ after _____ water issues?

Are _____ events _____ the _____ strength?

_____ possible that _____ been _____ for structural integrity after _____ incident _____.

It's _____ that _____ tested for structural _____ floods.

_____ is _____ that _____ has _____ tested _____ structural _____ flooding or other water _____ incidents.

Is _____ tested _____ due _____ floods or submergence?

Structural integrity _____ after floods.

_____ possible _____ it has been _____ structural _____ since _____ flooding _____ water _____ incidents?

The _____ have been assessed regarding _____.

_____ integrity _____ there has been _____ or submergence in water?

_____ that it _____ been _____ for _____ integrity after _____ flooding.

Structural _____ for _____

_____ it _____ had _____ for structural _____ after experiencing _____ or water intoxication?

_____ the structural _____ tested after previous incidents _____ water?

Was that _____ damage _____ being _____ water?

_____ being _____ to the water _____ it checked _____ ?
 It is _____ it _____ been tested _____ integrity _____ it _____ been _____.
 _____ analyzed for structural _____ ?
 _____ possible _____ it was tested for _____ being immersed in _____ ?
 _____ plausible _____ it had _____ for structural integrity _____ flooded?
 _____ tested for _____ of _____ and _____ ?
 Can it be _____ it _____ integrity after _____ previous flooding _____ intoxication?
 Is _____ their _____ on _____ structure?
 _____ that it _____ tested _____ structural _____ due to flooding?
 Have anyone tested _____ for _____ after _____ submersions?
 Did _____ make sure _____ apart because of _____ ?
 Does _____ for structural integrity since previous _____ or _____ water?
 Does the _____ have been _____ at _____ issues?
 Can you _____ the _____ has been tested _____ structural integrity _____ flooding _____ ?
 Does _____ have _____ for water-related _____ ?
 _____ after water issues.
 _____ it tested _____ integrity _____ have been previous floods or _____ ?
 Is structural _____ tested _____ ?
 Is _____ possible _____ integrity after the _____ incident of flooding?
 _____ inspections _____ flooding episodes _____ strength?
 Were _____ done _____ make _____ it's _____ solid after being _____ ?
 _____ possible _____ it has been tested _____ since there _____ water _____ incidents?
 Is _____ tested _____ structural integrity since _____ have _____ floods _____ area?
 _____ floods _____ incidents, has _____ car _____ tested _____ structural integrity?
 _____ integrity _____ after _____ incidents?
 _____ anyone _____ post-water _____ tests?
 _____ possible _____ was _____ for _____ after a flood.
 It is _____ had been tested _____ structural _____ after the _____ incidence of flooding _____ water.
 Is _____ the _____ follow _____ episodes _____ ensure structural strength?
 Is _____ possible that it _____ tested _____ since _____ or other _____ have taken place?
 Is _____ that _____ was tested _____ structure _____ after _____ submerged?
 Is _____ any testing to see _____ holds up _____ water?
 _____ floods or submergence in the _____ it _____ for structural integrity?
 Is it possible _____ structural integrity _____ several water related _____ ?
 _____ the _____ assessed for structural _____ ?
 It _____ was _____ for structural integrity after the _____.
 Does the structure _____ been _____ flood _____ ?
 Did you _____ wouldn't _____ apart _____ of _____ flooding _____ something?
 Is _____ that _____ tested for _____ integrity after _____ previous floods _____ in water?
 Does it have been tested for _____ integrity after _____ ?
 _____ Integrity impacted by floods _____ ?
 Is _____ possible to _____ strength _____ or immerse?
 _____ that it's been tested _____ after flooding.
 _____ it checked for _____ after being _____ to _____ ?
 _____ it possible that _____ been tested _____ after the _____ or exposure to _____ ?
 It's possible _____ tested for _____ integrity _____ flooding _____ submerged _____ water.
 _____ tests after water _____ ?
 _____ possible that _____ tested _____ as a result of flooding or other water _____ ?
 _____ any cases of flooding _____ car been evaluated for _____ strength?
 _____ tested for structural integrity because _____ floods or _____ ?

_____ have been tested for _____ strength _____ to _____ or water?

Is _____ possible it had _____ tested _____ structural _____ a _____ or _____ in _____?

Is it _____ was _____ structural integrity after flooding or _____?

_____ integrity is _____ floods.

_____ being exposed to _____ it _____ for _____?

_____ it _____ that it survived through _____ or _____ exposure?

Does _____ soaking _____ been _____ structural _____?

Is it possible _____ it _____ tested for _____ as _____ of _____ or other _____ incidents?

_____ have been tested _____ integrity _____ the previous _____?

_____ has _____ tested _____ structural integrity since flooding or other _____?

_____ possible that _____ been _____ integrity after being _____.

_____ the car checked _____ see _____ structural integrity _____ affected by flooding _____?

Is _____ structural issues?

_____ true that _____ followed flooding _____ to make _____ strength?

It is possible _____ it _____ tested for structural _____ incidence of flooding _____.

It's possible that it _____ structural _____ flooded _____ submerged.

_____ be _____ that _____ was _____ structure _____ after _____ submerged in the water.

Does it have tests _____ after _____?

_____ that _____ for structural _____ since _____ have _____ water related incidents.

_____ done in the aftermath of _____ flood?

Is _____ integrity when _____ have been _____ or submergence _____ the water?

Can it _____ it had been _____ in _____ before being tested _____?
