

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Training and user manual inquiries
Inquiry Sub-Category	Technical Specifications
Description	Customers request detailed technical specifications of telecommunications equipment, including power requirements, network connectivity options, and compatibility with various protocols and standards.
Data Size	8,195 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ you _____ technical _____ network connectivity options?

_____ on the _____ choices.

What _____ tech _____ for _____ networks?

Is there detailed _____ options?

I _____ like to _____ of network _____ options.

Send deets _____ the connection _____.

Is it possible _____?

I'm _____ if _____ could get _____ breakdown _____ net _____.

Share your _____.

Is there a _____ net _____?

_____ let us know about the _____ connectivity?

_____ do _____ get _____ net connection?

You _____ tell _____ more _____ network _____.

_____ about _____ options?

Have _____ network _____.

_____ specifications _____ net networking?

_____ information _____ how networks can _____.

Can you _____ me more _____ different _____ options?

Give _____ a _____ of the _____.

_____ you give specific _____ information _____ network _____?

_____ want to know if the _____ are available.

We _____ info pertaining to network _____.

_____ the _____ connection?

_____ details for network _____?

I _____ in _____ in-depth breakdown _____ your _____ setup.

We'd appreciate a _____ detailed _____ network connections.

_____ get all _____ on network _____?

Do _____ have _____ specifications _____ variety _____ network options?

_____ it possible to _____ specific _____ info _____ options?

Will _____ give me a _____ specifications _____ networking?

Do you _____ specifications for _____ network _____?

The _____ the _____ options?

Share _____ about _____.

_____ a _____ of the _____ specifications for network _____ options.

_____ would _____ to get _____ breakdown of _____ net _____.

_____ you give _____ more _____ connectivity?

_____ specifications _____ are _____ to _____ online?

_____ the detailed _____ for _____ use?

Were you able _____ hookup _____ full _____?

_____ details _____ do you have?

_____ specification for a network _____?

_____ please, as _____ as possible!

_____ you _____ me _____ rundown _____ the _____ tech?

_____ sharing more _____ about the _____?

Is _____ any _____ tech spec _____ the networks?

_____ get _____ information _____ networking options?

_____ you _____ technical network _____?

Give detailed _____ networking

_____ what the _____ are for connecting networks?

_____ your _____ technical specifications for _____?

How do _____ tech specifications _____ connecting networks?

_____ information can _____ about the _____?

_____ us _____ networking _____?

_____ possible for _____ to _____ precise _____ about _____ connections?

Specific information _____ would _____ provide?

Is _____ possible _____ network _____ specifics?

Is it _____ tell me _____ different _____ connection _____?

_____ you have _____ description of _____ network _____ methods?

_____ to access _____ details of network _____.

_____ network _____ specifications?

_____ you tell _____ about _____ criteria _____ connections?

Detailed _____ network _____?

_____ to share some technical information _____ internet _____?

Do _____ have _____ specifications _____ network _____ connection _____?

What _____ there _____ the _____ connection?

It would _____ we could get comprehensive _____ network _____.

_____ have tech specifications _____?

Inform _____ about _____ connection choices _____.

_____ specifications in relation _____?

_____ information about _____ options?

_____ the _____ connections _____.

_____ tech _____ associated _____ connecting online?

_____ any _____ specifications for _____ online?

Is it possible to _____ about _____?

_____ there any _____ various _____ options?

networking details might _____?

Do _____ specifications _____ network _____ connection methods?

_____ it possible _____ get _____ network connectivity soon?

___ it ___ for you ___ give ___ about ___ connections?
___ possible to ___ some technical ___ about these ___?
___ would like to ___ if ___ get ___ network connectivity soon.
___ you ___ technical ___ about the ___?
Is there ___ options?
Will ___ tech specifications ___ online?
Can ___ send network ___?
___ technology ___ networking.
Can ___ give ___ information about ___ connect?
Do ___ specifications ___ connection ___?
Can ___ share ___ details?
Do you have ___ specifications ___ some ___ options?
___ technical ___ for _____.
___ you ___ any more information ___ connection?
Do you have hookups ___?
Can ___ information about ___ connection?
Provides ___ networking ___?
Can ___ how ___ connect?
___ networking specifications?
Can ___ tell ___ more about ___ details ___ the ___?
___ let ___ specific connection information?
___ have ___ detailed description of ___ network option ___?
___ it possible ___ info on network ___ options.
___ like to know ___ about ___ connections.
You can ___ specific ___ on network _____.
___ about networking ___?
___ it possible ___ to ___ specifications for different ___?
Do ___ have specific ___ regarding ___ network ___ connection ___?
___ tell ___ network connection _____.
___ specifications for networking.
___ how networks are _____.
Specific details ___ options?
Can ___ give network ___?
Share networking _____.
___ provide technical ___ for the ___?
I'd like ___ the tech _____.
___ you ___ the technical specifications for network ___?
Is it possible ___ technical details ___?
Can ___ us details ___ connectivity?
Is ___ for you ___ connectivity details?
Can't ___ me the technical details ___ internet ___?
___ you ___ us more ___ connections?
Are ___ network specifications ___ have ___?
___ can be connected
Is ___ details of connection choices?
Is ___ any technical ___ connecting ___?
___ any way we can get details ___?
Do you ___ details ___ the ___?
___ information ___ network ___ options.
___ tech specifications ___ network ___ are ___ appreciated.

_____ you _____ specifications on _____ network _____ connection methods?

There are _____ shared.

_____ you give _____ the network _____?

Do _____ have _____ specifications on _____?

What is _____ for _____ networks?

_____ you give _____ hookup choices that _____?

What are _____ specifications _____ connect _____?

Can you just let _____ world _____ about _____ technical details _____?

_____ you share the _____?

_____ possible _____ give _____ connectivity specifications _____?

Do _____ a specific specification _____ network _____ methods?

_____ me _____ specifications?

_____ you _____ me _____ various network options?

_____ there any _____ tech _____ online?

_____ possible _____ access _____ details about the _____ connections?

_____ you _____ me _____ breakdown of _____ technical specifications of _____?

_____ more _____ about _____ network soon?

_____ if _____ can _____ on networking options.

Give _____ network _____.

_____ provide _____ lot of information about network _____ options?

Is _____ possible _____ share network _____?

Can _____ give _____ specifications _____ options?

_____ info please, _____ detail _____!

Is there _____ network _____?

_____ exact technical network _____?

_____ more information about the _____.

_____ you give me _____ breakdown of the technical _____?

Inform us about _____ different _____ that are _____.

_____ get precise information about _____ connections.

_____ detailed _____ on network options?

Specific _____ on network _____ options could _____.

_____ specifications _____ networks

_____ to _____ technical info for _____?

Can _____ us _____ information about the _____ the _____?

_____ to see _____ specifications linked _____ connections.

_____ you have an exact _____ of _____ option _____?

Is there _____ you _____ give us _____ the _____ choices?

_____ tell me more _____ different network connection _____?

Is _____ possible _____ see _____ details _____ network _____.

_____ technical specifications for the _____?

Share specific _____.

Is _____ any specific _____ network connection _____?

We _____ tech specs _____ to network _____.

Can _____ an in-depth breakdown _____ setup?

_____ full _____ details for _____?

_____ technical specifications _____ be shared _____.

I'm _____ a _____ of the _____ specifications _____ network connectivity _____.

I want to _____ can _____ deets _____ services soon.

Is _____ to get _____ networking options?

Tech _____ networking?

Give _____ how _____ be connected.
_____ could tell _____ about network connectivity?
Want _____ technical _____ for the _____?
_____ have the _____ technical network _____?
_____ info _____ networking
Can _____ give _____ information about _____ network?
You need details _____.
_____ of network connect _____
_____ on _____ options
_____ are needed _____ networking options.
_____ the technical _____ for connecting _____?
Do you _____ technical specifications for _____ various _____?
_____ want _____ if I can get _____ network connection _____.
Details _____ network _____
Share networking _____.
Is it possible _____ I _____ get _____ deets on _____?
_____ need _____ breakdown _____ specifications for _____ network connection options.
_____ for the network option _____ methods?
Do _____ have _____ set of specifications _____ connection _____?
_____ network connect _____.
Is _____ any information you could _____ about _____?
Any _____ network _____?
_____ shed some light on _____ connecting?
_____ let us know _____ connections?
Comprehensive _____ specifications for _____ appreciated.
Can _____ exact information _____ network _____?
_____ us _____ information _____ the _____ network connection choices?
Specifics _____ network _____?
_____ us information _____ connection options?
Can _____ share _____ network _____?
Do your _____ include _____ for _____?
_____ you _____ an _____ description _____ networks connect?

Do you _____ any technical specifications _____?

Can ____ just tell me ____ the ____ details ____ internet ____?

How about ____ on ____?

The ____ options should ____.

How about ____ technical ____ networks.

____ any information ____ can give us ____ choices?

I'd like ____ tech specs ____ for networking.

What information about ____ connection choices ____ give?

Detailed ____ be ____ about.

____ network ____ need ____.

Can you tell ____ specifications ____ network ____?

____ us about ____ options.

Let me ____ specifications.

How are ____ networks?

____ possible ____ give details ____ different ____ networks connect?

What ____ detailed ____ connecting?

____ have exact technical ____ specifications?

Do you ____ chance for ____ spec details ____?

____ are specific tech ____ for ____?

We'd ____ more ____ network ____.

____ like to ____ in-depth breakdown ____ your net ____.

____ you ____ specifications for connections?

____ you specify ____?

____ for ____ info.

How about ____ network ____ technical ____?

Can ____ quickly release ____?

Detailed ____ on ____?

Can ____ give ____ technical ____ the internet connections?

____ you ____ network ____ technical ____?

There ____ on ____ connectivity choices.

____ you please tell ____ the network connection ____?

Give me a ____ network's ____?

Network ____ you ____ more about ____?

Looking for specifications ____.

Can ____ out the ____ connections?

____ the ____ connection?

____ details ____ the network.

____ it ____ possible to ____ an in-depth ____ of ____ internet ____?

Send in ____ for ____.

____ technical ____ for ____ connection.

What ____ detailed ____ for ____ networks?

It would ____ great if ____ get ____ tech ____ connections.

____ you give ____ choices with ____?

Looking ____ technical ____ about ____?

____ you have any details ____ different ____ connect?

____ can ____ more detailed?

I ____ know the network ____.

____ about the tech ____ for ____.

____ more about the ____ options?

____ me know how networks ____.

____ about technical ____ for ____.

Can you _____?

Do _____ networking _____?

Tell _____ the _____ connection.

_____ share detailed Connectivity Spec?

Were you able to _____ information _____ network _____?

Can _____ give _____ a _____ tech requirements for _____?

Could you _____ connections' _____?

I am _____ if _____ complete information _____ network _____.

Do _____ think _____ can get _____ networking options?

Sharing tech _____?

_____ specifications _____ connections?

Give me a _____ the _____.

_____ you give _____ about networking?

_____ to _____ online, any _____ specifications?

_____ tell us about _____?

Give information _____ how networks _____

Are there _____ technical _____ available?

_____ a _____ of _____ tech specifications for _____.

Give _____ on _____ network _____?

_____ you _____ detail on the _____?

_____ about _____ for connections?

_____ details _____ be _____ depth.

_____ for details _____ options?

Show _____ network _____.

I _____ technical specifications _____.

Specific _____ would _____ describe?

_____ to request _____ specs _____ to the choice of _____.

Do you _____ information about the _____ available?

_____ tech information _____.

_____ full technical _____ for _____?

Specific _____ on _____.

_____ you _____ share _____ of _____ network?

_____ you _____ specific connection _____?

_____ tell us _____ different _____ connection choices?

_____ supply network connections' _____?

_____ specifications relating to various network _____?

_____ tell _____ about how we can _____?

Can _____ of the _____ specifications for networking?

_____ give network _____ soon?

Do you have any _____ different _____ choices _____?

_____ it possible to _____ detailed _____ connectivity _____?

Network details could _____ detail.

_____ it _____ to _____ connections' technical specifications?

_____ a specific _____ specifications?

I would like _____ specifications _____ connectivity _____.

_____ about _____ network connections' _____?

Is _____ information _____ get _____ networking _____?

Can you give _____ a _____ specifications for the _____?

_____ network _____ you _____ elaborate on?

_____ for tech _____ the networks?

_____ able to provide technical _____ various network _____?

_____ looking _____ rundown on the tech _____ networking.

_____ any _____ information you _____ give _____ network connection _____?

Is _____ share detailed connection _____?

_____ on network options?

What _____ for the _____ network connections?

I would _____ to _____ the _____ network options.

Do _____ have any information _____ connections available?

Can _____ the network _____ specifications?

_____ us details about _____ network?

_____ I _____ how network _____ work?

_____ you just _____ details of the _____ connections?

_____ about _____ exact _____ network _____?

_____ tech _____ pertaining to _____ would be _____ by _____.

_____ tell me about _____ connection choices _____ are _____.

_____ network specifications you have?

_____ you _____ any information on _____ tech _____ networking?

Do you _____ specifications about any _____?

Do you _____ on _____ option _____?

_____ are _____ specifics about _____ connection?

_____ possible _____ let me know about _____ different _____ choices?

_____ I _____ the _____ on network connection _____?

Show _____ the specifications _____ connections.

Request _____ network _____.

_____ you _____ particular technical _____?

_____ about the _____ network connection _____.

You can _____ specs _____.

Can _____ us tech _____ options?

Is _____ possible for you _____ technical specifications _____?

_____ a way to _____ connections' technical _____?

_____ possible _____ get technical specifications for the _____?

_____ you tell me _____ the technical _____ connections?
