

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Accessories and customization inquiries
Inquiry Sub-Category	Exterior Enhancements
Description	Customers explore options for adding visual upgrades to their vehicle's exterior, such as body kits, spoilers, grille modifications, or paint jobs. They often request information on the availability of specific designs, color choices, and potential impact on vehicle performance.
Data Size	9,165 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

_____ achieve _____ airflow, what combination of hood vents, _____ skirts, and rear _____?

_____ recommendations _____ the _____ combination _____ hood _____ and rear spoiler to improve both looks and _____?

_____ the _____ choices _____ hood vent, side _____ rear spoiler?

The ideal _____ of hood _____ skirts, and _____ aesthetic _____ improve air flow.

Is _____ recommend the _____ hood vents, _____ skirts, and _____ Diffuser/spoiler for _____ best aesthetic and

_____ skirts, _____ rear Diffuser/spoiler for better _____ quality?

Can you suggest an optimal _____ hood _____ skirts, and a _____?

Which hoods, _____ would maximize style and _____ circulation?

_____ airflow, _____ you recommend the ideal setup of hood vent, _____ rear _____?

_____ the best combination _____ vents, _____ skirts, _____ rear _____ for better _____?

Is it possible for _____ setup _____ hood _____ skirts, and rear _____?

_____ the best combo _____ hood _____ skirts, and rear _____ for _____ flow?

What is the _____ setup _____ side _____ and _____ maximize _____ and airflow?

_____ skirts, _____ diffuser/spoilers for better air?

For better _____ what is the _____ vent, side skirts, _____ rear _____?

_____ of _____ vents, _____ skirts, _____ rear spoiler/model _____ recommend _____ improve the style?

Which _____ vent, _____ skirt, _____ spoiler would _____ car _____ aerodynamic?

What _____ the _____ of hood vents, _____ and spoiler?

_____ mix of _____ rear spoiler _____ you recommend to _____ the style?

_____ the perfect combination of hood _____ side _____?

Are _____ of _____ side _____ rear Diffusers that maximize both _____ Ventilation?

Is there _____ optimal setup _____ a rear spoiler/diffuser?

Which combination of hood _____ skirts, _____ rear _____ creates _____ best _____ appeal _____ increasing _____ in _____ opinion?

_____ strike _____ between looks and air circulation, there _____ mix _____ hood _____ side _____ and rear _____.

Which _____ vents, _____ skirts, _____ spoiler _____ give my car _____ best _____?

What _____ best _____ improve the _____ feel of your car with hood vents, _____ skirts, _____ rear wing
