

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Alarm system installation process
Inquiry Sub-Category	Compatibility inquiries
Description	Customers inquire about the compatibility of their existing home security equipment or smart home devices with the alarm system being installed.
Data Size	6,134 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

Does ____ company support ____ of ____ sensors with ____ alarm ____?
____ you ____ supports integration of motion sensors ____ systems?
Are you ____ to ____ sensors to ____?
____ allow ____ to use ____ for ____ alarm systems?
____ your ____ to support the integration ____ external ____?
____ work with outside motion ____?
____ your ____ accept third-party ____ sensor ____?
____ third-party motion ____ your alarm ____?
____ your security systems ____ Motion ____?
Can ____ alarm ____ to ____ detectors?
____ we ____ companies' ____ with your ____?
Is ____ to ____ third-party movement ____ to ____ alarm?
Can ____ use motion ____ are ____?
Is ____ possible ____ us ____ sensors ____ your alarm system?
____ motion sensors ____ your alarm?
Can ____ third-party motion sensors with ____?
____ your company ____ non-native motion ____ with its ____ technology?
Will ____ non-native motion sensors with its ____ technology?
____ your ____ allow ____ motion ____ with your alarm systems?
Is the ____ detectors of ____ with ____ measures?
____ business ____ an integration ____ for ____ motion detectors?
____ it ____ to ____ other ____ motion sensors ____ alarm?
____ it ____ company ____ accommodate motion ____ and ____ into your alarm systems?
____ add function to your alarms ____ using ____ detectors?
____ about making ____ alarm systems ____ sensors?
____ know if your company ____ integration ____ motion ____.
____ connect ____ specific detectors to ____ security ____?
Is your ____ system compatible ____?
____ allow motion sensors to ____ with your ____?

Does your company _____ include outside-motion _____ units?
 _____ be able _____ integrate third-party motion sensors _____ your _____?
 _____ support the integration _____ sensors into its _____?
 _____ your _____ of motion detector into your alarm _____?

Do _____ sensor with alarms?

Are _____ willing _____ external motion sensors _____ security _____?

Is _____ have integration _____ sensors on your alarm _____?

_____ help _____ motion sensors _____ the alarm?

Did _____ allow _____ of non- _____?

_____ I connect _____ to _____ alarm?

Is it possible _____ your _____ supports _____ sensors _____ its _____?

Can we get your _____ to _____ sensors?

Do you _____ of motion _____ with your _____?

Does your _____ use _____ its alarm offerings?

Is _____ to _____ third-party motion detectors with _____?

_____ your _____ alarm technology _____ non-native motion sensor _____?

_____ motion _____ work _____ alarms?

_____ the moving _____ of other _____ compatible _____ measures?

_____ sensors be linked _____ your _____?

_____ your company _____ integration of _____ motion _____ with _____ alarm _____?

_____ integration of _____ motion sensors _____ your alarm _____?

Can a third-party _____ linked to _____ system?

_____ company have plans _____ with your alarm systems?

Does _____ use of outside _____ detectors?

Is _____ possible _____ me _____ hook up _____ motion sensors _____ systems?

_____ we use non-proprietary _____ sensors for _____?

Does _____ business _____ the integration _____ detector _____ your alarm _____?

_____ you _____ motion sensors into your _____ system setup?

Is _____ possible _____ third-party _____ detectors _____ be _____ your _____ systems.

Are _____ compatible _____ third _____ motion sensor integration?

Do _____ allow _____ motion _____ your alarm systems?

_____ alarm _____ with external motion _____?

Is _____ company _____ of _____ motion sensors _____ alarm?

_____ company in favor _____ detectors?

Can _____ incorporate third-party _____ alarm?

Does your _____ the _____ of third-party _____?

_____ third-party _____ compatible _____ your alarm?

Is _____ of third-party _____ with _____ systems supported _____ company?

_____ you allow integration _____ detection _____ alarm systems?

Is it _____ have _____ sensors _____ to your _____?

Can _____ be used _____ alarms?

_____ I link _____ third-party _____ to your _____?

_____ possible _____ use third-party _____ sensors _____ your alarms?

_____ external _____ integrated with your _____ equipment?

Do _____ other _____ motion _____ into your _____ system _____?

_____ motion _____ work with _____ alarm?

Can third-party _____ detectors be _____ your _____?

Is it _____ to _____ outside _____ sensors _____ your alarm _____?

_____ for your _____ to integrate _____ party _____ sensor _____ your _____ systems?

Does your _____ motion _____ to be _____ in _____?

____ you allow ____ to hook up any ____ motion sensors ____ ____ ____ ?
 ____ ____ systems ____ with external ____ equipment?
 Is ____ possible ____ security ____ to work with ____ devices?
 Is ____ to ____ other companies' Motion sensors ____ alarms?
 ____ allow ____ sensors with your alarm equipment?
 Are your ____ movement sensors?
 ____ it possible ____ connect third-party ____ to your ____
 Do ____ sensors ____ your alarm systems?
 Are ____ the connection of motion detectors ____ security ____?
 Can ____ the ____ sensors from ____?
 Are ____ in favor of integration ____ alarms?
 You're ____ with adding third-party motion ____?
 Do you ____ your alarm systems ____ include ____?
 ____ your company ____ in integrating third-party motion ____ alarm ____?
 ____ your ____ systems connect ____ detectors?
 ____ we be able ____ non-proprietary ____ to your alarm ____?
 ____ third-party ____ of motion sensor ____ alarm systems?
 ____ allow me ____ the ____ sensors to your ____ systems?
 ____ third-party movement sensor ____ linked ____ alarms?
 Are ____ with adding third-party ____ to ____ alarm?
 ____ entity's moving ____ work ____ your ____ measures?
 Can ____ allow ____ motion ____ to ____ integrated?
 Is ____ support for ____ third-party MOTION SENSORS ____?
 Are you interested in ____ motion ____ with ____ security systems?
 ____ you believe ____ supports ____ of external motion ____?
 ____ your company allow third-party ____ your ____?
 ____ you support including ____ movement ____ in ____?
 Are you ____ to connect ____ detectors ____ security ____?
 ____ systems compatible ____ the integration ____ external motion ____?
 Is it ____ connect ____ motion sensors ____ alarm ____?
 ____ me to ____ motion sensors to ____ alarm systems?
 Integration of ____ into alarm ____?
 Are ____ compatible ____ your ____?
 Can you ____ third-party ____ your ____?
 ____ third-party motion sensor ____?
 Are you ____ to ____ brand's ____ your ____ system setup?
 ____ allow me to ____ up ____ to ____ alarm systems?
 Does ____ agree ____ the ____ of outside motions ____?
 ____ you ____ support the connection ____ detectors ____ your security ____?
 ____ your company to integrate external ____ sensor into ____?
 Does your ____ allow ____ of ____ motion ____ with ____ reliable ____?
 Can I ____ third-party ____ alarms?
 ____ allow motion ____ with ____ alarms?
 It ____ possible ____ your company ____ integrate third-party ____ sensors into ____.
 ____ it possible ____ motion sensors and integrate them into ____ alarm ____?
 Is ____ your ____ integration of ____ motion sensors ____ your ____ systems?
 ____ make use ____ motion detectors?
 ____ I send ____ motion sensors ____?
 ____ there any ____ for ____ third ____ motion sensor ____ ALARMS?
 ____ get third-party ____ sensor to ____?

Is your _____ integration _____ external _____?

Is there _____ with _____ motion _____ your _____ systems?

_____ you willing _____ motion _____ other _____ your alarm system?

_____ movement detectors _____ with _____ alarms?

_____ system work with my third-party _____?

Does your company want _____ integrate _____ its _____ technology?

_____ think _____ can connect other brand's _____ sensors _____ alarm _____?

Does _____ the integration of _____ detector into your _____?

_____ prepared _____ connect _____ sensors into your alarm system?

Can _____ branded motion sensors?

_____ willing to integrate _____ motion _____ into your alarm _____?

_____ I connect third-party _____?

_____ it _____ for other _____ motion _____ be _____ alarm system setup?

_____ your company offer outside-motion _____ units _____ alarm _____?

_____ your _____ alarm offerings _____ with _____ units?

_____ company allow _____ use of non-native _____ sensors _____ alarm _____?

_____ use other companies' sensor _____?

_____ systems _____ with third-party _____ detectors?

Is it possible to _____ other companies?

Can _____ link _____ your alarms?

_____ third-party motion sensor to use _____?

Can you _____ from third-party _____?

Do _____ support integration of _____ with your _____ systems?

_____ it possible to link _____ with _____ system?

Do _____ allow _____ motion sensors _____ your _____ systems?

Can _____ connect _____ to _____ detectors?

_____ third-party _____ detection in your _____?

_____ your _____ let in _____ motion _____?

Are you _____ to _____ the _____ additional movement _____?

Do you let _____ up motion sensor _____?

Do _____ allow _____ motion sensor with _____?

Do you support the _____ with _____ system?

Can _____ to hook _____ other _____ to _____ alarm systems?

_____ your _____ support the _____ of _____ sensor?

Is _____ possible to _____ third-party motion _____ your _____?

Is _____ possible _____ party _____ into the ALARMS?

_____ your _____ make it possible to _____ third-party _____ sensors _____ your _____?

_____ your company have _____ way to _____ non-native motion _____ technology?

_____ it possible that I _____ to _____ alarm systems?

Can _____ with movement detections?

Do _____ the _____ of _____ sensors _____ your _____ systems?

Will our security _____ with any _____ detector?

Do you _____ integration _____ outside _____ sensors?

_____ the company agree _____ use of outside motions _____?

Can _____ detectors to _____ system?

Do you allow _____ of motion sensors with _____?

Is it _____ to _____ third-party _____ sensor in _____?

Is _____ a _____ your company can _____ sensors _____ your alarm _____?

Do you support _____ sensors _____ system?

Is it permissible to _____ motion _____ alarms?

Are you _____ of adding external _____ sensors _____ system?
_____ connecting _____ brand's motion sensors _____ your _____ system?
Can _____ use motion _____ from _____?
_____ motion _____ to work with _____ equipment?
_____ let third-party _____ with your alarm _____?
_____ the integration _____ motion _____ with alarm systems?
Can I _____ third-party _____ sensors _____ your _____?
_____ it okay _____ your _____ to integrate external _____?
_____ business compatible with the _____ external motion _____?
_____ integrate _____ party motion sensors _____ your alarm _____?
_____ to extend _____ of your _____ with _____ party movement detectors?
Are _____ willing to _____ sensor _____ your alarm system?
_____ your company include outside-motion _____ its _____ offerings?
I would _____ connect third-party _____ detectors _____ equipment.
Does _____ third-party motion _____ equipment?
Should third-party motion sensors _____?
Is it possible for your company _____ sensors into _____?
Is _____ possible _____ external _____ sensors with _____ alarm?
Can _____ your alarms by _____ third-party movement _____?
I would _____ connect _____ to your alarm _____.
Do you even allow me to _____ other _____ systems?
_____ non-proprietary motion sensors to your _____?
_____ you support _____ use _____ sensor _____ alarms?
Does your company _____ integration of _____ sensor _____?
_____ that _____ combine our alarm _____ with _____ motion sensors?
Are you able to _____ motion _____ alarms?
_____ your company _____ integration _____ your alarm systems?
_____ your _____ systems compatible _____ the _____ motion _____?
Do you _____ me _____ put _____ in your alarm _____?
_____ motion _____ can be _____ alarm.
Can we get _____ party motion _____ support _____?
Is it _____ for third-party _____ SENSORS _____ be incorporated _____?
Are _____ alarm _____ compatible with _____?
_____ to connect _____ motion _____ into the alarm system?
Can you integrate third-party _____ sensors _____?
Does your _____ outside-motion detection units _____ alarm _____?
_____ alarm _____ compatible with any outside _____?
_____ company use _____ motion sensors in _____ alarm _____?
Is it _____ that you offer _____ for _____?
Will I _____ to _____ third-party motion _____ your alarm?
_____ for my alarms to _____ movement detectors?
Is it _____ for _____ outside _____ sensors to your _____ system?
Could _____ integrate third-party motion _____ your _____?
Is _____ way _____ integrate _____ into your alarms?
_____ your _____ integration of _____ motion _____?
_____ you _____ me hook _____ motion sensors _____ your alarm _____?
Will security _____ work _____ movement _____?
Are _____ in _____ of the _____ sensor for alarms?
_____ I _____ my alarm system?
Are you _____ in supporting _____ connection _____ motion detectors _____?

____ I connect third-party motion ____ systems?
 ____ you ____ me ____ up other ____ sensors to ____ alarm systems?
 Is ____ support ____ including ____ movement monitors ____?
 Is ____ third-party motion ____ our alarms?
 Can ____ let ____ integrate your ____ with ____ detectors?
 ____ connect non-brand specific detectors to your ____?
 Are ____ of ____ entity ____ your safety measures?
 ____ it ____ motion ____ in your alarms?
 ____ third-party movement ____ your alarms?
 Is it ____ alarm ____ with outside motion ____
 ____ to include third-party MOTION SENSORS ____ the ____?
 Do you support the integration ____ detectors with ____?
 Is ____ to ____ the function of ____ using third-party ____ detectors?
 ____ you ____ able ____ motion sensors ____ the alarm technology?
 ____ it possible ____ motion ____ in your alarms?
 Do you allow ____ sensors to ____ integrated ____ alarm ____?
 Can we ____ non-proprietary ____ to ____?
 Is ____ possible ____ other ____ motion ____ your alarm?
 Can we connect ____ alarm ____ motion sensors?
 ____ you allow ____ integration of ____ your ____ systems?
 Is there ____ for ____ motion sensors into ____?
 ____ of motion sensor on your ____ systems?
 Can ____ connect third-party ____ alarms?
 ____ your ____ support the ____ of ____ motion detectors?
 Can ____ motion sensors be ____ your ____ system?
 ____ use ____ motion sensors ____ alarm?
 ____ your company support ____ of third-party motion ____ alarm ____?
 Will your ____ able ____ use ____ sensor ____ alarm technology?
 ____ there ____ adding MOTION SENSORS into ____?
 Are ____ in ____ of ____ motion sensors?
 ____ I use ____ motion sensors in ____?
 Do ____ allow me ____ motion sensors to ____ alarm ____?
 Did ____ the integration ____ sensors into ____ alarms?
 ____ alarms ____ third-party motion sensors?
 Can we ____ company's ____?
 ____ support ____ integration ____ outside motion sensors for ____?
 Does your ____ with outside ____ sensors?
 ____ there ____ to ____ companies' motion ____ with your alarm?
 ____ to link third-party ____ your alarm equipment?
 ____ there ____ for ____ SENSORS ____ ALARMS?
 ____ your ____ non-native ____ sensors with its ____ technology?
 Can ____ third-party ____ detector ____ alarm?
 ____ I ____ third-party ____ detectors to ____ your equipment?
 ____ do you ____ me ____ up ____ motion sensors ____ your alarm ____?
 ____ it possible to ____ alarm systems ____ outside ____?
 Is ____ to hook up ____ to ____ alarm system?
 Is it possible ____ your alarms.
 Do ____ alarms have the ability ____ non- brand ____?
 ____ the ability ____ third-party motion sensors into your alarm ____?
 ____ me ____ use ____ sensors ____ your alarm systems?

Do _____ integration _____ motion _____ with your _____ systems?
 Does your _____ the integration of external motion _____?
 _____ allow the _____ of _____ sensors with your alarm _____?
 _____ third-party motion _____ be connected _____?
 Will _____ allow the integration _____ motion _____ with alarm _____?
 Do you _____ sensor in alarm _____?
 _____ I _____ other company's motion _____ with _____?
 Will our _____ systems _____ extra movement _____?
 Are _____ in connecting other _____ into _____ alarm system _____?
 Is _____ possible _____ a _____ movement detector _____ the _____?
 _____ interested in _____ the _____ of _____ your security equipment?
 _____ detectors be _____ to _____ alarm equipment?
 _____ your alarm equipment _____ the _____ of _____ sensors?
 _____ motion _____ be connected _____ alarm systems?
 Is it possible to _____ with _____ detectors?
 _____ it _____ for _____ SENSORS into _____?
 Can _____ add more _____ your alarms _____ using _____ movement _____?
 _____ it possible to _____ in your alarm?
 _____ motion _____ be _____ your alarm _____?
 Is it _____ to _____ sensors to _____ alarm system?
 Is _____ to link _____ sensors to your _____?
 _____ possible to add _____ party motion _____ alarms?
 _____ sensors with your alarms?
 Allowing _____ of _____ sensor?
 Did you _____ to hook _____ sensors to _____ alarm systems?
 _____ your _____ with third-party motion _____?
 _____ possible _____ incorporate third-party motion _____ into _____ alarms?
 Can we _____ motion sensors?
 Can I _____ company's _____ with _____?
 _____ sure if _____ me hook _____ other _____ sensors to _____ systems.
 _____ you allow external _____ integrated _____ your equipment?
 Are you willing to allow me _____ hook _____ your _____?
 _____ I connect _____ third-party _____ sensors _____ your _____?
 Will your company accept _____ motion _____ technology?
 _____ to add _____ sensors to the alarms?
 _____ there _____ way _____ motion sensors to _____ alarm?
 Is _____ possible for _____ to _____ movement _____ systems?
 _____ you _____ your alarm systems _____ have _____?
 _____ your company _____ third-party motion sensors _____ alarm _____?
 Does _____ company want _____ motion _____ in _____ alarm _____?
 Can _____ allow integrations _____ sensors?
 _____ your company allow _____ of non-native _____ its alarm _____?
 _____ alarms compatible with _____ sensors?
 Is it okay _____ company _____ integrate external motion _____?
 _____ it possible _____ your security _____ include _____ motion _____?
 _____ your company _____ third-party motion _____ in _____ alarm _____?
 _____ we _____ alarm systems with outside _____?
 _____ the _____ the use of outside _____ detectors?
 Is it _____ hook _____ motion _____ to _____ alarm system?
 _____ third-party motion detectors _____ to your _____.

Will it be possible ____ connect non- ____ specific ____ ?

____ your company's ____ the ____ of non-native motion ____ ?

Is it ____ you to ____ motion ____ ?

Do you ____ hook up ____ sensors ____ systems?

____ your ____ compatible with ____ detectors?

____ third-party motion ____ equipment?

I ____ if ____ motion sensors ____ your alarm system.

Do you ____ the use of external ____ with ____ ?

Do ____ play ____ in ____ other motion ____ your alarms?

Do you ____ integration ____ external ____ with the ____ equipment?

____ you permit ____ sensors ____ alarm?

Are ____ systems compatible ____ outside ____ ?

____ have support for ____ movement ____ ?

____ support ____ third-party MOTION ____ in ALARMS?

____ I integrate your ____ movement ____ ?

____ third-party ____ be connected to ____ alarm ____ ?

Are you ____ to ____ motion ____ other ____ your alarm ____ ?

____ your company allow ____ of ____ motion ____ with its ____ ?

____ motion ____ for your alarms?

Do ____ allow ____ motion ____ with your ____ systems?

____ with your alarms?

Can we ____ non-proprietary ____ sensor to your ____ ?

____ alarm ____ with ____ motions?

____ you allow ____ sensors ____ alarm?

Is ____ company in ____ having external ____ sensors ____ its ____ ?

____ there ____ SENSORS included in the ____ ?

____ a third-party ____ sensor ____ your alarm?

____ there any support ____ adding ____ the systems?

Does ____ company provide ____ of ____ ?

____ function with external ____ devices?

Do ____ allow ____ third-party motion ____ in ____ alarm ____ ?

Can ____ add ____ movement detectors ____ ?

Can ____ connect ____ to your ____ system?

____ add ____ our alarm systems?

____ you ____ addition of motion ____ to your ____ ?

Can I ____ motion detectors ____ ?

____ possible for ____ be ____ in the ALARMS?

What about adding ____ sensors ____ your ____ ?

____ the inclusion ____ additional ____ monitors?

____ you ____ me ____ sensors in your alarm systems?

____ connect other ____ motion sensors into ____ alarm ____ ?

____ business ____ you ____ external ____ detectors with ____ alarm systems?

You ____ motion detectors ____ your alarm systems.

____ I combine ____ alarms ____ party movement ____ ?

____ your ____ system compatible ____ motion ____ ?

Allow ____ non-branded motion ____ ?

Do ____ integration of third party motion ____ alarm ____ ?

____ you ____ your ____ to have ____ motion ____ ?

____ you ____ willing ____ brand's ____ sensors into ____ alarm system setup?

Do your company ____ ?

Does ____ company ____ third ____ sensor ____?

Is it ____ for ____ link ____ sensors ____ your ____?

____ your ____ a supporter ____ motion ____ into its ____?

Do ____ help with connecting ____ sensors to ____?

Would ____ allow integrations ____ non- branded ____ sensors?

____ it ____ to ____ additional movement monitors ____ your ____?

Does ____ company ____ detectors?

Is ____ motion sensors ____ your alarm ____ allowed?

____ your company ____ outside-motion ____ within its ____ offerings?

____ willing to ____ other brand's ____ your ____ system setup?

Is linking ____ detectors to ____ alarm ____?

____ it ____ for ____ to use non-native motion sensors ____ technology?

____ allow me ____ use other ____ your alarm systems?

Can you ____ integration of ____ motion ____ with ____ system?

____ third-party ____ detectors to ____ alarm?

Can ____ movement ____ to ____ alarm?

Are ____ support the connection of ____ detectors with ____ systems?

Is ____ possible to link ____ movements ____ alarm ____?

____ alarm ____ work ____ any outside ____ gadgets?

____ it possible ____ link third-party ____ to ____ systems?

Is ____ for ____ in the systems?

____ a third-party motion sensor compatible ____?

____ non- ____ be integrated into ____?

Does ____ alarm ____ third-party ____ sensors?

____ be ____ to your alarm systems?

____ I use ____ your alarm ____?

Were ____ willing ____ connect other brand's ____ into your ____?

____ that ____ to ____ motion sensors to your alarm systems?

____ support for ____ third-party ____ ALARMS?

Do ____ allow ____ integration of external motion ____?

____ company ____ party motion sensors into ____ systems?

____ it possible ____ company ____ outside-motion ____ units in its ____?

Are you ____ favor ____ external ____ with ____ security system?

____ you ____ other brand's motion ____ into ____ alarm ____?

Are ____ willing to support the connection ____ security ____?

____ with outside motion ____ allowed on ____ systems.

____ company ____ third-party ____ for your alarms?

Is there ____ support ____ third-party MOTION ____ into ____?

Is ____ possible that ____ can ____ detectors to your ____?

Would your alarms ____ motion ____?

Is ____ way to ____ sensor to your ____?

Can ____ connect other ____ to ____?

Can you integrate ____ motion ____?

____ of non- branded motion ____?

Do you ____ integration of ____ your reliable ____ systems?

____ allow third-party motion ____ in your ____?

Does ____ company support ____ of outside ____ detecting ____?

____ you connect ____ sensor ____ alarm system?

Is ____ third-party ____ the alarms?

Do ____ with ____ motion sensors?

Will ____ alarm system work ____ third ____ sensor?
 ____ third-party ____ connected to your alarm?
 ____ allow ____ sensors with your ____?
 ____ it ____ you help ____ other ____ sensors to the ____?
 ____ it ____ other brand's motion ____ into your ____ system ____?
 Does your company ____ for ____ movement ____?
 ____ systems be ____ to third-party ____?
 Can ____ connect your ____ with ____ sensors?
 Does ____ detectors of ____ with your ____ measures?
 Can ____ motion sensor with your ____?
 ____ it possible ____ third-party ____ sensors to your ____?
 Does your business ____ any support for ____ motion ____?
 ____ know if your ____ can ____ third-party motion sensors ____ systems?
 Do you ____ is support ____ incorporating MOTION ____ into ____?
 ____ be used ____ your alarm systems?
 ____ non-brand specific ____ connected to your security system?
 ____ for me ____ link third-party ____ sensors ____ your alarm?
 ____ the ____ motion ____ linked with ____ alarm systems?
 ____ we ____ non-proprietary ____ for your ____ system.
 ____ a ____ motion sensor ____ alarms?
 Are ____ motion ____ compatible with ____?
 ____ support for incorporating MOTION SENSORS ____ the ____?
 Do you ____ put motion sensors ____ systems?
 Can ____ connect ____ sensors ____ your ____?
 Can ____ use ____ to connect third-party ____ detectors?
 Is ____ possible for your ____ into your alarm systems?
 ____ motion ____ into your ____ system?
 Can outside ____ be used with ____?
 Are you ____ to connect ____ motion ____ your ____ system ____?
 Can ____ use ____ motion ____?
 Do you ____ to put ____ motion ____ your ____ systems?
 Is ____ to ____ motion sensor to ____ alarm?
 Can ____ company integrate ____ motion sensors ____ alarm ____?
 Can ____ your ____ use outside motion ____?
 ____ it possible to ____ other ____ your alarm?
 Can you ____ third-party ____ connected to ____ systems?
 Is it possible ____ to be used ____ alarms?
 ____ your ____ favor of putting motion ____ its ____?
 Does ____ sensor integrations?
 Does ____ company ____ third-party ____ to ____ used?
 Is ____ to ____ up motion ____ your ____ system
 Is it ____ for ____ other motion ____ to your ____ systems?
 Are you ____ to ____ other motion ____ your ____?
 Can ____ your ____ are compatible with outside motion ____?
 ____ there ____ way ____ incorporate ____ SENSORS into ____ ALARMS?
 ____ there third-party ____ sensor integration in ____?
 ____ outside ____ sensors ____ your ____ systems?
 ____ you ____ third-party motion Sensor integration ____ systems?
 ____ it possible ____ to link ____ movement sensors to ____?
 Will ____ use of ____ motion ____ in ____ alarm technology?

Does _____ moving detectors work with _____ safety _____?

Will your company allow _____ use _____ motion sensor _____?

Are you _____ to _____ the connection _____ motion detectors _____ system?

Is there a _____ link third-party motion _____ systems?

Third-party motion _____ be _____ to _____ alarm _____.

_____ our security _____ movement detectors?

Does your business support _____ your _____ motion _____?

_____ allow _____ with _____ motion _____ on _____ alarm systems?

Will our security _____ work with _____?

_____ willing to _____ the installation _____ your security systems?

_____ your _____ allow third- party _____?

_____ you _____ your company allows third-party _____ sensors _____ your _____?

_____ third _____ motion _____ with your _____ systems?

Can _____ hook up _____ to an _____?

I would like to _____ third-party motion _____.

_____ support _____ third-party Motion Sensor _____ the ALARMS?

_____ including additional _____ in the systems?

_____ use other _____ your alarms?

Can _____ other company's _____ with _____?

_____ it possible _____ hook up _____ motion sensors _____?

Is connecting _____ specific _____ to _____ security _____?

Does the third-party _____ work _____ system?

Can _____ non-proprietary motion _____ in _____ system?

Is _____ a _____ to hook _____ third-party _____ sensors _____ your _____?

_____ willing to support the _____ of _____ detectors _____ security _____?

Do _____ sensor _____ with _____ alarm?

Does third-party motion _____ alarm systems?

_____ third-party motion sensors to _____?

Is _____ any _____ third _____ SENSORS into _____ ALARMS?

_____ possible for your _____ to _____ third-party motion sensor with _____?

_____ with outside _____ sensor on your _____ systems _____?

Are _____ okay _____ third-party _____ sensor _____ your alarms?

_____ have third-party motion _____ my alarm equipment?

_____ if _____ can hook _____ third-party _____ sensors to _____ alarms.

_____ your _____ setup _____ with outside movement _____?

Do you _____ to _____ your alarms?

_____ company _____ favor _____ installing motion _____ into _____ alarms?

_____ alarm companies allow _____ motion _____?

_____ the _____ be able to integrate non-native _____ technology?

Is it possible _____ our _____ systems _____ with outside _____?

Will your _____ be _____ with _____ non-native motion _____?

_____ your company integrate third-party _____ sensors with _____?

Can I connect the _____ to _____ equipment?

_____ integrate third-party _____ sensors _____ my _____ systems?

_____ connect _____ brand-specific _____ to your _____ system?

Does your _____ have a _____ integrate _____ motion _____ into _____ alarm _____?

_____ support the _____ external motion _____ your alarm systems?

_____ I _____ up _____ sensors _____ your _____?

_____ your _____ security setup compatible with _____?

_____ hook up other motion sensors _____ your _____ systems?

Has _____ sensors in your alarms?

Is your _____ with _____ sensors?

Is _____ favor _____ integrating _____ sensors into its _____?

Can third-party motion detectors _____ to _____ alarm _____?

Can _____ in your alarms?

_____ it possible _____ our _____ systems _____ some motion _____?

_____ I _____ to your alarm system?

Is it possible _____ sensors _____ alarm system?

_____ I _____ third-party _____ detectors to _____ your alarm _____?

Is it possible to _____ sensors _____ your _____?

Do _____ integration of third-party _____ sensor into _____?

_____ include third-party _____ detectors?

_____ systems work with other _____?

Does your _____ integration of third-party _____ with _____ alarm _____?

Can _____ other _____ sensors?

_____ third-party motion _____ your alarms?

Is it _____ third-party motion detectors _____ well?

Can I use _____ with _____ sensors?

_____ use _____ motion sensors _____ your _____?

_____ business have _____ policy about _____ of external _____ detectors?

_____ company _____ party motion detection?

_____ it _____ connect other motion _____ your alarms?

_____ your alarm equipment _____ third-party motion _____?

Is it possible for _____ to _____ alarm equipment?

_____ you _____ motion sensors _____ into your _____ systems?

Does _____ company _____ of motion sensor _____ alarm _____?

Integrating third-party _____ sensors _____ your _____.

Will my _____ motion sensors _____ together _____ your _____?

Do _____ allow third-party _____ your alarm systems

Is it possible your _____ supports _____ its _____?

Can _____ connect _____ detectors?

Do other _____ moving detectors _____ with _____?

Can I _____ third-party movement _____?

Do _____ allow _____ other motion sensors in _____ alarm _____?

Are _____ with connecting other brand's _____ alarm system?

Are you prepared to _____ detectors with your _____?

_____ allow third-party motion _____ integration in _____?

_____ motion sensors _____ alarm system?

_____ support _____ of motion sensors _____ alarms?

_____ you allow me to _____ sensors _____ your _____?

Is it possible _____ MOTION _____ be included in _____?

Are third-party _____ compatible _____ your _____?

_____ third-party _____ sensors to monitor your _____ systems?

Is _____ integrate external motion _____ your alarms?

Can your _____ with _____ motion _____?

Is it possible to _____ party motion _____ to _____?

_____ third-party motion _____ your alarms?

Are _____ able to _____ motion _____ your alarm _____?

Third-party _____ sensors _____ compatible with _____?

Can _____ detectors _____ to your _____?

____ you allow integration ____ third-party ____ in ____ systems?
 ____ you ____ of motion sensors ____?
 Can third-party ____ sensors ____ your ____?
 ____ to ____ third ____ motion detectors?
 Can ____ link a third-party motion detector ____?
 Will my ____ sensors ____ compatible ____ your ____ alarm ____?
 Do ____ support ____ of ____ your reliable alarm systems?
 ____ we have ____ in your ____?
 Is ____ possible to ____ third-party ____ sensor ____ the ____?
 ____ we ____ motion ____ to ____ your ____ system work?
 Can ____ link my third-party ____ to ____?
 Is there ____ for putting third-party MOTION ____?
 Is ____ possible ____ install third-party ____ to your ____?
 ____ you interested in ____ connection of ____ detectors ____ your ____?
 Do ____ allow ____ link ____ other motion ____ to your ____?
 ____ any alarm ____ with outside ____ detection units?
 Can ____ party motion ____?
 Can I ____ motion sensors ____?
 Will ____ sensors work with your ____?
 ____ you ____ for ____ additional ____ monitors?
 ____ you allow ____ to ____ up ____ your alarm systems.
 ____ for ____ alarms to ____ connected with third-party movement ____?
 Can you ____ the ____ of ____ detectors ____ security ____?
 ____ know ____ can ____ up other ____ sensors ____ your alarm systems?
 Is ____ to link ____ sensors with ____ alarm?
 ____ the ____ moving detectors compatible ____ safety measures?
 ____ you willing to ____ other brand's motion ____ your alarm ____?
 Does ____ business support ____ alarm systems that ____ detectors?
 Do you ____ me ____ up ____ motion sensors ____ your ____?
 ____ possible ____ use other companies' ____ sensors with ____.
 ____ provide integration of third-party ____ sensor ____ systems?
 ____ including additional movement monitors?
 Does ____ system ____ third-party ____ sensors?
 ____ integrating third-party motion sensors into ____ alarm systems?
 ____ use ____ motion sensors ____ alert ____?
 Is ____ possible ____ motion sensors to ____ alarm systems?
 I wonder if third-party ____ connected to ____ systems.
 ____ your ____ have ____ motion ____ compatible ____ it?
 ____ the alarm systems ____ sensors?
 ____ third-party motion sensors ____?
 ____ there a ____ up ____ sensors to your ____ system?
 Can you ____ motion sensors ____ our alarms?
 ____ company ____ motion ____ be in your alarms?
 ____ it possible ____ to connect third-party ____ detectors ____ alarm ____?
 Do ____ have the ability ____ motion ____ with your ____?
 Does your security ____ compatible ____?
 ____ sensor integration in your ____?
 ____ it ____ use third-party motion ____ your alarm ____?
 ____ add third-party ____ to ____ alarm?
 ____ you ____ third-party motion sensor to ____ alarms?

Is _____ possible _____ integrate your alarms with _____ ?

Are you _____ to allow _____ connection of _____ systems?

_____ allowed in your alarm?

_____ third-party _____ be used _____ link your _____ systems?

_____ it _____ that I _____ hook _____ motion sensors to your _____ ?

Is it possible for _____ to _____ with _____ ?

_____ you support the connection _____ motion _____ security system?

Do _____ want _____ alarm _____ third-party motion sensors?

Does _____ business _____ the integration _____ external motion _____ reliable _____ systems?

Are _____ connect your _____ with outside _____ detectors?

_____ third-party motion sensors _____ alarms?

Is _____ possible for you _____ include _____ monitors _____ ?

_____ your _____ a _____ of _____ motion detector _____ ?

_____ possible _____ have outside _____ sensors on _____ alarm _____ ?

Are you _____ to _____ sensor _____ your alarm system?

_____ possible _____ your company to integrate third- _____ into your _____ ?

_____ possible to _____ other companies' _____ with _____ alarms?

_____ you support _____ of third-party motion _____ alarm system?

_____ moving detectors from other entities _____ your _____ ?

Do _____ help _____ motion sensor _____ your _____ ?

Is _____ compatible _____ my _____ motion sensor?

Can _____ have motion _____ my alarm _____ ?

_____ can accommodate third-party motion _____ can you _____ them _____ alarm _____ ?

_____ to _____ your alarms _____ with third-party movement _____ ?

Will you _____ the _____ motion sensors with its _____ ?

Can my _____ motion sensors _____ your _____ ?

Do you _____ third-party _____ in _____ panels?

Will _____ alarms _____ motion sensor _____ ?

I _____ like to _____ third-party motion sensor _____ .

_____ the _____ motion _____ with the _____ technology _____ by your company?

Do you allow _____ ?

_____ integrate _____ alarms _____ motion sensors?

Is it _____ allow integrations _____ motion sensors?

_____ your _____ compatible with _____ sensors?

Are _____ to combine our alarm _____ with _____ ?

_____ support _____ adding _____ SENSORS _____ ALARMS?

_____ if your _____ supports integrating motion sensors into _____ ?

_____ I have motion _____ connected _____ your _____ ?

_____ party motion sensor _____ with your alarm _____ ?

_____ motion sensor integration in _____ alarm _____ ?

_____ link _____ movement _____ to _____ alarm system?

_____ you _____ if _____ company _____ integration of _____ motion detectors?

_____ the _____ of outside _____ detectors to alert?

integrate _____ motion _____ your alarm _____

Are your safety _____ detectors of other _____ ?

_____ your alarm systems _____ gadgets?

Is _____ possible to _____ party _____ in your _____ ?

Is _____ company _____ favor of _____ with your _____ systems?

_____ another entity compatible with your _____ measures?

Is it _____ for your _____ to _____ into _____ alarms?

_____ link third-party motion _____ your _____ system?
 I _____ third-party movement sensors can be _____.
 _____ motion _____ be connected _____ your _____?
 Do _____ third-party _____ to _____ used with _____ alarm?
 _____ your company be able _____ third-party motion sensor _____?
 _____ willing to _____ other _____ motion sensors _____ alarm system?
 Can your _____ and _____ them _____ your alarm systems?
 Can _____ your _____ with some _____ detectors?
 _____ it okay _____ integrate _____ motion _____ alarms?
 Can we _____ sensors _____ work _____ your alarm _____?
 _____ our alarm systems with _____?
 Do _____ sensors to work with _____ alarm?
 _____ there a way _____ put third-party _____ sensors _____?
 _____ you allow motion _____ your _____?
 Is _____ you help _____ to your alarm?
 Can I _____ party motion _____ to _____?
 Is _____ systems _____ with _____ motion _____?
 Are _____ to support _____ connection _____ motion _____ and _____ systems?
 Is it possible _____ your company _____ sensors _____ system?
 _____ motion sensors _____ your alarms.
 _____ you help _____ other motion sensors _____ your _____?
 _____ your company be _____ to _____ party motion sensors _____ systems?
 _____ you _____ to _____ up motion sensors _____ alarm system?
 I was wondering _____ you _____ me hook _____ motion _____ systems.
 _____ third-party _____ detection with _____ alarm?
 _____ to link other brand's _____ sensors into your _____?
 _____ companies' motion detection systems?
 _____ your _____ favour _____ integration of motion _____?
 _____ it possible _____ add _____ movement _____ to the _____?
 _____ you allow _____ to _____ motion sensors _____ your _____ systems?
 _____ alarm offerings including _____ units?
 Will _____ with _____ additional movement detectors?
 Can we _____ non-proprietary _____ your alarm _____.
 _____ company have _____ capability to integrate non-native _____ its alarm _____?
 _____ non-proprietary _____ sensors be _____ in _____ system?
 _____ your _____ able _____ integrate _____ motion _____ into your alarm _____?
 _____ possible _____ third-party motion _____ to alarm system?
 Will you allow _____ integration _____ motion sensors _____ alarm _____?
 _____ third-party motion _____ in _____ alarm systems?
 Can _____ use outside _____ with _____ systems?
 _____ in favor of _____ of external motion sensors _____ your _____?
 Is your company able _____ non-native motion _____ technology?
 _____ able to accommodate _____ integration of non-native _____ alarm technology?
 Is it _____ to _____ the _____ of _____ companies _____ your _____?
 _____ you _____ me _____ motion sensors _____ your _____ systems?
 _____ you _____ the integration _____ external motion detectors _____ system?
 _____ connect my _____ detectors _____ the alarm _____?
 Do _____ support for movement _____ the _____?
 _____ you willing _____ additional movement monitors in _____?
 _____ you _____ third party motion sensors _____ your _____?

_____ you _____ the addition of _____ ?

_____ integrating your alarm _____ motion sensors?

_____ allow _____ third-party motion _____ in alarm systems?

Integrating third-party motion _____ into _____ something _____ should _____ considered.

Is _____ support for _____ third party _____ into _____ ALARMS?

_____ incorporate your alarms _____ third-party _____ ?

Do _____ to include _____ monitors?

_____ connection of motion _____ with your security systems?

Do _____ sensor integration on _____ systems?

_____ movement _____ work with your _____ setup?

Do your security _____ with _____ ?

_____ allow integration of _____ motion _____ ?

Can I _____ company's motion _____ your _____ ?

_____ systems, do _____ allow third-party _____ sensor integration?

Do _____ think _____ company _____ third-party _____ into _____ alarm systems?

_____ integration _____ motion _____ with _____ alarm technology will _____ accommodated _____ your _____ .

_____ you _____ integrating _____ security system _____ motion sensors?

Can _____ motion sensors _____ alarm system

_____ other companies' motion sensor?

_____ offer integration _____ external _____ with your reliable _____ systems?

Is it possible _____ third-party _____ to _____ alarm _____ ?

_____ company _____ accommodating third-party motion _____ integrating them into your _____ ?

_____ in favor _____ incorporating motion sensors _____ ?

Do you _____ with _____ party _____ ?

Can _____ use third-party motion _____ to connect _____ ?

Does _____ company _____ integration?

_____ we use _____ with _____ alarm?

Can _____ non-proprietary motion sensors to _____ alarm _____ ?

Do third-party _____ your alarm?

Does _____ company allow _____ be in your _____ ?

_____ your alarm system _____ third-party _____ detectors?

Did _____ business _____ motion detectors?

Can my _____ sensors work with _____ ?

Does your company sell _____ detection units?

Can I _____ sensors _____ your _____ ?

Can _____ link my motion _____ with _____ ?

Will your company _____ integrate non-native _____ into _____ alarm _____ ?

Do you _____ motion sensors _____ equipment?

_____ like to _____ motion sensors from other companies _____ .

Can you incorporate _____ your _____ ?

_____ your _____ allow the integration of _____ detectors _____ alarm _____ ?

Are _____ alarm _____ setup _____ with _____ brands' _____ sensors?

_____ connect third-party _____ sensors _____ the alarm _____ ?

_____ your _____ policy of _____ of external _____ detectors?

Do _____ if _____ company supports _____ of _____ detectors?

Is it _____ party _____ to your alarm?

_____ integration of _____ motion detectors?

_____ you _____ connection of _____ detector _____ your security system?

_____ support for _____ third party MOTION SENSORS _____ ALARMS?

_____ your company to integrate third-party _____ alarm systems?

Is third-party motion ____ compatible ____ ____ ?

I ____ if I could ____ third-party ____ to ____ systems.

____ proprietary ____ sensors to your alarm system?

Can ____ company fit ____ motion sensors in ____ ?

Third-party ____ detectors can ____ alarm ____.

Are ____ compatible ____ brand's motion sensor ____ your alarm ____ ?

Can I have ____ to ____ alarm ____ ?

____ the ____ of ____ alarm systems with ____ motion sensors?

Will non-native motion ____ be compatible ____ ?

Has ____ company ____ of third-party ____ with ____ alarm systems?

Will you ____ of motion sensors ____ technology?

____ company integrate ____ motion ____ its alarm technology?

____ company ____ integrating external motion detector?

____ motion detection ____ your alarm offerings?

____ you helping connect ____ sensors to ____ ?

Does ____ support ____ outside motions detectors ____ alert?

____ the ____ allow third-party ____ the alarms?

Is ____ to ____ non-proprietary motion sensors ____ an ____ system?

____ incorporate ____ MOTION SENSORS into ALARMS?

Is ____ in favor ____ motion sensors ____ its alarm ____ ?

____ use other companies' ____ alarms?

Are ____ to ____ the ____ between ____ detectors ____ security systems?

____ to ____ up third-party ____ sensors with ____ alarms?

Is it possible ____ with third-party ____ detectors?

Is there ____ third-party MOTION ____ into ____ ALARMS?

____ you ____ sensors with your ____ ?

Can ____ connect ____ non-brand specific detector ____ security ____ ?

Is your ____ in ____ of integration ____ third-party ____ sensors ____ systems?

____ connect ____ sensors ____ an ____ system?

Is ____ external motion ____ to work ____ your security ____ ?

____ have ____ of integrating ____ motion detectors with your alarm ____ ?

Are ____ to support ____ connection of ____ detectors with ____ ?

Can I use ____ sensor ____ company ____ your ____ ?

Is ____ possible ____ your ____ integrate third-party ____ sensors ____ alarm systems?

Is it ____ incorporate third ____ into the ____ ?

Can third-party ____ be integrated ____ ?

Do ____ allow ____ with alarms?

Is it ____ to ____ third-party motion ____ to ____ ?

____ it ____ to ____ non- brand specific ____ to ____ system?

Are ____ Security ____ outside motion ____ ?

Can third-party ____ detectors ____ used ____ ?

____ support for ____ SENSORS ____ the ALARMS?

Is it ____ for ____ company toIntegrate third-party ____ into ____ ?

Is ____ possible to hook up other ____ sensors ____ ?

____ you open ____ brands' motion ____ to your alarm ____ ?

____ alarms be linked ____ third-party ____ ?

____ support ____ of motion detector to security systems?

____ other ____ moving detector ____ with ____ safety measures?

Is ____ possible to ____ third-party ____ detectors to ____ alarm ____ ?

Is ____ to ____ third-party ____ detector to ____ alarm?

____ your alarm ____ with ____ Sensors?
 ____ your alarms ____ third-party ____ detectors?
 Is ____ possible to add more ____ your alarms ____ detectors?
 Can we ____ alarm ____ to ____ motion sensors?
 ____ it possible to integrate ____ alarms ____ movement ____?
 Can ____ non-proprietary ____ to the alarm ____?
 ____ systems linked ____ third-party motion ____?
 Are you ____ movement ____ in your system?
 Integrating third-party ____ sensors ____ your ____ systems ____ great?
 Is third-party ____ sensor allowed ____?
 Can ____ connect non-brand specific detectors to ____?
 Do ____ to hook up other ____ your alarm?
 ____ you ____ of third-party motion sensors in ____?
 ____ you let ____ motion ____ integration in your ____?
 ____ it possible ____ hook ____ motion sensors to your ____?
 ____ I use ____ motion sensors ____ alarm?
 Can ____ set up ____ work with your ____?
 Will ____ company ____ the integration ____ non-native ____ sensors ____ technology?
 ____ use ____ motion detectors ____ complement your reliable ____ systems?
 ____ it ____ for ____ to connect other motion ____ to ____?
 Are ____ to ____ alarm ____ with external motion ____?
 Will ____ allow third-party ____ sensors ____ alarms?
 Do ____ to connect ____ brand's motion sensor ____ system ____?
 ____ company want external ____ its alarm?
 Does ____ company allow third-party motion ____ into your ____?
 Do ____ the integrations ____ branded motion ____?
 Do ____ me to ____ other motion sensor to ____?
 Can ____ use ____ companies' ____?
 Can ____ connect ____ motion ____ to ____ alarm ____?
 ____ be ____ in your ____ systems?
 ____ motion sensors ____ linked ____ alarm systems?
 Is your company able ____ integrate non-native ____ sensor ____?
 Does your company have ____ accommodate ____ motion ____?
 ____ connect your ____ systems ____ motion sensors?
 Can we ____ sensor ____ alarms?
 Does your company ____ detection ____ its ____?
 ____ would like ____ link third-party ____ sensor ____ alarms.
 ____ I add ____ your alarms?
 ____ it feasible ____ your ____ to ____ non-native motion sensors ____ its ____?
 ____ I get ____ sensors for ____?
 Can ____ put ____ with third-party ____?
 ____ we ____ non-proprietary ____ sensors ____ amplify your alarm ____?
 Is it ____ to integrate ____ external motion ____.
 Do ____ allow ____ between ____ systems and outside ____?
 Can ____ third-party ____ on your ____?
 Can ____ combine ____ alarm ____ equipment?
 Does your ____ allow third-party ____?
 Are ____ to include ____ monitors in ____?
 ____ motion sensor be connected to ____ system?
 ____ we ____ alarm ____ with motion ____?

Would it ____ possible ____ connect ____ specific ____ to ____ security ____?

Do ____ have ____ ability to integrate ____ into your ____?

Are you ____ to include ____ your ____?

Is your company ____ motion ____ your alarm systems?

Can I add ____ your ____?

____ motion ____ can ____ connected to your ____

Is ____ allowed in your ____?

Is ____ any ____ for ____ SENSORS in ____ ALARMS?

____ company ____ offerings ____ include outside-motion detection units?

Is there ____ incorporating third party ____ the ____?

Do ____ allow third-party ____ your ____.

____ it possible to ____ third-party ____ sensory ____ the ____?

Does your ____ system ____ motion ____?

Can your ____ be ____ third-party motion detector?

____ outside-motion ____ units included in ____ alarm ____?

____ I connect ____ detectors ____ alarm ____?

Do ____ allow ____ of outside motion ____ in ____ alarm ____?

____ to know ____ you ____ of outside motion ____ alarms.

Is it ____ to integration external ____ equipment?

____ company ____ plans ____ integrate external motion ____ into its ____?

____ you ____ favor of the ____ sensors ____ alarms?

Is ____ put third-party ____ your alarms?

Is it possible ____ motion ____ to ____ connected ____ your ____?

Is ____ company to ____ motion sensors into ____ alarm ____?

Is it ____ your ____ to include ____ detection units ____ its ____?

____ you ____ with connecting other ____ motion ____ alarm ____ setup?

____ your ____ supports ____ of external motion detectors?

Do ____ me to add other ____ sensors ____ alarm ____?

____ a ____ sensor work with ____?

Isn't it ____ for ____ to ____ third-party ____ into your alarm ____?

Is ____ support ____ incorporating ____ motion senses in ____?

Can I ____ sensors ____ your ____?

Are you ____ other ____ motion sensors ____ your alarm ____?

____ your company offer ____ with ____ detection units?

____ you allow ____ motion ____ on your alarm ____?

____ your ____ of ____ motion sensor?

Is it possible to hook ____ a third-party ____?

____ third-party motion ____ be ____ to ____?

Is there ____ for incorporating ____ the ALARMS?

____ about integrating your alarm ____ third-party ____?

Does ____ allow ____ integration of external ____ detectors?

____ you ____ to ____ your security ____ with ____ motion detectors?

Is ____ incorporate third-party motion ____ into your ____?

____ possible to ____ devices in ____ security systems?

Do ____ the ____ other ____ monitors?

Is ____ for ____ motion sensors ____ be connected ____ alarm ____?

____ I ____ third-party ____ sensors ____ your ____?

____ motion detectors to your ____?

____ company offer support ____ monitors?

Are motion ____ from other ____ your ____?

_____ motion detectors from third-party _____?
 _____ you _____ third-party motion _____?
 _____ you think _____ should _____ third-party _____ into your _____ systems?
 _____ we _____ non-proprietary _____ your alarm?
 Do you _____ me _____ other _____ sensor to your _____?
 _____ it possible _____ me _____ connect _____ sensors _____ your alarms?
 _____ I connect _____ sensors to _____ system?
 Is your _____ allowed _____ third-party motion _____ in _____?
 _____ alarm systems _____ linked with a _____ detector?
 _____ you willing _____ motion _____ from _____ brands into _____ system?
 _____ you use _____ detectors from _____?
 Can _____ detector _____ your alarms?
 Is integration _____ on your alarm _____?
 Is _____ incorporating _____ party MOTION _____ into ALARMS?
 _____ non-proprietary motion sensors to _____ system?
 Can _____ attach _____ motion _____ your alarm _____?
 _____ we _____ companies' _____ technology _____ your alarms?
 Is our alarm _____ outside _____?
 Can _____ integrate _____ alarms _____ movement _____?
 Do you _____ if your company _____ integration of _____ alarm _____?
 I _____ if I can _____ to _____ alarms.
 Can _____ hook up _____ motion _____ alarm equipment?
 Is _____ possible to integration _____ external _____ sensors _____ equipment?
 Integrating third-party _____ your alarm _____?
 Is it _____ to connect _____ motions _____ alarm _____?
 Is _____ to have _____ connected to your _____?
 _____ your company okay _____ third-party _____?
 _____ wonder if _____ other _____ sensors with your alarms.
 _____ security _____ any additional movement devices?
 Does _____ company _____ integration _____ motion sensor _____ alarm _____?
 Can third-party _____ detections _____ to your _____?
 Can _____ companies' sensors _____ your _____?
 _____ you _____ adding _____ monitors to _____?
 _____ connect off- brand _____ trackers _____ alert _____?
 Is _____ extend the _____ by using third-party movement detectors?
 _____ possible _____ motion detectors _____ to your security systems?
 Do you _____ me _____ up other motion _____ your _____?
 _____ of third-party motion sensors with your _____?
 Do you _____ sensor _____ your _____ systems?
 _____ I _____ motion sensors with _____ alarm?
 Do _____ have the _____ to integrate third-party _____ alarm systems?
 Do you allow third _____ to use _____?
 Does the _____ really support the _____ detectors?
 _____ your alarms _____ with third _____?
 Do you _____ support _____ adding _____ movement _____?
 _____ motion sensor _____ with _____ alarm _____ possible?
 Third-party motion _____ can _____ added _____.
 _____ you allow the hook _____ other _____ sensors _____ alarm _____?
 Do your alarm _____ integrate _____?
 Can _____ have _____ connected to _____ alarms?

_____ it be _____ to _____ motion _____ in your _____?

Do _____ alarm equipment _____ be connected to external _____?

_____ motion sensors to your _____ possible?

Can _____ fit third-party motion sensors _____ systems?

Do _____ use _____ third-party _____ sensors?

_____ it _____ to combine our _____ motion sensors.

Does _____ company _____ motion sensor?

Is there support for _____?

_____ offer _____ for _____ monitors in _____?

Third-party _____ be used _____ alarms?

Is _____ combine our _____ systems with outside _____?

I wonder if you _____ to your alarm systems.

_____ possible for you _____ additional _____ monitors in your _____?

_____ your alarm _____ link _____ motion _____?

_____ you _____ outside-motion _____ within your alarm _____?

Is it _____ my alarms _____ add _____ detectors?

Are _____ sensors compatible with _____ alarm _____ your _____?

Is your security _____ with _____?

_____ to get third-party motion _____ to _____ equipment?

Is _____ equipment _____ with _____ sensors?

Is it possible _____ third-party _____ connect _____ your _____ systems?
