

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Guidance on energy-saving tips
Inquiry Sub-Category	Appliance efficiency
Description	Customers inquiring about energy-efficient appliances and how to choose the most cost-effective options.
Data Size	5,590 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Do Energy ____ certified ____ ____ reductions in natural ____ ____ to non-certified ____?

Will ____ cut ____ my household's natural gas ____ ____ Energy Star ____?

____ much ____ ____ gas consumption go ____ I ____ Energy Star certified ____?

Do Energy ____ certified ____ reductions ____ natural ____ consumption?

____ Energy ____ items decrease ____ gas ____?

____ can ____ ____ my ____ gas consumption ____ I ____ Energy Star certified items?

____ Star certified ____ ____ gas use.

Can I expect ____ ____ on my natural gas ____ I ____ Energy ____ certified ____?

Will purchases ____ Star ____ goods ____ significant cuts ____ my household's ____ gas ____?

____ Star ____ products ____ more effective ____ natural gas usage ____ options.

____ ____ Star rated ____ result in significant ____ my household's ____ gas ____?

Is ____ ____ Energy ____ products effective in ____ down ____ gas use?

Will utilizing Energy Star ____ their ____?

If I switch ____ Star ____ will ____ significant reductions ____ my ____ consumption?

____ ____ use of natural ____ will ____ I choose Energy ____ certified appliances?

Do Energy Star certifications ____?

____ it possible ____ natural gas use ____ certified ____ Star ____.

____ Star ____ any ____ at reducing natural ____ consumption?

____ Star certified ____ provide substantial reductions ____ usage?

Do Energy ____ decrease ____?

Will using ____ things ____ natural ____ usage?

How much can I ____ natural gas consumption ____ buy ____ Star ____?

____ ____ may be lessened by Energy ____.

Will ____ certified products ____ gas ____?

____ Star items ____ reduce natural ____?

If I ____ to Energy ____ certified ____ can I expect ____ gas ____?

Is it likely ____ Energy Star-approved items ____ gas?

____ Energy ____ products ____ gas use more ____ non-approved ____?

____ Star certs ____ gas use?

Does ____ products ____ down ____ gas ____ than non-approved products?

____ buying ____ result in savings on ____ gas bill?

____ Energy Star ____ less use of ____?

____ star certified _____ natural _____ consumption.

If I _____ Energy Star _____ how much will _____ gas _____?

Can products _____ Star reduce _____ gas _____?

_____ it possible for me to save _____ my _____ switch to Energy _____ products?

Can _____ Star _____ really _____ down on _____?

Do _____ guarantee a _____ of natural _____ choosing an _____ Star _____ appliance?

Do _____ cut _____ on _____ use more than _____?

Is _____ possible _____ non-_____ products _____ match the _____ natural gas _____ of _____?

Do you _____ significant _____ my use _____ by _____ Energy Star certified _____?

Do _____ certifications help to _____ use of _____?

If I _____ Energy Star certified products, _____ a _____ natural gas use?

Can _____ Star-rated products reduce _____?

Do the _____ products _____ the _____ of _____ gas I use?

_____ purchasing _____ Star _____ goods result _____ reductions in _____ household's _____ gas _____?

_____ Star certs _____ cut _____ gas _____.

Is _____ possible to _____ natural gas by _____ items?

_____ Star _____ products _____ effective in reducing _____ usage than non-certified _____?

Will using Energy _____ certified _____ to reduce _____?

Do Energy _____ less _____ of _____ gas?

Will using the _____ natural gas usage?

Do Energy _____ certified products lead _____ reduction _____ consumption?

_____ Energy Star _____ products that can _____ gas _____.

_____ Energy Star _____ cause _____ gas _____?

Energy _____ certified products _____ gas _____

_____ purchasing _____ rated goods result _____ cuts in my _____ gas _____?

_____ Energy Star _____ guarantee of _____ natural gas _____?

Can _____ help _____ natural gas _____?

Buying Energy _____ stuff might _____ to _____ natural _____ usage.

_____ Energy Star _____ really cut down on _____?

Can non-certified products _____ natural gas _____ Energy _____ products?

_____ Energy _____ certified products save you _____ natural _____ usage?

If I _____ Energy _____ certified items, how much _____ expect _____ reduce _____ consumption?

_____ Star products help _____ cut down on _____?

_____ products cut _____ gas use more than _____ brands?

Less _____ of _____ gas _____ by _____ Star certifications.

Will _____ Energy _____ rated goods _____ in my household's natural _____?

Is _____ Star _____ cutting _____ than non-approved ones?

_____ Energy Star products _____?

_____ Star can guarantee _____ use of gas?

_____ reduce natural gas usage?

Energy _____ products _____ to cut _____ use.

_____ Purchasing _____ rated _____ result _____ noticeable _____ to my household's _____ use?

Do Energy _____ guarantees _____ gas?

_____ certified _____ may _____ to decrease natural gas _____.

_____ gas _____ be reduced by energy _____ certified _____.

_____ Energy Star-certification _____ natural gas _____?

_____ Star _____ products make _____ reductions in _____ usage?

_____ possible _____ Energy Star-approved _____ reduces reliance on _____ for households?

How _____ Energy Star products _____ reducing _____ gas _____?

Are Energy _____ more effective in _____ gas _____?

_____ Energy _____ things lead to _____ on _____ natural _____ usage?

Can Energy _____ certifications _____?

Natural gas _____ may be _____ Energy _____ certified _____.

_____ Star certs _____ cut _____ use?

_____ significant decrease in my use of natural _____ by _____ certified _____?

Do _____ Star _____ help with _____ consumption?

_____ possible to reduce my _____ gas consumption _____ I _____ for _____ items.

Will these _____ items reduce natural _____?

Can _____ Star-certified _____ reduce _____ gas _____?

_____ certified products reduce natural _____ more than _____ ones?

Do you _____ that _____ Star certified _____ can lower _____?

Is _____ possible that energy _____ products _____ lower _____ gas _____?

If _____ switch _____ Energy Star _____ products, can _____ a reduction in my _____ usage?

Does _____ certifications _____ less _____ of natural _____?

_____ use _____ Star _____ items reduce _____ usage?

Are _____ effective _____ natural gas use?

Can energy _____ products _____ gas _____?

_____ guarantee _____ in gas?

Do Energy _____ guarantees a lower _____?

_____ Star products _____ at _____ natural _____ usage?

_____ Energy Star certified products _____ a _____ reducing natural _____?

_____ Energy _____ a _____ of gas?

_____ of Energy _____ rated goods _____ cuts to _____ household's _____ gas consumption?

_____ gas bill can be _____

_____ Star _____ products can _____ use.

If I choose to use _____ Star _____ much _____ gas consumption _____?

Can _____ gas use?

_____ am _____ if _____ stuff will _____ on my natural gas usage.

Is _____ possible to reduce _____ using Energy _____ products.

_____ gas _____ can _____ lowered if _____ Star-certified _____ used.

_____ products can reduce _____ usage.

Can Energy _____ gas?

Is using Energy Star-approved items _____ result _____ reductions _____ for households?

_____ Star _____ down _____ the amount _____ gas used?

_____ that _____ products are effective at reducing natural gas _____?

Is it _____ for me to _____ on _____ consumption _____ switch _____ Star certified products?

Are Energy _____ certified _____ reduce _____ gas consumption?

Can Energy _____ certified products _____ gas _____ compared _____?

Can Energy _____ used to reduce natural _____?

Are Energy _____ for reducing _____ usage?

Using _____ products _____ their _____ gas intake.

Can Energy Star _____ reduce natural _____?

Is it _____ to _____ natural _____ consumption if I choose _____ items over non _____?

_____ Star _____ it possible to reduce natural _____ consumption?

_____ to _____ on _____ if _____ switch to Energy Star certified products?

_____ consumption _____ be _____ Energy Star products are _____.

How much will _____ Star _____ items _____ gas _____?

Do Energy _____ of gas than non-certified _____?

_____ the reduction _____ consumption result from _____ Energy Star _____ goods?

Do _____ guarantee less _____ gas?

_____ guarantee _____ my use _____ gas will go _____ I choose _____ certified appliances?

Is it possible that using _____ on natural gas _____ households?

_____ Star products _____ a lower _____ gas.

_____ Energy _____ products decrease _____ intake?

Energy _____ reduce _____ gas usage.

Do energy star _____ ensure _____ gas?

_____ Star _____ cut down on natural _____ use?

Do _____ Energy Star _____ less _____ gas?

_____ Star certs _____ power to _____ nat gas _____.

Will buying Energy _____ stuff _____ usage?

_____ it likely that using Energy _____ in dependence on natural gas?

_____ Energy Star _____ lower _____ use compared _____ non-certified _____?

Is _____ Star _____ of gas?

Purchasing Energy Star _____ goods _____ result _____ cuts to _____ household's _____.

Can Energy _____ in natural gas usage?

_____ non-certified _____ the reduced natural _____ of _____ Star ones?

_____ goods _____ better _____ reducing natural gas usage.

Can I expect _____ gas _____ if _____ switch _____ Energy _____ certified products?

Do Energy _____ lower the _____ gas _____ use?

_____ Star _____ reduce gas use?

Do _____ cut down _____ the _____ natural gas _____ I use?

_____ it _____ decrease natural gas _____ using Energy Star _____?

_____ a _____ in my _____ gas by _____ Energy Star certified appliances?

_____ energy _____ really cut nat _____?

Do _____ products _____ their natural _____?

Do the Energy Star _____?

Is _____ likely _____ Energy _____ items will _____ reductions in _____ gas _____?

Energy _____ products _____ decrease _____ gas _____.

_____ be _____ reduction _____ gas consumption when _____ Star certified products?

Do Energy Star products use _____ Star _____?

_____ Star _____ goods _____ in _____ to my household's natural _____ use?

_____ can _____ if _____ Star products are certified.

Do Energy _____ of natural gas?

Can _____ certified products cause a _____ natural _____?

Is it _____ natural _____ use _____ using _____ Star certified _____?

Is it likely that using _____ will _____ reduced reliance _____?

_____ will I _____ to decrease _____ natural gas _____ I choose _____ certified items?

How _____ lower my _____ if I _____ Energy Star certified _____?

Will the use _____ Energy _____ natural _____ usage?

Is it _____ natural _____ with Energy Star _____ products?

Does certification _____ gas _____?

_____ use _____ Star certified _____ going to reduce natural _____?

_____ going _____ diminish the natural gas intake?

Do you _____ that _____ use _____ natural gas _____ decrease if _____ certified _____?

Will _____ certified items _____ use?

_____ it _____ purchases _____ certified energy-saving devices decrease natural _____?

Yes, _____ Star _____ nat gas _____?

Do Energy Star _____ guarantee _____ of _____?

Will purchasing _____ Star rated _____ household _____ natural gas?

_____ energy _____ items _____ consumption?

Do Energy _____ products _____ reductions in _____ gas _____?

Is it _____ certified products can _____ gas consumption?

_____ it _____ that using Energy _____ items _____ in reductions _____ reliance _____ gas _____?

Is _____ Energy _____ stuff going to _____ my _____ gas _____?

_____ much lower _____ use will be _____ I _____ Energy _____ certified _____?

Is _____ Energy Star products effective _____ cutting _____?

_____ Energy Star _____ products _____ reductions in _____ gas _____?

Will _____ guarantee _____ gas use?

Will using Energy _____ natural gas intake?

_____ make a difference to _____ gas consumption?

_____ purchasing _____ Star _____ goods _____ in _____ to my _____ natural _____ consumption?

_____ Energy Star _____ use of _____?

Is it _____ that _____ results in a _____ in reliance _____ natural _____?

Energy Star goods _____ reducing _____ gas use.

Can I expect _____ reduce my _____ I switch _____ Star _____ products?

_____ Energy Star products work _____ use?

Energy _____ can decrease _____ usage.

_____ buying _____ help me _____ on my natural gas _____?

Do certified Energy _____ use?

_____ guarantee lower _____ of gas?

Is _____ of _____ by Energy Star certifications?

Does _____ Star certifications _____ use of _____?

_____ purchasing _____ saving devices reduce natural _____?

_____ Energy _____ products reduce natural _____.

Will the _____ of _____ products diminish their _____?

Do _____ items _____ to reduce _____ gas _____?

Did _____ products really _____ gas usage?

Do _____ products _____ lower use _____ gas?

_____ Energy Star _____ use of _____?

_____ there _____ decrease _____ consumption when _____ Energy Star certified _____.

_____ Energy _____ goods _____ better at reducing _____ use?

Are _____ Star certified _____ going to _____ natural _____?

Is Energy _____ certified _____ more effective _____ gas usage _____ non _____?

_____ Energy Star _____ products _____ natural _____ as much _____ non-certified _____?

_____ purchases of Energy _____ goods result _____ cuts to _____ use?

How _____ can _____ certified _____ lower _____ gas use?

_____ possible _____ decrease _____ gas consumption by opting _____ Energy _____ items?

If I switch to _____ can I _____ substantial _____ in _____ gas _____?

Does _____ Star-certified _____ natural _____ use?

_____ Energy Star products _____ gas _____?

Do _____ certified _____ a _____ use _____ natural gas?

_____ Energy _____ products _____ natural gas _____?

Energy Star _____ products _____ reduce _____.

_____ Star _____ diminish their natural gas _____?

Are _____ Star _____ items _____ to _____ gas usage _____?

Do Energy Star _____ reductions in _____ use?

_____ gas use _____ I switch to _____ Star certified products?

Do _____ think _____ appliances will reduce my use _____?

_____ using Energy _____ to result _____ reductions _____ on natural gas?

_____ much _____ expect to _____ on my _____ gas use _____ Star certified items?

If _____ Star certified items, _____ my natural gas consumption _____ down?
 _____ Energy _____ products _____ reduce _____ natural gas consumption?
 Will _____ Star certified _____ lower _____?
 _____ an effective _____ to reduce natural gas usage?
 _____ can cut _____ gas use?
 _____ Energy Star _____ goods result in _____ my _____ natural _____ usage?
 Will _____ Energy _____ certified equipment _____ natural _____?
 Natural gas use _____ cut _____ products.
 _____ Star _____ better at _____ on gas _____ than non-approved _____?
 Do certifications from _____ less use _____ gas?
 _____ Star items _____ natural _____ consumption?
 _____ Star certified items _____ usage?
 Do _____ guarantee there will _____ decrease _____ of natural gas by _____ Star _____ appliances?
 Do _____ certified _____ reduce _____ of _____ gas?
 Do Energy _____ certifications _____ of _____ gas?
 Do _____ Star products _____ use.
 _____ Star _____ make a difference _____ natural gas _____?
 Do you _____ in natural _____ use by choosing Energy _____?
 _____ there _____ match between _____ reduced natural _____ utilization of Energy _____ non-certified _____?
 Will using _____ items _____ a decrease _____ natural gas _____?
 _____ buying Energy _____ me save _____ natural gas _____?
 Natural Gas _____ can _____ by _____ Energy _____ products.
 _____ Star certs _____ nat _____ use?
 Are _____ Star _____ any _____ at reducing natural _____?
 Do Energy _____ for _____ down on _____ gas _____?
 Is _____ products going _____ diminish natural _____?
 Is using Energy Star-approved _____ reliance _____ gas for _____?
 Does Energy _____ goods _____ reducing natural gas _____?
 _____ Energy Star items _____ gas _____?
 _____ Star-certification products decrease _____ gas _____?
 Do Energy _____ products _____ less _____?
 _____ using Energy _____ to _____ in major reductions _____ on _____ gas?
 Will using _____ lead to a _____ in natural _____?
 _____ guarantee I'll use less _____ gas _____ Energy _____ appliances?
 _____ Star _____ lower _____ of gas?
 _____ certified by _____ natural gas usage?
 _____ Energy _____ items _____ gas _____?
 _____ use _____ natural gas if I choose Energy _____ products?
 _____ certified energy _____ devices _____ gas usage.
 Does _____ Star _____ lower _____ consumption?
 _____ Energy _____ products _____ effective in _____ gas usage _____ non-certified options?
 _____ I expect to save _____ consumption if I _____ to Energy _____?
 _____ Energy Star products _____ the _____ of _____ gas?
 Can _____ Star products be effective _____?
 Are Energy _____ certified products _____ reduce _____ consumption?
 _____ you guarantee that my _____ gas _____ decrease if I _____ certified _____?
 _____ Star products _____ natural gas use.
 If I switch to _____ certified _____ can I _____ less _____?
 _____ Energy Star _____ down _____ use more _____ non-approved _____?
 _____ the _____ products _____ natural gas consumption?

Will using Energy _____ natural gas usage?

_____ the _____ Energy Star products diminish _____ use of _____?

_____ Energy Star certified _____ work _____ in _____ usage?

_____ significant decreases in my _____ natural gas if _____ Energy Star _____?

_____ Energy _____ certified items _____ to reduce _____ use?

Does _____ certification _____ less natural _____?

_____ Star _____ give a _____ use of _____?

_____ Star _____ goods _____ cut my household's _____ gas _____?

_____ Energy _____ products able _____ usage?

Will using _____ Star products _____ in _____ natural _____ intake?

_____ the Energy _____ guarantees _____ lower _____ of _____?

Are _____ Star certified _____ effective at _____ gas usage than _____?

Can _____ Energy Star products _____ natural _____?

Is _____ that _____ Star _____ products can _____ gas usage?

_____ products _____ cut _____ consumption.

_____ Energy Star- _____ reduce _____ gas usage?

_____ non-Certified products match the reduced natural _____ utilization _____?

Can _____ products _____ the _____ natural _____ usage of Energy _____?

Are Energy _____ products _____ gas _____?

_____ reduce my natural _____ use if _____ purchase Energy Star _____?

Does Energy _____ products reduce _____?

_____ gas usage can _____ lowered _____ Star certified _____.

_____ using Energy Star-approved _____ in reliance on _____ gas for homes?

_____ Energy _____ rated _____ result _____ a _____ my household's natural _____ consumption?

Do you guarantee _____ will _____ decreases in my use _____ natural _____ using Energy _____?

_____ I _____ for Energy _____ certified _____ much _____ my natural gas _____?

_____ Energy Star _____ effective _____ down _____ gas use?

_____ Energy Star _____ able to cut natural _____?

_____ can I _____ to _____ natural _____ if _____ choose _____ use Energy Star certified items?

Are Energy _____ goods _____ to _____ use?

Energy Star goods _____ be able _____ consumption.

_____ certified _____ products be _____ to _____ gas use?

_____ Star certs reduce _____ gas _____?

Do you guarantee a _____ natural gas _____ certified appliances?

_____ Energy _____ results in major reductions in reliance on _____ gas, _____?

Will _____ rated goods result in noticeable _____ my _____ gas _____?

_____ you _____ of natural _____ will _____ decreased if I choose _____ Star _____ appliances?

Is _____ Energy Star products _____ cut natural gas _____?

Did Energy _____ certified _____ natural gas consumption?

Do _____ Star goods lower _____?

_____ gas usage _____ lowered by _____ Star _____.

_____ Star _____ lower _____ gas intake?

_____ there _____ gas _____ when using Energy Star certified _____?

_____ the _____ Star _____ lower _____ gas?

_____ I will _____ natural _____ by choosing _____ Star certified appliances?

_____ Energy _____ good for _____ on natural gas _____?

_____ Energy Star _____ at _____ natural gas use?

Does energy _____ gas _____?

Natural _____ be reduced _____ Energy _____ certified _____ are used.

_____ to decrease _____ natural _____ if I _____ Star certified items?

Do _____ certified _____ significant decreases in natural _____?

_____ Star goods _____ saving natural _____?

Natural _____ can _____ reduced _____ using _____ certified products.

_____ I _____ sure that using _____ Star _____ result _____ gas consumption?

Is _____ that _____ energy-saving devices decrease _____ gas _____?

Will _____ Star certified items _____ your _____ usage?

_____ Energy _____ products _____ cut down on gas use _____?

If _____ to Energy _____ certified _____ I expect a _____ my natural _____?

Do Energy _____ help with _____?

_____ Star products _____ gas intake.

Do you think using _____ products can _____ consumption?

Do _____ lower gas _____ than non-approved ones?

Will it _____ to _____ Energy Star certified items _____ natural _____?

Is Energy Star _____ products _____ natural gas _____ non _____ products?

_____ to _____ products _____ I expect to _____ my natural gas usage?

Is _____ good for _____ natural gas use?

Does purchasing _____ energy-saving devices _____?

_____ certified products lower natural _____?

_____ energy star _____ at reducing _____ gas _____?

Can _____ products _____ with natural _____ usage?

Do you _____ that _____ Star _____ appliances _____ natural gas _____ ones?

Will the certification _____ natural _____?

Is it _____ to cut _____ with _____ Star products.

Is _____ to _____ natural _____ when _____ Energy Star certified _____ and _____?

_____ Energy _____ help reduce _____ gas _____?

Will the _____ household's natural _____ use _____ from _____ Energy _____ goods?

Natural gas use may _____ by _____ Energy _____.

I _____ to know if _____ will _____ use of _____ gas.

If _____ go for _____ how much can _____ reduce _____ natural _____ usage?

_____ Energy Star _____ at reducing natural gas _____?

_____ energy _____ nat gas use?

Do the Energy Star products _____?

Do _____ Star goods have _____ better _____ gas _____?

Do _____ use of gas?

_____ energy _____ have lower _____ gas?

_____ much can I expect to reduce my _____ gas use _____ use _____ Star _____?

Is it possible _____ Energy Star _____ gas _____?

_____ switch to _____ Star certified _____ can _____ expect a _____ reduction in _____ natural _____?

Do _____ Energy Star products guarantee _____ of _____?

_____ star products _____ use

Are Energy Star _____ better _____ use?

Do _____ stuff _____ consumption?

Will Energy _____ my natural _____?

_____ you guarantee _____ Energy _____ appliances _____ reduce my use _____ gas?

Can Energy _____ certified _____ gas _____?

Will the _____ items _____ gas usage?

Do _____ Star _____ lower _____?

_____ reduce your _____ bill by _____ certified products?

Can _____ products reduce natural _____ usage _____ than _____ certified _____?

_____ it possible that _____ certified _____ will _____ natural _____ consumption?

Do ____ star items ____ ?

Do energy stars ____ ?

____ Energy ____ guarantee ____ lower use ____ ?

Do ____ Star certified products ____ usage?

Do ____ natural gas usage?

____ the ____ items reduce ____ use?

Do Energy ____ natural ____ consumption?

____ Star ____ lead to reductions ____ gas use?

____ you ____ that Energy Star certified ____ use ____ natural ____ ?

____ Star products ____ gas ____

Is it possible ____ in less dependence ____ natural ____ for households?

____ consumption can decrease ____ the ____ certified products.

____ those Energy Star ____ reduce ____ use ____ gas?

Do ____ Energy Star ____ make ____ use ____ in my house?

Is Energy ____ guarantee less ____ natural ____ ?

Is it possible to ____ my ____ gas ____ Star ____ appliances?

Are ____ at ____ natural gas consumption?

Is ____ Star ____ less ____ of ____ ?

Can I ____ decrease ____ if ____ switch to Energy ____ certified products?

Is ____ that ____ Stars guarantee ____ savings?

Will ____ Star ____ items ____ gas ____ ?

____ Energy ____ certified ____ help reduce ____ gas ____ ?

Are the Energy ____ natural gas consumption?

Can ____ match the reduced ____ gas ____ Energy Star?

Can ____ help ____ natural ____ consumption?

Does ____ saving ____ natural gas usage?

Will ____ Energy ____ make ____ big difference in ____ intake?

Will the ____ star ____ diminish ____ natural ____ intake?

____ certification ____ lower ____ consumption?

Do ____ Star ____ diminish natural ____ ?

Will Energy ____ goods result in ____ my household's ____ gas ____ ?

____ Energy Star-certified ____ natural ____ usage?

Is it possible ____ to cut nat ____ ?

Will purchasing ____ goods ____ significant cuts in ____ natural gas ____ ?

Are Energy ____ products ____ gas?

____ certs help ____ gas use?

____ of natural gas may be ____ by ____ .

Will Energy ____ down ____ gas use?

Are ____ at reducing ____ gas ____ than non-certified products?

____ Energy ____ cut their natural ____ intake?

Can ____ expect ____ reduce ____ gas usage if I switch ____ Star ____ ?

____ can I ____ natural gas consumption if ____ purchase Energy ____ certified ____ ?

____ products ____ efficient at reducing natural gas usage ____ options?

Energy ____ able ____ cut ____ use.

Does Energy ____ reduce ____ gas ____ ?

Does ____ products ____ down on natural ____ usage?

Will ____ Star rated goods ____ significant decreases ____ gas consumption?

____ Energy Star-approved ____ to result ____ significant ____ reliance ____ natural ____ for households?

Are ____ Star ____ to reduce ____ ?

Is using ____ Star-approved items ____ to ____ reductions ____ reliance ____ natural ____ ?

____ Energy Star guarantee ____ gas compared ____ non-certified ____?
 ____ you guarantee ____ use less ____ gas ____ buying ____ Star certified ____?
 ____ Star ____ items make a ____ in ____ usage?
 Natural gas consumption can decrease ____
 ____ Star ____ products ____ gas usage?
 ____ Energy Star items ____ at ____ natural ____?
 Can Energy Star ____ natural gas usage?
 ____ Star ____ better at ____ down gas ____ than non-approved ____?
 ____ Energy ____ reduce natural gas usage ____ than ____ options?
 Natural ____ can ____ reduced ____ Energy ____ products.
 ____ it ____ reduce my natural gas ____ use Energy ____ certified ____?
 ____ can be significant decreases ____ consumption ____ Energy ____ certified products.
 Can Energy Star ____ use.
 Can ____ Star products use ____?
 ____ Energy ____ certified ____ me ____ use less natural ____?
 Is it ____ that using Energy Star-approved ____ result ____ use ____ natural ____?
 Do ____ guarantee ____ decreases in ____ when I use ____ Star ____ appliances?
 Are ____ for natural gas ____?
 Will ____ certified items ____ natural gas ____?
 ____ to ____ Energy ____ certified ____ much will ____ natural gas ____ go down?
 Will using Energy Star ____ natural ____?
 ____ it possible ____ lower my natural ____ if I ____ Star ____ items?
 Is it possible that ____ Star certified ____ will ____?
 ____ Energy ____ products make ____ difference ____ of natural gas ____?
 How much ____ I ____ on my natural gas ____ if I ____ Energy ____?
 ____ Energy Star ____ an ____ to ____ natural gas usage?
 Are Energy ____ certified ____ as ____ non-certified options in ____ gas ____?
 Are Energy ____ reducing natural ____ use?
 Is using ____ Star ____ to ____ in ____ reductions ____ natural gas ____?
 ____ that using ____ Star-approved items ____ result in a reduction in ____ on ____ gas ____?
 Are Energy ____ products ____ likely ____ reduce natural ____?
 Will Energy ____ rated ____ difference ____ my household's natural ____?
 Will the use of Energy ____ natural ____?
 ____ Energy Star ____ goods ____ notable cuts to ____ natural gas ____?
 Will ____ Energy Star ____ decrease ____?
 Will ____ stuff ____ to ____ in my natural gas ____?
 ____ much can ____ items ____ my ____ gas consumption?
 Do Energy Star ____ have ____ reduced natural ____?
 ____ Energy ____ certified products ____ use?
 nat ____ use may ____ Energy Star ____.
 Does Energy ____ products reduce ____?
 Is ____ possible ____ items ____ lead to a reduction ____ gas use?
 ____ Star ____ can ____ nat gas ____.
 Can the use ____ Energy ____ their ____ intake?
 ____ Energy Star ____ gas use?
 ____ it ____ for ____ to ____ my ____ gas ____ choose ____ Star certified items?
 ____ energy star ____ reducing ____ gas consumption?
 ____ Energy Star ____ capable ____ reducing natural gas ____?
 ____ certifications ____ less ____ of natural gas.
 ____ items reduce natural gas ____?

There are questions _____ whether _____ certifications _____ of natural _____.

Is _____ possible that _____ certified _____ can lower my _____?

_____ Star _____ might _____ down on _____ gas _____.

_____ buying _____ stuff help _____ my natural _____ usage?

Natural gas _____ decreased _____ Energy _____ products.

_____ it possible to _____ natural gas _____ by using _____?

The Energy _____ can _____ usage.

Do _____ products _____ natural _____ usage?

Will Energy _____ certs _____ gas _____?

_____ Energy Star _____ products _____ effective at reducing _____?

_____ purchase _____ certified energy-saving _____ decrease _____ gas use?

Will _____ Star _____ items make _____ difference _____ natural _____ usage?

_____ I switch to _____ certified products _____ to reduce _____ natural gas _____?

Can Energy Star certs _____?

_____ certifications _____ for less use _____ natural gas?

_____ gas _____ may _____ reduced _____ Star certified products _____ used.

Can _____ Star _____ in natural gas use?

Natural _____ usage _____ if Energy _____ certified _____ used.

_____ that Energy Star certified appliances _____ lower _____ use of _____?

energy _____ certs _____ nat _____ use

_____ purchasing _____ energy-saving devices _____ natural gas usage?

Will buying _____ Star rated _____ result _____ reduction _____ my _____ natural _____?

_____ Star _____ cut down _____ use.

_____ Energy Star _____ lead _____ substantial reductions _____ natural gas _____?

Can _____ certified products affect _____?

Do _____ goods _____ better effects on _____ gas _____?

Will purchasing _____ cut my household's _____ gas _____?

Can _____ lower natural gas usage?

_____ Energy Star products cut _____ natural _____?

_____ it possible _____ Star _____ products reduce _____ gas _____?

Can I _____ huge reduction _____ natural _____ use _____ I switch to Energy _____?

Does _____ lower natural _____ usage?

_____ much _____ I expect _____ my natural _____ consumption if _____ choose _____ Star _____?

_____ possible that using _____ Star-approved items _____ on natural gas?

_____ Energy Star products _____ of lower _____ gas?

Do the _____ Star _____ lower _____ gas?

Is Energy _____ less _____ natural gas?

_____ I expect _____ reduce my natural gas use _____ products?

Do Energy _____ in _____?

Energy _____ certified _____ decrease _____ gas _____.

Do Energy _____ products _____ natural gas usage?

Is _____ possible to _____ usage _____ using _____ certified products.

Is _____ guarantees less _____ natural _____?

_____ lower use of gas?

_____ that using Energy _____ items _____ lead to reductions _____ on _____ gas?

_____ choose to _____ Star certified items, how much _____ natural _____ decline?

Is _____ Energy _____ likely to _____ significant _____ in natural gas _____?

Do Energy Star _____ use of _____ than _____?

_____ Energy _____ certified _____ more effective _____ reducing _____ usage than non _____?

Is _____ stars _____ real gas savings?

How much can _____ my natural _____ usage _____ certified items?
 _____ the _____ of Energy _____ rated _____ result _____ cuts to _____ gas use?
 _____ products cut natural gas _____?
 _____ help _____ natural gas usage?

Do you _____ a _____ gas if _____ choose Energy Star _____ appliances?
 _____ Energy _____ diminish the _____ of _____ gas _____ take in?
 _____ Energy _____ goods result in _____ in _____ household's _____ gas consumption?
 _____ Energy _____ goods _____ natural gas _____?

There may _____ natural gas consumption when _____ Energy Star _____.
 _____ my _____ natural gas _____ cut _____ Energy Star rated goods?
 _____ a decrease _____ my use _____ natural _____ using Energy _____ certified appliances?
 _____ a _____ to Energy Star _____ products reduce _____ usage?

Do you _____ a _____ use of natural _____ choosing Energy Star _____?
 Energy Star certified _____ consumption.

Do Energy Star _____ make a _____ to _____?
 _____ a reduction _____ my natural gas _____ if _____ switch _____ Energy _____ products?

Can _____ cause _____ gas usage?
 Do _____ decrease _____ gas use?
 _____ using energy _____ items help _____ natural gas _____?

Are _____ Star _____ better _____ less natural _____?
 Do you _____ natural _____ by choosing Energy Star _____ appliances?
 Is _____ likely _____ Energy Star-approved items _____ in a _____ on natural _____?
 _____ Energy _____ guarantee lower use _____?

Can _____ help you cut _____?
 _____ certified _____ help reduce gas _____?

Will _____ natural gas usage be _____ stuff?
 Can Energy _____ natural _____ use?

Do Energy _____ products _____ gas _____ than non- _____?
 Is it _____ that _____ natural gas consumption?
 _____ guaranteeing significant _____ in my _____ gas _____ choosing Energy _____ certified appliances?

Natural gas _____ be _____ using _____ Star _____ products.

Do Energy _____ gas consumption?

Do you think _____ is possible for Energy _____ natural _____?
 _____ certified energy-saving _____ might _____ use.

Do _____ products cut down _____ gas _____ non approved _____?
 _____ it _____ for energy star _____ products to _____ usage?
 _____ use of Energy Star _____ natural gas intake?

Are _____ Star _____ able to reduce _____ usage?

Will _____ Energy _____ goods _____ cuts to my household's natural _____ consumption?
 _____ it _____ that _____ items _____ gas consumption?

Do _____ guarantee reductions in _____ consumption?
 _____ certifications guarantee _____ gas use?

Are _____ Star goods _____ effective at _____ use?

Is it _____ that _____ products can cut _____ natural _____?

Do Energy _____ items _____?

_____ Energy Star products make _____ natural _____?

_____ Star _____ their natural gas _____?

_____ that _____ Energy Star-approved _____ will result in _____ on natural gas?
 _____ the _____ lead _____ natural _____ consumption?

_____ I _____ natural gas consumption if I switch _____ Energy _____?

_____ possible for energy star _____ products _____ decrease _____ gas _____?
 Are _____ certified _____ better at _____ gas _____ than non- certified _____?
 Do _____ goods _____ consumption more?
 Will _____ natural gas intake be _____ Star _____?
 Will _____ use _____ Energy _____ products _____ their gas _____?
 Natural _____ consumption _____ lessened _____ Energy Star _____.
 _____ I'll use less natural _____ by choosing Energy Star _____?
 Do _____ guarantee _____ of gas compared to _____?
 The effectiveness of _____ products in reducing _____ is _____.
 Is Energy Star goods _____ natural _____?
 _____ energy star items _____ use?
 Are Energy Star _____ products more efficient _____ gas _____ than _____?
 _____ products capable of reducing natural gas _____?
 Natural _____ usage can be _____ Star certified _____.
 Is _____ cut by Energy Star _____?
 _____ Energy Star _____ reduce _____?
 _____ effective at reducing natural gas use than _____ options?
 _____ Energy _____ rated _____ result _____ in my household's natural gas _____?
 _____ Energy _____ goods better at _____ gas _____?
 How _____ reduction in _____ gas use can _____ choose _____ Star certified items?
 Are _____ Star's guarantees _____ lower _____ true?
 _____ Star _____ reduce natural gas _____?
 _____ it _____ to _____ natural _____ consumption with Energy Star _____ products _____?
 _____ products reduce natural gas usage _____ other options?
 _____ that _____ Stars _____ real gas savings?
 Natural _____ usage _____ be _____ by _____ Star _____.
 _____ Star stuff _____ lead _____ on natural gas _____.
 Products certified _____ can decrease natural _____.
 Are Energy _____ products _____ natural gas use?
 _____ possible to _____ use _____ natural gas when using Energy _____.
 Does _____ products _____ amount of natural gas I _____?
 _____ it _____ products reduce natural gas usage more than _____?
 _____ Star-certified products _____ natural gas _____?
 Will buying _____ Star _____ result in _____ gas _____?
 Is _____ at decreasing natural gas _____?
 _____ Energy _____ lower natural _____ consumption?
 _____ certified _____ Star _____ gas use?
 _____ Star _____ reduce _____ gas _____.
 _____ it _____ Energy Star certified products _____ effective _____ reducing _____ usage?
 _____ to _____ my natural _____ by _____ for Energy Star certified _____?
 _____ possible to get substantial reductions _____ natural gas _____ Energy _____?
 _____ Energy Star goods more beneficial _____ consumption?
 _____ possible _____ Energy Star certified products can _____ gas _____?
 _____ use _____ Star _____ the natural gas intake?
 Is _____ Energy _____ approved items likely to result _____ reduction _____ on _____ gas?
 _____ Energy _____ certified _____ help reduce _____?
